

A Killer 1931

Chapter 1931: Shocked

"Li Tian, his brothers and Brigadier Wang Zhen live there... I'll take you there," one of the younger policemen said there.

"Thank you." Situ Ningbing expressed his heartfelt thanks when he heard the police say that.

So they led Ouyang Shiqing and Duanmuying along with the policeman to the front place.

Soon, under the leadership of the policeman, Situ Ningbing and the other girls had already reached the place where the brothers stayed.

"It's here." The policeman pointed and said.

Situ Ningbing, Ouyang Shiqing and the other women took a look, and then said to the policeman: Thank you!

I saw that at this moment, Brigadier Wang Zhen walked out of the room, and the moment he walked out, he saw Situ Ningbing, Ouyang Shiqing and other beauties in front of him.

"You... are you here?" When Wang Zhen saw Situ Ningbing and the others, he was suddenly excited.

The beautiful women like Situ Ningbing also looked at Wang Zhendao in front of them with a smile and said, "Brigadier Wang, how are you doing these days?"

Wang Zhen smiled and said, "It's okay, it's okay..."

"By the way, why are you here?" Wang Zhen asked suspiciously at the beauties.

Duanmuying said: "Look for someone with the surname Li!"

When Wang Zhen heard what Miss Duanmuying said, he laughed.

"Quickly, come in, come in and sit... Xiaolong and Qiaozhi are all inside."

Brigadier Wang Zhen, who was talking, hurriedly invited Situ Ningbing and other beautiful women to come in.

When he arrived inside, the brigade commander Wang Zhen shouted loudly: "Little dragon, Qiao Zhi, come out soon... see who is here."

With the voice coming, the brothers like Tang Xiaolong and Chen Qiaozhi all ran out, and when they suddenly saw Situ Ningbing and other beauties, they were suddenly surprised.

what?

"Why are you here?" Tang Xiaolong over there immediately asked in surprise.

Duan Muying snorted: "Nonsense, you haven't returned in two months. We thought that the one named Li lost all of you... so we came to you."

Listening to Duanmuying's words, the brothers burst into laughter.

"You must be thinking of the little boss...that's why you came here." Tang Xiaolong grinned sillyly.

The beauties were slightly embarrassed when Tang Xiaolong said this.

"By the way, what about Li Tian?" Situ Ningbing finally asked at this moment.

The brothers were all staying in the room, but they were the only ones who didn't see Li Tian. All the beauties came here to find Li Tian. They didn't see Li Tian at this moment. Of course, they had to ask suspiciously.

After Situ Ningbing asked, but seeing Tang Xiaolong over there, he not only sighed deeply.

When Situ Ningbing saw Tang Xiaolong sighing like this, he asked, "What's wrong, Xiaolong, Li Tian?"

Then Tang Xiaolong thought for a while and said, "Brother Tian shut himself in the room alone...this has been happening since this morning..."

When Tang Xiaolong said this, Situ Ningbing became depressed.

"How could this happen? Did something happen to Li Tian?" Situ Ningbing asked worriedly.

Chen Qiaozhi over there: "We don't know. Li Tian was fine yesterday, but after one night, no one knows what happened... So far, he has locked himself in the room. Inside, no one is allowed in, and no one is allowed to disturb him."

After Chen Qiaozhi said so, Situ Ningbing's beautiful eyes not only wrinkled, but he said inwardly: What happened to Li Tian?

"But don't worry, the little boss will be fine, I believe there must be something depressing about the little boss, so I just want to be there alone quietly!" Tang Xiaolong said.

Situ Ningbing thought for a while, smiled at the corner of his mouth, and said, "Then what have you been doing in Binjiang City these days? Why haven't you returned to the North China Field Army for so long?"

Situ Ningbing and all the beauties still don't know the terrible things that happened in Binjiang City!

Of course they don't even know the existence of vampires, so now they are not only asking.

After Situ Ningbing asked, but seeing the brothers with a sad face, everyone was there with their heads down.

Situ Ningbing and the other beauties knew that something had happened as soon as they looked at their expressions, and couldn't help asking: "Qiao Zhi, what happened to you in Binjiang City? Say it?"

Following Situ Ningbing's questioning, Chen Qiaozhi sighed helplessly and said, "Hey, this matter is a long story."

"It's okay, speak slowly..." Situ Ningbing said.

She must ask what happened here.

Duanmuying and Ouyang Shiqing and other beauties were also standing there, blinking beautiful eyes at the brothers, they also want to know what happened here.

Under Situ Ningbing's aggressive questioning, the helpless Chen Qiaozhi could only tell the truth.

Just listen to him saying: "Well, since you want to know, then I will tell you! Sooner or later you will also know."

"I tell you, there are Western aliens threatening us in Binjiang City, and those aliens are extremely terrifying, and they specialize in drawing human blood... In the past two months, Binjiang City has killed dozens of innocent The citizens of the country." Chen Qiaozhi sighed.

Hearing Chen Qiaozhi's sudden words like this, Situ Ningbing in front of him and the others around him were stunned for an instant.

"what?"

"What kind of Western alien?" Duanmuying asked puzzled over there.

Even Situ Ningbing blinked curiously and stared at Chen Qiaozhi who had said this.

But see Chen Qiao's way: "The Western alien is not a human... It's an evil vampire!"

"Vampire?" The beauties almost turned petrified.

Vampires, this is the first time they have heard of it!

In an instant, they looked at Chen Qiaozhi in front of them with an extremely unbelievable expression on each of them.

"Chen Qiaozhi, what are you talking about? What vampire?" Duanmuying asked strangely over there, obviously, she did not fully understand what Chen Qiaozhi said.

Here, Ouyang Poetry and Situ Ningbing are also looking at Chen Qiaozhi with wide-open eyes.

So Chen Qiaozhi carefully told Situ Ningbing and Ouyang Shiqing about all the things that had happened in Binjiang City!

After Situ Ningbing, Ouyang Shiqing and Duanmuying listened to what Chen Qiaozhi had said, they were shocked there for an instant!

"You, you, are you saying true or false?"

"Is there really a vampire in Binjiang City? Are there really those demons?" Duanmuying asked in shock, her pretty face turned pale in an instant...

Chapter 1932: Situ Ningbing's worry

When the beauties such as Situ Ningbing and Ouyang Shiqing heard this ancient rumors about vampires, they all turned pale.

The little girl ring beside Duanmuying over there was so scared that her face was pale and pale, as if she had seen a ghost. Duanmuying, Tang Feifei and Na Ouyang Shiqing were also shocked.

"An ancient vampire in the West?" Situ Ningbing was the most calm, and said in astonishment.

Chen Qiaozhi over there nodded.

Situ Ningbing asked: "This demon... does it really appear in this world?"

Chen Qiaozhi sighed: "The world is unpredictable."

"How to deal with it? That's a ghost!" Duanmuying yelled while blinking her beautiful eyes.

But listening to Chen Qiao's way: "In fact, we have found a way to deal with vampires, but we don't know where the **** group of vampires are."

"Is Li Tian upset about this?" Situ Ningbing in front of him suddenly looked at Chen Qiaozhi in front of him and asked.

Chen Qiaozhi pondered for a while, and then said: "It should be."

"Where is Li Tian's room? I'm going to see him..." Situ Ningbing said suddenly.

After Situ Ningbing finished saying that, then Chen Qiaozhi told the room where Li Tian was staying.

Situ Ningbing was worried about Li Tian, so he quickly came to Li Tian's room.

Ouyang Shiqing and Duanmuying, Tang Feifei and the others did not directly follow... They are still staying with their brothers.

He said that after Situ Ningbing arrived at Li Tian's room alone, he saw that Li Tian's room door was tightly closed at this time.

Taking a look at the room in front of him, Situ Ningbing raised his hand and started knocking on the door.

The sound of knocking on the door went inside.

But after the sound passed in, there was no echo from inside.

Situ Ningbing thought for a while and then raised his hand and knocked on the door in front of him, but the reaction this time was the same as last time, and there was still no slightest reaction inside.

After knocking on the door twice without any response, Situ Ningbing was not only worried.

She directly slammed the door in front of her with her hand.

After pushing away, she walked in one step at a time.

"Li Tian?" She called out.

In the empty room, what about Li Tianren?

Situ Ningbing walked in and took a look, and was shocked to see that in the corner over there, Li Tian seemed to be crazy, his eyes covered with bloodshot eyes, and the whole person stayed blankly...His eyes were full of confusion. ...

When Situ Ningbing saw that his beloved suddenly became like this, not only did his heartache instantly, he hurried forward and walked over.

"Li Tian, what's the matter with you? What happened to you?"

Situ Ningbing, who walked over quickly, firmly supported her favorite.

But what about Li Tian? Suddenly hearing Situ Ningbing's voice, not only was he startled in his heart, he raised the bloodshot eyes, then turned his head and looked at Situ Ningbing unbelievably...

"Ningbing...you, you, why are you here?"

"I, I'm not dreaming, am I?" Li Tian in front of him said in surprise.

But seeing Situ Ningbing supporting Li Tiandao at the moment, he said, "I'm coming to see you... I am worried about you, so I came over from the North China Field Army."

After hearing what Situ Ningbing said, Li Tian finally knew that he was not dreaming!

Situ Ningbing in front of him is really by his side!

Looking at his favorite Situ Ningbing in front of him, Li Tian suddenly stretched out his hand and hugged the delicate body of Situ Ningbing tightly into his arms!

His hands were so tightly held, as if he was afraid that Situ Ningbing would lose it.

Situ Ningbing was suddenly held by Li Tian. She didn't know what had happened to Li Tian, but just let her embrace her beautiful body...

After Li Tian held Situ Ningbing deeply for a while, "Li Tian, what's wrong with you? What happened to you?" Situ Ningbing finally asked worriedly.

She doesn't know what happened to Li Tian? How could it become such a decadent appearance?

But seeing Li Tian slowly lift up those bloodshot eyes, staring into the distance in a daze, then shook his head and said, "I, I'm fine..."

"Li Tian, there is something I hope you can tell me...Don't bear it alone, okay?" Situ Ningbing begged when seeing Li Tian not telling himself.

Li Tian raised a hand and stroked Situ Ningbing's Overseas Chinese Federation, and said faintly: "I'm really fine!"

Situ Ningbing saw Li Tian not talking, but could only say, "Is it because the vampire thing makes you so upset?"

Li Tianyi heard: "Do you know about vampires?"

Situ Ningbing nodded silently and said, "Yes, when we came just now, Qiao Zhi and Xiaolong had already told us the truth."

"Li Tian, don't worry, we will definitely be able to deal with those alien vampires." Situ Ningbing thought that Li Tian became so decadent because of vampires, but she knew that Li Tian was not because of this. .

But seeing Li Tian shook his head and said: "Ningbing, you are wrong, I am not because of vampires, I am because of something else."

After Li Tian said this, Situ Ningbing was puzzled, so he asked, "Anything else?"

"Is there anything else?" Situ Ningbing asked curiously.

Li Tian's eyes were confused, and there was pain in his expression, "Yes."

"Then why?" Situ Ningbing asked.

Li Tian thought for a while, and was silent for a while, then said slightly, "Because of my father!" Li Tian finally said it.

After Li Tian suddenly said this, Situ Ningbing became depressed.

"Cthulhu?" Situ Ningbing suspiciously called out the name of Li Tian's father.

But seeing Li Tian slowly turning his head, looking at Situ Ningbing in front of him, said, "Do you know? My father is also in Binjiang City now!"

When Li Tian suddenly uttered such a sentence, Situ Ningbing in front of him was instantly shocked.

what?

Situ Ningbing screamed.

Situ Ningbing knew about Li Tian and the evil god, and at the same time knew that everything Li Tian did from beginning to end was to avenge his father! I also know that Li Tian has never seen his father since he was a child, and that the evil **** has disappeared in the rivers and lakes more than 20 years ago, and has never been seen since.

And now Li Tian suddenly said: Cthulhu is in Binjiang City?

After hearing this news, Situ Ningbing asked in shock, "Li Tian, have you seen your father?"

Li Tian listened to Situ Ningbing's words, and his expression turned gloomy.

"NO, I have not!"

Chapter 1933: Because of Cthulhu

Situ Ningbing was puzzled, and asked, "Then...then...how do you know that your father is in Binjiang City? Didn't the evil **** disappear more than 20 years ago... how could... Why did you suddenly appear here?"

Li Tiandao: "I don't know either!"

"I always thought my father was at the top of Tianshan Mountain, but I didn't expect him to appear in Binjiang City!"

Situ Ningbing said: "Why are you so sure that your father is in Binjiang City?"

"Because someone has seen him!" Li Tian said with bloodshot eyes.

When Situ Ningbing heard Li Tian say this, he became depressed immediately.

Has anyone seen the evil god? Is it true that Cthulhu has really re-emerged? Was the rumor about the death of the evil **** originally all false?

Situ Ningbing sorted out his thoughts and looked at Li Tiandao in front of him, and said, "Could it be that the person was wrong... that person is not an evil god?"

"No! That person is absolutely right!" Li Tiandao.

Situ Ningbing frowned slightly and said: "Then you mean, your father is really in Binjiang City?"

"En!" Li Tian said painfully.

Situ Ningbing said: "Since your father is in Binjiang City, you should be happy? How could this be?"

Li Tian suddenly laughed bitterly: "Happy?"

"I have been in Binjiang City for such a long time. If he is really in Binjiang City, why didn't he come out to see me... Why don't you recognize my biological son!" Li Tian suddenly roared with red eyes.

Situ Ningbing listened to Li Tian's sudden roar, and finally understood why Li Tian showed such a painful expression.

You know, for so many years, Li Tian has always had a dream in his heart, that is to see his parents, but now, the evil ***** has been born, and he is in Binjiang City, why didn't he come to see Li Tian? Why don't father and son recognize each other?

After Situ Ningbing finally understood the source of Li Tian's pain, he not only looked at his favorite with concern.

She stretched out her slender hand and tightly grasped Li Tian's cold hands and said: "Li Tian, I know you miss your father very much, and I also know that everything you have done for so many years is to meet him... Now he has appeared. Now, although I didn't recognize you in time, I think your father should have his reasons!"

"His reason?" Li Tian suddenly angrily said.

"His reason was to abandon me back then... His reason was to leave me alone in a place far away from the world, to fend for myself..." Li Tian roared, his fists were also clenched tightly, his eyes There was endless pain bursting out of it.

Situ Ningbing looked at Li Tian who was so sad, grabbed his hand, and said, "Li Tian, you can't say that. Your father back then was just too happy!"

"You know, he was forced to be helpless..."

"Hey, does that father not love his children?"

Situ Ningbing in front of him was comforting Li Tian in front of him.

Li Tian didn't know if he had listened to Situ Ningbing's advice. He just stood there cold, his bloodshot eyes staring into the distance.

After Situ Ningbing finished watching Li Tian, Li Tian's condition was obviously better than before. Situ Ningbing did not want to disturb Li Tian too much, so after visiting Li Tian, he left Li Tian's room alone.

After returning to my brothers, everyone was there looking at her.

"Miss Ningbing, how is the little boss?"

"Yeah, Miss Ningbing, what happened to Brother Tian?" After Situ Ningbing arrived at the brothers' room, everyone was there blinking and looking at her and asked.

The brothers now don't know why Li Tian had to lock himself tightly in the room by himself. The only reason he knew might be Situ Ningbing.

Following the questions of the brothers, Situ Ningbing sighed slightly: "Hey, Li Tian is in a bad mood now...so I suggest that everyone should not disturb him and leave him alone. Be quiet, maybe after he wants to understand, he will be fine."

When the brothers heard this, they were first taken aback.

"What's wrong with Brother Tian? Why do you suddenly feel bad?" Xue Wuhen asked in surprise.

"Yeah, that's weird, the little boss was fine before!" Tang Xiaolong over there also said.

"Could it be that you are really upset about the vampire?" Brigadier Wang Zhen interjected.

Situ Ningbing said: "No, not because of vampires."

"Then why? Miss Ningbing..." All the brothers turned their heads to look at Situ Ningbing in front of them.

Situ Ningbing thought about it, and then told the truth.

"Because of Li Tian's father, because of Cthulhu!"

As Situ Ningbing said so, the brothers in front of him jumped up in surprise.

what?

"Cthulhu?"

"Miss Ningbing, are you kidding? How could Brother Tian become depressed for the evil spirit?" Xue Wuhen said in disbelief over there.

I only heard Tang Xiaolong asking in horror, "Yes, Miss Ningbing, how does this matter get involved with Senior Cthulhu?"

They don't understand, they don't know the truth.

After Situ Ningbing heard what they said, she had no choice but to tell the truth to the brothers in front of her.

After the brothers heard about it, they were all astonished.

"Oh my God, it's true? The once domineering evil **** who disappeared for decades is in Binjiang City?"

"Brother Tian's father, Senior Cthulhu... is in Binjiang City?"

"No way....."

After all the brothers listened, they were astonished. Obviously no one believed this fact.

The name of Cthulhu is like a sacred legend in the impression of brothers, because although it has changed for so many years, as long as people mention the name of Cthulhu, they are all in awe! That evil **** has become a symbol of an era, has become a legend.

And the god-like figure in the legend now appeared in Binjiang City? How can this make my brothers not excited?

But seeing that Situ Ningbing said to the brothers in front of him: "It's true."

"According to Li Tian, Cthulhu is already in Binjiang City."

As Situ Ningbing said again, the brothers were stunned one by one, their eyes widened and their mouths open, their faces full of surprise.

"Cthulhu is the father of Brother Tian!"

"The evil **** was born... it must be for our brother..."

"But why is Brother Tian unhappy? Why do you want to lock yourself in the room?" The brothers questioned.

After they asked, Na Situ Ningbing told the brothers in front of him all the truth.

Chapter 1934: father

After the brothers listened, they suddenly said, "So it is!"

"It seems that I guessed wrong. It seems that the reason why Senior Cthulhu came back out is not for our little boss..." Tang Xiaolong muttered.

Chen Qiao over there gave Tang Xiaolong a look and said, "Xiaolong, don't talk nonsense!"

"Although Senior Cthulhu didn't recognize Li Tian...but one day they will recognize each other! After all, they are father and son. Although Senior Cthulhu doesn't know what to do in Binjiang City, I think he must have his reason." Chen Qiaozhi said.

Listening to what Chen Qiaozhi said, Tang Xiaolong was silent for a while.

"Hey, no wonder Brother Tian is depressed, since Senior Cthulhu has really been born...why don't you come to find the little boss and father and son to recognize each other!" Xue Wuhen suddenly said with a sigh.

The brothers were not only shocked at the birth of the evil god, but also depressed at the recognition of Li Tian and the evil god. After all, this affected Li Tian's state.

However, after Situ Ningbing left Li Tian's room.

Li Tian seemed to have recovered a lot.

Now he was sitting quietly in the room alone, not knowing what was thinking in his heart.

Suddenly while Li Tian was sitting still, a voice suddenly came in from outside.

That voice was urged by a person with internal force. It was extremely powerful, and when it entered Li Tian's ears, Li Tian's ears were shocked.

"What a strong internal force!" Although Li Tian is not very energetic, he can still feel the extremely powerful internal force voice.

After hearing the sound, Li Tian jumped out of the window.

His body was extremely fast, after he quickly jumped out of the window, he saw a figure suddenly rising and falling in two directions and flying forward.

Li Tian looked at the figure and knew in his heart that the figure was seducing himself.

"Who is that guy with extremely high internal strength?"

"How come you dare to come here during the day?"

But what is certain is that that person is definitely not a vampire of the Gangaro family, and definitely a human! Because it is broad daylight, Miss Mary once said that in broad daylight, vampires would never dare to appear in the sun!

After a hint of doubt flashed in Li Tian's heart, he suddenly raised his breath and chased the flying figure.

He wants to see who that person is and why he is tempting himself.

After Li Tian flew to chase the figure like this, he saw that the figure in front flew to the desolate place deliberately.

Li Tian didn't know if the figure in front wanted to lure him there, but he was chasing after him.

However, after the figure in front of that crossed two blocks, it suddenly stopped at a remote street corner.

Li Tian looked in his eyes, when the figure in front stopped, his heart couldn't help but move.

Secretly: Why didn't he run away?

With this in Li Tian's mind, his people have caught up.

At this moment, he was more than ten meters away from the figure in front.

But seeing the figure in front of him is burly and tall, with tangled hair hanging around his head, and at the same time, he is carrying an ancient sword on his back, which is humming in the cold wind. Voice, at the moment the man is standing motionless, his back facing him.

After Li Tian saw his figure clearly, he didn't know why, and he suddenly slammed in his heart.

Moreover, Li Tian inexplicably felt that the burly figure in front had a cordial feeling. Such a weird feeling surprised Li Tian.

But now Li Tian didn't care so much. After he flew down, he asked in a cold voice, "Who are you? Why are you tempting me to come here?" The cold sentence came from Li Tian's Asked.

After Li Tian asked, he suddenly laughed wildly when he saw the figure in front.

"who am I?"

Li Tian listened to the mysterious man laughing loudly, he was extremely suspicious, not only secretly lining: Is this man a lunatic or what? How to keep laughing wildly.

"Hey, let me ask you, who are you? Why did you lead me here?" Li Tian was not only angry when he heard him laugh wildly, but said angrily at that moment.

But seeing Li Tian's exit, the tall man with loose hair suddenly said, "I brought you here because I want to save you!"

When Li Tian heard this, he was stunned.

"Save me?" Li Tian was not only curious.

But listening to the tall figure in front of that said: "Not bad!"

"Don't you know, you are already in danger?" the tall and burly figure suddenly said.

Li Tianyi was depressed when he heard that, he felt that the guy with loose hair in front was a little weird!

But seeing Li Tian sneered: "I'm in danger? Why don't I know?"

"Hey! It's still too young..." Suddenly the tall figure in front of him sighed like an elder.

Li Tianyi heard the burly figure say this, and said: "If you have something to say, don't pretend to be a ghost here."

The burly figure suddenly laughed and said, "Okay, then I'll tell you."

"While you can protect yourself now, hurry up and take your brothers out of Binjiang City... From now on don't worry about the key to fate and the Western vampire." The burly figure suddenly faced Li Tiandao. .

When Li Tian heard this mysterious guy suddenly say this, he was not only stunned.

"How do you know about the Key of Destiny, and about the vampires? Who are you?" Li Tian roared.

He felt more and more strange now, because the man in front of him with loose hair and endless domineering all over his body obviously seemed to know everything!

He not only knew about the key of fate, but also about the vampire, so Li Tian became more and more suspicious.

But seeing the burly figure, he sighed slightly in the cold wind: "Don't ask who I am... You just need to remember my words!"

Li Tian stared at his back unblinking when he finished speaking.

At that moment, I don't know why, Li Tian felt that his back was so familiar... and so kind, as if Li Tian had seen this figure there.

He couldn't help thinking carefully with his mind. He had seen this back there, but the more Li Tian wanted to know the answer at this moment, the more he couldn't think of it.

"Why should I listen to you?" Li Tian suddenly said to the tall and burly figure.

The burly figure in front suddenly said: "Because..."

But halfway through what he said, he stopped.

But seeing the tall and burly figure fell silent for a while, and slowly said: "Child, you believe me, I will never harm you!"

A warm word suddenly came out from the mouth of the burly figure in front.

"child?"

When Li Tian heard these two words, his whole person suddenly seemed to be shocked. It was a feeling he had never felt before, a feeling he had never felt before.

At that moment, his whole body became warm.

He seemed to hear his relatives talking to him.

Who is the tall figure in front of him with the back facing him? Who is he?

Li Tian's heart was crazy to know the answer.

He stood there as if stunned, holding up a pair of unbelievable eyes and looking at the tall figure...

Suddenly a strange sight appeared in his mind: it was the back that he had seen when dreaming before... the tall back that had appeared in his dream since he was a child... this familiar one in the dream With a sword in his back, standing in the fire, standing with the sword, no one can beat it!

"Father!" Suddenly the weird words came out of Li Tian's mouth.

Perhaps it was a subconscious cry, or perhaps the relief of family affection, at this moment, Li Tian called out the word father!

Just as he called out the word "father", the tall and burly figure standing in front of him with his back turned to him, and suddenly the whole body trembled...

Although his movements were very small, they were clearly seen by Li Tianqing.

"You are... you are... you... are my father?" Li Tian shouted at the tall figure in front of him, unbelievably surprised.

At that moment, the eyes of the burly man with his back to Li Tian turned red!

His hard and unyielding body also trembled by these two words.

Chapter 1935: Brother Tian is gone

Li Tian recognized it?

Is he really an evil god?

I saw that as Li Tian shook out the words, the tall and burly figure with the back facing him suddenly said: "No, I am not! I am not your father!" His voice carried a voice. The bleak feeling of grief roared.

"The only thing I can tell you now is that you quickly take your brothers out of this place of right and wrong. From now on, you will no longer be allowed to care about the key of fate." The tall and burly figure said.

But what about Li Tian?

He has recognized it.

He finally knew why when he saw his back, why his heart beat so much!

The man in front of him is his father, the Cthulhu who used to dominate the situation!

"You lie to me... you are him! You are my father!" Li Tianxue roared with red eyes.

But seeing that the burly figure in front did not speak, suddenly the whole body soared into the sky.

"Child, remember my words! Hurry and take your brothers out of here..." The moment he flew up, his voice reached Li Tian's ears.

Li Tian watched his figure fly away, standing there blankly.

His eyes were full of bloodshot eyes, staring at the gray sky in a daze!

"Father..." he mumbled out!

But what about the tall and burly figure? It has disappeared without a trace at this moment!

"Why didn't he recognize me? Why didn't he see me?" Ten thousand questions flashed in Li Tian's mind.

Apart from doubts, there is more endless anger in his mind...

The father he wanted to find since he was a child now truly appeared in front of him, but he didn't recognize himself! Li Weather's is about to collapse!

what

A scream from Li Tian suddenly roared out of Li Tian's mouth.

But seeing him hit the stone wall next to him with a palm, his extremely strong palms only heard a loud bang. The stone wall as high as one person was directly shattered by his vast and boundless palms, like an explosion. The stone chips flew out to the surroundings.

He stood in the sky full of stone chips, and the whole person stood there trembling!

...

"Brother Tian is gone! Brother Tian is not in the room!" At the Binjiang City Police Station, only the voice of Xue Wuhen came over.

It turned out that Xue Wuhen delivered food to Li Tian at noon, but when he opened the room, he flew and found that Li Tian was not in the room at all. This shocked him.

At this moment, he ran back crazy and said to Chen Qiaozhi, Situ Ningbing and others.

"What? The little boss is not in the room?" Tang Xiaolong over there jumped up.

Situ Ningbing here also asked with horror: "No... Li Tian was still in the room just now? How could he not be there?"

"Really, really, how could I lie to you!" But Xue Wuhen said anxiously in front of him.

"I just opened Brother Tian's room, there is no him in it. If you don't believe it, you can accompany me to have a look." Xue Wuhen said in front of him.

The brothers heard what Xue Wuhen said in front of them, so they looked at each other one by one, and then ran towards Li Tian's room very quickly.

After the brothers, Situ Ningbing and the other beauties ran, they saw half a figure in Li Tiantian's room in front of them! Sure enough, Li Tian is no longer!

"I see... Brother Tian is really not here." Xue Wuhen said with a frown.

Brothers are depressed now.

"Where did the little boss go?"

"Yes, where did Li Tian go?" They all asked in surprise in their hearts.

But seeing that Situ Ningbing was staying there, Li Tian was still in the room just now, but after a while, he disappeared!

Where did he go?

Brothers are all worried about Li Tian in their hearts at this moment.

Just as the brothers were all anxious, Wang Zhen who was standing outside the door suddenly exclaimed: "Li Tian..."

"Where is Li Tian!"

As Brigadier Wang Zhen yelled out, the brothers were taken aback first, and then ran out of the room one by one.

After they ran out, they saw Li Tian walk in alone from the outside gate of the police station.

After seeing Li Tian, the brothers were all wondering looking at him there.

But seeing Li Tian at this moment is lonely, his complexion is haggard, and at the same time he walks back step by step with no energy to speak of.

His bad complexion seemed like something big had happened.

"Brother Heaven..."

"Little boss!"

"Li Tian!"

"You, you, where did you go?" Situ Ningbing looked at Li Tian and asked, and the brothers were all staring at Li Tian in front of him curiously.

But what about Li Tian? However, they walked past them one by one in disregard of the Internet, as if they had not heard their words at all, let alone answered their words, but walked forward silently.

Looking at Li Tian who just walked past them, all the brothers were stunned.

I saw that Li Tian walked into the room in front of him and shut the door tightly with a plop, leaving behind a group of dumb brothers.

"What's wrong with Brother Tian?" Xue Wuhen asked with wide eyes in doubt.

All the brothers also shook their heads depressed.

"Where did he go?"

"Who knows!"

...

This situation continued into the evening.

At this moment, both the brothers and the women like Situ Ningbing were worried about Li Tian in their hearts, for fear that something would happen to him.

When the night came, it was surprising that Li Tian walked out of the room by himself, and his complexion was obviously better. When Li Tian came to the brothers weirdly, the brothers were surprised. Looking at him there.

"Brother Tian." Xue Wuhen yelled, blinking at him with strange eyes.

Tang Xiaolong, Chen Qiaozhi and Jiang Dashan over there are almost all expressions.

But what about Li Tian? Speaking this time.

He glanced at the brothers, and responded in a low voice: "En!"

Then he sat down in the room.

"Brother Tian, what happened to you this morning? Where did you go?" Xue Wuhen asked again after seeing Li Tian sitting down.

But seeing that Li Tian seemed reluctant to mention what happened in the morning, he said slightly: "Don't ask, I'm fine in the morning."

After hearing Li Tian say this, although the brothers were extremely suspicious, they didn't ask too much.

As for Li Tian, he glanced at all the humanity present and said: "From now on, we will search for the vampires of the Gangelo family! And no matter what, we must find that bunch of things." Just like that. Tian said it out of his mouth.

Chapter 1936: The departure of the Torrido family

When Li Tian suddenly said this, the brothers were all startled.

They all wondered why Li Tian was suddenly so anxious to deal with the vampires of the Gangelo family?

"Little boss, why are you so anxious all of a sudden? Did something happen?" Tang Xiaolong questioned.

Li Tiandao: "Don't ask more about this. Now I just want to find those vampires."

After listening to Li Tian's words, the brothers in front of them all looked at each other, and then nodded silently.

Although they were extremely puzzled, they didn't dare to overwhelm Li Tian's affairs, so they could only remain silent.

In this way, under Li Tian's decision, he vowed to find a vampire, and was prepared to deal with the Gangelo family members in Binjiang City.

...

The members of the Toledo family have already obtained the key to fate.

It's a pity that they still can't destroy the evil key. The only thing they can do now is to leave Binjiang City with the evil key and then take the key to the foreign country. Within the Toledo family's clan, in this way, you can avoid the pursuit of the Gangro family.

"Miss Mary, if nothing else, let's fly out of here tonight." In the dark room, but the silver-haired Carell said to Miss Mary there.

A neat brown leather suitcase was placed beside him, carefully placed beside him.

And Danny, the strong man on one side, also stood motionless and looked at the blonde Miss Mary.

Miss Mary glanced at the dark night and said, "I know."

"However, before I leave, I want to meet him!" Miss Mary said suddenly.

After Miss Mary said so, the silver-haired Karel was not only taken aback, but looked at Miss Mary in surprise and said, "Lee?"

"Miss Mary is going to see Lee?" Carell asked suspiciously.

But seeing Miss Mary nodded silently: "Yes."

"I hope to say goodbye to him." Miss Mary said again.

After Miss Mary said this, Karel could only sigh slightly: "Since Miss Mary insists on saying goodbye to Li, then we will wait for you!"

"But, Miss Mary, I hope you can handle the matter with him as soon as possible... You know, now the floating aura of the key of destiny, the Gangelo family has been aware of, and if no surprises, they must be everywhere now. Find us!" Carell worried.

After Carrell said so, Miss Mary nodded slightly and said, "Don't worry!"

"Carell, Danny, you keep the key of destiny, and I will be back in an hour! We will leave here then." Miss Mary said.

After she finished speaking, Karel and Danny had something in common: "Yes".

I saw Miss Mary's slender figure suddenly flashed like this in the dark, and then disappeared.

Watching Miss Mary leave, Karel not only murmured: "I hope that Miss Mary will not be misled by love..."

Danny, the strong man next to him, didn't speak, but he snorted coldly, then grabbed the brown leather suitcase beside him, and then strode towards the dark room.

But she said that Miss Mary really came to Li Tian.

What about Li Tian?

After recovering, he didn't tell anyone about the evil god.

Although the brothers knew something about the Cthulhu in Binjiang City, but seeing Li Tian didn't want to tell them, they didn't talk too much.

Li Tian is now with Duanmuying and Ouyang Shiqing. After all, those are the women he loves.

In the room, I saw Duanmuying pacing back and forth with her hands behind her hands, a pair of beautiful water-like eyes looking at Li Tian at the moment, while Ouyang Shiqing was sitting and laughing.

But what about Li Tian? He was sitting in the middle of the room depressed and embarrassed.

"What's the matter? Sakura, why look at me like this?" Li Tian frowned and looked at Miss Duanmuying who was turning around him in front of him.

Duanmuying smiled, her beautiful eyes blinked twice and said, "I'm just to see what you are thinking in your heart!"

Li Tian heard Duanmuying say this and smiled: "Can you see it?"

Duanmuying's red lips curled up there and said, "Of course."

"You have something unhappy, and you don't want to tell us about it, right?" Duanmuying looked at Li Tian and said like a little witch.

When Li Tian heard Duanmuying say this, he not only smiled bitterly: "You are so smart, you can see this."

"Of course..." Duanmuying laughed.

Ouyang Shiqing on one side interrupted at this time: "Li Tian, how are you doing? I heard that the group of non-human vampires you are dealing with now is very troublesome and terrible..."

When Li Tian heard Ouyang Shiqing say this, he nodded silently and said, "Yes."

"That group of non-human vampires are indeed the scariest thing I have ever seen in my life!"

Listening to Li Tian's words, Ouyang Shiqing asked, "Why did those evil things come to Binjiang City?"

"This matter will not be clear for a while, the only thing I can tell you now is that the vampire is terrible, difficult to deal with, and it can't be killed!" Li Tiandao.

When Ouyang Shiqing heard Li Tian say this, she was not only worried there and said, "What can we do then?"

Li Tian shook his head and said, "To be honest, I don't know now!"

"At present, only one step can be counted as one step, and the rest can only be said after it happens." Li Tian said.

After hearing Li Tian say this, Ouyang Shiqing didn't ask too much.

After a while, only listening to Ouyang Shiqing said, "How is Man'er recently? Has he caused any trouble with you?"

Speaking of silly Man'er, Li Tiandao: "Man'er is pretty good."

"And I heard from Xiaolong and the others that Man'er helped them a lot this time...If Man'er were not here, I'm afraid Xiaolong and Wuhen would be injured in Binjiang City. All this is due to Man's Son." Li Tiandao.

Ouyang Shiqing was very happy when she heard that her "stupid brother" hadn't caused trouble, and smiled there and said, "As long as Man'er doesn't cause you trouble, I'm relieved."

"No!" Li Tiandao.

...

When Li Tian, Ouyang Shiqing and Duan Muying were talking in the innermost room, a strange phantom had quickly arrived at the police station in the dark outside.

The brothers still sitting in the outermost room are watching TV in the room.

Chapter 1937: bid farewell

I saw that after the weird phantom came here all of a sudden, it suddenly flashed at the door.

She has wavy blond hair, a pair of beautiful jewel-like eyes, and her facial features are exquisite and glamorous, but she looks too pale. Her body is full of temptation, and her plump and well-proportioned body is simply the stunner every man dreams of!

Mary.

She is the vampire Miss Mary of the Torrido family.

The current Miss Mary came here just to say goodbye to Li Tian.

But she said that after the beautiful Miss Mary came here suddenly, she first looked at the room with her beautiful jewel-like eyes, then slowly raised her hand, and gently buttoned the door.

"Who!" The brothers' voices came from inside, and then they heard footsteps.

With a squeak, after the door of the room opened, Miss Mary's beautiful figure appeared in the eyes of Tang Xiaolong who opened the door.

what?

"Is it you?" Tang Xiaolong looked at Miss Mary in front of him and exclaimed.

He knew that Miss Mary in front of him was not a human being, she was a terrible vampire! Although they were already in a cooperative state, Tang Xiaolong called out in shock when he suddenly saw Miss Mary appear at the door.

But I saw Miss Mary standing at the door, looking at Tang Xiaolong politely and smiling and said: "Hello, I want to find it, Li!"

After Miss Mary said so, Tang Xiaolong opened her mouth wide.

But at this time, the brothers in the room and the sitting Situ Ningbing also heard the exclamation of Tang Xiaolong in front of them, and they all walked over at this moment.

"Xiaolong, what's the matter? Who?" Brigadier Wang Zhen asked as he walked toward this side, while Situ Ningbing followed behind him.

However, when Brigadier Wang Zhen and Situ Ningbing came over, they all saw Miss Mary who was standing at the door with a beautiful face and a pale face.

Situ Ningbing wrinkled her beautiful eyes suddenly, she didn't know who this foreign woman was!

And what about the brothers? When I saw that it was Miss Mary the vampire of the Torrido family, I was not only stunned.

"It's you..." They all exclaimed in surprise.

Miss Mary glanced at everyone and smiled slightly.

Situ Ningbing was depressed. At this moment, she blinked her beautiful eyes and stared at the foreign woman in front of her, and asked, "Who is she?"

When the brothers heard this, they frowned and said bitterly: "She...she...is..."

Before the brothers could say it, Miss Mary's blue eyes suddenly looked at Situ Ningbing on the other side and said, "Hello, my name is Mary!"

"I'm here to find it, Li!"

After hearing this foreign woman introduce herself, and when she was still looking for Li Tian, Situ Ningbing's unprovoked fire burned from her heart.

She is a woman!

Every woman will be jealous!

What's more, when Li Tian already has a few beauties, now a foreign woman suddenly appeared...How can this not make Situ Ningbing angry?

However, seeing Situ Ningbing's voice immediately after hearing what Miss Mary said, "Why are you looking for Li Tian? What is your relationship with her?"

After hearing what Situ Ningbing said, Miss Mary paused for a while and said with a smile: "I have something to do with him!"

Situ Ningbing just wanted to speak, but the brothers who saw that the situation was not right in front of him quickly grabbed Situ Ningbing in front of him.

"Miss Ningbing... This young lady is Miss Mary, who worked with Brother Tian before..." Xue Wuhen quickly turned away.

"Yes, Miss Ning Bing, this Miss Mary is a member of the Torrido family..." Tang Xiaolong on one side also quickly said.

After Situ Ningbing in front of her heard the brothers say so, she didn't care about the members of the Toledo family. She only knew that there was a strong jealousy in her heart!

But seeing her glance at Miss Mary in front of her, she said nothing, and left.

Seeing that Situ Ningbing left so angrily, the brothers were all entangled there.

"Hey, it seems that Brother Tian is going to be in trouble this time." Xue Wuhen sighed there.

Miss Mary was still standing at the door.

Tang Xiaolong glanced at Miss Mary for a moment and thought about it and said, "Miss Mary, let's do this, you can wait a moment here, I'll call Tiange!"

Mary smiled and nodded, so she stood at the door.

Tang Xiaolong here quickly walked towards the room where Li Tian was staying.

At this moment, Li Tian was still talking to Duan Muying and Ouyang Shiqing, and suddenly he heard Tang Xiaolong's voice coming over.

"Little boss...Little boss..."

"Miss Mary is here for you!"

As the voice came, then Tang Xiaolong had already ran in.

But Li Tian, who was talking with Ouyang Shiqing and Duanmuying, suddenly stood up after hearing Tang Xiaolong's voice.

"what?"

"Mary is here?"

But seeing that Tang Xiaolong said there, "Yes, right there at the door!"

Li Tian frowned and couldn't help but secretly: Why did she come here?

"I'll go out and have a look." Li Tian, who was saying so, walked out quickly.

After Li Tian hurriedly left, Duanmuying jumped up, staring at Tang Xiaolong with a pair of beautiful eyes staring in front of him and said: "Xiaolong, who is the Miss Mary you just mentioned?"

"Why is she looking for Li Tian?"

Tang Xiaolong knew that Miss Duanmu must be jealous too, so he quickly said: "Then Miss Mary is a vampire... She has worked with us before!"

"What? Vampire," Duanmu Ying almost jumped up when she heard it.

Ouyang Shiqing next to her was completely startled.

The beautiful eyes widened and said: "Vampire..."

"You mean... the woman Li Tian sees now... is not a human? Is it a vampire?" Duan Muying said in that unbelievable way.

But seeing Tang Xiaolong nodded in anguish, he said, "Yes!"

"Oh my God, what are you doing... even associating with something that is not human..." Duanmuying said in horror in her mouth.

But he said that Li Tian at this time had already arrived outside.

After Li Tian walked out, the brothers all gathered around, and saw that the vampire of the Torrido family, Miss Mary, really stood at the door.

After Li Tian saw her, he walked over quickly, looked at Miss Mary in front of him and said, "Why are you here?"

I saw Miss Mary in front of her looking at Li Tiandao with a smile: "I said goodbye to you."
what?

Chapter 1938: gone

When she heard what Miss Mary in front of him said suddenly, Li Tian was stunned.

"What? Farewell? Are you leaving?" Li Tian asked, looking at Miss Mary before him in disbelief.

But at the moment Miss Mary nodded seriously.

Li Tian asked in surprise: "Why? Why are you leaving suddenly?"

Li Tian didn't understand the reason.

Just listen to Miss Mary at the moment: "Because we have got the key of destiny!"

At the moment when Miss Mary said such a sentence, Li Tian was shocked.

"What? You got the key of destiny?" Li Tian couldn't believe this fact.

You must know that the key to fate has always been in the hands of his father! Could it be that Miss Mary and the others took the key of fate from their father?

As Li Tian thought this in his mind, he saw Miss Mary in front of him saying: "Yes, we have indeed got the key of destiny."

"Where did you get it?" Li Tian suddenly stretched out both hands and grabbed Miss Mary's soft shoulder in front of him.

The moment Li Tian touched her tender shoulders, he felt that Miss Mary's body temperature was so cold, but he did not let go, looking at Mary in front of him with his eyes wide open.

Just listen to that Mary smiled slightly and said: "It's the evil god, your father gave us."

"What..." Li Tianyi stayed there completely after hearing Miss Mary's words.

She actually said that her father gave her the key to fate! How could this be?

"Impossible...Impossible...Why would my father give you the key of fate?" Li Tian said in an unbelievable way.

Miss Mary said: "Everything I said is true, this key of fate is indeed the Cthulhu himself found us and gave it to us!"

"Maybe it's because your father felt the evil of this key, so he gave it to us..." Miss Mary said again.

What about Li Tian? At the moment, the whole mind is in chaos.

He never thought that his father had handed over the key of fate!

How could this be so?

But after seeing Li Tian taking care of his thoughts, he looked at Miss Mary and asked, "Since you said that my father gave you the key of destiny...what else did he say?"

Miss Mary said: "He didn't say too much, he just said, let our blood race leave your country as soon as possible."

When Li Tian heard Miss Mary say this, he suddenly understood a lot, and finally understood why his father did this.

The reason why the vampires of the Ganggro family slaughtered innocent citizens in Binjiang was for the key of fate, and Cthulhu could not give the key of fate to the vampires of the Ganggro family because he knew that The vampires of the Gangel family are all evil species, so in order to avoid giving the key of fate to the vampires of the Gangluo family, and for the safety of innocent humans in Binjiang City, the evil **** can only give the key of fate to Torrey Multi-family.

"I know, I finally know why my father did this." Li Tian said suddenly there.

Miss Mary in front of her said: "Your father is great! He is a good father."

Listening to Miss Mary complimenting her father so much, Li Tian did not speak.

"Now, the key of destiny is in our hands... We wanted to destroy the evil key immediately, but we couldn't burn it with flames, so we wanted to leave here immediately and return to our trust. The site of the Rido family... Bring this evil key to the elders of our family, and then let the elders of our family handle this thousand-year-old evil key." Miss Mary continued.

After Miss Mary finished speaking, Li Tian finally understood why they left here.

Looking at Miss Mary in front of him, Li Tiandao: "Then when do you plan to leave our country?"

Miss Mary said: "If nothing happens, we will leave tonight!"

"So fast?" Li Tian said in surprise.

Miss Mary said: "Yes."

"The key of destiny itself carries the breath of our blood family, so once it falls into the hands of our blood family members, other blood family members will definitely be able to feel the floating of the key of destiny breath, and now, there is no doubt that Gangro The vampires of the family must have felt the floating of the key of fate... so we must leave here as soon as possible, because if there is a delay, the members of the Gangelo family will definitely obstruct us. Then, it will be troublesome. Big." Miss Mary said.

After listening to Miss Mary's words, Li Tian finally understood why Miss Mary left in such a hurry.

Looking at Miss Mary at this moment, Li Tian thought for a while and said: "If you take the key of fate away, will the vampires of the Gangelo family really leave our country?"

Miss Mary smiled slightly and said, "I can assure you of this."

"For thousands of years, the Gangaro family has been looking for this key... because they want to resurrect the only blood lord who lived tragically in the immortal coffin. If we take away the key of fate, they will definitely follow us and leave. Here." Miss Mary said.

After hearing what Miss Mary said, Li Tian was silent for a while.

"That's good!" Li Tian said last.

Miss Mary looked at Li Tiandao: "Okay, I have said everything that should be said, and maybe I should go now."

Miss Mary said, turning around slowly and preparing to leave.

Li Tian looked at her, thought for a while and said, "I'll give it to you..."

When Miss Mary heard Li Tian say this, she turned her head back and smiled: "Okay."

So Li Tian followed Miss Mary out and saw her off.

As she walked forward, Miss Mary lowered her head, her expression appeared as if she had something to say to Li Tian, but after the words reached her lips, she didn't know how to speak.

"Li, no matter what, I have to thank you for saving me last time...I...I will never forget it for the rest of my life." After Miss Mary arrived outside, she suddenly turned her head and stared at Li Tiandao.

Li Tian was embarrassed when she said this, and said, "You are too polite..."

Miss Mary said: "I'm not polite, what I said is sincere!"

"You are the first human being to whom Mary is grateful, and will be the last." Miss Mary looked at Li Tiandao there.

Li Tian looked at her, not knowing what to say at the moment.

"If you have the opportunity, I hope you go to the Bra Mountains in central Italy and find a place where the temple is left... I, we are there." Miss Mary finally looked at Li Tiandao.

Li Tian heard this from Miss Mary in front of him, smiled sincerely, and said, "Well, if I have the opportunity, I will definitely visit you!"

Miss Mary didn't speak any more, but looked at Li Tian affectionately for the last time in the darkness, and then suddenly turned and disappeared into the endless darkness.

There is no words, no goodbye, and only the night is rushing towards you.

Li Tian stood alone in the dark outside, looking at the place where Miss Mary disappeared, he just stood and stood there.

...

Chapter 1939: Bloody hostility

"Why did that Miss Mary come to see the little boss?" the brothers in the room were talking there. .

"Couldn't it be Miss Mary who found the vampire of the Gangaro family?"

"This...I don't know this."

"But, I think, then Miss Mary came here late at night, there should be something major."

"Yep!"

"Have you seen the expressions of Miss Ning Bing and Miss Duanmu... Hey, a few big beauties are jealous." Tang Xiaolong suddenly said to the thief.

"Hehe, isn't it?"

"It's not enough, then Miss Mary is a vampire, no matter what, she can't be with our brother? I think it is Miss Duanmu and they think too much..." Jiang Dashan over there frowned.

"Nonsense, a beautiful woman in the middle of the night came to see Brother Tian, who can't think about it!"

"Haha, too!"

While the brothers were talking about it, Li Tian had already walked in from outside.

But the brothers only saw Li Tian and never saw Miss Mary again.

Looking at Li Tian who walked in, Chen Qiaozhi in front of him asked curiously: "Li Tian, where was Miss Mary just now?"

"Let's go." Li Tian slowly sat down and said.

"Huh? You left so soon?" The brothers were surprised.

"Brother Tian, why did that Miss Mary come to see you?" Xue Wuhen approached at the moment and asked Li Tian.

But Li Tiandao said: "Miss Mary is here to say goodbye to me."

"What? Farewell, Miss Mary and the others are leaving here?" The brothers in front of them were suddenly depressed.

Li Tian nodded and said, "Yes."

"Why? Why is Miss Mary leaving here suddenly? Don't they come with us to deal with the vampires of the Gangelo family? They just left?" The brothers asked in confusion.

So Li Tian told the brothers in front of him the reason.

When the brothers heard that the key of fate had actually fallen into the hands of Miss Mary and the others, they were immediately depressed.

One by one, his eyes widened in shock.

"The key of destiny, how did Miss Mary get it?" The brothers asked in confusion.

Li Tian didn't tell the brothers that the key to fate was Miss Mary who was personally given to them by his father. After hearing the brothers' question, Li Tian said: "Forget it, you still don't ask.

"Now you only need to know that those **** Gangelo family vampires will probably also leave Binjiang and leave our country. When that happens, we won't have to deal with those terrible blood-sucking creatures."

After Li Tian finished speaking, he walked to the place alone, leaving the other brothers here with a confused expression.

After Li Tian walked in, I saw Duanmuying, Situ Ningbing, Ouyang Shiqing, and Tang Feifei sitting in the room, all staring at him unblinkingly in those beautiful eyes! At the same time, the room was filled with a strong smell of gunpowder.

Li Tian not only frowned when he saw the situation.

"The surname is Li, you come in." Suddenly the Duan Muying spoke out first, her small red mouth pursed, her beautiful eyes staring at Li Tian, as if Xingshi asked sin.

When Li Tian heard Duanmuying say this, he gave a wry smile, and could only walk in quickly.

"What's wrong? Misses?" Li Tian looked at the beauties.

Duanmuying was the first to speak: "You tell us, what does the vampire named Mary do? Why does she come to you in the middle of the night?"

Duanmuying's tone has a thick taste.

When Li Tian heard this, he not only smiled bitterly.

"Mary? It's nothing...she came here just to tell me something." Li Tiandao.

Duanmuying said: "Just tell you something?"

Li Tian frowned and said, "What else..."

"I don't believe it! I don't believe you, a flower-hearted ghost." Duanmuying said with her beautiful eyes.

When Li Tian heard Duanmuying say this to herself, he was really a little bit dumbfounded, and said: "What's wrong with me? Why am I bothered..."

"We won't talk about you provoke others, but the foreign woman named Mary turned out to be a vampire... even vampires provoke!" Duanmuying angrily said.

Li Tian was really wronged, and said: "I really don't...God, I am just a cooperative relationship with Mary!"

"Because only Miss Mary and the group of vampires are good, so I can only look for them!" Li Tian explained vigorously.

That Duan Muying said: "Anyway, I don't believe what you said, you are a ghost!"

Li Tian wanted to cry without tears, but could only feel wronged.

In the end, Situ Ningbing spoke, and only listened to her saying there: "Li Tian, we don't want to have any contact with vampires... after all, they are not humans! Besides, as you have seen, we are all afraid of that. A group of vampires... so please don't have any more contact with that vampire named Miss Mary in the future, okay?"

Listening to what his favorite said, Li Tian nodded silently: "Okay, I promise you!"

"Hey, besides, Mary's group of vampires has already left here." Li Tian muttered in that mouth finally.

...

After Miss Mary left the place of Li Tian, she hurried back with a lost heart.

Because she decided to leave here as soon as possible, leave everything here, including her heart.

When she was flying back and forth, she didn't know why, the surrounding air was exuding an extremely heavy ***** hostility!

That ***** hostility, Miss Mary can smell it, it is clearly the terrifying aura unique to the blood clan members.

However, how could there be such a strong ***** hostility on the way back?

Could it be that there are other terrible vampires who have returned to the place where they stayed earlier than themselves?

Thinking of this in Miss Mary's mind, she suddenly said in the darkness in horror: "House Gangelo!"

Suddenly, when the five words of the Gangelo family were horribly uttered in her mouth, Miss Mary suddenly yelled: No, then she moved her figure and rushed to the place where she was going back quickly!

Because she had already sensed it, she knew that the heavy ***** hostility around the area was exuded by the vampires of the Gangelo family. There is no doubt that the vampires of the Gangelo family have discovered their place of residence!

If Miss Mary did not guess wrong, then the vampires of the Gangelo family must have arrived at Carrell and the others a step earlier than herself!

And Karel and Danny still don't know the darkness is coming, they are still waiting for them, and most importantly, they still hold the thousand-year-old relic of the blood family in their hands, the key of fate!

Chapter 1940: Long

After thinking about this in the mind of Miss Mary in front of her, she suddenly flew towards Carrel and the place where Danny was staying, suddenly seeing her unfolding her figure!

She must rush back as soon as possible.

But it said that Karel and Danny were still there waiting for Miss Mary.

In the dark room, I saw Karel holding the brown leather suitcase tightly in his hands! The leather box seemed to contain some extremely valuable treasures, and Karel had been carrying it in his own hands, daring not to be careless.

Danny also sat anxiously on one side, waiting.

"It's almost an hour...Why hasn't Miss Mary come back?" Carrell suddenly said silently and worried in that mouth.

As he said this, Danny next to him didn't speak, just a cold snort.

"Hey, come back soon!" Karel said again.

He was pacing the whole room with the leather suitcase in his hand, anxiously awaiting Miss Mary's return.

The night was getting darker and darker, and time passed by.

While Carrell and Danny were waiting anxiously, suddenly a gloomy cold wind blew outside, and the cold wind squeaked the door they opened.

Karel didn't know why his nose suddenly sniffed... After this sniff, he saw that his pale and bloodless face became even more ugly.

"What a heavy **** breath!" Karel suddenly yelled from his mouth.

When he said this, the strong man Danny beside him suddenly stood upright from the stool.

"What's wrong? Karel, what do you feel?" The strong man Danny in front of him looked at Karel with wide eyes.

I saw that the silver-haired Karel sniffed the **** and violent atmosphere around him with his nose, and his face suddenly changed in shock.

"They are coming..."

"They found us!" An inexplicable strange word screamed from Karel's mouth.

Then Danny asked: "Who is here?"

As Danny asked, only the silver-haired Carrell said, "The vampires of the Gangelo family are here!"

After Karel's shocked words were uttered, that strong man Danny's entire face changed in amazement!

The two of them opened a pair of horrified eyes, looking at the dark night outside!

The horrible darkness has flowed here, and I saw that Karel subconsciously clenched the brown leather suitcase tightly in his hand, looking at the endless darkness with a pair of horrified eyes.

Suddenly, with a click, the door of the room was torn open by something unknown. After the door was torn open, the four dark shadows were like ghosts, and suddenly they arrived in the room in front of them. !

Take a closer look, these four people are shocked to be the Count Spike of the Gangelo family and the other three vampires under him.

They really found it here.

After the Earl Spike of the Gangelo family and his members entered the room, Karel and Danny couldn't help but stepped back, with a pair of eyes full of horror. Blinking at the members of the Gangelo family in front of him.

"You...you...how did you find us?" Karel asked in the dark room with a trembling voice, his hands tightly clutching the brown leather suitcase.

What about Earl Spike? After hearing this Karel said so suddenly, he suddenly laughed strangely.

"It really didn't make me think that the Key of Destiny was obtained by your guys one step ahead of time!"

"However, this also saves me the extra effort to find the human evil god..." Earl Spike said to himself in a gloomy voice.

After Earl Spike finished saying this, he suddenly glanced at Carrell and Danny in front of him weirdly, and said, "Where is Mary? Why is she not here?"

Na Karel said: "What matters to you..."

"Hey... it doesn't matter what my business is, it's a pity, but it's about you." The Earl Spike continued to smile slyly there.

As Earl Spike finished speaking, he suddenly stretched out his pale and cold hand, stretched it there, and said to Carrell: "Take out the key of destiny..."

After Earl Spike said so, Karel subconsciously took a step back.

"You want the key of destiny, it is impossible! Because we have destroyed the evil key..." Carell roared.

Count Spike suddenly said coldly: "Do you think you can fool me?"

As Earl Spike said so, he suddenly took icy steps and walked step by step towards Carell and Danny in front of him.

Nakarel and Danny's face full of horror, facing Earl Spike in front of him.

"I'll give you another chance...If you don't give me the key of fate...I will let you disappear forever in this world." Earl Spike stopped there and said coldly.

Carrell and Danny in front of them had no way to retreat.

What should they do?

The shadow of death was already over the two of them, and they knew in their hearts that even if they had handed over the key of fate at this moment, they would not be able to leave here alive.

Therefore, I saw Karel's heart beaten, ready to fight to the death.

Count Na Spike already knew that Carrell and Danny in front of him would never hand over the key of fate obediently, so he stood there and sneered and said, "It seems that you are really going to die here! "

"Well, in that case, I will fulfill you!"

Earl Spike said with a gloomy smile.

"Dragon, kill them!"

Suddenly a strange word came out of Count Spike's mouth.

After Earl Spike said these words, Karel and the strong man Danny in front of them were not only startled.

Long?

Who is the dragon?

Just when Karel and the strong man Danny were shocked, a black shadow suddenly rushed towards Karel and the strong man Danny like a ghost.

The speed is such a block, and at the same time, the breath that erupts from the whole body is filled with a terrifying demon black aura.

When Karel and Danny in front of them suddenly saw an unknown black shadow attacking them, they were shocked, and their bodies quickly retreated. But this is the case, the black shadow's boundless palm strength is still It hit the strong man Danny hard.

But hearing a loud bang, the strong man flew out with a heavy blow, his body slammed into the stone table over there, and the whole stone table was instantly shattered by his body!

But he said that the strong man Danny was beaten like this, and his body flew straight up.
