

A Killer 291

Chapter 291: puppet?

Li Tian behind, carrying the fainted chairman, followed the strong man and walked forward.

In a place similar to a warehouse, the strong man stopped, then took out a bunch of keys from his arms and opened the iron door in front of him with a clatter. As he opened it, a stench came from inside.

Tang Xiaolong in front of him quickly covered his nose.

"Fuck me, it smells like, where is this?"

The strong man didn't say a word, so he walked in, then pressed the light switch inside, and the inside suddenly became much brighter.

This is indeed a warehouse, but it seems to be a long time old, and it seems to be rarely used.

The furniture placed inside was all covered with dust, there were old furniture, tables and chairs...but the place was really big enough.

"That's it." The strong man said, pointing to the place in front of him.

Chen Qiaozhi glanced around and nodded slightly. Looking at the strong man, he said, "Thank you."

A smile appeared on the strong man's face: "Brother Qiao's business is my business, no need to say thank you."

"If you have any needs, just ask Brother Qiao, then I'll go ahead and work on it." As the strong man said, Chen Qiaozhi nodded.

After the strong man finished speaking, he strode out, leaving Li Tian and Chen Qiaozhi in front of them.

Looking at the strong man walking away, Tang Xiaolong clutched his nose, pointed to the tunnel in front of him and said, "Why are we here?"

Chen Qiaozhi glared at him: "Nonsense, did you kidnap someone? You want to stay in a five-star hotel?"

Tang Xiaolong closed his mouth after being scolded by Chen Qiaozhi.

Li Tian turned his head, looked at Chen Qiaozhi and asked, "Is that person reliable just now?"

Chen Qiaozhi didn't expect Li Tian to be so cautious. He smiled and said, "Don't worry, that person owed me a life before, so he won't betray us."

Hearing what Chen Qiaozhi said, Li Tian smiled: "That's good."

After simply cleaning up the warehouse, they tied the chairman in front of him to a wooden chair, and then Tang Xiaolong stretched out his hand and gave the fainted chairman man twice crisply.

Pop!

Woke him up.

As the man woke up suddenly, he blinked his eyes and looked at Li Tian and others who had hijacked him in front of him with horror.

Right now he was stunned: "You...Who are you?" Li Tian and the others in his voice looked at Li Tian and the others in shock.

"Why, why are you kidnapping me?"

"If you want money... I will give it to you."

Facing his startled question, Li Tian stood opposite him and said coldly: "We arrest you for nothing else, just want to ask you something."

"What's the matter?" The man looked at Li Tian with fear in his eyes and said.

"What's your name?" Li Tian looked at him and asked.

The man was stunned, but he didn't expect Li Tian to ask his name suddenly, he was stunned for a moment, and then said: "My surname is Wang..."

"Nonsense." Li Tian said suddenly angrily.

"Your surname is Duanmu, you are from the Duanmu family." When Li Tian suddenly uttered the words Duanmu, the man's face suddenly changed and became extremely ugly.

"No, my name is not Duanmu... You caught the wrong person." The chairman denied there.

"You still want to deny? Look at this." Li Tian said as he took out the document with the autograph of the guy in front of him and took it out.

"Have you seen your signature? Do you dare to lie?" Li Tian pointed to the signature on it and said.

The man's face suddenly became as pale as a dead man.

"I really don't lie to you, you really caught the wrong person. My name is not Duanmu...My name is Wang." The man said in a desperate manner.

"This guy doesn't seem to want him to suffer a little bit. Does he refuse to admit it?" Tang Xiaolong sneered.

Just as Tang Xiaolong was about to start his hand, the man suddenly had blood red in his eyes and said hoarsely: "Listen to me, I really didn't lie to you... I am the puppet they invited. , Someone gave me a sum of money to be the chairman of Baotong Company, and said that I should use the name Duanmu first... I heard such a good thing, so I agreed... What I said is true Please believe me..."

The man said hoarsely, as if what he said was true.

Li Tian and Chen Qiaozhi in front of them were both frowning and staring at the man in front of them.

"This guy must be telling lies? If I let him suffer a bit, he will recruit." Tang Xiaolong who was talking was ready to do it.

But Chen Qiaozhi pulled him aside.

Chen Qiaozhi looked at the man and said, "Who made you do this?"

The man shook his head and said, "I don't know, they just contacted me by phone... I have never seen them before."

"Really? Then what else did they explain to you?" Chen Qiaozhi continued to ask.

The man shook his head: "No... nothing told me."

"They just told me, let me be the chairman, let me use the name Duanmu..."

Hearing what the guy in front of him said, Li Tian couldn't help frowning tightly.

Is what he said is true? Is he just a puppet from the Duanmu family? He is not from the Duanmu family at all?

"Who has always contacted you?" Li Tian asked coldly.

"A phone call, a strange phone call."

"It's on me, the phone they gave me." The man said in horror.

Li Tian thought for a while. When he was in his office, he did see the nervousness of this guy when he received the call. After thinking about it, Li Tian slowly took out the phone from the guy.

After turning on the phone, there was only one number displayed above, and only this number was stored on the entire phone.

Looking at this number, Li Tian couldn't help but stunned. Could it be that all this guy said was true? Could it be that he is really just a puppet invited by the dark Duanmu family?

"What did he tell you about the call you answered in the office just now?" Li Tian asked suddenly.

The man was stunned, his eyes wide open and he looked at Li Tian incredulously: "You, how do you know?"

"Don't talk nonsense, hurry up, the content of the call just now."

The man had no choice but to say: "He called me just now and told me that someone from the Ouyang family came to me, so let me go quickly...get out there quickly..."

Hearing this guy say that, Li Tian and Chen Qiaozhi in front of them couldn't help being shocked.

The Duanmu family knew their actions in advance?

It's really incredible.

"What else did I tell you?" Li Tian continued to ask.

The man shook his head and said, "No, he didn't tell me anything, he just told me to leave here... and said that their people will solve the problem right away."

Chapter 292: Tooth for tooth (second more)

"Is it?"

Listening to what this guy said, Li Tian felt that this guy didn't seem to be lying, as if what he said was true.

That is to say, Li Tian did not catch the real Duanmu family.

But Li Tian couldn't understand why the Duanmu family would do this? Why look for a puppet? Could it be that all this is their conspiracy?

"I think he should be right. The dark Duanmu family members will definitely not be caught by us so easily. If the Duanmu family members are really so weak, then he is not worthy of being called the Dark Family." Chen Qiaozhi coughed twice. Said the channel.

Li Tian nodded silently, apparently also acknowledging.

His gaze was on the phone at the moment, and he slowly picked up the phone, and then glanced at Chen Qiaozhi: "I want to get through this phone, maybe we can know the truth."

Chen Qiaozhi did not speak, staring at the phone in Li Tian's hand.

This cell phone is the cell phone of the pretending Baotong chairman.

Li Tian picked up the phone and slowly touched the dial button on the phone.

That mysterious strange number was dialed out.

Li Tian pressed the upper speaker and placed the phone on the ground. At this time, everyone's attention was focused on that phone.

drop--

Drops-drops-

With the soft ringing of the phone, at the fourth tone, the other party suddenly picked up.

After picking up there, they didn't speak, or even asked, except that he could only hear his quiet breathing, which came from the phone up and down.

Li Tian couldn't help but froze for a moment, and secretly guessed: Did the other party notice it?

Just as he was wondering, a voice finally came from the phone.

An indifferent voice: "I know he has been caught by you... I also know that you are by the phone, but I tell you that you will die soon, soon, soon, the people who offend us have never No one can live."

When the other party finished speaking like a ghost, he suddenly hung up the phone.

Didi, a blind tone suddenly came from the phone.

Li Tian, Chen Qiaozhi, and the brothers beside them were all taken aback.

Then Li Tian quickly dialed the phone again, but unfortunately the phone had been turned off.

Disappointed pressing the phone in his hand, Li Tian stood there depressed.

Only Chen Qiaozhi frowned and said, "It looks like we have been tricked..."

Li Tian didn't speak, his hands tightly grasped the phone in his hand.

"The other party is far more sinister than we thought."

Li Tian in front of him did not expect to be busy for a while, and the Duanmu family members were so cunning that they would play all of them.

Looking at the man tied to the wooden chair in front of him, Li Tian frowned, walking in the dull way, thinking of everything in his mind.

Now the guy they caught was useless at all, didn't know anything, except for being a puppet, it was useless at all.

Tang Xiaolong pointed to the guy tied to the chair in front of him and said, "Then what should he do? It's useless now."

Listening to Tang Xiaolong's words, Li Tian slowly turned his face and looked at the man tied to the wooden chair.

Is he really useless at all? Li Tian's mind was suddenly thinking there.

Then his inspiration flashed, and the corner of his mouth suddenly smiled.

"I have figured out a way." Li Tian said in surprise suddenly.

Tang Xiaolong and Chen Qiaozhi in front of him couldn't help but stare at Li Tian in a daze. Even the immobile A Qiu turned his head to look at him in surprise.

Just listen to Li Tiandao: "I finally know how to deal with them, this time I will definitely be able to catch them."

Listening to Li Tian's words, Chen Qiaozhi and Tang Xiaolong couldn't help but look at him and asked, "Little boss, what do you think of?"

Li Tian smiled and slowly said, "What kind of family do you know about the Duanmu family?"

Suddenly listening to Li Tian asking like this, Chen Qiaozhi and Tang Xiaolong couldn't help being taken aback.

"It's a vicious and mysterious family, little boss, what are you asking?" Tang Xiaolong looked at him incomprehensibly.

Li Tiandao: "This Duanmu family has dealt with them through the past several times, including the last time they killed people and killed their mouths. I found that this dark Duanmu family is extremely meticulous, and will not leave behind any trouble, even if it is a little bit."

"Nonsense...or else how do they call the dark Duanmu family?" Tang Xiaolong felt that Li Tian had said and talked about the past, and said a lot of nonsense.

But Li Tian continued: "Since they are so tight-fitting and don't like to leave trouble, then guess what would they do if we let this puppet go?"

After Li Tian said so, then Chen Qiaozhi immediately understood what Li Tian wanted to say, and said in a casual way: "They will definitely kill him again and kill him."

Hearing what Chen Qiaozhi said, Tang Xiaolong in front of him also nodded silently, and murmured, "It should be like this."

"Since they like not to keep the future troubles so much, why don't we just use the plan... Let's have a game of praying mantis in front and oriole behind?" Li Tian said with an evil smile.

"Little boss, do you mean that we use their chance to kill people and find them?" Tang Xiaolong understood immediately.

"Well, we will stop him when he is ready to kill."

After listening, Tang Xiaolong blinked and looked at Li Tiandao with an unbelievable look: "Fuck, little boss, you are so dark..."

Li Tian laughed haha.

"Let's call it a tooth for a tooth."

Chen Qiaozhi also squinted slightly and said: "This attention is really good. The Duanmu family has always been cruel. Since they like to do things without leaving troubles, then we will take care of it."

"But do you know when they will come? Where?" Tang Xiaolong asked hesitantly.

Li Tian turned his head, and then stared at the man tied to the chair in front of him and said, "This is all for him."

The man tied to the chair thought that Li Tian was going to do it, and his face paled in fright: "You guys, what do you want to do?"

I saw Li Tian slowly walk up to him, looked at him and said, "You should have heard our conversation just now, right?"

"Presumably you are also very clear in your heart, your identity this time has been exposed, no matter who it is, you have no use value at all, do you know? The dark family who hired you likes to do it the most. What is the matter? Their favorite thing is to wipe out all the things that are of no use value, and do not leave them at all... It's like the death of the manager of Baotong."

p: Today, the minimum is 6 shifts and the maximum is 10 shifts. I hope my brothers can pick up. In the last month, I updated a few, and did not ask you what to pass the monthly pass. This month is coming, I hope the brothers who have the monthly pass will help me up! ! Let's not lose to others! Jack up...

Chapter 293: Tracking (3rd more)

Listening to Li Tian's words, the man looked very ugly, and he was speechless.

As for the death of the manager last time, he certainly knew that it was killed by the gang who hired him.

Could it be that I will die at that time? Will they be killed too? I have lost the use value of Tianmen...

Suddenly thinking of this, the guy suddenly showed fear in his eyes.

"Help me... please help me... I don't want to die, I don't want to die." The man looked at Li Tian pleadingly and said.

What Li Tian said was to get the current effect. Hearing the man in front of him begging for him, he looked at the man in front of him sincerely and said: "Don't worry, you have no grievances with us, let alone you are them. Of course we don't want you to die, we just want you to help..."

"What can I do for you?" The man stared at Li Tian and said.

Li Tiandao said, "Help us bring out the people who killed you."

"Huh?" Hearing Li Tian's words like this, the man was stunned, his eyes full of disbelief.

"Believe me, they will find you soon and kill you with their own hands. If you want to survive, only we can protect you, otherwise you will definitely die."

That guy was completely scared, because what Li Tian said was indeed the truth, even if Li Tian didn't kill him, the gang would kill him.

If he can survive now, of course he has to fight.

Looking at Li Tian with a pair of blood red eyes: "How can I help you?"

Li Tian smiled faintly: "In fact, there is no need to help, you just need to go home quietly now."
what?

The guy was shocked again.

He originally thought that Li Tian wanted him to do something about the sword mountain and the fire, but he did not expect that Li Tian would let him go home so easily?

"Are you going to let me go?" The man looked at Li Tian with eyes full of disbelief.

Li Tian smiled: "Of course I want to let you go, you can go home now."

"It's that simple?" The man was a little suspicious.

Then Tang Xiaolong had already walked behind him and untied all the ropes he tied to his hands: "Don't talk nonsense, go quickly..."

The man who was untied was shocked.

Never thought that Li Tian would let him go in this way. Li Tian and Chen Qiaozhi who were looking at him... When they were sure that these people really let go of themselves, he was overjoyed and turned around and started. Ran to the outside.

Li Tian squinted at him and ran out of the room.

"It's time to act."

Li Tian said with a smile.

After Tang Xiaolong and Chen Qiaozhi knew about it, he quickly walked outside.

The man who ran out for fear of dying had already stopped a taxi casually. After he got in, he let out a long sigh of relief because he could finally survive.

He just wants to go home now, take a good bath, and then sleep, forget all the terrible kidnappings today.

But he never noticed that Li Tian and Tang Xiaolong at this moment had already gotten into the Audi car, and they were slowly following behind the taxi he was sitting in.

"Little boss, are you sure someone from the Duanmu family will kill him?" Tang Xiaolong asked while driving the car while looking at Li Tian.

"Should be." Chen Qiaozhi interjected.

"That's fine, then we can grab him at once when the Duanmu family starts their hands." Tang Xiaolong said.

It turned out that the whole plan was to use the puppet just now as a bait to induce the Duanmu family to appear.

Duanmu family is famous for being vicious and mysterious from beginning to end.

The people who provoke them have always had a dead end, and they can find you even if you hide in the ends of the world.

This is where they are great.

This dark family doesn't like to leave a little bit of trouble, even if it is the slightest flaw, they will try to be perfect.

Just like this time, although the Duanmu family successfully turned Li Tian and the others around, they still left a little legacy.

That legacy is the puppet in front of me.

It was the puppet who was the chairman of Baotong Company.

Although he knows few secrets, and even the members of the Duanmu family have not met, he betrayed that family, no matter who betrayed the Duanmu family, he will definitely die in the end.

Li Tian felt that this time the Duanmu family would definitely find this guy, kill him, and get rid of all the troubles, so he would release the bait in front of him.

Quietly following the taxi, I saw the taxi quickly drove towards a high-end residential area.

Looking at this residential area, in a blink of an eye, you can feel that this place must be where the rich live.

"Is this guy's home?" Tang Xiaolong, who was driving, looked at the taxi that stopped in front and said softly.

Then the car in front of him also gently stopped behind.

"It should be." Li Tiandao said.

Seeing the guy in front who just kidnapped panicked out of the car, and then randomly took out his wallet and stuffed one hundred yuan into the taxi driver, he didn't even bother to find the change, and ran directly to the residential building. go with.

"Follow him."

After Li Tian finished speaking, he quickly opened the door and walked out of the car.

"Aqiu, Xiaolong, you two come with me..." Li Tian called Tang Xiaolong and Aqiudao said.

Chen Qiaozhi frowned, "Did I watch it in the car?"

Li Tian turned around and smiled and nodded.

Chen Qiaozhi didn't say anything, and stayed in the car.

A Qiu and Tang Xiaolong who got out of the car followed Li Tian, and the three quickly followed the guy in front of him who ran towards the residential building.

I saw the guy rushing towards the residential building, and then he quickly got on the elevator.

When Li Tian and Tang Xiaolong from behind followed, the guy had already entered the elevator, looking at the elevator after it stopped on the 16th floor.

"The 16th floor."

Then Li Tian clicked another elevator next to it. As the elevator opened, the three of them quickly walked in, and then slowly ascended towards the 16th floor.

In the elevator, only Tang Xiaolong asked, "Little boss, do you guess when will the Duanmu family come to kill him?"

Li Tian shook his head: "This is hard to say."

"Maybe they are all here now."

"No way, so quickly?" Tang Xiaolong said.

Li Tian smiled and said, "I guessed it."

When Li Tian, Ah Qiu and Tang Xiaolong took the elevator towards the 16th floor, the guy who ran up was already on the 16th floor.

He was very fortunate to have just escaped from the dead. He was still a little scared and ran to the other end of the corridor very quickly.

The room he lives in is room 1607.

As he quickly reached Room 1607, he quickly took out the key from his arms.

While opening the door quickly, he whispered in his mouth and said, "My wife, I'm back..."

After the room door opened with a creak, it was dark inside.

Then a tangy smell of blood surged towards him.

Chapter 294: Ah Qiu (4th more)

The guy who came in was stunned, and he found his house in a mess, and quickly reached out and turned on the light next to him.

As the light in the room suddenly became bright... the room really wanted to be robbed, the sofa, tables and chairs all fell to the ground, even the LCD TV over there fell to the ground...

The scary thing is that there is still red blood flowing out of the front toilet.

He was stunned...

"Wife!"

He screamed, and his trembling legs couldn't help moving forward two steps, and then he saw a terrifying scene. There was a female corpse lying in the bathroom, immersed in blood, eyes wide, dead. on the ground.

There is no doubt that this is his dead wife.

The moment he saw his dead wife, he felt a cold chill from the soles of his feet.

"Ah..." shouted.

Then, without paying attention, a hand suddenly tightened his neck, suffocating him.

He started to struggle constantly. He wanted to see who was killing him, but he couldn't turn his head back. Even with the strength of his whole body, he couldn't break away from the devil-like hand behind.

"You betray us, only death is betrayal!"

As the fierce voice uttered word by word in his ear, he was strangled and saw a cold and sharp dagger passing in front of him.

He wanted to struggle, wanted to call for help, but it was too late.

With a flutter, a sharp dagger passed through his throat.

Then his body began to convulse, choking, two hands covering his slit neck, the scarlet blood instantly dyed his entire hands red.

He fell to the ground, choked twice, and died!

He didn't even see who killed him when he died.

At the same time, Li Tian, A Qiu and Tang Xiaolong had already walked out of the elevator.

"Wait."

Li Tian suddenly stopped the two who were walking forward.

Then Ah Qiu and Tang Xiaolong couldn't help looking back at Li Tian: "What's the matter?"

"Have you heard?" Li Tian said suddenly.

"Hear what?" Tang Xiaolong asked depressedly.

"Scream!"

Li Tian looked around and said cautiously.

"Little boss, you mean..."

Li Tian looked at the houses in the corridor, listening carefully to the movement, and suddenly he heard a small movement in the corridor over there.

And that room was the room of the killed puppet chairman.

Li Tian looked cautious at this moment, winked at Na Qiu and Tang Xiaolong, and then the three of them lightly walked towards the door of the house over there.

When they walked towards the house here, the lights suddenly went out, and it was dark, only the corpse on the ground that was killed by him still exuded a strong smell of blood.

After Li Tian, A Chou and Na Tang Xiaolong crept to the door of the room.

Li Tian winked at the two of them, then reached out and pushed the door.

As his hand touched the door of the room, with a light push,

The door creaked and was pushed open.

There is no anti-lock.

After pushing away, a **** smell came out.

Li Tian and Tang Xiaolong were shocked right now.

With a bang, Li Tian slammed open the door, and then rushed in first.

The moment he rushed in, a cold light dagger slammed at him fiercely.

Li Tian was shocked, and he rolled on the spot quickly, avoiding the fatal blow.

The moment he hid, the dagger in the opponent's hand suddenly stabbed at the deadly place of his body again.

The sword technique is poisonous and cruel, and every move seems to want Li Tian's fate.

At the same time, Ah Qiu and Tang Xiaolong rushed in from outside.

Tang Xiaolong quickly pressed the light switch on the side wall with his fingers, and as his fingers pressed, the light in the room suddenly lit up.

At the moment the light was lit, I saw a man in black clothes standing in front of Li Tian, holding a sharp dagger in his hands tightly, with the other hand tucked inside the sleeve, his eyes looked like a knife. Looking at Li Tian, A Qiu and Tang Xiaolong came in.

There was still a corpse lying on the ground. It was the chairman puppet who died. The neck was completely cut open, and blood ran all over the floor.

"It turns out that it's you **** who finally caught you." Tang Xiaolong said while looking at the man in black.

The man in black is no one else, but from the Anbu of the Duanmu family (you).

He glanced at Li Tian coldly. This was the third time he saw Li Tian, but for Li Tian, it was the first time he saw the man in black in front of him.

"Today I will see where you are going." Tang Xiaolong said as he blocked the door in front of him.

Li Tian looked at the black man in front of him: "Are you from the Duanmu family?"

The man in black had no words and no answer.

"Although you don't tell me, I also know that you must be from the Duanmu family."

"I have something to ask you, what happened to the Sanshengmen poison in your Duanmu family? Do you have an antidote to the Sanshengmen poison?" Li Tian asked concerned.

The only thing he cares about right now in his heart is the Sanshengmen Poison in Situ Ningbing's body...

So when he first saw this, he was sure to belong to the Duanmu family, he asked quickly.

A Qiu and Tang Xiaolong beside them were slightly startled.

But he only heard that the black man laughed suddenly, the laughter was weird.

"I only tell you one thing. If you are poisoned by the Sanshengmen, you will die."

When he said this coldly, the dagger in his hand suddenly stabbed Li Tian in front of him like a poisonous snake.

Li Tian wanted to move, but Ah Qiu, who was wearing sunglasses, moved first.

Suddenly he flew a kick and kicked directly on the wrist of the man in black (you).

With a scream, Ah Qiu kicked off the dagger in the hands of the man in black (you).

I saw Ah Qiu slowly walked in front of Li Tian, this fierce man who had rarely spoken, suddenly spoke.

"I'll deal with him."

Five words came out from his mouth bluntly.

He shot for the first time.

How powerful is this macho who used to wear sunglasses and a terrifying aura all over?

No one knows.

Hearing what Ah Qiu said, Li Tian took two steps back and nodded.

Tang Xiaolong next to him also looked at Ah Qiu with great interest. To be honest, he was also very curious about Ah Qiu's force value. Tang Xiaolong was once the special forces king in the army. Needless to say, his force value was naturally not mentioned, but sometimes he did not. Dare to make jokes in front of Ah Qiu, because the terrible aura that this macho wearing sunglasses exudes from the beginning to the end sometimes even he has a sense of fear.

This is the first time Ah Qiu made his move. He put his hands on his chest and leaned against the door to look at Ah Qiu. This time he wanted to see how powerful this guy really is.

Chapter 295: The power of horror (5th more)

One is the master (you) of the dark part of the Duanmu family, cold and ruthless.

The other is Ah Qiu who wears sunglasses and exudes a terrible breath.

Such a duel between two people is undoubtedly exciting.

The quiet eyes cast coldly on Ah Qiu's face, and a sneer sneer appeared at the corner of his mouth. Is it disdain? Or something else? I don't know.

And what about Aqiu? It does not move like a bell, and the whole person stands there like a stiff stone.

"court death!"

As you spit out the words fiercely in your mouth, his body suddenly moved.

Fast and agile, like a poisonous snake coming out of a hole, attacking Ah Qiu faster than lightning.

The left hand was a fierce catch, and the right hand directly grabbed A Qiu's shoulder with a small grasper.

The action is spicy and sophisticated, and at first glance is the master of the master.

And where is Ah Qiu in front of him? The wrong step suddenly took a step forward, the right hand blocked, the left hand took advantage of the situation to attack, the clenched fist stood in the middle, and the punch was slammed.

She dodged her body and dodged like a sly rabbit, then turned her elbow and slammed into Aqiu's chest.

Ah Qiu's body, backed away and avoided.

When the two came up, they used sharp and vicious tricks.

The tricks are pungent and life-threatening, as if they all want each other's life.

They are the kind of people who only do things without talking, so the two people look alike to some extent.

More than ten tricks passed quickly, and the two people can be said to be evenly matched.

Stand back and stand.

Li Tian, who saw A Qiu's shot for the first time, couldn't help but have bright eyes. He couldn't think of the strength of A Qiu who had never spoken very much while wearing sunglasses.

And where is Tang Xiaolong over there? He was also watching with bright eyes. Tang Xiaolong is the soldier king of special forces. It can be said to be extremely powerful when it comes to fighting alone, but sometimes even Tang Xiaolong dare not make jokes in front of Na Qi, Tang Xiaolong felt that this Ah Qiu was a savage, the savage among the savage, could not help but be cold and scary, watching that guy's shot at the moment, Tang Xiaolong was even more shocked.

This guy is really a terrifying character, and his power really dare not be underestimated.

But he said that as soon as that You came up, he used dozens of moves with A Qiu in front of him, regardless of top and bottom.

Although he stood there, his face was still extremely cold, but there was no doubt that some anxious eyes could be seen in his eyes.

The guy wearing sunglasses in front of him is so difficult, so what if there is another guy leaning on the door behind Li Tian who makes a move? Didn't I have to take it today?

Suddenly thinking of these can not help but become a little anxious.

He must fight quickly at this moment, otherwise, it seems a little unlikely to retreat all over today.

With a sudden burst of shout (you) suddenly changed his moves, the sharp and vicious move just now became even more weird at this moment.

His hands were like a demon in the night attacking Aqiu, and he faintly felt the ferocious breath.

When such a weird move is suddenly used, it really changes.

When the attack came over, Ah Qiu was a little passive. No, now Ah Qiu was forced to retreat again and again by that (you) terrifying trick.

Tang Xiaolong frowned tightly next to him, staring at the weird tricks (you) used, and he was taken aback.

What about Li Tian? He blinked and was shocked.

Because, because he suddenly felt that (you) moves are so familiar?

The familiar one seems to be the Rashomon he used: Nine types!

wrong! Although he used his Rashomon: Nine styles are very similar, but not Rashomon: Nine styles, because although his moves are very similar, but they do not have the power of Li Tian's Rashomon: Nine styles, Let alone such a vicious atmosphere.

Anyone in the Duanmu family knows Rashomon's kung fu, but Rashomon has a lot of kung fu, and their achievements are different.

This (you) is a member of the Anbu of the Duanmu family, and he will naturally have the skill of Rashomon, so when he uses such a trick, no wonder Li Tian feels so familiar... no wonder Li Tian feels that this trick seems like As if I have seen it before.

When he suddenly understood what trick he was using (you) in front of him, Li Tian couldn't help but worry about Aqiu.

Because no one understands the power of Rashomon more than him.

Isn't this? The Ah Qiu in front of him has been forced by that (you) to start a dangerous situation.

With a bang, Ah Qiu didn't evade with a single move. He was hit by the (you) elbow in his chest, and Ah Qiu was beaten back three steps in a row.

Li Tian here saw that Aqiu was injured and couldn't help but said with concern: "Aqiu, are you okay?"

Tang Xiaolong over there also looked at Ah Qiu in shock.

But seeing Ah Qiu's cold face was indifferent.

Standing there did not answer Li Tian's words, nor did he make any expressions.

(You) At the corner of his mouth, he looked at A Qiu with a sneer: "Isn't convinced yet? I'll let you die!"

Following his violent voice, his whole body suddenly jumped into the air, and the terrifying aura that permeated his body all attacked towards Ah Qiu, and at the same time, a whirlwind leg struck him fiercely towards his head.

Powerful!

I thought Ah Qiu would dodge, but who could have imagined that he would not dodge.

Li Tian next to him was taken aback, his hands had accumulated all his strength and he was ready to go to help Na Qiu at any time. Tang Xiaolong over there also left the door behind him, carefully looking at the situation.

Seeing that the "you" deadly whirlwind leg was about to slash Na Qiu's head fiercely.

Such a vicious trick, if it were slashed on Aqiu's head, it would probably make Aqiu immortal and seriously injured.

At this critical moment, Li Tian suddenly wanted to move... but at the moment he was about to help Aqiu.

A sudden scene suddenly appeared in front of him in horror.

A Qiu, who was standing there quietly just now, suddenly screamed. Following the earth-shaking sound, he saw his figure soaring several times, and then he saw the one he was wearing. The pale face of the sunglasses turned blood red in an instant.

When the face suddenly became like blood spilling on the face, the entire space seemed to turn red.

Then his hand suddenly resembled a powerful claw, and suddenly grabbed the (you) ankle that was split from that leg.

At the moment of clutching that ankle tightly, (You) couldn't help but pale in shock.

Even Li Tian and Tang Xiaolong could not help being shocked.

Then he saw Ah Qiu accumulating the strength of his whole body, and suddenly pulled a certain area, and the invisible energy emerging from his body violently slammed into the (you) hanging body in front of him.

With a bang, the world seemed to change color, turning into a blood-red color.

And the Yu's body in the midair was shocked and flew out.

Chapter 295: The power of horror (5th more)

One is the master (you) of the dark part of the Duanmu family, cold and ruthless.

The other is Ah Qiu who wears sunglasses and exudes a terrible breath.

Such a duel between two people is undoubtedly exciting.

The quiet eyes cast coldly on Ah Qiu's face, and a sneer sneer appeared at the corner of his mouth. Is it disdain? Or something else? I don't know.

And what about Aqiu? It does not move like a bell, and the whole person stands there like a stiff stone.

"court death!"

As you spit out the words fiercely in your mouth, his body suddenly moved.

Fast and agile, like a poisonous snake coming out of a hole, attacking Ah Qiu faster than lightning.

The left hand was a fierce catch, and the right hand directly grabbed A Qiu's shoulder with a small grasper.

The action is spicy and sophisticated, and at first glance is the master of the master.

And where is Ah Qiu in front of him? The wrong step suddenly took a step forward, the right hand blocked, the left hand took advantage of the situation to attack, the clenched fist stood in the middle, and the punch was slammed.

She dodged her body and dodged like a sly rabbit, then turned her elbow and slammed into Aqiu's chest.

Ah Qiu's body, backed away and avoided.

When the two came up, they used sharp and vicious tricks.

The tricks are pungent and life-threatening, as if they all want each other's life.

They are the kind of people who only do things without talking, so the two people look alike to some extent.

More than ten tricks passed quickly, and the two people can be said to be evenly matched.

Stand back and stand.

Li Tian, who saw A Qiu's shot for the first time, couldn't help but have bright eyes. He couldn't think of the strength of A Qiu who had never spoken very much while wearing sunglasses.

And where is Tang Xiaolong over there? He was also watching with bright eyes. Tang Xiaolong is the soldier king of special forces. It can be said to be extremely powerful when it comes to fighting alone, but sometimes even Tang Xiaolong dare not make jokes in front of Na Qi, Tang Xiaolong felt that this Ah Qiu was a savage, the savage among the savage, could not help but be cold and scary, watching that guy's shot at the moment, Tang Xiaolong was even more shocked.

This guy is really a terrifying character, and his power really dare not be underestimated.

But he said that as soon as that You came up, he used dozens of moves with A Qiu in front of him, regardless of top and bottom.

Although he stood there, his face was still extremely cold, but there was no doubt that some anxious eyes could be seen in his eyes.

The guy wearing sunglasses in front of him is so difficult, so what if there is another guy leaning on the door behind Li Tian who makes a move? Didn't I have to take it today?

Suddenly thinking of these can not help but become a little anxious.

He must fight quickly at this moment, otherwise, it seems a little unlikely to retreat all over today.

With a sudden burst of shout (you) suddenly changed his moves, the sharp and vicious move just now became even more weird at this moment.

His hands were like a demon in the night attacking Aqiu, and he faintly felt the ferocious breath.

When such a weird move is suddenly used, it really changes.

When the attack came over, Ah Qiu was a little passive. No, now Ah Qiu was forced to retreat again and again by that (you) terrifying trick.

Tang Xiaolong frowned tightly next to him, staring at the weird tricks (you) used, and he was taken aback.

What about Li Tian? He blinked and was shocked.

Because, because he suddenly felt that (you) moves are so familiar?

The familiar one seems to be the Rashomon he used: Nine types!

wrong! Although he used his Rashomon: Nine styles are very similar, but not Rashomon: Nine styles, because although his moves are very similar, but they do not have the power of Li Tian's Rashomon: Nine styles , Let alone such a vicious atmosphere.

Anyone in the Duanmu family knows Rashomon's kung fu, but Rashomon has a lot of kung fu, and their achievements are different.

This (you) is a member of the Anbu of the Duanmu family, and he will naturally have the skill of Rashomon, so when he uses such a trick, no wonder Li Tian feels so familiar... no wonder Li Tian feels that this trick seems like As if I have seen it before.

When he suddenly understood what trick he was using (you) in front of him, Li Tian couldn't help but worry about Aqiu.

Because no one understands the power of Rashomon more than him.

Isn't this? The Ah Qiu in front of him has been forced by that (you) to start a dangerous situation.

With a bang, Ah Qiu didn't evade with a single move. He was hit by the (you) elbow in his chest, and Ah Qiu was beaten back three steps in a row.

Li Tian here saw that Aqiu was injured and couldn't help but said with concern: "Aqiu, are you okay?"

Tang Xiaolong over there also looked at Ah Qiu in shock.

But seeing Ah Qiu's cold face was indifferent.

Standing there did not answer Li Tian's words, nor did he make any expressions.

(You) At the corner of his mouth, he looked at A Qiu with a sneer: "Isn't convinced yet? I'll let you die!"

Following his violent voice, his whole body suddenly jumped into the air, and the terrifying aura that permeated his body all attacked towards Ah Qiu, and at the same time, a whirlwind leg struck him fiercely towards his head.

Powerful!

I thought Ah Qiu would dodge, but who could have imagined that he would not dodge.

Li Tian next to him was taken aback, his hands had accumulated all his strength and he was ready to go to help Na Qiu at any time. Tang Xiaolong over there also left the door behind him, carefully looking at the situation.

Even Li Tian and Tang Xiaolong could not help being shocked.

Then he saw Ah Qiu accumulating the strength of his whole body, and suddenly pulled a certain area, and the invisible energy emerging from his body violently slammed into the (you) hanging body in front of him.

With a bang, the world seemed to change color, turning into a blood-red color.

And the Yu's body in the midair was shocked and flew out.

Chapter 296: Met her again (6th more)

With a click, his body slammed on a glass coffee table severely, the huge glass coffee table was smashed to pieces, and all the ground was glass slag.

And You fell to the ground.

Looking at Ah Qiu again, the blood-red light on his face slowly dissipated, giving him a startling glance.

It made Li Tian and Tang Xiaolong slightly curious.

"This is his true strength?"

"What is the origin of Ah Qiu with such terrifying strength?" Li Tian wondered in his heart.

Tang Xiaolong was also speechless in shock.

"This guy wearing sunglasses has such a powerful strength. If he wants to fight him, who will win? Who will lose?" Tang Xiaolong measured inwardly...

With Yu was seriously injured to the ground.

Ah Qiu didn't say a word, and walked slowly to one side, standing on one side like a cold stone.

He knew that his business was done, and that the things he was born with were not what he should do. He was only responsible for knocking people down.

Li Tian walked forward without speaking.

But seeing that You were lying on the ground, panting heavily, and her sullen eyes were filled with speechless anger and despair.

Li Tian grabbed the panting and secluded neckline and lifted him from the ground.

"Now I ask you, are all these things planned by your Duanmu family?" Li Tian asked coldly.

That You Evil glared at Li Tian fiercely, gritted his teeth tightly and said nothing.

Seeing that this kid didn't say a word, Li Tian suddenly punched him on the chest, and his domineering force caused that faint mouthful of blood to spray out of his mouth: "Say or not?"

"Even if you kill me, I won't tell you everything." Na You suddenly laughed wildly, the laughter was strange and desolate.

"Kill me? Kill me if you have the ability?" (You) suddenly roared with a fiery madness in his eyes.

This made Li Tian deeply shocked, is this person really not afraid of death?

He knew that the people of the Duanmu family worshiped death, and they even used Rashomon (Rashomon: the door to **** and death). This dark family worship power, enveloped hell, and died in their eyes. Maybe it's not a painful thing.

The members of the Anbu of the Duanmu family are even more to protect the mysterious organization of the Duanmu family, and they are not afraid of death.

So even if Li Tian tortured him in the most painful way, he would not say anything.

Even the threat of death.

Seeing that he was useless to threaten this guy, Li Tian couldn't help feeling a little disappointed.

Tang Xiaolong on one side glanced at that You: "Little boss, why don't you kill him?"

Li Tian did not speak.

At this moment, in the originally bright room, the gorgeous large chandelier was suddenly broken with a snap.

It's a gun!

The gun in the night broke the light.

"Be careful!" Li Tian said in shock.

Then one hand held Na You, and the other body quickly squatted on the ground, Na Qiu and Tang Xiaolong also quickly hid away.

Shards of glass were scattered all over the place. ,

The whole room was plunged into darkness.

In the room that was as quiet as death, there was no sound at all, and only their rapid gasping could be heard.

While hiding Li Tian couldn't help looking around, and Tang Xiaolong and Na Aqiu were also ready for everything.

"Damn, there is a gunman nearby..." Tang Xiaolong said depressedly.

As soon as I said this, I heard the sound of the glass window cracking and being broken by bullets.

The other party didn't seem to kill them, but smashed all the glass windows in front of them... Li Tian and Tang Xiaolong all hid and didn't dare to come out.

No way, no one knows where the hidden gunman is? If it comes out, it will definitely be treated as a living target.

Just as Li Tian and Tang Xiaolong were depressed, suddenly three dark shadows jumped in from the broken window, like ghosts in the dark night.

The sound of their feet falling on the ground couldn't help but reach Li Tian and their ears.

"Someone has come in." Li Tian said in a low voice.

Tang Xiaolong over there also looked nervously at the black shadow in front, ready to take action at any time.

But it said that the three black shadows who came in stood at the window and did not move forward.

You) Are you still alive?" In the silent room, a ***** woman's voice suddenly heard. The voice heard a strange feeling in the dark, coquettish and mysterious.

When this sound suddenly sounded, Li Tian who was hiding there was shocked. Why is this sound so familiar? Could it be her?

"is her?"

Li Tian was shocked, and at the same time her figure suddenly appeared in his head. The woman with the face of an angel but the heart of a snake, a woman who was as ***** and strange as a mouthful of top-grade rouge.

Duanmu Sakura!

"You all come out, I know you are all hiding in the room..." She continued to say lightly.

"We are here just to take people away... If you don't come out again, don't blame me for ruining everything here."

As her weird and coquettish voice sounded, Li Tian and Tang Xiaolong who were hiding in the dark couldn't help being stunned.

Tang Xiaolong and Ah Qiu both looked depressed at Li Tian at this moment.

Li Tian knew in his heart that it seemed that they had lost again this time because the other party had a gun in his hand, and he knew that they were hidden in the room. Although Li Tian was surprised by the sudden arrival of Duanmu Ying, he still made one. The right decision.

He nodded for Tang Xiaolong and Ah Qiu in front of him. After seeing Li Tian nodding, the two guys were not only disappointed in their eyes.

"We are out!" As Li Tian's voice sounded, he slowly stood up from his hidden position.

At the same time, one hand pinched the faint neck in that hand.

Tang Xiaolong and Ah Qiu on the other side also stood up from the darkness helplessly.

After they stood up, through the dim light, Li Tian finally saw her.

Duanmu Sakura!

It was the woman who was like a poppy, Duanmu Ying.

The moment Duanmuying saw Li Tian, she also seemed to be stunned, blinking her beautiful eyes and staring at Li Tian in surprise.

"It's you?"

It seemed that she didn't expect it to be Li Tian.

Li Tian sneered and looked at Mu Ying at the end: "I didn't expect to meet you again here."

Tang Xiaolong and A Qiu on one side looked at the scene depressedly.

"Little boss, do you know this woman?" Tang Xiaolong asked in confusion.

"More than knowing, and I've seen it more than once or twice..." Li Tian said coldly.

After confirming that it was Li Tian over there, Duanmuying couldn't help but giggled, and the strange laughter filled the room.

"I am also very curious, how can I meet you every time, it seems that the two of us are really fate." She said with a smile.

The **** and coquettish red lips exude endless temptation.

Behind Duanmuying were two people with cold expressions. One of them was a man with deep eyes. His hair was very long, and the outline of his face was thin. On the other side, there was a woman who was so cold. Extremely, the **** figure is wrapped in a black leather jacket, and at the same time both of them have guns in their hands, cold guns.

Chapter 297: Failed (first more)

Seeing Duanmuying again, Li Tian was surprised and surprised at the same time, but there was a strange emotion in his heart.

Seems to be happy...

But his face is still very cold, because she is now hostile to herself.

Looking at Duanmu Ying coldly, Li Tian said: "I didn't expect your Duanmu family to be so vicious and cunning. Even a person who doesn't know anything will kill someone."

Facing Li Tian's words, Duanmuying's mouth showed a strange smile.

"I never thought you would dare to find our Duanmu family? Don't you know that everyone who has a joint with our family is dead?" When the word of death was spoken from her mouth, it was as simple as drinking cold water .

"Don't worry, I won't die so soon." Li Tiandao said.

Duanmuying giggled.

That charming voice sounded so harsh in the dark.

"I want to ask why you are looking for our Duanmu family?" Duanmuying suddenly looked at Li Tian with curiosity blinking her beautiful eyes.

To be honest, she didn't know, why did this guy who had met her twice before, so coincidence every time? And even the trouble he shouldn't have caused him this time has caused him? So Duanmuying wanted to ask clearly.

Li Tiandao said: "In fact, I don't want to, but I have no choice but to have a friend who has been poisoned by your family's Sanshengmen, so I want to get the antidote for her."

"Oh?" Duanmuying suddenly heard Li Tian say so, her beautiful eyes blinked.

Then he looked at Li Tian and continued to ask: "Female?"

When she asked if Li Tian's friend was a man or a woman, Li Tian was slightly startled, without words.

Suddenly, Mu Ying laughed.

"Did you know that there is no cure for the poison in our family's Sanshengmen?"

"What a pity, what a pity, it seems that one of your friends is going to die." Duanmuying sighed suddenly.

Suddenly hearing Duanmuying say so, Li Tian felt a bit in his heart.

No cure? Is there no cure for the poison of Sanshengmen? how is this possible?

"Impossible! Impossible!" Li Tian roared suddenly,

"Whether you believe it or don't believe it, anyway, you remember that no one can take the antidote to the Sanshengmen from our family...including you, so I regret to tell you, which of your friends must be a dead end ."

After hearing what Duanmuying said, an invisible anger suddenly filled Li Tian's body. His eyes suddenly became blood-red and violent, and his fists were clenched tightly.

Suddenly, Muying said softly, "For the sake of knowing you today, I will let you make a living."

As Duanmuying said this, the cold expressions of a man and a woman behind her were shocked. It was obviously hard to believe that their eldest lady had made such a decision. You must know that they all have guns in their hands now, and there is still There are invisible blockers, if you want to get rid of Li Tian and the others now, it will be no effort.

Hearing Duanmuying's words, Li Tian stood there without saying a word. He still held the Anbu (you) neck tightly in his hand.

"Leave my hand, I will let you go." Duanmuying in front of her suddenly looked at Li Tian and said.

Li Tian was taken aback, blinked and glanced at the two men and women with guns behind her. The cold and dark muzzles of the two men were aimed at him and his brother.

Helpless Li Tian had to let go of his hand slowly.

At the moment of releasing that dark part (you), I saw that You looked pale and guilty at Duanmu Ying: "I'm sorry, Miss..."

"Trash! Come here soon." Duanmuying spit out a few words while looking at the quiet.

That You bowed his head and dragged his lingering body, step by step towards this side.

When they came over, Duanmuying looked at Li Tian and said, "I believe that after this incident, we will have more and more opportunities to meet in the future, but I tell you, if I see you next time, maybe You have no such good luck...hehe."

When her voice floated in the ears of Li Tian and his brothers in the dark night, she had a strange feeling.

"Also, don't let the Ouyang family instruct you to be a gunman... In that case, you would dig your own grave."

"I have said everything I want to say, you can go now."

When Duanmuying finished speaking these words, she really wanted to let Li Tian and the others leave here.

Li Tian stared at her tightly, without words or words, and stepped back step by step. Tang Xiaolong and A Qiu also slowly followed behind Li Tian and retreated outside.

The moment they really safely exited the door, Tang Xiaolong couldn't help taking a long breath and said, "Who is that woman?"

"Is it a member of the Duanmu family?" Tang Xiaolong said with wide eyes.

Li Tian also retreated at this moment, and nodded when he heard Tang Xiaolong say this.

The three people looked at the room that came out, and couldn't help feeling a little disappointed in their hearts.

I thought that after all my hard work I finally caught a guy from the Duanmu family, but I didn't expect to be rescued like this... and I almost put myself and my brothers in unnecessary danger. This is Li Tian didn't expect it.

And the most surprising thing is that she would actually appear here.

Helpless Li Tian had to take his brothers downstairs quickly.

After Li Tian and the others left the room, they saw Duanmuying's eyes blinking in the dark.

One of the **** girls in black tight leather clothes couldn't help but looked at Duanmu Ying and asked, "Miss, why don't you kill them all?"

Duanmuying sneered at the corner of her mouth: "There will be opportunities in the future. I want to play with them a few more times..."

"Besides, there are so many unknown secrets in him..."

When Li Tian and the others went downstairs with disappointment, when they were at the door, they saw Chen Qiaozhi waiting downstairs.

When they saw Li Tian and the others coming down, they couldn't help but frown and asked, "I heard gunshots on it just now, are you all right?"

Li Tian shook his head.

Tang Xiaolong scolded his mother depressedly and said, "His grandmother, we had already caught that guy, but who knew that a mysterious woman was killed halfway through. Damn, she robbed us again and almost killed us. "

Listening to Tang Xiaolong's words, Chen Qiaozhi didn't need to think about what happened.

He knew in his heart that Li Tian and the others had no guns at all, and the gunshots just now must have come from the other's hands. It was a blessing that they were fine.

After the four people got in the car, they said nothing.

Driving the car quickly towards the Ouyang family.

Chapter 298: Anbu (2nd more)

None of the four people spoke along the way, and even Tang Xiaolong, who had always been fond of talking, didn't say a word.

Obviously the failure tonight made them both painful.

After the four people returned to the Ouyang family villa, they all entered their rooms one by one, thinking about their own things.

Li Tian was lying in the room upstairs, and his mood was even more messed up.

Hearing Duanmu Ying's words tonight made Li Tian extremely worried, is there an antidote to the poison of Sanshengmen? How is Situ Ningbing now? All this is his worry.

But that dark Duanmu family is so powerful, how can he get the antidote to Sanshengmen?

Besides, how should he find Situ Ningbing? One by one annoying things filled his heart, preventing him from falling asleep.

In this way, he lay faintly all night.

In the early morning of the next day, the old housekeeper of the Ouyang family called Li Tian to go there and said that the master was looking for him.

When Li Tian arrived at the main hall of the Ouyang family, he found that Ouyang Zhengtian was sitting quietly, and there was beautiful and beautiful Ouyang poetry beside him.

Seeing Li Tian coming, Ouyang Zhengtian smiled and asked, "I heard that you had an accident last night?"

Li Tian said the truth: "Yeah."

"What happened?" Ouyang Zhengtian asked.

So Li Tian told Ouyang Zhengtian what happened last night.

Ouyang Zhengtian narrowed his eyes, and said slowly after a long time, "It seems that the Duanmu family is really going to force me."

"Dad, the Duanmu family did this in order to destroy the armistice agreement that year... We can't be fooled." Ouyang Shiqing said on the side.

Ouyang Zhengtian smiled slightly: "I'm not that stupid yet!"

"Of course I know the purpose of Duanmu family doing this, but I can't stand the provocation of this Duanmu family more and more." Ouyang Zhengtian's words revealed irritability.

"Then what should we do now?" Ouyang Shiqing asked.

"Now? I can only wait now, waiting for the opportunity." Ouyang Zhengtian said coldly.

"In the past few days I will contact the other two families and tell them what happened in Jinghai City. If it is really necessary, I will destroy the armistice agreement that year. I will let the Duanmu family, which was defeated ten years ago, do it again. Fail once." Ouyang Zhengtian said fiercely.

"Li Tian, since the people of our family are not so good to come forward, I will hand over to you the things in the past few days. You will continue to explore the clues of the Duanmu family, and I will leave for a while." Ouyang Zhengtian said.

Listening to Ouyang Zhengtian saying this, Li Tian nodded.

"I know."

"Well then, go down." Ouyang Zhengtian said slightly.

Li Tian retreated and walked back along the path alone.

As he was leaving, Ouyang Shiqing's soft voice came from behind.

Li Tian was startled and turned his head to look at that Ouyang Shiqing, but saw Ouyang Shiqing looking at him with a smile: "You weren't hurt last night, right?"

Li Tian smiled and shook his head: "No."

"Nothing is fine."

"Are you still worried about her?" Ouyang Shiqing suddenly raised her beautiful eyes like water and stared at Li Tian asked.

Li Tian was taken aback, staring at Ouyang Shiqing and asked, "Who?"

"Which of your friends... is a friend of the Duanmu Family Sanshengmen." Ouyang Shiqing said intelligently.

Hearing Ouyang Shiqing's words, Li Tian was shocked. He didn't expect that Ouyang Shiqing was so smart, and he could see through his thoughts at once.

He stood there, with a little sadness on his face, sighed and said, "What you said is not bad."

"I am worried about her now... I don't know what happened to the Sanshengmen Poison in her body? I don't know where she is now..."

Ouyang Shiqing looked at Li Tian with a sympathetic expression in her beautiful eyes, and said, "Can I help you?"

Li Tian shook his head.

Ouyang Shiqing doesn't know Situ Ningbing, how can I help?

Even if the two of them walked face to face, it is estimated that they would not recognize each other, only Li Tian knew each other.

So he shook his head helplessly there.

Of course Ouyang Shiqing knew that she was indeed unable to help, so she could only look at Li Tian regretfully.

"But thank you...Thank you for being so kind to me." Li Tian said sincerely.

Suddenly, Ouyang Shiqing's delicate face blushed.

This eldest daughter, who has always been the jewel in the palm of the Ouyang family, was so glamorous at this moment of flushing face.

Because Li Tian has been worrying about dealing with the Duanmu family for so long, to be honest, he has never really seen that face of Ouyang Shiqing, and now looks at her exquisite face and straight nose. , The beautiful eyes like autumn water, the **** lips... can't help but look a little silly.

Ouyang Shiqing in front of him saw his expression and couldn't help turning her pretty face slightly.

Li Tian felt his gaffe, and quickly took a step back.

"I, I'm leaving now."

As he said, he hurriedly walked forward.

At the same time, I couldn't help cursing at myself: How can I think about it? I am already content with Situ Ningbing. Why do I still miss her in my heart? Damn it.

Watching Li Tian leave, Ouyang Shiqing didn't speak either. Standing there, her beautiful eyes stared at his back, she suddenly sighed slightly, wondering what she was thinking.

—

Duanmu family is a dark family that never admit defeat.

While this family worships power and darkness, they also believe that failure is sometimes more humiliating than death.

In the dark hall with low light, a person was standing with his head down in the middle of the hall, as if he had done something wrong and was receiving punishment.

There are four people on the left and right beside him, all of whom are wearing black clothes like him, standing cold and straight, and everyone is full of darkness and mystery.

This is where?

If you are from the Duanmu family, you must know that this is the main hall of the dark part of the Duanmu family.

Anbu is a very mysterious organization of the Duanmu family. The responsibility of this organization is to protect the Duanmu family.

So everyone in Anbu couldn't help being a master of the clan, and the leader of Anbu, Black Eagle, was even more ruthless.

The black eagle, the leader of Anbu, can be equal to the four elders of the Duanmu family in addition to the clan leader.

Therefore, Anbu not only has a high position in the Duanmu family, but also an important place.

In the current Anbe main hall, but who is standing in the middle?

Yes, he is from Anbu (you).

Chapter 299: Woman's heart (3rd more)

He was the one who failed that mission and was almost caught by Li Tian and the others.

He stood in the middle of the gloomy hall, bowed his head deeply, as if waiting for some punishment.

Suddenly in the darkened main hall, I saw a person covered in black walking step by step from the side.

As he walked, everyone in the hall couldn't help bending down, and You also bent down likewise.

I saw the man in black who came out, waved his hand slightly, and all the people in the hall stood there again.

The black-clothed man who came out had a vicious hooked nose, and a pair of sharp eyes. With thin lips, he looked coldly at the middle of the hall.

Who is he?

He is the leader of the dark family dark organization: Black Hawk.

A mysterious and terrifying cold-blooded killer.

"You, do you deserve to die?" In the dim hall, his harsh voice suddenly sounded.

Standing in the middle of the hall, You suddenly lowered his head and said silently: "I **** it!"

"Since you know you deserve to die...then you can kill yourself." As the black hawk's harsh voice came out, suddenly a cold light dagger was inserted in front of You.

It was a dagger with a black handle, sharp and deadly.

Coldly inserted in front of You.

Standing in the middle of the hall, You suddenly began to tremble, but he still slowly stretched out his right hand and tightly held the Senhan dagger in front of him.

The dagger was held tightly in the palm of his hand, and he gritted his teeth tightly, his eyes were blood-red and hideous.

Suddenly he raised the dagger in his hand and stabbed it in his chest.

Seeing You were about to commit suicide on the spot, none of the people around was moved by it, and did not even look at it, as if dying a person is the most common thing for them.

With a flutter, the sharp dagger pierced into the heart.

Then Yu's body began to choke, his sturdy body fell to the ground with a plop, convulsed twice, and then there was no sound.

died.

In this way, the only one failed death was on the spot.

From the eyes of his corpse, he couldn't see his despair or fear, but a fiery madness... What kind of weird people are this Duanmu family? unknown.

After Na You committed suicide, the leader of the Anbu in front of him, Black Eagle, waved his hand slightly: "Carry out."

Then two members of Anbu came out from the middle, carrying the corpse of the You, and quickly walked outside.

The only thing left is the blood stains on the ground...cold and dazzling.

"Please remember to me, if anyone fails the mission next time, don't come back, because you are dead when you come back, do you understand all of them?" Suddenly his voice rang out in the dim hall.

The members of the Anbe in the hall all said in unison: "I heard it!"

Why is such a crazy and mysterious organization so cruel?

The dark Duanmu family seems to live in the clouds.

There is a large manor here, and the building is shaped like the Holy See of ancient Rome.

Mysterious and magnificent.

In the middle of a room, there are many gorgeous flowers planted around, red, white, and purple.

But if you look carefully, you can see that these beautiful flowers are poisonous flowers, poppies.

A large area of the yard in front of me is planted with such weird flowers.

Perhaps the only person in the Duanmu family likes this strange flower, Duanmu Ying.

At this moment, she stayed in a room full of sweet fragrance, the room was very delicate and boudoir.

She quietly dragged her exquisite chin and stared at the red and gorgeous poppies in front of her eyes unblinkingly, her **** red lips moved gently...

With the pink cheeks in there, it seemed to be thinking about something.

"Who is that guy?"

"Why does he know the skill of our family Rashomon? And also Rashomon: Nine styles?" Duanmuying murmured in that mouth.

"Am I wrong?"

"No, I was absolutely right." She said suddenly and firmly.

"But Dad, they don't believe me? What can I do?"

Holding her pink cheeks, she was thinking and thinking.

"The uncle has disappeared for so many years... Only the uncle in the Duanmu family has learned Rashomon: Nine types, but how did he learn it? It's really suspicious. Could it be that the uncle is not dead yet..."

"What the **** is going on with all this?"

"That guy came to Jinghai City from Kyoto City to find our Duanmu family?" When she thought of this, Duanmuying suddenly snorted.

"And it turned out to be for a woman who had been poisoned by the Sanshengmen?"

"Damn, damn!"

When the fierce words came out of her scarlet mouth, suddenly she stretched out her white arms and fiercely picked the most glamorous poppy petals in front of her.

When one piece was picked from her hand fiercely, she held it tightly in her hand, crushed the beautiful flowers... and threw them on the ground.

There is a vicious murderous in the beautiful eyes, as if to kill.

Just as she was violently ravaging these beautiful flowers, suddenly a charming voice came in.

"Oh, what's the matter with this eldest lady? Why is it okay to send her temper to these beautiful flowers?"

As the voice came, I saw a coquettish woman in a green tunic standing at the door with a chuckle and said that she was very charming.

Feng Yun's figure was wrapped in a green tulle skirt, revealing a pair of pink and white shoulders, and the two charming **** deep ravines on her chest were unscrupulously exposed... she did not hide her beauty.

That glamorous face gave people a very charming feeling.

And the weirdest thing is that if you look closely at her right wrist, there seems to be something wriggling...Oh my God, it was a green snake with a scarlet venom core wrapped around her wrist, that poisonous snake It looks like her pet is pinched in the palm of her hand.

Yingying walked in, looked at Duanmuying there and said with a chuckle.

After Duanmuying saw the seductive beautiful woman in front of her, a deep disgust appeared in her eyes.

"Who let you in?" Duanmuying said suddenly.

The beautiful woman smiled contemptuously at the corner of her mouth: "What? Can't even I get in? I'm also your stepmother anyway..."

It turned out that this woman was the second wife of the head of the Duanmu family, Hua Sanniang.

With Hua Sanniang's words, Duanmuying suddenly became extremely resentful in her beautiful eyes, especially when she heard the words "stepmother" that she least wanted to hear, it was a great shame to her.

"you wanna die!"

After the words were spoken, both hands attacked the beautiful woman like a poisonous snake.

Chapter 300: Duanmu Ying's Attention (4th more)

Hua Sanniang made a mistake, her charming and **** body easily dodged aside.

"Hey, girl, the old lady is not here to fight with you, I came to you because your father has something to tell you." Hua Sanniang said coldly at the Duan Muying.

Duanmu Ying snorted.

"If you dare to enter my room for a while, I will kill you."

"Even if my dad stopped you, I would kill you." Duanmuying said fiercely.

Hua Sanniang giggled suddenly, and the two big steamed buns on her chest couldn't help being twisted lightly.

"Want to kill me? You have to have that ability too."

"Try it..." Duanmuying wanted to do it as soon as she said.

Then Hua Sanniang quickly stepped back and said, "I don't have time to do it with you now, anyway, I have already passed on your father's words..."

After speaking, she wriggled her hips and walked outside.

Looking at her back, Duanmu's cherry-like teeth clenched and stomped on the ground fiercely. He cursed, "Damn lady, one day I will let you die Miss's hands."

After spitting out these words fiercely, Duanmuying turned and walked forward to see her father.

It turned out that Duanmuying's mother died when she was very young. Her mother was once the first beauty of the Duanmu family, and later married her father. Unfortunately, that beautiful woman got a strange disease. , Soon after the birth of Duanmu Ying, she died silently.

Duanmuying has lived in this dark family since she was a child. Although everyone fears that she is the daughter of the Duanmu family, who knows the pain in her heart?

Later, after his father met this sinister and disgusting Hua Sanniang, he married her. This shameless woman was a black widow who was frightened in the north.

I heard that there were not a hundred men who slept her, but 80, and all the men who slept her died on the bed.

The black widow of ten years ago was a real man.

Who knew that the current black widow Hua Sanniang became the wife of the dark Duanmu family clan leader.

Although Hua Sanniang was vicious and poisonous in the past, she did not dare to be presumptuous in the Dark Family, especially in front of the clan leader of Duanmu family.

That person was ten thousand times more terrifying than her.

So in front of that man, she was just a docile little lamb.

But Duanmuying hated this woman 100%...especially after hearing her deeds, she felt sick.

She couldn't imagine how her father, whom she always loved and loved, would marry such a woman? A woman who has slept with countless men?

Duanmuying blushed for the shameless woman when she thought of this.

After bypassing the towering building in front, Duanmuying entered a room guarded by layers of black robes.

That was the dark room of the head of the Duanmu family.

After Duanmu Ying walked in gently, she saw the scene inside.

The light inside is not very good, it looks a little fuzzy, and you can vaguely see a stone sculpture in the middle of the spacious living room.

Ksitigarbha! The ruler of hell.

It is hard to imagine that in such a room, the Tibetan Bodhisattva, the destination of Vajra Nur, is enshrined.

I saw the carved stone like a life, like a demon descending to the earth.

There is also a row of black characters in seal script in the middle place: Hell is not empty, and if you swear to become a Buddha, the words and phrases.

This is the firm belief of the Duanmu family, a horror family that believes in darkness and hell.

Except for the carved stone statue in the middle, there are not many utensils in the room, which looks deserted and mysterious.

"Ying'er!"

Suddenly a low, hoarse voice came from the dark place on the left.

As the voice came, Duanmuying heard her father's voice: "Father! Are you looking for me?"

Then she walked towards the dark place ahead.

After walking past, I saw a dark room on the left. A person filled with darkness was facing away from him. No one could see his face clearly, and half of his body was covered by the darkness. Only the back The back is exposed.

He is the dark lord of the Duanmu family, Duanmu Heiming.

"Ying'er, is there any movement in the Ouyang family now?" The hoarse and low voice suddenly asked from Duanmu Heiming's mouth again.

Duanmuying stood outside and replied: "Back to Daddy, the Ouyang family has now realized that it is us, but they are extremely sinister. They did not send their own people to act directly against us, but sent outsiders to oppose us."

Duanmu Heiming let out an "Oh" when Duanmuying said so.

Then he paused and said slightly, "What outsider?"

"A few strangers." Duanmuying didn't tell Li Tian's affairs.

Duanmu Heiming, who was facing her back in the darkness, suddenly said coldly, "Ying'er, are you hiding something from me?"

As Duanmu Heiming suddenly said this, Duanmuying's heart was stunned, and then she quickly said, "No daughter!"

"Really?" Duanmu Heiming asked again.

Duanmuying's handsome face suddenly turned pale.

"I heard that you met those people yesterday, and you let them go on purpose, didn't you?"

After Duanmu Heiming suddenly told all of the things about Duanmuying's release of Li Tian last night, Duanmuying suddenly had an extremely ugly face.

He lowered his head and said: "Daddy, there is a reason for my daughter to do this."

"What's the reason?" the hoarse voice asked.

Duanmu Ying said: "First, our Anbu people are in their hands, and my daughter doesn't want our Duanmu family members to die in their hands. Second... it's because..."

Duanmuying didn't say anything.

Duanmu Heiming in the darkness suddenly snorted.

"Say!"

"Because of what?" Facing Duanmu Heiming in the darkness, even his biological daughter felt a sense of fear.

The helpless Duanmuying finally said: "Daddy, the reason why I let them go yesterday was because of him!"

"Who?" Duanmu Heiming asked coldly.

"It's the kid I mentioned to you last time."

"Daddy, he is definitely not an ordinary person, he really knows the Rashomon Kungfu of our family, and he also learned the Rashomon that the uncle once learned: Nine types, I saw it with my own eyes."

The moment Duanmuying in front of her told the truth, "Absurd!" Suddenly a violent roar came out from Duanmu Heiming's mouth in the darkness.

The cold voice made Duanmuying's delicate body tremble slightly, afraid!
