

A Killer 2521

Chapter 2521: No beginning and no end, journey back to reincarnation

Accompanied by the old man Wuji's body was shaken off all of a sudden, fortunately the old man Qinglong caught the old man Wuji in time.

"How? Are you okay?"

The old man Qinglong in front of him looked at his face extremely pale, and asked the hell-like old man Wuji.

The old man Wuji seemed to be in a panic. He stood there for a long time before he reacted. He shook his head and said, "I...I... okay."

The old white tiger sitting in a wheelchair here suddenly looked at the old man Wuji with a smile and asked, "I said earlier, you have to be careful."

The old man Wuji was shocked at the moment.

What happened just now?

No matter how his own skill increases, the light curtain inside the gate of the restricted area also increases sharply... It seems that the resistance changes with the change of his skill!

It's weird.

The old man Wuji can be regarded as having seen a lot of great worlds, but like the weird situation at the gate of the restricted area today, to be honest, the old man Wuji has never encountered it.

Looking at the door to the restricted area that exudes a layer of weird light curtains, the old man Wuji in front of him was stunned.

"I really can't get half a step closer to the gate of the restricted area..." a sentence came out disappointingly from the old man Wuji's mouth.

The Sixiang old man in front of him heard the Wuji old man suddenly revealing a disappointed look, and said slightly, "Actually, you don't need to be disappointed...because the four of us can't get close to the restricted area for half a step. "

The old man Sixiang said with a wry smile suddenly.

what?

When the old man Wuji heard this, he was stunned, and asked in surprise, "Four seniors...you...you can't get half a step closer to the light curtain of the gate of the restricted zone?"

But seeing the old man in Sixiang nodded with a wry smile and said, "Yes."

"The light curtain of the gate of the restricted area is very weird, and there are endless strong resistance inside... Whenever we want to rely on our internal force to approach the gate of the restricted area, we find that this is simply wrong, because the deeper our skill, This terrible resistance will become stronger and stronger. If you can't control your own mentality, this resistance will still eat yourself...so..."

When Si Lao said this, a bitter and helpless smile appeared on the corner of his mouth.

The old man Wuji suddenly understood when he heard the old man from Sixiang said this.

It turns out that this is not the only one of me. It turns out that even these four legendary elders who have lived for thousands of years... can't get close to the gate of the restricted zone half a step away!
!!

This is really a thousand-year secret!

Who can solve it?

...

Piaoxuefeng, the peak.

The snow was all over the sky, and the deep ice layer had completely covered Li Tian and the body of the evil god.

In the boundless snow, Li Tian's figure and the body of the evil **** have long been invisible.

Suddenly, just as the sky was flying in the wind and snow, there was a sudden click. In the deep snow on the left, a pale hand burst out of the snow and ice.

The pale hand grasped, hideous, twisted... the five fingers stretched out, seeming to want to grab something.

Accompanying the moment that terrible hand grabbed it, there was a sudden thunder on the gray sky!

Click!

Thunder strikes directly towards the top of Piaoxue Peak from the air, heaven strike!

It seemed that a person was about to come out of this ice and snow, and this person seemed to be out of the world. Even lightning and thunder were constantly slashing down in the air.

But this day, can you control him?

Do not!

He is coming out.

Accompanied by his ferocious and pale hand, the moment it emerged from the snow and ice, suddenly, there was a loud bang, and the deep snow that had accumulated around it all burst open.

After all the deep snow burst open, a person and a corpse appeared in the world.

The wind began to whistle.

Snow began to fly all over the sky.

Even the thunder and lightning rang above his head one after another.

In the thunder of heaven and earth, he suddenly stood up, holding the frozen body in his hands.

The man is Li Tian.

The body is, Cthulhu.

One person and one corpse, standing tall and empty in the endless thunder.

Kaka, Kaka, the constant thunder sounded violently, and the lightning struck Li Tian's body in a terrifying manner.

But Li Tian's body seemed completely indifferent, and he seemed to be able to withstand the endless thunder.

In the endless thunder and lightning, he suddenly yelled from the sky.

what! ! !

The long whistling sound of hostility penetrates the nine heavens.

The terrible sound seemed to stop the wind and snow, and the thunders stopped flashing. Even a high snow mountain in the distance suddenly slid down like a wave.

There were **** tears in his eyes.

The body trembled between heaven and earth, and the voice was full of endless hatred.

At the moment Li Tian Horror called out, suddenly, an ancient book flew out of his chest.

Tianshu Danjuan.

No one thought that at this moment, the Heavenly Book Pill Scroll that Li Tianhuai had been hiding would automatically fly out of his chest.

When the heavenly book pill scroll suddenly flew up, Li Tian in front of him raised **** tears and looked at the book pill scroll that day, maybe even he didn't know what happened.

The Celestial Book Pill Scroll was opened by the howling cold wind.

Then suddenly the Heavenly Book Pill scroll turned into a ball of shredded confetti, and when the Book Pill scroll suddenly changed into a ball of shredded confetti that day, those dust-like confetti suddenly formed in the air. Words.

No beginning and no end, journey back to reincarnation

Looking at the eight words floating in the air, Li Tian suddenly laughed miserably at that moment.

"No beginning and no end, journey back to reincarnation..."

The eight characters just came out of his mouth.

Then his person seemed to have been baptized at that moment, as if they had changed, even the aura on his body suddenly changed.

He suddenly put down his father's body slowly, standing on the top of Piaoxue Peak, looking at the eight characters floating in the sky: no beginning and no end, the journey back to reincarnation.

"The beginning, the end, the reincarnation, the return,"

"Is Li Tian the only way to forget all the pain?"

A strange sentence suddenly came out of Li Tian's mouth.

He seemed to be moaning, and he seemed to be talking.

Tears of blood dripped down his bronze mask.

Brothers, loved ones, they are dead.

All that is left for Li Tian is pain and hatred.

Is this Li Tian's life? Thinking of everything, Li Tian suddenly laughed.

Laughter is worse than crying, laughter is worse than crying!

Chapter 2522: he came

Piaoxue Peak, in the Frost Ice Cave, the terrifying gate master of hell, no one knows what kind of cultivation he has become, no one knows how terrifying he has become now.

Hearing a loud bang, the ice cave that had hidden the right way, magic way, and ancient secret books for thousands of years exploded.

With an explosion, the master of the gate of ***** came out terribly from inside.

magic.

The completely changed ***** gate master, in the instant he walked out of the exploding ice cave, all the snow and ice under his feet was melted by Ziz.

His body is no longer a pure black demon aura, but a purple-black aura that has never been seen before.

His face was completely invisible, as if all was swallowed by the purple and black magic energy, except for those eyes.

The eyes turned brown, and the light that came out shot into people's hearts, giving people a sense of fear that they had never had before.

Both arms, without knowing why, had a layer of purple-black scale armor, just like some kind of fish, looking at Shenren and scary.

The moment he walked out, his brown eyes looked around fiercely.

Suddenly a terrible word roared from his mouth.

"I have turned a demon, the world, who else can fight me?"

His mouth was open, and an endless purple-black horror aura spurted from his mouth.

Is he still human?

Just as he roared this sentence, his brown eyes suddenly saw the bottomless black hole in front of him.

Isn't this black hole the gateway to the restricted area at the bottom of Piaoxue Peak? Unexpectedly, it was discovered by this terrible guy.

After seeing the passage leading to the gate of the restricted area, the master of the gate of ***** suddenly flashed, the purple-black devilish body, even though he jumped out of this huge black hole.

...

At the bottom of Piaoxue Peak is the old man Sixiang and the old man Wuji.

At this moment, they were all looking at the door of the restricted area with weird light curtains in surprise.

Suddenly, the head of the old man Qinglong noticed a surging weird aura all over his body, getting closer and closer to them.

At the moment when he felt the weird aura, the old man Qinglong turned his head and shouted: "Second, third, fourth, it seems that a demon is approaching us."

After hearing the words of the old man Qinglong, the old Xuanwu man, the old white tiger, and the old Suzaku all turned their heads.

Because at this moment, they all felt the surging hostility.

"Here, he's coming from above." A word slowly came out from the mouth of the old white tiger who was sitting on the wheelchair.

At this moment, the old man Wuji turned his head quickly, and looked at the bright space illuminated by the light curtain of the gate of the restricted area with his carefully surprised eyes.

Suddenly, a purple black magic shadow flew down from the uppermost black hole.

His people did not fall on the ground, but were suspended in the air at this moment, and he was surrounded by purple-black aura. He couldn't see that face at all, only his brown pupils could be seen.

The master of the gate of hell.

"Found it, finally let me find it."

"The gate of the forbidden zone, is this the gate of the legendary forbidden zone?" At the moment when the master of the gate of **** was suspended in the air, a cloud of magical energy spurted from his mouth, looking at the flickering light. The door to the restricted zone of light is there.

What about the old four elephants here?

The cold eye mask had been raised and shot on the body of the master of the gate of hell.

"It's him? Is it the wicked man who was thrown down Piaoxuefeng by me?" The old Xuanwu not only said slightly surprised after seeing the figure of the **** gate master.

What about the old man Wuji? It was also recognized at this moment.

"Niezi? It turned out to be you?"

"You...you..." The old man Wuji was full of anger, but didn't know what to say.

But what about the master of the gate of hell? Suddenly he laughed wildly.

"Do you think I died like this?" The master of the gate of **** suddenly snorted coldly.

Then he said: "What a pity, what a pity, the sky will never destroy me, and the **** will not accept me..."

Just after the **** gate master suddenly said such terrible words, the old four elephants could see that this guy's skill was even more terrifying.

The old man Qinglong looked at the **** gate master whose body was full of purple and black aura, and suddenly sighed: "It looks like this thief has broken into our library."

"If I didn't guess wrong, he should have practiced those ancient... magic skills."

Listening to the old man Qinglong saying so, the other three old men also nodded slightly at this moment.

The old Suzaku, who was standing on the other side, suddenly said again: "Moreover, this thief is not practicing a secret book. Presumably this person is not righteous and insatiable. He has practiced all the magic secrets... "

The old man Qinglong sighed slightly: "The human heart is sinister, and sooner or later there will be retribution."

"And today, could it be his retribution?"

The old Sixiang sighed slightly here.

What about the master of the gate of hell? Hearing these four elders suddenly here, you said, I said, suddenly yelled out in anger.

"You four immortal things, dare to point in front of the deity?"

"Don't you want to live anymore?"

Hearing the **** gate master arrogantly said this, the old man of the four elephants suddenly smiled slightly, as if he didn't care.

"Brother, let's do it."

"Conquer this villain..." The old Vermilion bird on one side raised his head slightly and looked at the old green dragon in front of him.

But what about the elder Qinglong? But suddenly he shook his head weirdly.

After seeing the old man Qinglong shook his head, the other three elders were not only startled...

Just when they were feeling extremely surprised in their hearts, suddenly they saw a smile suddenly appeared on the corner of the old man's mouth...

"It seems that there is no need for the four of us to do it." A weird sentence came out of the old man's mouth.

When the old man Qinglong said these words in surprise, the other three elders in front of him not only looked at the old man Qinglong with wonder.

"Big brother, what do you mean?"

"Don't you need the four of us to take action?" The old Xuanwu asked.

The old man Qinglong nodded with a strange smile and said, "Yes."

"Because the one who subdued this villain was not us...but him, he has already come."

As the old man Qinglong said these words slightly, he suddenly raised his eyes, with a weird smile at the corner of his mouth, looking at the underground passage.

A terrible **** anger came from far and near, too strong, too shocking.

Chapter 2523: Last battle

Even the terrifying ultimate demon, the master of the gate of **** felt the surging **** breath at this moment.

After feeling the incomparable vitality, the master of the gate of **** suddenly looked back.

Behind him, I don't know when, a few figures stood.

The middle one is him!

Li Tian.

By his side, still pulling his favorite three girls, Situ Ningbing, Duanmuying, and Ouyang Shiqing.

They are all here.

When did Li Tian come down?

When will it reach behind him?

Why would the master of the gate of **** not notice it?

Could it be... Could it be that... this Li's kung fu is better than me? The master of the gate of **** was spinning in that fast mind.

Of course he would not know. From the moment he just appeared from the ice cave, Li Tian felt his devilish energy. After feeling his devilish energy, Li Tian pursued it, but just happened to be here. When following, he saw his favorite girls...At that time, the three girls Situ Ningbing, Duanmuying, and Ouyang Shiqing were all freezing as if they were about to die. Li Tian was helpless with his internal strength. Recovered a bit, and then brought a few girls down from above

At this moment, Li Tian, with a bronze mask on his face, couldn't see the expression on his face clearly, but from his bloodthirsty and hateful eyes, he could also feel his anger.

"Little Doll?"

"Li Tian..."

The Sixiang old man and the Wuji old man over there not only yelled out their voices the moment they saw Li Tian.

But he said that Li Tian stood there motionless, but looked at the master of the gate of **** with extremely cold eyes.

What about the master of the gate of hell? To be honest, I didn't see Li Tian at first glance, not only because of the bronze mask on Li Tian's face, but also because he was shocked by Li Tian's domineering aura.

He didn't expect that the guy who would be pinched to death by one of his own hands would now change to such a terrifying point.

"The kid surnamed Li... I didn't expect you to show up?"

"Hahaha, you **** with a hidden head and tails, finally dare to show up?" The **** gate master said with a big smile at Li Tian.

Li Tian listened to his voice without saying anything.

He just turned his head slightly and said to the favorite girls around him: "Ningbing, Shiqing, Ying, you know what to do..."

Following Li Tian's low-pitched words, Situ Ningbing and the other three girls nodded silently, and then the three stood behind Li Tian.

"Li Tian, kill him! Kill that cruel beast." After retreating, Situ Ningbing suddenly faced Li Tiandao.

That Duan Muying gritted her teeth and said to Li Tian: "Yes, Li, kill that villain! Revenge for everyone who died."

"kill him."

"kill him."

A roar came from the mouths of the three girls.

Li Tian slowly turned around that cold-blooded face, and then looked at the master of the **** gate.

A few cold words finally came out of Li Tian's mouth. He raised his cold eyes and looked at the **** gate master in front of him: "You, deserve, die,"

Three short words.

It's cold and ice.

The master of the gate of **** heard that Li Tian said, and suddenly laughed wildly.

"Only you?"

Li Tian said coldly: "Yes, just me."

"You don't know how to live or die, dare to talk to the deity like this? Well, since you want to die, I will fulfill you."

"Brothers I have killed, relatives, even you are killed today."

The **** gate sect master who had finished speaking violently suddenly flew towards that Li Tian.

Unable to see his figure movement clearly, the only thing he saw was that several demon shadows suddenly all attacked Li Tian.

The battle for the end has finally begun.

Everyone started to back up, whether it was the old man Wuji or the old man in the four elephants, all backed up.

But he said that with the **** gate master's first shot, Li Tian also shot.

Both hands suddenly drew a blood-colored circle in the air, and then lifted the palm of the hand, and the blood-colored circle burst out with a burst of blood, and then blasted towards the purple-black demon of the **** gate master with a "boom".

When two terrible forces hit each other.

puff.....

I saw a huge aperture of vigor that was shocked.

What about Li Tian? At this moment, he rushed towards the **** gate master with a thunderous body, his palm drew a void palm in the air, and then his left hand directly used the peerless sword technique.

A palm, a sword, a vast blow to the master of the gate of hell.

At this moment, the master of the gate of **** made a great Prajna Longxianggong to resist, and with a click, the sky-shaking voice violently flashed in the space.

Can't see them clearly.

Can't see their movements clearly.

The only thing that can be seen is their two earth-shaking energies spinning fast.

"God of Destruction!"

Suddenly the master of the gate of **** used the peerless magic skills he had cultivated in the library. This miracle finger refers to the peerless **** of the Great Demon, Chiyang Old Way in the last years of the Sui Dynasty

The power of this miracle finger can be described as the most powerful magic power in thousands of years. The moment the miracle finger was used, the master of the **** gate suddenly transformed a few finger tips, and then swish, swish, swish The black rough devilish **** fingering shot towards Li Tian.

Li Tian didn't evade without flashing, with the Absolute Sword in his hand, suddenly the invisible sword aura pointed at all the Destroyed Gods that had been shot.

The sect master of the **** gate saw that the goddess finger could not hurt Li Tian at all, and then used it again, Lotus Shadowless Hand.

In the purple-black devilish energy, the countless palms that were turned out all hit Li Tian.

Li Tiankuo stayed still, sitting and closing like one.

Suddenly, the blood-colored energy of the body suddenly rose from the body spontaneously, forming a powerful blood-colored screen, blocking the offensive of the **** gate master with a bang.

It seems that no matter what terrible magic power this **** gate master uses, he can no longer harm Li Tian at this moment.

"The little baby is finally made." Suddenly a word of comfort came out of the old man Qinglong, the head of the four elephants, he said with relief while watching the situation in front of him fighting.

The old white tiger sitting in the wheelchair over there also said slightly, "Yes."

"That demon, although he has countless peerless magic skills, but he has forgotten the most important point, the world martial arts, the work is created by humans, no matter what kind of martial arts, it is done by humans. Great evil, greed, murder, no good results after all."

"Evil is invincible!"

The elder Qinglong beside him suddenly smiled and nodded and said, "En."

"This battle is almost over." The old man Qinglong said last.

The other three elders in front of me all agreed slightly, "Yes."

Chapter 2524: I kill him

The battle continued.

Everyone is there watching this thrilling battle.

The master of the gate of **** used his whole body power like crazy to deal with that Li Tian.

But no matter what terrifying skill he used, the purple-black devil energy reached Li Tian's side and was invisibly dissipated.

"How could this be?"

"Why can't I hurt this **** Li Tian after practicing so much magic?"

The master of the gate of **** who screamed like crazy suddenly yelled terribly.

He yelled unwillingly, roaring sharply.

"Do not!"

"It can't be like this."

"The kid surnamed Li, I'm going to kill you."

The **** gate master who roared madly attacked Li Tian again.

Li Tian was covered with a **** light curtain, and suddenly when the **** gate master was bullying him, his palms opened wide, and a powerful palm power descending from the sky slammed toward the **** gate master.

There was a boom.

The body of the master of the gate of **** was knocked out by Li Tian's palm.

With a plop, his body suddenly smashed a huge stone pillar, and clicked, the huge stone pillar broke and fell from the air.

Lost!

The master of the gate of **** finally lost.

At this moment, everyone raised their eyes and looked at the situation with satisfaction, and looked at the painful **** head that fell on the ground.

But see the master of the gate of hell?

His brown pupils were open there, and a face that had already been swallowed by all the devilish energy was violently and distorted.

"No, impossible, I can't lose..."

"How could I lose? Hehehehe..." This **** gate master suddenly seemed crazy.

His hair was dangled, and the purple and black magic energy all over his body became messy in an instant.

The old man of Sixiang looked at the "crazy" doormaster of the gate of **** and suddenly muttered, "His heart is completely occupied by the devil."

"Yes, he's crazy." The old white tiger sitting in a wheelchair also muttered while looking at the strangely smiling door of hell.

"Multiple acts of injustice will lead to death, maybe this is his retribution." The old man Qinglong said slightly at last.

The master of the gate of **** is indeed crazy.

He kept smiling weirdly, the terrible devil qi in his whole body was messed up all over, and the purple and black devil qi surrounded his whole body.

At this time, Li Tian suddenly stepped towards the **** gate master step by step with extremely terrifying killing intent.

"You deserve to die."

"You bastard, it's finally time to pay all the blood debts you owed..."

Li Tian spit out angry words coldly.

After he said these terrible words, he approached the gate master of **** like a **** of death.

The **** gate master, when he heard Li Tian's words, suddenly turned his face and looked at Li Tian, the brown pupils were filled with a strange light.

"What are you talking about...who are you?" Suddenly the **** gate master began to talk nonsense.

His sanity seemed to be unclear, and he fell to the ground, looking at Li Tian and asking.

Li Tian knew that this demon's mind had been completely exhausted, so he just walked towards him step by step with a step full of killing intent.

"Do I... know you?" The master of the gate of **** was talking nonsense again.

Then there was that weird miserable laugh.

"I remember, I know you, you are the **** Li Tian...you are the wicked son of Father Li Kua." Suddenly the master of the **** gate became sober in his mind.

"The deity will kill you and send you father and son to **** to reunite."

The roaring **** gate master did not expect to attack Li Tian suddenly.

Seeing the main attack of the gate of hell, Li Tian suddenly used the Absolute Sword Sword Art in his left hand, an invisible giant sword turned out of his hand, and with a swish, it shot directly at the gate of hell.

But he did not expect that the master of the gate of **** did not fly by at this moment.

He just flew backwards at the moment when he was flying, and flew towards the old man Sixiang.

What is this **** gate master doing?

The Sixiang old man also felt slightly startled by the sudden change, and then quickly took out his palm.

The master of the gate of **** used the blood Rakshasa skill to block the terrible blow of the old four elephants, and then took the peerless Xuanyuan sword on the back of the old Xuanwu man with his right hand!

It turned out that this **** gate master turned out to be for the last relic of ancient times: Xuanyuan Sword.

He saw that Xuanyuan Sword was behind the old Xuanwu man, so he used the technique of slamming it.

This trick is really useful.

Even though the old Xuanwu man was so powerful, he didn't expect that this **** gate master would be so treacherous just now when he was "insane". He was a little careless now.

But seeing the Xuanyuan sword on his back was snatched by the master of the **** gate.

With a clang, Peerless Dragon Yin, a Xuanyuan sword carved with a flying dragon, suddenly came out of its sheath with cold light.

The old Xuanwu man saw that the master of the **** gate had snatched his Xuanyuan sword. He shouted angrily. The robe on his body had no wind, and his palms directly used: Xuanwu totem, and then hit the master of the **** gate. .

He was angry.

But when he hit it, the Xuanyuan sword in the hands of the master of the gate of **** slashed to the sky.

A golden ray of terrifying sword energy suddenly slashed towards the old Xuanwu.

The old Xuanwu man, seeing the terrifying sword aura that was extremely powerful, knew that he couldn't handle this move, he could only snorted at this moment, took away the Xuanwu totem in his palm, and dodged himself.

This Xuanyuan sword is an ancient weapon.

The power is naturally very powerful.

So after the **** gate master of this meeting got Xuanyuan Sword, the face of the old man of Sixiang became ugly.

"This villain is really treacherous!"

"Isn't he crazy just now? How could he...like this?" The old man Bai Hu said with an angry expression.

But seeing the old man Qinglong said: "Maybe, he is pretending to be crazy!"

"This treacherous thief! Big brother, let's take him!" The old Xuanwu roared.

At the moment when the old four elephants were about to make a move, all of a sudden, only Li Tian made an exit.

"Do not!"

"Today, no one should take action. He, only I can kill!" A cold word came out of Li Tian's mouth. Li Tian said as he put his finger on the master of the **** gate.

After hearing Li Tian's words, the Sixiang old man in front of him glanced at Li Tian.

The old man Qinglong thought for a while and said: "Well, we will only watch the battle today, not make a move."

After speaking, I really saw the old man Qinglong, with the old white tiger behind him, Suzaku and Xuanwu, the four of them slowly retreated back.

Chapter 2525: The death of a demon

The **** gate master in front of him was holding the ancient Xuanyuan sword.

He raised his brown eyes there, smiling wickedly.

"The kid named Li, don't you know that you are dead? Do you think I'm really crazy? Do you think you can really beat me?"

"Now, Xuanyuan Sword is in my hand, I see how you won me!" The demon laughed wildly there.

Li Tian just raised his murderous eyes and stared coldly at the master of the **** gate, and he didn't bother to say a word.

He just wants to kill, not to talk nonsense.

"Today, I will let you, **** kid, taste the power of Xuanyuan Sword."

After the **** gate master finished speaking, the coldly radiant Xuanyuan Sword in his hand suddenly uttered a "buzzing" sword sound, and then Xuanyuan Sword made a move of the blue rainbow to pierce the sun directly towards Li Tian.

The cold sword aura seemed to suffocate the air at the moment of the move.

Xuanyuan Sword is indeed China's first sword.

Seeing this Xuanyuan sword stabbed towards Li Tian, Li Tian suddenly moved, and then dodged over. In the moment he dodged over, two energies suddenly appeared in his hand.

Whizzing.

Two energies shot directly at the body of the master of the gate of hell, the master of the gate of hell, blocked with a horizontal sword, warehouse, warehouse!

Xuanyuanjian directly blocked Li Tian's energy with the blade.

After blocking the block, the master of the gate of **** stabs three swords again, each of which is extremely deadly, stabs towards Li Tian.

Li Tian didn't have a weapon at the moment, and the Xuanyuan sword was an ancient weapon, so he didn't dare to be careless at all, so he could only dodge.

While dodging, while looking for opportunities, he burst out his palms.

Gradually, you can see that the master of the gate of **** has gradually gained the upper hand.

After taking the Xuanyuan Sword, the master of the gate of **** really felt a little overwhelming.

The Sixiang old man standing next to him had a slightly worried expression on his face, and at the same time, his energy had begun to accumulate... They were ready to support Li Tian at any time.

Xuanyuanjian's sword aura reverberated horribly all around.

With every sword, Li Tian was forced to retreat again and again.

Hiss...

One didn't pay attention, but seeing the Xuanyuan sword in the hands of the master of the **** gate, a sharp sword aura struck Li Tian's arm.

Li Tianzhi felt a tingling in his arm, and the blood on his arm suddenly dripped drop by drop.

Seeing that Li Tian was injured, the old Sixiang was shocked and ready to take action. Situ Ningbing, Duanmuying, and Ouyang Shiqing were also worried about Li Tian, and not only screamed there.

"Li Tian..."

But at this moment, I saw that Li Tian, who was seriously injured, suddenly didn't evade and flew over to the **** gate master.

Seeing Li Tian flying here, the master of the gate of **** sneered, "Come well, die."

With a roar, he suddenly held Xuanyuan Sword in his hand, and a sword smashed towards Li Tian's head.

The sword stroke was fierce and domineering, and Xuanyuan Jian slashed towards Li Tian with Dragon Yin Jue.

But what about Li Tian? Seeing that Xuanyuan Sword, he slashed towards him with a single sword, but he didn't even dodge, but the whole body accelerated, suddenly his hand was in the air and transformed into a catch, with his right hand directly into the palm.

The sturdy palm first shook the blade of the Xuanyuan sword, and then slammed with his right hand, and suddenly caught the hand of the **** gate master holding the Xuanyuan sword.

The huge blood strength suddenly spread to the arm of the **** gate master.

The master of the gate of **** never expected that Li Tian's body skills were so fast, and that the strength of that palm actually blocked his Xuanyuan sword, and at this moment his right arm was caught...

Ah, a pain roared out of his mouth.

There was a cry, but seeing the peerless Xuanyuan Sword in his hand, it suddenly fell from his hand.

The moment Xuanyuanjian fell, Li Tian flew a kick and kicked directly on the body of the master of the **** gate. The body of the master of the **** gate was kicked and flew out.

Then Li Tian jumped forward and directly reached out his hand to catch the Xuanyuan Sword that had fallen from the **** gate master.

The situation was reversed instantly!

Never thought that Li Tian, bare-handed, would grab the ancient Xuanyuan Sword in an instant.

The moment the Xuanyuan sword was held in Li Tian's hands, the cold light became more vigorous, and at the same time the two flying dragons on the sword's blade radiated more and more light.

It seemed that this sword was tailor-made for Li Tian.

"Okay, great."

Seeing Li Tian suddenly reverse the situation here, everyone could not help but happily said.

Even the old man Wuji had an attitude of killing his own son.

"Xiao Litian, kill that evil man!" the old man Wuji roared.

"Li Tian, kill him..."

"Kill him." Situ Ningbing and Ouyang Shiqing also yelled there.

They are all going to kill the master of the gate of hell.

The moment the Xuanyuan sword in the hands of the master of the gate of **** was snatched by Li Tian, his whole person seemed crazy. He would never believe that he had obtained the ancient Xuanyuan sword and still could not defeat that Li Tian.

why?

Why is this happening! ! !

"The kid surnamed Li, I played it with you."

The sect master of the **** gate who roared wildly could no longer hold back the anger in his heart, and suddenly rushed towards Li Tian.

Li Tian raised his cold eyes and looked at the master of the **** gate, and suddenly muttered in his mouth: "It's time to end!"

As soon as the words came out, the whole person flew straight up, and then the Xuanyuan sword in his hand turned into a huge sword net, the entire Xuanyuan sword turned into an endless sword net in the space, and then the flying swords all faced the gate of hell. The body of the Lord flew.

what!

The master of the gate of **** was already completely mad at this moment, he flew towards Li Tian desperately regardless of Jian Wang.

Whoosh, whoosh, whoosh!

Puff puff!

A series of extremely cold and powerful sword energy penetrated the body of the master of the **** gate, his body, feet, and hands were all endless blood holes.

What about Li Tian?

Also at this last moment, there was a sudden roar, and the Xuanyuan sword in his hand thundered and plunged into the body of the **** gate master.

Blood was sprinkled in the air.

The master of the gate of ***** looked at his body covered with blood, and at that moment, his body shuddered suddenly.

A pair of hands stained with his own blood, clinging to Li Tian's shirt...

His mouth was open... as if he wanted to say something... but he couldn't.

I saw that the endless demonic energy on his body began to slowly dissipate...He was going to die.

Chapter 2526: Open the door to the restricted area

What about Li Tian, whose sword pierced his body?

The eyes became blood pupils. .

Lifting the killing eyes and looking at the ***** gate sect master who was finally about to fall in front of him, he suddenly raised his head and shouted: "You dog thief, this sword is for Xiaolong." puff!

Xuanyuanjian pulled out, and then stabbed it into the chest of the ***** gate master again, and the blood shot.

"This sword is for no trace."

puff! puff! puff! puff!

"This sword is for Qiao Zhi."

"This sword is for the ghost servant!"

"This sword is for...Dugu..."

He blushed.

He used that ancient Xuanyuan sword to puncture the body of the master of the ***** gate like a hornet's nest... His body was completely rotten.

In such a cruel situation, even the old four elephants were chilling.

Next to Situ Ningbing, Ouyang Shiqing, and Duanmuying, when they saw Li Tian's sword pierce into the body of the ***** gate master, to be honest, their hearts suddenly hurt. , Can't bear to look.

What about the old man Wuji?

He had already turned his old face, and in his muddy eyes, suddenly a few tears flowed down from the face of the old man Wuji.

Does this legendary old man shed tears for that evil son? Or for something else?

"The last sword is for my parents!!!"

"go to hell!"

Li Tian, who roared violently, suddenly looked up to the sky and slashed directly on the head of the ***** gate master who was already kneeling on the ground and covered in blood.

boom! ! !

The terrifying ancient Xuanyuan sword slashed the body of the master of the **** gate with a single sword!

Limb separation!

The great villain of a generation finally died, under Li Tian's Xuanyuan sword.

Time seemed to stand still at this moment.

Everyone was looking at Li Tian who was covered in blood at this moment while holding his breath.

But what about Li Tian? He finally avenged his great revenge. At that moment, he stood in a pool of blood, his blood pupils and eyes tremblingly looking at the fragmented corpse of the master of the gate of hell, suddenly the Xuanyuan sword in his hand "croaked." A sound fell from his hand.

Then fell in a pool of hideous blood.

After that Xuanyuanjian fell to the ground, Li Tian suddenly knelt on the ground with a thump of his legs.

After kneeling on the ground, he suddenly yelled from the sky: "I have revenge!"

"Father, Mom, Xiaolong, Qiaozhi, Wuhen, Ghost Servant, Dugu... I finally avenge you!"

A roar cut through the sky.

The harsh sound made everyone present feel shocking!

There, Situ Ningbing, Duanmuying, and Ouyang Shiqing, who loved him so much, saw Li Tian kneeling in a pool of blood, tears falling, and suddenly couldn't help running towards Li Tian.

"Li Tian!"

All three of them ran over and hugged Li Tian, who was covered in blood, tightly together!

They found that Li Tian's body was so cold and trembling.

Where is the Sixiang old man over there? Seeing Li Tian finally beheading the demon, a slightly relieved expression gradually appeared on his face.

...

Just when everyone was grateful for Li Tian's killing of the devil, no one noticed that the gate of the forbidden area was exuding weird blue and gold. Suddenly, there was a loud noise from heaven and earth!

Along with the sound of "rumbling" from the light curtain of the gate of the restricted area, the whole cave suddenly resembled an earthquake, shaking suddenly!

When there was such a shocking change, everyone was not only taken aback!

The old man Sixiang quickly turned his face and looked at the light curtain of the door to the restricted area that was getting more and more shining...

The old man Qinglong suddenly muttered: "Vision!"

"The gate of the restricted area, there is a vision!"

As the old man Qinglong said so surprised in his mouth, the three elders in front of him also opened his eyes wide and looked at the increasingly brighter: the gate of the restricted area.

The old man Wuji here quickly turned his face and looked at the door of the restricted area.

Even Li Tian, who was kneeling on the ground covered in blood, slowly turned his eyes at this moment and looked at the weird gate of the restricted area.

"Oh my God, what is that?" Situ Ningbing in front of him stared at the door of the restricted area with blinking surprised eyes.

The old man Wuji hurriedly said: "That is the legend of a thousand years, the gate of the forbidden zone."

"What? The door of the restricted area?" When the three girls heard the moment, their beautiful eyes widened, and they looked at the door of the restricted area that exuded strange light with a pair of unbelievable eyes.

Everyone was looking at the door of the restricted area that exuded a fierce light curtain.

Suddenly at the moment when all of them were looking at the gate of the restricted area, suddenly, the "Ancient Xuanyuan Sword" that had fallen in a pool of blood suddenly uttered a dragon chant at this moment.

Li Tian was taken aback, and quickly turned around to look around.

But seeing the Xuanyuan sword that he had just thrown away, it flew out of the pool of blood automatically.

At the same time, a strong golden light burst out of the entire Xuanyuan sword.

"What's going on?" Li Tian murmured in shock at the moment.

Just as he said these words, he suddenly saw that the Xuanyuan Sword's blade suddenly split apart strangely, and at the moment of splitting, roar... a terrible howling sound came out.

But seeing that the two flying dragons originally carved on the blade of the Xuanyuan Sword were completely transformed into two golden flying dragons.

At the moment when Xuanyuanjian suddenly turned into two flying dragons, the four old men of the elephants were all startled!

Then one by one opened his eyes wide to see...

Suddenly I saw the two flying dragons hovering around Li Tian. Li Tian was shocked!

He tightly grasped the three scared girls around him with both hands, and then looked at the two flying dragons hovering around him, and at the same time the terrifying energy in his body had completely condensed.

As long as these two flying dragons dare to attack him, or attack Situ Ningbing and them!

Li Tian will definitely make a move!

However, unexpectedly, the two flying dragons with golden light did not attack Li Tian, but circled around Li Tianzhou's body. Suddenly, with a whistling sound, the two flying dragons directly faced the huge gate of the restricted area. The light curtain flew away.

That huge light curtain has extremely powerful blocking power!

The old Wuji had tried it personally... and almost got shocked...

But at this moment, seeing those two flying dragons, they flew into the light curtain of the gate of the restricted area!

Flew in...

After the two flying dragons flew into the light curtain of the gate of the forbidden zone, suddenly a loud "rumbling" sound came again!

At the door of the restricted area, a white light suddenly shone out.

The light is like the sun...not like...too dazzling...too dazzling!

Chapter 2527: Escape into the void

The terrible white light made it impossible for anyone to open his eyes.

Even Li Tian couldn't help turning his head at this moment. The old man Sixiang and the old man Wuji had pain in their stabbed eyes, and turned around.

Shoo!

Suddenly, a huge suction came from the direction of the gate of the restricted area, and the white light also became more dazzling and dazzling at the same time! !

That powerful suction seemed to swallow everyone in front of you.

The broken stones and ice cubes were all sucked into the dazzling white light.

At the moment when he felt the horrible suction, the old Sixiang man in front of him was taken aback: "Be careful, everyone! The door to the restricted area has opened...Don't be sucked in!"

While screaming in his mouth, the old man of the four elephants hurriedly used the skill of a thousand jinshang, and then his feet were stuck in the cold rock!

The Sixiang old man didn't know what was behind this horrible forbidden area door... So even if the real forbidden area door was opened, they didn't dare to be sucked in rashly, so at this moment they could only remind the old man Wuji, Li Tian

The old man Wuji was also sucked horribly by the gate of the forbidden area at this moment, and he was sucking back and forth. He was about to be sucked into the gate of the forbidden area. The huge rock... forcibly blocked the huge suction force.

And what about Li Tian here?

When the horrible suction came, he quickly grabbed the wooden cherry tree with one hand and the Ouyang Shiqing with the other hand! After all, the skills of the three girls are simply not enough to withstand the terrifying and powerful suction

But what about Situ Ningbing?

Li Tian only has two hands! ! ! Two hands can only hold two women whom he loves deeply. What should I do if there is another woman?

Seeing that Li Tian used his internal force to pull Duan Muying and Ouyang Shiqing, who were all floating in the sucked body, but seeing that Situ Ningbing was suddenly sucked up by the horror, he flew into the air.

what.....

With a scream of surprise, Situ Ningbing's body was sucked in terror, and suddenly flew towards the white light curtain of the door of the restricted area.

"Ningbing, be careful!" An exclamation came from Li Tian's mouth.

Fortunately, Situ Ningbing grabbed Li Tian's back all of a sudden...At this moment, her delicate body was sucked and floated, and his hands firmly grasped Li Tian's back!

"Ningbing, hurry! Must hurry!" Li Tian yelled in horror.

He can't let go now, because once he let go, Duanmuying and Ouyang Shiqing here will inevitably be sucked in by the gate of the restricted area!

But if he doesn't let go, then Situ Ningbing can't bear the horrible suction force!

Both of her hands were already shaking... her delicate body was sucked and floated in the air...

"Grab! Ningbing, grab me, don't let go." Li Tian roared there.

His tears were about to fall anxiously!

But there was no way to catch the poor Situ Ningbing.

What about Situ Ningbing?

She knew that she couldn't support it anymore, her hands no longer had the strength... and the suction of the gate of the restricted area was getting stronger and stronger!

"Li...I can't hold it anymore!" Suddenly a faint voice came out of the beautiful Situ Ningbing's mouth.

Qing tears slid down from her beautiful face like a fairy.

"Do not!"

"Do not!"

"Ningbing, hold on to me... hold on to me..." After Li Tian heard Situ Ningbing's voice, he felt as if a knife was cutting himself deeply.

Duanmuying and Ouyang Shiqing, who were grasped by Li Tian, also shouted at that moment: "Sister Ningbing...Don't let go! Don't let go!"

But what about Situ Ningbing? After hearing the words of Li Tian and the other two girls, a bitter smile suddenly appeared on the corner of his mouth.

Her arms were already numb.

She couldn't support it anymore.

The horror of the gate of the restricted area has become stronger and stronger.

"Lee...I can't do it! Really..."

"Thank you, I can meet you in my life...I...I...I...I'm satisfied."

"I always thought that when I...live...time...can accompany you...but...but...I didn't expect...God's will make people..."

"Li! You have to take good care of yourself, take good care of Sakura, and Sister Poem..."

After Situ Ningbing said these words, her beautiful eyes suddenly closed slightly, and then her numb hands loosened Li Tian's back slightly!

With a swish, her body was sucked in by the terrifying door of the restricted area!

"Do not!"

"Do not!"

"Do not!"

Li Tian's blood and tears flowed out.

"Sister Ningbing!" When Mu Ying and Ouyang Shiqing saw Situ Ningbing let go, they couldn't help but cried out. The hoarse cry was so heartbreaking.

Suddenly I saw Li Tian screamed crazy, and suddenly grabbed Duanmuying and Ouyang Shiqing in his hands, and then exhausted all the internal strength of his body to push the two girls forward suddenly!

The soft palm strength pushed Duanmuying and Ouyang Shiqing's delicate body forward and forward...

"Ying, Shiqing, I'm sorry! I can't leave Ningbing! Even if I die, I will die with her!"

After saying these words, Li Tian actually used Duanmuying and Ouyang Shiqing to use his peerless internal strength to shook their bodies outside the suction area of the gate of the restricted area... and then the whole person welcomed them. With the white light of the door of the restricted area, he flew in suddenly!

He saved Duanmuying and Ouyang Shiqing, but accompanied his favorite Situ Ningbing and was sucked in by the white light of the gate of the restricted area.

"Li Tian..."

Li Tian, who was sucked in by the white light of the door of the restricted area, could only hear the screams of the women he loved...and the exclamation of the old man Wuji and the old Sixiang.

Then the terrible white light shook violently, and he seemed to feel that his body was trapped in an endless light curtain vortex!

Then began to fall...falling...

As if falling into endless darkness!

Then there was a bang, a huge white light flashed suddenly, and Li Tian only felt dizzy right now! Then there was no more consciousness!

Burial for love!

Perhaps Li Tian is dead, and Situ Ningbing is also dead, but who can unlock the secret behind the gate of the restricted area?

Who knows that among the largest snow-capped mountains in the world, there is such a secret that has been hidden for thousands of years.

Chapter 2528: New legend

The white light of the gate of the restricted area disappeared!

The world seems to have stopped at this moment.

Li Tian didn't have any intuition, no consciousness, there was nothing in his mind except for his favorite Situ Ningbing.

...

On a vast expanse of grassland, I saw high peaks and mountains all around.

Those towering old trees one after another, very thick and thick, and occasionally a group of weird birds and beasts can be seen flying through the jungle.

The sky here is exceptionally blue, and the air here is exceptionally fresh.

It seems that this world is completely different from the earth.

I saw that just above such an endless field, a group of shirtless, like slaves suddenly came from a distance.

I looked closely, but I saw that the leader was a woman, but this woman was dressed very differently.

She wore a brown leather armor with brown hair on top of her head. She had a pair of cold and venomous eyes on her beautiful face, especially the bone necklace hanging around her neck.

There was a bronze scimitar in her waist, and a green gem was inlaid on the handle of the scimitar! It looks very dazzling.

At this moment, she is riding that white horse, galloping across the vast wilderness...

Wild and sturdy.

Two burly men followed behind the woman.

A very dark complexion, a huge bald head, with a handful of hair in the middle, holding a sharp machete in his hand, closely following.

On the other side was a thin man with a weird white figure. His hair was messy, he looked dirty, his eyes were amazing, and he followed closely on a black steed.

Behind them, a total of 67 guys in armor followed closely, all of them holding weapons.

These 67 armored warriors are behind a bunch of 34 shirtless and dirty men tied by chains!

These men are like slaves, strung together with heavy chains, and then pulled by a soldier!

They just ran behind on foot, with blood marks on their bodies that had been drawn by a whip.

Who is this group of people, such a group of guys?

Why is it not in modern society?

And like... someone from another world! ! !

"Taylor, hurry up, it's getting dark, we have to get back to Stormwind City as soon as possible!" The woman in front suddenly yelled at the hairy man behind.

Stormwind?

The brawny man at the back, with a slightly tired look on his face, shouted, "Miss Elena, let's take a break! We haven't had a rest since yesterday. Brothers seem to be unable to run."

"Besides, the slaves who were caught seem to be going to die soon...If this afternoon, I am afraid that our business will be done for nothing!" The strong man with a bunch of hair on his head suddenly said there.

Hearing that a bunch of hairs at the back, the woman with a loud skeleton on her neck, stretched out her hand to grab the rein in her hand, and the white horse under her crotch made a long cry! Then there was a pause.

She glanced with a pair of cold eyes, the tired subordinates behind her, then frowned slightly.

"Well, everyone will rest here for a while."

As he spoke, he jumped off the snow-white horse abruptly.

After she said that, the soldiers behind her and the Taylor, all jumped off the horse one by one.

After jumping off the steed, the wild woman named Elena drank a few sips of water, then raised her cold eyes and glanced at it. The four behind were tied with iron chains, shirtless and dirty. Xi's man said, "These slaves have cost us a lot... Hey, I don't know how many gold coins can be earned this time!"

The handful of hair next to him smiled at this moment, showing black disgusting teeth, and said to Elena there, "Miss Elena, you are so bold as to dare to come from the Scarlet Mercenary Army. , Take these slaves over, amazing, amazing."

Mercenary Corps?

The beauty named Elena laughed haha, laughing wildly.

There he said: "What can I not dare? Huh, isn't it the Scarlet Mercenary Group? Our Sirius Mercenary Group, how can we be afraid of them?"

Hearing what the woman Elena said, Taylor had just drank the water in his mouth and spewed it out all of a sudden.

When Elena saw Tyler's expression, she gave him a fierce look.

"What's wrong? Don't you dislike our Sirius Mercenary Group?"

Na Taylor hurriedly said with a smirk, "No, it's not... It's just that, I don't think we really should have a conflict with the scarlet mercenary."

Then Elena sneered: "What are you afraid of? Although our Sirius mercenary group is very small and there are few people, we are not afraid of him!"

When Elena said that, Na Taylor seemed to want to say something more, but Elena had already walked to one side and ignored him.

The group of them rested in this open field.

When they were resting, suddenly the sky in front of them suddenly burst out with a terrible cloud of daylight.

The bright light of the day flashed suddenly...like a weird meteor, suddenly plummeted straight down from the blue sky, and fell a dozen miles ahead!

The terrible white light is like a huge lightning ball!

"Look, look... what the **** did it fall down that day?" The man with a bunch of hair on his head couldn't help exclaiming when he saw the extremely white light.

While shouting, he pointed to the place where the white light fell over there.

The Elena woman here, just saw it, she saw it, a ball of white light curtain like a lightning ball suddenly fell straight down from the blue sky!

At this moment, his horrified eyes widened, and he stared in surprise.

"What the hell?" She murmured in surprise.

The strong black man named Taylor suddenly raised his head and exclaimed, "Could it be some treasure that fell from the sky?"

When Alina heard Tyler say this, her beautiful eyes suddenly turned!

Yes, strange things often appear in this extraterritory place. Could there really be any treasures falling?

After thinking this in her heart, Na Elena yelled at Na Tyler: "Taylor gets on the horse... follow me to see! The rest, stay where you are!"

After the strong man named Taylor heard Elena's voice, he quickly yelled, "Okay!"

Then he hurriedly jumped onto the black steed, followed the galloping Elena, and rushed towards the place where the white light fell just now!

They would never have thought that a legend would truly begin like this!

Chapter 2529: The dead body is resurrected

"Taylor, hurry up!"

Elena, who was riding the snow-white horse in front, suddenly yelled to the guy with a bunch of hair on the head behind.

The voice is loud and wild.

The strong man named Taylor heard Elena's call in front of him, and said, "Hao Le."

Then he shook the machete in his hand and slapped it fiercely. The horse's **** under the crotch, the black horse, uttered a long scream, and then quickly followed.

I saw them and quickly reached a barren land full of ruins.

This barren land is vast and terrible. The soil is black, and there is no grass on the black soil, not even a withered tree...

In addition to the black soil, what is left are those large and small rocks... and deep ravines of varying heights!

It's huge and barren.

After arriving here, Elena, who was riding on the snow-white horse, jumped off the horse vigorously first.

The moment she jumped off the steed, Taylor behind her also jumped off the steed.

"Why did the white light suddenly disappear?" After jumping down, Elena looked at the deserted place in the distance in surprise.

Na Taylor blinked his eyes at this moment, looking around. They had seen the white light fall in this place with their own eyes just now, but when they got here, how could they not see anything? what happened?

"Damn it, did we go wrong?" Elena suddenly said while looking at the empty surroundings.

Taylor in front of him raised his hand and scratched his head and said, "I don't know, it seems that I did not go wrong!"

"But, there is nothing here at all...Where did the white light go?" Elena said depressed.

Na Taylor was also looking around there.

While searching, he buried his steps and walked towards the barren land ahead.

After just walking past, Taylor glanced inadvertently, and then glanced into the deep gully on the left, as if a person's corpse fell down!

After seeing this, Taylor, wearing brown bear fur, suddenly shouted, "Miss Elena, there is a corpse here..."

As he yelled out, Elena over there suddenly ran over here.

After running over, Elena quickly asked: "Where?"

"Here!" Taylor pointed there.

Elena raised her eyes, but saw that in the deep gully in front, there was really a "corpse" lying motionless, but it was strange that there were blood stains all over the body... and the clothes on her. They are completely different, the entire head is buried in the black soil, and his face cannot be seen!

After seeing such a corpse of "unknown origin," Elena suddenly frowned.

Secretly: How could a corpse appear in such a place?

Elena thought so in her heart, so she walked towards the "corpse" step by step.

At the moment she walked over, she stretched out a foot in leather boots, and suddenly kicked the corpse, which was motionless!

Then she was about to bend down and turn the body over.

At the moment of turning over, I saw a strange character with a bronze mask on his face appeared in front of her!

"Hey, this dead guy is quite strange, with this ghost thing on his face..." Miss Elena said curiously.

Na Taylor also looked at the motionless "corpse" with a surprised look.

At the same time, his mouth murmured, "Miss Elena, how does this corpse feel so strange... a person like him... how... why is it different from us? Look, what is he wearing? Clothes? And his hair, skin color? How come?"

Yes, Tyler and Elena have a slightly darker complexion...brown.

But the skin color of the "corpse" on the ground was yellow... and the dress and dress of the "corpse" were completely different from them.

As if it came from another planet.

Elena also felt very strange, but she didn't care too much!

He just glanced at the corpse on the ground slightly, and said, "What about him? I guess I was an escaped slave... starve to death here!"

"Everyone is dead, forget it, let's go!"

Elena who was talking was ready to leave.

Just when she was about to leave, the "corpse" suddenly moved.

"Moved, did he move?" Na Taylor screamed suddenly when he saw the "corpse" moving.

Miss Elena, who had already turned around, turned her head quickly after hearing Taylor's yell, and then looked at the "corpse", but when she saw the corpse on the ground, she really moved.

He woke up!

...

When Li Tian's entire body was sucked in by the door of the restricted area, he felt his body falling into the bottomless black abyss!

Finally he was in a coma!

But shortly after he was in a coma... his body suddenly began to become conscious.

The intense survival in his mind also urged him to wake up.

He tried to make himself sober, trying to grasp his favorite Situ Ningbing with both hands... But he couldn't sober up no matter what.

Now, he finally felt that his body had fallen on the hard ground, and at the same time, he was breathing exceptionally fresh air in his nose. This feeling made him subconsciously stunned!

Then his favorite Situ Ningbing face suddenly appeared in his mind!

"Ningbing...Ningbing...don't...don't die..."

With an exclamation, Li Tian suddenly opened his eyes!

But what came into his eyes?

I saw two weird humans standing in front of him!

One of them was a woman with a skull necklace around her neck, and the other was a strong man wearing some kind of beast fur!

Those two weird humans are staring at him with a pair of surprised eyes!

They were shocked, that Elena, and Tyler!

But he said, Elena, and Tyler never thought that this "corpse" would suddenly wake up, and also shouted a strange name...Where is the depression right now!

"Hey....."

"Hey, what were you talking about just now?" Taylor couldn't help cautiously asking after seeing Li Tian sober.

But what about Li Tian? But it doesn't care about the weirdness of these people.

Only Situ Ningbing was in his mind at this moment.

"Ningbing...Ningbing...where are you?"

Suddenly Li Tian got up from the endless ruins like crazy, and then hurriedly went to look for Situ Ningbing.

He still remembered that after Situ Ningbing was sucked into the door of the restricted area, he followed up...According to the truth, if he fell, Situ Ningbing should be nearby too!

So Li Tian quickly got up and looked for... that favorite Situ Ningbing.

After he got up, the strange scene around him suddenly shocked Li Tianzhen there!

All around, a barren land...Apart from the vast wilderness, where is Situ Ningbing?

"Oh my God, what is this place?" A shocked word came out from Li Tian's mouth.

Chapter 2530: fool

Li Tian opened his horrified eyes and looked around silently.

Everything in front of me, the scenery, the characters, how come they are no longer the same? Where is this?

"Where is this? Where is my Ningbing?" Li Tian's eyes twitched in pain, yelling in Jie Disili.

Just when Li Tian yelled like this, Na Taylor suddenly raised the machete in his hand, and then slammed Li Tian's head with a heavy blade.

Li Tian only felt that his eyes were dark, and then he was stunned.

After Taylor stunned Li Tian with a bunch of hairs on his head, he looked at Li Tian's body and said, "His mother, is this a fool?"

"Miss Elena, sell this guy as a slave, I think he is stupid and weird."

The beauty named Elena picked up her beautiful eyes at this moment, then took a look at Li Tian's body, and said in that mouth, "His physique looks so weak... I guess he can't sell anything good." price."

"Forget it, just do it first, take him away."

After Elena's utterance, the strong man in front of him grabbed Li Tian's body and lifted it up like a chicken, then threw it on his horse, and then turned over and jumped directly onto it. Up the horse.

The two rushed back to the road where they had come.

...

Far away, I saw that the team had already seen Miss Elena and Taylor.

"Miss Elena is back!" Hearing those guys in heavy armor in front of them watching the two galloping horses.

After a while, I saw that Miss Elena had rushed back with Tyler behind her.

After coming back, Elena suddenly jumped off the horse.

"Miss Elena, did you find out what happened to the white light?" Only the armored guys behind him asked.

Elena shook her head and said, "No!"

"However, we found a weird guy."

Elena said, pointing at Li Tian who Taylor threw down from the horse.

Li Tian is still in a coma.

After Li Tian was thrown down, the guys in armor came over curiously.

"Hey, who is this guy? How do you dress like this?"

"Yes, his hair is so strange, and people are so strange...Where did it come from?"

"Look, this guy still wears a bronze mask on his face?"

Those people were there talking to Li Tian.

"This guy, we don't know what it's coming from, but we will definitely sell him as a slave!" Elena smiled evilly.

"You first lock him up with an iron chain."

After listening to Elena's words, the guys in the armor nodded one by one, and then they ran over and buckled Li Tian's hands and feet with iron chains. Li Tiangen's shirtless slaves were chained together.

But seeing Elena glanced at Li Tiandao who fell on the ground: "Wake him up first, and ask him."

After speaking, Taylor beside him responded, and then found a water bag full of clear water, and poured it on Li Tian's head!

After the cold water poured on Li Tian's face, Li Tian suddenly woke up.

After Li Tian was sober, he looked at the guys in weird costumes around him with astonishment...

Li Tian was stunned!

Then suddenly he felt that his hands and feet were tightly locked by iron chains. After seeing this situation, Li Tian's first reaction was to quickly accumulate infuriating energy, and then he was ready to break free from the iron chains.

But when Li Tian suddenly gathered his energy, he suddenly discovered that all the energy in his dantian was gone! ! !

This moment makes Li Tian completely depressed.

"How could this be? My internal strength? Why can't it condense at all?"

At the moment when Li Tian felt that his internal energy could not be accumulated, he was shocked, and then used his true energy again, but still found that he could not accumulate a trace of energy at all!

On the earth, if these iron chains are locked to Li Tian, let alone Li Tian's use of true energy, even with half-successful skills, he can break free of these iron ropes!

But now, no matter how hard he tried, he couldn't get rid of the iron ropes on his arms.

But he said that when Li Tian broke free from the chain tied to his arm, the guys in armor around him, and the guy with the hair on his head, Taylor burst into laughter.

Hahahaha.

"This guy is such a fool... He wants to break free of this chain?" Taylor said with a big smile there.

Where is Li Tian? Listening to the laughter of these people, not only did he roar, but also looked at all of them with cold eyes.

"Who are you guys anyway?"

"Where is this?" Li Tian couldn't help but angrily asked.

After Na Taylor and Elena heard Li Tian's voice, they were first taken aback, and then they couldn't help laughing.

"Hey, man, are you really a fool? You don't even know where this is?" Taylor said with a grin.

Li Tian really doesn't know!

He only knew that he was sucked into here by the gate of the forbidden zone... and then arrived in another world inexplicably!

As Na Taylor said so, Li Tiandao: "I really don't know!"

"Tell me, tell me, where exactly is this?" Li Tian asked anxiously.

When the wild beauty Elena heard Li Tian say this, Liu Mei was not only startled, but looked at Li Tian and said, "This is an extraterritorial battlefield...We are from Stormwind City!"

"Aren't you from Stormwind City?" Elena asked, blinking at Li Tian.

When Li Tian heard this, he was completely speechless.

"what?"

"Stormwind City?"

Li Tian had never heard of such a city in the original world... and had never seen these weird people! Now, where did he arrive?

"Stormwind City is a closed city in our Spirit Earth Continent... Don't you know?" Elena continued to look at that Li Tian and asked.

Li Tian was completely dumbfounded.

"Spirit Earth Continent? Stormwind City?"

Li Tian has never heard of all this.

"No, how could this happen...I am a Chinese, Earth, do you know the Earth?" Li Tianjing asked.

When those people heard Li Tian say: China, the earth, a pair of puzzled eyes flashed at the moment.

"What Huaxia? What earth? You seem to be such a fool!!!"

Elena looked at Li Tiandao last.
