

A Killer 2951

Chapter 2951: Wrath of the White God

"One, two, three... six!"

"Six mortals!!!"

Suddenly, the White God was there like a child and counted against Li Tian and the others.

After finishing the count, he suddenly frowned the pale eyebrows there and said, "Old Xuantian, if I remember correctly, I will let you go to the Spirit Earth Continent, please come back! Don't tell me, these 6 Are all the guys number one in the world?"

While Bai Shen said, he suddenly turned that face.

When the old man in Xuantian white shirt heard what White God said, his entire face became ugly, and he knelt on the ground and said, "Return to the White God! This matter...this matter...was invited by my own opinion!"

"Why?"

"Do you take the rules of the temple as a breeze?" Suddenly the white **** asked in a cold voice.

Although this old man of White God was extremely short in stature, for some reason, his whole body exuded a breath that was completely different from that of ordinary people!

That breath is inviolable! It's as if he is really a god-man!

When Xuantian heard this, he quickly explained: "White God, please calm down! Please listen to my explanation."

Just when Xuantian was about to explain, suddenly only a naive voice came over.

"Hey, you old man is so unreasonable!"

As the voice came, and a closer look, it was the little girl next to Li Tian who was talking!

No one thought that this strange little girl would say something at this moment, even Li Tian was depressed.

The little girl was still scared just now, but at this meeting, she suddenly said such words.

The little girl's words, like a sunny day, blasted through everyone.

A look of fear suddenly appeared on the faces of the two old men in Xuan Tian and Xuan Di.

And what about White God?

Suddenly the whole body burst out of hostility and twisted his head.

Li Tian sensed the sudden change in the breath of the white god's body, and quickly displayed his whole body spiritual power to prevent the white **** from being unfavorable to the yin girl!

I saw that the white **** turned her head and found that when a little girl was talking about herself, she not only smiled weirdly, but also showed her pale teeth.

"Little girl, were you just saying that the old man is unreasonable?" Baishen suddenly looked at the little girl and said.

The yin girl stared at the pair of beautiful round eyes, and then looked at the Bai Shendao in front of him: "It's me!"

"Hey, little girl, it's interesting!"

"Let's talk about it, why is the old man unreasonable?" Bai Shen said while looking at the yin woman with a strange smile.

Li Tian was afraid that the yin girl would say vulgar words at the moment, and suddenly moved closer to her.

Just about to remind the yin girl, the white ***** suddenly glanced at Li Tian coldly.

"Boy, there's nothing wrong with you, you'd better stand aside! Don't think that your body's spiritual power is very strong... just think that you are like that, hehe, don't irritate the old man, be careful I let you feed the old man Pet the beast!"

The White God coldly faced Li Tiandao.

Li Tian was really a little angry, but thought to himself, is this so-called White God really so awesome?

If it weren't for Situ Ningbing and the Yin-Yang boy around him, Li Tian really wanted to fight this ***** arrogant old man!

But he endured it in the end!

At this moment, the little girl yin girl suddenly said to the White God Dao: "You old man is unreasonable! Hmph, you are obviously a mortal like us, and you claim to be a god! Pooh, you are not shy..."

When Baishen heard it, his beard almost blew up.

A pair of eye pupils exuding endless light, at this moment shot out a chilling horror.

"Little girl, I didn't expect you to be small and have sharp teeth!"

The yin girl may be young, and she doesn't know how serious things are. She continued to say, "Although I am young, I know respect for others at least! But what about you? You are an old man with disrespect! Let so many people kneel in front of you... Look at some people who are as old as you, some people are even older than you, but you let them kneel down and worship you! And you still call yourself a god, even the world God's words will not look exactly like you, the evil old man."

Hearing what the yin girl said, she almost jumped up with an air.

"You little girl... dare to say that old man?"

"you you you.....!"

Suddenly the White God didn't know how to wave his hand, and then the yin girl was suddenly thrown away directly.

what?

The yin girl was suddenly thrown out with weird energy... screamed in fright.

What about Li Tian?

Seeing this white **** taking action at the moment, he exclaimed at that moment.

"Yin girl!"

Suddenly, the body flew out directly, and then went to pick up the yin girl.

But at this moment, the White God suddenly became angry.

With a slight wave of his left hand, a group of terrible light energy slammed directly towards Li Tian.

Li Tian was shocked when he saw a light shot coming from behind, he suddenly displayed the spiritual power of his body, and then blasted out a move.

Boom!

The world is loud!

At the moment when two terrible zhenqi shook together, they directly shook the calm sea surface...

What about Li Tian? Never thought that Baishen's slight wave of his hand could dissolve the breath of his body, and that light energy shot directly into his chest.

boom!

Li Tian didn't pay attention, but he was directly shocked by the terrifying move of the White God and flew out.

"Li Tian..." Standing on the deck, everyone who saw Li Tian's shock was shocked.

But what about Li Tian? The body was hit, and seeing that the whole body was about to fall into the water, at the moment when he was about to fall, he suddenly recharged his spiritual power, and then suddenly both feet stepped on the blue sea surface... ..Then the body soared into the sky, and flew directly onto the deck from the sea.

However, the moment Li Tian went on the deck, his whole body spiritual power had completely dissipated.

With a splash, his body fell heavily, and his face was pale and ugly, as if he had suffered a severe injury.

"Li Tian!" Seeing that Li Tian was injured after being hit by the White God, Old Long and Situ Ningbing in front of them quickly rushed over.

"Li Tian, how are you? Where are you injured?" Situ Ningbing asked Li Tian, who was supporting Li Tian with a pale face quickly.

But what about Li Tian?

Lying on the ground at the moment, he said in a painful way: "Don't move me...I can't move my body!!!"

Everyone was stunned when they heard it! Everyone knows that Li Tian was seriously injured at this moment.

However, at this moment, the little girl's yin girl was directly thrown away by the white god...Her body did not fall into the vast ocean, but suddenly fell on the "Yi Turtle" turtle. Above the shell.

Wow wow!

After being thrown onto the huge "Yi Turtle", the yin girl burst into tears.

"Big brother, big brother, save me...save me..." The yin girl cried while shouting from the shell of the Yi turtle beast.

Chapter 2952: Arrive at the temple

But how can Li Tian save her?

He is simply unable to save now!

"Hey, is the kid good? You are the first human in history to be able to catch an old man's trick! Yes, not bad!" Suddenly the White God looked at Li Tiandao in front of him.

At this moment, Li Tian raised his blood-red eyes and stared at the White God, breathlessly and weakly said: "Let go... let go of the yin girl."

The White God suddenly waved his hand and said, "The little girl, the old man must teach him a lesson! Who would let her dare to slander the old man?"

After speaking, suddenly the white ***** flew into the sky, and laughed wildly in his mouth.

Then the body flashed like this, and it flew over the ancient beast "Yi Turtle Beast"!

After the white ***** flew onto the tortoise shell of the ancient beast "Yi Turtle Beast", I saw the faint voice of the white ***** coming from a distance.

"This old lady doll took away...!"

After the words were finished, the ancient fierce beast "Yi Turtle Beast" suddenly turned around like wind and waves, and then galloped away into the surging sea.

"Yin girl!"

Looking at the little girl, the ***** girl was taken away like this! Li Tian couldn't help yelling.

But as soon as the words were called out, a mouthful of blood came out from his mouth, and it was obvious that he was seriously injured.

"Save my sister!"

"We must save my sister." Yang Tong cried and cried after seeing his sister taken away.

At this moment, suddenly the old man Xuantian walked over quickly.

"Everyone, everybody, listen to the old man say a few words." Elder Xuantian looked at Li Tian, who was injured in front of him, and other humane said.

The old Dean Khris was not afraid of anything at the moment, and roared: "What else do you have to say? Don't you just want to kill us? Have something to come! I will fight with you today!"

Just after the old dean Heris finished speaking so impulsively, the old Xuantian in front of him shook his head helplessly and said, "This gentleman, you are wrong!"

"That little girl will not be in danger! There will be absolutely no danger." Suddenly Xuantian explained there.

When the old dean Heris heard this, he said angrily: "If people are taken away, will there be any danger? Why do you say that?"

But seeing the old man Xuantian said: "I dare to guarantee my life, that little girl will never have an accident!"

"White God, although he behaves strangely, he never kills innocent people, not to mention the fact that the other party is still a female doll... this, everyone can rest assured!" said Xuantian.

After hearing what Xuantian said, Old Long suddenly stood up and said, "Why should we believe you?"

Then Xuantian said: "Just relying on the Baishen showing mercy to his men just now!"

Suddenly he said while looking at that Li Tian!

When everyone heard Xuantian say this, they were all shocked and looked at Li Tian.

What about Li Tian? At this moment, his face was ugly and weak...At this moment, he nodded hard.

"Old Long...trust him...believe him! Just now, indeed, the old man...is showing mercy to my men!"

When Li Tian said this, even Old Long couldn't believe it.

"What?" Old Long asked in surprise.

Just listen to Li Tianzai's extremely weak saying: "Although I used 70% of my skill in the fight just now, the old man is definitely much stronger than me! His move could have penetrated me into the deep sea. , Or beat me to death, but he suddenly withdrew some strength at the last moment... I can... I can feel it." Li Tian said these words with difficulty.

It turned out that the fight just now! That Bailao did recover some of his skills! That's why he didn't break that Li Tian into the deep sea! If not, Li Tian is really in danger now.

After hearing that Li Tian said this, Old Long only calmed down slightly.

The old Dean Heris, who was just excited on the other side, didn't speak any more at this moment.

I saw the old man Xuantian saying: "Don't worry, everyone, our temple will not bully people! Let alone cruel innocent people..."

"Young man, I have a blood-melting pill here that can help you heal your injury!" The old man Xuantian took out a shiny pill from his arms and faced Li Tiandao.

Li Tian is now struggling, and the power of the White God's move just now made his whole body seem to be broken!

At this moment, he looked at the "Blood Pill" in the hands of the old man Xuantian and said, "Thank you!"

Then Situ Ningbing quickly picked it up, and then gave it to Li Tian to eat.

After Li Tian had eaten it, he began to sit there and slowly heal his injuries!

And what about Xuantian?

He glanced at that Li Tiandao and said: "We are almost at the temple!"

"The scene just now shocked everyone! In fact, everyone should not be surprised. The White God is the most bizarre and bad-tempered one of our four gods! So when you meet White God, try to speak carefully..."

After that Xuantian reminded him, he said, "Set sail!"

Then the huge ghost ship continued to drive forward.

Old Dean Heris and Old Long are all guarding Li Tian's side at this moment.

What about Li Tian? It is in that slow movement to heal injuries.

After a long time, Li Tian spit out a sigh of foul breath from his mouth, and then opened his eyes.

"Li Tian, how's it going?" Situ Ningbing asked Li Tian with great concern.

Li Tian said there, "I have recovered some!"

After speaking, he slowly stood up from the ground.

"Thank you for the blood dissolving pill." After Li Tian stood up, he had obviously recovered a little, and he was facing the white shirt old man Xuantiandao at this moment.

Xuan Tian smiled slightly and said, "You're welcome."

"I want to know, where did the yin girl be taken by your so-called white god?" Li Tian was still thinking of the little girl yin girl, and couldn't help asking at this moment.

After he asked, he saw Xuantian said: "Actually, I don't know! Maybe the white **** has already brought the little girl to the temple."

After Li Tian heard this, his brows frowned deeply!

He is now not only worried about the little girl's pussy! And I feel more and more fear in that temple!

Because of the previous move, he already felt that the strength of the White God had reached a completely incredible level...It could be said that it was a terrifying point that could not be described in words!

Is he really a god?

That power is almost close to God! ! !

Li Tian was not only thinking about it secretly... Now he is more and more unbelievable about the temple!

The so-called gods in this temple are really too powerful.

"The temple, here it is!!!"

Suddenly a word came out of Xuantian's mouth.

Chapter 2953: Bathing holy water

When Xuantian suddenly said this, Li Tian and Elder Long were all taken aback.

Then they all looked up.

I saw that not far in front, there was a misty island sitting on the surging sea.

islands!

An island resembling a fairy island.

I saw that the island was huge, and there were several small islands around, surrounded by white air...like a fairy mist, hazy and misty!

"That...that...that is the temple?"

When he saw the place like a fairy island, Old Dean Heris exclaimed there.

Li Tian, Situ Ningbing, and Old Long in front of them all opened their eyes wide.

"Yes, that is our temple!" The old man Xuantian in front of him suddenly narrowed his eyes and said with a smile.

At this moment, Li Tian and the others were all shocked and speechless, blinking one by one, looking at the illusory island.

As the ghost ship got closer and closer, I could gradually see the ethereal island.

On that island, several towering castles were built!

Those castles are several times larger than the castles in the imperial city of the Spirit Earth Continent... and their magnificence is far comparable to any large building in the Spirit Earth Continent.

It is hard to imagine, who can build such a magnificent palace in such an isolated island.

The island is surrounded by green trees, and there are groups of unnamed birds and beasts.

I saw their ghost ship slowly approaching the fairy island, and then gradually driving towards the shore of the island.

Soon, their ghost ship arrived at the moored coast.

I saw that the coastal mouth was a huge rock, and there was a road paved with gravel in front of it.

There is also a curved stone arch on it, and a few words are engraved on it: "The Way of the Gods!"

Looking at those four words, Li Tian felt a strange feeling for no reason.

"Everyone, please let me disembark, we are here!" Elder Xuantian smiled there at the moment.

After speaking, his body suddenly turned into a ray of light, and then flew directly to the moored shore.

After seeing the old Xuantian and other people flying past, Li Tian also flew up with Yang Tong, Situ Ningbing and others.

After Li Tian and the others flew up, the old Xuantian smiled and said, "Everyone, please follow me into the temple!"

After speaking, the old man Xuantian took the lead in leading the way, leading Li Tian and others towards the island.

Li Tian followed behind, and at this moment, he vigilantly said to Na Long Dao: "Old Long, we must be more careful!"

Old Long nodded silently.

Then they followed the old man Xuantian closely and walked towards the island.

Soon, they crossed stone roads one by one, and then they saw a ladder in front of them.

The ladder winds and twists straight into the sky, and below is a vast abyss, with a vast white mist, it is impossible to see how deep it is below! In addition, there is no place to support around here. If the average person walks up, if one does not pay attention, I am afraid that he will have to fall and then fall alive!

Let's say that after the old man Xuantian brought Li Tian and the others to here, he smiled and said, "This is the 13th-story God Ladder in our temple! Please follow me up."

After speaking, the old Xuantian and old Xuandi suddenly stepped into the air!

Floating on the top of the ladder with both feet floating, and then walked towards it step by step.

Then Li Tian glanced at the ladder, he didn't have much problem!

But Yang Tong and Situ Ningbing were obviously scared!

"Brother, I'm so scared...I dare not go up." The young boy in front of him suddenly said in fear.

Then Li Tian saw that he was scared, and encouraged him there: "Don't be afraid, there is a brother! You are holding his brother's hand, don't look down, that's it... OK?"

When Na Yang Tong heard Li Tian say this, he could only summon the courage to silently nod.

"Well, I took my brother's hand!"

After speaking, he handed a hand to that Li Tian!

After Li Tian took that Yang Tong's hand, he looked at Situ Ningbing next to him and said, "Ningbing, I will also be holding you."

Situ Ningbing hesitated for a while, but finally handed the delicate hand to Li Tian.

Li Tianyi pulled their hands from left to right, and then moved his body vertically, stepping on the ladder and slowly walking up.

This ladder is really steep, if it weren't for Li Tian's body protection, I am afraid it would be really difficult to climb this ladder!

At this moment, the old Nalong took the old Dean Hollis and followed him!

13-story **** ladder!

13 steep peaks!

In this way, under the leadership of the two elders Xuan Tian and Xuan Di, Li Tian and Elder Na Long walked up with everyone.

Finally they arrived.

After they reached there, a huge castle stood in front of them all.

The castle is magnificent and huge, located in a misty place in the clouds...like a fairyland.

On the magnificent castle, two big characters appeared in everyone's eyes.

"Temple!"

These two characters are powerful and dazzling!

Li Tian and Elder Long looked at the word "temple", and they couldn't help feeling awe in their hearts for no reason.

At this moment, the old man Xuantian suddenly smiled and said, "Everyone, please follow me into the temple."

After speaking, the old man Xuantian took the lead to walk towards the huge castle.

When he reached the gate of the huge castle, the tall gate suddenly opened at this moment.

Creak!

As the gate of the castle opened, 6 boys and 6 girls suddenly emerged from inside!

Li Tian and Elder Long were stunned when they looked at them.

I saw that the 6 boys and 6 girls were about 78 years old. Everyone was dressed in white as snow. After walking out, I saw them lined up and stood quietly. There.

"This is?" Li Tian asked in surprise after seeing these weird boys and girls come out.

The old man Xuantian smiled and said, "You don't know anything! Before mortals enter the temple, they must first bathe in holy water before they can enter the temple."

Li Tian and Elder Long only realized that this was the case when they heard it.

"Ok!"

"Let's go there for a bath" Long Lao asked depressedly.

The old man Xuantian smiled slightly and pointed to the boys and girls in front of him and said: "Follow them! They will take you there."

Li Tian and the others glanced at the boys and girls, then nodded.

The boys and girls in white clothes said in unison, "Please follow me!"

After speaking, he walked towards the castle step by step.

Li Tian and the others followed them closely... and then stepped into the temple.

After entering the temple, Li Tian and the others began to look around...but they saw that outside the castle, there were huge trees, and there were many weird people walking around there.

Chapter 2954: Weird Practice

I saw that the 6 boys in white clothes led Li Tian and others to the right side of the temple, while the 6 girls in white clothes led Situ Ningbing to the left alone.

"Li Tian..." Seeing that he was about to be separated from Li Tian, Situ Ningbing in front of him was a little worried.

Then Li Tian glanced at that Situ Ningbing comforted her and said: "Ningbing, don't worry, we will find you later."

Situ Ningbing thought for a while, and at this moment could only nod silently.

Then, just like that, they were taken in to bathe in holy water.

Li Tian and the others followed the 6 boys in white, and then walked along a winding stone road. After passing through a few rockery, they only saw them come to a hot spring.

That hot spring is naturally formed and extremely magnificent.

The water above flows down from the upper peak. The water is clear and transparent, but it is slightly covered with a layer of white gas!

"Please bathe in holy water!" After the six boys in white clothes finished speaking, they quietly retreated.

After seeing all the boys in white clothes retreating, Li Tian blinked his eyes and glanced at the hot spring.

"Old Long, is this water okay?" Just listen to the old Dean Hollis asking there.

There was a sense of caution in his voice, and he said while looking at the hot spring.

Old Long bent down, took a closer look at the clear water, and then said slightly, "There should be nothing wrong."

"Everyone, go in and take a dip! It's a perfunctory thing!" He just listened to the old Na Long said slightly.

After hearing what Long Lao said, Li Tian and the others nodded.

Then they took off their coats and briefly soaked in the hot spring.

The so-called holy water actually makes no difference!

After Li Tian and the others briefly soaked, they quickly put on their clothes and left.

As he left, the boy in white appeared again.

"Everyone, please come with me to the hall for a rest!" the boys in white said in unison.

After Li Tian and the others listened, they didn't think too much, and then they followed the 6 boys in white to the living room inside.

After crossing the winding stone road, they reached the first floor of that huge castle!

The boy in white led them to one of the lounges... The lounge was very simple, with only a few simple tables and chairs placed there.

After Li Tian and the others came in, they sat down.

"Hey, excuse me, what are we doing here now?" The old dean at this moment Not only asked the boy in white.

The boy in white seemed as if he hadn't heard, and ignored the old dean Hollis at all.

The old dean Heris saw that the boy in white didn't speak at all, and he was immediately startled.

"You kid... why don't you speak?" Hearing the old dean continued to ask.

But no matter what the old dean Hollis said, the kid ignored him!

As if he hadn't heard his words at all.

After the six boys in white just brought up a few cups of tea, they said nothing, and backed off.

In the quiet lounge, only Li Tian and the old dean were left at this moment.

At this moment, Li Tian couldn't sit still a little bit!

What the **** is the so-called **** in this temple doing?

What are they playing?

At this moment, I saw that Situ Ningbing came in from outside! It turned out that Situ Ningbing also returned from the saint after bathing.

"Ningbing." Li Tian shouted there after seeing Ningbing coming.

Situ Ningbing walked over quickly.

But when Situ Ningbing came over, his expression was a little weird, as if something had happened.

Situ Ningbing, who had just walked over, hurriedly said: "Li Tian, I have found a lot of strange things."

When Li Tian heard what Situ Ningbing said, he was immediately stunned.

"What's wrong, what's the weird thing?" The old Dean Heris and Na Long not only leaned over and looked at Situ Ningbing.

I saw that Situ Ningbing said there, "On the way I was just now, I saw a lot of weirdly dressed people...sit on the empty grass outside...like doing exercises."

"amount?"

"Practicing?"

Li Tian was not only shocked after hearing them.

After thinking about it, Li Tiandao said, "Where?"

"It's in a clearing not far to the left." Situ Ningbing said in front of him.

After hearing what Situ Ningbing said, Li Tian frowned slightly.

"Li Tian, do we want to go out and see the situation?" the old dean on one side asked there.

"It's okay to stay here anyway... it's better to go and see." The old dean Hurice added.

Li Tian and the others are really boring to stay here now. After hearing the old Dean Hollis say this, Li Tian nodded and said, "No!"

"Let's go see the situation."

"Ningbing, you take us." Li Tiandao.

Then Situ Ningbing nodded, and then began to lead Li Tian and the others out of the lounge in front of him.

Situ Ningbing led the way, and Li Tian and the old dean followed.

After passing through a few quaint houses, they walked along the stone road ahead.

As he walked, Situ Ningbing said, "Just ahead!"

Li Tian and the others followed quickly.

Soon they came to an open area.

I saw a few broad people in that place, and there was a green lawn on the ground. On the lawn I saw more than a dozen weird characters sitting motionless cross-legged, all of them closed their eyes... and then put their hands slightly. On the pubic area, sit still! It's like meditation and practice.

Most of those more than ten people are wind-handicapped old people!

Some have white hair and young faces, and some have dense wrinkles on their faces...

Looking at these more than ten old men, Li Tian and Old Long, they were stunned for a moment.

"Are these old men?" Hearing only heard the old Dean Khris asked in surprise.

"Are they from the temple?" Li Tian said curiously at this moment.

While talking, he blinked and watched.

"It doesn't look like it!" Suddenly Na Long said.

After hearing what Long said, the old dean Heris asked, "Old Long, why do you say that?"

"Because most of the people in the temple wear black and white costumes...just like the previous Xuantian, Xuandi, and the white god!!! And the dozen people in front of me are wearing alternative costumes! So the old man felt They don't seem to be from the temple!" Old Long said slightly.

The old Dean Heris in front of him said depressed at the moment: "Uh, since they are not from the temple, who would they be?"

Chapter 2955: Yuzue Furugi

Li Tian and none of them could guess who these ten sitting old people were.

Just when they were surprised, a voice suddenly came from behind them.

"These are the guests of the temple, exactly like you, haha!"

As the old voice came, suddenly an old man who could not see his age appeared behind them.

The old man had a bald head and was wearing a white-gray robe. The white hair on the temples reached his chest, and his eyes, like tigers and dragons, exuded awesome light.

Holding a black snake scepter in his hand, he didn't know when he stood behind Li Tian and Old Long with a slight smile.

Behind him stood a sunny and handsome boy, and a **** the left.

But when Li Tian suddenly heard a voice coming from behind, everyone was not only taken aback.

He turned his head quickly and saw the old man.

The moment they saw this weird old man, Li Tian was stunned.

For some reason, the old man's whole body was exuding a faint light...

"you are.....?"

Li Tian and Old Long in front of them were turning their heads and seeing the old man in front of them, they asked suspiciously.

No one knew who the weird old man with a boy and a girl beside him was.

"In Xia Gumu Xijue!" The old man's deep and desolate voice said from his mouth.

Yuzue Furugi?

What a weird name! What a weird old man!

Li Tian and Elder Long in front of them, when they heard the old man who claimed to be "Gu Mu Xijue" said this, they all looked at the old man in front of them carefully.

But seeing the old man exuding a slight luster, a cyclone shrouded his head like a rainbow.

Like a fairy in the land of nine heavens.

"This old gentleman, you just said that these people are the same as us? Are they guests?" Suddenly Li Tian asked, and asked Gu Mu Xijue who looked in front of him with doubts.

The old man holding the black snake scepter smiled slightly, nodded silently, and said, "Exactly."

"How do you say this? Could it be that...they...they...are also from the Spirit Earth Continent?" Li Tian asked in shock.

Following Li Tian's questioning exit, Gu Mu Xijue suddenly said, "Yes."

When Li Tian and Old Long listened to them, they were all taken aback.

what?

They all looked at Gu Mu Xijue who was in front of them with incredible eyes, because they really didn't believe the old man's words in their hearts.

"How could it be" suddenly the old Long in front of him shouted.

"The temple has only entered the Spirit Earth Continent once in hundreds of years...How could these people be people from the Spirit Earth Continent?" I just listened to the old Na Long who didn't believe it.

But seeing the old man claiming to be Gu Mu Xijue said slightly, "What the old man said is true!"

Hearing that Gu Mu Xijue said so, Li Tian and others in front of him were all shocked there.

"Then if you say so, who are they?" Old Long asked.

Lao Long still knows a little bit about the names of the powerhouses of the Lingtu continent generations!

If what the old man Gu Mu Xijue said was true, then among those dozen old people, there must be someone that Long knew.

After Na Long asked this question, he only listened to Gu Mu Xi Jue with a faint smile, pointing to one of the old men sitting in the front and saying: "His name is Douglas, 700 years ago, our temple asked Coming!"

When the old man Gu Mu Xijue suddenly said the name "Douglas" in front of him, the eyes of the old Long before him suddenly lit up!

Even the old Dean Heris beside him couldn't help being shocked there.

"what?"

"Douglas? Beast: Douglas?"

It turned out that the things about Douglas, the old Long, and the old dean have all heard of it.

According to legend, the beast: Douglas was one of the saints hundreds of years ago. His skill was so powerful that he was invincible in the world. What he practiced at that time was the most popular "fire" illusion technique, a technique of fire and flame, almost no one can do. enemy!

No one thought that the old man sitting there with his eyes closed now turned out to be the strong man hundreds of years ago: the beast, Douglas.

"Really?"

"This person... is really the strong man in the sanctuary hundreds of years ago?" The old dean in front of him said silently.

Na Long was also completely surprised...

The strong man hundreds of years ago was sitting in front of him safely at this moment? Is this a dream? Or is it fact? Or is it the old man Xijue Gu Mu lying in front of them?

"The other one by Douglas's name is: Caspasno. He is the peerlessly strong man in the Spirit Earth Continent we invited 1,000 years ago!" The old man Xijue Gu Mu said slightly. .

After the old man Gu Mu Xijue introduced "Kaspasno" again, the old dean didn't know this.

But Na Long was always searching for his memory hard.

"Caspasno... I seem to have such an impression... like a strong man a long time ago." Long old man suddenly flickered there, and said slightly.

After the old man Gu Mu Xijue heard that the old man Long recognized the names of the two people, he smiled slightly and said, "Do you believe it now? Do you need me to give you a few more names?"

Hearing that old man Gu Mu Xijue suddenly said so, Li Tian and old Long in front of them were all stunned.

Really?

The elders who sit cross-legged in front of them and are enveloped in endless spiritual power are all strong people from the Spirit Earth Continent for thousands of years?

At this moment, Old Na Long suddenly said: "No, impossible...impossible..."

"If what you said is true... how could they live so long? How could they be more than a thousand years old?" Old Long before him suddenly asked a crucial question.

Yes!

If all of these old men in front of them are strong in the Spirit Earth Continent, how can they be so immortal?

This is simply unexplainable!

At this moment, the old man Gu Mu Xijue said slightly, "Who said they are still alive?"

A word blew into all ears like thunder on a sunny day.

"what?"

"what did you say?"

...

Li Tian and Na Long in front of them all screamed in shock.

But seeing the old man Gu Muxi looking at the bodies of a dozen old men sitting on the grass, he sighed slightly and said, "Hey, you are all wrong! They have actually been dead for a long time. ...You only see their bodies now, but you don't know that they all used spiritual power to protect their bodies, and then they kept their bodies from decay! Actually... they were already dead!"

Chapter 2956: Wood god

Are they all dead?

The elders who are sitting on the lawn in front of you, who look like practicing qigong, are all dead?

When Li Tian, the old Dean Hollis, and the old Na Long heard these words, everyone screamed at the moment.

"Dead? They are all dead?" Old Long repeated in disbelief.

But seeing the old man Xijue Gu Mu who stood in front of him said slightly, "Yes!"

"If you don't believe me, you can go and see for yourself."

"The reason why their physical bodies remain indestructible is because of the spiritual protection of their bodies, but their people have been dead for a long, long time." The old man Gu Mu Xijue in front of him continued to say slightly.

After Li Tian and the others listened, their pupils widened, and then one by one looked at the dozen old men over there!

These elders are all peerless strong men in the land of the spirit land for more than a thousand years!

But, are they all dead now?

After Li Tian led Long Lao and the others step by step, they really saw these old men sitting cross-legged very strange! Although the whole body has extremely strong spiritual protection, their faces are extremely pale, like withered wood.

I saw Li Tian approaching one of the old men sitting cross-legged, and then slightly stretched out a hand to touch the old man's snort!

No breathing!

Really dead?

At the moment when Li Tian felt that all of these ten elders sitting cross-legged were all dead, his heart was shocked!

He murmured: "Gosh, these seniors are really dead."

Elder Long over there also noticed it at this moment, and he also discovered that these peerless powerhouses from a hundred years ago have all died! At this moment, they are all corpses left here... Although at first glance, it is impossible to tell that they are dead! But if you look carefully, you can still see the clues slightly.

The Gu Mu Xi Jue Old Man, after seeing Li Tian and they were aware of the truth, smiled slightly and said, "Now, do you believe it?"

Li Tian and Elder Long were silent, they just nodded silently.

"How did they die?"

"Did the people from your temple killed them?" Suddenly Li Tian asked over there.

Gu Mu Xijue smiled and shook his head: "No...no..."

"They weren't killed by us! They were killed by others." Only listening to the voice of Gu Mu Xijue suddenly revealed a sense of regret.

When Li Tian heard this, they were not only stunned.

"Who killed it?" Li Tian and the others quickly asked.

Then Gu Mu Xijue did not directly answer this question, but said slightly, "Soon, you will know..."

As the old man Gu Mu Xijue said these words, Li Tian in front of him was ready to ask again, and suddenly several people came from the side.

Take a closer look, the two in front turned out to be Xuantian and Xuanti!

They suddenly came here.

After the two elders Xuan Tian and Xuan Di came here, they saw that Gu Mu Xijue in an instant.

Then the eyes of the two of them suddenly showed respectful eyes.

"You wait to pay homage to the Wood God!!!" As Xuan Tian Xuan Di said, he knelt down in front of the old man of Gu Mu Xijue.

Wood god? Yuzue Furugi?

Li Tian in front of them suddenly became stunned when they suddenly heard the name "Wood God".

Even Elder Long and the others around him were stunned.

No one thought that this gentle smiley old man was one of the four main gods of the temple: Wood God!

His status is even higher than that of the White God riding the "Yi Turtle" before!

But after seeing that Gu Mu Xijue saw Xuantian and Xuanti coming, he waved his hand slightly and said, "Get up."

Xuan Tian, Xuan Di, and the old man quickly stood up from the ground.

"Enlighten the Wood God, there are signs of shaking in the barrier of the sky!" Suddenly a weird word was spoken from the mouth of the two old men in Xuan Tian and Xuan Di.

Heavenly barrier?

Li Tian and Old Long who were on the side didn't understand what their words meant!

Even more do not understand what is called the enchantment of heaven.

At this moment, hearing the words of the two elders Xuan Tian and Xuan Di, they all were slightly startled.

But what about Gu Mu Xijue?

After hearing Xuan Tianxuan Di say this, a slight change appeared on his weird face.

"Oh.....?"

"My old man, let's go and see!"

"You two take this new mortal, go to the living room and rest."

That Gu Mu Xi Jue said slightly.

After speaking, suddenly his body floated, like a shadow, and disappeared in front of everyone.

No one could see clearly how that Gu Mu Xijue flew away!

After the wooden **** Gu Mu Xijue left, Xuan Tian and Xuan Di glanced at Li Tian and said, "Everyone, please follow me to the living room to take a good rest."

After Li Tian listened to them, they nodded and agreed.

At this moment, they followed the second elder Xuan Tian Xuan Di, walking towards the living room step by step.

"Excuse me, the wood **** senior in your mouth just now...who the **** is it?" Li Tian, who was walking, suddenly couldn't help but said to the white-clothed Xuantian who was asking him.

The old man in white Xuantian turned his head slightly and looked at Li Tian with a smile: "Can't you guess it?"

"The Wood God is one of the four main gods in our temple, and the strongest among the four main gods!" The old man Xuantian said slightly to Li Tiandao.

When Li Tian heard the identity of Gu Mu Xijue at this moment, they were all stunned.

The strongest of the four main gods! It turned out that it was the very kind old man just now... To be honest, Li Tian and Old Long had never thought of it.

The people who were extremely surprised in their hearts followed Xuantian and Xuanti to the living room at this moment.

Then they sat down in this living room.

After seeing the old man Xuantian bringing them all into the living room, he squinted and said: "Everyone, the temple is very complicated! Please don't run around...If something happens, we are Irresponsible!"

There is something in the words of the old Xuantian! Obviously, he didn't want Li Tian and others to run around.

After Li Tian listened to them, they said, "Okay!"

"Well, that's good! Then you can take a good rest here first." The old man Xuantian was ready to leave after speaking.

Just listen to that Li Tian asked: "But, how long do we have to wait? What are we doing here?"

Li Tian couldn't help but asked the question there suddenly.

Chapter 2957: Heavenly Enchantment

Why does this temple invite Li Tian and the others?

And what does this temple want to do?

This is the biggest question in Li Tian, including Lao Long.

However, the powerhouses in this temple seemed to be avoiding this question intentionally or unintentionally, and they did not directly tell Li Tian and others.

Seeing the same for the old man Xuantian, he looked at Li Tianzai and smiled and said, "You will know these things soon!!!"

After speaking, he followed the old man Xuandi without looking back.

After they left, Li Tian and others were left in this empty room at this moment.

"Damn, what the **** are the people in these temples doing?"

"Why is it so mysterious?" Old Dean Hollis said depressedly.

Lao Long sat peacefully and said, "Since they don't tell us, we don't have to worry! It is a blessing or a curse, so please wait quietly."

What Na Long said is extremely reasonable.

Although everyone is very confused now, what can be done no matter how anxious they are?

I saw Li Tian sitting quietly in his seat.

"This temple is getting more and more weird." Just listen to Li Tian murmured there.

"Old Long, did you hear them talk about the barrier that day?" Li Tian asked.

Nalong took a sip of Yin-Yang Flame Wine, then nodded there and said, "I heard it."

"Lao Long knows what the barrier of heaven is?" Li Tian couldn't help asking.

Old Na Long shook his head, and said with a solemn expression: "To be honest, the old man is not very clear! But listening to the name, it should be a kind of illusion barrier."

Illusion barrier?

Li Tian didn't know much about these illusion art barriers. At this moment, seeing that the old Dean Hollis didn't seem to explain too much, he didn't continue to question.

While they were talking, there was a loud and deafening noise in the air. The sound was terrifying. It came from the sky like a thunder and a thunder.

Immediately afterwards, even the whole earth trembled violently.

Even the living room where Li Tian, the old Dean Heris, and the old Nalong were staying shook.

"what happened?"

Li Tian couldn't help screaming at the moment they heard the huge loud noise.

"It shouldn't be an earthquake!" Situ Ningbing said with her beautiful eyes wide open.

Li Tiandao; "No! This voice came from the sky, presumably something happened in the sky."

"Go, Li Tian, let's go out and see the situation."

After Na Long said quickly, Li Tian nodded quickly, and then several people flew straight out.

As soon as they flew out, Li Tian and Elder Long quickly raised their heads and looked up into the sky!

The moment they all raised their heads and looked into the air, everyone couldn't help but yelled out.

what?

Everyone's mouth made a sound of horror.

God, what did they see? Why is there such an exclamation sound in his mouth.

I looked up, but saw a huge black vortex-like air current spreading endlessly in the sky...The black air current was spinning rapidly there like a tornado.

The entire black whirlpool airflow enveloped the entire island! Weird and terrible!

"That, that, what the **** is that?" An exclamation suddenly yelled from the mouth of the old Dean Hollis.

"I don't know, but it looks like a barrier! It's covering the entire island...like." Situ Ningbing said there.

At this moment, Li Tian and Long Lao were not only shocked there.

Everyone raised their heads together, looking at the weird scene in the sky.

But seeing the black whirlpool air current in the sky began to flow, gradually turned into a huge sky barrier, and then shrouded on the island of the temple.

Just when Li Tian and the others were shocked, dozens of envoys dressed in white and black suddenly rushed out of the temple!

These people are undoubtedly all the people in that temple!

However, after they rushed out, when they saw the weird scene of the sky, they all couldn't help being stunned.

"The barrier has changed..."

"Is the horror coming soon?" Suddenly, I saw the people in white and black who were rushing out, saying weirdly.

At the same time, I saw an extremely scared look on their faces!

That look seemed as if a catastrophe was imminent.

What's the matter?

However, Li Tian at the moment said that after hearing the words of the people in these temples in front of him, he was slightly startled, his body flew past, and asked: "Hey, may I ask, what's wrong with the sky?"

Following Li Tian's question, the people in white clothes around him gave him a cold look.

"You are new to the temple?" the white-clothed man asked coldly.

Li Tian nodded and said, "Yes!"

"No wonder!"

"Tell you, that is the barrier of heaven!" The white-clothed man suddenly said.

When Li Tian heard that it was this "Enchantment of Heaven" again, he was stunned at this moment.

The so-called "Enchantment of Heaven" turned out to be the terrifying and huge black barrier in the sky.

Li Tian hurriedly asked again: "What happened to the enchantment that day?"

The white-clothed humanity said: "The barrier of this day is the barrier created by our Lord God's combined illusions! This barrier prevents evil things from invading the temple..."

When Li Tian heard it, he seemed to understand a little instantly.

It turns out that this "enchantment of heaven" was created by the main gods of the temple!

And is it used to deal with the enemy?

But who is the enemy?

Is it that even such a powerful temple has enemies?

After Li Tian thought so in his heart, Li Tian quickly asked: "Hey, tell me, who is the enemy of your temple?"

But Li Tian's words just asked, these people in white and black have already moved and flew quickly toward the front!

Li Tian was surprised to see those people walking away!

At this moment, he quickly raised his head to look at the weird "Sky Enchantment".

I saw the "sky enchantment" continue to spread, and a black vortex seemed to be hitting the enchantment... With the impact of the black terrifying vortex, the entire sky enchantment sent out like lightning. The light... and accompanied by the sound of thunder!

Is the black whirlpool aura a so-called enemy?

Is the barrier of this day blocking the evil invasion at this moment?

Li Tian was thinking about it while looking up at the heavenly enchantment above.

Chapter 2958: Nine Tailed Phoenix Luan

But he said that when the enchantment of that day was constantly hit by the dark breath, I suddenly saw a figure floating in the air.

Look carefully at the figure, it turned out to be one of the main gods of the temple!

Yuzu Furugi!

But he said that after that Gu Mu Xijue appeared in the air, he raised his head, and the few white hairs remaining on his bald head were blowing in the wind.

The whole face looked solemnly at the black air current that violently hit the "Enchantment of Heaven".

Suddenly, he muttered in his mouth; "Evil fellows, you still want to break through the barrier?"

"Huh, delusion!"

With a loud shout, the black snake scepter in Gu Mu Xijue's hand slammed into the air!

There was a loud thunder in the air, and then I saw that Gu Muxi's elder man was supporting the sky with one hand, and the black snake scepter in his hand suddenly emitted infinite light, and then rushed toward the "sky enchantment"!

When that group of rays of light rushed up, the evil black whirlpool was immediately dispersed!

However, just after the evil black whirlpool air current was washed away, the black air suddenly billowing behind the sky struck again.

Look carefully, but see that the black horror aura condenses into a horrible appearance of a skull, with teeth and claws tearing the "sky enchantment" in the air.

No matter it was the black snake scepter in that Gu Mu Xijue's hand, it seemed impossible to stop it!

boom!

boom!

boom!

The thunder was loud, and the evil black skull was violently hitting, tearing the barrier of heaven.

At this moment, all the powerhouses in the temple are watching the scene in front of them! Everyone was there with eyes wide open, looking at the scene in the sky! An extremely solemn and worried look appeared on everyone's face!

At this moment, a "fengming" cut through the sky, and the sound resounded like a strange bird.

Then I saw a flame of light suddenly appeared in the western sky!

"What is that?" Li Tian and the others screamed when they suddenly saw a red flame suddenly appeared on the western sky.

Li Tian also looked at the western sky solemnly.

He didn't know, what exactly came from the strange croak just now!

Just when he was surprised, the people in white and black outside the temple not only screamed.

"It's the goddess who is out...It's the goddess' tail beast..."

goddess?

Just as they exclaimed, there was another "scream" suddenly!

Then I saw a "flying bird" full of flames flying straight to the blue sky from the sky below!

It was a huge and weird bird, not only filled with flames, but also had nine tails! ! !

Each tail was burning with raging flames, and at this moment, it was flying towards the side of Gu Mu Xijue.

When Li Tian and the others suddenly saw a weird bird with nine tails and flames burning from the sky, they were all stunned.

"Oh my God, what is that stuff?"

"Yes... Is it... Fire Phoenix?"

Situ Ningbing said with her beautiful eyes wide open.

Lao Long in front of him also shook his head dully and said, "It doesn't seem to be a phoenix...like...like a legendary ancient beast!"

Li Tianyi was startled when he heard Na Long say this.

"what?"

"Ancient fierce beast?" Li Tiandao!

He already knew that the blue dragon in his body was an ancient beast! I also saw the "Yi Turtle Beast" of the White God, and at this moment another ancient fierce beast appeared.

But what is this?

Just as Li Tian asked, Elder Long by his side suddenly said, "If I'm not mistaken...this is a fierce beast with nine tails and flames burning all over...It is the legendary...Nine-Tailed Phoenix Luan!!!"

Nine-tailed Fengluan?

When Li Tian heard them, they were all shocked there.

Everyone's eyes showed surprise... a rare expression of surprise.

Then everyone looked at it carefully, and saw a beautiful figure standing on the "Nine-Tailed Phoenix Luan" that was full of flames.

The figure is graceful and graceful, with a fiery red body, blending with the nine-tailed phoenix!

If you don't look carefully, you can't see her appearance clearly.

Her appearance is like a fairy, and that beautiful and flawless face has beautiful eyes that make people sway...Under the straight bridge of the nose is a small red mouth!

The dark hair was coiled on top of the head, and then there was a phoenix tail hairpin stuck in the head!

A fiery red dress made her look so eye-catching... and among her snow-white slender hands, the "whip" exuding infinite luster was even more noticeable.

She was standing on the "Nine-Tailed Phoenix Luan", and then she looked at the evil black "skull and crossbones" in the sky with beautiful eyes.

Then there was a cold drink in his mouth.

"Wood God, I'll help you!"

As the sound fell, the nine-tailed phoenix she was standing on suddenly neighed, and then flew towards Gu Mu Xijue.

That Gu Mu Xijue also saw her right now!

The moment he saw her, a smile appeared on Gu Mu Xujie's old face.

"Xue Ji, you are out!"

Following the desolate and deep voice of Gu Mu Xijue, the "Xue Ji" standing on Jiuwei Fengluan nodded slightly and said: "It's time to leave!"

"Okay! Let's fight the evil invasion together!"

I saw that Xue Ji had already flew over on the Nine-tailed Phoenix Luan at this moment.

The nine-tailed phoenix who was burning with flames suddenly neighed, and then Xue Ji suddenly raised her hand, the "whip" in her hand that exuded infinite light suddenly flashed a glimpse of an aurora, and then shot directly into the black skull .

boom!

The sky trembled violently.

The two air currents attacked together, directly hitting the evil skull, but seeing the black skull making a "weird" whistling sound in the air, and then swish, the black whirlpool breath disappeared. Without a trace...Hidden in the endless sky!

And the extremely weird sky curtain just now slowly began to return to its previous splendid appearance at this moment.

The moment the people in white and black clothes in the temple saw the wood ***** and the goddess blocking the evil back together, they couldn't help being happy.

"Great!"

"The evil has been defeated!"

"The barrier of heaven once again blocked those things!"

Only the people in white and the people in black were shouting with great joy.

And what about Li Tian and Elder Long?

I was completely shocked by the scene before me!

They looked at the wood ***** in the air: Gu Mu Xijue! And the beautiful woman riding a nine-tailed phoenix... they all stayed at that moment.

What happened here?

Who is that stunning woman riding the ancient beast Nine-Tailed Phoenix Luan?

Also, what was the terrifying black airflow that was flying from the sky just now?

All of this is a huge mystery to Li Tian and the others!

Chapter 2959: Wood ***** shocked

After the evil black aura was defeated, the people of the temple were shouting happily.

Only Li Tian and the others stood there blankly, their faces full of surprise.

But what about the wooden ***** Gu Mu Xijue in the air, and the Xue Ji riding the Nine-Tailed Phoenix Luan?

"Xue Ji, how about going out this time?"

Suddenly a smile appeared on the pretty face of the incomparable Xue Ji.

"My Snow Dragon Divine Whip has been refined to the highest level." Only that Xue Ji smiled in the air.

After hearing what Xue Ji said, the wooden ***** Gu Mu Xijue smiled slightly and said, "Very good! Very good!"

"Go, let's go down!"

After speaking, Mu Shen directly flew down!

On the contrary, the goddess Xue Ji said slightly there, "I will go back to Qianxue Peak first!"

After the words were finished, she suddenly saw that Xue Ji riding on the nine-tailed phoenix, and then neighed and flew towards the west!

The place where the nine-tailed phoenix flies to is a lonely mountain!

That peak complements the lonely island of the temple in front of you, not far away!

And the goddess Xue Ji lives on that lonely mountain.

In the sky, the wooden ***** Gu Mu Xijue has already flew down.

In the moment of flying down, all the figures in the temple knelt there.

"Welcome to Wood God!"

Wood **** Gu Mu Xijue waved his hand slightly, and said, "Get up, everyone."

"Wood god, the barrier of heaven has once again blocked the evil invasion! It's great..." I only heard someone in the crowd smiling.

The wood **** Gu Mu Xijue smiled slightly, and then walked towards the temple.

Although the **** of wood Gu Mu Xi definitely smiled there, but I don't know why, there was a slightly bitter expression in his smile... and a slightly complicated expression appeared in those light-distance eyes. .

...

Li Tian watched the wood **** Gu Mu Xijue enter the temple, and they were still standing there silently.

Finally, after everyone had left, Li Tian and the others returned to the living room.

"It's too powerful, I really didn't expect that there are two people in the temple that have ancient fierce beasts! The first is: the Yi turtle beast, the second is: the nine-tailed phoenix!" After the old dean Heris came in there Said.

Old Na Long also sighed slightly at the moment: "The emergence of powerful people in the temple...It really opened my eyes! Ha ha, I always thought that there are not many powerful people in the Spirit Earth Continent. Today, I am really a frog at the bottom of the well! With my life's cultivation base, I am afraid that it is only a third-rate character in this temple! Hey..."

Old Long said as he suddenly sighed there.

Long, the so-called number one saint on the Lingtu Continent, did not expect to become a third-rate character in this temple! How can this not make Old Na Long depressed?

"Old Long, your strength is still very strong." The old dean Heris looked at Old Long and comforted.

Old Long laughed bitterly, then leaned back on a chair, took out his Yin-Yang Flame Wine, and started to drink.

And only at this moment Li Tian sat quietly there.

His brows were frowning tightly, and he was thinking of everything that happened in his mind.

What the **** is this temple doing?

What is the reason why the world's strongest men are gathered here?

Also, what was the black aura from the sky just now?

Everything made Li Tian puzzled.

...

Inside the temple!

In a quaint house, I saw the wood **** Gu Mu Xijue sitting there slightly.

In this quaint house, there is only one table and a wooden bookshelf. The bookshelf is covered with layers of heavy and ancient books!

On the icy walls, there are also weird murals.

At this moment, I saw the wood **** Gu Muxi sitting quietly, as if meditating.

Suddenly at this moment, the door rang softly.

"Come in!" Wood God Gu Mu Xijue said slightly.

As the sound came out, but seeing the door was gently pushed open, as the door was pushed open, I saw that the horror who walked in was precisely the Xuan Tian and Xuan Di who had received Li Tian and the others from the temple before. Di, second old!

After they entered this quaint room, the two of them bowed down respectfully.

"Visit the Wood God!" the two knelt down and said in unison.

Gu Mu Xijue opened her eyes slightly, then waved her hand and said, "Get up."

"Xie Mu Shen!" Then the two stood up together.

After standing up, Gu Mu Xijue suddenly asked, "I ask you, why did you invite so many mortals into the temple this time?"

Following Gu Mu Xi Jue's question, the expressions of Xuan Tian and Xuan Di changed slightly.

Especially the Xuantian in the white robe!

He only heard that Xuantian quickly replied: "Return to the Wood God, we were only inviting the world's No. 1 Long to come to the temple! But when something happened suddenly, we had to invite the others back to the temple."

After listening to Gu Mu Xijue, he said slightly, "Give me a reasonable explanation!"

After that Gu Mu Xijue said it, Xuantian hurriedly said, "Yes!"

"Wood God, the cause of this incident is that human kid!" Xuantian said.

Gu Muxi never recalled Li Tian, and then said, "What do you mean?"

But Jian Xuantian replied, "Because there is something in that kid... it is absolutely rare in the ages!"

"What is it?" Gu Mu Xijue asked suddenly.

"The first fierce beast in ancient times! Azure Dragon Beast." Suddenly Xuantian said.

The moment that Xuantian spoke out all of a sudden, the look of the wood **** Gu Mu Xijue changed dramatically.

"what?"

"The first fierce beast in ancient times? Azure Dragon Beast?"

When Gu Mu Xijue suddenly said in such a surprise, Xuantian hurriedly said: "Yes! It is for this reason that his subordinates made an exception to bring him into the temple."

Suddenly Gu Mu Xijue stood up from the wooden chair, and then blinked at the Xuantian Dao with weird eyes: "You mean, that young human boy has the first fierce beast in ancient times: Qinglong beast?"

Then Xuantian said: "En!"

"How is it possible?" Suddenly Gu Mu Xi Jue said.

"Azure Dragon Beast, in the ancient century, it is said that it has been sealed! Lost on the Spirit Earth Continent, how could it suddenly appear on an ordinary human being?" Gu Mu Xijue said suddenly.

He obviously didn't believe it.

Then Xuantian knelt on the ground and said, "The subordinates didn't believe it before! But when I saw the Azure Dragon Beast with my own eyes, I realized it was true!!!"

"Moreover, the first fierce beast in ancient times seems to have already recognized its master! And that human kid is its master!" Xuantian said.

As soon as the words came out, Gu Muxi was completely speechless.

Chapter 2960: Kishin

You know, the most difficult thing about ancient fierce beasts is to recognize the Lord!

The ancient fierce beasts were the spiritual fierce beasts between the heaven and the earth... They were born in the heaven and the earth, and they were extremely powerful, and only by chance and coincidence could they recognize God!

And now Xuantian actually said that the Azure Dragon Beast, the first fierce beast in ancient times, had already been recognized as its master! And it's an extremely ordinary human!

Of course, this makes Gu Muxi, the **** of wood, incredible!

You know, the temple has been pursuing the "first fierce beast, Azure Dragon Beast."

At this moment, after hearing Xuantian's words, Gu Mu Xijue sat down on that chair.

Layers of complex expressions appeared on that weird old face.

"Could the way of heaven change?"

"Could it be that a newcomer has really appeared in the God Realm?"

The weird words came out of that Gu Mu Xijue's mouth.

After uttering these weird words, Gu Mu Xijue suddenly looked at Xuantian and said, "Hurry up and let that human young man come to see me! I want to witness it myself!"

After hearing that, Xuantian said, "Now?"

"Of course!" Gu Mu Xijue's voice was full of anxiety.

After hearing this, Xuantian nodded quickly and said, "Yes!"

Then Xuan Tian, Xuan Di, and the second elders quickly retreated.

After they retreated, Gu Mu Xijuecai's eyes narrowed slightly, and then he looked at the weird murals behind him, and a ray of light began to flash in his eyes.

...

Li Tian and Old Long were still waiting in the hall.

Such waiting makes them anxious!

At this moment, the two elders from Xuan Tian Xuan Di rushed over.

After seeing the white shirt old man and the black shirt old man coming, Situ Ningbing couldn't help but said, "Hey, what the **** your temple is doing? Why do you keep us here? What do you want? What are we doing?"

Listening to Situ Ningbing's words, the old Xuantian in front of him smiled slightly and said: "This girl, I'm really sorry! This is the rules of the temple!"

"Rules, rules again! I'm so bored!" Situ Ningbing said angrily.

Then Xuan Tian Xuan Di ignored Situ Ningbing in front of him, but suddenly turned his face to look at Li Tian on the other side.

"Your Excellency, our Wood God invites you to come!" Suddenly the old man Xuantian looked at Li Tiandao.

amount?

After Li Tian and Elder Long next to them suddenly heard this Xuantian say, they were not only shocked.

But seeing that Li Tian was surprised and said: "Call me?"

Then Xuantian squinted and said, "Yes!"

"Why are you looking for me?" Li Tian questioned.

Then Xuantian said: "You will understand when you go!"

The old man in black shirt beside him also said coldly at this moment: "Go ahead."

Li Tian thought for a while, not only hesitated.

At this moment, Old Long stood up and said, "Excuse me, can we go with Li Tian together?"

Old Na Long just asked, but when he saw the old man in black shirt, he said coldly, "No!"

"Only him!"

After the black-shirted old man refused so decisively, Na Long not only looked ugly.

Seeing that Li Tian was hesitating there, and Elder Long and the others were worried about Li Tian and wanted to accompany that Li Tian. The white-shirted old man Xuantian suddenly spoke at this moment.

"Young man, I know you have concerns! But, I want to tell you that in thousands of years, our wood **** has never called a mortal alone! To put it bluntly, this is extremely lucky for you! Hope you Don't waste time..." The old Xuantian looked at Li Tiandao.

After Li Tian heard the old Xuantian say this, he thought about it!

He had witnessed the power of the wood ***** outside with his own eyes just now... and he also knew that there were many strong people in the temple! To what extent has their strength reached? To be honest, Li Tian couldn't guess it at all!

He only knew that if the strong in these temples really wanted to kill themselves, it would definitely be easier than pinching an ant.

So before and after Li Tian thought, he said: "Well, I will go to see the Wood God with you!"

"Li Tian..." The old Dean Khri beside him was a little worried about Li Tian, not only that he was worried about Li Tian's sudden visit to the Wood God.

But seeing that Li Tian turned his head, looked at Old Long and the old dean and they said.

"Old Long, old dean, don't worry! I was only invited to see the wood god, and there should be no trouble! After all, if this temple really wants to harm us, even if we are wary of it, it will not help. of!"

After listening to Li Tian's words, Na Long nodded silently.

Obviously, he also agrees with Li Tian's words.

"Well, Li Tian, you go! Hurry up and go back!" Just listen to the last old Long who said there.

The old dean Heris also looked at Li Tian helplessly.

But seeing Li Tian smiled at them, then turned his head and said to Xuantian Dao: "Now I will follow you to see Wood God."

When the old man Xuantian heard Li Tian say this, he smiled and said, "Very good!"

"Let's go!"

After speaking, he began to walk outside with Li Tian in front of him.

Li Tian just followed behind the old man Xuantian, and then walked forward step by step.

...

Under the leadership of the old man Xuantian, they walked through several corridors, and then went up several floors of attic, before finally reaching the outside of the wood god's room.

After reaching the outside of the wood god's room, Xuantian Xuandi pointed at the room in front of him and said, "Young man, the wood ***** is inside! Go in by yourself."

After speaking, the two of Xuan Tian Xuan Di quietly retreated.

Li Tian stood by the door... For some reason, he felt the extremely powerful aura in the room pulsing.

Just when Li Tian was surprised, a bleak and thick voice suddenly came from the room.

"come in!"

After the voice came, Li Tian was slightly startled, and then gently opened the door.

After pushing open the door, Li Tian saw Gu Mu Xijue sitting on a chair at a glance! Wood god.

But seeing that Gu Mu Xijue smiled at Li Tian who walked in, her eyes staring at Li Tian unblinkingly, as if looking at a rare treasure.

"Hello, Wood God!" Li Tian said politely after seeing the Wood God.

He is not from the temple! He didn't believe in the gods and ghosts, so of course he wouldn't bow down to the wood **** in front of him at this moment, so he simply said hello.

The wooden **** Gu Mu Xijue didn't care, but Li Tian, who was smiling at the moment, looked at him unblinkingly.

"Young man, the old man actually looked away... I didn't expect your spiritual power to be so abundant!!!" Suddenly, Gu Mu Xijue looked at Li Tiandao slightly.
