

A Killer 2491

Chapter 2491: Three ancient relics gather

It is surrounded by white snow and mountains.

At this moment, above the boundless Tianshan Mountains, a black shadow was flying in the sky. Looking carefully, there was a giant eagle behind him.

This person and one sculpture are undoubtedly the giant eagle Xiaohei of the old Xuanwu and the old Wuji.

At this moment, the old Xuanwu man was holding a frozen body in one hand... I saw through the transparent dangling ice, I could vaguely distinguish who the two mentioned in his hand were!

It turned out to be the master of the gate of **** and Chen Qiaozhi.

It's just that the **** gate master at this moment has been completely frozen by the endless ice, not knowing whether it is dead or alive.

The same is true for Chen Qiaozhi.

And look further back? I saw that the huge body of the giant eagle also dragged two bodies that were frozen in the ice... They were astonished that it was the old man of Promise and the evil god.

It turned out that they were all rescued by the old man Xuanwu from the avalanche.

It's just that they were buried in the deep snow... and then their bodies were frozen alive by the terrible low temperature and turned into ice sculptures.

At this moment, no one knows whether the four are dead or alive.

The old man Xuanwu flew to the Piaoxue Peak very quickly with the giant eagle behind him.

The speed of the old man Xuanwu is very fast, like a photoelectric, with a blink of an eye, he has reached the halfway of the floating snow peak. The giant vultures that followed are also very fast...

Although this Piaoxue Peak is towering into the clouds and tall and steep, it is not a problem at all for the giant eagle.

One person, one carving, just so quickly flew towards the Piaoxue Peak.

When their silhouettes reached the peak of Piaoxue Peak at this moment, the old Xuanwu took the lead and called out.

"Eldest brother, second brother, I'm back..." He used the Absolute Sound.

The faint voice of internal power came towards the door of the frozen ice cave tightly enclosed by Piaoxue Peak.

The three old men who were quietly cultivating in the ice cave, heard the old Xuanwu's: Absolute Sound Technique, at the moment it came, the old Suzaku flew into the air.

"Big brother, fourth brother is back."

After the old man Zhuque stood up, he said to the old man Qinglong who was still meditating.

After hearing this, the old man Qinglong opened his eyes slightly, and said, "Go and open the door of the ice cave."

The old Suzaku nodded after hearing this, and then swept his figure to reach the secret door of the ice cave, and pressed the mechanism with his hand. After pressing, the huge ice door slowly opened.

Rumble, accompanied by a loud noise, I saw the north wind pour in from outside, and at this moment I saw the old Xuanwu man, holding a frozen body in one hand, and flew by all of a sudden. Come in.

After the old Xuanwu flew in, a huge eagle also flew in in the wind and snow at the moment.

When the giant eagle flew in, the old Suzaku who opened the door not only frowned slightly.

"Xuanwu, why... how... bring a giant eagle?" The old Suzaku asked suspiciously.

At the same time, a pair of eyes stared at the two frozen "corpses" held by the old Xuanwu man.

"What the **** is going on?" The old Suzaku asked inexplicably.

But what about the old Xuanwu man? After hearing the old Suzaku for such a long time, he not only said, "Third brother, let's go in first, and I will tell you the whole story slowly later."

The old man Suzaku thought for a while, then nodded and said, "Okay, come in quickly."

So he led the old Xuanwu man and the giant eagle into it.

After coming in, the elder Qinglong and the elder Baihu who were in the ice cave saw the old Xuanwu who came back and a huge giant statue.

When they saw this scene, they all frowned slightly!

Then he looked at the scene and said: "Xuanwu, what's the situation?" The boss Qinglong asked first.

I saw that the old Xuanwu first slowly put down the two **** gate masters that were frozen into ice sculptures and Chen Qiaozhi in his hands, and then said slightly, "Big brother, Things have happened."

"The little baby's relatives and friends were buried in the ice and snow..." The old Xuanwu told the truth.

The old man Qinglong, the old man White Tiger, and the old man Versus were all startled when they heard the old Xuanwu say this all at once.

Then their eyes looked at the frozen bodies on the ground and said, "Are these the relatives and friends of the little baby?"

After the elder Qinglong in front of him inquired, the giant eagle over there suddenly croaked, croaked, croaked strangers.

As if it understood the words, it seemed to refute it there.

Everyone at this moment looked at the giant vulture in front of them, not understanding what was going on.

What is going on with this giant eagle? Why is there a sudden strange scream at this moment?

Then the old Xuanwu said, "No!"

"When I dug out their bodies in the snow and ice, I discovered that there were still a few corpses left... If my guess is correct, the little doll's relatives and friends should be in trouble in the snow and ice. ."

"They should have started a shopping battle with the enemy, and finally encountered a huge avalanche, and then were buried under the ice and snow." The old Xuanwu said.

Hearing what the old Xuanwu said, the old green dragon, the old white tiger in front of him, and the old Suzaku over there looked at the four frozen bodies.

Suddenly the eyes of the four old men were placed on the ice sculpture body of the **** gate master.

"It should be him." Suddenly a sentence came out of the old man's mouth.

After he said it, the other three elders in front of him also cast their eyes on the frozen body of the **** gate master.

"Well, my eldest brother's guess should be good... This guy is full of fierce aura, and he even carries two ancient relics, the Fire Phoenix Picture, and Xuanyuan Sword." The old Xuanwu suddenly said there.

After speaking, but seeing the Xuanwu old man took out two ancient relics.

One is the bright Xuanyuan sword, and the other is the picture of the blazing phoenix in a black box.

The elder Qinglong and the two elders of the spirit position were not only shocked when they saw the two ancient relics.

"Ancient relic?"

"The old man wanted to go down the mountain to find these two treasures, but he didn't expect it to be delivered automatically... very good, very good." The old man Qinglong in front of him suddenly said with a smile.

Now the three ancient relics have gathered on Piaoxue Peak. Except for the Heavenly Book Pill Scroll on Li Tian's body, the remaining two are also in the hands of the old man Qinglong.

Chapter 2492: throw it out

"Brother, what should I do with these people? Save it?" The old Suzaku said while looking at the old Qinglong beside him.

The old man Qinglong raised his eyes and looked at the four frozen bodies...

Chen Qiaozhi, the master of the gate of hell, the old man Wuji, and the evil god.

"Life is at stake, so try to save it," the old man Qinglong murmured.

Hearing what the old man Qinglong said, the old Xuanwu man in front of him was taken aback and pointed to the frozen **** gate master's body and said, "Can this great evil man be saved?"

"As far as I know, he has killed several friends of that little baby." The old Xuanwu man said.

Hearing what the old Xuanwu said, the old Qinglong thought for a while.

"Evil is rewarded..."

"Xuanwu, you can throw this wicked person's frozen body down from Piauxue Peak...We will neither save him nor harm him, let him fend for himself." The old man Qinglong said kindly there.

After hearing the old man Qinglong say this, the old Xuanwu nodded quickly and said, "Yes, brother."

Then Dan saw him grabbing the ice sculpture corpse of the master of the gate of hell, and then walking towards the secret gate of Piauxue Peak.

After reaching the secret door, he opened the mechanism, and with a bang, the ice sculptured secret door rumbled open. The moment it opened, the whirring wind and snow poured in from inside.

The old Xuanwu glanced at the ice sculpture body of the master of the **** gate, and muttered, "I hope you will never be a villain in your next life."

The words said, the old Xuanwu grasped the body of the sculpted ice sculpture of the master of the **** gate, and then threw it away. The body of the master of the **** gate was suddenly thrown out from the ice cave...The cold body was facing the Piauxue Peak Falling down from the cliff! ! !

In a blink of an eye, it was swallowed by endless wind and snow.

The old man Xuanwu didn't look at the body of the master of the gate of **** that was thrown down the Piauxue Peak, but pressed the secret door of the ice cave and walked in.

As for the **** gate master is dead? Is it alive?

No one knows anymore.

After the old Xuanwu came in, the old Qinglong looked at him with empty hands and couldn't help asking, "Throw it away?"

"En." Xuanwu old man replied.

Then the old man Qinglong said nothing.

It's just that Chen Qiaozhi, who raised his eyes and looked in front of him, and the old man Wuji, and the evil **** is frozen into a sculpture-like body.

"These three people have all been frozen into ice cubes...If there is no deep internal force support, I am afraid the heart has already stopped beating." The old man Qinglong said.

"I'll see if they still have a heartbeat."

Following the words of the old man Qinglong, he took the lead to place a hand slightly on the head of the evil **** that was frozen into ice, and then a powerful internal force slowly infiltrated the entire head of the evil god.

As the old man with a deep internal force infiltrated the entire skull of the evil god, the ice on the body of the evil **** began to slowly melt.

Little by little ice cubes melted...in the end it turned into ice water...flowed from the body.

Soon, the old man Azure Dragon had melted all the frozen body of the evil god.

Cthulhu's whole body was soaked with ice water... There was no whistling at this moment, and I didn't know the life and death.

After the old man Qinglong melted the ice of the evil god, he slightly raised a palm to touch the heart of the evil god... As he reached out to touch the heart of the evil god, a slight wave of extreme came from the heart of the evil god. Weak feeling of beating.

"There is still a heartbeat...This guy is not dead yet." Suddenly the old man Qinglong said excitedly there.

As he said this, the elder Xuanwu and the elder Suzaku who stood beside him not only showed joyful eyes.

"Big brother, I'll treat this..." The old Suzaku who was talking moved the frozen body of Chen Qiaozhi, and then began to slowly melt the ice and snow under Chen Qiaozhi's body with a deep internal force.

"There is one more, let me do it."

The old white tiger said on one side.

Of course, he was treating the last "Wuji old man".

At this moment, the three elders rescued one by one, when the old white tiger and the old Suzaku also used deep internal strength to melt the whole body of Chen Qiaozhi and the old man Wuji...but seeing the old Suzaku suddenly his face became ugly.

Seeing the old man Suzaku's face weird, the old Xuanwu couldn't help asking in surprise, "Brother, what's wrong?"

The old Suzaku slowly left the heart of Chen Qiaozhi with his hand, and suddenly sighed there and shook his head, saying, "This person...has not been saved, and his heart has stopped beating."

Is Chen Qiaozhi dead?

His skill is indeed the weakest among the few people, so the ice and snow buried him like this... I'm afraid Chen Qiaozhi really can't hold it.

Hearing what the old Suzaku said, the old Xuanwu quickly walked over, and then used his internal force to activate the body of Chen Qiaozhi's death, but he tried it twice and was in vain.

Finally, even the old Xuanwu sighed.

"He really can't save..."

The old Suzaku and the old Xuanwu in front of him looked at the dead body again, not only a little distressed in his eyes.

Chen Qiaozhi is dead.

Li Tian's last good brother died unexpectedly.

Here, the old man Azure Dragon is treating the evil god... and the old man White Tiger? It has also melted the whole body of the old man Wuji.

When the old man Baihu reached out to explore the heart of the old man Wuji, he found that the old man Wuji's heart was beating quite violently.

Feeling this, the white tiger old man in front of him suddenly said with satisfaction: "This old man...good skill...Although he was buried by the ice and snow, he can still have such a strong heartbeat...He must have amazing internal strength. "

Hearing what the old man Baihu said, the Suzaku and Xuanwu all came over and glanced at the old man Wuji.

Suddenly the old man Suzaku frowned slightly after seeing the old man Wuji's face.

"How is this old man's face so familiar? It seems that we have seen him before?" The old Suzaku asked in surprise.

Hearing what he said, the old Xuanwu man in front of him also raised his surprised gaze to look at the old man Wuji. Upon seeing it, he felt that his eyes were familiar, so he thought about it carefully...

Suddenly the old Xuanwu man remembered.

"I remember now....."

Accompanied by the scream of the old Xuanwu man in front of him, the old White Tiger and the old Suzaku were all startled slightly, raising their eyes and looking at the Xuanwu in front of them.

"Who is he?" the two old men asked in unison.

After the second elder asked, the Xuanwu elder suddenly said with bright eyes: "Second brother, third brother, do you remember that a guy came to the top of the restricted area more than two hundred years ago?"

Chapter 2493: I do not believe

Two hundred years ago, another figure indeed crossed the top of the Tianshan Mountains.

That person's skill can be regarded as peerless, but it's a pity...

But he said that after the old Xuanwu suddenly reminded him, the old White Tiger and the old Suzaku suddenly remembered.

"So it's him!!!" The two old men in front of them were surprised.

"No wonder his internal strength is so deep." The old man Bai Hu said there.

The old man Zhuque smiled slightly and said: "I still remember that this person had to go to the top of the Tianshan Mountains... It is a pity that the four of us saw that his skill was high, but he was not the fate of the blood evil, so we stopped him... He finally went down the mountain without success. He didn't expect to see him today."

After hearing the old Suzaku say so, the old Xuanwu nodded slightly.

"Forget it, let's save him first now." The old white tiger in front of him suddenly said there.

Then the old white tiger in front of him slowly stretched out his hands, and two powerful streams of heat flowed out from all the palms of the old white tiger.

At this moment, the old man Qinglong was treating the evil god, while the old man Baihu was treating the old man Wuji. It must be a long time before these two people will wake up.

...

Fairy Baihua and Situ Ningbing had been in this ice cave for several days.

Although they knew that Li Tian was fine for the time being, they were worried about the Cthulhu and the others in their hearts...After all, they still don't know what happened to the Cthulhu and them.

At this moment, Baihua Fairy brought Situ Ningbing and the other girls to look for the old Sixiang. I hope that these old four elephants can help find the evil ***** and others.

"Auntie Hua, are the four seniors willing to help us?" As we walked towards this, only listened to that Duan Muying asked in surprise.

Fairy Baihua said: "The four seniors are peerless experts... and they are kind-hearted. If we want to tell them, I believe the four seniors will help us."

With that said, they came to look for the old four elephants.

They still don't know that the evil ***** and the old man Wuji were rescued by the elder Xuanwu, let alone that the cruel ***** gate master has killed many brothers.

After the Baihua Fairy in front of them walked into this ice cave, they saw at a glance the old man Qinglong and the old man Suzaku who were healing people over there...

Since the two elders turned their backs to them, they could not see clearly who was being healed.

"Old man..."

After Fairy Baihua and the others came over, they shouted.

The old Suzaku and the old Xuanwu standing on the other side, when they heard the voices of Fairy Baihua and the others, they not only turned their heads in surprise, and then saw Fairy Baihua and three other girls.

"You are here." The old Suzaku and the old Xuanwu said after seeing them.

"The old man was going to inform you." The Xuanwu old man added another sentence.

The fairy Baihua and the other three women were stunned when they heard this: "Looking for us? Old predecessor, what do you want to do with us?"

I saw the old Xuanwu sigh slightly: "We have found your friends and relatives!"

Hearing what the old Xuanwu said, Fairy Baihua was taken aback.

"Senior, you mean... have found my eldest brother and them?" Baihua Fairy was surprised there.

But seeing the old Xuanwu nodded slightly and said, "Yes."

"It's there..." The old Xuanwu man who was talking stretched out his hand and pointed to the place over there.

When Baihua Fairy and the other three girls heard about them, they were all astonished at the moment, and then one by one, with their eyes widened, looked at the old man Qinglong and the old man Baihu who were healing over there...

I saw the two of them and one of them were treating one person.

Take a closer look, isn't that the evil god, and the old man Wuji?

"Big brother?"

As soon as he saw the evil god, Fairy Baihua suddenly wanted to run to see the evil god.

But when Fairy Baihua was about to run towards the evil god, he was suddenly stopped by the old Xuanwu man.

"Don't get excited... you can't go over now. My elder brother and second brother are treating their injuries, so don't bother you." The old Xuanwu stopped the Baihua Fairy.

When Baihua Fairy heard this, she was stunned: "Old man, is my elder brother in danger?"

The old man Xuanwu said: "Don't worry, they should be fine."

When the old Xuanwu said so, Fairy Baihua was surprised.

"Great, great, thank you senior... Thank you very much senior."

"By the way, what about my second brother and my fourth brother? What about Xiaolong and Wuhen?" Baihua Fairy suddenly discovered that there were no other people in this ice cave besides the evil **** and the old man Wuji. ...

This not only made her wonder all of a sudden.

With the question of Baihua Fairy in front of him, the old Xuanwu and the old Suzaku's expressions suddenly became strange.

The Baihua Fairy and the other three girls saw the expressions of the two old men, and suddenly felt a little bit inside.

"Senior, what's the matter?" Fairy Baihua asked in surprise.

After Baihua Fairy asked, the old Xuanwu sighed deeply.

Then I saw the old Xuanwu say in embarrassment, "It's true...So far, the two of them are alive...The rest...I'm afraid...I'm afraid they are all dead."

"died?"

When the old Xuanwu man in front of him said so suddenly, the fairy Baihua was stunned.

Her beautiful eyes were wide, and she seemed to be demented...

Suddenly, her delicate body trembled, and her eyes went black and almost fainted.

"Auntie Hua, Auntie Hua." Seeing Baihua Fairy fainted behind him, Situ Ningbing hurriedly supported her.

The old Xuanwu here also took a step forward, and then stretched out an old left hand, accumulated internal strength, and input the back of the Baihua Fairy... With the input of the internal strength, the Baihua Fairy gradually woke up!

"No...no...no, it won't be like this...my second brother, fourth brother, they won't die..."

The fairy Baihua in front of her screamed heartily.

Tears dripped drop by drop from her face.

The old Xuanwu man looked at the sad Baihua Fairy and said, "People can't come back from death, and I hope you will be sad.

"No, it won't be like this...Second brother, they will never die..."

"Old predecessor...I don't believe...I don't believe..." Fairy Baihua said painfully, she couldn't believe the truth before her.

Chapter 2494: the truth

The old Xuanwu man in front of him looked at Baihua Fairy in disbelief, and finally there was really no way he could do it.

"If you really don't believe it...I'll take you to see a corpse...you believe it." The old Xuanwu said helplessly.

Then the old Xuanwu took the first two steps and pointed to the leftmost place and said, "There is a corpse of your friend there. His whole body was frozen stiff, buried under the snow and ice, frozen to death alive. "

When Baihua Fairy heard that there were three other girls, they all turned their faces in shock and looked over there.

At this look, they suddenly saw a frozen corpse!

That corpse belonged to Chen Qiaozhi.

"Qiao Zhi..."

"It's Joe's corpse..."

The moment they saw Chen Qiaozhi's corpse, several girls ran over.

They were running over and found the body of Chen Qiaozhi. Chen Qiaozhi's body was completely frozen into ice.

Looking at the corpse of Chen Qiaozhi, at this moment, the hearts of several girls were like a knife cut.

My God, is it true that this old Xuanwu man said?

Are all dead?

Tang Xiaolong, Xue Wuhen, Chen Qiaozhi, Duguxie, and Ghost Servant, all these good brothers are dead?

"No...no...no..."

"Oh my God... how could this... how could this be?"

"Second brother is dead? Fourth brother is also dead...no...no..."

Suddenly a sorrowful roar came out of the Baihua Fairy's mouth, and then a spit of blood came out of her mouth, and her delicate body was shaking at that moment!

She seems to be unable to accept this terrible fact!

She vomited blood...

Situ Ningbing, Duanmuying, and Ouyang Shiqing saw Aunt Hua vomiting blood, and couldn't help exclaiming.

"Auntie Hua, Auntie Hua." They shouted and helped the Baihua Fairy up.

The old Xuanwu and the old Suzaku looked at the fairy Baihua in front of them, and they could only sigh and shook their heads.

After vomiting blood, Fairy Baihua fainted.

Looking at the fainted Baihua Fairy, the old Xuanwu said helplessly: "Girls, you should take her in first and take a good rest... She can no longer bear the stimulation."

The Situ Ningbing and the other girls were in tears, so they nodded silently, and then Duanmuying and Ouyang Shiqing helped the Baihua Fairy who had fainted into another ice cave to rest.

Situ Ningbing did not leave, she just stood there with tears in her beautiful eyes.

"Senior... I want to know... Tang Xiaolong... and Xue Wuhen... and how did Dugu and Gui servant senior die? How could this happen?" Situ Ningbing finally accepted the facts before him. Can't help but ask.

The old Xuanwu sighed deeply, "Hey."

"The old man will not hide from you... Actually, all of this is caused by a wicked person with a black face!"

"It was that guy who brutally killed your friend... It was the avalanche he caused and buried everyone!" Old Xuanwu said.

At the moment when he heard the black-faced guy say from the old Xuanwu man's mouth, Situ Ningbing suddenly thought: **** gate master.

"Is it him? Is that beast?" Situ Ningbing exclaimed angrily all of a sudden.

Her eyes were red, and her whole body trembled violently.

The old Xuanwu man in front of him heard Situ Ningbing say so, and immediately said: "Do you know that wicked person?"

"Yes! He is our big enemy... is Li Tian's life's biggest and greatest enemy!!!" Situ Ningbing yelled with full of resentment in front of him.

"He is the master of the gate of hell!"

After Situ Ningbing said it, the old Xuanwu and the old Suzaku glanced at each other and did not speak any more.

Situ Ningbing raised his hand, wiped the tears from the corner of his eyes, and said, "Okay, I have finished asking what I should ask, seniors, then I won't bother you."

After speaking, Situ Ningbing endured the pain in his heart and stubbornly walked towards the bedroom of Fairy Baihua.

The Vermilion Bird and the old Xuanwu people here looked at the figure of Situ Ningbing's gradual departure, and they could only sigh deeply.

"When is the time to report the injustice... Hey, fortunately, we have dropped that wicked person down Piaoxue Peak..." The last sentence came out of the old Xuanwu man's mouth.

...

Moreover, when Situ Ningbing returned to the ice cave, the fairy Baihua was already slightly awake.

It's just that her face is extremely pale, and her body is extremely weak.

Looking at Situ Ningbing, who came back with endless hatred on his face, neither Ouyang Shiqing nor Duanmuying knew what was going on.

"Auntie Hua, how are you?" Situ Ningbing looked at the slightly sober Fairy Baihua.

Fairy Baihua looked numb, as if she was demented. She didn't move or talk, as if she didn't hear Situ Ningbing's voice.

Seeing that Baihua Fairy was in such a state, the three girls felt a deep pain!

After all, those brothers who died were Li Tian's best friends!

Moreover, Duguxie, and the good seniors of the ghost servant... have always helped them solve their difficulties, but I didn't expect that they would end up like this now.

"Do not....."

Suddenly a cry came out of the Baihua Fairy's mouth, she was like crazy, her two fists slammed into the thousand-year-old ice bed, and blood was smashed from her soft hands... Then, tears fell drop by drop from her beautiful eyes.

Looking at the distressed and crazy appearance of the Baihua Fairy, the three girls rushed forward and grabbed the crazy Baihua Fairy.

"Auntie Hua, don't...don't do this!" They cried and pulled Baihua Fairy there.

"Auntie Hua, Senior Dugu, and Senior Ghost Servant, they have already sacrificed...Don't torture yourself."

"Yes, Aunt Hua."

Several girls were there crying to persuade Fairy Baihua to say.

But I saw that Baihua Fairy yelled like crazy: "No, my second brother will not die... His martial arts are so high... Will not die, never die..."

"The old man is lying to me... He must be lying to me..." The fairy Baihua in front of him still refuses to believe all the truth.

But seeing that there was no way, Situ Ningbing finally couldn't help telling the truth.

"Auntie Hua, everything is true, Senior Dugu, Senior Ghost Servant, Xiaolong, Wuhen, Qiaozhi, they are all dead!"

"All of this was killed by the sect master of the beast ***** gate... he killed them." Situ Ningbing said the truth all at once.

When Situ Ningbing in front of him suddenly told the truth, Fairy Baihua in front of him was shocked.

Chapter 2495: Natural blood cloud

Suddenly, Fairy Baihua turned around with blood-red terrifying eyes, staring at Situ Ningbing in front of him.

"Ningbing...what did you say? You said...the master of the gate of hell...is he...he...the second brother who killed him? And my fourth brother and them?" Fairy Baihua looked in front of him in disbelief. Situ Ningbing said.

Situ Ningbing nodded silently in the hateful eyes and said, "Yes, it's that animal."

"I asked the old man just now, and the old man told me this personally."

After the fairy Baihua heard about it, she was stunned there!

The Ouyang poetry in front of me, and Duanmuying are all blinking at the moment Baihua Fairy...

Suddenly Baihua Fairy screamed "Ah".

Her voice is full of endless resentment, endless anger... The voice is full of hatred, rushing straight into the sky!

The other girls are also full of great hatred in their hearts!

They can't wait to slash the so-called ***** gate master...

"The master of the gate of hell... it was him, he killed the second brother, the fourth brother... he killed everyone..."

"I'm looking for Tianer!"

"I want Tian'er, I want Tian'er to avenge... I want him to avenge everyone."

Suddenly the Baihua Fairy climbed up directly from the ice bed, like crazy, and then walked directly to the outside of the ice cave!

She was going to tell Li Tian that the brothers died.

Because now, apart from Li Tian, I am afraid that no one can clean up that ***** gate master.

Situ Ningbing, Ouyang Shiqing, and Duanmuying in front of them heard that Baihua Fairy said so suddenly, they didn't know what to do!

At this moment, he just stood in the ice cave blankly, looking at the figure of Baihua Fairy.

"What to do? Aunt Hua went to see Li Tian." Ouyang Shiqing said in front of her.

Situ Ningbing frowned Liu's eyebrows and said, "Li Tian is now practicing...If Aunt Hua really tells Li Tian about this, I don't know what the result will be?"

When Ouyang Shiqing and Duanmuying heard Situ Ningbing say this, they were shocked right now.

"Then what to do? The three of us can't stop Auntie Hua at all." Duanmuying in front of her said anxiously.

Situ Ningbing thought for a while and said, "From my point of view, we should hurry up to find those old seniors... Let's tell them the truth!"

"En, good!" Situ Ningbing and Duanmuying nodded at the moment.

After speaking, the three girls ran out quickly.

...

Inside the ice cave, I saw that the old man of the Azure Dragon and the old man of the White Tiger had cured the evil **** and the old man Wuji.

After the treatment was completed, the two elders retracted their hands slightly, and then lumps of white energy slowly radiated from the two elders' bodies.

Then the old man Qinglong stood up slightly from the ground.

The old Suzaku, who was standing, looked at the old Qinglong who stood up and asked, "Big Brother, how are they?"

The old man Qinglong smiled slightly and said, "Don't worry, this person is fine."

"It's just that you need to rest for a while to wake up."

Hearing what the old man Qinglong said, the old man Suzaku smiled slightly.

As they were talking, they saw a string of rapid footsteps suddenly rushing in from outside.

The old man Qinglong, the old man White Tiger, and the old man Suzaku in front of him heard the rush of footsteps, not only frowned slightly, and then turned to see the hurried Situ Ningbing and Ouyang Shi. Love, and Duanmu Ying.

After seeing Situ Ningbing and the others, the three elders in front of them were not only a little startled, but they also said to themselves: Why did these three girls run out again?

Just as the third old man was surprised, an exclamation had already come out of Situ Ningbing's mouth first.

"Senior, it's not good..." A word came out from Situ Ningbing's mouth.

After Situ Ningbing yelled out, the three elders in front of him were not only startled, but then he saw the old man Qinglong asking, "Women girls, what happened? What happened?"

"My Auntie Hua..."

"Auntie Hua just went to tell Li Tian who was cultivating everything! Situ Ningbing said there.

Hearing what Situ Ningbing in front of him said suddenly, the old man Qinglong was slightly startled.

He did not understand what Situ Ningbing meant! Because he didn't know that Xuanwu, Zhu Que told Situ Ningbing just now who the brothers were killed.

But seeing the old man Qinglong said in doubt: "Little girl doll, you can make it clear...what do you want to tell that little doll Li Tian?"

After the old man Qinglong asked, the old Suzaku who was next to him suddenly said with an ugly look, "Big Brother, it's not OK."

"What's wrong?" The old man Qinglong in front of him suddenly asked.

I saw that the old Vermilion bird told Situ Ningbing all the things they had just told the truth.

After speaking, the old man Qinglong suddenly turned gloomy.

"what?"

"You will... these terrible things... tell the little doll who is now cultivating?"

The old green dragon in front of him was shocked when he heard it!

But seeing that Suzaku old man suddenly showed a trace of self-reproach on his face and said: "Big brother, it's all my fault, because I didn't think well... I shouldn't have told them the matter just now."

"Hey! Old third, how could you make this kind of mistake? Don't you know that he is now in the stage of cultivating magical skills. Once the spirit is severely stimulated, the consequences will be extremely unimaginable... The lighter, the devil, the heavy, It is very likely that all sentient beings will be burned!!!"

Yes, people who are practicing Kungfu must not be severely stimulated mentally! Once the terrible stimulus is truly felt, the consequences are extremely unimaginable.

So the old man Qinglong was worried about that!

While they were talking, the old Xuanwu man who had just arrived outside the ice cave to watch the sky suddenly flew in from the outside.

"Big brother, a natural vision! A natural vision!" A shocking word came out of the old Xuanwu man who flew back.

When he said these words, his face was extremely ugly.

The old man Qinglong, the old man Suzaku, and the old man Baihu heard the Xuanwu old man in front of him say so for an instant. At the moment, the three old men slid and reached the outside place with a "swish" at an astonishing speed.

When all the four old men flew out, I saw above the terrifying sky, a group of blood-colored clouds shrouded suddenly, all gathered at the top of Piaoxue Peak! ! !

Looking at this terrifying **** cloud, the old man Qinglong suddenly flashed an unprecedented sense of shock in his eyes.

"Naturally born blood cloud, earth born crazy demon..."

"Could...could it be that... his life of the blood evil star is really going to be activated and awakened? He really will slaughter sentient beings from this moment?"

Blood Fiend! The fiercest and most terrifying magic star among the evil stars.

Although Li Tian is the life of the Blood Fiend, he has never triggered the real terrifying power of the Blood Fiend! And now, can this so-called Millennium Magic Star really be activated?

Chapter 2496: revenge

Looking at the clusters of **** clouds, at that moment the old man Qinglong's expression was extremely ugly and roared there; "Quickly, go and see that little baby!"

As he said, he swept away first, and swept toward the inside of the ice cave like a floating cloud.

The rest of the white tiger elders, the Xuanwu elders, and the Suzaku elders, followed closely behind.

The other girls like Situ Ningbing also rushed over.

They didn't know whether the "crazy" fairy Baihua had told the news to Li Tian who was cultivating.

If Li Tian had been told, the consequences would be really unimaginable.

...

Fairy Baihua was not a reckless person in the past.

But this time, when she heard all the tragic deaths of Duguxie, Ghost Servant, Tang Xiaolong, Xue Wuhen and the last Chen Qiaozhi, her whole person suddenly became crazy.

All the reason was completely thrown out of her head.

She just wants revenge now, she just wants the master of the gate of **** to die...

So she went crazy to find Li Tian who was cultivating at this moment, because at this moment only Li Tian could deal with the **** **** gate master.

When the Baihua Fairy full of revenge flames came to Li Tian's ice cave door, she stretched out her hands to knock on Li Tian's ice cave door.

Bang, bang, bang!

As the sound of knocking on the ice door spread to the inside, I saw Li Tianzheng's body red light at this moment.

His face, hands, body... are all enveloped in a weird breath...

What was spread out in front of him was the old "Broken Soul Palm" palm, which had already turned to the last page at this moment.

Suddenly when Li Tian heard the sound of knocking on the ice gate, his whole body suddenly flew into the air, and then at the moment of flying up, the blood-red aura in his whole body suddenly shook towards the surrounding ice caves.

With a bang, accompanied by a violent tremor, all the surrounding thousand-year-old ice was shattered by Li Tian's extremely powerful energy...

In the energetic ice cave, Li Tian's body slowly flew down from the air.

"I practiced..."

"I finally got it!"

Hahahaha! Li Tian's wild laughter roared from Li Tian's mouth.

At this moment, look closely at the current Li Tian, through the hideous bronze mask, you can see that his hands are filled with extremely stern light.

This exquisite light is now comparable to the old four elephants!

And even brighter than the eyes of the old man of Sixiang.

"Broken Soul Palm", this set of terrifying palm power comparable to China's most extensive "Tathagata Palm" in thousands of years, has now been fully trained by Li Tian.

I saw that after Li Tian had practiced the "Broken Soul Palm", his whole body was filled with an invincible and mighty aura, and his energy wandered with every move.

No one knows how powerful Li Tian should be now!

No one knows how abnormal Li Tian should be at this moment...

Maybe even Li Tian at this moment doesn't know how terrifying his skill has reached.

In his current heart, he only felt the smallness and weakness of everything!

"Tian'er... Tian'er, open the door..."

Suddenly a voice full of hatred came from outside the ice cave.

The ice cave where Li Tian was staying had excellent sealing performance, but now Li Tian's skill has greatly increased, and his five senses are extremely sensitive. So at this moment, after hearing the outside sound, Li Tian heard it all at once. That voice belongs to Fairy Baihua.

"Auntie Hua." Li Tian shouted in surprise.

Then he slid his body, his body skills seemed to be ethereal, and he swished to the frozen stone gate.

When it swept over so quickly, even Li Tian himself was shocked...Oh my god, why is my body so fast? Moreover, it seems that I can't feel the slightest effort in the flowing water! ! !

Surprised, Li Tian hurriedly opened the ice gate.

At the moment of opening, he saw the fairy Baihua standing at the door with pale face, red eyes, and endless hatred all over his body.

After Li Tian opened the door, he immediately felt the huge aura of hatred emanating from the Baihua Fairy. He was stunned and couldn't help but secretly lined up: What happened to Aunt Hua? Why is there such a terrible breath of hatred from all over his body?

"Auntie Hua, what's the matter with you?" Li Tian in front of him thought about it in his heart, and said in surprise to Baihua Fairy who was looking at the extremely red eyes in front of him.

What about Fairy Baihua,

At the moment when he saw Li Tian, two hands trembling suddenly grasped Li Tian's shoulder tightly.

Her pointed nails seemed to be pierced into Li Tian's flesh...forced and vicious.

With endless hatred in both eyes, he suddenly spit out a few **** words at Li Tian: "Tian'er... revenge... revenge..."

When Li Tian suddenly heard that Baihua Fairy said so, not only was the whole person there in shock.

"Auntie Hua, what are you talking about? What revenge...?"

"Auntie Hua, what happened?" Li Tian said in shock.

But seeing that Baihua Fairy gritted his teeth, there was endless hatred in his eyes, and he said to Li Tiandao: "Vengeance, revenge."

"What revenge?" Li Tianjing asked.

The Baihua Fairy filled with blood and tears, and he pierced Li Tian's shoulder with his nails and said: "They are all dead...Your brothers are all killed...Even...the second brother...and the fourth brother. Was killed..."

When the fairy Baihua said this all of a sudden, the aura in Li Tian's body suddenly changed at this moment.

The extremely domineering aura suddenly turned into a terrifying hostility.

What about his people? There was even a moment of astonishment, and suddenly a huge blood hole was cut in his heart by a cold blade.

"what....."

"My brothers... all... all dead?"

Li Tian asked in a trembling voice suddenly.

As he said this, the fairy Baihua said: "Yes, all are dead."

"Xiaolong, Qiaozhi, Wuhen, they were all killed...Even the second brother and the fourth brother were also killed...all of these were the backbone of the gate of hell... all were killed by that animal At this moment, even the elder brother and the old man Wuji don't know whether it's dead or alive... God, revenge! Revenge!"

"For your loved ones, for everyone...you must take revenge, the bloodblade thief!!!"

The words of extreme hatred came out from the mouth of the Baihua Fairy.

Chapter 2497: Terrible instinct

"Xiaolong is dead? Wuhen is dead, Dugu, Guimu, and Qiaozhi are all dead?"

Li Tian suddenly widened his pupils at that moment, repeating these terrifying words in a daze.

Suddenly, his pupils began to shrink violently, and even his whole body became trembling, and the terrifying killing intent emerging from his whole body instantly enveloped the entire space.

"died?"

"My brother... are all dead?"

"All dead..."

Li Tian muttered these words, and suddenly the whole person "laughed" strangely...but his smile became even worse than crying...sharp and ear-piercing.

The Baihua Fairy was stunned when he saw Li Tian suddenly "strange smile".

"Tian'er, what's the matter with you?" Fairy Baihua suddenly felt that the surrounding aura began to become violently cold... This kind of coldness is the kind of gloomy coldness that is full of the spirit of killing!

At the moment when the Baihua Fairy faced Li Tianwen, Li Tian in front of him suddenly raised a pair of eyes full of "endless destruction" and cast coldly on the Baihua Fairy.

Those eyes were hollow and terrifying, with murderous gazes.

Fairy Baihua subconsciously felt that her whole body became gloomy...Looking at Li Tian's eyes, even she was not only scared at this moment.

"Tian'er...Don't you scare Aunt Hua?"

"What happened to you?"

Suddenly Baihua Fairy asked that Li Tian again.

But what about Li Tian? The whole body was crying and laughing...The mouth was still murmuring: My brothers are all dead...

Then I saw Li Tian's body of strange auras beginning to wander all over his body...Those terrible energy, some are black like devil, some are red, and some are golden light...This Three qi bursts all over his body.

His energy was confused.

This is a symbol of confusion.

Fairy Baihua looked at Li Tian in amazement.

After Li Tian's whole body was confused, his face was red, black, and golden...

Suddenly, with a bang, a loud noise erupted from Li Tian's body.

A group of blood-red light burst out from his body, and the strong aura swallowed directly towards the fairy Baihua in front of him.

With a scream, Baihua Fairy's body... was directly blown away!

Fairy Baihua's body was directly destroyed by the shock...A mouthful of blood was shot out directly, and he screamed and fell to the ground.

Look at Li Tian's moment again. With the release of the extremely strong blood energy, his whole body suddenly burned with a raging red flame. The red flame is not actually a flame, but the terrible energy released from his body surrounds him. , Forming a blood red flame.

he's changed.

At this moment, Li Tian completely released the evil spirit in his body.

Even the blood-red "Sha" word originally printed on his chest was completely swallowed by Li Tian.

His eyes are no longer humans, and there is only killing and destruction in those eyes.

He clenched his hands tightly, as if he was going to destroy the world, as if to slaughter sentient beings.

what! ! !

With a loud scream, the violent qi directly shattered all the surrounding thousand-year-old ice..... All around Li Tian exploded.

"Tian'er..." A weak scream came out from the mouth of Baihua Fairy.

Fairy Baihua would never have thought that Li Tian, who she loves most, would suddenly attack her, and it seemed that Li Tian had completely changed.

His people, his whole body, and his breath have all changed, becoming extremely fierce and terrifying.

At this moment, Fairy Baihua had all five internal organs damaged, with blood flowing from the corner of her mouth, and finally fell to the ground and shouted.

But what about Li Tian?

But he only slightly twisted those terrifying eyes, stared coldly at Baihua Fairy, and then his body covered in blood-red flames suddenly rose, and a huge blood flow radiated from his whole body, and then The Baihua Fairy with all his internal organs was sucked to his side.

Fairy Baihua felt that her body was about to be shattered, looking at Li Tian in front of her in that painful distortion.

"no, do not want....."

But just as she said these words, there was a sudden "boom", and Fairy Baihua's body was directly shocked to bloodshed by the powerful energy.

Then her body was like a withered cherry blossom, slowly falling from the sky.

Her beautiful eyes closed at that moment.

She is dead.

She died in the hands of Li Tian who had become a blood evil demon star.

After Li Tian cruelly killed the Baihua Fairy in front of him, his body suddenly floated towards the ice cave...No one knows what exactly Li Tian is doing with such a terrifying face at this moment.

...

When the scream of Baihua Fairy came out, it happened to be heard by the elder Qinglong and the elder Xuanwu who were rushing, and they also heard the violent explosion sound just now.

After hearing that terrible voice, the old man Qinglong's face suddenly became extremely ugly.

"No! Something may have happened."

After the old man Qinglong finished saying a word, he quickened his body skills and swiftly swept towards the ice cave where Li Tian stayed.

The three girls behind Situ Ningbing, Duanmuying, and Ouyang Shiqing were also suddenly frightened.

Because they all heard the scream of Baihua Fairy just now.

When they all swept over, a shocking scene suddenly appeared in front of them, and saw that the thousand-year-old ice in the passage here was all shattered by the huge energy, and the broken ice was all scattered. on the ground.

And among the broken ice, a pool of red blood appeared shockingly there.

Taking a closer look, among the cracked ice, a beautiful body in white clothes lay motionless on the ground.

what?

When seeing such a scene, the four elders in front of them all exclaimed, and then swiftly swept toward the body.

When Situ Ningbing, Ouyang Shiqing, and Duanmuying who followed closely watched that scene, not only did they all scream.

"Auntie Hua..." An exclamation came out from the mouths of the three girls.

Then they rushed over madly, but it was a pity that Baihua Fairy was dead there like a withered cherry blossom.

Her death was miserable and terrifying, bleeding from seven holes, and her veins were shattered alive by the powerful energy.

Seeing the tragic death of Baihua Fairy there, the three girls cried out all of a sudden.

"Auntie Hua...no...no...don't die..." It's a pity that Fairy Baihua is already powerless.

Chapter 2498: Seven kills

"Who? Who killed Auntie Hua?" Ouyang Shiqing tremblingly cried while holding the body of Baihua Fairy.

Duanmuying in front of them, and Situ Ningbing all raised their grief-stricken faces at this moment, and looked towards the cold ice cave where Li Tian was staying.

The ice gate of that ice cave has been completely shattered.

The ferocious aura continuously emerged from the icy room.

"Yes...Yes...Li Tian...Killed Auntie Hua?" Suddenly an exclamation came out of Mu Ying's mouth.

At the moment she said it all at once, Situ Ningbing suddenly tilted her body, and with a plop, she sat down on the icy ice.

"No...no...impossible..."

"Li Tian won't kill...Auntie Hua...Impossible..." Situ Ningbing said in pain in tears.

My God, how could she believe that her favorite man killed the respected and beloved Baihua Fairy?

Besides, Fairy Baihua still loves Li Tian so much! ! !

But what about the four elders standing at this moment? An extremely ugly look appeared on their faces!

They all looked at the cold ice cave where Li Tian cultivated... They saw the fierce and murderous intent that emerged in the cold ice cave, and even the four old men were shocked! !

"That little baby has changed."

"Presumably his blood evil demon star was really stimulated." The old man Qinglong suddenly sighed and said.

The other three elders in front of him also looked at the corpse of Baihua Fairy, not only feeling a pity for a while.

"Second, third, fourth, make all preparations and be prepared to subdue that little baby, otherwise the world will start from this moment and become a mess." The old man Qinglong in front of him said word by word to the other three old men. .

After the other three elders listened, you looked at me and I looked at you.

"Big brother, but that little baby is the only one who can open the door to the restricted area... We... Are we...really going to subdue him?" The three elders in front of him raised his eyes and looked at the old green dragon at this moment.

After hearing their words, the old man Qinglong fell silent.

It took a long time before I heard him suddenly muttering in his mouth: "The destiny cannot be violated. I believe in the great road of the world, in the dark, God is already doomed!"

"If that little baby is really instigated, we will have no choice but to take it seriously!"

"As for the mystery of the thousand-year restricted zone... Since it is a permanent legend... then let him remain a legend!"

The old green dragon in front of him said finally.

"it is good."

After hearing the words of the old man Qinglong, the third elder nodded slightly.

Then the four old men in front of them all turned their gazes to the ice cave where Li Tian had cultivated in front of them.

I saw the blood in the cold ice cave, and the fierce aura constantly pouring out of it! !

Even the four old men not only felt the gloomy auras coming...

But how high is the cultivation base of the Sixiang old man?

So at this moment, under the leadership of the old man Qinglong, the four old men stepped into the ice cave that Li Tian had cultivated step by step!

The moment Si Lao stepped into the Frost Ice Cave, something strange happened, and there was no one in the entire Frost Ice Cave...There was no figure of Li Tian at all.

Looking at the empty and shattered ice cave, the old white tiger sitting on the wheelchair in front of him frowned deeply.

"What about people?"

The old man Qinglong raised a pair of extremely cold eyes and glanced around the ice cave, and suddenly said, "Could he have cultivated his inner strength to the most terrifying power of transformation?"

The so-called transformation means that the internal energy of the whole body has been transformed into invisible energy. Once he has developed such internal energy, every move and action of his will cause an extremely strong internal energy explosion.

After the old man Qinglong said so, the faces of the other three old men in front of him showed horrified worldly eyes.

Suddenly the old Xuanwu man in front of him looked at the corner of the ice cave, engraved with a few blood red characters!

"Brother, there seems to be a word..." Suddenly the old Xuanwu said in surprise.

After hearing the voice, the old man Qinglong and the other two old men suddenly all flew towards the blood red lettering engraved on the huge ice sculpture wall.

After the four old men swept over, I saw that on the transparent thousand-year-old ice, there were a few words of blood written by people with extremely deep internal power... !!

Obviously, those shocking blood words were left by Li Tian, but I don't know what the row of blood words left on the thousand-year-old ice sculpture! !

The blood character is terrifying, especially engraved on the transparent ice of a thousand years.

It says: Heaven, life, everything, things, Yi, support, and people.

Man, nothing, one, thing, Yi, reward, heaven.

Here are seven ***** characters: kill, kill, kill, kill, kill, kill, kill!

Looking at the ***** and terrifying twenty-odd characters, the old man Qinglong, the old man Xuanwu, and the white tiger in front of him, all the four old Suzaku were shocked.

Suddenly, an unprecedented sense of horror rose from the hearts of the four old men of these thousand years! ! !

"All things are born to support people, and people have nothing to repay the sky, killing and killing."

"Such harsh words, toxic words."

The elder Qinglong not only sighed, but the other three elders around him also looked at the shocking blood words, and they were all taken aback there.

Just when Si Lao was shocked by the ***** and hideous fonts on the thousand-year-old ice, suddenly there was a scream of "Ah" from outside.

After hearing it, the old man Qinglong suddenly turned his ugly face away and roared: "There is a situation outside."

The words roared out, and his figure flew out suddenly.

And the other three elders in front of you? All flew out at this moment.

At the moment they all flew out, I saw a terrifying "monster" full of blood-red flames floating in the air more than 20 meters away from them.

He was wearing a bronze mask, and the eyes under the mask were inhumane at the moment.

Some are just the destruction of slaughter, and some are just the terrible extinction of humanity.

He is the Li Tian who has become the real body of Blood Fiend Star.

"Little Doll....."

"It's him?"

The Si Lao all saw Li Tian hanging in the air at the moment they all flew out.

And in the middle position? I saw that Situ Ningbing, Ouyang Shiqing, and Duanmuying who were also expected to let out Li Tian in a daze.

"Lee..."

"Li Tian...how did you...how did you become like this?" Situ Ningbing in front of him looked at Li Tian who was hanging in the air with incredible eyes, his eyes full of fear and shock. startle.

Chapter 2499: Destroy Heaven

"No, he is not Li Tian anymore, he has changed, little girls, come here quickly, don't get too close to him..." The old Xuanwu man in front of him saw Situ Ningbing shouting in surprise and couldn't help but stay there. Called.

Situ Ningbing and Ouyang Poetry, and after Muying Duan Muying heard the words of the old Xuanwu, they were stunned for an instant.

At this moment, Situ Ningbing and the three girls were in the middle of the old man of Sixiang and the Li Tian hanging in the air.

They looked at the old Sixiang... and then looked at the terrifying Li Tian.

At that moment, Situ Ningbing was still relatively smart.

She suddenly said to Ouyang Shiqing and Duanmuying, "Listen...Listen...the words of the old man...Let's go first..."

When the words were spoken, she ran towards the old man of Sixiang with Ouyang Shiqing and Duanmuying.

But at the moment when their bodies suddenly moved, a hoarse and fierce ***** roar erupted from Li Tian's mouth behind.

"dead!"

"Everyone must die, I want you all to be destroyed."

Endless words of hate burst out from Li Tian's mouth. At this moment, he no longer knew anyone in his ruinous eyes.

There are only two words in his eyes now, kill!

Kill kill kill kill kill kill!

When the mutated Li Tian uttered those words in **** extremes, a huge group of extremely **** ghost claws suddenly emerged from his whole body. The **** ghost claws took a fatal blow, directly towards that. In front of him, his beloved Duanmuying and Ouyang Shiqing shot away.

His cruel blow clearly meant that he wanted the fate of Ouyang Shiqing, Duanmuying, and Situ Ningbing.

Facing the **** ghost claws, Duanmuying and Ouyang Shiqing screamed in fear.

At the same moment, when he saw the elder Xuanwu, he roared, his originally gray robe, without wind, automatically.

"Dodge!"

Accompanied by the old Xuanwu yelling, the bodies of Ouyang Shiqing and Duanmuying slightly avoided!

In the moment of avoiding the past, I saw the golden qi condensed in the hands of the old Xuanwu man, directly blocking Li Tian's **** ghost claws.

There was a loud bang.

The old Xuanwu used his own skill to condense a huge golden barrier in front of him, and he actually blocked the terrible blow of Li Tian! At the same time, it also protected Situ Ningbing, Ouyang Shiqing, and Duan Muying.

After the attack of the old Xuanwu stopped that Li Tian, the old Xuanwu sighed and looked at that Li Tian and shouted: "Little baby, the world is great, only the heaven is great, not evil! You are now being attacked by the devil in your heart. , I hope you listen to the words of the old man, hurry up and calm down, let our four elders help you purify your inner demons, in case you cannot control yourself.

In the voice of the old Xuanwu man, Li Tian, who was standing in the air and exuding **** flames, suddenly burst into laughter.

Ho Ho Ho Ho!

The sound is extremely ugly, piercing people's ears.

The eyes of destruction and slaughter under the bronze mask suddenly emitted endless fierce rays.

"What is heaven? What is Tao?"

"I, Li Tian, complied with the way of heaven all his life, helpless, the way of heaven ruined me, causing my relatives and friends to die one by one? Tell me, what is the great way?"

The terrible roar burst out from Li Tian's mouth.

The moment he said these words, the **** evil spirit emanating from his whole body became more and more serious.

"Little baby, the world is mortal, why don't you forget it? The great way of heaven and earth is in people's hearts and kindness!" The old Xuanwu man continued to persuade Li Tian.

But Li Tian roared: "No!"

"Tian Dao will be in my Li Tian's own hands from now on, hahahahaha."

"From today, I will follow my own way! Gods block the gods, and the Buddha blocks and kill the Buddhas. Even if the way of heaven in your heart blocks me, Li Tian will destroy your way!"

At the moment when Li Tian's hoarse and hellish horrible voice rose, suddenly the murderous aura around him became more solemn.

With a burst of shouts, Li Tian suddenly burst into **** evil spirits in his hands again, and then struck the elder Xuanwu in front of him with a terrifying blow.

The old Xuanwu screamed, his palms suddenly transformed into a "defense" word tactic, and a weird "Xuanwu" totem gradually transformed from the palms of the Xuanwu old man.

To stop Li Tian's blood evil spirit.

"Little Wawa, if you are so obsessed, don't blame the old man."

With a loud shout, the "Xuanwu" totem suddenly swallowed Li Tian's blood evil spirit with a strange inner strength.

Worthy of being a Xuanwu old man for a thousand years.

The skill fruit is truly outstanding.

At the moment when the old Xuanwu man used his destiny "Xuanwu Totem", his vigor gradually suppressed Li Tian's arrogant and ***** breath.

But he said that at the moment when the old Xuanwu used the "Fate Totem", he saw that Li Tian, who was suspended in the air, was not afraid at all.

He just looked at the old Xuanwu man in front of him with the eyes of endless destruction.

Sen Leng's mouth suddenly exudes a weird smile.

Suddenly Li Tian's right palm stretched out suddenly, and then he drew several different strange palms in the air.

The palms are weird and amazing, each palm comes from a different position, and the strength is unprecedented.

But at the moment when Li Tian in front of him suddenly used this extremely rare palm technique, the old Suzaku standing there suddenly exclaimed.

"No, that little baby has really practiced Broken Soul Palm!!!"

Hundreds of years ago, the Wuming clan's dominance of the world, the broken soul.

Now it has been learned by Li Tian, not only that, Li Tian also practiced a Dao Sect's supreme mental method, and also practiced a peerless and invincible sword book.

How powerful is the power of Li Tian now?

To be honest, even the four old men in front of him don't know.

The other three elders saw Li Angel's broken soul palm, and the invisible true energy had already radiated from the three elders' whole body. Although they didn't make a move, they were fully prepared!

The three elders now want to see what level of Li Tian's power has reached, because they can only subdue Li Tian in front of them when they understand Li Tian's true power, so they are just watching.

But he said that at the moment Li Tian used the Soul Breaking Palm palm, the entire space was instantly filled with his endless palm shadow!

In the windy space, the extremely deep thousand-year-old ice wall was smashed and cracked.

Chapter 2500: Punish demons

The broken soul palm appeared, and the world changed dramatically.

The terrible palm strength suddenly shook endlessly towards the old Xuanwu at the moment Li Angel came out.

At the moment when the terrifying palm power hit the "Xuanwu Totem" of the old Xuanwu man's life, the old Xuanwu suddenly felt an unprecedented terrifying force suddenly pressed against him.

And the condensed basalt totem in his hand was shocked by the soul-breaking palm technique and retreated uncontrollably! ! !

"Big brother, the strength of this little baby is too strong."

"It seems that his cultivation has really reached an unprecedented level." The old Suzaku who stood behind the old Xuanwu said there.

The old man Qinglong raised his cold eyes and looked at the situation in front of him, and suddenly the corner of his mouth murmured; "Hey, the fourth child is not his opponent..."

"I think we should make a move."

Following the words of the old man Qinglong, the other old Suzaku and the old white tiger sitting in the black wheelchair also nodded slightly.

They can't delay any longer.

Because Li Tian's extremely powerful soul-breaking palm power has begun to continuously push back the old Xuanwu... and behind the old Xuanwu Situ Ningbing, as well as Ouyang Shiqing and Duanmuying, the three girls have also been taken by Li. The aftershocks that ruined the heavens and the earth made his face pale with palm strength, and there were waves in his chest!

It seemed that they would be shocked to vomit blood at any time.

"Shoot."

Accompanied by the sullen sigh of the old green dragon, the other three elders also all shot at this time.

I saw all the three old men flew up.

The old man Qinglong was the first to bear the brunt. He used one hand to use the word "Tian", and then accumulated a breath of blue dragon in the palm of his hand, and struck Li Tian's front in terror.

And what about the old Suzaku? He attacked that Li Tian from the flanks.

The old man Suzaku was using his "Suzaku beast leaping", a green luan turned out of his palm, and bursts of extreme energy poured from his palms.

And the old white tiger sitting in the wheelchair, the whole person and the wheelchair he was sitting on flew up.

All of a sudden, he flew to the top of Li Tian's head and shouted angrily: "Broken."

The palm fell from the sky and hit the top of Li Tian's head.

The four-year old four elephants shot together.

How spectacular is this?

Facing the three elders from other magic arts attacking together, Li Tian's eyes revealed a cruel killing intent.

With a long roar, Li Tian's body full of blood and flames skyrocketed, and the scary blood suddenly swelled toward all the four old men.

Boom!

The heavens and the earth exploded, and the surrounding thousand-year-old ice was all shattered by the terrifying palm strength of Li Tian and the four elephants.

The entire ice cave was shaking violently.

OMG, Li Tian is one enemy four!

And depending on the situation, he has not been traumatized yet?

I saw Li Tian's body covered in blood and flames, **** and violent spreading out, and the palm strength of the four old men? It was also blocked by the terrifying blood energy about one meter around Li Tian.

They are competing with profound internal strength.

Could Li Tian compete against the four-year-old masterpiece skill with his own internal strength?

In the face of these four old men's surpassing skills, at this moment, although Li Tian was extremely domineering, but the whole body was gradually swallowed by the terrifying power of the four old men.

The combination of the old four elephants is too strong.

It is so powerful that it is indescribable.

At the moment when Li Tian felt that he had been completely restrained by the Sixiang old man, he suddenly screamed and used all his strength to shake the Sixiang old man away.

With a bang, and a terrifying explosion, all the floating ground under Li Tian's feet burst open.

And the Qinglong, Baihu, Suzaku, and Xuanwu elders all backed up.

Li Tian let out a whistling sound. He swished out of his ***** flames and flew away toward the ice passage on the side.

escape?

Li Tian ran away?

After seeing Li Tian a ***** light suddenly disappeared, the old man Sixiang shouted angrily: "Chasing!"

The other three elders nodded silently, and then the four elders followed the blood shadow body of Li Tian and chased outside.

With a bang, a loud noise suddenly rang from the top of the Piaoxue Peak.

Then I saw that from the top of Piaoxue Peak, a huge rock was shattered by a huge palm force, and then I saw endless thousand years of ice rolling down from the top of Piaoxue Peak. Come.

Just at the moment when these rocks and ice cubes rolled down, a terrifying "monster" with blood all over the flame flew out from the top of Piaoxue Peak.

He is that Li Tian.

It turned out that Li Tian smashed the rock on one side of the ice cave and flew out from inside.

At the moment when Li Tian's ***** flame body flew out, suddenly the four figures also chased out from the top of Piaoxue Peak at an astonishing speed.

Four elephants.

At the moment when Li Tian's ***** flame flew over Piaoxue Peak, he suddenly uttered a long roar, and his body was volleyed. Suddenly his whole body was raised up to two feet high, and then flew to the top of Piaoxue Peak. .

And the moment the Old Man Sixiang saw Li Tianfei reaching the top of the Piaoxue Peak, he was flying in the sky and all chased him.

Piaoxuefeng, the peak.

At the top of a rugged mountain with only a few tens of square meters, but seeing Li Tian standing in the middle covered with blood and flames.

The old four elephants are in a square formation, each surrounding that Li Tian.

In the sky, the whistling wind and snow are blowing there.

A terrifying wind and snow blows towards the five of them, but no matter how it blows, the cold wind and snow can never get close to the bodies of the five of them. Within one meter, all of them melted into ice water. .

At this moment, the old man of Sixiang surrounded Li Tian at the top of Piaoxue Peak.

At this moment, their four veterans used a thousand years of peerless skill to deal with Li Tian at this moment.

The wind is blowing.

Snow is falling.

Who wins and who loses?

"Little baby, listen to the old man's words, calmly avoid demons, now it's too late to regret..." The old man Qinglong stood on his back, his gray beard and beard fluttering in the cold wind, looking at Li Tiandao at that moment.

But what about Li Tian?

He has no humanity.

At the moment, he only knew killing in his heart.

"Death, death, death, death, all those who stop me must die." The terrifying and ***** words whizzed out from the corner of Li Tian's mouth.

The moment the old four heard Li Tian's hoarse ***** voice roar from his mouth, all the old four couldn't help sighing deeply.

The old man Qinglong suddenly looked up at the sky, the sky was gray.

"Since God wants my four elders to deal with this little baby...then we have nothing to do with the four elders."

Accompanied by the sigh of the old man Qinglong, the old man Qinglong suddenly said to the other three old men: "Second, third, fourth, prepare to punish demons!!!"

"Today, since we are born crazy, the four of us must work together to subdue him." The old man Qinglong shouted angrily.

The other three elders heard a burst of shout from the old man Qinglong in the wind and snow, and at the moment they all nodded and said, "Yes!"

The Great Array!

The ancient demon suppression formation, now the four old men have to deal with the mutated Li Tian.
