

A Killer 241

Chapter 241: Encounter in a dream

The daughter of the Ouyang family.

It turns out that Ouyang Shiqing just heard San Shu's conversation. This is not after I heard about Li Tian, she was stunned at the moment, and hurried over to ask.

She has a strange feeling for Li Tian who was on the train and rescued her at the train station...

That feeling is a little unspeakable, maybe it's grateful.

But now when she heard that someone was kidnapped by Tu Wei for her sake, and even shot, Ouyang Shi couldn't help but feel self-blame in her heart.

After all, everything started to save her.

After Ouyang Shiqing came over and asked urgently, then Ouyang Hua said, "Don't worry, I have already found someone to send him to the hospital..."

"But this kid is really fateful. I heard that when he was sent to the hospital, the doctor said that if he was five minutes late, the blood on the kid would drain... I guess he would be in a deep sink. Can't save him either."

"How is he now?" Ouyang Shi asked anxiously.

Then Ouyang Huadao said: "Now it's out of the danger period...it should be fine."

"Uncle San, is he there? In that hospital?"

So Ouyang Hua told Ouyang Shiqing the address of the hospital where Li Tian lived.

Ouyang Shi didn't say much about love, and immediately said that he was going to the hospital.

This can't help but make Ouyang Zhengtian and Ouyang Huaju stunned, but everyone knows the character of this woman, as long as it is what she asks, she rarely does not do it.

So Ouyang Shiqing went to the hospital to visit Li Tian who was seriously injured.

After she left, Ouyang Zhengtian frowned slightly, watching the disappearance of her daughter hesitantly.

Ouyang Hua said, "Boss, what about that young man?"

Ouyang Zhengtian was startled slightly: "What do you mean?"

"It's the kid lying in the hospital. After all, it was because of our Ouyang family that he was so badly injured... and he also saved Shiqing's life." Ouyang Hua said slowly.

After hearing what he said, Ouyang Zhengtian thought for a while and wanted to ask: "Let's do it... First, check the details of the young man and the purpose of his coming to Jinghai City. When he gets better, let's discuss this later. thing."

Hearing Ouyang Zhengtian say this, Ouyang Hua smiled and nodded.

After all, Ouyang Zhengtian is not familiar with Li Tian, let alone who he is. Only after a clear investigation can he get acquainted with him.

Li Tian is already the second day of hospitalization.

He has been in a coma. The bullet in his chest has been taken out by the doctor. Now he is in a quiet coma with a bottle on his wrist... a pale and ugly face.

Having lost too much blood, he can only cultivate quietly now.

While he was quietly in a coma, Ouyang Shiqing, the daughter of the Ouyang family, drove quickly toward this side.

Red Maserati.

Maserati is like a queen on land. It is really just right to match Ouyang Shiqing's national and heavenly face and the extraordinary temperament of her whole body.

When the red Maserati parked at the entrance of the hospital, it attracted the attention of countless people.

Especially when she walked out of the car, she was more attractive and alluring than the car.

Although she wears a pair of ordinary skinny jeans, the plump curves are shown vividly by her...The round buttocks, slender and elastic thighs, such two legs, it is estimated that even if they die, some people are willing to be Clip for one night.

But no one dared to approach her.

Because when she got off the car from Maserati, she quickly walked out of the hospital with a few bodyguards of the Ouyang family wearing suits, eagerly ran behind Miss Ouyang Shiqing, and walked quickly towards the hospital.

Ouyang Shiqing walked in front, and asked as he walked, "Where is the injured person now?"
"just in front."

Speaking of those bodyguards, they quickly walked towards the front ward with Ouyang Shiqing.

When arriving at the door of the ward, Ouyang Shiqing asked the bodyguards to stand outside.

"You are all waiting outside..."

After hearing her say this, the bodyguards nodded one by one, and then quickly retreated to the door.

Ouyang Shiqing slowly pushed open the door of the ward, and a pungent smell of medicine flooded her.

With gentle steps, he approached his hospital bed step by step.

When she walked over, she saw him, lying on the hospital bed with her pale face like white paper, lying quietly.

He saved his life at the train station...

Ouyang Shiqing looked at him for a long time, and then sat down quietly next to him.

Li Tian is still in a coma now, of course he would not know that there will be a big beautiful woman sitting in front of him.

Due to the effect of the anesthetic injection on the gunshot wound in Zhong, Li Tian began to dream randomly while he was in a coma.

His head seemed to be filled with a mess of things... he started thinking wildly.

First of all, in his first dream, he dreamed of his father, whom he had never seen since he was a child, and still...

In the dream, Li Tian couldn't see the faces of his father and his mother. They turned their backs to him... Li Tian watched them desperately chasing after him, desperately trying to see his mother and father, but no matter how hard he tried, no matter how fast they chased, they couldn't see their faces, and finally the faces of his father and mother disappeared into the chaos.

Then Li Tian started to think and dream again.

This time, he dreamed of his future wife, Situ Ningbing, and said that he could think day by day and dream at night, perhaps because Situ Ningbing occupies too much weight in Li Tian.

In his dream, Li Tian saw Situ Ningbing killing each other with a group of people in black clothes.

She was still so glamorous in her dreams, the people in black tightly surrounded her, one by one... She just killed.

In the end, she suddenly spewed a black blood stain from her mouth. When she saw Situ Ningbing spit out black blood stains, Li Tian knew that it must be because of the Sanshengmen poison in her body.

So he was ready to quickly go up and help, help the woman he likes...

But I don't know why, he wanted to run to help her, but his body seemed to be separated by a layer of airbag, preventing him from running...

He couldn't help yelling anxiously, and watched the people in black clothes, holding the **** and cold machete in his hands, and rushed towards her... Li Tian could not move his body and could only scream... yelling at her over and over name.....

"Ningbing..."

"Ningbing..."

Chapter 242: I'll help you

While calling her name, Li Tian called in a dream like crazy.

He was afraid of a poisonous attack in her body, in which case her life would be in danger, so he was always worried.

He originally came to Jinghai City to help the poison of the Sanshengmen in her body...

No, now he woke up suddenly from the nightmare with the loud scream in his mouth.

He woke up.

With a cold sweat on his head, he opened his eyes and was still screaming: Situ Ningbing's name.

When he opened his eyes, he found that he was dreaming just now. When he realized that he was dreaming in his head, a big rock in his heart slowly fell.

Then he wanted to move his body, but found that his body could not move.

Pain, pain in my chest.

"you're awake."

Just when he was about to move his body, a familiar and pleasant sound around him suddenly came into his ears.

He then turned his head and saw Ouyang Shiqing sitting on his side at a glance.

She is still so beautiful and so temperamental.

The moment I saw Ouyang's poetry, Li Tian was undoubtedly startled.

"You... are you?" Li Tian screamed out immediately, his eyes full of surprise.

At the same time, I couldn't help but secretly line up: How could she be here? This eldest daughter named Ouyang Shiqing has been thinking of the vast crowd of people since leaving the train station. They don't expect to see each other again in this lifetime... Unfortunately, what I didn't expect was that when I woke up from a coma, I saw it first. I saw her.

Ouyang Shiqing smiled slightly and looked at him.

"What's wrong? Don't recognize me?"

Li Tian's expression was a little weird, and he blinked at her.

"How will you be here?"

Then he glanced around, and Li Tian suddenly realized that he was living in the hospital.

Isn't he in the small bungalow hijacked by Tu Wei? How come here... can it be said?

This made Li Tian a little excited and excited.

The excitement is that he is still alive and not dead, and the excitement is that he saw her at the first glance when he opened his eyes.

"Yes...Yes...Did you save me? Take me to the hospital?" Li Tian couldn't help but curiously asked.

After he was in a coma, he didn't know who rescued him, let alone what happened to Ouyang Hua and the others.

Ouyang Shiqing smiled faintly: "My third uncle saved you..."

"Your third uncle?" Li Tian couldn't help getting more and more strange.

Ouyang Shiqing nodded without explaining too much to him.

He just said slowly: "I'm relieved to see that you are okay...I am harassing you in this matter. If you hadn't helped me at the train station, I'm afraid you wouldn't have caused so much trouble. It will not cause you to be involved in this matter, or cause you and your friends."

"Sorry."

Ouyang Shiqing said with eyes full of guilt.

Yes, if it weren't for Li Tian's move, how could he be involved in this matter for no reason?

If it weren't for her, Sister Liu would not be crazy, and Da Yong would not die.

Li Tian shook his head with complicated eyes.

"I want to know how Sister Liu is now...and, there is also Brother Yong..." Li Tian asked suddenly with red eyes.

To be honest, he first arrived in Jinghai City, if it weren't for Da Yong and Sister Liu's help, Li Tian didn't know how much danger he would be, but now the two of them are being ravaged by him and become crazy, and the other He was shot to death on the spot, all of which was a kind of endless guilt in his heart.

After he asked, Ouyang Shiqing slowly said, "Your brother Yong, we have buried him, and we have sent people to his hometown to settle his family and everything. As for the other That Sister Liu... She is still in the hospital, but her condition is under control."

When Ouyang Shiqing said this, Li Tian said sincerely: "Thank you."

"No, this is what we should do."

"These things happened because of me. If it were not for me, they would not suffer such disasters, so what I did was only small things." Ouyang Shiqing said slowly.

Hearing her say this, Li Tian was lying quietly on the hospital bed, except for a pair of blood-red eyes, he didn't talk too much.

"Is there something I don't know if I should ask?" Ouyang Shiqing asked suddenly.

Li Tian slowly rolled his eyes and said, "You can ask."

"I want to ask, what did you come to Jinghai City for?" Ouyang Shiqing asked Li Tian without blinking with her smart eyes open.

Li Tian was silent for a while when she heard her question, and did not answer directly.

"If you have anything unspeakable, I won't ask." Ouyang Shiqing said lightly.

After being silent, Li Tian suddenly said: "I'm looking for someone..."

"She was injured and was infected with a very unique poison, which can only be found in Jinghai City, so I came to Jinghai City."

Li Tianyi said five to ten why he came to Jinghai City, but he didn't say the name of his future wife.

"Oh?" Ouyang Shiqing frowned slightly when he heard Li Tian say this.

"Is the name Situ Ningbing?"

A word suddenly came out of Ouyang Shiqing's mouth.

When Ouyang Shiqing suddenly said the name of Situ Ningbing, Li Tian couldn't help being stunned.

Looking at that Ouyang Shiqing with wide eyes: "You, how do you know her name?"

Ouyang Shiqing smiled lightly: "You said it yourself."

"I said it myself?" Li Tian was depressed.

"Just now you kept calling her name when you were in a coma. If I guessed correctly, she should be a very important person to you." Ouyang Shiqing said while blinking her beautiful eyes and staring at Li Tian .

Li Tian suddenly remembered that he was dreaming vaguely when he was in a coma, calling the name of Situ Ningbing in his mouth. He suddenly heard Ouyang Shiqing say this at this time, and then he suddenly understood.

At this moment, when Ouyang Shiqing said that he was a very important person, Li Tian did not refute, but silently nodded there.

"Is she in Kyoto? Can I find it for you?" Ouyang Shiqing said suddenly.

The Ouyang family is so powerful, let alone Jinghai City, even if it is necessary to find someone in China, it will not be difficult.

Hearing Ouyang Shiqing's words at this moment, Li Tian couldn't help but feel the urge to tell her. But he still hesitated!

"If it's inconvenient, you don't have to tell me... However, I owe you my life. If you need my help in the future, you can find me." Ouyang Shiqing said.

Li Tian thought for a while, slowly raised his eyes and looked at Ouyang Shiqing.

"Can you really help me?"

Ouyang Shiqing smiled faintly at the corner of her mouth: "What I say, I can do it naturally."

"Thank you." Li Tian said suddenly.

Chapter 243: Do good people get rewarded?

In Jinghai City, he was originally unfamiliar with his life and place. If he wanted to find Situ Ningbing, it would be extremely difficult. If there is really the largest domestic family in front of him, it would definitely be much better.

"She was poisoned...very poisonous, so she went to Jinghai City, because only here can the poison be solved."

Li Tian said slowly.

Ouyang Shiqing frowned slightly: "What kind of poison? Can the hospital not cure it?"

"The hospital can't treat it." Li Tian sighed.

"What poison?"

"The poison of Sanshengmen!"

When Li Tian said the word, Ouyang Shiqing suddenly frowned.

"Duanmu Family." A word came directly from that Ouyang Shiqing's mouth.

Li Tian couldn't help but froze slightly: "Do you know the Duanmu family?"

Of course she knew, and the Duanmu family, one of the four major families that seated alongside them in China, Ouyang Shiqing could not know.

"One of the most powerful weapons of the dark Duanmu family is: the poison of the Sanshengmen, and the second is the Kungfu of Rashomon. This dark family is different from any family. They believe in darkness and worship hell."

When Ouyang Shiqing said word by word, Li Tian couldn't help being shocked again.

He never thought that Ouyang Shiqing in front of him knew much more about the Duanmu family than him.

Li Tian moved his injured body lightly, and he couldn't help being very interested at this moment. He asked, "Girl Ouyang, how much do you know about Duanmu family?"

Ouyang Shiqing said indifferently: "I don't know a lot, most of them are heard from the family."

"This Duanmu family is very mysterious. It is a family with the same ancient history as our Ouyang family. Because they don't like publicity and act low-key and vicious, most people in Jinghai City basically don't know their real news."

"Then do you know how to find them?" Li Tian couldn't help asking.

Ouyang Shiqing shook his head.

"Although they are also in Jinghai City, if you want to know the address of the Duanmu family, it is difficult to see that. So far, apart from their family members, there must be no outsiders who know their address, none of them."

When Ouyang Shiqing said that, Li Tian was completely stunned there. He never thought that this Duanmu family was so mysterious and strange!

Even the Ouyang family, one of the four big families that align with him in China, doesn't know their address!

It really is the Dark Family! Sure enough, it was mysterious enough.

Hearing Ouyang Shiqing's words, Li Tian was completely taken aback.

Since even a big family like the Ouyang family can't find a clue to the Duanmu family, how can she find it?

How could Situ Ningbing get rid of the poison in his body?

When Li Tian suddenly thought of this, his eyes were filled with disappointment.

If she can't solve the three-life poison in her body, there is only death. Maybe when she dies, she will never see her again... Suddenly thinking of this, a silent sadness surged from his heart. .

Lying on the hospital bed, he was filled with despair at the moment, and the excitement that had come to Jinghai City had disappeared without a trace.

When Ouyang Shiqing, who was sitting on the other side, saw Li Tian's desperate look, she couldn't help but suddenly said, "You don't need to be discouraged, maybe my family can help you!"

Suddenly hearing Ouyang Shiqing say this, Li Tian was startled.

"Your family?"

Ouyang Shiqing smiled slightly: "Yes."

"Although the Duanmu family is very mysterious, but we have contacts with our family. As one of the four major families in China, we can still help you. This is my kindness."

"When your injury is healed, you come to our family with me, and I will ask my father to tell you as much as possible about the Duanmu family."

Listening to Ouyang Shiqing for helping herself so much, Li Tian can be said to be sincerely grateful.

"thank you."

Ouyang Shiqing waved his hand slightly: "Don't thank me, I still owe you my life."

After speaking, she slowly stood up.

"You have a good rest in the hospital, and don't worry about other things for the time being. When you get better, I will send someone to pick you up to my family." After Ouyang Shiqing finished speaking, she turned and walked outside the ward.

Looking at her graceful shadow, Li Tian suddenly felt that she resembled Situ Ningbing.

They are the kind of unattainable women.

Situ Ning is cold and beautiful like a stone on an iceberg, and smiles freely, but what about Ouyang Shiqing? She is like a queen with many demeanors, the pair of wisdom and knowledge is like a blood lotus flower that is far from reach.

One is a cold-blooded Frost beauty who was brought to the killer camp since she was a child, and the other is a woman who has studied abroad and obtained the MasterOfBusiness Administration (MBA) in the United States and studied in Korea and Japan and returned to the family business.

These two untouchable women are so extreme and so beautiful.

Li Tian looked at him, and a bitter smile appeared at the corner of his mouth.

Lying there, I started thinking about it.

Such a woman, what kind of man would be lucky enough to marry her?

Not only has knowledge, but also has a huge family background, and she also knows how to work...

After thinking about it, Li Tian couldn't help feeling a little inferior.

Anyway, I don't have that blessing anymore.

—

—

After this incident, Li Tian concentrated all his hopes on the Ouyang family.

Because he knew that he had no ability to find the dark Duanmu family. How could he find the Duanmu family by someone who has no relatives and no reason in the area of Jinghai City who still can't say the name?

All hope now lies in the Ouyang family, and only a large family like the Ouyang family can hope to help her find Situ Ningbing.

In addition to recuperating well in the hospital these past few days, he also went to the psychiatric department to see Sister Liu.

Sister Liu's condition is much better, and the physical trauma has basically been cured, but the inner trauma will not be forgotten for a while.

When she saw Li Tian, Sister Liu shed tears on the hospital bed.

Holding Li Tian's hand tightly: "Where is Dayong's body?"

Li Tian's eyes were a little ruddy, and he said with difficulty: "Brother Yong was buried by the Ouyang family..."

"That's good, that's good." Sister Liu wiped away the tears on her face and said.

"Dayong has been doing his duty all his life, but he did not expect to end up like this... Hey! It is said that good people are rewarded. Sometimes in this world, are good people really rewarded?"

Chapter 244: The help of Ouyang family

Listening to the words of Sister Liu in front of me, Li Tian stood there without saying a word.

But my heart is full of speechless guilt.

If it weren't for him, Dayong might not have died.

"Sorry, it's all because of me... you and Yong Brother." Li Tian said guiltily there.

Sister Liu smiled miserably.

"It is a blessing, not a curse, it is a curse that cannot be avoided! Brother Li, don't blame you..."
Sister Liu said.

Li Tian looked at Sister Liu there for a long time with confessional eyes... Finally, Sister Liu said that she wanted to be alone, so Li Tian walked out of the ward and returned to his ward.

After two days of slow training, Li Tian's injury recovered quickly. Although the gunshot wound was serious enough, he was able to move now.

Ouyang Shiqing, who has seen him once, has not come back since seeing him that time.

However, there are still bodyguards from the Ouyang family in the hospital to protect them.

Inside the Ouyang family.

A voice of discussion came from inside.

I saw the third child Ouyang Hua, the second child Ouyang Lie, and Ouyang Zhengtian, the owner of the Ouyang family, all sitting there in the lobby of Ouyang Villa.

There is still Ouyang poetry next to it.

From a distance, you can hear the fiery voice of the second child, saying in a loud voice, "Although I haven't seen that kid, but I heard from my niece Shiqing that he is not bad, he is a good young

man, so just rely on this. , I think that kid should be a good kid, after all, the people my smart niece can see are definitely not ordinary people? Right? Poetic?"

After saying this, he couldn't help but blinked at that Ouyang Shiqing.

Ouyang Shiqing laughed there.

The third son, Ouyang Hua also said, "Second brother is right."

"That kid can indeed, after all, he has saved poetry before..."

Only that Ouyang Zhengtian has not expressed his attitude, sitting there quietly at this moment, with his eyebrows locked there, as if thinking about something on his mind.

The object of their discussion at the moment should be Li Tian.

After thinking about it, Ouyang Zhengtian, who has not spoken, suddenly looked at Ouyang Shiqing and said, "Have you checked his details?"

Ouyang Shiqing nodded and said, "I checked it out."

"He has no father and no mother. He grew up in a small county in the north. His name is Liaocheng. It is not surprising about him in Liaocheng, but the only strange thing is that he seemed to be carrying another murder case when he was in Liaocheng. Because I heard that the police there once found several bodies in the small room he rented..."

"Is he a murderer?" Ouyang Zhengtian suddenly frowned and said.

Just now, Ouyang Lie, who said that Li Tian was good, and the youngest third Ouyang Hua couldn't help being taken aback when they heard that Li Tian was a murderer.

"He killed someone?" Ouyang Lie couldn't help but asked depressedly.

Only Ouyang Shiqing continued to explain: "The few people who were killed did not have ID cards and no history. Obviously, they had all the evidence that they were destroyed. According to my investigation, those people should not have been killed."

Hearing Ouyang Shiqing denying that Li Tian killed people, then Ouyang Zhengtian asked, "Shiqing, why are you so sure that he did not kill people? Don't forget, he knows martial arts and also killed Tu Wei."

"Dad, you may not know something. According to our investigation there, he was just an ordinary person when he was in Liaocheng. The neighbors all said he was just an ordinary person, and he was nothing at all at that time. Kung Fu..." Ouyang Shiqing said.

"Defenses can not do without!"

"Maybe he knows how to martial arts, but it was hidden at the time." Ouyang Zhengtian said.

Ouyang Shiqing said: "It's unlikely, because what he later experienced should explain everything."

Ouyang Zhengtian continued to listen.

"According to our investigation, he left Liaocheng and went to Kyoto City. He worked as a security guard at a Tang company in Kyoto City called Tang Zheng. But then it seemed that because of Tang Zheng's daughter, he stopped acting as a security guard. During the security guard's period, he fought twice, but he obviously didn't know anything during the fight. He just heard from his former

colleague that he was quite powerful... Then he went to the chaotic area of Kyoto City, the 9th district. There, in the Ninth District, he followed people and punched the black market..."

"It was also from then that he started to have kung fu, and he was still famous in the underground boxing arena in Kyoto City... As for why he came to Jinghai City, I think it might be because of her in his mouth."

The Ouyang poetry in front of me said lightly.

The Ouyang family even found out everything about Li Tian.

Even everything that happened in Liaocheng has been found out, but although the Ouyang family is very powerful, they are not gods. They don't know that Li Tian happened upon Situ Ningbing when he was in Liaocheng, let alone Knowing that Li Tian picked up a Celestial Book Pill scroll when he made a mistake.

After I heard Ouyang Shiqing talk about Li Tian's situation after leaving Liaocheng, the second child Ouyang Lie and the youngest Ouyang Hua were both muffled. There was not much speech, only Ouyang Shiqing. Man raised his eyes and looked at his father.

"Dad, after all, he saved me once!" Ouyang Shiqing continued.

Hearing Ouyang Shiqing's words, Ouyang Zhengtian slowly stretched his eyebrows.

"What do you mean?" He raised his eyes and looked at the second and third child as he said.

Ouyang Lie and Ouyang Hua both smiled, "It's up to you to decide the boss."

"Ok."

"No matter what, this kid saved my Ouyang Zhengtian's daughter after all, and I will help him once this time." Ouyang Zhengtian said.

Help Li Tian?

Could it be that what they are talking about is to help Li Tian? What to help Li Tian?

"I haven't dealt with the Duanmu family for almost ten years."

A word suddenly came out of Ouyang Zhengtian's mouth.

When the words of the Duanmu family were uttered, a burst of light burst into his eyes, sharp and dazzling.

The second child Ouyang Lie and the third child Ouyang Hua nodded silently there.

"Since the battle ten years ago, I have never been with the Duanmu family again...Unexpectedly, ten years later, I will have to deal with them again."

Ouyang Zhengtian's voice contained an unspeakable feeling, as if he was very unwilling to deal with the dark family.

Could it be said that the Duanmu family is really that scary?

After he finished saying this, he suddenly raised his eyes and looked at Ouyang Shiqing: "Shiqing, go and find the kid from the hospital. I have something to ask him."

Ouyang Shiqing nodded when he heard his father say so.

"Ok."

"However, Dad, he is still in the hospital...I don't know how he is doing?" Ouyang Shiqing said worriedly.

"It's been a few days, can't you walk down the ground? Isn't it too hypocritical?" Ouyang Zhengtian frowned slightly.

Chapter 245: Go to Ouyang Family

When Ouyang Shiqing heard his father say this, she could only nod quickly.

Then he was going to the hospital to pick up Li Tianlai and Ouyang's family.

She didn't know what her father had to ask Li Tian.

Li Tian's injury is almost healed in the hospital, of course he will not be so hypocritical.

He is now able to move freely, but his body cannot move greatly, because the gunshot wound on his chest has not been completely healed.

Sitting quietly in the ward, he suddenly heard a knock on the door of his room.

It should be the nurse, right?

Li Tian thought to himself, so he quickly walked over and slowly opened the door.

The moment he opened the door, he saw her.

Ouyang Shiqing.

Standing at the door with an elegant fragrance of jasmine, looking at Li Tian with a smile on his face.

The moment Li Tian saw her, he couldn't help being so excited that his heartbeat began to accelerate violently.

"Miss Ouyang..." Li Tian shouted.

Ouyang Shiqing said softly: "You don't need to call me Miss, just call my name."

"Oh." Li Tian felt a bit uncomfortable talking about himself.

I don't know why, when he faces this talented woman and beauty, he feels horrible.

"How is your injury?" Ouyang Shiqing looked at him and asked.

"It's almost done, I'm trying to tell you these two days, I should be able to leave the hospital." Li Tiandao said.

Ouyang Shiqing said, "Oh, the recovery is quite fast."

Li Tian smiled.

"I came here today to tell you something." Only Ouyang Shiqing said.

Li Tian was startled and asked, "What's the matter?"

"As for you looking for the Duanmu family, I said that I will help you with this matter." Ouyang Shiqing said.

Hearing what she said in front of her, Li Tian thanked her sincerely and said, "Thank you so much."

"It's ok."

"It's just that you have to come to our family with me, because my dad wants to ask you some questions." Ouyang Shiqing continued.

Hearing her say this, Li Tian was taken aback.

"To your family?"

"Yes."

Li Tian wondered how he was going to the Ouyang family of the four major families in the country, and he felt an obedient feeling in his heart.

"Aren't you willing to go?" Ouyang Shiqing stared at Li Tian with her beautiful eyes.

Li Tian said quickly: "No, no."

"That's good."

"If there is nothing to do, I hope you can go to our family with me now and tell my dad about you. Only in this way can I help you as soon as possible."

Hearing Ouyang Shiqing's words, Li Tian also felt very reasonable.

After all, the Sanshengmen Poison of Situ Ningbing's body couldn't be delayed for a moment.

After thinking about it, Li Tian decided to go to the Ouyang family. He knew in his heart that it was impossible to find his future wife, Situ Ningbing, with his own strength. Here, he was unfamiliar with the place, so how could he find the most mysterious Duanmu family?

So he can only take advantage of it!

Use the power of the Ouyang family to help me find the Duanmu family, because only in this way can I help my future wife, the poison on her body.

After Li Tian made the decision, he did not immediately follow Ouyang Shiqing to the Ouyang family, but first went to the psychiatric department of the hospital, and sister Liu's ward to see her.

After arriving in Liu's ward, Li Tian knocked gently on the door, but there was no sound inside.

Li Tian was taken aback for a moment, then slowly reached out and pushed open the door.

The door of the ward creaked and was gently pushed open. After pushing it open, Li Tian saw that the white bedding on the bed was neatly folded, but there was no figure of Sister Liu on the bed.

This time, Li Tian was horrified.

"Where is Sister Liu?"

"Where is she?"

Just as Li Tian was shocked, a nurse suddenly walked in from outside, blinked and asked, "What are you doing in this room?"

Li Tian turned his head, and when he saw that it was a nurse, he quickly asked, "Miss nurse, where is the patient in this ward? Why is she not here?"

"She? I left yesterday." The nurse said lightly.

"What? Sister Liu is gone?" Li Tian was shocked.

The little nurse said, "Are you the patient in the next room, whose name is Li Tian?"

When Li Tian heard the little nurse say this, he nodded quickly: "I am."

"Oh, by the way, when this woman left, there was another word for me to tell you. She asked me to tell you not to find her again... She wants to leave this place quietly and leave this city... Go to a new life." The little nurse said.

When the nurse said this word by word, Li Tian was stunned.

Sister Liu left alone... She left this sad place.

Ouyang Shiqing, who was next to him, looked at Li Tian's painful appearance and couldn't help but said, "Maybe, it might be a good thing for her to change to a new life!"

"Maybe." Li Tian said uncomfortably.

He is a bit cruel to himself now. If he hadn't come to Jinghai City by himself, he wouldn't be involved in that Liu Jie and the dead Brother Yong. If it weren't for himself, Liu Jie would not be tortured and insulted so that the spirit would start to collapse.

When Li Tian thought of this, he wanted to cut himself with a knife.

Li Tian, who stayed in Liu's room for a while, finally followed Ouyang Shiqing lonely.

After going to the lobby of the hospital to complete the discharge procedures, Li Tian stood in the sun again.

The dazzling light on his pale face, which was somewhat anemic, made him unable to open his eyes.

A beautiful red-eyed land queen Maserati stopped in front of him with a hiss.

Seeing Ouyang Shiqing's alluring face from the car window glass, Li Tian's heart beat.

Looking at the Maserati she was driving, the graceful and elegant curves, combined with the noble and gorgeous design, made Li Tian couldn't help feeling deeply envy.

"Get in the car, I'll take you to our family." Ouyang Shiqing's sweet voice came from the car.

Li Tian walked over, opened the door, and got into the car respectfully, like a country boy who had been in a car for the first time, nervous.

Sitting in this Maserati, he could smell the fragrance of the woman's body from Ouyang Shiqing's body more closely, and almost fainted him.

He sat on the back seat, sitting quietly, as if he didn't even dare to mess with the atmosphere.

"fasten your seatbelt."

As Ouyang Shiqing spoke, she started to start the car. Li Tian was taken aback, and then quickly began to fasten the seat belt on her body, and then Ouyang Shiqing took Li Tian to the Ouyang family.

Chapter 246: First time

Both people were silent along the way.

Neither said a word.

The car passed through the bustling streets and drove quickly towards the most central area of Jinghai City.

In this most prosperous area of Jinghai City, one square meter worth of real estate is as high as 30,000 yuan, and there is a group of villas.

The group of villas surrounded by iron fences is the site of the Ouyang family.

The villas stood there like monsters. For Jinghai City, it was a symbol of respect and glory.

There lived the Ouyang family, the first family of the four major families in China. There was their territory, and there was an area surnamed Ouyang.

Ouyang Shiqing's Maserati quickly drove towards the villas of the Ouyang family.

"The front is our family." Ouyang Shiqing, who had been silent along the way, said slowly when Maserati finally reached the family.

Sitting in the back position, Li Tian blinked his eyes and looked at the tall villas in front. In addition to being astonished and shocked, he was still shocked.

Be good!

Could it be that the villas surrounded by iron fences in front are all owned by the Ouyang family!

Li Tian knew that what he saw with his eyes was only rare among the Ouyang family.

The Ouyang family has been in the top ten in the domestic Forbes ranking for 5 consecutive years. The wealth of this family has long exceeded anyone's imagination...

Some people say that if the Ouyang family's money is replaced with hundred-yuan bills, it can cover Jingjiang next to Jinghai City. It is absolutely not an exaggeration to replace this with a real thing.

This is the first family of the four major families in China.

A big family with strong assets and strength.

As Ouyang Shiqing's Maserati quickly drove into the entrance of the Ouyang family villa group, the security guard at the door saw that it was the eldest Maserati and quickly opened the electronic door.

Then Maserati drove towards the group of villas.

The whole area is planted with green trees, and there are various beautiful flowers planted on both sides. Looking at this scene, it is like being in heaven.

Many villas here are where the Ouyang family lived.

Ouyang Shiqing drove this car all the way to the middle one, the tallest and most magnificent villa with a European-style architectural style centralized building.

Standing at the gate were masculine and burly bodyguards.

Each of the bodyguards of the Ouyang family is a superb figure directly selected from the headquarters of the armed police, and each has extraordinary skills.

From the footsteps, movements, and calluses on the hands, you can see that these individuals are definitely not ordinary characters.

Seeing the eldest lady's Maserati rushing in, the bodyguards all bowed their heads slightly, and the car drove toward the luxurious parking lot of the Ouyang family.

It's not so much a private parking lot, it's better than the parking lot of the Verya International Mall.

The first thing that catches the eye is a global limited edition, the Rolls-Royce "Phantom", huge as a tiger, and awe-inspiring.

Next to the convenient location is another car, the Spyker C8.

Followed by a beige Lamborghini, and a BMW X series model.

It is estimated that the few luxury cars in front of me are worth tens of millions. This kind of family, this kind of aura, when I see Li Tian's eyes, in addition to the shock and admiration in my heart, it is more of a shock. envious.

That person doesn't like wealth?

Of course Li Tian is a human being, so when he sees such a luxurious villa and such a luxury car worth tens of millions, of course he is also moved.

What if one day, when you have this wealth? Li Tian was thinking about it.

While he was dreaming, Ouyang Shiqing had already parked the Maserati.

Li Tian then followed Ouyang Shiqing to get out of the car.

Following Ouyang Shiqing's back, Li Tian felt that he was incompatible with the luxurious buildings in front of him.

The surrounding bodyguards and servants all looked curiously at Li Tian who was following the daughter of the Ouyang family.

The eyes are full of weird feelings.

Facing those eyes, Li Tian just walked quietly.

An old man walked over from the front, with extremely high cheekbones, half a hundred hair, and a sense of fairy style, he walked over from the front with a kind smile.

"Miss, I'm back." The old man said hello to Ouyang Shiqing.

"Bo Fang, where is my father?" Ouyang Shiqing asked.

The old man in front of him is the chief steward of the Ouyang family, Bo Fang.

Li Tian met this uncle Fang when he was at the train station, so he recognized it at a glance.

Uncle Fang smiled and said, "Master is waiting for you in the room."

Then a pair of deep and smiling eyes focused on Li Tian.

"Hello!" Li Tian greeted Fang Bodao politely.

Fang Bo smiled slightly: "We met at the train station... Last time we didn't have time, thank you for saving our eldest lady!"

Li Tian said lightly: "It's too polite."

"Uncle Fang, I will take him to see my dad first."

As Ouyang Shiqing said, she took Li Tian in front of her and walked slowly towards the main hall.

Li Tian silently followed behind her, preparing to see the Patriarch of the Ouyang family soon.

After bypassing the swimming pool and spray garden in front, you saw the crystal clear glass door.

When he followed Ouyang Shiqing into the hall, Li Tian felt a sense of entering the gate of the deep palace.

The main hall is magnificent.

In the middle place were three men with awe-inspiring aura.

The first thing that catches the eye is the macho with a beard. His face is flushed, and a pair of big eyes blinks flickeringly. The burly body and strong muscles symbolize his sturdiness.

The second child, the fire guy, Ouyang Lie.

On the left side of Ouyang Lie is Ouyang Hua, who is sitting like the scholar Baijing.

The middle place at the head is Na Ouyang Zhengtian.

As soon as Li Tian looked at these three people, the noble aura exuded from his body, he suddenly felt that the middle man was the head of the Ouyang family.

This silent man gave a domineering and awe-inspiring feeling all over, his eyes looked like a mountain pressing on the person when he was betting on him.

Especially for people like Li Tian who just debuted.

Ouyang Shiqing who walked in also smiled and said, "Dad, I'm back."

Then the eyes of Ouyang Zhengtian and the second child Ouyang Lie and the third Ouyang Hua all focused on Li Tian behind Ouyang Shiqing.

There are frowning gazes, some admiring gazes, and cold gazes that do not move the mountains and rivers...

What about Li Tian? Standing still like a rock motionless.

Chapter 247: The most powerful poison

"Dad, he is Li Tian!"

Ouyang Shiqing introduced it there.

Ouyang Zhengtian stared at Li Tian with eyes like the emperor and nodded slightly.

This is the man who saved his daughter at the train station? This is the kid who praised after his daughter came back?

To be honest, when he first saw Li Tian, Ouyang Zhengtian only thought that he was an ordinary person, even more ordinary than ordinary people.

Even the second child Ouyang Lie and the third child Ouyang Hua felt so.

But if Ouyang Zhengtian carefully looked at Li Tian, he would feel that the young man standing in front of him had a different temperament.

As for the reason for the weird temperament in him? Ouyang Zhengtian hasn't noticed this yet.

A smile suddenly appeared on his face at this moment.

Then he smiled and said, "You are Li Tian, yes, yes."

"You saved Shiqing at the train station last time. After returning from the train station, you heard her tell me. I always wanted to see you as a young hero. I didn't expect to see you finally today." Ouyang Zhengtian said with a smile.

Li Tian was slightly stunned. He was deeply shocked that the Patriarch of the Ouyang Family, one of the four major families, could say such words.

Saying there: "At the time, I just happened to help, but it didn't really matter."

"Young people are neither humble nor overbearing, very good." Ouyang Zhengtian said with a smile.

"Yes, no matter how you saved my niece, Ouyang Lie is the first to remember this kindness."

"Don't talk about being in Jinghai City in the future, even if you have any trouble in China, you can come to me." A domineering voice called out from Ouyang Lie's mouth.

He grinned and said with a grin, his voice thunderous.

When Li Tian heard Ouyang Lie say this, he knew in his heart that this person should have a hot temper and a fiery personality, but others should be good people.

"I heard that this time because you saved Shiqing at the train station, you were still involved in this incident and was kidnapped by Tu Wei?" Ouyang Zhengtian continued to ask with a smile.

Li Tian nodded slightly.

"Ok."

"Caught you?"

"Well, there are my friends."

"This incident seems to be our burden... I heard that a friend of yours also sacrificed his life for this incident. Ouyang Zhengtian apologizes deeply for this." Ouyang Zhengtian said sincerely.

"But fortunately I can do some Weibo for the family of any of your dead friends."

"Thank you, Mr. Ouyang." Li Tiandao said.

Ouyang Zhengtian waved his hand slightly: "You are welcome, this incident was originally because of us, it hurt you and your friends, so if you want to thank you, first of all, we have to thank you."

Li Tian did not speak.

"Is it the first time to come to Jinghai City?" Ouyang Zhengtian asked, suddenly changing the subject.

Li Tiandao said, "Well. This is the first time."

"No wonder you are not very familiar with Jinghai City."

"I heard poetry say that you came to Jinghai City to find the Duanmu family, right?" A word suddenly came out of Ouyang Zhengtian's mouth.

When he said it, his eyes stared at that Li Tian.

Li Tian heard Ouyang Zhengtian say this, nodded slowly, and said truthfully: "Yeah."

"I came to Jinghai City to find the Duanmu family. When I was in Kyoto City, I heard that the Duanmu family was in Jinghai City, so I came here." Li Tiandao.

Listening to Li Tian's words, Ouyang Zhengtian smiled slightly.

"You are right. The Duanmu family is indeed in Jinghai City, but you know that even I don't know where the Duanmu family's address is, so if you want to find them in Jinghai City, it must be quite difficult."

"And you may not know this family... This family doesn't like being interfered by others. If someone really interferes with them, they will probably be killed in advance. For this family, killing one person is simply better than It's easier to kill a chicken." Ouyang Zhengtian said slowly.

Hearing Ouyang Zhengtian saying this, Li Tian was slightly shocked.

What shocked him was that even the Patriarch of the Ouyang family didn't know where the Duanmu family lived. What a mysterious family this was.

"So, I think if you don't want to do something about life, it's best not to provoke this dark family." Ouyang Zhengtian said slowly.

In fact, he said these words for Li Tianhao.

Of course Li Tian could hear the kindness of others.

But he slowly shook his head.

"Thank you Mr. Ouyang for your kindness, but I still have to find them, because one of my...a friend has been poisoned by their family, the Sanshengmen! Presumably Mr. Ouyang should have also heard of the Duanmu family's Sanshengmen. Poison, so if I don't look for them, my friend will die." Li Tian said firmly.

"The poison of Sanshengmen!"

When Ouyang Lie suddenly heard the poison of the Sanshengmen, he screamed as if he was bitten by a poisonous snake.

Then his two big copper bell-like eyes stared, and a pair of fists were clenched tightly.

"His grandmother turned out to be the poison of the Sanshengmen! Wang Ba Laozi!" The vulgar words came out from Ouyang Lie's mouth.

However, Li Tian was slightly shocked, why Ouyang Lie was so angry when he said the poison of the Sanshengmen... as if he had something to do with the poison of the Sanshengmen.

"Second brother, it's been almost ten years, are you still remembering?" The youngest Ouyang Hua said while looking at Ouyang Lie.

Ouyang Lie's eyes widened, as if he was about to eat people, and said angrily: "How can I forget? Grandma, if it wasn't for the poison of Sanshengmen, my face could be like this?"

Hearing what Ouyang Lie said, Li Tian who was standing there was taken aback.

What is the connection between Ouyang Lie's face and Sanshengmen's poison?

He knew that in the battle ten years ago, Ouyang Lie was poisoned by the Sanshengmen. Fortunately at that time, one of the four elders of the Duanmu family exchanged the antidote for Ouyang Lie's Sanshengmen poison. Only then did the Sanshengmen poison in Ouyang Lie's body be cured.

But because of the long time, his face became flushed, red and purple.

The current Ouyang Lie, nicknamed Lie Huo Lao, is also named for this.

Outsiders thought that his face was born like this. Who knows that the red color on his face was caused by the poison of the Duanmu Family Sanshengmen.

When Ouyang Lie suddenly told the past of the year, Li Tian couldn't help being shocked.

He didn't expect that the poison of the Sanshengmen was so powerful!

If Ouyang Lie said so, wouldn't Situ Ningbing... Thinking of this, Li Tian suddenly became worried.

Chapter 248: Wait a minute

"Excuse me, how long does it take for the poison of Sanshengmen to attack?" Li Tian suddenly looked at Ouyang Lie anxiously and asked.

Ouyang Lie stared and said, "The dark family has all kinds of poisons. Although their names are called Sanshengmen, each kind of poison is different. So if you want to ask this question, I can't give you an accurate answer, only Duanmu. The members of the family can know, because only they know what kind of poison has been poisoned."

Hearing Ouyang Lie's words, Li Tian couldn't help being disappointed.

He stood there blankly, his face like ashes.

"You just said that your friend was poisoned by the Sanshengmen?" Ouyang Lie suddenly looked at Li Tian and asked.

Li Tian nodded silently with a pale face.

He was worried about Situ Ningbing in his heart now.

Worried about the Sanshengmen poison in her body.

"If that's the case, it won't be easy." Ouyang Lie said slowly.

Looking at Li Tian with a sympathetic look.

Ouyang Shiqing next to him also looked at him sympathetically.

"You came to Jinghai City to understand the poison on your friend?" Ouyang Zhengtian suddenly looked at Li Tian meaningfully and asked.

Li Tian said truthfully: "Yes."

"She was poisoned by the Sanshengmen, so I must come to Jinghai City to detoxify her."

"But do you know? Basically, people who have been poisoned by the Duanmu family Sanshengmen have never lived... and this family is vicious, if you let them know that you are looking for their family, it is likely that you will be in danger. What I said is definitely not to scare you, so you'd better think clearly...If you can, I advise you to leave Jinghai City, because if you insist on staying here, don't say that you are poisoned by the Sanshengmen. Friends will die, and it is possible that even you will die here."

Listening to the words of Ouyang Zhengtian in front of him, Li Tian stood there straight, without saying a word.

After Ouyang Zhengtian finished speaking, he slowly spit out a few words from his mouth.

"I won't leave! Even if she is dead, I will help her find the cure."

Listening to Li Tian resolutely finishing these words...

Then Ouyang Zhengtian suddenly shook his head helplessly.

Ouyang Hua and the second child, Ouyang Lie, looked at Li Tian with sympathetic eyes.

"Dad, I want you to help him!" Ouyang Shiqing, who was standing on the side, suddenly begged his dad.

But Ouyang Zhengtian shook his head slowly.

"It's not that I don't help him, but that I can't help him...because there can be no antidote to the poison of the Sanshengmen of the Duanmu family... and it is impossible for their family to give him that kind of antidote. Even I can't force the Duanmu family to hand over the antidote. Your second uncle was the best example back then. If it weren't for the fourth elder of their Duanmu family's guardian who was caught by us, maybe even your second uncle would have it back then. Life is in danger...in the end it wasn't that their four elders exchanged the tiny antidote."

It turns out that the reason why the Sanshengmen poison in Ouyang Lie's institute was unlocked was because they exchanged one of the four elders of the Duanmu family for the medicine.

One can imagine the preciousness of the antidote to the Sanshengmen poison of the Duanmu family.

Situ Ningbing is now poisoned.

Not to mention that it was Situ Ningbing who was poisoned, even if it was Li Tian, it is estimated that Ouyang Zhengtian would not fight the mysterious family for this matter.

You know how tragic the battle was ten years ago, how many people were killed and injured by the two big families in that battle! !

Of all these ancient hatreds, Ouyang Zhengtian in front of them certainly didn't want to peel them off one by one!

So when Ouyang Zhengtian said so, Li Tian was desperate. ,

He had thought that with the help of the huge power of the Ouyang family, he could help himself with the poison of the Sanshengmen in his future wife Situ Ningbing, but when he heard Ouyang Zhengtian say this, his heart was desperate.

He stood there like a cold stone.

Ouyang Shiqing looked at Li Tian, full of guilt and helplessness. Even the second child Ouyang Lie and the third child Ouyang Hua looked at Li Tian sympathetically.

"In that case, I think I should go."

A word suddenly came out of Li Tian's mouth, making Ouyang Shiqing and the rest of the people in front of him startled, and they couldn't help but stare at him at this moment.

He is not a beggar, and he is not a person who makes others sympathize and pity him. Now that the Patriarch of the Ouyang family has refused to help him, why is he staying here?

So he decided to leave.

He raised his eyes and stared at that Ouyang Zhengtian, and slowly said, "No matter what, I thank you for saving my life in Tu Wei's hands... and thank you for helping me bury Brother Yong, and his family."

Li Tian, who had sincerely said these words, didn't even stay for half a second, and turned around and walked outside.

"Dad..." an anxious voice called out from Ouyang Shiqing's mouth.

She originally wanted to call Li Tian to the Ouyang family to help him... but she didn't expect her father to refuse it decisively.

At this meeting, Ouyang Zhengtian just raised his brows solemnly, ignoring the poetry of Ouyang beside him, a pair of eyes were deeply gaze at the figure of Li Tian... there was an indescribable feeling in his eyes.

Then Ouyang Lie and Ouyang Hua couldn't help but shook their heads helplessly.

Because no one understands the poison of the Duanmu family's Sanshengmen better than them, and no one understands the mystery of the Duanmu family better than them.

Li Tian resolutely strode towards the outside.

Now that everyone has said everything for this purpose, why should I stay here?

Although he was extremely disappointed, he understood the Ouyang family, after all, no one wanted to get such a big trouble for an outsider.

Just as he was about to step out of the door of the Ouyang Family Hall, suddenly a loud voice came out of his mouth from behind.

"Wait a minute!"

Ouyang Zhengtian.

The moment his words came out, everyone in the hall was stunned, and they couldn't help turning their heads to look at Ouyang Zhengtian. Even his daughter Ouyang Shiqing blinked and stared at her father.

And Li Tian, who was about to step out to leave the Ouyang family, also stopped, slowly turned his head and looked at Ouyang Zhengtian.

Ouyang Zhengtian looked at Li Tian with a gratifying smile at the corner of his mouth.

"I feel more and more interesting as a young man."

A word suddenly came out of Ouyang Zhengtian's mouth.

When he said this, Ouyang Shiqing's face suddenly became happy.

"Dad, did you agree to help him?" Ouyang Shiqing looked at Li Tiandao excitedly and asked.

But seeing that Ouyang Zhengtian did not directly answer the words of Ouyang poetry, but turned his deep eyes to look at Li Tian.

"Are you really afraid of death? Are you afraid of the dark Duanmu family?"

Chapter 249: Truce agreement

Listening to Ouyang Zhengtian's words, Li Tian said decisively: "I said that even if it is dead, I will find an antidote for her."

"it is good!"

"With your words, I will try to help you once." Ouyang Zhengtian said suddenly.

When the Patriarch of the Ouyang family suddenly said these words, Li Tian was undoubtedly excited, and Ouyang Shiqing next to him was even more excited.

"But, I tell you the Duanmu family is by no means as simple as you think."

"Although I promised to try to help you, it may not help you really detoxify your friend, so you have the best, best, and worst plan." Ouyang Zhengtian continued,

Although he was the head of the Ouyang family, he did not dare to give Li Tianshi a tenable guarantee.

Even so, Li Tian is indeed grateful.

He had no idea that Ouyang Zhengtian would help him with a change of heart, which he had never expected.

At this moment, the eyes were full of gratitude and said, "Thank you! I have to thank you no matter what."

Ouyang Zhengtian smiled slightly: "Your poisoned friend is there now?"

Suddenly hearing Ouyang Zhengtian's question, Li Tian's face instantly became ugly.

"She... She... To be honest, I don't know where she is now."

Hearing Li Tian's words, Ouyang Zhengtian frowned.

Ouyang Huadao next to him said: "I'm kidding... You haven't even found your poisoned friend now? How can we help her? Even if we work hard to find the medicine for you, in case you can't find your friend Isn't it just a waste of work?"

What Ouyang Hua said is not bad.

Yes, now Situ Ningbing hasn't been found. Even if Li Tian got the antidote for the Sanshengmen of the Duanmu family, where can I find Situ Ningbing? Is she dead or alive now? No one knows.

Li Tian stood there with a pale face.

"Don't worry, I will find her as soon as possible!"

"I must find her...no matter it's the end of the world."

Listening to Li Tian's words, there was a strange feeling in Ouyang Shiqing's eyes.

Ouyang Zhengtian frowned slightly and looked at Li Tian and asked, "Is your friend in Jinghai City now?"

"she is at!"

"It's just that I don't know where she is." Li Tiandao said.

"Well, you'd better find your friend as soon as possible, and I will help you find someone from the Duanmu family." Just listen to Ouyang Zhengtian.

Listening to Ouyang Zhengtian's words, Li Tianman thanked him.

Finally, this matter was finally settled with Ouyang Zhengtian's promise to help.

With the help of the Ouyang family, things become much easier.

Li Tian now puts all his hopes on this big family, and he himself has to look for Situ Ningbing, because then even the Ouyang family will help him get the medicine, but if Situ Ningbing can't be found, Wouldn't it be a waste of work.

So the first thing he needs to do now is to find that Situ Ningbing.

"Well, Shiqing, you take him to the backyard and I will talk to your second and third uncles." Ouyang Zhengtian said with a smile.

Ouyang Shiqing quickly nodded knowingly there, and said, "Okay."

Then he said to Li Tiandao: "Follow me to the backyard."

Li Tian didn't say too much, either. After bidding farewell to Ouyang Zhengtian and Ouyang Lie, he walked outside with Ouyang Shiqing.

After they left, Ouyang Huacai in the hall looked at Ouyang Zhengtian cautiously and asked, "Brother, are you really going to help him deal with the Duanmu family?"

"The truce agreement ten years ago, I am afraid we can't break it."

The truce agreement ten years ago?

What happened ten years ago... There was even a truce?

If time can go back, or if you open the ancient genealogy of the Ouyang family, you will see the shadow of the war ten years ago.

Ten years ago, the four big families fought for one thing, and all the four big families took part in the war.

In addition to the Ouyang family, there are the Yuwen family, the Situ family, and of course the Duanmu family.

It is said that the battle was to **** something... But in the end, where did the mysterious thing get to? Nobody knows.

Everyone only knows that in that battle, the Yuwen family, who had always believed that they had noble blood and self-proclaimed aristocrats, was an alliance with the dark Duanmu family, while the Ouyang family and the Situ family stood side by side.

The war between the four major families killed many people, including many insiders in the family.

In the end, after the war, they drafted a truce.

In order to prevent the four major families from conflicting again and avoid **** deaths, there will be a truce agreement. If the truce agreement is broken, the door may be destroyed.

At that time, if anyone breaks the truce agreement, the remaining three other families will be allied to eradicate the family that broke the truce agreement, and do everything possible.

Therefore, no one can break the truce agreement set ten years ago.

But this time?

If Ouyang Zhengtian helped Li Tian in front of him, is he really looking for the poison that the Duanmu family wants to produce from the Sanshengmen? Didn't it break the truce agreement ten years ago?

So at this moment when Ouyang Hua suddenly announced the truce agreement, Ouyang Zhengtian's eyes were solemn.

Even the blazing fire guy who used to be careless and afraid of nothing, Ouyang Lie was still silent at this moment, without saying a word, looking at Ouyang Zhengtian.

But Ouyang Zhengtian sighed softly.

"No! I will not break the truce agreement ten years ago." Ouyang Zhengtian said suddenly.

Ouyang Hua was depressed now.

"The big brother? Let's not help the boy named Li?"

"help!"

Ouyang Hua was puzzled.

"Since we are helping him? Wouldn't it be necessary to help him find the antidote for the Sanshengmen of the Duanmu family? Isn't it..."

"No, you are wrong."

"What I said to help him was to help him find it, but it did not violate the provisions of the truce agreement... I will not intervene in his affairs with the Duanmu family, I just help him find the Duanmu family, and..."

A word was said in Ouyang Zhengtian's mouth, but he did not finish it completely.

Ouyang Hua next to him looked at Ouyang Zhengtian and asked, "Big brother, and what?"

"Moreover, I feel that the things that have happened recently are getting a little bit wrong. First of all, Tu Wei...this guy who knows nothing about life and death dared to assassinate Shiqing blatantly..."

"Big Brother, isn't Tu Wei already killed by me?"

"No! Although he is dead, I think there must be someone behind him supporting him. Tu Wei is not a fool, so I believe he will not be so stupid to be poetic."

Chapter 250: What are you doing?

"Brother, you mean there is someone behind Tu Wei's bastard? Someone is instigating him?" Ouyang Hua asked in surprise.

"Yeah." Ouyang Zhengtian said righteously.

Ouyang Lie, the blatant fireman on the other side, suddenly said angrily: "Bad son, I know this is not that simple. Someone must be behind the scenes. Don't let me find out who it is. If I find out, I must live Pinch him to death."

Ouyang Lie's roar echoed in the hall.

"Brother, who do you think might be the instigator behind the scenes? How dare to deal with our Ouyang family?" Ouyang Hua couldn't help asking.

Then Ouyang Zhengtian frowned and said nothing: "I'm not sure yet, but I believe that I will soon find out who is behind the scenes."

"Since the other party has moved his mind to my Ouyang family, he will definitely not give up so easily. He will definitely come again to look for opportunities to deal with us, so we just have to wait and wait for them to appear."

Li Tian followed Ouyang Shiqing into the back garden of the Ouyang family.

The fragrance is permeated inside, and there is a water-spraying pool in the front area. Many lotus flowers are planted in the pool, and the charm is still there.

"Thank you for helping me." Li Tian, who had been silently following Ouyang Shiqing, suddenly couldn't help but said to Ouyang Shiqing.

Ouyang Shiqing slowly turned her head and smiled slightly: "It's nothing, haven't you saved my life?"

Li Tian also smiled softly when she said that.

In the back garden, besides the servants trimming the flowers and plants, there were also several bodyguards with cold faces standing there.

When I saw this stranger actually following behind my eldest lady, they all cast a surprised look on Li Tian's body, looking at him like a monster.

Li Tian felt uncomfortable with those gazes, as if he were an outsider infringing on their territory, but his face did not show it at all.

"Which of your poisoned friends is now in Jinghai City, do you know?" Ouyang Shiqing asked suddenly.

Li Tian shook his head.

"Then how are you going to find it?" Ouyang Shiqing said.

"In fact, I do not know."

"But I have to find her, because I promised her..." Li Tian said with a wry smile.

Ouyang Shiqing looked at Li Tian, thought about it, and suddenly said, "She, is she your girlfriend?"

When Ouyang Shiqing asked, Li Tian didn't know what was going on, his face suddenly became hot, and he quickly said, "No, it's not."

Ouyang Shi smiled affectionately.

"But she should be important to you."

"Well, yes." Li Tian did not refute.

Ouyang Shiqing turned around and said quietly: "Don't worry, I will try my best to help you find her! As long as she is in Jinghai City, I will be able to find her..."

Li Tian said thank you.

Then Ouyang Shiqing smiled and said: "You first go around here, I'll go to the room, and I will come to you later."

After speaking, he turned and walked lightly towards the house in front.

Li Tian stayed here alone, looking around, he found that this Ouyang family was really big enough, almost beyond his imagination.

Not to mention the group of villas outside, the mansion of Ouyang Zhengtian in front of him is big enough.

There is not only a private garden but also a swimming pool, and its own gym...

Passing the garden, Li Tian looked at the exquisite houses in front of him, with envy in his eyes except for envy.

Such a rich man! How long does it take for a person to climb such a mansion to reach this height?

Although the servant bodyguards around saw Li Tian, a stranger in the Ouyang family mansion, their eyes were weird, but they all really respected each other. When they saw him, they couldn't help but bend down at him slightly to show respect. .

While Li Tian was slowly wandering around, he suddenly heard the sound of a rock hitting the ground from the back garden.

He was stunned for a moment, and slowly approached to take a look.

This time he was stunned there.

I saw a fierce man with a height of two meters in the back garden was holding a large bluestone worth 100 kilograms in his hands and slamming it on the ground.

It seemed that the ground had a grudge against him.

This person couldn't help being strong, and he was full of strength. It's hard to describe his toughness.

The blue veins of the two arms skyrocketed, holding a large blue stone of 100 kilograms, and slammed it hard, twice, three times... and hit the ground.

Such a weird situation made Li Tian curious.

Who is this person? Why is it so strange?

He even smashed a hundred jin of large bluestone towards the ground... If Li Tian hadn't seen it with his own eyes, he really thought the fierce man in front of him was a madman, a fool.

I stayed there curiously and watched the two-meter-high hunk holding a stone and slamming it on the ground. Li Tian found it interesting.

But he said that the strong man stayed a dozen times and smashed to the ground fiercely... Li Tianqing was the only one to accompany him!

A person's strength is so great and so terrifying.

While he was watching, the strong man who was more than two meters tall suddenly turned his face and turned his head to see him.

This made Li Tian stunned slightly.

But seeing the fierce man who turned his head has a relatively delicate face. It is not as rough as the old man... It's just that his wooden eyes looked a little dull, as if they were dumb. of.

When looking at people, it gives people a silly feeling. In addition, he has a strong and huge body, which is easy to think of him as a fool, a powerful fool.

When he suddenly turned his face and looked at Li Tian with blank eyes, a smile suddenly appeared at the corner of his mouth.

A silly smile.

This makes Li Tian feel very strange.

But he quickly returned a smile.

At the same time, I couldn't help but wonder: Who is this guy? So powerful? Like a calf.

If he was born in ancient times, he was not a great general, majestic and burly.

While thinking about Li Tian's mind, the fierce man suddenly raised the 100 kilograms of large bluestone on the ground with both hands, and smashed it at him. What depressed Li Tian the most was that this man held one. When the big bluestone that could kill a person by a hundred jins smashed to Li Tian's death, his face still had a pure smile.

This made Li Tian depressed.

Seeing the other party smashing a hundred kilograms of large bluestone towards him, if he does not avoid it, he would be stupid, because he would definitely be killed alive.

Isn't this? When the fierce man raised the big bluestone in his hand and smashed it towards him, Li Tian quickly dodged.

At the same time, he couldn't help but exclaimed, "What are you doing..."
