

## A Killer 2961

Chapter 2961: unbelievable

It turned out that Gu Mu Xijue had already observed the extremely powerful fluctuations of spiritual power in that Li Tian's body just now after carefully looking at that Li Tian!

But he said that Li Tian smiled faintly after hearing the wooden \*\*\*\*\* Gu Mu Xijue say so.

"Compared with the powerhouses of the temple... it's just a drop in the bucket. I can't praise it." Li Tian told the truth.

Facing these powerful people in this temple, Li Tian did feel a little inferior.

After Li Tian finished speaking so modestly, the Wood God suddenly haha touched his beard and laughed.

"Young people, not arrogant, not dry, it's really awesome!" Gu Mu Xi Jue praised Li Tiandao there.

Li Tian smiled and said, "I'm just telling the truth."

"Well, you are already very good! If the old man was as young as you, I am afraid it would not be as good as your current strength!" Gu Mu Xi Jue looked at Li Tiandao with admiration.

Li Tian smiled indifferently.

"Mu Shen, may I ask, I don't know what you call me here?" Li Tian finally asked.

Of course he wouldn't think that Wood God called him here just to praise him, so he couldn't help asking at this moment.

After Li Tianwen spoke, the Mu Shen suddenly smiled and said, "There is indeed something."

"What's the matter?" Li Tian asked.

Gu Mu Xijue looked at Li Tian for a long time at this moment, and then said slightly: "I heard that you have... the first fierce beast in the ancient times: the blue dragon beast. I don't know whether it is true or not, so I want to verify it personally. , I wonder if it's OK?"

After that Gu Mu Xijue suddenly asked, Li Tian was taken aback!

So that's what happened! This wood \*\*\*\*\* called himself here, it turned out to be for himself and the Azure Dragon Beast in his body?

After thinking about it, Li Tian said truthfully: "Yes, Xiaoqing is indeed in my body."

"Um? Xiaoqing?" Gu Mu Xijue was puzzled after hearing Xiaoqing.

Hearing that Li Tian explained there, "The first fierce beast in the ancient times that you said was Xiaoqing! I got this name for it."

"Hahahahaha!"

Gu Mu Xi Jue heard it and suddenly laughed.

Who can give the world's No. 1 ancient beast: Qinglong Beast, such a strange and alternative name: Xiaoqing?

Looking at Li Tian, Gu Mu Xijue couldn't help laughing.

Li Tian didn't speak either, just standing there quietly.

After Gu Mu Xijue laughed, he looked at Li Tiandao with a smile and said, "Well, in that case, then you can show... Xiaoqing... to the old man, how about?"

Take a look?

It doesn't matter much to Li Tian!

So Li Tian at this meeting said generously, "Yes!"

After hearing that Li Tian promised, the eyes of Gu Mu Xijue let out light, and then stared at Li Tian at the moment without blinking.

What about Li Tian? At this moment, he slowly raised his right sleeve slightly.

At the moment when he lifted his sleeves, he saw a blue dragon floating on Li Tian's entire arm.

The blue dragon was like a real dragon, and it looked extremely realistic, just like that wrapped around Li Tian's entire arm.

But he said that after Gu Mu Xijue opened his eyes and saw the blue dragon pattern on Li Tian's arm, his pupils suddenly widened at that moment.

Then stretched out a thin hand and suddenly took Li Tian's arm.

Then a stream of heat suddenly spread towards the heart of Li Tian's right hand... At the moment it passed, I saw that the blue dragon pattern on Li Tian's arm suddenly began to float.

I saw that Qinglong suddenly moved on Li Tian's arm...The huge dragon head was struggling there, and fierce eyes stared at the wooden \*\*\*\* in front of him: Gu Mu Xijue.

"It's really it!!!"

"It's really a blue dragon beast!!!"

...

Shocking and unbelievable muttering came out of the old man Gu Mu Xijue.

His voice is so unbelievable! The light coming out of both eyes was so shocking.

"The first fierce beast of the ancient times... actually is in your body!!!" Gu Mu Xijue suddenly raised a pair of extremely strange eyes and looked at that Li Tiandao.

Li Tian didn't think it was weird. He just said, "What happened then?"

"Young man, you really don't know? Or do you not know?" Suddenly Gu Mu Xijue said in shock.

Li Tian frowned depressed and said, "What do you know?"

"Don't you know that the one who got this ancient beast was obtained by the gods!!!" Suddenly, Gu Mu Xijue said.

amount?

Li Tianyi was stunned.

What the gods gain?

Does he mean that only those who possess this godhead can get this ancient beast?

"What do you mean?" Li Tian looked at that Gu Mu Xijue and asked.

But seeing that Gu Mu Xijue's eyes radiated light at Li Tiandao at this moment: "The old man meant that...the ancient fierce beasts can only be tamed by the gods! And you, just an ordinary ordinary man... I didn't expect... I didn't expect... ..Tame the first fierce beast, the Blue Dragon Beast? It's...it's incredible."

Then Li Tian heard that Gu Mu Xijue said, "What's wrong with mortals? Are there really so-called gods and ghosts in the world?"

Hahahaha!

After hearing Li Tian's questioning, Gu Mu Xijue suddenly laughed.

"What a young man who dares to speak like this!"

"You are the first young man to dare to say this in the temple!" Gu Mu Xijue laughed and looked at Li Tiandao there.

Li Tian didn't agree!

In his eyes, the so-called temples, the so-called gods, are nothing more than powerful and powerful people! Also, it is they who compare themselves to gods.

After that Gu Mu Xijue laughed, he looked at Li Tian seriously.

At the moment he asked: "Young man, can you tell me how you tame this ancient first beast?"

Li Tiandao: "Actually, I didn't tame it much! I just have a lot of fate with Xiaoqing...so it followed me!"

Li Tian said an understatement!

In fact, the combination of this Azure Dragon Beast and Li Tian is indeed a very simple thing! It is not as troublesome as expected.

On the contrary, the Gu Muxi in front of him was a little bit unbelievable, and said: "Really so simple?"

But seeing that Li Tian replied, "Yes, it's that simple!"

When Gu Mu Xijue heard Li Tian say this, he not only laughed there for a moment.

"Young man, do you know how many gods died and wounded in the God Realm to fight for this ancient first fierce beast? How many other gods were killed? However, no one has ever obtained this ancient first fierce beast! , Even he didn't get the first fierce beast! And he left his supreme weapon in the world..." Suddenly said Gu Mu Xijue there.

For some reason, when Gu Mu Xijue spoke of him, there was a wave of hostility in his voice!

Chapter 2962: Jiugong

Li Tian was stunned when he heard the wooden \*\*\*\* Gu Mu Xijue suddenly say this.

he?

Who is this "him" that Gu Mu Xi Jue said?

Just now Gu Mu Xijue said that the "he" seemed to have tried to tame the first fierce beast in ancient times: the Azure Dragon Beast!

But in the end it seemed to come back without success! He also threw his magical weapon to the mortal world.

Could it be that the magical blade that Gu Muxi said absolutely was his "Kang Long Mace!"

After thinking about it, Li Tian suddenly took out the Kanglong mace from his arms and asked, "Mu Shen, are you talking about this weapon?"

When Li Tian pulled out his "Kang Long Mace" all of a sudden, the wooden \*\*\*\* Gu Mu Xijue was stunned.

Looking at the "Kang Long Mace" in Li Tian's hand, at that moment, the eyes of the wood \*\*\*\* Gu Mu Xijue were filled with horror, which was beyond belief.

"Kang Long Mace...Kang Long Mace..."

"This... this... why is this Kanglong mace in your hands?" Suddenly, Gu Mu Xijue made a surprised voice when he saw this "Kanglong mace".

And for some reason, when he saw this "Kang Long Mace", a huge and extremely hostile intent suddenly appeared on his body.

It seemed that Mu Shen had a strong hostile attitude towards this Kang Long mace.

But seeing that Li Tian said: "This weapon has always been on me!"

"Xiao Qing, was released from this Kanglong mace." Li Tian in front of him said truthfully.

Hearing what Li Tian said, the wood \*\*\*\* Gu Mu Xijue was shocked.

Then his eyes were looking at this Kanglong mace...

Suddenly he muttered in his mouth: "Yes...Yes..."

"Back then, he used this magic weapon to seal the first fierce beast in ancient times... and then left it in the world!"

"Now, the first fierce beast in ancient times, the Blue Dragon Beast, has arrived on you! Of course, it is a matter of course that this Kanglong mace is on you..." Gu Mu Xijue said slightly in front of him.

After hearing what Gu Mu Xijue said in front of him, Li Tian became more suspicious of that "him" in his heart.

At this moment, I couldn't help but finally asked, "Wood God, who is he in your mouth?"

At the moment Li Tianwen spoke, the wooden \*\*\*\* Gu Mu Xijue in front of him suddenly became serious for a moment.

Then his face instantly became weird and ugly: "Do you really want to know?"

Of course Li Tian wanted to know, so he said, "En."

"Well, you have to know sooner or later anyway, the old man will tell you now!" Just listen to the words of Gu Mu Xijue in front of you.

Li Tian in front of him listened carefully.

I saw that Gu Mu Xijue had a solemn expression, and said slightly, "Do you know that there are four main gods in the temple?"

Following Gu Mu Xi Jue's question in front of him, Li Tianyi nodded and said, "I know."

After Li Tian said and knew, the Gu Muxi in front of him said: "The he who I just said...actually...is...one of our 4 Lord Gods!!!"

"what?"

When Gu Mu Xijue said this suddenly, Li Tian was stunned!

"He is... God too?" Li Tian asked in horror.

Gu Muxi nodded silently, and said: "Yes!"

"And he is the boss of the four of us!" Gu Mu Xijue added another sentence.

When Li Tian heard this, he frowned deeply.

Yes, since he came to the temple, he has seen three gods!

One of them is: the white \*\*\*\* riding a Yi turtle beast!

The second one is the goddess, Xue Ji who rides the Nine-Tailed Phoenix Luan!

And the third one is the one in front of you: God of Wood, Yuzue Gu Mu!

As for the fourth place, they have never seen it from beginning to end.

Now when he heard that Gu Mu Xijue said so, Li Tian understood that the character who once wanted to tame the first fierce beast in ancient times turned out to be one of the main gods of the temple! ! !

"Hey, where is he now?" Li Tian asked curiously.

Since coming to the temple, he has never seen the main god, and asked at this moment.

But after seeing Li Tianwen's mouth, the face of Gu Mu Xijue in front of him changed in an instant.

"Don't mention him!" Suddenly a roar roared from the mouth of the wood \*\*\*\* Gu Mu Xijue.

With that Gu Mu Xijue's roar, Li Tian was not only shocked.

what happened?

How could this wood \*\*\*\* Gu Mu Xijue appear so angry? Why does he seem to have hatred with that person? Could there be other things in this?

"Why?" Li Tian asked.

The wooden \*\*\*\* Gu Mu Xijue suddenly roared: "Because he betrayed us! He betrayed the entire temple!!!"

With endless feelings of grief and anger, Gu Muxi suddenly cried out in anger.

betray?

When Gu Mu Xijue in front of him suddenly said this, Li Tian was stunned.

what?

The Lord God betrayed the temple? Betrayed here?

"How could this be?" Li Tian said in shock.

But seeing that Gu Mu Xijue furiously said: "He is now our enemy!! God realm, just because of him in chaos! However, one day, we will definitely eradicate him! Restore the peace of God realm!"

After that Gu Mu Xijue finished saying this, Li Tian suddenly thought of what happened before today!

He thought of the "sky enchantment" in the sky, and also thought of the terrifying black air current! ! !

The moment Li Tian thought of this in his mind, suddenly, Li Tian asked there, "Mu Shen, the strange black air current in the sky this morning...could it be that he released it?"

"Yes! That's him!" Hearing Gu Mu Xijue suddenly angrily said.

Li Tianyi guessed correctly, and he was shocked!

No wonder that the black whirlpool airflow shrouded in the air is so terrible today! It turned out to be released by one of the four main gods in the temple! And he is the strongest among the 4 of them!

"Where is that person?" Li Tian asked.

Gu Mu Xi Jue said: "In the Nine Palaces!"

"what?"

"Nine Palaces?" Li Tian had never heard such a name. When he heard it at this moment, he was stunned.

I saw Gu Mu Xijue there and replied, "Yes!"

"Where is this nine palaces?" Li Tian asked, puzzled.

"The upper three layers of heaven are the land of the Nine Palaces... you need to cross the barrier to reach it!"

"And this morning, the enchantment of heaven in the sky is the critical point of crossing the enchantment..." Gu Mu Xijue said in a muttering way.

Chapter 2963: Thirteenth heaven

After hearing the real explanation of the "Enchantment of Heaven", Li Tian was stunned.

It turned out that the enchantment that day turned out to be the enchantment point of isolation from the nine palaces.

"Wood God, you mean, if the barrier of heaven is broken by evil, then...that so-called he will kill the temple?" Li Tian asked in surprise.

But seeing the wood \*\*\*\* Gu Mu Xijue nodded silently and said, "Yes."

"His strength is higher than our three gods! And he has now joined the Pluto three demons into one. If he really breaks through the barrier of heaven, the consequences will be disastrous." Wood \*\*\*\* Gu Muxi said slightly.

When Li Tian heard the wood \*\*\*\* Gu Mu Xijue suddenly talking about the "Three Demons of the Underworld", he was not only shocked.

"Wooden God, may I ask, who is the Three Demon of the Underworld?" Li Tian asked.

But seeing that Gu Mu Xijue said slightly: "The three demons of the underworld are the original overlords of the Nine Palaces! They are the way of the demon that our temple opposes!"

Li Tian came over in shock after hearing this.

It turns out that the three demons of the underworld are the original overlords of the nine palaces!

It seems that the strength of the opponent is far beyond Li Tian's imagination.

After thinking for a while, Li Tian said: "The Wood God does not have to worry! The powerhouses in the Wood God Temple...should be able to stop the Demon Gate in the Nine Palaces."

Li Tian has seen the abilities of the characters in this temple!

Just pick out a person's strength and have reached the peak state!

That's why Li Tian said so at this moment.

But seeing Li Tian finished saying this, the Wood God suddenly smiled bitterly and said: "You are wrong..."

"Am I wrong?" Li Tian was not only stunned when he heard the Wood God saying that he was wrong.

Gu Mu Xi Jue said: "They in the Nine Palaces are actually far more powerful than the temple."

"Huh?" Li Tianyi was completely astonished.

You know, the powerhouses in this temple have reached their peak state!

If the magic gates in the Nine Palaces are more powerful than them, what incredible level of their strength has it reached?

But seeing that Gu Mu Xijue murmured there: "For so many years, we have been blocking the barrier of heaven, the reason is that they are afraid of them in the Nine Palaces invading the temple!"

Li Tianyi was speechless.

It turned out to be true!

The strong in the nine palaces are stronger than those in the temple.

"I think I finally understand..." Li Tian murmured in front of him suddenly.

After hearing Li Tian say this, I just listened to Gu Mu Xijue who said in doubt, "What do you understand?"

Li Tian raised his head and looked at that Gu Mu Xi Jue: "I finally understand why, you are looking for the best power in the world on the Spirit Earth Continent!"

"Are you trying to find these powerhouses to consolidate the strength of your temple? Against the Nine Palaces?" Li Tian said all his inner guesses.

After hearing what Li Tian said, Gu Mu Xijue in front of him suddenly smiled and nodded and said, "Young man, you are so smart!"

"What you said is good! In fact, looking for the strongest person in the world on the Spirit Earth Continent, in order to help us resist the invasion of the Nine Palaces." Gu Mu Xijue finally said the reason.

After Li Tian guessed correctly, he not only thought about where he was, and said, "But, as far as I know, the young people in your temple are all peerless masters! They are very powerful... even Powerful people comparable to the Spirit Earth Continent! Why do we have to find the powerful from the Spirit Earth Continent?"

But seeing that Gu Mu Xijue smiled there suddenly: "You don't understand this!"

"Do you know why these characters in the temple are so strong?" Just listen to that Gu Mu Xijue asked.

Of course Li Tian doesn't understand!

So I shook my head and said, "Junior doesn't know."

Just listen to that Gu Mu Xi Jue said: "The reason why they can be so powerful is because they have used the spiritual water spring to soak their bodies since they were young. After soaking in the spiritual water spring, the spiritual power of the body will be doubled!"

When Li Tian heard this, he screamed "Ah" immediately.

It turned out to be so! ! No wonder the spiritual power of every character in this temple is so powerful!

Just listen to that Gu Mu Xijue continue to talk there and say: "After being soaked in the spiritual water spring, and the spiritual power has increased sharply, then go to the thirteenth floor to practice the most powerful illusion in the world!"

"Thirteenth heaven?"

"Peerless illusion?" Li Tianyi was shocked.

Li Tian was very curious about these locations and what the Wood God said.

But seeing that wood \*\*\*\* Gu Mu Xi Jue nodded slightly and said, "Yes!"

"What is the Thirteenth Heaven?" But seeing Li Tian in front of him suddenly asked.

The wood \*\*\*\* Gu Mu Xijue smiled slightly and said, "You want to know?"

"En!" Li Tian said with great interest.

But seeing that Gu Mu Xijue, he smiled slightly: "Anyway, sooner or later you will enter the thirteenth heaven. I will point you to it now."

The words were spoken, but seeing that Gu Mu Xijue's figure suddenly flashed, she arrived outside the room and said, "Please look far away..."

As his thin fingers pointed forward, but in the misty place, there was a Sky Tower, and the tower was straight into the sky, each layer was huge, sitting and standing in the sky.

Looking dimly, it was like a fairy-like dwelling place.

Li Tian looked at the Sky Tower straight into the sky, and felt an inexplicable impulse in his heart right now.

"Ah? That is the thirteenth heaven?" Li Tian asked in horror.

But seeing the wood \*\*\*\* Gu Mu Xijue nodded silently and said, "Yes!"

"The thirteen heavens are divided into thirteen layers in total, and each layer has a peerless illusion technique! From low to high, it records the strongest illusion in the Lingtu Continent in thousands of years... after a person enters the thirteen heavens, Start from the first level of cultivation! Then begin to practice slowly upwards! After reaching the seventh heaven, you can appear as a divine body, and you will be immortal for a hundred years! If you can reach the tenth heaven, you will be immortal for a thousand years! ! If anyone can reach the thirteenth heaven... Then, ha ha ha..." Wood \*\*\*\* Gu Mu Xijue did not say anything this time.

Because even he himself doesn't know what a person would be like if he could cultivate to the thirteenth heaven.

But seeing Li Tian looking at the Sky Tower in horror, he muttered: "No wonder...no wonder...the young people in the temple are so powerful! It turns out that they are all in the temple. Cultivating in the middle!!!"

Then Gu Mu Xijue said slightly, "Their strength is actually very average! They can only cultivate to the sixth heaven at most...The entire temple, so far, except for the old man himself, Xue Ji, and old Bai Zhi Besides, no one can practice to get more than 6th heaven!!!"

Chapter 2964: Ask for help

After listening to Li Tian, he felt an unprecedented excitement in his heart. .

The thirteenth heaven?

Li Tian stared at that with radiant light in his eyes.

How can one person finish the thirteen heavens? And if you learned all the illusions in the thirteenth heaven, what would it be like? Li Tian thought and said curiously.

"Every time, after we gather the world's number one powerhouse from the Spirit Earth Continent, we will let them soak in the Spirit Water Spring! Then their spiritual power will be doubled, and then we will send them to the thirteen Inside Chongtian, let them practice!!!"

"So far, there have been 241 world powerhouses in the Thirteenth Heaven!" The wood \*\*\*\* Gu Mu Xi Jue said slightly there.

When Li Tian heard this, he immediately understood.

It turned out that after being sent to the "Thirteenth Heaven", the No. 1 powerhouse in the Spirit Earth Continent began to practice.

After thinking about it, Li Tian asked, "Excuse me, how many strong people are still alive so far? What realm have they cultivated to?"

Suddenly Gu Mu Xijue shook his head slightly and said, "There are more than a dozen...The rest have all been practiced and died within the thirteen heavens!"

what?

"All the rest are dead? Just practice and die within those thirteen days?" Li Tian said in shock.

Wood \*\*\*\* Gu Mu Xijue nodded slightly and said, "Yes!"

"why?"

"Why do they even die and refuse to give up?" Li Tian couldn't help but asked depressedly.

But seeing that Gu Mu Xi Jue smiled slightly and said: "Young people, you have to know that the world's illusion technique itself is very attractive to us cultivators! If you have seen the most exquisite illusion technique in the world, don't you want to Practice?"

When Li Tianyi heard that Gu Mu Xijue said this, his whole body was stunned.

Yes!

This peerless illusion is a very attractive thing for any cultivator!

"A person's desire to become stronger is too great, maybe it's not a good thing."

Li Tian said in that secretly.

After hearing Li Tian's sentiment, Gu Mu Xijue smiled slightly and said: "Young man, I didn't expect that you are young and your sentiment is quite deep. Ha ha, if people in those 13 days can think like you, They won't die there forever."

After hearing Gu Mu Xijue's words, Li Tian stood there silently for a long time.

After thinking about it, Li Tian asked again: "Then the seniors who are alive in the 13th day, are they still cultivating inside?"

"En! Yes." Gu Mu Xi Jue said.

When Li Tian heard it, he laughed bitterly.

Hey!

"Young man, the old man has told you everything, now you finally understand, right?" Just listen to the wood \*\*\*\* Gu Mu Xijue looking at that Li Tiandao slightly.

Li Tian nodded and said, "Thank God Mu Shen! I basically understand everything."

"very good."

"You doll did not expect to be able to tame the first fierce beast of the ancient times: Azure Dragon Beast! It must be an extraordinary person, so I hope you can bathe in the spiritual water spring as soon as possible, and then enter the thirteenth heaven! As for how many heavens you can reach, it

depends Your aptitude and cultivation base!" The Wood God in front of him was suddenly looking at Li Tiandao slightly.

Li Tian nodded silently after hearing the words of Wood God Gu Mu Xijue.

"Well, I understand." Li Tiandao.

"Then can I retire now?" Li Tian looked at the wood \*\*\*\* Gu Muxi and said.

Li Tian and Mu Shen talked for more than 3 hours! If they don't return, Na Long and Situ Ningbing will definitely be worried about Li Tian.

After hearing what Li Tian said, the \*\*\*\* of wood Gu Mu Xijue smiled slightly and said, "Of course..."

"Well, that junior will leave!" Just listen to that Li Tian said slightly.

After speaking, Li Tian slowly exited the room.

Just after quitting, Li Tian suddenly turned his head and said, "Mu Shen, I don't know if I can ask Mu Shen to help?"

After hearing Li Tian say this, the wood \*\*\*\* Gu Mu Xijue was not only a little startled, but also smiled and said, "Let's talk, what's the matter?"

But seeing Li Tiandao said: "I...I...my lover has amnesia!!! She can't remember all the things before, nor can she remember me. I don't know if Mu Shen can help me restore her memory?"

Li Tian turned out to be for that Situ Ningbing! He wanted that Situ Ningbing to restore his memory!

He felt that the characters in this temple were so powerful that they should be able to help Ning Bing restore his memory. If he could restore his memory, it would definitely make Li Tian ecstatic.

But what about Gu Mu Xijue?

When Li Tian said this, Xuebai's eyebrows suddenly wrinkled and said, "Eh? Restore memory?"

"En!" Li Tian looked at that Gu Muxi extremely sincerely.

"If the \*\*\*\* of wood can help my lover restore his memory, I Li Tian would like to be a bull and a horse for the temple for the rest of my life, I will do my best!"

In order for Li Tian to restore Ning Bing's memory, it can be said that he did nothing at all.

When Gu Mu Xijue heard Li Tian say this, he smiled slightly: "Although the old man doesn't know how to help your lover restore his memory, I know there is someone who can help you."

When Li Tian heard this, his heart suddenly became excited and said, "Who?"

"Goddess, Xue Ji!" Gu Mu Xijue said with a smile.

Li Tianyi heard the goddess: Xue Ji, immediately startled.

Could it be the peerless beauty who is riding the Nine-Tailed Phoenix Luan in the burning flames today? Is it her?

"The nine-tailed phoenix that Xue Ji rides is one of the ancient fierce beasts, and the blood of the nine-tailed phoenix can resolve the most difficult and difficult diseases in the world. If you can get the nine-tailed phoenix of the goddess Xue Ji Blood, I believe your love will definitely restore the memory."

The blood of Jiuwei Fengluan!

When Li Tian heard this, his brows furrowed deeply.

How easy is it to get the blood of the nine-tailed Fengluan?

What's more, Li Tian didn't know the so-called goddess Xue Ji at all. Besides, even if they did, would they agree?

After thinking about it, Li Tian smiled bitterly: "Thank you Mu Shen for guidance! I don't know where the goddess Xue Ji is now? How to find it?"

Na Gu Mu Xijue said slightly in that: "There is a mountain next to the temple, its name is Qianxuefeng, and the goddess Xueji lives on it!"

After hearing the words of the wood \*\*\*\*\* in front of him, Li Tian said to Gu Mu Xi Jue: "Thank you, wood god!"

"That junior will leave!"

Wood \*\*\*\*\* Gu Mu Xi Jue nodded slightly.

Then Li Tian left.

When he left, he was thinking of the goddess Xue Ji while thinking about the thirteenth heaven that fascinated him...

Chapter 2965: what reason?

After Li Tian left the place of the Wood God, he quickly walked directly to the living room where he was resting. .

As for Lao Long who was still waiting for Li Tian in the living room, and the others could not sit still at this moment.

They are all worried about Li Tian.

In the living room, the old Dean Khris was full of anxiety.

Yang Tong, the little boy on one side, also said in that mouth: "Why isn't the big brother coming back?"

"Should there be nothing wrong with Big Brother?"

After the young boy said so, suddenly the old dean Heris stood up from his seat at the "Huo", and said angrily: "Damn it, don't wait! I'm looking for someone from them." Ask about Li Tian's whereabouts!"

After the old dean Heris said this, Situ Ningbing in front of him quickly walked over and nodded and said: "Yes, it has been so long. We should always ask Li Tian if he was called. What did you do?"

After all of them said this, Old Long also stood up silently and nodded there.

After all agreed, they then walked outside.

Outside, there stood two figures in the temple, one in a white shirt and the other in a black shirt.

But he said that after Na Long took the old Dean Heris and the others quickly walked out, the old Dean Heris asked the young man in white shirt standing at the door: "Hey, I'll ask you. Where did your people take Li Tian? Why haven't you seen Li Tian come back for so long?"

After the old Dean Hollis questioned him, but seeing the white-shirted man standing there as if he hadn't heard him, he didn't even look at him at all, let alone say it.

"Speak!" The old dean Heris saw this man without saying a word, and shouted with anger at that moment.

But looking carefully at the man in white shirt standing there, he was still motionless and speechless.

"Damn it, I see if you can't speak!"

With a roar, the old Dean Hollis finally couldn't help it.

He suddenly accumulated a fire spell in his palm, and then directly attacked the white shirt man in front of him.

But the man in white shirt who was standing still, when he saw the old dean suddenly cast an illusion technique to hit him, he suddenly moved slightly, then his right hand illusioned, and suddenly a weird rebound force shook towards the old dean Hollis. !

With a single stroke, not only the fire technique of the old Dean Hollis was completely resolved, but the terrifying power also shook the old Dean back.

The old dean was shocked by the white shirt man, and blood surged in his chest.

Situ Ningbing and Elder Long were all looking at the white-shirted man after seeing the old Dean Heris suddenly retreated.

"Your Excellency, what a powerful strength!"

"In the temple, there are really strong people coming out in large numbers! The old man wants to learn." At this moment, Old Long is also ready to take action.

But when he saw Na Long's roar and wanted to take action, a voice suddenly came over.

"Wait!"

As the voice came, I saw a figure flying over quickly

Take a closer look, it was Li Tian that flew by.

It turned out that Li Tian rushed back.

"Li Tian?" Everyone cried out excitedly when Dang Long saw Li Tian coming back safely.

"Big brother, you are finally back." Yang Tong over there shouted excitedly after seeing Li Tian rushing back.

While shouting, he ran towards Li Tian.

A handful of Li Tian who hugged him and hurried back.

After Li Tian hurried back, Situ Ningbing and the old dean also hurried over.

"Li Tian, are you okay?" Everyone looked at Li Tian with concern and asked, for fear that something might happen to him.

After everyone asked, Li Tian smiled and said, "I'm fine."

"I'm sorry, everyone is worried." Li Tian apologized there.

But seeing Elder Na Long, they smiled and said, "As long as people are okay!"

"Hey, you have been there for such a long time, and everyone thought that something happened to you, it's fine if it's fine, and it's fine."

He said that, but saw everyone walking towards the resting living room.

When Li Tian passed by the man in white shirt who had just been forced to do it, he said slightly, "Sorry, we were reckless just now."

After the white-shirted man heard Li Tian say this, a slight smile appeared on Leng Ruohanshuang's face, and then looked at Li Tian and said, "It's okay."

Seeing the man in white shirt saying so, Li Tian didn't say too much. After smiling back, Li Tian also walked into the living room.

After arriving in the living room, everyone sat down quietly.

"Li Tian, the wood \*\*\*\* called you, what is the so-called?" After sitting down, the old man over there looked at Li Tian and asked.

So Li Tian began to tell them one by one about the things that Wood God explained.

When Elder Long and the others heard what Li Tian said, everyone was completely speechless.

"Oh my god... these are all real? Are there really nine palaces? The terrifying characters of the Hades and Three Demons?"

"In this temple... So there are so many things hidden?" The old Dean Heris in front of him suddenly said in a terrified voice, his eyes full of disbelief.

Then Li Tian replied: "It should be true! God of Wood has no need to lie to me!"

The old man in front of him frowned and said, "It seems that even the temple has powerful enemies!"

Listening to the feelings of Elder Long and the others, Li Tian was also slightly thinking about the magic door in the "Nine Palaces".

He looked up at the sky, at the barrier of heaven hidden in the clouds in the sky, could it really be another world behind this barrier?

Is it Jiugong?

How powerful are there in those nine palaces?

After Li Tian said "The Nine Palaces and the Three Demons of the Underworld" in this way, he then began to talk about the "Thirteen Heavens and the Spirit Water Spring" of the temple.

"Old Long, old dean, do you know why everyone in this temple is so powerful?" Li Tiandao.

After Li Tian suddenly said this, the old Long, and the old Dean Hollis were slightly startled.

They still don't know about the thirteenth heaven and the spiritual water spring, so they shook their heads and said, "I don't know! Don't they cultivate themselves?"

But seeing Li Tian there smiled and shook his head: "No! It's not."

what?

When Li Tian said this, the old Na Long and the old Dean Khris were stunned.

Chapter 2966: Unknown surprise

However, after Li Tian said it, the old Dean Heris and Long Long couldn't help asking, "What's the reason for that, their strength is so strong?"

But seeing that Li Tianzai smiled and said, "Because they have been soaked in the spiritual water spring! So the spiritual power of the body will be doubled! Because they practiced peerless illusion in thirteen days, so their strength It will be so powerful."

what?

When the old Long and the old Dean Heris suddenly heard Li Tian name two very strange places, they were stunned for a moment.

"Li Tian, what spirit water spring did you just say... and the thirteenth heaven?" Long Lao couldn't help asking in surprise.

The old dean on one side also asked suspiciously: "Yes, Li Tian, what are you talking about?"

Li Tian smiled slightly and started talking there.

"This spiritual water spring is where the temple is! According to Wood God, as long as you soak in the spiritual water spring, your spiritual power can be doubled!!!" Li Tiandao.

what?

After hearing that Li Tian said this, they were all in shock at the moment.

"Spiritual power doubled? There is still such a thing in the world?" Only listen to the old Dean Khris said in disbelief.

At this moment, Elder Long's eyes also flashed with unbelievable eyes.

Li Tian nodded cautiously and said: "Although I haven't seen Lingshuiquan! But I don't think Wood God will lie to me!"

"Spiritual power doubled? Lingshuiquan?" At this moment, Old Long and they all said not only in that horror.

In the Spirit Earth Continent, in addition to the hard work of self-cultivation, the rest of the increase in spiritual power is to rely on the improvement of medicine, but no matter what kind of medicine, it is impossible to double the spiritual power!

And now Li Tian actually said that as long as he soaks in the "spiritual water spring" of the temple, he can double his spiritual power! This is simply too incredible for Old Long and the others.

I saw Na Long said in shock, "Is there such a spring?"

Li Tian nodded there and said, "Yes, there are indeed!!!"

"Old Long, think about it, the strength of anyone in this temple is terrifying! How can they all reach such a strong position? Besides having a shortcut to go...what else can there be?" Li Heavenly.

Old Long thought about it deeply.

Yes!

Under the world, no matter who wants to practice illusion, he must rely on spiritual protection! And it needs strong spiritual support!

The higher a person's spiritual power, the faster he can practice!

Most of the young people in this temple do not seem to be very old, but their skill is extremely staggering. Are they practicing little by little?

Do not!

of course not!

So at this moment Old Long also became suspicious.

After thinking about it, Elder Long said: "Li Tian said it is really good! The characters in this temple are extremely powerful, I guess maybe what Li Tian said is true."

"Could there really be such a magical spiritual water spring?" Just listen to the excitement in the eyes of the old Dean Hollis!

Who doesn't want to be strong?

Who doesn't want to double the spiritual power in his body?

This is extremely attractive to the old Dean Khris and Elder Nalong!

But seeing Li Tian smiled there and said: "Old Long, old dean, don't worry! God of Wood has already said that if we choose another day, let us also enter the spiritual water spring to soak! In that case, our spiritual power can also be doubled. Increase."

"Really?" When the old dean Heris heard it, he cried out excitedly.

Elder Long was also full of horror and said there, "The Wood God lets us soak that spiritual water spring?"

Li Tian smiled and nodded: "En!"

"Great, if there is such a magical spring water! Then our strength should also be improved rapidly!" The old dean Heris said in that excitement.

After hearing Li Tian's words, everyone's eyes were filled with excitement.

Even Na Long Lao is no exception!

Except for Situ Ningbing on one side, and the young boy sitting there quietly!

This kilometer improvement does not seem to be very attractive to the two of them.

"By the way, Li Tian, what did you say about Thirteenth Heaven? What is that place?" Old Long suddenly asked again.

When Na Long mentioned the "Thirteenth Heaven", Li Tian's eyes flashed light.

Then he explained, "Old Long, the old dean, in fact, the 13th Heaven is more weird than the Lingshui Spring I just mentioned! It's even more mysterious."

After hearing Li Tian say this, Elder Long and the old Dean Hollis not only questioned in a daze, "Tell me..."

So Li Tian explained all the matters of the thirteenth heaven.

"The thirteen heavens are divided into thirteen layers in total, and each layer has a peerless illusion technique! From low to high, it records the strongest illusion in the Lingtu Continent in thousands of years... after a person enters the thirteen heavens, Start from the first level of cultivation! Then begin to practice slowly upwards! After reaching the seventh heaven, you can appear as a divine body, and you will be immortal for a hundred years! If you can reach the tenth heaven, you will be immortal for a thousand years !!!" Li Tian said all the words of the Wood God before that.

After listening to the old Nalong and the old Dean Hollis, their entire faces were completely dull!

Really?

"When you reach the seventh heaven, you will be immortal for a hundred years! If you reach the tenth heaven, you will be immortal for a thousand years!" Old Long murmured these words in that mouth!

At that moment, all of them were taken aback.

"My goodness, if this is true... then... it's so shocking." The old Dean on one side Heris exclaimed there.

Old Long also stared at that pupil: "The temple is really out of my expectation! It really is out of my expectation!!!"

"Li Tian, if the thirteenth heaven is true, can we enter the thirteenth heaven to practice?" Suddenly the old dean Heris said with a hot light in his eyes.

People want to be stronger!

Now they have this opportunity to become stronger, and everyone's desires are nakedly revealed.

But seeing Li Tian heard the old dean's tone, he not only glanced at the old dean!

For some reason, he found a terrifying desire flashing in the eyes of the old Dean Hollis!

However, Li Tian didn't say it, he just smiled there and said, "En! God of Wood said that after we have soaked in the spiritual water spring, we will almost reach the thirteenth heaven for cultivation!"

"That's great! Great!" Suddenly the old Dean Hris yelled excitedly.

His face was full of surprises.

Chapter 2967: Who am I?

"Li Tian, when can we enter the thirteenth heaven to practice?" the old dean said impatiently.

Then Li Tian said, "This, I don't know yet!"

"I wish I could be faster!" The old Dean Khri murmured in his mouth, his voice still can't hide his excitement and excitement.

On the other hand, Elder Long on the other side was still calm, and asked, "Li Tian, why would God Mu do this for us? Why make us stronger? Didn't he ask for it?"

But seeing that Li Tianzai replied: "Maybe the wood \*\*\*\* is worried that the demons of the nine palaces break through the barrier! That's why we are allowed to practice, because only when we become stronger can we help the temple to fight against the nine palaces. Evil person."

After hearing Li Tian say this, Old Long frowned slightly, and then said nothing.

...

After Li Tian told everything, the old dean Hollis kept an excited posture!

And Lao Long just sat there to rest as usual!

Is it Situ Ningbing here? And the young boy has been sitting there silently.

Li Tian looked back at the beautiful Situ Ningbing, and then at the young boy beside him.

He walked towards them both.

"Yangtong, what's the matter, you don't seem to be happy?" Li Tian could not help but ask the caring question as he saw the depression on his face.

Following Li Tian's question, but seeing that Yang Tong slowly raised his eyes there, he blinked at Li Tiandao: "Big brother, I...I...I'm so worried about my sister."

It turns out that this yang boy is worried about the yin girl!

Speaking of the yin girl, Li Tian's heart suddenly twitched!

Since the yin girl was taken away by the "white god", so far there has been no movement.

However, since Li Tian came to this temple, in addition to thinking that everyone in these temples is extremely weird, he discovered that the people in the temple are not bad guys! So he felt that "White God" should not be a bad person.

After thinking about this, Li Tian walked to Yangtong's side, and then stroked him with one hand and said, "Don't worry! My brother promised you that he will rescue your sister as soon as possible!"

Hearing what Li Tian said, a smile appeared on Yang Tong's face.

"Thank you, big brother." Yang Tong said in a tender voice.

Li Tian smiled slightly and squeezed that young boy's cute face.

Then he turned his head to look at the favorite Situ Ningbing.

Looking at Situ Ningbing, who was glamorous in front of him, besides the deep love in Li Tian's heart, the next thing was deep guilt.

Situ Ningbing fell into this other world for Li Tiancai!

But Situ Ningbing still couldn't remember herself... the grievance she suffered, the pain she suffered... Li Tian couldn't understand it, especially the death of the Demon Emperor, which made Situ Ningbing heartache!

At this moment, Situ Ningbing was just sitting quietly, and a sense of indifference appeared on that exquisite face! I don't know what she is thinking in her mind at the moment.

Looking at her, Li Tian finally couldn't help but call out her name.

"Ningbing..."

With an exit, Situ Ningbing raised her beautiful eyes slightly, and then stared at Li Tian in front of him.

"Although I don't know who you are! I don't know why you keep calling me Situ Ningbing, but I can tell you clearly that there has never been a person like you in my mind!" Situ Ningbing suddenly said to Li Tiandao in a cold voice.

These words made Li Tian feel heartbroken!

But he endured it there!

Because he knew that Situ Ningbing still had zero memory of him.

Let's say that Li Tian heard what Situ Ningbing said, and suddenly smiled bitterly, and then said: "Ningbing, although you don't know me now! I don't remember what happened between you and me, but I need to tell you, I found a cure for your amnesia..."

"As long as your amnesia is cured, you will remember everything... remember the past!" Li Tian said excitedly.

"What?" Situ Ningbing was not only taken aback after hearing Li Tian say this.

Following the horror of Situ Ningbing, Li Tian in front of him suddenly grabbed Situ Ningbing's delicate hand and said: "Ningbing, you come with me..."

Situ Ningbing was taken aback: "What are you doing?"

Li Tian didn't answer her words, but directly took her delicate hand and pulled her out of the room.

After that Situ Ningbing was suddenly pulled out by Li Tian, but seeing that Li Tian suddenly pointed his finger at a mountain peak far away and said, "Ningbing, have you seen it? That mountain peak?"

When Situ Ningbing heard Li Tian say this, Liu Mei suddenly wrinkled and said, "What if you see it?"

"The name of that mountain is Qianxuefeng! On that mountain there lives a goddess named Xueji! I heard that the blood of the nine-tailed phoenix she was riding on can cure all diseases in the world... So, I just get the blood of the nine-tailed Fengluan and take it for you, and you will be able to restore your memory!" Li Tian said excitedly in front of him.

what?

"Nine-tailed Fengluan's blood?" When Situ Ningbing heard it, he was completely depressed.

In that pair of eyes looked at Li Tian unbelievably.

"Li Tian, are you dreaming?" Situ Ningbing looked at Li Tiandao there.

Li Tianyi could only smile bitterly when Situ Ningbing said so.

"Everything I said is true!" Li Tian said.

But seeing that Situ Ningbing suddenly shaken off Li Tian's hand and said, "No! I have no memory loss... I don't even know you!!!"

When Li Tian heard this, he suddenly said loudly: "Then tell me why my shadow sometimes appears in your mind? Tell me why there are always some inexplicable images in your mind..."

"If you don't have amnesia! Why don't you remember your previous events? What's your name? Why are you in the palace of the demon clan?" Li Tian said a lot of questions out loud!

After hearing Li Tian speak out loudly, Situ Ningbing's head suddenly froze.

Yes!

"Why does he always appear in my mind? Why do so many weird pictures always appear in my mind...I...I...who am I?" Situ Ningbing suddenly thought in pain. Writes.

The more I think about it, the more her head hurts, and the more I think about it, the messier her head becomes.

what!

With a cry of pain, Situ Ningbing suddenly squatted down in pain, shaking his hands firmly while holding his head tightly.

She has a headache again.

When Li Tianyi saw that Situ Ningbing was in such pain, he immediately said in shock: "Ningbing" exclaimed, and he quickly hugged Situ Ningbing in front of him.

Chapter 2968: Lingshui Spring Soak

However, Li Tian at this moment held Situ Ningbing tightly in his arms.

But the pain that went deep into the bone marrow was deeply torturing Situ Ningbing.

Seeing that Ningbing looked so painful, Li Tian in front of him couldn't bear it!

"Ningbing, hold back! I'll heal you!"

After finishing speaking, Li Tian in front of him quickly picked up Situ Ningbing, and then quickly hugged him into the living room.

After taking that Situ Ningbing in, the old Long in the living room, and the old Dean Heris, all saw the painful appearance of Situ Ningbing.

"What's wrong with Miss Situ?" Old Long here hurried over and asked.

The old dean on one side also quickly asked, "Miss Situ, what's wrong?"

Li Tian supported the painful Situ Ningbing there, and said quickly: "Ningbing's headache is committed! I need to treat her immediately."

After speaking, Li Tian quickly gathered his body and spiritual power, and then his two hands suddenly pressed on the back of Situ Ningbing!

Immediately after that, an extremely powerful spiritual force began to intrude into that Situ Ningbing's body!

After Li Tian's extremely powerful spiritual power slowly entered the body of Situ Ningbing, Situ Ningbing began to slowly get better.

The pale face just now gradually improved.

Finally, after Li Tianyungong's treatment, Situ Ningbing's injury finally recovered slightly.

It's just that due to excessive head pain, Situ Ningbing now fainted.

"Ningbing!" Looking at the fainted Situ Ningbing, Li Tian whispered in pain.

"Miss Situ was in a coma for a while, Li Tian, let Ms. Situ rest." Li Tian said in front of him.

After listening to Li Tian in front of him, he could only nodded silently.

Holding the delicate body of Situ Ningbing at this moment, he walked to the inside of the living room, found a bed, and then put Situ Ningbing there to rest quietly.

Looking at Situ Ningbing's pale face at the moment, and her painful expression! Li Tian's heart is like a knife cut!

"Ningbing, I swear I will get the blood of Nine-tailed Fengluan for you as soon as possible! I will cure this nasty headache for you! I must restore your memory!" Li Tian was beside Situ Ningbing's bed, clenched his fist tightly.

After speaking, Li Tian walked out quickly.

Standing outside at the moment, looking at the Qianxuefeng that the goddess Xueji was carrying, Li Tian said secretly: "Qianxuefeng, I must go as soon as possible!!!"

...

Since that Li Tian returned, no one has bothered them.

Until the evening, a white-shirted man and a black-shirted man came to the temple. They brought some simple vegetables and rice for them to eat!

Li Tian and the others simply ate some meals, and then continued to wait!

After a while, I saw the two elders Xuan Tian and Xuan Di coming.

When the two elders, Xuan Tian and Xuan Di, came, they were still holding an oval-shaped plate, and there were several black shirts and white shirts on the plate.

"How many, is the food good?" The old Xuantian who walked in said while looking at Li Tian and the others with a smile.

After hearing what Elder Xuantian said, Li Tian smiled slightly and said, "I'm done."

After hearing that Li Tian and others said that the food was finished, the old Xuantian smiled and delivered the clothes he held in his hand.

"This is the clothes you need to exchange for tomorrow!" The old man Xuantian put the clothes in front of him there.

When Li Tian looked at these black shirts and white shirts, they were not only surprised.

"Change clothes?" Li Tian and the others asked in surprise.

But seeing the old man Xuantian squinted and smiled, "Yes!"

"Why do you want to change your clothes?" Hears, the old dean on the other side, asked in astonishment.

Following the inquiries of the old dean Heris, he saw the old Xuantian in front of him explaining there, "This is the rule of our temple! All those who enter the temple must wear plain clothes."

Then Li Tian, they waited after hearing the old Xuantian say so, and thought for a while, in fact, it was not a big deal to change clothes.

So they nodded there and said, "Okay! Let's change these clothes tomorrow!"

"Well, that's good!" Elder Xuantian said slightly there.

After speaking, the old man Xuantian suddenly continued: "Several people, presumably our Wood God has already made it clear to you? Tomorrow noon, I hope you will get up early, and then follow our people to the Lingshui Spring to soak!

When they heard the three words "Lingshuiquan", Li Tian and the old dean were suddenly excited.

"Lingshuiquan?"

"Is it going to be soaked tomorrow?" After hearing that, the old Dean Khris was excited at the moment.

And the old Long in front of him, his eyes widened at the moment, looking at the old Xuantian.

But seeing the old Xuantian smiled there and said, "Yes!"

The old dean Heris asked suddenly: "Excuse me, after entering the spiritual water spring, can you really double your spiritual power?"

After the old Dean Heris asked, he suddenly saw the old Xuantian smile and said, "That's natural!"

"It's just that Lingshuiquan is based on people's aptitude! Some people have good aptitudes, so their spiritual power increases! Some people have poor aptitudes, and their spiritual power will increase slightly less... But please rest assured. After immersing in the spiritual water spring, your spiritual power will at least increase by more than 12 times!"

At least 12 times?

Such horrible data turned out to be the most common thing in the mouth of the old Xuantian?

My God, if a person with good aptitude, how many times can that spiritual power be doubled?

After listening to the old Dean Heris and the old Long in front of them, there was a sense of excitement in their hearts.

After all, after soaking in that spiritual water spring tomorrow, their spiritual power will undergo a qualitative change!

Once the spiritual power becomes stronger, then there is no doubt that their illusions will become more powerful!

But seeing Lao Long and the dean listened to them, they were all overjoyed.

"Okay! We must gather on time tomorrow!" The old dean in front of him said with a smile.

After hearing the old Dean Heris's words, the old Xuantian in front of him nodded with a smile and said, "Very good!"

Chapter 2969: Step on the Qianxue Peak

"After tomorrow, after soaking in the spring water of Lingshui Spring, you need to take a day's rest, and then use it to slowly digest the elevated spiritual power!"

"The next day, our people will take you to the thirteenth heaven!"

"As for entering the thirteenth heaven, it depends on the good fortune of Er Deng!"

"I hope you can break through the achievements left by the predecessors...strive to reach the breakthrough 5th heaven or above!" The old Xuantian said with a slight smile. .

After listening to the old Long, and the old Dean Heris, they not only said in a daze, "Fifth Heaven?"

"Your Excellency, could it be that the previous strong men didn't break through the fifth heaven?" Only listen to the questioning question from the old man Long.

But seeing the old Xuantian in front of him, he smiled and nodded.

"Yes!"

After hearing the old Xuantian say this, the old Long and the old Dean Khris in front of him were speechless!

Thirteen heavens, thirteen realms!

But listening to the words of the old man Xuantian, so many powerful people in the past have not broken through the fifth heaven?

Is the kung fu in the thirteenth heaven really so difficult to cultivate?

After thinking about it, Elder Long couldn't help but ask: "Is the kung fu in the thirteenth heaven especially difficult to cultivate?"

But seeing the old man Xuantian smiled slightly: "Go, you will know!"

After speaking, the old Xuantian and the old Xuandi left quietly!

After walking out of the room, the old man Xuantian suddenly turned around and said, "Everyone, tomorrow is a rare opportunity for soaking in the spiritual water spring. I hope you must be punctual!"

After listening to them, Elder Na Long said, "En!"

Then I saw the old Xuantian and the two old Xuandi leaving!

And that Li Tian, Old Dean Hollis, and Na Long stood there blankly.

"Old Long, just listened to the old gentleman's tone, it seems that the illusion in the thirteenth heaven is profound and extremely difficult to cultivate!" Just listen to the old Dean Hollis in front of him.

Old Long nodded silently and said, "It looks like it should be!"

Li Tian, who had been silent on the other side, suddenly interrupted there and said, "I heard the God of Wood say that some people have practiced a kind of illusion in it for a lifetime, but they have not achieved it!!!"

Old Na Long, as well as the old Dean Hollis, were all speechless when they heard it!

Is it really so difficult to cultivate the peerless illusion technique there?

"Forget it, we will enter the thirteenth heaven the day after tomorrow, and then we will know." Old Long said slightly there.

The old dean Heris smiled there and said, "Yes!"

"Let's take a good rest! Replenish our spirits and go to Lingshui Spring to increase our spiritual power tomorrow!"

After saying this, everyone went to rest separately.

Li Tian was about to leave. Suddenly the old Dean Hollis suddenly said there, "Li Tian, wait a minute."

After Li Tian heard Elder Long calling him in front of him, he was not only stunned, turned his head, looked at Elder Long in amazement and asked, "Old Long, what's the matter?"

Old Long smiled faintly, nodded there, and said, "En!"

So Li Tian stayed.

"Old Long, what's the matter?" Li Tian looked at the old Long and asked.

But seeing Na Long first hesitated slightly, then raised his head and looked at Li Tiandao there and said, "Li Tian, I want to say something to you!"

"Well, listen to the younger generation!" Li Tiandao.

Na Long then said, "I will enter the Lingshui Spring tomorrow... I hope you will win honor for us! Hey, we are all old, and now you are the only one left! And your body is in a full-spirited state, if you can gain the spiritual power from the spiritual water spring, your skill will definitely increase! Even if you enter the thirteenth heaven at that time, I believe you will break through the fifth heaven or more."

After hearing Na Long's words, Li Tian suddenly smiled bitterly.

For some reason, there was a helpless wry smile on Li Tian's face.

Na Long was so keen. After he noticed the strange smile on Li Tian's face in front of him, he was not only startled, but he looked at Li Tian and asked, "Li Tian, are you on your mind?"

Li Tian shook his head and said, "No...no!"

"You can't deceive the old man!"

"Hey, when the old Xuantian was talking about the Lingshui Spring and the Thirteenth Heaven, the old man just saw you not saying anything, as if you were not interested in the Lingshui Spring and the Thirteenth Heaven...! "

"Li Tian, can you tell the old man, what the \*\*\*\* is going on?" The old Long in front of him looked at Li Tiandao cautiously.

But seeing that Li Tian said slightly, "Old Long, I'm really fine!"

Seeing that Li Tian didn't want to say it, Na Long didn't force him to ask. He just said slightly, "Anyway, this opportunity is a rare opportunity in a thousand years. It's a great opportunity for us to improve our skill. But something! So, Li Tian, you must be cautious tomorrow!"

When Li Tian in front of him heard Old Long say this, he nodded silently and said, "Well, I know."

"Okay, the old man has said everything...you go and rest." Old Long said.

After listening, Li Tian nodded and said, "Okay!"

Then he walked into the room alone!

After arriving in the room, Li Tian arrived at the bed of Situ Ningbing.

Looking at Situ Ningbing's pale face and the appearance of fainting, Li Tian's heart felt like a knife cut!

"Ningbing...!" He suddenly murmured!

Stretching out a hand, slowly holding Situ Ningbing's slender hand tightly in the palm of his hand... The two hands are tightly clasped together!

...

Night came slowly!

Soon, everyone fell asleep!

In the silent night, I saw that Li Tian had not rested, he had been by the side of Situ Ningbing, just like that quietly accompanied her!

Finally, time did not know how long it had passed, Li Tian in front of him suddenly looked at the fainted Situ Ningbing and said, "Ningbing, I will not make you suffer anymore! I must heal you!"

"For you, I would rather give up everything in the world!"

After Li Tian finished saying this, he suddenly stood up.

Taking a look at Situ Ningbing who was lying on the sick bed, Li Tian suddenly said there:

"Ningbing, I will go to Qianxuefeng now and ask for help from that goddess! I hope to get the blood of her nine-tailed Fengluan, and then come Cure your illness!!!"

Li Tian is going to Qianxuefeng! ! !

Is he going to give up tomorrow's Lingshui Spring soaking to improve his skill?

Still give up entering the thirteen heavens?

You know, that is a rare opportunity in a thousand years! But now Li Tian is going to give up!

No one thought of this.

I saw Li Tian glance at the beautiful Situ Ningbing for the last time, then suddenly bowed down and kissed Situ Ningbing's forehead slightly, then he turned around and walked out of the room alone. !

The night is dark, silent,

I saw Li Tian walk out alone like this...

As Li Tian's figure walked out, Situ Ningbing, who was lying on the sick bed, did not know why, and a drop of crystal tears suddenly flowed from that beautiful face!

That drop of crystal clear tears followed Situ Ningbing's cheeks, slowly falling...Finally, it fell to the ground!

Snapped!

Chapter 2970: Li Tian disappeared

Li Tian embarked on the path of Qianxuefeng!

In order not to allow Situ Ningbing to suffer any more pain and to suffer from amnesia again, he resolutely decided to embark on the path of Qianxuefeng.

In the black night, Li Tian glanced at the direction of Qianxuefeng, then he stretched out in the air, roaring out like a bird, and in a flash, his figure had fallen into the darkness.

But he said that Li Tian gave up everything like this decisively, and after leaving, suddenly a figure appeared silently from the darkness.

I saw that the figure that appeared was astonished as Na Long Lao!

When Elder Long appeared, he looked at that Li Tian's back and suddenly sighed deeply: "Hey! This silly boy!!!"

After a long sigh, he didn't say anything... and then went back to the room again in silence.

...

The next day, at dawn!

But seeing that old Dean Hollis got up early!

He actually didn't sleep well last night! Always caring about Lingshuiquan's improvement of skill!

So the next day, as soon as it got light, he got up.

After getting up, he first quickly changed into a white shirt! Then he came to the hall early and waited.

After a while, I saw that the young boy also got up from the bed. The young boy was also wearing a white shirt at the moment... It's just that he was relatively small and he was wearing that nondescript white shirt. How funny is funny.

At this moment, after the young boy came to the hall, he saw the old dean Hollis.

"Little guy, you are awake." Just listen to the old Dean Hollis in front of you with a smile.

The young boy smiled and said: "Well!"

"Grandpa, where's my elder brother?" He only heard that Yang Tong suddenly asked.

When the little Yang Tong suddenly asked the Li Tian, the old Dean Heris in front of him was not only slightly startled.

"Uh, didn't Li Tian sleep in the same room with you?"

After the old dean Heris suddenly spoke like this, he saw the little young boy blinking there and saying: "No! I didn't see the big brother all night last night!"

Hearing that Yang Tong suddenly said so, the old dean's brows suddenly frowned.

"But my room... doesn't have Li Tian?" The old Dean Hollis cried there.

Na Yang Tong was depressed all of a sudden.

He shouted there and said, "What about my big brother?"

His immature little face immediately showed an extremely panic look.

The old dean Heris said to the young boy who comforted him: "My child, don't worry! Maybe he is in Miss Situ's ward!"

"Let's go, I'll take you to see it." Just listen to the old Dean Hollis said.

After the old dean Khris finished saying this, the little guy in front of him nodded quickly, and then followed the old dean Khris in front of him to the ward where Situ Ningbing was staying. Go.

After arriving at the ward, I saw that Situ Ningbing was slightly awake at this moment, and was simply washing.

In the empty room, apart from Situ Ningbing, there was no shadow of Li Tian at all.

"Miss Situ... are you awake?" After seeing that Situ Ningbing was sober, the old dean Hollis who came in with the young boy hurriedly asked.

Situ Ningbing turned his face and saw the old dean and the little fellow Yang Tong, a smile suddenly appeared on her pretty face.

"En!" Situ Ningbing responded.

"Miss Situ, have you seen Li Tian?" Suddenly the old dean asked Situ Ningbing there.

As he asked, he blinked his eyes and looked at the empty room.

Following the question of the old Dean Hollis, Situ Ningbing in front of him was slightly startled, "Li Tian?"

"Yes!" Old Dean Hollis said.

Situ Ningbing replied: "No! I didn't see him when I got up early in the morning."

After hearing that Situ Ningbing said that he had not seen Li Tian, the old Dean Hollis and Yang Tong were all stunned.

what?

"You didn't see Li Tian?" When the old dean Heris heard what Situ Ningbing said, he cried immediately.

But seeing that Situ Ningbing said in that question: "Yes, what's the matter? Is he missing?"

The old dean Heris said there, "It seems...we have searched in every room, but we haven't found him so far! We thought he was in your room."

"How could this be?" Situ Ningbing said with a puzzled face.

"Will he have something to go out?" Situ Ningbing said slightly.

"Impossible!" The old dean said directly.

"Li Tian is more measured! He can't just go out and do things like this without saying a word..." The old Dean Hollis added.

After Situ Ningbing listened, she was silent. For some reason, her heart suddenly began to worry about that Li Tian.

"Go, let's find it!" Situ Ningbing said suddenly.

So, but seeing that under the leadership of the old dean Heris, everyone hurried to find that Li Tian.

I searched almost every room again, but after all I didn't find that Li Tian!

"Where is Big Brother?"

"Why is my elder brother missing? Could something happen to him?" The young boy in front of him suddenly yelled in extremely worried voice.

But seeing the old dean with a solemn expression, he said, "My child, don't worry first! I believe Li Tian will definitely not have any trouble!"

"But, where is my big brother now?" Yang Tong cried out there.

The old dean was depressed and didn't know how to answer.

"Hey! Li Tian...what the \*\*\*\* is doing?"

"Where did he go?"

The old dean Heris suddenly sighed in that uneasy expression.

Then he took a look at the sky outside that had begun to shine, and said in a depressed voice: "There is a big deal today!!! How can Li Tian suddenly disappear? If he doesn't come back before noon today, That is a great loss for thousands of years!"

But listening to the old dean's sigh with emotion.

After Situ Ningbing on the other side suddenly heard the old dean say that there was a major event at noon, he was shocked! Because she was in a coma yesterday, she did not know about the "Lingshui Spring" and the "Thirteenth Heaven"!

So at this moment, I couldn't help asking, "Is there anything particularly important today?"

"of course!"

"Wait, the temple will send someone to let us soak in the spiritual water spring! That spiritual water spring is a magical spring water that enhances spiritual power... If Li Tian disappears after playing, it will be a great loss for him. ."
