

A Killer 196

Chapter 196: go away

Putting down the broken book in his hand, Li Tian almost wanted to break his head and didn't figure out why.

What secret is hidden in this broken book?

How to crack this tadpole text? Who the **** understands these ancient words?

Maybe Li Tian will know the secret of this book when he can find someone who can decipher the tadpole font one day, and then he will know why he suddenly can't cultivate and suffers from chest pain!

Li Tianzhuo slowly put away the "Tianshu Danju" in his hand and put it away.

Is it fate? Shouldn't Li Tian read this book for me? Li Tianxiao remembered and said.

In such a morning, in addition to studying his own Rashomon nine styles, he was sitting alone thinking about his thoughts.

Sometimes he also thinks of his father and mother.

He didn't understand what he had done back then, why did his parents abandon him? Why is it so cruel that a one-year-old child is still in front of an orphanage in Liaocheng?

Perhaps, if the old man in the orphanage hadn't picked him up back then, he would probably have died in his infancy.

He still remembered the old dean of the orphanage. He was an old man with pale hair and a thin face with countless wrinkles.

The old man always said a word in Li Tian's ear: children, life is fate, sometimes death, everything is doomed by heaven.

Li Tian doesn't believe in "fate".

He believed that everything had to be done with his own hands.

Lying on the bed and touching the cruel father and mother, the only one and a half piece of jade pendant left, Li Tianxi fell asleep in confusion.

The busy days of the past few days have prevented him from taking a good rest.

Isn't this? One sleep is one day.

When Shen Feng came back, he didn't bother to see his elder brother sleeping so soundly.

The next day, when sunlight came in, Li Tian stretched out and got up from the bed grunting.

Wash your face and brush your teeth...

Li Tian is the kind of impatient who can do it right away.

Now he wants to go to the south, Jinghai City.

So this guy's only idea now is to go to the south all at once.

He told Shen Feng about his idea of going south, but Shen Feng hesitated slightly. Originally, Shen Feng decided to follow Li Tian, but he seemed to have something to delay.

Li Tian knew that this kid had many friends outside, and he also knew that he had a lot of things.

Seeing he hesitated on his face, he said: "Shen Feng, otherwise, I will go to Jinghai City first, eldest brother, and you will come back later, how about?"

When Shen Feng heard Li Tian say this, there was a trace of apologize on his face and said: "But Brother Tian... I feel sorry for you."

Li Tian laughed and patted Shen Feng on the shoulder: "Don't talk nonsense, who is our brother and who."

"At that time, brother first go to Jinghai City to find out, and then you will go over when you are done." Li Tiandao said.

Shen Feng smiled and nodded.

"Well, my brother, I will come to Jinghai City round with you soon."

"One hundred percent, less than five days." Shen Feng vowed.

Li Tian smiled faintly.

After packing up their simple luggage, the two of them walked towards the small restaurant of Xia Xue.

When he arrived at Xia Xue's small restaurant, Xia Xue was busy, and the restaurant was quite busy, almost full.

Seeing the two people coming, Xia Xue greeted them with a smile, but did not notice the surname Li on Li Tian's back.

"Sister Xue, are you busy?" Shen Feng said with a smile there.

Xia Xue glared at Shen Feng: "I know that Sister Xue is busy, but I can't help..."

"Sister Xue, there's no way, I'm giving off Brother Tian, and I'll help you when I come back." Shen Feng said.

Hearing Shen Feng's words, Xia Xue was stunned for a moment, then blinked at Li Tian.

"Send you? Go there?" Xia Xue said, looking at Li Tian incredulously.

Li Tian smiled faintly: "Go to the south to do something."

"Southern? Why?" Xia Xue suddenly felt a little in his heart, and asked Li Tian with a pale face.

Li Tian thought for a while and said, "Do a private matter."

When Xia Xue heard him say this, it was inconvenient to ask more, but there was a deep sorrow and sentiment in her eyes, as if she had lost her beloved...for a moment she was at a loss.

"Sister Xue, what's wrong with you?" Shen Feng saw the strangeness and quickly looked at Xia Xue and said.

Xia Xue smiled awkwardly, her pale face turned around in an instant.

"It's okay."

"Since you are leaving here, then I wish you a good journey."

"I... I'm busy here too, I can't send you... I'm sorry."

Xia Xue walked her head over as she spoke, holding something there in a daze.

Li Tian looked at her appearance and felt a sudden pain in his heart.

"Sister Xue..."

"Oh, don't you hurry up, it's going to be late..." Xia Xue's voice trembled.

Shen Feng saw what happened, and quickly pulled Li Tian's arm, winking.

Li Tian is so smart, of course he can see Xia Xue's strangeness, he sighed helplessly, and then quietly walked out of the small restaurant...

And her? The moment he walked out, Qiao Lian slowly lifted up, her beautiful eyes flushed, and her eyes stared at his back until he disappeared...

Li Tian can feel a pair of fiery eyes looking at him behind him.

He wanted to look back and tell her... but he didn't look back.

Because he doesn't know how to promise her... If a man can't promise a woman something, then the best thing to do is to cut it with a knife...

Shen Feng also walked silently.

"Brother Tian, actually Sister Xue..."

Before Shen Feng finished a sentence, he was interrupted by Li Tian.

He shook his head gently, and said, "Shen Feng, there are some things I don't want, but I have to do it because I am a man."

After speaking, Li Tian strode forward.

Shen Feng recalled Li Tian's words, thinking for a long time, did not understand why.

The two drove to the West Station in Kyoto City.

This West Station is the largest train station in Kyoto, and the crowds are horrible.

Standing at the entrance of the crowded train station, Shen Feng helped Li Tian buy tickets and waited, and it took almost an hour.

The good point is that I finally bought a train ticket to Jinghai City.

Li Tian looked at the time of the train ticket, and it turned out to be more than 3 o'clock in the afternoon, which hurt. It's only 11 o'clock in the morning, which means waiting for more than 3 hours.

After thinking about it, Li Tian said to Shen Feng, "Shen Feng, you go back first, you don't need to send me off."

"but....."

"Go back, three o'clock in the afternoon, you want to wait here with me foolishly?" Li Tian said with a smile.

Shen Feng thought for a while and said, "Well then, Brother Tian, then I'm leaving."

"Brother Tian, you have a good journey. Brother, I will finish my work in a few days, so I will go to see you immediately." Shen Feng said, waving his hands and walking away.
