

A Killer 2461

Chapter 2461: A blessing in disguise

It seems that these two special forces do not know where the Baihua Fairy and their plane crashed...

When I thought of the Baihua Fairy and the others, Cthulhu became uneasy.

"Hey, where are the third sisters..." The Cthulhu sighed with worry.

The Duguxie and the ghost servants in front of them also looked worried, not knowing what to do at the moment.

The wind and snow outside were still falling...If the Baihua Fairy and their plane crashed, they might have been completely buried by the snow.

Now I want to find those Baihua Fairies... it's impossible!

The vast snow-capped mountains are endless...Where to find?

...

Between the capped Tianshan Mountains, Piaoxue Peak.

This peak, known as the first peak of the Tianshan Mountains, is also flying snow in the sky at this moment.

In the unknown thousand-year-old ice room at the top of Piaoxue Peak, only three old men were still healing Li Tian's injuries.

These three old people are the old man Xuanwu, the old man Suzaku, and the old man Baihu sitting in a wheelchair... The only thing I didn't see was the old man Qinglong!

The three old men looked around sitting in front of Li Tian, and then used supreme internal strength to spread into Li Tian's body.

But what about Li Tian?

The body that was completely destroyed in the Immortal Mountains of Italy, did not expect that under the magical power of the three old men, his body slowly began to recover...The bones and muscles that were originally broken, and the muscle tissues have recovered again. .

Li Tian's body at this moment has slowly returned to normal, and even his skin has slowly recovered...The hands, feet, and all have become the same as before... Only that face has not completely changed. .

But seeing that Li Tian's face was festering one after another... It looked scary and ugly... His formerly handsome face, unexpectedly turned into an ugly monster! ! !

But he said that after the old man treated Li Tian for a long time, the first to withdraw his hand was the old white tiger sitting in a wheelchair.

The old man White Tiger retracted his hands slightly, and a mighty white aura emerged from the old man White Tiger, followed by the old Suzaku, and then the old Xuanwu...

The old three left Li Tian's body with their palms.

"about there!"

Suddenly a word came out of the old white tiger's mouth.

After he said it, the old Suzaku beside him looked at Li Tian's body and said: "Yes, now we have reshaped the strange tendons and eight veins of this little baby, the limbs and bones, presumably as long as the older brother is working hard. After helping him get through his brain, he will wake up completely."

The old man White Tiger nodded slightly and said, "Yes."

"Fortunately, this little baby still has a heart vein... otherwise he would have died ten thousand times!"

The round-faced Xuanwu elder next to him suddenly narrowed his eyes and said, "Then the vampire poison in his body? What should I do?"

Yes, Li Tian is the body of a vampire! Even if he is resurrected, he is a vampire, so what should I do?

Hearing what the old Xuanwu said, the old Baihu suddenly said, "Don't worry! Brother Qinglongjin will surely be able to heal him... If it doesn't work, let him change his blood!"

After the old man Baihu said so, the old Xuanwu man thought for a while and said, "The second brother said very much..."

"Well, it's almost done here...Let's go see Big Brother." The old man Baihu said quietly.

The Xuanwu and Old Suzaku nodded silently, and then slowly followed the old white tiger who was paddling the wheelchair to the front step by step.

As he walked, he saw the old Suzaku and asked, "Big brother said, there was movement at the foot of the mountain... I don't know what the big brother has found?"

The old white tiger next to him touched his gray beard and said, "I don't know this!"

"Should it be a matter of the world?" The old Suzaku said.

"The master once told the four of us not to take care of mundane affairs." The old Xuanwu said.

"Hey, it's been a long time... so many years have passed, so the fourth child should not take the red tape anymore... Now, the only wish of the four of us is to open the door of the restricted area, as long as the door of the restricted area can be opened, The life-long wish of the four of us is over...It can be regarded as an explanation to the master and his old man..." The old white tiger in front of him said leisurely.

The old Suzaku and the old Xuanwu silently said yes after hearing him say this!

As the old man said, he walked towards the innermost ice room.

The moment they walked in, they were the first to see a few bodies covered with snow... and they were female bodies!

I looked carefully, but I saw that the first body was covered with ice and snow...The ice and snow were all frozen, but she can still see her beautiful face through the dazzling ice crystals

My God, it turned out to be Duanmu Ying! ! !

The beauty of Duanmu Ying!

It's just that the current Duanmuying's whole body is frozen in the ice... I don't know whether it is alive or dead, she is motionless there.

Looking at the place next to her, then I saw another body that was dazzlingly frozen in the ice... It was the beauty of Ouyang Shiqing! Then I saw Situ Ningbing one by one...

All three of them were frozen by the ice, not knowing whether they were alive or dead.

Looking at their peerless features in the ice, they really looked like sculptures, beautiful and moving.

But it's the first place? I saw an old man in a green robe sitting there, behind the old man a huge "blue dragon" pattern, really dazzling, his palms stretched out, he was treating a person with exercises.

But it turned out to be Fairy Baihua who saw his exercise treatment.

Although the whole body of Baihua Fairy also felt frozen, it was slowly melted by the old green dragon at this moment... Fairy Baihua's face also slowly appeared.

My God, no one thought that this Baihua Fairy and the beauties such as Situ Ningbing and Ouyang Shiqing would be here! ! !

The old white tiger, the old Xuanwu, and the old Suzaku were also surprised after entering the ward, but did not say anything, just raised their eyes and looked at the old green dragon in front of them.

Soon the old man Qinglong was cured for the Baihua Fairy. After the treatment, the old man Qinglong slowly retracted his thin arms, and then slowly stood up.

"Big Brother!" The white tiger yelled slightly at the moment they saw the Qinglong elder standing up.

But seeing the old man with the green dragon also slowly turned his face, and looked at the three old men slightly there: "You are here."

"Well, big brother." The old man replied.

Chapter 2462: wide awake

"How about that little baby?" The old man Qinglong looked at the three elders with his hands on his back and asked. He first asked about Li Tian.

The old white tiger replied, "We have used our qi to penetrate the body veins of the little baby according to the instructions of the big brother... His muscles have been reshaped, his bones have been connected... even the skin Got a new life."

"The only thing he hasn't done right now is that his cranial nerves haven't gotten through..." The old man Baihu repeated.

After hearing the old man Baihu say this, the old man Qinglong in front of him smiled slightly and said, "Leave me the baby's head."

"En." The other three elders also nodded silently.

After the old man Qinglong finished speaking, the old man white tiger and the other two elders beside him suddenly placed their eyes on the beauties such as Baihua Fairy in front of them.

But the old man who saw Baihu was surprised and asked, "Brother, who are these four women?"

The old man Qinglong stroked his gray beard slowly, and murmured there: "I heard movement at the foot of the mountain before... So I went down the mountain to take a look. Unexpectedly, he saw a modern straight The lift crashed down on the edge of a ten thousand-foot cliff... The old man watched the snow drifting. The cold air had frozen the four female dolls, so he flew down the mountain and rescued the four of them."

After hearing the old man Qinglong said so, the three old men in front of him finally understood what was going on.

"Brother, how are the four of them?" The old white tiger in front of him asked slightly.

But seeing the old green dragon muttering: "Nothing serious!"

"It's just being frozen by the ice... Once the ice melts, they will be fine." The old Qinglong said.

The old white tiger continued to ask in surprise: "How did these four little girls reach this strangely cold place like Tianshan?"

The old man Qinglong smiled slightly and said, "Since we are here, it is fate!"

After the old man Qinglong uttered the six words slightly, he left the ice room in front of him step by step.

The old white tiger in front of him and the other three also followed out.

No one thought that the Baihua Fairy and the others would be rescued by the weird four old men of the Tianshan Mountains. It turned out that their plane did not crash next to the Cthulhu and their plane, but was blown here by a terrible storm and crashed... after the crash. , They all fainted, and two of the pilots also died tragically, leaving only Baihua Fairy and other beauties in the cabin...

...

I don't know how long time has passed.

But seeing the ice and snow on Situ Ningbing, Duanmuying, and Ouyang Shiqing in the cold room slowly began to melt.

And what about Baihua Fairy?

Because she was the first to be treated by the old man Qinglong's internal force, she only started to wake up slightly.

Her slender fingers flicked first, and then the beautiful eyes opened slowly.

The moment she opened it, she was completely stunned.

Because her eyes first saw the transparent thousand-year ice... and then she felt her whole body chill!

"Am I dead?" Fairy Baihua murmured and moved his heavy body.

Then there was a sharp pain in her head. Her pain was due to the fact that when the plane was falling, it hit her head too hard, but now there is nothing more, it's just a trauma.

When he felt the pain in his head, the fairy Baihua groaned.

Then she remembered everything... She remembered that the helicopter she was in had entered the storm circle... Then the whole plane began to descend violently... Finally, there was a "bang" before her eyes. Black... Then I can't feel anything anymore.

Just after that thought in Bai Hua Fairy's mind, a gloomy chill suddenly surged from her body, and her delicate body couldn't help but shiver subconsciously.

"I'm not dead yet?" This was the first feeling that Baihua Fairy had.

Because she can still feel the cold and pain, it is said that the dead cannot feel the pain, so the fairy Baihua suddenly wakes up.

"But, where is the place in front of you?"

"Why am I here?" The Fairy Baihua said thinking.

As she thought, she moved her body, and then turned her head. At the moment she turned her head, she suddenly saw Situ Ningbing, Duanmu Ying and that Ouyang poetry...

It's just that the three girls are all in a coma, lying motionless there.

"Ningbing, poetic love..." At the moment when she saw Situ Ningbing and Ouyang poetry, the fairy Baihua in front of her hurriedly ignored her injuries to see Situ Ningbing and the others!

"Ning Bing, wake up, wake up, wake up." The fairy Baihua in front of him quickly ran over, grabbing the delicate body of Situ Ningbing and shaking vigorously.

But seeing that there were still traces of ice on the body of Situ Ningbing... After being shaken by Fairy Baihua, layers of tiny ice crystals fell on her body.

"Ningbing!" Fairy Baihua shook the Situ Ningbing and shouted vigorously.

But what about Situ Ningbing? Under Baihua Fairy's yelling, her body finally reacted slightly, and then her beautiful eyes opened slowly.

The moment Situ Ningbing opened her eyes, she also felt her head gloomy first.

"Auntie Hua?" She raised her surprised eyes at the fairy Baihua who was in front of her.

After seeing that Situ Ningbing was sober, the fairy Baihua immediately burst into tears of joy, and said happily, "Ningbing, are you finally sober?"

But seeing that Situ Ningbing touched his heavy head with one hand, while looking at the transparent ice room in front of him, he said in surprise: "Auntie Hua, where is this? Where are we?"

Following Situ Ningbing's question, the fairy Baihua said, "I don't know where this is...I found you just after I became sober."

Listening to Fairy Baihua saying this, Situ Ningbing let out a scream of "Ah".

"I remember... I remember... Our plane crashed, didn't it?" Situ Ningbing recalled, touching her aching head.

The fairy Baihua said: "Yes."

"But... why did we get here?" Situ Ningbing said, looking at the thousand-year-old ice road around him.

The fairy Baihua shook his head and said, "I don't know this."

"Forget it, I can't care about that much, let's wake up poetry and Duanmuying first." Fairy Baihua said.

Chapter 2463: Millennium Ice Cave

In this way, with the help of Baihua Fairy and Situ Ningbing, they quickly awakened Ouyang Shiqing and Duanmuying.

After that Duan Muying and Ouyang Shiqing were sober, they both froze first, and then asked Situ Ningbing the same question.

But Fairy Baihua and Situ Ningbing didn't know where they were, so all the girls were suddenly depressed here.

"Oh my God, how did we get here?" Duanmuying looked around with her beautiful eyes wide open.

Situ Ningbing and the Baihua Fairy in front of them were also depressed.

"Could someone bring us here, right?" Ouyang Shiqing thought there.

With that said, the fairy Baihua frowned slightly.

"probably is!"

"Then the other party saved us?" Duanmuying asked.

Fairy Baihua said, "I dare not say this..."

"From now on, everyone be careful." Fairy Baihua asked Situ Ningbing and other beauties.

After hearing what Fairy Baihua said, Situ Ningbing and Duanmuying nodded silently.

"Where are the Cthulhu seniors? Will they also encounter our situation?" Suddenly Duanmuying on the other side blinked and asked.

As soon as he mentioned the evil god, Baihua Fairy's beautiful eyes were full of various worries.

"Hey, I don't know what happened to Big Brother and them... Encountered such a terrible storm... I hope that Big Brother and them will be safe." Fairy Baihua said with concern.

Situ Ningbing looked at the worried Fairy Baihua and comforted him: "Auntie Hua, don't worry, Senior Cthulhu has such a strong skill, I believe it will be fine."

After Situ Ningbing consoled the Baihua Fairy, Baihua Fairy could only nod silently.

Ouyang Shiqing in front of her blinked her beautiful eyes and looked at the surrounding ice layer, while walking over slightly, then reached out her hand and touched the extremely heavy ice layer, and suddenly muttered in her mouth: The ice is so thick."

"Yeah, here seems to be an ice cave." Situ Ningbing in front of him also said slightly.

After Situ Ningbing finished speaking, the clever Ouyang Shiqing said, "Since this is an ice cave, there must be an exit...Let's look around and see if there is any exit. "

After Ouyang Shiqing said so, the Baihua Fairy and Duanmuying nodded quickly.

Then the four women began to search in this ice cave.

After searching for a while, Situ Ningbing suddenly found a thin gap in the ice room.

After seeing it, Situ Ningbing became excited.

"Auntie Hua, poetry, there is a door here."

After Situ Ningbing suddenly screamed, the fairy Baihua, Duan Muying, and Ouyang Shiqing all ran over.

After running over, I saw the ice gate embedded in the ice.

"Push this ice gate, let's go and take a look outside." Fairy Baihua said there.

After she finished speaking, the Situ Ningbing and all the beauties nodded, and then they began to push open the ice gate with force.

With the efforts of the four beauties, the heavy ice gate was finally pushed open creakingly.

After pushing away, but seeing them, he cautiously walked out of it.

After they walked out, the sight outside made them all stunned.

My God, this is a palace carved out of ice! ! !

No one would have thought that under these thousand years of ice, there would be such a huge "palace".

The thick pillars inside are all made of thousand-year-old ice, and the space is huge, and there are all kinds of living utensils inside... It's just that those living utensils are all made of thousand-year-old ice.

Standing in this space, gusts of cold air surged from all around, but Fairy Baihua and the others didn't feel cold at all at this moment, because they were all shocked by the shocking scene before them.

"Oh my God, what is this place? It is so spectacular?" Duanmuying blinked her beautiful eyes.

Ouyang Shiqing also grew up there and said, "Yes, I feel like I really want to be dreaming..."

"It's almost like a palace here."

At this moment, several beauties were completely taken aback by the wonders in front of them.

Just when they were shocked by the sight in front of them, suddenly a slight footstep came from the left side.

"there's noise."

The fairy Baihua was the first to hear the faint footsteps, and after hearing the footsteps, he quickly spoke to Situ Ningbing and the others.

Situ Ningbing and Ouyang Shiqing were also extremely alert. After hearing what Fairy Baihua said, they hurriedly hid in a thick icicle next to them.

After hiding, he blinked his beautiful eyes and carefully looked at the left side.

They want to see who is coming from that footstep.

While they were hiding here and observing the icy pillar, they saw an old figure slowly coming out.

The old figure had gray hair and turned his back to them...walking out of the ice cave in front.

Situ Ningbing and Ouyang Shiqing in front of them couldn't help being stunned when the beautiful women saw the old figure.

"Hey, why is this figure so familiar?"

Just as they felt this way in their hearts, suddenly their old figures turned their backs in front of them...Suddenly they spoke.

"Little girls... don't hide them... come out quickly."

As the old and vigorous voice uttered, the Baihua Fairy and Situ Ningbing and the others were all stunned.

what?

They were discovered long ago?

Since it was discovered long ago, Baihua Fairy only walked out slowly with Situ Ningbing and Duanmuying.

After stepping out, Fairy Baihua stared at the old man cautiously...At the same time secretly luck in his hands! Because she is afraid that the other person is a "wicked person".

"Old man...who are you?"

"Why are we here? And what exactly is this place?" Baihua Fairy asked suddenly.

At the moment when the Baihua Fairy's voice suddenly uttered, the old old man suddenly laughed strangely.

"A few little girls... Don't be nervous... This is a thousand-year-old ice cave." The old man said while turning his back to them.

Upon hearing this, Fairy Baihua was stunned: The thousand-year-old ice cave?

"Old man...you...you...brought us here?" Fairy Baihua continued to ask.

The old man suddenly smiled, turned his face and said, "Forget it...I think it is." After finishing speaking, he slowly turned his face that looked like an old fairy!

Chapter 2464: Surprise

The moment the white-haired old man in front of him slowly turned his face, the three girls in front of him, Ouyang Shiqing, Duanmuying, and Situ Ningbing, couldn't help but scream together.

what?

"It's you? Old man..."

Look carefully at this old man, isn't it the Xuanwu old man among the four old men? He has a round face, squinted his eyes, and when he smiles he looks like a Maitreya Buddha.

Xuanwu old man!

While in the Immortal Mountains of Italy, Situ Ningbing, Duanmuying, and Ouyang Shiqing had seen this legendary old man who looked like a fairy with his own eyes... But they never expected that they were in the thousand-year ice cave at this moment. Unexpectedly met this fairy old man again

When they screamed, the old Xuanwu man also smiled slightly, blinking his bright and twinkling eyes at the beautiful Situ Ningbing and other beauties who looked in front of him.

"Little girls...Hello." The old Xuanwu man smiled while looking at them.

And what about Baihua Fairy? It was completely stunned.

She never thought that Situ Ningbing and Ouyang Shiqing would know the mysterious old man in front of them! ! !

She was stunned for a moment, and then hurriedly asked Situ Ningbing next to her:

"Ningbing...how do you...how do you know? What is going on?" Fairy Baihua asked with a puzzled face.

But seeing that Situ Ningbing, he said with excitement: "Auntie Hua, this old predecessor... is the old ***** I told you about before...they...they...open the mountain and split the rocks and rescued. Li Tian."

Following Situ Ningbing's sudden words, the fairy Baihua stayed there instantly.

"Ningbing, what are you talking about? You said... he... they... rescued Tian'er?" The fairy Baihua in front of him suddenly said in a daze.

She only felt as if she had fallen into a dream now.

But seeing that Situ Ningbing, Ouyang Shiqing, and Duan Muying nodded vigorously and said, "Yes, Aunt Hua!"

"It's the old man in front of this..."

After Situ Ningbing and the others said so again, the Baihua Fairy was completely astonished, and looked at the old Xuanwu man in front of him with a pair of unbelievable eyes.

But what about the old Xuanwu man? From the beginning, he didn't speak much, just squinted and smiled while stroking his gray beard.

"Senior, thank you for saving us." Situ Ningbing said gratefully, kneeling on the ground.

The Ouyang Poetic Love and Duanmuying in front of them also knelt down quickly.

In their hearts, the Xuanwu elders in front of them are like gods, and they deserve their respect and awe.

But what about the old Xuanwu man? After seeing Situ Ningbing and the others kneeling on the ground, they smiled faintly: "Little girls, don't be polite, get up quickly."

After the words were finished, the old Xuanwu waved his arm slightly, and then an extremely strange energy surged toward the legs of the three girls.

Then the three girls, Situ Ningbing, Ouyang Shiqing and Duanmuying stood up automatically.

"Senior, what exactly is this place? You are old, have you always lived here?" Situ Ningbing asked in surprise.

But seeing the Xuanwu old man said: "This is Piauxuefeng."

"Piauxue Peak? The first peak of Tianshan Mountain?" Fairy Baihua in front of him cried out in surprise.

But seeing the Xuanwu old man smiled slightly and said, "That's a good guess, it's the Piauxue Peak."

When the fairy Baihua heard this, she was speechless.

"Big Brother, and the place Wuji's elders talked about, is that this place? Piauxuefeng?"

"We...we...we actually reached Piauxue Peak like this?" said Baihua Fairy dumbfounded.

That Situ Ningbing also said, "Yes, I really didn't expect it! We would reach Piauxue Peak so easily..."

"Hey, it's a pity, Senior Cthulhu, they still don't know this." Duanmuying on one side said there.

"Don't worry, since we are all here, Senior Cthulhu, they will definitely be able to find here." Situ Ningbing said confidently.

"Well, that's what I said."

In their surprise, they saw the old Xuanwu man, and said slightly, "Little girls, are you here because of the little doll whose surname is Li?"

After the old Xuanwu said so, Situ Ningbing in front of him suddenly said in surprise: "Yes, old man."

"We know that you are strange people, old elders... You saved Li Tian... Please always tell us, how is Li Tian now? Can we see him?" Situ Ningbing was there. Begged.

The person they most want to see now is that Li Tian! And at this moment, seeing the mysterious old man who took Li Tian away again, of course I was very happy.

After they said it, they all looked at the old Xuanwu with their beautiful eyes of expectation.

But seeing the old Xuanwu man looked at them and smiled and said, "No, no, I can't see that little baby now."

When Situ Ningbing and Fairy Baihua heard them, they were taken aback.

"Why? Senior?" They couldn't help asking.

But seeing the Xuanwu old man replied: "My eldest brother is opening up the head meridians for the little baby... Now I can't bother!"

"Only when my elder brother gets through his head meridian, he will wake up, maybe you can see him at that time." The Xuanwu old man said.

After hearing the old Xuanwu say this, the Baihua Fairy and Situ Ningbing were immediately happy.

"Thank you old man... thank you so much."

"Thank you for saving Li Tian...and us, you are really living bodhisattvas in the world!"

Accompanied by Situ Ningbing and the others' approving voices, the old Xuanwu man burst into laughter.

"Little girl, you stay here for a while...I'll go see my elder brother and them."

After speaking, the old Xuanwu suddenly flew in the air without touching the ground with his feet. The whole body flew into the eyes of Situ Ningbing and Fairy Baihua.

Seeing that the old Xuanwu man disappeared like this, Situ Ningbing and other beauties were all excited there.

"Auntie Hua, great, Li Tian is not dead... He really is not dead..." Situ Ningbing said, tears of joy appeared in her beautiful eyes.

The Ouyang poetry in front of him and Duanmuying were also pleasantly surprised.

They were originally worried that Li Tian would be taken away by the old Xuanwu... They were afraid of any accident. After hearing the words of the old Xuanwu, they were really surprised! I really didn't expect those old people like gods to come to rescue Li Tian.

Chapter 2465: wait

"Oh my God, who are these seniors? How amazing are they?" Fairy Baihua said in surprise with her eyes widened.

Na Situ Ningbing said: "They should be old people outside the world."

"Hey, no matter what, as long as the sky is safe, I will be satisfied." The fairy Baihua sighed there, sighing, and gently wiping the tears from the corners of his eyes with his hands.

"Big brother, it would be great if they could know that the sky is safe now." Fairy Baihua said quietly.

Situ Ningbing said in front of him: "Auntie Hua, don't worry, Senior Cthulhu and the others will come here soon, and then we will be able to go down the mountain with Li Tian."

The fairy Baihua said with emotion: "Hope, hope."

There is hope in their hearts now... they are all waiting here.

While waiting for boredom, they will slowly walk around in this ice space.

...

The place inside the ice cave.

At this moment, the old Xuanwu man had slowly walked in.

Inside this ice cave, the old Vermillion Bird, the old White Tiger, and the old Azure Dragon at the head also stood on the side. They were all blinking their eyes at the moment looking at the middle of the ice bed: Li Tian.

Li Tian sat cross-legged, with white breaths on his head.

"Brother, it seems that this little baby is really a wizard... Didn't expect the body to recover so quickly?" The old white tiger next to him said in surprise.

The old man Qinglong nodded slightly and said, "Yes."

"Broken muscles and bones... I didn't expect to be able to recover all in such a short period of time. It was indeed beyond my expectation."

"It seems that the secret of the thousand years can only be solved by him." The old man Qinglong said slightly.

"Well, now there is only his head... If his head can rest for an hour, he will definitely wake up." The old white tiger said.

I didn't expect Li Tian to wake up in such a short time!

Just as they were talking, the old Xuanwu man walked over slightly.

"Big Brother." He yelled slightly to the old man Qinglong beside him.

After he called out, the old man Qinglong turned his head slowly and looked at the old Xuanwu: "Xuanwu, what's wrong?"

But seeing that Xuanwu was there and replied: "Brother, those little girls are sober..."

After hearing the old Xuanwu say this, the old man Qinglong smiled slightly and said: "Since they are sober, then you take them down the mountain... The temperature in Piaoxuefeng is extremely low, and the air is thin. I'm afraid of a few. The little girl can't bear the aura from this... it's safer to send them to a safe zone." The old man Qinglong in front of him said kindly.

After the old man Qinglong said so, he suddenly frowned when he saw the old man Xuanwu.

"Big Brother, you don't know... Actually, those female dolls came to Tianshan to find him." The old Xuanwu man pointed to Li Tian, who was sitting cross-legged on top of his head, and said suddenly.

After hearing the old Xuanwu say this, the old man Qinglong was slightly taken aback: "Look for him?"

The old man Qinglong didn't know the girls such as Situ Ningbing, so he was quite puzzled.

So the old Xuanwu man told all the things that had happened in the Immortal Mountains of Italy before, and also said the relationship between the Baihua Fairy and Li Tian.

The old man Qinglong only understood everything after listening.

"Oh, that's what happened..."

"Xuanwu, according to what you mean... They came to Tianshan? Are you looking for this little baby, right?" The old man Qinglong pointed to Li Tiandao.

The old Xuanwu man in front of him nodded and said, "Yes."

"Hey, love!" The old man Qinglong said slightly.

The old man Xuanwu looked at the old man Qinglong and said, "Brother, are you still letting those little girls leave now?"

The old man Qinglong thought for a while, and then looked at Li Tiandao who was sitting cross-legged: "No matter... world affairs, only love is bitter. Since these little girls are so persistent, they are not afraid of death to find this little doll, then It also shows that they really love him."

"In that case, don't make it difficult for them..."

"Let them stay in the ice cave first... However, for the time being, they can't let them visit this little baby. You must wait until he is sober." The old green dragon said in that kind-hearted way.

After hearing the old man Qinglong agreed, the old Xuanwu narrowed his eyes and said, "Good brother."

In this way, the old man Qinglong decided to let the Baihua Fairy and Situ Ningbing and other beauties temporarily stay on Piaoxue Peak.

...

Outside, Situ Ningbing and Fairy Baihua were waiting for the answer from the old Xuanwu man.

At this moment, several girls are standing in the ice cave with excitement, but the surrounding cold makes their bodies a little bit unbearable... and the air above seems to be very thin... it makes them feel more and more breathing. The more sleepy it is.

"Auntie Hua, it's really cold here!" Duan Muying shrank her arms, her beautiful face turned pale with cold at this moment.

That Situ Ningbing and Ouyang Shiqing also felt the biting cold...

Only Baihua Fairy with profound skill is a little better.

"Yeah, it's really cold here!" Fairy Baihua said there too.

While they were talking like this, they saw that the old Xuanwu slowly walked out of the ice cave inside. The moment they walked out, the Baihua Fairy and Situ Ningbing rushed over.

"How is it? Seniors...can we go to see Li Tian?" Fairy Baihua and the others said in shock.

But seeing the old Xuanwu man, he told the girls in front of him what had happened just now! And also told the old man of Azure Dragon to let them stay in the ice cave!

When the Xuanwu old man told the news to Situ Ningbing and the others, they didn't mention how happy they were.

He kept saying to the old Xuanwu man there, "Thank you, senior, thank you so much..."

The old Xuanwu smiled slightly and looked at the girls in front of him and said: "However, you can't go to see the little baby named Li for the time being...He is now at a critical juncture of healing. If it is disturbed, he will lose all his previous efforts. Hope you can understand. "

After hearing the Baihua Fairy in front of them, although they were a little disappointed in their hearts, they were still extremely happy.

There he said, "Old man, we will listen to you!"

"It's okay, let's wait... We waited until Li Tian cleared up."

After the old Xuanwu heard Situ Ningbing and other beauties say so, he smiled slightly and said, "Very good."

Chapter 2466: resurrection

In the cold ice cave, Situ Ningbing, Duanmuying, and Ouyang Shiqing are not able to withstand the extreme temperature!

At the moment, they were all trembling there.

Looking at the three girls shivering with cold, the old Xuanwu suddenly smiled at them and asked, "Is it cold here?"

Situ, you and the other girls like Duan Muying nodded silently.

"Yes, it's cold, it's cold..."

The old Xuanwu smiled, and then took out a transparent dangling bottle from the wide sleeves, after taking it out, then gently toss it.

The transparent dangling bottle drew a perfect arc in the air, and then lightly landed in the hands of Situ Ningbing who was standing in front.

"Take it down, take a sip all of you." The old Xuanwu man in front of him said after throwing the transparent bottle in his hand.

Situ Ningbing stretched out his hand to take the transparent bottle. He was taken aback and asked in surprise: "Old man, what is this?"

"Qingye ice liquid, after drinking it, you can warm your body." The old Xuanwu man in front of him smiled and said.

It turned out that the old Xuanwu man saw Situ Ningbing and Duanmuying, who were shaking with cold, and only then kindly took out the "ice liquid" to them.

Situ Ningbing, Ouyang Shiqing, and Duan Muying who heard the old Xuanwu say this, said in gratitude, "Thank you, old man."

The old Xuanwu man touched his gray beard and smiled slightly.

Then he saw that Situ Ningbing quickly uncovered the transparent dangling bottle. After uncovering, a faint fragrance of fragrance emerged from the bottle first.

Situ Ningbing then looked into his mouth and took a small sip.

After following the "ice liquid" into the delicate body of Situ Ningbing, Situ Ningbing in front of him only felt that a burst of heat in his body quickly spread all over his body. The cold body just now was at this moment. , Became hot.

But seeing that Situ Ningbing suddenly cried out excitedly: "This thing is simply too useful... After taking a sip, you can instantly feel the heat."

Situ Ningbing, who was talking so excitedly, hurriedly handed the "Qingye Ice Liquid" in his hand to Duanmuying and the others.

So Duan Muying, Ouyang Shiqing and Baihua Fairy all took a sip.

After they drank all of them, they all felt the heat from their bodies, and all of their excitement was there.

"Really useful." Duanmuying over there said in surprise.

Listening to them all said it worked, the old Xuanwu smiled slightly.

"Now, do you still feel cold?"

But seeing that Situ Ningbing replied: "It's not cold anymore, thank you for the kindness of the seniors."

The old Xuanwu smiled indifferently: "Don't be polite..."

After speaking, the old Xuanwu then left in a hurry, just like the old **** who came into the world.

...

Time passed by every minute.

After Na Situ Ningbing, Duan Muying, and Baihua Fairy drank the "Qiong Jelly Liquid", they no longer felt cold, and they could even feel the slight warmth from their bodies.

Now they are staying in this ice cave, waiting.

They all hope to see Li Tian as soon as possible! I just don't know when Li Tian will wake up.

...

While Situ Ningbing was waiting, he suddenly heard the sound of a dragon's roar from the innermost ice cave.

After the spread, look carefully at the environment there, the old man Qinglong was the first to stand in the forefront, beside him was Li Tian who was sitting cross-legged.

But seeing the old man Qinglong put his hands slightly on the top of Li Tian's head, and then aroused the supreme infuriating energy of his body, looking carefully, he could see bursts of energy entering Li Tian's head.

The white tiger elder standing beside him and the other two elders stood there silently, without saying a word.

"call!"

The old man Qinglong suddenly exhaled a white gas from his mouth, and then his hands slightly moved away from the top of Li Tian's head.

After leaving the head of Li Tian, he saw the old man murmured in his mouth, "Okay, I have opened the head nerves of this little baby..."

After the old man Qinglong finished speaking like this, the three old men beside him couldn't help asking, "Brother, when will this little baby be sober?"

"Soon, very soon." The old man Qinglong said with a smile at the corner of his mouth.

After the old man Qinglong finished saying that, the other three old men raised their eyes and looked at Li Tian at the moment.

I saw that Li Tian was still sitting there cross-legged... The whole head was surrounded by a layer of vigorous light... On his forehead, he could clearly see drops of sweat dripping from it.

Suddenly, Li Tian's fingers moved slightly.

The instant he saw Li Tian's fingers sway suddenly, the old Suzaku in front of him suddenly screamed.

"He moved, this little baby moved..."

The elder Qinglong who was standing on the side also smiled slightly and said, "Yes, he is sober."

But he said that after Li Tian's fingers moved, and then his whole body began to move... and then his eyes... slowly opened again.

Resurrected!

Li Tian was finally resurrected.

The moment he opened his eyes, he was the first to see four white-haired old men standing in front of him, like gods...smiling and standing in front of him.

"Little baby, you are finally awake." An old voice came out of the old man's mouth.

As he said, he smiled at Li Tian who was looking in front of him.

What about Li Tian?

He was sober for the first time, there was still some confusion in his eyes, and he stared blankly at the four old men in front of him...

"You are....."

"I...I...didn't I...how could...how do I live now?" Li Tian said, looking at his body in surprise.

It turned out that when he died with the demon Dracula, his body exploded violently, and was finally buried alive by turbulent stones... To be precise, Li Tian had indeed been dead for a while! But he didn't expect that he would be resurrected again now.

After hearing that Li Tian said so confusedly, the four old men suddenly laughed all of them hahahaha.

"Little baby, you are indeed alive." The old Xuanwu man in front of him murmured.

When Li Tian heard this, he looked at the old Xuanwu man in front of him in disbelief. They asked, "You...you saved me?"

As he said in shock, the four old men in front of him nodded with a smile.

Chapter 2467: Ugly face

Li Tian was stunned.

He stared at his undamaged arm in horror, at his arm... and legs... and then secretly adjusted his true energy. When he gathered the true energy, he only felt the breath flowing in his dantian. , Extremely smooth.

OMG, he is really good! And the whole body is fully restored.

This stunned Li Tian in front of him.

At this moment, Li Tian looked at his recovery body and said in disbelief: "I remember my hand...broken... My legs were broken by the boulder... even me. The veins in his whole body also seem to be broken!!! Could it be...could it be that...all of this...is...all...you helped me recover?"

Listening to Li Tian's words, the headed old man Qinglong smiled slightly and said: "We will connect your muscles and bones for you, and then we will open up the meridians throughout your body, so you can recover so quickly."

After hearing the old man Qinglong say so, Li Tian suddenly understood.

It's no wonder that when he was in a coma, he felt a wave of vast power pouring into his body... It turned out to be the four fairy-like old people in front of him!

"Thank you for the rebirth of the four seniors!" Li Tian suddenly jumped off the icy bed, and then knelt in front of the four elders that day.

He is very grateful to the four old men!

The four elders saw Li Tian kneeling on the ground and said with a smile: "Little baby, get up, don't do secular courtesy to us."

Then Li Tian heard the Fourth Elder say so, so he got up from the ground.

"Little Wawa, your body has recovered, you only need to rest for a day or two," the old man Qinglong in front of him continued.

Then Li Tiandao: "Thank you for your life-saving grace."

"Excuse me, the four old seniors, where are you guys? Why did you save me Li Tian?" Li Tian said modestly.

To be honest, Li Tian is very confused now.

He doesn't know who the four elders in front of him are? I don't even know what their purpose is...why save yourself...

And he could feel that these four elders who looked like gods were definitely not secular generations. The extremely powerful and domineering aura that came out of them was enough to show that their skill had already reached the level of shaking the world. To the point...Even the old Wuji you have seen before may not be better than the four old people in front of you!!!

After that Li Tian suddenly said so, but seeing the old four smile.

"Fate?"

"No, no, no, this life of your little baby is not a cheap life!"

"You are a rare character in a thousand years... Your life can't die easily. If you die, no one will be able to solve the thousand-year mystery that the old ladies have been waiting for." The gray beard said with a smile.

When Li Tian heard it, he was stunned.

The answer to the millennium? What exactly is going on?

Thinking of this in his heart, Li Tian couldn't help but hurriedly said in that question: "Old predecessor, I don't understand what you said, what is the thousand-year mystery?"

But seeing the old man with a green dragon smiled and said, "Little baby, don't be impatient...you will know this secret!"

"After your body recovers completely, we will tell you everything completely." The old man Qinglong said.

After hearing what the old man Qinglong said, Li Tian didn't forcefully ask others.

Just said: "Okay."

"In the past few days, you will stay in this ice cave first to cultivate your body."

"When is your body fully recovered, when is the time when you should know the secret." The old green dragon in front of him said slightly.

Then Li Tian nodded slowly after listening.

After speaking, the old four slowly stepped out of the ice cave.

When the four old men were about to leave the ice cave, Li Tian in front of him suddenly couldn't help looking at the four old men's back and shouted: "Old man, may I ask, where is this place?"

But seeing the fourth old man floating away, without looking back, replied, "Tianshan, Piauxuefeng!"

After the four old men uttered a few words, their figures suddenly disappeared into the ice cave.

And what about Li Tian? When he heard the words Tianshan and Piauxuefeng, he was stunned.

what?

"Tianshan? Piauxuefeng?"

"Is this the country? Is it the Tianshan mountain in the country?" Li Tian was completely shocked there!

"My God, wasn't I in the Immortal Mountains of Italy before? How could I get here? Could it be that these four mysterious old men brought themselves here...I'm back? I'm from abroad Are you back?" Li Tian muttered to himself in disbelief, blinking his horrified eyes.

Li Tian is completely stunned now, and he would never have thought that he had reached this Tianshan Mountain without knowing it!

With a horrified mood, Li Tian now blinked his eyes and looked at the surrounding area of the ice cave.

After seeing the surrounding area of this ice cave, he was also slightly shocked there. This ice cave is simply supernatural work... I really don't know how the four old men built such a huge ice cave.

Li Tian looked around in the ice cave, stretched out his hand to touch the thousand-year-old ice, and a biting chill passed from the ice into Li Tian's hand.

"It's so cold!" he murmured.

Just as Li Tian looked around, he suddenly found his face through the transparent ice...

The moment he saw his face, he stayed there all of a sudden.

"My face..." a sudden scream came from his mouth.

At the moment he called out...he was shocked!

Li Tian's face was ruined... when it was in the Immortal Mountains of Italy, it was already ruined... I remember that he was sprayed on his face by the venom of the "Nine Nether Snake" before, and his face was completely destroyed at that time... ..It's just that Li Tian, who has just sobered up, has not yet clearly realized.

Now when he saw his ugly... twisted and rotten face through the bright and transparent ice, he suddenly screamed.

"My face...my face...how could it be like this?"

An angry roar burst out of his mouth.

Then Li Tian seemed to be crazy. He raised his hands and smashed the extremely hard thousand-year ice. The thick thousand-year ice was shattered piece by piece by his supreme internal force...

Then he fell to the ground all at once.

His hands were holding the ruined face in pain...sobbed in pain.

Chapter 2468: I don't see them

His face was ruined. .

The handsome face that used to be like this at this moment, how could he not feel sad.

Sitting sadly on the cold ground, Li Tian's face was ashes.

His body was trembling violently, he hated, he was angry.

At this moment, suddenly a figure slowly walked out of the ice cave.

I saw that the figure was the "round face" old Xuanwu man. The old Xuanwu man had already heard Li Tian's distressed shouts, and at this moment he also saw Li Tian's damaged face.

Looking at the decadent Li Tian sitting on the ground, the old Xuanwu man suddenly muttered: "Little baby, don't be sad...the human skin is just a coat...don't care too much."

The moment he heard the words of the old Xuanwu man speaking, Li Tian finally slowly stood up from the ground.

But his body was still trembling violently.

"But my face...my face...can't it recover anymore?" Li Tian said sadly in front of him.

Li Tian is not an immortal who came into the world, he also has the world! So of course he cares about his face.

The face now, to put it plainly, is even more ugly than ugly, how can he not feel sad...

If Li Tian's face really can't be recovered, how can he face Situ Ningbing... and Ouyang Shiqing... and Duan Muying?

Thinking of this in his heart, Li Tian's heart felt like a knife cut pain!

After Li Tian's questioning exit, but seeing the Xuanwu old man in front of him slightly frowned.

"Your face... the cortical muscle tissue has been completely necrotic... It is indeed difficult to restore your original appearance." The old Xuanwu man in front of him said truthfully.

Listening to the old Xuanwu man saying this, Li Tian in front of him felt a little bit of a heart, and he was suddenly cold for half!

"Please old man... please old man... let me restore my face... please." Li Tian prayed to the Xuanwu old man in front of him.

Unfortunately, the old Xuanwu man shook his head slightly.

"Little baby, it's useless to beg me... The old man really can't restore your face." The old Xuanwu sighed there.

When the Xuanwu old man said this, Li Tian was suddenly heartbroken.

He seemed to be stuck, standing there.

"However, if you dislike your current face, you can try this..." The old Xuanwu man in front of him said while suddenly a bronze mask floated out of the old Xuanwu man's hands.

But what I saw that the bronze mask made was a mask.

When Li Tian saw the bronze mask that Wei Wei flew over, he was taken aback for a moment, and then reached out and took it.

"Bronze mask?" Li Tian said in shock.

The old Xuanwu said: "Yes, since you hate your face, you can only wear this mask at this moment...In that case, others will never see your ugly face again."

After the old Xuanwu man in front of him said so, Li Tian was stunned.

My God, do I really want to wear this bronze mask in the future? I want to become like a ghost servant and never show my true colors again?

Thinking of this in his heart, Li Tian's heart was dripping with pain!

But what can he do?

His face was damaged at this moment, and there was indeed no way to recover for a while...Looking at the bronze mask in his hand at this moment, Li Tian in front of him finally agreed cruelly.

"Well, in that case, I, Li Tian, will never show my true colors anymore!"

"From today, I will wear this bronze mask."

Li Tianguo really cruelly put the bronze mask on his face.

In fact, he didn't want to wear such a heavy mask!

But what else can he do with the current situation? He can only do this! You can only wear this mask.

I saw that after Li Tian put the "bronze mask" in his hand on his face, his whole person gave a strange breath, no longer like the Li Tian before. The only shadow of Li Tian that can be found right now... is the pair of eyes exposed through the thick bronze mask.

Watching Li Tian put on the bronze mask, the old Xuanwu man in front of him smiled and said, "That's it...the world will be fine if you can't see your face."

What about Li Tian? Although it was very painful inside, he couldn't take care of that much at this moment.

"By the way, Little Wawa, there is one thing the old man has to tell you in the future. I think it's time to tell you now." The old Xuanwu man in front of him suddenly said there.

Listening to the old Xuanwu man suddenly saying this, the Li Tian wearing the bronze mask was not only taken aback, but curiously said, "What's the matter?"

"A few days ago, we rescued a few little female dolls under the mountain...Those female dolls, you should know... They came to the top of the Tianshan Mountain specifically to find you..." The old Xuanwu said slightly.

After hearing the old Xuanwu man say so, Li Tian in front of him was immediately shocked.
what?

"Old predecessor... Are you talking about Ningbing? Poetry? And Duanmuying and others?" Li Tian exclaimed with excitement in front of him.

The old Xuanwu frowned slightly and said, "The old man doesn't know their names... but the old man can see that those little girls are very affectionate for you."

After the old Xuanwu said so, Li Tian suddenly guessed that the little girl doll in the old Xuanwu's mouth must be the girls like Situ Ningbing!

"Oh my god, Ning Bing... poetic love... and Duan Muying... they came to me unexpectedly." Li Tian said with infinite excitement in his voice.

His heart began to beat, and he wanted to see his beloved women immediately!

The old Xuanwu man looked at Li Tian's excited expression, and suddenly smiled and said, "Are you going to see them?"

"They are in this ice cave now."

After the Xuanwu old man in front of him said so, Li Tian almost agreed.

He really wanted to see the girls like Situ Ningbing! I want to hug my beloved woman...

However, he suddenly thought of his face... thought of his rotten face, and the strange bronze mask on this face now... His heart trembled suddenly at this moment.

"No...no...I can't see them." Li Tian said with a trembling voice in front of him.

With Li Tian suddenly saying this, the old Xuanwu man was taken aback.

"You don't see them?" The old Xuanwu asked again.

But seeing Li Tian said painfully: "Yes, I can't see them..."

"Old predecessors...you let them go...let them forget me Li Tian from now on." Li Tian said sadly there.

Chapter 2469: Complaints

After hearing what Li Tian said, the old Xuanwu man suddenly sighed slightly.

"Little Wawa, are you because of your face?" The old Xuanwu man in front of him suddenly said.

But seeing Li Tianzhe tremblingly said, "Yes...I...have...have become this kind of appearance...and besides, I am...no longer a human being...I am not worthy? Fell on them! Not worthy of their love."

Yes, Li Tian's face is not only ruined, but the most important thing is that his identity has not changed back.

What is still flowing in his body is the blood of a vampire! So he didn't dare to see the beautiful women like Situ Ningbing.

He is a vampire!

A "heterogeneous" creature that can only sneak in the dark night... and can never survive under the sun, so Li Tian didn't want to hurt his beloved women.

After hearing Li Tian's painful words, the old Xuanwu man in front of him looked at Li Tian, and then said, "Well, since you made this decision, Little Wawa, the old man has nothing to do!"

"The old man is going to let those little girls leave here."

The old Xuanwu man walked slowly towards the outside of the ice cave while talking.

"The old man can do nothing about mundane things."

This is the last word left by the old Xuanwu man leaving this ice cave.

Li Tian watched the Xuanwu old man leave, his heart was about to break!

He wanted to tell Situ Ningbing, Duanmuying and Ouyang Shiqing that he loved them so much! But he dare not now, can't!

The endless pain tortured Li Tian, he seemed to feel that he was going crazy.

...

When the old Xuanwu came to the ice cave where Situ Ningbing should have Duanmuying and the others stayed, there was a slight loss on his old face.

On the contrary, Situ Ningbing, Duanmuying and other beauties couldn't help screaming when they saw the old Xuanwu coming.

"Old man," they shouted excitedly.

The old Xuanwu man looked at the girls, smiled, and stepped forward.

"Senior, how is Li Tian? Did he wake up?" When the old Xuanwu approached the girls in front of him, Situ Ningbing was still waiting for the beauties to ask questions there quickly.

Their only hope now is that Li Tian quickly wakes up, and then can see them.

"Yes, senior, has Tian'er awakened?" Fairy Baihua in front of him also asked expectantly.

Listening to them asking so excitedly, the old Xuanwu man in front of him suddenly sighed slightly:
"He woke up."

what?

"Really? Old predecessor!!!" All the girls said in shock.

But seeing the Xuanwu old man nodded slightly and said, "Yes,"

"Great, old man..."

"Li Tian is there now? Senior, did you tell him that we are here?"

"Yes, senior, does Li Tian know we are here?" Situ Ningbing and the other girls were all blinking expectant eyes.

They knew in their hearts that Li Tian loved them! If they knew that they were here, they would definitely come out to see them as soon as possible... But are they right?

After Situ Ningbing and the others asked, the old Xuanwu man raised his head slightly and said, "I told him."

"You told Li Tian that Li Tian knows we are here?" Situ Ningbing and others cried out excitedly.

But seeing the old Xuanwu nodded and said, "En."

"What about Li Tian? Why didn't Li Tian come to see us?" Duanmuying asked suddenly curiously.

In their hearts, if Li Tian knew they were here, he would definitely rush over immediately... a pity.

But seeing that Xuanwu old man sighed there and said, "Because...because...he doesn't want to see you."

what?

When the old Xuanwu suddenly said that sentence, Situ Ningbing in front of him suddenly felt like a big stone fell in his heart, and their expressions were petrified there in an instant.

"Old predecessor...you...what...what? Li Tian...Li Tian...don't want to see us?" Situ Ningbing in front of him felt a little weak in his voice and said in pain.

That Ouyang Shiqing and Duanmuying were also completely stunned there.

But seeing that Xuanwu old man looked at the grieving faces of the girls, he couldn't help but said slightly, "Yes."

"Girls, I suggest you go down the mountain." The old Xuanwu said suddenly.

Situ Ningbing's hearts were broken when the old Xuanwu said this.

"No, no, it's impossible."

"How could Li Tian not see us?"

"No, no, old man, did you hear me wrong... Why would Li Tian not see us?" Situ Ningbing looked at the old Xuanwu man with red eyes.

But seeing the old Xuanwu man listening to Situ Ningbing's sad voice, he said, "The mortal matter, the love is bitter. Girls, there are some things that can't be said...so I persuade you to leave here..."

Situ Ningbing was completely dumbfounded.

They never thought that it turned out to be like this... Li Tian didn't want to see them!

why? Why is it all?

"Senior, please... let us see him... OK?"

"There must be something in Li Tian's heart, otherwise he won't miss us... He must have something wrong!!!" Situ Ningbing said with tears in his eyes.

Duanmuying in front of her eyes also said with red eyes: "Yes, old man, you let us see Li Tian...just meet..."

The girls knelt on the ground and begged the Xuanwu old man in front of them.

The elder Xuanwu didn't want to be tainted with mundane things all his life. At this moment, seeing them all kneeling in front of him, he couldn't help feeling a little soft.

But he still said, "Get up soon..."

"I tell you that the little baby named Li does have difficulties. He is afraid of hurting you and letting you down, so he refuses to see you."

"So, I advise you to leave here... If you don't, you will be sad, and that little baby will be sad too... This is not good." Xuanwu old man said.

When the girls heard this, they said, "Old man, we are not afraid of getting hurt...we are not afraid of being let down, we just want to see him!"

"Even if it's for us to meet...we just leave...all can..." Situ Ningbing said in tears. The bitter tears fell from her face, and the Duan Muying and Ouyang Shiqing also had tears in their eyes at the moment.

Listening to Situ Ningbing and the others' prayers, the old Xuanwu man finally felt relieved at this moment.

After all, he is also human!

Chapter 2470: my lover

Looking at these tearful girls, the old Xuanwu man finally said there, "Well, the old man promised to take you to see him."

"But, let me speak first. After I show you the little baby, I hope you can leave here as soon as possible."

After hearing the old Xuanwu say this, although the girls were heartbroken, they nodded one by one.

"Old man, we promise you."

In their minds, as long as they can see Li Tian.

In this way, the Situ Ningbing agreed, and the old Xuanwu...so they took the girls in front of them to see the ruined Li Tian.

Following the Xuanwu old man, they passed through an ice corridor, then turned around in front, and saw an ice cave enclosed by an ice gate.

Pointing to the ice cave, the old Xuanwu man in front of him said slightly: "That little baby is inside..."

After his finger pointed, Na Situ Ningbing saw the cold ice cave.

"Thank you, senior." Situ Ningbing said, looking at the old Xuanwu man.

The old man Xuanwu didn't speak, only a slight smile appeared on his face, and then he floated away.

Here, at this moment, only Situ Ningbing and other girls are left. They look at the ice cave where Li Tian is staying, and they feel uneasy. They don't know what happened to Li Tian, let alone why. I don't want to see them...At this moment, I walked towards the ice cave step by step with an uneasy mood.

When they reached the ice cave, they began to gently push the ice gate.

When the ice gate was pushed open, Li Tian inside thought it was the old Xuanwu who came, and turned his head and shouted there, "Older..."

But when he turned his head and saw that it was not the old Xuanwu man who pushed the ice gate, but his beloved women, he was stunned there like an electric shock.

"Ah? Ningbing... poetic love, Duanmu Ying..."

"Yes...Yes...you?" Li Tian in front of him screamed out! Looking at the girls standing in front of the ice gate in disbelief.

And the moment that Situ Ningbing, Duanmuying, and Ouyang Shiqing saw Li Tian's face wearing a bronze mask at this moment, they were also completely surprised there.

"Li Tian?"

"It's really you..."

"Tian'er, your face...how...how like that?"

All their exclamation sounds came out of their mouths.

When their voices suddenly reached Li Tian's ears, Li Tian's heart was suddenly struck by lightning.

He immediately turned around, and turned his face wearing a bronze mask for an instant... with his back facing Situ Ningbing and the others.

"Auntie Hua, Ningbing... why are you here..."

"I... can't see you now..." Li Tian said painfully.

After the Baihua Fairy and the others saw Li Tian's bronze mask, although they were filled with curiosity and doubts, they still came over there quickly.

"Why? Why did you refuse to see us? Do you know... We have been looking for you from the beginning... from home to abroad, and from abroad again... Now here, I finally found you, why don't you Will you see us?" Situ Ningbing said sadly.

"Tian'er, is it all because of your mask? Tian'er, tell me, what the ***** is going on with you? What happened to your face?" Fairy Baihua said there too.

...

Listening to their words, Li Tian's heart was cut with a knife.

Finally, seeing Li Tian plucked up the courage to turn that face suddenly.

The terrifying bronze mask on his face showed a trace of hideousness.

"My face is ruined! Do you know? My face...has been ruined!"

"I don't deserve to see you... I can't let me see you like this... Do you know?" Li Tian hissed.

After Li Tian roared, Situ Ningbing finally understood everything!

It turns out all this is because of Li Tian's face! His face is ruined! The handsome face now turned into a rotten and distorted face... it was even more terrifying than the ugly.

"Li Tian, don't you know? We never care about your face..."

"It's not your face that we love, it's your people... Li Tian, do you understand?" Situ Ningbing said.

But what about Li Tian? But suddenly he smiled bitterly.

"my people?"

"No... Ningbing... I am not a human! I am no longer a human... I am a vampire, I am a strange dark creature..."

"Ningbing, poetry, Duanmuying, I am ashamed of you... I can't bear your love!"

"In this life, I owe you too much love...I can't repay it! The only thing I can do now is...not to hurt you...not to let you get hurt because of me...Do you know?" Li Tian was there Distressed road.

Yes, everything Li Tian does is for the good of a few girls!

But by doing this, he also indirectly hurt several girls.

Listening to Li Tian's words, all the girls understood that Li Tian was because of his status as a vampire.

"Li Tian, no matter what you look like...we will never give up on you!"

"Yes, Sister Ning Bing is right... From the beginning to the end, whether you Li Tian is a human or a vampire, we will stick to it."

"This life, this life, we have identified you... and never thought of giving up again."

The vow of no regrets came out of the mouths of several peerless girls.

They have no regrets and love without regrets!

Listening to the words of his favorite women, Li Tian didn't know whether it was sad or happy at that moment.

"Fools...you are so stupid!" Li Tian suddenly said sadly.

Situ Ningbing, Ouyang Shiqing, and Duanmuying silently walked in front of him, crying in unison, "Are we really stupid?"

"It's hard to find a true love in a person's life, luckily we found it!"

"Can that man save his lover regardless of life and death? Can that man abandon his life and save his brother? Can that man give up everything for a vow? That man can bear the blood and blood and go forward...? Lee, we love you ! This life, this life, is only for you, and only for you!"

"Regardless of the mountain alliance, regardless of the future... we are destined to be by your side in this life."

The tragic pre-language came out of Situ Ningbing's mouth.

A love, a love.

At this moment Li Tian was completely melted!
