

## A Killer 3091

Chapter 3091: The temple is occupied

The goddess Xue Ji was slightly startled after hearing Li Tian's voice.

Then he quickly looked down. At this look, he suddenly saw a dense army of underworld skeletons on the outer square of the temple.

When she saw this scene, the goddess Xue Ji couldn't help but screamed out of her mouth.

"Nine Palaces... the underworld army of the Nine Palaces?"

"Oh my God! Is the temple already occupied? The underworld army of the Nine Palaces has reached the square of the temple?" The goddess Xue Ji said in a speechless surprise while looking at the situation below.

When Li Tian heard it, his brow couldn't help but frowned.

It turns out that the densely packed skeleton army below is the so-called Nine Palace Underworld Army.

"Xue Ji, it seems that the temple has really fallen!" Li Tian said helplessly there.

When the goddess Xue Ji heard that, her beautiful eyes became red, and she cried out: "Wood God... and White God and the others?"

"Could it be that they have all been killed?"

Li Tian did not speak.

"Let's go down!"

"We will drive away the demons of the Jiugong!"

With the roar of the goddess Xue Ji, the woman didn't look at the situation at all, but a direct fiery shadow flew down from the sky.

After the shadow of the goddess Xue Ji flew down from the air all of a sudden, the army of underworld skeletons who had been guarding the temple square suddenly all saw the shadow of the goddess Xue Ji.

At the moment of seeing... these terrifying and ferocious skeleton army, suddenly raised up to the sky and let out a roar!

The sound was terrible... piercing people's ears!

Just after these skeleton army made a terrible cry, and then "boomed" all of a sudden, these terrifying underworld army rushed towards the beautiful image of the goddess Xue Ji.

Seeing the "enemies" invade, these skeletons seemed to go crazy one by one, with huge "broad swords" and "great blades" in their hands directly swooping up.

When the goddess Xue Ji saw the skeleton army from the underworld rushing towards her, she suddenly sneered in her mouth, "Look for something to die!"

When she spoke, she raised her slender hand and suddenly turned out thousands of "Ice Swords" from the palm of her hand.

Those densely packed "Ice Ice Swords" with the sound of breaking the wind shot across the sky at the rushing army of skeletons!

puff!

puff!

puff!

The "Ice Ice Sword" pierced through the bodies of the skeleton army... Only a stern cry of wailing sounded from the square of the temple.

In a blink of an eye, I saw the first wave of the underworld skeleton army turned into ashes!

However, a wave has just been wiped out! The other wave swooped over directly.

These skeletons have no idea what fear is... what is death... as if there is only cruel killing in their hearts.

Facing the skeleton army rushing over again, the goddess Xue Ji suddenly cast a "curse mark" with her left hand.

"The Gale!"

As this move came out, one after another tornadoes were seen spinning flying from the square of the temple.

Those tornadoes swallowed up the "skeleton army" one by one, and the bodies of these skeleton army were drawn into the tornado...then they were torn apart and turned into ashes.

I have to say that the goddess Xue Ji, who has entered the tenth realm of heaven, has a tremendous increase in her current strength!

But he said, just as the goddess Xue Ji was here to kill all quarters, suddenly Li Tian flew down at this moment.

With cold eyes, he glanced at the underworld skeleton army on the field... Then Li Tian suddenly snorted coldly.

Then his right hand was raised.

A golden ray of light suddenly burst out, like the sun's rays spread all over the world... Suddenly, I saw the skeleton army immersed in the golden light, and became screaming and screaming... and then fell one by one. On the ground, die.

Although these underworld skeletons are large in number, it is impossible to resist the skills of Li Tian, who has already broken through the eleventh realm, and the goddess in the tenth realm!

Soon, it was seen that the skeleton army had lost nearly a quarter under the slaughter of Li Tian and the goddess Xue Ji.

Just when Li Tian and the goddess Xue Ji were enjoying the killing, suddenly three black pythons flew from the temple.

At the moment when the three black pythons' qi flew... Suddenly, black devil qi shot towards the goddess Xue Ji... and Li Tian.

Li Tian saw a "superior" approaching, his right hand just raised slightly.

"Great Earth Escape Technique!"

Suddenly, the entire ground was lifted up directly... an earthen wall more than one foot high protected all around Li Tian's body.

Boom boom boom!

But seeing that all the black magic energy hit the "black soil wall", and then disappeared without a trace in an instant.

And what about the goddess Xue Ji? At this moment, Qianying dodged slightly, avoiding the attack of the black devilish energy.

"Who am I? It turns out to be a goddess...hahaha!"

Suddenly a loud laughter turned out of the black python's air.

Then I saw a humanoid appearing from the black python's air, that humanoid had blood-red hair...a blood-red "Ming" on the forehead looked piercing and piercing.

Red Devils!

It turns out that these three black pythons are exactly the three demons of the underworld.

But he said that at the moment that the red devil appeared, the other black jue... and the thousand corpses also quickly transformed from the black python's breath.

At the moment when she saw the three demons of the Hades, the goddess Xue Ji couldn't help but feel a little shock.

"The Three Demons of Hades?"

"It turns out that it is you three bastards!" Suddenly, a soft drink came out from the mouth of the goddess Xue Ji.

Li Tian, who was standing on the side, could not help frowning slightly when he heard the goddess Xueji say "Three Demons of Underworld" in her mouth, looking at the three demons.

After taking a look at the moment, Li Tian couldn't help but slightly secretly said in his heart: "It turns out that the three of them are the so-called Underworld Three Demons!"

Li Tian knows one of them, Hei Jue!

Because this Hei Jue was defeated by his own hands when he was in the Eleventh Heaven!

But he didn't know the two guys beside Hei Jue...

He was just looking coldly at the Red Devil... and the Thousand Corpse with a pale zombie face.

"Goddess, I didn't expect that you are so courageous that you dare to break into the area of the temple? Are you here to die?" But seeing the red devil suddenly laughed wildly at that rampant.

When the goddess Xue Ji heard this, she said angrily: "Red Devil, why are you in our temple?"

"Hahahaha! Haven't you seen it yet? The temple has been occupied by us!" The Red Devil laughed

Chapter 3092:

what?

"What nonsense, you bastard?" The goddess Xue Ji screamed when she heard the news that the temple was occupied.

The Red Devil laughed there and said, "I said, starting today, the temple has been occupied by our Nine Palaces."

"Nonsense!" The goddess Xue Ji said in disbelief.

The red devil said: "Why, don't you believe it?"

"Open your eyes and take a look at the temple..." The Red Devil suddenly laughed grimly.

The goddess Xue Ji raised her eyes to look at the entire temple...Looking at the destroyed temple bronze door...and the majestic guardian lion at the door, her heart suddenly stunned.

Is it true?

Has the temple really been occupied by Jiugong?

But...but...how is this possible?

"Wood god... Where is the white god?" the goddess Xue Ji asked in surprise.

The Red Devil sneered: "Old Mu and Old Bai have escaped from the temple like a running wild dog."

"Hey, goddess, if you are my woman, maybe I can promise to let you stay in the temple... how about? goddess, can you agree?" The red devil in front of me suddenly looked there with that extremely evil smile. The goddess Xue Ji said.

Everyone knows that the goddess Xue Ji is the number one beauty in the world!

The red devil naturally wanted to covet the beauty of the goddess Xue Ji.

When the goddess Xue Ji heard this, her beautiful eyes glared, and she said: "You \*\*\*\* bastard! Shut your dog's mouth! My grandma, I will kill you today."

The Red Devil sneered and said, "It's up to you?"

"Even Lao Gu Mu... and Lao Bai... all fled with their tails between them... It's up to you? Haha, are you too overwhelmed?"

The Red Devil spoke with contempt at the goddess Xue Ji.

When was the goddess Xue Ji ever so despised?

At this moment, when I heard it, my anger came up directly, and he yelled, "I want you to die!"

Then I saw that the goddess Xue Ji had already shot.

Seeing the goddess Xue Ji in front of her, Qian Ying turned into a ray of light, and suddenly shot towards the red devil.

The Red Devil knew the strength of this goddess Xue Ji, so he didn't dare to care about it anymore.

With a cold drink, his hands suddenly raised.

Then attacked the goddess Xue Ji.

The two figures fought a few moves in the air like lightning... but saw the two figures separate.

These tricks are equally divided.

As the leader of the Underworld Three Demons, the Red Devil... his strength is definitely not a boast!

Seeing that the goddess Xue Ji did not have the upper hand with these tricks, suddenly she increased her skill again! Want to kill the red devil in front of you!

At the moment when the goddess Xueji was about to make another move, Li Tian in front of him suddenly stood up, and then stretched out a hand, grabbing the arm of the goddess Xueji in front of him.

After the delicate arm of the goddess Xueji was held by Li Tianji, she couldn't help but feel slightly startled.

Looking at Li Tiandao in surprise: "What are you doing?"

Li Tian smiled at the goddess Xue Ji who was looking at the moment and said: "To deal with these people... it is enough to have me!"

The goddess Xue Ji said: "But..."

Then Li Tian looked at the goddess Xue Ji and said: "Have you forgotten? You are my woman! This kind of fighting and killing... just leave it to my man."

At the moment when Li Tian suddenly said that the goddess Xue Ji was his woman...the goddess Xue Ji's heart suddenly became hot, and then the pretty face of the alluring country was also in an instant. Became blushing.

But the sense of shyness only appeared slightly, and then it was fleeting.

She glanced at that Li Tian and then said: "Okay! You killed these \*\*\*\*\* for me!"

Then Li Tian smiled and nodded, "Don't worry! They will leave it to me!"

Speaking, Li Tian stood up slowly.

At the moment when Li Tian stood up...The Red Devil gave Li Tian a gloomy look.

To be honest, the Pluto Three Demons did not know that Li Tian! Of course...except for the Hei Jue who had been defeated by Li Tian.

Hei Jue at the moment saw Li Tian actually stand up, his face suddenly showed endless anger.

"Damn bastard! It's him again!" A roar came out of the black Jue's mouth.

After Hei Jue suddenly said this, the boss Red Devils next to him was taken aback and said: "The third child? Why, do you know this kid?"

"Yes! Big brother...that day in the thirteenth heaven...it was this stinky kid who got in the way." Hei Jue's face was filled with endless anger.

When the Red Devil heard it, he immediately understood.

Not only did he take a close look at Li Tian there, he suddenly said grimly: "It turns out that it's him!"

After the Red Devil had finished speaking, suddenly those terrifying eyeballs stared at Li Tian in front of him, and the thousand corpses on the other side...At this moment, he also looked at Li Tian with those cunning eyes.

"Boy, it turned out to be you, who hurt our third brother on the thirteenth heaven that day?" The Red Devil suddenly faced Li Tiandao coldly.

Li Tian heard the words of the Red Devil, his mouth raised, and he sneered: "Yes! It's a pity that I was a little sorry that day."

"Regret? What do you regret, kid?" the red devil asked.

Li Tiandao: "I regret that I didn't kill him that day! And let him run...it really shouldn't."

When the Red Devil heard Li Tian say this, he screamed immediately.

"Asshole boy, what are you talking about?" The Red Devil became furious.

Hei Jue was also angry with his teeth creaking, and he said angrily: "Asshole, I killed you today."

Then Li Tian sneered: "The defeated general, dare to speak wild words?"

"Come on, my head is here... if you have the ability, come and get it!"

Na Hei Jue was so mocked by Li Tian at the moment, and immediately shouted angrily.

"I want your life."

In Na Hei Jue's rage, he didn't care about so much, he just wanted to kill Li Tian as soon as possible.

I saw his body turned into a violent wind, and then struck Li Tian terribly.

Li Tian just stood there indifferently, his body motionless like a rock.

Facing the terrifying blow of Heijue, he seemed to have not seen it at all...

At the moment that Hei Jue's terrifying body struck him fatally, Li Tian's body suddenly moved.

"Moment of Light!"

Then a golden light flashed suddenly... Suddenly, Li Tian appeared behind Hei Jue at a very fast speed.

Then he shouted angrily: "Sandslide technique!"

Rumble!

I saw the ground on which Hei Jue was standing, and the whole thing suddenly cracked with a "click"... He was taken aback and hurriedly wanted to dodge!

It was a pity that it was too late, and Li Tian suddenly kicked his face!

Hei Jue spit out a mouthful of blood... His body was kicked and flew out like a sandbag...

There was a bang, and then Heijue's body fell heavily to the ground like a stone!

## Chapter 3093: Ghost

one move!

Just one move knocked down the "Black Jue" of the Underworld Three Demons!

Looking at the moment Hei Jue was knocked down all of a sudden, the other Red Devils of the Underworld King Three Demons and Thousand Corpses were stunned.

what?

"The third child?" The Red Devil exclaimed, and hurriedly went to see Hei Jue's injury.

Hei Jue climbed up from the ground with difficulty, with a pale paper face, with blood still on the corners of his mouth.

He raised his arm and wiped the blood from the corner of his mouth, then raised those eyes full of horror and questioning, and looked at Li Tian over there unbelievably.

"This... this... stinky boy... how... how can... suddenly become so strong?" Hei Jue said in disbelief.

On the one hand, this was due to Hei Jue's carelessness! Because he never thought that Li Tian's strength would be so terrifying! You know that just a few days ago, his strength was just enough to suppress that Hei Jue... But now? He turned out to be... just a trick? Injured yourself with one move?

And the second aspect? It is also because the current Li Tian has broken through the eleventh heaven!

The degree of his strength has completely surpassed his own imagination!

That's why Hei Jue was knocked down all at once.

The Red Devil standing next to Hei Jue... and the old two thousand corpses were also stunned at that moment.

"Damn it, how could this be? Youngest, what's the source of this \*\*\*\* boy? How could...how...will defeat you with one move?" Thousand corpses in front of them were carrying those vicious and gloomy pairs. Suddenly, he looked at Heijue unbelievably in front of him.

Hei Jue's face was speechless, and he said: "I...I...I don't know! I only know...He seems to be just an unknown boy."

Nameless boy?

An unnamed boy actually defeated the Hei Jue of the Three Demons of the Underworld with his gestures? Is this possible?

But seeing that Thousand Corpse took a close look at Li Tian in those gloomy eyes, suddenly he felt an incomparable powerful aura exuding all over Li Tian's body.

At this moment, his heart shook subconsciously, and his mouth could not help but secretly lined up there: "This kid, the aura on his body is so powerful! It is even stronger than Old Mu... and Old Bai...!!! Who the \*\*\*\* is he?"

After thinking about the thousand corpses, he suddenly said to the red devil beside him: "Brother, this kid is a little scary! You and I must be careful."

The Red Devil in front of him also felt it at this moment, and nodded silently at that moment, with an "en" in his mouth.

Then he raised the blood-red eyes and stared at Li Tian in front of him.

"Hey, boy, who exactly are you? What do you have to do with the temple?" The Red Devil had lost his previous arrogant attitude and asked Li Tian there.

He didn't dare to take it lightly now, and asked Li Tian cautiously.

After Li Tian heard the Red Devil say this, an indifferent smile appeared at the corner of his mouth, and said coldly, "Who is most important to me?"

The red devil was choked with embarrassment on his face, so he continued to ask angrily, "Boy, I think your skills are acceptable! If you want, you can join our Nine Houses... from now on to become our Nine Houses. People! As long as you are willing to join our Nine House... We will never treat you badly, how about? Can you agree?"

That Red Devil was actually there to persuade that Li Tian to join their Nine Houses?

After hearing the Red Devils say this, Li Tian suddenly laughed wildly.

The red devil saw Li Tian laughing there, and couldn't help but look ugly and asked, "What are you laughing at?"

"I can laugh at you stupidly!"

"I laugh at you, I'm just talking about dreams in the day!" Suddenly Li Tian said coldly.

When the red devil heard it, he became angry from shame.

"Boy, you are toasting and not eating fine wine, do you want to die?" The Red Devil shouted angrily.

Then Li Tiandao: "Who is going to die today? I'm afraid it is not always true, right?"

"I killed you!"

The Red Devils finally couldn't help it!

The anger that throbbed in his heart was unbearable.

At this moment, like a raging lion, it frightened towards Li Tian.

The entire huge body turned into a cloud of blood, directly hitting Li Tian in front of him.

Li Tian saw the red devil hit, sneered, and suddenly his right hand raised, a powerful force like a sea directly lifted from the palm of his hand, and then directly attacked against the blood shadow of the red devil.

Boom!

The terrifying force pressed against the red devil in front of him like a horror.

The moment the Red Devil suddenly felt that powerful and terrifying breath...then he was taken aback, and then the blood-red figure suddenly roared, suddenly raising the distance by several feet.

After avoiding Li Tian's terrifying blow, the Red Devils rushed straight down from above.

Li Tian made a seal on his right hand and then performed the "qi escape technique."

boom!

I saw a gas-shaped defensive barrier condensed above his head.

When the red devil's body was struck down terribly, it was blocked by the gas-shaped defensive barrier... The force hit the gas-shaped defensive barrier, making a loud "boom" of thunder!

However, he said that after Li Tian blocked the Red Devil's trick, he used another free hand to directly perform the "Thunder and Lightning Magic".

"Thunderstorm!"

Rays of light suddenly emerged from the gas illusion... and then struck towards the red devil.

After Li Tian broke through the ninth heaven, he has integrated all the five illusions into one! As long as he wanted to use any illusion...spiritual power, he could directly display it.

Therefore, at this time, Li Tian surprised the Red Devils after he suddenly performed the "Thunder Thunder" technique.

The Red Devil saw the rolling thunder suddenly hitting him, and was shocked immediately, his body retreated quickly!

Unfortunately, how could Li Tian give him a chance?

With an angry roar, Li Tian rose into the air.

"Slavery!"

Li Tian suddenly used the slave air technique to pull the red devil's body...

The Red Devil's body, which had escaped towards the back, was immediately pulled by a powerful breath, and then his body seemed to pause for a moment.

what?

The Red Devil was shocked immediately after his entire body was controlled by the "Slavery Technique".

Seeing the billowing thunder and lightning rays shot towards him... but at this moment he couldn't avoid it at all.

what should I do?

Just at the very moment of the battle, suddenly there was a gloomy voice.

"Brother, be careful!"

As he spoke, I saw that the old two thousand corpses of the Three Demons of the Underworld actually shot at this moment.

"Ghost!"

At the moment the thousand corpses flew over, he directly raised his right hand, muttering the formula in his mouth, and then quickly condensed a charm.

This spell is: ghost rune!

## Chapter 3094: Terrible Li Tian

Just after that Thousand Corpse drew a "ghost talisman" with "corpse speech".

Then the "ghost talisman" suddenly turned into a black and hideous ghost...The ghost made a harsh noise, and the whole body was gloomy and cold! Two sharp claws grabbed directly towards that Li Tian.

Li Tian not only frowned when he saw such a nondescript "ghost" appeared out of nowhere.

Then his left hand raised: "Ball of Fire!"

Then a flaming fireball suddenly appeared in his palm.

After appearing, Li Tian flicked his fingertips, and the fireball flew out, hitting the "li ghost" who was dancing with teeth and claws.

boom!

The disheveled ghost was directly burned by the fire...In the piercing scream, the ghost turned into ashes.

However, after the Thousand Corpses saved the Red Devil's life, the Red Devil was taken aback!

He never thought that the kid who didn't know the origin in front of him... was actually so powerful?

Who is he?

"Big brother, how are you? Are you okay?" The thousand corpse on one side quickly asked the red devil in front of him.

The Red Devil shook his head with an ugly face and said, "I...I'm fine."

"Brother, it seems that this kid is very powerful! Our three brothers, I am afraid we will join hands to deal with him today." Just listen to the ghastly words of the thousand corpses.

Yes, the current situation is already obvious.

Whether it's the Black Jue or the Red Devils... they are no longer Li Tian's opponent at all!

If the three of them join forces, I am afraid they will all die in Li Tian's hands.

So, after the Thousand Corpse said so, the red devil in front of him nodded solemnly with that ugly expression: "Okay! Today, our three brothers joined forces... we killed this \*\*\*\* together."

"En!" Hei Jue over there also stared with extremely hateful eyes.

As he said, the three demons of the Underworld King walked towards Li Tian.

With the combination of the Pluto three demons, the skill is naturally not to be underestimated!

I saw that at this moment, the goddess Xueji on the other side suddenly reminded Li Tiandao slightly: "Li Tian...this Underworld three demons are teaming up, you must pay more attention! Especially the thousand corpses with a face... ..This guy is sinister and vicious, and his sorcery is extremely powerful! You have to be careful..."

The goddess Xue Ji was there to remind Li Tian.

But he said that after hearing the reminder of the goddess Xueji, Li Tian smiled slightly, and then said: "Don't worry! Dealing with the three of them...I don't need to worry!"

Hearing what Li Tian said, the goddess Xue Ji didn't say anything!

Because she really believed that Li Tian's abnormal stepping speed...and that extremely powerful strength.

But he said that when Li Tian saw the Pluto Three Demons all walking towards him, he showed a smile on his face, looking at the Pluto Three Demons and said: "Eh? Are you three joining hands?"

The Pluto Three Demon sneered: "Boy, you still have time to regret now!!!"

When Li Tian heard this, he laughed, and said, "Really?"

"But, I'm afraid you will regret it after waiting a while!" Li Tian smiled there.

Hei Jue heard it, extremely angry, and shouted there, "Brother, let's not talk nonsense with this bastard! Kill him together!"

"Okay!" The Red Devil hated Li Tian at the moment!

So now he just wants to kill Li Tian quickly.

After hearing Hei Jue's words, the Red Devil said, "Okay! Kill him together."

Following the words, the Red Devils took the lead.

I saw a "blood red" beast totem suddenly condensed on his right hand, and suddenly hit Li Tian.

This "blood red" beast is his unique illusion.

Of course it is extremely powerful.

Upon hitting it for a moment, the entire space instantly became filled with a strange "blood color"!

Roar!

Come with one blow.

And at this moment, that Hei Jue had also taken action.

"Fog Secret Technique!"

Then a cloud of weird fog rose up all around his body...Those thick fog quickly surrounded his body... and then his whole person disappeared into the fog in an instant. .

Li Tian faced the two masters at the same time, and he was not impatient or impatient! Instead, he blinked his eyes and looked at the movements of the two!

When the red devil's "blood red beasts" struck all of a sudden, Li Tian displayed the mysterious step of the wind at his feet and quickly dodged.

Then the right hand directly displayed the "Water System Illusion".

"Water-induced waterfall!"

A stream of water jets horribly shot towards the red devil.

The Red Devils dodged quickly, and then the huge body was stretched, and it hit Li Tian from the side.

And the Hei Jue hidden in the thick fog also took a sudden blow at this moment.

This move is an assassination blow in the "Mist Secret Technique"!

A cold light slashed towards Li Tian's head! Cruel and insidious.

Li Tian saw that Hei Jue hit his head, and his right hand shook "Light Escape".

Suddenly a golden shield appeared in front of Li Tian's body.

With a bang, I saw the black assassination blow that touched the light escape... After a blast, it was then bounced back.

The entire arm of Hei Jue, who was in the mist, was numb and painful...but he could only endure it!

But he said that after the battle between Li Tian and the Red Devil and Hei Jue, he was completely in the upper hand.

Although the Red Devil possesses the "Beast Teng" body protection, and Hei Jue also possesses the "Mist Hidden Technique" to hide... But the two of them are not Li Tian's opponents at all!

This huge difference can still be seen at a glance.

Even the goddess Xue Ji who was on the side, looking at the strength of Li Tian at the moment, not only showed joy in her beautiful eyes.

"This Li Tian's strength is simply terrifying!"

"Perhaps, in the future, only he will be able to hold down that little junior." The goddess Xue Ji in front of her thought slightly here.

Just when Li Tian kept backing the Red Devil... and Hei Jue back again and again, the Thousand Corpses of the Underworld Three Demon finally shot.

He raised those dark eyes, glanced at Li Tian coldly, and then suddenly closed his eyes slightly.

Then a weird spell began to be heard in his mouth... the moment the spell was uttered, the fishy wind raged around him, and the yin was filled.

"Two ghosts, out of the underworld!"

With a harsh shout, suddenly after the thousand corpse chanted a spell in his mouth, the two palms that had vomited his own blood suddenly pressed tightly on the ground.

"A click..."

The whole ground began to shake violently.

It turned out that the Thousand Corpse saw the Red Devil... and Hei Jue... he couldn't stop Li Tian in front of him at all, so he could only display his strongest "Two Ghosts" at this moment.

Just after that Thousand Corpse summoned the two evil ghosts "Demon".

The whole ground began to shake violently like an earthquake, and then a group of \*\*\*\* flames suddenly emerged from the cracked surface layer.

At the moment it emerged...but saw a burly "demon" over two meters tall appeared in the field of vision.

I saw the "Fun" that burned the flames of hell.

It holds a pair of "great axes" in its hands.

In the pupils burning with the fire of anger, there is a sense of endless destruction and slaughter.

And at another instant, that "magic" also appeared.

What the "magic" held in his hands was a pair of thunder hammers.

It's exactly the same as "Fun", burning with flames of endless anger.

But he said, at the moment when the "Two Ghosts" of Jiuyin Difu were summoned... the goddess Xue Ji over there was not only slightly startled.

"Uh? Two ghosts?"

"It seems that this thousand corpses really used their own unique skills..."

Then the goddess Xue Ji hurriedly reminded Li Tian slightly: "Li Tian, be careful of the two ghosts."

Li Tian repelled the Red Devil with a palm at this moment...

Then he turned upside down and shot back.

Suddenly raising his eyes, looking at the two giants in front of him, he couldn't help his brows frowning slightly, and said, "Hey, what are these two things?"

"Boy, let me see how you escaped under my two ghosts!" Suddenly the thousand corpses said with a grimly smile.

After speaking, suddenly his right hand began to condense a curse mark.

"kill!"

With a scream, the two ghosts and ghosts made a terrible shot at the same time.

I saw the terrifying battle axe in his hand, slashed directly through the mountain, and slashed towards Li Tian's head!

Li Tian saw this fierce "monster" hit him, and immediately dodged his body quickly. He performed the Light Moment technique.

The body turned into a golden light, and it has disappeared.

Boom, the war axe of the slash slashed on the ground, and the entire ground was shattered.

And at the moment Li Tian avoided the past, the charm on this side also appeared, and two thunder hammers hit that Li Tian from the air.

Kacha, Kacha, the terrifying light of thunder and lightning that the thunder hammer turned out...flew towards that Li Tian.

Li Tian not only yelled when he saw this "magic" also hit.

"warehouse!"

Li Tian pulled out the Kanglong mace in his hand!

At the moment Kang Long Mace shot his hand, there was a dragon chant, and then Li Tian moved towards the charm that was holding the "Thunder Hammer".

Boom!

The "Kang Long Mace" in Li Tian's hand hit the "magic" body straight.

But seeing the two-meter-high "magic" tall body trembled slightly... Then there was no damage, but the thunder hammer in his hand swept towards Li Tian in front of him.

Li Tian was taken aback, and said in a gloomy voice, "Damn, how come this monster can't move? His own Kanglong mace... just showed infinite spiritual power... it didn't hurt this monster? It's really incredible? ."

While Li Tian was wondering, the Kang Long mace in his hand quickly shot out again.

Boom, boom!

Two terrible strokes hit the "magic" body again.

But the extremely tall "charm" is still undamaged! It was shocking that Li Tian's own arm was a little tingling.

This made Li Tian completely depressed.

What's wrong with him?

Just as Li Tian was thinking like this in his heart, suddenly the thousand corpses laughed gloomily.

"Damn boy, do you think your strength can defeat my two ghosts? Haha, it's a wishful thinking! You die."

Following his vicious voice, I saw the Thousand Corpse chanting the spell again, and then saw the Two Ghosts quickly twisting their terrifying body, and then rushed towards Li Tian rumblingly.

A battle axe in one hand!

A thunder hammer is in one hand! It's really terrifying.

Not only that, but there are also the red devil on the left and right sides, and the black Jue whose body is hidden in the mist!

At this moment, Li Tian faced the outflanking of the four enemies...the situation suddenly became a little bad.

Chapter 3098: I will kill her

Li Tian said he was leaving?

Will Yang Shen agree? Would he promise Li Tian so easily and let them go?

Just when the Yang God didn't answer, suddenly the Red Devil and Hei Jue of the Underworld Three Demons suddenly roared.

"You \*\*\*\* kid, you want to go? You killed my second brother? If you don't smash your body today, how can you leave?" The red devil raised the blood-red pupils and cried. .

Na Hei Jue also roared there, "Yes, you can't let him go! Unless he died here today."

Li Tian listened to the words of the Red Devil and Hei Jue, a sneer rose from the corner of his mouth, and he didn't even look at them directly.

Instead, he turned his eyes directly and looked at the Yang Shen on the other side.

"Yang Shen, we have to go, can we?" A sentence came out of Li Tian's mouth again.

Just when Li Tian said this, the Red Devils finally couldn't help it.

"Want to go? Go and die."

The Red Devil with a loud scream was ready to make a move, and then he raised his blood-red palms and rushed towards Li Tian in front of him.

Seeing that the Red Devil had already made a move, suddenly at this moment, the Sun God suspended in the air finally spoke.

"stop!"

With a loud shout of thunder, the Yang God suddenly spoke.

When the Yang Shen yelled out, the Red Devil who was about to shoot in front of him stopped for an instant, and even Hei Jue was stunned for the first time!

"Yang Shen?" Suddenly the Red Devil and Hei Jue turned their strange faces... and blinked at the Yang God.

"Yang Shen...Why didn't you kill this kid?" The Red Devil in front of him shouted.

Obviously, he felt very puzzled after the Yang Shen in front of him stopped him.

But seeing that Yang Shen didn't pay attention to the red devil in front of him.

Instead, he looked at Li Tiandao there suddenly and said, "Yes! You can go!"

After hearing that Yang Shen said so, Li Tian suddenly smiled.

"it is good!"

"Xue Ji, let's go!"

Then Li Tian in front of him took Xue Ji by his side and left.

The Red Devil saw Li Tian in front of him with the goddess Xue Ji really going to leave, and was stunned.

"Yangshen, you...you...are you really letting them go?" I saw that the Red Devil raised those incredibly unbelievable eyes and asked the Yangshen looking in front of him.

Na Yang Shen suddenly sneered: "Do you want to stop him?"

"Since you want to, stop him yourself!"

After speaking, the Yang Shen never looked here again... suddenly his body disappeared in a flash!

The red devil who was completely speechless and the black devil left behind!

Two of them?

How can the two of them stop Li Tian?

Just now, they couldn't beat that Li Tian together with the Three Demon of the Underworld... and Li Tian killed one of them? Now, the old two thousand corpses have been slaughtered by Li Tian! How could the two of them be Li Tian's opponent?

So the Red Devils and Hei Jue heard them all staying there.

Then Li Tian suddenly turned his head at this moment, looking at the still unwilling Red Devils in his heart, and the Hei Jue who said, "Do you two still want to stop me?"

At that moment, when the Red Devils heard it, all that appeared on his face was embarrassing!

Looking at that Li Tian angrily.

"Boy...you wait, one day, we will kill you! It will crush you!"

After the red devil threw a word viciously, he suddenly took the black jue body and left.

They are gone!

They are not fools, and of course they will not die in the hands of this Li Tian, so they have only one choice... that is to go!

Then Li Tian watched the Red Devil and Hei Jue leave, suddenly a smile appeared at the corner of his mouth.

Then turned her head to look at the goddess Xue Ji in front of her and said, "Xue Ji, let's go."

Xue Ji was taken aback for a moment, and then silently nodded.

The two left the temple in front of them.

After leaving the temple, the goddess Xue Ji looked at Li Tianzai at this moment curiously and asked: "Li Tian...how did you know that the sun \*\*\*\*\* would let us go?"

Then Li Tian thought for a while and said, "Actually, I always think Yang Shen is not a bad person!"

The goddess Xue Ji said: "Don't be confused by his appearance."

Li Tian didn't speak after listening.

I don't know why, in his heart, he always feels that Yang Shen is not like a bad person!

But if Yang Shen was not a bad person, why would he come back and occupy the temple? And to drive away the \*\*\*\*\* of wood...the \*\*\*\*\* of white...? Why is everything he did?

Who is the real enemy of Yang Shen?

All these questions are now in Li Tian's mind! Li Tian can't think of why at this moment...and don't know what the reasons are.

I saw Li Tian staying there for a long time, looking at the goddess Xue Ji and saying: "At the moment, we should find the Wood God and the White God first."

"But, where are they?" The goddess Xue Ji said there.

Li Tian shook his head, looked up at the endless sky and said, "I don't know either."

"Forget it, I'll go back to Qianxuefeng first..." The goddess Xue Ji said suddenly.

When Li Tian heard this, he said in surprise, "Go to Qianxue Peak?"

The goddess Xue Ji said: "Of course! Qian Xuefeng and my maidservants... and... and my good apprentices!"

When talking about her apprentice, the goddess Xue Ji in front of her suddenly raised her beautiful eyes and looked at Li Tian's face.

Then when Li Tian heard the goddess Xue Ji said "disciple" in her mouth, his brows couldn't help but frowned!

Of course he knew that the apprentice in the mouth of the goddess Xue Ji was actually referring to that: Situ Ningbing!

"Ningbing doesn't know what's going on now..." Suddenly Li Tian muttered worriedly in that mouth.

The goddess Xue Ji suddenly sneered at this moment: "Are you worried about her, right?"

Li Tian smiled bitterly before saying: "En!"

"Do you believe it or not, I will kill her?" Suddenly a thick murderous intent appeared on the face of the goddess Xue Ji.

When Li Tian heard this, he was immediately depressed, and looked at the goddess Xue Ji in front of him and said, "Why?"

"You know it in your heart!"

"Have you forgotten what you promised me before? You said, I am your woman! Isn't it?" Goddess Xue Ji questioned Li Tiandao in front of her.

At this moment, Li Tian could only replied in anguish: "Yes!"

"Since I am your woman! Then you shouldn't... worry about other women anymore! If you dare to worry about her again... I will definitely kill her! Otherwise, I will kill you too." After Xue Ji left these few words coldly, she suddenly turned that Qianying and left by herself.

Looking at the beautiful figure of the goddess Xue Ji... At this moment, Li Tian was helpless.

He sighed deeply there and said, "What can I do later?"

Chapter 3099: Master death

Li Tian then followed the goddess Xue Ji to the Qianxue Peak. .

Temple.

Since that Li Tian was let go by Yang Shen, the Red Devil and Heijue in front of him were extremely upset.

They really didn't expect this Yang Shen to do this?

Outside the hall of the temple, I saw Hei Juezai facing the red devil with a black face and said: "Brother, what should I do? Yang Shen is completely out of relationship with us now? He doesn't seem to care about our brother at all. "

When the red devil heard this, the whole blood-red face also showed an extremely ugly look in that: "Yes!"

"This bastard... Had it not been for our three brothers to take him in! He was already dead...huh."

Na Hei Jue also said: "Yes, big brother, we have helped him occupy the temple now! Will he want to kill the donkey?"

The red devil roared: "Dare he?"

Hei Jue said, "But he has done this now! He doesn't care about the death of the second brother... and also let go of that \*\*\*\*\* kid... Brother, what can we do now?"

The red devil thought for a while, a face twitched there, and suddenly said to the black jue: "Let's find him! Ask him to ask clearly! I don't believe it, he can be so ruthless."

After the Red Devil had finished saying this, he took Hei Jue by his side, ready to find the Yang God.

In the hall of the temple, I saw the Red Devil in front of me and the Hei Jue and walked in.

I saw that in the huge hall of the temple, the sun \*\*\*\*\* was sitting motionless on the "god position".

At this moment, the Red Devils and Hei Jue strode in.

"Yang Shen..." Suddenly, a low shout came out of the Red Devil's mouth.

After hearing the voice of the red devil, the Yang God sitting on top of the gods suddenly turned the handsome face slightly, and then glanced at the red devil.

"What? You have something" Yang Shen asked slightly.

The red devil said: "Yes!"

"Let's talk, what's the matter?" Yang Shen asked in front of him.

But seeing the red devil hesitated slightly, and then said: "Yang Shen, the reason why our three brothers are following you... is to help you occupy the temple together, but now our brothers help you occupy the temple... Watching our brother die without helping...I want to know what this means?"

The Red Devil finally said what he was feeling upset in his heart.

After the Red Devil told the matter all at once, the Yang God in front of him suddenly laughed.

Seeing that Yang God laugh so loudly, the Red Devil and Heijue in front of him were not only taken aback!

They didn't know why this Yang God laughed like this! At this moment, both of them were not only stunned, they looked at the Yang Shen in front of them with wonder.

"Yang Shen, we want to know, why let the \*\*\*\*\* kid go? He killed my second brother!" The Red Devil in front of him asked the Yang Shen again.

After the red devil in front of him asked, the Yang God suddenly said, "You are just because of this?"

"Yes!" said the red devil.

The Yang Shen in front of him smiled slightly and said, "Since you have asked, then I will tell you that the person I am going to kill is not a person from the temple... but a treacherous person hidden in the temple! The purpose of occupying the temple is to force him out! So, I don't want to kill more evildoers, nor do I want to kill other innocent people. Do you understand?"

When Na Yang Shen said that he himself didn't want to kill innocent people, the expressions of that Red Devil and Hei Jue instantly became ugly.

I saw the two of them looking at each other, and then suddenly looking at the Yang Shendao in front of him: "But that \*\*\*\* kid killed my second brother...Could it be that we shouldn't kill him?"

"Thousand corpses can only say \*\*\*\* it!"

"Who makes him inferior to human..." Na Yang Shen suddenly sneered.

With the words of the Yang God, that Red Devil and Hei Jue's face instantly became so ugly and ugly.

"Yang Shen, if you look down on our brother in this way, what is the point of our brother following you?" The Red Devil in front of him suddenly furiously said.

When the Yang Shen heard this, he sneered: "What? Do you want to leave me? Betray me?"

The Red Devil said: "Yes! If you don't want to, why brothers make the move...Why should we always help you?"

After hearing what the Red Devil said, Na Yang Shen suddenly patted his hands on that slightly, and said with a smile in his mouth: "Good, good, good!"

After the words were spoken, suddenly Yang Shen's body moved instantly.

It was impossible to see his figure clearly, only a ray of light flashed before the eyes of the Red Devil and Hei Jue. Suddenly the body of the Yang God had reached their front.

Then two ghost-like hands, suddenly pinched the throat tube of the Red Devil and Heijue!

The Red Devils and Heijue couldn't react at all.

In this way, the throat tube was immediately pinched tightly by Yang Shen's five cold ghost-like fingers.

A terrible feeling of suffocation came to their bodies instantly.

Then at this moment, the gloomy and terrifying voice of the Yang God suddenly appeared in their ears.

"Do you two know the fate of betraying me?"

His voice is like the singing of death.

At this moment, the Red Devils and Hei Jue were both startled.

Their pupils were violently bumpy... the color of blood came out of their eyes.

"Yang Shen...no...no...don't kill us...we...we...wrong..." suddenly the Red Devil said hoarsely there.

His huge body has already begun to tremble, and the fear in his pupils is enough to explain everything!

Look at the Heijue over there?

At this moment, he was unable to speak, his eyes were spitting out, as if he was about to be pinched to death by the Yang God at any time.

After hearing the hoarse cry of the Red Devil for help, Na Yang Shen suddenly said coldly, "Okay!"

"I don't need to kill you, but you have to remember it to me... Your life is in my hands. When do I want you to live? You live. When I want you to die, what do you want? Time to die."

At the moment the terrible words were uttered, the red devil who was pinched by the throat and Heijue nodded vigorously together.

They are all afraid of death!

Everyone is afraid of death!

So at the moment they can only compromise there.

After seeing them nodding, the Yang Shen smiled contentedly, and then the two cold hands slowly moved down from their necks.

The Red Devil... and Hei Jue, after being released, coughed violently for an instant!

Cough cough cough cough!

They were panting in pain.

Chapter 3100: Seven-tone magical song

"Get out of here!" a cold voice called out from that Yang Shen's mouth.

After that Yang Shen called out for a moment, the Red Devil and Hei Jue nodded and said: "Yes, yes, yes!"

Then they quickly left the hall of the temple.

At this moment, in addition to fear in their minds, there is fear.

Even they can't describe how huge the Yang God's strength is now, and they can kill them in just a few gestures, which is really incredible.

In the future, I am afraid they will never say betrayal again.

But it was said that after the Red Devil and Hei Jue left the temple like a "wild dog" fleeing, the Yang God's mouth showed a gloomy smile.

Then his figure flashed, and the whole person flew directly out of the temple.

I saw that the sun \*\*\*\*\* flew straight to the direction of the "Thirteenth Heaven" at the moment the figure quickly flew out of the temple.

Soon, he saw that the sun \*\*\*\*\* had reached the thirteenth heaven.

Looking at the "Thirteenth Heaven" standing in the sky, a weird light appeared in the bright and flickering eyes of the Yang God in front of him.

Then he muttered in his mouth: "It's been more than three hundred years...Master, Master, what level of strength have you reached now?"

After speaking these words weirdly in his mouth, suddenly, when he saw the figure of the sun god, it turned into a ray of light and flew directly to the thirteenth heaven.

His body was standing under the thirteenth heaven, and his eyes were looking at the Sky Tower of the thirteenth heaven.

I watched it for a long time.

Suddenly his mouth screamed: "Master, I am here."

With a loud shout, it shook the sky, and the birds and beasts a few miles away were all shaken and began to flee around.

The trembling voice resounded throughout the thirteenth heaven, and it lasted for a long time.

This Yang Shen is actually calling his master?

Could it be that legendary man, the strange man who created the temple with one hand?

According to legend, isn't he dead?

Why is the current Yang Shen shouting his master? Could it really be as the previous thousand corpses said: His master is not dead?

Having said that, following the roar of the dragon roar from the Yang God, a gloomy cold wind suddenly blew over.

The cold wind blew on him, making him feel a little bit colder.

Then the Yang Shen said again: "Master, your old man has been hiding in these thirteen layers for so many years... You want to break through the final thirteenth layer of illusion. It has been so many years, huh, my three brothers. I think you are already dead! But even if you can hide it from the people of the world, you can't hide it from my Chiyang!"

"Master, come out..."

Yang Shen continued to look at the Thirteenth Heaven and shouted there.

His master is really not dead?

But he said that after Na Yang Shen said that, only the cold wind was still coming from the air, and no figure appeared.

"Master, is your old man really unwilling to come out? Since you don't want to come out, it seems that I have to force you to show up." The Yang Shen in front of him suddenly showed a sneer on his face.

After the words were finished, the Yang God suddenly decided to force his master.

Then I saw that Yang Shen took out the black flute on his body...

The flute is completely dark, and it is impossible to see what material it is, but it can definitely be felt. This flute is a peerless treasure.

Immediately after Na Yang Shen took out the "dongxiao", Yang Shen quickly put the Dongxiao to his mouth.

"A song of heart and intestines will be broken, and no blade of grass will be left behind!"

Then Na Yang Shen began to play the peerless "Seven-tone Magical Song!"

This seven-sound magical magic song is the ultimate skill in the illusion of alien space.

It belongs to the peerless illusion that is still going up in the Eleventh Heaven!

And now, the Yang Shen was about to use his "seven-tone magical song" to force his master to appear.

When the black hole flute was gently placed next to the Yang God's mouth, the Yang God suddenly activated the spiritual power of the whole body, and then began to play the "seven-tone magical song".

Suddenly, a very harsh magic sound came out of his mouth.

The billowing magic sound, like a sky thunder, spread to the surroundings.

Kaka Kaka... Suddenly the moment when the magic sound was transmitted, the surrounding trees began to tremble... as if even the surrounding trees were shaken by the magic sound!

Then in the invisible rhythm, the leaves flew rustling down from the tree.

Some trees even their branches were broken by magic sounds!

One can imagine how powerful this "seven-tone magical song" should be.

However, after the Yang Shen in front of him played the "seven-tone magical song", he still couldn't see any figure appearing.

When Na Yang Shen saw that he was still unable to force his master, he suddenly began to change the rhythm.

With the weird rhythm changes... the wind and clouds in the sky changed, and the strange rhythms turned into magical things, rushing towards the thirteenth heaven.

The entire thirteenth heaven was all shrouded in the extremely powerful and strange tone.

Just as the Yang Shen in front of him was constantly playing this terrifying "seven-tone magical song", suddenly, an invisible aura burst out from the thirteenth day.

Indescribable, the power of this breath...and the speed of this breath.

I can only feel that the entire space is instantly condensed by that powerful breath.

Then, the eyes of Yang Shen suddenly tightened, and then he muttered: "Master, you finally appeared..."

As he said so in his mouth, his spiritual power began to gush out to the whole body, and then the speed of the rhythm became faster and faster!

The sound of solemnity and the overwhelming aura permeated... intertwined, fighting.

boom!

boom!

boom!

As the weird rhythm collided with the extremely powerful aura force, an explosion burst out around the body of the Yang God.

Yang Shen did not move, holding the black flute in his hand, continuing to urge his spiritual power.  
Shoo!

At the moment when the Yang Shen was about to continue urging his spiritual power, suddenly the rhythm of his "seven-tone magical song" was covered by that powerful aura of power, and then, I saw the powerful The power suddenly shook Yang Shen.

When Yang Shen saw that powerful aura surge in, he suddenly shook his right hand, and then went to block the powerful extreme.

There was a click, and a crisp, broken sound came from the Yang God's hand.

I saw that Yangshen held the hand of the hole flute... just now in order to block the weird aura that came from the vastness... unexpectedly... actually shocked the black hole flute in his hand!

The black treasure flute was shocked!
