

A Killer 2631

Chapter 2631: Nonsense

After watching that Yisha left, Li Tian returned to the dormitory. .

He sat on a chair, recalling what Isha said in his mind just now, and he couldn't help but conceal: It turns out that Rock Academy is really incompatible with the Bander Academy! It seems that I can never tell anyone about his rescue of Na Rock Academy in the Black Rock Mountains. If I say it, I am afraid the Academy will really expel myself.

After thinking this way in his heart, Li Tian finally relaxed a little.

...

Imperial capital.

Dongcheng District is the area of Bender College, and Xicheng District is the area of Narok College.

Although both academies are in the imperial capital, they never interact with each other.

In Locke Academy, in the ancient conference hall, I saw several elders wearing different robes sitting.

The head of these people is a domineering man with fiery red hair. His eyebrows are very thick and thick, and his eyes are filled with the color of flame. Two arms are placed there calmly, the thumb of his right hand. There was also a black quaint ring on it, sitting there quietly.

"President, that guy's ability is really terrible! What he uses is Qi illusion... and it is the most common slave Qi technique in Qi illusion, but the most common slave Qi technique is in his hands, but it reaches in an unbelievable way, he can control the bear king between gestures, and can also throw the bear king into the air..." A voice suddenly rang in the hall and said.

Look carefully, but see that the one who spoke the words was the one saved by Li Tian, a student of Rock College, Edgar.

It turned out that after Edgar and the others returned to Rock Academy, they quickly began to talk about Li Tian in the Black Rock Mountains.

But he said that after Edgar said this, the red-haired man who was called the dean in front of him suddenly wrinkled his thick eyebrows deeply.

"What's the matter?" His voice was rough, exactly the same as his own.

Na Edgar said, "Students dare not lie."

After hearing Edgar say so, the red-haired man groaned in his mouth, and then hesitated slightly.

"Dad, it's true! That person is really amazing." Suddenly a clear and loud voice came.

I looked carefully, but I saw that from the room on the left, a beautiful lady wearing a pink veil suddenly came out. She was the Mayvis who was saved by Li Tian!

He turned out to be the daughter of the Dean of Rock Academy?

Yes!

She is indeed the daughter of the Dean of the Rock Academy. When they were in the Blackstone Mountains, Edgar and Cindy had a mouthful of an eldest lady that could explain the identity of Mayvis.

When Mayvis walked out all of a sudden, the dean of the Rock Academy not only glanced at his beloved daughter slightly.

"Daughter, why did you come in?" The Dean of Rock Academy looked at Mayvis.

That Mayvis said there, "Dad, I just want to tell you that that person is really a master, and his daughter's life was saved by him."

After hearing Mayvis say this, the Dean of the Rock Academy frowned slightly and said: "Okay, I see, you go down first."

After hearing his father say this, Mayvis pouted her little red mouth, and said, "Okay."

Then Mayvis stepped back.

After retreating, in the old conference hall, apart from a few elders sitting in the room, there was only the student Edgar there.

I heard that the dean of the Rock Academy suddenly looked at Edgar and said, "Edgar, tell me, what does that person look like? What is his origin? How does he use Qi illusion?"

So Edgar said all the things that Li Tian said in the Black Rock Mountain Range.

"Dean, that guy said, he... he... is from Bander College!"

what?

As soon as Edgar said a word, everyone in the ancient conference hall not only yelled in shock.

"what?"

"Edgar, what are you talking about? Bander College?"

"You mean... the guy you met... who can use great Qi illusion... is from Bander Academy?"
Everyone in the room looked at Edgar with an ugly expression. Say.

At this moment, not only the elders in the discussion hall showed ugly faces, but even the red-haired Dean of the Rock Academy looked very ugly in his eyes.

He stared at Edgar coldly in front of him and asked, "Edgar, what did you say? Say it again!!!"

Edgar heard the dean's unpleasant voice, not only was his face pale in fright there...then he said, "Master, everything I said is true! He did... indeed... said he was Bender People from the college!!!"

"This matter, eldest lady... eldest lady... she can also prove it." Edgar said in a panic voice.

After hearing Edgar say this, the dean not only groaned in his mouth.

He said in the dark: It seems that what Edgar said should be true.

"Nonsense!"

"How could there be such a powerful Qi illusionist at Bander Academy?" An old man wearing a purple costume suddenly stood up from the front and roared there.

He is the lightning illusion teacher at Rock Academy.

Accompanied by his roar, a man with a medium build but with undulating muscles also stood up. He was wearing a red suit and looked very garish.

After he stood up, he glanced at Edgar slightly and said, "Edgar, you are my student, I know what you are! I know you never lie... Tell the teacher why you know Is that guy from Bander College?"

Edgar looked at his teacher, and not only replied there, "Because he personally told us!"

"He... he... he also told us... he is... a student at Bander College!!!"

"And...and...he said that he had just been recruited into Bander College...in less than a month." Edgar finished the rest of the words speechlessly!

To be honest, when Edgar said these things, he could not wait to slap himself twice!

Because of those words, he didn't believe them at all! ! !

"Huh? A student at Bander College?"

"And it's been less than a month to practice illusion?"

"It's a bullshit!"

"Who believes it? A person who has practiced for half a month... actually saved the person you have practiced for a few years? And he still uses the most useless Qi illusion? Edgar, are you kidding me?" The teachers over there suddenly furious.

Chapter 2632: Take a look

When Edgar's words were spoken, the teachers in the ancient conference hall all yelled. .

How can they believe this fact.

A student at Bander College? Such a powerful qi illusion... and a student who has just entered school for only half a month! ! Who can believe this Nima?

The Dean of Narok Academy was also a black line at the moment, staring at Edgar there.

What about Edgar? It was a panic expression on his face.

He didn't know what he should say now. To be honest, none of the teachers believed it! But not telling the truth... it's not right, so he is also very depressed now.

The dean of Narok Academy saw Edgar's situation, and at the moment he glanced at Edgar and said; "Edgar, what are you saying are facts?"

"Yes, Dean." Edgar said quickly.

The teachers around were ready to blame Edgar severely, but the dean suddenly reached out to stop them.

"Forget it, Edgar, you go down first."

After hearing the dean say this, Edgar nodded and said, "Yes, dean."

Then he saw Edgar step back step by step.

After Na Edgar went down, I saw the Dean of Na Rock Academy, and he glanced at the surrounding teachers and said, "Teachers, what do you think of this matter?"

The dean of Narok College had just spoken, but when he saw the teachers here, he jumped up.

"Dean, Edgar's words are nothing short of bullshit! When will there be such a powerful psychic illusion student in Bander Academy? The low level of their academy? We all know better than anyone...except for the Thunder and Lightning Department. Except for the few students who were eye-catching, the rest are all scum! How could there be a powerful student with aura?" a man in a gray robe said angrily.

"Yes! The psychic illusion teacher of Band College, his name is Moorburn! That treacherous and despicable villain, I must all know it very well! Can he teach awesome students with his little three-legged cat illusion skills? ? And I heard that Moore hasn't accepted an apprentice for many years."

Another teacher here also said that.

Listening to the words of these teachers, the Dean of the Na Rock Academy suddenly said there: "Everyone said very well! But, I believe Edgar's words, he should not dare to lie in front of us."

After hearing what the dean said, the teachers around were not only taken aback.

"The dean is right. Although this matter sounds very weird, I believe my students should not lie." The teacher who is Edgar's fire illusionist couldn't help saying for his student.

He still knows his students better, so he's not just talking about that right now.

Listening to what he said, other teachers said in there at the moment: "Then you mean, there are really such great students at Bander College?"

"Yeah? Is there suddenly a wizard student at Bander College? Hehe, that's ridiculous."

After the surrounding teachers said this all at once, they just listened to the dean saying: "Calm down, everyone."

"I personally think this thing is very strange."

The surrounding teachers looked at the dean of Narok College and said, "Dean, what do you mean?"

I saw the burly dean with red hair, and he pondered for a moment and said: "I think we should send someone over to Bander College to inquire about the situation!"

"In this way, we can know the true and the false!"

After listening to the Dean of Narok Academy say this, the teachers around were not only taken aback.

"Dean, but we never interact with the people at Bander College?"

"Yeah, we have had conflicts with that old guy Khris many years ago. This time...how do we send someone to investigate the situation?" The surrounding teachers looked at the dean in confusion and asked. .

The Dean of the Rock Academy who only listened to the red hair not only smiled slightly and said: "Don't worry, I have already thought about it."

"Everyone should know that this time, it was the student who claimed to be Bander College... who saved our Rock College student, right?" The dean suddenly said.

Not only did the surrounding teachers say "Yeah."

Just listen to the dean's continued preaching: "In this case, we might as well thank others for their life-saving grace! Ha ha, on the one hand, it can show the generosity of our Rock Academy, on the other hand, we can also see Meet the so-called master student of Qi illusion."

After hearing the dean's words, the teachers in front of them not only thought about it slightly.

"The dean's idea looks good, I agree."

"I agree too!" the teachers around said there.

...

Soon, the teachers agreed with the dean of Narok College.

After hearing that many teachers agreed with his idea, the dean in front of him not only smiled slightly and said: "In this case, I will send Edgar and them to Bander College tomorrow... and then thank them. Benefactor!"

"I want to see, in the end, that guy... can possess such a powerful Qi illusion."

Hearing what he said, all the teachers around nodded and said, "Okay."

"If there are really such great students in Band College...hehe, then it would be very dangerous." Just listen to the Dean of the Rock College.

When the surrounding teachers heard him say this, they not only said, "Dean, what do you mean?"

"Everyone knows that Qi illusion is the most difficult to cultivate... and it is a waste illusion at the elementary and intermediate levels! Only by reaching the high level can it play an unimaginable terrifying effect! If that person is really from Bander Academy If that is the case, at the very least, his Qi illusion has reached the level of high-level cultivation." The Dean of Locke Academy said.

When the teachers heard this, they immediately sneered: "Impossible!"

"Absolutely impossible, how can Bander Academy have such a powerful person? Besides, the Qi illusion must be cultivated to a high level... That is a difficult thing! All the world, except for Sage Long, I have not seen an illusionist with a powerful Qi illusion."

"Yeah, Qi illusion technique is difficult to cultivate, and it needs very powerful spiritual support! It shouldn't be possible for anyone to cultivate it!"

"Even if we have cultivated, we can't be ignorant... There are a few strong qi illusions on the Spirit Earth Continent. We are basically all clear. It is impossible that we don't know who he is."

"En, en, en, everyone is right."

"Tomorrow, we will know the truth when we wait until the time comes."

Chapter 2633: Moorburn's Fury

After making this decision, Locke Academy was going to send someone to the Bander Academy and see what happened.

After the surrounding teachers were deciding, they looked at the red-haired dean and asked, "Dean, who shall we send to Bander College?"

The red-haired dean smiled slightly and said: "You must tie the bell to untie the bell! So I am going to send Edgar and the others."

After hearing the dean's words, the surrounding teachers nodded one by one and said, "Okay."

So, the next day they decided to go to the Band College and check what happened.

...

Li Tian has been alone in the shabby dormitory these days.

When he was okay, he would practice the "slavery technique" and then start to rest. The life was quite boring.

This morning, I saw that Li Tian returned to the dormitory after a brief practice of the "slavery technique". His clothes had not been washed for many days, so he was about to take off and wash them.

As he took off his coat, suddenly a bottle of purple potion fell out of the coat.

Look carefully at this bottle of potion, isn't it the "mysterious potion" of the scruffy old man that Li Tian used to spend a gold coin on when he was on the black market in Stormwind City?

Looking at this bottle of potion, Li Tian suddenly remembered.

"Hey, I almost forgot this bottle of potion." Li Tian said as he reached out and took out the bottle of purple potion.

After taking it out, he carefully blinked and watched,

"The sloppy old man sold himself this bottle of potion... and said it has a miraculous effect... I want to see what this thing has miraculous effects!" Li Tian thought this way, then slightly opened the lid of the purple potion.

As he opened the lid, a faint fragrance suddenly appeared from inside.

Smelling the delicate fragrance in his nose, Li Tian not only took a deep breath and said, "It's very delicate! What kind of potion is there?"

Thinking of this, Li Tian quickly poured the bottle of potion out and poured it in the middle of his palm.

When the potion came out, it was shining, like pearl particles.

Looking at this weird potion, Li Tian glanced there curiously.

"What is the magic effect of this potion?"

"The sloppy old man didn't tell himself! I can't just drink any weird potion." Li Tian thought in his heart.

After all, he still doesn't know if this potion is good? Still bad?

After thinking of this in his heart, Li Tian blinked his eyes and stared at the potion that looked like pearl particles.

Just as Li Tian looked at the potion curiously, suddenly there was a "bang, bang, bang" violent knock on the door outside the room.

At the moment when the violent knock on the door came, only a sharp voice came out first.

"Fucky boy, get out of me! Get out quickly."

The voice was obviously the voice of the bitter teacher Morburn.

After hearing the scolding voice of the ***** teacher, Li Tian not only frowned, but also said to himself: Why did this ***** come to him suddenly?

Thinking of this in his heart, Li Tian resorted to the "slavery technique", the door slammed, and was pulled slightly by Li Tianyong's pulling force, and then the door opened quickly.

I saw the angry Moorben rushing in from the outside.

"Li Tian, get out of here." Moore said after running in with a yell.

There was a slight panic on his face, and at the same time, the whole person was still angry, as if something big had happened.

But what about Li Tian? After seeing Moorburn rushing in from outside, he slightly raised his head and glanced at Moorburn and said, "Mr Moorburn, what's the matter?"

"Boy, what stupid did you do in the Blackstone Mountains?" A loud yell was called out from Morben's mouth in shock.

When Li Tian heard this, he was not only stunned for a moment.

what,

How could this ***** Moore suddenly talk about the Blackrock Mountains... Did he know something?

Li Tian made a quick turn in his mind, then looked at Moore and said, "I didn't do anything, what's wrong?"

"Bastard! Still not telling the truth?"

"I'm telling you...Did you meet a student of Locke's student in the Blackrock Mountains?" A word suddenly came out of Morben's mouth.

After hearing what the acrimonious Moore said so, Li Tian in front of him was startled!

"Damn it, how could this Moor know that he met a Rock Academy student in the Blackrock Mountains? How did he know? Did this news leak out? It's not right! In addition to himself and the Rock Academy student... fundamentally No one else knows... Could it be...?... Could it be that the students of the Rock Academy said it themselves?

After Li Tian heard Moorburn say this, he smiled slightly and said: "Teacher Moorburn, I don't understand what you are talking about... What Rock Academy?" Li Tian refused to admit it! Because he knew in his heart that Rock Academy and Bender Academy were incompatible with each other, and if he said anything, he might be expelled from the Academy, so he pretended to be stupid at the moment.

"Asshole boy, you dare to lie in front of Lao Tzu!"

"I'm telling you, now the students of the Rock College have come to our Band College with great fanfare... and you are the one who named the name! They also said that your kid had rescued them when he was in the Black Rock Mountains!!! I also said that I would like to thank you..." Moore in front of him said to Li Tiandao who was looking in front of him with great anger.

When Li Tian heard this, he suddenly understood.

Hey, no wonder this **** Moore would have known that all this was really told by the Rock College students! Unfortunately, I am so unlucky. Li Tian thought to himself.

After thinking about it, Li Tian frowned slightly and looked at Moore and said, "It's true? The students at Rock College are not wrong, are they? They really are looking for me?"

"nonsense!"

"People say they want to find a guy wearing a bronze mask... and he's still a student who practices Qi illusion! Damn, who else in our academy besides your kid who followed me to learn Qi illusion? Besides, it's indeed me. The Blackrock Mountains you went to...people said, you helped them deal with the Roaring Bear King in the Blackrock Mountains... so thank you!"

"Boy, don't you admit it now?" Moore said angrily.

After Li Tian heard this, he not only sneered and said: "Forget it... Since you already know the truth! I will admit it."

"Yes, I did save a few students of Rock College in the Black Rock Mountains... But, I didn't know their identities before!" Li Tiandao.

p: During this period of time, I can't keep up with the updates, I hope my brothers understand! No way, Xiao Huahua was just born, I have to take care of it, and also take care of my wife...

I have been in the hospital for a week, and every day my wife is at 10 o'clock. After the child is asleep, I can write by myself... Hey! I believe my brothers should understand the feeling of being a father just now...!

Chapter 2634: Who is looking for death?

"It's really you? It's really you this brat who saved the students of the Rock Academy?" Just listen to that Moore jumped up excitedly when he heard that Li Tian actually admitted the facts himself. .

In addition to the extreme surprise in his eyes, he couldn't believe that he stared at Li Tian there.

"Yes." Li Tian took a look at Moore and said lightly.

"Damn it!"

"Who do you guy think you are? Do you think you have a lot of abilities? You can save the Rock Academy students with your **** ability?" Moore in front of him suddenly screamed. Say.

Li Tian heard Moorben say so, and immediately sneered, without even looking at Moorben.

"Asshole, you could save the students of the Rock Academy... it's incredible!"

"Boy, do you know that our Bander College and Rock College are incompatible? You dare to save the students of Bander College? Do you want to be expelled from the college? Are you satisfied?" That Moore was there. Li Tiandao stared at him and said.

Li Tian sneered: "It's not a crime for those who don't know! I believe the old dean should understand me!"

"What's more, there should be nothing wrong with saving people with a good intention, right?" Li Tiandao.

"You're right! But you shouldn't have been the **** from the Rock Academy..." Moorburn yelled angrily.

After speaking, I saw Li Tian, who was holding his finger in front of Moore, roared: "I tell you, you are in a big trouble this time, because now the whole college knows about you... you are waiting to be expelled. Right."

Then Li Tiandao said: "Okay, I'll be expelled! Anyway, I can't learn any illusions here...I don't even bother to stay here."

Li Tian is now indifferent, because he really didn't learn any knowledge of illusion in Bender Academy!

In this case, it is better to leave this college.

On the contrary, Moorben with the sharp-mouthed monkey cheek suddenly showed endless anger on his face.

"Smelly boy, let me tell you, I don't care about what you can't expel! I'm telling you clearly now...you must never go out and tell you...I asked you to go to the Black Rock Mountains to collect medicinal materials." Suddenly a word came out!

It turns out that this bit-mouthed monkey-gill **** Moore has always worried about this problem!

He was afraid that Li Tian would tell him all about sending him to the Black Rock Mountain Range! So this meeting not only found Li Tian here.

Everyone in the entire Bander Academy knows that the Blackrock Mountains are extremely dangerous. Even an illusionist with elementary level 3 dare not go to the Blackstone Mountains alone... There are strict rules in the Bander Academy, any teacher or individual Students are not allowed to go to the Black Rock Mountain Range... because if you go to the Black Rock Mountain Range alone, it is completely suicide! What about Li Tian? This time he went to the Black Rock Mountains, it was obviously the **** Moor who asked him to go! So Moore was scared and afraid that Li Tian would tell the truth... Because if Li Tian said that the **** Moore sent him to the Blackstone Mountains, then Moore would definitely be expelled directly by the old Dean Hollis. ! Because he did this, he clearly wanted to kill Li Tian! ! !

When that Li Tian heard that Moorben said this suddenly, not only did he suddenly understand it, but he couldn't help but conceal in his heart: Bastard, it turns out that this **** Moorben was worried about this!

When Li Tianxin thought this way, he suddenly sneered at the corner of his mouth, and said to Moore, who was looking in front of him, "Mr. Moore, it seems to be my business! The mouth grows on my body... hey, What do you say?"

When Moore heard what Li Tian said, his eyes suddenly widened, his whole face was like pig liver.

"Smelly boy, don't toast or eat fine wine!" Moore said, with a very fierce feeling in his eyes.

When Li Tian felt a terrible killing intent flashing in the eyes of this **** Moore, he not only sneered there, "What? Do you still want to kill me?"

"Are you afraid of me telling me about you sending me to the Blackstone Mountains to collect medicine? Are you afraid that these things will be known by the old dean?" Li Tian suddenly looked at that Moore and said coldly.

Hearing that Li Tian had understood everything, Moore yelled at him, "You are smart."

"If your kid is acquainted now, it's best to shut your mouth obediently for Lao Tzu, and the provincial Lao Tzu will kill you." Moore looked at Li Tian threateningly.

Then Li Tian suddenly laughed when he heard Li Tian say this.

"Teacher Moore, are you threatening me?" Li Tian smiled and looked at Moore.

At the moment when Moore saw that Li Tian was not afraid...instead, he laughed...not only was he stunned.

"Smelly boy, what are you laughing at? Don't you think I really dare not kill you?" Moore was suddenly looking at Li Tiandao in hostility.

Li Tiandao: "To be honest, I'm really afraid that you can't kill me..."

When Moore heard Li Tian say this, he was furious.

"Boy, you forced me!"

"Hmph, Lao Tzu is determined not to let you say it. I sent you to the Black Rock Mountain Range."

As soon as the words came out, I saw that Morben suddenly showed a terrifying killing intent!

"Things looking for death."

After Na Morben roared, he suddenly shouted: "Qi swordsmanship!"

Qi swordsmanship is a low-level illusion technique among Qi illusions. This Qi swordsmanship uses the true energy of the body to transform a chain of Qi swords and then use them to attack the opponent. Although this Qi sword technique is a low-level illusion technique, it is still used at high-level! Because the more advanced this Qi swordsmanship is, the more powerful it is! It just needs powerful spiritual control

Na Moore thought to himself, an intermediate level 1 illusion teacher, could it not deal with a waste student without spiritual power?

So at this moment, the Qi sword technique was displayed, and it seemed that he was really going to kill that Li Tian.

Just when Morben performed the Qi sword technique, his hands suddenly moved forward quickly, and then three invisible sword Qi condensed from his palm, and then swished towards Li Tian.

Li Tian couldn't help frowning at the moment he saw "Qi Jianshu".

Jian Qi?

Isn't this the so-called sword energy on the earth?

It turns out that this qi swordsmanship is indeed similar to the sword qi, but the sword qi on the earth cannot be seen, but in this other world, relying on the display of spiritual power, you can see the silk of the sword. Qi sword transformed by Qi

Chapter 2635: Dead dog

When Li Tian saw that Moor had used Qi swordsmanship, the corner of his mouth suddenly sneered.

"Well, since you have used the Qi illusion technique, I will also show you my abilities."

"Ten Jue Sword Qi."

With a roar from Li Tian, Maha's immense power was immediately displayed.

What he used was his "Ten Jue Sword Qi" of the earth.

The level of this technique is similar to the Qi sword technique that Moorben used, but Li Tian's power is ten times more powerful than that of Moorben... or even a hundred times.

The moment the ten tactics sword aura was used, the entire room was suddenly filled with endless sword auras... Those sword auras all exploded at this moment relying on the full-level spiritual power in Li Tian's body.

I saw all the magical Qi swords appearing on Li Tian's body... with a buzzing sound.

But what about Moorben with the sharp-mouthed monkey cheek?

I originally thought that he could kill Li Tian by performing Qi Jianshu, but he never expected that at this moment Li Tian would also perform Qi Jianshu, but Li Tian's Qi Jianshu was better than his illusion. Ten times more powerful, a hundred times more powerful...

what?

"You kid... the kid can actually perform qi swordsmanship" Moorben exclaimed in shock.

"No...no...impossible!"

"This...this...this is not true."

Li Tian sneered: "Teacher, I'm sorry, I'm not Qi Jianshu, I'm Jian Qi."

"broken!"

As Li Tian said it out, suddenly he saw all his Ten Jue Sword Qi fully displayed.

I saw the Qi sword shrouded in Li Tian's body, and then shot it at the panicked Moore's body one by one.

Moore was shocked at the moment, his body retreated quickly, and then the doctor roared, his hands raised slightly, and a barrier of illusion gas gradually emerged from the palms of both hands.

"Qi Dian technique!" The illusion technique used to block is exactly the same as Huo Dian and Thunder Shield.

When that Moore was using the "Qi Escape Technique" to block Li Tian's Ten Absolute Sword Qi, he saw that the Qi sword shot by Li Tianfei, puff, puff, and puff all shot at that Mole. Above and below the "Qi Escape".

Although Moore was not injured all over his body, he was shocked by Li Tian's extremely powerful sword aura, causing his body to retreat involuntarily.

At this time, Moore's face became more and more ugly, he couldn't believe everything his eyes saw!

"Your kid...how...how...can use Qi swordsmanship?"

"Who did you learn from?" Moore roared there.

Then Li Tian looked at the shocked Moore and sneered, "Why should I tell you?"

"Well, you stinky boy... I do not know how to live or die! I will kill you today! Let you see how good my mid-level illusionist is."

That Moore was really angry now, he vowed to kill Li Tian in front of him.

I saw that after Moorben let out a roar, he suddenly grabbed his palm, and then a suction burst out of his palm, suddenly sucking towards Li Tian.

"Try the power of Laozi's slavery skills." A word came out of Morben's mouth.

Slavery?

This Moore actually used Li Tian in front of Li Tian to practice for so many days... and he had no idea what powerful slave energy technique he had achieved?

When Moore was on display, he saw that his slavery skills wanted to control Li Tian... and then he sucked Li Tian over!

But does he have this ability?

Li Tian stood still there, using his body's spiritual power to block the attraction of Morben's "slave energy".

"What's the matter? Why can't my slavery technique be performed in front of this stinky boy?"

Moore didn't have any reaction at all when he saw that he used the slavery technique to control Li Tian's body. Astonished there.

But what about Li Tian?

Suddenly sneered: "Mr. Moorburn, it seems that your slavery skills are not so good?"

"Teacher, let me show you my slavery skills."

After he finished speaking, Li Tian suddenly accumulated tremendous spiritual power in his body, and then slightly stretched out his hand and said, "Come here."

Then the palm stretched out, and a terrifying suction was directly sucked towards the teacher Moorben.

That Moore never thought that Li Tian would use "slavery", he couldn't imagine it! !

After all, Tiancai Li entered Bander College in less than a month! ! ! And Li Tian's previous spiritual power test, but the body does not have any spiritual power! How could he use that slavery technique?

But when Moorben was shocked, suddenly Li Tian's suction power spread down Moorben's body.

Moore felt that his body was completely out of control... the whole person was like a piece of paper... he was sucked over by Li Tian in an instant.

Li Tian's palm changed to grasping, and then he squeezed Moorben's neck.

"Mr. Moorben...now you should know that you are not capable of killing me, right?" Li Tian suddenly showed a wicked smile at the corner of his mouth. .

Li Tian's hand grasped Moorben's neck! Moore's entire face was violently twisted... Obviously, he was suffocated by Li Tian.

"Boy...you...you...do you dare to kill...kill...teacher?" That Moore looked at Li Tiandao with horrified eyes.

The current Moore is no longer the arrogance he had before... Looking at Li Tian's eyes, his eyes are full of fear! Scared!

"Hehe, I do not dare to kill the teacher, nor do I dare to kill you, but I dare to torture you."

Li Tian finished speaking, and suddenly his arms raised, Moorburn's body flew out directly, with a plop, Moorburn's thin body directly hit the wall!

With a wow, that Morben spit out blood from his mouth.

It's a pity that his body is completely controlled by that Li Tian, even if he vomits blood in his mouth... he can't wipe the corners of his mouth.

Cough cough cough...

Moorburn, who was suspended in mid-air, was spitting blood out, and there was an unpleasant cry of pain.

"How? Is it comfortable?"

As Li Tian finished speaking, Li Tian suddenly raised his arm again!

Bang, that Morben's body slammed into the extremely cold wall again.

boom!

The wall was smashed to pieces of bluestone bricks... And what about Molbun? The mouth was open... the blood couldn't stop staying in the mouth.

He screamed and screamed... Life is better than death, just like a dog wagging its tail!

Bang, bang, bang!

Li Tian was like playing a bouncing ball, slamming Moorburn's body into the wall with his hands!

Chapter 2636: Everyone questioned

"Let go of me...Let go of me..." With blood dripping from the corner of his mouth, Li Tian screamed as he was suspended in the air.

He seemed to be unable to bear it anymore.

Li Tian looked at the tortured and unhuman-shaped Moore, suddenly a sneer appeared at the corner of his mouth, and then he waved his arm.

Namorben's body threw a heavy thump to the ground.

what!

Moorben screamed, and he fell to the ground, panting, spitting out blood in his mouth.

Li Tian looked at Moorben who fell on the ground, and suddenly strode over.

After reaching Moorben's side, Li Tian suddenly stretched out one foot, and then stepped on Moorben's face like a dog to death.

"Teacher, now you know that your ability is not as good as a dog, right?" Li Tian suddenly sneered at that Moor.

Molbun's mouth was bleeding, but he couldn't speak anymore.

"You despicable and shameless bastard, I have been tolerating you, but do you think Li Tian is a fool?"

"You let me go to such a dangerous place in the Black Rock Mountains...I admit it! You asked me to help you gather medicinal materials, and I admit it! You don't teach me illusion... Don't teach me everything, I admit it! Now you What else do you want? Want to kill me?"

"Do you have this ability?" Li Tian roared, and suddenly he stepped on Moorben's head fiercely.

Namorben's nostrils, pupils, and blood were stepped on, and the whole person looked terrifying.

"I...I...wrong..."

"Please... please... forgive me..." Moorben's painful cry suddenly came out of his mouth like a pig.

He finally took it now!

He was scared.

After all, a terrifying killing intent had emerged from Li Tian's body.

He would never have thought that this "junk" student had practiced such a terrifying Qi illusion in half a month, and...and... now it has become so powerful! ! !

Listening to Moorben's pleading in front of him, Li Tian suddenly sneered: "You beg me?"

"Unfortunately, I just want to kill you now." Li Tian said as he pressed his feet.

It seemed that he wanted to smash that Moorben's head.

That Moor was full of blood and screamed: "No...no...don't kill me!"

"I was really wrong... I shouldn't do that to you... I'm sorry... I'm sorry..." Moorben pleaded while crying.

He is no longer like a teacher at all, like a wild dog afraid of death.

Then Li Tian looked at Moore, who was crying and begging, and suddenly sneered: "Well, since you begged me so, I don't have to kill you! But starting today, I want you to be my Li Tian's dog... I let you Whatever you do you have to sit on... I let you go east, you must not go west! Otherwise, I will tear you to pieces with my own hands." Li Tian said cruelly.

As soon as Li Tian said this, Moore said, "Okay, okay, okay... As long as you don't kill me... I would rather be your dog! I will be your dog for Li Tian from now on... Can you..."

Li Tian suddenly laughed at this moment.

"well!"

"From now on, you are my dog!"

After Li Tian finished speaking, he suddenly flew up and kicked the body of Moore. Moore screamed and his whole body was kicked into flight.

With a plop, Morben's body hit a huge wooden table, which was smashed by his body!

He fell there and screamed.

"Get off!" Li Tian said coldly.

Listening to Li Tian's voice, that acrimonious Moore felt only a moment of fear!

At this moment, I saw him getting up from the ground with difficulty, stretched out a trembling hand, and wiped the blood on his face!

Then he crawled and left Li Tian's room.

Seeing that Moore left his room like a mouse, Li Tian sighed slightly.

"This bastard! I finally taught him today..." Li Tian said lightly.

After speaking, Li Tian glanced at the outside of the room slightly, and murmured: "Hey, I don't know how the situation is outside now? Then, Rock Academy really came to Bander Academy to find himself? "

"Blame me! Blame me in the Black Rock Mountain Range... unexpectedly revealed my identity." Li Tian rebuked himself depressed.

After thinking about it, Li Tian said there, "Forget it, anyway, the tree is ready to go...it has happened, I will go out and see the situation."

Li Tian, who was saying this, walked out of his dormitory and walked towards the gate of Bander College.

...

At the gate of Bander College, students from all departments were crowded.

There are students in the Lightning Department, Fire Department, Water Department... and so on.

Even the teachers of the various departments stood there with cold faces.

Opposite them, there are a few Rock College students wearing different costumes...Look carefully, they are Edgar, Cindy, and the beauty Mayvis who were saved by Li Tian.

The two sides held each other there!

Edgar from Rock College looked at this side with a smiling face.

But the students at Bander College were different... They seemed to be glaring at these Rock College students as if they were facing an enemy, as if they were enemies.

"The **** Rock Academy... dare to come to our Band Academy?"

"Did they come to make trouble?" The students from the surrounding Bander College started talking there.

But the students here said, "It seems not! They are here to thank someone."

"What? Thank you? What's the situation? Our Band College and their Rock College are incompatible...Where can we say thanks?"

"I don't know, they said they were looking for a benefactor to save them... so they found it here."

"Benefactor? Who saved them?"

"It seems to be...it seems to be... the trash student." A student in the crowd suddenly said.

"what?"

"Impossible? Are you telling the truth? Is that the trash guy of the Qi system illusion?" Some students said there with unbelievable eyes.

"How is it possible? Brother, are you kidding? How could that trash save these Rock College students? Do they know each other?" Some people exclaimed there.

I only heard the student say: "No, I heard that they met the bear king in the Black Rock Mountains... almost in danger, so they were rescued."

"I'm dizzy, this is even more impossible! Isn't that trash Li Tian always in the academy? When did he go to the Blackrock Mountains? Besides, Roaring Bear King? Who can deal with it... Not even an intermediate illusionist Definitely able to deal with the Roaring Bear King...with a piece of rubbish... actually able to deal with the Roaring Bear King? This... are you kidding me?"

"This... we don't know."

"Impossible... It is absolutely impossible to be that waste genius, these idiots from Rock Academy must be in a wrong situation."

Chapter 2637: deny

I saw all the students of Bander College talking there.

And the teachers at Bander College, standing in the front, also had cold expressions, gloomily watching the students of Locke College in front of them.

"Hey, boys of Rock Academy... are you wrong? How could our Bander Academy have something to do with your Rock Academy? I think you should get out of our territory as soon as possible! Otherwise, don't blame us for being big It's bullying." He only heard a loud voice rang out in the crowd.

It was Anderson, the lightning teacher at Bander College who was talking.

He was glaring at Edgar of Rock Academy, Mayvis and others.

After hearing Anderson's words, Edgar not only smiled slightly: "This teacher, we are here at Rock Academy today, it's really not a trouble! We just want to find our benefactor... we only I want to express our gratitude!"

"I hope the teachers can let us meet our benefactor."

Hearing what Edgar said, Anderson suddenly screamed.

"Nonsense, how can we at Band College save your Rock College people? Huh...Did you come to find something today?"

When Mayvis here heard it, her little red mouth pouted and said: "Teacher, your heart looks very sinister... We are just here to express our gratitude. You said so... ...Hey, as a teacher in an academy, I really don't know how you will teach your students!!!"

Hearing that Mayvis laughed at herself so much, Anderson was furious.

"Little girl, are you looking for death?" With a roar, Anderson seemed to be about to make a move!

At this moment, Evelyn, the beautiful teacher in front of her, suddenly grabbed Anderson.

"Anderson, don't talk anymore... You will only insult us Bander College more and more if you say this! It seems that our Bander College...has no sympathy.

After hearing what the beautiful teacher Evelyn said in front of him, Anderson suddenly snorted in his nose... but held back.

I saw that the beautiful teacher Evelyn stood up slightly at this moment. He glanced at the students of Rock College here, then smiled and said, "A few students...You are really sure, it is from our Band College. The students saved you?"

Edgar heard the words of the beautiful teacher Evelyn and said, "Yes."

"At least... he said he was a student at Bander College, and he showed his school badge."

After listening to that beautiful teacher Evelyn, she was slightly surprised: This is strange! Could someone pretend to be a student of our Band College?

"Do you remember the looks of the people who saved you?" said the beautiful Evelyn before her.

"Remember!" Edgar said.

"He wears a bronze mask and refuses to show his face... and he uses a very powerful Qi illusion!" Edgar said.

When Edgar said so, all the teachers around him screamed.

what?

"Is that... the student?"

"It looks like the guy named...Li Tian before?"

"No... Isn't his body lacking spiritual power? How could it have saved these Rock Academy students?" The wind system illusion teacher over there said puzzledly.

The beauty teacher Evelyn was also astonished at this moment.

What they were looking for was Li Tian, a Li Tian without any spiritual power? impossible?

"You are not mistaken, right?" Evelyn raised her beautiful eyes and looked at Edgar and the others.

The beautiful eldest lady Mayvis said, "Of course we can't make a mistake!"

"We are here today, mainly to thank our benefactor, don't have other intentions, just hope you can call him out."

Listening to what Mayvis said, the teachers here were all depressed.

"What to do?" Just listen to Na Cyril looking at the beautiful teacher Evelyn.

Evelyn frowned and said: "The old dean is no longer...I can't make random decisions!"

"Or, let's find out the kid surnamed Li... confront it?" Just listen to Anderson in front of him.

"it is good!"

After listening to Anderson in front of him say this, Cyril in front of him also said: "Just do it, let's go find the boy named Li and let him come out! In this way, we can know the truth."

With these teachers making this decision, they are going to look for that Li Tian.

At this moment, I just listened to the students behind yelling and saying: "Here, here comes... That trash kid is here."

"Is that him?"

As the voice passed, I saw a figure slowly approaching not far away. Look carefully, isn't that figure exactly Li Tian.

The moment everyone turned their eyes to see Li Tian, Edgar from the Rock Academy and Na Mayvis turned their heads to look at Li Tian.

"benefactor!"

When the beautiful Miss Mayvis saw Li Tian, she couldn't help but cried out in excitement. In addition to excitement, there was a girl's feelings of spring in her clear beautiful eyes... There is endless love in it.

What about Edgar? The whole person was shocked there too.

"Oh my God! He is really from Bander College... and a student?"

"Oh my God, when did Band College recruit such an incredible Qi illusion student?"

"It seems...I have to tell the dean and the teachers the truth soon! Otherwise, there will be a real dark horse in this year's Empire Illusion Contest." Edgar was shocked in his mind. Thought about it and said.

I saw that Li Tian walked over step by step in the exclamation of everyone.

When his eyes saw a few guys from Rock Academy, he frowned secretly there: Damn, it was really them, depressed, how could these guys take the initiative to find Bander Academy?

After thinking about it so quickly in Li Tian's mind, he then said: What should I do now?

"Should I admit it? Or should I not admit it?"

"If I admit it, the people at Bander College will definitely expel themselves... Forget it, in that case, I might as well pretend to be confused."

After thinking this in Li Tian's mind, he made a decision.

I saw him walk over step by step, and then pretended to look at the surrounding teachers with a pair of confused eyes and said: "Teachers, what's wrong? What happened?"

After the teachers heard Li Tian's words in a daze, they were not only taken aback, but they were all there and they couldn't help but lining up: Why didn't this kid react at all? Did the students at Narok College really admit it wrong?

Chapter 2638: Benefactor, enemy

At this moment, everyone's eyes were on Li Tian, looking at him as if he were a monster.

What about Li Tian? He pretended that he didn't know anything, and walked over there slowly.

"Is it true? Could it be that this trash student saved the student of the Rock College?"

"Yeah, it's impossible."

...

The students of the surrounding Bander College screamed in surprise one by one.

The teachers here also looked at Li Tian with horrified eyes.

"Student Li Tian, come here." Anderson, the teacher of the Thunder and Lightning Department, suddenly shouted at Li Tian.

Li Tian heard the voice and walked over step by step.

"Teacher Anderson, what's the matter?" Li Tian asked.

Then Anderson glared at Li Tian and said, "I ask you, do you know these guys in front of you?"

As Anderson said, he suddenly pointed his finger at the students in the opposite Rock College.

Edgar and Mayvis among them all looked at Li Tian in surprise and astonishment.

"benefactor!"

"Benefactor, we finally saw you."

"Benefactor, I really didn't expect that what you said before was the truth... You really turned out to be a student of Bander College... It's surprising." Just listen to Edgar from Rock College over there looking at them. Said Li Tiandao.

But what about Li Tian? Looking at Edgar and the others at this moment, they were not only extremely depressed. Hey, how did these guys find Bender Academy... It's a pity that now he can't admit his identity anyway.

After thinking about this in Li Tian's mind, he saw Edgar and Mayvis with slightly pretended eyes looking at Edgar and Mayvis, saying: "These classmates...I don't seem to know you. Did you admit the wrong person?"

what?

As soon as Li Tian's words were spoken, Edgar from the Rock Academy and Na Mayvis screamed.

"Benefactor, don't you remember us?"

"Impossible. We only met in the Black Rock Mountains a few days ago... and you said in person that you were a student at Bander College. We didn't believe it at the time, but now we finally believe it."

Just listen to what Edgar said.

"Yes, benefactor, have you forgotten me?" The beautiful Mayvis looked at Li Tiandao in her blinking beautiful eyes at this moment.

I saw Li Tian continue to pretend not to know Dao and say: "Dear students, I really don't know you. I have never been to the Black Rock Mountain Range... I think you really admitted the wrong person."

When Li Tian said this again, Edgar over there suddenly said, "Impossible, how could we mistake you for your benefactor?"

"You are exactly the same as you were a few days ago, and you still wear that weird mask on your face... Even the clothes are exactly the same. Also, your Qi illusion has reached a terrifying state. All of this is a fact. Can you admit the wrong person?" Edgar is now very confused. He clearly knows that Li Tian in front of him is the one who rescued them a few days ago, but he really doesn't understand why Li Tian should deny it?

When Edgar in front of him said so, Li Tian smiled bitterly at the corner of his mouth and said: "This classmate, it seems that you really admitted the wrong person."

"The person you are talking about is definitely not me!"

"Because I'm in the Bander Academy... everyone knows me, my body doesn't have any spiritual power at all... So what you said is the powerful Qi illusion... it's not even me." Li Tian smiled and looked at me. Edgar said.

Edgar almost jumped up when he heard it.

He only listened to that Li Tian continued to say: "If you don't believe me, you can ask anyone in the Bander Academy...ask them to see if I don't know how to psyche, and my body is a waste. The body does not have any spiritual power at all?"

When Li Tian's words in front of him uttered, the students of Bander College behind him suddenly screamed.

"Yes, Li Tian doesn't have any spiritual power in his body at all, so how could he be able to use Qi illusion?"

"That's right, his body is a waste body, he can't learn illusion at all, Mao's powerful illusion."

"These silly hats from Locke Academy... must have admitted the wrong person."

"Haha, I was so ridiculous... the students of Rock College are really stupid."

...

The students of Bander College behind them began to say insulting words to Edgar of Rock College.

Cindy, who was standing behind Edgar, couldn't bear the scolding of the students at Bander College. He was ready to answer the mouth immediately, but was held back by the handsome Edgar.

"Forbearance." Edgar spit out a word to Cindy coldly.

Cindy groaned and stepped back.

At this moment, Teacher Na Anderson suddenly came over. He sneered at Edgar of Na Rock Academy and Mayvis and said: "Boys of Rock Academy, should you believe it now? He is not the person you are looking for at all!"

After hearing what Anderson said, Mayvis still wanted to talk, but was caught by Edgar's hand.

Edgar sneered and glanced at Li Tiandao: "It seems that we are indeed clumsy! We have admitted the wrong person."

"Sorry, we shouldn't disturb you Bander College."

After hearing this, Anderson triumphantly said: "In this case, don't get out of our Bander Academy..."

Edgar said lightly: "We should indeed go..."

"However, before I leave, I want to say a few words to this classmate." Edgar said as he stared at Li Tian's body suddenly.

After speaking, Edgar suddenly walked towards Li Tian step by step. After reaching Li Tian's side, he suddenly raised his eyes and stared at Li Tian's eye pupils.

Then a low voice came out of his mouth.

"Benefactor, I know that you were the one who was in the Blackstone Mountains back then, hehe, why did you refuse to admit your identity? You refuse to admit your Qi illusion ability? I don't know this, but I tell you, since you want to hide your strength... Then we won't expose you either! After all, you saved our lives in the Blackrock Mountains."

"Today, we are here to express our gratitude to you. As for whether you accept it or not, that is your business, but there is one thing I want to tell you clearly. Your Bander Academy is still the enemy! And the benefactor, you still have us? From today onwards, you will also become your opponent."

After Edgar said these words coldly, he suddenly said to Mayvis and Cindy behind him, "Go."

Chapter 2639: Ashamed beauty

Looking at Edgar who was about to leave, Li Tian not only glanced at him slightly, but also secretly said: benefactor, enemy?

I saw Edgar and the others leave.

As they walked out of the gate of Bander Academy, they saw the beautiful Miss Mayvis suddenly turned her head, and then ran towards Li Tian.

This move not only stunned Edgar from Narok College, but also Cindy, and even the students at Bander College were surprised there.

"Hey, isn't that little Nizi the daughter of Rock Academy Dean Augustine Mayvey?" Only one student called out from the crowd.

"Yes, yes, that's her."

"She is indeed the only jewel in the hands of the Dean of the Rock Academy." Someone in the crowd recognized the identity of Mayvis and exclaimed.

"Wow, she is very beautiful."

"Well, it is indeed. I just don't understand. How did this young lady run to the waste student in our college?"

"Yeah, I'm so depressed, isn't it because of that trash student?"

...

In the crowd, when those students from Bander College saw the beautiful Mayvis running towards Li Tian, not only a slight jealousy was revealed in their eyes.

Besides, why did Miss Mayvis run to Li Tian?

"Benefactor." When Mayvis ran to Li Tian's support, she suddenly raised her beautiful eyes to look at Li Tian and then whispered.

Li Tiangang wanted to deny it, but saw that Mayvis continued to say: "You are not allowed to speak, now you just listen to me."

After listening to Li Tian, he had to smile bitterly, and then nodded.

"Although I don't know why you refuse to recognize your identity, I believe you have your problems..."

"Although our Rock Academy is incompatible with your Bander Academy, you didn't care about it that day and you risked saving me...I, I thank you."

After speaking, Mayvis suddenly untied the red rope on her left hand, and saw a small golden bell tied to the red rope. After she took it off, she stretched out to Li Tiandao and said, "To express My thanks, I give this to you."

After speaking, Mayvis stretched out her delicate hand slightly and handed out the little golden bell.

Li Tianyi took a look and said at the moment: "No, no, no, you don't have to thank me..."

What about Mayvis? But he didn't listen to Li Tian continuing to finish speaking, and suddenly he stuffed the golden bell with a red string in his hand into Li Tian's hand.

"Anyway, I have already given it to you, if you don't want it, just throw it away."

After speaking, Mayvis suddenly turned around and ran.

As for Li Tian, looking at the little golden bell tied with a red string, not only was he standing there alone.

In this way, the students of Rock College left.

After they left, the students of Bander College began to criticize Li Tian. Some of their voices were jealous, some were mocking, and some were even sarcasm.

And all of this, Li Tian could hear it, Quandang couldn't hear it.

"Student Li Tian." Suddenly at this moment, Anderson's cold voice came over.

Li Tian looked back at the teacher Anderson and said, "Master Anderson, is there anything else?"

"I ask you, you really haven't been to the Blackstone Mountains a few days ago?" Anderson asked Li Tian, blinking his eyebrows suddenly.

Li Tian smiled bitterly: "Of course I haven't been to... which Rock College students must have admitted the wrong person."

"Well, if you say that, I believe you."

"After all, the Black Rock Mountain Range... With your little patience, if you go, you can only die." Anderson gave Li Tiandao a cold look.

"Forget it, you can go."

Anderson said to Li Tiandao.

Li Tian said silently: "Yes."

Then one person left the teachers and students step by step.

After he left, the teachers also let all the students gathered around dispersed.

At the moment, only the teachers stood together on the square of the Empty Ears Academy.

"Teacher Cyril, Teacher Loft, and Teacher Evelyn, what do you think about this time?" Suddenly Anderson looked at the surrounding wind and fire teachers and said.

Cyril, a wind teacher with a shorter stature, said slightly at this moment: "I think...that Li Tian classmate should not be able to lie."

"After all... after all, he doesn't have any spiritual power in his body! How can he save those elite illusion students from Rock Academy?"

After Na Cyril said this, the teacher of the fire department, Loft, also said: "Cyril's analysis is good. The illusion students of the Rock Academy just now are at least elementary level 2 or above. The fire-type illusion, but they said that even they couldn't deal with the roaring bear king when they were in the Black Rock Mountains... let alone that Li Tian."

"As far as I guess, these Locke Academy students must come to our Academy this time to spy on intelligence! After all, you also know that the Empire Illusion Contest is about to begin... They should be trying to understand our Bander Academy Because of his illusion skills, it's such a scene."

Listening to Loft's words, Cyril on the other side nodded slightly and said, "It makes sense.

After Cyril and Loft finished talking, the teacher Anderson in front of him suddenly raised his head and looked at the beautiful teacher Evelyn on the other side and said: "Teacher Evelyn, how about you? What do you think about this time? ?"

The beautiful teacher Evelyn suddenly smiled and said, "To be honest, I am also puzzled now!"

"I think it's better to wait for the old dean to return... before making a decision."

After speaking, Evelyn suddenly stepped away and left.

After watching Evelyn leave, Anderson snorted in his nose, but didn't talk too much, and then the three teachers also separated.

...

After Li Tian returned to his dormitory, he was thinking about today's affairs.

"Hey, today I have told a big lie for the first time in my life, and it is still in full view." Li Tian thought secretly in that heart.

"But it's okay. Anyway, the colleges and teachers at the college feel that they don't have any spiritual power, and feel that they are a waste student... In this case, then continue to be a waste student." Li Tian smiled slightly. Then, I said in my heart.

"It's just that I am a little ashamed of that beautiful woman." Li Tian suddenly remembered that Mayvis in his mind.

Chapter 2640: Find cheats

Li Tian was lying on the bed alone thinking.

At the same time, he was playing with the little golden bell tied with a red string.

This little golden bell tied with a red rope belonged to the beautiful Mayvis. Li Tian thought of that Mayvis, not only a strange emotion arose in his heart, and then he put the little golden bell in his arms.

Then Li Tian jumped up from the bed, opened the door, and walked to the outside.

I saw that Li Tian actually came to the teacher Morben who was almost killed by him.

When he arrived at Moorben's potion refining room, Li Tian kicked the door open.

After kicking the door open, I saw that poor Moore was curled up in the corner of the room like a dog, his whole body was covered with layers of ointment, and his face was even more covered. Both.

"Yes...is...you?" The trembling and frightened Moore originally saw Li Tiandang walk in, as if he saw the **** of death, looking at Li Tian with extreme fear.

But what about Li Tian? Looking at the trembling Moore, a strange smile suddenly appeared on the corner of his mouth.

"Teacher Moore, how are you?" Li Tian smiled evilly.

That Moore had long lost his former glory, and at the moment it was like a dog replied:

"I...I...well...well..."

Li Tian not only smiled satisfied when he heard Moore's answer.

"Very obedient." Li Tian smiled.

"Come here." Li Tian said suddenly, pointing to Moore.

Moore had heard that he was going to pass, his face pale in fright, and his eyes were full of terror. He stood there with no promise, but finally walked over step by step.

When the sharp-mouthed monkey-gilled Moorben came over, Li Tiandao said: "Moorben, you don't need to be afraid, because I have already sent the students of the Rock Academy away...At the same time, no one in the college knows you let me What about going to the Black Rock Mountains, huh, how? I'm pretty good to you, am I?"

Li Tian sneered at that Moore and said.

After hearing this, Moore quickly said to Li Tiandao there: "Thank you, thank you..."

"Yep."

"Now I want you to do a few things." Li Tian said suddenly.

Moore was afraid and asked, "What's the matter?"

"I want you to find me a few...books about high-level Qi illusions." Li Tian suddenly said.

Moore was not only stunned when he heard that Li Tian actually wanted the "high-level" Qi illusion technique.

what?

"You...you...what do you want?" Moore looked at Li Tiandao incredulously.

Li Tian smiled and nodded and said, "Yes."

Hearing Li Tian's words, Moore's face suddenly showed a strange feeling.

Li Tian felt that Moore's face was strange, and immediately said coldly: "What? Are you still not willing?"

"No, no, no...it's not..." Moore said there quickly.

"Then you don't do it yet." Li Tian stared at that Moorben coldly.

But seeing that Moore said in the most embarrassing way: "I'm not refusing to give you... It's just... It's just... I really don't have the secrets of high-level Qi illusion."

"I'm just an Intermediate Level 1 Qi Illusionist, and I can't cultivate high-level Qi Illusion Techniques at all...so I have never hidden those Qi Illusion Technique secrets." Moore said pitifully.

What he said was actually the truth.

The ability of this teacher Moorburn was originally among the teachers of Bander College, but was the lowest, so he had never collected those high-level illusions!

When Li Tian heard that Moorben said this, he not only angrily said: "You bastard, then what kind of teacher are you? You are a total waste at all."

Namor said at the moment: "Yes, yes, I am a trash...I am a trash."

When Li Tian heard this guy say so, he not only snorted angrily.

He originally wanted to find a few "high-level" Qi illusion cheats here to practice, but he didn't expect that this ***** didn't even have those high-level cheats.

After thinking about it, Li Tian looked at Moor and said, "Then do you have any Qi illusion technique for practicing illusion?"

Na Moore thought for a while and said, "I...I...I only have some elementary qi illusions and some more common qi illusions."

"Give it to me." Li Tian said depressed after thinking about it.

After hearing this, Moore said quickly: "Good, good, good."

After speaking, he hurried to get those cheats, and then ran out from inside, holding three or four pamphlets in his hands.

These three or four booklets are all elementary-level and intermediate-level illusions among Qi illusions.

Li Tian took it in his hand and glanced at it slightly and said, "Okay, I'll take a look at these things."

After speaking, Li Tian picked up the secrets and prepared to leave.

Just as Li Tian was about to leave, Moore suddenly looked at Li Tian's back with a pale face and said, "Wait...wait..."

After hearing that Moorben's voice, Li Tian not only turned his head slowly, took a look at Moorben and said, "What's the matter? Are you okay?"

"I...I...I want to ask you a question..." Moore looked at Li Tiandao in fear.

Li Tiandao: "Ask."

"You...you...your...body...doesn't have the slightest amount of spiritual power...how...how...is it such a terrible Qi illusion?" Moorben suddenly asked.

Thinking of Li Tian's terrifying "Slavery Technique" in his mind, Moore would still tremble with fear.

After Moore finished saying that, Li Tian suddenly showed a very strange smile.

"Who told you that my body doesn't have any spiritual power?"

When Moore heard this, he was shocked at the moment: "You...you...didn't you test it that day...testing the spirit stone...shows that you have no spiritual power at all..."

Li Tian suddenly sneered and said, "That's because measuring Lingshi can't detect my spiritual power at all."

After speaking, Li Tian suddenly stretched out his hands, and then accumulated huge spiritual power from both palms.

The light aura radiating from his palms immediately enveloped the whole room.

Spiritual power!

This is the powerful spiritual power of Li Tian's body!

"Full-level spiritual power!" When Li Tian was exposing the spiritual power of his body, Moorben in front of him was so scared that he sat on the ground.

He was shocked there, completely dumbfounded... completely stunned.

The spiritual power of the original full level can be transformed through the form of an entity! Just now when Li Tian was imagining his spiritual power, Moore saw it with his own eyes.

He has never believed that there are full-level spiritual powers in this world!

Even the sage, Long, who is famous in the world, only has 8 levels of spiritual power, but Li Tian in front of him has 10 levels of spiritual power! !
