

A Killer 179

Chapter 179: Marry me as a wife? (7 more)

Li Tian couldn't help feeling warm at the moment, and nodded slowly.

Just there, blinking a pair of eyes, staring at her battered powder cheek.

Situ Ningbing seemed to be aware of Li Tian's fiery gaze, and could not help turning around slightly.

"I'm stupid... I only now understand why you said that at the time..." Li Tian said suddenly there with difficulty.

Although Li Tian does not know exactly that Situ Ningbing was poisoned by the Sanshengmen, he already knew that the reason she worked so hard to let herself go, turned out that everything was for her own good!

Situ Ningbing didn't speak, and turned his back to her.

Through her beautiful back, Li Tian looked at her.

"Why are you coming back?" Situ Ningbing's voice suddenly reached his ears, but he was still facing with his back.

Li Tian thought for a long time before slowly saying, "Because I promised you, I will protect you in the future..."

When Li Tian said this sentence in a low voice, his heart was pounding.

He didn't know if she laughed at herself when he said this sentence? Could the promise at the beginning be just a joke...

"Do you really think that?" she said, looking back into his eyes.

Qing Che looked at Li Tian unblinkingly with a trace of indifferent eyes.

Suddenly Li Tian didn't know what he should say... Sometimes he didn't even know why, when facing her, he always felt an invisible pressure.

But he nodded there anyway: "Yeah."

"Marry me as a wife?" A word suddenly came out of Situ Ningbing's mouth, who does not touch lipstick but is more **** and beautiful than wearing lipstick.

Li Tian was embarrassed instantly,

He did not expect that Situ Ningbing would suddenly ask like this, and after a long pause, he mustered up the courage to say, "Well, marry you as a wife."

When she heard Li Tian say this, she was silent for tens of seconds.

This period of silence made Li Tian feel like an ant on a hot pot, feeling uneasy.

Huh!

Suddenly she smiled.

The smile is so glamorous, so fairy.

Li Tian, who saw Situ Ningbing's laugh for the first time, almost looked fascinated... He had never discovered Situ Ningbing's smile... such beauty.

"Why are you laughing? Did you think what I said was a joke?" Li Tian said, looking at Situ Ningbing very seriously.

He couldn't understand what Situ Ningbing's smile meant just now.

Situ Ningbing turned her beautiful eyes to look at Li Tian, putting away her beautiful smile: "You marry me as a wife? Do you know who I am? And do you know what I have done? You know my joy and anger. Sadness and joy? Hobbies and dislikes?"

Facing Situ Ningbing's series of questions, Li Tian was taken aback.

"To be honest, I don't know. But I know I'm going to marry you as a wife."

"If you can't do it in one year, I will use it for five years. If you can't do it in five years, I will use it for ten years... If you can't do it in ten years, I will use it for a lifetime..."

"Hehe, you are quite persevering." Situ Ning sneered.

"From now on, the time you spend with me is only less than a few hours, and you don't know much about me... You just made up your mind to marry me as your wife?" Situ Ningbing said.

"It's okay! Some people have spent half their lives, but in the end they are not divorced? I think, I might be the kind of love at first sight for you."

"love at first sight?"

"Then I will be with you in the future. If you see another woman and fall in love at first sight? What should I do?" Situ Ningbing said, blinking at Li Tian with beautiful eyes.

"No!" Li Tian said flatly.

"Why are you so sure?"

"Because I believe that there is absolutely no woman more beautiful than you in this world." Someone said.

When Situ Ningbing heard Li Tian say this, her cheeks turned red in an instant.

Does that woman not want others to call her beautiful? Even if she is a glamorous killer! But she is a woman.

It's just that the blush stays on the powder cheeks for a short time.

"So you are a man who judges people by appearance." Situ Ningbing stared at Li Tian.

"I admit that I am, and I also admit that most men in this world are, but at least I am not hypocritical. I dare to say that if I say that you do not like your beauty, I am a fool. ."

"You are a fool right now."

Situ Ningbing stood up after speaking, as if he was about to leave.

"Are you angry?" Li Tian asked quickly, trying to move, but because of the pain, he moved a bit, grinning in pain.

Situ Ningbing turned his back to him, did not answer his words, turned and walked outside.

Li Tian was left lying there alone, his eyes still blinking at her back, lingering in his heart... Hey! What does this woman think? How can I win her heart repeatedly?

When Situ Ningbing went out, he saw Qiu Si standing on his back in the courtyard.

The tall and burly body stood there, frowning slightly on that old face, as if thinking about something.

"God father... he woke up."

Situ Ningbing, who came slowly, said to Qiu Sidao.

Qiu Si turned his head and nodded, sighed and said, "That's good."

"Binger, don't you think this young man is getting more and more weird?" Qiu Si said suddenly in front of him.

Situ Ningbing did not answer, but a very shallow smile appeared on the corner of his mouth.

"He suddenly became so strong in such a short period of time... It's incredible. I have lived for most of my life, and I have never seen someone like that... But I didn't expect to meet him this time. Now." Qiu Sidao said.

Situ Ningbing said: "Godfather, do you know? When I first met him in Liaocheng, he didn't know anything at the time. He was just a rural man in a small county town! To be honest, even me. I never thought he could find you here, and he also learned martial arts."

"So this kid doesn't know anything before seeing you?" Qiu Si asked in surprise.

"you could say so."

Qiu Si was silent suddenly.

With his hands behind his back, his deep eyes looked at the distant sky, not knowing what he was thinking.

"This young man is getting more and more difficult."

"Binger, what to do with your poison?" Qiu Si asked Situ Ningbing, who was looking at him with worry in his eyes suddenly.

The poison of Sanshengmen!

Duanmu family's most powerful three-life poison.

A bitter smile appeared at the corner of Situ Ningbing's mouth.

Shook his head: "I don't know either."

Qiu Si looked at his goddaughter with a sad mood.

Everyone knows that the Duanmu family, one of the four major families in China, is the dark family, and the family's sanshengmen poison is difficult to crack.

Moreover, it is said that the poison of the Sanshengmen has no cure at all...

Is Situ Ningbing now poisoned by the Sanshengmen? How to do?

"Binger, why don't you go home...find them, maybe they can help you, after all, your family can compete with the Duanmu family..." Qiu Si suddenly sighed.
