

## **A Killer 1991**

Chapter 1991: Death of brother

After following Mary into the rusty iron house in front of her, she saw a man covered in blood.

what

"Cthulhu?"

She yelled from her mouth suddenly.

But seeing the shirtless, blood-stained man in the room sitting paralyzed there, his hair dangled... A sturdy face was full of endless resentment.

He is the evil \*\*\*\*\* who was once invincible in the world.

When Mary called out, I saw that brigade commander Wang Zhen also quickly ran in at this moment, and he also saw this domineering man covered in blood.

Cthulhu?

Is he the evil god? He is the son-in-law of the commander-in-chief of the North China Field Military Region, the Cthulhu?

Wang Zhen has never seen an evil god, and he has always listened to legends about the evil god's name. Now when he sees this real domineering man sitting here, Wang Zhen's heart swells, looking at the bloodstain of the evil god. , Brigadier Wang Zhen couldn't help but feel a sense of admiration that he had never experienced before.

This upright man couldn't think of his body suffering such a severe injury. There was no pain in his eyes. On the contrary, his eyes had such a hard and unyielding gaze, which was daunting.

Domineering!

However, the moment Mary and Brigadier Wang Zhen rushed into the iron room saw the evil god, Mary hurried over and helped the evil \*\*\*\*\* who was sitting on the ground.

But seeing that Cthulhu was not restrained, his hands and feet were not controlled, but his whole person did seem to be limp.

"Cthulhu, how are you?" Mary asked sadly.

You must know that the evil \*\*\*\*\* is doing this because of saving Mary in front of him.

"I'm sorry, it's you who I've caused." Mary continued to say to the evil \*\*\*\*\* in front of her.

But what about that evil god?

Indeed, suddenly he shook his head slightly.

Then, in a very weak voice, he said: "Leave me alone...Leave me alone...you...you...leave soon...leave here..."

"Don't go... if you don't leave... it's too late..." he said to Mary in front of him.

But seeing Mary said: "No, we want to save you! We are here to save you..."

As Mary said so, a bitter smile suddenly appeared on the face of Cthulhu.

"help me?"

"You can't save me..."

"Get out of here, lest you die here." The evil \*\*\*\* mumbled at Mary.

Wang Zhen in front of him walked up quickly and said: "Senior Cthulhu, no matter what, we will save you out..."

Wang Zhen, who was talking, came over to help the evil god,

But seeing the evil \*\*\*\* said angrily: "You fools, I tell you, you can't save me... because my veins have been completely sealed to death by that Long Yin thief! If you don't want to die here, just Leave quickly...the farther you leave here, the better."

Then Wang Zhen and Mary in front of him finally understood why the evil \*\*\*\* could not move.

It turned out that the body meridians of the Heretic God were sealed alive by that Long Yin.

But how can they not save the evil god?

But I saw that brigade commander Wang Zhen said: "Senior Cthulhu, you may not know something. When we came, we were ready to die. This time we vowed to save you."

As Brigadier Wang Zhen said this, he bent down and suddenly picked up the evil \*\*\*\* whose muscles and veins had been sealed, and ran outside.

If he wants to save the evil god, he must save.

The \*\*\*\* battle outside continued.

I saw Jiang Dashan, Xue Wuhen, and Situ Xuan desperately fighting against that Long Yin, but unfortunately the three of them were unable to defeat the demon-headed Long Yin anyway.

At this moment, Long Yin saw that Cthulhu had been rescued from the iron house by Brigadier Wang Zhen and others, a vicious smile suddenly appeared on the corner of his mouth.

Then with a wave of his palms, a terrifying magical energy burst out from his palms.

With a bang, Xue Wuhen in front of him, Situ Xuan, and Jiang Dashan were all shaken to the ground.

Xue Wuhen had lost all combat effectiveness at this moment because of his previous injuries.

And what about Jiang Dashan? Enduring the pain, he got up with difficulty, grabbing the axe in his hand with one hand, and staring at Long Yin in front of him with extremely blood-red eyes.

"You bastard... Lao Tzu fights with you."

With Jiang Dashan's roar, this guy suddenly raised his axe and slashed towards that Long Yin.

Seeing Dashan rushing up like this desperately, the brothers here were shocked.

"Dashan, don't..."

"Dashan, come back soon... don't go to die." Chen Qiaozhi and Xue Wuhen over here exclaimed.

Unfortunately, it is too late.

Because Jiang Dashan's body has rushed past.

But seeing this guy carrying an axe in his hand desperately slashed towards that Long Yin.

At the moment when Long Yin saw Jiang Dashan rushing over, his eyes suddenly revealed a murderous intent.

Then his body covered in devilish energy suddenly rushed towards Jiang Dashan.

Just when Jiang Dashan's axe cut towards that Long Yin, that Long Yin suddenly squeezed Jiang Dashan's neck with one hand ghostly, and then sneered: "Go to death."

Then he pressed his hand and made a click, Jiang Dashan's throat tube was suddenly crushed.

Jiang Dashan didn't even have time to call out the whimper, and the axe in his hand fell to the ground with a creak.

Then his eyes were blood red, and his whole body fell to the ground with a plop and died.

Jiang Dashan died in the battle.

"Mountain!"

Seeing that Jiang Dashan died in Long Yin's hands, the brothers suddenly cried out in pain.

It's a pity that it's too late, Dashan has been killed alive by that Long Yin.

Looking at the corpse of Jiang Dashan at the foot of Long Yin, the brothers' eyes turned red.

The Cthulhu who was rescued couldn't help sighing in grief when he saw Li Tian's good brothers die here.

Hahahaha!

"Cthulhu, did you see it? I will kill all the people with your son today. I want you to watch how they died in front of you."

"Although your son, the man named Li is a tortoise, it doesn't matter. I will slaughter the people around him one by one...Then I am going to find him and kill him myself."

Long Yin in front of him suddenly pointed to the rescued evil \*\*\*\* with a violent smile.

The Cthulhu didn't speak, his eyes were looking at the dark sky, and he suddenly muttered: "Does God really want to force me?"

As he said so, his eyes suddenly closed in pain. After he closed, he put his hands on the pubic position with difficulty, then took a deep breath, and then his Strange white gas began to burst out of his body.

Chapter 1992: Madness comes

Breath!

That is white energy.

When this white energetic air current emerged, the mad demon Long Yin who was standing aside suddenly sneered: "Cthulhu, you are really crazy, do you still want to break through the limit of your body, want to break free Points?"

"Tell you, you are delusional... even if your veins are broken, you won't rush away from the acupuncture points I point." Long Yin laughed wildly in front of him.

What is the evil \*\*\*\*\* doing?

Is it really trying to break through the blocked acupuncture path?

Yes, it is said that there is a kind of kung fu called: the residual body drives out the mind and cures thirst. This means that the final effect is achieved by self-mutilation of the body. To put it bluntly, it is by harming oneself to achieve a certain purpose.

Was the Cthulhu doing this right now?

But seeing him sitting there, there are blood stains on his shirtless upper body that are soaked with blood... He seems to be really breaking through the acupuncture that he has been blocked to death.

"Cthulhu, I want you to open your eyes and watch my killing."

"I'm going to start killing."

With the roar of the mad demon Long Yin, suddenly, the entire space suddenly increased demon energy, and that Long Yin suddenly flew straight to Situ Xuan in front of him.

Situ Xuan had already noticed that Long Yin was going to disadvantage him.

At this moment, he hurriedly avoided, but his body had just dodged, and the terrifying devilish energy suddenly covered him.

It was a pity that Situ Xuan was too late to avoid being completely covered by the terrifying devilish energy. At this moment, he could only bite the bullet and fight desperately with the mad devil dragon Yin.

Situ Xuan attacked with a single palm, using all his skills.

It's a pity that this palm technique was resolved by that Long Yin's move. After he resolved the Situ Xuan's trick in front of him, he saw that Long Yin suddenly roared, his right palm changed claws, and he took Situ Xuan's neck straight.

Situ Xuan cut with a knife in his right hand, but Long Yin directly grabbed the entire arm with his left hand.

"Situ Xuan, I think you should stop asking for this arm." Along with Long Yin's treacherous smile, he snorted, blood spattered!

This demon actually ripped off Situ Xuan's only arm bloody!

After that Situ Xuan's other arm was torn off, the whole person erupted with a terrible cry, and the blood-spattered body suddenly fell from the air with a plop.

"Situ Xuan..."

Seeing that Situ Xuan, whose last arm was torn off, fell to the ground covered in blood.

His other hand is gone!

Now he is almost like the dead.

But seeing that \*\*\*\*\* arm was held by the mad devil dragon Yin, he laughed like crazy there.

And Situ Xuan? Is half dead on the ground.

Xue Wuhen on this side used the last trace of strength to climb to Situ Xuan's side, and stretched out his \*\*\*\* hands to support Situ Xuan up.

"Situ Xuan, don't die...you can't die!" Xue Wuhen said with red eyes.

What about Situ Xuan?

He has almost lost his breath.

Due to the excessive pain from his arm, his whole body was convulsed violently.

With blood in his mouth, his eyes kept wide open, using the last trace of his body to look at Xue Wuhen and said, "Help...help...help me...one thing..."

Xue Wuhen looked at Situ Xuan who was dying, and his whole body was going crazy.

"You said...you said..."

Situ Xuan spit out a mouthful of blood from his mouth, and said hard, "Help me...report...report...my sister...I...I...I...I can't protect her anymore!"

Following Situ Xuan's words, his eyes suddenly lost their light, and then his head died there.

"Situ Xuan!"

Xue Wuhen cried out in pain, but Situ Xuan was dead.

He is also dead!

Chen Qiaozhi, Wang Zhen, and Mary, who were still alive over there, were all stunned when they saw that Li Tian's good brother had died in a blink of an eye, and everyone's face was exposed. Endless grief and despair.

This last battle did not expect so many people to die.

Their hearts are dead, and they are only waiting for death at the moment.

...

"His Royal Highness, that \*\*\*\* surnamed Dragon is really cruel." In the darkness, a ghostly voice suddenly came.

Take a closer look. Isn't that the vampire of the Gangelo family hiding in the dark?

Count Spike was staring at the scene of the killing in front of him from beginning to end.

When he saw that Long Yin slaughter wildly, the corner of his mouth had a cold and merciless expression.

"Damn dragon... more cruel than I thought!"

"This guy definitely needs to get rid of." Earl Spike suddenly angered there.

The vampire in front of him suddenly said at this time: "His Royal Highness, shouldn't we make a move? The plot is almost over...?"

Earl Spike looked at the endless darkness, and suddenly muttered: "Why hasn't the boy named Li come yet? Is he really going to let all his people be buried here? It's strange..."

"Well, wait a few minutes. If the kid named Li doesn't show up yet, we'll go out."

"Remember, our first goal is the dragon!"

"If he dies, everyone here will be our dinner...including the evil god." Earl Spike suddenly exuded a venomous smile, and his extremely pale face became grinning.

"Yes." The vampire's subordinate said at the moment.

...

Death looms over here.

Brothers may not escape this time, they will all be buried here.

On the endless streets of the Bund City, there was no one in the dark streets, but on this empty and desolate street, a terrible cry suddenly came out.

The cry was like a demon from hell, with endless painful sounds.

What is it that makes such a terrible sound of pain in the middle of the night?

But he said that with the terrible cry of pain, a blood beam suddenly shot towards Tongbeili at a speed like light.

The speed is so big, fast and scary.

I looked carefully, but saw that there was a figure in the \*\*\*\* glow, but the figure was blood-colored all over, and even the hair had turned into a bloodthirsty color.

He, Li Tian who escaped from the magic way.

Li Tian is here.

Maybe it's the telepathy of the brothers, maybe it's the connection of the father and son...

Although Li Tian had escaped into the magical path that was never recovered, he still felt an extremely sad feeling of heartache.

The feeling was as if the person he cherished the most had died, making him painful and extremely unbearable!

So here he comes!

He came to the place that made him extremely heartbroken, and he came from the darkness like crazy with violent blood!

Chapter 1993: Two demons

"Do you feel it?"

"Do you feel a weird and terrifying aura coming here?" Standing in the dark corner, but listening to Count Spike suddenly said with bright eyes.

Vampires possessed several times stronger than human beings, dozens of times stronger than human sense of smell, hearing and other abilities, so Earl Spike in front of him felt the \*\*\*\* breath far away.

His eyes looked strangely into the endless darkness behind him, and a fierce and evil smile appeared at the corner of his mouth, because he knew that a terrible character was coming.

After the vampire of the Gangaro family in front of him said so, the vampire's subordinate suddenly turned his head and looked at it, and his eyes suddenly changed.

"Come, really come." He felt it too.

Count Naspik said with a smile: "If I guessed correctly, the boy named Li is here."

"His Royal Highness, how are you sure that it is the guy with the surname Li?"

"Do you still need to think about it? It must be him." Count Spike sneered.

His weird eyes were looking at the endless darkness at this moment, and suddenly the corner of his mouth murmured: "Wait, the show is about to begin."

...

On the battlefield here, but seeing Jiang Dashan's tragic death, Situ Xuan also died.

The remaining Xue Wuhen was seriously injured, as well as that Chen Qiaozhi, Wang Zhen, and the severely injured Man'er, and the vampire Mary.

What should I do?

The killing flooded the scene.

The enchanted Long Yin looked at the brothers who were still alive on the court with bloodthirsty eyes, and said with a grinning smile: "Go and die..."

Accompanied by this crazy demon roar, suddenly his devilish body rolled towards the brothers in front of him.

Whether it was Chen Qiaozhi, Xue Wuhen, Wang Zhen, or that Marie, it was difficult to stop the mad devil dragon Yin, and their eyes showed despair...

They are dying.

At this critical moment of crisis, a terrible cry that pierced through the ears suddenly came from the dark place behind.

The cry carries endless pain and violent aura, which is even more violent than Long Yin at this moment.

Besides, when Long Yin heard such a weird cry, the entire devilish face suddenly emitted a twisted color, and his black pupils stared at the darkness here.

But I saw a wave of horrible blood surging toward here!

he came!

Before people arrive, the terrible blood will come first.

What about brothers? They were already ready to accept death when they heard the terrible sound of howling, they were stunned for a while, and then all turned their heads and looked behind...

Behind it was darkness, and from the darkness came a terrifying breath of blood.

"Come!" Suddenly, Long Yin spit out two words coldly in his mouth, his eyes became weird, and a smile appeared at the corner of his mouth.

Everyone in the audience was staring at the endless darkness behind, and no one knew what was coming.

And where is the evil \*\*\*\* here?

He was lucky to break through the sealed acupuncture point of his body, and when he suddenly felt the blood around him, his eyes opened instantly.

There was an unbelievable and deep sorrow in his eyes, looking at the dark place behind.

As if he realized something.

"Vengeance, revenge, I want revenge..."

In the terrifying blood, the weird and terrifying roar suddenly sounded again.

Then, as Long Yin's black pupils stared, a terrifying figure covered in blood had already furiously rushed towards this side.

His body is \*\*\*\* and hideous, his face, hair, everything on his body is filled with a terrible blood red color... those pupils are blood red and scary.

He finally appeared.

The moment he appeared covered in blood, the brothers who were still alive here were suddenly shocked there.

"Li Tian?"

"Lee?"

"Brother Tian... is Brother Tian..." Chen Qiaozhi, Mary and Xue Wuhen not only shouted out in shock together.

Yes, the blood-stained figure that came was exactly the crazy Li Tian.

He really came.

But what about the evil god? At the moment when he suddenly saw Li Tian, his heart suddenly stabbed like a knife, and he looked at Li Tian, who was covered in blood, in front of him sadly.

"Tian'er..." He murmured his son's name from his mouth.

But what about Li Tian?

After he came here in amazement, his murderous aura was so scary that even Long Yin didn't expect Li Tian to become like this.

"The kid surnamed Li, you are finally here. I have been waiting for you for a long time. I always thought you were a tortoise with a shrunken head. Unexpectedly, you really came...hahahaha." Long Yin was suddenly devilish in his body. Laughed wildly.

But what about Li Tian who was full of blood and energy?

He didn't seem to know anyone, and from his hoarse voice he just yelled one sentence after another:  
"I want revenge...I want revenge..."

"Brother Tian!" Xue Wuhen yelled after seeing Li Tian coming.

But seeing that \*\*\*\* Li Tian seemed to hear a familiar voice, slowly turned his \*\*\*\* body, staring at Xue Wuhen in front of him.

"Brother Tian, Da Shan is dead... Situ Xuan is also dead... They were all killed by this demon."

"Brother Tian, take revenge for the brothers, take revenge for us." Xue Wuhen pointed to the dead Jiang Dashan and the corpse of Situ Xuan painfully.

But what about Li Tian?

At this moment, when the eyes suddenly saw Jiang Dashan and the corpse of Situ Xuan, he couldn't help but slam in his heart.

"brothers....."

Two weird words came out hoarsely from his mouth, and he seemed to be conscious.

Looking at the corpses of his good brothers on the ground, Li Tian suddenly looked up to the sky and screamed. His roar was so painful and so sorrowful, as if he was unhappy after seeing the corpses of his brothers.

The terrible cry made everyone present stunned!

Even Long Yin over there was slightly startled.

Then just after Li Tian's terrible cry, he suddenly turned around his whole body, and the angry eyes burning with endless flames stared at Long Yin in front of him.

"It's you...you killed them?"

"You killed them?" Li Tian asked violently.

That Long Yin's black magic energy became heavier and heavier, facing Li Tian, he suddenly laughed wildly: "Yes, I killed it."

"The kid surnamed Li... I didn't expect you to fall into the realm of demons too!"

"It seems that you are just like me... who like to kill, hahahaha."

As Long Yin finished speaking, he suddenly pointed to the Cthulhu Road, who was crying and looking at his own son: "Cthulhu, see if this is your own son...This is the person your Cthulhu wants to protect all his life... ...Look at him now, what has he become? He used to be the same as me...hahaha, he has already entered the magical way."

Chapter 1994: Supreme Battle

Listening to this Long Yin suddenly saying this, Li Tian seemed to understand something suddenly.

His eyes, burning with flames, suddenly looked at the evil \*\*\*\* and his father!

He seemed to know that it was his father.

What about Cthulhu?

At that moment, I also saw Li Tian.

It's just that there is a look of sorrow and despair in the eyes of the evil god...with boundless regret...

Father and son face each other!

Nobody has words.

One is Li Tian, who has turned into the devil and escaped into the devil's way, and the other is the Cthulhu who has been sealed off with acupuncture points all over his body.

At the moment when their father and son looked at each other, the world seemed to be still.

The first acquaintance, the first true father and son reunion, did not expect it to be in this situation.

"Father..." Suddenly Li Tian yelled two words from his mouth.

When the Cthulhu heard Li Tian call out his father, his entire burly body trembled violently.

Then above the dark sky, a dazzling lone star suddenly fell like a fall toward the far northern sky.

That star is legendary: the lone star of Tiansha.

A lone star must die!

Once upon a time, the legendary Wuji old man once said to the evil god, don't see his biological son... don't recognize him...otherwise, very bad things will happen... but now? They recognize each other, what will be the consequences?

As the dazzling lone star suddenly fell, and the dark sky, the sound of thunder suddenly rolled in, and then the violent wind blasted... the cold hurricane seemed to blow away everything in the world.

The whining cold wind raged on everyone like a ghost cry.

But after seeing the Cthulhu and Li Tian recognized each other, Long Yin, who was standing there full of devilish energy, suddenly laughed wildly: "Cthulhu, today is the first day your father and son recognized each other, and it will also become the last day you recognize each other. "

"I want you to see with your own eyes how your son died on the hands!"

"I want you to truly see the supreme power of my six magic arts." Long Yin said fiercely.

Cthulhu did not pay attention to Long Yin, he just looked at Li Tian in front of him in pain.

He knew that it was a mistake for him to recognize Li Tian. He knew that his own son was the life of the lone star of Tiansha, and the consequences would be disastrous once he recognized him!

Therefore, the evil god's eyes are full of pain at this moment.

But what about Li Tian?

Although he has been enchanted now, he still retains a little bit of humanity, and now, his father has been confirmed, and he has recognized it.

This is the Cthulhu. He has been searching for his father for more than 20 years, the Cthulhu who was once invincible in the world and then murdered by a traitor.

At the moment when he suddenly saw his father's bloodstains all over his body, a terrifying fire flashed in Li Tian's flame-like eyes.

He is angry!

He suddenly faced Long Yin in front of him full of blood.

"I'm killing you... I'm going to kill you." A scream like a crazy demon screamed from his mouth.

What about Long Yin?

I've been waiting for this opportunity, waiting for a battle with Li Tian.

"Well, today, I want to see who of us will die in whose hands." Long Yin laughed wildly.

Two demons, the ultimate battle!

One is Long Yin and the other is Li Tian.

The fateful tactic, who will die and who will lose in this battle? Who knows?

...

"His Royal Highness, this kid surnamed Li has finally arrived...After he and the dragon are both injured, we will clean up the mess." The Gangelo family vampire in the dark corner suddenly said there.

But seeing Earl Spike said with an extremely gloomy smile on his mouth: "Of course."

"I want them all to die here, and I want them to know who is the winner in the end." He said with a weird smile on his mouth.

The battle began.

Long Yin's black magic energy began to increase horribly, but what about Li Tian? The blood qi on his body was in sharp contrast with Long Yin's black magic qi.

The two looked at each other fiercely.

They are enemies in the world, and this battle will ultimately be the winner.

"The kid surnamed Li, die."

Along with Long Yin's scream, his body was the first to attack Li Tian.

The terrifying devilish energy in his hands is endlessly hitting Li Tian, where is the enchanted Li Tian? Without evasive, his palms greeted him with great strength.

The blood and black collided violently.

The horrible energy burst directly like a bomb, and the horrible energy blasted the injured Xue Wuhen next to him, flying a few meters before falling to the ground.

And where are Chen Qiaozhi and Wang Zhen over there? It was also shocked by the horrible energy just now, that his body couldn't help backing away.

Looking closely at the battlefield, Li Tian was covered with a blood-colored barrier, and what about Long Yin? The whole body is a black barrier.

The two palms facing each other, no one let anyone else.

The sharp increase of devilish energy is flying around...the two of them are using their palms to fight for supreme internal strength.

Everyone around them opened their eyes wide and looked at the scene in front of them.

The devilish energy soars into the sky, and the energy permeates the entire space.

The sand and dust in the surrounding area of a few meters whirled around them as the two men's demonic energy skyrocketed.

Neither of them moved, just like that with powerful internal forces.

Who is strong and who is weak?

Suddenly, nearly a few minutes after the two of them met their palms, the ground under their feet suddenly heard a creak, as if even the earth could not bear such a vast demonic energy, and then I saw the cold and hard ground follow. The sudden increase in internal strength broke apart.

But the two were not moved at all, and they were still fighting their internal strength in that concentration, because everyone knew that if anyone was a little careless, they would die under each other's hands.

As the ground under their feet began to crack continuously, the two of them had no support for their feet.

Suddenly there was a scream, and the two figures flew up at the same time.

One is a black shadow, the other is a \*\*\*\*\* figure.

After the two flew together, they attacked each other at the same time.

But after hearing a loud bang, the two suddenly separated.

The two figures flew to their positions.

Long Yin, Li Tian.

Who is strong and who is weak?

No one knows at the moment.

The only thing that can be seen is that the skills of the two people are equally divided.

After the two suddenly separated, Li Tian suddenly took the lead this time.

His \*\*\*\*\* shadow moved with his hands, and he used a trick like a demon.

"Ten Jue Sword Qi!"

Heart moves with Qi, Qi moves with sword.

Li Tian used the supreme sword art of Maha Boundless, the ten art sword aura. After he displayed the ten art sword aura, a \*\*\*\*\* sword appeared all over his body... all over his body. .

Li Tian turned into swords with qi, but these swords were blood-red like his body, and they looked terrifying.

Chapter 1995: Ultimate magic way, \*\*\*\*\* way

There is intention in the sword, and the sword in intention.

The scarlet sword incarnate around Li Tian kept spinning around Li Tian's body.

Take the air slave sword.

Long Yin's devilish energy skyrocketed rapidly, and all the darkness around him had been swallowed, and even he himself was permeated in the endless black devilish energy. The black terrifying pupils stared at Li in front of him like that. day.

Wow

But after hearing a scream, Li Tian suddenly moved forward with both hands, and the scarlet sword around his body slammed into that Long Yin.

The terrifying blood sword pierced that Long Yin with the sound of thunder.

The Ten Jue Sword Qi bursts incomparably, especially with the Qi Huajian and invisible. If such a blood sword pierces the body, it will definitely be killed on the spot.

The blood swords pierced towards that Long Yin were densely packed.

At the moment when those dense blood swords stabbed towards that Long Yin, Long Yin shouted wildly, and then his whole body suddenly increased several times, and a black devil gas barrier suddenly formed in his whole body, even giving him a whole body. Shrouded in demonic energy.

When the rapidly coming blood sword touched the demon qi barrier around that Long Yin, it turned into a mass of blood qi automatically... it was completely offset by Long Yin's black devil qi barrier.

"Boy, let me see how you hurt me? Haha..." Long Yin burst into laughter, and the terrifying magic sound penetrated the entire audience.

After the dense blood sword was blocked by Long Yin, but seeing that Li Tian covered in blood, he roared, his hands slashed to the sky, a strange blood appeared in Li Tian's hands, and then surrounded The blood sword in Li Tian's body suddenly seemed to be attracted. It flew towards the \*\*\*\* glow in the center of Li Tian's hands... and then merged into one. The \*\*\*\* glow became more and more prosperous and suddenly became a sword. A blood-red giant sword.

The giant blood sword was in Li Tian's hands, and accompanied by a shocking rage, it suddenly slashed at the sky, and slashed at the demon-headed Long Yin fiercely.

When Long Yin saw Li Tian slashing towards him with a giant sword in his hand, he suddenly retreated.

With a bang, the world shook!

The blood red giant sword exploded with a strong sword intent, and it slashed in front of the dragon Yin.

The entire ground was suddenly deeply shattered by the powerful sword force...The hard ground was chopped out of a giant sword skeleton with a depth of 12 meters.

Looking at the giant sword skeleton, everyone was stunned.

Even when the demon-headed Long Yin retreated, he felt the extremely strong sword energy rushing towards his face, but fortunately he dodged in time, otherwise if the sword of the sky is really smashed, the consequences will be Unimaginable.

Long Yin looked at Li Tian, who was covered in blood at this moment, with vicious eyes.

Suddenly he said coldly, "Boy, how did your skill increase so fast?"

But what about Li Tian? He didn't speak at the moment, and his whole body became more vigorous with his battle.

Of course, Long Yin in front of him would not know that Li Tian had already cultivated the last level of Maha Wuliang: Gods and Demons.

It's a pity that Li Tian didn't finish the training, and he didn't become a god, instead he became a demon. That's why his skill increased surprisingly.

At this moment, Li Tian was completely violent.

The blood shining all over his body pressed against the devilish Long Yin before his eyes.

Could Long Yin not be able to fight this Li Tian?

Do not!

Long Yin hasn't used his true strength yet.

At this moment, he glared at Li Tian, who was full of blood in front of him. He knew that today's battle was the last one, so he didn't dare to be careless at all.

"In the realm of extreme Tao, I am the only demon."

The eight characters suddenly came out from Long Yin's mouth.

After he called out, he saw his body suddenly soaring, and then his hands suddenly folded, and the black magic energy shot from the palm of his hand suddenly eroded toward the entire ground.

Hell Road! The ultimate magic way.

My God, Long Yin unexpectedly used the strongest move of the six magic arts.

When Long Yin used the last move of this ultimate magic way: \*\*\*\* way, the world seemed to have changed for it.

The turbulent black demon energy seemed to tear the whole earth apart, and even the air was completely condensed, and the terrifying demon energy that pervaded the surroundings began to erode crazily.

When the brothers saw the terrible demonic energy coming, they couldn't help but back up...When Senhan's demonic energy hit his face, it felt like a knife cut on the skin, and it hurt so much.

Unexpectedly, the brothers were so badly injured by the devil qi standing at such a distance, what about Li Tian who was standing in the circle? Can you stand it now?

But he said that Li Tian embraced and reunited at the moment.

Use the eighth level of the Maha Wuliang ego alone: Tai Chi Gathering Qi.

Suddenly, a golden circle of cloudy sunlight appeared in Li Tian's body, and that circle covered Li Tian's blood-red body inside, preventing Long Yin's terrible demonic energy from coming.

But what about Long Yin?

The black magic energy in the palms of his hands penetrated the entire earth, and a roar of thunder came from the hard ground.

"The change of hell, the dragon awakens."

A roar that shook the sky came out from the ground, as if there was a giant beast about to awaken in the ground.

Just when everyone was terrified, the ground cracked and cracked...

With the continuous cracking of the ground, cracks in the ground nearly several feet long suddenly appeared in everyone's eyes.

Roar

There was a strange roar of dragons, and suddenly endless flames erupted from the ground. The flames burned, and when it splashed out, it burned everything on the surface of the earth.

Then the whole earth began to tremble violently, and the brothers couldn't stand firm, and Brigadier Wang Zhen was shaken by the huge shock and fell to the ground.

With the constant shaking of this cracked ground, I then saw an unforgettable scene for the world.

God, what is that? Some monster got out of the ground.

After all, what terrible monster Long Yin summoned out of the \*\*\*\*\* road?

Upon closer inspection, a black giant claw more than two meters wide suddenly protruded from the cracked ground. The black giant claw seemed to destroy everything. As it appeared, everyone was stunned.

Looking over again, I saw that the giant claw suddenly protruded from the cracked ground, and then another terrible cry came out, and suddenly another black giant claw also protruded from the crack in the cracked ground several feet wide. come out.

monster!

A huge monster!

In everyone's horror, it appeared.

The magic dragon, the evil beast hidden deep in the nether hell.

This extremely brutal monster is now really summoned by Long Yin's six magic powers, the ultimate \*\*\*\*\* way.

It appeared.

Chapter 1996: Dragon Awakening

Its head was 34 meters large, its eyes were burning flames, and its mouth was still blazing fire, and the black dragon scales all over it came out of the ground like steel.

As the dragon, which was almost ten feet tall, rose from the ground, there was a roar that roared.

The terrifying howling sound pierced the ears of the brothers, and the buzzing pain in their ears was uncomfortable...

No way, the sound is terrible.

It was as if this monster hidden deep in the underworld was venting some resentment.

With the appearance of this devil dragon, I saw that crazy devil dragon Yin suddenly stretched his body, and his whole person fell on the huge entire back.

The devilish energy in his body increased dramatically, and the whole person seemed to merge with the dragon in front of him.

Standing on the back of the black dragon, he suddenly screamed: "The kid surnamed Li, I want to see who you are better today!"

"I want you to see the true power of my six magic arts.

Cruel and cruel words came from Long Yin's mouth, and his people were standing on a devil dragon over ten feet high.

At the moment, the huge dragon was spitting flames, staring at the blood-colored Li Tian in front of him.

The ultimate showdown.

The six magic powers are immeasurable to Maha.

"kill!"

A roar of anger came out of that Long Yin's mouth, his black pupils no longer had any human emotions, but only the terrifying demon nature of the cruelty and the breath of slaughter.

When he screamed, he saw that the magic dragon suddenly roared to the world, as if to destroy all things, and suddenly stretched out its huge black claws to grab the \*\*\*\*\* Li Tian.

Facing the huge black claw like a mountain, Li Tian dodges quickly.

With a bang, the black giant claws of the magic dragon didn't catch Li Tian's body, but slammed on the ground abruptly, and the entire hard ground was suddenly smashed into a huge hole.

My God, if such a fierce and terrifying giant claw really hit Li Tian, he wouldn't be able to directly smash him into plasma.

But he said that as Li Tian just dodged the fatal blow, suddenly another giant claw of the magic dragon slammed at him again.

Li Tian continued to dodge with his flexible body skills.

With a loud bang, the ground next to it was smashed to pieces.

Long Yin, who was standing on the back of the black scale armor of the magic dragon, looked at Li Tian, who was constantly fleeing, and laughed wildly: "Smelly boy, I see you fleeing there..."

He said, but saw that the magic dragon rushed towards Li Tian like crazy.

Li Tian dodges lifelessly, but if he is like this, he is also forced to be uncomfortable.

But seeing that his \*\*\*\*\* light was getting weaker and weaker, facing such a huge monster, Li Tian had no other way.

There is only one dead end after consumption.

Which human being can consume more energy than the terrifying dragon that is nearly one foot tall in front of him?

So if Li Tian keeps evading like this, the result is only one word: death!

Li Tian, who was full of blood at this moment, seemed to know this, but after seeing him once again dodge the magic dragon's blow, he suddenly flew a few meters away, and then roared, his hands began to use Xuantian fingering.

But seeing his five fingers stretched out, the \*\*\*\*\* and index finger shot out a few energy quickly.

Xuantian \*\*\*\*\* is weird and extremely fast.

At this moment, swish and swish towards the body of the magic dragon.

Bang Bang Bang... When Li Tian's Xuantian \*\*\*\*\* hit the body of the Devil Dragon, the black scale armor all over the Devil Dragon blocked Li Tian's Xuantian \*\*\*\*\* power like steel.

Li Tian's Xuantian \*\*\*\*\* could not harm the terrifying behemoth in front of him.

When Li Tian's Xuantian \*\*\*\*\* didn't do anything at all, the magic dragon rumbling, the giant claws suddenly caught Li Tian.

Li Tian quickly dodged, but he didn't want to hit the giant dragon's giant claws so quickly. Before Li Tian had enough time to escape, he was swept away by the giant claws.

With a bang, Li Tian's body was suddenly swept out, and he fell behind.

Bang, his body fell heavily to the ground.

"Tian'er!" Seeing Li Tian being hit by the magic dragon, the evil \*\*\*\*\* in front of him screamed and worried.

That is his biological son after all!

Seeing his own son suffered such a severe injury, who can not feel bad?

But the current Cthulhu's muscles and veins were blocked alive, and he couldn't move at all... so he could only scream in pain.

Here Xue Wuhen and the surviving Chen Qiaozhi, Brigadier Wang Zhen, were also stunned when they saw Li Tianbei hitting the plane.

"Brother Tian... Brother Tian... can't beat that monster?" Xue Wuhen said in that mouth as if he was dumbfounded.

But what about Li Tian at this moment? He was indeed hurt by the monster dragon.

But Li Tian didn't fall down. After he fell down, he flew up suddenly and quickly.

At this moment, when the magic dragon saw Li Tian standing up again, he slammed his giant claws at Li Tian again, extremely terrifying.

Originally thought Li Tian would dodge him quickly, but an accident happened. This time Li Tian didn't avoid the giant claws of the magic dragon, but stood still and faced the dragon head on.

Oh my god, his power alone, is he going to fight the monster in front of him?

Yes!

Li Tianguo really wanted to do this.

I saw Li Tian who was full of blood at this moment, when he watched the giant claws of the magic dragon hit him, he couldn't avoid it.

Everyone felt that Li Tian was crazy, because everyone felt that carrying the Devil Dragon like this was undoubtedly dying.

Just when the giant claws of the Devil Dragon smashed towards Li Tian, he saw Li Tian's body suddenly moved and swish, but seeing the blood shadow shaking, his body dodged to the side at an extremely fast speed. .

After avoiding the violent blow of the Devil Dragon, Li Tian's body suddenly soared, flying as high as the Devil Dragon.

At the moment his body suddenly flew up, the dragon in front of him suddenly attacked Li Tian again, but what about Li Tian? At this moment, all the countermeasures have been planned.

His hands suddenly used his Xuantian \*\*\*\*\* again.

Isn't his Xuantian \*\*\*\*\* useless to the magic dragon? Why is it used again?

It turned out that Li Tian used a very clever method this time.

I saw that this time his Xuantian \*\*\*\*\* was not aimed at the black iron-like scales of the dragon, but at the giant eyes of the dragon that exuded flames.

Swishing Xuantian pointed fiercely at the eyes of the dragon.

The black scale armor of the dragon's body was like steel, but the eyes were the weakest part of its body.

I saw that with Li Tian's Xuantian fingering, it shot into the eyes of the magic dragon... Suddenly, I saw the magic dragon let out a painful cry.

The sound of howl pierced the black night, and the whole earth seemed to shake for it

It hurts, it gets angry.

Chapter 1997: Demon change

After the magic dragon's horrible twin pupils were shot by Li Tian's Xuantian fingers, the entire tyrannical body suddenly shook. It seemed mad, as if angry, and a terrible yellow pus came out of the twin pupils. Liquid, like blood.

There is no doubt that the dragon's eyes are blind.

At the moment when the eyes of the Devil Dragon went blind, the Devil Dragon in front of him suddenly opened its huge mouth, and then a ball of flames spurted out from its huge mouth, and the raging flames suddenly covered the \*\*\*\*\* Li Tian.

In a blink of an eye, Li Tian's entire body was swallowed by endless flames.

So, this monster can breathe fire from his mouth?

He actually covered Li Tian alive under the endless flames!

To be honest, Li Tian didn't expect that this magic dragon would spew out flames from his mouth. He had already reached his limit with a sudden blow. How could he imagine that this magic dragon's mouth could emit such a strong flame? ...

At this moment, he could only watch the flames rushing toward him. In a blink of an eye, his body was covered by flames, burning, whether it was life or death, no one knew.

In the endless flames, blazing burning there, as if destroying everything.

Where is the evil \*\*\*\*\* and brothers here? Seeing Li Tian's entire body suddenly covered in flames, he was all dumbfounded!

"Brother Tian..." an exclamation came out from Xue Wuhen's mouth.

And here? Cthulhu couldn't believe it and looked at this scene.

"My God..."

A tear suddenly came out of his eyes.

...

"His Royal Highness, that kid surnamed Li... unexpectedly... actually died!" In the darkness, the vampire of the Gangaro family suddenly said in disbelief.

Where is Earl Spike in front of you? When hearing the news of Li Tian's death, the whole person was not as happy as he had imagined. On the contrary, his pale face was extremely ugly, as if Li Tian's death did not make him feel very comfortable.

"Damn dragon!" a scream came out of Count Spike's mouth.

Even he didn't think that the dragon possessed such a shocking ability.

He originally thought that Li Tian and the demon-headed Long Yin would hurt both sides, and then he went to kill them, but now the situation turned out to be one-sided, and Li Tian could not defeat the crazy demon Long Yin at all.

In particular, it is difficult to defeat Long Yin's six magic powers, the final ultimate hell.

And now, can Earl Spike kill that Long Yin with his own power? Of course not!

So the vampire Earl Spike was very angry.

All this is beyond the scope of his plan.

...

The endless flames were still burning, but seeing the demon dragon Yin standing on the back of the one-foot-high dragon, he looked at the sea of fire below and suddenly laughed wildly.

"Li...you are not my opponent after all, you will die in my hands after all, hahahaha."

After finishing speaking, he suddenly turned his distorted face and looked at the Cthulhu who was lying on the ground over there and shouted: "The Cthulhu... see? Your son is defeated... he is defeated... now You should know, who is the number one in the world...Who is the real king?"

"If you stop me, everyone will die!"

The endless fierce voice called out from Long Yin's mouth.

Long Yin standing on the back of the devil dragon, at this moment, seemed to be his sole dignity.

No one can beat him, especially the fierce beast at his feet!

The magic dragon was still roaring endlessly, and the endless flames were still burning, as if they wanted to scorch this land alive.

Just when everyone thought that Li Tian had been burned to death by the flames, suddenly, a strange scene appeared.

I saw that the blazing flames suddenly seemed to be absorbed, and suddenly began to decrease gradually.

The flame seems to have been swallowed, but what is it?

The Crazy Demon Dragon Yin, who was originally standing on the back of the Demon Dragon, thought that he had a chance to win, but when the underground flame suddenly changed strangely, he was taken aback.

"Is he not dead yet?" Long Yin suddenly muttered.

Following the words in his mouth, a blood-red light shot straight up into the sky from the flames.

Looked carefully, but saw Li Tian shrouded under the blood-red light.

He really wasn't burned to death, he really was alive!

"Brother Tian... Brother Tian is not dead?" Xue Wuhen couldn't help yelling when he saw Li Tian in front of him was still alive.

Where is the evil \*\*\*\*\* here? He was also completely shocked looking at his son there.

"Tian'er... not dead?" Even he couldn't believe it.

Yes, Li Tian did not die.

What about Li Tian? Although he was under the flames just now, he had a devilish body. Although the flames were extremely fierce, they did not kill Li Tian.

Instead, it inspired the most violent demon in Li Tian's body.

Li Tian has completely changed now.

His whole person became a blood man, a blood man completely.

There were blood stains all over his body.

This blood is not covering his body like the blood before, but real blood...

The blood filled his whole body, and he sat there like a rock, with his hands on his chest, slightly folded, like a prajna god.

When seeing the scene of Li Tiancheng appearing in everyone's eyes, everyone was not only shocked there.

The brothers were shocked there.

Crazy Demon Long Yin was also shocked there.

All the vampires of Gangelo Family hiding in the dark also stayed there.

They were all surprised in their hearts, why did Li Tian become like this? How did you become a blood man?

Only when the evil \*\*\*\* saw this scene of Li Tian, his heart jumped suddenly.

Suddenly his eyes lit up at this moment.

"Could it be...could it be...could it be...this is what the master once said...the change of the devil?"

The transformation of the devil: first become a demon, then become a god!

The Buddha's words say: Without going through all evils, it is impossible to do good? Without being involved in the devil prison, how can you transform the gods? This is the truth,

And now, could it be said that Li Tian was in the process of demonizing God?

However, he said that when Long Yin saw Li Tian not dead, he became angry. He thought that Li Tian had been buried in the flames of the dragon, but now he never thought that Li Tian was still alive. Death, how can this not make him angry.

"how is this possible?"

"How could it not be dead yet?"

"I want you to die!"

Accompanied by that dragon roar like hell, the devilish energy of his body enveloped the devil dragon under his feet. The devil dragon also seemed to feel the host's hostility, and suddenly once again erupted endless flames from his mouth toward that blood Li Tian sprayed.

Chapter 1998: Death of the Devil

In the flames, two golden lights suddenly shot out.

Those two golden lights were the rays of light from his eyes. His pupils changed, from the blood-colored pupils to golden ones. As his eyes burst open, his whole body suddenly opened. Take off.

The merged palms suddenly opened at this moment, and along with the blood on his body, two terrifying blood pillars were formed. Then, with a drink from the sky, he attacked the monster in front of him with great power.

The magic dragon seemed to feel the killing intent, roaring and screaming, the huge body was twisting there, and the black scales of the body shook.

Can you resist Li Tian's trick?

But seeing Li Tian's move attacked.

boom

The world was shaking, and the entire space seemed to be shaken.

Then he saw that the blood pillar in Li Tian's palms slammed on the scales of the dragon's body with great fervor.

Along with this vast blow, Li Tian's body suddenly retreated.

The wind stopped and the air seemed to freeze.

After Li Tian's palms hit the magic dragon, the huge magic dragon also stopped.

No one knows what happened!

defeat?

Still win?

Who wins and who loses?

In the shocking gaze of everyone, suddenly saw the giant dragon, suddenly roared, and the whole body suddenly began to trample...The scales on its body suddenly fell off one by one and fell to the ground. Then it turned to ashes.

Looking carefully, it turned out that Li Tian's vast and boundless palms had penetrated the huge body of the dragon just now, piercing two holes! ! !

Looking at the two holes in the giant monster dragon's body, Chen Qiaozhi and Xue Wuhen were all dumbfounded!

The vampire of the Gangelo family who was hiding in the dark place was also dumbfounded.

Only a smile appeared at the corner of the evil god's mouth, and he knew that his son had changed.

But what about the magic dragon? After being pierced through two holes by the body, the scales on the body suddenly fell one by one, and then turned into ashes, and then its body... also quickly began to collapse, and finally the huge body became A pile of ashes.

This devil dragon was originally summoned by Long Yin using the \*\*\*\* path of the six magic powers, but at this moment, it turned into ashes and sealed it under the ground.

As the dragon in front of you turned to ashes, but what about dragon Yin?

His face turned angrily and walked out of the ashes.

Unexpectedly, his six ways were cracked by Li Tian!

That was his strongest move, but he was still broken by Li Tian. Could it be that Long Yin was defeated?

Looking at the ashes of the magic dragon on the ground, that Long Yin seemed crazy.

"Impossible...impossible..."

"How could this be? How could it be?"

He seeks the magic way all his life, in order to train the supreme \*\*\*\* way, but now, all his hard work has been resolved by Li Tian!

Suddenly, Long Yin yelled like a madman, his invincible \*\*\*\* road could not have been solved by Li Tian in this way.

He hates, he is angry.

"Li Tian! I want you to die...!"

Accompanied by the cry of Long Yin Crazy Demon, he suddenly attacked Li Tian desperately, and Xiongba's palms slammed against Li Tian.

At this moment, Li Tian seemed to have transformed, covered with blood, and that blood covered his whole body, making his whole person look terrifying. When he saw Long Yin hitting him, Li Tian doubled his palms and then used A weird and terribly shocking move.

But seeing his palm is extremely weird, as if the human world has never seen such a palm.

When this nameless palm technique came out, his palms suddenly avoided the clutches of Long Yin's arrogance, and then he banged against Long Yin's chest with a bang.

boom

Long Yin was hit by Li Tian's weird hand.

Unwilling, with anger, Long Yin was hit and flew out like this, and banged against the hard wall behind with a bang, the whole wall was pierced by his body.

Long Yin was defeated!

In the end, Crazy Dragon Yin was defeated!

But he said that Long Yin, who had been hit hard by the palm of the vast world, suddenly roared among the shattered ruins, and all the surrounding ruins exploded... Then his people appeared!

His person is like a lunatic, his hair is scattered there and flying, with blood on the corners of his mouth, standing motionless there, the devilish energy scattered all over him floating around him.

His fierce, blood-red eyes were staring at Li Tian in front of him.

"This...this...this...what kind of effort?"

"You...you...what kind of palm do you use?" Long Yin, a madman, vomited blood in his mouth, looking at Li Tian and asked.

He had never seen such a trick, had never seen such a trick.

He was defeated by Li Tian's last palm.

Of course, Long Yin would not know that the last set of nameless palms used by Li Tian was the ninth level of Maha Wuliang, a move among gods and demons.

But what about Li Tian who was covered in blood?

Angrily stared at Long Yin with hatred.

"Kill your palm."

After hearing Li Tian's horror say this, Long Yin suddenly laughed like crazy... His mouth was still bleeding, and the scattered purple-brown hair was flying along with his demonic energy...

Although he was laughing wildly there, his laughter was so unwilling! So painful...

"I lost?"

"My Long Yin was defeated?"

He suddenly smiled miserably...the laughter carried so much bitterness.

This one-life madman was finally defeated by Li Tian.

"Do not!

"Do not!"

"Do not.....!!!"

A scream came out of this crazy demon's mouth, he was so unwilling! So angry! It seems that even if you die, you will not admit that you will lose!

With his sharp roar, suddenly his whole person rolled towards Li Tian in front of him like a mad dragon.

"Magic Absorption!"

With a scream, Long Yin used his last supreme skill to absorb magic.

Then the whole person swept towards Li Tian in front of him. Li Tian saw Long Yin rushing forward, and he turned his right palm directly, and suddenly attacked towards Long Yin.

With a bang, their palms handed over.

Long Yin stared at bloodthirsty eyes, using supreme internal strength to prepare to absorb Li Tian's whole body power.

He wants to use magic magic to save the defeat!

But will Li Tian give him a chance?

I saw that when Long Yin started to absorb Li Tian's skill with his vast internal strength, suddenly, Li Tian's blood-colored body all rushed towards that Long Yin!

what happened?

Why was Li Tian's \*\*\*\* devilish breath suddenly sucked away by that Long Yin?

My God, this Long Yin didn't absorb Li Tian's internal energy, but he sucked away Li Tian's \*\*\*\* spirit!

After Long Yin sucked Li Tian's blood demon gas at once, even he himself was stunned...

The surrounding brothers were all depressed there.

"what happened?"

"What's the matter with that \*\*\*\* devil?" Xue Wuhen looked at Chen Qiaozhi who was supporting him in a puzzled manner.

Chen Qiaozhi shook his head in confusion, expressing puzzlement.

What about Li Tian? It was originally an enchanted body, but at this moment the blood demon gas that was extracted by him was immediately restored to its previous appearance! Li Tian has changed!

Maybe it's a chance, maybe it's a coincidence...

Anyway, the current Long Yin has turned half blood red, half black...

After sucking away Li Tian's blood demon aura, he suddenly screamed frantically, hugged his head with both hands, and screamed in pain.

Ahhhhh, screams came out painfully from his mouth.

His face was constantly twisting... half of his body was \*\*\*\* and half of his body was struggling in that fierce struggle.

pain!

Endless torturing Long Yin in front of him.

Although he was fierce all his life, he didn't expect to fall into such an ending. He now has two demons in his body, one is black and the other is blood, all in his body, how can he bear it?

The demon completely swallowed Long Yin's body.

He fell to the ground in pain, constantly twisting and convulsing...

A miserable cry filled the endless night.

Long Yin, lost!

At this moment, Li Tian suddenly walked towards Long Yin.

Li Tian has regained his humanity, and he has changed back to what he was before.

With endless hatred in his eyes, he looked at Long Yin who had been swallowed by demons at this moment.

For the brothers... for his parents, for all the innocent people slaughtered by Long Yin... Li Tian suddenly raised his palm.

He wants revenge!

boom

In everyone's eyes, his palm hit down.

Chen Qiaozhi, Xue Wuhen, Wang Zhen, Cthulhu...including the vampires of the Gangelo Family in the dark... all saw this scene.

The heavy palm slammed the madman's Long Yin Tianling cover severely.

Then there was a whimper, and the seven orifices of Long Yin's entire head were bleed... and then he didn't even groan, and he fell to the ground with a plop.

died!

A generation of demon eventually died under Li Tian's palm.

This crazy demon was finally killed by Li Tian.

Just after Li Tian killed the demon-headed Dragon Yin in front of him, all the brothers were not only overjoyed, but suddenly saw that Li Tian knelt on the ground with his legs soft, and a mouthful of black blood flowed from his mouth. come out.

"Brother Tian..." When he saw Li Tian kneel to the ground in amazement, Xue Wuhen, Chen Qiaozhi beside him, and Brigadier Wang Zhen were all shocked there.

Mary over there also screamed: "Li..."

Then quickly reached that Li Tian's side.

After supporting Li Tian, he found that his body was so weak.

It turns out that Li Tian was also seriously injured...Just now he fought with the devil Long Yin. Li Tian only defeated that Long Yin by relying on his demon nature, but this indirectly hurt his body, and his body has now arrived. The limit of human beings... can't move at all at this moment.

"Lee, how are you?"

"Brother Tian... are you injured there?" Xue Wuhen, who was running over, was also very worried and supported Li Tian in front of him.

But seeing Li Tian spitting out purple-black blood, weakly looking at Xue Wuhen in front of him: "Help me...help me...get up!" He struggled.

Xue Wuhen didn't know what Li Tian was going to do... Hearing what he said, he hurriedly helped Li Tian up.

p: Let's just say something. I believe many book fans know that I rarely ask my brothers for monthly passes and rewards. Today I specifically mentioned that if conditions permit, brothers can vote for monthly tickets for rewards. ! Because why? Recently, I have seen other book fans, no matter how good or bad, they are always enthusiastic...To be honest, Huahua is a bit lost! Because I personally think that my book fans are not too few...I really have a lot of heart, and I am definitely a good brother, but it is a pity that there are some shortcomings in supporting the genuine! Here, I won't say much...but I still hope that in the future, my brothers can support more, and give rewards as much as possible. If you can subscribe, I will subscribe, and I will try my best!

Chapter 1999: The last enemy

After Xue Wuhen in front of him helped Li Tian up, he saw Li Tian step by step towards the evil \*\*\*\* who was limp on the ground.

His eyes are filled with endless hope, endless affection and desire.

He wants to see his father!

What about here? Cthulhu sat there limply, with a weird expression on his resolute face looking at his son, Li Tian.

"Father..." Li Tian called out again.

He came over step by step.

At this moment, their father and son finally recognized each other.

The Cthulhu's eyes suddenly turned red, and Li Tian in front of him was a child he had not taken care of for more than 20 years.

Looking at Li Tian, the Cthulhu's eyes were filled with endless guilt.

"Tian'er!" Cthulhu slightly called out a word.

Then Li Tian stretched out his hand trembling to the Cthulhu, where is the Cthulhu? Suddenly he stretched out his hand and held it tightly with his own son.

The affection between father and son is fully displayed at this moment.

But at the moment when the two of them clenched their hands tightly, above the dark sky, a terrifying thunder suddenly struck the ground with a click, and then lightning and thunder followed... a terrible dark sky. Above, lightning bolts rang above Li Tian and Cthulhu's head.

As if their father and son recognized each other, even God would not allow it.

Looking at this weirdly changing sky, the evil \*\*\*\* looked at God in grief suddenly, muttering: "Is this fate?"

Li Tian is the life of the lone star of the evil spirits.

Life to deny relatives, friends, and self!

What will happen to their father and son now?

Just as the Cthulhu murmured this sentence, suddenly two black Li Ying suddenly rushed towards them.

The strange figure is extremely fast.

At the moment when these two horrified ghosts rushed towards Li Tian, the eyes in front of him curled up, he had already seen it, and shouted: "Be careful, Tian'er!"

Accompanied by a scream from him, Li Tian had already noticed something coming from behind, and immediately used the last trace of his body's strength, and suddenly flew upside down, avoiding him.

There was a swish...but I saw that two strange figures did not hurt Li Tian, but they came to the scene.

If you look closely, it is the vampire of the Ganggro family!

Earl Spike, and his men.

"It's you? It's you bastard!" Mary couldn't help roaring when she saw that it was Earl Spike.

She and this Spike can be said to have an enduring hatred, and when they saw Earl Spike suddenly come to the court with his vampires, she was not only furious.

And the extremely weak Li Tian also saw the Spike at this moment...

It turned out to be this \*\*\*\* vampire!

Where is Lord Spike at this moment? A pair of bloodthirsty vampires stared at the audience, and suddenly laughed grimly.

"Okay, great... Finally it's time for me to clean up the mess." Spike suddenly said grimly.

"Cthulhu, surnamed Li, you all deserve to die."

Yes, this has always been the opportunity he has been waiting for.

Long Yin is dead!

Li Tian is now at the end of the battle, and can no longer fight.

What about Cthulhu? The muscles and veins of the body are still in a sealed state... The only ones who can fight besides Mary are Wang Zhen and Chen Qiaozhi.

But can they be the opponents of this Count Dracula from the Gangelo family?

"I've been watching you in the dark place... I want to see you ignorant humans killing each other... Only then can I have a chance, and now, the chance has finally come." Earl Spike's bloodthirsty eyes He looked at everyone in front of him and said with a grinning smile.

When Wang Zhen heard this vampire say so viciously, he became furious.

"You bastard."

"Despicable and shameless, I beat you to death!"

Holding the gun in his hand, he immediately squeezed the trigger with his fingers, and the bullet was shot at the body of Count Spike.

But how could that bullet hit the vampire in front of you? I saw Earl Spike's body suddenly swayed, and suddenly disappeared...

When Wang Zhen saw the vampire's body disappear, he was taken aback, holding a gun in his hand and didn't know where to face him. When he was surprised, Mary cried out in horror: "Be careful!

Just after the words fell, I saw that the vampire Spike with long fangs in his mouth no longer knew when he had arrived behind the brigade commander Wang Zhen. There was a brutal, bloodthirsty light in his eyes, and the pointed long fangs. Suddenly, the tooth bit towards Wang Zhen's neck fiercely.

Good deed, if this is really bitten in the neck by a vampire, I am afraid it will suffocate and die immediately! Otherwise, they will become the same dark creatures that \*\*\*\* blood.

But he said that Wang Zhen was worthy of a battle-tested character. Under this danger, he suddenly jumped forward and avoided the pointed fangs of Count Spike, but even so, Na Spike was cold. Still hit Wang Zhen's back with his palm

With a bang, Wang Zhen felt that his back was broken, and he screamed, lying on the ground...difficult to stand up, and bursts of hot tingling from his back were extremely uncomfortable.

After Wang Zhen was severely injured by Count Na Spike, Mary roared and Jiao Shi rushed over.

Fighting with Naspikes.

Fight between two vampires!

After the battle between Mary and Naspikes here, the severely wounded and weak Li Tian, Xue Wuhen, Chen Qiaozhi, and the immobile evil \*\*\*\* remained on the scene.

Among them is another vampire of the Gangelo family.

"It's your turn." The vampire looked at Li Tian and Chen Qiaozhi here with fierce eyes and said.

Li Tian didn't have any strength to fight anymore at this moment. His \*\*\*\* body tried to stand up... but he couldn't use any strength.

Not to mention the evil god, at this moment can only be regarded as a "waste man."

When the vampire saw that Cthulhu and Li Tian could not move at all, his face showed a vicious smile, and suddenly the long fangs in his mouth stretched out...Step by step, he walked towards Li Tian and Cthulhu in terror. .

Seeing that this vampire was about to kill Li Tian and the evil \*\*\*\* in front of him, at this moment, Na Xue Wuhen glanced at Chen Qiaozhi. Chen Qiaozhi blinked his eyes cleverly, and then held a pack of silver powder and shook it in his hand. shake.

Xue Wuhen was also extremely clever, and immediately understood what Chen Qiaozhi meant.

So at this moment, only one of Chen Qiao jumped up and rushed towards the vampire.

"Damn vampire...Go to hell." Xue Wuhen rushed over.

Chapter 2000: The death of the earl

The vampire sneered, and suddenly dodged his body, and the cruel face suddenly became extremely savage and roared: "Looking for death."

As he said this, suddenly his whole body rushed towards Xue Wuhen, so fast that he could not see clearly with his naked eyes.

Xue Wuhen didn't know if he was standing there on purpose or what was going on. He didn't dodge anyway, but stood there, facing the terrible blow of the vampire... until the vampire suddenly rushed towards him. At the moment, from the side, Chen Qiaozhi suddenly stood up, and then all the silver powder in his hand was spilled on the ghost of the vampire.

The vampire never expected that Chen Qiaozhi would suddenly emerge from this side, and was stunned.

It's a pity that it's too late, because the silver powder has already been leaning toward his body.

When the vampire saw the silver powder, his mouth screamed with an unpleasant shrill sound...following his terrifying scream... the silver powder suddenly covered the vampire's body. then.....

what

There was a weird cry, and the vampire hissed in pain like crazy.

His whole body suddenly burned like a scorching flame... and soon, his body instantly turned into ashes.

The vampire was killed by silver powder!

Just when the Gangelo family vampire here was killed all of a sudden, Spike was furious and punched the Mary suddenly. Mary couldn't evade and was beaten by Spike.

And Spike?

Then the whole body swished to this side, and Chen Qiaozhi hadn't fully reacted, he was kicked up by Spike... His body fluttered a few meters away, and he fell heavily. Ground.

And here is Xue Wuhen? He took out a silver-powdered head, trying to stab the vampire in front of him, but it was still a step too late, the vampire reached his side ghostly, and then the cold left hand grabbed the Xue Wuhen's arm. , Clicked and twisted, Xue Wuhen's arm broke the sound...

There was a cry of pain in his mouth, and the silver-powdered first clam fell to the ground.

And his whole person? But he was shot off by Count Naspik and fell to the ground badly.

In a blink of an eye, the brothers have lost all their fighting power.

"Damn human..."

"Dare to kill the members of my Gangelo family...Today, I want you to pay for it with your lives."

Count Naspik roared, and suddenly picked up the head that Xue Wuhen had left on the ground.

He took it in his hand, glanced at the silver powder on the blade with bloodthirsty eyes, and laughed strangely...

Then he cruelly walked towards Xue Wuhen, who was seriously injured in front of him.

"Aren't you looking to die?"

"Then I will fulfill you... Go to hell!" Spike said with his head in his hand, bloodthirsty.

The head in his hand suddenly rose up, and began to stab Xue Wuhen's body.

An expression of horror appeared in Xue Wuhen's eyes.

He was afraid of death.

Everyone is afraid of death.

At this critical moment, a cold voice suddenly came from behind Earl Spike.

"If you dare to move my brother, I swear you will kill you." The cold words came out of his mouth, so domineering.

When Spike heard this sound, he suddenly turned his head with a grinning smile on his lips.

Who is behind him? Who said the words just now?

Looking back, it turned out to be Li Tian who was covered in blood.

He actually stood up.

But he said that when Earl Spike suddenly turned his head and saw that Li Tian, who was covered in blood, said such words, he couldn't help laughing wildly.

"Boy named Li, do you really think you can still kill me?"

"Come on, I want to see today, how did you kill me? Haha."

Just now Li Tian fought the devil Long Yin for the last time. To tell the truth, his body has reached the limit of human beings. His body can't even use a single bit of strength. Moreover, even if Li Tian still has combat power, he can fight. Is the vampire count with an immortal body in front of him?

Is he scaring Spike the vampire in front of him? Still doing?

After Earl Spike finished with such a sneer and sneer, Li Tian did not answer him, but stared at the Count Spike in front of the \*\*\*\* red eyes with murderous intent.

Of course, the vampire Spike would not be intimidated by Li Tian's words, but seeing him in that hideous laugh and pointing at Li Tiandao: "Boy, I want you to watch... your people die in mine. Man!"

After the words were finished, suddenly the head of the vampire Spike was really viciously raised, and then he stabbed at the body of Xue Wuhen in front of him.

At this moment, Li Tian's body suddenly moved.

The posture of moving mountains and rivers suddenly shot towards Spike like an electric light.

A shocking blow, extremely powerful.

Naspike had long known that Li Tian would attack him, and immediately, with a sharp shout, the cold first blade in his hand turned, and then he stabbed Li Tian.

However, the knife in Spike's hand did not touch Li Tian's body... Instead, it was suddenly held tightly by Li Tian's one hand... And what about Li Tian's other hand? Accumulating energy, suddenly a terrifying palm hit the head of Count Spike!

Although the vampire Spike possesses an extremely fast body, but now his cold arm is grasped by Li Tian, it is too late to hide.

And most importantly, Li Tian's palm that hit his head... actually the palm of his hand was full of silver powder!

"Silver..." The vampire Spike's eyes widened, staring at Li Tian's palm in disbelief.

Unfortunately, everything is too late.

With a bang, Li Tian's palm full of silver powder hit the head of Count Spike suddenly...

Wailing

With a scream, Spike screamed in pain.

But seeing Li Tian's palm full of silver powder really hit Na Spike's head suddenly!

Then Spike seemed to be crazy, clutching his head, and screaming in pain.

The silver powder quickly began to corrode Spike's entire head in front of him, and then he saw his entire head start to burn...Because the silver powder corroded too strongly, the vampire's miserable roar penetrated the entire night.

His body is intertwined with flames, roaring, screaming...

The body quickly turned into a mass of ashes.

A vampire count of the Gangelo family finally fell and died.

Looking at the vampire burning to ashes, Li Tian stood there covered in blood, and said coldly: "I said... if you dare to move my brother, I will kill you!"

It's a pity that Spike couldn't hear his words anymore.

When the brothers in front of me saw Li Tian beheading Count Spike in such a single blow, they couldn't help going crazy with joy.

They are happy, they won.

However, Li Tian finally fell.

Because his body is too weak.

p: It will continue to be updated at night, and the fate of the lone star will be announced soon!

In yesterday's message, I didn't expect that my brothers would give me a reward right away today. At the same time, a few monthly tickets were voted for me. I was a little touched. Here, thank you brothers!
