

A Killer 2981

Chapter 2981: Spiritual power skyrocketed

At this moment, Li Tian tore off a piece of cloth from his shirt, and then wrapped it around his injured arm.

After wrapping it up, he stood up.

Now that his body recovered as before, Li Tian moved his muscles and bones slightly, then blinked his eyes and looked around.

But seeing the towering ancient trees all around, there are countless strange flowers and plants.

After watching Li Tian for a while, he stepped forward.

At this moment, the heavy rain in the sky has stopped slightly... Li Tian walked slowly in the mud.

What about the Qinglong?

After turning into a plume of blue smoke in the air at this moment, he slowly entered Li Tian's arm, and the blue dragon got into Li Tian's body.

After seeing Qinglong digging into his body, Li Tian did not speak too much, and continued to move forward.

Arrived in the front place, but saw crystal clear fruit growing on a tall tree.

The fruits are triangular and prism-shaped, transparent and attractive, and each one is about the size of a fist.

After seeing the fruit curiously, Li Tian not only became curious all of a sudden.

"Hey, what kind of fruit is that? Why is it so strange" Li Tian stood under the tall tree and watched.

This tree is also very strange, with very few branches and leaves, but the trees are very strong.

The triangular and prism-shaped transparent fruits that bear on it are also many, many.

Li Tian looked curiously for a while, suddenly felt a bit dry in his throat.

"I'll try one! See if it tastes good."

Li Tian, who was saying this, suddenly stretched his body, and then flew towards the tree.

Whoosh!

I saw Li Tian lightly landed on the tree, and then reached out his hand to pluck a fruit!

Standing on the tree, Ye Chen looked at the vigilant fruit, not only became more curious.

"I've never seen this fruit. I don't know if it is poisonous?"

"However, this fruit looks so crystal clear, it shouldn't be poisonous."

Li Tian, who was speaking, wiped the crystal clear fruit in his hand, and then bit down one bite at a time. After biting down this bite, he saw that the fruit came out with a slight sweet fragrance.

The skin of this fruit is very tender, it tastes very delicious, but it has a tingling taste.

Li Tian had a dry cough at the moment, so he quickly finished eating the fruit in his hand.

After eating, Li Tian felt that he was still thirsty, so he continued to reach out to pick it and eat!

After a while, this guy even lived and ate 56 crystal clear fruits.

After he was full, Li Tian touched his stomach, then flew lightly and flew down from the tree.

"It's so full and comfortable." Li Tian said with a slight emotion.

After Li Tian was full, he was ready to leave.

His body had just taken a step, and suddenly, a strange energy of his body wandered through his body.

"What's the matter?" Li Tian was stunned when he felt that a powerful force in his body suddenly wandered away.

Then quickly mobilize the spiritual power of the body to suppress that huge breath!

But after mobilizing his spiritual power, Li Tian found that his body could not suppress the breath...

Then, Li Tian's body suddenly convulsed, and with a plop, his whole body fell directly to the ground.

"what?"

A scorching feeling suddenly came from his chest.

But seeing Li Tian lying down there, all of his body suddenly flashed a ray of light rapidly in his body... It was the violent fluctuation of energy in Li Tian's body, as if he was looking for something to release.

"What's wrong with me?"

"Is it because I just ate that weird fruit and was poisoned?" Li Tian choked violently while falling to the ground, thinking there.

After thinking about it, Li Tian said in despair, "Hey! I didn't expect Li Tian to be so lucky... I was poisoned by eating a fruit!"

Just as Li Tian was thinking about it so pessimistically, suddenly the extremely powerful energies in his body began to collide violently in his body.

boom!

boom!

boom!

He supported Li Tian's belly as if he was about to explode.

what!

Li Tian yelled, and suddenly bursts of light from his mouth!

Immediately afterwards, his body suddenly flew up automatically... and then slammed into the ground, trees, and around like a ball.

Bang, bang, bang!

His body smashed the thick tree trunks around...and also smashed the ground into deep depressions...

No one knows what happened to Li Tian.

I can only see his body as if completely out of control, bumping around there!

Break the surrounding thick trees, and shatter the surrounding rocks...

Finally, suddenly Li Tian's body fell from the air with a plop.

"Ouch!"

A muffled sound came from Li Tian's mouth.

I saw that Li Tian, who fell to the ground, lay there in the shape of a big letter, and his whole person looked so embarrassed and embarrassed. There were bruises on his face, hands, and arms! In addition, there were waves of energy slowly fluctuating up and down the body...Finally, it was completely absorbed into Li Tian's body.

But he said that Li Tian broke so many sturdy trees...and those huge bluestones!

For some reason, not only did he not suffer any harm, on the contrary, he felt that his whole body became much more comfortable all at once!

Li Tian, who was lying on the ground for a few breaths, suddenly jumped to his feet.

"How do I feel more and more comfortable?" Li Tian muttered while looking at his body in wonder.

Looking up, Li Tian was completely speechless at this moment with the sturdy trees that had been broken around and the blue stones that had been broken.

"Oh my God, what the **** is going on? What happened to me just now?" Li Tian thought secretly while looking at his body.

Just as Li Tian was thinking about it, he suddenly felt an inexplicable force in his body intertwining with his own spiritual power.

After Li Tian felt the extremely powerful energy, he suddenly wanted to release it.

The right hand stretched out uncontrollably, and suddenly a majestic aura suddenly poured out!

Boom!

An extremely powerful spiritual force shot out from Li Tian's palm.

A huge deep pit was blasted directly into the place ten meters ahead! ! !

"My spiritual power... how does it seem to have suddenly increased a lot?" Li Tian screamed inexplicably.

Of course he would not know what those crystal clear fruits he had just eaten were? If you knew it, you would be surprised.

Chapter 2982: Fairy fruit

It turned out that the crystal clear fruit that Li Tian ate was called: fairy fruit!

This "fairy fruit" is rare in the land of the spirit soil. It is said that it can only grow in the place where the spiritual power of heaven and earth is accumulated!

This "fairy fruit" helps to improve spiritual power, how strong can it increase? No one knows! Because according to ancient historical records, no mortal has ever eaten that "fairy fruit."

What about Li Tian now?

He accidentally knocked and ate 56 fairy fruits, which just caused the tremendous spiritual power in his body to jump, making his body completely uncontrollable!

And that huge spiritual power, after entering Li Tian's body, began to constantly struggle and jump, so just now Li Tian was colliding around like a ball!

After such a collision, the extremely powerful spiritual power in Li Tian's body finally began to slowly absorb into his body! This is also the fundamental reason why he broke such a thick tree trunk just now... and so many bluestones... without any injury at all.

But he said that Li Tian was surprised and delighted right now after feeling the sudden increase in spiritual power in his body.

Surprisingly, his spirit body suddenly increased.

The good news is that, of course, it is also a substantial increase in your skill?

Li Tian, who was thinking of surprise, suddenly raised his head to look at the "fairy fruit" on the weird tree.

"Could it be that this strange fruit has increased my spiritual power?" Li Tian suddenly thought about it.

Thinking of this, Li Tian suddenly became overjoyed.

"Originally, I missed the soaking of the spirit water spring... I thought that my spiritual power could no longer be improved in this life! I didn't expect that Li Tian would have such an opportunity and encounter such a magical fruit tree!" Li Tian was thinking excitedly.

That Li Tian missed a century of soaking in the "Spirit Water Spring" is indeed a pity in life!

But he didn't know that the "fairy fruit" he was eating now was something he couldn't even dream of?

You know, this fairy fruit grows in a foreign land! Mortals and can't see...Even the strong in the temple have tried to find the fairy fruit, but they have not found it! And now Li Tian was hit by mistake and fell into this abyss... only to find out

But he said that Li Tian didn't know what the magical fruit tree in front of him was.

He just felt that after his spiritual power suddenly increased, it would be a little excited.

Looking at the "crystal clear" fairy fruit on the kiwi fruit tree, Li Tian thought to himself: "Since this fairy fruit can have such a miraculous effect, then I, Li Tian, will eat more today!"

After speaking, the servant suddenly stretched himself, and then flew over the strange fruit tree again, and then began to pluck the crystal clear fairy fruit, and then began to eat.

There are only more than 20 fruits on this strange fruit tree.

I saw this Li Tian, and 67 more soon!

It was only when he couldn't eat it that he slowly flew down from the tree.

Touching his round belly, Li Tian gave a vulgar burp!

"Cool!" Li Tian shouted there.

Then he quickly sat on the ground and exercised.

After his exercises, suddenly, a tremendous amount of spiritual power began to appear in his body... and then that spiritual power began to collide with his body.

Li Tian can't suppress the extremely powerful spiritual power...At this moment, he can only say in his mouth depressed: "Fuck, here again!"

The words said, suddenly there were strong energy fluctuations in his body, and then his whole body began to hit all around like a ball...It was hitting a tree again and hitting the ground!

Bang, bang, bang!

In a short while, the surrounding old trees were ruined into nothing.

What about Li Tian? After the collision, he fell to the ground again, and the extremely powerful spiritual power began to be slowly absorbed by the body.

Li Tian stood up again.

After standing up, Li Tian only felt that his body had never been so comfortable!

It's as if you just steamed in the sauna room, comfortable! Cool!

Not only that, but he felt that his spiritual power seemed to have been improved as never before... As for how much improved? Li Tian can say without obscurity, definitely more than doubled! But how strong is it? To be honest, Li Tian couldn't figure it out himself.

He just felt that his whole body seemed to be completely wrapped by spiritual power...the whole body seemed to be airtight.

"drink!"

Suddenly, Li Tian suddenly stretched out his right hand slightly. He wanted to test how strong his spiritual power was.

Then he meditated on the fire illusion in his heart, and suddenly with a "boom", a group of terrifying golden flames steamed from his hands.

Burning fire!

The highest flame in the fire system can burn the power of heaven and earth.

After Li Tian's accumulation of spiritual power suddenly used "Sorrow of Fire", Li Tian was shocked.

"Unexpectedly, my spiritual power has risen to such a terrifying level?" Li Tian secretly shocked.

He still doesn't know, his whole person has completely transformed.

He was originally a body full of spirits, and now with the promotion of that "fairy fruit", no one can guess how powerful his spiritual power should be now...

"Great!" Li Tian exclaimed excitedly.

After overjoyed, Li Tian looked at the strange fruit tree and said: "Fruit, fruit, how can I thank you Li Tian?"

"No matter what, my Li Tian's spiritual power has greatly improved, all thanks to you! Thank you."

Li Tian said to the strange tree very strangely.

After saying that, Li Tian began to sit on the ground cross-legged, then closed his eyes slightly, and began to slowly summarize the messy and vast spiritual power in his body!

After sitting like this, Li Tian sat there all night without realizing it!

The next day, when the sun shone on Li Tian's face through the leaves, Li Tiancai exhaled a light white turbid air from his mouth, and then slowly stood up.

Looking at the dazzling sky, Li Tian was surprised: "Unexpectedly, I have been sitting all night?"

Stretched out, Li Tian was full of energy.

Opening his extremely bright eyes, looking at the "fairy fruit" on the magical fruit tree, this guy suddenly thought about it again.

"Hehe, since I, Li Tianming, should be so lucky, it would be better to finish the fruit on this tree!"

After the words were finished, this guy suddenly moved his body and flew over the tree again.

Then it shamelessly incorporated the remaining "fairy fruit" into his belly again.

The remaining a dozen "fairy fruits" were eaten into his stomach by Li Tian whipped up.

Chapter 2983: Someone rushes to Qianxuefeng

After eating all the fairy fruits, Li Tian flew down from the tree.

Touching his belly, Li Tian only felt "comfortable".

Just after he had eaten all the "fairy fruit", the huge and magical ancient tree suddenly began to shake.

Li Tian was taken aback, looking at the ancient tree, and not only exclaimed: "What's the matter with this ancient tree?"

Rumble!

Accompanied by a loud noise, immediately after seeing the magical ancient tree, it suddenly began to shake violently, and then the whole ground trembled suddenly.

Li Tian was stunned, and quickly backed away, his eyes filled with surprise and horror.

He didn't know, what was going on in front of him?

After Li Tian retreated quickly, the shaking ground suddenly cracked open.

A huge ground crack cracked the entire ground!

Just as this huge ground crack appeared, the magical "fairy fruit tree" suddenly sank slowly into the ground crack.

"How could this be?" Li Tian said, standing there in shock.

While shouting, he looked at the old tree that was quickly sinking into the ground.

With a bang, after the entire ancient tree had fallen into the deep seams, the entire cracked crust closed again!

Then the wind blew and the clouds were quiet, and the peace before was restored here!

And what about the "fairy fruit tree" Li Tian ate earlier? But just like this, I fell deeply into the cracks in the ground!

Looking at the "fairy fruit tree" that disappeared like this, Li Tian stayed completely at that moment. dream!

To Li Tian, everything is like a dream.

At this moment, Li Tian stood there blankly, looking at the self-healing ground and everything in front of him. To be honest, he couldn't believe it was true.

He rubbed his eyes vigorously, and then slightly raised the spiritual power of his whole body... a vast spiritual power suddenly emerged.

Li Tian just felt that everything was not a dream!

it is true!

And the fairy fruit tree was really sinking into the deep seams.

"It's really a magical tree!" Li Tian murmured while looking at the ancient tree sinking into the ground.

After speaking, Li Tian hurriedly sat down and mobilized his spiritual power!

This time, Li Tian ate more than a dozen "fairy fruits." According to the truth, he should still experience energy jumps...collision...but Li Tian's body's spiritual power has been greatly improved at this moment! So he can already use his spiritual power to suppress the pulsing foreign spiritual power!

Therefore, after seeing Li Tian mobilizing spiritual power to suppress the powerful spiritual power that jumped, Li Tian did not collide around like a ball!

Instead, he slowly absorbed the extremely powerful spiritual power into his body again!

This kind of absorption, unknowingly, has spent a whole morning!

It wasn't until the afternoon that Li Tian slowly opened his sharp eyes.

At this moment, he only felt that his whole person was completely transformed...The infinite spiritual power that permeated his whole body had made Li Tian only feel that he was surrounded by layers of spiritual power.

With a slight wave of his hand, the slave energy technique was directly displayed.

The surrounding two huge towering ancient trees rumbling directly from the hard ground...

Li Tian was able to pull that huge "towering old tree" from the ground with his hands and feet!

After raising several feet, Li Tian suddenly pinched his hand!

Two huge towering trees smashed directly in the air...

Boom!

A loud noise!

The old tree is shattered!

Looking at the wood scum floating in the sky, a strange smile appeared at the corner of Li Tian's mouth.

"My spiritual power really surged too much!"

"Cool!"

Li Tian shouted loudly.

When the call was made, all the birds and beasts within a mile of the surrounding area were shaken off, and even the thick green leaves on the surrounding trees were shaken and flew down from the air.

At this moment, Li Tian's eyes twinkled, he glanced at this mysterious place, and muttered:

"Although I don't know where the holy place is! But today, it is a coincidence that Li Tian can reach such a holy place. !"

"It's a pity that I, Li Tian, have important things to do. Otherwise, I, Li Tian, will have to see the strange landscape in this entire ancient forest."

After speaking, Li Tian was ready to leave here.

After all, he still had to look for the "Goddess Xue Ji" to obtain the blood of the nine-tailed Fengluan, and then he would come to heal Situ Ningbing's headache.

At this moment, Li Tian flew to reach the abyss, raised his eyes and looked up, but saw that the abyss was filled with clouds!

No one knows how deep this abyss is!

"It's so tall!" Li Tian said slightly there.

However, no matter how high and deep the abyss is! For Li Tian now, it is not difficult anymore!

Because his spiritual power has soared too much!

A smile appeared at the corner of Li Tian's mouth, and he suddenly gathered spiritual power, and then his body flew straight into the sky...like a bird, he shot straight up.

Halfway through, Li Tian tapped his feet slightly on the steep rock wall, and then moved straight up again, flying straight into the sky.

There were several ups and downs, but seeing the clouds and mist, Li Tian suddenly flew up.

The abyss! After all, it was shot up by Li Tianfei!

At the moment Feizong came up, Li Tian looked at the familiar scene around him and said slightly, "I'm finally here!"

After climbing the cliff, Li Tian raised his eyes and glanced at the "Qianxue Peak" and then silently said: "Qianxue Peak, I am here."

When the words were spoken, Li Tian's figure unfolded, and suddenly he flew forward! Disappeared without a trace.

He has gone to Qianxue Peak.

Qianxue Peak is a unique peak!

Winding and rugged mountain roads, straight up!

There is a deep accumulation of blood under this Qianxue Peak, and the upper part is like spring all year round. That's why it is called "Qianxue Peak"!

And now the goddess Xue Ji is on this "Thousand Snow Peak".

In that natural stone cave like a water curtain cave sky, the goddess Xue Ji was still sitting motionless and cultivating.

A radiant whip was placed next to her. The name of this magic soldier was: Snow God Whip! It was a product of thousands of tempers, and of course it was also the magic weapon of the goddess Xue Ji.

Inside that cave, there are four of the goddess Xue Ji's maidservants standing there!

They silently guarded the goddess Xue Ji in front of them.

Suddenly at this moment, a scream came from under the Qianxue Peak.

However, when the four beauties in white clothes standing in the stone cave heard the sound of the longitudinal howl, their undertones changed slightly.

"It seems that someone has rushed to Qianxue Peak!" Suddenly, a cry of surprise came out of the eldest sister's beautiful woman in white.

The other three beauties in white all had extremely weird expressions on their faces after hearing the eldest sister's words.

Chapter 2984: Four women fight

After all, this Qianxue Peak is extremely high!

Most people can't come! The person who can come up like this is naturally the strong one among the strong. .

"Let's go and see, where is the thief who dares to break Qianxue Peak."

A roar came out of the elder sister's beautiful lady in white, and then she quickly ran out of the cave.

After hearing the other three beauties in white, their figures flashed at this moment, and they all flew out.

Only the "Goddess Xue Ji" was still sitting motionless on the stone altar, her beautiful eyes did not even lift up, as if she hadn't heard their words.

However, at the moment when the four beauties in white clothes all flew out, they looked down through the steep Qianxuefeng, but saw a black shadow righteous roc flying towards the top of Qianxuefeng at the speed of the wings. Come.

That figure is too fast! So that the four of them could not see clearly.

The figure can only be seen flashing, flashing, and then it has quickly swept up.

"Good... so strong!"

"Who would it be? You dare to trespass into Qianxue Peak?" The four beauties in white could not help exclaiming at the moment when they saw the black shadow flying up quickly.

After one of the beautiful women in white said so, the eldest sister suddenly "swiped" and drew out the long sword she was wearing, and said coldly, "Who is he? Those who trespass on Qianxue Peak! They must be killed!"

The eldest sister suddenly drew out her long sword, and the other three beauties in white also all "brushed" their sabers from their waists.

The moment the four beauties in white clothes all drew out their long swords, they began to look at the figure that was flying upwards with cold hostile eyes.

Scream!

The black shadow flew several feet high, and then flew directly towards the top of the Qianxue Peak.

"Thief! Dare to break into Qianxue Peak!"

"Block him!"

A cold drink screamed from the big sister's mouth. When the big sister saw the black shadow flying up directly, she yelled out, and then took a long sword in her hand, and then slammed towards the black shadow.

The long swords in the hands of the other three beauties in white rose and fell, and they all rushed away at the black shadow.

But he said that the dark shadow just flew up, and after seeing the four long swords sharply stab at him, he was slightly startled.

"Girl, don't do it!"

Following the familiar voice, the dark shadow suddenly raised his right hand, and then an extremely powerful spiritual force suddenly burst out!

The four beauties in white only felt a sudden shaking of their figures, and then their bodies were all blocked by a powerful spiritual force!

I saw four beauties in white, groaning in their mouths, and all of them flew back with long swords in their hands!

one move!

With just one move, their four beauties in white were all forced back by each other's powerful spiritual power.

However, after the four beauties in white were shocked back, they were shocked! But they were not afraid, holding a long sword and preparing to shoot again!

But at this moment, the dark shadow suddenly called out.

"Girl, don't do it anymore, I don't want to do it with you..."

As the voice came and looked carefully, the dark shadow suddenly fell straight down from the air.

A closer look revealed that the black shadow was Li Tian who had rushed to Qianxue Peak.

When the four beauties in white clothes saw Li Tian, they were all stunned.

"what?"

"It's you?"

"You...you...you are not dead?" At the moment when the four beauties in white clothes saw Li Tianzhenrong, they were astonished as if they saw a ghost.

But seeing that Li Tianzai smiled slightly and said: "I am indeed not dead!"

The eldest sister among the four beauties in white suddenly exclaimed: "No...impossible! You have clearly fallen into the abyss, how could you not die?"

But seeing that Li Tian smiled bitterly and said: "Maybe Li Tian, my life is fortune! Anyway, I am fine now, not dead."

When the four beauties in white clothes heard this, they were all stunned.

"Huh, whether you really died? Or fake death? You trespassed our Qianxuefeng today...We must stop you." The eldest sister said coldly.

According to the rules of the goddess Xue Ji, no outsiders are allowed to enter the Holy Land of Thousand Snow Peaks!

So the persistence of the four beauties in white is also very reasonable.

But seeing that Li Tianyi heard the four beauties in white clothes saying this, he suddenly said, "A few girls, I just came to see the goddess Xue Ji! Why do you have to stop me?"

I saw the four beauties in white clothes saying: "Do you think we can see our goddess if we want to meet?"

When Li Tian heard this, he said depressed: "Then how can I see the goddess?"

"I ask you, why do you always want to see our goddess?" The eldest sister suddenly looked at Li Tian and asked.

Li Tian said there, "There is nothing to tell you, I have to ask the goddess Xue Ji! So I would like to ask some girls to accompany you!"

"Hehe, it's so funny! Don't you know that we, Qianxuefeng, never allow men to enter?"

"You still want to beg our goddess? It's just wishful thinking!" The elder sister said coldly.

After Li Tian heard this, he was depressed, and said: "Do you guys have to stop me Li Tian?"

The eldest sister said coldly: "Nonsense!"

"This time, you have broken our Qianxuefeng rules, you just have to die here!"

"Sisters, kill this thief!"

Those four beauties in white are really unreasonable.

When the words fell, the four beauties in white suddenly shot.

The swords in their hands are definitely not vegetarian!

At this moment, the long sword was mixed with weird illusions, and suddenly four beauties in white, like butterflies, stab Li Tian together from four different directions.

Li Tian saw that these four beauties in white clothes were so unreasonable, he could only snorted: "Since the girls have to force me to take action, then I am offended!"

When the words were spoken, Li Tian's right hand suddenly stretched out, and a purple and terrifying light of thunder and lightning suddenly appeared from his palm! Then suddenly raised, a series of horrified purple electric lights shot at the four women!

Click! Click!

Lightning rays of thunder and lightning shot at the four beauties in white like a snake!

But seeing the four beauties in white, the long swords in their hands were swung quickly, and then the terrifying purple electric light was blocked.

Just when the four beauties in white clothes blocked the purple thunder and lightning, Li Tian suddenly shouted, and his right fingers spread out, suddenly a force of strength poured out from the palm of his hand, and then he pushed forward!

Boom boom boom!

With tremendous energy, the four beauties in white directly shook their bodies back and forth again and again!

After they were shaken back, they reluctantly wanted to jump forward.

Chapter 2986: Is he not dead?

Li Tian knows that this goddess Xue Ji's skill is beyond the world, and also knows that her identity is as famous as the wood god, white god, and the second old man!

There is no doubt that her strength is absolutely terrifying!

And now Li Tian actually wants to take the three tricks of this goddess Xue Ji?

Can he really catch it?

no way!

Li Tian can only do this for Situ Ningbing! As long as Situ Ningbing can restore his memory, Li Tian is willing to do everything.

"Also please enlighten me from the goddess." Li Tian suddenly said there again.

The goddess Xue Ji didn't want to kill Li Tian, because Li Tian had saved her life before! So no matter what, in the heart of the goddess, that Li Tian is still kind! But now, she gave Li Tiansheng the way? But Li Tian won't leave! He actually wants to take three tricks from himself?

court death!

The goddess Xue Ji turned her extremely cold eyes to Li Tiandao who was glaring in front of him: "You really want to pick me up three moves?"

Then Li Tianzai nodded firmly and said, "En!"

"Well, since you are looking for death, then I will fulfill you." The goddess Xue Ji said coldly.

After speaking, Li Tian stood there silently.

Then began to accumulate the spiritual power of the body slightly... used to block the first blow of the goddess Xue Ji!

The space seems to freeze at this moment.

Everyone was watching Li Tian and the goddess Xue Ji intently.

I saw the goddess Xue Ji coldly betting on Li Tian, a slender hand suddenly opened slightly, and then a powerful wave of energy was all accumulated from her slender hand.

The fluctuating energy is extremely powerful, and it ***** all the rocks on the ground into flight.

"go to hell."

With an angry shout, she screamed directly from the mouth of the goddess Xue Ji.

But the moment she stretched out her slender hand, a powerful energy of wind and wind suddenly hit Li Tian's chest.

That energy is invisible, but it looks so terrible! Like a mad dragon roaring momentum... swallowing towards that Li Tian.

But seeing that Li Tian, who insisted on this trick, used all the spiritual power of his body, then he straightened his chest to resist this trick.

boom!

With a loud noise, the entire stone ground was shattered by the extremely violent energy!

Then I saw that Li Tian's body was suddenly shaken by the powerful energy of the goddess Xue Ji...

Wow!

With a bang, Li Tian spouted a mouthful of blood in the air, and then his body was like a shaky kite, and he suddenly fell below the deep Qianxue Peak!

one move!

With just one move, Li Tian could no longer bear it!

I saw that Li Tian's body just planted under the misty Qianxue Peak... as if he was killed by the goddess Xueji.

Looking at the goddess Xue Ji who had fallen to Qianxue Peak in this way, she had an extremely ruthless expression on her face standing coldly and Qingcheng Qingcheng.

But the four beauties in white on the other side were all astonished.

I saw that eldest sister quickly walked to the edge of the cliff, looking at the cloud-filled Qianxue Peak, and shouting there, "That person is dead? That person fell off Qianxue Peak..."

"Definitely dead! He doesn't know what he can do, he has to take the trick of the goddess, it's strange not to die!" The beauties in white clothes all said coldly.

"Yes, looking at the world, who can withstand the three tricks of our goddess?" Another girl in white also said slightly.

Yes!

Even if the White God and Wood God are standing here, they dare not say that they can withstand the three moves of the goddess Xue Ji!

Only the goddess Xue Ji was still standing coldly.

Taking a look at Li Tian, who was stunned down Qianxue Peak by herself, the goddess Xue Ji suddenly said indifferently, "I only used 5 success strengths, but I didn't expect him to be so bad! No wonder I am cruel! Count him. Life is short..."

The goddess Xue Ji said slightly.

It turns out that she only used 50% of her skill to get that Li Tian to alive and beat Qianxuefeng?

But what about Li Tian?

Was he really killed?

I have to say that the strike of the goddess just now was indeed the most powerful illusion strike Li Tian has suffered so far!

He had never seen such a power before... The moment the goddess' strike force hit him, Li Tian only felt the bones of his whole body shattered! A pain that had never been experienced before spread quickly throughout the body!

Then he lost consciousness in his mind, and then his whole body began to fall towards the endless abyss!

The cold wind whizzed in his ears... Seeing that Li Tian was about to fall off the tens of thousands of feet and thousands of snowy peaks, suddenly an inexplicable energy from his body quickly spread throughout his body!

That was the explosion of spiritual power accumulated in the body...It was him that was hidden deep in the body, and the spiritual power that had not been developed by him suddenly burst out.

At the moment that extremely powerful spiritual power burst out, Li Tian's body suddenly shook! His eyes suddenly opened.

"I can't die... can't fall..."

"I want to save Ningbing... I must save her!"

After yelling this sentence in his heart, Li Tian suddenly jumped upwards, and then his hands were firmly grasped on a large dangling bluestone.

At the moment he caught it, Li Tian looked at the misty clouds in the sky, suddenly shouted, his body flew straight into the sky, and rushed up again.

"I'm coming!"

A sound that pierced Jiuxiao came out of Li Tian's mouth.

On the Qianxue Peak, the goddess Xueji and the others who were already about to leave were all shocked when they heard Li Tian's voice suddenly.

what?

"He's not dead?"

"Impossible... how could he not die?"

Accompanied by the screams of a few girls in white, they hurried over to take a look. At this look, they saw Li Tian flying up from below.

Li Tian was really not dead, and he flew up again.

At this moment, even the goddess Xue Ji felt a little unbelievable. At this moment, she was holding up her suffocating and poisonous beautiful eyes and looking coldly at Li Tian who was flying up from below.

But he said that Li Tian flew up with a "swish".

Then she stood directly in front of the goddess Xue Ji.

But seeing that the corner of Li Tian's mouth was still stained with blood, his body was still a little trembling... But there is no doubt that Li Tian did not die! ! ! He was still alive, standing in front of the goddess Xue Ji.

When the goddess Xue Ji and the several beauties in white clothes around her saw Li Tian flying up from under the Qianxue Peak, they were all shocked.

"This guy... really isn't dead!"

"He... can he really withstand the blow of the goddess?"

The girls in white clothes around were completely speechless looking at Li Tiandao in a daze.

Chapter 2988: Anger

But he said that "Xuelong Whip" was the supreme weapon of the goddess Xue Ji.

Once the shot is made at this moment, it really feels like a raging cloud!

It was directly wrapped around Li Tian's neck...

But what about Li Tian? Never thought that this goddess Xue Ji would use such a trick, and she was shocked at the moment.

"Goddess...you...?"

Li Tian originally wanted to take her last move, but now the goddess Xue Ji has used a weapon, and she has suddenly wrapped her neck around her neck. This is clearly the meaning of a killer pain!

I saw that Li Tian's neck was suddenly entangled, and after being shocked, he quickly accumulated spiritual power with his right hand to block it.

I saw the goddess Xue Ji sneered: "You mortal dare to challenge the authority of this goddess. Today, you must die! Take it to death."

Following the cold exit of the goddess Xue Ji, the goddess Xue Ji suddenly pulled the "Snow Dragon Whip" hard.

Li Tian only felt a little suffocation in his neck, and quickly grasped one end of the "Snow Dragon Whip", and then suddenly raised his right palm to attack the "Goddess Xue Ji"!

"Goddess, since you are going to force me to take action! No wonder I am."

Li Tian shouted angrily, and displayed the Soul Breaking Palm in his hand!

This soul-breaking palm technique is extremely terrifying, and it is Li Tian's invincible palm technique on Earth, although he rarely uses it after reaching the other world! But once it is displayed, it is definitely not weaker than ordinary illusions.

After Li Tianshi displayed the "broken soul" palm technique to attack the goddess Xue Ji, the goddess Xue Ji suddenly sneered: "You wait for the bug tricks, and you want to fight me?"

After the words were finished, the goddess Xue Ji suddenly shook her right hand, and Xue Long's whip suddenly pulled out of Li Tian's neck, and then struck Li Tian's body with a "pop".

Li Tian was drew "a whip" on him, and there was a burning pain all over his body.

After being hit by the "Snow Dragon Whip", Li Tian was extremely angry!

He never expected that this goddess Xue Ji actually said that she was a woman who said nothing...At this moment, she was angry and angry, and suddenly displayed a thunder and lightning magic technique: Purple Thunder Seal in her hand.

Then he quickly condensed the Thunder Seal Hand Art in his hand, and then hit the goddess Xue Ji.

The goddess Xue Ji saw the thunder and lightning illusion hit her, her body turned slightly in the air, as graceful as a butterfly... evaded Li Tian's thunder and illusion.

Then Jiao shouted: "Nine styles of Xuelong!"

"One cut! Two inverses, three swords, four corners..."

This goddess Xue Ji actually displayed the ultimate nine styles of Xue Long Whip.

At the moment when his goddess Xue Ji cast out, the radiant "Snow Dragon Whip" in her hand suddenly rang like a flying dragon, and then slammed Li Tian's body with an extremely strange whip. Hit it.

Li Tian has never seen such a vicious whip technique! And this whip technique also contains a very strange illusion...

But seeing Li Tian at this moment did not know how to dodge!

Snapped!

Suddenly, the Xuelong whip hit Li Tian's cheek fiercely, and Li Tian's handsome cheek was suddenly drawn with a **** mark!

A blood stain was drawn on Li Tian's cheek and he roared in his mouth!

But he still couldn't avoid the offensive of this Xuelong Whip!

No way, that goddess Xue Ji's illusion ability is much stronger than Li Tian, although Li Tian has extremely powerful spiritual power to protect the body! But the illusions he knows are very few...

So, after a while, I saw that the snow dragon whip of the goddess Xue Ji had drawn a dozen blood marks on Li Tian's body!

Li Tian only felt like a **** animal being beaten by the goddess Xue Ji! Want to resist, but can't stop the opponent's Xuelong whip.

"Boy, go to hell!"

Suddenly, the goddess Xue Ji let out an angry shout at the moment, and then the Xuelong whip exuding infinite light in her hand suddenly curled up Li Tian's body!

Then suddenly pulled and pulled!

Li Tian's body curled up suddenly followed the dance of the snow dragon whip, and then hit the rock wall!

"Boom!" Li Tian's body directly smashed a rock.

He let out a scream, a mouthful of blood sputtered out of the air, and then the snow dragon whip in the hands of the goddess Xue Ji suddenly shook, and Li Tian's body flew down to the Qianxue Peak like that!

He was once again cast down Qianxuefeng by the goddess Xue Ji!

This time that Li Tian was shot down to Qianxue Peak, the goddess Xue Ji didn't even look at it!

"Hmph, this time, how do I see you still live?" Just listen to the goddess Xue Ji coldly saying there.

After seeing the goddess Xue Ji getting angry for the first time, the four beauties in white around her were all standing there, holding their breaths, and no one dared to speak too much.

"Go down and find the corpse of that kid... and then bring me! I want to see his corpse." The goddess Xue Ji said coldly.

After hearing the words of the goddess Xue Ji, the four women in white all nodded quickly, then slid and shot down directly from the Qianxue Peak, and then went to look for the body of Li Tian.

...

But what about Li Tian?

It's really unlucky!

I didn't expect to be fooled by that beautiful goddess Xue Ji... I took her two moves for no reason, but she denies it in the end?

It is really annoying!

It's a pity that Li Tian is really not the opponent of that goddess Xue Ji! Now he was beaten down to Qianxue Peak again.

Li Tian, who was knocked down from Qianxue Peak, was really lucky, and saw that he was scratched on a crooked neck tree halfway up the mountain at this moment.

Li Tian was covered in blood, and at this moment he only felt hot pain all over his body! The face, hands, body, and everywhere are the welt marks of the goddess Xue Ji!

Li Tian endured the pain at the moment, glanced at the surrounding environment, and said angrily: "Dead woman, one day, I will let you kneel down and beg me!"

After roaring out, Li Tian suddenly accumulated internal strength, and then suddenly kicked on the rock wall, and then flew down under Qianxue Peak like a wild goose!

Now he doesn't have the courage to climb the Qianxue Peak again!

Because he knew that his strength was so different from the goddess.

After that Li Tian flew down from the mountainside, Li Tian quickly found a place to heal his injuries first.

The injuries on his body were very serious...If it weren't for having a strong spiritual body, I'm afraid he would have died ten thousand times.

I saw that Li Tian was looking for a secluded place, then he took off his clothes slightly, and saw that his body was covered with hideous bloodstains! There is even this hideous bloodstain on the handsome face!

Touching his wound, Li Weitian cursed, "Dead woman! I, Li Tian, will let you double back one day! Humph, not only that, I will chop off your ancient beast, the nine-tailed phoenix. Now, make the soup and drink it. By that time, I don't think you can pull it!"

Chapter 2989: water man

After saying these words, Li Tian suddenly smiled bitterly there.

"But when the **** can I beat that unreasonable goddess?"

"Hey, that goddess is so powerful! And it's at the same level as White God and Wood God! How can I beat her?" Li Tian said with anguish.

Thinking of this, Li Tian began to heal himself there.

Li Tian has a strong spiritual body, so the injuries he suffered are just ordinary skin injuries!

In this way, Li Tian, who had been treated for a while, was alive again, but the tingling pain in his whole body still tortured him slightly.

"Qianxuefeng can't go anymore! If you go again, you will definitely be beaten down by the dead woman!" Li Tian said while looking up at the towering Qianxuefeng.

"It seems that I have to improve my skills first! Then I can go to Qianxue Peak and find that arrogant and unreasonable woman... revenge." Li Tian murmured.

Li Tian, who was saying this, began to walk forward slowly.

"Hey, I don't know what happened to Elder Long, and Old Dean Hollis, and Ningbing?"

"Presumably they should have all been soaked in the spiritual water spring!"

"According to time deduction, they have now entered the so-called thirteenth heaven." Li Tian murmured in that thought.

When Li Tian suddenly remembered the "Thirteen Heavens" in his mind, Li Tian was stunned there.

"By the way, why am I so stupid? How can I forget the thirteenth heaven?"

"Remember that Wood God said at the time that there was the strongest illusion in the world in those thirteen days! All the illusions in the world were in those thirteen days... If I enter the thirteen days, I will definitely learn a lot The magic of magic! In this case, I can deal with this goddess! Then help Situ Ningbing to heal the disease." Li Tianzai said with such excitement suddenly.

Although he did not enter the "spiritual water spring" to soak, he ate so many "fairy fruits" by accident, and his spiritual power was greatly improved!

So Li Tian at this meeting is thinking before and after, he feels that the first step he has to do now is to make his "gong power" stronger!

Only by making himself stronger can he save that Situ Ningbing.

After Li Tiantian suddenly made up his mind, he was ready to go to the thirteenth heaven.

At this moment, Li Tian was standing upright, flying over the tallest tree, and then looking up at the thirteenth heaven.

I saw that in the eastern sky, there was a towering tower standing in the clouds and mist.

That is the thirteenth heaven!

Thirteen-story tower!

Every layer is a realm! There are 13 levels in total!

So far, there has never been a single person or a ***** in the entire Lingtu Continent who can reach the realm of the thirteenth heaven.

Looking at the thirteenth heaven towering into the sky, a sense of fanaticism suddenly appeared in Li Tian's eyes in front of him.

"Okay! I will go to the thirteenth heaven now and learn the strongest illusion in the world!"

After the words were finished, Li Tian flew straight up, and then flew toward the Sky Tower in the east!

...

Thirteenth Heaven!

The place where it is located is on a weird island.

This island is much smaller than the island of the temple.

Around the island, there is a vast lake... The lake connects the two ends of the island. If you want to enter the thirteenth heaven, you must pass the lake!

This lake is very quiet, with the breeze blowing, small ripples will appear on the lake!

At this moment, I saw a dark shadow suddenly flying from a distance.

I took a closer look, but I saw that the figure flying by was astonished that it was Li Tian who had come!

It turned out that Li Tian flew fast all the way, and then reached the thirteenth heaven so quickly.

Looking at the ancient Sky Tower across the lake, Li Tian felt a special excitement in his heart at this moment.

"Thirteenth Heaven, I finally arrived." Li Tian said in that mouth.

After speaking, he glanced at the quiet lake in front of him, then stretched out his figure, ready to fly over.

As soon as the figure showed off, Li Tian was like a big peng bird, and then flew towards the lake...

But his body just flew up, and suddenly there was a loud noise in the quiet lake! Then Li Tian was taken aback. Just when Li Tian didn't understand why there was a strange noise in the lake, a "water column" shot out directly from the lake, but when he saw that bright drop of water, it suddenly turned into He grabbed an arm, then suddenly grabbed Li Tian, and threw it hard!

Li Tian only felt that his whole body was out of control, and his whole body was thrown away by the terrible current arm.

With a plop, Li Tian's body was thrown back to the shore... and then he fell heavily to the ground.

"Nima, what is it?"

Li Tian was thrown to the ground at this moment, and while roaring, he got up from the ground while screaming.

I took a closer look, but saw that it turned out to be an arm just now! ! !

An arm condensed from water flow! ! !

"That...that...what is that?" After seeing such an arm formed by a stream of water, Li Tian was suddenly taken aback there, then stared at the lake with wide eyes.

But seeing that the quiet lake suddenly began to sway, moving round and round, and then "booming", I saw a "water man" suddenly emerged from the lake.

The whole body of the "water man" is flowing water, transparent and clear! With two arms and two ankles! The whole body was twice as large as the average person, and he stood in the middle of the lake just like that at the moment.

water man?

When Li Tian was speechless after seeing the "water man",

He couldn't believe that such a weird waterman could emerge from such a lake?

Looking at the water man, Li Tian was suddenly depressed.

He looked left and right, and suddenly found that the water man seemed to be guarding the "Thirteenth Heaven"!

It turns out that this water person is indeed guarding the thirteenth heaven, and not every mortal can enter the thirteenth heaven! Under normal circumstances, you can only enter under the leadership of the temple! The rest of those who enter will all be blocked! And now Li Tian wants to enter the thirteenth heaven rashly, so the water man just blocked him

Li Tian looked at the water man at this moment, but when he saw the water man, he also had eyes, nose, mouth...the whole person was exactly the same as a human, and he looked really cute.

Looking at the water man, Li Tian suddenly said, "Hey, brother Water man, are you guarding the holy thing of the thirteenth heaven?"

Chapter 2990: Destroyer

Following that Li Tianwen's exit, the "water man" in front of him suddenly moved there.

Don't know it is a response? What are you doing?

Li Tian saw the water man moved a bit, and continued to say: "Brother Water man, can you speak?"

The "water man" floating on the lake did not move.

"Uh, it looks like you can't speak!"

Seeing that the water man did not reply, Li Tian could only say at this moment: "No matter, brother Water man, in the next Li Tian, I want to ask for convenience today and enter the thirteenth heaven. I hope you don't have to Stopped me."

After saying this, Li Tian glanced at the water man!

After seeing that the water man really did not move, he began to stand upright and continued to fly from the other side of the lake towards the "Thirteenth Heaven" on the other side of the lake.

At the moment when Li Tian just flew up, the motionless "water man" suddenly moved.

Immediately afterwards, a wave suddenly appeared in the quiet lake...Then the whole water rumbling up to a height of more than one foot, all rolled towards that Li Tian.

Li Tian was shocked when he saw the water flowing towards him.

what?

With an exclamation, his body quickly wanted to retreat.

But just stepping back, two cold hands behind suddenly grabbed Li Tian.

Li Tian turned his head and looked, Nima, this water person again?

The water man didn't know when he actually ran behind Li Tian, and then the two flowing arms directly grabbed Li Tian's shoulder, and then threw it hard. Li Tian was once again thrown at him like a ball. ashore!

Plop!

Li Tian's body fell heavily to the ground, causing pain all over his body.

Li Tian, who touched his painful **** and got up, was really angry and angry at the moment.

"Damn, you water person, do you have to stop me today?"

"Huh, if you stop me again? I have to beat you back to the original shape today." Li Tiannu said.

Li Tian, who was saying this, flew to the lake again.

Just flew over, but saw that the water man attacked Li Tian again.

But he said that Li Tian would certainly not be attacked by the water man again this time! Seeing the water man attacking, Li Tian suddenly displayed the "Wind Mystery Step" under his feet, and then the extremely fast figure quickly dipped on the lake, avoiding the blow of the water man.

After seeing Li Tian avoiding a blow, the water man suddenly struck Li Tian with an arm.

Whoosh!

But the arm of the man who saw the water... can shrink and grow... suddenly rose more than ten meters away, and then attacked Li Tian.

When Li Tian saw it, he was shocked at the moment, his toes lightly touched the surface of the lake, and then his right hand quickly took a palm!

boom!

The palm strength collided with the water man's arm, and there was a crash, but I saw that the water man's arm turned into running water! ! !

When Li Tian saw that the water man's arm turned into running water, he was stunned, "What's the matter?"

When he was surprised, suddenly, a stream of water suddenly grabbed Li Tian from behind to his back.

Li Tian felt that something was ringing behind him. At this moment, he was taken aback and looked back quickly. At this look, he was really shocked. It turned out that the water man had reached behind Li Tian without knowing it...

Just when Li Tian was surprised, the water man suddenly grabbed Li Tian's ankle with both hands, and then slammed into the water!

With a plop, Li Tian was dragged into the lake by the water man.

Guru Guru!

Li Tian was pulled into the lake, and he drank a few sips of water in his mouth...He quickly performed illusion skills, and then kicked his feet suddenly, and then the whole person flew out directly from the lake.

Cough cough cough!

Li Tian, who had just flew out, vomited, and spit out a few mouthfuls of lake water.

"Your uncle, smelly water person, are you attacking me?"

"This time, I want you to look good!"

Li Tian was irritated at this moment.

After being enraged, but seeing Li Tian suddenly cast a fire illusion!

"I burned you to death, stinky water person!"

With a roar, Li Tian's palms began to accumulate infinite flames. It was the "fire art". After the flames suddenly emerged from Li Tian's palms, Li Tian suddenly turned towards the water. People hit it.

One by one, the fireballs flew towards the water man!

But seeing that water man is also extremely smart. When he saw the fireball flying towards him, its body suddenly merged into the lake, and then disappeared!

"Want to run?"

"Where do I see you running?"

Li Tian shouted angrily, and suddenly displayed the "Wind-type illusion", a gust of wind blew, and then the quiet lake began to rippling.

The water man who got into the lake was blown by the strong wind, and his body appeared slightly on the surface of the lake.

At the moment when the water man showed his true shape, suddenly Li Tian quickly displayed his slavery technique!

Then the slave air technique directly controlled the water man, and then pulled it violently, but seeing that the "water man" was suddenly sucked in by Li Tian with real energy, he was instantly sucked into the air.

"Hey, this time, where do I see you running?"

Li Tian tightly controlled the "Waterman" with that slave-qi technique. As long as Li Tian at the moment used the "Fire Element" illusion again, he would be able to completely melt the waterman!

But Li Tian didn't do that. He was just controlling the water man in front of him with slavery skills!

But after seeing that the "water man" was controlled by Li Tian, he suddenly uttered a "squeaky" cry, the voice was very small...like pleading.

Especially those big shining water-like eyes looked at Li Tian pitifully, as if begging for mercy.

Li Tian saw the appearance of this "water man" and thought about it, "Forget it, for your pitiful sake, I will let you go, but you must not stop me from entering the ten. It's the third heaven, if you dare to stop me anymore, I will be rude to you.

Li Tian said to the "water man", while slightly releasing his slavery skills there.

After the release of his slave air technique, the water man fell into the lake with a plop.

But seeing the water man floating above the lake at this moment, those strange water eyes glanced at Li Tian at the moment, his mouth squeaked a few times, and then his whole body suddenly plunged into the deep In the lake.

Seeing the water man just dived into the deep lake like this, Li Tian smiled.

It seems that the water man has succumbed and stopped himself.
