

A Killer 193

Chapter 193 My name is Duanmuying

The scene was suddenly stunned.

Shen Feng looked at Li Tian in amazement, his eyes were unbelievable.

How could his elder brother suddenly become so terrible after only a few days? Too strong.

Xia Xue also blinked her beautiful eyes and looked at Li Tian in disbelief.

Looking at Ao Kui again, his indifferent face was suddenly extremely ugly, his fists clenched tightly, and his big eyes stared at Li Tian.

"Miss Ying..."

He was so angry that he wanted to do it.

But when he saw the sharp blade in Li Tian's hand, he still stopped there.

Duanmuying's neck was tightened by Li Tian at the moment, her body pressed against Li Tian's chest, but her pretty face like cherry blossoms did not show the slightest fear, on the contrary, she was smiling.

"Are you willing to kill me?" Duanmuying suddenly said with a soft smile.

Li Tian was slightly startled.

Holding her sharp blade in her hand, she paused slightly.

At this moment, being pressed against her chest by her delicate body, she was extremely uncomfortable, and her whole body was still hot, especially when she smelled the body scent of the Kakura girl in her nose, it was even more depressed.

So Li Tian quickly released the arm in front of him.

To everyone's surprise, Li Tian actually released Duanmuying in front of him, but the sharp blade he snatched from her was caught between his fingers.

After releasing Duanmuying, Ao Kui finally lost his heart.

I saw Duanmuying slowly turning her body, her pretty face that was more charming than a fox was looking at Li Tian in front of her.

"Why don't you want to kill me? You kill!"

"You kill!"

While talking, stepping forward, puffing up a proud chest, and pressing hard at Li Tian step by step.

Where is Li Tian? Completely depressed.

Holding the sharp blade in his hand, his face could not help being flushed, and he darkly lined up: Why is this woman doing this?

"I... I have no grievances with you, why should I kill you."

Li Tian, who was talking, threw the sharp blade in his hand on the ground. The blade fell on the cold ground and made a crisp sound. It was a blade thinner than paper, emitting a cold light. .

Duanmuying giggled when he threw away the sharp blade in his hand.

"I find that you are getting more and more fun." Duanmuying suddenly looked at Li Tian and said.

Li Tian frowned slightly, how could this woman be so strange.

"Miss Ying..." Ao Kui tried to approach, but Duanmuying reached out to stop him there.

"I always thought that the people in the north were rough and savage. I didn't expect to meet someone like you this time in the north...hehe." Duanmuying said with a smile.

Li Tian was stunned. Hearing what she said, did she come from the south?

"I want to ask you something." Duanmuying said as she looked at Li Tiandao with her beautiful eyes flashing.

"You said....."

Duanmu Ying said, "Where did you learn the trick you just used?"

When Li Tian heard her say this, he couldn't help wondering: Why does this girl keep asking his Rashomon: What about the nine-style kung fu?

After thinking about it, he said, "I can't tell you this!"

"Why?" Duanmuying said with her beautiful eyes.

"Because I promised others, I can't tell you." Li Tiandao said.

Duanmuying smiled: "Oh, it turns out to be like this. That means you learned your kung fu from others?"

Li Tian did not answer.

Duanmuying took two steps there, blinking at Li Tian.

Suddenly he said: "Today you are merciful and don't hurt me, and I won't be **** you anymore, but what I can tell you is that I will come to you again, and next time I must ask who your kung fu is. Teach? If you still don't say anything by then... Then don't blame my men for being merciless!"

"Although you don't kill me, I will kill you..."

When the word "kill" was said on the charming face, it was as plain as a sip of plain water.

Li Tian didn't pay attention to her, nor did he pay attention to the words of the girl like a lunatic.

"Okay, I'm waiting for you." Li Tiandao said.

Two shallow dimples appeared at the corners of Duanmuying's mouth.

"Uncle Kui, let's go."

Duanmuying suddenly turned and walked towards the night outside.

Ao Kui was stunned for a moment, and glanced at Li Tian with that indifferent face as he walked. Sen was cold and dazzling, then silently nodded, and followed Duanmuying strode towards the door.

Looking at such weird two people, Li Tian stared at their backs there...

She walked out of the room, suddenly looked back at Li Tian in an instant, "Hey, I call me Duanmuying... Be sure to remember my name."

Giggle.

Then her silver bell-like smile and fox-like face quickly disappeared into the night outside.

Duanmu Ying.

Li Tian said the name in his mouth.

"People from the Duanmu family, I didn't expect to be from the Duanmu family, the four largest families in China." Li Tian was shocked.

Shen Feng was also stunned there.

"Brother Tian, that girl turned out to be from the Duanmu family." Shen Feng also said.

Li Tian nodded, and then ran out quickly, trying to catch up with Mu Ying and Ao Kui, but when he ran out quickly, her beautiful figure had disappeared into the boundless night. .

In the silent night, only the occasional dog bark can be heard from afar.

Li Tian stood in the dark, thinking about something in his heart.

"Why do people from the Duanmu family come to me suddenly?"

"Why do they suddenly appear here? It's so strange."

Li Tian thought about the issue of West Zhejiang.

Shen Feng also chased it out at this moment, looking at Li Tian: "Brother Tian, is that crazy woman gone?"

Li Tian nodded.

"Grandma's, that woman is simply a lunatic... She will do it as soon as she comes up." Shen Feng said depressed.

Thinking of the icy blade between his neck, Shen Feng still felt a little uncomfortable in his neck.

"By the way, Brother Tian, why did the woman who claimed to be the Duanmu family suddenly seek you out?" Shen Feng blinked and asked.

Li Tian is not very clear.

"She always asks you, what tricks did you use? What do you mean?"

"But, brother, what trick did you use just now? It's so terrifying. To be honest, brother, I can feel the cold breath when I stand aside...like, like a person is about to die." Shen Feng told the truth.

Li Tian frowned.

"Duanmuying has been asking her own tricks? She must be wondering about Rashomon: Nine types of things, she was originally from the Duanmu family, could she have seen it?" Li Tianzhuo said.

He still remembered that when he was in the cave, the rickety old man told him: Rashomon's kungfu is the Kungfu of the Duanmu family, and no one except this clan can learn it. With this thought, Li Tian suddenly understood What happened.
