

A Killer 2191

Chapter 2191: Extreme killing

"Li, take care of yourself..."

"Be sure to take care of yourself." Mary finally said.

After speaking, she endured her tears and said to the next Katherine without looking back:

"Katherna, let's go... to support other places!"

Katherine took a sad look at the last Li Tian and sighed helplessly. At this moment, she stretched out her hand and waved, and said to the remaining family knights: "Let's go! Go and support the wings of the Forgotten Temple!"

After the knights of the Torrido family heard Katherine's words, they could only follow them all!

They are gone!

The most important location on the back mountain of the Forgotten Temple is now left to him alone, Li Tian!

He stood domineeringly at the pass crossing like a destructive **** of death, facing hundreds of ugly vampire members of the Heiyi tribe.

The members of the Black Yap clan couldn't help screaming when they saw Mary and Katherine fleeing.

Those who were supposed to be their prey, were supposed to be mortal characters, but now they are all destroyed by this "guy".

They are going to kill him, devour him! Then invaded Toledo.

Roar!

Screaming loudly and screaming from the mouth of the Heiyi tribe vampire, they barked their pale and sharp fangs, and rushed towards Li Tian with their skeleton claws.

The cruel face seemed to tear Li Tian's whole body alive.

But what about Li Tian? He took a step back with his left foot, and then his right hand suddenly clenched.

"The Maha is boundless, I am the only one!"

The moment the horoscope roared from his mouth, the sky and the earth shook, and even the ground under his feet seemed to start to shake...

With a click, the hard ground in front of Li Tian suddenly began to crack, at the same moment, but seeing Li Tian's two palms suddenly glowed with golden light, and then, like a cloud turning, with a roar, it would break directly. The ground is exposed!

A 56-meter-wide ground surface was abruptly lifted by Li Tian, and then Li Tian exhausted his body's tremendous strength and pushed forward vigorously!

There was a roar of heaven and earth.

The 56-meter-wide hard stratum was completely shattered in Li Tian's hands, and then turned into a series of murderous weapons to shoot at the Heiyi clan vampires that were rushing in the dark.

Shoo...

The extremely powerful hard rocks all hit the bodies of the Heiyi tribe who threw them like darts. Their bodies were shot through, their heads shattered, and their blood stained the entire earth red. died.

A large piece of death!

With one move, more than 20 vampires of the Heiyi tribe died.

With just one move, he killed more than twenty extremely cruel Heiyi vampires. It was too scary and too powerful.

The vampires of the originally fierce Heiyi tribe had never seen such a terrifying guy. They didn't fear death and darkness, but at this moment, they were shocked by Li Tian.

One by one, shouting there, holding up those ***** pupils, staring at Li Tian in front of him, as if he didn't dare to charge.

What is he? Why is it so powerful?

But, after all, there are hundreds of vampires from the Heiyi tribe.

Even if more than twenty died now, it would be harmless to them, so they will continue to charge.

Along with the dozens of Heiyi clan vampires at the front, Li Tian made a mistake with his palms, and his vigorous internal strength covered his whole body. Then his body skills swept into the Heiyi group like a mad dragon.

The palm came out and screamed.

With two bangs, the two Heiyi clan vampires in the front hadn't seen Li Tian's figure clearly, and then their heads had been smashed. Before they even screamed out, their bodies turned to ashes and died. Got there.

And the rest of the black yams vampires? Also lifeless towards Li Tianchong.

Li Tian is like a killing machine, wherever his figure reaches, there will be ***** screams and dead bodies everywhere.

He blushed.

He will use his hands to wash the Heiyi tribe with blood today!

...

In front of the Forgotten Temple, the attack on the two wings was getting more and more serious at this moment. I heard that the place on the left was about to be breached. The more than 30 Torrido family knights who had guarded the left were almost killed at this moment.

Count Roger and Elder Archid had already put on armor.

They are also preparing to participate in the final battle, because this is the moment of survival of the Torrido family.

At this moment, several figures ran from behind the Forgotten Temple.

"father!"

"Earl Roger..." Then the yelling came towards the earl Roger and Elder Archid.

The Earl Roger, who was already ready to fight, was stunned for an instant after hearing the call of "daughter". In a blink of an eye, he saw Mary, Katherine, and 78 knights of the Torrido family from the Forgotten Temple. Came from the rear.

Count Roger was stunned when he saw his daughter.

"Mary!" Then he ran to his daughter excitedly, and then put Mary in his arms!

Mary also hugged Earl Roger in front of her tightly.

"Mary, I am so worried about you... Where did you go..." Count Roger looked at his daughter distressedly.

Mary wiped her tears and said, "Dad, I'm guarding the back of our Forgotten Temple with Katherine."

"Stupid boy." Count Roger heard Mary say so and glanced at his daughter with satisfaction.

At this moment, Katherine and the knights also ran over and saw the elder and Lord Roger, so they respectfully cried out: "Elder Archid, Lord Roger..."

When Elder Alchide saw that Kathena who was guarding the rear had arrived here, he was shocked and said: "Kathena, why are you here?"

"Isn't the rear position of the Forgotten Temple for you to guard? Why did you get here?"

"Could it...could it be that the back of our Forgotten Temple was lost?" Elder Alcid suddenly changed his face in shock.

Count Roger was also looking at Catherine in horror at this moment!

Yes, Earl Roger had originally ordered Na Katherine to guard the rear of the Forgotten Temple! But how did she leave her job without authorization now? And all the knights from the family came here? What is she doing?

After Elder Alchid asked in surprise, Katherine immediately explained: "Elder, this is not the case!"

"The rear of our Forgotten Temple has not been lost...Neither have I left my post."

When Elder Archid heard this, he looked at Katherine and asked, "Then why did you bring your people here?"

Then Katherine said: "That's because someone helped us hold the back of the Forgotten Temple."

Chapter 2192: Corpse and despair

what?

"Kathena, what are you talking about? Why did you say that someone helped to hold on to the back of the Forgotten Temple? Who?" Elder Archid in front of him was completely surprised after hearing Katherna's words.

Even Count Roger was dumbfounded, and he looked at Katherine before him in shock.

At this moment, however, Mary suddenly said excitedly: "Elder, Dad, it is Li Tian...He is guarding the back of our Forgotten Temple."

what?

"Lee?"

"Is that the Easterner?" Earl Roger and Elder Archid in front of them were immediately dumbfounded when they heard Li Tian's name.

How could this be? How could it be him? Originally, Elder Archid and Earl Roger thought that Li Tian had already escaped, but they didn't expect that he would actually help Katherine and the others...

The speechless shock made Elder Alchid and Earl Roger completely speechless.

Mary said excitedly: "Yes."

"Dad, Li Tian has made his choice. He told me that he compromised his identity as a vampire and he intends to help us Torrido."

"Now, Li Tian is guarding the back of our Forgotten Temple alone."

After hearing Mary's words again, the daunted Elder Archid and Earl Roger not only looked at each other in shock.

Then, when I saw Elder Alchid, he murmured: "Could it be that...I blamed him before...he didn't run away? He stayed and helped us Torrido..."

Lord Roger said: "Elder Alchid, since Li Tian has made a choice, then Torrido should be saved this time."

Elder Alcid also raised a hope in his heart: "I hope so, I hope so."

"But, Katherine, why are you all back? Why don't you stay and help our savior? Help him!"

"Now that you are all gone, what's the use of leaving him alone... Isn't the position behind to say that there are a lot of Black Vampires? How can he deal with it alone?" Elder Alchide suddenly looked at Katherine Said angrily.

As Archid said so angrily, but seeing Katherine awkwardly said there: "Elder, we also wanted to stay and help him, but he insisted on asking us to go! He said that he can guard there alone."

Dealing with so many vampires of the Black Yap tribe alone?

When Elder Alchid heard this, he suddenly smiled bitterly.

Isn't this kidding? how is this possible? How can one person's power deal with hundreds of vampires of the Heiyi tribe? Obviously Elder Alchid couldn't believe the strength of Li Tian.

But when I saw Mary in front of me, he said: "Dad, elder, please trust Li Tian's power! I think he can definitely guard the back of our family."

Following Mary's words, the eight Torrido knights who survived behind also said in unison: "Elder, please trust our savior! He must be able to."

The moment the loud voice came out of their mouths, the Elder Archid and Earl Roger were not only taken aback.

They did not expect that Li Tian's influence had reached such a point that even the family knights who had distrusted Li Tian in the past began to speak for Li Tian.

At this moment, hearing them say this, Elder Alchid nodded with satisfaction and said: "Okay, I believe him! I also believe in you!"

"Torrido has hope! Our family has hope!"

Excited voice yelled from the mouth of Elder Alchid.

"Elder, Lord Roger, let's go to support the two wings!" Katherine spoke there first.

Count Roger said: "Okay! Go and support the left wing...!"

"Yes!" After Katherine took the order, she quickly rushed to the left wing to support her with the knights.

As for Mary, she also looked at Count Roger and said, "Dad, I will go too."

"You?" Count Roger couldn't help feeling worried when he heard his daughter say this.

However, looking at the ardent eyes of Mary and the current situation, Roger finally said: "Okay, but you must be careful and take care of yourself!"

"Well, dad don't worry!"

After finishing speaking, but seeing that Mary was holding the sword in her hand, she also rushed to support the left wing part of the Forgotten Temple with Katherine.

After they left, there was an expression of joy on Elder Alchid's face. He said to Lord Roger in front of him: "Torrido is saved this time."

"I believe that Caso's prophecy will really come true, and that oriental man is destined to emit the divine redeeming light."

Earl Roger in front of him also said, "Yes, elder."

"We thought he would abandon himself and our family, but we didn't expect him to finally make his choice."

"We should thank him! Thank him for his kindness to our family."

Elder Alchid nodded silently and said: "Yes, this kindness, one day, I will repay him."

...

The war is still going on.

From more than 22:00 in the evening to 2 in the morning!

At present, members of the Torrido family have suffered heavy casualties, but what about the Black Lap? This time also lost a lot of vampire members.

Their deaths and injuries are enough to exceed the Torrido family three times.

I saw the rear position of the Forgotten Temple.

Li Tian is alone on his side, he guards the pass like an immortal ***** of death!

His whole body was covered with blood, and he didn't know whether the blood was his, or the blood of the vampire of the Heiyi clan spattered on him. All of this seemed so irrelevant. The most important thing is, Now, those terrifying Heiyi tribes still haven't passed Li Tian's level!

The two sides of the passageway have been piled up by corpses, and those corpses are all dead vampires of the Heiyi tribe.

On the opposite side, there are more than a hundred terrifying and cruel Heiyi vampires.

Li Tian clenched his hands tightly and stepped on his feet in the endless pool of blood, glaring at the twisted members of the Heiyi clan vampire in front of him.

What about the vampires of the Heiyi tribe who were originally grim-looking? When they saw Li Tian, they were completely scared!

Horried!

There has never been a thing as terrifying as Li Tian, making them fearful, even the corpse king of the Gangaluo family is not as scary as Li Tian at this moment.

"Come on! Come on... Damn thing!"

Li Tian suddenly roared.

As he roared in anger, he stepped on the piled corpses step by step towards the more than one hundred Black Vampires in front of him.

Those more than 100 Heiyi clan vampires were stunned by him, who would dare to go?

Who will die!

A Heiyi tribe vampire who didn't know the height and thickness of the sky stared at the blood-red eyes, and suddenly rushed with a scream. Li Tian stretched out his left hand, and suddenly tightly pinched the neck of the Heiyi tribe vampire... that vampire suddenly The pinched body couldn't move, and the skeleton arm wanted to grab Li Tian, but it was a pity that the neck was pinched, so that he couldn't show any strength!

Chapter 2193: unicorn

Then with a click, Li Tian directly snapped the neck of the Heiyi clan vampire, and then let it go to the ground. Its body trembled for a while, and then instantly turned into powder!

Died.

Facing such a cruel Li Tian, the vampires of the Heiyi tribe were all scared and couldn't help backing back in groups.

At this moment, suddenly there was an angry roar from the Heiyi Clan!

Then the ground began to shake violently...

Bang, bang, bang! The turbulent ground was so weird, as if something huge was invading here.

The earth is shaking.

At this moment, even Li Tian not only frowned, but raised his eyes to look at the place in front...He didn't know what was going on? Why the ground began to shake violently!

What's the matter?

But he said that with the sound of bang, bang, and bang, all the members of the Heiyi clan vampires here yelled.

They seem to be excited, but also seem to be happy!

Some of the vampires of the Heiyi clan were still spitting out in their mouths something that they didn't understand.

Just when Li Tianzhen was horrified, a huge monster suddenly appeared from behind the Heiyi Clan.

I saw the monsters appearing like small hills, extremely huge.

Its limbs are sturdier than an elephant's legs. Its body is black, its eyes are blood red, and its mouth reveals extremely sharp fangs, like sharp blades. On its forehead, there is still a thick body. Horns!

The horn is sharper than the rhino's horn, and it grows in the center of the head, breathing breath in that mouth, walking towards Li Tian in terror.

unicorn!

The most terrifying beast of the Black Yap tribe, the unicorn.

It grows in the realm of darkness, kills prey, and does nothing evil.

The unicorn only appeared once more than 2,000 years ago. It was an era when the Heiyi tribe was thriving. The vampires of the Heiyi tribe once ruled the roost by this brutal and huge unicorn, but unfortunately they ended up Declined!

Unexpectedly, after two thousand years, this terrible behemoth appeared again.

But seeing this huge unicorn, there is also a black and ugly leader of the Heiye tribe. The leader of the Heiye tribe is huge, and his limbs are at least twice as strong as ordinary members of the Heiye tribe. There were so many scary eyes staring at Li Tian in front of him with a pair of blood-red extremely scary eyes.

"Extinction and slaughter, destruction will drag you into an endless dark hell, the flames of **** will burn your body, Lord of darkness, please give me immortal power."

The leader of the Heiyi clan lying on the unicorn murmured a hoarse language to Li Tiandao. It seemed to be singing a preface to death, and it seemed to curse Li Tian.

But what about Li Tian? When I saw such a monster appearing, I couldn't help taking a step back slightly, and couldn't help but wonder in the dark lining: "What is this monster? Why is it so huge?"

While thinking about this in Li Tian's mind, the vampire of the Heiyi tribe over there was already excited and screamed.

They seem to be celebrating, cheering.

Because their leader came, and also brought the most terrifying unicorn in the Dark Territory.

But what about Li Tian? He was not surprised at all, just watching the situation in front of him with cold eyes.

The unicorn carried the leader of the Heiyi tribe, and walked towards Li Tian with a swaying pace.

The breathing unicorn stared at Li Tian in front of him with bloodthirsty eyes.

"Kill him, kill him." Suddenly the vampires of the Heiyi tribe all yelled in unison.

They yelled at the leader of the Heiyi clan in a language that Li Tian could not understand at all.

But what about the leader of the Heiyi tribe lying on the huge unicorn? After hearing the roar of its subordinates, it grunted in its mouth, and then a thick skeleton arm slapped the unicorn's body suddenly!

Then the huge unicorn screamed!

Scream!

Then he attacked violently towards Li Tian, and the sharp horn on his forehead suddenly came towards Li Tianding.

Li Tian saw the huge unicorn pushing towards him. He didn't dare to take it carelessly at the moment. He slid his body and quickly swept up, then waved his hand and hit the unicorn's side body.

With a bang, the unicorn couldn't avoid it, and the hard-bodied scales caught Li Tian's heavy blow, without the slightest injury.

Then with a roar, he rushed towards Li Tian again.

Li Tian was rather depressed.

This huge unicorn, with such a heavy leather armor blocking its body, can't hurt this monster with its own palms. What can I do?

Just as Li Tian was thinking like this in his mind, he saw the unicorn pounce on him again.

Its huge body was like a small hill, running like an earthquake, shaking the ground with a bang.
boom!

As the unicorn rushed towards Li Tian, Li Tian dodged again.

And the leader of the Black Vampire clan lying on the unicorn? At this time, it made a brutal shot. The moment Li Tian dodged it, its body suddenly rushed towards Li Tian, and its two sturdy skeleton paws suddenly grabbed towards Li Tian.

Li Tian was stunned. He didn't expect that the leader of the Heiye tribe would be so much faster than the average Heiye tribe vampire. The next one didn't pay attention, and his two arms were immediately held tightly by the skull claws of the leader of the Heiye tribe. !

With a bang, Li Tian's body was suddenly thrown to the ground by the leader of the Heiyi tribe.

After it threw Li Tian to the ground, he barked his fangs and stared at Li Tian with scarlet eyes. The black mucus flowing from his ugly mouth was disgustingly stained on Li Tian's face.

"I will tear up your limbs..."

"I want to eat you alive, stupid Toredo member." The leader of the Heiyi tribe said with a distorted face to Li Tian who was thrown to the ground in a hoarse voice.

But what about Li Tian? It is indeed extremely dangerous now.

Both arms were firmly grasped by the leader of the Heiyi tribe, unable to move at all, and it seemed impossible to struggle.

At this moment, the sharp fangs of the leader of the Heiyi tribe suddenly bit towards Li Tian's neck! It really wants to eat Li Tian.

But can Li Tian really be swallowed alive by this monster?

Seeing that the sharp fangs of the leader of the Heiyi tribe were about to pierce Li Tian's neck, Li Tian, at this moment, Li Tian suddenly shouted, Long Yin Jiuxiao, and then a golden light flashed from his body!

With the golden light radiating from his whole body, the leader of the Heiyi tribe who rushed towards him suddenly screamed, as if he was shocked by the golden light!

Then a burst of qi burst out from Li Tian's whole body, and with a bang, the strong qi burst directly from the leader of the Heiyi tribe shook a dozen meters away with a thud.

After the leader of the Heiyi tribe was shocked and flew a dozen meters away, the surrounding Heiyi tribe vampires were all taken aback.

Then I saw that the leader turned over and quickly jumped up from the ground, and then he got up two in a row, and then quickly reached the back of the unicorn.

It is angry.

Chapter 2194: Dominate the world

It glared at Li Tian with extremely scary blood-red eyes.

But what about Li Tian? Just now, at the moment when he was pressed against the body by the leader of the Heiyi clan, he was so excited that he used the inner strength mental method on his earliest Tianshu Dan scroll.

Turn qi into energy, and slave qi as respect!

After shaking the leader of the Heiyi clan away at this moment, Li Tian leaped and bounced from the ground.

His whole body was shrouded in a strange golden light, standing there immortally.

What about the leader of the Heiyi clan lying on the unicorn? The blow didn't kill Li Tian just now, which was extremely angry. At this moment, with a roar, the unicorn slapped under him rushed towards that Li Tian again.

With a roar, the unicorn pounced on Li Tian.

Li Tian didn't evade any more this time, but suddenly flew up, and then pinched a weird finger with both hands, and then swished strong fingers from the palms of his two hands.

"Xuantian fingering."

Fingering as fierce as a bullet.

With Xuantian **** breaking through the air, he swished and shot towards the unicorn.

The unicorn still used his entire body to block it.

Only this time, it hurts, I saw that when the fast and unbelievable Xuantian **** shot on the unicorn, the unicorn yelled out loudly. Obviously, the sound was Painful cry.

Xuantian **** is extremely powerful, although it can't hurt the unicorn in front of him, but hitting its skin will definitely make it scream.

The unicorn was in pain when Xuantian fingered it on his body, which also indirectly angered it.

I saw the unicorn roar, the huge body attacked Li Tian, Li Tian dodged, and then the unicorn's sharp horns slammed to his left.

Li Tian had no choice but to dodge at this moment.

After dodging, Li Tian used Xuantian **** again to hit the unicorn.

Although the unicorn screamed in pain, it didn't suffer any harm. It still glared at the ruinous blood-red pupils and attacked Li Tian one after another.

Li Tian dodged while thinking about how to break the enemy.

He knew that this would not work after all.

After all, I can't be dragged down by this fierce monster. If this is the case, then the Torrido family is really done.

What he has to do now is to solve the unicorn in front of him, and then all these **** Black Vampires will be repulsed. Only in this way, the Toredo family will have a ray of life.

Just when Li Tiantian was thinking about how to solve the unicorn in front of him, one of the unicorn's horns hit Li Tian's arm, and then he arched hard. Li Tian didn't pay attention and was arched. The body flew up.

With a plop, his body fell severely on the cold ground.

After Li Tian's body was thrown to the ground all of a sudden, all the Heiyi clan vampires behind screamed one by one.

They seem to be very happy.

What about unicorns? Puff, puff, puff, snorting, stepping on the ground with his thick ankles, as if provoking Li Tian.

Li Tian slowly got up from the ground.

His face was as pale as a zombie, and at the moment he got up, a strange blood flashed in his eyes.

That blood color was the blood color of his body blended with the power of a vampire.

For a long time, Li Tian was reluctant to use the mutated power of that part of his body, but now it is different. Li Tian has compromised his own identity, and he has become a vampire...

If you haven't used the power of that vampire, it would be foolish.

Li Tian is not a stupid person, so he is really going to fight now.

With a little blood glow in the destruction of his pupils, he glared at the unicorn in front of him.

But seeing that the unicorn saw Li Tian get up, he screamed angrily, as if he was very angry, and then suddenly pounced on Li Tian again, as if he wanted to step on Li Tian with his thick ankles. Deathly.

Li Tiankuo did not move, just glaring at the swooping unicorn.

What is he doing? Do you have to fight against this behemoth like a small hill?

But seeing that the unicorn had already rushed over, the huge body suddenly pressed against that Li Tian.

And at this moment, Li Tian's body suddenly moved.

It's nothing more than a move, it's amazing.

As Li Tian's body suddenly flew over, the unicorn was taken aback, and then Li Tian flew towards the unicorn's head in an instant.

The leader of the Heiyi tribe, who was lying on the unicorn, saw Li Tian flying in, and immediately neighed and called the doctor, and his body swished towards Li Tian.

But how can it beat Li Tian now?

I saw that at the moment its body rushed, Li Tian blocked it with one hand, and then flipped his right hand, bursting out with a burst of palms. With a bang, Gang Jin shocked the leader of the Heiyi tribe. The horned beast's body rolled down.

After the leader of the Heiyi tribe fell from the unicorn, his body rolled, and then he got up with difficulty.

But what about Li Tian at this time?

The whole person has fallen on the back of that unicorn!

After Li Tian landed on the back of the unicorn, all the vampires of the Heiyi clan exclaimed and looked at Li Tian in shock.

But what about the unicorn? The moment it felt the enemy fall on its back, it was also furious.

Then the body began to writhe frantically...At the same time, it began to scurry.

But how can it get rid of Li Tian?

But seeing Li Tian grabbing the scales of the unicorn's back with one hand, and the other hand was accumulating all the internal force in the body, the continuous internal force all accumulated towards Li Tian's right palm.

His cold right hand gradually began to tremble crazily because of the fullness of energy!

Then a loud shout erupted from Li Tian's mouth.

His right palm, full of energy, hit the unicorn's head fiercely!

There was a boom.

Extremely heavy palm power hit the unicorn's head, and the unicorn roared with a horrible cry, it hurts... it's so painful!

But the unicorn did not fall down!

After all, this thing is so huge that even Li Tian can't knock it down with such a powerful palm.

But how could Li Tian give up?

Seeing that a palm could not kill the unicorn in front of him, Li Tian raised his right palm again, slammed his palm, and hit again!

The unicorn screamed again...The huge body shook suddenly, and it seemed that the unicorn was also injured.

Seeing that the unicorn hadn't fallen, Li Tian suddenly raised his right palm like crazy, booming, booming, booming, booming...

One hand after another, he struck lifelessly at the huge head of the unicorn.

Extremely cruel.

The huge unicorn screamed sternly, then fell to the ground with a plop on its four thick legs.

In the end, the unicorn was completely knocked down to the ground, and its mouth no longer screamed...it could only whine...gasp...

What about Li Tian? He was still hitting the unicorn in front of him with his palms like crazy!

His right arm has oozes blood because of excessive force.

He seems to be crazy.

The madness of killing.

Chapter 2195: The real reason

The unicorn finally fell, and black and red blood flowed out of its snort, mouth, and pupils as large as goose eggs.

It lay there, gasping faintly, as if wailing.

What about Li Tian? But standing on its huge body like a god.

The cold wind blew, blowing on his pale, handsome face.

What about the leader of the Heiyi tribe? At this moment, seeing their strongest unicorn fell under Li Tian's feet, its mouth was hoarse and cried out with fear.

Where are the numerous Heiyi vampires around you? Also all backed up.

Woo!

A weird sound came from the eastern area of the twisted forest. Suddenly, the leader of the Heiyi tribe, after hearing the weird sound, waved the arm of the skeleton at the black veil vampire behind, and they all fled. Jumped.

The sound seemed to be a sign of retreat.

So all the vampires of the Heiyi clan retreated.

This place was filled with blood and death, leaving only Li Tian standing there alone and domineering.

...

What about the facade of the Forgotten Temple? What about the left and right wings?

But seeing the left wing of the Forgotten Temple, the trauma was extremely severe, the wall of the city had been breached, and a large number of Torrido family knights died in battle.

Although the Black Widow Katherine and Mary came with 78 family knights to support the left wing, they still couldn't resist it. There were too many vampires from the Black Lap clan.

The left wing is about to fall! It will be completely captured by the vampires of the Heiyi clan.

Seeing that the left wing of the Forgotten Temple was about to be completely conquered, at this moment, a weird whining sound suddenly spread from the far east of the twisted forest.

When the weird voice sounded, all the vampires of the Heiyi tribe who were originally vicious and vicious suddenly stopped there.

They had the advantage, but stopped attacking instantly.

This made both Mary and Katherine not only stunned, their eyes stared at the black vampire of the Heiyi clan in horror.

"what happened?"

"Why do those **** Heiyi vampires suddenly stop moving?"

"How did they stop attacking?"

...

Following the words of Katherine and Mary, but seeing the densely packed members of the Black Vampire clan suddenly seemed to be frightened, and then all turned around, and then roared... a large group of people began to retreat towards the rear !

They retreated, they retreated into the twisted forest, and then all disappeared in an instant.

"Return?"

"The **** Black Vampires have all retreated?" When the knights of the Torrido family saw such an unbelievable scene, they were completely shocked.

What about Katherine and Mary? It was also surprised to watch the scene before him.

"No, the vampires of the Heiyi tribe have all retreated? What's the matter?" Mary murmured in horror in that mouth.

Then Katherine murmured there too: "Oh my god, isn't this a dream? We actually held it!"

"It's true, they did retreat."

"Our family held it... we held it."

Suddenly all the knights of the Torrido family cried out excitedly.

Their voices are so much joy and excitement, everyone's face is filled with endless joy.

...

Now not only the vampires of the Heiyi tribe on the left wing have all retreated, even the vampires of the Heiyi tribe on the right wing and the frontal attack have all retreated.

In short, all the vampires of the Heiyi tribe have all retreated.

For the Torrido family, this was a complete miracle and a complete shock.

They had already failed to guard them, but they never thought that all the vampires of the Heiyi tribe would retreat.

What is going on here? Why did the vampires of the Heiyi tribe, who have already taken advantage, retreat? At this moment, no one in the Torrido family knew.

Of course they would not know that all of this was due to the bloodthirsty and slaughter-like Li Tian behind him!

"Elder, all the vampires of the Heiyi tribe have retreated, we also defended the left wing, and the Heiyi tribe of the right wing also retreated..." The knight who reported back reported with excitement to the elder Alchid who was facing the field. The battle conditions.

Elder Alchid couldn't help being silently excited when he heard that all the vampires of the Black Yap race had retreated.

"It's great, it's really great."

"Why did you find out why the vampires of the Heiyi clan retired?" Elder Archid asked.

The knight hesitated and said, "There is no..."

But seeing Elder Alchid murmured in that mouth: "The Heiyi tribe that had already taken advantage of it suddenly retreated? It's really weird."

"I think there must be a reason here."

At this time, Lord Roger, who was next to him, thought for a while and said to Elder Archid: "Elder, no matter what, this time we Toledo held on."

"Yes." Elder Alchid also said with joy.

"But our family has also suffered the greatest trauma in thousands of years." Elder Alchid sighed.

Count Roger heard Elder Alchid say so, he sighed and said nothing.

In this war, the Torrido family did suffer heavy casualties.

Almost a hundred members of the Torrido family were lost to the left and right wings alone, and dozens of family members were also lost behind the Temple of Forgotten.

The Torrido family was originally thin, not a lot of people. After losing so many people in this war, all the members of Torrido who survive now are estimated to be less than 100!

One can imagine how much damage the Torrido family has suffered this time.

The left part!

More than 20 members of the Torrido family have survived. Among these more than 20, some have suffered extremely serious injuries. Those who are in better health are cleaning the battlefield sadly.

Katherine and Mary stood on the side looking at the deadly battlefield, with a timid expression on their faces.

"Miss Mary." A shout came from the front.

Looking up, I saw that it was Ron, and Tia, who yelled out.

It turned out that Ron and Tia were fighting on the right wing of the Forgotten Temple. This will be when the Black Lac retreats, Ron and Tia will rush over.

Ron and Tia ran over here, while gasping...

They also held blood-stained weapons in their hands.

"Mr. Ron, Miss Tia." Mary not only shouted after seeing them.

"How's the right wing?" Mary asked.

Na Ron replied, "Hold it, all the ***** Black Vampires have retreated."

"By the way, Miss Mary, why did the vampires of the Black Yap tribe suddenly retreat?" Ron asked puzzledly.

Obviously Ron and the others did not know the situation.

After Ron asked, Mary in front of him said: "Actually I don't know."

"Which Black Yap people seem to hear the weird noise, and then just retreat...As for the real reason...I don't know too much." Mary said.

"too weird!"

"Initially, which Black Yap tribes have already taken advantage, and my brother and I are almost unable to defend the right wing... I didn't expect all the ugly vampires to retreat." The little beautiful Tia beside Ron was there. Tao said.

"Does anyone know the reason?"

Listening to her saying this, everyone is wondering. Look at me, I look at you, and no one knows the real reason.

Chapter 2196: despair

"Miss Katherine, aren't you guarding the back passage of the Forgotten Temple? How did you get here?" Ron suddenly saw the black widow Katherine in front of him, and asked not only in surprise.

Listening to Ron's sudden question, Mary suddenly jumped up as if bitten by a snake.

"rear!"

"Li Tian..."

"Li Tian is still behind!" An exclamation exclaimed from Mary's mouth.

Just now, Mary had been thinking about why the Heiyi tribe retreated, and almost ignored that Li Tian. Now when she heard that Ron mentioned the back of the forgotten temple, Mary suddenly remembered Li Tian.

"Yes, that Li is still behind!" Katherine in front of her also suddenly remembered that Li Tian, and said at that moment.

Along with their screams, Mary suddenly ran to the back of the Forgotten Temple desperately.

Immediately after that, Katherine in front of her and the Torrido family knights behind her all quickly followed.

Ron, and Tia not only looked at their backs in wonder.

"Brother, what happened to them?"

"It seems to be about the guy named Li Tian..." Ron murmured.

When Nadia thought of Li Tian in her mind, she was not only slightly startled.

But seeing Ron grabbing his sister's hand in that hand said: "Go, Tia, let's go over and take a look to see what is going on."

After Ron said this, Tia nodded quickly, and then followed Ron to the back of the Forgotten Temple. The rear of the Forgotten Temple.

When that Mary, Katherine, and that Ron and Tia arrived, they were all shocked there.

Looking at it, there are corpses on the ground!

The corpses of those cruel vampires of the Heiyi tribe are piled up like a mountain.

The dry ground has long been stained with blood.

In the forefront, there is a huge mountain monster with a horn growing from its forehead, a unicorn. It's just that the unicorn has been beaten to death alive and fell to the ground.

Looking ahead, a figure covered in blood stood on the huge body of a unicorn.

He stood there motionless like a death **** of destruction.

In front of him, under his feet, were all ashes.

He is Li Tian, the **** of death.

"Oh my God, what is going on here?" Nadia said, looking at the scene in horror.

Ron in front of him was completely speechless, especially when he saw the huge behemoth under Li Tian's feet, he was also stupid.

"All of this...could it be...he did it?"

"There are so many corpses of the Vampires of the Heiyi Clan... all of them were slaughtered by him? It's terrible, terrifying." Ron muttered there in disbelief.

The knights of the Torrido family behind them all looked at Li Tian with infinite respect when they saw so many corpses of the Black Vampires and the huge unicorns that fell to the ground and died. .

"Lee!" Mary finally called out.

She rushed towards Li Tian with tears of excitement.

But seeing Li Tian slowly raised his head, he saw Mary running over in front of him, as well as Katherine...

"Oh my God, he is too powerful, he has blocked the powerful attack of the Heiyi tribe on his own."

"He's almost...it's a god!" Katherine whispered while looking at the shocking scene.

The knights of the Torrido family behind him suddenly all yelled in unison at this moment: "The savior...the savior..."

Loud and excited voices rang from the audience.

At this moment, Li Tian became the hero of the Torrido family, and at the same time the savior of their family.

With the excitement coming from here, the members of the Torrido family who were still alive also rushed over.

Elder Alcid, Earl Roger, also followed the steps of the members towards this side... When they came, they saw this shocking scene.

I saw the corpses of Heiyi tribe vampires that had been piled up on the ground.

"The prophecy has come true! He is really the savior of our family." Elder Alcid said in excitement suddenly.

Count Roger in front of him also showed a very pleased look, and said there: "Yes, elder, it seems that Torrido is saved."

...

Li Tian eventually became the savior of the Torrido family.

Now the entire Torrido family respects him and admires him.

Everyone knows that Li Tian alone blocked hundreds of Heiyi people's vampire deeds, and they also know that Li Tian killed the most terrifying unicorn beast of Heiyi people with his bare hands.

At the same time, they also understood why the Heiyi clan vampire, who had had the advantage, would retreat... It turned out that Li Tian alone had killed the Heiyi clan vampire by himself... they dare not continue to kill. Rush again.

Now the entire Torrido can't wait to enshrine Li Tian as a god, but what about Li Tian? But he didn't accept their kindness, and even less willing to communicate with them too much.

After Li Tian ended the battle, he left them alone, and then stayed alone in the room of the Forgotten Temple.

Elder Alcid and Earl Roger originally wanted to say thank you to Li Tian, but Li Tian didn't give them a chance.

So Elder Alchid could only organize family members and began to clean up the remnants of the battlefield.

"Roger, how many members do we have now?" Elder Alchid asked with an ugly expression looking at the seriously injured knights of the Torrido family.

But seeing that Earl Roger said with an ugly face: "Return to the elders, our family has suffered too much in this war. A total of more than 200 members have been sacrificed, and there are still less than 100 left!"

Listening to Earl Roger's words, that Elder Alchid's expression fell into an extremely ugly situation.

"Hey... only so few people are left?"

Roger nodded sadly and replied: "Yes, elder."

After Earl Roger finished speaking, Elder Alchid silently twisted his body and looked at the tall Forgotten Temple in front of him.

"God, what should we do?"

"If the Heiyi people attack again... how can we defend?" Elder Alchid said in pain.

Although this time the Forgotten Temple was guarded, Torrido lost more than half of the members.

If this is another attack by the Heiyi tribe, what can it do?

Even with Li Tian's help at that time, can he really hold the Temple of Forgotten by his own power?

The answer is of course: impossible!

Elder Alchid deeply understands this truth, so he now looks desperately at his temple, at the ancient buildings of the Torrido family for thousands of years...

Sadness appeared in his eyes, and his mouth seemed to be praying to God...

Is the Forgotten Temple really going to be occupied?

Chapter 2197: Li Tian is here

Although the Torrido family managed to hold onto the Forgotten Temple with the help of Li Tian this time, they have lost too many family members. Now, the remaining members of the entire Torrido family are even 100. Not yet.

Once the vampires of the Black Vampires attack again, there is no doubt that Toledo will be destroyed.

Now, every member of the Torrido family deeply understands this truth.

The joy of victory they had just exchanged for an instant disappeared on their faces, and now each of them once again showed a look of sorrow and despair.

In the hall of the Forgotten Temple, there was a deep breath of sadness.

Elder Alchid was sitting in the middle of the room, next to Earl Roger, Mary, and Katherine.

Here is the prophet of the Buren family: Caso, the Ice Girl, and the Fire Girl.

In addition to them, there are Ron, the Pope of the Sun, and Tia.

Everyone is here, except that Li Tian.

I saw Elder Alchid who spoke first. His deep eyes glanced at everyone present, and then he muttered: "Today's battle, no matter what, I want to thank everyone present. ...Thank you for helping us Torrido! Thank you for helping us fight evil."

With the words of Elder Alchid, all around the court became quiet.

Then Elder Alchid continued to say: "However, the forces of evil are still expanding, and our Justice League is constantly being weakened. Up to now, the number of members of our family lost has reached more than 300... ..The rest is now less than a hundred."

Elder Alcid said in despair suddenly.

In the quiet hall, everyone did not speak, but listened to Elder Archid's speech.

Elder Alchid then continued: "If this continues, Torrido may really be unable to keep it."

After Elder Alchid said this, the brave knights of the family suddenly said in a fearless manner: "Elder, we will swear to defend the Forgotten Temple, even if we die here."

"Yes, elder, we will never bow to evil, we will definitely fight to the end."

...

Listening to the brave Torrido family knights around, there was a light of relief in the eyes of Elder Archid in front of him.

"Mr. Caso, may I ask, do we have any other way to save our family?" Elder Alcid in front of him suddenly turned his face to the prophet Casoway.

But after seeing that the prophet Ka Suo was questioned, he paused slightly, then coughed a little, and then said: "The specific method, to be honest, I really don't have Ka Suo."

"I'm just a blind man, a disability who can see nothing."

"But I believe that our justice will never perish."

After Caso said so, the hall fell silent.

Elder Alcid also sighed deeply.

He knew that even if he were to persecute Ka Suo, it was useless, because Ka Suo the prophet was indeed just a blind man. Furthermore, in Ka Suo's prophecy, only Li Tian could save Toreda.

However, no matter how strong Li Tian is, can he save the destiny of the Torrido family alone?

Everyone knows the answer is: No!

So Elder Alchid is now desperate.

He looked at everyone in the hall painfully, and then said: "We Torrido has gone through the wind and clouds for thousands of years...Unexpectedly, this time we were faced with the danger of extermination... and it was in my hands Perish..."

"Hey.....!"

"But I, Archid, swear to my ancestors here that even if it is death, even if the entire Torrido is destroyed, we will never succumb to the darkness. We will swear to the death to protect our only dignity and honor."

Elder Alcid's voice resounded in shock from the audience.

Whether it was Caso of the Bren family, the Ice Lady and the Fire Lady, or Ron among the humans, and Tia, they all felt that this was the final war.

There was a heavy breath of sadness in the hall.

Everyone knows that the next attack by a vampire from the Heiyi tribe will tear Toreda to pieces and occupy the Forgotten Temple.

Just when everyone in the hall was immersed in despair, no one thought that a lonely figure was walking towards the hall of the Forgotten Temple step by step.

His steps were hard and solemn, and when he walked over, he was born with a sense of destruction.

He is Li Tian.

Unexpectedly, Li Tian finally appeared openly in the hall of the Forgotten Temple at this moment.

"He's coming..." Suddenly a cry of surprise came out of the Torido Knight in the Forgotten Temple.

As he exclaimed, everyone present raised their eyes and looked at the outside of the Forgotten Temple.

Not only did everyone see him together! I saw his figure...

"The savior! The savior is here..." The moment the knight of the Torrido family saw Li Tian's figure, it seemed to have seen the savior and exclaimed.

And when Mary saw Li Tian, she not only exclaimed excitedly: "Li..."

"Li Tian is here."

The Ice Girl, Fire Girl, Ron, and Tia all had their eyes on Li Tian. They were both surprised and shocked. No one thought that Li Tian, who was lonely in the past, would appear in Forgotten at this moment. In the hall of the temple.

At this moment, even Elder Alcid not only opened his horrified eyes, he looked at Li Tian who was walking step by step.

Why did he come here suddenly? What is he doing?

This is the doubt in the minds of everyone present.

Li Tian was indifferent when facing so many eyes. He just walked into the hall of the Forgotten Temple step by step with icy steps.

The handsome silhouette, the pale face, and those sharp eyes, stopped when he walked in! Then slowly raised his eyes and glanced at the elder Alchide in front.

Cold light shines.

After he walked into the hall of the Forgotten Temple, everyone was stunned, and then they all looked at him in surprise...no one spoke.

In the end, it was Elder Alchid who broke the embarrassing situation right now.

"Hello..." Elder Alchid faced Li Tian, not knowing what to say, so he could only spit out these two words from his mouth.

But what about Li Tian? Did not immediately answer this sentence.

But after a few seconds of cold silence, he suddenly spoke up.

"You are the elder of the Toledo family, aren't you?" A word came out coldly from Li Tian's mouth.

Chapter 2198: Suggest

After Li Tian said it, Elder Alchid was startled for a moment, and then slowly nodded: "Yes, I am..."

"Do you want to save your family?" Li Tian suddenly said another sentence.

Accompanied by Li Tian's strange words, Elder Alchid was stunned, not only he was stunned, even the people around him were stunned, looking at Li Tian in astonishment and surprise.

Then he said: "Of course...Of course I do!"

"Do you have any idea?" Elder Alchid looked at Li Tian excitedly and asked.

But seeing Li Tian standing there, he said coldly: "Yes! There is only one."

"What way?" Elder Alchid has never been so excited...

The surrounding members were all looking at Li Tian while breathing. At this moment, even if the tip of the needle fell to the ground, I'm afraid I could hear...

Everyone looked at Li Tian's mouth, hoping to hear the method of salvation.

Who doesn't want to live? Who wants to die?

So they are all paying attention to Li Tian, who is their only savior.

"The only way is to give up the Forgotten Temple, and then escape...Leave here and save your lives." The cold words are as sharp and brief as those of Li Tian.

After Li Tian suddenly said this sentence, the audience was silent, and everyone stared at Li Tian in disbelief...

what?

Give up the Forgotten Temple? escape?

Oh my God, what kind of a solution is this!

Knowing that the Forgotten Temple is the lair of the Torrido family for thousands of years, how can they give up? This Forgotten Temple is the most honorable symbol of the Torrido family. Abandoning the Forgotten Temple is tantamount to giving up their dignity and their faith... How could they agree?

"What's this? How can our members of the Torrido family give up the Temple of Forgotten?"

"Yes, even if we die, we will not give up our lair!"

"Yes, we are not afraid of death, we swear to the death to guard the Forgotten Temple."

...

The angry cries of the knights of the Torrido family rang out in the hall. Obviously they couldn't approve of Li Tian's method!

What about Elder Archid? I thought that Li Tian's arrival could come up with some shocking ways for them, but he didn't expect Li Tian to suddenly say: Let them give up the Forgotten Temple?

This...this...how can he accept this?

At this moment, the entire hall suddenly became noisy, and all the people present were skeptical of Li Tian.

Li Tian asked them to give up the Forgotten Temple, which is an insult to them! It was the trampling of their honor, so they couldn't stand it.

Some extreme Torrido family knights even spoke to Li Tian with offensive words.

But what about all this?

Li Tian just stood there motionless and didn't say a word from beginning to end.

Where is Mary over there? Looking at Li Tian worriedly, she did not expect Li Tian would say something like that...

Facing such a noisy hall, Elder Alchid finally spoke. He stretched out his hands and said to the noisy Torrido family knights: "Everyone, be quiet...quiet! "

After Elder Alchid spoke, all the members of the Torrido family present finally calmed down.

It's just that they all stared at Li Tian with angry eyes...

From the previous respectful eyes completely changed into anger!

When everyone was quiet, Elder Alchid spoke. He looked at Li Tian in the middle of the hall of the Forgotten Temple, and smiled slightly: "Li, this is the only thing you said to save us Toledo. Family method?"

"Yes!" Li Tian said coldly.

Listening to Li Tian's words, Elder Alchid smiled bitterly, and then said: "Hey, you may not know the history of our Toledo family...Well, let me tell you, our family has more than six years. Thousands of years of history, from the earliest barren era to the present, the Forgotten Temple is the highest honor symbol of our family. This temple encompasses everything about our family."

"You let us abandon the temple now? Do you think it's possible?"

"Besides, you have to know... The members of our family are not afraid of death... They are not afraid of confronting evil... Even if we die, we will stick to the last honor of our family."

Listening to what Elder Alchid said, Li Tian suddenly turned around at this moment!

Then he didn't say any more, he just took icy steps and suddenly walked step by step towards the outside of the hall of the Forgotten Temple.

What is he doing?

Why did you leave suddenly?

Facing everyone's horrified eyes, Elder Alchid suddenly asked suspiciously: "Li, where are you going? Why did you leave suddenly?"

I saw Li Tian stopped suddenly, and said without looking back, "Facing you who are dying...what else do I have to say? Should I not leave? I will stay with you. Waiting to die?"

"Since you think honor is important, then guard your honor..."

"When the time comes, the vampires of the Heiyi tribe will chop off your heads, trample on your bodies, and burn your Forgotten Temple with fire... Tell me, by then, where is your honor? Do you still think you have Dignity? Honor?"

Li Tian suddenly turned around and shouted at all members of the Torrido family present.

Elder Alcid was suddenly speechless by Li Tian's words.

What about the stupid and reckless Torrido knights? At a moment, everything was speechless.

There is honor for the dead? Is there still dignity?

You can't even protect your own life, so what dignity? Talk about honor?

However, after Li Tian said these words coldly, he didn't even look at these stupid Toredo family members again, and then decisively stepped away from them.

Li Tian didn't want to talk too much to these stubborn and stupid guys.

His character has always been this way.

His figure walked out of the hall of the Forgotten Temple! Stepped out of Elder Alchid, and the sight of the knights...

In this way, he left.

At this moment, the entire hall of the Forgotten Temple became weird, and no one spoke anymore...Their minds were thinking of Li Tian's words over and over again.

dignity? honor? life?

Only that Mary suddenly chased out at this moment: "Li..."

A crisp voice yelled from Mary's mouth, and then Mary quickly walked towards the outside of the Forgotten Temple, to pursue Li Tian.

What about the rest of the people in the hall of the Forgotten Temple?

The beautiful eyes of the two big beauties of the Bren Family Ice Girl and Fire Girl looked at the place where Li Tian had disappeared. There were strange looks in their eyes, as if they were thinking about something.

As for the blind man Caso beside him? At this moment, a weird smile suddenly appeared on the corner of his mouth...

Chapter 2199: Li Tian is gone

When Mary caught up with Li Tian, Li Tianzheng stayed alone in one of the lonely rooms in the Forgotten Temple.

Mary looked at Li Tian sitting inside, and walked over slowly.

"Lee." Mary called.

Li Tian lifted his pale face slightly, and then saw the beautiful Mary in front of him.

"Li, I know that you really want to help our family... But don't worry now, I believe that the elders and members of our family will know your good intentions sooner or later." Mary comforted Li Tiandao.

But what about Li Tian? Suddenly he said, "No, you are wrong, Mary."

"I just want to save you..." Li Tian looked at Mary in front of him.

When Mary heard Li Tian say this, her heart moved suddenly, raising her beautiful eyes and staring at that Li Tian.

"Thank you!" Mary looked at Li Tiandao.

Li Tiandao: "Your family members are stubborn. Since they want to stay and die, let them die... Mary, you follow me."

"You have to know that there is hope only when you are alive."

"Dignity and honor are nothing in this world. What is important is your life, because only you can survive to get all of this. Otherwise, when you die, how can you talk about dignity and honor?"

Listening to Li Tian's words, Mary nodded deeply.

But Mary was still there, looking up at Li Tiandao: "Li, thank you for your kindness, but unfortunately, I can't go, I want to stay."

"Why?" Li Tian asked.

But seeing Mary said: "Because my dad, my dad is still here, how can I watch him die here without saving it?"

Li Tian sighed when Mary said so.

"Hey, in fact, I already knew that you would not go with me." Li Tian suddenly sneered.

Mary looked at Li Tian's face, feeling very uncomfortable.

"Lee, I'm sorry." Mary said last.

Li Tian did not speak, looking at the dark sky...

"Do you really want all of you to stay here and wait for death? Waiting for the darkness to occupy your family?" Li Tian said helplessly in front of him.

Mary did not speak.

Her heart is also very conflicted and anxious.

Li Tian was helpless too, his eyes were looking at the dark night in the distance, and he suddenly said at the end: "Forget it, since you choose to stay, I have nothing to say. I will do it all. Li Tian has done what I should do. ."

Speaking of words, Li Tian suddenly stepped towards the dark night outside.

Is Li Tian leaving?

Mary stood there, watching the figure of Li Tian slowly walking out. At that moment, her heart was cut, but she didn't know what to do? Here, there are her father, her friends, her family members, is she really going to give up everything for love? No, Mary can't, because she is not that kind of person!

Blame it, those stubborn members of Toledo... They must uphold their honor and dignity.

In the end, Li Tian's figure disappeared into the endless darkness, and Mary's eyes watched Li Tian's figure disappear, and cold tears suddenly flowed out.

She cried so sad.

Li Tian is gone.

When Mary answered the hall of the Forgotten Temple, everyone was still there. Elder Alchid, Earl Roger, and many family members around, saw Mary walk in step by step with red eyes. For a moment.

"Mary, what's the matter? What happened?" Elder Alchid in front of him looked at Mary and asked.

But seeing Mary suddenly said sadly there, "Lee, go."

what?

When he heard the news that Li Tian was gone, the heart of Elder Archid in front of him fell to the bottom of the sea, and he was desperate.

"Is he really gone?" Elder Alchid seemed to ask in horror that he couldn't believe it.

But seeing Mary nodded silently and said: "Yes, he's gone."

After hearing the news that Li Tian had left the Forgotten Temple, the surrounding family members also stood there blankly.

Just listen to Mary continuing to say: "Li Tian said, he said he can do, he has done...he has said what should be said, since everyone did not listen to his words, so he stayed There was no need here, so he chose to leave."

Listening to Mary's words, Elder Alchid suddenly felt a pain in his heart. At this moment, he seemed to realize that he was really wrong.

But now even if you know you are wrong, what use is it?

Their savior left, and they stayed behind, waiting only for death.

After Mary finished speaking, she stepped back slowly and walked to the Count Roger.

Count Roger looked at his sad daughter, couldn't help but glanced at her with concern, and then whispered: "Child, why, did you not go with that Li?"

Listening to Earl Roger's words, Mary wanted to cry for a moment. She raised her red eyes and looked at her father and said, "Dad, how can I leave you alone in the family?"

Count Roger heard Mary say this, his whole body trembled suddenly, and then he sighed deeply and went silent.

There was a dull atmosphere in the hall of the Temple of Forgotten Temple, the silent hall, and no one spoke at this moment.

"Elder Alchide, this time, you made the wrong decision."

Suddenly the prophet Caso, who had not spoken, stood up and said.

When the surrounding members of the Torrido family heard that Caso actually questioned their elders, they suddenly became noisy.

But what about Elder Alchid? Facing the public questioning of Caso, he sighed deeply, and then said: "Mr. Caso, maybe you are right. I, Archid, may have really made the wrong decision... But neither did I. The way, for the honor of the family, I can only do this."

After the prophet Ka Suo heard Elder Alchid say this, he did not speak any more, and suddenly said to the ice girl and the fire girl beside him: "Forget it, let's go and rest."

The Fire Girl and the Ice Girl nodded together, just like that, they pulled the blind Ka Suo and left the hall of the Forgotten Temple in the same way.

After the Fire Girl, Ice Girl and Ka Suo left the Forgotten Temple, they returned to their rooms.

In the room, the ice girl and the fire girl both had ugly faces and stayed there, but Caso was alone, with a cold expression on his face, drinking tea there.

"Hey, did that handsome Li really leave like this?"

"Too ruthless, isn't it?" The fire girl in front of her complained. It was obvious that she was very disappointed that Li Tian left for no reason.

Although she had fought side by side with Li Tian, Huo Nu had never spoken to Li Tian alone, chatted with her, and now I heard Li Tian had gone? How can you not be depressed?

Chapter 2200: Sneak in the night

But seeing that Ka Suo suddenly smiled there and said: "When a person's suggestion is rejected, what do you think is the use of staying here? Do you want to watch his prediction become true? Then is it satisfied to see the Torrido family's blood flow?"

Hearing what Caso said, the fire girl frowned for an instant. At this moment, she felt that Caso seemed to be right, and it was true. .

"But, you can't help but say hello to us..." Huo Nu said, blinking in her beautiful eyes.

"Loving me, I still like him so much...huh." Huo Nu continued to complain.

Caso in front of him suddenly laughed haha.

The fire girl was startled and looked at the blind man Kasho and said, "What are you laughing at? I just like that handsome guy, what's the matter?"

But to see Caso said: "I am not laughing at you like him, but at you other..."

The fire girl was puzzled and asked: "What do you mean?"

Caso replied: "Do you really think that guy is gone? How would he really leave Torrey?"

When the fire girl heard this, she suddenly became puzzled. Even the cold girl over there quickly leaned over, looking at the blind Casso who was talking in front of her with a look of confusion.

"what did you say?"

"Do you mean that Li Tian didn't leave?" Huo Nu asked in horror.

Caso smiled playfully, then said, "Of course, he will never leave."

"Caso, why do you say that? Did you see it with your pupil of time?" the fire girl in front of her questioned.

But seeing Caso did shook his head and said, "No, I didn't see it with my eyes."

"Why is that?" Huo Nu asked puzzled.

Suddenly, Ka Suo touched the left side of his chest with one hand and said, "I am using my heart."

"Attentive?" The fire girl felt confused as she listened.

Caso silently nodded and said, "Yes, I did look at it with my heart."

"Fire Girl, Ice Girl, maybe you don't know him. Although Li Tian looks cold and ruthless on the outside, it's because he became cold and ruthless in order to hide his inner anger after he evolved into a vampire. Although he concealed it well enough to deceive all of you, he can't deceive me, the blind man, because I can feel the kind heart under his cold appearance..."

"Ice Girl, Fire Girl, believe me, that guy named Li Tian never left Toledo!" Caso said definitely in front of him.

The Fire Girl and the Ice Girl have always believed that Ka Suo is a great wise man. At this moment, after hearing Ka Suo's words, they were instantly astonished. They didn't know whether they should believe this guy...

Caso continued: "Sometimes, what the eyes see may not be true. Sometimes, what a blind person like me sees is the most true."

Caso said and laughed.

After the fire girl and the ice girl heard Ka Suo say this, they looked at Ka Suo and questioned: "Caso, then you tell us, since that Li Tian didn't leave Toledo, then he will be there now?"

Caso shook his head and said, "How would I know this?"

"He was like a cloud floating in the sky. Just go there as if to go there. How can I be a blind person know?"

The Fire Girl and the Ice Girl were depressed when they heard what Caso said.

What he said is no different from what he didn't say.

But in the hearts of the two beauties, they kept wondering, where did that Li Tian go after leaving the Temple of Forgotten? Did he really leave? Still what Caso said, he didn't leave?

...

Twisted forest originally belonged to the Torrido family.

But now? It is occupied by evil.

Permeating directly above the twisted forest, there are very strange black clouds, which are a symbol of evil, but a symbol of darkness.

Now there are no members guarded by the Torrido family in the entire Twisted Forest, because the members of the Torrido family have lost too much in the battle within two days, too much, and now their Forgotten Temple is about to be guarded. Lived, how could the members scatter and guard this vast dark twisted forest?

At this moment, this twisted forest has become the territory of the black vampires, and it is full of dark black vampires.

But at this moment, a black shadow suddenly walked in the twisted forest like a ghost.

His speed is so fast, as fast as an electric flash, flying across the thick trunk of the twisted forest.

With a fast body, flying in such a twisted forest, who is this guy?

Through the faint moonlight shining on his face, look carefully, my God, he turned out to be Li Tian.

It turned out that Li Tian didn't choose to leave Toledo, but he lurked alone into the twisted forest occupied by the vampires of the Black Vampire.

Why did he come here suddenly? What is he doing?

But he said that Li Tian flew towards the territory of the Heiyi tribe, he was going to enter the territory of the Heiyi tribe vampires alone?

The farther you go, the more you can feel the evil approach.

The trees in the surrounding twisted forest continued to dry up, and the land turned into purple and black...Here has reached the territory of the vampires of the Heiyi tribe.

Just after Li Tianfei climbed to the top of a tree trunk, he suddenly saw a dozen vampires from the Heiyi tribe below.

The dozen or so ugly vampires of the Heiyi tribe were hunting. They were dragging a leopard whose throat had been bitten off. The leopard was also very pitiful. Although it was a more domineering species in the animal kingdom, it encountered cruelty. The extreme vampire can only be killed alive.

At this moment, more than a dozen ugly vampires from the Heiyi tribe dragged the leopard whose throat tube had been bitten off and dragged it forward.

Li Tian just watched the scene in front of him among the trees.

"Damn Heiyi clan vampire..." Li Tian murmured a word.

Suddenly the Heiyi clan vampire who was dragging the leopard seemed to hear something, and then the one in the front stretched out the arm of the skeleton and suddenly signaled the dozens of vampires around to stop.

Li Tian was taken aback, and quickly hid his figure.

But seeing the black yams vampire who stopped, with an ugly and ugly nose, smelling there...

He seemed to be aware of something. After sniffing the surroundings, he suddenly said in a hoarse voice, "There seems to be something moving around...? Have you heard it?"

The Heiyi clan vampires next to him also replied in Yiyu: "No..."

The sturdy Heiyi tribe vampire looked around with his bloodthirsty pupils. After confirming that there was no movement, it was relieved, and then led a dozen vampires to move on.

When Li Tian saw a few **** vampires suddenly leave, he only slightly relaxed, and said in his heart: "The vampires of the Heiyi tribe don't look extremely ugly, but it is undeniable that they do have something in the dark. Powerful sensing ability."
