

## A Killer 186

Chapter 186: Duanmu Sakura

"I once heard my father say that when it comes to the underworld, the two characters "Qiu Si Dan Dang Xiao Xiong", it seems that this old man who is outdated was really good enough back then." The Ying woman said with a weird smile.

"Indeed." Ao Kui said.

"But compared with the Patriarch, Qiu Si is a thousand miles away..." Ao Kui said suddenly.

The girl named Ying laughed suddenly.

"How can he compare with our family?" His voice was full of unparalleled arrogance.

"Miss Ying, what to do with Duanmulei this time?" Ao Kui asked suddenly.

Duanmulei? Disposal?

What do you mean?

Just listen to the girl named Ying, suddenly a stern cold light flashed in her eyes.

"He dared to bluff and deceive outside the family behind his back, and destroy the reputation of the family..."

"The most important thing is to let me travel all the way to Kyoto City in person...he is absolutely damned."

"dead."

The simple but powerful word of death came out of her scarlet and \*\*\*\* mouth, without the slightest hesitation.

Even Ao Kui couldn't help being slightly startled.

No more words.

Who is this weird woman in a red cheongsam with a fox-like charming face? Why did you come to Kyoto suddenly? And also kill Duanmu Lei?

Why is it all?

—

Inside a luxury hotel in Kyoto.

But seeing Duanmu Lei and Fang Hai sitting face to face, both of them had a look of anxiety on their faces.

Fang Hai suddenly sighed long and suddenly cursed.

"Fuck, I thought that our brothers could get into Qisha this time... I didn't expect it to happen like this!"

"Brother Lei, let's \*\*\*\* hard now, what should we do now?" Fang Hai said furiously.

It turned out that these two people wanted to join the Qisha organization, but now?

These two people, K and Xuepan, had already flown back to Europe yesterday and returned to the organization.

For these two Duanmu Lei who are like dogs, and Fang Hai, there is no half of pity or sympathy, let alone let them join the Qisha organization.

Therefore, the two people in front of them are equivalent to saying that they have been busy in Kyoto City for so long, paying money and contributing, but in the end they did not get anything. Of course, they are extremely angry now.

Duanmulei's eyes were filled with hatred.

"It's all on him!"

"I blame the little \*\*\*\*\* named Li Tian."

Duan Mu Lei involved all the anger on Li Tian, as if he would have to cut Li Tian with a thousand swords if Li Tian was in front of him now.

"If it weren't for him, K and Blood Pan could kill that woman. If it wasn't for that little bastard, we could enter Qisha. Damn it, it's all because of that little bastard."

Fang Hai also said at this moment: "Yes, I really blame that bastard."

"Brother Lei, we have to find a way to kill that bastard."

"Yes, one day I will let that little \*\*\*\*\* die in my hands."

Duanmu Lei said gloomily.

"Brother Lei, I can't look back now, and I have nowhere to go, what about you? What are you going to do?" Fang Hai said bitterly at Duanmu Lei.

These two people are really big villains.

Fang Hai, killing his brother and father, in order to hide his property, now has his wanted warrants all over the country.

The other Duanmu Lei, relying on the backstage of the Duanmu family, slandered and deceived the outside world, using the forces of the Duanmu family to run wild, it is also very hard at the moment.

Duan Mu Lei could not help sitting there with an ugly face when Fang Hai said this.

"I do not know either."

"I think the Duanmu family is looking for me now. I can't go back. If I go back, they will definitely put me to death." Duanmulei was scared when he thought of his family's family law.

"Our brothers are really hard brothers." Fang Hai sighed.

"One step counts as one step."

"It can only do this now."

---

In front of the Haocheng Hotel, the silver BMW X6 stopped quietly at the door.

As the car door opened slightly, her people walked out of the car slowly.

When she came out, she was a winking character. Even the waiter at the door saw her fox face, but there was a black poppy face in her eyes, and she was shocked there, and then came out from another car door. The man with an inch head is burly and strong.

Ao Kui, with Ying!

Aside from the Haocheng Hotel in front of her, the coquettish woman stepped up to it.

When the waiter at the door saw a coquettish woman, he didn't dare to show one of them, and he didn't know whether he was shocked by her beauty, or was shocked by the strange aura that she carried all over her body, so that none of the two waiters dare to go up and say hello.

A weird woman and a silent man walked towards the front desk in this way.

Standing at the front desk was a waitress. When she saw the woman with scarlet lips like petals, she was also taken aback.

Ying Qian stepped closer, and a white jade hand like lotus root gently stroked the black silk.

"I want to ask, is there a person named Duanmulei living here? In what room is he in?"

She asked with a smile.

The waitress at the front desk, hearing her voice, seemed to be in a daze, and she was silent for three to five seconds before she woke up.

"Sorry, this lady... Our hotel can't reveal the secrets of our guests..."

When the girl at the front desk said so, she suddenly smiled.

"Really?" There was a gleam in his eyes.

Behind him, Ao Kui suddenly took a step forward, revealing a sturdy aura, making the waitress at the front desk suddenly pale, and she couldn't help backing back.

The waitress quickly said, "Miss...I said...I said..."

Then both hands were trembling slightly and quickly checked the housing information sheet on the computer.

"Duan Mu Lei... Mr. lives in Room 306."

When the girl at the front desk babbled out the room number where Duan Mu Lei lived, she was smiling like a flower.

"Thank you."

After spitting out the two words, Ying then nodded slightly at Ao Kui, and then walked towards the elevator.

As the two quickly got on the elevator, they arrived at the floor of the building where they lived in Duanmulei in a short while.

After the elevator door opened slowly, Sakura, who was wearing a blood-red cheongsam, walked toward the front step by step.

At the door of a room in front, only two men in suits were standing at the door.

Judging from the attire, one can tell that these people are Duan Mu Lei's men.

Meisou blinked at the two men in suits, and then Sakura walked forward with light steps.

Ao Kui, who was following, also walked towards this side with a fierce look.

However, the two men at the door saw a weird and glamorous woman wearing a blood-red color suddenly walking towards them, both of them were taken aback.

"May I ask...what are you doing?" One of the men in a suit at the door looked at Sakura in surprise.
