

## A Killer 187

Chapter 187: Carmine

When the man at the door asked.

A fox-like smile suddenly appeared on Sakura's fascinating face, and her scarlet \*\*\*\* lips gently spit out the words: "Kill."

At the moment the words fell, Ying suddenly had a sharp blade in her hand carved like Xiangyu, which was sandwiched between her index finger and thumb.

Then the woman who was as beautiful as cherry blossoms turned into a black poppy in an instant.

The hand was faster than the lightning, and the sharp blade in his hand accurately pierced into the neck of the man who asked the question earlier.

The large artery was suddenly cut by a blade that was about to surpass the lightning, and there was no time to bleed, and his body was convulsed, and there was an unbelievable look in his eyes, and his body fell to the ground.

died.

After falling to the ground, scarlet blood flowed out from the severed arteries in the neck, quickly staining the entire ground with blood red.

The other man standing at the door was completely frightened.

There was no time to shout.

The woman in the blood-red cheongsam shot again, her slender hand came out of the hole like a poisonous snake, grabbed the man's wrist, click!

The crisp sound of broken bones screamed together with his screams.

Then with a flutter, Sakura's sharp blade pierced into his heart.

The man knelt down trembling, his head tilted and he died on the ground.

What a thrilling scene, she killed all two people just before she raised her hands.

The Ao Kui, who had been standing behind her, never moved. After she gently slaughtered the two people, Na Ao Kui just took out a white handkerchief from behind and handed it over.

She slowly reached out and took it, and then wiped her blood-stained slender hand.

Flicked the light hair.

"Go, go in, look for Duanmu Lei."

Killing like hemp carmine!

Maybe it's such a woman, weird and evil.

Duanmulei and Fang Hai indeed lived in this room 306.

The screams outside just now were terribly harsh, and of course Duanmu Lei inside the room could hear them.

Isn't this? Fang Hai and Duan Mu Lei in the room were taken aback when they heard the screams outside.

"what happened?"

Fang Hai was shocked.

Then Fang Hai, who was about to open the door quickly, just took a step, the tightly closed door slammed, and he was kicked away directly, and then a man with a burly figure strode in vigorously. .

"Who are you?" Fang Hai was stunned, looking at the man who walked in with a huge face in surprise.

On the contrary, Duan Mu Lei was stunned there as if dumbfounded.

"You...you..." He opened his mouth and was dumbfounded as if he had seen the devil, and his face suddenly turned into a dead gray shape.

Fang Hai was stunned.

Looking at Duanmu Lei.

"Brother Lei, what's the matter? Who is this man?"

The words were just uttered, but seeing Ao Kui who broke in, suddenly one hand held Fang Hai's neck like a chick, threw one hand out with a bang. Fang Hai slammed into a coffee table over there like a ball, and fell to the ground with a bang, crying out in pain.

Duan Mu Lei looked dumbfounded, and the whole person was stunned, and his legs were trembling even more...

"Uncle Lei, it's been a long time."

At this moment, her voice suddenly rang in the room like a sound from the sky.

Then I saw her wearing a blood-red cheongsam: Ying.

Standing at the door, looking at Duan Mu Lei with a beautiful smile on his face.

Her smile is so beautiful, even more beautiful than a vixen, but what about Duanmu Lei? But when I saw that glamorous face, it was as if I saw a \*\*\*\* of death, completely softened, and my legs couldn't help shaking.

"Duanmu...Duanmuying!!" He called out with difficulty.

"Uncle Lei, you don't even recognize your niece?" She was called Duanmuying and came over with a sudden smile.

She turned out to be a member of the Duanmu family! And also called Uncle Duanmulei...Are they relatives?

Only through the frightened eyes of Duan Mu Lei, it is obvious that the relationship between this relative is somewhat abnormal.

"Sakura...Sakura...Why did you get here?" Duanmu Lei said with a gray face.

"Looking for you." Duanmuying said with a sudden smile.

Duanmulei was desperate.

He knew that one day he would be caught by the family members, but he didn't expect that the speed would be so fast.

It turned out that Duan Mu Lei had been fleeing because he would not be caught by his own people, because he would be so scared because he would be caught dead.

Now, when he saw Duanmu Ying, he was so scared.

"Miss Ying, I know it's wrong... I really know it's wrong... Please, please, go back and say a few good things to the Patriarch, let me go, let me go, okay?" Duanmu Lei suddenly seemed like a death. The dog knelt down on the ground and begged.

Duanmuying smiled suddenly.

"Uncle Lei, don't do this. Although you are a member of the Duanmu family, you are also my uncle of Ying. Get up."

She said that she really went to help Duanmu Lei.

But when she reached out to support Duanmu Lei, he was indeed even more scared, so scared that his heart almost jumped out.

"I beg you, please don't kill me, I will modify it in the future, and I will no longer use the Duanmu surname, and will no longer discredit the Duanmu family... OK? I only ask you to spare my life... forgive me. My life..." he pleaded.

Duanmuying frowned suddenly: "Hey, I really didn't want to kill you. Unfortunately, Uncle Lei, how can you be so spineless? Even if you did something wrong, or took the Duanmu family to bluff and deceive, but anyway You are a member of the Duanmu family, you don't even need a surname now... Hey! I am really sad for you." Duanmuying suddenly sighed.

Duan Mulei knelt on the ground: "Then what should I do so that you don't kill me? Miss Ying, please, please don't kill me please?"

Sakura laughed suddenly, then slowly shook her head.

"No, you are wrong, I will kill you, and I will bring your head back to the family."

"Because you have done too many things to embarrass the Duanmu family..." As her words spoke, a sense of murderous intent suddenly flashed in her beautiful eyes.

"Wait...Wait..." Duan Mu Lei suddenly yelled as if he was willing to go out.

Duanmuying looked at him with a smile: "What's the matter? Do you have a last word?"

"Miss Ying, if I tell you something important, will you let me go?" Duan Mu Lei said with blood-red eyes suddenly opened.

Duanmuying stunned slightly and said, "What's the matter?"

"You promise me not to kill me first." Duanmu Lei wanted to take a gamble.

She blinked beautiful eyes, and then nodded playfully: "Dare you make terms with me?"

Duanmulei boldly said: "What I want to say is absolutely important, Miss Ying, you believe me."

Duanmuying smiled strangely.

"Well, I will believe you for the time being, just say it."

Hearing what she said, Duanmu Lei said quickly: "Miss Ying, a person suddenly used the skills of our Duanmu family Rashomon a few days ago... and he is not a member of our Duanmu family at all."
