

A Killer 2891

Chapter 2891: Ryu's Fury

"What a sea of anger!" Shura said coldly, suddenly suspended in the air. .

It turned out that the trick just now was the anger of Na Long.

This qi sea tossing technique is also the supreme illusion technique among Qi illusions.

After Shura finished speaking, he suddenly waved his hands and shouted: "Close!"

Suddenly, the billowing water flowing in the air was completely lost in the void.

The turbulent situation just now suddenly became static at this moment.

I saw that Shura and Elder Long were ten meters apart in the air. At the moment, neither of them took any action, just standing there quietly.

"Sura, quickly display your Aojian Shuanghan..." Na Long suddenly smiled and said there.

When Shura heard Old Long say this, he suddenly sneered: "What? Do you want to end it as soon as possible?"

Old Long did not speak, but suddenly raised his hand to look at the sky, and said weirdly: "Yes."

"The situation has changed, and the world will change, don't you see it?" A very worried look appeared in Long Lao's eyes for some reason.

As if Long Lao was worried about something.

Just after Elder Long said that, Shura suddenly sneered: "What's wrong with me?"

Hearing what Shura said, Mr. Long shook his head helplessly and said: "Well, since you have been reluctant to make a move, then I will come."

After Na Long suddenly said such a sentence, suddenly, his whole body breath rose, and the surrounding air also violently rotated. With the rotation of the airflow, suddenly a stream of air similar to a tornado suddenly disappeared. Produced, permeated the body of the old man.

"Qi, Gang, Puppet, Sacrifice!"

When Old Na Long suddenly uttered four weird words, the four horrible tornadoes all over his body were conjured by air currents, suddenly swallowed toward Shura.

Huhuhu!

The terrifying aura spreads over the sky, wherever it goes, whether it is a hard rock or everything is swallowed in the airflow, and then shattered into nothing.

At this moment, Shura saw Na Long's real shot, and his expression became more cautious.

"Old thing, you finally used heavenly magic!" The weird words came from that Shura's mouth.

It turns out that the illusion technique used by the old man Long just now is also the heaven technique in the Qi illusion technique, no wonder Shura's face has changed drastically at this moment.

Na Long did not pay attention to Shura in front of him, just continued to perform illusions.

When the tornado that swallowed the world suddenly swallowed towards that Shura, Shura suddenly retreated a few meters...then his hands suddenly folded, and his hands quickly condensed a water mark.

"Wall of Ice Soul!"

With that Shura yelled, a series of walls of ice suddenly appeared around his body. Those walls of ice cooled rapidly, and then got higher and higher, quickly enveloping the whole person of Shura, like The same protection barrier.

The violent tornado suddenly swallowed the entire body towards that Shura. When they encountered the wall of ice and soul, the two breaths began to collide violently in the air.

On one side is the air swirling, on the other side is the freezing of ice.

Two energies were raging up and down in the air.

Shoo!

Ling Ling's ice was shattered by the air current... but seeing that the hard wall of ice was still unable to withstand the swallowing force of this powerful air current.

Gradually, the first ice wall was gradually weakened and then cracked...

In a blink of an eye, the second ice wall also began to slowly crack.

Click! Click!

Seeing that the huge ice soul wall began to shatter, Shura's face suddenly became ugly.

"It really deserves to be Long!!!"

A loud scream came out of that Shura's mouth, and then Shura's body screamed, and then soared into the sky, breaking through the layers of ice walls and breaking through the swallowing force of the airflow.

"Ao Jian Shuanghan!"

At the moment when Shura wailed and flew up, suddenly the temperature in the entire space began to drop sharply.

Immediately after that, ice-rimmed flying swords began to spread across the entire space.

At this moment, it is no longer possible to see that Shura's body, his body seems to have turned into an ice sword... it is integrated with the thousands of dense ice swords!

Ao Jian Shuanghan, that Shura finally displayed it.

This trick is a heavenly illusion in the "Water" illusion, and it is also Shura's lifelong way.

When this trick was performed, it was no longer possible to see the sky, and everything...the entire space was completely covered by dense ice swords...the sky was overwhelming.

"Aojian Shuanghan, finally came out." Long Lao floated below the sky, looking at the ice sword that filled the sky, muttering in his mouth.

At this moment, Shura's burst of shouts suddenly came out under the sky and earth: "Long, it's time to end."

After speaking, the ice sword all over the sky suddenly started.

Whoops whoops!

The ice sword that pierced the air suddenly shot at the old man Long densely.

With piercing power, all the terrifying ice swords flew towards Na Long.

Facing this terrifying top-level illusion, Na Long's face gradually became more cautious.

I saw his body flash back, swish and move a distance of tens of meters... After retreating, suddenly the eyes that radiated light were completely closed, and he groaned, "I'm so angry!"

In an instant, a huge wave of air appeared around his body... The wave of air began to spread and spread continuously as Long Lao's spiritual power increased... wherever he went, everything was quiet, everything seemed to be there It was completely frozen at this moment.

Immediately afterwards, the strong wind that was originally howling also became silent, and the flying birds in the sky suddenly stopped.

The wind stopped!

The tree is also still.

Everything came to a halt under the spread of this aura.

And what about Shura's ice sword?

It also flew all within the range of the Qi wave, and stopped suddenly...

All the densely packed ice swords, everything that was active around them, stopped.

In the silent world, it seems that only Long Lao can move now.

The air wave is still spreading in terror... spreading across the entire space.

The power of this trick used to rush into the 100,000 army of the demons, and once made the demons frightened... Now, Old Long was forced to perform this trick again.

Depressed!

The method of freezing the breath of space, all the dynamic things in the air, are all condensed.

At the moment when Aojian Shuanghan's ice sword was frozen by the aura, suddenly Old Long's closed eyes suddenly opened...A beam of light shot out directly.

Then his body suddenly floated up, and then walked in the air, step by step towards that Shura.

Foot in the void, like walking on the ground.

As for the densely packed ice swords, when Na Long walked past, one by one suddenly fell down from the air, and then vanished.

Chapter 2892: End

In the void, Old Long continued to walk forward.

One after another ice sword fell around Na Long Lao.

He approached Shura step by step just like that.

He said that Shura was hiding in thousands of ice swords, but as the thousands of ice swords fell, his body appeared.

His person was standing there, his entire face trembling slightly because of excessive surprise and anger... but his whole body was completely unable to move.

Because he was also controlled by air pressure.

His whole person can't move either.

His pupils were unbelievable, with endless horror, looking at the old man who approached him step by step.

Old Long finally reached that Shura's side.

Qianguang's gaze hit Shura's face, and the powerful aura all over his body made Shura almost breathless.

Elder Long suddenly stretched out a hand, then gently tapped it on Shura's chest, and said in his mouth: "You have lost."

The three words didn't shake the world, didn't kill and violently, but they had already made Na Shura's face pale as paper.

Simply spit out these three words, Old Long suddenly waved his hands, and the space that was completely condensed by the aura suddenly recovered at this moment, and the diffuse aura disappeared with a "poof" at this moment. In the air.

what!

Suddenly, Shura's body, who had cancelled the air condensation, finally moved.

But at the moment he moved, his mouth suddenly spit out a mouthful of blood, blood, red blood!

With blood in his mouth and panting, he looked at Long Lao before him.

"I... I... I... defeated?" Shura suddenly said these three words in pain.

Na Long stood in front of him, did not answer, did not speak, just looked at him with a smile.

"I... lost?" Suddenly Shura repeated this sentence again.

Only when this sentence was finished, he suddenly laughed at that miserable strange, the terrifying sound of laughter shook Kyushu, which was worse than crying.

Suddenly, Shura's mouth was bleeding, and he looked at Long Lao with blood-red and trembling eyes.

"Long, the move just now was the one used by the Mozu to invade humans hundreds of years ago? Right?" Shura suddenly asked with blood in his mouth.

A smile appeared at the corner of Old Long's mouth, and then nodded: "Yes!"

"So strong!!!"

"Sure enough!!!"

Long said, laughing miserably, and suddenly spit out two more blood in his mouth.

After Na Long said this sentence with a sorrowful smile, he suddenly looked up at the sky, and blood and tears flowed in his eyes at this moment.

"Teacher Tian, I am sorry for you!!!"

His voice was full of pain and sadness.

After speaking with a violent whistle, Shura suddenly slammed his Tianling cover with one hand.

He lost?

He wants to commit suicide?

At the moment when Shura suddenly slammed his Tianling Gai with one hand in terror, the old Ma Long figure suddenly didn't know how to move, and then he reached Shura's side in an instant, and then grabbed a hand Shura's palm.

"Shura, why bother?"

Old Long grasped Shura's trembling palm tightly, looking at him there.

Old Long stopped Shura who committed suicide.

Seeing Long Lao stop him, Shura suddenly glared at Long Lao with **** eyes.

"Old stuff, who asked you to stop me?" Shura shouted angrily.

Na Long sighed slightly and said, "If I don't stop you, would I just watch you do such a stupid thing?"

"You..." Shura roared angrily when Mr. Long said that.

Old Long smiled and looked at the Asura said, "Asura, your cultivation is enough to shake the world, why bother about winning or losing?"

"If I don't die, why treat my teacher? Why treat me?" Shura suddenly said sadly.

After hearing this, Old Long smiled and said: "What's the use of death?"

"If you die, can you be worthy of heaven? Will you be worthy of yourself when you die?"

"In the vast world, your heart is only about winning or losing... Hey, you are really poor, poor!"

When Old Long finished speaking, he suddenly ignored that Shura, but his body suddenly floated several feet away.

After Na Long flew a few feet away, in the boundless world, the voice of Na Long suddenly came.

"The avenue is like that, you can watch and walk by yourself!"

"Remember, you promised the old man's business and let go of that human kid..."

The voice came from the mist, and in a blink of an eye, the figure of Old Long was already hidden in the boundless world.

He didn't care about that Shura anymore...and didn't enter the Nether Ghost Cavern, he just left a few words and drifted away.

Looking at the old man Long leaving in the void, that Shura stood alone there.

A icy cold breeze blew on that Shura's body. At this moment, he suddenly felt a little cold in his body.

Then he didn't say any more words, and then suddenly his figure flashed, and his lonely figure flew directly towards the cave.

...

Nether ghost cave.

The yin and yang boy was still waiting for their master anxiously.

The two children have such a deep affection for Shura that no one can understand.

As for the bitter Li Tian?

Now the whole person is still frozen in that cold ice, but during this period of time, relying on the accumulation of Li Tian's spiritual power, he has begun to slowly melt the ice on his body... It's just that his body still cannot move.

At this moment, the stone gate of the Nether Ghost Cave was opened rumblingly.

When the stone gate was opened in Rumble, the Yin and Yang boy heard the sound.

"Master?" When Na Yang Tong heard the sound of the rumbling Shimen, he cried out with extreme excitement.

The yin girl in front of her face was full of excitement at the moment, and she glanced at the yang boy in front of her, and then the two children ran towards the gate of the ghost cave.

When the yin and yang boy quickly came to the gate of the ghost cave, the rumbling stone gate was slowly opening.

Soon after, they saw their master, Shura!

I saw the revealed Shura, with a trace of blood stained on the corner of his mouth, and the face of the saint like a Buddha showed a sad and painful color.

Shura, who was originally like a rainbow, became indescribably tired at this moment.

"Master..." The yin and yang boy screamed at the moment he saw Shura.

Especially when seeing the blood stain on the corner of Shura's mouth.

Then the two children ran towards that Shura in shock.

Shura's body swayed in the wind, shaking slightly.

"Master, what's the matter with you?" After seeing Shura become like this, the little girl in front of her cried out in surprise.

Then hurried to help Na Shura.

A fool could see that Shura was seriously injured.

Chapter 2893: treatment

At the moment when both the yang boy and the yin girl went to hold on to Shura, Shura's mouthful spurted scarlet blood from his mouth.

Everyone could tell that Shura had suffered a great deal.

"Master!" Yang Tongyin Girl yelled in that worry.

Shura raised his arm tremblingly, and wiped the blood from the corner of his mouth.

Suddenly thrown away the yin and yang boy beside him, and then suddenly shouted angrily: "Go away! Don't touch me..."

When that Shura shouted out loudly, the yin and yang boy was stunned.

The two children had dim eyes with tears, but they did not dare to approach Shura who was angry at the moment. They could only watch that Shura trembling body there.

"I lost..."

"I lost to his hands...hahahaha."

Suddenly, Shura smiled sternly as if he was crazy, and while laughing, he dragged the trembling body step by step towards the ghost cave.

Every step he took, he could feel his body as if choking, as if convulsing and shaking.

The yin and yang boy could only silently follow behind that Shura, and then try to keep as close as possible.

That Shura walked towards the grotto step by step.

Finally, he walked into the ghost cave with a difficult step.

He came to Li Tian, because Shura is a person of great reputation! He promised to let Li Tian go, so he will do what he says.

At this moment, with blood bleeding from the corner of his mouth, he walked into the ghost cave step by step.

Li Tian in the ghost cave had already melted the ice all over his body at this moment.

At this moment, through the thin ice, I suddenly saw that Shura walked in, and he was shocked: Shura actually came back? Did he finish fighting with Long Lao?

Just as Li Tian was thinking about it, Shura suddenly lifted that extremely pale face and suddenly looked at Li Tian in front of him.

Then, with a sudden wave of his right hand, a tyrannical aura suddenly rolled towards the ice surrounding Li Tian's body.

Click!

Then the ice around Li Tian's body was all shattered!

What about Li Tian? At the moment when the ice was broken, the whole person suddenly flew out of the ice.

At the moment Li Tian broke through the ice, Shura suddenly said weakly, "Boy, you can go..."

Hearing that Shura suddenly said this, Li Tian was stunned at the moment. He raised his eyes to see Shura's pale face and the blood on the corners of his mouth... Suddenly he seemed to understand something.

"Senior...you, you, are you okay?" Li Tian looked at Shura kindly and asked.

After all, Li Tian knew that although this Shura behaved strangely and unusually, his heart was kind.

When that Shura heard Li Tian suddenly say this, a hostile spirit broke out all over his body.

"What's the matter with you?"

"Hurry up!" A loud shout came out from that Shura's mouth.

After he roared the word "roll", the whole body suddenly limp, and he fell to the ground with a plop, and he even vomited three mouthfuls of blood.

No way, Shura's injury was too serious.

Under Long Lao's enraged heavenly technique, Shura strongly used his spiritual power, and then his whole body meridians received extremely terrible injuries. This is the real reason why Shura was so badly injured.

Seeing that Shura received such a serious injury and fell to the ground dying at this moment, how could Li Tian not be saved?

Regardless of Shura's roar, Li Tian suddenly stretched out his hand to support Shura.

"Senior, your injury is so serious..."

Na Shura shook off Li Tian's hand, then coughed and vomited blood to the ground.

Li Tian looked at that Shura's serious injury, watched him vomit blood from his mouth, and suddenly stepped forward at this moment.

"Senior, please take the liberty of the younger generation!"

After speaking, Li Tian suddenly helped Na Shura's body hard, then suddenly raised his hands to accumulate the body's internal strength, and then directly began to treat Shura's injury.

"Although the juniors are weak, they can still heal your injuries temporarily."

While talking, suddenly began to medical treatment for Na Shura.

When Na Shura saw that Li Tian healed his injury, he was ashamed and angry at the moment.

He is a saint, how can he be healed by a weak human being?

He didn't want to roar at the moment: "Asshole, get out..."

When he resisted, Li Tian suddenly stretched out his hand and tapped Shura's acupuncture points continuously.

At this moment, even though Shura was extremely angry, there was nothing left to do it. The acupuncture points all over his body were tapped by Li Tian, and he couldn't even move at the moment.

"I'm sorry, senior!"

After Li Tian quickly tapped Na Shura's whole body acupuncture points, he then began to transport his foot internal force to heal Na Shura's injuries.

A strong internal force spread into that Li Tian's body.

Just when Li Tian was treating that Shura, the Yin-Yang boy suddenly walked in at this moment.

At this moment, he suddenly saw that Li Tian press his hands on Shura's back, and then run the internal force weirdly, and the two children were taken aback.

"You...you...you thief, what are you doing?" the immature young boy suddenly shouted.

He thought that Li Tian was harming their master.

After the words fell, an ice skate was already condensed in his small palm, and he was about to stab at that Li Tian.

At the moment when Yang Tong was about to make a move, the yin girl next to him suddenly stopped him.

"Wait..." the female yin cried out, and then suddenly stopped the yang boy next to her.

The young boy was taken aback and looked at the yin girl next to him with that immature little face.

"Sister, why stop me?"

"That ***** is harming Master!" Yang Tong widened his eyes and glared at Li Tiandao.

But seeing the yin girl saying: "No...no..."

"Silly brother, that kid is treating our master's injury." The little girl said.

When the young boy heard this, he was startled.

what?

"Sister, you said... he is treating the master?" Na Yang Tong said with wide pupils, unbelievable.

The little girl is still quite clever, and smiled there and said, "Yes."

After speaking, the yin girl blinked her slender eyelashes and looked at Li Tiandao: "Unexpectedly, his heart is quite kind!"

In this way, after seeing Li Tian treating their master's injury, the yang tong yin girl never dared to step forward and disturb that Li Tian.

The two of them then silently guarded the door of the ghost cave, and then stayed like this, watching that Li Tian healed Na Shura bit by bit.

Let's say that Li Tian used his own internal force to heal that Shura's injury. Li Tian's internal force has reached the realm of Xuantian. At this moment, the tumbling internal force is continuously injected into that Shura's body.

After that Shura's whole body was injected with internal force at this moment, his face began to recover slightly, and a pale white breath emerged from the top of his head.

Chapter 2894: Take her away

Time passed by every minute.

The yin and yang boy stared at Li Tian with his eyes unblinking at the moment.

I saw that Li Tian's whole body was filled with real energy, and a light white breath emerged from his whole body.

And look at that Shura being healed?

At this moment, after being infused with Li Tian's internal force, his complexion has begun to improve slightly.

So, after a long time.

Suddenly, Li Tian gave a soft drink, and then suddenly exhaled a stale air from his mouth, and then the palms he pressed on Shura's back also slowly retracted at this moment.

The Yin-Yang boy on the other side was taken aback when he saw Li Tian retract his palms.

"Are you ready?"

"Has he treated the master well?"

While talking, Na Yang Tong ran over quickly, and the yin girl next to her also ran over quickly.

I saw that the yin and yang boy quickly ran over, and then hurried to see their master.

"Master, how are you?" The Yin-Yang boy in front of him said so while asking about Shura with concern.

Because of Li Tian's acupuncture points, Na Shura couldn't move her body at this moment, and her mouth couldn't speak.

At this moment, Li Tian suddenly said, "I will unlock his acupuncture points."

When the words were spoken, Li Tian shot out **** suddenly and hit the acupuncture points of Shura.

After Li Tian opened the Shura's acupoint, that Shura was able to move.

"Master!" After seeing that Shura could move, the Yin and Yang boy quickly went up and asked with concern.

But he said that Shura took a deep breath and his entire complexion suddenly improved a lot.

Just after that Shura got rid of the prohibition, he suddenly stood up, and then suddenly grabbed Li Tian with both hands.

"Asshole boy, who allowed you to help this deity? You asshole." Shura said angrily, clutching the skirt of Li Tian's chest.

After seeing Shura's weird reaction, the yin and yang boy was stunned for an instant.

They did not expect that the master would suddenly do this...

But he said that at that moment, Li Tian was held tightly by the skirt of his chest by that Shura, standing there without speaking.

When Shura saw Li Tian not speaking, he was even more angry.

"Damn bastard! Are you talking?"

He waved his right palm and hit Li Tian's chest abruptly.

With a bang, Li Tian was hit by Shura's palm, and his whole body suddenly flew out and hit the hard rock wall...

Although Li Tian was hit on the rock wall, he, who had an inner body guard all over his body, did not suffer any injuries.

However, the yin and yang boy saw Shura attacking his benefactor, and they were stunned for a moment, and then the two children hurriedly grabbed Shura.

"Master, don't... he is kind!"

"Yes, Master." The two children held the angry Shura at the moment one by one.

Can Xiu Luo not know Li Tian's kindness?

However, as one of the three sages of the Spirit Earth Continent, he was rescued by Li Tian at this moment, and he lost his endless face, so he was really angry.

Na Shura was pulled by the yin and yang boy next to him. Although he was still roaring in his mouth, he had not attacked Li Tian again.

"Damn boy, get out of me... Get out of the ghost cave! From now on, don't let the deity see you..." Shura said angrily.

Then Li Tian smiled helplessly when he heard what Shura said at the moment.

"Okay, let me go!"

When the words came out, Li Tian suddenly stood up from the ground, then patted the dust on his body, and then he was really ready to leave.

Seeing that Li Tian left, Shura's eyes suddenly trembled at that moment.

But when he said that Li Tian was about to leave this ghost cave, Li Tian suddenly turned his head and looked at Shura: "Senior, no matter what, I, Li Tian, will be grateful to you! Thank you for helping me. Tendons!"

After speaking, Li Tian bowed deeply to that Shura, and then left quietly without saying anything.

After the yin and yang boy and Shura watched Li Tian leave, they didn't say any more.

...

After Li Tian walked out of the ghost cave, he walked directly to the outside.

Arriving in the stone cave outside, Li Tian began to look for Situ Ningbing.

"Ningbing...?"

While shouting, Li Tian looked for Situ Ningbing.

At this moment, footsteps suddenly came from behind.

Li Tian hurriedly turned his head to look. In this look, he saw Situ Ningbing hiding in the stone wall behind him.

"Ningbing?" After seeing Situ Ningbing, Li Tian was overjoyed, and then hurriedly ran toward that Situ Ningbing.

Situ Ningbing couldn't help but stepped back two steps.

"You, you, you, your physical injury... actually recovered?" Situ Ningbing looked at Li Tiandao in disbelief.

When Situ Ningbing watched Li Tian before, Li Tian was still seriously injured at that time, and his limbs were severed! But now when I look at Li Tian, Li Tian's whole body has completely recovered... This should shock Situ Ningbing, who did not understand the truth.

"Yes, my body has recovered." Li Tian said with a smile.

Situ Ningbing looked at Li Tian, and then asked suspiciously, "Sura released you?"

"En." Li Tiandao.

When Situ Ningbing heard this, he became speechless.

"Ningbing, let's go and get out of here." Li Tian said as he suddenly prepared to pull Situ Ningbing's delicate hand, and then prepared to take her away.

But when he stretched out his hand, Situ Ningbing suddenly retreated.

"What are you doing?" Situ Ningbing stared at Li Tiandao.

When Li Tian saw Situ Ningbing retreating, he felt uneasy, but he still said, "Take you away."

"Take me away?" Situ Ningbing was surprised.

"En." Li Tiandao.

"Senior Shura, I have promised to let me go, so I am going to take you away." Li Tiandao.

Situ Ningbing looked at Li Tiandao at this moment in disbelief: "You... would you be so kind? Humph, this saint is a demon!"

Li Tianyi was disappointed.

But in order to freeze the ice, he can only say at this moment: "Ningbing, I know it's useless to say anything to you now...but please believe me, I will take you out of here safely!"

"Once you leave here, where you want to go, I won't stop you!" Li Tiandao.

When Situ Ningbing heard this, he said happily: "Really?"

"Yes." Li Tian said.

"Well, then I will believe you once." Situ Ningbing said.

After all, it is not a way for her to be trapped in this ghost cave, besides, she really can't escape. Now that Li Tian said that he would take her out of here, it was naturally good.

So she agreed.

"However, I am ahead of you. If you dare to lie to me, I will definitely kill you!" Situ Ningbing stared at Li Tiandao.

Li Tian smiled helplessly and said, "Okay!"

Chapter 2895: treasure

In this way, that Li Tian was going to take that Situ Ningbing and leave this ghost cave.

They passed through the strange stone caves, and then walked towards the entrance of the ghost cave.

Just as they were about to walk out of this ghost cave, suddenly there was a yelling voice.

"Hey, wait..."

The voice was immature, and when I looked back, I saw that it was the Yin-Yang boy who just called out.

When Situ Ningbing saw the yin and yang boy, not only his face changed transiently.

"It's them...they came to arrest us." Situ Ningbing's voice showed panic.

Then Li Tian didn't worry, because he knew in his heart that the Yin and Yang boy shouldn't be here to stop them.

"Don't be afraid, I'm here, it's okay." Li Tian said slightly to Situ Ningbing beside him.

Situ Ningbing glanced at that Li Tian dubiously, and then did not speak, but backed up and hid behind Li Tian.

At this moment, the yin and yang boy had rushed over. For some reason, they were holding a simple box with a length of more than one meter. The box was engraved with exquisite pictures and texts, dragons and phoenix dancing, and inside the weird box. Exudes a breath of suffocation!

When Li Tian saw the yin and yang boy walking over with a weird box in his hand, he was not only taken aback, but he couldn't help but wonder: what is that?

Just when Li Tian was surprised, the yin and yang boy had already walked over.

When they walked over, they first glanced at Situ Ningbing behind Li Tian, and then the two of them didn't say much, but turned to look at Li Tian.

Then they looked at each other, and suddenly the two children knelt down on the ground together.

"Yang Tong, Yin Girl, thank you for helping our master." The two children said, kneeling down in front of Li Tian.

It turned out that the yin and yang boy came to Li Tian to be grateful.

Li Tian saw the yin and yang boy giving this great gift to himself, and hurriedly walked over to support the two children.

"Get up quickly... I'm just doing a little favor, you don't need to do that."

While talking, he helped the yin and yang boy up.

After the yin and yang boy was helped up, he looked at Li Tian with a smile.

"Thank you." The little girl yin girl looked at Li Tiandao with a smile.

Li Tian smiled faintly: "Don't be so polite."

"I want it, I want it! Our master was saved by you and hurt you just now... I hope you can forgive me." The Yin Girl looked at Li Tian's eyes there.

Li Tiandao: "I understand."

"That's good!" A charming smile appeared on the yin girl's sweet little face.

"By the way, big brother, the two of us have offended you a lot... I hope you don't take offense." The yin girl changed her name to Li Tian at this moment and called Big Brother Li Tian.

Then Li Tian suddenly felt a warm feeling in his heart when the little girl called so.

He had never been called that way before on this Spirit Earth Continent, and he really felt like a family member.

"I won't blame you." Li Tian smiled.

When the Yin and Yang boy heard that Li Tian didn't blame them at all, he smiled right now.

"Big brother, where are you going this time? When will we still see you?" The young boy beside him suddenly looked at Li Tiandao with bright eyes.

This yin and yang boy has lived in this gloomy ghost cave since he was a child!

It was only after Li Tian was brought by them that the two of them felt funny. This time, Li Tian was about to leave suddenly. Of course, they had some reluctant emotions in their hearts.

After Li Tian heard what they said, he not only sighed there, "Actually, I don't know when we will meet again."

When the yin and yang boy heard it, both small faces showed a slight loss of expression.

Li Tian saw the extremely disappointed look on their faces, thought about it, and comforted him: "However, I believe in fate!"

"We should still meet." Li Tiandao.

When the yin and yang boy heard Li Tian say this, he could only silently nod at that moment.

"Well, big brother."

"By the way, big brother, this thing is specially presented to you by our master!"

Suddenly the yin girl held up the quaint box with both hands, and then handed it to Li Tian.

Li Tianzai heard the yin girl suddenly say this, and became strange at the moment. He blinked and looked at the quaint long box in the yin girl's hand in confusion, frowning slightly.

"this is?"

The yin girl smiled and said: "Our master gave this treasure to you in order to express his gratitude to you! I hope you will accept it, Big Brother."

"Treasure?" Li Tian was stunned when he heard it.

"This... isn't it good... I, Li Tian, are just helping out... I can't accept such a noble gift!" Li Tian evaded.

The little girl yin girl smiled and said: "Big brother, don't be humble. This is the heart of our master. Please take it."

After the yin girl finished speaking, the yang boy next to him also smiled there and said: "Yes, if you don't accept it, our master will definitely be angry... Big brother, you have also seen our master's weird temper... ..Is not it?"

When Li Tian heard the words of the two of them, he thought in his heart that Shura loved face, and finally he nodded helplessly.

"Well, since you say that, then I will accept it." Li Tiandao.

After hearing Li Tian said that he had accepted this "treasure", the yin and yang boy laughed.

Then the yin girl had given the box in her hand to Li Tian.

Li Tian took the heavy quaint box with both hands, not only was he startled: "It's so heavy! I really don't know what the stuff is here?"

When Li Tian was still wondering what was in the box, the yin girl had already spoken: "Brother, you open it and see... see if you like this treasure."

Li Tian was taken aback, glanced at the box in his hand, and after thinking about it, he said, "Okay."

Then he slowly opened the simple box with both hands.

When Li Tian approached the box with his hands, he suddenly felt Dao's extremely strong spiritual energy coming from the box. When this spiritual energy came out, Li Tian was suddenly shocked.

"Hey, what's the weird thing in this box? Can such a powerful spiritual energy spread?"

"On the Spirit Earth Continent, isn't it true that only people can have spiritual power? Can the items here also have spiritual power?"

While thinking, Li Tian slowly reached out to open the box.

boom!

The box was opened by Li Tian with both hands. As soon as the box was opened, cold light suddenly burst, and the strong spiritual energy erupted from the inside to reach everyone present.

Chapter 2896: Kang Long Mace

treasure! ! !

Look carefully at the thing that exudes extremely strong spiritual power inside this box, it turned out to be a transparent jade stick that is more than one meter long.

On this transparent stick, there is also a weird dragon and phoenix totem carved in it, entangled with each other, coiled on the jade stick.

That powerful spiritual power is emitted from this jade stick.

"This is...?" Li Tian was surprised when he saw such a strange jade stick placed in this box.

Just when Li Tian was slightly surprised, the little girl beside her had already smiled and said it.

"Big brother, this is Kanglong's mace!" The female girl said with her delicate finger pointing to the jade stick inside the box.

When Li Tian heard this, his brow furrowed, he looked at the treasure in surprise, and said, "Kang Long Mace?"

"Yes!"

"This Kanglong mace is the place where our master once searched in the dry sea. It is said that it was left over by a strong man thousands of years ago! It is extremely powerful, so our master brought it back."

"It's just that our master has never used this powerful dragon mace. He once said that this treasure must be used by a person full of spirits. Brother you."

Li Tianyi heard that it turned out to be so.

No wonder, when I touched this box just now, such a powerful spiritual power suddenly appeared!

It turns out that this thing named: Kang Long Mace contains extremely powerful spiritual power.

Li Tian looked at this "Kang Long Mace" for a while, and said to the Yin and Yang boy there:

"These treasures are so precious, I didn't expect that the seniors would give it to me!"

After the yin and yang boy heard it, he smiled and said, "Big brother, don't be polite! Accept it."

Li Tian looked at this "Kang Long Mace", then looked at the Yin and Yang boy next to him, he finally smiled and said, "Well, since the old man has a lot of thoughts, then I will accept it."

When the yin and yang boy heard it, he laughed.

Then Li Tian closed the box and put it in his arms, then turned his head to look at the Yin-Yang boy and said, "Thank you Senior Shura for me!"

"En!" Yin Yang Boy replied there.

Li Tian went on to say: "It's late, I think I should leave here..."

When the yin and yang boy heard Li Tian say this, his eyes showed dismay, but in the end he nodded silently and said, "Okay."

Li Tian said as he left with Situ Ningbing.

The yin and yang boy looked at Li Tian at this moment extremely reluctantly, and said there, "Big brother, if you have time, please come and visit us."

"Good!" Li Tian turned his head and said to the yin and yang boy.

In this way, in reluctance, Li Tian took that Situ Ningbing and left the Nether Ghost Cave step by step.

Finally, Li Tian and the others left!

...

Outside the Nether Ghost Cave, the sky was dim and the cold wind howled.

When he walked out of this ghost cave, Situ Ningbing became excited at once.

"Finally escaped from this ghost hole." Only listen to that Situ Ningbing said excitedly.

Li Tian looked at the air with a weird expression, and for some reason, there was an extremely weird change at this moment.

When Situ Ningbing saw Li Tiandang walk out of this ghost cave, a strange change appeared on his face. After thinking about it, he walked to Li Tian's side and said, "Hey, what's wrong with you? What are you looking at??"

Hearing Situ Ningbing's question, Li Tian suddenly said there: "I'm watching the tragedy after a great war."

"Um? A big battle?" Situ Ningbing did not understand Li Tian's words.

But what about Li Tian? Looking at the air.

It turned out that he felt the extremely lingering breath in the air.

This breath was all left over by Na Shura and Long Lao after a great battle.

Situ Ningbing couldn't sense the aura left in the air. At this moment, she heard Li Tian say that, and she couldn't understand, so she muttered in depression, "God is mysterious, weird. It's boring."

While talking, she walked away.

Li Tian stood in the cold wind, feeling the two qi in the air.

Among these two true auras, there is a breath of water that belongs to Shura, and the other breath of the vast world is that of Long Lao.

Li Tian could feel these two powerful air currents. Not only did he feel these two air currents, but he could also judge that the old long aura was really overwhelming, covering the entire air.

"What a powerful breath! What a powerful old man!" Li Tian couldn't help but be slightly surprised.

Although he had never seen a real duel between Shura and Long Lao! But he could still sense the previous battle from the dying air, which was absolutely unprecedented.

After watching for a long time, Li Tian finally closed his eyes back.

In the distance, Situ Ningbing had already walked away. Li Tian saw Situ Ningbing walking away. At this moment, his figure shook and he chased Situ Ningbing.

Soon, he caught up with that Situ Ningbing.

After catching up with that Situ Ningbing, Li Tian walked side by side with her.

Situ Ningbing glanced at Li Tian, did not speak, and continued to walk forward.

The north wind was whistling, and the temperature of the dim sky was getting lower and lower.

Na Situ Ningbing was a little bit cold at the moment because of her thin clothes, and her body was not only trembling in the cold wind.

Li Tian quickly took off his coat after seeing that Situ Ning was shaking with ice.

"Ningbing, you put on..."

After speaking, he began to pass his coat to that Situ Ningbing.

Situ Ningbing glanced at Li Tian, then looked at the coat in Li Tian's hand, and then she took it.

After putting it on, Situ Ningbing felt a little better.

"Why are you treating me so well?" Situ Ningbing looked at Li Tian in surprise suddenly in the cold wind and asked.

Li Tian gave a wry smile, not knowing how to explain it.

She in front of her has lost all her memories! How can he explain?

"Say, why are you being so good to me?"

"Do I really know you?" Situ Ningbing asked Li Tian once again.

Li Tian saw Situ Ningbing questioning himself so much, so he turned his head to look at that Situ Ningbing and said: "Yes, you do know me! You will remember everything in your mind one day..."

Situ Ningbing was startled slightly after hearing this.

Try to think with your head... but no matter what she thinks, she can't remember.

After thinking for a while, Situ Ningbing became irritable.

"I don't care if I know you...I just hope that from now on, you don't follow me! Because I am going back to the Demon Race." Situ Ningbing said there.

Chapter 2897: Weird treasure

When Li Tian heard that Situ Ningbing said that he was going to return to the Demon Clan, his heart suddenly ached.

"Ningbing, do you really want to return to the Demon Race?" Li Tian looked at Situ Ningbing in the cold wind.

Situ Ningbing said: "Of course, I am the saint of the Demon Race, of course I have to go back."

"You can't follow me... You are now the enemy of our Demon Race. If you follow me back, my foster father will definitely kill you by himself." Situ Ningbing said while looking at Li Tiandao.

Li Tian stood in the cold wind blankly, not knowing how to speak.

The north wind continued to blow there.

Suddenly when Li Tian was talking with Situ Ningbing, suddenly, the Kanglong mace that Shura was holding in Li Tian's hand suddenly buzzed strangely.

This sound was like a vigilant sound, weirdly emanating from the box.

"Hey, why did the things in your box ring?" Situ Ningbing couldn't help but cried out curiously at the moment when he heard the kanglong mace in Li Tian's hand buzzing with a strange sound.

Li Tian didn't think that the "treasure" in his hand would suddenly make a weird noise at this moment.

At this moment, not only his brows were frowned, but he was puzzled: "I don't know too well either.

"It's so strange..." Situ Ningbing was not only curious.

"Let me see."

Situ Ningbing said, and suddenly stretched out his hand for the Kanglong mace box.

Li Tian saw that Situ Ningbing wanted to take a look, so he didn't stop her, and handed the box in his hand to Situ Ningbing.

After receiving it quickly, Situ Ningbing quickly put it on the ground, and then reached out and opened the box.

After opening it, I was shocked to see that the crystal clear Kanglong mace was exuding a weird light...At the same time, all the spiritual power on the Kanglong mace burst out.

It seemed to be activated by something.

Situ Ningbing saw that the Kanglong mace was crystal clear and it was so beautiful, so he smiled and prepared to take it with his hands.

At the moment when Situ Ningbing stretched out his hand and touched the Kanglong mace, a huge backlash suddenly rushed towards Situ Ningbing.

Situ Ningbing still didn't react at all, only felt a fiery tingling in his arm... Then he let out a scream of "Ah" in his mouth.

The powerful backlash from Kang Long's mace directly shook Situ Ningbing and flew out.

With a plop, Situ Ningbing fell heavily to the ground.

"Ningbing..." Li Tianzhe saw that Situ Ningbing was suddenly shaken by the powerful force of Kang Long's mace and flew upside down, and immediately exclaimed in that concern.

He quickly helped Situ Ningbing up, and Li Tian looked at Situ Ningbing with concern.

"Ningbing, are you okay?"

That Situ Ningbing was shocked and flew back, making her **** hurt a bit...but fortunately, she didn't hold it very tightly. Otherwise, her arm would probably be broken.

At this moment, he rubbed his buttocks and said in a very depressed voice: "I'm fine!"

After speaking, Kang Longmae, who was staring at the ground angrily, exuding powerful spiritual energy, said angrily: "Damn broken things, how can there be such a powerful backlash!"

Li Tian sighed softly after seeing that Situ Ningbing was okay.

At this moment, he was not only surprised to look at the "Kang Long Mace" glowing on the ground.

My heart can't help but secretly line up: What is this thing? How can you have such a powerful spiritual power?

"Hey, this thing is not a good thing! I suggest you throw him away quickly." Situ Ningbing glared at Li Tiandao at the Kang Long mace on the ground.

Li Tian was not only a little embarrassed when he heard Situ Ningbing say this.

"But... this was given to me by Senior Shura."

Situ Ningbing said: "Hmph, I think that Shura wanted to harm you...that's why I gave you such a strange thing."

"Probably not, if Senior Asura wanted to harm me, I am afraid it would have harmed me long ago, and it wouldn't take so much effort." Li Tiandao said.

Situ Ningbing didn't listen to Li Tian when he saw Li Tian's life and death, and said in a very depressed way: "Forget it, forget it, don't listen to my advice and get it!"

"If you don't believe it, you have the ability, try to touch that weird thing." Situ Ningbing faced Li Tiandao.

Situ Ningbing was shocked and flew out by the powerful backlash.

At this moment, she wanted to watch Li Tian make a fool of herself, so she was there.

Li Tian was also very curious about the Kanglong mace... He had not personally touched the Kanglong mace in his hand. Therefore, after hearing what Situ Ningbing said, he smiled and nodded: "Okay! I'll try it. ."

Li Tian who was talking walked over to the "Kang Long Mace" buzzing on the ground.

Situ Ningbing looked at Li Tian with curiosity. In fact, she wanted to see Li Tian making a fool of herself. At least she had to fly out like she was just like before, so she was satisfied.

Therefore, Situ Ningbing at this moment looked at Li Tian with interest.

I saw that Li Tian had already approached the Kang Long mace on the ground at this moment.

The moment Li Tian approached, suddenly that Kanglong mace's spiritual power began to become stronger and stronger!

Li Tian could sense the powerful spiritual power emanating from that Kanglong mace...At this moment, he was curious: this treasure is indeed a bit weird.

After making a secret, he slowly stretched out his hand to touch that Kang Long mace.

Situ Ningbing stared at Li Tian's hand in that beautiful eye without blinking.

Just after Li Tian reached out and touched the Kanglong mace, an extremely powerful spiritual power suddenly swallowed towards Li Tian's arm. After Li Tian felt the powerful spiritual power swallowed over, he quickly moved his body spirit. Contend with it.

The spiritual power of "Zizzi" is ringing!

Although the Kanglong mace was extremely weird, but his spiritual power couldn't compete with Li Tian.

Soon, the spiritual power on the Kanglong mace was gradually completely tamed by the spiritual power in Li Tian's body...

"Eh? Why didn't you get backlashed by the spiritual power above?" Situ Ningbing said in a depressed voice when he saw Li Tian holding the Kanglong mace unscathed.

Li Tian smiled awkwardly.

Seeing that Kanglong mace was in Li Tian's hands, he really became docile.

"This thing seems to have a good relationship with you..." Situ Ningbing blinked his eyes and stared in surprise.

Just as her words were just uttered, suddenly the "buzzing" sound of the dragon's mace became louder and louder... the whole crystal clear and transparent became more and more shining, extremely strange.

When Li Tian saw this "Kang Long Mace" getting louder and louder, he couldn't help but wonder.

At this moment of effort, suddenly the dragon totem carved on the dragon's mace suddenly floated strangely... and then suddenly wrapped around Li Tian's palm towards his arm.

what?

A powerful burning feeling immediately enveloped Li Tian's entire arm!

Chapter 2898: Dragon Arm

Li Tian never expected that the dragon-shaped totem carved on this Kanglong mace would suddenly float!

Moreover, it was actually wrapped around his entire arm, which surprised Li Tian.

"what happened?"

He wanted to get rid of the Kanglong mace in his hand... but the Kanglong mace seemed to merge with Li Tian's arm, and he couldn't shake it no matter how.

The scorching pain is irritating Li Tian's entire arm!

Gradually, the dragon-shaped totem suddenly wrapped around Li Tian's right arm, and began to imprint deeply into Li Tian's skin like a soldering iron.

Li Tian only felt the scorching pain, getting stronger and stronger.

what!

With a loud scream, Li Tianzhou's body and spiritual power suddenly increased, and with a bang, the Kanglong mace in his hand suddenly fell off from his hand, and flew out in the air, with a bang, and stuck it on the hard ground.

And look at Li Tian again?

On his right arm, there was a strange dragon-shaped totem tattooed.

The dragon totem on the Kanglong mace was all wrapped around Li Tian's arm.

"Hey, are you okay?" Situ Ningbing saw Li Tian let out a weird scream at the moment, and immediately asked and asked.

But seeing Li Tian at this moment was also stunned, because he didn't know what happened to him just now.

He just stared at his arm blankly... at the dragon totem with weird tattoos on that arm.

"What exactly is going on?"

"Why does this weird totem run on my arm?" Li Tian asked curiously.

At this moment, Situ Ningbing ran over quickly, and then looked at Li Tian's entire arm with her beautiful eyes, and when she saw the dragon totem, she was suddenly surprised.

"Uh? What is this?" Situ Ningbing asked curiously.

Situ Ningbing also became curious, and blinked at Li Tian's changing arm.

Li Tian shook his head, expressing puzzlement.

Situ Ningbing glanced at that Kang Longqie, and then glanced at Li Tian's arm.

"I see... This Kanglong mace seems to be combined with you!" Situ Ningbing said suddenly there.

When Li Tianyi heard it, he was speechless, "What?"

"Look, the original totem mark on the Kanglong mace is now on your arm. I think it may be because the treasure is merged with you!" Situ Ningbing said in a clear and precise way.

Li Tian actually feels this way, but he is still not sure.

Because he really didn't understand the power of this Kanglong mace.

Looking at his arm, there was a strange tattoo on his arm, and Li Tian smiled bitterly.

"What the **** is this..." Li Tian said helplessly.

But he said that the Kanglong mace was also very weird. At this moment, after all the dragon-teng patterns were passed on to that Li Tian's arm, the Kanglong mace didn't ring anymore... the buzzing sound that had just been made had disappeared.

Although Li Tian felt that a dragon tattoo suddenly appeared on his arm, it was very awkward! But he has no way now.

Because this dragon tattoo is just like printed on his arm... Li Tian can't cut off his own arm just to get rid of the dragon tattoo.

Therefore, Li Tian finally had no choice but to accept it.

"Forget it, no matter what the thing is, I can only accept it silently now."

After speaking, Li Tian suddenly performed slavery skills, and then controlled the Kanglong mace that was inserted on the ground far away, and sucked hard. Kang Long mace flew out of the ground with a sudden "swish", and then landed steadily. Li Tian's hands.

Li Tian held the white Kanglong mace in his hand, and then inserted it in his waist.

Situ Ningbing didn't say anything, she didn't have much interest in that Kang Long mace.

Pulling the clothes that he draped on, Situ Ningbing braved the cold wind and started walking towards the place of the demon.

Li Tian didn't say a word, and kept following behind Situ Ningbing.

The two walked in the deserted wilderness like this.

...

As they were walking, a terrible thunder suddenly appeared in the sky.

Click, click.

The rumbling of thunder surprised both of them. Then they both looked up and saw a black turbulent group of mountains coming from the north to the sky, like a monster.

"Heaven, has changed!" Suddenly saw that Li Tian muttered in his mouth while looking up at the weird sky.

At this moment, Situ Ningbing blinked his eyes to look at the strange sky, and there was a strange light flashing in his eyes.

Suddenly at this moment, Li Tian heard the voices of Jin Ge and Iron Horse from the cold wind... Although those voices were extremely remote, Li Tian's profound skill could still be heard.

At the moment he heard the voices of those golden horses, Li Tian's face suddenly became extremely ugly.

"A large army is coming here." A word suddenly came out of Li Tian's mouth.

The moment Li Tian said this, Situ Ningbing was slightly startled.

"Um? What are you talking about? What big army?" Situ Ningbing couldn't understand Li Tian's words and asked suspiciously at this moment.

Li Tian's face was extremely solemn, and the sound in his ears got closer and closer.

Suddenly, he grabbed Situ Ningbing's slender hand there and hurriedly said, "Ningbing, that big army is coming soon, we need to hide quickly!"

Situ Ningbing was suddenly grabbed by Li Tian's arm, and immediately said, "What are you talking nonsense?"

Li Tian didn't have time to explain too much to that Situ Ningbing. At this moment, he suddenly took hold of that Situ Ningbing and said, "It's too late to explain. Let me hide there first!"

Li Tian's words said, he suddenly pulled Situ Ningbing's slender hand, and then his body was stretched, and then he took Situ Ningbing to a mountain to cover it.

Although Situ Ningbing was extremely puzzled, Li Tian was still dragged over.

At this moment, the two of them are hiding under the bunker, and can clearly see all the conditions on the road here.

"Hey, what happened?" Situ Ningbing looked at Li Tiandao in front of him with puzzled face.

Then Li Tian looked cautious, looked at the nihility ahead, and said, "You will know soon."

Situ Ningbing looked at Li Tian's face and found that he didn't seem to be joking. He nodded suspiciously, then did not speak, then hid under the bunker with Li Tian, and then looked at the front place.

The place in front was deserted, and there was nothing but the cold north wind whistling!

After a long time... Suddenly, a group of black shadows loomed in the field of vision... Then I heard the sound of rushing.

"Come!" Li Tian stared at the dense black shadows in the distance, and suddenly said in his mouth.

Chapter 2899: Darkness is coming

The darkness is bullying.

The sound of horseshoes in the distance is getting closer.

Situ Ningbing's beautiful eyes widened, and at this moment, when she saw a large group of mighty crowds appearing from a distance, she couldn't help being stunned.

"There are people!" she exclaimed.

I saw Li Tian with a solemn face, watching carefully, because the distance is too far, he still can't tell who the mighty team is.

As the violent drew closer, gradually, those mighty figures appeared in their eyes.

Looking up, the head was turned out to be the Demon Blood Illusionist wearing a black robe...There are more than 30 in total, all riding horses galloping towards this side.

There is also a huge sedan chair in the middle. The sedan chair is inlaid with pictures of four beasts with teeth and claws on all sides. There are a total of 16 burly orcs carrying the sedan chair.

In the last place, there are stone attack vehicles of the demon races. Those stone attack vehicles are not equipped with weapons, but pull five weird black coffins. They are given by those many demons and half-orcs. Pulled.

Coming toward this side mightily.

"The demon army?" Li Tian looked intently, and was shocked when he saw that it was the demon army horse.

And what about Situ Ningbing? When she saw that it was an army of demons, there was a flash of excitement in her beautiful eyes.

"It's our demons!"

"It's his foster father." Suddenly Situ Ningbing said with excitement.

Li Tianyi heard what Situ Ningbing said, and said to himself: It's not good.

At this moment, the demon army approached in mighty force.

In that huge sedan chair, the man sitting is the Demon Emperor.

He was wearing a purple-gold dragon robe and a feather crown on his head, sitting there majestically, beside him, the blood illusionist of the demon race had Morodo of the chaos twins, and some other terrifying powerhouses.

Li Tian didn't feel strange to the Demon Emperor, but was extremely curious about the four weird coffins pulled by the half-orcs at the end.

I don't know why, he always feels that there is something evil hidden in the coffins of the four being pulled.

"What the **** is in those coffins?" Li Tian murmured.

I saw that Situ Ningbing saw all the excitement in her beautiful eyes after seeing the demons.

"It's a foster father, it's my foster father." Situ Ningbing shouted there.

"Shhh, keep your voice down." Li Tian saw Situ Ningbing yelling out, and quickly stopped him there.

Who knew that Situ Ningbing suddenly turned her pretty face to look at Li Tian and smirked, "Why, are you scared?"

Li Tian smiled bitterly and said nothing.

Situ Ningbing said: "Forget it, because you have been helping me, I won't say anything."

Li Tian sighed softly when Situ Ningbing said this.

"Hey, do you know, what is my foster father and his old man doing with so many demons?" Situ Ningbing suddenly smiled and asked Li Tian.

Li Tiandao: "What is he doing?"

"If my guess is correct, the adoptive father must be trying to save me, so he was going to attack the ghost cave and the **** Shura." Situ Ningbing said.

When Situ Ningbing said so, Li Tian was shocked.

"What? The Demon King is going to deal with Shura?" Li Tian asked in horror.

But seeing that Situ Ningbing said there: "Of course! That **** Shura dare to take me away in the Demon Palace... Of course my foster father will not let him go!"

"Hmph, this time, Shura will definitely know the fate of offending our demons."

After listening to what Situ Ningbing said, Li Tian's face suddenly became extremely ugly.

"Not good!" Li Tian exclaimed suddenly.

When Situ Ningbing saw Li Tian suddenly become flustered, she frowned and looked at him and asked, "Hey, what's wrong with you? My foster father didn't kill you. What are you afraid of suddenly?"

Of course Li Tian is not afraid of himself!

He was worried about that Shura.

"Senior Shura suffered such a serious injury this time. If the Demon Sovereign really attacks him now, I'm afraid... I'm afraid... the consequences will be disastrous!" Li Tian said suddenly.

When Situ Ningbing heard Li Tian say this, she curled her red lips and said, "I thought why... So you are worried about Shura?"

"That Shura is extremely hateful. He even dared to capture this saint. Of course he has to suffer a bit!" Situ Ningbing said in front of him.

Li Tian didn't listen to that Situ Ningbing's words, he was worried about that Shura in his heart now.

Because no one knew Shura's injury better than him.

Although in the ghost cave before, Li Tian input some internal force to reach that Shura's body, but that Shura suffered a very serious internal injury, so if he is really attacked by the Demon Emperor, it will definitely be choking.

This is what Li Tian is most worried about.

"No, I'm going to help Senior Asura." Suddenly Li Tian said there.

When Situ Ningbing heard it, he was shocked.

"Are you stupid? You and I finally escaped from that ghost hole... You want to go back now? And help that ***** Shura?" Situ Ningbing looked in front of him in disbelief. Li Tiandao.

Hearing what Situ Ningbing said, Li Tian in front of him suddenly said: "You know, we didn't escape! Senior Shura let us out."

Situ Ningbing was choked by Li Tian, and said angrily: "Even if he let us go, so what?"

"Hmph, have you forgotten how he treated you in that stone cave?" Situ Ningbing looked at Li Tiandao there.

Li Tianzhai is kind and kind.

Besides, even though Shura was acting weird, he didn't treat him badly. On the contrary, he had saved him.

Li Tiannai is a person who knows gratitude, so he said without thinking about it at the moment: "No matter what! I must help Senior Shura."

Situ Ningbing saw Li Tian's extreme stubbornness, and said angrily: "As you...you want to die, no wonder I!"

"Hmph, my foster father brought so many people in the brigade, so you only want to save that Shura... hehe, it's just wishful thinking!"

"Since you want to save that hateful Shura by yourself, go by yourself! Anyway, I don't bother to be with you."

After Situ Ningbing finished speaking, she suddenly turned and walked forward, as if she was not going to stay with Li Tian.

Li Tian watched Situ Ningbing leave, and his heart was suddenly contradictory.

On the one hand, it was his own woman, on the other hand, it was Shura who was kind, Li Tian didn't know how to choose.

Watching that Situ Ningbing walked away step by step...

Li Tian suddenly made up his mind.

"Ningbing, I'm sorry... I must not just watch Senior Asura and their suffering!"

After the words were finished, Li Tian suddenly screamed, and flew directly towards the place of the ghost cave.

Chapter 2900: Before the storm

What about Situ Ningbing?

At this moment, he heard the sound of flying flying, and quickly turned his head to take a look, and then saw that Li Tian actually left himself, and really went back to the ghost cave alone.

This time, Situ Ningbing was so angry.

"Ah, ah, ah, this bastard, who left me like this? I am so angry." Situ Ningbing shouted in the wilderness, stomping his feet.

It's a pity that Li Tian couldn't hear her yelling voice.

Besides, the army of the demon race had already marched towards the place of the ghost cave at this moment, and there was no sign of it.

In the boundless world, I saw Situ Ningbing standing alone there.

Her eyes were rosy, and finally helpless, she could only set off to the place of the ghost cave step by step.

...

Nether ghost cave.

A powerful darkness is slowly approaching.

At this moment, Shura was still sitting alone in the ghost cave and healed his wounds. The air of the water flowed around his whole body. His face was sometimes white and red, and there was a strange light.

And what about the yin and yang boy? It is tightly guarding around that Shura's body.

Suddenly when that Shura Yungong was healed, all of a sudden, the aura of water flow around Shura's body suddenly became messy.

Then his pupils suddenly opened strangely.

噫噫.

A strange light shot from his pupils.

"Yang Tong, Yin Girl..." Suddenly, Shura called out.

At the moment he yelled out, the yin and yang boy who was guarding outside rushed in.

"Master, what's the matter?" After the yin and yang boy in front of him ran in, he quickly asked.

But seeing that Shura said with a weird face: "Yangtong, go up to the top of the cave and see if someone is coming..."

After Na Shura suddenly said a word, Na Yang Tong was suddenly startled.

"Uh? What?"

Yang Tong didn't react for a while.

At the moment when Yang Tong hesitated, Shura suddenly said again: "The deity feels a powerful evil aura approaching us... So, go to the top of the cave to see the situation."

When Na Yang Tong heard that Shura said this, he suddenly reacted.

"Yes, master!"

Then the young boy nodded quickly, and then ran to the side.

Inside this ghost cave, there is an open-air cave, so if you can climb to the top of the cave, you can see the situation clearly. Now, what Shura asked the young boy to do is to let him climb quickly Go to the top of the cave to check the situation.

After Na Yang Tong went to check the situation, only the Yin Girl and Shura were left in this ghost cave.

Shura's complexion was still pale, and there was a sense of weakness in his words and deeds.

The little girl yin girl looked at Shura worriedly, and then said: "Master, how is your body recovered?"

Shura sighed and said weakly: "Only 30%!"

When the yin girl heard it, her heart swelled.

"The deity didn't expect that Na Long would be so powerful... Blame me, I blamed me for using the exercises to resist his Qi illusion, so I was shocked all over!" Shura sighed slightly there.

At this moment, the yin girl suddenly asked: "Master, you just said that a powerful evil force was approaching us... Could it be that Rong came again? He came to deal with us?"

"No! It can't be Long!" Suddenly, Shura said.

"This kind of evil aura is definitely not from Long! Besides, if Long wants to harm me, he has already harmed me, so why bother?" Shura said.

The yin girl blinked her beautiful eyes and said: "Then, who will deal with us?"

Shura sighed: "The deity doesn't know now."

When the yin girl heard this, a very bad premonition suddenly rose in her heart.

She was worried there.

But what about that young boy?

At this moment, he has reached the open-air cave entrance, which is not very big, and can only accommodate a small body to burst out.

At this moment, the young boy looked at the open-air cave entrance, and then he drew his body. The whole person followed the stone wall like a gecko, and then quickly climbed to the top of the cave entrance.

His movements are very agile, like a light monkey.

Soon, the young boy had reached the top of the open-air cave.

After arriving, Yang Tong first took a breath of fresh air, then blinked his eyes and began to look into the distance. At this look, the whole person was taken aback.

Because he saw a few miles ahead on the left, a mighty group of people rushing towards the Nether Ghost Cave!

"Ah? Someone really came!" Yang Tong said in shock.

Then he quickly opened his eyes and took a closer look. With this look, he saw the blood illusionist of the Demon Race and the half-orc of the Demon Race.

"The demon army...the demon army is here!" After seeing it clearly, Yang Tong was shocked immediately.

"I'm going to inform the master quickly."

The young boy was panicked at the moment, and then Faliso flew straight down from the open-air cave entrance, and then landed steadily on the ground, then stepped forward and ran to the ghost cave very quickly. .

He wants to see and tell the owner as soon as possible.

Just when the yin girl and Shura were waiting for the yang boy, the yang boy's voice had already been heard.

"Master, it's not good...it's not good..."

The yelling voice of the young boy can be heard from a distance.

As soon as Na Shura and the yin girl heard this voice, their expressions suddenly changed at the same time.

Then they all hurriedly went to see that Yang Tong, only to see that Yang Tong had run over with anxiety at this time, he was breathless and panting.

"What's the matter? Young boy, what happened?" Shura asked the young boy who rushed back at the moment.

But seeing that young boy panting there, he said quickly: "Master...it's not good, the demon... is the army of the demon..."

When Shura heard the words "Devil Army", his face suddenly showed extremely cold killing intent.

"It turned out to be the Demon Emperor!"

Na Yang Tong hurriedly continued: "Master, I have seen a lot of blood illusionists of the Demon Race, and I have also seen the Demon Emperor with a large team of people... now is marching towards us.

"Are they here to deal with us?" The young boy asked stupidly.

The yin girl was white and the yang boy said, "Nonsense! It must be!"

"The master offended the Demon Sovereign before, and this time he also took the saint woman away, presumably the Demon Sovereign is here to take revenge!" The yin girl analyzed there.

Suddenly only heard that Shura roared: "Dare,?"

"With a bunch of trash from the demons, still want to deal with the deity?"

Shura roared wildly, and suddenly urged the internal injury in his chest, and then a mouthful of blood came out from his mouth, it hurt! There was a piercing pain in his chest.
