

A Killer 2761

Chapter 2761: war

"You kid...what the **** is going on?" Just listen to Otis looking at Li Tiandao with a pair of unbelievable eyes.

But seeing Li Tian sneered and looked at Otis with his eyes full of killing intent.

"Devil, don't you want to absorb Li Tian's spiritual power?"

"Now I'm right in front of you, why? Are you scared? Don't you dare?" Li Tian looked at Otis mockingly.

That Otis is one of the chaos twins! He is the most powerful blood illusionist of the demons.

At this moment, he was furious when he heard Li Tian mocking himself like this.

"Asshole boy, you are looking for death."

"I don't believe it, can you become another person in these few days?"

With a loud shout, I suddenly saw that Otis shot.

Both hands suddenly scratched in the void, but saw two **** ghost claws grabbing straight towards Li Tian's head.

When Li Tian saw his attack, he sneered at the corner of his mouth, and then suddenly turned his feet, but saw that his two legs did not clearly see how they moved... swish, followed by Li Tian's figure. Move straight to the left side like "wind".

Bang, bang.

The two blood shadow ghost claws of Otis couldn't hit Li Tian at all.

"Mysterious Wind Step!"

Undeniably, the speed of this wind system illusion is simply too fast!

Once Li Tian performed the enigmatic wind step at this moment, his entire body was completely invisible, and only a shadow could be seen flying around there.

Na Otis saw that his blood shadow ghost claws were evaded by Li Tian using "High-Order Wind System Illusion", and he was shocked.

"Boy, you are... actually... really good at wind illusion?"

"how is this possible?"

"How could your kid have three illusions in a row, Qi illusion? Thunder illusion? And wind illusion?"

Hearing that Otis said so, Li Tian suddenly sneered.

"Devil, you are wrong."

"I'm not only three, I can far exceed your imagination."

Li Tian spoke, and suddenly both hands rose up, and then two "golden flames" suddenly rose from the palm of his hand.

"Fire?"

"Fire high-level illusion?"

When Otis saw this scene, he almost made it to the ground.

"You kid... kid... you know... fire illusion?"

Just when Otis was shocked there, Li Tian had already urged the art of fire.

But seeing him stretched out his hands, two golden flames flew towards Na Otis.

Otis body volleyed in the air... Then he avoided the two flames of Li Tian in the past, and then, Otis shouted in the air: "Smelly boy, you think you have learned four kinds of illusions, I will cure him. Can't you stop?"

"Hmph, you will still die."

As Na Otis finished speaking, suddenly his hands quickly formed a terrible blood mark on his chest, and then his hands suddenly became bloody... Then a "swastika" pattern suddenly appeared on the top of Li Tian's head. In the air.

"The Blood Seal!"

It was another extremely terrifying trick in this blood illusion technique.

But seeing when this "blood seal" suddenly appeared on the top of Li Tian's head... Li Tian was not only startled.

Then he didn't have time to dodge, but he saw that the terrifying "Blood Sky Seal" had already been pressed... Li Tian wanted to quickly use the "Mystery Wind Step" to escape, but Otis suddenly ejected two from his hands. Blood beads!

Li Tian blocked his backhand and shook away the flying blood beads, only to find that the "blood seal" on the top of his head had been completely pressed on his head.

"Hahahaha, brat, I think you are still alive this time."

"Humph, last time, I spared you your life, I see how you hide this time."

As Na Otis said cruelly at the corner of his mouth, he started to display the "Blood Sky Seal" more and more.

The huge "swastika" word horribly pressed on the top of Li Tian's head. Li Tian wanted to avoid it, obviously it was too late.

Seeing that the "blood seal" is about to be pressed from top to bottom.

At this moment of desperation, Li Tian suddenly began to spread the golden flames of his hands and palms.

Soon, Li Tian's entire body turned into a golden flame...

"Kirin?"

"Flaming Kylin?"

When Li Tian's whole body suddenly turned into golden flames at that moment, Otis in front of him was suddenly shocked.

Looking at Li Tian with those shocked and unbelievable eyes

He was stunned.

shocked.

Because this fire unicorn was used by a great fire illusionist among mankind a hundred years ago... Once this fire unicorn was cast, it would be immune to all illusions! Including blood illusion...

So at the moment when Li Tian was showing the flamed unicorn, Na Otis was stunned.

Just when Li Tian's whole body turned into golden flames, the blood seal on the top of his head suddenly seemed to be invalid.

Li Tian felt the rush of depression all over his body just now... disappeared instantly.

The huge "卍" character also completely stopped on top of Li Tian's head.

Immunized.

The blood seal was really immunized by Li Tian's fire Qilin.

At the moment when Otis was staring in shock with unbelievable eyes, Li Tian suddenly showed a mysterious wind step... his feet were as fast as the wind, and he deceived the demon extremely quickly.

But seeing that Otis was still in shock, he suddenly saw Li Tian attacking at this moment, and he yelled in exclamation, and his feet quickly backed away.

Then he shouted: "Blood escape."

A scarlet, blood-colored protective shield suddenly appeared in front of Na Otis.

Stopped Li Tian's attack.

But no one thought that Li Tian used "Mystery Wind Step" just to get close to Na Otis... what he really did... was not simply to attack Na Otis.

He wants to cast another extremely terrifying illusion.

But he said that as Li Tian's body reached within two meters of Otis' body, his fists suddenly clenched. At that moment, his whole body suddenly curled up like a tornado...

With vigor, all the flying sand and rocks on the ground around were rolled up.

"L Dragon Fist."

With a howl, the dragon screamed wildly, but seeing Li Tian's whole person turned into a gray mad dragon...sweeping terrible vigor, and the wind and sand that was rolled up, suddenly soaring into the sky.

The terrifying fist moves directly from all directions towards the "Blood Escape" of Otis.

Bang, bang, bang.

Otis tried his best to block with "Blood Escape", but if so, his whole body was trembling slightly, but Li Tian's body turned into a gray mad dragon still attacked him there.

Chapter 2762: Leave the canyon

burst!

Just when Otis used "Blood Escape" to block Li Tian's Rising Dragon Fist. .

Li Tianshi displayed the last move of Shenglongquan.

"The flying dragon is in the sky."

The gray and violent dragon suddenly swept all the flying sand and walking stones, and then with a "wow", I saw the mad dragon spiraling up and attacking towards the "Blood Escape" of Otis.

That Otis' "Blood Escape" was completely unbearable.

Only hearing a burst of "puff", Otis's "Blood Escape" finally broke, and at the moment of rupture, Shenglong Fist directly hit Na Otis.

I saw Otis' pupils widened... the whole person looked at the crazy dragon unbelievably.

He can no longer avoid it.

With a loud bang, Shenglong's fist slammed against that Otis.

The demon only felt that the bones of his whole body seemed to be shattered... With a wailing, his whole body was blown into flight.

Then his body hit the ground directly from the air.

what.

He hurts.

Blood flowed out of his mouth.

That Otis fell to the ground, unable to get up, even the entire lanky body was trembling tremblingly, that face that was originally pale as paper, now more like a zombie, choked down there.

His eyes were full of disbelief... He would never have thought that he would be defeated by Li Tian, don't forget, he is one of the famous Chaos Twins!

However, he did lose.

After Li Tian hit him, he slowly recovered his body. The "unicorn" body that was already burning with flames began to fade away at this moment.

Gradually, Li Tian's real body appeared in front of Otis' eyes.

"Devil, now do you still want to **** my Li Tian's spiritual power?" Li Tian walked over coldly and looked at Otis with his murderous eyes.

Na Otis was hit by Thang Long's boxing. At this moment, the bones all over his body seemed to be broken... He wanted to get up, but the pain of the bones made him unable to get up... His eyes were unwilling, angry and despair.....

"Boy...you...how...how could you...become so strong?" Otis vomited blood and looked at Li Tiandao in front of him with difficulty.

But seeing Li Tian sneered: "You will know, it's just waiting for you to go to hell."

After Li Tian finished speaking, his palm suddenly lifted up... and then he was about to slaughter the terrible demon in front of him.

When that Otis was dying, there was a panic in his eyes.

"Wait... don't kill me..." Otis suddenly yelled.

While wailing vigorously, while vomiting blood in his mouth, it seemed so embarrassing and embarrassing.

At this moment, he was no longer the Chaos Twin Demon, he seemed to have become a weak dog.

But seeing Li Tian looking at Otis begging for mercy, he suddenly sneered: "What's the matter? Are you afraid of death?"

There was anger and despair in Otis's eyes...At this moment, Li Tiandao stared at that **** eyes and said, "Boy...Do you know who the old man is?"

"You can't kill me... if you kill me... our entire demons will hunt you down for the rest of our lives." Otis yelled as hard as he could.

Hearing that Otis said so, Li Tian suddenly laughed wildly.

"I know."

"You are one of the two chaos demons of the demon clan..."

"It's a pity, I still want to kill you."

Li Tian suddenly laughed and said the identity of Otis.

But after hearing Li Tian's words, Otis suddenly...there was despair in his pupils.

"you you....."

His mouth uttered two words with difficulty, but it was a pity that Li Tian's killing intent was determined.

The vast palm power accumulated in the palm of his hand, without the slightest hesitation, directly hit the head of Na Otis with a terrifying blow.

Otis's head was instantly shattered by Li Tian...The whole head was filled with blood plasma, and then he fell heavily to the ground and died.

The demon of a generation died tragically in Li Tian's hands.

Perhaps no one thought that this would become a reality, but it is true.

This time, whether it was Otis' carelessness...or Li Tian's fluke...Anyway, in short, Na Otis was dead.

The bleakness of death.

Looking at the body of Otis, Li Tian took a cold look, then turned and walked into the cave.

Li Tian is no longer the original Li Tian.

But after seeing Li Tian returning to the cave, he looked at the corpses of the ancestors on the ground... Suddenly Li Tian knelt down.

"Predecessors... Although you have passed away for many years, the reason why I am able to live today, Li Tian...The reason why I was able to kill the demon... All this is because of the secrets left by the ancestors, all because of the ancestors. The secret book saved me Li Tianyi's life."

"Here, I, Li Tian, bow down to all ancestors."

Li Tian said, "bang, bang, bang" and knocked his head a few times.

After banging his head for a few times, Li Tian moved out the corpses again... and then found a quiet place, dug a hole to bury the skeletons.

After burying the body, Li Tian also specially erected a tombstone.

It's just that he didn't know these ancestors...so he could only write "Tomb of the Unknown Elders" on the tombstone.

Finally, after Li Tian finished everything, he left here quietly.

Now he is going out.

Li Tian walked slowly along this steep stone road, and while walking, he secretly said in his heart: "Ningbing, is it already round with the demon army?"

After all, so many days have passed.

"And I don't know what happened to the human beings and the old Dean Heris. In the past few days, have there been any conflicts with members of the Demon Race?"

Li Tian just thought, while starting to walk out of this canyon.

The canyon is huge and deep.

It took Li Tian a long time to walk out of this deep canyon.

After reaching the top of the canyon, Li Tian looked at the blue sky and took a deep breath.

Now he has plenty of spiritual power... and the illusion arts his body has learned have reached its peak.

After finding the direction of the demon army, Li Tian moved his body slightly... the whole person flew out suddenly, like a wild goose, and disappeared in a blink of an eye.

He still wanted to look for Situ Ningbing, looking for his lover.

I don't know how long it has been since, Li Tian only felt that he was getting closer and closer to the army of the demons.

Suddenly in the desolate wilderness ahead, Li Tian saw hundreds of corpses!

Among those corpses, most of them were humans in armor...fallen in a pool of blood...and many orcs...also died on the ground.

Looking around... the wilderness is full of corpses and abandoned war horses.

There is no doubt that this is the battlefield.

Chapter 2763: betray

Looking at the numerous corpses of human soldiers on this battlefield...and the corpses of half-orcs of the Demon Race, Li Tian was stunned.

"My God, is there a war here?"

Li Tian thought so in his heart, while looking at the corpses.

But seeing that the skin color of those corpses has not changed...

"It seems that this war should have broken out within these two days." Li Tian thought secretly in his heart.

The crows in the distance fell among the horrible piles of corpses, crying sternly, "Crack, croak, croak," the blame.

Abandoned war horse stands alone there...

Miserable and desolate.

"Hey, it would be great if there were no wars." Li Tian looked at the dead soldiers... and the corpses of the half-orcs of the Demon Race could not help but sighed long.

Just as Li Tian was standing in the pile of corpses in the wilderness, a flame that soared into the sky suddenly a few kilometers ahead.

Li Tian was taken aback and looked up at the flame.

"Netherfire flames? Fire illusion,"

"Could it be that someone there is performing illusions?"

When Li Tian saw the purple flame soaring into the sky, he immediately recognized it.

At this moment, he quickly raised his head and looked at the distance a few kilometers away. Then, he stretched his figure and started flying past.

He wants to see and see who is performing fire illusion in front of him.

Soon, but seeing Li Tian's ups and downs, he landed in those few kilometers.

There is a river in the front, and that river is not very wide.

There is still a row of small woods here, but there are dozens of figures fighting in the front place.

Everyone is performing illusions there.

"Someone is fighting?"

Li Tian was taken aback, and quickly moved to the front, then hid in the woods, observing the situation.

I saw that on the other side of the river, dozens of figures were fighting fiercely with illusions.

A fire flashed, but saw a young man in a gray robe... was knocked to the ground... and then screamed and died there.

Immediately afterwards, I saw another gray-robed man and rushed over.

While casting the fire illusion, he yelled at the same time: "Traitor! You human traitors... My Rock Academy is fighting with you this time."

As his yelling voice uttered, Li Tian not only took a closer look, but was shocked at the moment.

"My God, isn't this the Dean of the Rock Academy, Anthony?"

Look carefully, but all the people around him are from the Rock Academy... Among them can be seen Edgar that Li Tian saved in the Blackstone Forest before, but the handsome Edgar is very embarrassed at the moment. , A gray robe was dyed red by blood...

On the other side, you can see the pretty pale and terrified young lady Mayvis.

When Li Tian saw that it was a member of the Narok Academy, he couldn't help being shocked.

"It's them?"

Just when Li Tian was thinking about it, suddenly he saw a sneer voice coming out.

At the very front, an old man wearing a black robe and a gray beard was talking.

"Anthony, I believe you should have heard a sentence, call the people who know the current affairs as a good man. You have also seen that mankind is doomed to escape... The army of the empire has been beaten to pieces... The frontier fortress is about to fall, the next step The demon army will invade the imperial capital! Is it true that you, Anthony, really want to take your college students... to prepare for the destruction of the entire army?"

Listening to the voice at the moment, I saw that the old man with white beard from the Black Shura Academy was speaking? Rutov?

Beside the white-bearded old man Rutov, there are 78 students from the Black Shura Academy!

Among them is the Kane who was in the last illusion contest?

"Anthony, if you choose to surrender to the demons like us now...I might beg for mercy from the saint and let you keep the Rock Academy! If you insist on fighting for humanity, then hehe, I Rutov can only kill him today." But the old man with white beard suddenly smiled.

Anthony, the dean of Narok College, looked pale at the moment and trembled with anger.

And look at the Rock Academy members behind him...34 of them have died, and all the rest have suffered extremely serious injuries.

Only Anthony was still fighting fiercely at the moment.

However, after hearing that Rutov, the Dean of the Black Shura Academy, suddenly said that, Anthony yelled at Narutov's nose with his finger out there.

"Asshole."

"Rutov, you are simply a human shame, you shouldn't be put on human skin."

"As a human... you surrendered to the demons to survive... I am really ashamed of you."

A loud curse passed into Li Tian's ears across the river.

When Li Tian heard these words, at this moment, he couldn't help being shocked.

what?

Did the people of Black Shura Academy betrayed?

They surrendered the demons?

Li Tian became furious as soon as he heard it.

To be honest, during the Empire Illusion Contest, Li Tian was dissatisfied with the Black Shura Academy. Unexpectedly, they turned out to be when the humans needed the most help? Surrendered to the demons?

The more Li Tian wanted to get more angry, he couldn't wait to shoot immediately and kill all those black Shura people.

But he finally held back.

He needs to look at the situation first.

But he said that after Anthony stubbornly scolded the dean of the Black Shura Academy, suddenly the white-bearded old man Rutov snorted coldly there: "Anthony, you are toasting and not eating or punishing wine."

"It seems that my Rutov can only kill you all this time... Are you satisfied?"

Anthony pointed at Narutov's nose and cursed, "Old bastards, even if I die, I won't be like you, go to the Demon Race to be a dog."

When Narutov heard it, he screamed.

"you wanna die."

I want to shoot right now.

Just when he was about to make a move, Kane, who was standing next to him, suddenly spoke.

"Dean, you don't need to deal with him, just let me come." Kane said while facing Rutov in front of him.

When the old white beard heard it, he laughed and looked at the strongest Kane in their academy. Narutov smiled with satisfaction and said: "Very well, worthy of being the No. One student, Kane, go up and kill him."

Kane nodded silently, and then walked towards Anthony.

However, when Li Tian across the river saw Kane walking towards Anthony, he clenched his fists.

"This bastard... At first, I thought he had a good heart... I didn't expect that he was such a despicable villain like the white beard!!!" Li Tian angrily said.

Chapter 2764: I'm coming

Did Kane really rebel?

At this moment, the handsome Kane wore a black robe and walked towards Anthony step by step.

When Anthony saw Kane coming over, he said angrily: "Asshole boy, do you want to deal with Lao Tzu?"

"You better save the time."

After he finished speaking with a roar, suddenly a "flame crit" hit Na Kane.

Fire illusion.

The flame crit sent out a few fire lights in the air, and then a few terrifying fire lights suddenly hit Na Kane from different directions.

As Dean of the Rock Academy, Anthony is certainly not a boast of strength.

With a move, Kane didn't dare to take it carelessly, and his body was vertical, followed by a rapid rotation of his body.

"Thunder shield."

Suddenly a thunder shield was formed around him.

The bang, bang, bang, and flame crit all hit the top of Kane's thunder shield, but Kane's body was slightly shaken and took two steps back.

Immediately afterwards, Kane showed "Thunder Tribulation Slash."

A thunderbolt suddenly and quickly deceived Anthony, and then Kane's body quickly flew towards Anthony.

When Na Kane's body flew towards Anthony, Anthony suddenly showed two flames in his hands, then his left palm and his right hand flickered, and a flame suddenly rushed towards Na Kane.

Kane abruptly dodged, and his body got closer to Anthony.

Just when Anthony was about to make another move, he suddenly heard the whispered words of Kane from his mouth.

"President Anthony...you go quickly, I will resist our dean and others."

Anthony originally wanted to make a move, but at this moment, after hearing a word from Kane, he suddenly stunned.

"You...your boy...what are you talking about?" Anthony looked at Kane incredulously.

Anthony was extremely surprised.

I saw that Kane whispered again: "President Anthony, I will not betray humans, let alone join the demons. Therefore, I will leave Black Shura Academy from now on."

"I will cover you to go...you run out of here...I will resist them."

When Kane's words were uttered, Anthony was completely stunned.

It turns out... It turns out... Kane did not betray humans!

He is a good man.

The reason why he wanted to act just now was to tell Anthony these words.

When Anthony heard it, he understood everything and looked at Kane, "If we go...what will you do? How can you resist Narutov by your own strength?"

But seeing that Kane said: "Just rest assured, I will find a way...hurry up...it will be too late if you don't leave."

Kane said, casting a thunder and lightning illusion, and then forced that Anthony back.

After Anthony retreated, he blinked at the Kane with extremely moved eyes.

Kane was standing on the court at the moment, looking at Anthony and said, "Go...Go."

At the Black Shura Academy over there, Kane had stopped his hand... His expression changed immediately.

I saw a black-robed old man standing next to the Black Asura Dean suddenly whispering to the white-bearded old man: "Dean, that Kane...it seems something is wrong."

But seeing the old man with white beard snorted coldly: "I've seen it long ago."

"This one eats something inside and out."

As the white bearded old man finished speaking, he suddenly raised his voice and said to the court: "Kane, don't pretend to the old man, you bastard! You bastard, dare to eat inside and out? Huh, do you think the old man is watching? Won't you come out?"

After the white-bearded old man finished speaking, he suddenly waved his hand, and the 78 black Shura illusion masters behind him all flew past, and then in an encircled posture, all the people of the Rock Academy... There was that Kane surrounded.

When Kane saw this situation, he said: Oh, it was seen.

Now that he was seen, Cairn simply turned his face.

"Rutov...I Kane will withdraw from Black Shura Academy from now on."

"I won't join the demons with you, even if you die." Kane said loudly to the old white beard.

The old white beard screamed angrily when he heard it.

"You bastard, even the illusion skills you learn are taught by the old man... Just because you want to betray? You want to save the Rock Academy trash? Huh, really wishful thinking."

"Since you, **** boy, chose death... then I will fulfill you."

"Kill me, kill everyone."

Suddenly the vicious old man with white beard suddenly waved his hand, and saw the 78 black Shura illusionists wearing black robes suddenly attacking Anthony and Na Kane.

Anthony saw these people rushing and shouted: "Fight with them."

In an instant, everyone fought together.

But he said that Li Tian, who was on the other side of the river, observing the situation, was not only surprised when he saw this scene.

Huh?

"Then Kane didn't betray humans... It seems that I almost blamed him just now."

Li Tian said secretly in that heart.

When he thought about it, the scene had become a battle.

The students of Narok College...obviously they can't hold it anymore.

Soon, two illusions were killed... the other Edgar was forced to back again.

Anthony here is surrounded by three black-robed elders from the Black Shura Academy...

And what about Kane? It is a master of several other Black Shura Academy fighting alone.

What about Mayvis, the eldest lady of Rock College?

This poor girl, faced with such a fierce battle at this moment, was so scared that she kept retreating. Her strength was not very strong, and the water system illusion only reached the middle level 2... So, it seemed very dangerous at this moment.

Suddenly at this moment, a man with a hooked nose from the Black Shura Academy saw Mayvis, and immediately swept over.

"Thunderstorm."

With a loud shout, he cast a thunder and lightning illusion in his hand and hit Na Mayvis.

Mayvis hurriedly used the water mist shield, but could not block the terrible thunder and lightning illusion.

Seeing that little beauty Mayvis is about to be hit...

She was so frightened that she screamed "Ah".

At this moment... in the woods on the other side of the river, suddenly a row of birds were startled to fly.

Flapping, fluttering, but seeing a group of birds flying out of the woods.

At this moment, I suddenly saw a figure shooting towards here at an astonishing speed.

"I'm coming."

There was a loud shout, but he saw that his figure had swept over.

And at this moment, seeing that Mayvis was about to be hit by the thunder and lightning illusion used by the black Shura man with the hook nose... but at the moment his "thunderstorm" hit.

Suddenly a terrifying "flame" swallowed him.

The guy from the Black Shura Academy didn't react at all... and then his whole body was burned by flames.

what!

With a scream, the person was swallowed by the golden flames... His whole body was burned by the flames, and the whole person screamed there... Then he fell to the ground, burned to death by the terrible flames alive.

Chapter 2765: One thunder, one fire

In a blink of an eye, a fellow from the Black Shura Academy was burned alive by the "flame".

When one of the Black Shura illusion masters was killed suddenly, the Black Shura illusion masters who were already fighting over there couldn't help being taken aback.

"Who?"

"Who killed our people?"

At the moment, the old white beard yelled loudly.

The rest of the Black Shura illusionist masters, as well as Anthony of Narok Academy, and Kane, not only turned their heads.

They saw a figure standing in front of Mayvis.

what?

"Yes... is... is it him?"

"Yes... Li Tian? Bander College... Li Tian?" An exclamation came out from Edgar's mouth.

Looking closely, it was Li Tian who saved the life of the little beauty Mayvis.

It turned out that Li Tian finally made a move.

At this moment, Mavis blinked a pair of beautiful eyes. The moment she saw Li Tian... her eyes flushed, and the whole body suddenly hugged Li Tian from behind.

Li Tian was suddenly hugged by a soft and fragrant body behind him, and couldn't help being taken aback.

"Miss Mayvis..." Li Tian said awkwardly.

The words hadn't come out yet, but Mayvis was already crying.

"Thank you... Thank you for saving me... I'm so scared!"

She said, crying in fear.

Li Tian looked at Ke Ren'er who was crying in his arms and couldn't help raising his hand and patted Mayvis on the head gently.

"Don't cry, you will be fine with me."

After hearing Li Tian say this, Mayvis in front of her suddenly raised her eyes to look at Li Tian... and then nodded vigorously.

At this moment, everyone was looking at the scene at this moment in astonishment.

Anthony of the Rock Academy... was even more stunned. The people at the Rock Academy who were badly injured... were all surprised there. No one thought... Li Tian would appear here inexplicably.

Just when Li Tian appeared, the white beard old man over there... and the other people in the Black Shura Academy saw Li Tian.

"It's him? It's this ***** brat."

"This guy...isn't it the ***** kid who made us ugly at the Black Shura Academy last time in the Empire Illusion Contest?" Just listen to the black-robed elders from the Black Shura Academy shouting there.

The old man with white beard was also surprised at this moment, looking at Li Tian at that moment with an angry look.

"Smelly boy, there is a way to heaven, you don't go, there is no way to hell, you come... this time, he is really looking for death." The white beard old man's eyes revealed an extremely cruel light.

As the white-bearded old man from the Black Shura Academy suddenly said this, the masters of the Black Shura Academy who were next to him suddenly moved towards Li Tianwei.

Li Tian slightly raised his head and glanced at these Black Shura illusionists who betrayed humans. At this moment, a murderous intent appeared all over his body.

"President Anthony." Suddenly a word came out of Li Tian's mouth.

When Li Tian yelled out the five words "President Anthony", Anthony was taken aback, and then looked at Li Tian in surprise.

But seeing that at this moment, Li Tianzai continued and said: "These guys from the Black Shura Academy...have all betrayed humans? They surrendered to the demons?"

Anthony heard Li Tian's question and said, "Yes."

"Things inferior to pigs and dogs." Li Tian suddenly roared.

"Dean Anthony, you first take the people from your academy... to one side to have a good rest... These dog things, leave it to me to deal with them." Li Tian said suddenly, carrying Sen Han there. He looked at the white beard old man and the remaining Black Shura Academy illusion masters.

Then Anthony was slightly startled when Li Tian said this.

amount?

"You want... to deal with them alone?" Anthony looked at Li Tian incredulously.

Even Edgar next to him... and the Kane who turned to the dark and turned to the bright side can't help but froze slightly... They all blinked at Li Tian with unbelievable eyes.

he?

He actually said that he wanted to deal with so many people in Black Shura Academy alone?

Bragging?

But seeing that Li Tian didn't mean to be joking at all, he said: "Yes, you are all injured. Go and rest first."

Li Tian, who was saying this, had already walked towards the court step by step.

Then Anthony saw that Li Tian really planned to deal with all the masters of the Black Asura Academy alone... His pupils were wide.

Although he knows that Li Tian is somewhat capable... and knows how to use Qi illusion... However, with his strength, he is not at all an opponent of those characters in the Black Shura Academy... How dare he release such crazy words at this moment?

Just when Anthony still wanted to talk, suddenly the old white beard from the Black Shura Academy yelled out in anger.

"Asshole boy, are you looking for death?" The old white beard stood in the crowd, pointing Li Tian cursed.

But seeing Li Tian sneered and looked at the old white beard and said: "I thought you were still human...but I didn't expect...you are not even humans. Things that are inferior to pigs and dogs, betray humans at this time. Join the demons."

"Today, I am going to kill all of you dogs in human skin." Li Tian said, while a very vicious killing intent emerged from his body.

When the old man with white beard heard this, he laughed wildly and said: "Damn boy is really blatant...Just relying on you, a sucker? Want to stop me?"

"Humph, seek your own dead end."

"Kill, kill him."

"Bring me his head."

Following the roar of the old white beard, the two masters of the Black Shura Academy standing beside him suddenly replied, "Yes."

Immediately afterwards, he saw the two black-robed old men flying towards Li Tian together.

One of them has thick eyebrows and big eyes, and his eyes are gloomy.

The other is skinny with extremely high cheekbones, and he uses fire illusion.

One of the two performed a high-level illusion of the Thunder system: "Thunder and lightning axe!"

And the scrawny old man in black robe used the technique of underworld fire.

However, seeing two groups of purple flames accumulated in the palms of his hands... and then seeing his virtual hands shaking, the two groups of purple flames suddenly flew towards Li Tian together.

Lightning and Fire.

Two extremely domineering illusionists attacked Li Tian in this way.

But he said that just in this thunder and fire, when the two black Shura Academy illusion masters hit Li Tian, Anthony and Kane and others over there not only showed a worried light on Li Tian.

After all, these two black-robed elders are both illusion teachers from the Black Shura Academy!

Their power should not be underestimated.

Chapter 2766: escape

Seeing the two old men from the Black Shura Academy attacked.

Suddenly at that moment, Li Tian flew up.

His feet were like the wind, his body was as light as a swallow, and he swept like a gust of wind, and his figure suddenly disappeared in everyone's eyes.

Mysterious wind step.

When Li Tian's figure disappeared in a "swish" at an extremely fast speed, everyone present was shocked.

Especially the two black-robed old men from the Black Shura Academy who attacked Li Tian.

"What about people?"

They had already used illusion to deal with that Li Tian... but when they hit it, they found that the person was gone.

Just when the two black-robed old men were extremely surprised, a cold voice suddenly rang from behind them.

"I am here."

The voice came from behind the two old men in black robes.

Looking closely, it turned out that Li Tian didn't know when he arrived behind the two black-robed old men.

what?

When the two black-robed old men heard Li Tian's voice... they couldn't help being shocked.

The two hurriedly looked back... but seeing Li Tian at the moment was indeed standing behind them.

"This kid... how is it like ghosts? So fast?"

"Yeah, it's incredible." The two black-robed old men suddenly screamed there.

None of them thought that Li Tian could reach such a fast speed.

At this moment, even Anthony of the Rock Academy on the other side...and the other people in the Black Shura Academy...including the old man with white beard was shocked there.

"The dean... that... that... the kid seems to be using wind magic spell?"

Suddenly, beside the old man with white beard, an old man in black robe uttered a word.

When he finished saying that, the old man with white beard shook his head unbelievably and said, "No...no...impossible."

"That stinky boy used Qi illusion before...How could he use wind illusion again?"

"In the Lingtu Continent... it is absolutely impossible for a person to practice two illusions at the same time, unless it is a god." The old white beard said negatively.

Just when the old man with white beard said so, the two old men in black robes over there shot again and attacked that Li Tian.

This time Li Tian didn't dodge anymore, but suddenly his right hand flickered, and suddenly a "purple thunderbolt" appeared in his right hand.

"Raiden?"

"Thunder and lightning illusion?"

When everyone saw the purple thunder and lightning light suddenly appeared in Li Tian's right hand, they all screamed.

Everyone knows that Li Tian used to be learning Qi illusion, but now a purple thunder and lightning appeared on his right hand! ! !

"Oh my God, how can Li Tian know thunder and lightning illusion? Does he... can double illusion?"

Just when everyone was shocked there, Li Tianshi suddenly displayed the Purple Thunder Seal.

Two extremely thick purple thunder and lightning rays... suddenly fell from the sky, directly hitting the old black Shura Academy who used thunder and lightning magic.

The black-robed old man was taken aback and saw the "Purple Thunder Seal" hitting him...the moment he was shocked, he quickly used the "Thunder Shield" block.

Unfortunately, it is too late.

The purple lightning struck him suddenly, and with a bang, the black-robed old man's head was hit by the purple lightning.

what.....

There was a horrible scream, but seeing that the black robe old man's entire body was struck by thunder and lightning, he suddenly trembled and fell to the ground with a plop.

died.

He died instantly under Li Tian's "Zi Lei Yin".

After that guy died, the other scrawny old man in black robe showed horror on his face.

He also couldn't believe that Li Tian could have dual-system illusion! !

Just when he was shocked, Li Tian suddenly flew towards him.

The scrawny illusionist was shocked, and his body quickly retreated.

But Li Tian's five fingers suddenly opened, and the slave Qi technique directly lived on the body of the black-robed illusionist...The skinny illusionist had not yet opened his fire escape defense, and was directly controlled by Li Tian using the slave Qi technique.

Then Li Tian suddenly stretched out his hand and inhaled, but saw the skinny illusionist's body flew towards Li Tian.

Li Tian's five fingers were like grabbing, and suddenly he grabbed the guy's head fiercely.

Ahhhhh!

The scrawny guy was tightly grasped by Li Tian's head... Then Li Tian grabbed his heart to accumulate strength, and squeezed the illusionist's head fiercely.

The illusionist's body was convulsed and trembling...Finally, the seven orifices bleed, and the whole body fell to the ground with a plop.

died.

No one thought that Li Tianneng would kill the two illusion teachers of the Black Shura Academy in such a short time.

At this moment, it's not just Anthony from Narok College... they are dumbfounded.

Even the old man with white beard who surrendered to the demons was speechless.

"That kid... kid... can perform two illusions at the same time? Oh my god, am I right?"

"Yes, he does know two kinds of illusion." I saw those Black Shura Academy wearing black robes muttering there.

Even the old white beard's eyes widened.

"The Dean..."

Suddenly the illusionists of the Black Shura Academy, after seeing their two teachers die so quickly under Li Tian's hands, there was an invisible fear on everyone's face.

At this moment, they all raised their faces and looked at the old man with white beard.

After hearing the voices of his subordinates, the old white beard also looked ugly at the moment, looking at Li Tian there.

He already felt something was wrong with things today.

The current "Li Tian" is no longer the original Li Tian.

After thinking this in his heart, he suddenly felt that he shouldn't be in love here anymore.

"Go, let's leave here." Suddenly the old white beard said a word there.

After he said these words, the black Shura Academy masters behind him followed the old man with white beard, all of their bodies stretched, and then fled to one side.

Watching the old man with white beard escape with his men.

Li Tian sneered: "Escape?"

"Can you escape?"

After Li Tian's words were finished, he was ready to display the "Mystery Wind Step" to chase after him. At this moment, Anthony called Li Tian.

"Li Tian, don't chase."

After Anthony's voice was uttered, Li Tian turned his head slightly, and then he really didn't go after the black Shura Academy who had fled...turned his head and looked at Anthony in surprise.

"President Anthony, why don't you let me chase those bastards?" Li Tian looked at Dean Anthony and asked.

But seeing Anthony said there: "I am worried about fraud ahead, so it is better to be careful."

Chapter 2767: Curse of blood

After listening to Dean Anthony saying this, Li Tian finally did not chase after him.

I saw a lot of people killed and wounded on the Rock Academy...Four bodies of Rock Academy members fell on the ground.

The rest, except for Anthony and the beautiful Mayvis... the rest were more or less injured.

Looking at the corpses, Anthony said to the pair of hands: "Everyone rest here and recuperate."

After hearing Dean Anthony's words, everyone around there nodded quickly.

Then they sat down by the barren river, and one by one began to heal their injuries.

At this time, Anthony walked towards Li Tian.

"Li Tian, why are you here?" Just listen to Anthony looking at Li Tian curiously and ask.

"By the way, last time... when Lao He and the others went back... I didn't see you... Where did you go all this time?" Anthony continued looking at Li Tian and asked.

When Li Tian heard Anthony say this, he smiled bitterly and said: "It's okay, I just did some personal affairs these days."

Then Anthony knew that Li Tian didn't want to say it, so after thinking about it, he didn't ask too much.

"Today, thank you anyway! If it weren't for you, I'm afraid our Rock Academy might really be annihilated here today." Anthony sighed there.

Li Tiandao: "I just happened to pass by."

"You kid don't be humble."

"By the way, Li Tian, can I ask you one thing?" I only heard Anthony staring at Li Tiandao with a serious face suddenly.

Li Tiandao said: "What's the matter?"

"Did you use lightning illusion? Didn't you always use air illusion before... can you actually use two illusions at the same time? Thunder? And qi?" Anthony said, staring there. Eyes looked at that Li Tian.

After listening to Anthony's question, Li Tian didn't hide it, so he said, "Yes, I did learn the thunder and lightning magic."

After hearing Li Tian suddenly say this, Anthony suddenly screamed.

what!

Although he had already seen that Li Tian did indeed know two kinds of illusions, he couldn't help but screamed when he heard Li Tian say this in person.

"You...you...do you really know dual-system illusion?" Anthony was surprised.

Li Tian frowned slightly and said, "Yes..."

"It's incredible, my God, it's so shocking."

"Li Tian, do you know? Throughout the ages in the Spirit Earth Continent, I haven't heard of anyone who can practice two illusions at the same time...but...but...you actually have this ability?" Anthony said, looking at Li excitedly. day.

Li Tian almost said: He is not actually a person in this world.

But Li Tian, who thought about it, did not say anything.

He just smiled slightly there.

He did not say that he knows several other types of illusion...including wind? Including fire department.

If Li Tian told all the illusions he knew, then Anthony would probably faint.

"It's incredible, it's shocking." Anthony said to Li Tian who was still on the other side.

Li Tian didn't talk too much.

Then Anthony spoke for a while, and Li Tian finally found a chance before asking.

"Dean Anthony, may I ask, why are you here? And how did you meet that **** group of Black Shura Academy people?" Li Tian asked only to ask.

He still doesn't know what is going on, so he wants to ask clearly.

After Dean Anthony heard what Li Tian said, he not only sighed deeply: "Hey, this is a long story."

Li Tiandao: "I listen with respect."

Then Dean Anthony said: "Li Tian, you are not in the barracks these days... I don't know what happened... Actually, a lot of things have happened in the past few days."

"First of all, our empire's army has lost two more big battles one after another...The death toll is also more than once!"

"Presumably you should have seen the mountains of corpses a few kilometers behind... Those are left over from the war the day before yesterday."

After hearing what Anthony said, Li Tian suddenly thought of the corpses he saw when he rushed over.

So he nodded there and said: "I have seen those corpses."

Anthony then continued: "Not only this time, our imperial team has lost two big battles in a row, and a very strange thing happened in our army."

Weird thing?

When Anthony said that, Li Tian not only frowned slightly.

"What do you mean?"

Just listen to Anthony saying: "Since the war ended the day before yesterday, people in our army began to bleed and die... When they died, they were all very strange. Everyone seemed to have some kind of sudden illness... Suddenly died suddenly. ! From the day before yesterday to where we are now... We have already killed more than twenty soldiers."

Li Tianyi became depressed when he heard it, and couldn't help but lining up in his heart: Are there such strange things?

"Then in the end? Did you find out what was going on?" Li Tian asked quickly.

Anthony shook his head there.

"We did not find out."

"However, your old dean of Bander College... said that the reason why these soldiers died suddenly and violently bleeding was because they had suffered an extremely cruel blood curse." Anthony said.

"Blood curse?" Li Tian had never heard of such an illusion... At this moment, he was not only slightly surprised.

But seeing that Anthony said there, "Yes."

"Blood curse is a high-level terrifying blood illusion... This illusion has been lost many years ago... Looking at the entire demons, there are very few people who can meet... But I did not expect that this time This blood curse technique appeared on the battlefield." Anthony said with an extremely ugly face.

Li Tianyi heard, "What should I do? Is there no way to stop this blood curse technique?"

Anthony said, "Yes, but it's difficult."

"Because this blood curse technique relies on others to curse each other with blood... Once cursed, you will die."

"The only thing that can be cracked is to kill the spellcaster, kill the blood illusionist." Anthony said.

Li Tianyi heard there, "Oh, that's what happened."

Anthony said: "Yes, that's why General Torre sent us Rock Academy... to the front line to investigate the whereabouts of the blood illusionist who casts the spell... It's a pity that we were here and met the **** Black Shura Academy. Dog thief." Anthony exclaimed angrily.

Chapter 2768: Demon Army

Li Tianyi finally understood what was going on.

It turned out that these people from Na Rock Academy were looking for the illusionist who used the blood curse... But they didn't expect that they would run into the white beard group here.

After thinking about it, Li Tian said there, "Black Shura Academy really betrayed all human beings?"

Anthony angrily said: "Yes."

"That dog thief Rutov... really shameless."

"In addition to Kane, the remaining Black Shura students have all joined the demon camp."

Anthony said, turning his head to look at the handsome Kane over there.

But seeing that Kane stood there from beginning to end, he didn't speak much.

At this moment, Li Tian not only turned his head slightly and looked at Kane in front of him.

"Kane is a good person." Anthony said to Kane again.

Kane still did not speak.

Li Tian looked at Kane, and suddenly a smile appeared on the corner of his mouth. He looked at Kane and said: "I really didn't misunderstand you..."

Kane also spoke at this time, and he said, "Thank you."

"I just don't want to be a betrayer, let alone betray my country."

When Li Tian heard that Kane said so, his heart became more and more admired.

"President Anthony, what are you going to do now?" Li Tian looked at Anthony and asked.

Anthony sighed slightly there, "Nothing, I can only go back to the army... and join General Torres."

After hearing what Anthony said, Li Tian nodded slightly and said, "Well, it's good."

"Dean Anthony, please say sorry to the old Dean Khris for me..." Li Tian said to Anthony suddenly there.

Anthony suddenly heard Li Tian say this, his brows not only frowned, he looked at Li Tian in surprise, "Li Tian, what do you mean?"

"Don't...you...you don't come back to the imperial army with us?"

I saw Li Tian nodded with a wry smile and said, "Yes."

"Dean Anthony, it is true that I have my own business, so I can't go back now."

Then Anthony said, "But...the Empire's army really needs a powerful illusionist like you."

Hearing Anthony say so, Li Tian could only silently shook his head.

For his lover, for Situ Ningbing... Li Tian is willing to do anything.

Now he has only his love in his mind! So he had to find Situ Ningbing.

Then Anthony was disappointed when he saw Li Tian shook his head and refused.

After all, the emperor team... Indeed, there is a need for a powerful illusionist like Li Tian.

"Forget it, since you have your own business, I can't force you." Anthony finally said helplessly.

"I promise you, I will tell Lao He what you said." Anthony said.

After listening to Anthony say this, Li Tian smiled and said, "Thank you."

Anthony said: "You are welcome, this time, all our lives are saved by you... According to the truth, we should thank you."

The two chatted for a while at last.

"I should go." Li Tian said suddenly after staying for a while.

"So fast?" Anthony asked in surprise.

Li Tiandao said: "Yes."

Listening to what Li Tian said, Anthony thought for a while and looked at Li Tiandao: "Well, since you are ready, I can't delay you any more."

"However, can you tell me where are you going?" Anthony asked at last.

Just listen to Li Tian smiled slightly, the corner of his mouth said: "Devil."

After Anthony heard Li Tian say this, he was shocked. Before he had time to ask why he went to the Demon Race, it was a pity... After Li Tian said this sentence, his body suddenly stretched. , The whole person was like a wild goose, and disappeared in an instant.

he's gone.

Looking at the disappearing figure of Li Tian, Anthony stood there blankly.

"This guy...will become a legend." The muttered words suddenly came out of Anthony's mouth strangely.

At this moment, the beautiful Mayvis ran over.

"Dad, Li Tian... Li Tian is gone?" Mayvis looked at Anthony with a pale face.

Just listen to Anthony said: "Yes."

When Mayvis heard it, her beautiful eyes suddenly turned red.

Turning around and looking at the direction where Li Tian disappeared, pacing on his little angry feet...

"How can this be... when you leave... don't tell me!!!"

There were tears in Mayvis's beautiful eyes.

...

Li Tian has indeed left.

He is now continuing to swift quickly towards the west.

This west area is said to be the base camp of the demons.

"Ningbing may be here." Li Tian thought secretly in his heart while flying.

The farther west you go, the more desolate the place is.

No one knows whether Li Tian can find his favorite this time.

...

The westernmost area.

From a distance, you can see a large army of orcs stationed there.

The black army is densely packed, occupying the entire wasteland.

On the densely packed Mozu army position, there are also marching tents erected one after another.

Here is the army of the demons.

This is the base camp of the Mozu army.

One hundred thousand army.

There are tall, hideous half-orcs with heavy swords in their hands...There are also snow-white ice wolves, and some extremely terrifying strange beasts...

In the middle of the demon army, the largest tent was erected.

But seeing that there are all blood illusionists wearing black robes standing outside the tent... They are scattered and standing outside the huge tent like guards.

Suddenly at this moment, a white-faced Demon Blood Illusionist wearing a black robe quickly ran over from a distance, and before reaching the huge tent, he knelt on the ground with a plop.

"Enlighten the saint, there is a battle report." He knelt outside and said.

After his voice came out, a cold and sweet voice suddenly came from inside the tent.

"In."

The sound is cold, like ice cubes.

Then the demon blood illusionist who was kneeling on the ground quickly said: "Yes."

He quickly got up from the ground, then slowly opened the tent and walked in.

The tent is very luxurious, and even the ground is covered with a very soft blanket.

In the innermost part of the tent, there was a layer of light gauze. At one end of the light gauze, I saw a peerless beauty covered in black robe. She was the Situ Ningbing and the saint of the demon race.

Chapter 2769: Old disease?

But seeing that the demon blood illusionist in the black robe came in, he didn't even dare to look directly at the Situ Ningbing.

With a direct thump, he knelt on the ground first, and then quickly said in his mouth: "Enlighten the saint, the human Black Shura Academy who has just surrendered are back."

When Situ Ningbing heard this, he said coldly: "Really?"

"Where are they?"

The blood illusionist in the black robe quickly replied, "Standing outside the room."

"Let them in." Situ Ningbing said.

"Yes, saint." The demon blood illusionist who was kneeling on the ground said quickly.

Immediately afterwards, the blood illusionist of the demon race hurriedly called the guys from the Black Shura Academy outside.

Soon, but seeing the white beard old man leading the 78 Black Shura Academy, the more powerful illusionist walked in from the outside with his head down.

"Kneel to the saint."

The old white beard was like a dog. After seeing Situ Ningbing, he knelt on the ground and said.

The rest of the Black Shura Academy quickly followed the white beard Rutov and knelt down.

Situ Ningbing didn't even look at them directly, and asked coldly, "How is the matter? Have you killed those human illusions?"

It turned out that Situ Ningbing sent the guys from the Black Shura Academy to kill Anthony and the others.

After Situ Ning's cold voice asked, the white-bearded old man Rutov was slightly taken aback, and then quickly replied: "Sorry, saint, we...we are halfway... In trouble, so..."

When Rutov said this, Situ Ningbing suddenly showed a cold killing intent on her pretty face.

"So, you didn't complete the task, right?" Situ Ningbing suddenly turned her cold beautiful eyes and stared at the old white beard.

The old man with white beard knelt on the ground at this moment and quickly said: "Please forgive me...we once."

"Forgive?" Situ Ningbing suddenly sneered.

"You rubbish... even this thing can't be handled well, why should I forgive you?" Situ Ningbing suddenly said coldly.

When the old man with white beard heard what the saint said, he knelt on the ground and begged for mercy: "Holy saint, we could have killed the human illusionist this time... but he didn't expect... suddenly a **** kid... ...He can use dual-system illusion...so, we didn't complete the task."

"Holy woman, please give us another chance... next time I promise that I will definitely kill those human illusions." Rutov begged Situ Ningbing there.

After listening to what the white beard Rutov said, Situ Ningbing's beautiful eyes suddenly wrinkled slightly.

"What did you say?"

"Say, there are people among human beings who can perform dual-system illusions?" Situ Ningbing asked in surprise.

But seeing Rutov there quickly nodded and said: "Yes, yes."

"Really? I heard...Illusory arts, one person can only practice one type, absolutely no one can practice two different illusion arts, are you sure you are not mistaken?" Situ Ningbing asked again.

Rutov quickly said, "Absolutely not, saint, I assure you."

"That kid is very strange, he really can perform two different illusions." Whitebeard Rutov now recalled that weird Li Tian, and he was still shocked.

When Rutov heard Rutov's words, Na Situ Ningbing secretly said: He didn't look like he was lying.

So he asked there and said: "Okay, this saint believes you once, you tell me now, what is the name of the guy who can perform dual-system illusion?"

Rutov then said, "That **** kid's name is: Li Tian."

When Rutov in front of him uttered the words "Li Tian", Situ Ningbing didn't know why, and suddenly he shook his heart.

Then Liu Mei suddenly wrinkled at that moment.

"Li Tian..." She seemed to know the name, and said in the dark.

Then I thought about it in my mind, but no matter how I thought about it... I couldn't remember it.

Seeing the "saint" muttering the name of "Li Tian" silently, the white-bearded old man Rutov did not dare to speak too much, but continued to kneel on the ground with his hands.

At this moment, I saw the "saint" continue to mutter "Li Tian" slightly in her mouth.

As he read, suddenly Situ Ningbing's head began to have severe pain.

what.....

A cry of pain came from Situ Ningbing's mouth, and then her two delicate hands held tightly the head of the splitting headache, and her tender body suddenly fell to the ground.

The white-bearded old man Rutov suddenly fell to the ground with a headache when he saw the "saint", and couldn't help being stunned for a moment.

"What's the matter?" Rutov exclaimed.

Then he quickly got up from the ground and ran outside and said: "Quick, come on, there is something wrong with the saint, something has happened to the saint."

As Narutov's voice shouted, suddenly, two figures in black robes swept over from the armies of the army.

But seeing the two black-robed figures rushing over quickly, they suddenly reached the tent.

Look carefully, the first black-robed man is extremely short, with a fair and treacherous face.

He is one of the two chaos demons: Morodo.

The second black-robed man is slender, with long hair draped over his shoulders. His face is angry and ferocious, and his eyes are bumpy, like the eyes of a dead fish. Most importantly, his black robe is printed Weird "blood" pattern.

The two arms inadvertently exposed from the sleeves are covered with strange tattoos.

But it was said that after the blood illusionist of these two demons suddenly came, Narutov was shocked and quickly backed away.

The two blood illusionists didn't even look at Rutov and the others, and coldly said in their mouths: "Everyone, get out."

After Morodo, one of the two chaos twins, said so, the white beard old man in front of him and the rest of the Black Shura Academy illusionists all retreated like dogs.

After they withdrew, they saw Morodo, the chaos dual demons, and the very strange-looking guy with a "blood-colored" pattern on his back walking into the tent.

At this moment, the two looked up and saw the painful Situ Ningbing who was holding his head in pain on the ground.

"Holy girl?" Morodo exclaimed, swept away, and hurried over to help Situ Ningbing.

Another guy, with those bumpy eyes open at this moment, said to you suddenly: "The saint's old illness has relapsed."

"We both healed the saint." Morodo said suddenly.

Another demon blood illusionist nodded quickly and said, "Okay."

Then the two of them slowly helped Situ Ningbing up, and then began to slap the "old wounds" for Situ Ningbing.

How could Situ Ningbing get sick?

Chapter 2770: Gorefiend

The two Demon Blood Illusionists wearing black robes just started to heal the "Situ Ningbing".

At this moment, the white-bearded old man Rutov and the other members of the Black Shura Academy were all driven out of the tent.

After they walked out of the tent, they looked at the tent where "Situ Ningbing" was healing, and after one last glance, they left silently.

In a resident tent, I saw the old man with white beard and the students of Black Shura Academy beside him staying there.

"President, what the **** was going on with the saint just now?" A black robed black man standing on the left side looked at the white beard old man Rutov and asked.

But seeing Narutov frowning deep there and saying: "I am not too clear, but I heard people say that this saint seems to have an old disease."

"Moreover, it is said that this saint's life experience is very strange."

When the people around him heard what the old white beard said, they were not only slightly startled.

"Dean, what do you mean?"

The white-bearded old man Rutov said: "Presumably you should also know that the Demon Race has always been patriarchal, but this time...The Demon Sovereign let a woman lead such a huge army, it is incredible."

After the white-bearded old man said so, the surrounding members of the Black Shura Academy nodded silently and said, "The dean's analysis is good."

"Indeed, there are really very few women among the demons."

"I really don't understand, what is the origin of this saint."

They were muttering suspiciously in their minds in front of them.

...

But what about Situ Ningbing?

After being treated by Morodo, one of the Chaos Twins, and another blood illusionist with a "blood color" pattern tattooed on the back of his body, Situ Ningbing finally woke up slowly.

Her face was still slightly pale, and when she woke up, her head still felt groggy.

"Knock to the saint."

Morodo, and another blood illusionist with a "blood color" pattern tattooed on the back of his body, knelt on the ground and faced Situ Ning Bingdao.

But seeing Situ Ningbing slightly touched his dizzy head with his hand, then slightly raised his head and glanced at them in front of him.

Then he said, "My old disease has relapsed again?"

But seeing that Morodo answered there and said: "Yes."

"Saint, please take care of your body, don't worry about war, I will definitely destroy the human army this time."

After Situ Ningbing heard Morodo say this, he raised his hand and rubbed his head slightly.

"Tell me, when will my headache be cured?" Situ Ningbing asked suddenly there.

Listening to Situ Ningbing's sudden question, Morodo and another blood illusionist in front of him were not only taken aback for a while, and then the expressions of both of them became slightly ugly.

But it was still Morodo speaking there.

He said, "Saint, your headache...it takes time...but you can rest assured that we will try our best to cure your headache."

Hearing what Morodo and another blood illusionist said, Situ Ningbing showed a bitter smile.

Then there was no more words.

"Forget it, you two go out, I want to be alone." Situ Ningbing said.

After Situ Ningbing said this, Morodo and another blood illusionist in front of him nodded together.

Then both of them quickly retreated.

After they retreated, Situ Ningbing stayed alone in the huge tent.

Her beautiful eyes were blinking...There was a person's name in her mind...but that name...Situ Ningbing didn't remember clearly, she only thought that name was so familiar, but who was it? She didn't know.

The name is: Li Tian.

...

It was said that after Na Morodo and another weird blood illusionist left, they arrived outside the tent.

"Blood Demon, the saint's disease, what do you think?" Suddenly, Morodo looked at the blood illusionist with a white face and convex eyes.

It turned out that his nickname was: Blood Demon.

What a weird name.

After hearing Morodo say this, the blood demon suddenly said, "I don't know..."

"But I know that since the saint came to our Demon Race, she seemed to have forgotten all of her previous things." The blood demon said.

Morodo nodded there suddenly and said, "Yes."

"She really can't remember the past."

"So, I personally think that the saint's headaches should be related to her previous things. If you want to cure the saint's headaches, you must remind the saint of her things before." The blood demon said again. One sentence.

Hearing what the Gorefiend said, but seeing Morodo shook his head and said, "No."

"The demon emperor has already ordered... we must never tell the saint about her disappearing memory." Morodo said.

Hearing what Morodo said, the blood demon could only say, "Yes."

"Forget it, you and I shouldn't bother about it. Right now, it's better to solve the human army as soon as possible." Just listen to Morodo.

The blood demon suddenly gave a grimace.

"Don't worry, I have already released the blood curse in the human army. Just wait. In less than ten days, the human army will die many people. Hehehehe." As he said, the blood demon was suddenly weird. Laughed.

The voice is high-pitched and ugly.

Then Morodo suddenly laughed and said, "Very good."

It turned out that the blood curse technique among humans was released by this terrible demon.

Gorefiend.

"Once the human army is defeated, we will be able to occupy the human capital." Morodo suddenly smiled with a fierce flame burning in his eyes.

"Yes."

"By the way, Morodo, where is your brother? Where's Otis?" Suddenly the gorefiend looked at Morodo and asked.

Otis?

Another demon of the Chaos Twins.

At the moment when the blood demon asked, Morodo frowned and said, "I don't know."

"Last time, he said he went to the Valley of Life and Death to do something. Until now, he hasn't heard anything from me, and I haven't seen his shadow." Morodo said there.

After hearing that Morodo said this, the blood monster smiled and said: "It is better to get your brother back as soon as possible. After he returns, we will begin to slaughter those weak human illusions."

Morodo smiled darkly and said, "Don't worry, Otis will be back soon."
