

## **A Killer 2971**

Chapter 2971: for me

After hearing this, Situ Ningbing suddenly understood.

It turned out to be soaking in that "spiritual spring" today.

No wonder the face of the old dean showed such a nervous look.

"Where will Li Tian go?"

"Let's go look for it," Situ Ningbing said there too.

You know, Li Tian is the most talented among them! If it can be immersed in the spiritual water spring, that spiritual power increase is absolutely terrifying! Once you enter the thirteenth heaven, I believe Li Tian will be able to make a good breakthrough!

But now, his people just disappeared like this?

What should I do?

Just when the old Dean Hollis and the others were about to start looking for that Li Tian, suddenly an old and strong voice came.

"Don't look for it, everyone!"

After the low voice said it, I saw that Long Lao, who had changed into a black shirt, suddenly walked out of the room with a weird face while holding the Yin-Yang Flame Wine Gourd in his hand.

When the old Na Long appeared and said such a weird word, the old Dean Heris and Na Situ Ningbing and others were not only stunned.

amount?

"Old Long!"

"Old Long, do you know where Li Tian has gone?" Hearing the old Dean Heris quickly asked and asked.

After the old Dean Heris asked, Situ Ningbing and the young boy next to him also turned their faces at this moment, and then looked at the old man in front of him.

I saw Old Long who walked out with a solemn expression at the moment, and suddenly nodded there and said, "Well, I do know where he went."

"Old Long, where did Li Tian go?" Old Dean Heris asked quickly.

At this time, everyone else is watching Long Lao in front of him.

But seeing Old Long suddenly glanced at Situ Ningbing next to him weirdly, and then sighed slightly: "He has gone to Qianxue Peak."

what?

"Qianxuefeng?" After hearing this suddenly, the old dean Heris was stunned.

The others were also completely depressed there.

"Old Long, how did Li Tian go to Qianxue Peak? By the way, where is this Qianxue Peak?" He just listened to the old dean saying there with a speechless expression.

Then Situ Ningbing asked quickly, "Yes, why did he go to that place without saying a word? Why?"

Following their questioning, but seeing Old Na Long suddenly said there: "He went to Qianxue Peak because of you!!!"

As he said, Old Na Long looked at Situ Ningbing solemnly.

When Na Long suddenly said this, everyone around him was speechless, especially Situ Ningbing in front of him.

But seeing that Situ Ningbing said with a look of disbelief, "Because of me? This...this...what the \*\*\*\* is going on? How could I...not know?"

He only listened to Na Long and explained there, "Hey, Li Tian went to Qianxuefeng to cure your headache! Because on that Qianxuefeng, there is an ancient beast with nine tailed phoenixes. Luan... and the blood of the nine-tailed Fengluan can cure all diseases in the world! The reason why Li Tian went to Qianxuefeng was because he didn't want you to suffer any more painful headaches."

At this moment, after Na Situ Ningbing heard what Long Lao said, the whole person suddenly stood there blankly.

"He... he... turned out to be for me?" Situ Ningbing was there for a moment.

The old Dean Heris on one side was also suddenly dumbfounded when they heard that Li Tian had really gone to the Qianxue Peak.

"Lao Long... Then Li Tian... Li Tian... If you go to Qianxue Peak, what can you do about the matter of soaking in the spiritual water spring today?"

"Does he just give up like this?" Hearing the old dean in front of him suddenly said speechlessly.

Old Long sighed deeply and said: "Yes! He did give up."

"In order to heal the woman he loved, Li Tian gave up everything! Not only did he give up the once-in-a-lifetime opportunity to soak the spiritual water spring, but he estimated that he would never be able to enter the thirteenth heaven again." Elder Long revealed endless disappointment in that voice.

After hearing this, the old dean was instantly dumbfounded.

"This...this...this..."

"Why is Li Tian... so stupid? He gave up such a once-in-a-lifetime opportunity?" Hearing the old Dean Hollis yelled in that gloomy voice.

On the contrary, Situ Ningbing, who was standing beside him, still stayed there!

She never thought that Li Tian had given up such a rare and great opportunity for herself!

At that moment, her beautiful eyes almost shed tears! I don't know if the tears are moved... or are they worthless for Li Tian...

"This is his own decision!" The last Long Lao said slightly.

After speaking, Old Long didn't say any more words, and walked back to the living room alone!

The old dean here sighed helplessly, glanced at Situ Ningbing who was standing beside him, and then turned back to the room.

Outside, only Situ Ningbing stood there alone!

A pretty face looked blankly at the distance...The little boy Yang Tong beside him also followed Situ Ningbing closely.

"Sister, my elder brother is really kind to you!" Suddenly the young boy said to Situ Ningbing tenderly.

After Situ Ningbing heard that Yang Tong suddenly said so, she suddenly smiled, and two rows of clear tears suddenly flowed out of her beautiful eyes with a smile.

...

Time passed by every minute.

In the living room, the old Long and the old dean sat blankly, and Xiao Yangtong also sat on a large chair.

It was Situ Ningbing who had been standing stupidly outside.

Finally, the time of noon arrived.

Just after that noon time came, suddenly I saw a dozen people in the temple wearing white and black shirts walking in from outside the gate!

The first one is the old Xuantian and the old Xuandi.

After they arrived, they went to the living room.

"Everyone, how is your rest?" After walking in, the old man Xuantian squinted and looked at everyone.

After seeing the old Xuantian, everyone said slightly, "We have a good rest!"

"that's fine!"

"The hour is almost here, and we are making a special trip to lead you to the Lingshui Spring." A word came out of the old Xuantian's mouth.

After the old man Xuantian finished saying that, the old dean Khris stood up early!

As for Na Long Lao? Finally stood up silently.

"Hey, where is that young man? Hurry up and call him out, the time has come! We must rush to Lingshui Spring as soon as possible." Just listen to the old Xuantian in front of him, when he saw that Li Tian was missing, he quickly That said.

Chapter 2973: Illusion barrier

In this way, the two elders Xuan Tian and Xuan Di took old Dean Heris and Elder Na Long to Lingshui Spring.

And Situ Ningbing and that Xiao Yangtong went to find that Li Tian.

Situ Ningbing did not expect that this young boy would follow him. Situ Ningbing, who had already flown far away, stopped after hearing the call from behind.

After stopping, he saw Yang Tong following Pidian Pidian behind.

"Hey, why are you kid following me?" Situ Ningbing stopped and blinked while looking at the Yang Tongdao.

But after seeing Yangtong catching up, he smiled and said: "Sister, I will go to the big brother with you."

"But, don't you go to Lingshui Spring to soak?" Situ Ningbing looked at the child in surprise and asked.

But seeing the young boy there shook his head and said, "I'm not rare! I just want to find the big brother."

After hearing what the young boy said, Situ Ningbing was moved in his heart.

So he stretched out a hand slightly, and then took the little hand of the young boy next to him and said, "Okay! Sister, take you there."

After speaking, Situ Ningbing began to carry the young boy in front of him.

The young boy was following Situ Ningbing enthusiastically.

Situ Ningbing blinked her beautiful eyes, looking at the "Thousand Snow Peaks" in the distance and said slightly: "We don't know if we can find Li Tian... hey!"

After the words fell, the two began to walk in the direction of Qianxue Peak along the road.

...

Qianxuefeng!

This is the site of the goddess Xue Ji.

Except for the White God and Wood God in the temple, any outsider is forbidden to enter the area of the Qianxue Peak.

Even the two elders Xuan Tian and Xuan Di were not qualified to go to Qianxue Peak!

It is said that Qianxuefeng is the territory of the goddess Xueji, and any man who enters Qianxuefeng for no reason will be killed!

Moreover, Qianxuefeng has all kinds of strange and strange beasts distributed in the dense forest...Those strange beasts are extremely cruel, if they are people with low skill, they will not be able to enter this Qianxuefeng, because those who enter must definitely die.

At this moment, I saw a figure walking slowly in the ancient forest below the Qianxue Peak.

Look carefully at that figure is Li Tian who rushed over in the middle of the night.

At this moment, Li Tian has given up Lingshuiquan, and also given up the thirteenth heaven. In his heart, there is only one wish now! That is to save that Situ Ningbing faster.

In the dense jungle, Li Tian walked step by step.

In this ancient forest, you can occasionally hear a weird cry, and the sound should be the strange beast in the deep mountain and old forest.

After hearing those calls, Li Tian murmured: "What the \*\*\*\* is this place, so barren?"

"Does the so-called goddess really live here?"

Li Tian, who was muttering, walked forward.

After walking another distance, Li Tian suddenly found a strange layer of mist in front of him! Those fogs said it was not thick or not thick, but not light, but surrounded by the ancient forest, it made people feel very strange! As if inaccessible.

Li Tian looked at the mist that filled the ancient forest, and suddenly said: "This...this doesn't look like mist!"

"Like an illusion barrier! Could it be that this is the illusion barrier used by the goddess here? Used to prevent outsiders from entering?" Li Tian thought secretly while looking at the strange mist in front of him!

After thinking about it for a while, Li Tian decided to try to make a breakthrough!

After making this decision, he was full of spiritual power, and then slowly approached the weird mist in front of him.

Just when his body was about to approach the weird mist, a protective barrier suddenly appeared, and then an extremely powerful counter-thrust force came from within that barrier.

boom!

The fierce blocking force directly hit Li Tian's chest.

Fortunately for Li Tian to have a strong spiritual body, he was only slightly shaken back at the moment...

After the shock retreat, Li Tian's eyes lit his eyes and said, "It turns out that it is really the magic barrier used by the goddess!"

"It seems that if I want to set foot on Qianxue Peak today, Li Tian must break this illusion barrier!"

After thinking this in Li Tian's mind, he then began to study the illusion barrier in front of him.

I saw the illusion barrier pervading the forest, like a stream of air flowing slightly.

The entire mask covered all the vast ancient forest... as if within this area, no one could enter.

"What the \*\*\*\* is going on with this illusion barrier? How to break it?" Li Tian looked at it while thinking.

Suddenly, he stretched out his right hand, and then condensed a golden flame.

The Art of Fire!

"I'll try the fire illusion! I will burn your illusion barrier." Li Tian said secretly.

It turned out that Li Tian wanted to use this "fire illusion technique" to burn this illusion technique barrier.

After Li Tian performed the "fire art", he suddenly pushed forward with both hands, and saw two blazing flames suddenly appeared in the palm of Li Tian's hand, and then the flames began to face the front. The illusion barrier burned over.

The flames are burning the illusion barrier!

But for some reason, no matter how Li Tian used that flame to burn, he couldn't burn through the illusion barrier!

You know, this flame is the strongest fire in the fire element! All things of gold and silver can be burned by flames! However, Li Tian couldn't burn the illusion barrier in front of him with flames.

At the moment when he saw that his fire illusion didn't work at all, he was suddenly depressed.

"Damn it, how could this be? Fire illusion doesn't work at all!"

Li Tian retracted the flames in his hands, and then exclaimed in a very depressed voice.

Looking at the intact illusion barrier, Li Tian became more and more depressed.

"Or, I will try the thunder and lightning illusion again? I use the purple flame thunder and lightning to blow up this illusion barrier!"

After thinking this way in his heart, Li Tian then began to use the thunder and lightning illusion.

Li Tian used the formula, and then his hands suddenly condensed a thunder-printing formula on his chest, and then shouted: "Lei Qing!"

With Li Tian's loud shout, several terrifying purple thunder and lightning in the sky suddenly shot straight towards the illusion barrier.

boom!

boom!

boom!

The thunder and lightning that shocked the sky all shot on the huge illusion barrier, and it did not work at all.

"grass!"

"Why is it useless?" Li Tian cursed.

Looking at the illusion barrier in front of him, Li Tian was extremely depressed.

Chapter 2974: Yin Yang Formation

Now Li Tian has displayed two illusions, "Fire and Thunder"!

But it had no effect at all on the "illusion barrier" in front of him, and this made Li Tian completely depressed.

"Damn it, what can I do?" Li Tian looked at the illusion barrier there and thought.

After thinking for a while, he suddenly stared at the illusion barrier.

He found that there were some air currents pulsing slightly above the illusion barrier...With the pulsation of those air currents, it seemed to condense into a pattern.

"My grass, it turns out that this is the formation!" Suddenly Li Tian finally saw it.

This illusion barrier turned out to be blindfold! Inside this illusion barrier, there were pictures and texts of formations hidden!

No wonder, that Li Tian couldn't break through! Moreover, using that "fire system, thunder and lightning system" illusion is useless at all.

At this moment, after Li Tian finally saw what was going on, he began to widen his eyes to look at the formation graphic on the illusion barrier!

I saw that with the flow of the airflow above the illusion barrier, it gradually became two fish-like pictures and texts.

Like, like, the Pisces of Tai Chi!

When Li Tian saw that this formation was like the Tai Chi Pisces of the earth, he was not only surprised.

"It turns out to be the same as the Earth's Tai Chi array! No wonder it is so powerful." Li Tian said secretly there.

Tai Chi Pisces, one yin and one yang means Tao, Tao follows everything, there is yang in yin, and yin in yang.

Li Tian silently thought of the truth of Tai Chi.

After muttering silently in his mouth, Li Tian suddenly flashed a light in his mind.

"I know how to crack it!" A surprise call came from Li Tian's mouth.

After Li Tian was overjoyed, suddenly he slowly accumulated a qi in his hand, and then slowly penetrated into the illusion barrier with a very weak force... After that very weak force suddenly passed into the illusion barrier, The illusion barrier that should have been backlashed suddenly trembled at this moment!

Immediately afterwards, the airflow around the illusion barrier quickly began to rotate, and then there was a weird sound! The illusion barrier that was originally shrouded in front has completely disappeared at this moment...

Even those weird mists slowly faded away.

Li Tian actually broke this weird illusion formation.

It turns out that this illusion formation is extremely weird! It is a yin and yang formation, which regenerates and restrains each other. According to the truth, people who do not understand the way of yin and yang cannot solve this magical formation! However, Li Tian knows the way of Yin and Yang! He understood that the principle of using softness to overcome strength and defeating the strong with the weak, like the magical array just now, is a masculine array! The illusions cast on it are all used to defeat the enemy! It means that if a person wants to use a powerful force to deal with this Yin-Yang magical array, it is useless! Stronger is stronger! They would never think of using extremely weak power to open this formation... but Li Tian discovered it! Therefore, Li Tian just used very little strength at the last time, and then he cracked the illusion formation, and finally broke the yin and yang magic formation.

But he said that after Li Tian cracked the illusion formation at this moment, he was immediately excited.

"Who actually cast such a weird illusion formation?"

"Hey, if I don't understand the way of yin and yang, I'm afraid it will be difficult for me to crack this illusion formation in my life." Li Tian whispered secretly.

Fortunately, Li Tian cracked it.

So now he is very happy.

Looking at the clearly visible scene in the depths of the ancient forest in front of him, Li Tian continued to walk forward.

Qianxuefeng has already arrived.

As long as he passed through this ancient virgin forest, Li Tian would be able to reach under the Qianxue Peak.

...

Qianxuefeng!

On the top of Wanzhang Peak, there is a very strange cave.

But seeing that there is a Xuantian waterfall above the cave, the billowing waterfall flows straight down from the sky, making the cave like a water curtain cave.

Such a beautiful scenery is really the world of Tianshan!

I saw that at the moment when Li Tian cracked the "Yin and Yang Magic Array", suddenly a cold shout came from the cave.

Although the sound was made by anger, it was extremely pleasing to the ear, as beautiful as the sound of the heavens.

"Someone has broken the yin and yang five-element illusion array of this goddess!!!" Suddenly, a low voice sounded from the hole.

Look carefully, inside the water curtain cave, there are two stunning beauties in white dresses standing around!

The two beauties stood motionless, their exquisite faces were flawless, like fairies.

In the hands of these two stunning beauties, standing there with a long sword each.

However, in front of the beautiful lady in white clothes, there is a suspended stone altar. If you look closely, the person sitting quietly on the stone altar is the goddess: Xue Ji!

It turns out that the sound just now came from her!

She had already sensed that Li Tian had deciphered what she was using: Yin Yang and Five Elements Magic Array.

In other words, at the moment when the goddess Xueji suddenly screamed in her mouth, the two stunning beauties beside her suddenly said: "Goddess, is the goddess who dares to break into our Qianxue Peak?"

But seeing the goddess Xue Ji slightly opened those beautiful eyes like water and murmured: "At present, I don't know yet."

"Could it be the smelly man in the temple?" Suddenly the two beautiful women in white said coldly.

The goddess Xue Ji said: "It should not be! I warned them long ago, who would dare to break into this goddess's Qianxuefeng and kill him!! Besides, with the elm heads of the guys in the temple, they are not worthy to unlock. The yin-yang five-element illusion array that I used!"

When the two beautiful women in white heard what the goddess Xue Ji said, they suddenly said, "Goddess, what do you mean? It's an outsider?"

The goddess Xue Ji Liu eyebrow raised slightly: "It should be!"

"The person who can decipher the yin and yang five-element magic array of the goddess is definitely not a simple character." the goddess Xue Ji said slightly.

The two beauties in white clothes said, "Anyway, those who trespass on our Qianxue Peak will kill them."

"Well, indeed!"

"You two quickly led people to fly down Qianxuefeng, find the person who broke the formation, and kill him! Then cut off his head for the goddess and bring it back!"

The beautiful and indispensable goddess Xue Ji suddenly said in that cruel way.

No one thought that such a peerless beauty would have such a terrifying heart that is vicious and bloodthirsty!

It is a beautiful woman like a snake and scorpion. There is nothing wrong with this old saying.

However, after hearing the orders of the goddess Xue Ji, the two beauties in white clothes said, "Yes!"

Then the two beauties showed their silhouettes, and suddenly flew straight toward the "Thousand Snow Peak" in the abyss!

White clothes are like snow, making these two beauties as beautiful as butterflies.

Chapter 2975: Beauty in white

But what about Li Tian?

After deciphering the Yin-Yang Five Elements Magic Array at this moment, he started to walk forward.

After walking to the dense forest in front of him, he found that the surrounding area was extremely quiet, and there was no sound of a bird, or even an insect on the ground.

"Hey, why is there such a dead silence here? There is no living thing?" Li Tian said depressed.

Looking around, Li Tian finally understood.

"Could it be that the Yin-Yang Magic Array blocked the living creatures from entering the range of the Thousand Snow Peaks? That's why they didn't?" Li Tian thought there.

"Well, it should be."

After muttering for a while, Li Tian continued to walk towards the front place.

After walking a distance, Li Tian saw a cliff tens of meters away.

After seeing the cliff, Li Tian felt curious, so he walked over and took a look.

I saw it at a glance, but I saw that the cliff was not bottomed, it was extremely deep.

Looking at the cliff, Li Tian said slightly, "It's a deep cliff."

After taking a few glances at the cliff, Li Tian turned and walked forward.

As soon as he walked over, suddenly Li Tian heard the sound of the strong wind... from far away!

But he said that Li Tian wrinkled his brow deeply after hearing the sound of the strong wind.

"somebody is coming?"

Li Tian felt it all at once.

And Li Tian also felt that the person who came was definitely a master of masters! Because he could feel it just from the strong wind.

At this moment, Li Tian hurriedly looked into the distance... carefully to see who is the expert?

Just when Li Tian stood still and waited, suddenly, a cold drink came from the virgin forest.

"Where is the thief, dare to trespass into the Holy Land of Qianxuefeng!"

Following the cold shouting voice, all the four white shadows flew over all at once.

Whoosh whoosh!

Immediately afterwards, I saw 4 peerless beauties who were as glamorous as fairies, holding long swords in their forehands, and at this moment surrounded the Li Tianyi.

It turned out to be four women! ! !

When Li Tian saw the four beauties, he was a little startled, and said quickly: "Sorry, girls, I am here to visit the goddess Xue Ji!"

When the four peerless beauties heard Li Tian suddenly say that they would meet the "Goddess Xue Ji", they were all looking at Li Tian hostilely.

"Huh, who am I? It turned out to be just a stinky man in the world!" Suddenly one of the slender white-clothed beautiful women said coldly.

But I saw another round-faced beauty who said coldly: "Sister, don't talk nonsense to him! Goddess said, first cut off his head and take it back."

When Li Tianyi heard these four beauties, he suddenly said that he was going to cut his head when he opened his mouth.

"A few girls...I don't want to do it! I just want to visit the goddess Xue Ji!" Li Tian said quickly there.

He doesn't want to fight with the beauties in front of him...not only because Li Tian doesn't like to fight with women! And also because he has something to ask the goddess Xue Ji! So he can't even fight against other people's men.

But they said that after hearing Li Tian's words, the beauties in white clothes suddenly snorted and said: "Just because you, a stinky man, want to visit our goddess? You die."

The word fell, and suddenly the beauty in white clothes suddenly pulled out the long sword in her hand.

A cold light suddenly appeared, and suddenly a dazzling light appeared in the long sword in the hand of the beautiful woman in white.

Immediately afterwards, the delicate hand of the beautiful woman in white shook slightly, and a few terrifying sword flowers pierced directly towards that Li Tian.

What this beauty in white uses is swordsmanship!

And it's not just swordsmanship, she combines illusion and this swordsmanship into one! The swordsmanship also carries a very strange illusion... once it is cast, it is really a bit scary.

But what about Li Tian?

At the moment when she saw the beauties in white clothes suddenly take action, she became depressed.

"Hey, girl, why are you so unreasonable?"

Li Tian stepped back while shouting there.

But seeing the beautiful woman in white clothes with a sword drawn, she said coldly, "The truth, you should go to \*\*\*\* to reason with Hades."

When the words were spoken, a cold light suddenly pierced that Li Tian.

The strange swordsmanship pierced Li Tian's chest directly, the swordsmanship was fast and vicious!

Moreover, this sword technique contained weird illusions, and that layer of weird illusions made Li Tian a little dazzled, even unable to see the opponent's sword clearly!

"What kind of effort is this? How can it disturb my eyes?"

Li Tian exclaimed in horror.

While secretly lining my heart, I quickly backed away!

Brush!

The white-clothed beauty stabbed with a few sword lights, all of which were avoided by Li Tian.

The beauty in white saw that Li Tian could evade his swordsmanship, and suddenly sneered: "So you are still a little capable! No wonder you dare to come to Qianxuefeng so overwhelmingly! But you still have a dead end."

As her cold voice uttered, the venomous sword move in her hand pierced Li Tian again.

This time the sword moves were faster than the last time...A series of fierce sword moves all stab at that Li Tian.

Li Tian stepped back blindly, watching the opponent's swordsmanship while watching the illusion of his swordsmanship.

"Flying snow!"

Suddenly the girl yelled out coldly all her life, and then the long sword in her hand flicked in the air. Suddenly the sky suddenly became icy, and then the flying snowflakes fell from the air!

Then suddenly secretly said that the long sword in the girl's hand was under the snowflakes.

The blades were all fused with the snowflakes, and then they stabbed towards Li Tian in terror.

Li Tian had never seen such a sword move... not only was he shocked right now.

While retreating, the body quickly accumulates true qi, and then he slaps out a strong palm! He wanted to use his palm to push back the beautiful girl, but he didn't expect that the opponent's sword skills were so powerful!

When his palm power attacked, he was suddenly broken by a sharp sword...

Just when Li Tian was shocked, he snorted! I saw that the long sword of the beautiful woman in white suddenly struck Li Tian's left arm.

pain!

Li Tian only felt a sudden pain in his left arm, and then displayed the "Mystery Wind Step" under his feet and suddenly retreated quickly.

After retreating quickly, Li Tian looked down, and saw a long and narrow blood mark on his left arm! ! !

Scarlet blood ran down his arms.

Chapter 2979: Strong of Azure Dragon!

He said that the sound of "Dragon Roar" was a few hundred meters ahead.

I looked carefully, but I saw a huge ancient blue dragon standing there angrily!

Its head stood upright, its huge dragon body stretched out, and its extremely sturdy dragon claws gripped the ground tightly, glaring at the four fierce beasts in front of the enemy.

Qinglong!

But he said that this giant dragon was nothing else, it was the Azure Dragon, the first fierce beast in Li Tian's body!

What is this blue dragon hostile to?

Take a closer look, in front of the ancient first fierce beast Qinglong, there are four huge and terrifying unicorns!

Although these four-headed unicorns are not as large as the blue dragon, they are enough to shake the world!

Each one is as tall as 56 meters!

There are layers of markings on the dark skin, which are as large as a dinosaur. The sturdy body has a sharp horn growing on the head, which is sharper than the hardest weapon. Their pupils are bloody, staring at the green dragon fiercely in front of them.

The four unicorns all surrounded the blue dragon.

Beast battle?

what happened?

It turned out that when I took a closer look, I saw that behind the Qinglong, it was Li Tian who fell off the cliff of Wanzhang!

He didn't know whether it was dead or alive at the moment, just fell behind Qinglong like that!

A slight blood flow came out of the head, motionless!

Just now, at the moment when Li Tian fell from the cliff, the four unicorns came here after smelling the smell of blood! These beasts are extremely bloodthirsty, and after smelling the blood, they can't wait to eat that Li Tian immediately.

But it never occurred to them that when they were about to tear Li Tian to eat, suddenly the "blue dragon" in Li Tian's body turned out.

The four huge unicorns saw the prey in their mouths, they were suddenly blocked, and they were full of anger! At this moment, the four extremely huge unicorns all stared at the blood-red extremely \*\*\*\* eyes at the blue dragon in front of them.

But when the Azure Dragon faced these four unicorns, it was not at all empty!

"Oh!" A neighing sound, the two dragon claws began to shake.

The four unicorns surrounding it also began to move around.

With their fierce blood-red eyes, when they stared at the Qinglong, they suddenly "roared" and then all four unicorns rushed towards the Qinglong.

The speed is amazing!

Coupled with their huge size, they rushed over in a sudden, it was really an earthquake! It's like an earthquake happened here.

However, the moment the four unicorns rushed towards the blue dragon, the dragon's tail suddenly curled up, and a whistling air was mixed on the dragon's tail and swept directly toward the four.

Head unicorn!

Boom!

one move!

I saw that the four huge unicorns were swept away by the dragon's tail with the dragon's tail!

Plops, plops, and four huge unicorns fell to the ground one by one.

Sure enough, it is the first fierce beast in ancient times!

In just one click, the 4 mountain-like unicorns were destroyed!

But what about the 4 unicorns? After being blown down, they suddenly got up from the ground one by one, their mouths roared in a low voice, and their blood-red pupils showed even more hostility.

But they didn't rush up directly, as if they had also noticed the power of the blue dragon in front of them, and they didn't dare to rush forward.

What about Qinglong? It's waving huge dragon claws there, as if fighting against it.

I saw the 4 unicorns and began to wander around the blue dragon.

Turning, turning, suddenly a unicorn suddenly used the sharp "horn" in front and poked it towards Qinglong.

When Qinglong saw the unicorn "poking" at him over and over, a dragon claw suddenly grabbed the unicorn.

At this moment, the two unicorns behind them suddenly opened their mouths.

"Roar!!!"

Suddenly a pale cyan corrosive slime came out of their mouths!

Those mucus suddenly stuck to Qinglong's back...

After the slime stuck to Qinglong's back for an instant, Qinglong suddenly neighed in pain, and saw that the green slime stuck to Qinglong's body suddenly corroded...

Burning on the back of that green dragon! Those pale blue disgusting mucus was like sulfuric acid, and when it stuck to the back of the blue dragon for a while, but saw that the dragon scales on the whole back of the blue dragon were damaged...

Qinglong roared in pain! ! !

At the moment when he saw Qinglong's injury, another unicorn rushed over fiercely!

The extremely sharp unicorn pierced towards Qinglong's body fiercely!

Puff!

The vicious and sharp "horn" pierced into the scales of the blue dragon!

The entire dragon scale was pierced, and then the "horn" pierced into the body of the Qinglong, and the green liquid flowed out of the body of the Qinglong! That is blood, the blood of Qinglong is green!

But he said that at the moment Qinglong was stabbed in the body by that unicorn, the first fierce beast in ancient times was really angry at that moment!

"expensive!"

A long roar was shocking for nine days!

Suddenly two terrifying dragon claws directly grabbed the unicorn that pierced his body, and then lifted the "unicorn" directly like a giant!

Then two dragon claws, one grabbed the head of the unicorn, and the other dragon claw grabbed the body of the unicorn!

Puff!

Black blood splashed down from the sky, and then I saw the ferocious blue dragon directly tore off the entire head of the huge unicorn!

Shocked!

terror!

After tearing off the unicorn's head alive, Qinglong threw the unicorn's corpse to the ground with a "boom"!

And what about the unicorn's head? It was Qinglong who suddenly stepped on her foot!

Domineering and unparalleled! The first fierce beast in ancient times.

But after the blue dragon tore off the head of one of the unicorns, what about the unicorns that spewed "green corrosion" mucus from their mouths just now? Suddenly he did the same again!

I saw their two mouths opened, and the corrosive thick green slime was sprayed again! And this time more than the last time!

Just when they sprayed out the corrosive green slime, suddenly, the mouth of the Qinglong dragon opened, and a breath of flame suddenly spread from the mouth.

Then I saw the blazing fire that swallowed the sky from the dragon's mouth!

boom!

Ten meters away, all was swallowed by the flames of the Azure Dragon... Of course, let alone the two unicorns!

Their bodies have already been swallowed by the flames of the blue dragon...

After the horrible high temperature and intense flame swallowed, the towering old trees all around were all burned! Even the land was burnt to black!

Look at the two unicorns spraying strong green slime?

Their bodies have been burned to black, and their entire bodies have been completely burned down and turned into barbecues!

Plop, plop, two unicorns fell into the flames like this!

The body became like a barbecue, and the smell of roasted meat filled the air.

died.

Chapter 2980: Best pet

How many strange beasts want to perform in front of Qinglong? It is really far-fetched.

Finally, 3 unicorns were killed!

The last remaining unicorn, after seeing all the blue dragons of his companions killed, was suddenly scared and began to fall back, then thumped and thumped and hurried to the depths of the jungle.

It escaped!

Looking at the unicorn that escaped, Qinglong didn't chase it anymore.

It's just that the domineering and unparalleled standing there, although its body has also suffered heavy injuries, it has not affected its power.

It is just there silently guarding its owner, Li Tian.

But what about Li Tian?

Falling to the ground at this moment, the blood flowing from his face has dried up! Stuck to the cheek.

He is not sober!

Qinglong was by his side silently guarding him, without leaving a step.

The sky changed slightly, unconsciously, it suddenly became gloomy.

Then there was a thunder that struck through the air, and then the sky began to rain specks of rain!

As a cold wind blows, the rain starts to get heavier! Soon it became a downpour.

The raindrops fell from the air, dripping under this mysterious abyss, and also dripping on Li Tian's body.

Li Tian's body that fell to the ground was quickly wetted by the cold rain...whole body!

As the torrential rain continued to fall, Li Tian, who fell on the ground, suddenly moved his fingers slightly.

Alive!

Li Tian was not dead, but alive? It turns out that the moment Li Tian fell from the cliff of Wanzhang, he should have died! But what he never expected was that there were tall and strong ancient trees beneath this abyss... When Li Tian's body was falling down, his body was blocked by those thick leaves and branches. ...So the falling gravity has been reduced a lot, so that when he fell, he just fainted, but he didn't die! He is also considered a blessing and fate!

With the slight movement of his fingers, then after a while, his arm began to twitch slightly!

After a while, he saw Li Tian's mouth with a sudden "blessing", and then saw his head move slowly.

"Damn... my body hurts!"

Suddenly a very weak word came from Li Tian's mouth.

Looked carefully, but saw that Li Tian's eyes covered with blood on his face were already open...The whole person was lying on the muddy ground, looking so embarrassed and embarrassed.

But he said that after Li Tian was sober, the huge blue dragon beside him suddenly yelled "Oh oh oh".

Li Tian looked sideways with difficulty, and saw Qinglong in this look.

"Xiaoqing?" Li Tian looked at the Qinglong in horror.

He never thought that the blue dragon in his body would actually show up.

However, he said that Qinglong was so excited after seeing Li Tian sober, and then he yelled.

Although Li Tian's mouth can speak, but his body can't move for a while!

Because his body felt so painful! It hurts like the whole bone is broken!

At this moment, he could only lie there, panting violently. The cold rain fell from the air and dripped on his face, making him sober before.

"Xiaoqing...Why did you come out?" Li Tian looked sideways and looked at the Qinglong with a face full of rain.

Qinglong shook the huge dragon head, as if responding to Li Tian.

Then suddenly one of the dragon's claws of the blue dragon opened, and then it looked like a chick, and suddenly it was so gripped. Suddenly, Li Tian's body was caught by the dragon's claws.

"Xiaoqing, you are..."

Just as Li Tian was surprised, he saw that Qinglong had already grasped Li Tian who was like a chicken, carried him, and then walked forward step by step.

In the torrential rain, I saw a giant dragon clutching a picture of a wounded human being. It was really funny and loving!

I saw the Qinglong holding Li Tian, and then came under a steep rock wall. There happened to be a place under the rock wall that could keep out the rain. When I saw the Qinglong, I lost Li Tian in front of him, Li Tian's body It was thrown under the rock wall with a plop!

Li Tian let out a painful "en" in his mouth, and then fell under the rock wall.

It turned out that this Qinglong was to find a place to shelter Li Tian from the rain, so he grabbed him.

After Li Tian was thrown under the stone wall that blocked the rain, he could only smile and said, "So Xiaoqing wanted me to block the rain! Oh, thank you!"

The Qinglong heard Li Tian's compliment and yelled twice there.

The screaming sound shook the surrounding birds and beasts flying.

Li Tian looked at the blue dragon, and before he knew it, he slowly forged a deep friendship with this ancient first fierce beast!

Li Tian was lying there at this moment, and then slowly tried to gather the strength of his body, and then began to slowly walk around his body!

He suffered fractures in several places, his chest, legs... at least 56 severe fractures occurred!

Therefore, Li Tian cannot act rashly at this moment, he can only adjust his internal strength first, and then walk around his body!

In this way, after slowly wandering the body's internal strength through his body several times, Li Tian felt a little sensation in his body!

Then he got up from the ground with difficulty!

After getting up hard, Li Tian began to heal himself!

Fortunately, he didn't suffer any internal injuries, and the injuries he suffered were just a few fractures!

In less than half a day, I saw that Li Tian had almost cured his fracture... His internal strength was enough to deal with the pain of the fracture!

So after the treatment, Li Tian was able to stand up!

At this moment, he stood up on the cold stone wall, looking at the towering trees around him, and this endless deep cliff, he was suddenly depressed.

"Hey, I can't think of me, Li Tian tried to save people...in the end he killed himself!"

"It seems that sometimes, such a good person can't do it!" Li Tian said with a wry smile that murmured.

After speaking, he walked to the Qinglong side, and then stretched out a hand to pat the Qinglongdao beside him slightly.

"Xiaoqing, Xiaoqing, thanks to you! Thank you for taking care of me during the time I was in a coma... This wilderness is full of wild beasts. If when I was in a coma, a wild beast suddenly came to eat me, then I It's too wrong to die!" Li Tian said in a self-deprecating way.

After speaking, Li Tian blinked his eyes and looked around.

"Oh my God, what the \*\*\*\* is this place?" Li Tian said secretly.

Looking at the towering old trees around him, as well as the strange flowers, weeds, and weird creatures around him, Li Tian was suddenly depressed.

"The animals here... why are they so strange?"

Li Tian murmured there.

As soon as he said it, suddenly, his stomach groaned.

hungry!

Li Tian hadn't eaten anything all day and night, and fell into this ten thousand-foot cliff again. He didn't expect to be hungry at this moment!

Touching his stomach, Li Tian said depressed: "I didn't expect Li Tian to fall into such a situation...Even hungry, I can't find anything to eat!"

Just as Li Tian said this, suddenly the Qinglong ran forward.

Li Tian was taken aback, watching that Qinglong suddenly walk away, and shouted at the moment: "Hey, Xiaoqing, what are you doing?"

But seeing that Qinglong didn't turn his head and ran straight ahead.

Li Tian was really puzzled, but because of his weakness, he did not catch up, just stayed here and waited.

After a while, I saw that Qinglong ran back again, but this time, there was a huge...barbecue in his mouth.

I saw the dark "barbecue" in the Qinglong's mouth, like the bones of a huge animal! Although the meat has been burnt a little scorched, Li Tian can still smell the fragrant meat!

No one thought that the barbecue that Qinglong grabbed was the unicorn that was burned to death by Qinglong just now.

What about Li Tian?

When he saw this Qinglong suddenly coming over with a huge "barbecue" in his mouth, he was pleasantly surprised.

"Xiaoqing! My beast! Where did you get these barbecues?"

Li Tian screamed immediately.

But seeing that Qinglong's two dragon claws were waving there, as if talking to Li Tian there.

Then Li Tian didn't know what Qinglong was talking about, he just smiled and quickly took over the barbecue, and then touched the dragon's head distressedly, and said, "Xiaoqing, thank you so much. Now, you see that the master is hungry, so you can get me some food! Hey, you are so kind!"

Li Tian, who was saying this, hurriedly ate.

Although this barbecue is a bit burnt... and the skin is a bit rough, but for Li Tian, who is now hungry, it can be regarded as a delicacy!

At the moment, Li Tian is eating with relish!

Soon, a huge bone was eaten by Li Tian!

Li Tian, who was full of food, regained his energy at this moment, and looked at Xiaoqing and said, "Xiaoqing! I'll adjust my breath quietly! You're here to guard for me!"

The Qinglong heard the master's order, and then the huge dragon head nodded there! Then he turned his huge body and guarded it imposingly.

After seeing Xiao Qing guarding him, Li Tian began to meditate there!

He combined the inner with the spiritual power, and then kept wandering in his body... After a while, his body was restored to its original state!

Only the deep sword scar on his arm was a little painful.
