

A Killer 311

Chapter 311: Is it really her? (3 bursts)

"Now that woman is considered to be a female lunatic...but that woman is really fierce and terrifying."

"Dead people have their necks severed alive... as if they were using a weapon like a filament."

Little Ma said in that spit.

"A thin, silk-like weapon?" When Li Tian suddenly heard these words, his heart slammed. As if he had been bitten by a poisonous snake, he almost jumped.

"What are you talking about? What kind of weapons did those dead people kill?" Li Tian pinched the pony's shoulder because of excessive excitement.

The surging force from his palm suddenly made the little pony scream.

Chen Qiaozhi stood on the side looking at Li Tian's excited expression, and couldn't help being startled, as did Tang Xiaolong.

"Little boss, what's wrong with you?" Tang Xiaolong couldn't help asking.

Li Tian realized his gaffe, and quickly let go of his hand. The little Ma Zai who was sent away from his shoulders looked at Li Tian with horror at the moment, holding his hot and painful shoulder with one hand, looking depressed. Li Tian.

"The big brother, what are you doing?" Little Ma Zai said to Li Tian very depressed.

Li Tian smiled apologetically: "Sorry, I'm just too excited, I just want to ask you, what are the people killed? What is the wound on their neck?"

The little horse said, "Didn't you just talk about it? All the necks were cut off, like a deadly weapon like a thread."

When Xiao Ma Zai said this again, Li Tian was shocked.

Deadly silk!

Of course Li Tian remembered that Situ Ningbing's deadly weapon, deadly silk.

When he saw Situ Ningbing in Liaocheng for the first time, Li Tian saw with his own eyes that Situ Ningbing used the deadly silk in his hand to kill several masters of the seven evil spirits, all with a deadly move. And the necks were directly cut off, and some even the entire head was crossed off.

But I didn't expect Xiao Ma Zai to say: That female murderer also used such a weapon?

Could it be Situ Ningbing? is her?

"No? Is it Ningbing?" Li Tian suddenly muttered, his eyes were shocked.

Chen Qiaozhi over there blinked his eyes and coughed twice, then looked at Li Tiandao and said, "Are you talking about the woman you have been looking for?"

Li Tian raised his eyes and nodded.

Chen Qiaozhi was also quite surprised.

"Does anyone know where the female murderer is now?" Li Tian asked suddenly.

The little horse next to it said, "I definitely don't know."

"It's just that I guess if I were that mad woman, I would definitely hide away quickly, because now both the underworld and the white underworld have ordered her to kill her, and the underworld world outside threatened to capture her and kill her personally. ."

With what Xiao Ma said, Li Tian was even more shocked!

Is it really her? But why did she kill all the underworld bosses in Jinghai City?

Now she has caused turmoil on the underworld in Jinghai City, and the underworld has now issued a killing order in the outside world... If it is really her, it would be really bad! !

Li Tian suddenly approached the pony boy, with a terrible breath all over his body, even the pony boy couldn't help backing up, blinking horrified eyes to look at Li Tian: "You, what are you doing?"

"Didn't you just say that Fatty Liu from New Century Dance City was not killed? Was he the only one who was alive to see the appearance of the female murderer?" Li Tian asked suddenly.

Little Ma was taken aback, nodded there.

"Well, Fatty Liu should have seen him."

"That's good!" Li Tian said suddenly.

"Qiaozhi, Xiaolong, let's go and immediately find that Fatty Liu. You lead the way!"

Without saying anything, Li Tian immediately grabbed the pony in front of him and walked outside.

Before the little Ma Tsai understood what was going on, he was picked up by Li Tian and walked outside. Tang Xiaolong looked at Chen Qiaozhi behind him and asked, "What's wrong with Little Boss?" "

Chen Qiaozhi's sharp eyes blinked, then raised his pale face and said, "Maybe he found something."

"It doesn't have anything to do with the woman we're looking for? Not to mention her?" Tang Xiaolong said in front of him with his eyes wide open.

Chen Qiaozhi did not nod or shook his head but said, "Let's go."

As he said, he followed and walked outside.

Tang Xiaolong and Ah Qiu, who was silent and silent, followed suit.

Ever since Li Tian heard that Little Ma said that most of the people who died were slashed through the throat by a thin, deadly weapon, he began to wonder whether it was Situ Ningbing!

Because only Situ Ningbing fits her description of a female murderer.

She is cold, ruthless, and extremely kung fu, even if it is the old Ho of the Broadway night scene, or the thirteenth youngest of DJ heaven, Situ Ningbing can still kill them one by one. For Situ Ningbing's strength, maybe no one Clearer than him!

The fearsome female killer in the terrorist organization (Qingsha) is no joke.

So when Xiao Ma Zai said that, Li Tian decided in his heart that she should be the Situ Ningbing he was looking for.

It's just that Li Tian hasn't fully understood why Situ Ningbing suddenly attacked the underworld in Jinghai City?

Isn't she looking for the Duanmu family? Could it be said that she was killing the underworld to find the mysterious Duanmu family? Li Tian's head was thinking.

Grasping the little pony in front of him, he quickly led his brothers onto the black Audi A6, with Tang Xiaolong driving there.

Tang Xiaolong turned his head and looked at Li Tian and asked, "Little boss, where are we going?"

Li Tian suddenly cast his eyes on the little Ma Zai, and the little Ma Zai only rooted out a chill from the soles of his feet.

"Go... Go... New Century Dance City." Little Ma Zai said humbly.

After Tang Xiaolong listened, he stepped on the gas pedal and started the car. The car started to drive forward quickly.

The little horse sitting in the car didn't dare to show one, and he wondered: What the **** is going on? How could the Li Tian in front of him be so nervous?

"Little boss, why do we want to get involved in this matter? Aren't we looking for your friend? Wouldn't the female murderer that this kid said is your female friend we are looking for?" Tang Xiaolong turned his head around in confusion, looking at Li Tianwen while driving the car.

Chapter 312: Cut it for Lao Tzu! (4 bursts)

He only heard Li Tian say there, "I believe that if there is no accident, I should find her trace."

Chen Qiaozhi, who was sitting on the side, blinked slightly, then looked at Li Tiandao suddenly and said, "Do you mean that the female murderer... is it her?"

Li Tian did not nod or shook his head.

But Chen Qiaozhi's expression was also shocked for an instant.

He couldn't believe it, because he almost knew the answer in his heart.

It's just that the little horse is depressed. He sat there restlessly, wondering what Li Tian and the others are going to do? Don't know why they were so excited after hearing what they said? And also to find Fatty Liu from the New Century Dance City?

The car swiftly drove towards the New Century Dance City.

After a night of horror the day before yesterday, the New Century Dance City was completely closed yesterday and closed for business.

At this moment, the huge signboard of the New Century Dance City is no longer bright, and the luxurious door is tightly closed.

When Li Tian and the others drove to the New Century Dance City very fast, they found that there was a signboard to stop business at the door, and the door was locked from the inside. This shows that there should be people in the New Century Dance City. But no longer receive guests!

A dozen brothers died in one night, and there was a smell of blood in the venue. How can they start a business?

I heard that Fatty Liu fell ill after experiencing that terrible night.

After Li Tian and Chen Qiaozhi arrived, they jumped out of the car vigorously.

The little horse also walked out of the car at this moment.

"This is the New Century Dance City...the site of Fatty Liu."

"The murder happened here the night before. A dozen of Fatty Liu's men died and blood was splashed on the spot. I heard that Fatty Liu was so scared that he was peeing his pants at the time." Little Ma said, laughing.

Then Chen Qiaozhi glared at him.

But Li Tian stood there quietly, his cold eyes staring at the gate of the New Century Dance City in front of him, his nose seemed to smell the familiar breath of her.

Suddenly looked at Wucheng Road in My New Century and said, "Go, go in, and find Fatty Liu."

After speaking, he walked towards the gate of the New Century Dance City.

The little Ma here was taken aback: "Wait...this big brother, what are you doing?" Little Ma looked at Li Tian in confusion and asked them.

"You wouldn't just break in like this?" Little Ma Zai opened his eyes and looked at Li Tian.

But Li Tian sneered, and then ignored him, walking towards the gate of the New Century Dance City with Tang Xiaolong, A Qiu and Chen Qiaozhi behind him.

Little Ma didn't dare to step forward, couldn't help backing step by step, and then ran backwards, while running, saying, "These people are so **** crazy...Dare to break into Fatty Liu's territory!"

Little Ma knew in his heart that after a night of horror the day before yesterday, Fatty Liu could almost greet all his brothers to this new century dance city.

No way, he is scared! Afraid that the crazy woman would come to kill him again,

Therefore, he couldn't help calling a lot of people to guard the ups and downs of the New Century Dance City, and he couldn't get out of the gate, the second door didn't move, and he wouldn't leave the New Century Dance City for one step.

The current New Century Dance City is locked from the inside, but inside there are dozens of brothers with machetes. Fatty Liu has given orders, no matter who it is? Whoever dares to enter the New Century Dance City for half a step, just cut anyone!

Even if the king of heaven comes, he will cut it!

Fatty Liu will never allow the terrorist incident that night to happen again.

Turning the words back, let's say that after Li Tian took the brothers to the door, Chen Qiaozhi glanced at the gate of the New Century Dance City, frowned at Li Tiandao and said, "I guess Fatty Liu must be very difficult this time because of the horrible experience last time. Be cautious, and you see that the door is locked from the inside. If I guess right, I believe that if we are going to break in, we will definitely do a lot with Fatty Liu's people."

The sick scholar Chen Qiaozhi was indeed extremely clever. He just glanced at the current situation and analyzed the situation inside.

Li Tian looked at the closed door without hesitation.

"I can't help it! Even if there is a ten thousandth hope to find her, I will try it." Li Tian said firmly.

Chen Qiaozhi saw that Li Tian had made up his mind and didn't say anything, so he nodded slightly.

Then Tang Xiaolong eagerly said: "Fighting is such a thing, I was born with this thing."

"If anyone dares to touch you, the little boss today, I promise to let his mother regret that he grew up so much."

Li Tian looked at Tang Xiaolong and smiled.

Then Li Tian walked into the gate of the New Century Dance City and patted twice with his hands.

Because the door was tightly locked from the inside, it did not open.

It's just that you can hear the banging sound going inside.

Just after Li Tian looked at the door fiercely, the sound of messy footsteps suddenly came from inside. Just listen to the sound, there were at least a dozen people, but only the sound inside could be heard, but there was nothing. The voice came out.

Tang Xiaolong next to him raised his fist and slammed towards the gate.

"Open the door to the little master..." he roared while smashing the door fiercely.

Where's the place inside?

As you turn your eyes to the past, you will see dozens of big men holding machetes standing from the door to the stairs, one by one standing at the gate with cold eyes!

All of them were holding machetes in their hands, staring at the door firmly.

No one dared to gasp loudly, and no one dared to speak. There was a dull ***** smell in the air.

I saw a little brother swiftly toward the third floor. In the corridor on the third floor stood a dozen little brothers holding guys. In the VIP box, only a few people were sitting.

The one in the middle is the boss of New Century Dance City, Fatty Liu, who has experienced the horrible experience of the day before yesterday. At this moment, there is still hatred on his face. There are two bottles of Bailan next to him. At the same time, there was a blood-red color in his eyes, and at the same time he was holding a black and cold gun in one hand!

Black Star (Type54pistol).

Originally, after experiencing the night before yesterday's horror, Fatty Liu spent a lot of money to get a handgun.

Although it is said that Jinghai City is very strict on gun control, Fatty Liu is willing to spend money, so he can still get a gun! This Black Star (Type54pistol) is tightly held in his right hand at this moment, holding it tightly!

"Master Liu, someone is going to break in." A little brother suddenly ran in from outside and said to Fatty Liu.

Chapter 313: Ouyang Shiqing is here (1 more)

Fatty Liu was stunned for a moment, and then drank the whole glass of Bailan in the glass.

At this moment, his eyes became blood red, especially when the **** scene of the previous night appeared in his mind, he was angry and afraid.

"Whoever the **** breaks in, just kill me! This time even if it's Lao Tzu, Lao Tzu will fight with him, I don't believe it, we can't kill her with so many brothers!" Fatty Liu shouted.

"Open the door and chop me! Cut her to death!"

Fatty Liu roared like crazy.

As he roared like crazy.

The little brother who ran in just now ran out quickly.

"Open the door."

As he ran, he shouted to the dozens of people holding machetes downstairs: "Liu Ye said, who is it? Come in and hack him to death."

Following this guy's voice, the eager brothers at the front of the door had already begun to open the door.

Li Tian, who was preparing to come in outside, also vaguely heard the movement inside.

After a moment of stunned, then the door opened with a bang, and a bright machete slashed directly at the head of Li Tian, who was closest to the door.

Li Tian was shocked, suddenly he made a mistake, and slammed out a palm.

With a bang, the machete in the hands of the brawny man who rushed out first fell on Li Tian's body before he was blown out by Li Tian's palm.

Then accompanied by a scream, the body that flew out directly knocked down the two big men rushing from behind.

When Li Tian started to do it, Tang Xiaolong also rushed forward.

"Whoever the **** dares to do it, I'll let him go! Tang Xiaolong said fiercely as his husband.

Ah Qiu also stood forward indifferently.

There are dozens of Fatty Liu's brothers, all holding machetes, and now he sees these four guys outside who dare to break through? Suddenly roared.

"Hack them..."

"on!"

With a loud roar, a dozen machetes slashed straight towards Tang Xiaolong.

"Nima!" Tang Xiaolong cursed, and then flew away.

Tang Xiaolong didn't say a word, and then two beautiful roundabout kicks, directly kicking the two guys who rushed up first.

A Qiu over there is even a man flying with two punches.

What about Li Tian? Also started from the side.

The 3-4 guys who came under the siege, carried the machete in their hands, and slashed at Li Tian fiercely.

Li Tian made a mistake. One hand slammed the opponent's wrist with a bang, and the opponent's machete landed, and Li Tian then punched the opponent's nose.

The guy screamed, his nose bleeds.

The other guy slashed a knife from the side, before it hit Li Tian's body, but saw Li Tian kick directly on the opponent's knee. The opponent's knee hurt, and he fell to the ground with a scream.

But even though Li Tian quickly brought down all the three people who were besieging him, the crowd still rushed towards him.

And everyone was holding a white and bright machete.

Li Tian had no choice but to retreat.

After kicking a few big guys over there, Tang Xiaolong jumped out of the battle circle and yelled, "Your uncle, so many people!"

Although Ah Qiu was cruel and ruthless, facing so many machetes, so many people did not help. He could only retreat after fighting.

They tried their best not to attack, but just knocked the opponent to the ground to avoid killing... But the more they did this, the more vicious the opponent was.

It is true that the so-called heroes can't stand a lot of people.

Seeing the other tens of strong men with a machete in hand, even if Li Tian is brave and brave, it is impossible to put them all down at once!

And most importantly, Li Tian did not intend to hurt the innocent.

He could feel the anger and panic in the eyes of these people. It was obvious that they became so because of the tragic incident the night before...

Of course, the reason why Fatty Liu locked himself up and sent so many boys to protect him was also because of fear.

Li Tian, Tang Xiaolong, Na Aqiu and the others were unwilling to hurt the innocent, so they were forced to retreat again and again to outside the gate.

Seeing those macho men rushing towards them one by one, they could only step back again and again, appearing passive.

At this critical moment of passiveness.

Suddenly from the side of the street came several vehicles with sturdy arrogance.

All black Audis, a total of 6 cars, in fact menacing!

After the six black Audis suddenly drove towards this side, they stopped in front of Li Tian with a hiss.

This made Li Tian and the brothers behind him stunned.

Fatty Liu's younger brothers over there were also slightly shocked. Although they were still holding machetes, they all looked intently at the six imposing Audis.

Following them, they saw the car door opened quickly.

Then they jumped out of the car one by one in the men in suits.

All of them were full of energy, and stood up to Li Tian and the others.

Li Tian and the others were taken aback for a moment, just thinking about who these were in their hearts? Then I saw a shadow coming out of the middle car.

Ouyang poetry of the Ouyang family!

"Miss Ouyang?" Tang Xiaolong's eyes straightened, and he stared at the beautiful Ouyang Shiqing with his mouth open.

Li Tian was also slightly taken aback. He didn't expect Ouyang Shiqing to send someone.

I saw Ouyang Shiqing, who was walking towards them, with a smile on her lips, looking at Li Tian and the others.

"Do you want to help?" she said and laughed.

Tang Xiaolong over there looked silly.

Li Tian smiled slightly, looked at her beautiful face and said, "Of course!"

And the people under Fatty Liu over there were all stunned, staring at the situation in front of them with their eyes wide open.

The people here are more fierce than the other, and there are so many people here this time, although they are also quite large, and they also carry guys in their hands, but when I heard that the Ouyang family, one of the four major families in China, None of those little brothers dared to move forward anymore, all holding the machete in a daze.

One of the guys was very clever and hurried to inform Fatty Liu from the New Century Dance City.

After hurriedly on the third floor, he saw that Fatty Liu was still sitting in the box.

"Master Liu, it's not good..." the kid said as soon as he ran in, breathless and panting.

Chapter 314: That's it (2 more)

Fatty Liu was holding a glass of wine in his hand, and put the glass on the table with a bang, and the pistol in the other hand was tightly clenched.

"What happened? Don't tell Lao Tzu that so many of you still can't deal with her?" In Fatty Liu's heart, he thought it was the terrifying Situ Ningbing the day before yesterday.

Just listen to the subordinate saying: "Liu Ye, not the woman from yesterday, but from the Ouyang family."

"What?" Suddenly hearing the words of the Ouyang family, Fatty Liu was bitten in the buttocks by a poisonous snake, and he sat up from the sofa with a bullet.

"Why is the Ouyang family here?" Fatty Liu asked in confusion.

"We don't know! But it is indeed from the Ouyang family outside, and they also said that they are looking for you, Lord Liu."

Hearing what the little brother said, Fatty Liu was stunned for a moment, then put the gun in his arms and said, "Go, I'll go out and have a look."

After speaking, he quickly walked downstairs with Sang Biao and other younger brothers behind him.

At this moment, Li Tian and Ouyang Shiqing have entered the New Century Dance City.

Although the two sides held each other, no one did it.

Li Tian stood there and said, "We just want to find your boss today and ask him something, but don't want to do anything with you."

Listening to Li Tian's words, those Fatty Liu's subordinates are all looking at me, and let me see if you don't speak.

"Who is looking for me?"

Suddenly a voice called out from the second floor.

Looking up, he saw Fatty Liu and a bunch of people behind him walking down the stairs.

Li Tian saw the Fatty Liu at a glance.

Fatty Liu also looked at the situation in front of him with shocked eyes from upstairs.

When his eyes were placed on Ouyang Shiqing's face, he couldn't help being slightly startled and shocked.

Isn't that the daughter of the Ouyang family? They really came here, what are they doing here?

"Miss Ouyang, is it really you?" After Fatty Liu went downstairs, he approached Ouyang Shiqing respectfully with a smiling face.

Ouyang Shiqing smiled faintly and suddenly said, "Boss Liu, what kind of drama are you doing? Does the Ouyang family want to see your Boss Liu? Are you still using so many people to block it?"

Fatty Liu smiled awkwardly.

The Ouyang family, one of the four big families, can't afford to provoke him! If the bloodthirsty killing of Situ Ningbing the day before yesterday was terrifying, then there is no doubt that the Ouyang family today is much more terrifying than yesterday.

So Fatty Liu quickly turned his head and waved his hand to the group of younger brothers behind him: "You all put the guys away for me, I didn't see that it was Miss Ouyang! A bunch of trash..."

Fatty Liu yelled at his brother, while squinting his eyes and turning his head to look at Ouyang Shiqing: "Miss, how come you come to a place like me?"

Ouyang Shiqing smiled and said, "I heard that something happened in the New Century Dance City recently, so I just wanted to come over and ask."

While talking, Ouyang Shiqing placed her beautiful eyes on Li Tian.

Li Tian took two steps forward, staring at Fat Liu's body.

"I'm here just to ask you something." Li Tian said, looking at the fat man Liu.

Fatty Liu was taken aback for a moment, and turned his head to look at Li Tian in front of him.

Although he doesn't know who Li Tian is? But he could feel that this guy must have a great relationship with Ouyang Shiqing.

So I didn't dare to neglect, and said quickly: "I don't know what you want to ask?"

Li Tiandao said: "I heard that the New Century Dance City had been broken into the night before and killed several brothers... It is said that the murderer was a woman! I don't know if this is true or not?"

Suddenly when Li Tian mentioned the nightmare of the night before, the expressions of Fatty Liu and the younger brothers behind him changed in shock.

Fatty Liu squinted at Li Tian: "Why are you asking this?"

"I only ask if you have anything to do with this?" Li Tiandao asked.

The ***** scene of the night before appeared in Fat Liu's mind. He was deeply afraid. At this moment, Li Tian opened his scars. His fists were tightly clenched, and his eyes were filled with blood-red color. Nodded there.

"Yes, you are right... The murderer did break in the night before and killed my 11 brothers." Fatty Liu said with scarlet eyes in front of him.

Li Tian was taken aback, and it was true.

"And I also told you that this woman not only killed my brother, but also Lao He from Broadway Night Market, the thirteenth youngest from DJ Paradise, and Wang Cripple from Underground Casino were all killed by this vicious woman ."

Listening to the words of Fatty Liu, Li Tian suddenly felt that what the little horse said was indeed true.

It seems that there is going to be a ***** storm on the underworld in Jinghai City.

"Why didn't she kill you?" Li Tian asked curiously.

The muscles of Fatty Liu's face were trembling slightly, and everyone's eyes were on his face at this moment.

"Hey...I don't know! Maybe she didn't want to kill me...or maybe she had other reasons..." Fatty Liu said with a sigh.

In fact, he kept wondering in his heart why she suddenly changed her attention that night...If she were going to kill in blood, absolutely none of the people in the VIP box could come out that night.

"I heard that the female murderer didn't kill you because he asked you a few questions?" Li Tian said suddenly.

"How do you know?" Fatty Liu raised his icy eyes suddenly.

Li Tian smiled faintly: "Don't worry about how I know, I just want to ask you, what is the question she is asking you? Or maybe the only people alive have seen her appearance, I want to know how long she is. What is it like? What weapon is used?"

As Li Tian asked, Fatty Liu stared at Li Tian with a sharp light in his eyes.

He murmured, "Why do you care so much about that murderer?"

Then Fatty Liu is still smart. Hearing his question, Li Tiandao said, "The reason why I care so much is because I want to see who she is and why I want to kill you. If you tell me, maybe I can help. If you caught her, if that's the case, you will also speak out for you, are you right?"

Li Tian deliberately deceived that Fatty Liu, because if he tells the truth, then Fatty Liu will not necessarily tell him the clues,

Hearing Li Tian's words, Fatty Liu frowned slightly.

He looked up and down Li Tian's body, and then slowly said, "Well, I'll tell you."

"What about her? It did ask me some questions at the time." When Fatty Liu said this, there was a slight change in his face.

Chapter 315: Li Tian's decision (3 more)

Then he continued to say: "The question she asked me at the time was how to find the dark Duanmu family?"

The audience was shocked when he said this.

Li Tian was even more stunned, and his heart shook suddenly.

is her!

It must be her!

Li Tian's guess was correct, who else could be besides Situ Ningbing?

Li Tian thought from the beginning, Situ Ningbing came to Jinghai City, an unfamiliar place in his life. If he wanted to find the dark Duanmu family, he would definitely look for the closest place... and the place closest to the dark Duanmu family. Naturally, he is the underworld.

That's why she would look for it one by one.

Unexpectedly, I found Fatty Liu here.

Tang Xiaolong and Chen Qiaozhi behind them were slightly surprised when they heard that Fatty Liu said this.

"After she asked me, I told her the truth... I said I didn't know! In the end she didn't kill me, but I can feel that the murderous aura of her body disappeared... and replaced by her body. There was a wordless despair, although I don't know what the female killer was desperate...but I can still feel it."

Listening to Fatty Liu in front of him, Li Tianxin felt like a knife cut.

No one knew better than him what Situ Ningbing was desperate for... What was desperate was that he couldn't find the Duanmu family, and couldn't unlock the Sanshengmen poison in his body. So she will despair and give up the **** killing.

Because even if she kills many more people, no one knows where the dark Duanmu family is.

That's why she finally let go of Fatty Liu in front of her.

"The weapon she used was a thin, silk-like weapon, sharp and vicious. All of my dozen or so brothers had their throats cut by that deadly weapon... they died there."

Hearing that Fatty Liu finally said her weapon, Li Tian was already 100% sure that it was Situ Ningbing.

At this moment, he couldn't help but suddenly looked at Fat Liu excitedly and asked, "Is she there now?"

"Does any of you know where she is?"

Fatty Liu was taken aback: "If I knew she was there now, I would have to skin her alive!"

"I can tell you that the entire underworld in Jinghai City is looking for her now? Do you think she will show up?"

Fatty Liu was right. Ever since Situ Ningbing personally killed Lao He at the Broadway Night Market, the 13th Young Master of DJ Paradise, and the lame Wang from the underground casino, now the entire underworld in Jinghai City is looking for her!

Some of them were the men of the boss who were killed by her, such as the little brothers of DJ Heaven's Thirteenth Younger, and a bunch of desperate brothers of the Cripple King in the underground casino... There are also other underworld figures, because they are also afraid that Situ Ningbing will suddenly Find them.

So they have to act first.

At this moment, the underworld in Jinghai City is already surging, and people everywhere are looking for Situ Ningbing...

Only by killing her, the underworld in Jinghai City will calm the storm.

Hearing what Fatty Liu said, Li Tian clenched his fists tightly.

I couldn't help thinking in my mind, in any case, I can't let these desperadoes find her before myself...because if they find her first, Situ Ningbing would be very dangerous.

Li Tian did not speak any more, turned around silently, and quietly said a few words in Chen Qiaozhi's ear.

Chen Qiaozhi nodded silently, and then just stood there quietly.

Of course, Ouyang Shiqing knew that Li Tian should have asked about it, so she looked at Fat Liu with a smile and said, "Boss Liu, thank you for telling us these things today."

Then Fatty Liu said, "Miss Ouyang is polite."

"Well, we now know the news about the female murderer... We will definitely help you catch the female murderer at that time, so that the entire Jinghai City Road can calm the storm."

Listening to Ouyang Shiqing's words, Fatty Liu was naturally grateful.

"If the Ouyang family is really willing to come forward, I sincerely thank you on behalf of the dead friends on the road."

Ouyang Shiqing smiled slightly.

"Well, we have finished asking what we should ask... Then boss Liu, let's see you next time."

Speaking of Ouyang Shiqing, he glanced at Li Tian, the two of them had the same mind, and led them out of the New Century Dance City in front of them.

In a blink of an eye, a mighty group of people all got on the car.

Li Tian also followed Ouyang Shiqing's car.

Ever since Li Tian had determined that Situ Ningbing was behind the scenes of disrupting the underworld in Jinghai City, his face was full of worry.

Because now the entire underworld in Jinghai City is looking for Situ Ningbing...

If you find her, it will be really troublesome.

She killed Lao He at the Broadway Night Market first, then the 13th Young Master of DJ Paradise, and then the Cripple Wang from the underground casino. Although these awesome characters are dead, their little brothers are still there.

Now these characters have formed an alliance to find clues to Situ Ningbing...

If you find her at that time, then she will be a dead end.

Therefore, Li Tian must now find Situ Ningbing one step ahead of time before those underworld figures find her.

In the car, after getting out of the car, Ouyang Shiqing stared at Li Tian's expression.

In the end, it was Tang Xiaolong who spoke first.

"Little boss, your friend we are looking for now is the female murderer, right?" Tang Xiaolong frowned and looked at Li Tian and asked.

Chen Qiaozhi, Ah Qiu, and Ouyang Shiqing all stared at Li Tian in front of them.

Li Tian smiled bitterly, he didn't hide from his brother.

Instead, he said truthfully: "Yes...it should be her!"

After listening to Li Tian confessing, Tang Xiaolong yelled "Ah", and Chen Qiaozhi over there also frowned tightly.

"I'm x, so handsome! Little boss, what is your friend's coming from? So naughty?" This guy was talking nonsense with a grin.

Chen Qiaozhi gave him a cold stare as soon as he said it.

Tang Xiaolong felt wronged, did he really admire the heroine? Why do you look at yourself like this?

"If it's really any of your friends, it's a big trouble!" Chen Qiaozhi in front of him deliberately increased his tone.

His face that rarely appeared worried, but at this moment a worried expression appeared on his face.

Of course Li Tian knows what kind of big trouble Chen Qiaozhi's so-called trouble is?

Even the underworld in Jinghai City are looking for Situ Ningbing.

Li Tian stared out of the car, suddenly turned his head and looked at the brothers: "From now on, you don't want to intervene in this matter anymore..."

Chapter 316: Duanmu Family Intervenes (4 more)

A word suddenly came out of Li Tian's mouth.

Tang Xiaolong over there was slightly startled: "Little boss, what do you mean?"

Chen Qiaozhi also frowned at Li Tian.

Just listen to Li Tian looking at them and saying: "I hope this matter will be solved by myself. I don't want you to be involved in this matter! Because I have to protect her even if I die... even with the underworld in Jinghai City. Enemy! I also want to protect her safety."

The brothers who listened to Li Tian said this, of course, knew what Li Tian's purpose was doing, so as not to let their brothers get involved in this trouble.

Li Tian is now determined to protect Na Situ Ningbing.

He knew that he was undoubtedly an enemy of the underworld in Jinghai City. In order not to involve his brother in this unnecessary battle, Li Tian could only commit the danger alone.

When he said this, Ouyang Shiqing kept blinking her beautiful eyes and staring at his cheek.

"Little boss, I don't like to listen to you." Tang Xiaolong said unwillingly first.

Just listen to him continue to say: "Since I call you the little boss today, then it proves that Tang Xiaolong serves you and treats you as a brother. If you also treat me as a brother, then don't do it. It doesn't matter whether it is against the underworld in Jinghai City or the **** thing against the Heavenly King Lao Tzu, as long as you do it! Brother, I will follow you..."

Listening to Tang Xiaolong's words, Chen Qiaozhi over there also said silently, "Although Xiaolong always likes to talk bullshit, but today's words are not so stinky! It's okay... He is right about this matter. You don't have to carry it alone, we will help you. Besides, the old Ho of Broadway night scene and the thirteenth youngest of DJ Paradise...have done all kinds of things that hurt the world, and pornography, gambling and drugs account for everything... So their deaths can only be said to bring benefits to Jinghai City. Now the whole underworld is to deal with your friend only because they are afraid... But for their real purpose, they are more eager than anyone else. Old He, there are still thirteenth young men who have died, because only when these people die can they seize more territory...expand their influence."

The words of the sick scholar Chen Qiaozhi always hit the nail on the head.

He can always tell the key points and the most central part of the whole event.

Li Tian looked at the brothers in front of him, showing a sense of gratitude.

To be honest, the three brothers in front of him are not familiar with him. These people are just the awesome characters that Ouyang Zhengtian found followed him to deal with the Duanmu family, but they did not expect that they would come forward to help themselves at this juncture. .

"Thank you brothers." Li Tian said sincerely.

A Qiu, who had been silent all the time, wore sunglasses and suddenly uttered a few words from his mouth: "Although I am a person who doesn't like to talk, I have to say a few words today: Forever, brother for a lifetime!"

A few fierce words came out of Ah Qiu's mouth.

Who can imagine that this guy who used to speak no more than five words would say so many words today.

"I'm x, Aqiu, you **** can say such tugging things, I admire you too much." Tang Xiaolong said while looking at Aqiu with his eyes open.

Ah Qiu didn't even care about Tang Xiaolong.

Chen Qiaozhi also laughed, and said slightly in his mouth, "What a man, a brother for a lifetime!"

Ouyang Shiqing, who was sitting quietly on the side, fully felt the brotherhood between men, and she couldn't help feeling deeply moved in her heart.

At this moment, they couldn't help but blink their beautiful eyes and looked at Li Tian and they said, "Don't worry, I will tell my father about this. I believe my father will help you."

"Thank you." Li Tian said thankfully.

If someone from the Ouyang family really came forward, it might be better. After all, the power and prestige of the Ouyang family are placed here. As long as the Ouyang family speaks, there should be no major problems.

"Well, the first thing we do now is to find your friend as soon as possible." Ouyang Shiqing said, looking at Li Tian.

"If Fatty Liu and others find it first, it will be a big trouble."

Li Tianyan could not know the serious relationship, so he nodded silently.

But where is Situ Ningbing, who appeared on the side of the New Century Dance City the day before yesterday, now?

Who knows?

—

Duanmu family.

The evil dark family in the company of darkness.

In the empty and silent room, one of the men in black robe stood upright like a dead body.

From the faint light, you can see his contoured face, which is a sales face, with a hooked nose and vicious and sharp eyes.

The two hands exposed outside the sleeves were pale and powerful. The most important thing was that his five-finger nails were as long and sharp as a zombie.

If such a pair of claws are really caught on a person's body, I believe it will definitely break the other side.

He is the leader of the dark part of the Duanmu family: Black Eagle.

Black Hawk is facing Duanmu Heiming, the dark clan leader of the Duanmu family.

The dark clan master who has been in the dark, no one can see clearly, seems to be born with the darkness, with his back facing the black eagle, sitting cross-legged, only the light can be seen. On his lower body, unable to see his face clearly.

"Report to the clan master, we have initially found out that this time the huge disturbance in Jinghai City is a woman, and a very powerful female killer!"

"According to the information we have received so far, this female killer is a female killer nicknamed (Shadow) in the International Terrorist Killer Organization (Qingsha)."

The black hawk's voice was like a hoarse crow's voice, unpleasant and harsh, uttering all the clues of Situ Ningbing word by word.

Duanmu Heiming, who was in the dark, showed a strange aura when he heard the words (Qisha).

"Qingsha?"

Suddenly he repeated these two words in a murmur.

"I heard that this Qisha organization is also an ancient assassin organization... and it's very famous, isn't it?" Duanmu Heiming said coldly in the darkness in front of him.

The Black Hawk continued with the hoarse and unpleasant crow's voice and said: "Qingsha is indeed an ancient assassin organization! It is well-known in Southeast Asia... Many international organizations will hire their assassins to get rid of their thorns... "

"So Qisha shouldn't be underestimated?" Duanmu Heiming said quietly in the dark.

The Black Hawk nodded truthfully.

Qingsha) has very little contact with us. This time this female assassin has been slaughtering those underworld people in Jinghai City, just to find our family. Because it is said that she has been poisoned by our family's three-sect family."

"That's it." Duanmu Black Eagle suddenly swished and laughed.

"Clan Lord, the underworld in Jinghai City has now issued a killing order to chase down the female assassin in the Qisha, shall we take action? Because it is said that members of the Ouyang family have been involved in this matter this morning." Black Eagle Said coldly.

"Why are the people of the Ouyang family all right to get involved in this matter?" Duanmu Heiming asked suddenly.

"I heard that the female assassin had a connection with one of the boys who the Ouyang family came to deal with...His name is Li Tian," said Black Hawk.

"Is that the kid who defeated your Anbu (you) last time?" Duanmu Heiming suddenly filled his body with a breath of horror.

Chapter 317: Hope (1 more)

The black eagle beside that nodded coldly, "It's him."

Duanmu Heiming in the darkness suddenly smiled.

"Has it been found out what the origin of that kid is?" Duan Mu Heiming asked suddenly.

Black Hawk said: "The previous news about that kid doesn't seem to be unusual... It's just that during the investigation, I learned that this kid surnamed Li had an encounter in Kyoto City... disappeared for more than ten days, then What did he do in ten days? I haven't found out anything else? I have found out. He used to be a small security guard, a kid who worked in Kyoto from a small county in the north."

"Really?" Duanmu Heiming said suddenly curiously in the darkness.

"If you really are such an ordinary kid, how could you defeat (you) in Anbu?"

The Black Hawk slowly lowered his head.

"This, we are currently investigating."

"The Ouyang family actually valued that kid so much, and even asked him to be the spokesperson of the Ouyang family. From this we can see that the kid must be exceptional..." Duanmu Heiming said.

"Black Hawk, do you check what that kid did before? I think you must have missed something... I think that kid is more and more interesting." Duanmu Heiming said.

The Black Hawk nodded coldly.

"Some time ago, Ying'er kept saying that the kid would meet the Rashomon of our family: Nine styles, now it seems that I think that kid is getting more and more weird." Duanmu Heiming said.

"Rashomon: Nine styles?" When the Black Hawk heard these five words, a strange light suddenly appeared in his eyes.

"How is it possible for the clan leader? That kid is not a member of our family, how can he learn Rashomon's kung fu? And how is it possible to learn Rashomon that you have not even learned the clan owner: What about the nine styles?" Black Eagle Tao said.

"I didn't say that the kid really knows Rashomon: Nine styles, but just casually talk about it, you will remember it, from now on, your Anbu will stare at me the kid named Li, and give it to me if you have a chance. Kill him first."

The Black Hawk nodded silently: "Yes!"

"Patriarch, what about the other female assassin in the Qisha?" Hearing Black Hawk said.

The Duanmu Black Eagle in the dark smiled and said: "Since the entire underworld in Jinghai City is dealing with that woman now, let them kill. We only need to watch the show."

"Yes, Patriarch!" Black Hawk finished speaking coldly, and slowly backed away.

The situation suddenly changed.

Now the "crazy female" is the most concerned thing in the underworld in Jinghai City.

Led by Mad Cow, the younger brother of DJ Paradise 13th, combined with the murdered Broadway nightclub Lao He's younger brother, and the subordinates of the lame king of underground casinos, a powerful force is now in Jinghai City. Looking around for "her", in order to avenge those gangsters who were killed by "her".

The underworld in Jinghai City is an unprecedented mess.

In order to kill "her", a reward order was issued on the underworld. If anyone finds her and finds her traces, everyone can get a reward of up to 500,000 yuan, no matter who it is?

Once this matter began to spread wildly in Jinghai City, the entire Jinghai City was looking for Situ Ningbing,

Even the police can't stop these barbarians.

Above, 5000 explosion-proof troops were specially transferred from the military area to stop the outbreak at any time.

The casinos, KTVs, and nightclubs in Jinghai City are all closed. The gangsters are searching for news around the clock, looking for "her" there.

But "she"?

But it seemed to have evaporated from the world, and became no trace.

In a word, the current Jinghai City is very chaotic, and everyone in chaos is walking looking for Situ Ningbing.

No way, she has provoked public anger.

When Li Tian followed his brothers back to the Ouyang family, he was uneasy, because he was worried about Situ Ningbing now.

Now the underworld is chasing and killing her?

If those people were to find Situ Ningbing in advance, it would be really bad, besides, she was poisoned by the Duanmu Family Sanshengmen in her body!

The more he thinks, the more messy Li Tian is, he can only ask for help from Ouyang Shiqing, Because he felt that the only one who could save Situ Ningbing was the wealthy Ouyang family.

Perhaps only if a huge family like the Ouyang family came forward, the underworld figures would give face, then maybe Situ Ningbing would avoid those underworld figures in Jinghai City.

Of course Ouyang Shiqing understood Li Tian's thoughts, and she nodded in agreement without hesitation.

Looking at the anxious Li Tian, she said quietly: "Don't worry, I will tell my father this matter immediately, I believe he will help you."

Li Tian looked at Situ Ningbing and said sincerely, "Thank you."

Situ Ningbing smiled faintly, and a lily-like smile appeared on that beautiful face.

Then he turned and walked outside.

Li Tian looked at her slim figure, and thoughts in his mind...I have come to Jinghai for so long, thanks to this eldest daughter! If it weren't for her, she might have been more difficult than now...

An emotion that sprouted from the bottom of his heart slowly poured into his heart, but Li Tian quickly obliterated this idea in the bottom of his heart...How could he think about it at this juncture?

Don't forget that Situ Ningbing is still in extreme danger now!

Thinking of this, Li Tian shook his head quickly, not daring to think about it.

However, after Na Ouyang Shiqing left Li Tian's villa, he went straight to his father's study.

When he arrived at the study, Ouyang Zhengtian happened to be in the study.

"Dad." Ouyang Shiqing called his father kindly.

Then Ouyang Zhengtian turned his head slightly, looking at his daughter with a kind smile on his face.

"What's the matter? Is there something to ask me?"

A flower-like smile appeared on Ouyang Shiqing's face: "I can't hide anything from you, Dad."

Ouyang Zhengtian laughed loudly.

"Let's talk, what's the matter?" Ouyang Zhengtian put down the tea cup in his hand and looked at his daughter.

"Dad, what is the Broadway night club, and the thirteenth young man of DJ Paradise, and the death of the lame king of the underground casino. Guess who killed it?" Ouyang Shiqing said suddenly.

Ouyang Zhengtian frowned slightly.

"I heard that she is a lunatic woman." Ouyang Zhengtian said slowly.

"Dad, do you know who that woman is?" Ouyang Shiqing continued.

Ouyang Zhengtian was taken aback for a moment: "What? Do you know?"

"Dad, that woman is the friend Li Tian was looking for, the woman who asked us to help him find the Duanmu family, the woman who was poisoned by the Duanmu family's Sanshengmen." Ouyang Shiqing told the truth.

Chapter 318: Can't help (2 more)

Ouyang Zhengtian in front of him frowned when he heard it.

"It turned out to be her!" To be honest, even Ouyang Zhengtian couldn't help being surprised.

Ouyang Shiqing nodded there.

"What is his friend's background, so vicious? Kill Lao He first, then the thirteenth youngest... Then kill Wang Cripple!" Ouyang Zhengtian asked in surprise.

Ouyang Shiqing in front of her shook her head slightly.

"I'm not very clear, but I know what his friend killed these people for." Ouyang Shiqing said.

Ouyang Zhengtian stared at his daughter in a daze and asked, "For what? Have hatred?"

"No, I heard she was looking for the Duanmu family." Ouyang Shiqing said.

"Ah? Looking for the Duanmu family?" Ouyang Zhengtian was obviously a little depressed.

"Well, I guess Li Tian's friend must have arrived in Jinghai City, where they are not familiar with their lives. That's why the Duanmu family is originally a dark family. If you want to find it blindly, you must first find it from the underworld in Jinghai City. ...But his friends must have never thought that even the underworld figures in Jinghai City would not know where the Duanmu family is." Ouyang Shiqing said.

Listening to his daughter finishing these words, Ouyang Zhengtian in front of him couldn't help but frown slightly.

"Listening to you, I think that girl is quite pitiful." Ouyang Zhengtian said.

Ouyang Shiqing continued to say: "Yes, Dad, you think she is a girl with the Duanmu family's Sanshengmen poison. Now in order to find the antidote, she naturally has to look around like crazy, so I think... "

Before Ouyang Shiqing had finished speaking, Ouyang Zhengtian in front of him suddenly raised his eyes. He seemed to realize what his daughter had said, and suddenly said: "Poetry... things are not as you think. simple."

"Although she was poisoned by the Sanshengmen of the Duanmu family, and she was forgiven for looking for an antidote, but she shouldn't have massacred in Jinghai City, and also killed the underworld figures in Jinghai City."

"As far as I know, the underworld figures outside are all looking for the woman..." Ouyang Zhengtian said slowly.

Ouyang Shiqing said: "Dad, I actually came to you for this matter."

"I hope... I hope you will help Li Tian this time, and at the same time help his friends." Ouyang Shi looked at her father expectantly.

However, Ouyang Zhengtian said with a serious expression, "Poetry, why are you so clever about this matter?"

"You have to know that Li Tian's friend killed not ordinary people, but the underworld figures in Jinghai City."

"Now let's not talk about those thirteenth youngsters and the gang... you know? Just now, Director Wang of the Metropolitan Police Department called me specifically and asked me to help find the murderer, poetry, Now not only the people in the underworld are looking for her, but the police are also arresting her." Ouyang Zhengtian said.

Ouyang Shiqing was stunned when she heard her father say this.

"Why should the police intervene in this matter?" Ouyang Shiqing asked in disbelief.

Ouyang Zhengtian said: "Think about it. Now the underworld in Jinghai City is so chaotic. The underworld is full of arrogant sword slaves, and bloodshed will happen at any time. Think about what caused this situation? Isn't it because of that? Is it a female murderer?"

"If you don't catch her, how can you convince the public? How can you calm the storm? So even if Shiqing's father wants to help Li Tian, there is no way."

Hearing what Ouyang Zhengtian said in front of me, Ouyang Shiqing was desperate.

She only thought of one, but not the other.

Now, even the police from Bai Dao are mingling with him to find Li Tian's friend.

Could it be said that only the death of Situ Ningbing can completely calm this storm?

Ouyang Shiqing stood there for a long time before slowly saying, "Dad, can't you say hello to the police station? You will help Li Tian this time."

As Ouyang Shiqing continued to say this, Ouyang Zhengtian's expression was a little ugly.

"Shiqing, what's wrong with you? Why do you care so much about his affairs?"

"Furthermore, his friend killed someone and paid for his life. This is an unchanging principle. Even if I want to help her, I can't help." Ouyang Zhengtian said.

Ouyang Shiqing said: "Dad, to say something shouldn't be said, the old Ho of the Broadway night scene, and the thirteenth youngest of DJ heaven...for so many years in Jinghai City, gambling and gambling...what they do It is the anger of people and gods, so I think their death is only good for Jinghai City, and there is no harm."

Yes, the Lao He of Broadway Night Market and the Thirteen Young Men of DJ Paradise have indeed done a lot of evil things in the past few years.

Even if they die ten thousand times, they definitely deserve to die.

Of course, Ouyang Zhengtian knew that these people deserved to die.

But he said: "Poetry, whether a person should die or not is not determined by you or me, but by the law."

"If a person has done something evil and anyone can kill him without responsibility, wouldn't the world be messed up?"

Facing his father's words, Ouyang Shiqing was completely stunned.

"Dad, don't you really plan to help Li Tian?" Ouyang Shiqing said, looking at her father.

Ouyang Zhengtian sighed softly: "It's not that my father didn't help, but if I helped, I would be the enemy of the underworld in Jinghai City! At that time, in case the dark Duanmu family unites with the underworld in Jinghai City. If our family is unfavorable, it will be troublesome..."

"Poetry, some poetry is not as simple as you think... Dad also thinks about our family." Ouyang Zhengtian said.

In fact, Ouyang Zhengtian's worry is really unreasonable.

Yes, the dark Duanmu family may be staring at the movement of the Ouyang family somewhere.

Once this dark Duanmu family seizes the opportunity, then it will be the safety of the entire Ouyang family! So after weighing the pros and cons, Ouyang Zhengtian did not intend to help Li Tian.

In Ouyang Zhengtian's words, it's called: kill for life.

Would Situ Ningbing really die in Jinghai City?

Ouyang Shiqing was completely stunned there, she didn't even help Li Tian.

Ouyang Zhengtian looked at his daughter and frowned suddenly: "Shiqing, why are you so concerned about that kid?"

As he spoke, he carefully observed the changes in his daughter's expression.

But seeing Ouyang Shiqing's face changed slightly, she quickly said, "I...I just think he has done so many things for our family and saved me. I think it should be done for him. "

Ouyang Zhengtian looked at his daughter and said so, and said softly, without telling some words directly.

Chapter 319: Hate (3 more)

Li Tian's only hope now rests on the Ouyang family. He knows that Ouyang Poetry has never persuaded his father after all the talk, and Ouyang Zhengtian did not intend to help Li Tian this time.

Perhaps what Ouyang Zhengtian said was right. If their Ouyang family really wants to help Li Tian, it is likely that this family will be in trouble.

But Li Tian still doesn't know, he still hopes the Ouyang family can come forward.

Staying in the villa, he was fidgeting and waiting for Ouyang Shiqing.

Of course, he had prepared for the worst in his heart. Even if the Ouyang family really didn't help this time, he would personally save Situ Ningbing,

Even facing all the underworld in Jinghai City alone? Even if he died, he still had to protect her!

Tang Xiaolong looked at Li Tiandao walking around and said, "Little boss, don't worry, I think the Ouyang family should help."

"The Ouyang family is so powerful, as long as you say it to the outside world, you can guarantee that those underworld figures will never dare to be presumptuous.

Tang Xiaolong said with a careless smile on his face.

On the contrary, Chen Qiaozhi over there has been frowning slightly.

Obviously he was thinking farther than Tang Xiaolong, and Chen Qiaozhi knew that this matter was not that simple.

Now the entire underworld in Jinghai City is looking for "her!"

If the Ouyang family came forward, it is undoubtedly against the underworld in Jinghai City? When the time comes, even if the Ouyang family can stop the trouble, at least the Ouyang family will have grudges with the underworld in Jinghai City...

If the Ouyang family forces fight again, but if they really want to deal with the underworld world of Jinghai City, it is not a joke.

So Chen Qiaozhi vaguely guessed the ending.

In the end, people from the Ouyang family might not come forward.

While Li Tian was anxiously waiting for that Ouyang Shiqing, she saw her shadow coming in from outside.

Although there was still a smile on her face, it was obvious that the smile on her flowery face was a little stiff.

After seeing Ouyang Shiqing, Li Tiandang immediately asked with excitement, "How is Shiqing? Does your father promise to help me this time?"

"If he promises me, even if I will be a cow and a horse in your family, I will be willing to die." Li Tiandang said.

Facing Li Tian's words, Ouyang Shiqing felt like a knife cut her heart.

The words in her mouth did not know how to tell Li Tian, she did not know what Li Tian would look like after she said the words her father refused...

So she was stunned, looking at Li Tian, the corners of her mouth moved a few times, but she did not say anything.

How clever Li Tian is, when he suddenly felt the weird changes on Ouyang Shiqing's face, his heart suddenly fell into the abyss...

"Did...your father didn't agree?" Li Tian suddenly looked at Ouyang Shiqing and said.

Ouyang Shiqing looked at the despair in Li Tian's eyes, and couldn't help saying: "I'm sorry..."

Li Tian was stunned.

Although he had prepared for the worst, he did not expect that he would be so excited when the facts were told.

Fists clenched his forehead in the palm of his hand, and a strange smile suddenly appeared at the corner of his mouth.

"Poetry, thank you no matter what!"

"I know no one likes getting into this kind of trouble... Besides, if you want to help me, you have to face the entire underworld in Jinghai City!" When Li Tian said these words, his eyes were cold. Of murder.

What is his heart like at this moment?

indifferent? Hatred!

He finally understood that there are no really good people in this world, and there are no people who really care about others. Some are just selfish.

"What, the Ouyang family is not going to help?" Tang Xiaolong on one side jumped up and said in disbelief.

When he said this, Ouyang Shiqing lowered her head guiltily.

The guy continued: "Fuck, isn't it a big trouble now? If the Ouyang family is not going to help, then little boss, which of your friends is facing the underworld figure in Jinghai City..."

Tang Xiaolong is an outspoken person, in fact, he didn't have any malicious intentions, but this servant always likes to tell the truth from his mouth.

Isn't this? After coming out all of a sudden, Chen Qiaozhi over there began to frown slightly.

After walking two steps forward, Li Tiandao, who was filled with a weird breath, said: "The reason why the Ouyang family did not show up, I believe they must have their difficulties."

"I think there is only one way now, and that is to find which of your friends as soon as possible, and strive to find her before the gangsters find her! Then let her leave Jinghai City as soon as possible..."

What Chen Qiaozhi said may be the last effective way.

When Li Tian, who was standing there, heard that the Ouyang family was not helping, his heart was completely desperate.

He stood there coldly, not speaking for a long time.

After a pause of about 2 minutes of silence, Li Tian suddenly raised his eyes and said a sentence that no one expected: "I am a little annoyed, I want to go outside quietly by myself."

As he said so, then he turned and walked outside alone.

Here Tang Xiaolong, Chen Qiaozhi and Na Ouyang Shiqing watched Li Tian walk out alone, all speechless.

They wanted to comfort Li Tian, but they couldn't find suitable words to comfort him.

Only on the other side, who has been wearing sunglasses, is very cool and cold, suddenly spit out a few unbelievable words from his mouth: "Something is going to happen."

When these cold words came out of his mouth, Tang Xiaolong and Chen Qiaozhi in front of them couldn't help being taken aback.

"Aqiu, what are you talking about?"

"This guy is really strange. He didn't say anything in the past, and spit out a few confusing words at the critical moment?" Tang Xiaolong looked at A Qiu curiously and said.

Chen Qiaozhi over there also looked at Aqiu in front of him in doubt.

And what about Aqiu? After uttering the words that made them both confused, he remained silent without saying a word.

It seemed to him that the few words he had just said were enough, but now he just closed his mouth coldly, and didn't want to say a single word.

The roads in Jinghai City are surging.

The character led by Mad Cow, the younger brother of the thirteenth youth, is now looking for clues to Situ Ningbing.

Now the entire night market in Jinghai City is completely closed, and those gangsters are almost searching door to door from hotel to hotel... but so far have not found that Situ Ningbing is there?

Where is she?

Chapter 320: Mad Cow (4 more)

But she said that Situ Ningbing had been in her dark basement since she came out of the New Century Dance City two days ago.

There are dirty underground pipes, and the basement where the sewage is stinking.

This basement was inhabited by a migrant worker when the subway was built in Jinghai City, but she did not expect that she would be aggrieved to live here.

In the fishy passage, the sound of running water can be heard.

The sun's rays refracted through the outside, and occasionally she could be seen curled up in pain lying on the rusty iron bed.

That used to be the most delicate face in the world, but now it is pale and terrifying.

There is no blood on his face.

The surrounding area was dark, and there was a map with a red X on the stone wall of the room.

Her eyes were filled with despair and resentment, lying there quietly.

Situ Ningbing.

Am I going to die? Will I die in Jinghai City?

She asked herself from the bottom of her heart.

Although there was nothing terrible about death since she was taken abducted at the age of 8, but now she is unwilling to let her die in such a place...

She stubbornly moved her painful body, and then tightly held her chest with aching pain with one hand.

Slowly untie the coat...

I saw a black line stretched out under her towering breast.

That's right, this is the deadly Sanshengmen Poison.

The black line was only as thin as the line at first, but now it has become as thick as the wrist. It used to have pain every other week. Now it has become pain every night and every night, and the heart-piercing pain at any time It will happen.

She gritted her teeth tightly, looked at the poison in her body, and suddenly sighed in despair.

It seems that he is really not saved.

She was really going to die here... But she couldn't let anyone go in her heart.

A figure of him.

The man who had a silly smile on Liao Cheng's face and said he wanted to protect himself in the future, the man who had spared his life in Kyoto City to fight for himself and the Tian Jedi Sha in (Qingsha)... Li Tian .

Even she herself did not expect to think of his figure when she was dying, scene after scene like a movie appeared in her mind.

She has always believed that she is a ruthless and loveless woman, but she knows that as long as she is a person, there will be love! Wouldn't it be like animals?

But she deeply understood that she didn't have many days to live.

Now she is persisting, alive, and every time the Sanshengmen poison in her body in the dead of the night attacks, she is better than death. How many times she wants to end her own life... but she holds it back.

The reason she held back was only because when she was dying, she wanted to see his face again...

Even just a laugh.

New Century Dance City is still closed since the last **** scene.

But today's New Century Dance City has opened its doors.

Because there are guests.

After a while, I saw 7-8 arrogant cars coming from the street on the side.

The leading one is the Big Crown, domineering and mighty.

When he arrived at the New Century Dance City, he stopped with a hiss.

Then the car door opened, and a burly man in a sleeveless black T-shirt came out from the side first, with a fangs and claws tattooed on his arm.

At first glance, it is a dazzling character.

After this guy came out, he hurried to open the door on the other side.

As the car door opened, a burly and strong hunk came out from inside, 185 cm tall, burly and strong.

The bare bronze skin symbolizes his strength.

There is a rough and arrogant shark tattooed on his arm...the person who looks at him again has bull eyes and big nose.

There is also a golden ring on the nose.

Who is he?

If anyone knows the nickname Mad Cow, they must know him.

He is the younger brother of DJ Heaven's Thirteenth Young Master, nicknamed: Mad Cow Character.

I heard that this mad cow can fight more than the thirteenth minor, and has been a mercenary in Vietnam... Since returning from Vietnam, he has been taking care of things with his brother.

This time the Thirteenth Young Master was killed suddenly. This Mad Bull was really angry, so he wanted to avenge his brother. Mad Bull had said cruel words at the Thirteen Youngest Funeral a few days ago.

"The murderer who killed his brother, he must grab her and skin her alive."

No one dared to question his words.

Because everyone knows how cruel this guy is.

After the mad cow got out of the car, the other mighty cars that followed all came to a stop, and then all that came out of the car were all black attire... assholes.

These are undoubtedly Mad Cow's subordinates. At a glance, there are not as many as dozens of people walking towards the New Century Dance City.

When approaching the gate of New Century Dance City, Fatty Liu quickly walked out with a group of younger brothers behind him.

"Brother, you are here." Fatty Liu smiled as he went to say hello to the mad cow.

The mad cow raised his bull's eyes as large as a copper bell, glanced at Fatty Liu, then opened his mouth wide: "Yeah", and then stepped upstairs with Fatty Liu.

Why did the mad cow in front of him come to see Fatty Liu?

Alliance!

Yes, the reason they formed an alliance was to find the female murderer: Situ Ningbing.

Now not only are they forming an alliance, but also Lao He from the Broadway night market and the subordinates of the lame king of the underground casino are also summed up. They now have a common goal, which is to find the female murderer: Situ Ningbing.

In the VIP box upstairs, I saw Fatty Liu and the mad cow sitting together.

"Brother, don't worry, that female murderer will never escape Jinghai City, the airport, and the train station, including the bus stations in Jinghai City. I have sent people there to stare at me. I don't believe she can fly to the sky."

With a pair of angry eyes, the mad cow clenched fiercely and said, "That woman, I must slaughter her personally to avenge my elder brother."

"You may not know something, my brother?" Fatty Liu in front of him said, looking at the mad cow.

The mad cow turned his face and said, "What's the matter?"

"The Ouyang family, one of the four major families, seems to be involved in this matter this time," said Fatty Liu.

"The Ouyang family? What are they doing together?" asked the mad cow puzzled.

Fatty Liu said, "Actually, I don't know. Yesterday, a group of Ouyang family suddenly came to me and asked the girl for clues, so I felt very curious."

"I don't care who? Even King Yama can't stop that woman this time! That woman, I must peel her alive to sacrifice my elder brother's spirit in the sky. I will definitely not let my elder brother die in vain. ."

The mad cow roared.

It turns out that this mad cow has been dependent on the Thirteen Young Masters since he was a child, and the relationship between the two brothers is quite good.

But I didn't expect that after Mad Cow went to the gym to practice boxing that day, and the thirteenth man was in DJ heaven alone, his brother was killed.

When I came back and saw the body of the thirteenth young man, the mad cow roared like crazy.
