

## A Killer 184

Chapter 184: sister in law

When Shen Feng was hospitalized, Li Tian left 10,000 yuan here, and the 10,000 yuan was the money Feng Wuye gave him in the black market boxing match.

After entering the hospital at this moment, Li Tian didn't go to the front desk first, but walked quickly toward the 106 ward.

Because the original Shen Feng lived in the 106 ward.

Unfortunately, when Li Tian walked in, he found that the 106 ward was empty and there were no people living.

This can't help making him startled.

"Where is Shen Feng? This kid won't be discharged, right?" Li Tian thought to himself.

Thinking of this, Li Tian quickly walked to the front desk, ready to ask.

The nurse at the front desk is a dark-skinned girl with a round face and dark eyes like a bright glass ball.

"Hello, I want to ask about Ward 106, why is it vacant? What about the patients in it?"

After Li Tian asked, the dark-skinned nurse said, "No. 106?"

"That ward seems to be empty."

Li Tianyi was taken aback.

"What about the patient who lived before? His name is Shen Feng."

The nurse said: "Wait a moment, I'll check it for you."

Then I checked the information of the inpatient department above on the computer next to him, then raised his head and said to Li Tiandao: "Sir, the patient who lived before was discharged from the hospital two days ago."

After the nurse said this, Li Tian said inwardly: That kid recovered so quickly? He was discharged from the hospital.

"Oh, thank you."

After speaking, Li Tian left the hospital, then drove a car in the direction of the nine districts.

---

When the car quickly arrived at Xia Xue Xiao Restaurant, Li Tian got off the car.

But Xia Xue's small restaurant was still open as usual.

Li Tian quickly walked in.

At first glance, I saw Xia Xue standing in front of the counter, wiping the table with a rag.

The jet-black hair was lightly stuck with a hairpin, and on the charming face with the delicate air of a mature woman, the moment he saw Li Tian was slightly astonished, followed by a wave of joy.

"Li Tian?"

Xia Xue called out immediately.

"Sister Xue." Li Tian also said happily.

"I went there these few days? Why haven't we come back for so long, Shen Feng and I are almost worried to death, thinking something has happened to you?" Xia Xuejiao said.

After the lingering with Li Tian, Xia Xue is undoubtedly more feminine, wearing a pair of ordinary skinny jeans will be plump, and the figure of a slender woman is even more vivid.

Li Tian quickly put aside his evil thoughts, smiled at that Xia Xue and said, "It's okay, I just met an old friend these days."

"That's good to tell us, otherwise it makes us worry for nothing." Xia Xue said.

"Okay, Sister Xue, I was wrong, I promise to not dare next time." Li Tian said with a smile.

Xia Xue laughed.

"Where is that kid Shen Feng?" Li Tian asked.

"Stay in his den," Xia Xue said.

"How is his injury?"

"It's not a big deal anymore, I've been alive and kicking these past two days." Xia Xue said with a smile.

"I'll go see that kid."

After speaking, Li Tian walked out of Xia Xue's small restaurant and walked quickly towards the small nest where they lived.

When he arrived, he opened the door with a slam and saw the naked, body, with gloves on his hands, and he was sweating and punching the sandbag Shen Feng.

And Shen Feng also turned his head when he heard the movement and saw Li Tian.

"Brother Heaven..."

Shen Feng screamed, and then, like a woman, ran over and hugged Li Tian.

Li Tian laughed haha.

"Brother Tian, did you run there? You want to kill me, brother." Shen Feng asked excitedly.

Li Tian thought about it for a while and said, "It's just the slightest thing these days."

"Are you finished?" Shen Feng asked in surprise.

Li Tian touched his nose: "To be precise, it's not finished yet."

"What's the matter? By the way, Brother God, when you walked in the hospital last time, you said you wanted to monitor those two terrifying bastards. What happened? What about those two guys?" When K, who was almost killed, was still in blood, there was still a fear in his heart.

"The two bastards, I think they have left Kyoto City." Li Tiandao said.

"Ah? They're gone? What the \*\*\*\* is going on? Brother Tian." Shen Feng could not help asking.

So Li Tian told Shen Feng in front of him about everything in the past few days, and what about Shen Feng? He was completely stunned.

What is the "Qisha" organization, and the name of Qiu Si who is so powerful in the world... and the Duanmu family thing...

Among all the things told to Shen Feng, Li Tian just didn't tell Shen Feng that he was taken into the cave by the rickety old man. After all, Li Tian was a man who kept his promise.

And how about Shen Feng? It is the ups and downs of listening.

"Hey, what is the origin of the (Qisha) killer organization you mentioned?" Shen Feng asked curiously.

Li Tian shook his head.

"Actually, I am not very clear about the Qisha organization. I just learned from Qiu Lao's mouth that the Qisha organization is a very ancient organization, and it had existed at the end of Ming Dynasty. It belongs to an extremely Mysterious assassination organization."

"Assassination organization, isn't that powerful?" Shen Feng asked.

Li Tian nodded.

"Well, it's really amazing."

"Brother Tian, you actually saw the underworld giant who was so powerful in Kyoto 20 years ago, the true face of Old Man Qiu?" Shen Feng said in shock.

Li Tian smiled and nodded.

"Ok."

"Is the old man Qiu extremely powerful? I have heard of his many legends back then. I heard that when he was in the underworld in Kyoto, he said one. No one has ever dared to say two."

"Indeed! Old Qiu still looks domineering even now."

"Hey, I really want to see the true face of Old Man Qiu." Shen Feng said in front of him.

Having said this, Shen Feng suddenly remembered something, and asked with a smirk: "Brother Tian, is the beautiful woman named Situ Ningbing you mentioned just now our sister-in-law?"

"Hehe, it's not done yet. I haven't caught up yet."

"Sooner or later? The boss is so handsome and charming, even Sister Xue is fascinated. The beauty of Situ Ningbing is not something that can be caught." Shen Feng said with a smile.

"Bah, don't flatter your brother."

"Where is the beautiful sister-in-law now? Why don't you bring it back for brothers to take a look?" Shen Feng asked questioningly.

Hearing Shen Feng's words, Li Tiantian couldn't help but chuckle.

"She was poisoned."

Li Tian said with an ugly face.

Shen Feng was shocked when Li Tian said this.

"Poisoned? The beautiful sister-in-law was poisoned?"

"Then go to the hospital quickly, and get treatment quickly," Shen Feng said.
