

A Killer 191

Chapter 191: Crazy woman

Although the sound was very beautiful, it sounded like **** in Shen Feng's ears.

The black breath emanating from this weird woman made him feel scared.

"Stop, stop, stop, don't do it... don't do it..." Shen Feng shouted.

He didn't want to die for nothing.

And he died in the hands of a coquettish woman about his age.

If this matter spreads out, I shall not be ashamed.

Duanmuying smiled lightly, and the sharp blade held by her white fingers pressed against Shen Feng's neck motionless.

"Speak..."

Shen Feng forced a face and didn't dare to move. He was really afraid that this weird and terrifying woman would make a move by himself and he would be finished.

"Miss...beautiful lady...you must not do it..."

Duanmuying giggled.

"If you don't want me to do it, just say it quickly."

"I said, I said... But this lady, I was so scared by you that I don't know what you asked just now..." Shen Feng said shamelessly.

Duanmuying's face suddenly became cold.

"Pretend to be stupid?" Speaking to her Senhan's words, the sharp blade in his hand suddenly tightened on his neck.

Shen Feng suddenly shouted.

"Etc., etc....."

"Don't kill me, don't kill me." Shen Feng shouted.

"Then you say it quickly." Duanmuying said in a cold voice.

Shen Feng suddenly felt helpless, wondering what the origin of this terrifying and weird woman came from. He said he would do it?

Seeing that Shen Feng was forced into helplessness, suddenly Li Tian walked in from outside at this moment.

"Brother Tian, hurry up and save me... This lady is crazy and is going to kill someone." Shen Feng shouted like a rascal.

As the voice sounded, Mu Ying frowned slightly.

"Do you dare to play with me..." The voice fell, and the hand with the thin red rope on the wrist was about to wipe Shen Feng's neck with a knife.

Unexpectedly, when Shen Feng roared out, Li Tian really appeared.

"stop."

Sang Liang's voice came.

But seeing Li Tian standing at the door, looking at this coquettish woman with a sharp blade in her palm and wearing a red cheongsam all over.

Of course, she also saw Li Tian in an instant.

Slowly retracted the slender hand holding the sharp blade, looking at Li Tian, suddenly a fairy smile appeared at the corner of his mouth: "Are you Li Tian?"

Shen Feng was released and quickly backed away.

At this moment, blinking at the woman who looked like a poisonous snake, she cursed in her heart: dead woman, so poisonous! Damn, did you really want your life just now?

Li Tian couldn't help but blinked his eyes and looked at this weird woman, and said in his heart: Who is this woman? Why did he never seem to know this woman in his memory? But she knows her name? When did you become so famous?

"Who are you? Why are you looking for me?" Li Tian asked very puzzled.

Duanmu Ying in front of her suddenly giggled.

"I thought you should be a 40-50 year old man, but I didn't expect you to be a handsome young man..." Duanmuying suddenly giggled.

Li Tian heard this weird woman who had just raised her hands to kill her brother, and suddenly said that she was handsome, and her face blushed.

But Xia Xue, who was on the other side, heard Duanmuying say this, her pretty face turned pale: Bah, this woman is really shameless.

"I want to ask you something now." Duanmuying suddenly looked at Li Tian and said.

There was an air of arrogance in the voice, as if this girl only allowed others to listen to her, but she never listened to others.

"What's the matter?" Li Tian asked without minding her tone.

"I heard someone say that you can do Rashomon's skills? I don't know if the news is true or not?" Duanmuying asked directly.

Suddenly hearing this strange woman say this, Li Tian couldn't help being slightly surprised.

Secretly: How could she know that she could do the skills of Rashomon?

Impossible, besides the old man who taught himself the rickety, is there a second person who knows that he has learned Rashomon: Nine Style Kung Fu? impossible!

Li Tian knew that the Rashomon Kungfu of the Duanmu family was the internal kungfu of their family.

So once it is used, as long as it is from the Duanmu family, it can generally be recognized.

Back in Qiu Si's courtyard, Li Tian fights K and there is still blood. Although Duanmu Lei is an external member of the Duanmu family, he has seen Rashomon personally at the Duanmu family's ten-year family meeting. Kung Fu, and I have personally experienced that horrible feeling.

So when Angel Li came out of Rashomon: Nine Forms, Duanmu Lei was stunned at the first reaction.

But in Duan Mulei's heart, he was actually not sure whether Li Tian used the real Rashomon's kung fu, because he found that Li Angel's kung fu was heavier than the terrifying hostility of his family.

Duanmulei certainly didn't know the Rashomon that Li Tian had learned: Nine styles, even the internal members of the Duanmu family did not know how, let alone an outside member of course?

It's just that the treacherous villain said so to let Duanmuying spare his life. The clinker is not enough. This Duanmuying killing is like pinching a small ant... He didn't even blink his eyes, or let him go. .

Isn't this? Li Tian frowned when he heard the woman in front of him ask him that.

"Girl, I don't know what you are talking about..." Of course, Li Tian would not admit that he had learned the nine styles of Rashomon.

"Don't you admit?" Duanmuying suddenly smiled, looking at Li Tiandao and said.

Li Tiandao said: "I don't even know what you are talking about, of course I won't admit it."

"Okay, I will let you admit it."

Following Duanmuying's scarlet red lips, she said.

Ao Kui, a burly man standing behind her, suddenly rushed towards Li Tian like a leopard.

This man who has been motionless like a clock, who can imagine, is so earth-shattering when he shoots.

Two fists roared at Li Tian like sturdy hammers.

The most rigid boxing technique, matched with his tall and burly figure, attacked Li Tian with an overwhelming momentum.

Li Tian had already noticed Ao Kui behind Duanmuying. At this moment, he saw him rushing towards him. He suddenly made a slight mistake in his footsteps, and his body suddenly dodged, avoiding the range of Ao Kui's fists.

Then quickly grabbed Ao Kui's chest with one hand.

The catch was sharp and vicious enough, but facing Ao Kui, who had been in the underworld for decades, he made a little bit of money.

I saw Ao Kui stepped on the floor with a bang, and then a fist struck Li Tian's grasping hand without evasive, and Feitu slammed into Li Tian with a beautiful attack.
