

## **A Killer 1961**

Chapter 1961: destroy

"Where did Li Tian go?"

"What's wrong with him? What about Li Tian?" In the room, I saw the sober Situ Ningbing and Ouyang Shiqing and other women questioning the brothers in front of them.

The brothers bowed their heads in deep guilt, and didn't know how to explain to Li Tian's favorite women.

"Qiaozhi, tell me what happened to Li Tian? Where did he go?" Situ Ningbing looked at the pale-faced Chen Qiaozhi with enduring grief and asked.

But seeing Chen Qiaozhi raised his face in grief, he looked at Situ Ningbing and said, "Miss Ningbing...actually...we don't know."

Then Chen Qiaozhi told Situ Ningbing and the others about Li Tian's weird change just now.

When they heard it, they were all horrified.

"How could this be? How could Li Tian become like that?"

Chen Qiaozhi sighed deeply: "We don't know, we just know that he may be practicing an extremely superior martial arts..."

"But if he is practicing martial arts...why did he become like that? He became a blood man?" Situ Ningbing said unbelievably.

The brothers shook their heads and remained silent.

"Hey...maybe...maybe... Li Tian has gone crazy." Suddenly, a painful expression appeared in Chen Qiaozhi's eyes.

what?

"Fresh?" Everyone present was shocked when they heard these four words.

"Sick ghost, what nonsense are you talking about? How could the little boss get into trouble?" Tang Xiaolong said.

But seeing Chen Qiaozhi's way: "If it weren't for his madness, how could he have become that terrible? He has become even ignorant of you and I... and he almost killed us just now?"

As Chen Qiaozhi said so, the brothers were all speechless.

Everyone is shocked, you look at me, I look at you...

"So, then, what do you mean, Brother Tian is really crazy?" Xue Wuhen asked silently.

Chen Qiaozhi said: "I'm not sure, but I feel that his hostility is definitely something he didn't have before, because he suddenly increased after practicing the martial arts."

Listening to what he said, everyone present was completely silent there.

Is Li Tian really crazy?

Nobody knows.

The only thing he knows is that Li Tian has changed at this moment, becoming a completely strange and terrifying blood man. As for where Li Tian has arrived, no one knows yet.

"If Brother Tian really got into a delusion, what can I do?" Xue Wuhen asked in shock in the room.

When he asked this terrible question, the brothers were shocked there.

If you get into the evil spirits, you will deny the six relatives and kill them very seriously!

Moreover, he himself will suffer great mental and physical damage, but his skill will be terribly improved.

To put it bluntly, he might become the biggest demon in the world!

See ghosts kill ghosts, see gods kill gods!

...

The night was dignified, and in the darkness, a blood shadow quickly flew towards the suburbs of Binjiang City.

The scarlet figure was extremely terrifying, wherever it went, houses, and flowers and plants were destroyed! The wailing sound resounded throughout the night.

Some people say that that night was a nightmare for the citizens of Binjiang City. Others said that the people who lived in the suburbs of Binjiang City that night met evil spirits from hell, but no matter what, many people died that night and they were also destroyed. A lot of houses.

According to surviving witnesses, they said that that night they only saw a "monster" covered in blood flying past. Everywhere they went, people died alive and tragically, some were bleeding from the seven orifices, and some were exhausted. Broken, there are still some people whose limbs are shattered.

In a word, the citizen slaughtered by the "monster" covered in blood that night was terrible.

When the scorching sun rose the next day, an area from the outskirts of Binjiang City was completely destroyed.

The ordinary citizens living in that area cried...deadly...

When the brothers got the news, they rushed to the scene immediately.

After arriving there, they all were shocked there after seeing the terrible situation.

What I saw was devastated, the house was rushed out of a hole forcibly, and there were corpses of citizens on the ground...

"Here...here...what the \*\*\*\* happened?" Brigadier Wang Zhen said in disbelief with his eyes widened as he looked at such a tragic situation.

"Who did this? What did it do?"

"Is it a human?"

Everyone was shocked.

But seeing the place ahead, a woman in her 30s is holding a 45-year-old boy kneeling on the ground and crying. In front of her is a corpse draped in white cloth.

The corpse was a male, obviously the woman's husband.

This man died in a horrible state, his seven orifices bleed and died... When he was dying, his eyes didn't have time to close, he just died there like that.

There were also a group of citizens around the weeping woman.

They were all talking quietly there.

"A sin! We met a monster..."

"Yes, last night, when I was in the window, I only saw a rumbling noise. When I looked back, there was a scream from the houses and blocks here..."

"I saw it, I saw it, I see a monster covered in blood flying toward the west like a ghost... It was the monster that killed the Liusao family."

"Yes, I saw it too, that thing was covered with blood, and it was as fast as an electric flash."

Just listen to those surrounding citizens who are talking there.

When their words suddenly reached the ears of the brothers standing here, the brothers were all stunned.

Scarlet figure? A monster with blood all over?

Could it be that they were talking about... Could it be that... Li Tian who got into the magic?

"Brother Tian?" Xue Wuhen immediately exclaimed from his mouth after hearing the voices of the citizens.

Following Xue Wuhen's shocked exit, Tang Xiaolong in front of him said angrily: "Fuck your mother's shit...how could it be the little boss!"

"How could the little boss do such a damaging thing."

Xue Wuhen was scolded by Tang Xiaolong, and he did not say a word, but was silent with a deep frown.

"It is estimated that Li Tian did it." Chen Qiaozhi over there suddenly sighed.

"Sick ghost, what the \*\*\*\*\* are you talking about?" Tang Xiaolong seemed unwilling to hear his brothers say that these cruel and inhuman things were done by Li Tian.

Chen Qiaozhi glared at Tang Xiaolong and said, "Don't mess around here..."

"What we are talking about is the truth! Right now you have seen it too. The citizens have seen \*\*\*\*\* figures... And you know what happened last night, do you need me to say it again?"

"Furthermore, people who have become devastated are extremely killers and have no humanity at all. For him, they have completely changed and become a bloodthirsty and terrible person! So even if it was done by Li Tian, There is nothing impossible." Chen Qiaozhi.

But seeing Tang Xiaolong with red eyes, he cursed there and said: "Whatever you say, I don't believe this will be done by the little boss anyway! The little boss is absolutely impossible to do such a thing."

Chapter 1962: Duel

Listening to the curse of this guy, Chen Qiaozhi did not have the same knowledge as him.

Just glanced at the place in front and said to the brothers: "Let's go, let's go ahead and take a look."

Chen Qiaozhi, who was talking, then led his brothers to continue along the road to the damaged place.

The damaged part of this road leads directly to the suburban area of Binjiang City.

The brothers walked along the ruined place, and couldn't help wondering: "Hey, if this is really done by Brother Tian, why did Brother Tian come to this suburban place?" Xue Wuhen asked.

Brothers don't even know the reason.

Everyone looked at the direction of this ruined place and reached the wilderness area on the outskirts of the city, and then the clue was interrupted.

Looking at the wilderness, the brothers sighed there one by one.

"Hey, what can we do? As today, brother is missing... and the key to fate was snatched by the \*\*\*\* Gangelo family vampire, what should we do?" Brothers are worried there. Tao said.

"Now, I can only count as one step, and I hope Li Tian can come back as soon as possible." Chen Qiaozhi sighed.

...

The helpless brothers finally chose to go back.

Waiting is suffering.

Especially now that Li Tian is in a state of confusion.

The beauties of Situ Ningbing, Ouyang Poetry, and the beauties who love Li Tian deeply are all worried in their hearts, but what can they do even if they worry any more?

Li Tian is gone, and he is already in a madness!

Who can save Li Tian?

A few kilometers away is a barren and abandoned land in the suburbs of Binjiang City.

There was no one there, and his eyes were decadent.

At this moment, in this deserted place, a terrifying cry suddenly came out, the sound was extremely ugly, like a monster's cry.

I looked at the voice carefully, but I saw a cratered river in front, I saw a scary figure covered in blood, shouting hoarsely.

His cry is so terrifying and unpleasant, that when listening to the ears, it makes people feel like a pierced eardrum.

His whole body was blood red, even his hair turned blood, he looked like a monster.

He was astonished that Li Tian was crazy.

At this moment, Li Tian was lying next to the ditch, his face was completely distorted, and his eyes were also burning with blood flames, screaming in pain and distorted.

He seemed to be looking at himself in the river...Looking at his completely deformed body and face.

His entire face turned white for a while, then blood-red, as if two extreme faces were struggling there.

When his face turned white, Li Tian's whole person showed endless pain and endless struggle, but when his face suddenly turned bloody, he showed a completely strange and terrible expression. , That expression carries a feeling of endless slaughter, as if to destroy the common people.

"No...no...no..." he shouted hoarsely when his face turned pale.

As if wanting to get rid of the blood on his body.

But in an instant, his face became blood-red again, violent and terrifying, smiling gloomily there.

boom

There was a loud noise, but seeing him as if he could not bear the pain, his palms suddenly hit the river gutter in front of him.

Accompanied by a thunderous explosion, there was a bang, and the water in the entire ditch was shaken by the terrible energy to fly.

A crash fell from the sky and hit him.

He was covered in blood, standing there hideously.

He really entered the magic way.

In a clear sky, suddenly a thunder slammed at this moment. In a blink of an eye, the originally clear sky became gloomy. After a while, the cold wind was blowing, and soon the rain fell from the sky.

The blood-stained Li Tian was standing motionless and terribly.

When thunder was constantly thundering in the sky, I saw a lasing black shadow on the gloomy sky like a wild geese.

That speed is scary.

With the shooting of the dark shadow, the entire space here suddenly filled with a terrible cold feeling.

And the enchanted Li Tian, who was originally standing in the heavy rain, suddenly raised his eyes that were burning like flames. He saw it, and saw the figure.

Li Tian has no humanity now! He is now killing people, killing ghosts...

At this moment, seeing a living creature shooting towards him, his blazing eyes suddenly showed endless killing intent.

Then the whole person screamed violently, and the blood-red body slammed toward the black shadow terribly.

But seeing that the black shadow is faster than extreme speed, at the moment when Li Tianxue's enchanted blood-red body suddenly ejected towards him, the black shadow did not evade, and when he lifted his palm, a "꺄" word appeared from the palm .

Then the word "卍" grew terribly big, and it pressed against the blood-colored Li Tian in front of him.

Where is Li Tian? Already enchanted, dehumanized, strong palm power, with the feeling of ruining the world, with a bang, both palms are against the sky, and the word "swastika" is strong!

Gang! ! !

Tian Lei was alarmed, and the huge "卍" character exuded a dazzling golden light, pressing Li Tian there.

But what about Li Tian? It's just that the palms are up to the sky, and the supreme infuriating energy of the whole body is used.

Li Tian's current strength was so terrifying that when he hit the "swastika" with the supreme true energy of his whole body, the whole earth seemed to shake.

The terrifying feeling of the earth shaking.

Rumble, followed by a shocking sound.

Then I saw the dark shadow above the volley, and the whole person flew out with a scream, and suddenly fell to the ground.

What about Li Tian? The blood-colored body suddenly flew back from the huge explosion.

A shocking blow, no victory or defeat!

"For hundreds of years, it seems that the person who is looking for should be this one..." In the rainy space, I saw the black shadow standing at a distance of a hundred meters muttering.

His voice carried a cold air, and at the same time, there was a slight feeling of vicissitudes.

Who is he?

How can he possess the terrifying strength like holding the world!

You must know that Li Tian's skills are extremely terrifying after he has become a demon. In addition, he has already cultivated the ninth level of Maha Wuliang: Gods and Demons!

At this moment, who can dare to fight against the enchanted Li Tian?

However, the black figure in front of him just fought Li Tian for a round without any distinction between victory and defeat!

I looked at the dark shadow carefully, but saw that his body was very thin.

The thin one is not like a person, like a corpse.

In the cold wind, but seeing that his body was dry, the whole head looked like a dry corpse, the hair had completely fallen off, and the skin of a face was wrinkled and tight, as if it were dry and salty. meat!

Only those eyes exuded distance light.

Chapter 1963: Old demon, little demon

Kui! He is Kui!

For hundreds of years, the "Kui" who was the first to practice the magic way.

At the end of the Ming Dynasty, the mad demon who slaughtered the world, Kui, was also the brother of the legendary Wuji old man and the great demon king who specialized in demon way: Kui!

Unexpectedly, he was born!

Unexpectedly, he had escaped from the purgatory land of the \*\*\*\* gate master.

I saw this old old man who had lived for several years, who didn't know how many lives. At this moment, he blinked those scorched eyes and looked at the blood-colored Li Tian unblinkingly. His eyes were There was a wave of joy and excitement at the same time, as if seeing a treasure.

Why did he come here? Will you find Li Tian?

But what about Li Tian whose whole body is soaking in blood at this moment? In the first blow, Kui in front of him could not be killed, and he was furious at this moment.

With a sudden roar, the blood of his whole body exploded, and the whole body's hostility rushed into the entire sky. Then, with a bullet, he attacked the legendary old man in front of him again.

When Na Kui saw Li Tian attacking, he not only murmured, "This man is so devilish, it seems that he must be suppressed well..."

As Kui said this, his body suddenly floated up, and then his two hands made a weird gesture from his chest. His eyes closed slightly, following the weird dance of both hands, Suddenly, he muttered a few strange words silently.

"Pulong Saha, Om Amida, Ayoda Di Saha."

Following the words that Kui could not understand at all, which seemed like a spell, he saw his palms suddenly fell downward, and a strange mark appeared in both palms at the same time, but what about that mark? It's just the "卍" character.

It's just that this time is completely different from the "卍" just now, because this time the "卍" is black, pure black, and there is a "卍" in the palms of Kui's left and right hands.

What about Li Tian?

Because of being enchanted, there is no reason at all, just killing.

At this moment, he rushed towards Kui like crazy.

When he lunged, Nakui suddenly greeted Li Tian with both palms.

Li Tian, covered in blood, saw the black "卍" in the palms of Kui's palms, his blazing eyes suddenly changed, as if he had encountered something scared, he screamed and turned around and fled. .

But how could Na Kui give Li Tian a chance.

The body slid, and quickly swept over, and then the black "swastika" in the left and right hands hit Li Tian's back, and the other hit Li Tian's Tianling cover.

In an instant, the blood-stained Li Tian seemed to be frozen, his body suddenly became stiff, and he fell from the air with a plop.

After Li Tian fell heavily to the ground, Na Kui slowly fell from the air.

Falling in front of that Li Tian.

But what about Li Tian at this moment?

His whole body was soaring, and the whole person was still roaring endlessly, his eyes showed endless anger, as if he wanted to eat the kuai in front of him, roaring hard...but his body couldn't move. It's like being sealed.

Yes.

At this moment, Li Tian, who had become crazy, was indeed sealed by Kui.

The trick that Kui used just now is exactly the secret of the longevity gate hundreds of years ago: drop magic!

This technique is the preaching and teaching of Na Kui's father.

Kui had used it once in hundreds of years, and that time was still used on his own body, and this was his second time, but unexpectedly it was used on Li Tian.

But what about Li Tian who is now being sealed? The devil qi on his body is still very heavy, and it can be judged from the blood qi in his body.

After Na Kui fell in front of Li Tian, he glanced at Li Tian's blood and his bloodthirsty pupils. He couldn't help but slightly wrinkled his dry face, and suddenly muttered there. : "No wonder, no wonder..."

"It turns out that this child is the life of the lone star of the evil spirits, no wonder the devilish energy on his body is so heavy." Kui Zai muttered to himself.

"Hey, the evil star has now escaped into the magical way again, sad, sad!"

But he said that just as Na Na Kui sighed, the blood-red face of Li Tian, who was sealed, was suddenly distorted. He no longer screamed... and no longer struggled, but suddenly laughed wildly. , The terrible laughter penetrated the entire space.

Li Tian has become not himself!

Become another strange and terrifying demon!

"Old thing, let me go...otherwise, I will tear your body apart and make you never reincarnate!" The violent words suddenly came out of Li Tian's mouth.

He stared at the blood-red pupils and looked at Kui savagely.

His voice seemed to come from hell.

Listening to Li Tian's words, Na Kui suddenly sneered: "Little devil, his tone is not small..."

"Do you think you can scare me? Tell you boy, the old man has been in the magic way hundreds of years ago. If you talk about it, I am the ancestor of the magic way." Kui said coldly.

His expressionless face looked like a zombie facing Li Tiandao.

Following Na Kui's words, the enchanted Li Tian looked extremely angry, and the whole person suddenly roared there again, as if unwilling.

"Don't call the brat, I know, you are very uncomfortable now..."

What about the enchanted Li Tian? Hearing what Kui said in front of him, he didn't scream anymore, but just stared at the horrible pair of eyes in front of Kui.

The old man, behind his hands, was walking back and forth, his expressionless face seemed to be thinking about something.

"The Way of Extreme Demon, abandon oneself, lose one's life... not appropriate!"

"Hey, how can this be good? How can it be good?" Kui suddenly muttered to himself.

The enchanted Li Tian suddenly said in a hoarse voice: "Old thing, what do you want to do?"

But seeing Na Kui glanced at Li Tiandao: "I want to send you this little demon to hell!"

"Just relying on you, the immortal?" Li Tian suddenly laughed wildly.

"Dare to make me immortal?"

Kui was furious all at once.

Suddenly, his right hand directly pressed the \*\*\*\* Li Tian's Tianling cover, and the black "swastika" in the palm of his hand exuded strange auras, inputting it towards Li Tian's head.

The enchanted Li Tian was suddenly in extreme pain, and screamed wildly, as if in extreme pain.

"Let go... let go... you old thing..." the enchanted Li Tian cried out in pain.

Kui, finally let go of his hand.

But what about the enchanted Li Tian? The whole person seemed to be in extreme pain. After Kui let go, he kept gasping for breath, and at the same time, his blood was much weaker than before.

Chapter 1964: Exorcism

Kui looked at Li Tian, who was completely softened, and sneered: "Little devil, I advise you to leave this kid's body as soon as possible...Otherwise, I will let you know what endless pain is." Kui Said with a smile there.

"Old stuff, are you threatening me? Do you think I'm afraid of you? If you move me again...I'll kill this kid! I'll let him bite his tongue and kill himself! I'll make him break his veins, haha. "The enchanted Li Tian suddenly laughed wildly.

Hearing what he said, Kui almost jumped up with anger.

"Then what do you want?" Kui asked helplessly.

I saw that enchanted Li Tian suddenly laughed violently.

"Kill, destroy!"

"I want everyone in the world who owes me to pay the price of blood!"

Kui said: "Why bother? Many unrighteous actions will kill you. Even if you ruin the world, what do you get?"

"I do not care!"

"That is what they owe me. I want to kill, kill, kill, kill everyone."

"I'm just killing, I want to kill a creature!" The enchanted Li Tian roared.

But Jiankui didn't speak any more, just thinking about his thoughts with solemn brows.

"The devilish energy on this child is too heavy, and he himself kills extremely heavily. If he enters the demon way, he can't control his desire to kill. How can this be done?" Kui racked his brains to solve it. Method.

Just when Na Kui was thinking about how to save Li Tian, but seeing that enchanted Li Tian suddenly laughed wildly: "Old stuff, don't bother you...you can't save me...haha. "

Na Kui was furious at the moment when he heard the enchanted Li Tian mocking himself like this.

"Bastard boy! You really thought that the old man could not cure you..."

Following Kui's words, suddenly his body flew behind the enchanted Li Tian, and then his two hands suddenly stretched out quickly, like electric shots at Li Tian's Jianjing, Baihui, There are also three acupoints at Qihai Point.

After he quickly reached out and tapped the three acupuncture points of Li Tian's body, the enchanted Li Tian suddenly roared.

"Old stuff, what are you going to do... what do you want to do?"

But seeing Kui sneered: "Smelly boy, don't you want to threaten me by suicide? I have clicked on the three major acupuncture points all over your body now. I see how you use your strength... I see how you commit suicide! Hehe. "

When Kui said this, the enchanted Li Tian suddenly roared in hysterics.

Yes, once the Jianjing, Baihui, and Qihai acupoints are all spotted, even if he wants to die, he can't die, because his whole body is almost always biting except that his mouth can move and talk. The strength of the tongue seems to have been lost, so if he thinks about self-harm or suicide, it is simply impossible.

At this moment, Li Tian, who was full of blood and energy, screamed in anger, he couldn't wait to eat the Kui in front of him.

It's a pity that he can't move his body at all.

What about Na Kui? After touching the key point in Li Tian's body, he murmured: "Smelly boy, now the old man is going to force out the devilish energy of the body for you...you can stop it!"

Following Na Kui's words, the enchanted Li Tian suddenly yelled, yelling and cursing: "Old stuff, I want to kill you...I want to eat you..."

But what about the old man? But as if he didn't hear Li Tian's words, the whole person suddenly sat down cross-legged, and then Shuangman slowly closed his hands. It was pasted on Li Tian's back one after another.

After his palms were placed on Li Tian's back of enchanted Li Tian, a golden light slowly appeared in his two hands, and that golden light slowly entered Li Tian's body. within.

The enchanted Li Tian, after the golden light entered the demon body, he was suddenly extremely uncomfortable.

The whole face began to twist continuously, hissing...

But no matter what he was, Na Kui didn't let go, and tried his best to force the devilish energy in Li Tian's body.

Where is the enchanted Li Tian? The whole body's blood qi continued to pour in with that Kui golden light, and began to fade little by little... It seemed that Li Tian's devilish qi had really been dispersed a lot.

In this way, Kui spent hundreds of years of life skills to force Li Tian out of devil.

And what about the enchanted Li Tian? His face became pale for a while, then blood red...

He seemed to be struggling hard, trying hard to recover.

"Boy, it's a critical juncture now... It's up to you to be a man or a devil! The old man can only use a hundred years of skill to help you get through the entrance, but you have to choose by yourself!" Kui used it for hundreds of years His skill forced the devil qi in Li Tian's body, while suddenly roaring at the enchanted Li Tiandao.

What about the \*\*\*\* Li Tian?

The whole body was trembling constantly, and that face was constantly distorted, turning into the hideous look of a demon for a while, and turning into the original look of Li Tian again.

"Boy, if you still have humanity, think about the people you love...think about those who are good for you, those who worry about you..."

"You have to know that once you enter the magical way, you will lose yourself forever, lose yourself forever..."

When the words of Kui came to Li Tian's ears, Li Tian's body began to cramp violently.

His face also began to become extremely painful, as if he was suffering from endless pain, unbearable.

"Is it a human? Or a demon?" Kui asked at last.

As Kui's voice was uttered, Li Tian suddenly became aware of the enchanted amount!

Although his whole body is still full of endless \*\*\*\* light at this moment, his mind has already begun to turn.

He thought of the women he loved, thought of Situ Ningbing, and Ouyang Shiqing... Then he turned his mind, and he saw his brothers again... The brothers were trying to survive for him along the way. Follow him on the road, selflessly protecting him...

When Li Tian recalled his life bit by bit in Li Tian's mind, the devilish energy on his body began to fade away, and the \*\*\*\* light began to decrease!

After seeing this situation, Kui behind him was not only pleasantly surprised, because Li Tian was about to walk back to the aisle, and he was about to get rid of the magic way.

But at the moment when Kui was delighted, a huge devilish energy suddenly surged towards Kui's palms.

When Kui felt this huge demonic energy surge, he was shocked.

"What's wrong? What's the matter? What's wrong with this kid?" Kui Zai said in shock.

Of course he would not know what happened in Li Tian's mind at the moment.

Chapter 1965: I want revenge

It turned out that Li Tian at this moment thought of his father and mother again... When he thought of his parents, his hatred suddenly took over his body, and the sense of killing suddenly surged from his body. He thought of his father's return. There was a mother who was besieged by so many masters of the \*\*\*\* gate more than 20 years ago, thinking of the \*\*\*\* Long Yin killing her brother... thinking of all the hatred that shouldn't be there!

The devilish energy immediately swallowed Li Tian at the moment.

Li Tian, who had almost gotten back to the right path, thought of his endless hatred in his mind. Suddenly, his devilish energy skyrocketed.

But seeing that terrible demonic energy skyrocketed, he suddenly

Screamed wildly.

The terrifying voice reverberated in the entire space, and then the blood on his body suddenly burst. The Kui behind him was also shocked by the endless slaughter gas emitted from his body, and flew back. .

Fortunately, Kui's skill is extremely profound, otherwise, as anyone, he would have to be shattered to death by Li Tian's \*\*\*\* air just now.

As Kui was shocked and flew out all of a sudden, Li Tian, who was so full of blood and energy, suddenly soared into the sky.

"I want revenge... I want revenge..."

The \*\*\*\* words roared out of Li Tian's mouth. It was a sound from a mad demon, and it was a sound that destroyed the world and the earth from a demon with endless hatred.

After the enchanted Li Tian yelled out those terrible words cruelly, then his whole blood shadow suddenly flew towards the west, no longer caring for the old man in front of him!

The speed of Li Tian's blood shadow was so fast that Kui could only watch the enchanted Li Tian leave halfway.

Looking at the leaving Li Tian, the old man couldn't help standing with his hands on his back for a long time.

"Hey, the hatred of this kid is too heavy!"

"It seems that his devilish energy can only be resolved by him." Kui sighed helplessly.

After speaking, Kui suddenly raised his dry face and looked up at the sky: "Master, there are descendants in the longevity gate for hundreds of years!"

"Although the child is very murderous, I can still see that he has a benevolent heart... It seems that Junior Brother really did not pick the wrong person."

After Kui finished speaking, he saw his figure suddenly turned into a black shadow, disappearing between the endless boundless earth, and in a flash, there was no sign of him.

...

At night, shady comes.

A little light can hardly conceal the darkness of Binjiang City at night.

On the Bund, the old abandoned Christian church has long lost its original light under the cover of darkness.

At this moment, in the middle of the night, a figure was walking towards the ancient church step by step.

Taking a closer look at the figure of that person, it was Father Gammareli before that.

How did Father Gammareli come to this place in the middle of the night for no reason?

But after seeing that Father Gammareli quickly entered the gloomy church at the moment, he saw that the entire church was deserted and deserted, with nothing.

Where is Father Gammareli? He walked quickly to the underpass over there, then stretched out his hand to turn on the mechanism button, and entered the underpass in a flash.

Ten minutes after entering the secret tunnel, Father Gammareli walked out again, only to see something more on his body.

The bible in that hand is a black cover.

After taking it out, he was then seen preparing to leave the abandoned church.

Just as he was about to leave the church, a blood shadow flew over from the darkness of the Bund at an incredible speed.

Wherever he went, the space seemed to be filled with blood.

When Father Gammareli, who had just walked out of the dark tunnel, was about to leave this ancient church, he suddenly smelled an inexplicable blood in his nose. The moment he felt the terrible blood, Father Gammareli's eyes Stared, looking around there.

The whole blood has quickly filled the entire church, and it is getting closer.

Father Gammareli looked around in fear, and said in shock: "Who?"

"Who is here?" he asked with a trembling voice, because he already felt the fear coming.

Just when Father Gammareli was about to ask again, a blood shadow suddenly shot at him at an incomparable and terrifying speed.

Father Gammareli was no longer waiting, seeing the terrible blood shadow attacking him, he turned his left hand to stop him.

It's a pity that he can be the opponent of that blood shadow!

I saw that when Father Gammareli turned his left hand to stop, the blood shadow pinched Father Gammareli's throat tube with one move. Suddenly Father Gammareli only felt the pain of crushing his throat tube, and then the whole body. She slumped down instantly.

"Say, where is the vampire of the Gangelo family?" A hellish hoarse voice came out cruelly from his mouth.

Father Gammareli bricked to see, my God, what kind of face did he see?

That is a \*\*\*\*\* face! No, it's a face full of blood to be precise!

The entire face, the entire pupil, and the entire hair are bloody.

Even the body is blood red!

Not like a person at all, like a monster, a demon!

When Father Gammareli saw such a terrible monster pinching his neck, he almost collapsed to the ground in fright.

"You, you, you, who are you?" he asked in shock.

The blood-colored figure was full of terrifying aura of slaughter, and after hearing Father Gammareli's question, anger suddenly appeared in his eyes.

But with a click, Father Gammareli's left arm was directly cut off by the scarlet figure.

A terrible scream came out of Father Gammareli's mouth, it hurts! Painful.

"Tell me, where is the vampire of the Gangelo family?" the scarlet figure asked for the second time.

The painful whole person of Father Gammareli was convulsing and trembling.

If there were real demons in this world, then Father Gammareli would definitely think that the scarlet figure in front of him was the biggest demon.

"I can't say... I dare not say..." Father Gammareli said painfully.

Although he was afraid of the blood shadow demon in front of him, he was also afraid of the vampire because he was afraid that he would be drained of blood by the vampire.

After he rejected the blood shadow demon in front of him, the \*\*\*\*\* figure suddenly showed a cruel smile at the corner of his mouth.

Suddenly a hand thrust into his chest in terror!

With a snort, his entire hand was inserted into Father Gammareli's chest, and then he pierced through Father Gammareli's body.

The blood flowed out along his arm.

What about Father Gammareli? Looking at his entire pierced chest, he was completely stunned... His pupils began to expand continuously, emitting the light of death.

His body suddenly began to tremble violently, and the blood in his mouth began to flow down his lips.

"Gangelo...Gangelo...the vampire of the family...is...at...at 76 Tongbeili...the old mansion..." Father Gammareli didn't know whether it was because of his conscience or the one in front of him. The blood shadow demon is completely conquered!

In any case, he finally said the final destination of the Gangelo family vampires!

After the scarlet demon got the result he wanted, he suddenly burst into endless hostility. With a bang, his arm shook, and an invisible energy burst out of his arm, and then the body of Father Gammareli The whole burst directly!

Flesh and blood fly!

The whole church was instantly dyed red with blood.

Chapter 1966: could not find it

Tongbei Li is an old alley located in Binjiang City.

It used to be an old street. Later, because of road planning, the old street has been abandoned. Now the road is muddy, and the surrounding people are basically old people who stay at home... Few young people come here. .

At night, the old street of Tongbeili was pitch black, and there was almost no other movement except for the noise of dogs.

On the dark streets, a \*\*\*\* air suddenly struck, the \*\*\*\* air came so suddenly, it came so violently that the surrounding dogs screamed.

The watchdogs suddenly screamed like they had encountered something frightening...horrible!

Barking dog barking sounded loudly throughout the empty and lonely street.

Suddenly, a terrifying blood shadow suddenly galloped over from the street. The speed was so fast and so violent. The air seemed to be condensed everywhere.

A wild dog emerged from the dark street without knowing it. When he saw the scarlet figure, he suddenly screamed.

But at the moment the wild dog barked, the blood-colored figure's violent eyes saw it, and then a scary blood-colored forehead flashed by, but suddenly, the wild dog made a horrible cry...

Then he took a closer look, and the whole body of the wild dog instantly shattered, and the blood splashed out instantly dyed the ground red.

The scarlet demon didn't even look at the dead dog, and flew forward in a swoop.

Death, blood, and the devil came.

At No. 76, Tongbeili, there used to be a nursing home, but the old people in the nursing home there have moved out. At the moment, the nursing home has only one guard left guarding the empty nursing home.

Could this place be the place where the Gungaro family vampires stayed as the dead Father Gammareli said?

The dark Tongbeili No. 76 is extremely empty, without any lights.

Outside it is a rusty iron fence, a total of more than 3 meters high, surrounding the old nursing home.

And what about the nursing home inside? On the other hand, there are three empty old floors, which are also dark at the moment.

Suddenly, blood rushed toward the nursing home here.

When the terrible blood rushed in, but saw that the blood shadow had already swept here.

My God, his whole body is blood red, and his pupils are glowing like flames.

There is endless aura of destruction wherever he goes.

He is the enchanted Li Tian, and he is here for revenge.

At this moment, his horrible eyes have been placed in the nursing home.

I saw that the iron gate of the fence outside the nursing home was still locked, and there was a relatively small guard room at the door.

The moment the enchanted Li Tian saw the constricted iron fence gate, he suddenly stretched out a blood-red hand, and a burst of blood burst out. With a click, the rusty iron fence gate slammed. The sound was shaken apart.

After the iron fence gate was shaken open by his mighty blood, the enchanted Li Tian walked toward the inside step by step, step by step, step by step, step by step.

Wherever the terrifying blood that filled his body went, the air seemed to be condensed.

What he saw in the eyes of the enchanted Li Tian was destruction.

The entrance to the gate was a detention room. According to the truth, there was an old man in the detention room who had guarded here. After the enchanted Li Tian found the detention room, he walked in.

As he walked in, a smell of corpse came over, and then he heard the disgusting hum of buzzing flies, many, many densely packed.

I took a closer look, but saw a dead body lying there in the detention room...the body was wearing an old Chinese tunic suit, and only half of his body was left.

His body was covered with humming, disgusting flies gnawing on his flesh and blood, and his entire body was mostly rotten.

Is this the old man who used to guard the door?

already dead?

The moment he saw the deceased, the enchanted Li Tian suddenly left the detention room, and then, full of blood, he quickly walked towards the desolate nursing home in the middle.

Father Gammareli said before that the vampires of the Gangaro family are here.

Is it true or false?

Whether it is true or not, at present, the enchanted Li Tian has arrived.

I saw that Li Tian was already walking towards the nursing home in front of him step by step with the steps of destruction.

The dark and silent old nursing home has no sound or movement.

When the enchanted Li Tian reached the wooden gate of the nursing home, he opened the wooden gate with a palm, and with a click, the whole gate suddenly shattered.

When the door cracked open, Li Tian's \*\*\*\* figure had already flashed into the nursing home very quickly.

The empty and silent nursing home was full of \*\*\*\* and waste, and the tables on the ground were covered with layers of thick dust.

The enchanted Li Tian glanced at the room with his flame-like eyes.

nobody?

There are no vampires from the Gangaro family?

When the enchanted Li Tian couldn't find the vampire of the Ganggro family, he suddenly became angry.

Then the whole person seemed crazy, and suddenly began to destroy the house in front of him.

With a loud bang, the enchanted Li Tian stomped down the walls of the entire nursing home with his boundless infuriating madness.

His voice roared hoarsely.

He was angry.

Because he didn't find his enemy!

In the endless darkness, but hearing a roar of anger, cut through the dark night sky, echoing for a long time in the night of Binjiang City.

The sound of the magic whistle is endless!

...

"His Royal Highness, when shall we go back?" In a dark room similar to a basement, I saw a pale-faced Ganglo family vampire looking at Earl Spike.

I saw that the guy standing in front of him was the vampire Count Spike of the Gangelo family.

The corners of his mouth squirmed, and his complexion gently said, "Soon."

"What about that human? Do you want to kill him as soon as possible? Lest he interfere with us again." The vampire in front of him continued to look at Earl Spike and asked.

Humanity?

Is it?

After the vampire asked, the corner of Spike's mouth suddenly showed a strange smile.

"No, no hurry!" Earl Spike suddenly stretched out the hand wearing the skull ring and said slightly.

## Chapter 1967: Threat

"Although he is opposed to us, I do appreciate his martial arts. Looking around, I am afraid that there is no such ability in the whole blood clan... I am thinking, if he can join our blood clan and become us. If you are a member of the Gangaluo family blood clan, hey, our Gangaluo family will become even stronger by that time." Earl Spike said suddenly.

When the vampire next to him heard the words of Earl Spike in front of him, he was startled: "His Royal Highness, you mean to turn him into a vampire? Become a member of our Gangelo family?"

Count Naspik grinned grimly: "I do mean that."

"I believe the elders of the family would approve of me if they knew about this." Earl Spike continued.

The vampire said: "But your Royal Highness, I guess that human being is definitely unwilling. Once he is unwilling in his heart, he will have a lot of trouble when he experiences mutation."

"Even if it is your Royal Highness, you bit him and turned him into a vampire, but he will not necessarily help us when he becomes a vampire."

After hearing the subordinate in front of him say so, the Earl Spike who was standing there also frowned slightly.

"You are right, this is exactly what I worry about."

"However, I believe he would make the right choice compared to death." Earl Spike suddenly smiled.

After Earl Spike said so, he suddenly turned around and said, "Go, I'll go see him."

As he said this, he suddenly turned and walked in front of him.

It's dark and damp here, like an underground sewer.

I saw a closed small iron gate at the dark and damp end.

The small iron gate has been corroded and rusted, and there are still pools of stagnant water on the ground.

As he approached the iron gate, a hoarse roar suddenly came from inside, which sounded unpleasant and harsh.

"Cthulhu, didn't you expect such a day?"

"Twenty years ago, you were imprisoned at my feet by the master of the gate of hell. After more than 20 years, you are still imprisoned at my feet..."

He heard the sound, but saw a demon inside standing motionless.

His whole body was covered with demonic energy, his blue hair was weird, and his eyes were filled with a strange evil light.

He is the devil dragon Yin.

At this moment, he was facing wickedly, the man covered in blood, naked in front of him tied to a cross.

His hair was loose, and his stout skin was covered with bloodstains... It was obvious that he had been tortured by the flesh.

However, he still stood there like a god, staring at those eyes and glaring at Long Yin in front of him.

He, he turned out to be an evil god!

It turned out that Cthulhu was really caught and caught here!

And what about Long Yin? Also escaped from the ice.

It turned out that the Cthulhu was finally defeated in the last battle... After all, his physical energy was consumed too much at the time, plus, the vampire was not afraid of his palms, so the Cthulhu finally fell.

Following that Long Yin said this, but seeing the evil \*\*\*\* with his hands and feet tied with heavy chains, he said angrily: "Evil thief, one day, I will kill you myself."

When Long Yin heard the evil \*\*\*\* say this, he suddenly sneered: "Kill me?"

"I'm afraid you don't have this chance!"

"Although your evil \*\*\*\* is the world, but Long Yin is not afraid of you..."

"I tell you, not only do you want your invincible evil \*\*\*\* to be humiliated, but I also want you to see your son Li Tian die in front of you...I will cut him in front of you and let you watch. He was killed alive by me." Long Yin suddenly laughed frantically.

His laughter is so evil and fierce.

"Just because you thief want to harm Tian'er? You are delusional!" When the evil \*\*\*\* heard his son Li Tian, he furiously said.

But Long Yin said, "Do you really think Li Tian can fight me?"

"I'm telling you, if it hadn't been for the luck to let the kid escape the previous few times, the kid surnamed Li would have died tens of thousands of times..."

"Now, with you in my hands, let me see how the boy named Li escapes this time." Long Yin said.

Long Yin is right! Before Li Tian was indeed difficult to defeat this demon Dragon Yin.

But now?

Cthulhu might know that Li Tian might not be that Long Yin's opponent.

Because the evil \*\*\*\* has already learned the terrible thing about entering the devil dragon Yin: the six magic arts!

Although Long Yin was defeated by himself, if he changed to Li Tian, he might not be able to withstand his six magic powers. If it were to fight against him, I am afraid that Li Tian would be more auspicious.

So the current Cthulhu is also very worried about Li Tian.

"It's impossible for you, a villain to meet Tian'er?" Cthulhu said angrily.

But seeing Long Yin laughed wildly.

"With you, am I still afraid that he won't come?"

"Don't worry, sooner or later I will reunite you father and son."

At this moment, when Long Yin and the evil \*\*\*\* were talking, the rusty iron door opened with a creak.

After opening, I saw Earl Spike and the other vampire coming in from outside.

Long Yin raised Sen Leng's eyes and glanced at the two of them.

Naspikes also looked at Long Yin, and then moved his gaze to the evil \*\*\*\* in front of him.

"Long, you go out first!" Earl Spike of the Gangel Family suddenly said to Long Yin.

When Long Yin heard the words of Earl Spike, suddenly a fierce light flashed in his eyes, but it was only fleeting, Long Yin did not speak, then turned around, and walked step by step. outside.

After Long Yin left, the room was left with Count Spike of the Gangel Family, another vampire, and the evil \*\*\*\* who was tied to the cross with his hands and feet chained.

"Cthulhu..." Suddenly Earl Spike called out the name of the Cthulhu, and walked to the front of the Cthulhu step by step.

Cthulhu's hatred for vampires can be described as deep hatred!

At this moment, his blood-red eyes glared at Spike in front of him.

"Do you know? The one thing I admire most about you Easterners is your unyielding and unyielding!" Earl Spike said with a smile at the evil \*\*\*\* there.

"But I want to ask you now, Cthulhu, are you afraid of death? Afraid that your body will harden bit by bit...and then become a pile of rotten bones?"

The Cthulhu spit out a mouthful of blood from his mouth, and said angrily: "Try it!"

Count Na Spike smiled strangely: "I don't have to try now!"

"I just want to tell you that if you want your death, I just moved my fingers."

Chapter 1968: Terrible Dragon Yin

"But I changed my mind temporarily again. I want you to live, live forever, and live until the end of the world, just like our kinsmen. How about, are you satisfied with this ending?" Earl Spike suddenly smiled grimly. The evil \*\*\*\* in front of him said.

Hearing what the evil vampire in front of him said, the evil \*\*\*\* was taken aback, and said angrily: "What do you evil vampire want to do?"

Count Na Spike laughed suddenly.

"I don't want to do anything, I just want to make a deal with you!"

"You have to know, according to your situation, it is a great honor to be able to trade with me." Earl Spike said.

The evil \*\*\*\* heard the vampire say so and asked, "What deal?"

Count Naspik then said: "I want you to join our blood family, join our Gangelo family."

When the Cthulhu heard it, he suddenly laughed wildly, with a hint of sarcasm in his voice.

"Join you? Become a vampire?" Cthulhu just felt very funny.

After hearing the evil god's sneer in front of him, Naspik was not angry, but smiled slightly and continued: "Yes, join our vampire family and become one of us. As long as you agree, I will let you have an immortal body, so that you can live forever in this world."

"How? This deal is luxurious enough for you, right?" Earl Spike said.

But seeing the evil \*\*\*\*\* glared and said: "Evil things, you can really laugh, do you really think I am afraid of death?"

"Tell you, you ugly thing, it's impossible for me to join you, evil dark creatures."

"Dark creatures like you that can only appear at night should die, and they should live under the ground forever." The evil \*\*\*\*\* said angrily.

Hearing such vicious words from the evil god, there was a sense of anger in Spike's eyes, and even the vampire next to him roared in his mouth.

"Are you rejecting me?" Earl Spike suddenly appeared hostile in his eyes.

"Do you know the consequences of rejecting me? I will \*\*\*\*\* your blood and let you die right here." Earl Spike threatened the evil god.

Cthulhu heard this vampire say so, suddenly burst into laughter.

"You are still threatening me in front of me for the first time!" Cthulhu said angrily.

Cthulhu said: "Decades ago, how many people wanted my Cthulhu's life and how many people wanted to kill me? But the result?"

The domineering and awe-inspiring feeling burst out from the Cthulhu's body.

Although he looked extremely embarrassed at the moment, the breath of his whole body had to shock the Count Spike and the others as a vampire.

Cthulhu is right.

His life has been miserable by the envy and resentment of others, and those narrow-minded people all want his life!

In the end, the evil \*\*\*\*\* was still alive until now.

It was a stupid thing that the vampires of the Gangaluo family threatened the evil \*\*\*\*\* in front of them.

The Earl Spike in front of him heard the evil \*\*\*\*\* say so, and he was so annoyed that he would kill the evil \*\*\*\*\* in front of him, but it was a pity that he was really watching the evil god's strength in his heart! So he finally held back.

I saw him looking at the Cthulhu at this moment: "You tell me, how can you agree to join our blood clan? Become one of us?"

As Count Spike said so, the evil \*\*\*\*\* laughed wildly: "You dream!"

"Even if I die, I won't go with you low-level creatures!"

Facing Cthulhu's decisive refusal, Earl Spike suddenly became angry, and his sharp fangs suddenly protruded from his mouth.

"you wanna die!"

Accompanied by Earl Spike's roar, his sharp fangs were ready to bite the evil god's neck.

Seeing that Cthulhu was about to be suffocated to death by the vampire Earl Spike biting his throat alive, at this moment, a dark shadow suddenly came to the front of Earl Spike.

Blocked in front of the evil god.

Take a closer look, it turned out to be Long Yin who exudes endless demonic energy.

He actually saved the evil \*\*\*\*\* in front of him.

When Long Yin in front of him suddenly blocked the evil god, the vampire Count Spike roared:

"Dragon, what are you doing?"

I saw that Long Yin, who was full of devilish energy in front of him, snarled, "Cthulhu, you can't die!"

"Asshole, why?" Earl Spike said furiously.

He never expected that Long Yin, who had been following them, would say such words at this moment.

Long Yin, who was exuding cold and devilish air, heard the vampire Count Spike say this, and said coldly: "There is no why! I said he can't die, just can't die!"

After the devilish Long Yin finished saying this, the vampire Count Spike was furious for an instant.

"You, do you dare to disobey my orders?"

The vampire Earl Spike barked his teeth, and his long pointed fangs bit into Long Yin in front of him.

But seeing Long Yin, his body flashed suddenly, and his right palm directly attacked the body of Count Spike.

Count Naspik felt the strong palm power, and quickly dodged... he didn't dare to fight Long Yin again.

With a swish, his body reached the back position.

There was a pair of bloodthirsty eyes staring at Long Yin in front of him.

The vampire beside him also stretched his fangs, watching Long Yin cautiously at his whole body.

But what about Long Yin? His palms have turned silver, yes, his palms have been coated with silver powder, and he looked terribly at the Count Spike and the vampire beside him.

Then suddenly said: "Don't force me to kill you..."

Count Spike, the extremely powerful vampire just now, was stunned after hearing Long Yin say this, he could only scream, but he didn't dare to go up again.

Because he saw the silver powder in Long Yin's palm.

Although vampires are extremely powerful, possessing superhuman speed and responsiveness, they are afraid of silver. Once this silver powder soaks their bodies, they will immediately turn to ashes, and they will never be supernatural.

Earl Spike certainly didn't want him to suffer such consequences.

Count Na Spike heard Long Yin say this, snorted, and looked at Long Yin at the moment: "Dong, what do you want to do?"

He only heard that Long Yin who was full of devilish energy suddenly said: "I don't want to do anything, I just don't want him to die now! Even if he dies, he can only die in my hands. Besides, I have to kill another person, I I want to kill someone in front of him." Long Yin said while looking at Cthulhu Dao.

The person he is talking about is undoubtedly Li Tian.

It seems that he is going to have a real showdown with Li Tian after all.

After listening to Long Yin uttering these words in front of him, Earl Spike could only snorted.

Although he hates, he is angry, but he can't help it.

Chapter 1969: Roar

Facing such a terrible Dragon Yin with silver powder on his palms, even Spike couldn't deal with it.

Therefore, Earl Spike could only spit out a word from his mouth: "Okay! Then keep him!"

"But don't forget...you are with us." The vampire Count Spike finally said.

After the vampire Count Spike finished these words, he left here with the vampire under his hand.

Long Yin in front of him didn't even look at the vampire again.

...

But he said that after the Earl Spike of the Gangelo family in front of him left, his entire face was terribly bloodthirsty, he was angry! He hates Long Yin.

"Asshole, that ignorant human dare to stop me!" At this moment, Earl Spike roared after leaving.

The vampire next to him said: "Your Royal Highness, that guy will betray us sooner or later."

"I don't need you to tell me this too."

"I'm just thinking about \*\*\*\*\* him." Earl Spike said gloomily.

Want to kill Long Yin?

How can it be a simple thing? Long Yin is very treacherous and has extremely high skill. If these vampires can't kill them, they will be dead by then. Even though the vampire Earl Spike thought this way in his heart, he did not dare to act suddenly. Now he, only Alone can only wait, waiting for a good time.

...

"Brother Tian has disappeared for a day and night, but what should I do?" The brothers at the Binjiang City Police Station were still worried about Li Tian's disappearance.

They searched almost the entire Binjiang City within this day, and Brigadier Wang Zhen also used all the power that could be used.

But so far, they haven't found the crazy Li Tian.

Where did Li Tian go? What is going on now, this is what my brothers are most concerned about.

"Brother Tian will be fine, I believe him, I believe he will surely be able to turn the danger into a breeze this time." Xue Wuhen prayed there.

Tang Xiaolong sat on the sofa, holding his head in his hands, bored there, not talking.

Chen Qiaozhi here is also full of worry.

"Li Tian is already in a demon...As for himself, I don't have anything to worry about, because once he is in a demon, his skill will be greatly improved, and it is extremely terrifying. If nothing happens, Almost no one in the world can hurt him. The only thing I am afraid of is Li Tian hurting innocent people."

"The disposition of a person who has become a demon will be lost. Once lost, he will have no doubt with the wild beasts. He will see people and kill people, he will kill ghosts. I am afraid that no one can stop him at that time, even the closest person would be unable to stop him "Chen Qiaozhi finally said something.

Following Chen Qiaozhi's words, the brothers sat here with solemn brows, and no one knew what to do now.

"You have seen those innocent citizens who died in the transaction area of Binjiang City...This is the best proof." Chen Qiaozhi in front of him repeated again.

When the brothers heard Chen Qiaozhi say this again, they were speechless.

To be honest, they are also afraid that Tian Ge and six relatives will not recognize it!

At that time, no one can stop him, so what should I do?

The brothers are all watching here, thinking about all feasible ways.

What about Mary the vampire who was rescued by Li Tian?

Since Li Tian rescued the vampire Mary, Mary has been searching for traces of the Gangelo family.

Because in comparison, the loss of the Key of Destiny is far more terrible than Li Tian's enchantment, because Mary knew that once the Key of Destiny was brought back to the Gangelo family by Earl Spike of the Gangelo family, then The demon hidden deep in the Vatican Inquisition will be awakened. At that time, it will be a huge disaster!

So Mary can only take the lead in finding the key to fate now.

Mary was very wise to find Father Gammareli before that, because she felt that only by finding him could she find the vampire of the Gangaro family.

So she came to that old church.

When she came to the ancient church, she saw the blood stains on the ground at first glance, as well as the broken bodies.

After seeing such a horrible situation, Mary was instantly astonished.

"Father Gammareli died? Was he killed alive?"

Looking at the corpses on the ground, a chill came from Mary's body.

Who killed him?

How could death be so cruel? Mary said in her heart.

After looking at the bloodstains around and the corpse of Father Gammareli, Mary secretly said: It seems that Father Gammareli was not killed by the vampires of the Gangaro family...It should be humans who killed them!

Miss Mary's guess is not bad at all, because if Father Gammareli was killed by a vampire of the Gangaro family, then his body would definitely not look like this, it would definitely be drained of blood, and the blood family would definitely The blood was not wasted, especially the bloodthirsty Gangelo family members, but the blood in front of him was spilled on the ground, and the limbs were separated, which shows that Father Gammareli was not killed by a vampire.

So who killed this priest Gammareli?

After he has been killed now, the clue is suddenly interrupted. Where should I continue to look for the vampire of the Gangelo family?

Miss Mary was depressed there.

Just as Miss Mary was depressed, there was a sudden scream from the inside of the church.

The voice was hoarse and terrifying, and it was terrifying when it was called out.

Miss Mary was stunned when she heard it!

A pair of beautiful eyes suddenly stared at the inside of the church in front of them, what figure was there in the empty and abandoned church... But how did the weird and terrible cry just come out?

Miss Mary was extremely puzzled, and now she stepped forward and looked forward step by step.

As she approached the end of the church here, she suddenly felt a \*\*\*\* breath rushing towards her face...The \*\*\*\* breath smelled so heavy that it seemed to be emanating from here.

Miss Mary sniffed her nose, and her eyes suddenly saw under the cross in the middle of the church, it turned out that there was a narrow secret tunnel!

Could it be that the terrible cry just now came from this secret tunnel?

What is in this secret tunnel? Did you make such a terrible voice just now? Mary's mind was spinning there.

Chapter 1970: Bloody

After Mary saw this weird passage, she wanted to walk in and see.

No, Mary, the vampire with curiosity, bent her body and got into the secret tunnel in front of her.

After the body got into this narrow dark tunnel, the blood inside became heavier.

Miss Mary frowned, her heart lining up: Why does the smell of blood become more and more serious?

Just as she was thinking like this in her mind, another terrifying cry suddenly uttered. In an instant, Miss Mary's long fangs stretched out, and at the same time, her hands were tightly held together. .

She was also nervous.

At this moment, she was stepping forward step by step, she wanted to see what was inside this secret tunnel.

As the Miss Mary walked along the wall step by step, she could feel a terrible breath floating in the dark tunnel...At the same time, if she guessed right, the thing here should be human, or something else. Creatures.

Because she already felt that there was a living body in this secret tunnel.

Just as Miss Mary walked toward the front step by step, the sound of breathing suddenly came from the place in front.

Mary was startled, she immediately looked up, she was stunned, because she saw a \*\*\*\*\* "monster" in the dark tunnel in front of her.

The "monster" figure, breathing, and blood pouring all over, looked terrifying and scary.

It is hard to imagine that there is such a terrible monster in such a place.

When Mary saw it, she was shocked. Although she was a vampire, she didn't see such a weird monster.

Just as Mary was shocked, her foot stepped on the stone next to her for a moment, and then the stone moved.

When the movement suddenly came, the blood-red "monster" suddenly roared in his mouth, and then Mary felt something was wrong, and suddenly she wanted to escape.

The vampire Mary's speed is fast enough, but when Mary suddenly flashed and wanted to leave this dark tunnel, a terrible \*\*\*\*\* breath suddenly rushed toward her face.

Then he saw that the blood-red monster had arrived in front of him, with a hand grabbing Mary's neck like a demon.

Mary was shocked. She never thought that the blood-colored monster was so fast. She wanted to dodge, but unfortunately she couldn't avoid it. In this way, Mary's neck was instantly pinched by the blood-colored monster.

A roar broke out in his mouth, and a pair of scary flame-filled eyes stared at Mary in front of him bloodthirstily, and then his hands began to clench and clench, as if he wanted to keep Mary in front of him alive. Squeezed to death here.

And Mary? At this moment, he was facing the blood-red monster in front of him.

Taking a closer look at his face, Mary was stunned for an instant.

"It's you....."

"Lee?" Suddenly a word came out from Miss Mary's mouth with difficulty.

But who is that monster full of blood? Look carefully, isn't it the enchanted Li Tian? It turned out that after Li Tian couldn't find the vampire of the Ganggro family, he hid here.

But I did not expect to meet Mary at this time.

But he said that after Mary shouted out in shock, the crazy Li Tian was unaware, as if he hadn't heard Mary's words at all, his flame-like eyes only carried an aura of destruction and killing.

He pinched Mary's neck fiercely.

Mary was almost suffocated. She was struggling to look at Li Tian, who had completely changed in front of her, and screamed out a few more words: "Li...I am...Mary..."

After Mary spit out these words with great difficulty in front of her, Li Tian, who was full of horrible blood, suddenly flashed strangely in her eyes, and then the whole blood-colored body suddenly shook violently.

"Mary...Mary..." a roar came from his throat.

The enchanted Li Tian seemed to recognize Mary in front of him.

After yelling twice, his tightly holding Mary's neck suddenly loosened, and the whole blood-filled body began to recede suddenly.

But after seeing that Mary, after being released by Li Tian, touched her neck with her hand, she stared at Li Tian with an incredible pair of eyes.

"Li, how did you...how did you become like this? Oh my God, what happened?" Mary looked at Li Tian, who was pouring blood all over, and asked in disbelief.

She only knew that Li Tian had become a devil, but she didn't know that Li Tian had become such a terrifying appearance. She saw it at this moment and was stunned.

But what about Li Tian?

At this moment, it was just a hissing roar in his throat... a pair of burning flame-like eyes stared at Mary in front of her.

"Li, what's wrong with you?" The vampire Mary asked worriedly again, and then stretched out her hand to touch Li Tian's blood-red arm.

But what about Li Tian?

The whole body retreated suddenly, and at the same time his blood and energy skyrocketed. Those eyes that had been flat just now were filled with a strong hostility. It seemed that if Mary in front of him dared to move forward, Li Tian would eat her.

Mary felt this too, and she couldn't help taking a step back, keeping a few minutes away from the \*\*\*\* Li Tian, and then asked: "Li, why don't you speak? Don't you know me? I am Mary, Mary of the Torrido family!"

As Mary in front of her said her identity, the \*\*\*\* Li Tian seemed to recognize her.

Suddenly he whispered in a low voice, "Mary...Mary..."

"Yes, I am Mary!"

Seeing that Li Tianfang Buddha recognized herself, Mary in front of her was surprised at that moment.

But just when Mary thought that Li Tian in front of her recognized her, she suddenly saw Li Tian who was full of blood suddenly yelled violently, and his \*\*\*\*\* face began to twist, as if he was enduring endless pain. .

Then there was a roar.

The violent blood emanating from her body directly shook Miss Mary up, and Miss Mary's body slammed into the hard rock wall...

Fortunately, Mary is a vampire and possesses an immortal body. If she wants to be someone else, it is estimated that the blood radiating from Li Tian's body just now will be alive and dead.

Just when Li Tian flew Mary to the wall, the \*\*\*\*\* Li Tian suddenly became violent, and the whole person flew towards the exit of the secret tunnel. Mary only saw a cloud of blood from her. Passing in front of her eyes, a \*\*\*\*\* breath swept her snort, and then Li Tian no longer knew where he was going!
