

A Killer 2851

Chapter 2851: Fed up

help?

If this is the time before, then Morodo and the Blood Witch King heard the other party say so, they would have to kill each other!

But today is different. Today is the yin and yang boy next to Shura who speaks, so even if the blood witch king and Morodo are extremely angry, there is no way.

Because they can't afford to offend!

No one dared to offend that Shura.

Just listen to the little girl with beautiful eyes floating in the void and sneered at the moment, "It's ashamed that some adults still need the help of our two children!"

Hearing that little girl said that, Morodo and the Blood Witch King could only sulking.

After speaking, the yin and yang boy never looked at Morodo and the Blood Witch King in front of him again.

It was that the two of them were suddenly erratic, and they flew towards Li Tian and the old Dean Heris.

When they reached a distance of 56 meters from Li Tian and the old dean, the two boys suddenly fell slightly from the sky.

Their bodies seem to be able to walk in the void, coming and going freely.

At this moment, the yin and yang boy fell on the ground, and saw that both of them blinked their dazzling eyes and looked at Li Tian and the old dean Hollis.

Then, the handsome boy spoke first.

"You are humans?"

"You are the two illusionists who hijacked the saint?" the boy's tender voice suddenly asked.

The badly injured Li Tian and the old dean Hollis heard the weird little boy suddenly ask this question, did not say anything, just looked at him there.

The boy saw Li Tian and Old Dean Hollis not speaking, not only frowned depressed and said: "Hey, what should I ask you? Why don't you answer?"

Just after he said so, another girl beside him stared at her beautiful eyes and said, "Hmph, don't speak anymore, be careful I cut off your tongues, so that you can't speak for the rest of your life and become dumb. ."

The little girl is small, but the words are extremely harsh.

As soon as he opened his mouth, he would cut off the tongues of Li Tian and the old Dean Hollis.

Besides, when the little girl uttered the words fiercely, the old dean Hris suddenly said: "Little girl, I didn't expect your words to be extremely vicious at your young age!"

The little girl suddenly giggled when she heard it, and looked at the old dean Khris there and said: "You old man dare to say me? Be careful and I will strip all your beards."

The old dean was humiliated by this little girl, and immediately said angrily: "You..."

"What? Do you want to hit me?" The little girl suddenly looked at the old Dean Heris with a smirk.

The old dean Khris was indeed very angry.

But after all, he is the head of a hospital! Although he knew that the two boys in front of him were from Shura, he still couldn't bully the young!

So at the moment he can only hold back.

"Hey, old man, are you not convinced? If you are not convinced, do you have the ability to hit me?" The little girl suddenly provocatively looked at the old dean.

The old dean Heris almost jumped up in anger, but couldn't do it.

Who knew that little girl suddenly said, "Huh, old man, if you don't hit me, I'm going to hit you!"

After finishing talking, but seeing that little girl really walked towards the old dean step by step, as if she was really going to hit the old dean Hollis.

The old Dean Hollis saw a yellow-haired girl who said he was going to beat herself, and he didn't know what to do right now.

"You little girl...really...it's so unreasonable to make trouble." The old dean said depressedly.

Just after the old dean said so, the seriously injured Li Tian suddenly glanced at the yin and yang boy, and then he quickly said to the old dean Hollis, "Old dean, don't be careless... These two kids are weird!"

After hearing Li Tian's reminder, the old dean frowned and said: "Weird? No matter how weird, the old man... the old man can't do anything with these two little dolls!"

"Hey, if you don't do it, I'm going to do it." Suddenly the little girl smiled strangely.

After saying a word, her tiny body suddenly moved.

Like light and shadow, with a swish flash, he arrived in front of the old dean Heris.

It's too fast!

The speed was beyond the imagination of the old dean!

Not only the old Dean Hollis was stunned there, but even the blood illusionists of the Demon Race...as well as Na Morodo and the Blood Witch King were all astonished there.

"My dear, this yin and yang boy can have such a fast and unbelievable body form at a young age?"

But he said that when the little girl's figure attacked the old Dean Khris like a photoelectric, the old Dean Khris had no time to react!

I don't know if it was the old dean who couldn't react at all, and I don't know if it was careless!

I saw that the old Dean Khris felt a sudden pain in his beard, and then saw that the little girl's figure flew upside down and returned to her position just now.

However, there was an extra white beard in the little girl's hands.

The beard obviously belonged to the old dean Hollis.

"Hey, old man, your beard has fallen off." The little girl said with a smile while clutching the beard in her hand.

Upon seeing the situation, the old dean suddenly touched his painful beard, and suddenly realized that his beard had been pulled out by the little girl...I was really ashamed and angry at this moment!

He didn't expect that the 78-year-old girl in front of him would pull off her beard with one move.

"You girl... unexpectedly... even teasing me so?"

"Old man... old man... if it's not... if it's not that you are young..." the old dean Hollis yelled angrily.

The little girl chuckled, showing her white teeth and saying: "Old man, you obviously can't beat me, so why do you say that?"

"Huh, you have the ability, come and try to fight with me?"

When the old dean Khris heard this, even the saint could no longer bear it.

"Okay, the old man will teach you this yellow-haired girl today."

The old Dean Hris was really angry, angry.

Li Tianyi saw that the old dean was about to make a move, and not only said there: "Old dean, don't take it too hard, she is just a little girl after all..." Li Tian said kindly.

The old dean said with "goodness" in his mouth: "I know the right amount, don't worry."

The words fell, and suddenly the old dean in front of him said angrily at the little girl in front of him: "Little girl, come on, I want to see how powerful the people around Shura are!"

"Hey, okay, old man, today, I will let you taste how good I am." The little girl said, laughing strangely.

Chapter 2852: Arrests

The old dean suddenly shot at this moment. .

I saw that one of his hands suddenly grabbed the little girl. He only used martial arts, and didn't use his own fire illusion, because he was afraid of hurting the little girl in front of him.

As the old dean grabbed it out, the little girl suddenly smiled, and her tiny body suddenly moved.

Dodged to the side at a very fast speed.

Once the old dean couldn't catch it, he immediately shot again.

Suddenly, his left hand grabbed the little girl like a dragon, and his right hand took the little girl's clothes.

Just when the old dean thought he could accurately catch the little girl this time, the little girl suddenly raised her right hand, and saw a strange "water curtain" suddenly appeared in front of her. Appearing, everyone is not only stunned.

Illusion!

The little girl turned out to be illusion.

Water system illusion?

At this moment, after a "curtain of water" appeared in front of the little girl suddenly, the old Dean Hollis in front of her was completely startled.

He never expected that this little girl would suddenly perform "Water System Illusion".

After the little girl performed the "water system" illusion, a sudden blast of water suddenly shot at the old dean Hollis.

The old Dean Hollis was shocked and quickly dodged. The water jet suddenly wiped the old Dean's face and flew out...

Whoosh!

The terrible water jet finally shot on one side of the rock wall, with a loud "puff" sound, and saw a bluestone shattered by the terrible water jet just now.

"What a powerful water system illusion." At this moment, even the blood illusionists of the demons couldn't help but say in shock.

After the terrible "water jet" flew past, the old dean quickly backed away.

At this moment, I only felt a hot pain suddenly appeared on his face.

Fortunately, the old Dean Hollis just evaded quickly. If it weren't the case, if the terrible water hit the old Dean's face just now, I really didn't know what impact it would have.

"Little girl, you can actually use water system illusion?" Just listen to the little girl who looked at him in disbelief from the old Dean Hollis.

I saw the little girl suddenly giggled.

"Old man, you are so funny, when did I say that I can't perform illusions?" The little girl looked at the old Dean Hollis proudly.

When the old dean Heris heard it, he snorted in his nose.

"it is good!"

"Since you know how to illusion, the old man will learn."

When the word fell, a purple "fire flame" appeared in the palm of the old dean's palm.

The old dean is the dean of the Bander Academy, and his skill is naturally extremely profound. At this moment, it is also extremely powerful to display the "Netherfire Flame".

I saw the old dean quickly accumulate two huge fireballs in his palms, and the fireballs suddenly shot at the little girl with a thunderbolt.

The little girl saw the fireball attacking, and her two small hands quickly transformed, and suddenly an airtight curtain of water appeared around her body, but then she saw that the old dean's fireballs had all hit the little girl. Above the water curtain around the girl's body.

Puff, puff!

Immediately after that, the fireballs of Netherfire were all shattered.

The old dean saw that his dark fire technique was actually blocked by the little girl, and immediately performed the "illusion technique" again.

Blazing!

This time the old dean performed a fire technique that was even more terrifying than the underworld fire.

When the golden flame appeared, suddenly two flames flew straight to the little girl.

The little girl dodges one of the flames, while the other flame is chasing the little girl.

Not only was the little girl a little scared at the moment, after all, she was only 78 years old.

Seeing that the golden flame hit the little girl straight, but the little girl couldn't dodge, at this moment, even if she used the water curtain just now, she couldn't dodge it...

At this critical juncture, the old dean suddenly relented and withdrew his fire technique!

When the golden flame reached the front of the little girl's body, it suddenly returned with a "swish" sound.

In the end, the old dean did not have the heart to hurt the little girl.

"Little girl, I won't hurt you!" Just listened to the old dean's slight voice when he took back the fire technique.

Seeing that the old dean Hollis did not hurt the little girl, Li Tian here also let out a sigh of relief.

But at this moment, the little girl suddenly sat on the ground and started crying.

She was so sad that she was crying with rain, as if she had suffered an inexplicable grievance.

Cries reverberated throughout the canyon.

A 78-year-old girl cried like that.

Not only does it make people feel extremely distressed at this moment.

When the old dean saw the little girl crying, he suddenly couldn't help but care.

After all, the little girl is only 78 years old, and she is so cute.

"Little girl, don't cry...I'm sorry, I'm sorry," the old dean said with concern, and hurried to the little girl.

Just when the old dean came over to comfort the little girl, a strange smile appeared on the corner of the little girl's mouth.

Then just when the old dean was not paying attention, a few ice arrows flew out of the little girl suddenly!

The whistling sound of breaking through the air shot straight at the body of the old dean.

The old courtyard director was taken aback. He never expected that this little girl would sneak assault on herself... At the moment, the whole person was stunned and froze.

The terrible Frostbolt shot on the body of the old principal like this.

Puff, puff!

When those terrifying ice arrows hit the old Dean Hollis's body all at once, suddenly the old Dean's whole body fell to the ground with a plop, and there was no reaction from all over his body.

"Old Dean..."

Then Li Tianyi saw that the old dean had been attacked by the little girl, and exclaimed at that moment.

It's a pity that Li Tian's injuries were too serious, and it's impossible to move his body!

At this moment, he could only watch the old dean fall to the ground.

"Hey, don't be sad, I didn't kill this old man, I just sealed his acupuncture points..." The little girl suddenly looked at Li Tiandao strangely.

Besides, when Li Tian heard this little girl talk about this, Li Tian finally felt relieved slightly.

After speaking, the little girl suddenly said to the old dean who fell on the ground: "Old man, I said, you can't beat me, hehe, how about it, do you believe it now?"

The old dean who fell on the ground could only blink his eyes, but his whole person could not move.

Just when the little girl finished saying that sentence, suddenly another little boy behind him said to the little girl: "Sister, don't play, we have to go back and return to the master quickly."

When the little girl called the elder sister heard it, she smiled and said, "Okay!"

Remember to stretch out a slender finger and point to Li Tiandao and say, "Hey, you kidnapped the saint of the demon, right?"

The little girl looked at Li Tiandao like an adult

Chapter 2853: Captured

After that little girl asked Li Tian.

Li Tian sat on the ground cross-legged, and replied coldly, "Yes."

"Very good." The little girl suddenly said with a smile with both hands there.

"Since you have admitted, then you are the one who caught it." The little girl suddenly smiled.

It turned out that the yin and yang boy came to catch Li Tian.

When Li Tian heard this, he looked at these two weird children coldly. Although he was extremely surprised, the two children in front of him were his greatest enemies at present.

"Hey, are you going to catch it by yourself? Or let our siblings tie you up and take you back?" Suddenly the little girl chuckled while blinking her beautiful eyes.

Li Tianyi said, "Little girl, come and catch me if you have the ability!" Li Tian's voice was cold.

When the little girl heard this, she suddenly said, "Okay, you forced me."

After speaking, suddenly her little hand swayed in the void, and suddenly a curtain of water suddenly appeared in the air, and then the little girl squirted her ten fingers, and the water droplets

quickly formed a triangular ice crystal prismatic hidden weapon, and then swish. Po Kong shot at Li Tian.

What she used was the technique of turning water into ice!

It is the middle-level technique of the water system illusion, which means to turn the summoned water into ice, and then use the ice as the target of attack.

At this moment, she saw that all those triangular ice crystal hidden weapons turned out to shoot at Li Tian.

Li Tian endured the severe pain in his body, suddenly raised his right hand, and a strong vigor suddenly surged out.

That Qi Jin was Li Tian's Qi illusion technique. When these Qi Jin flew out, they suddenly enveloped the little girl's ice crystal hidden weapon like a net.

Bang, bang, bang!

Those ice crystal hidden weapons that came flying were all blocked by Li Tian's Qi illusion, then shattered, and then turned into water.

After Li Tian melted the ice crystals of the hidden weapon of the little girl, she was shocked and wanted to perform illusion again.

However, Li Tian didn't give him a chance at all.

Using the last spiritual power of the body, suddenly his right hand rolled, and a breath suddenly rolled towards the little girl.

The little girl only felt that the air around her suddenly condensed, and then her body was controlled by something and she couldn't move at once.

Then, with a sudden wave of Li Tian, the little girl's body couldn't help shooting towards Li Tianfei.

what?

The boy on the other side was surprised when he saw that the little girl was actually controlled by Li Tian and flew towards Li Tian.

Then angrily said: "Let go of my sister."

After he finished speaking, the little boy suddenly hit Li Tian like a shadow.

Because Li Tian was seriously injured, he did not dare to use his spiritual power excessively at this moment. He could only use Xuantian fingering, shooting two fingers,

Whizzing!

His energy shot at the boy, who knew that the boy's body flashed twice, and then quickly avoided the past.

"Water bomb combos!"

Suddenly the little boy shouted angrily.

Then he saw that his hands were blurred, and suddenly one after another crystal clear water-like glass balls, and then shot at that Li Tianfei.

The dense water bombs are like dense bullets.

When the shot came at Li Tian, Li Tian opened his left hand and tried to block the marbles with his Qi illusion, but with a slight force, a heart-piercing pain suddenly came from his chest.

pain!

The bone-erupting pain caused Li Tian to accumulate his spiritual power!

At this moment, Li Tian's mouth was bleeding, and his body suddenly softened.

As for the marbles that came flying, all of them hit Li Tian's chest.

Bang, bang, bang!

The terrible combo of water bombs made Li Tian spit out a few large mouthfuls of blood, and then he fell to the ground with a plop.

He wanted to get up, but the piercing pain made him unable to get up.

He was defeated!

After all, it is difficult to withstand the attacks of so many people.

At the moment Li Tian fell, the boy suddenly flew over, and then took a look at Li Tian.

"Sister, I helped you knock him down, hehe." The boy smiled and looked at the little girl.

The little girl blinked her beautiful eyes and glanced at Li Tian, and said, "Huh, I can actually beat him."

The boy chuckled.

The yin and yang boy finally captured Li Tian and the old dean Hollis.

After they captured Li Tian and Old Dean Hollis, Morodo and the Blood Witch King behind them not only let out a deep sigh.

Finally caught the ***** Li Tian! If not, the two of them really have no life to go back and tell the devil.

"Is that a saint?" Suddenly the boy pointed to Situ Ningbing, who was tapped behind the stone wall.

The little girl beside him nodded and blinked her beautiful eyes and said, "It should be."

"Oh, we are finally satisfied with betraying the master's order, hehe." The boy laughed there.

After speaking, they went to help Situ Ningbing's acupoint from the ground.

The yin and yang boy glanced at Situ Ningbing, and then said, "Take her away?"

"En." The two children were talking to you and me.

After speaking, the yin and yang boy suddenly grabbed Situ Ningbing's arm from left to right, and before seeing how his body moved, the two of them flew by.

In the blink of an eye, the person has reached midair.

They left, just left.

What remained on the ground at this moment was the subdued Li Tian and the old dean Hollis.

The old dean Heris was lying on the ground and couldn't move at all, but what about Li Tian? Because of the excessive loss of the body's spiritual power, and in the end he was hit by the boy's drops of water, and he fell to the ground at this moment.

On the contrary, Morodo, who was severely injured by Li Tian before, and the Blood Witch King were able to stand up at this moment because they recovered from a long rest.

The two slowly stood up from the ground and took a vicious look at Li Tian and the old Dean Hollis.

"Blood Witch King, let's kill this bastard." Morodo suddenly glared at Li Tiandao with great anger. He had 10,000 hatreds for Li Tiannai. At this moment, after the yin-yang boy had left, he could not wait to kill Li Tian with a single knife.

Just when he wanted to kill Li Tian, the Blood Witch King beside him said, "No!"

"Keep his life first... and take it back. After all, the Devil Emperor and his elders have to deal with him personally." The Blood Witch King said.

After Morodo heard this, he walked to Li Tian who was seriously injured and fell to the ground, and suddenly kicked Li Tian fiercely.

boom!

Li Tian was kicked upside down and hit a huge rock wall, vomiting blood in his mouth.

"Asshole stuff!"

Chapter 2854: puzzle

"Take them all away."

In the end, I only listened to the words of Narada.

After he gave the order, the demon illusionists who survived by him took away Li Tian and the old principal.

The two of them were caught into the demons like this.

Mozu, imperial city.

In the magnificent hall, I saw the demon emperor wearing a purple gold crown, wearing a black robe with a dragon pattern, sitting there like a rainbow.

In the hall, all the people standing there are extremely heavy figures of the demons.

On the left side of the Demon Emperor, there was a very special character.

I saw the man in a gray robe, half-black and half-white hair, and a face like a god, sitting still there.

The aura reflected from his body made the entire space tremble slightly.

He is Shura.

Supreme Shura.

On the left and right sides of Shura are the two children, a boy and a girl, the yin and yang boy.

"Today, the emperor is here to thank the sage Shura! Thank you for saving the emperor's righteous daughter!" Suddenly the demon emperor said with a smile on his face looking at the supreme Shura next to him.

Hearing the Demon Sovereign's words, everyone present at the moment bowed to the sage Shura!

Then he said in unison: "Thank you, Shengjun!"

After they said this together, the yin and yang boy standing beside the supreme Shura not only smiled.

On the contrary, the holy monarch Shura still has that face like a respectable image, without the slightest joy or the slightest movement.

"Come on, everyone raise their glasses, thank you Sage!" After the Demon Sovereign finished saying this, the Demon Sovereign raised his glass high and said to the Supreme Asura.

Everyone is holding up their wine glasses right now, and then thanking Shura,

Unfortunately, Shura did not serve the wine glass.

He just opened his eyes slowly, the sharp and sharp pupils, the moment they opened, the cold light burst.

"I don't like drinking." A cold word came out of the supreme Asura's mouth.

After he said it, the masters of the Demon Race who were originally present holding their wine glasses were not only taken aback...At this moment, even the Demon King was embarrassed at that moment.

Cough cough cough!

However, the Demon Sovereign coughed a few times while holding up the wine glass, and finally, he put the wine glass down decisively, and smiled there: "Since Shengjun doesn't like drinking, then stop drinking."

After speaking, the magic illusion masters in the hall quickly and decisively put down the wine in their wine glasses.

Everyone dared not drink anymore.

"The two human illusionists are being held there now?" Suddenly a sentence came out of the supreme Asura's mouth.

When the Supreme Asura suddenly asked such a sentence, all the master illusionists of the Demon Race were not only stunned, they all looked at the Supreme Asura in astonishment, and even the Demon Sovereign at this moment was not only stunned.

Then I saw that the Demon King smiled and asked, "I'm locked in a deep prison."

After the Demon King said so, the Supreme Asura suddenly said, "I want to see them."

what?

When the Demon King in front of him heard the Supreme Asura suddenly say such a sentence, he was not only stunned.

Supreme Shura is going to see Li Tian and the others? what happened?

"Shengjun, I don't know what you want to see the two human illusionists... why?" the Demon Emperor asked.

After the Demon King asked, he only heard that supreme Shura Weiwei's face of the windless Buddha suddenly said: "For a mystery!"

puzzle?

Weird words came out of the mouth of the supreme Shura.

After he said such a word, the blood illusion masters in the entire hall were all startled there.

The Supreme Asura didn't break the words, just closed his eyes slightly and waited for the Demon King's answer.

It's that the Demon Emperor is embarrassed right now... ask? Still don't ask?

The last demon emperor thought for a while and said: "Since the holy monarch wants to see the two bold illusionists... then I will take the holy monarch to see them in the deep prison. "

"Very good." Supreme Shura said slightly.

Then the body didn't know how to flash, and suddenly the whole person had disappeared in this golden hall out of thin air!

Even the yin and yang boy who stood beside that supreme Shura just now suddenly disappeared out of thin air!

They are like ghosts, come and go without a trace! I can hardly see any trace.

When the supreme Shura disappeared into the hall with the yin and yang boy like this, the face of the demon king in front of him suddenly became extremely ugly.

The Demon Blood Illusionist in the audience also stood there one by one.

"Morodo, the Blood Witch King." A sharp roar suddenly burst out of the Demon King's mouth.

I saw Morodo standing in front of the Chaos Twins and the Blood Witch King suddenly stepping forward, and then quickly replied: "The subordinate is here!"

"You two useless rubbish... Tell me, what is going on in all this?" The Demon Sovereign shouted angrily at Morodo and the Blood Witch King in front of him.

The Blood Witch King in front of them, and Morodo, lowered their heads, and quickly replied: "Return to the Demon King...we...we..."

"Do you want to die?" The Demon Emperor suddenly roared.

Na Morodo and the Blood Witch King fell to the ground with a thump.

"Subordinate is guilty!"

The Demon Sovereign said angrily: "How did those two **** human illusionists attract the attention of the holy monarch Shura? What is going on?" the Demon Sovereign asked.

"Return to the Demon Emperor, your subordinates... subordinates... don't know." Morodo knelt on the ground and said with a pale face.

The Demon King said: "I will send you two to rescue the saint... You two trash can't think that even two human illusionists can't solve it... It's really useless! Now, I'm giving me so much trouble. , You said, should you die?"

When Moroduo heard this, he hurriedly said: "The subordinates know that it was wrong...I hope the Demon King will give us a chance!"

"Devil King, those two humans are not ordinary people! One of them is a descendant of the human saint Long! Not only that, he alone can perform various illusions!!!" Suddenly the Blood Witch King over there said.

"nonsense!"

"How can a human being practice multiple illusions? How is this possible?" The Demon Sovereign roared.

Obviously, he doesn't believe that there are humans who can practice multiple illusions at the same time.

Then Morodo quickly knelt on the ground and replied: "Return to the Demon Emperor, the subordinate's sentence is true, and I will never dare to make any false statements!"

"Yes, yes! The subordinates also witnessed the **** human kid performing various illusions..." The Blood Witch King also knelt on the ground and said quickly.

Chapter 2855: Tortured

A human being has practiced multiple illusions?

Whether it's the Demon Race on this Spirit Earth Continent? Still human beings are unique things.

In addition to those ancient legends...

When the Demon Sovereign heard what their subordinates said so, his face suddenly became extremely ugly in that moment.

"Morodo, is this true?" Just listen to the demon king asking.

Then Morodo knelt on the ground and said: "Yes, yes, his subordinates will never deceive the Demon King."

The Demon King thought to himself that Morodo would not dare to have such courage.

After thinking about it for a while, he said in a silent voice: Is there really such a weird person among human beings? Can you practice multiple illusions at the same time? This is incredible.

"But why did Holy Sovereign Asura suddenly want to see those two human illusionists?" Hearing the strange words of the Demon Sovereign suddenly said.

After the Demon King suddenly said this, Morodo and the Blood Witch King also looked confused, because they didn't understand the real situation.

"Forget it, don't care about that much!" In the end, the Demon Sovereign didn't struggle with these questions.

"Morodo, the Blood Witch King, I now order you two to make blood disciples as soon as possible! Once the blood disciples are made out of the world, huh, we will never fear anyone again! We will crush the human capital ."

After hearing the demon emperor's order, Morodo and the Blood Witch King hurriedly nodded there.

...

Demon, deep prison! Called the most terrifying deep prison.

Here it is divided into three floors, three underground.

The first level is the devil who is being punished, and the second level is the strong human beings.

The name of the third layer is: The Gate of Death.

It was the most heretical existence on the Spirit Earth Continent.

I saw the deep prison at this moment, the second floor, the eerie and terrifying atmosphere enveloped this deep prison.

The light inside was very dark and dark, only the bright torches were shining there.

In this deep prison, standing is a blood illusionist wrapped in black clothes, they are called: guards!

It is they who guard the tightest and most terrifying deep prison.

Entering this deep prison, I can hear the screaming screams first... and the weird sound of the ghosts flying away... It seems that there are countless lone ghosts hidden in this deep prison.

In the innermost corner, only 4 watchers stood.

Their black clothes enveloped the entire body, but their exposed faces were full of ferocious feelings.

What about Li Tian and the old Dean Hollis?

They are now locked in the second floor of this deep prison.

I saw the two of them were each locked in a very small iron cage, and they were hooked on their bodies by sharp iron hooks.

The sharp iron hook passed through Li Tian's pipa collarbone, and then directly came up from the ditch under the ribs... The blood flowed down his skin little by little.

Such a brutal and inhuman trapping method is the most brutal method of the demons.

Both legs were also pierced by sharp iron hooks, hanging tightly there.

No one thought that Li Tian would be tortured in this way!

His body is completely incomplete, covered in blood.

Slightly move his body, the iron hook that pierced his body will make a bone-piercing pain...it makes Li Tian unhappy.

At this moment, I saw Li Tian covered in blood, where he was hanging... his head was hanging down, and he could not see life or death.

"This **** human kid, I didn't expect to be tortured in this way, and he can survive? Haha, it's hard enough." Suddenly a demon guard was holding his poisonous eyes and looking at the hanging Li Tiandao.

"Well, indeed."

"Things that have been pierced through the bones of the pipa, and the hands and feet have been scrapped... Can not die, he is the first one." Another watcher also said slightly.

It turned out that Li Tian's pipa collarbone had been completely pierced!

Those two sharp iron hooks pierced directly under Li Tian's ribs. The pain can be imagined!

And most importantly, the muscles and bones on Li Tian's feet were also stabbed by the iron hook. At this moment, he was hung on the sharp iron hook and looked **** and painful.

After the guards had finished speaking, they never looked at Li Tian again, then turned and left.

Li Tian didn't know whether it was dead or alive, anyway, the whole person was hanging there... The blood kept flowing out of his devastated body.

At this moment, the stone gate of the deep prison was opened at this moment.

"Holy King Shura is here!" A voice suddenly came in from outside.

When this voice came out, the demon guards in the deep prison were all stunned there.

"Holy King Shura?"

After the demon guards reacted one by one, all of them hurriedly ran towards Shimen.

After running over, one by one quickly knelt on the ground.

"See Shengjun!" I saw those demon guards shouting in unison there.

As the voice came out, I saw the godlike figure of Asura suddenly appeared in this deep prison, and the place beside him was the yin and yang boy on his left and right.

After the sage Shura entered this deep prison, he slightly said: "Go out."

After the sage Shura suddenly said this, the guards in the deep prison were not only taken aback.

"Out?"

Although the guards of those demons were extremely puzzled, they did not dare to disobey the order of the holy monarch Shura.

So at this moment, they nodded one by one and said: "Yes, yes!"

Then the guards of the demons all retreated quickly one by one.

After the guards of the demon race retreated, the holy monarch Shura suddenly took the Yin and Yang boy beside him and flew towards the half-dead Li Tian who was imprisoned.

Inside the gloomy deep prison, suddenly the Shura sleeves rolled up, and the extinguished fires on the wall all burned.

In the entire gloomy prison, lights flickered for an instant.

"Master, that human being is there."

The boy standing next to the holy monarch Shura suddenly called out at this moment.

After the little boy suddenly called out a voice, Shura Ling's eyes suddenly settled on the iron cage.

Then he flew past with a flash of his body.

After reaching the iron cage, they blinked and saw the tortured Li Tian who was covered in blood and was imprisoned in the cage.

Looking at Li Tian, who was covered in flesh and blood, the Yin-Yang boy next to Shura suddenly frowned.

"They tortured this guy like this..." the little girl muttered in that mouth.

Chapter 2856: Say?

Looking at the tortured Li Tian who was like a dead man, Supreme Shura said nothing.

He just glanced at Li Tian who was in the iron prison, and suddenly asked, "Yangtong, I ask you, can this human use various illusions?"

The weird words suddenly came out of that Shura's mouth.

After Shura suddenly said this, the little boy called "Yangtong" suddenly replied, "Return to the master, yes! At least I saw that he could use two kinds of illusions, one is thunder and lightning, and the other is Qi illusion."

After the little boy said so, Supreme Shura glanced at the half-dead Li Tian slightly.

Suddenly murmured in his mouth: "The world's illusion, the deity has never seen a person can practice multiple illusions at the same time, how could he?"

"As far as the deity knows, only the gods in the most mysterious and powerful temple on the Spirit Earth Continent can use multiple illusions. How can a weak human being use multiple illusions?"

Just when the holy monarch Shura was talking like this, suddenly the little girl next to him also spoke at this time.

"Master, that human being can really have many kinds of illusions, I have seen it with my own eyes." The little girl at the moment said so too.

After the little girl said this for a moment, the Supreme Shura not only showed a very surprised attitude in his eyes.

He was faintly underlining: Yang Tong and Yin Girl even said that this human being has many kinds of illusions, is it true?

A small human being really capable of multiple illusions?

After thinking about it, the Supreme Asura suddenly said: "Well, since you all said that, then I will come to see and see."

The Supreme Shura who was talking about it was going to see Li Tian.

But seeing that Li Tian was locked in a huge iron prison, the iron prison was locked there with fine steel ropes.

Na Shura only glanced at it slightly, and then suddenly waved his right hand, and the original hard fine steel squeaked, and it was directly broken by an invisible vigor.

After the chain broke suddenly, Shura's figure flashed into the iron prison.

The damp and dark iron prison was full of **** smells.

After that Shura entered here with the Yin-Yang boy, they all blinked and looked at Li Tian who didn't know whether it was dead or alive.

"Master, this guy seems to be tortured to death!" Suddenly the Yang Tong blinked at that Li Tiandao with his dazzling eyes.

Hearing what the little boy said suddenly, Shura suddenly raised his hand, and then saw a faint breath shot towards Li Tian's body. After it hit Li Tian's body, the energy rebounded again. come back.

"He's not dead." Suddenly, Shura said slightly.

After hearing what Shura said, the little girl next to her stared at her beautiful eyes: "Wow, she's still tortured like this and hasn't died... It's amazing!"

It was Shura who took a look at Li Tian and then suddenly said: "You two babies step back first, I want to wake this person up!"

When the yin and yang boy heard that Shura said, he nodded quickly and said: "Yes!"

Then the two quickly retreated to one side.

After the two little guys withdrew, Shura suddenly raised his hands, and suddenly condensed two energies like the flow of water from the palm of his hand, and then suddenly pushed forward, and the two breaths of the flow of water suddenly turned towards Li The whole body of the day is taken in.

A stream of water entered Li Tian's body just like that.

After the water entered Li Tian's body, Li Tian's entire body suddenly trembled.

Then suddenly a faint breathing sound came from his nose.

Then his bloodshot eyes opened slowly.

He woke up.

When Li Tian was sober, Shura slowly retracted the water.

"You are awake." Shura said as he looked at Li Tiandao in front of him.

After he was sober, Li Tian gasped hard... and then struggled to raise his head, glanced at that Shura, and then saw the Yin and Yang boy.

"You...you...who are you?" Li Tian's voice was extremely weak, as if the oil was dry.

After hearing his question, Na Shura replied: "The deity Shura."

"Asura?" When Li Tian heard the name of Asura, he was not only slightly surprised.

Then he raised his face with difficulty, and took a close look at that Shura, only to discover that this person was really one of the three sages of the Spirit Earth Continent who was on a par with Long Lao: the Shura Sage.

"You...you...woke me...waking up?" Suddenly Li Tian looked at that Shura incredulously and asked. Shura nodded and said, "Yes."

"What do you want to do? Continue to torment me Li Tian, right?" Li Tian suddenly vomited blood in his mouth, staring at the Shura Dao with angrily staring eyes.

Shura looked at Li Tian's eyes full of hatred, his heart not only moved at that moment.

He felt Li Tian's powerful killing intent! Shura had never seen that killing intent before.

Taking a closer look at Li Tian in front of him, Shura felt that Li Tian was indeed not an ordinary human being.

"Does the deity need to torture you?" Shura suddenly asked coldly.

Hearing what Shura said, Li Tian suddenly smiled miserably, and he didn't say any more words.

Looking at the **** iron hook that was hooked on Pipa's collarbone, and his broken legs... Li Tian knew that his body had been completely abolished.

Apart from hatred and anger, there was nothing in his heart.

"Then what do you want to do...?" Li Tian suddenly turned his head and stared at Shura in front of him.

Just listen to that Shura Dao said: "The deity heard that you can use a variety of illusions, so I came here to see it."

Li Tian understood instantly when he heard it, it turned out that this was what Shura had awakened.

"Tell the deity, can you really use two different illusions by yourself?" Suddenly, Shura asked.

Li Tian looked at him coldly, closed his mouth and did not speak.

"Why, don't you want to answer?" Shura suddenly asked with a sense of majesty in his voice.

The little girl standing next to Shura suddenly stared at Li Tiandao with a pair of beautiful eyes: "Huh, our master asks you something? How can you not answer? If you don't answer again, be careful that I will give your mouth completely Sew it up."

Then Li Tian remained silent.

Except for the murderous aura in his body getting heavier, he still didn't say a word.

"Really spine! I didn't expect that you, a human being, could be so stiff, it is beyond my imagination." Suddenly, Shura smiled there.

Chapter 2857: Pull out

"Do you want to force the deity to torture you?" Suddenly, Shura looked at Li Tianzai coldly and said.

As the Supreme Asura said so, Li Tian suddenly raised those bloodthirsty and terrifying pupils.

"I'm... still... afraid of your torture?" Li Tian suddenly looked up to the sky and laughed miserably.

The voice was filled with speechless pain and anger.

Now Li Tian has been tortured into a human form, and most of his body has been completely abolished! Even the vitality is only one cent left, is he still afraid of being tortured?

Do not!

He is indeed not afraid.

Hearing Li Tian's weird sorrowful laughter, Xiuluo groaned in his mouth, and a fierce light came out from his pupils.

But in the end, he didn't try to torture Li Tian again.

Because he is not that kind of person.

"Boy, you know your mouth is hard, but I still hope you can answer my words completely, as long as you can answer my words, the deity guarantees that you will not die! And your current disabled body, the deity can also let you Complete recovery." The Holy King Shura suddenly said there.

He knows, threatening? It has no effect.

Now he only hopes that Li Tian can tell the truth.

When Li Tian heard the sage Shura suddenly say this, he slowly raised his blood-filled face.

"My...my...body is completely dead...can you heal it well?" Li Tian's voice was full of disbelief.

Li Tian has broken his collarbone now! Even the muscles and bones on his legs were hooked off. To put it bluntly, he had only half his life left.

So Shura can really restore Li Tian?

Following Li Tian's disbelieving voice asked, the Yang Tong standing next to Supreme Asura suddenly stared with bright eyes and said: "Huh, do you dare to question our master? Do you know that our master is omnipotent?"

After the young boy finished speaking, the yin girl next to her suddenly said angrily: "That is, anyone who dares to question our master should die."

As Yang Tong and Yin Girl suddenly said this, Shura suddenly said: "The deity's words can be done by speaking."

"Now, I just need to ask you... if you can answer truthfully."

"As long as you answer, the deity promises... you won't die! Even your body and deity can restore you to the original state." There is a firm domineering voice in the voice of Holy King Shura, which makes people irresistible. feel.

Then Li Tian heard the words of the supreme Shura, raised his head with difficulty and looked at this Shura.

There are too many things in his mind... There are many, many things that have not had time to do!

Therefore, the current self cannot die yet! Never die!

After struggling in his heart for a long time, Li Tian suddenly coughed and vomited a mouthful of blood, and then said: "Okay...I promise you..."

After that Li Tian had said and promised, he suddenly spit out two more blood in his mouth!

The whole body was trembling tremblingly, and it drove the iron chains hooked on him, hum!

Na Shura looked at Li Tian's happy situation, and said slightly, "Your injury is too serious. The deity will treat you first. If you don't treat it, you may die immediately."

After the Supreme Asura finished saying this, suddenly Supreme Asura said to the Yin and Yang boy next to him: "You two, you two, you two are going to guard the gate of the deep prison. When the deity casts the spell, you must avoid that no one can come in. ."

After the yin and yang boy heard the words of the holy monarch Shura, he nodded together and said: "Yes!"

When the words fell, the yang boy and yin girl quickly walked towards the gate.

Then two children, one on the left and the other on the right, guarded the gate of the deep prison.

At this moment, in the dark and damp cage, only the dying Li Tian and the Supreme Asura stayed there.

After the yin and yang boy left, the sage Shura suddenly walked towards Li Tian.

Where was Li Tian hung in blood, completely numb, without any symbol of vitality, he said with difficulty, "You...you...really want to save me?"

The sage Shura snorted coldly, as if he didn't bother to take care of Li Tian's nonsense.

He just walked in front of Li Tian's body suddenly, took a look at the iron hooks and chains hanging on Li Tian's body, and suddenly said in his mouth; "The deity put you down first."

When the words fell, Shura suddenly waved his right hand, and a breath suddenly shot at the iron cables.

Bang, bang!

Immediately after that, all the iron chains hanging from Li Tian's body were broken...Kakchak, kakchak.

After the iron chains were broken one by one, Li Tian's extremely injured body suddenly fell from above with a plop.

what!

Li Tian fell to the ground and let out a scream, then his whole body fell to the ground and wriggled.

"Don't move!" Na Shura looked at Li Tian and shouted at Li Tian's ***** body.

Then Li Tian held back the painful pain, gritted his teeth firmly, and then really didn't move anymore.

"The deity will now take out the iron hook of your shoulder and collarbone, you are gritting your teeth..."

"This may be a bit painful, so you'd better ensure your strength, so as not to hurt you." The Supreme Asura took a look at Li Tiandao.

Li Tian was limp on the ground, his blood-filled face pressed tightly against the cold ground, and then silently said, "En".

After hearing Li Tian's "good", Na Shura began to take the iron hook from Li Tian's body.

Those two extremely sharp iron hooks pierced directly from Li Tian's shoulder area, and then reached under the chest ribs. This kind of pain is not what ordinary people can imagine.

If you want to pull it out at this moment, without anaesthetic, you will almost kill people alive!

I don't know if Li Tian can really endure such heart-piercing pain?

At this moment, the supreme Shura is already preparing to take off the deadly sharp iron hook from Li Tian.

I saw that supreme Shura stretched out his hands slightly, letting it be on Li Tian's shoulder and clavicle, and then suddenly two qi like water flow appeared from the two palms, and then slowly began to **** out the iron hook.

Flesh and blood!

The icy iron hook passed through the vitality of the supreme Shura and sucked out slightly... it rubbed Li Tian's skin and flesh, and slowly extended outward.

The pain, the piercing pain made Li Tian almost fainted.

Li Tian clenched his teeth tightly, his teeth were bleeding...The squeaky sound of teeth grinding could be heard inside.

But he didn't say a word!

Su Se's body was trembling violently... The blood began to slowly flow out along the parts hooked by the two iron hooks.

Chapter 2858: save him

"Boy, can you hold on?" The Supreme Asura was about to die when he saw Li Tian's pain, not only inquiring there.

Who knows that Li Tian gritted his teeth and said in that hard way: "Can...!"

Hearing Li Tian's tragic howl, Shura not only shook his heart.

He has never seen such a tough person! It was the first time I saw it today. I didn't expect to be able to hold on under such painful torture. It was really unexpected.

"Well, since you can persist, then I will continue." Shura said.

After speaking, he began to use his true energy to absorb the extremely sharp iron hook.

The iron hook came out of Li Tian's skin little by little.

The pain Li Tian endured can be imagined.

He is enduring, enduring this pain!

At the same time, all the hatred in the eyes...

Pull out little by little.

Finally, scream!

Two sharp iron hooks stained with flesh and blood were pulled out of Li Tian's shoulders and elbows, and then they fell onto the cold ground.

At the moment of falling, Li Tian passed out in pain.

After he passed out, Na Shuluo slowly infused Li Tian's body with true energy.

...

Such repetition, I don't know how long it has passed.

Finally, Li Tian was slightly sober.

The pain in his body made him slowly wake up. At the first moment he was sober, he saw the man who stood in front of him like a god, the Supreme Shura.

He was standing there motionless, looking at Li Tian.

"You are awake." A word came out of that Shura's mouth slightly.

Li Tian moved his aching body slightly, and then blinked to look at his body, only to see that the two blood holes pierced by iron hooks on his body had stopped bleeding, and the pain was not as severe as before. .

When he felt this way, Li Tian was not only a little excited.

He raised his eyes with difficulty and looked at Shura, "Thank you..."

"no need to thank me!"

"You are awake now, then I think you should remember what you promised me." The Supreme Asura suddenly said with a cold face.

After hearing this, Li Tian gasped and said: "I, Li Tian, can do what I said... Now you can ask... As long as I know things, I will tell you!"

"Very good." A smile suddenly appeared on Shura's face that looked like a god.

"Now, I ask you, are you a disciple of Takashi?" Suddenly, Shura asked.

After Shura suddenly asked this, Li Tian was startled.

Long old?

Although his own has been taught by Long Lao, Li Tian is not Long Lao's apprentice!

So at this moment Li Tian shook his head there and said: "No...I am not..."

"Aren't you? Then why would you use Qi illusion?" Shu Luo asked with a face full of questions.

Li Tian in front of him replied: "Actually, I don't know about this. I just learned Qi illusion! Although Long Lao has taught me... he is not my teacher."

After hearing this, Shura thought for a while and said: "Then tell me, who taught you your illusion?"

Then Li Tian smiled bitterly: "Why does everyone ask me this question?"

"If I tell you...I learned all my illusions by myself, do you believe it?"

After Li Tian finished saying this, Shura suddenly stunned.

He said that he learned all his illusions by himself?

how is this possible?

Is he a wizard of heaven?

"You learned all your illusions by yourself?" Shura asked unbelievably.

Li Tian nodded and said, "Yes."

"Although I know you don't believe me, but I can't tell you lies." Li Tian then added weakly.

After hearing Li Tian's serious face, Shura thought for a while, shouldn't this kid lie to himself?

"Forget it, the deity will not ask you these questions."

"The reason why the deity asks these questions is to let you know that the deity and Lao Long are not friends, nor enemies! The deity just wants to find Lao Long, then defeat him and seize the first position in the spiritual land! Because only the spirit Only the most powerful person in the Earth Continent can truly enter the temple." Na Shura muttered there.

Temple?

Asura said about the temple, Li Tian naturally did not understand it.

But Li Tian suddenly figured out something. It turned out that this Shura was born to fight for the position of the best in the world! He said he wanted to defeat Long Lao! ! !

"Now, let me ask you, do you really know many kinds of illusions?" Shura suddenly changed the subject, and asked with a sharp look on Li Tian's face.

Li Tian answered truthfully: "Yes!"

"Do you really know many kinds of illusions?" Shura was not only a little excited, but obviously, Li Tian's many kinds of illusions surprised him.

"Yes." Li Tian replied definitively again.

"How is it possible? How could a weak human being have multiple illusions? Did you know...Only gods can possess incredible powers like you! How could you be a human being?" Shura was surprised.

Li Tian smiled bitterly: "What I said is the truth."

"Well, since you said so, then I want to see it with my own eyes... The boy of the deity said that he once saw with his own eyes that you not only performed the Qi illusion, but also the thunder and lightning type illusion... Can you now demonstrate to the deity? Now?" Shura was impatient to see the real situation.

But seeing that Li Tian suddenly smiled miserably: "Look at my current... situation... can it be demonstrated?"

Li Tian is now covered in blood, and the fatal pain just now almost made Li Tian die of pain.

How can he have half the strength to perform illusions now?

Hearing Li Tian say this, Shura suddenly smiled and said, "The deity says it can!"

As the sage Shura finished speaking, he suddenly saw that Shura's right hand stretched out, and then suddenly pressed on Li Tian's heavenly spirit cover.

Then a powerful and incredible spiritual power emerged from the palm of his hand, and then poured into that Li Tian's body.

After Li Tian was suddenly poured into his body by a powerful spiritual force, not only did his chest churn.

"You...you...what are you doing?" Li Tian asked in surprise at this moment.

Who knows that Shura said coldly: "Don't talk, concentrate on mobilizing your spiritual power."

Following Shura's cold words, Li Tian closed his mouth slightly.

Then began to follow what Shura said, and then began to slightly try to mobilize the body's spiritual power... and then there was a spiritual power in Li Tiantian's dangling body slowly jumping up.

It turns out that the sage Shura is importing vast spiritual power to Li Tian...

Chapter 2859: The mystery?

After that little bit of spiritual power was input into Li Tian's body, Li Tian really felt that his body began to gain strength. .

This situation made Li Tian a little overjoyed, it was beyond his expectation.

So, after a few minutes, suddenly the holy monarch Shura slightly retracted his palm.

Look closely at that Li Tian, his head is steaming pale white, and the whole person has become more energetic than before.

"Now, can you show your double illusion to the deity?" Suddenly, Shura said Li Tiandao, who was looking in front of him.

Then Li Tian heard the holy monarch Shura say so, suddenly felt the strength of his body.

He never thought that Shura would have such an ability to reach the sky!

In the realm of frequent death, he was able to pull himself back from the gate of ghosts, and he was able to restore his body's tremendous strength in an instant.

This ability is simply extraordinary!

Perhaps only Long Lao has this strength in the entire Spirit Earth Continent!

"Do you really want to see?" Suddenly Li Tian looked at that Shura and asked.

Shura replied, "There is still a fake? Show it quickly."

"The deity wants to see how a human can do it while using double illusion." There was a hint of disbelief in Shura's voice.

After Shura finished speaking, Li Tian in front of him said, "Okay!"

After speaking, Li Tian suddenly raised his hands slowly. Although he could feel the piercing pain at the shoulders and elbows, Li Tianqiang gritted his teeth and endured it.

After Li Tian stretched out his hands slowly, then his right hand suddenly accumulated a breath, which was a Qi illusion technique.

When an air current suddenly appeared in Li Tian's palm, Shura blinked to look.

Then Dan saw the airflow in the palm of his hand slowly transformed, and then condensed the airflow into a small blade, and saw that the air movement blade was suspended in the palm of his right hand.

"Yes, this is Qi illusion." Shura suddenly said.

Just after Shura finished saying that, suddenly Li Tian's left hand stretched out in the same way.

Then he accumulated the strength of his body, then slowly stretched out the palm of his hand, and then suddenly a group of purple electric light appeared in the palm of his hand.

That group of purple electric light is the thunder purple thunder magic technique.

The moment the flash of lightning appeared from the palm of his hand, it not only made the Supreme Asura stunned.

Even the sage Shura at this moment was shocked by Li Tian's thunder and lightning illusion.

"Thunder and lightning illusion," Na Shura cried out in surprise.

"You kid can really use Qi illusion at the same time? And thunder illusion?" The Supreme Shura in front of him looked at Li Tian at that moment in disbelief.

Li Tian slightly retracted his hands at this moment, and the illusion technique just now gradually disappeared from his hands.

"You asked me to do it, I have done it all for you to see... Can you believe it now?" Li Tian slightly raised his blood-red eyes and looked at the holy monarch Shura.

The Supreme Asura did indeed see it!

Saw a scene he couldn't believe.

He opened his eyes wide at the moment, looking at Li Tian like a monster there.

Suddenly he muttered, "How is this possible? How can there be a character like you among human beings? It's incredible."

As Shura was talking, there was a strange light from his eyes.

Then Li Tian didn't say anything, just leaning against the cold wall with a difficult body.

The moment Li Tian leaned against the wall, Shura suddenly laughed wildly.

His domineering laughter reverberated the entire deep prison.

"The deity finally found it. It's great to find a human who can use multiple illusions."

"Teacher Tian, you are in the Spirit of Heaven, bless me in this life to fight to break through the temple and avenge your blood."

After that Shura finished speaking, suddenly he waved his right hand, and Li Tian suddenly felt a strong wind rolling towards him, and then the whole body suddenly floated, as if involuntarily.

Li Tianyi saw that his body was floating in the void, and he was stunned.

"You...you...what are you doing?" Suddenly Li Tian looked at that Shura in horror.

Na Shura smiled weirdly and said, "The deity takes you away from this place."

what?

After the words were finished, before Li Tian had time to speak out, suddenly the whole figure of Shura swished away directly.

And what about Li Tian's floating body? At this moment, he followed the figure of Shura and shot straight out of the iron prison.

This Supreme Asura is going to take that Li Tian to escape from the deep prison?

What is he doing?

Is it going to be an enemy of the entire demons?

Just after that Shura flew over to reach the gate of the deep prison, the yin and yang boy on the left and right saw Li Tian's floating body and was slightly startled.

"Master?" The Yin and Yang boy called out slightly.

But seeing that Shura said slightly: "We leave here and return to the ghost cave!"

After hearing this, the yin and yang boy was not only taken aback, but the yang boy was surprised and asked, "With this human being?"

Holy King Shura nodded and said: "En."

"Yes, Master!" After the two listened, they didn't dare to ask too much, so they nodded.

"Open the door!"

Following the order of the holy monarch Shura, the yin and yang boy began to open the huge stone gate from left to right.

Under the force of the yin and yang boy, the black stone gate weighing more than a thousand catties suddenly opened rumblingly.

After opening it, I saw a dozen demon guarding blood illusionists standing outside.

Moreover, at the moment that huge stone gate opened, the blood illusionist guarding the outer ears of the Demon Race, all eyes widened to see the sage Shura, the yin and yang boy, and the taken away Li Tian! ! !

"Holy Monarch... what are you?" When the blood illusionist guards of the Demon Race saw that Shura brought Li Tian out, they asked in surprise.

But seeing that sage Shura suddenly strode out of the door of the prison.

"The deity only wants to take this human to leave here... don't want to kill, don't force me."

That Shura said this domineeringly, while suddenly walking towards the outside of the deep prison.

When the guardian blood illusionists of those demons heard the holy monarch Shura say this, they were all stunned!

It took a long time for them to react!

So that holy monarch Shura actually wants to leave with the human prisoner?

How can this be?

If he left like this, would the Demon Sovereign kill all the guards?

"Holy Lord! You can't take this human to leave!" Suddenly, a dozen demon clan blood illusionist watchers flew over all at once, blocking the front of that holy monarch Shura!

Everyone's face showed the color of fear! Obviously, they were afraid of the sage Shura in front of them.

Chapter 2860: Terrible news

After the blood illusionist guards of a dozen demon races all came to block in front of the holy monarch Shura, the Buddha-like face of that Shura at that moment showed endless anger.

"Who dares to stop me?"

"If it weren't for you to really want blood to bleed all over the place, would the corpse be here?" The voice of the holy monarch Shura was like the sentence of death! Sentences rushed in the hearts of these more than a dozen demon blood illusionist guards.

The blood illusionist guardians of a dozen demons were all scared.

I saw an inexplicable panic in their eyes.

"Shengjun, we...we...we really can't let this human being leave! Please don't make things difficult for us." One of the older blood illusionists begged on the ground, kneeling there.

The Supreme Asura suddenly sneered: "Since you want to die, no wonder the deity."

The words fell, and an invisible breath suddenly shot at the Demon Blood Illusionist who had just begged.

When the blood illusionist felt an extremely powerful aura shooting at him, he was stunned.

Then quickly displayed: "Blood Escape!" to block.

But how can their illusions resist the Lord Shura in front of him?

puff!

With a sound of, the terrible energy directly pierced the blood illusionist's "Blood Escape", and then the poor blood illusionist uttered a scream, and the entire chest was suddenly pierced through a blood hole with a thick arm. !

With a plop, he screamed and fell directly to death.

When the blood illusionist guards of the demon race around that saw that the holy monarch Shura had begun to kill, they could only fight!

Although they knew that they weren't the opponent of that sage Shura at all, they had nothing to do!

Blocking is death, if not blocking, it is still death! I can only fight at the moment.

With a roar, the blood illusion guards of the dozens of demons all rushed towards the supreme Shura.

These blood illusionists who guard the deep prison of the demons are strong!

But they face that supreme Shura?

I saw that when these more than a dozen demon clan guards rushed towards the holy monarch Shura, that Shura suddenly angrily said: "Something to die."

Accompanied by his loud shout, a bright circle of light suddenly formed all over his body. The circle of light was very strange, like water flowing.

"Water brake totem!"

This turned out to be the supreme illusion in the water system.

Totem!

At the moment when the guardians of the dozens of demons all used illusion skills and charged, they suddenly saw that the bright water pattern totem around Shura burst open, and the endless aura fluctuated towards the surroundings, with terrifying extremes. The strength.

Boom, boom, boom!

The terrifying totem technique directly hit the bodies of the demon illusionists. Accompanied by a miserable scream, the demon illusions fell to the ground one by one, and then tragically dead.

one move!

The earth-shattering move directly caused the dozen or so illusionists who rushed to fall to the ground, then vomited blood and died.

Violent and bloody!

The illusionists of the demons who blocked in a blink of an eye were all dead.

After solving these illusions, Shura didn't even look at them, and said coldly, "Go!"

When the word fell, he suddenly took the Yin-Yang boy beside him and Li Tian, who had been seriously injured, suddenly flew up!

It shot into the air with a swish like a shadow.

In the gloomy sky, only a few shadows could be seen and then suddenly flashed, and then no one was seen again.

Shura is gone!

Leaving the capital of the demons!

...

Mozu, imperial city.

When Na Shura took Li Tian out of the deep prison, he saw that in the palace of the Demon Emperor, the Demon Emperor was still sitting leisurely.

He still doesn't know the terrible things that happened in the deep prison.

Suddenly, while the Demon Emperor was sitting leisurely, a blood illusionist with a pale face and hastily rushed in from the outside.

While running, she still shouted: "It's not good, it's not good..."

After the panic and hurried voice suddenly entered the palace, the demon emperor who was resting became angry for a moment.

"Which **** is so noisy?" The Demon Sovereign yelled.

When his voice screamed out, he saw a panicked blood illusionist quickly entered the palace, and then fell to the ground with a plop.

The powerhouses of the Demon Race in the palace not only looked in surprise at the blood illusionist who ran in in a panic, they didn't understand why this person panicked like this? Is he crazy? Still looking for death?

"Knock to the Demon Emperor, something big happened..." Suddenly the blood illusionist knelt down on the ground, and said in a trembling voice.

After hearing this, the Demon King said angrily: "What are you **** talking about? What's the matter?"

I only heard the demon blood illusionist who was kneeling on the ground quickly replied: "Return to the Demon Emperor, there has been a serious problem in the deep prison...our people are dead!!!"

"what?"

When the blood illusionist said such a sentence, the Demon King was shocked, and suddenly sat up from the dragon chair, his face became extremely ugly.

"What nonsense you bastard? What happened in the deep prison?" The Demon Emperor roared at the moment.

The blood illusionist who was kneeling on the ground then replied: "Return to the Demon Emperor, that Holy Monarch... Holy Monarch... Shura took the human kid away! And... and... also killed all of us. Watcher."

what?

The blood illusionist said, the audience was shocked.

Everyone's pupils were widening at this moment, and at the same time a terrified expression appeared on their faces!

Even the Demon Emperor at that moment was completely stunned...

"You...you...you said Shura...taken away that human kid?" The Demon Emperor in front of him suddenly asked in surprise with a look of disbelief.

The blood illusionist who was kneeling on the ground quickly replied, "Yes...yes...yes..."

"how is this possible?"

"How could Shura save a human kid? What the **** are you **** talking about?" The Demon Emperor almost jumped up angrily.

After all, the holy monarch Shura was personally invited to help the demon emperor from the nether ghost cave!

And now, the people under his staff actually said that Holy Monarch Shura had saved the damned human kid...what the **** was going on?

The blood illusionist who was kneeling on the ground was full of grievances and fear, and knelt there and said: "The subordinates will never dare to lie! If they lie, the subordinates are willing to defend the sin of the nine tribes!"
