

## **A Killer 1971**

Chapter 1971: conspiracy

Looking at Li Tian who just disappeared, Miss Mary of the Torrido family was completely astonished.

"Lee, how did you become like this?"

"Why doesn't he seem to recognize me at all?"

"Could it be that this is what they are talking about?" Mary said in the dark.

After thinking about it in her heart, Mary slowly walked out of the secret tunnel.

There is no vitality in the ancient ruined church.

Mary took one last look and left here.

After returning to the place where the brothers stayed, it was already late at night.

Mary is staying with Tang Xiaolong and the others. During the day, Mary was locked in the darkest room because she couldn't see the sun. Only at night, the vampire Mary could come out and move around. .

Now when Mary came back, she found that the lights in the brothers' room were still on.

Seeing that the brothers hadn't rested yet, Mary walked towards the brothers' room.

After reaching the door of the room, he knocked gently on the door.

Then Tang Xiaolong walked over and opened the door.

After Tang Xiaolong opened the door, he saw Mary the vampire.

"It's you? Mary." Tang Xiaolong in front of him was slightly surprised.

Mary smiled at Tang Xiaolong, then said: "Can I come in?"

Tang Xiaolong thought for a while and said, "Come in."

So the vampire Mary walked in and saw that in addition to Tang Xiaolong, there were also Xue Wuhen and Chen Qiaozhi, Jiang Dashan, Brigadier Wang Zhen and others sitting in the room.

When she saw Mary the vampire walk in, she couldn't help but glance at her.

After the vampire Miss Mary walked in, she saw Xue Wuhen over there and asked: "Miss Mary, is there anything wrong?"

I saw Mary the vampire sit down on one side, and then her beautiful eyes lifted up and glanced at all the brothers present and suddenly said, "I saw Lee."

At the moment when Mary suddenly uttered such a sentence, the brothers were all excited at once.

"what?"

"Miss Mary, what are you talking about?"

"You said you saw Brother Tian?" At this moment, when the brothers suddenly heard what this Miss Mary said, they were all in awe.

During these two days, the brothers were worried about Li Tian all the time, but they couldn't find the trace of Li Tian, and now this vampire Mary actually said that she saw Li Tian, how could this not let the brothers Are we excited about it?

"Miss Mary, did you really see our little boss?" Tang Xiaolong also leaned over and looked at that Mary expectantly.

But seeing that Mary nodded and said: "Yes."

"Just not long ago, I saw Li Tian who was in a delusion." Mary said.

As Mary said so, the brothers were all stunned.

"There? The little boss I saw there?" Tang Xiaolong asked quickly.

"Yes, Miss Mary, where is Brother Tian now?" Xue Wuhen over there also asked, and they all wanted to know where Li Tian is now.

Just listen to Mary said: "In the abandoned church on the Bund."

After Mary finished speaking, she then told the brothers about Li Tian's horrible situation. She told the brothers that Li Tian was now \*\*\*\* and looked terrifying, like a demon.

When the brothers heard Mary say this, they not only understood in their hearts, it seemed that Mary had really seen Li Tian.

But seeing Jiang Dashan over there muttered in his mouth: "Why did the son go where? Go to that old church?"

Brothers are also not sure.

"It's just a pity, Lee, finally left." Miss Mary said last.

The brothers hurriedly asked: "Miss Mary, do you know where the little boss went?"

Mary the vampire shook her head and said she didn't know.

After hearing Mary say so, the brothers were not only lost.

"Li, it has changed! He has become very strange and terrible." Suddenly Mary said again.

After hearing Mary say this, the brothers next to her looked at her in surprise and said, "Why do you say that?"

"Because he shot at me... Fortunately, I called out his name at the time, or it would be unimaginable... He doesn't seem to know me at all... His eyes are full of terrible killing eyes, which are completely the same as the previous one. It's like two people." Mary said.

After the brothers listened, they all fell silent.

"Miss Mary, Li Tian is now in a madness, he really doesn't know anyone now... His humanity has been suppressed by the demon, so even if he meets a familiar person, he will take action." Chen Qiaozhi was aside. Tao.

After hearing Chen Qiaozhi's words, Mary not only slightly frowned and looked at him and asked, "What should I do? How can I save Li? Can he restore him to the past?"

After listening to Chen Qiaozhi, he sighed: "This...no one can do it!"

"The only way is to rely on himself... rely on himself to use perseverance to defeat the devil in his heart." Chen Qiaozhi.

Listening to what he said, Miss Mary didn't speak any more, she frowned deeply there.

Now Li Tian is nowhere to be found, and his six relatives do not recognize him, what should the brothers do?

...

"His Royal Highness, we should leave here. Now that the key of destiny is in hand, I think we'd better leave this place to avoid extra branches." The dark place, but the vampire of the Gangelo family is facing the side of Si. Said Earl Parker.

Earl Spike, who was on the side, looked up at the black sky, and muttered, "I know!"

"Don't worry, I have arranged everything in the end."

"It's just that I want someone to die now... After he dies, we can leave here with peace of mind." Earl Spike showed a grim murderous intent on his face.

The vampire under him looked at Earl Spike and said, "Who? Is that human evil god?"

The Earl Spike in front of him said with a fierce look: "Yes, it's him."

"He killed two members of our family, and I must have him die and pay for his life." Earl Spike said viciously.

Yes, he was right. Those two vampire members of Gangluo Clan were indeed beheaded by Cthulhu with the Dragon Sword!

For the blood family, every family member is extremely important, especially the direct family members, so Earl Spike hates him.

"But your Royal Highness, what about that dragon...? He dare to stop us?" The vampire's subordinate suddenly said.

When Earl Spike heard the name of Long Yin, a fierce aura suddenly emerged from his body.

Indeed, Long Yin is now the biggest trouble for the Gangaluo family.

Because the current Long Yin didn't let Earl Spike kill the evil god.

"That \*\*\*\* dragon, sooner or later I will let him know the fate of offending our blood." Earl Spike roared there with his fist tightly clenched.

"But now...I don't have to attack him yet!"

"Didn't he want the Cthulhu to live? Does he want to kill the Cthulhu's son? In that case, I will fulfill him." Earl Spike suddenly smiled there.

The subordinate of the vampire was not only stunned when he heard the words of His Royal Highness in front of him.

"His Royal Highness, what do you mean?" the vampire's subordinate asked without understanding.

After he asked, a strange smile appeared on the pale face of Earl Spike in front of him.

"I mean, since these ignorant humans want to kill each other, I will create opportunities for them."

"Listen to me now. I want you to find the son of the evil \*\*\*\*\* and their gang immediately... Tell them where we are now, and let them find it. In this case, no matter the \*\*\*\*\* dragon, Or that Cthulhu's son will fight to the death. In the end, they will definitely lose both sides. Then we are coming out to clean up their mess. I want the \*\*\*\*\* dragon and the Cthulhu to know the pain of offending our blood." Earl Spike said in a gloomy voice.

He actually wants to inform Li Tian and his brothers?

Let them kill each other with Long Yin?

This Earl Spike of the Gangelo family was really sinister and treacherous.

When the vampire under him heard about Earl Spike's vicious plan, he was not only stunned for a moment, and then he understood.

In that said: "His Royal Highness, this is really a good plan that has the best of both worlds, and your subordinates will do it now."

Earl Spike said with a grimly smile: "Very good."

Then I saw that the vampire disappeared into the endless darkness with a whistling sound.

Watching his subordinate disappear into the endless darkness, the gloomy Earl Spike showed a vicious smile in his mouth.

Chapter 1972: Li Tian is back

The night is getting darker and darker.

The brothers could not sleep day and night because of Li Tian's disappearance. They were worried about Li Tian. At this moment, they were all lying in bed and unable to sleep.

In the dark night, I saw a huge noise suddenly sounded outside at this moment.

At the moment the sound rang, but seeing Xue Wuhen and Tang Xiaolong, they bounced directly from the bed.

"What sound?" Xue Wuhen asked in shock, who got up quickly.

Tang Xiaolong shook his head and said he didn't know.

"Go, go out and have a look." As Xue Wuhen said in front of him, the two rushed out quickly.

After arriving outside, I saw that the iron fence gate outside was knocked open alive by something, and fell to the ground at this moment.

And there was a terrible \*\*\*\*\* hostility in the air.

After that Xue Wuhen and Tang Xiaolong ran out, they smelled a terrible breath between their noses. The two of them suddenly became more cautious. At the same time, everyone clenched their fists and stared at them. All around.

They felt that something terrible seemed to be near them, but they didn't know where it was right now.

"Xiaolong, be careful, I think something is wrong." Xue Wuhen suddenly said there.

Tang Xiaolong also felt the sudden change in his breath and nodded silently there.

Then the two began to move forward step by step...

As they walked forward, the horror aura became more and more solemn, and the two of them couldn't help but a fearful expression rose in their hearts.

Just when the two of them walked to the front place, a roar suddenly came out from the dark corner on the left. The sound was extremely unpleasant, like a cracked throat, the sound was weird and hideous.

Just when Tang Xiaolong and Xue Wuhen heard that terrifying sound, the two of them were shocked, and then suddenly turned their heads to look at them. This look almost made them both stunned.

It turned out that a blood-colored monster was lying prone in the darkness at this moment. He was in a prone position, roaring in the dark corner, his head buried in the ground, unable to see his face clearly, only he could see The thing is that his entire body is \*\*\*\* and hideous, and at the same time the terrible \*\*\*\* air leaks out.

When Tang Xiaolong and Xue Wuhen saw the \*\*\*\* monster curled up in the dark corner, they were startled.

"That...that...what is that?" Tang Xiaolong asked in shock.

Xue Wuhen also opened his eyes wide, looking at the blood-covered monster, and suddenly he stunned.

"It's Brother Tian... Could it be that Brother Tian is back?" Xue Wuhen screamed suddenly.

Tang Xiaolong in front of him heard Xue Wuhen say this, and he was taken aback.

I saw the \*\*\*\* and hideous monster curled up in the dark corner. Because his head was buried in the ground, he couldn't see his face clearly, but he was covered in terrible blood and his back...looks like the enchanted Li. day.

"Is it the little boss?" Tang Xiaolong in front of him suddenly exclaimed with excitement.

Then he stared at the scarlet figure in the dark corner with wide-open eyes.

Xue Wuhen stood there nervously, looking at his figure.

Suddenly Tang Xiaolong boldly took a step forward, shouting: "Little boss...is that you?"

Following the voice of Tang Xiaolong in front of him, the blood-colored figure curled up in the corner suddenly roared, and the terrifying blood suddenly rushed towards Tang Xiaolong and Xue Wuhen in front of him.

And in an instant, his face suddenly turned around.

It was an extremely terrifying face, full of twists and blood, and even the eyeballs turned into flame-like burning pupils.

It's Li Tian! It is really the enchanted Li Tian.

Never imagined that Li Tian, who had become crazy, would return.

When he saw that the figure curled up in the dark corner was really Li Tian, Tang Xiaolong and Xue Wuhen were stunned.

"My God."

"Little boss..." the two of them cried out excitedly.

But the cries of the two, Li Tian seemed to ignore the Internet, holding up those scary eyes that were burning like flames, staring at the brothers in front of him, his eyes filled with scaryness. Extreme hostility.

After seeing Li Tian who had really come back, Tang Xiaolong couldn't help but step forward suddenly.

"Little boss, you are finally back..." Tang Xiaolong, who was talking, suddenly wanted to walk over and help the blood-stained Li Tian.

But just when he was going to help Li Tian, that Li Tian suddenly retreated, and at the same time, his violent blood became more solemn.

Na Xue Wuhen saw something wrong, and grabbed Tang Xiaolong's hand: "Xiaolong, wait."

Listening to Xue Wuhen's yelling, Tang Xiaolong in front of him was not only taken aback, but at the same time he stopped. He turned his head and looked at Xue Wuhen behind and asked, "What's wrong?"

"It's not right, something is wrong." Xue Wuhen's eyes suddenly fell on Li Tiandao who was staring in front of him.

Then Tang Xiaolong was taken aback and asked: "What's wrong?"

"Brother Tian seems to be something wrong... You look at his eyes... as if he doesn't know us... And his murderous aura is so heavy..." Xue Wuhen said as he looked at Li Tiandao in front of him.

Hearing what Xue Wuhen said, Tang Xiaolong paused.

In fact, he also noticed that Li Tian was a little weird, and he also noticed the strangeness and the sense of killing in Li Tian's eyes.

But Tang Xiaolong's brotherhood is too heavy.

He looked at Xue Wuhen and smiled slightly: "Little boss is okay...I still don't believe it, don't I know little old Dalian anymore?"

After Tang Xiaolong finished saying this, he still had to stubbornly walk towards Li Tian at that moment step by step.

Xue Wuhen saw that Tang Xiaolong insisted on doing this, and there was not much that he could do, so he could only follow him closely, while staring at the \*\*\*\* Li Tian in front of him.

"Little boss, my little dragon... Tang Xiaolong..."

"Little boss, how are you, are you okay?" Tang Xiaolong walked forward step by step while shouting Li Tian's name in his mouth.

But what about that Li Tian curled up in the corner covered in blood?

When he saw Tang Xiaolong suddenly walking towards him step by step, his mouth let out a terrible roar, and at the same time the brutal aura in his body became heavier and heavier.

"Little boss..." Tang Xiaolong was still shouting over there as he stepped forward.

Just when his body was about 2 meters away from Li Tian, a terrible situation suddenly appeared.

But seeing that Li Tian's blood and energy suddenly soared, his flame-like eyes were also full of endless killing at this moment.

Chapter 1973: Shock

Then amidst the shock of Tang Xiaolong and Xue Wuhen, the \*\*\*\*\* Li Tian suddenly roared, and then the whole blood body suddenly shot Tang Xiaolong in front of him.

Seeing Li Tian's terrifying move attacked Tang Xiaolong, Xue Wuhen, who was standing behind Tang Xiaolong, was stunned. At the same time, he shouted, "Little dragon, be careful!"

But it was too late.

Because Li Tian's movements were so fast.

I saw that Tang Xiaolong didn't even react, he only felt a dignified blood rushing toward his face, and then he saw a terrifying face, which was full of blood, shot at him, and at the same time The cold heavy palm hit Tang Xiaolong's chest fiercely.

The extremely violent and terrifying palm strength hit Tang Xiaolong's chest with a heavy blow, Tang Xiaolong only felt that his chest bones were all broken, as if even his heart was broken alive.

Wow

A scream from Tang Xiaolong came out of Tang Xiaolong's mouth.

Then his body flew straight out of a distance of ten meters like a dead body... and then fell to the ground with a plop.

There was blood spitting out of his mouth, his body seemed to be broken in pieces, he couldn't move at all, he fell there, and he couldn't even groan.

But what about Xue Wuhen?

When he saw Li Tian suddenly beat Tang Xiaolong into such a terrible and serious injury, he was stunned for an instant.

"Xiaolong." Xue Wuhen exclaimed, then stretched out and ran towards Tang Xiaolong who fell on the ground and didn't know if he was dead or alive.

After running over quickly, I saw Tang Xiaolong lying there with his mouth full of blood, his eyes flashing with pain, and his breathing became extremely weak.

His \*\*\*\*\* mouth was there, as if he wanted to say something, but in the end he was too injured to say it.

"Xiaolong...you will be fine, you will be fine." Xue Wuhen screamed as she hugged Tang Xiaolong in front of him.

But when Xue Wuhen was holding Tang Xiaolong who was seriously injured and dying, suddenly a terrifying blood rushed toward him.

Xue Wuhen opened his eyes, but saw that Li Tian, who was full of blood and energy, was walking towards him step by step with those devastating horrible eyes at this moment.

His people seemed to have become the death gods of hell, as if all the creatures in front of him would die.

When Xue Wuhen saw that Li Tian had become like this, and when he even killed his own brother, Xue Wuhen stayed there all of a sudden.

"Brother Tian... Brother Tian... We are your brothers!"

"Brother Tian, what's the matter with you? Why do you deal with Xiaolong so badly?" Xue Wuhen looked at Li Tiandao in pain.

But what about Li Tian? But it doesn't seem to be heard at all.

He just got heavier and heavier in his violent and hostile spirit, and the soaring vitality seemed to break the entire space, extremely terrifying.

He walked towards Xue Wuhen in front of him step by step with an endless aura of destruction.

Killing is his only desire right now. In Li Tian's eyes, what he sees is destruction and death.

Xue Wuhen watched Li Tian walk towards him step by step, and his heart suddenly fell.

He looked at Li Tian step by step as if death was walking towards him. He didn't fight back or avoid him, just looked at him.

Brotherhood!

At this moment, will Li Tian stop?

Will he really cruelly kill the best brothers before him?

The darkness became heavier and heavier, and when Li Tian's brutal blood-colored body reached the front of Xue Wuhen, his terrifying palm lifted up.

He roared in his mouth and said, "Kill him, kill them all... kill all the people..."

When these terrible words were screamed in his mouth, his palm suddenly hit.

Xue Wuhen did not evade! The whole body held Tang Xiaolong, who was seriously injured and dying in front of him, and looked at Li Tian's extremely vigorous palm. At that moment, Xue Wuhen seemed to see death...the endless dark hell.

His eyes closed unwillingly.

He never thought that he would die in the hands of the most respected and most admired brother Tian in his life.

At this critical moment, seeing that Li Tian's terrifying palm power was about to hit the Xue Wuhen Tianling cover hard, he suddenly exclaimed: "Li,...don't kill...can't kill!"

Then I saw a figure swishing towards Li Tian.

Li Tian's palm has been shot out at this moment, and there is no room for refund.

I saw the figure whizzing at the front of Xue Wuhen at a ghostly speed. The speed was so fast that it was not a human being. But seeing a bang, the extremely powerful palm power hit it all at once. On her shoulder...

After being hit hard, a scream of pain came from her mouth, and then she was knocked out.

And what about Xue Wuhen and Tang Xiaolong who was blocked by the death blow? Although the two of them were not hit, they were still swept away by the shock range of Li Tian's palm. Only Xue Wuhen and Tang Xiaolong's body were also shaken and fell backwards, rolling out several meters in a grunt far.

But who is the one who blocked the death of Xue Wuhen?

Look carefully, it is the vampire Mary who is shocked!

No wonder she could rush past at such a fast speed just now, no wonder she used her body to block Li Tian's palm.

She turned out to be Mary the Vampire!

Where is Mary at this moment? Hit by Li Tian's palm, although she was stunned a few meters away, Mary did not seem to be hurt. Except for the short pain in her shoulder, it can be said that Mary was not hurt!

After all, is Mary a vampire, with an immortal body.

Moreover, when Li Tian, who was insane, saw that someone dared to stop him, an angry roar broke out in his throat, and his whole person suddenly glared at the vampire Mary in front of him.

Then he rushed towards the Mary with a brutal blood.

As if vowing to kill this Mary who prevented the death of his mansion.

"Li Tian!"

Just when the \*\*\*\* Li Tian rushed towards Mary, a very familiar voice suddenly came into his ears.

Although he was full of blood, but when he heard that familiar and beloved voice, even if he had gone crazy, he seemed to sense something...

At this moment, his \*\*\*\* body suddenly stopped, a pair of terrifying eyes full of devastating burning, suddenly turned his head and saw her!

She stood there, looking at Li Tian in disbelief.

Chapter 1974: human nature

There were painful tears in her beautiful eyes, and she looked at him sadly.

Situ Ningbing.

Li Tian's favorite woman is here.

It was her call that exchanged Li Tian's short-lived humanity at this moment. .

Behind Situ Ningbing, Ouyang Shiqing, Duanmuying... and Chen Qiaozhi, Wang Zhen and a group of others.

When they saw Li Tian's whole body at the moment, they were also completely stunned.

"Xiaolong, Wuhen..." Seeing the seriously injured Tang Xiaolong and Xue Wuhen and the others, Brigadier Wang Zhen hurried over.

After running over, seeing Tang Xiaolong's severe and dying injuries, he was suddenly shocked.

"Oh my God, why did Xiao Long get so badly injured?" Brigadier Wang Zhen said in shock.

Xue Wuhen sat limply on the ground in a stupid way, with a pair of godless eyes looking at Li Tian who was covered in blood at the moment, and muttered: "Brother Tian... has changed... Brother Tian has changed..."

At this moment, Brigadier Wang Zhen also ignored the situation of Xue Wuhen's "crazy" in front of him, and hurriedly said to the subordinates over there: "You guys, come here, and bring Xiaolong in."

After hearing the voice of Brigadier Wang Zhen, the soldiers over there suddenly ran towards this side. After rushing over, they hurriedly supported the seriously injured Tang Xiaolong in front of them, and then hurried towards. Run to the room.

What about here?

When Li Tian, full of blood, saw his favorite Situ Ningbing, his humanity seemed to be called back.

Although he is still full of blood at this moment, it is obvious that there is no such cruel fierce light in his eyes.

He was raising his flame eyes and looking at Situ Ningbing in front of him... Suddenly he roared in a low voice in his throat... as if calling Situ Ningbing's name.

What about Situ Ningbing?

Seeing his favorite him turned into such a "monster" appearance, his whole heart was broken.

"Li Tian."

"Tell me, what's wrong with you? What happened?"

Situ Ningbing looked at his favorite man with distress and asked.

"Li Tian... Li Tian... How did you become like this? How could you become like this?"

While talking, Situ Ningbing suddenly walked towards Li Tian desperately.

Seeing that Situ Ningbing walked step by step towards the enchanted Li Tian at the moment, Chen Qiaozhi standing beside him, and the seductive apostle Situ Xuan, suddenly grabbed her.

"Sister... don't get close to Li Tian..." Situ Xuan said worriedly there.

Chen Qiaozhi in front of him also said, "Yeah, Miss Ningbing...Li Tian is now in a state of distraction... In his current eyes, he will not know anyone... can't get close to him... Too dangerous."

What Chen Qiaozhi and Situ Xuan said are correct.

No one can approach Li Tian now.

Because the currently enchanted Li Tian is no longer what he used to be. There are only cruel killings in his eyes now, only destruction and death... If he reaches Li Tian's side, maybe he will be killed alive. dead.

The situation of Tang Xiaolong and Xue Wuhen's serious injury just now is enough to explain everything, so at this moment Chen Qiaozhi and Situ Xuan are there to stop Situ Ningbing in front of them.

Following Chen Qiaozhi's and Situ Xuan's obstruction, but what about Situ Ningbing before him? They ignored them.

He just walked towards that Situ Ningbing step by step.

Her steps are so firm, as if no one can stop her.

At this moment, everyone could not convince that Situ Ningbing, they could only watch her step by step toward Li Tian who was enchanted at that moment.

Everyone's eyes were deeply worried about Situ Ningbing. They were afraid that if Li Tian became crazy, Situ Ningbing would be very dangerous.

I saw that as Situ Ningbing moved forward step by step, how about Li Tian, who was full of blood on the side? Just like that, staring at Situ Ningbing with those weird eyes without blinking, and at the same time, the whole throat growled slightly.

Situ Ningbing moved forward step by step, calling out Li Tian's name.

"Li Tian, Li Tian."

Situ Ningbing actually walked to the \*\*\*\* Li Tian's side.

And what about Li Tian, full of blood? He didn't even start, as if he had changed back, Situ Ningbing staring in front of him, and at the same time, the blood qi in his body began to slowly weaken.

When the brothers saw this situation, they were not only relieved in their hearts.

I saw that Situ Ningbing stood in front of Li Tian who was roaring in his \*\*\*\* mouth, suddenly stretched out a hand gently, and touched Li Tian's face.

Li Tian, full of blood, saw Situ Ningbing stretch out his hand to touch it, and his body suddenly took a step back. At the same time, his eyes changed slightly, as if he was afraid of something.

"Li Tian, I am Ningbing..." Situ Ningbing said in his mouth, and at the same time the delicate hand began to move forward slowly.

This time, Li Tian didn't back up any more, just stood there, staring blankly at Situ Ningbing in front of him.

His face was soaked with blood, and his entire eyes were destroyed, but when Situ Ningbing's delicate hand touched his face, the flame gaze in his eyes slowly began to weaken, and at the same time, there was a roar in his throat. The sound is gone.

He gently looked at Situ Ningbing in front of him, as if he had become Li Tian before.

Everyone at this moment is watching Li Tian's changes.

"Li Tian, no matter what you become, I believe your heart will always change back."

"Li Tian, come back, come back to be with us all, let's tide over the difficulties together."

"Everyone is worried about you now... Come back, come back and be with us, okay?" Situ Ningbing repeated the words side by side, looking at Li Tiandao in front of him.

After hearing Situ Ningbing's words, Li Tian, full of blood, hissed several times in his mouth, as if speaking to Situ Ningbing.

Situ Ningbing didn't know what Li Tian was talking about, so she could only touch his face tightly.

Suddenly, the full-blooded Li Tian suddenly took a step back.

His eyes disappeared from the terrible feeling of destruction before, and at the same time the whole body began to lose a little bit of blood, he just stepped back, and then looked at all the brothers present, all the women he loved... ..

Then suddenly a few vague words were called out hoarsely in his throat.

"I... I... want... revenge..."

"I want... revenge!"

This is the first time Li Tian has truly clarified a few words since he became a devil.

Chapter 1975: Tang Xiaolong is seriously injured

After he tried to clarify these words, the brothers stood there in a daze, looking at him.

Situ Ningbing looked at her beloved with distress.

Suddenly, I saw Li Tian's whole body turned around, and he didn't look at Situ Ningbing or his brothers again, as if he was about to leave.

Situ Ningbing saw that Li Tian was about to leave, and immediately shouted: "Li Tian, don't leave..."

"Come back, with everyone...with us..." Tears burst into Situ Ningbing's beautiful eyes.

But this time, the full-blooded Li Tian didn't look back.

He just trembled with his whole body, then didn't look back. After standing blankly with his back to everyone for a few seconds, he suddenly screamed, and his body suddenly turned into a cloud of blood, and flew towards the endless darkness. .

"Li Tian..."

"Brother Heaven..."

The voices of Situ Ningbing and the brothers screamed in the dark, but it was a pity that Li Tian could no longer hear him.

He has flown away.

...

"How is the dragon?" In the room, I saw the brothers asking nervously.

Xue Wuhen said with an ugly expression: "Xiaolong's internal organs are almost completely shattered...No way, Brother Tian's palm is too strong."

Chen Qiao suddenly sighed deeply when Xue Wuhen said this.

"Hey, I'm going to see Xiaolong." Chen Qiaozhi who said so quickly walked towards the room.

In the innermost place, Brigadier Wang Zhen, Jiang Dashan, and Situ Xuan, the ecstasy apostle, all stood in front of Tang Xiaolong's hospital bed.

But seeing Tang Xiaolong lying there like a dead man, his face was ashen ashes, and his mouth was full of blood.

After Chen Qiaozhi walked in, he quickly checked the injury of Tang Xiaolong, and after he opened the placket of Tang Xiaolong's chest, he saw a blood-red handprint printed on Tang Xiaolong's chest!

Yes, that was left by the enchanted Li Tian.

Looking at this terrifying \*\*\*\* red palm print, Chen Qiaozhi stayed there.

"Qiaozhi, how about it, think of a way to save Xiaolong..." Xue Wuhen in front of him begged Chen Qiaozhi who was looking in front of him.

Chen Qiaozhi sighed and said: "How Li Tian's palm is so heavy...this...this...Xiaolong's internal organs are almost all shattered."

Jiang Dashan on one side suddenly opened his eyes and said, "That...that...that...you mean, Long Ge is dead?"

Following Jiang Dashan's words, all the brothers' eyes were on Chen Qiaozhi.

Now Chen Qiaozhi is the only life-saving herb.

I saw Chen Qiaozhi, after being silent for a long time, suddenly said: "Nowadays, you can only be a dead horse doctor."

"However, I explained in advance that I may not really guarantee the saving of the dragon...but I will definitely try my best." Chen Qiaozhi.

Xue Wuhen said: "Then you hurry up and save him!"

Chen Qiaozhi nodded, and then said to Jiang Dashan: "Dashan, you go get my luggage."

When Jiang Dashan heard this, he hurried to Chen Qiaozhi's room, and soon saw Jiang Dashan bring Chen Qiaozhi's luggage bag.

After taking it, one of Chen Qiao lifted Tang Xiaolong's placket, and said in a hurry, "Open my luggage...take out the black box inside."

The brothers then followed Chen Qiaozhi's words and quickly took out the black box from Chen Qiaozhi's luggage.

After taking it out, I saw Chen Qiaozhi quickly open it. After opening it, I saw that there were transparent dangling silver needles inside.

After seeing these silver needles, the brothers didn't know what Chen Qiaozhi was going to do, they all looked at him in surprise.

I saw Chen Qiaozhi's face solemn, and then slowly picked out a silver needle about ten centimeters in length from the box. After taking it out, he first stretched out his hand to make gestures on the ashen-looking Tang Xiaolong's chest. Then suddenly said to the brothers.

"Wuhen, Dashan, come over, hold down Xiaolong, remember, don't let him move." Chen Qiaozhi.

Following Chen Qiaozhi's words, Xue Wuhen and Jiang Dashan were not only stunned, then they nodded quickly.

Although the two of them didn't know what Chen Qiaozhi was going to do, they still followed Chen Qiaozhi's instructions and walked over and pressed both hands of the unconscious Tang Xiaolong.

I see here? Chen Qiaozhi picked up the ten-centimeter thin silver needle and slowly pierced it toward the blood-red palm print on Tang Xiaolong's chest.

As Chen Qiao pierced the silver needle little by little into the blood red palm print on Tang Xiaolong's chest, he saw that the blood red palm print on Tang Xiaolong's chest suddenly had purple-red blood flowing out.

The blood had turned purple and looked disgusting and ugly.

The brothers all saw it at this time, and they were all shocked.

When Chen Qiaozhi used a silver needle to pierce the purple congestion in Tang Xiaolong's chest, the comatose Tang Xiaolong suddenly screamed out of his mouth.

Then the whole body suddenly began to struggle violently.

"Hold down on Xiaolong, hold down on him." While holding the silver needle in his hand, one of Chen Qiao called out to Xue Wuhen and Jiang Dashan who were holding Tang Xiaolong next to him.

There was still Xue Wuhen on Jiang Dashan, so he tightly held down Tang Xiaolong who was struggling and crying in pain.

"Qiaozhi, Xiaolong will be fine, right?" Xue Wuhen in front of him asked Chen Qiaozhi who was looking at him in fear.

He looked at Tang Xiaolong's painful face and the terrible purple blood flowing out of his chest. To be honest, he was extremely worried, worried that Tang Xiaolong would have an accident.

But when Chen Qiao pierced the blood-red handprint on Tang Xiaolong's chest with a silver needle, he said, "I don't know, I can only try now..."

Hearing him say this, the brothers felt a little trembling in their hearts, but they didn't ask too much.

While one of Chen Qiao used a silver needle to let go of the purple congestion of the blood-red handprint in Tang Xiaolong's chest, he said: "I will use the silver needle to release the congestion in Xiaolong's chest first. Wait, I'm slowly Helped him deal with the internal injury in the heart."

Following Chen Qiaozhi's words, the brothers followed his instructions little by little.

In this way, everyone was busy for almost an hour, and Tang Xiaolong finally passed out.

He was lying on the bed with his face like ashes and his whole body was motionless. After Chen Qiaozhi's bloodletting, the deadly blood-red fingerprints in his chest gradually recovered.

At the moment the brothers were sitting in the room one by one, their heads down and no one spoke.

Chapter 1976: Night Interview with Vampire

"Qiao Zhi, tell me, Xiaolong won't be in danger, right?" Finally, Xue Wuhen asked.

The brothers here are also blinking at Chen Qiaozhi at this moment.

Chen Qiaozhi's face solemnly said: "Anyway, I have tried my best..."

"What do you mean?" Xue Wuhen was not only stunned when he heard Chen Qiaozhi suddenly say so.

But listening to Chen Qiao's way: "I mean I have done my best for Xiaolong's injury, and all that remains is to see his life."

Xue Wuhen and the brothers next to him were all stunned at this moment, and everyone heard Chen Qiaozhi's words.

"Impossible! Impossible, it is impossible for Xiaolong to die." Xue Wuhen said unbelievably.

Jiang Dashan over there shouted, "Yes, I must find a way to save Brother Long..."

Chen Qiaozhi said: "What are you yelling now, I didn't say that the kid will definitely die."

With what Chen Qiaozhi said, Xue Wuhen and Jiang Dashan were depressed.

The two took a look at Chen Qiaozhi's Tao: "Qiaozhi, you \*\*\*\* always like to talk half way...you won't finish it all at once, it scares us to death."

Chen Qiaozhi smiled and said, "You have not finished listening, so how can you blame me."

Listening to Chen Qiaozhi's words, the brothers can finally feel a little relieved in their hearts.

Tang Xiaolong was hurt too badly by the enchanted Li Tian.

Although the internal organs in the chest were all shocked, but fortunately it was not shattered. If the heart vein was shattered, I am afraid that even Daluo God would not be able to save him.

This is also a point of comfort for Chen Qiaozhi.

Now Chen Qiaozhi has completely removed the blood from Tang Xiaolong's chest, and the rest can only be recuperated slowly... However, it is estimated that Tang Xiaolong will not be able to get off the bed again within a month or two.

After the events of the night, everyone has their thoughts, and everyone is now resting in their own bed.

They were thinking of the enchanted Li Tian, thinking of what he said when he was finally full of blood, and he said: I want revenge.

The dark Binjiang City is blazing with lights.

The endless dark night shrouded the city of Binjiang.

Suddenly at this moment a black shadow shot towards this side at extremely fast speed.

His body is like a ghost, faster than unparalleled, almost in the blink of an eye.

He seemed to be looking for something, and when he finally reached the place where the brothers and Situ Ningbing were staying, he suddenly stopped.

In the darkness, I saw him with black curly hair, a high nose, sapphire blue eyes, and a face as pale as a dead man.

The vampire of the Gangelo family!

It turns out this guy has really found it here.

After he found here, he saw a dark smile suddenly appeared at the corner of his mouth, and then murmured, "I finally found you."

After the vampire of the Gangelo family said so, his body suddenly swished and flew past the place where the brothers lived, at an amazing speed.

However, it was said that it was more than 1:00 in the morning, and the brothers had already rested. Not to mention the women like Situ Ningbing and Ouyang Shiqing, they had already lain down early.

Only the vampire Mary of the Torrido family was awake.

The night itself is time for the vampire to act, so it is impossible for the vampire Mary to fall asleep.

Just when the vampire of the Gangelo family suddenly arrived here, Mary in the dark room suddenly smelled the same kind of breath.

"Vampire!" Mary screamed in shock.

After smelling the same kind of breath in her nose, she quickly opened the door of the room, and then swished out of the darkness.

In the endless darkness, after Mary flew out, she suddenly saw a black figure ten meters in front of her, standing motionless there looking at her.

"Members of the Gangelo family?" Miss Mary glanced at the black shadow in front, and she suddenly burst into endless anger.

She and Count Naspik themselves have a deep-seated hatred. Now that this member of the Gangelo family has arrived here, how could Miss Mary not be shocked? How can you not be angry?

"Hey, Miss Mary, it's nice to see that you are not dead." The vampire of the Gangelo family standing ten meters away from Miss Mary suddenly smiled sullenly after seeing Mary.

Last time Mary was almost killed by a dragon! If it weren't for Li Tian's last use of blood to rescue Mary, it is estimated that Mary would have died a long time ago, so the vampire of the Gangelo family was not only slightly surprised when she saw Mary was still alive.

"Gangelo family bastard, take my life, I want to avenge Carrell and Danny."

Mary was extremely impulsive. After seeing the Gangelo family, she wanted to eat their meat and drink their blood. At this moment, she roared and rushed over.

In the darkness, her figure swished, and two extremely cold claws grabbed the Gangelo family member who was standing more than ten meters away.

The members of the Gangelo family sneered when she saw Mary's sudden attack, and then stretched out her hands, and suddenly blocked a move. The long pointed fangs in her mouth suddenly stretched out, terrified.

"Miss Mary...Don't you ask, why did I come here?" After the vampire of the Gangaro family blocked Miss Mary's attack, he raised his poisonous eyes and looked in front of him. Mary said.

At this moment, Mary was slightly stunned after hearing what the vampire said, and then flew a kick on the vampire's chest.

With a bang, the vampire of the Gangelo family was kicked upside down and flew out a distance of four or five meters... but did not fall down, just standing there coldly, as if nothing happened to Mary's heel of.

Mary didn't make any more moves, but viciously looked at the vampire of the Gangelo family in front of him, and asked angrily: "Say, where is that \*\*\*\*\* Spike?"

The vampire of the Ganglo family suddenly sneered: "Our Earl did not come, I am the only one."

Hearing this vampire say this, Mary was slightly surprised, and her heart was secretly: What does this \*\*\*\*\* thing mean? Now that they have found themselves and their brothers, why didn't that Spike come?

"Only you? Are you not afraid of death?" Mary said angrily.

But seeing that vampire smiled, with long fangs saying: "Fear!"

"But I believe Miss Mary will never kill me." The vampire of the Gangelo family joked.

Chapter 1977: Send information

When Mary heard him say this, she coldly snorted: "You can try it later, do you think I will kill you?"

The Gangaro family smiled sullenly and said, "Okay."

"You bastard, just say, why did you come here alone?" Mary asked angrily.

The vampire of the Gangaro family said: "Because I want to help you..."

"Help us? A cold-blooded thing like you will help us?" Mary sneered.

The vampire of the Gangaro family said: "You don't need to believe it, but I'm telling the truth."

"Miss Mary, I think you should clearly remember that the reason why you were able to escape last time was because of that human... right!" The vampire of the Gangaro family suddenly grinned and said.

When Mary heard the words of the Gungro family's vampire, she couldn't help but startled.

"Cthulhu?"

Why did this \*\*\*\*\* suddenly mention the evil god?

After thinking about this in her mind, Mary suddenly raised her angry eyes and asked, "So what?"

The vampire of the Ganggro family sneered: "Miss Mary is a person of love and righteousness, just like those ignorant humans, I know this best."

"The news I want to tell Miss Mary is that the human evil \*\*\*\*\* who saved you last time is now in our hands and is about to die."

"Miss Mary, if you see that your benefactor died because of you now, would you feel heartache?" The Gangelo family suddenly said there.

After hearing this, Mary gave a sudden chuckle in her heart.

The Cthulhu is in the hands of Earl Spike of the Gangelo Family! And it's going to die soon!

After hearing the news, Mary was struck by lightning.

"What do you \*\*\*\*\* say?" After suddenly hearing this vampire of the Gangelo family say so, Mary was furious, and the whole person showed a vicious killing intent.

But seeing that the vampire of the Gangelo family had no fear, he just sneered: "I said, that human evil \*\*\*\*\* is currently in our hands and is about to die."

Listening to the vampire of the Gangelo family in front of her, Mary was stunned.

"Miss Mary, I know you really want to save that evil \*\*\*\*\* right now?" The vampire member of the Gangaro family in front of you suddenly said.

When Mary heard this, she was suddenly puzzled, and she secretly said, how could this \*\*\*\*\* say that?

"If you want, I can tell you, where you can find the evil god." The vampire of the Gangaro family continued.

After hearing members of the Gangelo family suddenly say so, Mary told the truth, she didn't believe it in her heart.

"You \*\*\*\*\* is so good? Will you tell me?" Mary asked.

The vampire of the Gangelo family swished and said, "Of course!"

"The current Cthulhu is in the \*\*\*\*\* sewage ditch of Tongbei Li, Binjiang City, in an underground room. As long as you go there, you can find the Cthulhu." The vampire of the Gangaluo family actually said the current position of the Cthulhu.

After he said so, Mary was shocked to tell the truth.

She really couldn't understand why the nasty vampire in front of her told herself this? Want to help yourself?

"Why did you tell me? What kind of evil heart are you hiding?" Mary glared at the vampire of the Gangelo family in front of her.

But seeing the vampire of the Ganglo family grinned coldly: "I don't have any evil intentions, just follow the instructions of our Earl."

"That \*\*\*\*\* Spike would be so kind?" Miss Mary said angrily.

The Gangaro family vampire in front of him sneered.

"Mary, it's your business to save it or not. Anyway, I've finished talking about it." The vampire of the Gangelo family suddenly turned around and said.

He seems to be leaving.

Seeing this guy about to leave suddenly, Mary suddenly flashed her body and reached the vampire of the Gangelo family with a swish, and roared at that: "You still want to leave? I want your life today!"

The vampire of the Ganglo family looked at Mary and said, "Dare you move me?"

"If you dare, His Royal Highness will drain the blood of that evil god! Mary, you have to know that that human is your lifesaver!" The vampire of the Gangelo family in front of her threatened Mary.

Mary stayed there, her cold claws held tightly there, but she really didn't dare to do it. She was really afraid that the evil spirit would be killed by the poisonous Spike. In that case, Li Heaven will be extremely painful.

The vampire of the Ganglo family sneered after watching the big Mary stop, "Mary, I have already said the whereabouts of the evil \*\*\*\*\* now. It is your business to save it or not."

As he said so, his body slowly walked towards the darkness step by step.

When he walked about a few meters away, he suddenly turned around and said, "Yes, there is one more thing, remember, let the boy named Li also come to rescue him, after all, that is his biological father."

After the vampire of the Gangelo family said so, his body disappeared into the endless darkness with a whistle.

And Mary? The whole person stood in the dark, her mind was thinking about her heart.

...

"Miss Mary, what are you talking about? You said that the vampires of the Gangaro family came just now?" In the room, I saw Xue Wuhen and the brothers staring at the vampire with incredibly wide-eyed eyes. Miss Mary asked.

I saw Miss Mary, the vampire of the Torrido family, sitting in the middle of the room facing all the brothers.

It turned out that since the vampire of the Gangelo family came to tell Miss Mary about the deeds, Mary hurriedly woke up the sleeping brothers one by one, and also told them what had happened just now.

The current brothers were not only shocked when they heard the vampire of the Gangaluo family appeared nearby, but also all of the sleepiness that had been there was gone instantly.

"Yes, the vampires of the Gangelo family do already know where we are." Mary said to the brothers in front of her with her eyes open.

After she finished speaking, the brothers in front of them were suddenly shocked.

"Then then...then what about the vampires of the Gangelo family?" Chen Qiaozhi asked in front of him.

Miss Mary said: "He found us because he wanted to send us a message."

"Send a message?" The brothers did not immediately understand what Miss Mary meant.

"What kind of information is there for those perverted things?" Jiang Dashan over there muttered.

Chapter 1978: Save or not save

The brothers here are blinking and looking at Mary in front of them, waiting for her to speak.

But seeing that Mary hesitated for a while, and then slowly said: "I may say that you may not believe it... But in fact, to be honest, I don't even believe what the Gangaro family said. ."

"What do you mean?" Chen Qiaozhi asked.

Mary said: "That \*\*\*\*\* guy came with a message saying that the evil \*\*\*\*\* has been arrested."

"Cthulhu?"

"Brother Tian's father?"

"That's the man who has dominated the rivers and lakes for decades?" The brothers here were not only surprised when they heard the name of the evil god.

"Oh my God, Senior Cthulhu was arrested? By those vampires?" Xue Wuhen screamed immediately when he heard it.

In their minds, that evil \*\*\*\*\* is invincible in the world.

Because of the legend about the evil god, there has never been a rumor that the evil \*\*\*\*\* has been defeated, and now, it is said that the evil \*\*\*\*\* has been arrested?

Then Mary said with eyes full of guilt at the moment: "The Cthulhu was arrested because of me. He was trying to save me, so that's why."

Mary regretted it.

Especially ashamed of Li Tian.

After Mary finished saying this, Chen Qiaozhi became depressed, and saw that he frowned deeply and thought for a while and said, "No, that \*\*\*\*\* Gangelo family vampire came to us in the middle of the night, could it be In order to tell us the news that Senior Cthulhu was arrested?

This...this...why is so wrong." He said.

After hearing Chen Qiaozhi's words, the brothers all woke up in an instant.

"Yeah, Qiaozhi was right, would that \*\*\*\*\* thing be so kind?" The brothers in front of him also questioned.

Mary raised her head and said, "The member of the Gangelo family not only told me this, but also told me other things."

"What else?" Chen Qiaozhi asked.

Mary said: "He also told me where the Cthulhu is now... and told us to save him."

what?

When Mary said so, the brothers in front of her were stunned.

At this moment, everyone's heart can't help thinking, is the vampire of the Gangelo family crazy? How could you tell Mary these things? Could it be that their cruel heart has become kind? its not right!

"Miss Mary, did the vampire of the Gangaro family really tell you where the Cthulhu Senior is now being held?" Chen Qiaozhi asked incredulously.

Mary nodded silently there, and at the same time said in her mouth: "He said that the evil \*\*\*\* is locked in the underground waterway of Tongbeili \*\*\*\* in Binjiang City..."

When the brothers heard Mary say this, they all began to question.

Then Chen Qiaozhi frowned deeply, thought about it, and suddenly said: "Trap, trap...it must be a trap!"

"In my guess, those \*\*\*\* vampires must be playing some tricks. They will never tell us the news so easily. Don't forget, they are our enemies." Chen Qiaozhi in front of him.

After listening to Chen Qiaozhi's analysis, the brothers next to him all felt that they made sense.

Mary sat on one side and did not speak or speak.

"Yes, yes, yes, Qiaozhi is right, those vampires must be playing tricks, they must want to lure us there... and then deal with us." Xue Wuhen said in front of him.

"I'm not stupid, how can you be fooled by those turtle sons?" Jiang Dashan cursed there with a grin.

"Senior Cthulhu crosses the world and is invincible for the rest of my life, how could he be caught by those abnormal things?"

Obviously the brothers didn't believe the words of the Gangelo family just now.

"What if the Cthulhu is really caught?" Mary suddenly said at this moment.

My brothers were speechless when they heard it, yes, what should we do if everything is true?

"Miss Mary is right, she has to take this consideration into account." Situ Xuan, the ecstasy apostle who has rarely spoken all the time, said suddenly.

Chen Qiaozhi said: "That's obvious, he just lured us over and then dealt with us."

"But there is one thing I don't understand. Since the vampire wants to deal with us, why not do it here? Why do you want to lure us there?" After Situ Xuan said this sentence, the brothers were all dumb.

Yes, in front of me, the vampires of the Gangelo family absolutely have a huge advantage, whether it is here or there, if you really want to deal with the brothers, the brothers really can't beat it, but why now Want to do this extra?

"And also tell us about the evil \*\*\*\* being arrested?" Situ Xuan said again.

At this moment, the brothers were silent.

Na Xue Wuhen looked at Situ Xuan and said, "Then you mean, what the vampire said is true?"

Situ Xuan said, "I don't know if it's true or not, but I think there must be many conspiracies here! As for what conspiracy is, I don't know yet, but I'm sure one thing is, if we do To save the evil

\*\*\*\* according to what the vampire said, then what will happen in consequence... will definitely be dangerous."

No one knows what to do at this moment.

To believe? Still don't believe it?

If you believe it, should you save the evil god? This is the biggest problem.

Everyone was silent and did not speak, because they all knew that if they were to go to that place to rescue the evil \*\*\*\* according to what the vampire said, how dangerous the consequences would be. Now they are all struggling inside. .

Just when all the brothers were silent, Mary suddenly stood up and spoke.

She stared at all the brothers and said, "The evil \*\*\*\* got into this disaster because of me. No matter what, this is my responsibility!"

"Furthermore, the \*\*\*\* of the Gangelo family, killed my members of the Torrido family, Carrell and Danny. This blood feud, I can't help Mary! No matter what, I'm going to that place...I'm going to save Lee's father, and I want to take revenge on that \*\*\*\* Spike."

After Mary finished saying this, the brothers were there looking at Mary, and then looked back at Chen Qiaozhi in front of them.

Since Li Tian's enchantment disappeared, most of the current brothers have listened to Chen Qiaozhi's words, because Chen Qiaozhi is the brightest among all the brothers present.

But now Chen Qiaozhi is also in depression.

go with? Still not going?

Save or not?

Chen Qiaozhi hesitated deeply, the decision-making power is currently in his hands, and he is now in a dilemma, don't know what to do? Isn't he afraid of death? It's not that he is afraid of anything else. He is afraid. The front is obviously a trap, and if he takes his brothers to take risks, wouldn't he be a fool?

But if you don't save it, what if the evil \*\*\*\* is killed?

Chapter 1979: Brotherhood

You know, that was Li Tian's biological father, and he was also the relative that Li Tian had been searching for for so many years. Now Li Tian has become crazy because of his revenge. As the best brother, Chen Qiaozhi and others, how should they choose?

After Chen Qiaozhi thought for a long time, his eyes suddenly became firm.

"Okay, since the matter is over, then we will give up our lives this time...Let's also go...save the evil god, save Li Tian's father!"

After Chen Qiaozhi said such a sentence, the brothers not only laughed.

This is actually what the brothers have always wanted!

Then Mary looked at Chen Qiaozhi, her eyes filled with comfort and admiration.

After all, going this time may be suicidal.

"But this visit may be very dangerous, very dangerous, and 100% of the Gangaluo family vampires will use traps to frame us... Brothers, this time, people may die, but I hope no matter who dies, everyone All are worthy of the heart." Chen Qiaozhi said as he looked at them.

I saw Xue Wuhen and Jiang Dashan saying: "Don't worry..."

"For the sake of Brother God, even if we die, we all recognize it." They said there proudly.

In this way, they decided, decided to save the evil god.

...

On the second day, when the sky was bright, Chen Qiaozhi told Xue Wuhen and Jiang Dashan to go to the silver shop in Binjiang City to prepare silver powder!

Because that silver powder is the only way the brothers can deal with that vampire so far!

So Xue Wuhen and Jiang Dashan went out to buy silver powder early in the morning.

Before noon, the two of them had brought back a large bag of silver powder that had been ground in the silver shop.

I saw that the room was full of knives and firearms.

This was prepared in advance by Brigadier Wang Zhen.

The brothers spread the silver powder little by little on the narrow and sharp blade, and then little by little on the bullet of the gun.

In this case, whether it is with a bullet or a knife in the hand, as long as it can hit the vampire, the vampire will suffer extremely severe bruises.

While painting Jiang Dashan with silver powder on the blade in his hand, he said to Xue Wuhen next to him, "We are going this time, what about the son?"

The son he was talking about was naturally Li Tian.

He only heard that Xue Wuhen stopped the movement in his hand and looked at Jiang Dashan in front of him and said: "Don't worry, I believe Brother Tian will be fine."

"His enchanted state will definitely get better."

"En, too." Jiang Dashan said.

The two were talking while preparing their weapons.

In one room, I saw Situ Xuan and Situ Ningbing's two brothers and sisters staying there.

Situ Ningbing's beautiful eyes were full of sadness, looking at his own brother there.

But what about Situ Xuan? But there was a little gentleness in the eyes.

"Ningbing, don't worry. Brother promises you that Li Tian will definitely be fine. This time, we are going to rescue Li Tian's father. I believe that as long as the enchanted Li Tian really sees him Father's words, it should be better." Situ Xuan comforted Situ Ningbing just like that.

Situ Ningbing looked at him and said, "But brother... how dangerous it is for you to go like this!"

"You know, those things... are not human at all... are vampires."

But seeing Situ Xuan smiled slightly: "No matter what kind of monster he is, he will be killed!"

"Ningbing, you can rest assured, this is what everyone meant, and it is the only feasible way so far." Situ Xuan said again.

Situ Ningbing said: "Brother..."

"Ningbing, don't say anything, you stay here well, waiting for us to come back." Situ Xuan said at last.

Situ Ningbing in front of him looked at his elder brother, but in the end he didn't say anything again. Tears flickered in her beautiful eyes, but they didn't fall in the end.

Where is there?

I saw Ouyang Shiqing talking to the silly man there.

Silly Man'er looks like a okay person these days, almost not showing up.

This silly guy, he hasn't moved much since Li Tian came.

It's a critical juncture now, and Li Tian has disappeared. The only person with the strongest combat effectiveness is Shaman's. So this time, Shaman'er can be said to be the number one and the most important combat role.

Then Ouyang Shiqing held Ouyang Man's hand distressedly, and said, "Man'er, are you afraid of that group of vampires?"

"What is a vampire?" Silly Man'er asked suddenly.

Ouyang Shiqing said: "It's the kind of dark creature that can \*\*\*\* human blood."

The silly man smiled, and then began to shake his head violently, with a naive expression, and said there: "I'm not afraid... If they dare to \*\*\*\* my blood, I will kill them with a fist."

Looking at such a cute and funny silly man, Ouyang Shiqing couldn't help laughing wryly.

"Man'er, listen to my sister, no matter what, you must take care of yourself and be careful, okay?"

Silly Man'er nodded, then shook his head again.

Ouyang Shiqing knew that her brother's brain was not so good, so she didn't say too much.

"Sister, where's the big brother? Where is the big brother? I can't find him anymore." A word suddenly came out of the silly man's mouth.

The eldest brother he said was Li Tian.

It turned out that I didn't see Li Tian's stupid man in the past two days, and his heart was full of doubts, but he didn't speak. Although he was stupid, his eyes were not blind, so when I didn't see Li Tian again this time, Silly Man'er not only asked depressed.

When he asked, Ouyang Shiqing suddenly felt sad, especially when she thought of Li Tian, who is now completely enchanted, her heart aches even more.

But seeing Ouyang Shiqing's eyes red, she looked at the silly man and said, "Your elder brother...now...now somewhere else! He's busy..."

After the silly man'er heard his sister say this, he groaned, so he didn't ask too much.

"Man'er, remember what my sister said, you must be careful and take care of yourself."

Ouyang Shiqing finally said.

The time to prepare for this day is almost the same soon.

In addition to Miss Mary, there were Situ Xuan, Brigadier Wang Zhen, and brothers Jiang Dashan, Shaman'er, Xue Wuhen, Chen Qiaozhi and so on.

Because of Tang Xiaolong's half-dead serious injury, he can only lie at home now.

Now, they all sat in the room, waiting, waiting for the darkness.

Because they decided to start to rescue the evil \*\*\*\*\* at night.

In the quiet room, the brothers were silent, sitting silently without talking. In addition to the brothers present, there were also beauties such as Ouyang Shiqing, Situ Ningbing, Duanmuying and so on. .

They looked at Li Tian's good brothers and felt grateful in their hearts, because they knew that the reason why the brothers took risks so desperately was all for Li Tian.

Chapter 1980: Last battle

Over there, Jiang Dashan was holding a steel knife coated with silver powder and fumbled it. .

Xue Wuhen leaned on the chair and looked at the window outside, not knowing what was thinking in her heart.

As for Chen Qiaozhi here, self-control has never spoken, his eyes closed slightly all the time.

Time passed by every minute, they were waiting, waiting for the arrival of Miss Mary, and then set off.

In the dull atmosphere, Chen Qiaozhi suddenly opened his eyes and glanced at all the brothers there, and then said slightly: "Where to go this time? The degree of danger, naturally, I don't need to say more about it. Here, I only I want to say a word, I am very happy to be with you."

Hearing what Chen Qiaozhi said, the brothers all laughed!

Their smile is a brotherly smile.

Everyone knows that if you go this time, you may die, you may die brothers, but so far, they are still alive, they are still together.

"I'll take a look at Xiaolong." Finally, Xue Wuhen got into Tang Xiaolong's ward alone.

The room was filled with a strong smell of medicine.

But seeing Tang Xiaolong lying quietly on the side hospital bed, his chest was tied with heavy white gauze, his entire face was ugly and pale.

When Xue Wuhen walked in, Tang Xiaolong woke up, and his eyes were bloodshot.

"Xiaolong, how is your health?" Xue Wuhen, who walked in, looked at Tang Xiaolong with concern and asked.

Tang Xiaolong said weakly there, "I...I...nothing..."

"I heard...I heard...you are going...you are going...saving the Evil God Senior?" Tang Xiaolong asked in that weakness, as he asked, his body moved up.

Xue Wuhen smiled and nodded.

"Yes."

"What about the little boss...How about the little boss?" Tang Xiaolong was so badly injured now that he didn't forget that Li Tian said there.

But Jian Xue Wuhen said: "Brother Tian will be fine!"

"Wuhen, help me up..." Tang Xiaolong said suddenly.

Xue Wuhen was taken aback, looking at Tang Xiaolong and said, "You are so badly injured, so take a good rest."

But seeing that Tang Xiaolong stubbornly looked like a cow, and said: "No...you have to help me up..."

Xue Wuhen looked at Tang Xiaolong who was so stubborn in front of him, and then slowly helped Tang Xiaolong up.

"I want to get out of bed...I want to get out of bed..." Tang Xiaolong suddenly said again.

Xue Wuhen said, "What are you doing out of bed?"

"I want to go with you... and save... Senior Cthulhu..." Tang Xiaolong said weakly.

Xue Wuhen heard it, and said, "You are so badly injured and you are with us? You can get it... or take a good rest here."

"Your uncle...I...I...I...he...it's okay." Tang Xiaolong insisted there.

Xue Wuhen smiled and said: "You scold, scold hard, no matter what you say, you can't go!"

Then Tang Xiaolong gasped heavily, and suddenly he clenched his fists tightly in despair and slammed on the bed... bang bang...

Seeing this Tang Xiaolong smashing the bed with his fist like crazy, Xue Wuhen said depressedly: "Xiaolong, what are you doing?"

But seeing Tang Xiaolong red eyes and said: "I...I...I... useless!"

"I can't \*\*\*\* go with you... I'm angry." Tang Xiaolong said.

Xue Wuhen heard this and said, "Little dragon, listen to my brother, you just stay here and wait for us to come back..."

Tang Xiaolong suddenly raised his blood-red eyes, looking at Xue Wuhen in front of him and said: "You...you...do you think...I am stupid...you think...think...I really don't know you this time. How dangerous is it to go...?"

"I want to... want to... be with you... even if... even if you die... I want to die with you."

Xue Wuhen's eyes suddenly turned red when she heard it.

He turned his head and said slightly, "Xiaolong, what the \*\*\*\* are you talking about!"

"I'm not talking nonsense! I'm telling the truth..." Tang Xiaolong roared.

Xue Wuhen glanced at Tang Xiaolong one last time and said, "Xiaolong, brothers will come back alive this time."

"In the future, we will follow Brother Tian to enter the world together!"

Xue Wuhen's words didn't even believe him.

But no matter what, he has already said what he should have said. Now, he should go. He quietly left Tang Xiaolong's room.

Tang Xiaolong, who had left the severely injured, stayed there alone with red eyes.

When Xue Wuhen came out, that Mary had arrived, and everyone was waiting for Xue Wuhen.

After seeing Xue Wuhen coming out, Mary said directly, "Can I go now?"

The brothers all stood up, then nodded.

"Well, it is so, then let's go."

After she said so, the brothers set off.

They all picked up the weapons they had prepared, and then walked towards the darkness outside.

Today's night is exceptionally dark, and the temperature is also cold for everyone. When the brothers walked out, they all felt a faintly cold breath rushing to their bodies.

Behind them were Situ Ningbing and Ouyang Shiqing and other women.

They watched the brothers get in the car like this... they looked at their last backs... just like that, the car started and left.

They started the final battle!

In the endless darkness, I saw two military off-road vehicles driving fast in the darkness.

Sitting in the car are the brothers and the vampire Mary.

Along the way, almost everyone seldom talked, all eyes were looking at the endless darkness, not knowing what was thinking in their hearts.

The dull atmosphere was a little boring. In the end, Brigadier Wang Zhen took the lead to speak, but when he saw him looking into the darkness, he smiled and said, "Hey, tell me, Li Tian will be there now?"

After Brigadier Wang Zhen said such a sentence, the brothers were silent for a while.

Finally, Xue Wuhen took it over and said, "Brother Tian, it should be very close...but where is he? I'm afraid no one knows this."

"Hey, it would be great if Li Tian could be with us."

Listening to Brigadier Wang Zhen's words, the brothers all laughed.

Soon, the car drove fast along the way, and they drove towards Tongbeili on the Bund.

...

"His Royal Highness, that Mary and the Li group, will they really come here tonight?" A cold voice suddenly asked in the dark and wet sewer.

But it was the vampire of the Gangelo family who saw that talking.

Standing beside him was Count Spike of the Gangelo family.

Count Spike said with a sneer there, "Yes."

"These ignorant humans value the emotions of the world most. They will definitely come." Spike said.
