

A Killer 30

Chapter 30: Pretend to be my boyfriend

"Then what are you talking about?"

"But I can talk about it in advance. If you want to ask me to borrow money, it's not necessary to talk about it. I don't have any money. I have to find a job today." Li Tian went up and said.

This guy is an out-and-out miser, there is no doubt about it,

When Feifei heard Li Tian say this, she gave Li Tian a fierce look.

"Sneaker, Tubao, this lady is borrowing money from you? Are you crazy?" Feifei said angrily.

Li Tian smiled happily: "Okay, as long as you don't ask me to borrow money, just tell me, what's the matter?"

Feifei didn't care about Li Tian, and said slowly there, "Can you do me a favor? If you help me, I will never treat you badly at that time. I will get a lot of money from you."

"Really?" Li Tian said with a smile.

Feifei said solemnly: "Of course it is true."

"You can pull it down, you don't have any money on your body now, give me the money? You think I am stupid." Li Tian said with a smile.

Feifei suddenly became angry when she heard this guy regard herself as a master without money.

"Do you really know that you are a bun, or are you fake? Qian doesn't catch a cold to this lady at all. I tell you, this lady with the surname Li is too lazy to tell you who you are. I'm going to tell you. You're dead." Feifei said angrily, inserting Xiaoman's waist.

When Li Tian heard this, he slanted his eyes and looked at Feifei and said, "Really? Then tell me, what is your status and see if you can really scare me to death. Are you a royal nobleman? Or a daughter of a big enterprise?"

Following Li Tian's words, Tang Feifei's lungs were about to explode. She never thought that she would be considered a liar by a single person, and she would still be a liar pretending to be a rich man.

Tang Feifei, who has lived for 20 years, can say that she lacks everything around her, that is, she doesn't lack money. Now she is considered a liar who pretends to be a rich man. How can the daughter of the Tang company bear it.

"You...you...you are a pig." Feifei couldn't think of a more suitable word to scold Li Tian.

Li Tian waved his hand slightly and said: "Forget it, forget it, I won't quarrel with you, let's talk quickly, what's the matter? I'll have to find a job later."

Feifei didn't bother to care about him, thinking in her heart, as long as he agreed to do it.

After thinking about it, I looked at Li Tiandao and said, "I want you to do me a favor?"

"What's busy?"

"You, you, you pretend to be my boyfriend for a few days, just a few days." Feifei blushed and said there.

Although there has always been a little savage girl, Feifei, she is a girl after all, so when she said these words, her face turned red and her voice became very small.

But Li Tian was stunned.

"What? I didn't hear clearly!" someone said deliberately there.

Feifei blushed and tightly clenched her pink fist and said, "I said, can you pretend to be my boyfriend for a few days?"

Li Tian really heard clearly at this meeting.

"Pretend? Be your boyfriend? Girl, are you okay?" Li Tiandao said.

"You have something wrong." Feifei glared at Li Tian and said angrily.

"Then why are you asking me to pretend to be your boyfriend? Are you short of love?" Li Tian said with a smile.

Feifei couldn't explain clearly to this guy, she was so angry that she was going crazy.

"The surname is Li, do you agree or not?" Feifei blushed and said, she suddenly felt that she had lived for 20 years, and today is her most embarrassing time.

Li Tian smiled and said: "In fact, it's not bad to pretend to be a beautiful boyfriend like you, but I'm afraid you will play with me."

Upon hearing this, Feifei suddenly felt hope: "No, how could I fool you, handsome man, you are my savior."

"Go, don't come to this set."

"You tell me, why should I pretend to be your boyfriend? Is it because you owe other people money for fear that others will ask you for it, and then let me stand for you as a dead ghost?" Li Tian guessed.

"Tubaozi, can't you say something else? When did Tang Feifei lack money?"

"Then why do you let me pretend to be your boyfriend?" Li Tian asked.

Feifei thought for a long time and then said, "Anyway, if something is going on, will you help or not? If you help me, I will definitely find a miser for you a lot of money. My Tang Feifei never counts, I promise not Lie to you."

"You have money? Ghosts believe you." Li Tiandao said.

"Then you don't help me?" Feifei jumped up and cried.

Li Tian thought for a while, looked at Feifei, looked at her all over, just like the old gangster, hehe smiled and said, "Can we just pretend that I can just be your boyfriend?"

"Go to hell...the ghosts will fall for a miser like you." Feifei said, flushed.

Her classical melon seed face, which was originally exquisite to the extreme, was flushed with strength at the moment, and looked even more red and lovely.

Li Tian didn't think it was too late to watch.

Muttered in his mouth: "This girl is really beautiful and can compare with some of us (wife who has not been through the door)."

"Well, because I Li Tian is a big man, I will help you once for free, but I have something to say in front. We are a five-good young man, just pretending to be boyfriends, kiss, hold hands. But the one that really wants to be real, I don't do it." Someone said.

"Go to die..."

Feifei cursed, her pretty cheeks flushed like a big red Fuji apple, and she really wanted to go up and take a bite.

"As long as you do well, this lady will definitely not treat you badly in the future." Feifei said with a smile.

"Come on, I just want to help you, you should be as far away as possible from me as soon as possible." After saying that, Li Tian walked towards the door.

"Where are you going?"

Feifei asked behind.

"Eat breakfast....."

"I'll go as well."

Feifei trot and followed.
