

## A Killer 2011

Chapter 2011: Kui's words

But after seeing Kui walk in with a swagger, he first glanced at everyone present, and finally set his sights on the evil god.

"How can I say that your baby's strength has become weaker... It turns out that your whole body was sealed off by someone." Kui said while looking at the Cthulhu Dao.

The Cthulhu at this moment has almost recognized who this old man is, and now shows a respectful attitude: "Senior said..."

"Hey, no wonder something like this happened..." Kui suddenly sighed slightly.

The evil \*\*\*\* said at this moment: "Senior, you are..."

Before the evil \*\*\*\* could speak, Na Kui suddenly stopped him with his hands and said, "The old man has forgotten his name, so it's better not to mention it."

Following Kui's words, the evil \*\*\*\* didn't say the rest.

But seeing everyone watching Kui in shock at this moment.

It was hard to believe that he could escape from the three major vampires of the Gangaro family without injury.

At this moment, Kui suddenly walked to the Cthulhu's side, stretched out a thin old hand, and then hit the Cthulhu's chest three times.

Cthulhu's body shook, and then the whole body that had been sealed off the acupuncture points, instantly regained his strength, and the acupuncture points of his whole body that had been sealed off were just unlocked by Na Kui!

Cthulhu's whole body was restored to freedom at once.

After the Cthulhu's body prohibition was lifted, the Cthulhu not only respectfully said to the Kui in front of him, "Thank you, senior."

Na Kui waved his hand impatiently and said, "Secular courtesy, Xiu has to show off in front of the old man."

After Kui finished speaking, he suddenly looked at Li Tian who was lying on the ice bed over there like a pair of dragons.

When he saw Li Tian lying down there like a dead body, Kui's face suddenly changed, and he strode over.

"What happened to the little baby named Li?" Kui asked suddenly.

Xue Wuhen in front of him replied: "Old man, Brother Tian, he was bitten by a vampire..."

"What?" Na Kui almost jumped up when Xue Wuhen said so, his face was shocked.

"How could this be? How could you be bitten by that vampire?" Kui said in shock.

The brothers were all hanging their heads deep there at this time, all of them looked ugly and stayed there.

Kui then walked over to take a look at Li Tian's neck, but saw that there was indeed a row of rotten tooth marks on Li Tian's neck. After seeing this, Kui suddenly groaned in his mouth.

"How should this be good?"

"How could this kid be bitten by a \*\*\*\* vampire?"

"Does my longevity gate have no successors again?" Kui said as he walked back and forth depressedly pacing there.

When the Cthulhu heard this Kui talked about the three characters longevity, he had already guessed his identity in his heart.

Not only did he stare at Kui in front of him in shock, he couldn't help thinking to himself: "It turns out that he is my master, Uncle Kui who has lived for nearly 400 years... It turns out that he is his senior brother..."

After Kui sighed, Na Xue Wuhen hurriedly said: "Older people don't have to worry, now Brother Tian is saved."

Na Kui's eyes lit up when Xue Wuhen said this.

"Is it saved?"

"Is there any rescue if bitten by a vampire?" Kui asked in surprise.

But when she saw that Xue Wuhen nodded there, she pointed to Mary on one side and said, "Yes, she can save Brother Tian."

Na Kui cast her eyes on Mary in front of him at this moment.

When he saw Mary in amazement, Kui was not only stunned, but a horrible aura suddenly appeared all over his body. He looked at Mary coldly and said, "You are not a human being... are you?"

Mary felt a hostile light radiating from Kui's eyes, so she hurriedly said, "Yes! I am a vampire."

Na Kui didn't care about Mary's identity, and looked at Mary there and asked: "You said, you can save the baby named Li?"

But when she saw Mary, she repeated the previous words to the audience in front of her.

After listening to what Mary said, Kui not only lowered his head slightly, and meditated for a moment.

Then he didn't talk too much, but suddenly turned his body and said to everyone: "No matter what, the little baby named Li will never die... If he dies, the old man will have to wait another hundred years... "

"In this world, I have lived long enough... I don't want to stay any longer." Kui said suddenly, looking at the dark sky.

The brothers in front of him and Situ Ningbing didn't understand why the old man said such weird words.

He actually said that he had lived long enough... He didn't want to live anymore?

Does he wish to die?

No one can understand the loneliness in front of Kui.

After Kui finished speaking, he suddenly turned around and looked at the Cthulhu Dao: "Kuafu child, come out with me...My old man has something to tell you."

The words said, Kui's body floated outward like a plume of smoke.

His body is like a ghost, and everyone present was shocked when he saw Kui's kung fu.

They were all shocked in their hearts: Oh my God, where is this old man sacred?

But what about the evil \*\*\*\*\* that shook the world? At this moment, after hearing Kui's words like this, he nodded respectfully like a junior.

Then Cthulhu really followed out.

When the Cthulhu came out, Na Kui was already standing in the darkness.

The dim moonlight faintly shone on Na Kui's body, only feeling that Kui's whole person stood motionless like a demon god.

After the Cthulhu came out, he looked at Kui and said, "Senior..."

I saw that Na Kui did not immediately answer the evil \*\*\*\*\* in front of him, but was looking at the whole sky alone, and suddenly muttered in his mouth: "Dou Zhuan Xing Yi, it has been several lifetimes... hey!"

After sighing and speaking, Kui suddenly turned his head to look at the evil spirit: "Where is your master?"

"Is he still alive, right?"

When Kui suddenly asked such a sentence, the Cthulhu was not only taken aback, and then quickly said: "The master is physically built, and he is currently in retreat on the top of Tianshan Mountain."

After the Cthulhu finished speaking, Kui slowly twisted his body and sighed: "That old kid will retreat for the rest of his life... Retreat... Hey, he doesn't know that I have been running for the command of the teacher all my life."

When the Cthulhu heard Kui's words like this, he would not understand the meaning of his words for a while.

But when I saw Kui in front of me, he suddenly said, "Didn't Wuji tell you, can't you recognize your son?"

Following Kui's words, the Cthulhu suddenly felt a little choked in his heart.

His face suddenly became painful, and he nodded silently and said: "My master told me before retreating..."

"Then you still recognize him? Don't you know that his fate is the fate of evil stars? It is the fate of loneliness?" Kui suddenly taught the Cthulhu Dao before him.

The Cthulhu did not speak or explain, and stood for a long time in the darkness.

No one knows the suffering of the evil god... and no one understands the hardships of father and son that are difficult to recognize. He just bears everything silently.

Chapter 2012: Kui is gone

Kui said: "If you recognize each other, it will only harm you and him."

"Now, do you see the result of your confession? Heaven and earth are furious...the disaster is coming, this is the calamity, the fate." Kui continued to say there.

The evil \*\*\*\* in front of him stood blankly without speaking.

Na Kui also seemed to see the pain in the eyes of the Heretic God. At this moment, he not only felt that his words might have been overdone, but after thinking about it, Kui looked at the Heretic God and said, "You father and son, hey, it's really strange. A... One is the destiny of the heavenly king, and the other is the destiny of the army-breaking evil star, a father and a son, ha ha, it is really a strange thing between heaven and earth."

"But I want to warn you in advance, don't be with your son again...otherwise there will be even greater calamities in the future."

"The fate of the little baby Li, the world has long been doomed... Maybe he still doesn't know his fate, but when the time comes, he will know his fate." Kui continued.

Cthulhu never said anything.

He may know the consequences in the future, and he may know the future of Li Tian.

"Now, the little baby with the surname Li is suffering from the Heavenly Tribulation! He cannot escape this calamity. Maybe after he has passed through this Heavenly Tribulation, he will know the fate." Kui said slightly.

Cthulhu stood there and nodded, muttering: "Maybe..."

Kui said again: "But no matter what, this son must be the second person of my longevity door!"

After Kui finished speaking, he suddenly looked at the evil spirit again: "Did your master warn you about our longevity?"

The evil \*\*\*\* in front of him said slightly: "Master once told me something."

"Just tell you!"

"Our longevity gate has a history of hundreds of years, but it is a pity that it has been difficult to find someone who has taught the art of longevity for hundreds of years, not even you!"

"Although you have good talents, you are destined to be a half-life overlord, and it is difficult to resist fate."

"But your son is completely different from you. Although his fate is the fate of the gods, he just agreed to the matching of yin and yang in our longevity gate."

"Buddha and Demon Dao, becoming a Demon and Buddha are all in an instant. In order to live forever, you must experience these two extremes. Now the little baby named Li has already experienced the Dao of Demon. The remaining Buddhist path depends on him. My own destiny." Kui said.

After Kui finished saying this, Cthulhu was stunned.

It turns out that everything that Tian'er encountered was the act of destiny, no wonder it was so.

"Hey... The only thing that the old man didn't expect is that the ancient western darkness has risen so quickly." Kui suddenly muttered to himself.

Kui said that the darkness of the West is naturally the appearance of the vampire.

After Kui said so, the evil \*\*\*\*\* in front of him said: "Senior, do you think Tian'er will survive this catastrophe this time?"

Kui shook his head silently: "This... the old man doesn't dare to make a judgment!"

"The evil in the West is different from the East...especially the perverted vampire."

"For a long time, the old man has never felt that vampires are not enough to be afraid of. Today's battle, the old man is shocked, it turns out that this group of Western aliens is indeed extremely powerful.

"If it weren't for today's old man with a hundred years of skill, I am afraid it would be difficult to get out." Kui Zai murmured.

It turned out that after Kui fought against the corpse king Uris for three hundred rounds, it was difficult to distinguish between them. Although Kui's skill was invincible in the world, the vampire was indeed invulnerable and possessed an immortal body, so Kui also seemed anxious to deal with the vampire.

At this moment, after hearing Kui's words like this, the Cthulhu was slightly shocked, and he couldn't think that even Kui Du said that the vampire was extremely powerful.

"Senior, how do you deal with those vampires?" Cthulhu asked.

Kui stood there, then raised his eyes to look at the dark sky, and suddenly thought about it and said, "I'm afraid this is not something you and I can control."

"The darkness of the West is like a broken bamboo, and it is destined to experience a battle of killings. As for when this killing will end... It may depend on the baby named Li."

"Senior, do you mean Tian'er?" The evil \*\*\*\*\* in front of him couldn't help but stunned when he heard Kui say this.

Kui said: "Yes."

"The fate is hard to violate. The baby surnamed Li is destined to participate in the Western vampire war." Kui murmured.

After hearing Kui's words like this, the evil \*\*\*\*\* in front of him was stunned.

"Forget it, the old man who should be said has already said, and what should not be said, the old man has already said... What is left to do is up to you." Kui said in front of him suddenly.

"The old man is leaving now." Suddenly Kui murmured there.

When the Cthulhu heard Kui saying he was leaving, he said, "Senior, where are you going?"

"Go where you should go..." Kui said silently.

"But before the old man leaves, the old man wants to tell you two things... first, remember all the words I just told you, and second, the old man wants to tell you that the bad boy at the gate of \*\*\*\* has now gotten The old man's Demon Sect Code, according to his talents, should soon complete my Demon Sect Code. Once the training is completed, he will become extremely terrifying. You still have time to tell the Wuji. Right...After all, the old man doesn't want to kill his biological son, so he still needs to clean up his unfilial son." Kui Zai turned his back to the evil gods in front of him.

Cthulhu was shocked after hearing Kui's words like this.

Of course the \*\*\*\* gate bad boy in Kui's mouth is talking about the \*\*\*\* gate master!

Unexpectedly, he at the gate of \*\*\*\* started to practice the Demon Sect Code! You must know that the Demon Sect Code is one of the two secret techniques of the Longevity Gate. If it is cultivated by the master of the Hell Gate, it will be a terrifying thing.

Just thinking about it in the Cthulhu's mind, when there was a question to ask Na Kui, he turned around and saw that Kui's figure had completely disappeared into the endless darkness.

Watching Nakui disappear into the darkness, the evil \*\*\*\* stood there for a long time.

He is now one after another in his heart, worrying about Li Tian and the rest of the world.

Nowadays, the devil is in power. Not only is the Western vampire killing all living beings, but the master of the door of \*\*\*\* in the country is about to go out again. Once which guy goes out, how much cruel and \*\*\*\* things will the whole world suffer? At present, no one knows, no one dares to imagine.

Cthulhu stood in the dark night for a while, and then returned to the room alone.

When the brothers saw the evil \*\*\*\* walking in alone, they were not only a little puzzled.

"Senior Cthulhu...Where is that senior?" The brothers in front of him looked at the Cthulhu in front of him and asked.

But seeing the Cthulhu coming over, he sat down on the side, and said, "The old man is gone..."

Chapter 2013: Looking for dead bodies

When the brothers heard that the evil \*\*\*\* actually said that Na Kui left, they were all taken aback.

"Senior Cthulhu, who is that senior just now? How come and go without a trace?" Xue Wuhen couldn't help but question.

I saw the Cthulhu said slightly: "The old man said that you don't know him... no one can remember his name."

After hearing what Cthulhu said, the brothers thought about it and didn't ask too much.

The Cthulhu looked at Li Tian, who was lying on the hospital bed like a dead body, and suddenly said there: "Everyone, go and rest...I want to stay alone with Tian'er for a while."

After Cthulhu said so, the brothers nodded silently.

After all, their father and son have met each other for the first time in so many years, and together for the first time.

So the brothers in front of him walked out one by one, and only the evil \*\*\*\*\* was left in the room at this moment.

After only Cthulhu was left, but seeing Cthulhu tightly holding Li Tian's cold hand in front of him, he muttered in his mouth: "My child, I have never taken care of you in my life... I am sorry for my father. ."

The Cthulhu who was talking slowly turned red.

"I'm not afraid of anything in my life, I'm afraid that you will suffer from disasters... But I didn't expect that God would still impose so much suffering on you."

"Hey, is my father Li Kua destined to be miserable in this life?"

Cthulhu stayed in that room, whispering alone.

...

Outside, I saw Xue Wuhen sitting there blankly, with a dazed expression. Also sitting beside him was that Chen Qiaozhi and Tang Xiaolong.

"Dead, a few good brothers died like this..." Xue Wuhen suddenly said miserably in his mouth.

When his words came out, Tang Xiaolong in front of him not only stood there in grief.

"Not only did they die, but they also lost their bodies..." Chen Qiaozhi also suddenly said there.

"Dashan, Situ Xuan, Wang Zhen, they are so pitiful." Na Xue Wuhen said with ruddy eyes.

Hearing the words in their mouths, Tang Xiaolong's eyes were already red.

He clenched his fists tightly and said: "They won't die in vain... absolutely not... I \*\*\*\*\* swear that even if I die in this life, I will avenge them."

Xue Wuhen and Chen Qiaozhi didn't talk too much, just stayed there quietly.

There was a heavy sense of sadness in the air.

"Now Brother Tian has become like this?"

"Hey...If Brother Tian couldn't save it, it would be really bad." Xue Wuhen muttered there.

Listening to what he said, Tang Xiaolong in front of him immediately said: "Don't talk nonsense... The little boss will definitely be cured."

"But did you see the wound on Brother Tian's neck? That tooth mark is so deep..." Xue Wuhen said there.

Tang Xiaolong said, "What's the matter? The little boss will definitely not become a \*\*\*\*\* vampire."

To be honest, when Tang Xiaolong said this sentence, even he himself was not only a little guilty. Because he didn't know what the consequences would be.

As the two said that, Chen Qiaozhi suddenly interrupted and said: "Now the only hope is Miss Mary's side... I only hope that she can really bring Li Tian to their family and heal it. Li Tian."

"En, yes."

"Did Miss Mary say when to leave?" Tang Xiaolong asked suddenly.

But seeing that Xue Wuhen said: "If there is no accident, then Miss Mary should be tomorrow night."

"Oh, so fast?" Tang Xiaolong was not only surprised.

Xue Wuhen nodded and said: "Yes, Miss Mary said that Brother Tian's injury must not be delayed... If it is delayed, the consequences will be unimaginable."

"Oh, in this case, it's better to start as soon as possible." Brothers said.

"Then don't we really follow the little boss? Just let Mary leave the little boss to go to the other side of the earth...to Italy?" Tang Xiaolong asked unhappily in front of him.

The brothers have rarely separated for such a long time. This time they are suddenly separated from Li Tian. Of course, the brothers are reluctant, not only reluctant but also not used to it.

"Yep!"

"It seems that this time, our brother can't follow Brother Tian." Xue Wuhen sighed there.

The brothers all sat there in a daze at the moment, looking at the dark sky, no one knew what they were thinking.

...

The \*\*\*\* night finally calmed down.

That night, the Devil Dragon Yin died, and Earl Spike of the Gangelo family also died...but the brothers also lost three people, and Li Tian, who is now seriously injured, knows his life or death. .

Not only were there heavy casualties, but most importantly, the key to fate was lost.

The key of destiny has now been taken by the vampire of the Gangelo family.

The city of Binjiang at night is shrouded in darkness.

At the place where the \*\*\*\* battle has been experienced, a group of black crows are croaking, some falling on the dead body, eating the body there with sharp teeth.

Take a closer look and see that the \*\*\*\* corpse was Jiang Dashan's...

Over there, Wang Zhen's body was also covered with black crows, biting his bones there.

When the brothers died, the bodies were eaten by these nasty crows. It was really hateful.

But there is no way.

With no bones left, it might be such a cruel thing.

But when these crows were gnawing at the bones of the brothers, three terrifying figures suddenly swept over.

When they came, the group of black crows suddenly flew towards the three, and then hovered in the air around their bodies.

Besides, who are these three shadows?

Take a closer look, the horror in the middle turned out to be the corpse king Uris with wings on his back.

His wrinkled zombie-like face is not \*\*\*\* at all, and two blood-red wings are gathered on his back...The two next to him are the two great earls of the Gangaro family, one on the left and one on the right. What was still holding was the box containing the key of fate.

How did the three major vampires of the Gangelo family come back here?

What are they doing?

Let's say that after the corpse king Uris came with the three vampires in front of him, he suddenly heard that the corpse king Uris' mouth with disgusting yellow mucus suddenly grunted and said: "Look for that human corpse!"

Whose body?

As the corpse king Uris said so, the two great vampire earls under his hand nodded respectfully, and then flew to the audience longitudinally, and they started looking for the corpse!

Who?

The scene was bloody.

Jiang Dashan's corpse has been gnawed by those hateful crows. The corpse of Situ Xuan is even more pitiful. There are only bones left. The upper body of Brigadier Wang Zhen over there has disappeared, and the remaining lower body is also Only two \*\*\*\* thighs were left to be gnawed.

Whose corpse is the vampire of the Gangelo family looking for?

At this moment, one of the vampire earls over there suddenly said: "Elder, I found it."

Following his icy voice, the corpse king Uris and another vampire count suddenly flew over.

I saw a cold body lying on the ground...

There were very few scars on the whole body of the corpse, only the place where the Tianling cover on the head was crushed.

Look closely, the corpse is his.

Devil, Long Yin!

It turned out that the human corpses that the vampires of the Gangaluo family were looking for were the corpses of the Demon Dragon Yin.

Chapter 2014: Cruel scene

I saw that after the vampires of the Gangelo family in front of them found the corpse of Long Yin, the corpse king Uris came over. .

His zombie-like face looked at the corpse in front of him savagely. Suddenly, his weird eyes exuded terrifying green eyes, and his mouth murmured, "That's him?"

The two vampire counts under his hand nodded quickly and said, "Yes, elder."

"Take his corpse away." The cold words came out directly from the corpse king Uris's mouth.

After the corpse king Uris said this sentence, the two big vampire earls under his hand lifted the corpse of Long Yin. The three vampires flashed in the dark, and then disappeared without a trace. I don't know where to go anymore.

However, the body of Demon Dragon Yin was taken away.

...

When it was just dark the next day, the brothers had all awakened.

Because they are going to find the bodies of Jiang Dashan, Situ Xuan and Brigadier Wang Zhen. Although the three of them have been sacrificed, they must not be allowed to abandon the corpse wilderness, and the most important thing is that during the day, the vampire simply They didn't dare to come out, they were afraid of the sun, so the brothers chose to look for the body after the dawn.

When they woke up early in the morning, Chen Qiaozhi and Xue Wuhen were already ready.

That Tang Xiaolong was seriously injured, but he insisted on going now.

After they made a decision, the three of them drove a car to the scene of yesterday's \*\*\*\* battle, preparing to find the corpse of Brigadier Wang Zhen, Situ Xuan, and Jiang Dashan.

Along the way, Chen Qiaozhi drove the car in front, and Tang Xiaolong and Xue Wuhen sitting behind did not speak from beginning to end. The two of them were silent, with extreme sadness in their hearts.

As the car was driving along the way, no one spoke too much, and a solemn sadness enveloped the entire car.

After driving for less than half an hour, they finally reached that place.

After the car stopped on one side, they began to walk towards the scene of the incident along the direction of the sewer.

Finally they arrived.

"Qiao Zhi, where are Dashan and their bodies?" After arriving, Tang Xiaolong asked sadly.

Chen Qiaozhi pointed his finger to the front and said, "In front."

Tang Xiaolong took a look, and then ran to the front quickly. Xue Wuhen and Chen Qiaozhi also quickly followed.

After they rushed over, the \*\*\*\* situation on the court stunned them all.

But seeing the ground is full of blood...but the blood has dried out... and there are piles of intestines, rotten meat falling on the ground.

After seeing this weird situation, Tang Xiaolong was shocked for a moment.

Xue Wuhen and Chen Qiaozhi in front of them were completely stunned.

To be honest, the brothers have experienced a lot of scenes of strong winds and waves...They have also seen a lot of scenes of dead people, but it is the first time they have seen such cruel scenes like this.

Because in this case, how can there be any whole bodies?

I saw that the corpses had been completely rotted, and they were clearly eaten clean by some kind of poultry...

"Asshole, how could this be?" Tang Xiaolong couldn't help yelling when he saw this cruel and \*\*\*\* scene.

Chen Qiaozhi and Xue Wuhen in front of them also stayed there, completely stunned.

How could this be?

Where's the corpse?

Where is the body?

Did the brothers die, and even the body was cruelly mutilated?

"Wang Zhen, Da Shan...Where are Situ Xuan's corpses?" Tang Xiaolong in front of him searched the audience like crazy.

When Tang Xiaolong was searching around with red eyes like crazy, they finally saw it.

On the side, what was left was the \*\*\*\* body of Brigadier Wang Zhen's lower body... As for the upper body of the body, I didn't know where it went.

The place next to it is obviously Jiang Dashan's, because through the stubborn internal organs, you can still see Jiang Dashan's clothes...

And what about Situ Xuan's body? He was already riddled with holes, his head was completely devastated, and his body was all pulled out of his internal organs, and even his two thighs were fed by the crows.

"Dashan, Wang Zhen..." Tang Xiaolong knelt on the ground when he saw the remaining body shells of these brothers, his eyes blushing and roaring out.

What about Xue Wuhen and Chen Qiaozhi? Also completely at a loss.

Too cruel!

The brothers are dead... but I didn't expect the body to be ruined like this!

"Bad...you bastards...I must want you to die! I must avenge my brothers." Tang Xiaolong clenched his fists and roared at the sky.

His fist fell on the ground like crazy, and he was angry.

Bang Bang Bang until the blood came out...

There is no way to describe the sadness and pain in the hearts of the three people at this moment. They never thought that Dashan, Brigadier Wang Zhen and Na Situ Xuan were not only dead, but even the corpses were ruined in this way.

Deep hatred is in their hearts.

In the end, they hid the endless flames of anger in their hearts, and then slowly piled up the leftover limbs of the brothers, found a place, dug a hole, and buried it just like that.

When buried, Tang Xiaolong, Xue Wuhen and Chen Qiao's capital stood blankly at the "grave"...

A cold breeze blew, and not only crystal tears fell on the faces of the three of them.

Who says men don't cry?

At this moment, the tears of the three of them all fell.

...

"I want revenge, I want revenge, I, Tang Xiaolong, are good brothers like you in my life. Now Dashan, Wang Zhen, and Situ Xuan are dead... Even if I die, I want to avenge them!"

"Bastard... those cruel vampires, I must kill them all." When he returned, Tang Xiaolong had completely lost his mind. When he said these words, his whole body was trembling violently.

Chen Qiaozhi was a little better, after all, he was the most stable man among the three.

He was silent for a while, did not speak, and paused for a while before he said: "This hatred, one day we will count with the vampire, but for the moment, let's not act rashly... After all, Li Tian's injury..."

When it came to Li Tian, Tang Xiaolong and Xue Wuhen stayed there.

Li Tian was bitten by a vampire.

Although it is said that Mary is ready to take Li Tian back to Toledo's family for treatment, can the effect really cure Li Tian? Can it really prevent Li Tian from becoming a vampire? There are still too many questions in their hearts.

Chapter 2015: White lie

"But are we just waiting like this? Waiting for everything to happen, and then doing nothing?" Tang Xiaolong said angrily.

Chen Qiaozhi sighed deeply, "At present, it can only be so.

After Chen Qiaozhi said so, Tang Xiaolong was speechless.

Suddenly Xue Wuhen, who was in the car, stared with blood-red eyes, and suddenly said, "Have you noticed it? There is one missing corpse..."

Suddenly a strange word came out of Xue Wuhen's mouth.

After he said this, the Chen Qiaozhi and Tang Xiaolong in front of them were not only taken aback, they turned their heads and looked suspiciously at the solemn Xue Wuhen at the moment and said, "Wuhen, what did you say?"

"I said just now we only cared about the bodies of our brothers...but we didn't find the body of another bastard." Xue Wuhen suddenly clenched his fists in front of him.

"Who?" Tang Xiaolong asked in surprise.

Xue Wuhen said with anger all over: "Long Yin... \*\*\*\* devil Long Yin."

When Xue Wuhen said such a sentence, the brothers in front of him were stunned for a moment.

"Devil Dragon Yin?" Tang Xiaolong called out.

Then Chen Qiaozhi suddenly frowned, and suddenly thought of the scene of the corpse just now in his mind. At the moment, when he stepped on the brakes, the car that was driving rapidly hissed and stopped there.

But seeing his face was shocked and said, "Yes..."

"Where is the corpse of the \*\*\*\* surnamed Long?" Chen Qiaozhi was also shocked at the moment.

When the three of them mentioned that Long Yin's corpse, they all stared at each other.

Yes, apart from the corpses of the three brothers in the scene just now, why didn't you see the body of the demon head surnamed Long?

You must know that he is also a human...not like Spike and other vampires... After those vampires die, they turn to ashes, but Long Yin is a human, what about his corpse?

After thinking about this in shock, the brothers saw Tang Xiaolong suddenly say: "Could it be... that \*\*\*\* \*\*\*\* is not dead?"

"Nonsense! How could it be possible?" Chen Qiaozhi said furiously.

Xue Wuhen here also said: "Yes, the man named Long was clearly slapped on the cover of the sky spirit by the palm of his brother, and he was beaten to death. How could he not die?"

The death of Long Yin, the brothers in front of this is the most clear, so at this moment the possibility that Long Yin did not die can be ruled out.

Long Yin is indeed dead.

"But what about the corpse of the \*\*\*\* surnamed Long?" Tang Xiaolong questioned there.

As he asked like this, the brothers in front of him also stayed there, and no one knew where the body of Long Yin went.

Without their knowledge, Chen Qiaozhi suddenly murmured, "Unless...unless...unless someone deliberately took his body away."

In what Chen Qiaozhi said, Tang Xiaolong and Xue Wuhen in front of him were all incredulous.

"what?"

"Who would take away the corpse of the \*\*\*\* surnamed Long? Besides, even if they take away the corpse of Long Yin, what are they going to do?" Tang Xiaolong said in a very uncomprehending way.

Xue Wuhen nodded there too, expressing agreement.

But seeing Chen Qiaozhi said: "I don't know this...but I think that the disappearance of Long Yin's body must have some kind of great conspiracy, after all, that demon was so terrifying before his death."

After Chen Qiaozhi uttered such a few words, the brothers were all silent there.

Although they all thought it was strange that Long Yin's body was missing, they couldn't figure out why. After a moment of contemplation, Chen Qiaozhi then started the car again, then stepped on the gas pedal, and the car began to drive back on the way back.

Soon, the brothers went back.

When the brothers came back, Situ Ningbing and Duanmuying Ouyang Shiqing were all standing outside waiting for them.

After seeing them come back, they all walked over quickly.

Situ Ningbing's pretty face was filled with extreme sadness, and her heart was infinitely sad for the death of her own brother.

Last night, this stupid girl has not slept. She has been worried about Li Tian and mourned the death of her brother. The tears almost drenched the pillow... Now her eyes were red and swollen, and she ran over quickly.

"Qiao Zhi, how... have you found the corpse of my brother?" Situ Ningbing's voice was already a little hoarse, looking at the three of them there.

Chen Qiaozhi, Xue Wuhen and Tang Xiaolong, who came out of the car here, didn't know how to answer Situ Ningbing when they heard Situ Ningbing's words!

After all, Situ Xuan's corpse has been ruined in that way. If you tell Situ Ningbing, who is sad at this moment,...wouldn't it hit her harder?

When the silly Tang Xiaolong was about to tell the status of Situ Xuan's body, he saw Chen Qiaozhi walked over there first, and said, "Miss Ningbing...Don't be sad... Situ Xuan's body , We have found it, and have been buried safely..."

Chen Qiaozhi didn't tell the decay of Situ Xuan's body, he told a lie.

It's just that this lie is indeed a white lie.

After hearing Chen Qiaozhi's words, both Xue Wuhen and Tang Xiaolong understood his good intentions, so they didn't say much at this moment.

After all, people are already dead...Why do you need to tell those sad people?

After hearing what Chen Qiaozhi said, Situ Ningbing's eyes blushed, and he looked at Chen Qiaozhi in front of him: "Then, thank you."

Chen Qiaozhi said: "Miss Ningbing is polite..."

"Situ Xuan and I were already good brothers... It's nothing to do this."

After Situ Ningbing finally heard that his elder brother's body had been buried in the soil, he finally let go of a wish in his heart.

After Chen Qiaozhi told Situ Ningbing a white lie, he brought Tang Xiaolong and Xue Wuhen back to the room.

In the innermost place, I saw Cthulhu still struggling to stay beside Li Tian's hospital bed.

This day and night, the Cthulhu hadn't left Li Tian's bedside for a moment.

He kept guarding his son like that, holding the cold hand tightly with that hand from beginning to end.

Li Tian on the hospital bed was like a dead person, his whole body was completely cold, and his face was as pale as a dead person without blood. The place in the neck that was bitten by the vampire showed signs of decay at this moment, but it was not serious. .

He lay there like a dead person, motionless, not breathing a bit, nor any heartbeat.

Chapter 2016: Follow Cthulhu

They said that after Chen Qiaozhi and Xue Wuhen and Tang Xiaolong walked in, they saw the evil \*\*\*\* in front of the hospital bed.

Then the three slowly walked over.

"Senior Cthulhu..." the three cried out together

After the three of them called out, the evil \*\*\*\* turned his face slightly... his face was full of exhaustion, and there were scarlet bloodshot eyes in his pupils.

After he turned his head, he glanced at the three people in front of him, and then said: "How are their corpses handled?" There was a little hoarseness in his voice... After all, he didn't close his eyes all day and night.

After the Cthulhu asked, Xue Wuhen and the three people in front of them not only bowed their heads deeply, their facial expressions became extremely ugly.

After seeing the expressions of the three of them, Cthulhu furrowed his brows and immediately asked, "What's wrong?"

I saw that Chen Qiaozhi suddenly raised his head helplessly and looked at the evil god.

"Senior Cthulhu... Dashan and their corpses... The corpses... are all destroyed!" Just like that, a sentence came out of Chen Qiaozhi's mouth.

After one of Chen Qiao said so, the evil \*\*\*\* in front of him was stunned.

"What? The corpse... how could the corpse be destroyed?" Cthulhu asked in shock.

After the Cthulhu asked, but seeing Chen Qiaozhi in front of him, he told Jiang Dashan, Brigadier Wang Zhen, and the destruction of Situ Xuan's body.

After Chen Qiaozhi told the truth all of a sudden, the evil \*\*\*\* in front of him shook and stayed there.

He couldn't believe this fact either.

The corpse was ruined in that way, and a terrifying hostility suddenly surged from the body of the evil god...

"Extremely hateful!" The Cthulhu roared in his mouth, and then a hand full of bursts suddenly hit the stone table in front of him.

With a click, the huge stone table was directly shattered by the Cthulhu's palm!

He was so angry.

"This group of beasts... actually did such a vicious thing!" The evil \*\*\*\* couldn't help roaring with the endless flames burning in his heart.

Chen Qiaozhi in front of him also said: "Senior Cthulhu... We have now simply buried Dashan and Situ Xuan's corpses..."

Cthulhu stood there for a long time, and then slowly recovered his anger.

He said, "Well... it's also a good thing to let them go to the soil early for safety."

"Senior Cthulhu, there is something I think I must tell you." Chen Qiaozhi said suddenly.

After Chen Qiaozhi suddenly said this, the evil \*\*\*\*\* asked, "What's the matter?"

"When we were looking for the bodies of Dashan and theirs, we found that the corpse of the Demon Head Dragon Yin disappeared...there was no corpse named Dragon Demon Head on the field." Chen Qiaozhi said suddenly.

Following Chen Qiaozhi's words, the Cthulhu immediately frowned deeply.

"what?"

"Long Yin's body? How could his body disappear?" Cthulhu asked in horror.

Then Chen Qiaozhi said depressedly, "This... we don't know, but what is certain is that the corpse surnamed Dragon Devil has indeed disappeared..."

After the Cthulhu heard what Chen Qiaozhi said, he was shocked there all of a sudden, his mind was spinning there quickly, and his heart was under the uncontrollable shadow: How could this happen, how could the corpse of the Long Yin thief suddenly disappear? What?

"Senior Cthulhu, I guess that Long Yin Demon Head's body may have been taken away..." Chen Qiaozhi said at the moment.

After hearing this, the evil \*\*\*\*\* said: "Why do you say that?"

Just listen to Chen Qiao's words: "Because there was no other than the corpses of the brothers at the time, and that Long Yin's corpse would never stand up and run by himself...because he is dead...so I I feel that the reason why his body disappeared must have been taken away by others."

Chen Qiaozhi's analysis is very reasonable.

The dead body will never stand up and walk on its own.

And at that time, the corpse of Long Yin was indeed not seen, so guessing, the corpse of Long Yin must have been taken away by someone else.

After the Cthulhu listened, his brows furrowed and said, "Could it be that the vampire took away the body of the Long Yin thief?"

As Cthulhu said so, Chen Qiaozhi in front of him nodded there too.

"Senior Cthulhu, in fact, I think so too. I personally think that the disappearance of the devil's body surnamed Long should be related to the group of vampires." Chen Qiaozhi said.

At this moment, the Cthulhu stood there, frowning deeply.

He was thinking about what was going on in his mind, and at the same time thinking about why the vampire wanted to take away the body of Long Yin?

...

"Senior Cthulhu, Miss Mary will take away Brother Tian tonight, right?" Xue Wuhen asked while looking at the Cthulhu.

The Cthulhu silently nodded and said, "Yes, Tian'er is going to a foreign country tonight." The Cthulhu said as he reluctantly looked at the hospital bed like a dead body Li Tiandao.

"Then what are your plans for Senior Cthulhu?" Xue Wuhen continued to ask.

Tang Xiaolong and Chen Qiaozhi on one side not only blinked their eyes and looked at the evil \*\*\*\* in front of them.

But seeing that Cthulhu did not immediately answer this question, he suddenly turned around, stood with his hands on his back, and looked up at the sky for a long, long time, and suddenly said: "Do what you should do..."

"First of all, I want to find my old brothers... I want to find ghost servants, Dugu, and Huamei..."

Tang Xiaolong in front of him suddenly said with excitement: "Senior Cthulhu, Dugu, and my master and Senior Hua are currently in the North China Field Military District..."

After the Cthulhu heard Tang Xiaolong's words, a bitter smile appeared at the corner of his mouth. As if he had already known the location of Dugu and Ghost Servant.

It's just that the place where Dugu and the ghost servant are located is the place where the evil \*\*\*\* wants to go?

North China Field Army!

The territory of his father-in-law, Grandpa Li Tian's territory... is also the place where Li Tian's mother and the evil \*\*\*\* once cut off from the old commander Namu.

Now that more than two decades have passed... Will the stubborn old commander still hate himself? Cthulhu didn't know.

The corner of his mouth just wore a bitter smile with the vicissitudes of years.

"Senior Cthulhu, our brother has a request, don't you know if you agree?" Xue Wuhen said suddenly in front of him.

The Cthulhu said with pride: "Of course, it doesn't hurt to say everything..."

Na Xue Wuhen laughed when he heard the evil \*\*\*\* say this, and then said, "Because we have been following Brother Tian... Currently, Brother Tian will be taken abroad by Mary... Our brothers don't know. What to do... So we thought about it, and still want to follow you, Senior Cthulhu... Because only by following you, our brothers can avenge the dead mountain, Situ Xuan, and Brigadier Wang Zhen.

Chapter 2017: The departure of the vampire

Follow Cthulhu?

Tang Xiaolong, Xue Wuhen and Chen Qiaozhi in front of him are going to follow the evil god?

Did he agree?

When Cthulhu suddenly heard the brothers say this, he not only froze for a moment, then turned his face and looked at the three people in front of him slightly.

"You want to follow me?" Cthulhu said.

Xue Wuhen, Chen Qiaozhi and Tang Xiaolong nodded there.

"Yes, you are our brother Tian's father... Now Brother Tian is going to a foreign country... We can only do something with you." Xue Wuhen said over there.

Hearing what they said, the evil \*\*\*\*\* suddenly laughed.

His laughter made the brothers a little bit confused. The brothers were not only worried in their minds at this moment, but they were afraid that this evil \*\*\*\*\* might not agree.

But after seeing the Cthulhu release his life and laugh, he suddenly looked at the brothers in front of him and said, "Okay."

"Since you want to follow me... then follow..." the evil \*\*\*\*\* said suddenly.

After the Cthulhu suddenly agreed to the brothers, the three people in front of them were a little excited and couldn't believe it.

"Senior Cthulhu... did you really agree?" Tang Xiaolong asked excitedly.

But seeing the evil \*\*\*\*\* nodded seriously.

"It's great..." the three people in front of them said happily.

Although the name of Cthulhu has been forgotten by many people after a long period of time... But if the Cthulhu returns to the arena, it will definitely cause an uproar in the arena.

And the current Cthulhu finally decided to be born.

For more than 20 years, he has been frozen under the endless ice. The past grudges and resentments, maybe he should get them back one by one.

"If the three of you follow me, you will face many, many troubles in the future. After all, more than twenty years ago, I met too many enemies and enemies." Cthulhu said suddenly.

But when Tang Xiaolong said, "Senior Cthulhu, don't worry... we won't be afraid."

"Yes, when we followed Brother Tian, we also fought all the way." Xue Wuhen also said.

Hearing the three of them say so, the evil \*\*\*\*\* nodded in relief.

Said: "Well then... Then from now on, the three of you will follow me first."

The brothers were all excited when they heard this evil \*\*\*\*\* said.

The Cthulhu I will finally come back out of the arena.

For more than 20 years, so many heroes thought that the evil \*\*\*\*\* was dead, if he were born now, I really don't know what kind of uproar it would cause...

Before, he had been hiding his identity and his traces. Now Li Tiansheng has no idea that Mary will be taken to the remote northern part of Italy. Of course, the domestic evil \*\*\*\*\* will rise!

Because there are many, many enemies in the country, one of them is the master of the demon \*\*\*\*\* gate.

...

"Sister Ningbing, is Li Tian really going to be taken away by the vampire Mary? Taken to Italy?" In an exquisite room, but seeing that Duan Muying sitting there sadly, looking at Situ Ningbing. .

Situ Ningbing's beautiful eyes were still swollen...At the same time, there were still traces of blood in the pupils.

Situ Ningbing said: "It seems that it can only be so now."

"But, can't we follow? Just let the vampire Mary take Li Tian, sister Ningbing, don't you worry?" Duanmuying in front of her was crying anxiously.

Her heart is on Li Tian from beginning to end, and of course she can't bear to watch Li Tian leave her!

And this time, his departure was still so far away...on the other side of the earth.

Situ Ningbing sighed sadly, "What can I do if I don't worry about it?"

"Li Tian has become like this now...If he is not saved, he will become a vampire..." Situ Ningbing said, his eyes suddenly red.

Duankiyang also became sad, and she rolled her small face and wiped the tears from the corner of her eyes.

"We can only let that vampire Mary take Li Tian away! I hope she can cure Li Tian." Situ Ningbing said last.

Duanmuying wiped the tears from her cheeks and said: "I heard that the vampire Mary is going to take Li Tian away tonight?"

Situ Ningbing nodded silently.

"I want to see Li Tian for the last time..."

Duanmuying could no longer help the sadness in her heart, she suddenly stood up in tears and said.

Situ Ningbing smiled bitterly, "Go...Let's see Li Tian."

...

Mary has told Cthulhu and all the brothers that she is going to take Li Tian away tonight, because she feels that the sooner Li Tian's injuries are treated, the more he can prevent Li Tian from becoming a vampire.

After hearing the words of Miss Mary, the brothers and Cthulhu, although all of them were extremely reluctant, but in the end they all agreed.

The night came slowly.

Looking at the darkening sky, brothers, everyone is extremely heavy at this moment...

Everyone is staying in Li Tian's ward at the moment, because everyone knows that Li Tian will leave them soon and reach the other side of the world, so they came here very early, and want to see Li Tian more. .

Li Tian was lying there as always, motionless, without breathing, without heartbeat, his whole face pale as if he had been dead for a long time.

And what about Mary the vampire?

As the night got darker and darker, Mary slowly woke up in the enclosed dark room.

It is impossible for a vampire to come out during the day, so Mary can only show up at night.

At this moment, after Mary awoke, her bright eyes first glanced at the night outside the window, and then slowly opened the door of the room.

After opening the door, Mary walked out of the room in front of her, and she quickly melted into the darkness.

She stood in the darkness, and suddenly sniffed her nose... then the beautiful face suddenly wrinkled tightly... as if something bad happened.

"Why can't you smell them? Have they left here?" Suddenly a strange word murmured from Mary's mouth.

After Mary said so, her eyebrows tightened...

Then he sighed helplessly, and walked quickly towards the room where Li Tian was.

When Mary came to Li Tian's room quickly, she saw that the brothers had already been sitting there one by one waiting for her arrival.

When seeing Mary the vampire walk in, everyone was focusing on her at the moment.

Mary glanced at everyone, then walked slowly to the middle, and suddenly said: "I'm going to take Li back to our family tonight, do you have any other opinions?" Suddenly a question came out of Mary's mouth. .

After she said it, but seeing the brothers here did not say anything, they all acquiesced.

I saw the evil \*\*\*\*\* slowly standing up, looking at Mary there and saying, "I just ask you to heal Tian'er."

When Mary heard the evil \*\*\*\*\* say this, she said: "Don't worry, Li once saved my life. This time, I will do everything possible to save him."

"En, that's good, thank you." The evil \*\*\*\*\* looked at Mary.

"One thing, I have to tell you." Mary said suddenly.

Brothers and Cthulhu, after hearing Mary say this, questioned: "What's the matter?"

"The vampires of the Gangaluo family have probably left here, leaving your country... I think maybe the vampires of the Gangaluo family will never appear in your country again." Weird words from Mary Said it from the mouth.

Chapter 2018: gone

After Mary said this, the brothers were taken aback.

"What? The vampire left?"

"Miss Mary, how do you know?"

"Yeah, Miss Mary, how can you be sure that the \*\*\*\*\* vampires of the Gangelo family have gone?" The brothers asked curiously.

Mary slowly turned her head and looked at the pitch black outside, muttering in her mouth:

"Because I can't smell them anymore..."

"Besides, they have already got what they want... Of course there is no need to stay here anymore." Mary sighed slightly there.

With Mary saying this, the brothers basically understood. They knew that vampires have a keen perception beyond normal people, and that the vampires of the Gangelo family have always stayed here for the key of fate. , Now the Key of Destiny has indeed been snatched away by the Gangaluo family vampires... They should have really gone.

After hearing what Mary said, the brothers fell silent.

The vampire of the Gangelo family is gone! This news is mixed for my brothers! The happy thing is that those perverted gadgets finally stopped killing innocent people in Binjiang City... But the hateful thing is, how should the blood feud of the brothers be reported?

"Damn beast... Did you just run away like this?" Tang Xiaolong clenched his fists and said angrily. Xue Wuhen here is also depressed...

What if the vampire is gone? What about this blood feud?

But seeing that the evil \*\*\*\*\* spoke in the end, he stood there, looking at the brothers, and said in a very responsible person: "Don't worry... Although the group of vampires have left our country, I assure you that they have I will definitely let them pay the blood debts owed! Even if I chase them to the end of the world."

Listening to the words of the evil god, the brothers suddenly became excited.

Mary just stood on the side in silence, without saying anything.

The night is getting deeper and deeper.

Mary is about to leave here with Li Tian.

It was Ouyang Shiqing who arranged for Mary to go. Although the family was ruined, this eldest lady had enough cash in her bank card to handle everything.

Therefore, Ouyang Shiqing is the most suitable for paying.

The arrangement was a private jet!

Because of Li Tian with a dead body, taking a private jet is the best thing.

The private jet is parked in a small airport outside the suburbs of Binjiang City.

At this moment when Mary decided to leave, everyone's face was full of reluctance, they were all there looking at Li Tian...

After this farewell, no one knows when I will see Li Tian? In other words, when you see Li Tian again, what will he look like and a human being? Or a vampire?

Finally, Li Tian was taken away by Mary.

Because the private plane was in the suburban area of Binjiang City, the brothers, Cthulhu, Situ Ningbing and other women decided to send Mary and Li Tian last.

A few cars have already parked safely outside...

The Cthulhu held the cold Li Tian and walked towards the car outside step by step, and the brothers behind him and the beautiful women like Situ Ningbing also followed.

After getting in the car, the convoy began to set off.

Along the way, everyone felt extremely uncomfortable, especially the women who were waiting for Situ Ningbing and Ouyang Shiqing who loved Li Tian.

No one is more sad than their hearts.

They were tightly surrounded by that cold Li Tian along the way, looking at him, hoping to imprint his face deeply in their hearts.

However, as time passed... the time of parting was finally coming.

As the car drove fast, soon their car had reached the suburban area of Binjiang City.

From a distance, you can see the private jet parked there.

The private jet was rented by the luxury club in Binjiang City. It was a large-scale business jet, the model was Anola sa60l, and it was parked far away and waiting.

When the convoy finally arrived, Mary, Cthulhu and others all got out of the car.

It's time to say goodbye now, although he is reluctant to leave, but he can't stay.

"I should go!" Mary looked at everyone in front of her with a bitter smile.

At the moment, Tang Xiaolong over there was holding Li Tian, who was as cold as a dead person, and the brothers were also surrounding that Li Tian... and they were very unwilling to give up.

The Cthulhu sighed and said, "Well, then we will send you here."

"My God, please!" The Cthulhu finally said.

Mary nodded there.

"Mary... remember the contact information I told you before... If there is something in Tian'er, please notify me as soon as possible... I will rush to Italy immediately and look for you!" The evil \*\*\*\*\* looked at Mary.

Mary the vampire nodded.

In this way, Mary took Li Tian to prepare to go... They walked towards the private jet step by step...

The Anora sa60l private jet, at this moment, the huge propellers have begun to rotate rapidly... The whirring wind started to blow the brothers back and forth... It almost couldn't open the eyes. ...

But the brothers are still watching.

Goodbye!

This farewell, when will Li Tian come back? What happens if he goes to Italy alone? What is about to arrive is Miss Mary's vampire family... Can he be a human being integrated into the life of that blood family?

Everything is a mystery.

The plane finally took off in the tears of brothers, Situ Ningbing.

As the huge propeller began to spin continuously... Finally the plane began to fly slowly.

Accompanied by the unwilling gaze, everyone's heart was heavy, and they all stared at the plane flying away.

Suddenly, Tang Xiaolong murmured in his mouth, "I really can't bear to leave the little boss..."

"Yes, I want to go with me... take care of Brother Tian." Xue Wuhen also said with red eyes.

I saw the evil \*\*\*\* suddenly said: "Soon... soon, we will also arrive in Italy!"

what?

When Cthulhu suddenly said this, the brothers were all stunned.

"Senior Cthulhu... did you just say that we should go to Italy?" Xue Wuhen here asked, while wiping his reddish eyes, looking at the Cthulhu in horror.

"But didn't Mary say that... if we humans reach their vampire territory, it's not good?" Tang Xiaolong said in front of him.

But seeing the evil \*\*\*\* standing in front of him, standing in the dark, muttering: "I care about her good or bad..."

"Tian'er is my biological son... Can I just let it go like this?"

"Italy, I'm going to make it!" Cthulhu said, standing in the middle of the night.

Yes, Li Tian is still undecided, how could the Cthulhu as his father not care?

Even if it is Longtan Tiger's Lair, presumably the Heretic God will eventually make a breakthrough...

Chapter 2019: Li Tian is about to mutate

The night was filled with \*\*\*\* darkness.

Duguxie, the brothers and the women like Situ Ningbing stood blankly, looking at the plane that had long since disappeared... just stood blankly like that, watching for a long time.

During this period, no one spoke, no words at all.

The cold wind blew on them, and their sad hearts seemed to merge with the entire darkness.

Li Tian left, and was taken by Mary to another country.

...

On the distant dark sky, an Anola sa601 private jet was flying alone in the sky.

The pilots of this luxury private business jet are two top-level international pilots. The two pilots never saw Mary and Li Tian from start to finish, because Ouyang Shiqing used to rent their planes specially He told them, don't talk nonsense, don't ask more about things that shouldn't be inquired... They only need to fly this Anola sa601 private plane safely to the Italian border.

Those two pilots were also very pragmatic, so they were sitting in the cockpit and just flying.

Now they have flown away from the domestic border and are continuing to fly toward the other side of the earth.

What about in the cabin?

The cabin of this luxurious private jet is fully equipped with all the necessary items.

I saw Mary sitting on the luxurious seat in the cabin, her undulating blond hair draped over her tender shoulders, and her beautiful, gem-like eyes were blinking in the blink of an eye. , As if thinking about something in there.

And here? What lies lying is a "corpse".

There is no doubt that the corpse belongs to Li Tian.

At this moment, Li Tian's corpse is still as cold as ever...There is no bloodshot in his whole body, and the whole person is motionless, without any breathing.

Besides, when Mary stared blankly at the dark sky, suddenly Li Tian, who looked like a dead body, suddenly made a very small movement.

As a vampire, Mary's hearing is so sensitive. Although Li Tian's movement is extremely small, she still felt it all at once.

Then her beautiful face turned around in an instant.

Then Li Tian's eyes widened and looked like a dead body in front of him.

Li Tianzhen moved just now?

Or did Mary the vampire get it wrong?

After Mary turned her face abruptly, her eyes hurriedly placed on that Li Tian's face, but seeing that Li Tian's eyes were confined, the whole person was motionless...like a dead body.

The tooth mark wound on the neck originally bitten by the corpse king Uris disappeared strangely...

The moment Mary saw that the wound on Li Tian's neck suddenly disappeared, she was there for an instant! ! !

Look closely at Li Tian's neck. The skin is intact. Where is the tooth mark wound? It's exactly like normal human skin, without even the slightest scar...but the only strange thing is that the skin is abnormally pale, and the capillaries inside are clearly visible...It looks extremely weird.

"No... it's mutated so fast?" Mary was shocked instantly when she saw Li Tian's neck wound disappeared.

Mutations? Could it be that you became a vampire?

When Mary said this, an extremely strange atmosphere was immediately enveloped in the cabin.

The vampire Mary blinked her eyes in disbelief and looked at Li Tian's neck, and then stretched out her hand to touch Li Tian's neck, which was intact!

Mary was shocked.

"It's impossible to mutate so fast..." Mary muttered to herself in shock.

You must know that if a vampire really bites a person, it is impossible to mutate so quickly. Under normal circumstances, it will go through a 35-day physical change phase before it gradually

changes into a vampire. What about Li Tian in front of him? How could it be so fast? This is only one day?

Thinking of this, Mary was horrified for a moment.

It must be understood that the newly mutated vampire is extremely cruel and bloody. He will be unaware for a short time, without any reason, and the only things in his mind are bloodthirsty, blood sucking... and slaughter! If Li Tianzhen changes so fast, what will happen then? This is now on the plane, how can there be blood for Li Tian to drink? .....If Li Tianjue wakes up, then can it be done?

When Mary felt that there was a serious danger, she quickly unbuttoned Li Tian's chest with her hands.

After unlocking, a terrible scene appeared in Mary's eyes!

Take a closer look, my God... Li Tian's heart started beating!

It turns out that the tiny movement that Mary heard just now came from the beating of Li Tian's heart

Is he alive?

No, to be precise, his heart is alive, and his people are still dead.

His heart was beating pounding, and the rate of beating was much faster than any normal person!

When she saw that Li Tian's heart had already started beating, Mary in front of her stayed there for an instant.

"God! He really is about to mutate..." A shocking word suddenly came out of Mary's mouth before her eyes.

When Mary realized that Li Tian was about to become a vampire, her entire pretty face suddenly became shocked.

I saw her frowning willow eyebrows deeply, looking at Li Tian's cold and white body at this moment, turning quickly in her mind.

How to do?

What should I do?

Suddenly, her beautiful eyes glanced at the timetable in the cabin, which said it was 21:09.

After Mary watched it, she suddenly stood up quickly, and then ran to the communication device on the side quickly. There was a communication device similar to a walkie-talkie on one end of the cabin, and Mary picked it up directly.

"Hello..." She pressed the button with her finger, and then shouted at the communication device.

The place where this communication equipment is accessible is the cabin of the engine room.

At this moment, after Mary gave two feeds, a male voice came from inside: "Hello, I am the captain of this machine, what's the matter?"

After hearing the other person's voice, Mary immediately asked, "How long do we have to fly?"

After Mary asked, the captain's voice came from the microphone. He only said, "It will take about 78 hours to reach the Italian border."

After Mary heard the captain say so, Liu brows frowned deeply.

"78 hours?" she muttered there.

"Yes." Another voice came over there.

Mary said, "Thank you." Then she reluctantly put the microphone in her hand back to its original place.

Chapter 2020: vampire

"There are still 78 hours before you can get off the plane...? But the speed of Li mutation is so fast, can he hold on for another 78 hours? In case he wants to mutate into a vampire on the plane, that's it. Got it?"

We must know that the newly mutated vampire is extremely cruel, bloody, and extremely thirsty, and needs to immediately replenish human blood. Therefore, if Li Tian really wants to mutate into a vampire on the plane, the consequences will be extremely terrible, because there is only Those two pilots are humans... So if Li Tian really wakes up, the two pilots will undoubtedly be sucked up by Li Tian, but if the pilot's blood is sucked up, the plane is not direct explosion?

When Mary thought of this, the whole person was not only deeply depressed there.

Her beautiful eyes looked at Li Tian who was lying on the ground at the moment, and saw that Li Tian who was lying on the ground was beating faster and faster... and that face had begun to turn pale completely...

It's exactly the same as a vampire, except that it hasn't become Li Tian's teeth!

If even Li Tian's sharp and long teeth mutated, it would be really difficult to handle.

At this moment, when Mary opened Li Tian's mouth and found that Li Tian's teeth had not mutated, she finally sighed in her heart.

"I hope Li can last for 78 hours...Don't mutate into a vampire on the plane." Mary prayed there.

Time just passed by one minute after another.

That Mary has been watching Li Tian's changes with her extremely worried beautiful eyes.

An hour passed and there was no response.

Two hours passed... still not much reaction.

...

The time goes by slowly.

And Mary? From beginning to end, he stared at Li Tian who was about to mutate.

Suddenly, just a few hours later, Li Tian, who had been lying there quietly, suddenly began to react.

His cold body shook suddenly.

The moment he moved, Mary in front of him saw it.

"No!" an exclamation came out of her mouth.

Then she looked at Li Tian carefully, and saw that although Li Tian's eyes were still tightly closed, his body began to react tremendously...At the same time, the beating rate of his heart began to increase...

Mary knew this was the first reaction of the vampire.

The first embrace is the change reaction of the body gradually turning into a vampire body.

Then Mary lifted the skirt of Li Tian suddenly, but on Li Tian's broad chest, purple-black blood vessels bulged out of his body, and at the same time, his heart was constantly undulating. .

"It's going to mutate!"

"Li Tian is really going to mutate!" Mary was shocked for an instant.

When the blood of the whole body is occupied by the blood of the vampire, then he will become a vampire and become a true member of the blood family.

And now, Li Tian's whole body has begun to undergo extreme changes.

After seeing the result, Mary already knew that time was really too late... It seemed that Li Tianzhen would mutate a vampire on the plane before he reached the Italian border.

Thinking of this, Mary was stunned.

"What can I do? If Li really becomes a vampire on the plane, then all the pilots in this plane will have to be sucked up alive by him? You know that there are only those two pilots in this plane. It's human..."

After thinking about this in her mind, Mary suddenly caught a glimpse of the seat belt on the side of the plane seat.

The moment Mary saw the seat belt, Mary's eyes lit up.

"Yes, that's it! I hope I can tie Li Tian with a rope and wait until they get off the plane..." After Mary murmured that, she suddenly walked quickly to the empty seat over there, and then Remove all the seat belts on those seats.

What is she going to do?

However, after Mary unfastened the seat belts, and then connected the seat belts one after another...turned into a rope, and then she began to use this "rope" to remove all the hands and feet of Li Tian who was about to undergo a physical transformation. Tied tightly...

It turns out that Mary wants to tie up Li Tian!

Her idea is really good. Even if Li Tianzhen becomes a vampire later, if he wants to \*\*\*\* human blood, then he can't move because his hands and feet are all tightly tied...

In this way, Mary began to bind Li Tian's whole body tightly.

Hands and feet are tied tightly with "ropes".

After working for a long time, Marie finally calmed down. Looking at Li Tian who was \*\*\*\* at this moment, Marie could finally take a sigh of relief...

"I hope to stop the mutant Li Tian."

She finally said.

But can Li Tian be \*\*\*\*\* like this to stop it? No one knows.

Time continued to pass by one minute after another.

Just like that, Mary has been carefully observing Li Tian's changes.

His fingernails have changed... become slowly pointed and long... his face is pale and terrifying, and the frequency of his heartbeat is getting faster and faster.

Mary just sat in that position, waiting anxiously.

At this moment, Li Tian had obviously started to react violently. Suddenly, Mary saw that Li Tian's mouth began to grow terrible fangs...

The fangs did not grow out completely, but only a section!

When she saw Li Tian's fangs grow out, Mary's heart swelled, because she knew in her heart that once the fangs grew, the mutation from Li Tian would be instantaneous.

He is going to change! Become a vampire...

At this moment, Mary looked at Li Tian with full attention. She had to prevent Li Tian from becoming a vampire for the first time.

I saw that when Li Tian's fangs grew out every minute, suddenly his body began to tremble violently.

Li Tian's cold body seemed to be convulsed, shaking like that, Mary just held him with her hands to prevent him from moving violently, and the "rope" tied to her body was also at this time. He tightly restrained Li Tian's hands and feet.

Suddenly, Li Tian's eyes burst open.

It was a pair of hungry eyes, it was a pair of pupils that were not human at all... it was open in that nothingness.

"Li..." The moment she saw Li Tian "waking up", Mary in front of her was stunned for an instant.

He has changed...Oh my god, Li Tianzhen has become a vampire.

Pale face, bloodthirsty hollow eyes... and long pointed fangs...

He became a vampire in amazement!
