

A Killer 188

Chapter 188: That touch of style

Suddenly hearing Duan Mu Lei in front of her say so, her eyes instantly became cold.

"What did you say?" The soft voice just now turned into a chill.

Duanmulei stretched out his hand to wipe the cold sweat on his head, and said quickly: "I saw him make a move two days ago with my own eyes. His moves are very similar to the Rashomon Kungfu of our Duanmu family..."

"Impossible! How could outsiders know the skill of our Duanmu family." Duanmuying said firmly.

Duan Mulei quickly said: "I didn't believe it at first, but after I looked carefully, I found out that he was using our family's martial arts. When that trick was played, it made a terrifying hostility. It's absolutely exactly the same as our family's top master."

Hearing Duanmu Lei's words, her beautiful eyes turned.

Secretly: "Is what he said is true? How could someone with a foreign surname know the martial arts of the Duanmu family?"

"Who is he?" Duanmuying asked in amazement.

"That kid's name is Li Tian! He's in Kyoto right now. And I know where he lives."

As Duanmu Lei said so, Ying smiled.

"good very good."

"Tell me his address. I want to see him. I want to see how a person with a foreign surname can do the kung fu within our family." Duanmu Ying said in a cold voice.

"If he really will, I will kill him myself!"

"It is absolutely impossible for an outsider to learn the martial arts of our family, no one can."

When the cold words came out of Sakura's mouth, there was a murderous aura.

She exudes a murderous spirit like a poisonous poppy.

So Duanmulei told Li Tian everything about Duanmuying in front of him.

"Miss Ying, can you not kill me now? Go back and plead with your father, the owner of the house..." Duan Mu Lei begged like a dog lying on the ground.

she was?

Patriarch? father?

Who is she?

She turned out to be the daughter of the head of the Duanmu family, Duanmuying.

No wonder even Ao Kui became her bodyguard, no wonder Duan Mu Lei was as scared as seeing the dead ghost when he saw her.

Duanmuying suddenly laughed when she heard him say this.

The smile was more beautiful than the most beautiful flower in the world, and then under her smile, her thin hand tied with a red rope moved strangely.

The cold blade caught in the palm of his hand swished into the middle of the heart of Duan Mu Lei.

Duanmulei's eyes suddenly widened, and the black pupils in his eyes were particularly enlarged because of excessive shock...Then his body suddenly convulsed like a lamb, fell to the ground, his head tilted and died.

When he died, his eyes were still unwilling.

The weird woman who smiles as brilliant as a cherry blossom and kills like a poppy is so terrible.

After killing the Duanmu Lei in front of him, Ao Kui, who had been standing quietly behind, began to clean up the corpses in the house.

He fell on the ground and watched the terrifying woman raised his hand to kill Fang Hai who killed Duanmu Lei. He was so scared that he didn't even dare to show up. He was trembling as if he saw a ghost.

But even if he held his breath, he couldn't escape her eyes.

Taking a look at Fang Hai, who was extremely frightened, Na Ao Kui suddenly turned around: "Miss Ying, what should he do?" One finger pointed at Fang Hai.

"kill."

An understatement came out of her scarlet lips.

Then she didn't even look at it, and stepped out of the door in front of her.

As soon as he walked out, he heard Fang Hai screaming in the room.

Standing on the corridor outside, he flicked his light hair, and then played with the transparent jade pendant tied with a red rope on his right wrist.

Sing softly in the mouth: How long will the cherry blossoms bloom, the rouge is like blood, forgive me...

The voice is sad but not sad, it sounds so beautiful.

Who can imagine what kind of woman a woman who killed three people just now and still chanting songs is like...no one knows.

Ao Kui was like a master at dealing with corpses, and soon the two corpses outside the door, as well as the corpses of Fang Hai and Duanmu Lei, were all processed.

All fingerprints, clues, etc. that should be left in the room were cleaned up.

And it was made into a robbery inside...

After finishing everything in the house, Ao Kui followed Duanmuying behind and walked towards Haocheng Hotel.

Her figure disappeared... the touch of carmine also disappeared.

Maybe the next person she is looking for is Li Tian.

After all, she already knew from the dead Duanmu Lei that in addition to the members of the Duanmu family, there are other people with other surnames who will be able to martial arts of the Luoshengmen. This is absolutely not for the dark Duanmu family that has always been mysteriously known to the outside world. Allowed.

After Li Tian decided to go to the south, he made up his mind to find Duanmu Lei.

Because he wanted to learn about the Duanmu family from Duanmulei's mouth.

The so-called knowing oneself and the other can be undefeated in all battles, although Li Tian doesn't know what will happen to him next to the south? But at least he has to be fully prepared for everything.

Now in his mind, besides Situ Ningbing, it was Situ Ningbing.

He couldn't forget her pale face and the black blood vomiting out of his mouth. Every time he thought of these, he was inexplicably distressed.

He suddenly discovered that he cared about Situ Ningbing so much.

Unfortunately, what he didn't expect was that Duanmu Lei seemed to have evaporated from the world. In the past two days, he and Shen Feng didn't find anyone to find clues about Duanmu Lei, but the results were all in vain, which made him very depressed.

Sitting in Xia Xue's small restaurant.

Just listen to Shen Feng said: "Will that ***** hide away? We haven't found him for so long."

Li Tian on one side frowned and said nothing.

After a long time, he said, "It's very possible."

"After the two K and Xuepan of the Qisha organization with him were defeated, they probably won't stay in Kyoto again. Maybe Duanmulei's family really left."

"Asshole!"

"If he leaves, my anger hasn't come out yet." Shen Feng said angrily.

When the two people were talking, suddenly they only listened to today's legal news being broadcast on the TV in Xia Xue Restaurant.

In the restaurant, besides Li Tian and Shen Feng, there are also two tables of people eating there.

At this moment, only one person pointed to the TV and said: "Look, it's dead again... Hey, this Kyoto city is messy enough."

The voice is very loud, Li Tian and Shen Feng are all listening.

At this moment, the two not only turned their heads and cast their eyes on the TV in front of them.

I saw a hostess on the TV channel reporting the situation on the spot: Audience friends in front of the TV, good afternoon everyone, now I'm reporting live for you at the Haocheng Hotel. This morning, we received a report from the hotel staff The police found a vicious serial murder case in the Haocheng Hotel. The deceased had a total of four people, and the bodies were terrible.
