

## A Killer 21

Chapter 21: Beautiful lady

When I got out of the train station, I saw the skyscrapers, one next to each other, and cars after another on the road. In addition to envy, I still envy.

Your mother, when can you drive a small car around such a city?

With such a simple thought in mind, Li Tian left the train station and began to wander the streets.

Although he has just arrived here, Li Tian is not stupid. He knows that he must first solve the problems of food, clothing, housing and transportation. Now he still has more than 1,000 yuan in his pocket. It must be hopeless to live in a hotel. The only idea is that Hurry up to find a house and rent it first, preferably cheaper, and then find a job.

As for the "wife" who has not been through the door, he said that he wanted to find the guy named Qiu Si. This person is still in a daze and he doesn't know anyone, so go there and find him? Even if it is to find, Li Tian has to solve his own accommodation problem first.

So Li Tian carried his broken bag on his back, looking for a place to stay in such a crowded place.

On the bustling streets of Kyoto City, I saw a beautiful woman trotting panting.

The upper body is wearing a strapless snow princess shirt, which is very tight, and the lower body is wearing an exquisite JustDot leather short skirt, revealing two slender white legs, and a pair of exquisite sandals made of crocodile leather on the ankles.

A pair of classical melon seeds have a pair of bright eyes like autumnal water, giving a slightly rebellious breath, a very warped nose, plus the little cherry mouth below, how you look like a little princess .

Especially the Hermes silk scarf tied around the neck is very colorful, giving a sense of grace and luxury.

Anyone who sees such a beautiful woman in dress will know that she is definitely the richest person.

But why does such a beautiful little princess run so panicked? As if someone was chasing her behind.

As the glamorous girl ran, she blinked back and looked at her beautiful eyes: "I'm so dizzy, why are you still following me?" She muttered in her mouth.

It turned out that when I looked carefully, I saw a dazzling black BenZs600L closely following the \*\*\*\* the street behind.

Sitting in the car were two men in suits, one driving there, and the other looking through the car window from time to time.

"The eldest is over there...Don't lose it."

Just listen to the wheat-skinned man sitting in the passenger seat and pointing at the girl trotting down the street.

Another driving man nodded quickly, then stepped on the gas pedal, and the car quickly followed.

"The boss said that if you want to lose the eldest lady again this time, let's not go back, hurry up, don't lose it." The man in the suit sitting in the co-pilot said with embarrassment.

The man who was driving was also embarrassed, and hurried to the side.

The princess-like glamorous girl in front may be tired from running, and finally stopped at the corner of the street.

A slender hand kept patting his bulging chest, panting, staring at the BenZ car that followed.

After the BenZ car drove over, the car quickly stopped aside, and then the two men in suits came quickly.

"Miss..."

"Shut up." Just listen to the beautiful girl staring at the two men in suits.

"I'll tell you again, don't follow me, go back and tell my dad that I won't marry me if I'm killed." The beautiful girl said angrily, staring at Xingyan.

The two men in suits standing next to each other showed embarrassment and said: "Miss Feifei, we are also involuntarily, the boss said, if we can't bring you back today, we will both be driven away apart from."

"What does it have to do with me, huh, my dad wants me to go back, so he can do it himself if he has the ability."

The eldest lady named Feifei said, turning around to leave.

"Miss Feifei, you are embarrassing us. If you insist on not going back, then don't blame us for being a subordinate."

As one of the guys said, he grabbed the girl with one hand.

As if trying to hold her.

Unfortunately, the girl named Feifei lifted her calf and slammed her foot on the foot of the man in the suit. The man in the suit did not expect that the lady would suddenly make a move. She was stepped on and almost hurt. Scream out.

Feifei smiled, and then ran forward quickly.

"Fuck, what are you doing in a daze? Hurry up and grab the eldest lady." The man in the suit who was stepped on the foot was full of fire in his stomach, but unfortunately he couldn't vent, he had to face him. Another companion of's angrily said.

The kid hurriedly chased the girl.

After all, Feifei in the front is a girl's house, so naturally he is not as fast as the two bodyguards behind.

Isn't this? As she ran, she stood up and watched the bodyguards from behind follow her, never expected that someone in front was also looking around.

So all of a sudden, a woman and a man collided.

"Oh, dead man, you don't have eyes."

Miss Feifei, who was knocked to the ground, turned her head and cursed.

Who was the guy who was hit? In the blink of an eye, isn't it Li Tian who has just arrived in Kyoto?

Li Tian was hit by this girl so suddenly, he was still angry in his heart, but he didn't expect this girl to lose her temper first.

He turned his head and was about to curse, but when he saw this girl sitting on the ground rubbing her white calves, his exquisite touch made him feel soft for a moment.

Secretly: What a sign of girl.

"What are you looking at? Dead man, you see you hit me..." Feifei stared at Li Tian.

Li Tian didn't expect this girl to be so unreasonable, and smiled and said, "Beauty, you hit me, OK?"

"You deserve to be killed, who would let you stand in my way."

"Why are you girl so unreasonable?" Li Tian was a little angry, thinking that although he had just arrived in Kyoto City, he would not be bullied so much, right?

When the two of them were arguing, the two bodyguards who were in close pursuit had already ran over at this time.

With a glance, Feifei's eyes saw the two followers coming over again, and quickly hid behind that Li Tian.

"Don't come here." Feifei said in hiding.

When the two bodyguards saw the eldest lady suddenly hiding behind a man, they couldn't help being taken aback.
