

A Killer 3041

Chapter 3041: Pass

After listening, Li Tian stood there blankly, saying nothing.

It seems that this battle of the gods is a matter between their senior brothers and sisters... Li Tian mumbled that.

It doesn't seem to have much to do with myself.

Just when Li Tian was facing this way, suddenly the goddess Xue Ji in front of her said: "Fine, let's not mention these ancient past events."

After finishing speaking, but seeing that goddess Xue Ji added there again: "The most important thing now is to cultivate quickly."

Li Tian nodded silently as an agreement.

"By the way, how many times have you broken through?" Suddenly the goddess Xue Ji was looking at Li Tiandao with her beautiful eyes.

After hearing the question of the goddess Xue Ji, Li Tian was slightly startled, and then replied awkwardly: "I just reached the seventh heaven."

Yes, Li Tian is still in the seventh heaven.

The reason why he only reached the seventh heaven was because he was cultivating the fairy technique of the light system: the sword of burning the sky.

It was a waste of time to cultivate with the Burning Heaven Sword. Therefore, Li Tian stayed in the seventh heaven from beginning to end until now.

When the goddess Xue Ji heard Li Tian say that she had only reached the seventh heaven, not only Liu eyebrows suddenly wrinkled there.

"What? You just reached the seventh heaven? Impossible, right?" The goddess Xue Ji said.

Li Tiandao: "Really!"

"Impossible... absolutely impossible!" The goddess Xue Ji said in disbelief there.

When Li Tian heard the goddess Xue Ji say this, he didn't explain too much.

"Do you know how many times the White God has broken through?" Suddenly the goddess Xue Ji said.

Li Tianyi was stunned. Recalling the situation of Baishen breaking through a month ago, he not only replied there: "It seems that Baishen has broken through the eighth layer, and it should reach the ninth layer by now."

"That's right, since your current strength has surpassed the White God, how can you only stay in the seventh heaven?" The goddess Xue Ji said there.

Li Tian thought for a while, and it seemed right.

In that said: "In fact, I have been cultivating the Sword of Burning Heaven for the seventh day. Since I became the Sword of Burning Heaven, I have never broken through the barriers again...so..."

When the goddess Xueji heard that Li Tian said this, she said, "Is that right! I said, how can you reach the seventh heaven with your strength... It turns out that you haven't even gone to the eighth day." The Great Heaven, the Ninth Heaven..."

Li Tian smiled and said nothing.

The goddess Xue Ji said: "Do you want to quickly break through the heavens above?"

When Li Tian heard the goddess Xue Ji suddenly say this, he was not only taken aback.

Of course he wants!

A fool doesn't want to increase his cultivation even more.

"Yes!" Li Tian replied there.

After hearing what Li Tian said, the goddess Xueji in front of her suddenly smiled and said: "Okay, I will take you through the barrier! Let you quickly break through the seventh and eighth heavens."

When Li Tian heard that the goddess Xue Ji was about to take herself, he was not only stunned.

"Why are you still stupefied? Let's go, go through the barriers!"

Suddenly the goddess Xue Ji stared at Li Tiandao in front of her with beautiful eyes.

Then the goddess Xue Ji showed off her body, and suddenly flew towards the thirteenth heaven like a fire phoenix.

Then Li Tian looked at the shadow of the goddess Xue Ji. At this moment, for some reason, he had a weird feeling towards this peerless and alluring woman...that feeling, as if he liked it.

After thinking about this in his mind, Li Tian quickly dispelled the terrifying thought.

"What's the matter with me? Why are you thinking all over your head?"

After reminding himself a few words, Li Tian suddenly stretched himself, closely following the figure of the goddess Xue Ji and flew towards the thirteenth heaven.

...

Soon, that Li Tian had followed the shadow of the goddess Xue Ji to the seventh heaven.

After reaching the seventh heaven, the goddess Xue Ji glanced at the surrounding environment there, and said to Li Tiandao: "Hey, you go through the barriers!"

"The barrier of the seventh level lies in the strength of the illusion technique. The illusion enchantment in the ladder in front of you, you only need to use your own fairy magic sky-burning sword to easily break through the seventh level. day."

The goddess Xue Ji was explaining to Li Tian how to break the illusion barrier of the seventh heaven, while she said.

When Li Tian heard the goddess Xueji say this, it seemed to be familiar to the goddess.

After thinking about it, Li Tian looked at the goddess Xueji and asked, "Goddess, how many days have you reached now?"

"I?"

"I have only reached the ninth day!" said the goddess Xue Ji.

Li Tianyi was shocked when he heard it!

Unexpectedly, this glamorous and beautiful woman has reached the ninth heaven!

It seems that her strength should be stronger than that of White God.

"No wonder you know how to break the seventh heaven." Li Tian murmured there.

The goddess Xue Ji didn't speak, but her two delicate hands hugged slightly on her bulging chest, and then blinked her beautiful eyes and looked at Li Tian in front of her with a smile: "Go through the barrier, I'll watch it right here. Now."

After Li Tian heard what the goddess Xue Ji said, he didn't say much, and walked directly towards the ladder from the seventh heaven to the eighth heaven.

When he reached the ladder, sure enough, Li Tian saw the magic enchantment again.

This illusion barrier is somewhat different from the illusion barrier that I have broken through before! Because obviously can feel the powerful "spiritual power" revealed by the lock on that illusion enchantment.

Li Tian glanced at it, and he secretly said: It seems that the higher this is, the harder it is to break through.

After thinking about this, Li Tian suddenly closed his eyes slightly, and then quickly condensed a mark on his chest with his hands.

"The Illusion of Light."

At the moment when Li Tian performed the light system illusion, the whole body was surrounded by a faint golden light.

After the golden light suddenly surrounded Li Tian's whole person, his whole body suddenly flickered with golden light, dazzling.

Then Li Tian shouted, and displayed the "Sword of Burning Heaven" with both hands.

With a loud bang, amidst the twinkling golden light, suddenly a sword light burning with endless flames appeared.

"Sword of Burning Heaven!"

According to what the goddess said, Li Tianzhen displayed the sword of burning the sky.

After the Sword of Burning Heaven was displayed, Li Tian's right hand swayed slightly, and suddenly the sword light full of flames suddenly pierced towards the illusion enchantment of the seventh heaven.

Zi Zi Zi!

The golden flame light of the Burning Heaven Sword pierced deeply into the illusion art barrier of the seventh heaven, the entire illusion art barrier instantly began to tremble, and it also exudes weird sizzling works. Ringing sound.

Chapter 3042: Damn guy

With that "zizizi" sound.

Suddenly, Li Tian urged the spiritual power of his body, and immediately after the "Sword of Burning Heaven" that was burning with golden flames, the golden light soared, and a terrible bang came out!

But seeing that the "burning sky sword" directly penetrated the seventh layer of illusion art barrier. broken!

It's broken.

Li Tian went through the seventh heaven so easily.

After that Li Tian suddenly broke the barrier of the seventh layer of illusion, he cried out in surprise.

"I've been through the seventh heaven." Li Tian exclaimed happily.

But seeing the glamorous goddess Xue Ji, who is standing on the other side of the country, a smile of relief appeared on the face of that peerless city at this moment, and said: "Congratulations, you have broken through the seventh heaven."

"Thank you." Li Tian looked at the goddess Xue Ji at the moment.

If it weren't for the goddess Xueji in front of him, explaining to him the method of breaking the seventh heaven, I'm afraid Li Tian would have to delay for a while.

With the help of the goddess Xue Ji, Li Tian's breaking through like this became easier.

"Now, the seventh heaven, we have already passed, it's time for the eighth heaven." The goddess Xue Ji slightly faced Li Tiandao there.

Then Li Tian smiled and nodded.

Then followed the goddess Xue Ji in front of her to step into the eighth heaven.

After arriving at the Eighth Heaven, I saw that the stone walls where the secrets were originally practiced had become very rare.

The entire space has also become narrow...There are some rare peerless illusions in it.

These illusions are undoubtedly all of that alien space illusion.

Li Tian looked at these illusions, looking for what he was going to cultivate.

"Hey, what are you looking for?" The goddess Xue Ji looked at Li Tian carefully searching there, not only depressed and asked there.

Then Li Tiandao: "I'm looking for some illusions that I want to learn."

"Didn't you have learned the fairy art of the light element?" The goddess Xue Ji looked at Li Tiandao in surprise.

Li Tiandao: "But, I still have to learn Earth-based illusion! My Earth-based illusion hasn't been practiced yet."

"Ah? You have... have... two alien space illusions?" The goddess Xue Ji still didn't know the miraculous things about Li Tian.

Originally, according to the truth, a person has only one natal star!

In other words, one can only choose one kind of alien space illusion! But now Li Tian actually said that he has two! There is also an earth illusion? All of a sudden, the goddess Xue Ji was surprised there.

But seeing the goddess Xue Ji looking at Li Tian in front of her with wide beautiful eyes at that moment, she couldn't believe it and said, "You...you...you have two alien space illusions?"

Then Li Tian replied, "Yes, one of the light system! The other is of the earth system."

The goddess Xue Ji was completely speechless.

She felt that this miracle thing about Li Tian was really increasing.

From the very beginning, she fought against this Li Tian, until he knocked him off Qianxuefeng, he didn't even die! Then he inadvertently saw him fighting the White God, and defeated the White God! ! Until now, Li Tian said that he has two alien space illusions...

All of this made the goddess Xue Ji completely speechless.

Because of these things, on ordinary people, I have never seen one in thousands of years!

But in just two months, all these strange things have appeared on Li Tian!

This of course made the goddess Xue Ji completely speechless...

At this moment, the goddess Xue Ji opened her beautiful eyes there, and then looked at Li Tian in front of her... After thinking for a long time, she suddenly said, "You...you...you are not a person!"

After speaking, the goddess Xue Ji never paid any attention to Li Tian.

What about Li Tian? At this moment, he didn't have time to pay attention to the goddess Xue Ji, he was just seizing the time to find the earth-based illusion technique he was going to practice.

After Li Tian searched for a long time, finally in the corner on the left side, he found a different space illusion: the earth illusion.

"Found it, finally found it."

At this moment, Li Tian yelled in excitement after he finally found the so-called earth illusion.

This is the alien space illusion he is currently preparing to practice in the next step: Earth Element!

I saw densely engraved earth magic illusions.

There are beginners, intermediate, advanced, and so on.

Li Tian didn't look at those elementary and intermediate illusions, but directly rushed to the high-level illusions to learn the past.

"Rainbow torrent!"

Suddenly, a domineering high-order earth system illusion came into Li Tian's eyes.

Li Tian looked at the words "torrential earth and torrent", not only suddenly radiated light in his eyes.

"Okay, I will start learning from this first." Li Tian said slightly there.

This earth-type illusion technique and that light-type illusion technique, the cultivation method are completely different.

Because of this earth-based illusion, it needs to condense before it can release the air of earth dust.

At this moment, Li Tian looked at the cultivation method of the earth-based illusion, so he began to concentrate on cultivating there.

He didn't care about the goddess Xue Ji who was standing next to him... and no matter what else, he just went up to the ground like that, and then started to practice quickly according to the cultivation method.

First, spit out spiritual power!

Then it began to condense slightly... first gather the air of earth dust in the palm of the hand, and then slowly began to practice the secrets of this earth-based illusion.

...

Just when Li Tian himself was cultivating there, suddenly the goddess Xue Ji by his side came over.

The goddess Xue Ji blinked her beautiful eyes, and when she saw that Li Tian was sitting on the ground and began to concentrate on cultivation, her beautiful eyes suddenly stared.

"Hey, you guy... just left me behind?" The goddess Xue Ji cried depressedly.

It's a pity that Li Tian closed his eyes, and the whole person has reached the state of unity of mind and mind, so the words of the goddess Xue Ji couldn't reach that Li Tian's ears.

"Hey, hello..." Seeing Li Tian not answering herself, the goddess Xueji in front of her suddenly yelled twice in annoyance.

But Li Tian still didn't react at all.

"This hateful guy! It's so hateful... treat me like a woman! Huh..."

The goddess Xue Ji said angrily.

Finally, he glanced at Li Tian who was sitting with closed eyes, the goddess Xueji said: "Forget it, I don't have time to be here with you... I will go to the ninth day and see my retreat during this period. Has it worked? Hope to break through the ninth day."

After the goddess Xue Ji uttered these words in that slight mouth, her delicate body suddenly flashed, and then her whole body flew towards the ninth heaven.

Chapter 3043: Rely on Li Tian

Because Li Tian was too focused, he didn't even know about the goddess Xue Ji going to the ninth heaven.

At this moment, he was just sitting there intently, and then practising this earth-type illusion.

But what about the goddess?

Her strength has now reached the ninth heaven, but it's a pity that the goddess Xue Ji hasn't made any breakthrough after reaching the ninth heaven, which makes her very depressed.

This time, I don't know if the goddess Xue Ji can break through the "ninth heaven" in front of him after a long time in Qian Xuefeng's retreat.

...

Temple!

Since that White God was defeated in a big battle, he felt extremely ashamed.

At this moment, in the hall of the temple, the white god's pale face was sitting decadently in the hall.

An old face that was originally very arrogant, but at this moment is full of unspeakable depression...complex expressions.

Just when the White God was sitting like this, after a short while, he saw Gu Mu Xijue in the gray robe walking in from outside.

But he said that after Gu Mu Xijue walked in, he saw the White God sitting in the middle of the hall.

"White God... why are you here?" Gu Mu Xijue in front of him suddenly smiled after seeing the White God.

The speechless expression on that Baishen's face was pale at the moment.

"Old Mu...you are right, I really...really...is no longer the opponent of the boy named Li, hey." Suddenly the white **** sighed sadly in that expression.

The expression of the whole person also showed a huge sense of sadness.

After hearing this, Gu Mu Xijue frowned.

"White God, did you really compete with that kid?" Gu Mu Xijue asked suddenly.

The White God nodded bitterly and said, "Hey, yes."

"You lost?" Gu Mu Xijue said again.

White God said: "Yes."

"Hahahahaha." Suddenly Gu Mu Xijue burst into laughter. After hearing that the White God had lost, he laughed happily.

After seeing Gu Mu Xijue's laugh like this, the white **** in front of him was suddenly depressed. He wanted to find Gu Mu Xijue for some comfort, but he didn't expect him to laugh now.

Seeing that Gu Mu Xijue laughed loudly, the White God grunted displeasely: "Old Mu, are you still laughing at me? Do you think I am extremely ashamed?"

But seeing that Gu Muxi absolutely held back a smile, she shook her head and said, "No, no, Lao Bai, don't get me wrong."

"Then what are you laughing at?" Bai Shen asked depressedly.

Gu Muxi said: "I laughed because I am very happy! I am happy because our temple can finally fight Jiugong! Finally someone can fight him for the three of us."

When Bai Shen heard it, his brow frowned and said, "Old Mu, you mean you want that kid named Li to fight him?"

That Gu Mu Xijue nodded and said, "Yes."

"I think that only this miraculous young man can fight him under the sky and earth." Gu Muxi said absolutely.

When the White God heard it, he exclaimed, "How is it possible?"

"How could that kid be his opponent?" Baishindao.

Gu Muxi said: "What is impossible? Under the heaven and the earth, strange things continue one after another! I believe this young man was sent by God to save our temple, I believe him."

The White God said: "But, Lao Mu, no matter how much you believe him, he can't be his opponent!"

"Do you still remember that three hundred years ago, the three of us and Goddess were unable to defeat him, and he had already broken through the eleventh heaven at the time! Now three hundred years have passed, how strong is his strength? None of us know..." The White God suddenly flashed a slight panic in his eyes.

Obviously, after they mentioned him in their mouths, their expressions became stiff and scared.

"Even the young man named Li is a natural talent! But he is young after all! And even though he defeated me, I can see that the kid has already used 100% of his skills! According to this, I'm afraid... I'm afraid... he is not his opponent yet." Bai Shen said there.

In fact, what Bai Shen said was pretty good.

The reason why Li Tian was able to defeat the White God in front of him was because Li Tian used all the skills he had learned in his life.

However, Bai's strength, coupled with the strength of the wood god, and the strength of the goddess, could not defeat their little junior brother, the terrifying guy called the sun **** three hundred years ago!

Is Li Tian really okay now?

Can he really be pinned by the wood god, white god, and hope?

At this moment, after hearing the words of the white **** in front of him, Gu Mu Xijue suddenly became extremely disappointed.

He also became silent slightly.

After being silent for a long time, the Gu Mu Xijue in front of him suddenly said: "No matter what, that young man is our last hope... If he really is not the opponent of Junior Brother, hehe, then our temple can only Give it a hand."

After hearing Gu Mu Xijue's sudden dejection in front of him, the White God sighed deeply without speaking.

"Hope, I hope the kid surnamed Li can help us turn things around." In the end, only the White God murmured.

Gu Mu Xijue didn't speak too much, and suddenly flew out after showing her figure.

After reaching the square outside, I saw that Gu Mu Xijue looked up at the gray sky.

At the top of the firmament, there is also the enchantment of heaven that covers and protects the temple.

It is this heavenly barrier that isolates the only passage between the nine palaces and the temple.

It's a pity that the current Heavenly Enchantment already seems to be useless.

Na Gu Mu Xijue stood on the empty square, looking at the deep sky with deep concern in her eyes.

Suddenly muttered there and said: "Does God really want to destroy our temple?"

Wei Wei's words came from that Gu Mu Xijue's mouth, but God did not give Gu Mu Xijue an answer.

The cold wind is still blowing...Above the gray sky, black clouds continue to shroud.

Na Gu Mu Xijue glanced at the dark sky for the last time, suddenly turned around, and flew towards her room.

But what about White God?

At this moment, after seeing the wood **** leaving like this, he also sighed deeply, and then said nothing, the whole person turned into a white light, and then flew towards the distant deep sea.

Chapter 3044: Strong sword spirit

Qianxuefeng, holy land.

Ever since the goddess Xue Ji's handmaid Bai Ru was killed by the Black Demon of the Underworld King, Qian Xuefeng has been plunged into a haze for this period of time.

The other three girls looked sad every day.

After all, the dead Bai Ru has been with them for so many years, practicing together, playing together...like a sister.

But now that Bai Ru was suddenly murdered by the Hei Jue of the Pluto Three Demons, which of course made the other three girls very sad.

I saw Qianxuefeng at this moment, in the water curtain cave.

Three girls in white suddenly sat in the cave.

Their three beautiful and picturesque faces were covered with sad expressions.

"Sister Bai Ru has been dead for more than ten days...I...I...I really miss her." Suddenly a word came from the side with a long sword in her hand and a beautiful girl's mouth wearing a white skirt. Said it.

This beautiful woman in white clothes is the best little sister of Bai Ru, Qing Luan.

At this moment, after Na Bairu died, she was considered the saddest, and she had been crying for days and nights.

Now she slightly talked about Bai Ru's death again, and in an instant, those beautiful eyes suddenly turned red.

After Qing Luan suddenly said so sadly in front of him, the eldest sister in white clothes and another girl sitting on the other side were not only sad.

"Hey!! Don't be sad, everyone, I believe that the goddess will avenge Sister Bairu." Just listen to the elder sister sighing there, persuading the sisters to say.

After hearing the elder sister in front of her say so, Qingluan and the other beauty in white nodded silently.

"Damn the three demons of Pluto, one day, our temple will definitely defeat them." Just listen to the angrily said Qing Luan.

"Yes." said the big sister over there.

"At that time, once we have defeated the Jiugong, we can sit back and relax." Just listen to the big sister.

Qingluan and the others nodded in acquiescence as the elder sister said so.

"Goddess, why haven't you come back? It's been a long time since then?" Suddenly Qing Luan said slightly worried.

The eldest sister replied, "Presumably the goddess must have gone to find them."

"Looking for Wood God?" Qing Luan in front of him curiously asked.

Just listen to the elder sister: "Of course! The three demons of the Underworld have already broken into the scope of the temple, presumably the barrier of heaven must have been breached by the nine palaces! Do you think, the major event of the barrier of heaven being breached, how can the goddess Don't you inform them?"

After hearing the elder sister's words, Qing Luan in front of her quickly said, "The elder sister's analysis is extremely reasonable."

The eldest sister smiled indifferently.

"What I am most concerned about now is... Sister Bing doesn't know how is her cultivation?" I just listened to the big sister suddenly saying there.

The "Sister Bing" she said was undoubtedly the one who worshipped the goddess: Situ Ningbing.

Since that Situ Ningbing worshipped the goddess Xue Ji and became her disciple, she has been cultivating assiduously in that cave for more than a month.

For more than a month, this eldest sister and the girls have never seen Situ Ningbing again.

So they couldn't help but miss that Situ Ningbing.

After the eldest sister finished speaking, Qing Luan in front of her suddenly said, "Eldest sister, I also miss Sister Bing.

"Or, let's go to her practice place and see her?" Qing Luan suddenly smiled there.

The eldest sister said: "But the goddess told us not to disturb Sister Bing's practice."

Na Qingluan smiled and said, "We don't bother, just take a look outside the cave."

Listening to that girl Qingluan said this, the eldest sister in front of her thought for a while and said: "Well, I actually want to see Sister Bing too."

After that Qingluan and the other girl in white heard what the elder sister said, they smiled and said, "Okay, let's go see Sister Bing."

The three pretty girls who were talking were about to visit the cultivating Situ Ningbing.

The training place where Situ Ningbing was located was in a stone cave.

The stone cave is behind Qianxue Peak, the terrain is dangerous, but it is halfway up the mountain.

At this moment, Qingluan and the others, after reaching the back mountain of the Qianxue Peak, saw the older sister taking the lead and saying, "You two are following me."

After that Qingluan and another beautiful lady in white heard what the eldest sister said, they nodded quickly and said, "En!"

Then I saw that elder sister flew down the "Qianxue Peak".

At this moment, Qingluan and another girl in white followed closely and flew down quickly.

Three white shadows flew down from Qianxue Peak like a fairy.

After reaching the mountainside position, the elder sister's body turned sharply in the air, and then lightly spotted her feet on the bumpy stone wall, and then volleyed, she reached a hidden stone cave.

At this moment, Qingluan and another girl in white, who were exactly the same as the eldest sister, quickly flew over.

They are here.

"Eldest sister, sister Bing is practicing here?" I saw that Qingluan said excitedly in her beautiful eyes.

The eldest sister in front of her smiled and nodded, and said, "Yes, it's here."

Look at the cave carefully, it is not very big!

The mouth of the cave more than two meters wide... is surrounded by lush weeds and ferocious rocks.

If you don't look carefully, it's hard to find that there is a strange cave in such a place?

I saw that after the eldest sister led Qingluan and the others to the door of the stone cave where you and Situ Ningbing were practicing, the Qingluan looked at the door of the stone cave and said: "Sister, do we want to go in and see the ice younger sister?"

When the eldest sister heard Qing Luan say this, she gave her a blank glance.

"I also said just now that we can't disturb Sister Bing's cultivation. Why did you girl turn around and forgot..." The eldest sister scolded Qing Luan in front of her.

Qing Luan whispered there, "I just want to see Sister Bing..."

The eldest sister shook her head helplessly, but did not agree.

After all, the goddess had personally ordered before that she must not disturb the cultivation of Situ Ningbing.

"Let's just wait here...If Sister Bing waits to rest, we might be able to take a look at her." Just listen to the eldest sister.

Although Qingluan was full of disappointment on her face, she couldn't say anything more, just reluctantly said, "Oh!"

Then the three girls randomly found a place outside the cave, then sat down quietly and began to wait.

Time passed by every minute.

After almost half an hour passed, suddenly the sound of "hissing" sword energy came from the stone cave where Situ Ningbing was practicing.

The sword aura was extremely cold. Although the eldest sister and Qingluan stayed outside the cave, they could still feel the extremely powerful sword aura.

After feeling the "hissing" sword aura, Qing Luan cried out in that instant: "Sword aura!!!"

"Sister, this is Sister Bing's sword spirit." Qing Luan exclaimed with excitement on her face.

The eldest sister in front of me also smiled there and said: "Yes."

"Sister Bing has only been cultivating for more than a month. I didn't expect this sword aura to become so strong." The eldest sister in front of her said with a slightly surprised expression in her eyes.

Chapter 3045: Don't you practice anymore?

I saw a "hissing" sword sound coming from the cave.

Not only that, but I can also feel a "frosty" air escaping from the cave.

It turns out that Situ Ningbing cultivated the "Ice Heart Divine Art" taught by the goddess Xue Ji, and the sword in Situ Ningbing's hand was also "Ice Death." So, at this moment, he was cold. The "frosty" air is also not surprising.

Just as the Qingluan, the eldest sister, and another girl were looking at the cave with blinking beautiful eyes, suddenly a beautiful figure flew out of the cave.

Her figure is extremely beautiful, like a butterfly.

At the moment when they flew out, they gracefully appeared beside the "eldest sister, and Qingluan".

Situ Ningbing unexpectedly appeared.

At the moment when Situ Ningbing exited the cave, Qingluan and the elder sister in front of him suddenly screamed happily.

"Sister Bing, you finally came out." Qing Luan, who just listened to the moment, smiled and looked at Situ Ningbing.

Situ Ningbing also saw Qingluan and the others at this time, and then a smile appeared on Qiao's face, and said: "Why are some sisters here?"

"Of course it's up to you!" Qing Luan on the other side said with a smile.

"Yeah, I haven't seen you for a month, so our sisters miss you a lot...so I came here to see you." Just listen to the eldest sister saying that at the moment.

When Situ Ningbing heard them say this, he smiled and said, "Thank you sisters."

"Sister Bing, how are you cultivating in this more than a month?" The eldest sister in front of me asked while looking at Situ Ningbing with a smile.

Situ Ningbing smiled, and replied there, "At present, I have almost practiced Bingxin Shenjue."

"Huh? So fast?"

When Situ Ningbing said this, the eldest sister, Qing Luan and another girl in white all screamed in shock.

It turns out that this "Bing Xin Shen Jue" is the extremely powerful skill of the goddess Xue Ji, of course, it is quite difficult to practice, but I didn't expect this Situ Ningbing to practice so fast... in just over a month of retreat Within that, she had almost completed all the cultivation of the "Bing Xin Shen Jue", which really made this elder sister and Qing Luan feel slightly surprised.

But seeing that Situ Ningbing said after seeing the surprised expressions of the eldest sisters, "All this is the grace of the master! The heart of the ice crystal that the master gave me has a strange effect, My whole body spiritual power seemed to skyrocket overnight, and it also increased the speed of cultivation. That's why I could cultivate so fast."

Situ Ningbing said in that modest way.

The eldest sister and Qing Luan nodded silently after listening.

"Hey, no matter what, we have to congratulate Sister Bing for greatly improving her skill." Qing Luan said with a smile in front of her.

Situ Ningbing smiled lightly.

Looking at the three beauties in front of you, Situ Ningbing suddenly noticed that there was one beauty missing...

Seems to be Bai Ru?

Situ Ningbing, who had been practicing in retreat for more than a month in that stone cave, didn't know what happened outside, of course, he didn't even know the murder of the Bai Ru beauty.

Therefore, when she saw that Bai Ru was missing in front of her, Situ Ningbing was slightly startled, and then curiously asked: "How many sisters, why are you only three? What about sister Bai Ru? Did she not come? "

After that Situ Ningbing suddenly asked, a look of sadness appeared on the pretty faces of the three beauties in white, headed by the eldest sister.

That Situ Ningbing was extremely clever, and couldn't help being stunned at the moment when he saw their pretty faces suddenly appearing sad.

"What's the matter? Several sisters, is something wrong?" Situ Ningbing looked at their three weird faces and suddenly asked.

After Situ Ningbing asked again, the eldest sister finally spoke.

She first sighed deeply, "Hey!"

Then she preached with her grief-stricken beautiful eyes: "It's true... Sister Bai Ru... Sister Bai Ru... was killed by the culprits."

"what?"

When the eldest sister said so all of a sudden, Situ Ningbing screamed.

"Sister Bai Ru was killed?" Situ Ningbing in front of her asked in astonishment.

The eldest sister nodded sadly and said, "Yes."

"What's the matter? How could this happen? Who did it? Who killed Sister Bai Ru?" Situ Ningbing asked in shock.

Bai Ru was actually quite good to Situ Ningbing.

So at this moment, Situ Ningbing felt a little pain in her heart after hearing the news of Bai Ru's death.

After Situ Ningbing asked, the eldest sister in front of him then told all about the fact that Hei Jue broke into Qianxue Peak to kill Bai Ru...

"...Sister Bai Ru was killed by that wicked man!! So far, she has been dead for almost half a month." The eldest sister said with a sad expression.

After hearing this elder sister say so, Situ Ningbing stood there blankly.

It turns out that everything is like this.

"Poor Sister Bai Ru." At this moment, only Situ Ningbing sighed.

The three beauties in white clothes also stood there without speaking.

"Where is my master?" Situ Ningbing asked immediately.

The eldest sister replied: "The goddess has gone out to chase the murderer. She is chasing the murderer who killed Sister Bai Ru."

"Oh, it turned out to be like this." Situ Ningbing said.

The elder sister said: "Well, the goddess has been out for more than ten days so far, and has not returned yet."

After Situ Ningbing heard what the eldest sister said, Meisou blinked and said: "We Qianxuefeng has such a big thing, why didn't you come to inform me before? I can also go to Bairu with the master. Sister revenge."

The elder sister said: "We can't disturb you, the goddess once told us not to disturb you to meditate...so..."

Situ Ningbing understood it as soon as he heard it.

"Oh, I see."

"I hope that the master can avenge my sister Bairu." The last Situ Ningbing said slightly.

The three girls in white clothes beside them also nodded silently at that moment.

"Three elder sisters, wait for me here for a while, I will go into the stone cave to get some things, and then we will go back to the top of the peak together." Situ Ningbing suddenly said to the eldest sister and the others humanely.

The eldest sister and the three of them heard what Situ Ningbing suddenly said, and they were not only slightly startled: "Sister Bing...you want to come back to the top with us? Don't you practice anymore?"

Chapter 3046: Break through the eighth day

When Situ Ningbing heard what the elder sister in front of him said, he said, "En."

"I want to go back to the summit first, and then look for the master." Situ Ningbing said.

When the eldest sister heard it, she hurriedly said: "No, no, no, that won't work."

When the eldest sister blocked herself in this way, Situ Ningbing was startled slightly: "Why?"

The eldest sister then said: "The goddess asks you to practice well...How can you leave here?"

Situ Ningbing said there, "But my Bingxin Shenjue technique is almost completed? Besides, now that Qian Xuefeng has happened such a big thing, as the only disciple of the master, how can I not stand up? "

After the eldest sister heard Situ Ningbing's words in front of her, although Liu Mei was frowning deeply, she didn't know what to say.

"Eldest sister, I think Sister Bing is right! Right now, she is the only descendant of our goddess... Now that the goddess is not there, Sister Bing should preside over the overall situation." Suddenly, Qing Luan on one side was also there and said to the older sister. .

The eldest sister thought for a while, then glanced at Situ Ningbing, who had a firm look in the beautiful eyes before her. After thinking for a while, she said, "Well, since everyone says that, then I have nothing to say. of."

When Situ Ningbing heard what this elder sister said, a smile appeared on her pretty face.

Then Situ Ningbing smiled and said: "Three sisters, wait for me, I will come out immediately."

After speaking, Situ Ningbing suddenly flashed, and then the figure flew directly into the cave where he had cultivated before.

After Situ Ningbing flew into the cave, the eldest sister, Qingluan and another girl in white were waiting there.

After a while, I saw that Situ Ningbing was holding a snow-white sword in his hand, flying out from inside.

There was a small baggage hanging on her shoulders.

After that Situ Ningbing shot out, she smiled and said, "We can go now."

After hearing Situ Ningbing's words, the eldest sister in front of her did not speak too much, but silently nodded there.

Then the four of them unfolded, and they all flew to the top of the Qianxue Peak.

The thirteenth heaven.

Li Tian was still practicing on the eighth heaven.

He cultivated so hard that he didn't even know that the goddess Xue Ji disappeared.

I saw Li Tian sitting cross-legged on the ground at the moment, and a light-transmitting circle of light shrouded his whole body. This was the light of spiritual power.

Li Tian's spiritual power was too strong, and he had already reached the point where his spiritual power appeared.

As the spiritual power of his body continued to spread, Li Tian's right hand suddenly stretched out, and a "earth"-shaped mark suddenly appeared in his palm.

Then Li Tian yelled, "The torrent of torrential earth!"

With a shout, Li Tian's hand was pressed on the ground in an instant, and the entire icy ground shook violently.

There was a boom.

A huge "earth" character appeared under Li Tian's palm, and then suddenly the entire earth's crust began to twist and shake...like a torrent.

If this is a confrontation with people, the huge range of "torrential torrents", if the enemy encounters, it may be difficult to escape such a violent shock.

Sure enough, it is an alien space illusion.

Call!

After Li Tian finally completed the "torrent of torrential earth" for his cultivation, a long sigh of pale gas was exhaled from his mouth.

Then he jumped up.

"Earth-based illusion, really domineering." Li Tian said in surprise.

Now he has practiced the high-level torrential flood technique of this earth-based illusion technique, and he clearly felt that his strength seemed to have improved a lot.

Just when Li Tianxin was happy that he had completed the torrent of torrential land in his cultivation, he raised his eyes to look for the goddess Xue Ji, and suddenly found that there was no shadow of the goddess Xue Ji in this empty eighth day.

"Huh? Where's the goddess?" Li Tian looked at the empty Eighth Heaven at the moment and said depressed.

Then Li Tian began to look for the goddess Xue Ji, but after searching around, he didn't find the shadow of the goddess Xue Ji.

"What about this weird and beautiful woman? Why did she disappear suddenly?" Li Tian muttered to himself.

He didn't know how long he had been cultivating in this torrent of violent land, he thought he had only been sitting for a few hours! In fact, he didn't know that he had already spent almost two days and two nights without knowing it...

But he said that after Li Tian searched for a circle and did not find the shadow of the goddess Xue Ji, he muttered in his mouth: "Presumably the goddess should have left by herself."

"Forget it, since she's gone, I don't need to look for her again."

After Li Tian finished speaking, he began to sit there cultivating the earth illusion technique.

After that Li Tian ate the fairy fruit, his spiritual power increased dramatically, and everything he cultivated now was very large.

These alien space illusions are extremely difficult to practice according to the truth...

Even the outstanding top-level figures such as the White God, the Wood God, and the Goddess have only broken through the eighth heaven, the ninth heaven, and these levels one by one!

But now Li Tian's cultivation speed is surprisingly fast.

Li Tian found some earth-type illusions and began to practice intensively there alone.

...

Time passed by every minute.

He didn't know how long he had cultivated.

He just saw those more powerful earth-based illusions, and slowly learned all of them.

Before he knew it, Li Tian had been alone in the eighth heaven for three days and three nights.

Although these three days and three nights seemed to be long, for Li Tian who was focused on cultivation, it was very slow.

Among them, Li Tian learned two more earth illusions.

All of them are above high-level.

After Li Tian learned two more advanced earth-based illusions, Li Tian finally decided to leave here.

"It seems that I should try to break through the eighth heaven." Li Tian murmured there.

After speaking, he quickly stood up, and then reached the ladder of the eighth heaven.

But seeing that the ladder of the eighth layer is the same as the previous seven layers, it is also an illusion enchantment.

Li Tian glanced at the illusion barrier, and then said: "I should be able to break through the eighth heaven."

After speaking, Li Tian suddenly strode towards the magical barrier.

After reaching the illusion art barrier, Li Tian urged his spiritual power in his hands, and then broke the illusion art barrier of the eighth heaven.

The illusion enchantment of the eighth heaven was very obvious, and it was stronger than the previous illusion enchantment.

But facing Li Tian, who is now soaring in strength... it doesn't seem to be that difficult!

Chapter 3047: I also do not understand

boom!

As Li Tian's powerful spiritual power urged, suddenly the eighth heaven's illusion art barrier appeared loudly.

Then the whole illusion barrier was broken.

"Breakthrough."

"Li Tian has now broken through the eighth heaven."

When Li Tian broke through the eighth heaven, a smile appeared on his face.

Everyone hopes that their own strength can become stronger, of course, Li Tian is no exception.

"It's time for the ninth day!"

"According to my speed, I believe that one day, I will learn all the peerless illusions in these thirteen days." Li Tianzai murmured with satisfaction.

After thinking about it this way in his heart, Li Tian still walked towards the ninth heaven.

But Li Tian didn't know how difficult it was for the remaining few heavens since the eighth heaven passed! ! !

At this moment, Li Tian had already stepped onto the ninth heaven.

After that Li Tian reached the ninth layer, I saw the sound of vigorous exercise suddenly heard from the ninth layer.

After Li Tian suddenly heard the sound of practice, he was startled.

"Someone?"

"Is anyone practicing on the ninth day?"

Li Tian was surprised, so he hurried to the ninth heaven, he wanted to see who was cultivating here.

After that Li Tian quickly set foot on the ninth heaven, he suddenly saw a fiery red shadow cultivating there. The shadow was enchanting and charming, with a graceful and light posture, like a butterfly practicing this superior illusion.

Li Tian was stunned for a moment after seeing her beautiful shadow.

what?

"is her?"

"Goddess Xue Ji?" Li Tian exclaimed suddenly.

But who is the figure who cultivated on the ninth day? It is indeed the goddess Xue Ji who has the beauty of the country and the city.

Since the goddess Xueji left Li Tian, she has been cultivating on the ninth day. Although she has already reached the realm of the first heaven, but so far, the goddess Xueji has not broken through this. Nine Heavens.

But he said that Li Tian called out his voice after seeing the goddess Xue Ji.

The goddess Xue Ji, who was originally cultivating, stopped there at the moment after hearing Li Tian's voice, and then curiously turned the face of Qingguo Qingcheng and saw Li Tian in front of her.

"It's you? Have you finally reached the ninth heaven?" The goddess Xue Ji looked at Li Tiandao there.

Then Li Tian smiled after seeing the goddess Xueji at this moment: "Goddess, I thought you had already left... I didn't expect you to be in the ninth day."

The goddess Xue Ji coldly snorted: "Of course."

"Why don't you say hello to me when you are leaving?" Li Tiandao.

The goddess Xue Ji said: "I'm talking to you, you are like a dead pig, you don't pay attention to me at all, how can I talk to you?"

Li Tian was scolded by the goddess Xue Ji, and suddenly became a little speechless.

With that uncontrollable dark lining in my heart, he muttered: "Really?"

"Nonsense." The goddess Xue Ji said coldly.

When Li Tian heard it, he said in embarrassment, "Okay, okay, I was wrong."

The goddess Xue Ji gave a cold snort, turned her pretty face, and stopped looking at Li Tian.

"Goddess, you have reached the realm of the ninth heaven?" Li Tianzai looked at the goddess Xueji in surprise.

The goddess Xue Ji suddenly lost sight of Li Tian and said, "What do you mean? Don't you look down on me?"

"No, no, no... I didn't mean that." Li Tian said hurriedly.

The goddess Xue Ji said: "Then what do you mean?"

Li Tian was embarrassed at that moment... I didn't know what to say.

In fact, his heart was indeed a little surprised at the strength of the goddess! He knew that White God had only broken through the eighth heaven! But now seeing this goddess Xue Ji in the ninth day, there is no doubt that the strength of this goddess is stronger than that of the white god.

But seeing Li Tian at this moment didn't know what to say, he just raised his eyes and looked at the environment in the ninth layer, and looked at the surrounding environment, only to see that the ninth layer was already obviously different from the previous eight layers. It's different.

Because in the ninth day, there were only four bare stone walls, and those stone walls were empty...nothing! ! There is no magic trick, and there is no cultivation method.

Looking at such an environment, Li Tian was a little depressed.

"Hey, this ninth heaven is so strange, how come there is no magic trick for cultivation?" Li Tian asked curiously.

Just after Li Tian said so, the goddess Xue Ji in front of him suddenly said coldly: "Do you think this place is still the same as the former Eighth Heaven?"

"That...that...how should I practice?" Li Tian asked suddenly depressed.

Although the goddess Xueji didn't want to talk to Li Tian, she finally spoke there.

She preached to Li Tian there and said: "You look at the four stone walls...then choose one randomly. After you choose one, you will use your spiritual power to infuse this stone wall. Then, you will naturally See what you want to cultivate."

When Li Tianyi heard the goddess Xueji say this, he was slightly startled at the moment, and said to his heart: So it is so!

Thinking like this, Li Tian hurriedly came to a stone wall, and then quickly stretched out his hands, and then slightly pressed on the stone wall, after that Li Tian's hands were gently pressed on the stone wall. , Li Tian began to use spiritual power.

As the spiritual power of the whole body slowly urged it out, then an image suddenly appeared on the smooth stone wall in front of him.

I saw the image that appeared was very strange, like black lines.

After the black line was constantly twisted, it suddenly became a strange picture.

What the picture shows is: a clear drop of water, then flew down from a high altitude, dripped into the ocean, and then vanished.

After Li Tian saw such a weird and weird image, Li Tian was momentarily depressed there.

"Ah? What is this?" Li Tian exclaimed in that gloomy voice.

The goddess Xue Ji raised her beautiful eyes and glanced at the situation on the stone wall on Li Tian's side, and suddenly said: "Don't be surprised, you are the same as mine."

"Isn't it?"

Upon hearing this, Li Tian quickly walked to the stone wall in front of the goddess Xue Ji, and looked up, only to see that the stone wall in front of the goddess Xue Ji was exactly the same as his own.

What also appeared above was the weird image: a drop of water fell into the ocean and turned into nothing.

Looking at this image, Li Tian asked incomprehensibly: "What does this mean?"

The goddess Xue Ji said: "I don't understand either! If I understood, wouldn't I have broken through the ninth heaven long ago."

Chapter 3048: Fengchen's name

Looking at such a strange image, Li Tian's mind quickly turned.

In my heart, what does this pattern indicate?

Is it really a knack for practicing illusion?

Li Tian, who was thinking about it this way, continued to stare at the pattern on the stone wall carefully.

After watching for more than ten minutes, Li Tian's eyes were about to run out, but he still didn't see why.

This moment made him depressed.

"Is the ninth heaven playing tricks on us? Just such a pattern?" Li Tian said.

The goddess Xue Ji said: "How do I know?"

When Li Tian heard the goddess Xue Ji say this, he could only shut his mouth at this moment.

"Forget it, you and I are here to comprehend it slowly! I believe that the pattern definitely has a profound meaning, but you and I still can't comprehend it." Just listen to the goddess Xue Ji said slightly.

After hearing what the goddess Xue Ji said, Li Tian frowned deeply.

Glancing at the pattern in front of him again, Li Tian thought to himself: "Could it be that this pattern really has any deep meaning?"

After thinking about this, Li Tian sat down on the ground alone, then stared at the pattern on the stone wall, comprehending...

Look, look!

Li Tian looked dazzled, and still couldn't see what the pattern meant.

Depressed, he closed his sore eyes and stayed there quietly.

What about the goddess Xue Ji? It seems to be more patient than Li Tian, but sitting cross-legged quietly, the face of the overwhelming country and the city is also looking at the pattern slightly.

I don't know how long I watched it.

Li Tian actually fell asleep faintly.

The practice of the past few days has made Li Tian very tired.

After several days and nights of intensive cultivation, the current Li Tian fell asleep when he was there.

The goddess Xue Ji looked at Li Tian and fell asleep in the ninth day. Not only did Liu frown, she whispered softly in her mouth, "What a lazy pig!"

After speaking, the goddess Xue Ji continued to stare at the pattern.

Only by comprehending the meaning of the pattern can one break through the ninth heaven.

...

Li Tian, who didn't know how long he had been in bed, finally woke up.

When he woke up, Li Tian stretched out a lazy waist, then blinked his eyes to clear up.

Turning his head to see, the goddess Xue Ji was still sitting cross-legged quietly on one side, then Li Tian slowly got up from the ground.

"Goddess, how long have I slept?" Li Tian asked, stretching his waist.

The goddess didn't even look at him, but said coldly, "One day and one night."

what?

When Li Tianyi heard that he had fallen asleep all day and night, he almost jumped up with excitement.

He never thought he would have slept for so long! ! ! At this moment, when the goddess said this, he opened his pupils in that moment and couldn't believe it.

"Isn't it? I... I... I slept for such a long time?" Li Tian exclaimed depressed.

The goddess Xueji turned white and Li Tian said, "What do you think?"

After hearing that goddess Xue Ji said so, Li Tian was speechless.

He had only planned to take a short rest, but he didn't expect that he would slept for one day and one night.

"pig!"

Suddenly the goddess Xue Ji spit out a word.

When Li Tian heard the goddess Xue Ji say this to him, he touched his nose there, not only a little embarrassed.

"By the way, I forgot to tell you. When you were asleep, you yelled many strangers' names. I want to know, who are those strange names? Why do you miss you so much?" The goddess Xue Ji suddenly turned her beautiful face to look at Li Tian and asked.

When Li Tian heard this, he was startled, "I called out many people's names while I slept?"

"Yes." The goddess Xue Ji said.

"Whose name did I call?" Li Tian asked quickly.

The goddess Xueji in front of her said slightly: "Many strangers' names...what are the names of Duanmuying...and what is Ouyang's poetry...and your father, what kind of Xiaolong... Many, many! I can't remember it for a while now."

After the goddess Xue Ji suddenly said this, Li Tian suddenly trembled violently at that moment.

His Fengchen's heart suddenly seemed to have been uncovered with ancient scars.

pain!

When I heard the names of my previous brothers and my lover on the earth before, at that moment, it was as if a sharp knife pierced Li Tian's heart deeply.

Extremely tingling.

"Who are those people?" The goddess Xue Ji suddenly raised her beautiful eyes and looked at Li Tian in surprise.

At that moment, Li Tian looked sad.

Then he was silent for a long, long time before he suddenly said, "They...they... are the best brothers I have ever been! They are also the women I love the most.

When the goddess Xue Ji heard Li Tian say this, she suddenly stunned, "Really?"

"Where are they now?" The goddess Xue Ji asked suddenly.

Li Tian suddenly showed an extremely bitter smile at the corner of his mouth.

Yes!

Where are his brothers? Love people?

How should Li Tian answer this question?

Brothers are dead... buried on the top of the mountain! ! ! The lovers also stayed on the earth...

Li Tian gave up everything for the sake of Situ Ningbing, he chased into another world and came to this strange land of spirits.

When the names of the current brothers, the women who once loved Duan Muying, Ouyang Shiqing, and Tang Feifei... these women who have accompanied him in his best years, how are they doing now?

Are they okay on earth? Do you miss yourself in the dead of night?

Thinking about it, Li Tian's eyes suddenly became slightly ruddy.

When the goddess Xue Ji over there saw Li Tian's expression suddenly changed, and the moment her eyes suddenly became rosy, she couldn't help being stunned.

"Hey, what's the matter with you?" The goddess Xue Ji said suddenly curiously.

Li Tian hurriedly turned around, then raised his arm and wiped his ruddy eyes slightly, then smiled awkwardly and said, "I, I'm fine."

"Well, since you don't want to say, then I won't ask." The goddess Xue Ji said there.

After hearing what the goddess Xue Ji said, Li Tian didn't say too much.

He just sat there alone.

At this moment, he has no intention of cultivating anymore...because all the bits and pieces in his mind before have flooded into his heart.

The years that I used to be with my brothers...The years that I used to be with his beloved women...like a movie replayed in his heart.

Chapter 3049: Your apprentice?

Li Tian stayed there alone for a long, long time.

I kept thinking about the previous things in my mind.

Just when Li Tian thought about the past Yunyan things like this, suddenly the goddess Xueji spoke there.

"Although I don't want to ask... but I still have a question I want to ask you." Suddenly the goddess Xue Ji was looking at Li Tiandao.

When Li Tianyi heard it, he said, "What?"

"I want to ask... how do you know my apprentice?" Suddenly a word came out inexplicably from the mouth of the goddess Xue Ji.

When Li Tian heard this, he was immediately puzzled, and said, "Goddess, what do you mean? Your apprentice? Who is your apprentice? I don't know."

After Li Tian in front of him said this, the goddess Xueji suddenly raised her eyebrows: "Dare you say that you don't know? Humph, when you were asleep just now, the name she called the most , How dare you say that you don't know her?"

what?

Li Tian in front of him was speechless when he heard the goddess Xueji suddenly say this.

Li Tian's name was called the most in his sleep? Who?

"Who? What name did I call?" Li Tian asked in surprise.

Then the goddess Xue Ji said it out.

"Situ Ningbing."

When the goddess Xue Ji said so for a moment, Li Tian in front of her was suddenly stunned.

what?

"Ningbing?" Li Tian said in horror.

It turns out that the name he says most in his sleep turned out to be Situ Ningbing?

After listening to Li Tian, he was very strange.

There is nothing strange about him chanting Situ Ningbing's name! But the strangest thing was that the goddess Xue Ji in front of her said that "Situ Ningbing" was her apprentice?

This made Li Tian completely depressed.

When did Situ Ningbing become the apprentice of this goddess Xue Ji?

After thinking about this with a sudden surprise in his heart, Li Tian in front of him hurriedly asked: "Goddess, you just said... Ningbing is your apprentice? Is it true?"

The goddess Xue Ji picked up her beautiful eyes: "Of course, could I still lie to you?"

"Ah? No? When did Ningbing become your apprentice?" Li Tian asked in shock.

This Situ Ningbing unexpectedly became the disciple of this goddess Xue Ji, which was of course shocking to Li Tian in front of him.

Just listen to the goddess Xue Ji said: "More than a month ago! I put her under the door of my Qian Xuefeng!"

"More than a month ago?" Li Tian recalled, suddenly depressed.

At that time, Li Tian had already started cultivating within these thirteen days. He didn't know where Situ Ningbing had gone. At this moment, he was speechless.

"Exactly." The goddess Xue Ji said.

Then Li Tian was full of surprise at this moment, and he didn't know if he should be happy? Should I smile?

At this moment, the goddess Xue Ji suddenly asked: "Let me ask you, how did you know Bing'er?"

Li Tiandao: "She is my favorite woman, how could I not know her? And, it was the temple I took her to."

When the goddess heard this, her beautiful eyes wrinkled and said: "What? You said Binger is your... lover?"

The goddess was surprised and cried out.

Li Tiandao said: "Yes."

"Goddess, do you remember the last time I went to Qianxue Peak?" Li Tian said suddenly.

The goddess Xue Ji nodded coldly and said, "Of course I remember."

"Actually, I didn't conceal that time, I went to Qianxuefeng to look for you just for Ningbing." Then Li Tiandao.

The goddess Xue Ji became more confused and said: "You said it was for Binger? What do you mean?"

Li Tiandao: "Ning Bing has lost his memory... I heard the ***** of wood say that your ancient beast Jiuwei Fengluan can heal all diseases, so I went to Qianxuefeng to beg you! Alas, it's a pity that I arrived at Qianxuefeng. ..."

Li Tian did not finish the remaining words! Because the goddess Xue Ji naturally understood that she was embarrassed by Li Tian and Li Tian on Qianxue Peak that day.

After hearing that goddess Xue Ji, those beautiful eyes blinked slightly.

Now she finally understands.

It turns out that the apprentice I received... is this Li Tian's lover?

Thinking of this, the goddess Xue Ji just felt a little speechless.

"It turns out that everything is like this! The last time you went to Qianxuefeng was to heal Bing'er, right?" the goddess Xue Ji asked.

Li Tian nodded silently and said, "Exactly."

"Binger got amnesia?" Only the goddess Xue Ji asked in surprise.

Li Tian nodded there and said, "Yes, yes! Since... Since..."

Li Tian wanted to say that since crossing this "Spirit Earth Continent", that Situ Ningbing had amnesia! But when I thought to myself, if I said it, this goddess Xue Ji would definitely not believe it.

So I saw Li Tian changed his opinion again, saying: "Since Ningbing left the magic palace, she has lost her memory! Never remember who I am...so I have to heal her! Give her to Cure, because only then can she remember me."

After the goddess Xueji heard Li Tian say this, she not only looked at Li Tian there and said: "Unexpectedly, you are still a man of infatuation."

Li Tian smiled, and then with expectant eyes on the goddess Xue Ji who was looking in front of him: "Goddess, since now that Ningbing is already your apprentice! I don't know, can you help me... also At the same time help Ningbing...help her restore her memory"

After Li Tian in front of him said it, the goddess Xue Ji thought about it.

"I made my own plan for this matter." The goddess Xue Ji was ambiguous! Nor did he say yes, let alone say no.

After hearing that, Li Tian said in a hurry: "Goddess, now Ningbing is your apprentice, don't you still want to help her?"

When the goddess Xue Ji heard Li Tian say this, suddenly Liu Mei raised her eyebrows and said angrily: "I said, I will consider this matter! You are not allowed to tell me this! If you mention something, I will If I can help you, I won't help you!"

After hearing the sudden viciousness of the goddess Xue Ji in front of him, Li Tian could only be silent.

But in my heart, he said angrily: This charming and weird woman is really bad tempered! !

"Okay, I have asked all the things I should ask! From now on, I want to practice quietly, and I want to break through the ninth heaven. As for you, don't bother me anymore." The goddess Xue Ji suddenly Said coldly there.

After saying this, the goddess Xue Ji suddenly turned the pretty face of Qing Guo Qingcheng, and then no longer looked at that Li Tian, she began to close her eyes and focus on cultivating.

Chapter 3050: Realized

But she said that after the goddess Xue Ji started her own practice, she really didn't pay attention to Li Tian again. .

Li Tian glanced at the shadow of the goddess Xue Ji, did not speak, and stayed there alone.

"Unexpectedly, Ning Bing would become the apprentice of this charming woman? Hey...It's really impermanent!" Li Tian murmured in front of him.

After speaking, Li Tian whispered there again: "Forget it, since Ningbing has become her disciple, then I don't have to worry about it for now! Anyway, sooner or later I will use the blood of the nine-tailed phoenix... to heal Situ Bing!"

"Even if it's time to use force to **** it! He has to **** the nine-tailed Fengluan from the goddess Xue Ji in front of him."

After Li Tian made up his mind so secretly, he began to practice there.

Now he has to hurry up and cultivate there!

Because this ninth heaven is very weird, so far, Li Tian has not found a way to break through!

He really didn't know what the weird pattern that appeared on the stone wall meant?

A drop of water?

Melt into the sea? Disappeared without a trace?

How can this be explained?

Li Tian just thought.

I don't know how long I have been thinking about it...

Suddenly Li Tian raised his head and looked at the water drop pattern on the stone wall, and suddenly came up with a picture in his mind.

A drop of water enters the vast ocean, and then gathers with many currents to form the ocean.

"I understand!"

"I understand!"

Suddenly, Li Tian cried out in surprise.

His voice was so loud that she awakened the goddess Xue Ji who was cultivating with her eyes closed.

After the goddess Xueji heard Li Tian say that she understood, she was taken aback, stood up quickly, and reached to Li Tian's side and said: "What did you just say? Did you realize it?" I saw the goddess. Said Li Tiandao, who looked in front of him with a look of surprise.

I saw that Li Tian smiled there and said, "Well! I finally understand the meaning of this picture."

The goddess Xue Ji quickly asked: "What does this mean?"

Then Li Tian said: "Goddess, you see, this drop of water is like the alien space illusion we are now practicing, and then it blends into the sea! This means that we have to learn the alien space illusion with the previous practice. The many illusions of illusions complement each other, and then the power will be even greater! Just like the fact that water gathers into the sea."

After Li Tian suddenly finished saying this, the beautiful eyes of the goddess in front of him blinked slightly.

A look of surprise.

"Water gathers into the sea?"

"Alien Space Illusion... is integrated with the illusion previously practiced? Is this true? Is this the explanation for cracking this pattern?" The goddess Xue Ji in front of her also asked with astonishment.

She felt that what Li Tian said was quite reasonable!

It's just that she has never tried it.

I saw that Li Tian looked at the pattern in surprise, and then muttered: "Could it be that I can really compare the light-based illusion and the earth-based illusion that I have learned now with my previous practice. Want to combine the five illusions of water, fire, thunder and lightning, wind, and air?"

Li Tian was thinking so excitedly in his mind.

Although he hasn't experimented yet, there is no doubt that he has already started to excite violently in his heart.

"Li Tian, what kind of illusion technique did you practice before?" Just listen to the goddess Xue Ji looking at Li Tian and ask.

Li Tian replied: "I have all five departments! The five departments have a full assembly."

"What?" When Li Tian said that, the goddess Xue Ji called out.

"Do you know five elements?" The goddess Xue Ji asked incredulously.

Li Tian smiled and nodded... said: "Yes."

"You're really not a person!" The goddess Xue Ji finally said there speechlessly.

After finishing speaking, the goddess Xue Ji said there again: "Since you have now enlightened, you will try... and see if you can follow what you have said and compare the illusion of alien space with what you have previously practiced. Do you want to combine the five illusions?"

After hearing what the goddess Xue Ji said, Li Tian nodded quickly and said, "Okay!"

After Li Tian said this, he then began to think in his mind how to combine the five-system illusion with the light system and earth system of the alien space illusion.

Suddenly, Li Tian thought about it, and he said excitedly: "Yes!"

Then Li Tian hurriedly began to use spiritual power.

After Li Tian urged his spiritual power, suddenly his right hand stretched out, and a purple thunder and lightning light appeared from the palm of his hand.

Thunder illusion!

This is the "thunder and lightning illusion", one of the five illusions of the territorial continent.

After Li Tian suddenly released a purple thunder and lightning with one hand, he suddenly began to use his left hand to stimulate spiritual power, and suddenly a dazzling golden light appeared in the palm of his palm, light! The light system illusion in the alien space illusion!

Does Li Tian want to combine thunder and lightning with light illusion?

Yes!

That's what Li Tian thinks.

I saw that Li Tian suddenly yelled after releasing the purple thunder and lightning illusion and light illusion with his left and right hands.

"Combine!"

Then the left and right hands suddenly moved closer together.

That purple thunder and lightning ray... now began to rapidly approach the dazzling golden light.

The combination of lightning and light illusion? How powerful is this in the end.

At the moment when the sound of "zizizi" came out, Li Tian's two palms condensed suddenly.

Li Tian actually combined that lightning illusion with the light system of the alien space illusion.

At the moment when his hands were condensed together, Li Tian suddenly stretched out his two hands, and saw a rough thunder and lightning light wrapped in golden light suddenly turned out!

This rough thunder and lightning light was originally purple, but now it has become dazzling golden!

The two illusions are really combined.

Seeing this thunder and lightning illusion and the light system illusion, even the goddess Xue Ji, who was standing on the side, screamed in an instant... those beautiful eyes went wide... Eyes full of incredible.

"Really combined?"

"He...really...really combined ordinary illusion... with alien space illusion?" At this moment, even the goddess Xue Ji not only exclaimed excitedly.

I saw the combined thunder and lightning ball in Li Tian's hands suddenly swung out!

A golden light flashed, flying towards the stone wall.

Boom and explosion!

The huge explosion directly blasted the extremely thick stone wall to pieces!

Looking at the powerful combined illusion in front of him, Li Tian was completely shocked at that moment.

"What a terrible power! What a powerful power!" Li Tian cried out in shock.

Originally, according to the past lightning illusion, it was impossible to blow up the stone wall just now! Because Li Tian didn't use much spiritual power when he was mobilizing spiritual power just now, only a small part of spiritual power was gathered!

However, Li Tian didn't expect that after the combination of the light system illusion and the thunder and lightning illusion, it would have such a great power! ! !
