

A Killer 301

Chapter 301: real or fake? (1 burst)

Facing her father's roar, Duanmuying lowered her head and dared not speak.

However, he saw that Duanmu Heiming in the dark heard his daughter say for no reason: At the moment when Rashomon was furious, he suddenly whispered in anger, "How is it possible!"

"Rashomon: How can the nine styles be learned by others?"

"Ying'er, if you dare to lie again...I..." Duanmu Heiming's voice in the dark hides an invisible murderous intent.

Seeing the anger of her father, Duanmuying suddenly dropped tears in her beautiful eyes and stood there silently.

The entire dark space was suddenly silent.

Duanmu Heiming seemed to feel his daughter crying, and no longer screamed.

Silence, death-like silence finally rang in Duanmu Heiming's sigh.

"Ying'er, for so many years, I know for my father that you have suffered a lot of wrongs, and that you have been unhappy since your mother left, but you should not lie to me!"

"You have to know that Rashomon Kungfu is the lifeblood of our Duanmu family... Except for your uncle who has been dead for many years, no one in the world knows the Rashomon nine styles, including, I haven't studied Rashomon. Nine styles, but how can you say that an outsider has learned the supremacy of our family?"

"Ying'er, if this matter is spread, wouldn't our Duanmu family be ridiculed by the other three families? Then they will definitely target us. Once at any time, our Duanmu family won't want to stand here again. "

Listening to Duanmu Heiming's words, Duanmuying slowly lowered her head.

"Daddy, I was wrong." Duanmuying admitted.

Now maybe even she is doubting herself, doubting the truth that her eyes see.

Rashomon's kung fu has always been difficult for anyone to learn except for the insiders of the Duanmu family.

Rashomon: Nine styles are the essence of Rashomon's martial arts. How could Li Tian, a person in his 20s in his grade, learn it? The Duanmu family has his own erudition and versatility. His father from Tonggu to the present has not studied the Rashomon Nine Styles, and there are still fearful and invincible four elders who have not studied the Rashomon Nine Styles. In this way, with strength and darkness In the family of faith, everyone is studying to make his own power stronger almost every day, but how can he be an outsider suddenly learn the nine styles of Rashomon?

After Duanmuying thought about it this way, she suddenly felt that she was absurd. How could she be so firm in thinking that he would be a Rashomon nine styles?

I am mistaken!

This would even start to doubt herself.

"Ying'er, don't intervene in this matter for now, I will deal with this matter as soon as possible by the people in Anbu." Duanmu Heiming said suddenly in the dark.

Duanmuying did not speak, her mouth moved slightly, as if she wanted to say something, but in the end she held it back and stood there and nodded silently.

Duanmu Heiming continued in the darkness and said: "Since the Ouyang family has asked a group of people who are not afraid of death to do things for him, they are afraid of conflicts with our family. Since there are people who are not afraid of death, I will kill them all. "

As the ghastly words uttered, it was obvious that this murderer in the dark was going to kill Li Tian and the others.

When Duanmuying heard her father say that she would kill Li Tian and the others, she couldn't help but startled slightly. Her delicate little face looked at the darkness, not knowing what she was thinking.

Since the last time, Li Tian and his brothers have been staying inside the room for two days.

The clues of Baotong Company are completely broken. I heard that the current Baotong Taxi Co., Ltd. has begun to close. Even the previous Baotong Company taxi drivers on the street have begun to decrease.

This situation undoubtedly disconnected the clues Li Tian and the others were looking for.

Li Tian in the room is now depressed.

First, they didn't know where the Duanmu family was. For that mysterious and dark family, maybe everyone sitting there didn't know where to look for it, as if Li Tian could only be in a passive role.

Second, what Li Tian is most worried about now is the passage of time, because as time goes by, he becomes more and more worried about the poisoned future wife Situ Ningbing. He doesn't know how she is now, but it is a pity. Know where to find her.

A person sitting in the room quietly smoking a cigarette. The ashtray next to him has been stuffed with 5--6 cigarette butts. The whole room is smoky. There is still a stick between his fingers. Suck there.

After smoking the cigarette in his hand, Li Tian went downstairs.

Downstairs I saw Tang Xiaolong watching TV boredly, and Chen Qiaozhi and A Qiu beside him were also sitting there.

When he saw Li Tian come down, he smiled slightly as a greeting.

Li Tian also sat there quietly, his brows locked tightly.

Then Chen Qiaozhi couldn't help turning his head slightly, looking at Li Tian and asking, "What is the origin of that woman last time?"

After Chen Qiaozhi spoke out the words, Tang Xiaolong who was next to him was also interested, and he hurriedly leaned over and asked, "Yes, little boss, what is the origin of that pretty coquettish woman?"

What they asked was naturally that Duanmu Ying.

Li Tian smiled bitterly and said: "Actually, I am not familiar with her either. I just met two people beforehand. The first time I saw her was in Kyoto City. I didn't know that she was from the Duanmu family at that time. I didn't know her surname Duanmu until she told me her name. The second meeting was when I first came to Jinghai City last time. She slaughtered the Tu Wei who had been killed by the Ouyang family. It was just me at the time. It's the end of the battle, and I watched her disappear from me, but there was no alternative."

After hearing what Li Tian said, Chen Qiaozhi frowned slightly.

"That woman is definitely not a simple woman, her identity must be very high in the Duanmu family." Chen Qiaozhi said softly.

Tang Xiaolong next to him smiled and said, "But that girl is really pretty."

Chen Qiaozhi glared at him as soon as he said this sentence.

"There is something I don't know if I should ask!" Chen Qiaozhi in front of him suddenly asked, staring at Li Tian.

Li Tian was startled slightly, looking at Chen Qiaozhi and said: "It's okay, can you ask?"

Chen Qiaozhi thought for a while and stared at Li Tiandao and said, "I heard that the reason you dealt with the Duanmu family was because you had a friend who was poisoned by their family's Sanshengmen? Is this true or false?"

Chapter 302: Looking for her (2 explosions)

Following Chen Qiaozhi's question, a sad expression appeared on Li Tian's face, where he nodded silently.

"Yes." Two words came out helplessly from his mouth.

"Really?" Tang Xiaolong over there also looked at Li Tian curiously.

Just listen to Li Tiandao: "The Sanshengmen poison in her has been around for a while, and I really don't know what is going on with her now... It's a pity that I am too useless, and now I don't even have a clue about the Duanmu family." Li Tian said regretfully.

Chen Qiaozhi beside that said: "No, this is not to blame you."

"The Duanmu family of the four major families in China is by no means as simple as you think. The average person may have died tens of thousands of times... at least by the Duanmu family and slaughtered several times, but at least you are still alive now, as long as you live There is hope, isn't it?"

For Chen Qiaozhi's comfort, Li Tian smiled bitterly.

He is very anxious now, but on the face he has to pretend to be indifferent, because even if he is anxious now, it will not help, they can't find the slightest clue to the Duanmu family.

"Which of your poisoned friends is there now?" Chen Qiaozhi turned to look at Li Tian and asked.

Li Tian hesitated in his heart, and said disappointedly: "I don't know that she is there now... I only know that she came to Jinghai City alone, looking for the Duanmu family and detoxifying!"

Hearing that even Li Tian himself didn't know that his poisoned friend was there, Chen Qiaozhi couldn't help frowning slightly.

"The huge crowd, since you have no clues to find your friends, then you are in trouble, even if we are lucky enough to help her find the antidote to the Sanshengmen poison, but if you can't find your friend by then, how about Isn't everything wasted?"

Chen Qiaozhi was right, and this was what Li Tian was most worried about at the moment.

Yes, if Li Tian and the others were lucky enough to get the antidote to the Sanshengmen poison, but if they couldn't find Situ Ningbing, wouldn't it be a waste of work?

"What do you mean?" Li Tian asked, blinking at Chen Qiaozhi.

Chen Qiaozhi said: "The best way is to find your friends first!"

"Now that the Duanmu family's clues are broken, we have no choice but to passively let them find the door by themselves. Since we have this free time, why not find one of your injured friends first?"

Listening to what Chen Qiaozhi said before him, Li Tian suddenly became clear.

"Yes, I should indeed find her first!"

"No matter what, I will see her and see how she is now..."

With excitement, Li Tian nodded quickly.

"Okay! It's so decided."

"By the way, what's your friend's name? What does it look like? I know a lot of friends in Jinghai City, so I can help you inquire about it?" said Chen Qiaozhi in front of him.

This once stellar character does have many friends in Jinghai City.

So if he really came forward to find someone, he must have a much better chance than Li Tian himself found a needle in a haystack.

Li Tian thought for a while and said, "Her name is Situ Ningbing...does it look like? It's beautiful!"

Listening to Li Tian's words, Tang Xiaolong over there laughed.

"Little boss, it turns out that you are also a nympho, you only say that she is beautiful, but the brothers don't know what she looks like... how to find it?"

Chen Qiaozhi said on the side, "I have a way."

"any solution?"

"As long as you remember her appearance, I can find someone to use a computer to figure out her appearance. Although it is not so similar to the photo, at least it has a nine-point look. In this case, I will ask a friend on the road to find it for me. At any rate, there is also a goal."

Li Tian couldn't help but exclaimed when Chen Qiaozhi said so.

This seems to be the only best way. After all, Li Tian doesn't even have a picture of Situ Ningbing. If there is no reference, how can I find it? Could it be that Situ Ningbing's name was being called out on the street?

This is certainly not realistic.

So after Chen Qiaozhi said this, he found his friend in the afternoon, who turned out to be a friend in Jinghai City Police Department.

Wearing a full-length police attire, Li Tian was shocked when he came over.

It turned out that this police friend of Chen Qiaozhi did the actual evidence identification work in the Metropolitan Police Department, and he was also proficient in imitation.

Isn't this? After asking Li Tian about Situ Ningbing's appearance and characteristics, he began to make her appearance in front of the computer.

Put the puzzle piece together bit by bit.

"Fine eyebrows..."

"The bridge of the nose is a little lower, and then higher, her eyes are very cold and beautiful..."

"And that look, the look is a cold and glamorous look."

Li Tian told the police man about Situ Ningbing's beauty while the police man was doing puzzles.

Soon the sketch map was revealed.

When successful, the police man pointed to the rendering above and said to Li Tiandao, "Is there any place to be modified?"

Seeing Li Tian was shocked.

"My deed, it's so similar!" Li Tian sighed in surprise.

Tang Xiaolong on one side couldn't help but blink his eyes to look at the sketch, his eyes widened: "I'm x, so beautiful? It looks like a fairy, really fake?"

"Too much! Too much like." Li Tian said there.

To be honest, the jigsaw is really similar, exactly the same as that of Situ Ningbing's sketch.

Although it is not as imaginative as the picture, it is now enough to make people recognize who she is from the portrait in front of them.

Who made Situ Ningbing look so beautiful and outstanding?

After thanking the policeman who came to help, Li Tian held the sketch in his hand as if he felt that Situ Ningbing was right in front of him.

Chen Qiaozhi, who was next to him, glanced at the sketch and said: "It seems that if she is in Jinghai City, she should be easy to find, because she is indeed beautiful and outstanding."

"Yes, such a superb beauty is absolutely unforgettable at a glance." Tang Xiaolong also said.

Li Tian laughed when he heard the brothers say this.

"Give it to me, I will find someone to print more, and then I will give it to my friend on the road in Jinghai City."

Chen Qiaozhi said.

After Li Tian handed Chen Qiaozhi the sketch in his hand, they began to look for Situ Ningbing who was wandering in Jinghai City.

How is she now?

Is the poison on her body getting heavier now?

No one knows all of this. The cold and stubborn girl really doesn't know that she is still suffering there now?

Since Li Tian obtained the sketches of Situ Ningbing, Chen Qiaozhi immediately passed these sketches to his friends on the road in Jinghai City.

The roads of Jinghai City soon began to help him find outstanding and beautiful women.

But can they find it?

Chapter 303: The Barbarian Sangbiao (3 bursts)

In the dark and damp basement, a ray of light came out.

With the sluggish light, she could see her pale face, bloodless.

She stood quietly in front of a stone wall in the basement. On the stone wall was a detailed map of Jinghai City, all of which were outlined in X shapes with red pen. Look carefully at the name of the place she outlined: Bai Lao Nightclub, DJ heaven, underground casino...

These are all night spots on the underworld in Jinghai City.

Of course, those who own these night venues are naturally famous figures in Jinghai City.

Why does she use red pen to outline the shape of an X in these places?

If you know the news on the road in Jinghai City, you must know that the Broad Nightclub, DJ Paradise, and the underground casino have all been closed for a while.

There is no way for outsiders to know why the business suddenly ceased.

The only thing they knew was that in the recent period of time, all of these venues in Jinghai City suddenly ceased business, and the younger brothers in those night markets were all panicked, as if they were afraid of something.

There are even rumors that the bosses of these night clubs were killed overnight, so they are so panicked one by one? Although this news is not known whether it is true or not, it can be seen from the fact that all of their once glorious venues have ceased business overnight, it is definitely something big.

Why? No one knows.

The words turned back, but she said that she was holding the red pen in her hand at this moment, continuing to look for the target on the map, and slowly outlined it.

"New Century Dance City!"

When her cold eyes were betting on the "New Century Dance City", she slowly used that weird red handwriting to draw an X shape on it.

Then she turned around and dropped the red handwriting from her hand.

Through the wilting light, you can see her profile clearly. It is a face that is full of country and city, but that face is a little sickly pale, with no blood at all, she seems to come from the dark, standing in the basement.

There was still a ticking sound of dripping water in the passage in the basement, and occasionally I could hear the rattles running by, but all this was indifferent to her.

She just stood there quietly, and slowly picked up a gold wire that was thinner than a needle on a simple iron bed.

Deadly silk!

Yes, the deadly weapon in front of you is the deadly silk.

As she slowly picked up her left hand, and then wrapped it around her right wrist one by one, the deadly weapon was hidden on her white wrist like that.

She turned her face slowly by the light.

Her face clearly appeared in the light.

Gosh? is her.

The former Qisha killer: Situ Ningbing, Li Tian looked for her hard.

Yes, she is Situ Ningbing.

Now she lives in this dark and humid basement, which is extremely dirty, and there are cockroaches and rats, but she is not afraid at all.

She is undoubtedly the strangest picture of a beautiful woman like an angel living in such a basement.

It's like a strange beauty in the ruins, so weird.

Why did Situ Ningbing just use red handwriting to outline the markers on the map?

What kind of connection does the Broad Nightclub, DJ Paradise, and the underground casino have to her?

And what does the "New Century Dance City" that she suddenly crossed this time mean?

What kind of connection does all this have to her?

Situ Ningbing, who had stayed in the dark basement for a while, suddenly convulsed, and that pale and pretty face became painful in an instant.

She clenched her teeth, pressed one hand against the pain in her chest, and slowly squatted down, as if the pain was overwhelming for her.

After squatting on the ground for almost a minute, her body slowly returned to static, and then one hand pressed on the small iron bed next to her to straighten up slowly, and at the same time she was still panting violently in her mouth. The face was pale and terrifying.

There is no doubt that the pain just now was due to the Sanshengmen Poison in her body.

It turned out that before, it was just a three-life phytotoxin that recurred every once in a while, but now? It has become recurring at any time, and the piercing pain sometimes makes her want to kill herself.

But she is still insisting, insisting on living.

After staying quietly in the dark basement for a few minutes, the pain in his chest gradually disappeared.

Then she slowly turned around, and finally glanced at the map on the icy stone wall: New Century Dance City, and then walked outside with firm steps.

Passed through the cold underground passage, and then walked up the stone steps. In front of it was a rusty iron door. After gently opening it with her, the turbulent world outside was completely closed to her eyes.

At this time, the sky has become dark, and there is a bright light outside.

Situ Ningbing, who came out, blinked her eyes and glanced at the endless stream of people, then turned her head and walked step by step in the direction of New Century Dance City.

New Century Dance City is one of the most popular underground venues in Baima Street.

There are not only the most beautiful women, but also the best service.

Every night, I heard that New Century Dance City's circulating funds have reached more than one million yuan. Although this news is a bit unreliable, it can be seen that this place is by far the hottest place in this area of Baima Street. .

Because the Bailao Nightclub and DJ Paradise have been closed down, those who like to travel at night put all their sights on the New Century Dance City, which used to be a very lively New Century Dance City. 'S hot.

From a distance, I saw the colorful and colorful signs of the New Century Dance City.

The New Century Dance City has four floors in total, which is grand and powerful.

I heard that the name of the person who covers this place is called Sangbiao. This Sangbiao is a character who used to rise in the dark in Jinghai City.

He can fight, slash, and has been in jail. All brothers in the road call him a barbarian.

After being released from prison, Sangbiao covers this New Century Dance City. It is said that after Sangbiao covers this place, no one has ever dared to go wild in this New Century Dance City.

At this moment, in the New Century Dance City, you can see young men and women coming in file towards this high-end venue from a distance.

A hot ***** appeared on their faces.

The few at the door were greeted by the few but very beautiful beauties with thick and pink makeup.

Chapter 304: New Century Dance City (4 bursts)

The slender legs and the bare white skin undoubtedly made this place full of depression and depravity.

But these young people who came in file seemed to like this kind of depravity, and they all entered the dance city of the new century one by one with smiling faces.

When I walked in, I heard the deafening and depraved DJ's slow hi, and then I could see all kinds of men and women on the huge dance floor. They played with their bodies on the dance floor, full of sex, full of ***** With passion...swing there.

On the left side, I saw 6-7 burly and powerful men standing in a row, standing behind their hands.

Those who often play in the new century must know that these people are the savages of the barbarians.

It is precisely because of the presence of these people that no one dares to be presumptuous in the New Century Dance City, but today seems particularly strange, because there are usually only a few macho men watching downstairs, but today But it was different, because downstairs were not only 6-7 burly men standing here, but also a few sturdy hunks standing on the bar.

Why is there so many guards in today's New Century Dance City?

And they looked at the whole place with their eyes filled with cautious eyes, as if they were paying attention to something.

Such a weird scene undoubtedly makes people doubtful?

What are they paying attention to? Why are so many people watching the New Century Night Market tonight?

The lights are still flashing gorgeously, and the young people who are immersed in the drunken music are still jumping, kissing, and doing...

On the towering stage, a few revealingly dressed ***** women were there wantonly fiddling with the seductive parts of their bodies, and the fascinating music completely indulged these people.

The entire New Century Dance City is full of strong tobacco and the depraved taste of alcohol.

But at this time, there was a lonely and special figure walking towards here step by step.

She was wearing a black leather jacket, and she seemed to melt into the dark night, slowly walking towards the New Century Dance City.

She has black hair and a tall and slender figure.

Her face was nearly 10,000 times more beautiful than those beautiful girls standing at the gate of the New Century Dance City, but her pretty face was slightly pale.

She is Situ Ningbing.

When they arrived at the gate of the New Century Dance City, the few welcoming and pretty women standing at the gate couldn't help being stunned when their eyes were on Situ Ningbing.

The first thing that shocked her was her appearance, because her beauty was even more delicate and beautiful than the most beautiful woman in the night.

Then he felt a cold breath, which burst from her body.

Like, like a piece of ice frozen in the ice cellar, suffocated and cold.

Several women standing in the New Century Dance City looked at Situ Ningbing who walked in step by step, and their eyes widened.

Apart from jealousy in his eyes, there was more speechless suspicion.

"What woman? How can it feel like that?"

One by one, they looked at her back in amazement.

Why does this woman feel so cold?

The coldness makes them a little scared?

But that feeling disappeared as soon as Situ Ningbing walked in. Of course, these women at the door would not slow down their work because of her, and continued to wink at the young people who came and went to win guests.

As Situ Ningbing walked in, the dim light and deafening DJ sound made the young people on the dance floor crazy.

Of course no one cares about her presence.

She lifted her indifferent beautiful eyes and glanced coldly at the New Century Dance City in front of her, and then put her cold eyes on the few big guys who were watching over there. She glanced, without words or expressions. , Walked towards the stairs on the left.

The New Century Dance City has four floors. The first floor is a dance floor, the second floor is a KTV box, the third floor is a VIP room, and the fourth floor is a chess room.

Where is Situ Ningbing going to?

I saw her indifferent figure when she reached the top of the stairs, and there was a pair of very affectionate women and men in the narrow stairs, hugging and kissing each other presumptuously.

The man is pink and handsome, with both hands touching the coquettish woman in his arms wantonly, while the woman is uttering aloud at the baby, enjoying it. The smell of alcohol can be felt from their mouths. Come out, these two young people should be because of the excessive drug use, right?

The most depressing thing is that the stairs are very narrow, and the two people actually blocked the stairs.

No, Situ Ning, who came by, glanced coldly at the man and woman who was kissing passionately in front of him, suddenly raised his arm and grabbed the little handsome guy's shoulder, and then slammed.

With a bang, the little handsome guy was thrown 2-3 meters away.

The glamorous woman also widened her eyes at the moment, and she was taken aback for a while, just about to curse, but when her eyes suddenly touched the cold eyes of Situ Ningbing, she suddenly felt a chill from the soles of her feet. The feeling of suffocation.

Then he closed his mouth tightly, didn't dare to say a word, quickly put on his clothes and ran away.

In the chaotic hall, who would notice the slight movement here? The little handsome guy was thrown out, his mouth was sore, and he was completely covered by the dj's voice.

At this moment, Situ Ningbing began to walk towards the stairs step by step.

But at this moment, one of the 185 cm tall men with sharp eyes on the left side of the first floor suddenly saw the scene just now.

His gaze was suddenly fixed on Situ Ningbing, who was walking upstairs step by step.

Then he hurriedly greeted several strong men around him, pointed his finger at Situ Ningbing who was slowly walking towards the stairs, and whispered a few words beside his companion.

Because the DJ sound on the dance floor on this floor is full of Thai noise, it is impossible to hear exactly what they are talking about.

But following what they said, the 6-7 strong men on this side quickly ran towards the stairs over there.

Because there were many people in the middle of the dance floor, these majestic men suddenly knocked them away and fell to the ground.

"Step aside!"

While the 6-7 strong men violently pushed away the crowd blocking the way, they chased Situ Ningbing.

At this moment, Situ Ningbing had reached the corridor on the second floor, and when he was about to continue walking towards the third floor, he suddenly heard messy footsteps running towards him behind him.

Chapter 305 : Bloody beginning (5 bursts)

Her steps suddenly stopped in the air, and then slowly let go.

"Who are you?" Suddenly a violent man shouted from behind.

After the violent voice rang, she turned around slowly.

Those cold suffocating eyes stared at the men in front of them coldly.

The men felt a terrifying suffocation for no reason... a deep chilling sensation slowly surged upwards from the soles of their feet.

"I'm looking for your boss!" Situ Ningbing spit out cold words one after another.

Why is she here?

Just as she said that sentence, suddenly the 6-7 strong men here felt a deep fear in their eyes, and they couldn't help but stare at her.

"is her!"

"It must be her!"

The 6-7 strong men over there suddenly said with nervous expressions, as if Situ Ningbing in front of them was like a devil, especially when they looked at them, they felt a suffocating fear for no reason.

"Leave me away if you don't want to die." Situ Ningbing suddenly said another sentence from his mouth.

Then her pale face began to show a sense of murderous intent.

The heavy killing intent that permeated her made the 6-7 strong men just stand there, and no one dared to step forward to stop her.

"Damn, fight with her, I don't believe we can't beat her!"

One of the strong men who seemed to be the leader rushed up first with the courage not to be afraid of death.

The huge fist slammed into Situ Ningbing's thin body.

Judging from his movements and strength, this person is definitely a fierce character who often fights, because both the movements and the strength are quite good.

But just as he blasted Situ Ningbing with a fist, his eyes suddenly widened.

Because he saw a scene that he would never forget in his life, a white hand suddenly penetrated his fist, and then hit his neck like a poisonous snake.

Then I heard the sound of cracking bones, creaking.

The man's punch stopped a centimeter in front of Situ Ningbing.

But he has a deadly hand around his neck.

Then his tall and burly body, with eyes full of disbelief, crashed to the ground.

died.

A deadly move.

The bones in his neck were completely crushed.

Situ Ningbing slaughtered the strong man in front of him.

Just after Situ Ningbing killed the strong man in front of him with one move, the few strong men behind him who wanted to rush over couldn't help taking a step back, and everyone's face showed speechless shock and terror.

Don't dare to shoot.

"Go on, fight with him."

The last few strong men still have no way to do it, because everyone knows that if she is really put on top, they will die more miserably at that time. Everyone knows that Sang Biao's vicious end to the betrayal of his brother.

The two strong men who rushed here first, one raised his fist and made a sudden move, while the other held a three-sided knife in his hand and pierced Situ Ningbing from the side.

Situ Ningbing suddenly revealed his killing intent in his eyes.

Suddenly shot, the left hand quickly blocked, quickly flashed the strong man's punch, suddenly flew a kick, and directly kicked the other guy who stabbed her with a triangular knife in the other hand.

With a bang, the three-sided knife in that guy's hand was kicked off by Situ Ningbing. He still didn't react. The raised foot of Situ Ningbing didn't even kick back in his chest again.

With a scream of wow, the whole person was kicked out of a terrifying distance of four or five meters, fell to the ground and screamed, making it difficult to get up.

The strong man here who missed a punch suddenly flew up and kicked Situ Ningbing.

It's a pity that his feet haven't landed on them, but Situ Ningbing's body turned quickly, and then he hit his face with an elbow.

With a bang, the strong man was knocked to the ground with a miserable cry, and yelled with his hands covering his ***** face.

The remaining three guys stood there with baseball bats in their hands, daring not to take a step, both hands and legs were trembling violently, especially looking at the companion who was killed and injured...

Situ Ningbing did not look at them again, then turned and walked forward.

But the moment she turned around, the three guys who were looking for death in the back attacked her unexpectedly, raising the guy in his hand and smashing it lifelessly at Situ Ningbing.

Situ Ningbing suddenly became angry.

hiss--

With a sound, a thin, same gold thread suddenly appeared from inside her right wrist.

Deadly silk.

At the moment when the deadly silk shot, his body suddenly struck at the three of them at a speed like an electric flash.

A gorgeous floating body, Situ Ningbing was already behind the three of them.

I saw that the deadly silk on her hands was still stained with traces of blood...tick, tick fell drop by drop from above on the cold floor,

And the three strong men who attacked her from behind just now all stood there stiffly as if they were frozen.

They still have weapons in their hands, but unfortunately their pupils have begun to widen.

Then you will see a thin red line suddenly appear on their necks... Take a closer look and you will see that it is a ***** slit in the neck...

After the three people paused for a few seconds, scarlet blood began to gush out of their necks, and their bodies stiffly fell on the floor, blood staining the entire ground.

died!

All dead.

Situ Ningbing didn't even look back at the corpse on the ground. She just took out a white handkerchief from her arms and gently wiped the blood on the deadly silk, and then hiss—the deadly silk recovered again. Above her wrist.

Step by step towards the VIP guest room on the 3rd floor with indifferent steps.

The **** scene that appeared here, for the New Century Dance City, where the DJ sound shocked the audience, was completely submerged. No one would notice the **** scene above the crazy crowd below. They were still dancing and hugging. Move, kiss, indulge...

The new century venue is a large enough night venue in Jinghai City. Everyone knows that the new century dance city was opened by Fatty Liu.

Fatty Liu is a former underworld figure and a pivotal person in Jinghai City.

In the past, I did smuggling, pornography, gambling, drugs and everything. Now that I have money, people know that they have stopped, and they opened the New Century Dance City. Now, the New Century Dance City is one of the best night venues in Jinghai City.

But I heard that Fatty Liu has been timid recently, especially after hearing that DJ Paradise and the underground casino are all closed. Now Fatty Liu brings dozens of people in and out every day.

p: Huahua has tried his best to update, I just hope my brothers will vote for some monthly tickets! Isn't it possible that none of my book fans voted for a monthly pass? Hey...

Chapter 306: Female lunatic (1 burst)

Fatty Liu is now not only carrying dozens of people in and out, but also the barbarian Sangbiao under his own protection, but no one knows what this guy is afraid of?

Today's Fatty Liu is in the VIP room on the third floor of the New Century Dance City.

I saw 7-8 big men guarding the VIP room in the corridor of the VIP room.

Obviously we can know that the person in this room is Fatty Liu.

I followed the closed door, but saw that there were indeed a few people sitting inside.

On the leather sofa in the middle sits a big fat man with a fat figure, piles of fat on his stomach, and the red-faced face reveals a wealth of wealth, but he can see it intentionally or unconsciously. There was a little anxiety.

Next to him was sitting a charming girl with Yingyingyanyan, wearing a very seductive silk skirt, showing a large section of white thighs, nestled in the arms of Fat Liu, showing her flattery.

Sitting next to him was another tall and strong man, with a long and narrow scar on his face from the corner of his mouth to under his eyebrows, looking harsh and cautious.

He is the savages.

The handle of the New Century Dance City.

There were 3-4 little brothers standing next to each other respectfully.

On the crystal table in the middle, there is also a fruit plate and a bottle of Martell XO (MARTELLSUPREMEXO). Half a glass of red wine is poured in the goblet, and the two drink gently there.

I saw Fatty Liu who was holding the glass of Martell XO in his bloated hand and took a sip. He frowned and said slowly, "Have you found out what the lunatic is?"

"Damn, why did you come to Jinghai City to kill? What the **** is she for?" Listening to Fatty Liu said.

Sangbiao, who was sitting there, touched the narrow and hideous scar on his face with one hand, and said coldly, "I haven't found it yet."

"But what is certain is that this woman is definitely not an easy role."

"Lao He at Broadway Night Market, as well as the Thirteen Young Masters in DJ Paradise, were all slaughtered by her...I was wondering if this lunatic woman would come to move me?" After Fatty Liu said this, he suddenly picked up The half glass of Martell next to him was drunk.

Who is the lunatic woman they are talking about?

And there's the old Ho of Broadway night scene? And the thirteen youngest of DJ heaven? Aren't these two characters both great figures on Jinghai City Road?

It turns out that a few days ago, Lao He from the Broadway night scene and the thirteenth young man in DJ Paradise were killed one after another, as well as the lame Wang from the casino...

Although the deaths of these powerful underworld figures have not yet been revealed to the outside world, as far as Fatty Liu is concerned, he knows them perfectly.

So for so many days, he would bring a lot of people with him every time he went out, just to be afraid that he would be killed.

Who killed it?

The outside world only knows that it is a woman, a vicious woman.

The killing methods were clean and neat.

So the underworld now calls her a female lunatic.

"Don't worry, if she really dares to come, I will let her stand in and lie down." Sang Biao said in front of him, while his eyes showed murderous intent.

Fatty Liu didn't speak, and sat there quietly.

"Brother Liu, why did Lao He and the 13th Young Master get killed? Which woman has any hatred with them?" Sang Biao suddenly stared at Fatty Liu and asked.

Fatty Liu touched the corner of his mouth, his eyes let out a cold light.

"I'm not sure." He said slowly.

"I just hope that female lunatic had better not find me!" Fatty Liu subconsciously swallowed and said.

——

When they were talking here, they saw an indifferent figure on the third floor of the stairs stepping towards this side.

A terrifying murderous aura filled her whole body.

When stepping up the stairs from the second floor step by step, the 6-7 guards standing in the corridor on the third floor suddenly felt the terrifying killing intent!

Just as the killing intent filled their bodies, each of them couldn't help but be taken aback.

Then I turned my head and saw her!

Situ Ningbing.

She seemed to come from the darkness, approaching them step by step.

The 6-7 brawny guys here subconsciously squeezed the guy in his hands, and stared at Situ Ningbing in front of him.

"who are you?"

Just listen to a slightly bolder man who has revealed the sharp machete hidden in his body at this moment.

Because they have vaguely felt an ominous feeling.

The other copper plates around also all light up the guy hidden in his body, the knife! All machetes were held tightly in their hands.

But what about Situ Ningbing in front of him? But as if I didn't see it, I still walked step by step.

When she was almost in front of them, she suddenly raised her cold eyes and glanced at the few guys holding knives in front of her.

The light from the cold eyes made the strong men in front of them tremble uncontrollably.

Then her lips moved.

"Get out of the way, I don't want to kill you, I am here only to find Fatty Liu."

The harsh words came out of her mouth word by word.

When she said these words, the eyes of the strong men in front of her suddenly changed, and then you looked at me one by one, and I looked at you.

"Kill her!"

With a violent roar, the 6-7 men in front of them grabbed the machete in their hands and slashed at Situ Ningbing lifelessly.

When Situ Ningbing, who had been standing there quietly, saw these people who were not afraid of death suddenly rushing towards her, her eyes exploded, and then the life-threatening silk in her right wrist, hiss-- One sound!

Then the screams and the sound of broken bones filled the corridor.

Bloody and miserable.

Fatty Liu sitting in the VIP box, and the barbarian Sangbiao who were sitting leisurely, suddenly heard a miserable scream from outside the VIP box, and was shocked.

"What's the matter?" Fatty Liu suddenly turned pale, and he was so scared that he couldn't help backing away.

And that Sangbiao jumped up from the sofa, took out the Malay knife in his waist and blocked it in front of Fat Liu. At the same time, he exclaimed: "Awei, come forward and open the door. What will happen when you see the bottom?"

"Ahai, hurry up and call the brothers to come up." The Sang Biao in front of him said calmly.

But Sang Biao knew that the brothers downstairs had all fallen in a pool of blood.

On the other side, Awei, holding a three-sided knife in his hand, looked at the door of the room with trembling legs, and seemed afraid to come closer.

"Damn, open the door, what are you afraid of!" Sang Biao said angrily as he looked at the trembling little brother Awei.

Chapter 307: Killing God (2 burst)

Awei had no choice but to bite the bullet and move towards the door.

The corridors outside were also full of ***** and screaming screams from the brothers.

At the moment when Awei slowly moved closer to the door, his hand just stretched out slowly, and the tightly closed door slammed! !

A ***** corpse that flew in directly hit the door of the room completely open.

Everyone in the room screamed.

The charming girl who was sitting in Fatty Liu's arms just now screamed, as if seeing a ghost...

Yes, it's like seeing a ghost.

Because what flew in was a ***** corpse.

It was that Sangbiao's subordinate.

When Sang Biao saw his men fell in a pool of blood, he was completely dumbfounded.

Look at the place outside, my God, what kind of situation is that... 7 people all fell in a pool of blood.

Some are still screaming and screaming, and some are already dead there.

The whole space was filled with blood.

But she stood coldly in the middle of a pool of blood, like a thirsty demon.

Fatty Liu backed subconsciously, his legs trembling uncontrollably, and the other side of Biao Biao's subordinates stood there desperately, not daring to make one.

And the guy who was called a barbarian in the underworld in Jinghai City was no longer barbaric at the moment, but like a discouraged ball!

She finally came in.

"You...you...who are you?"

"Why... why... find our trouble?"

"We... we... what hate do we have with you?"

Sangbiao had enough courage to ask when she was looking in front of her.

The Malay knife in his hand was trembling due to excessive tension, and that hideous face was even more afraid of fear, and cold sweat came out from the top of his head!

He, who used to be called a barbarian on the underworld in Jinghai City, but what about this moment? Has become a frightened bunny!

Situ Ningbing, who was standing in a pool of blood, slowly raised the pair of cold eyes.

"I'm looking for him!" Situ Ningbing suddenly raised a finger and said to Fat Liu.

Fatty Liu was so frightened that he immediately sat down on the sofa, his eyes were waiting until...

"me....."

"This young lady... Miss... Did I offend you with Fatty Liu?"

"You...you... why are you having trouble with...we?"

Fatty Liu said desperately in his eyes at this moment, saying that at this moment he has imagined his fate... Will he be slaughtered by this mad woman like Lao He at Broadway Night Market and the Thirteenth Young Master in DJ Paradise?

It's just that even if Fatty Liu is dead, he will be a ghost!

He wants to know why he was killed?

After Fatty Liu asked, Situ Ning stared at him with cold eyes.

"I only ask you something... Tell me truthfully, if you dare to tell a lie, I will let you die today!!"

When the word of death came out of her mouth, there was no ambiguity.

It seemed that killing someone was the easiest thing for Situ Ningbing.

Yes, once was the most famous killer in the Qisha... how many people have he killed?

Now it is the easiest thing to kill these little punks like Fat Liu.

Listening to what Situ Ningbing said in front of him, Fatty Liu suddenly found a little hope from his death despair... Is it true? If she really said what she wanted to know, would she let herself go? Will I not die today?

The Sang Biao next to him was also completely stunned. He wiped the cold sweat on the scarred face with his hand, and looked at Fat Liu subconsciously.

Just listen to Fatty Liu's voice shaking and say: "You...you...what do you want to ask...what?"

"I ask you, do you know the Duanmu family, one of the four major families?" When a word suddenly came out of her mouth, Fatty Liu was completely stunned by the sangbiao in front of him!

The dark Duanmu family!

When he heard this name, Fatty Liu showed a look of silent horror just like seeing Situ Ningbing just now.

However, Fatty Liu answered truthfully: "I...I...I know!"

"it is good!"

"I'll ask you again, if I want to find the Duanmu family, how can I find them? Can you tell me?"
Situ Ningbing suddenly raised the fierce eyes and stared at Fat Liu in front of him.

Fatty Liu only felt that his legs were out of control, shaking severely.

"I...I...I don't know!" Fatty Liu said.

"The Duanmu family... is the most mysterious family... No one in Jinghai city knows where they are... because if someone looks for them, they will definitely kill them."

Fatty Liu said in his mouth, while cold sweat on his forehead dripped drop by drop.

It turns out that Situ Ningbing came to look for these underworld figures in Jinghai City to find the Duanmu family! To unlock the poison of the Sanshengmen in her body.

No wonder she would look for Lao He on Broadway, no wonder she would look for the thirteen youngsters of DJ Heaven... These characters are all underworld figures in Jinghai City.

Of course, only through these people can we have a better chance to find the dark Duanmu family!

But what made Situ Ningbing desperate was that she had searched for so long and could not find it.

Broadway night scene, DJ paradise, underground gambling city... and now the new century dance city... Situ Ningbing did not expect to search the underworld in Jinghai City without asking where the Duanmu family is.

Could it be that the dark Duanmu family is really so hard to find?

Could it be said that there is only one dead end for the three-life poison in oneself.

The moment Fatty Liu heard what she said, endless murderous intent suddenly appeared in her beautiful eyes.

"You lied!" a cold voice roared from Situ Ningbing's mouth.

At that moment, her overwhelming face seemed to be transformed into a terrifying ghost... The terrifying murderous intent radiated from her body completely stunned that Sangbiao and the surrounding little brother, as if they were standing on the edge of death, anytime It's like falling into the whirlpool of death.

What about Fatty Liu? Even more afraid of despair, he shouted in Hysteria, "I really don't know..."

"Please don't kill me... even if you kill me, I don't know where the Duanmu family is..."

"I didn't lie to you...really didn't..."

Fatty Liu's desperate hiss echoed throughout the space.

The deadly palm she raised slowly fell amidst the endless shouts of Fatty Liu.

The terrifying murderous aura that had permeated her body began to slowly dissipate at this moment. The Sangbiao and his little brothers in front of her were looking at Situ Ningbing with a pair of unbelievable eyes... ..

She did not kill?

Did she let Fatty Liu go?

Going to see her again, I saw that she was standing quietly in a pool of blood. She was filled with lethal killing intent just now. At this moment, the feeling suddenly became sad... miserable...

Chapter 308: Big things (3 explosions)

Her eyes flashed gently, and the corner of her mouth suddenly muttered to herself: "Can I really find the Duanmu family?"

"Do I really die here?"

The words that made Fatty Liu and Sangbiao thought weird came out of her mouth word by word... Suddenly a wry smile appeared at the corner of her mouth... After a few seconds, the smile suddenly became crazy. Laughing...Laughing desperately, laughing miserably.

The Fatty Liu and Sang Biao standing in the room were completely stunned. They blinked in disbelief and looked at Situ Ningbing, who was laughing wildly. No one moved, and no one dared to speak. Words.

Following her wild laughter, she slowly turned around and stepped in a pool of blood and walked forward!

She didn't even kill Fatty Liu again?

Did Fatty Liu and Biao lose their lives?

Maybe even Fatty Liu and Sang Biao didn't think that Situ Ningbing would not kill themselves? Each of them blinked their stunned eyes... dumbfounded.

Finally, about a minute after her figure disappeared, Fatty Liu and Sang Biao, they confirmed that the "crazy woman" had really gone...At this time, they suddenly sat on the sofa and quivered. I took a cigarette out of my pocket with both hands...

Light it up, take a deep breath!

After walking through the ghost gate, they just want to calm down the long-awaited mood in their hearts...

And her?

She walked out of the New Century Dance City with a breath of despair on her body.

No one cared about her cold figure on the first floor dance floor full of corruption...

She just quietly walked out of the New Century Dance City in front of her, and then dragged the sad figure towards the darkness step by step...

In order to understand the poison on her body, how many underworld figures in Jinghai City have she found, and how many people have she killed?

But now, whether it's a Broadway nightclub, a DJ heaven, an underground casino... No matter what method Situ Ningbing uses to question him, none of these people knows the Duanmu family's clue.

Is the dark Duanmu family really so hard to find?

Is it true that the poison in her body can't be solved?

After Li Tian drew a sketch for Situ Ningbing through Chen Qiaozhi's friend last time, Chen Qiaozhi dispersed those slurrings to his Dao friends in Jinghai City.

Now Chen Qiaozhi asked his friends on the road in Jinghai City to help find Situ Ningbing.

But two days have passed, and there is not much good news from there.

Where is Li Tian? In the past two days, I have been following the news from Chen Qiaozhi's friends, but so far there has been no favorable news.

Now he sits quietly in the room and smokes one bite at a time.

Tang Xiaolong said to go out, but he hasn't come back yet, and Ah Qiu stayed in the room.

Only Chen Qiaozhi walked out of the room step by step, glanced at Li Tian who was smoking hard in the hall, and couldn't help but slowly sit down beside him.

Li Tian saw Chen Qiaozhi next to him, and quickly turned his head to look at Chen Qiaozhi and asked, "How is it? Is there any news?"

I saw Chen Qiaozhi shook his head.

A look of disappointment appeared in Li Tian's eyes.

"But don't worry, I have asked many of my friends to look for her. I believe that as long as she is in Jinghai City, she will be able to find her." Chen Qiaozhi said.

Li Tian sighed deeply and said, "I am actually the most worried about the Sanshengmen poison on her body..."

"I'm afraid of her..." Li Tian didn't dare to think further, the more he thought about it, the more irritable he became.

Then Chen Qiaozhi coughed twice, raised his pale and sick face and said, "How can any of your friends provoke the Duanmu family?" Chen Qiaozhi asked depressedly.

"Are you dealing with the Duanmu family for her?"

Li Tian nodded silently and told the truth.

"Ok!"

"At that time, after I learned that she was poisoned by the Sanshengmen, I was determined to help her detoxify! So I came to Jinghai City and looked for the Duanmu family." Li Tiandao said.

"So that's it."

"Don't worry, I will find this person for you." Chen Qiaozhi stood up and walked toward the room.

In the afternoon, Chen Qiaozhi made a few calls to his friends.

After asking about the situation, several friends on the road said that they had not found it yet.

When calling another kid nicknamed Xiao Ma Zai, the little Ma Zai said that he could not find the person Chen Qiaozhi was looking for, but he mysteriously told Chen Qiaozhi another thing on the phone.

"Brother Qiao, do you know? A big event has recently occurred in the underworld in Jinghai City! A big event."

Chen Qiaozhi knew that little horse, and knew that he was just a bastard, making a little money by being clever in Jinghai City.

But such little people must not look down on them, because sometimes they do have a lot of important information, and the world of these little ***** is also unimaginable.

On the phone, Chen Qiaozhi asked with interest: "What happened to the underworld?"

The little horse over there said mysteriously: "Brother Joe, it's inconvenient to talk on the phone, but I dare to use the bird in the crotch to assure you that this is definitely a big deal, Joe. Brother, are you there now? I'll talk to you even if I meet."

Chen Qiaozhi frowned slightly when he heard that Little Ma was coming to see him.

"What's the matter? Is it so mysterious?"

"Really, Brother Qiao, I don't lie to you, if I lie to you, you castrate me!" Xiao Ma Zai said on the phone.

Listening to that guy's words, Chen Qiaozhi thought for a while and said, "Well, you can come and find me, but don't forget what I told you, kid."

"No, no, don't worry, Brother Qiao, your business is my pony's business, I have already told my brothers...I will notify you as soon as I find that woman these days ."

"Brother Qiao, are you there now? I happen to be fine now, and I will see you later." Xiao Ma said on the phone.

Chen Qiaozhi said: "Ouyang family, I will pick you up at the door then."

"Ah? Brother Qiao, the Ouyang family you are talking about is the first of the four major families in China?" Xiao Ma Zai's voice revealed a sense of shock.

"It's nonsense, I hung up." Chen Qiao said, and hung up the phone neatly.

He doesn't have a lot of affection for those who are greedy for small profits. Of course, Chen Qiaozhi knows in his heart, why the little horse came to find him. Although he said that something happened in the underworld in Jinghai City, he estimated that he The real purpose is for a few small dollars...

For this kind of people, Chen Qiaozhi can know what their heads are thinking even if they think with their toes.

Therefore, Chen Qiaozhi didn't care. Since they helped him find someone, he should pay back.

When Chen Qiaozhi hung up and went outside, Tang Xiaolong had already returned, and Li Tian was still sitting in the hall at the moment.

Chen Qiaozhi coughed softly and said: "Wait for a little ***** to come over... Although that kid is more eager for profit, he does have a lot of friends and friends in Jinghai City... so I will ask him to help find ."

Listening to what Chen Qiaozhi said, Li Tian turned his head and smiled, with a hint of gratitude in his eyes.

Who on earth knows what's going on in the underworld in Jinghai City? What will he tell Chen Qiaozhi? Everything is known immediately!

Chapter 309: Are all killed? (1 burst)

At 11 o'clock, the little horse called Chen Qiaozhi again.

Moreover, the kid had already arrived outside the door of the Ouyang family villa, but unfortunately he was stopped by the Ouyang family security.

Chen Qiaozhi asked the kid to wait for a while, saying that he would go out to pick him up immediately.

Chen Qiaozhi, who hung up, said to Li Tian and the others: "I'll go out and call in that kid."

While speaking, he turned and walked outside.

Li Tian and Tang Xiaolong didn't care too much, they were still doing their own things.

It took less than 5 minutes, but I saw that Chen Qiaozhi had already led a boy wearing a black T-shirt and a pair of jeans with a hole in his knees, walking towards here carelessly.

That guy is Pony Tsai.

I saw Xiao Ma Zi's eyes light up as soon as he walked in, and his eyes were full of envy.

The mouth almost grew into an O shape, and he said: "This Ouyang family is really magnificent! Good deed! It really deserves to be the largest family in the country."

While talking, he quickly ran behind Chen Qiaozhi: "Brother Qiao, is such a large villa belonged to the Ouyang family?" He asked with a sense of surprise in his eyes.

Then Chen Qiaozhi gave a casual hum.

"I'm a grass! What a rich man! This is the big money."

"Brother Qiao, I don't think you are a member of the Ouyang family now, Niu Cha."

The little Ma Zai said in the back, Chen Qiaozhi was too lazy to talk to him, and soon led him into the villa.

Li Tian and Tang Xiaolong in the villa saw Chen Qiaozhi walking in with the little pony. They glanced lightly, and didn't say much.

It was the little Ma Tsai hurriedly bowed his head and said: "Hello, big brothers, I am Xia Ma Tsai, I am glad to meet some bosses."

He smiled while talking, but faced Li Tian and their indifference, he looked a little embarrassed...but this did not prevent his cheeky,

Then Chen Qiaozhi pointed to the little horse and said: "Don't talk nonsense, how about the person I asked you to find?"

Little Ma hurriedly said, "The little brother has done what Qiao asked. It's just that there are so many people in Jinghai City. Finding a woman like that is undoubtedly a needle in a haystack... so I must waste some time."

This kid is right. The population of Jinghai City has reached hundreds of thousands. It is not a simple matter to find someone among these hundreds of thousands.

"And I have now ordered my little brothers, and friends I know, to tell them that Brother Qiao is looking for people, and they are all looking for them now, Brother Qiao, you can rest assured, in a few days I'll find it out for her." Little Ma Zai swears, patted his chest.

Chen Qiaozhi smiled softly at the corner of his mouth.

Then he took out a wad of brand new hundred-yuan bills from his arms, a total of one wad, touch estimated that the wad was at least 10,000 yuan, and handed it to the little horse.

"Yes, this is for you, and when you really find her, I will give you more." Chen Qiaozhi said and handed over the ten thousand yuan.

When the little Ma saw the brand new stack of hundred-dollar bills, his eyes lighted up, he quickly reached out and took it, still saying, "Thank you Brother Joe..."

"Brother Qiao, don't worry, this person, my little horse, is determined to find out for you, even if it is digging three feet, I will dig her out."

Chen Qiaozhi responded slightly, "Well, all right."

"It's okay here...you just go." Chen Qiaozhi didn't want to provoke punks like Xiao Ma Zai, so he ordered to leave.

The little pony also nodded wittily.

"Okay, then I won't bother a few big brothers."

Little Ma said as he walked toward the door of the villa.

As soon as he was about to go out, I suddenly saw Xiao Ma Tsai turn his head abruptly again, with a mysterious expression on his face, and said to Chen Qiaozhi who was in front of him: "Yes, Brother Qiao, recently happened on the underworld in Jinghai City. Several important events, do you know?"

As he said this, Chen Qiaozhi turned his face, Li Tian and Tang Xiaolong on one side couldn't help but turned their heads around with interest and looked at the little horse.

"What did you just say?" Chen Qiaozhi asked.

Little Ma turned his head and said with a smile, "Brother Qiao, don't you know that there has been a frightened figure on the underworld in Jinghai City recently!"

When talking about the frightened person, Xiao Ma Zi deliberately increased his tone.

"Brother Qiao, do you still remember the thirteen youngsters in DJ heaven? And the old Ho of Broadway Night Market?" Xiao Ma Zai said all the more powerful characters on the road in the past.

For Chen Qiaozhi, of course he has heard of those few people, and they have also dealt with before, such as the thirteen youngsters of DJ heaven, the former Chen Qiaozhi also drank with him,

In Chen Qiaozhi's impression, the figures on the underworld, although they have been walking on the underworld for so many years, most of them have already converged a lot, and they are not fighting on the streets as they did in the past. They are now all for making money and enjoying.

But what does this little Ma Zi mean when he talks about these people?

Chen Qiaozhi frowned and said, "Of course I know those people."

"Brother Qiao, do you know that Lao He at the Broadway night scene, and the thirteen youngsters in DJ Paradise have been killed! And their venues are all closed, and they are still closed now!" Sputtered it out.

"What?" Chen Qiaozhi couldn't help being surprised when he heard what Xiao Ma said suddenly.

The old Ho of Broadway night scene, and the thirteen youngest of DJ heaven, hasn't he never dealt with? Those who used to be more powerful in the underworld, although they say that they have lost the anger they used to be, they are not vegetarians. After all these years of mixing in this road, what have they not experienced? Now this kid said that they were all killed? Is this true or false?

Just talk about the thirteen youngsters? It used to be a ruthless character made by a machete, and the thirteen young masters who have grown up for so many years have a bunch of desperate brothers.

Anyone who wants to kill him is probably a very difficult thing.

But now I heard what Xiao Ma said... I couldn't help but kill the thirteenth young man in DJ Paradise, and even the old man at the Broadway night scene was slaughtered?

Although Li Tian and Tang Xiaolong over there didn't understand these thirteen youngsters, and who the old man was, it could be seen from the expressions of the two of them that they should be not simple characters.

At this moment, I can't help but blink my eyes and continue to look at them, listen carefully to their conversation,

Chapter 310: Killed by a woman (2 bursts)

Pony Tsai swallowed a sip and continued: "Brother Joe, you still don't know, not just the old Ho of Broadway night scene, but also the thirteenth youngest of DJ Paradise, and even the lame Wang of the underground casino, and Fatty Liu in the New Century Dance City was brutally murdered! And it is also what happened in the last few days, and now almost all of their venues have been closed...The underworld figures in Jinghai City are now panicked...everyone Don't dare to mess around outside anymore."

Suddenly heard Xiao Ma Zai say something more serious, even Chen Qiaozhi couldn't help but frown. Li Tian over there was also more and more curious, and at the same time he was suspicious of guessing there: Who is so cruel? Have all these former underworld figures been slaughtered?

"Who did it? So cruel?" Chen Qiaozhi couldn't help frowning and said.

Following Chen Qiaozhi's question, Li Tian also stared at the little horse.

Who knows that Xiao Mazi hesitated for a long time before spitting out three words from his mouth: "Crazy woman!"

"A crazy woman did it."

Suddenly hearing what Xiao Ma said in front of him, Chen Qiaozhi and Li Tian were both stunned.

"Crazy woman? A woman?" Chen Qiaozhi in front of him decisively did not believe what Xiao Ma Zai said.

Li Tian also felt that what the guy standing in front of him who looked like a fool was saying was a bit unreliable, too mysterious.

But Xiao Ma Zai nodded quickly with serious expression.

And he said: "That lady heard that the thief was ruthless... She killed Lao He first, then the thirteenth youngest, and finally killed the lame king of the underground gambling city by herself... Just a few days of work, these three She killed all the characters that were once so awesome in Jinghai City."

"She is alone? Are there any helpers?" Chen Qiaozhi asked.

Xiao Ma Zai shook his head: "If there is no helper, she is the only one."

Chen Qiaozhi laughed.

He laughed because he thought that little pony was pure nonsense.

The old Ho on Broadway, and the thirteenth in DJ heaven, are so capable. If someone is killed, this is not unusual. After all, who has been on the road for so long, who can have no enemies? But if a woman single-handedly slaughtered these famous characters on the underworld in Jinghai City, this is legendary... the meaning of legend is nonsense.

So Chen Qiaozhi didn't believe it at all.

When Xiao Ma saw Chen Qiaozhi's expression, he knew that he might not believe it.

Say there, "Brother Joe, don't you believe what I said?"

Chen Qiaozhi smiled: "Do you think what you are saying is credible? He still has the thirteenth young man and the lame Wang of the underground casino. I haven't dealt with them... a woman wants to kill them alone... ...To be honest, I can't believe it."

Xiao Ma became anxious when he heard Chen Qiaozhi's disbelief.

"Really, Brother Qiao, it's spread like that now."

"And the news I got was from the brothers who survived the New Century Dance City."

"Oh, by the way, Brother Qiao, I forgot to tell you one thing. In fact, Fatty Liu from New Century Dance City was not killed, but he was frightened and fell ill... One of Fatty Liu's younger brothers was with me. Familiar was there at the time, and he told me this personally."

"He said that the woman came in single-handedly at the time. Fatty Liu and the Sangbiao he was watching were in the VIP box on the third floor. The woman killed all the way up and slaughtered all the little brothers... The method was fierce and brutal, no One person could stop him, and he

slammed into the VIP box on the third floor... I heard that after breaking in, she was going to kill Fat Liu, but she didn't."

"Why? Why didn't Fatty Liu be killed?" Chen Qiaozhi blinked his eyes curiously and looked at the little horse.

What about Li Tian? Hearing what Xiao Ma said, his heart suddenly jumped, the feeling that made his heart shake even he didn't know what it was for, and he couldn't help listening to the words of Xiao Ma in front of him at this moment.

Just listen to the little Ma Zai said: "I heard Fatty Liu's men tell me that they seemed to have asked a few questions. As for what the problem was, the kid didn't tell me!"

"Problem?" Chen Qiao frowned.

"Yes!"

"I heard rumors from the outside that, in fact, the reason why the woman killed Lao He from Broadway Night Show and the Thirteenth Young Master at DJ Night Show was to ask a few things? She was killed alive." Xiao Ma Zai said.

Chen Qiaozhi listened to Xiao Ma Zai's words, and muttered, "Really?"

Li Tian on the other side suddenly stood up, and asked, "What questions did you ask? Has anyone seen her look like this?"

Following Li Tian's question, Pony Tsai was stunned for a moment, then his eyes turned around, and he looked at Li Tian in front of him, and then said, "I don't know what the problem is."

"But as for her person? I heard that brother tell me...he had seen him, he said that the woman seemed to come from the dark night, wearing a black leather jacket... cruel and pale, especially when she killed someone. I rarely blink my eyes! It's cold-blooded and merciless."

When he heard Xiao Ma Zi say this all of a sudden, Li Tian didn't know why Situ Ningbing suddenly appeared in his mind...

Isn't it her?

Li Tiantian made a direct thump in his heart.

But then I thought: something is wrong, if it is her, why would she kill those underworld figures? She came to Jinghai City only to find the Duanmu family, to understand the poison of the Sanshengmen in her body...

Li Tian felt something wrong with this thought.

Li Tian knew, how could Situ Ningbing find that mysterious dark family so easily? Besides, she is not familiar with the place where she was born in Jinghai City... What she did was just the most direct way. To find the Duanmu family, she first asked the underworld figures in Jinghai City one by one...!

Because only people in the underworld can know more about the Duanmu family, what Situ Ningbing did not expect is that even the underworld figures in Jinghai City know very little about the mysterious and dark Duanmu family!

After Xiao Ma Zai said this, Li Tian didn't ask too much, because he felt that Situ Ningbing shouldn't be killing him in Jinghai City.
