

A Killer 3111

Chapter 3111: Man's depression

"Why is the master angry?" Situ Ningbing asked.

The goddess Xue Ji had nothing to say, and snorted angrily: "It's that **** Li Tian, he lied to me, he said, I am his woman!"

what?

When Situ Ningbing heard it, he said, "How is it possible? Li Tian is not such a person."

The goddess Xue Ji sneered: "Can you believe his nonsense?"

Situ Ningbing said: "Of course, I have been with him for so long, from the earth to another world, of course I believe in him."

The goddess Xue Ji said: "Anyway, that **** **** deceived me."

"Now, I just want to kill him."

When Situ Ningbing heard this, he was scared and said, "Master, never, please don't hurt Li Tian..."

When the goddess Xue Ji heard this, she said angrily: "What? Are you distressed?"

Situ Ningbing did not speak.

"Since you don't want me to kill him... then I will kill you! You two will always die!" The goddess Xue Ji suddenly pointed the finger at Situ Ningbing in front of her.

Situ Ningbing looked at the goddess Xue Ji and said, "As long as the master doesn't hurt Li Tian, I would rather die."

When the goddess Xue Ji heard this, she suddenly laughed.

"Are you really afraid of death?" Goddess Xue Ji glared at that Situ Ningbing.

Situ Ningbing shook his head and said, "Not afraid."

"Well, since you are not afraid, then I will kill you."

"I want this **** Li Tian to pay the price of deceiving me."

The goddess Xue Jiguo who said that really made a move.

She saw her slender hand raised, and suddenly there was a "Snow God Whip" in her hand, and then her slender hand shook, and the Snow God whip directly hit the head of Situ Ningbing with a brutal force.

Fast and ruthless.

But she said that Situ Ning Bingguo was really motionless...

Seeing that at this critical moment, a loud shout came over.

"stop.!"

Immediately afterwards, I saw a figure flying directly at the speed of light.

With a flick of his right hand, an air of emptiness hit the "Snow God Whip" suddenly.

With a bang, the "Snow God Whip" of the goddess Xue Ji was directly repelled.

And what about that figure? At that moment, he flew to the side of Situ Ningbing.

Li Tian, it turned out that Li Tian came here.

"Ningbing, are you okay?" Li Tian in front of him hurriedly asked in that worry.

Situ Ningbing saw that Li Tian had rushed over, not only did her beautiful eyes flush slightly, but she did not speak.

But what about the goddess Xue Ji over there?

After seeing Li Tian actually attacked himself and shook his "snow whip" back, he exclaimed, "Li Tian, you bastard, dare you stop me?"

"I will kill you!"

Under the angry shout of the goddess Xue Ji, suddenly her slender hand Yi Yang, the "Snow God Whip" in her hand once again struck Li Tian terribly.

Li Tian didn't even look at it, rolling his right hand robe, a gust of wind swept towards the goddess Xue Ji.

The huge gang wind with a whistling force intertwined with the "Snow God Whip" of the goddess Xue Ji.

"Goddess, I don't want to do anything with you... and please don't hurt Ningbing in the future." Li Tian stood there coldly.

How could the goddess Xue Ji listen to Li Tian at this moment? Angrily shouted: "What qualifications do you ***** have to order me? I kill whoever I want to kill."

Having said that, the goddess Xue Ji displayed her own "Ice Heart Art" of the illusion of alien space.

I saw the ice icicles suddenly turned out, and then shot towards Li Tian like thorns.

Li Tian yelled angrily and performed the "landslide" technique.

With a bang, I saw that the ground was suddenly lifted by Li Tian, and then a piece of ground more than 3 meters wide was lifted up, and then suddenly blocked the icicle of the goddess Xue Ji.

All the icicles shot on the top of the soil, making a bang.

The trick of the goddess Xue Ji was once again blocked by Li Tian and wanted to attack again.

But at this moment, suddenly there was a strange sound of "uuuuuu" outside.

The signal came from outside, and the sound was extremely loud.

The moment the goddess Xue Ji heard the weird voice, her face changed and said, "No, something happened outside."

It turned out that the weird sound just now belonged to the guardians: red flags.

As long as the sound sounds, it means something terrible is happening! No wonder the goddess Xue Ji suddenly changed her face after hearing that voice.

After finishing speaking, she raised her beautiful eyes and stared at Li Tian and Situ Ningbing, and then said: "Li Tian, wait for me, you sad man, I will kill you one day. ."

Li Tian shook his head helplessly... Then the goddess Xue Ji flew away quickly.

She was going out to see what happened outside.

Seeing the goddess Xue Ji leave, Li Tian sighed helplessly.

At this moment, turning his head slightly and looking at that Situ Ningbing caringly: "Ningbing, are you not injured?"

Situ Ningbing suddenly turned his head and said, "I don't have one."

"Li Tian, I want to ask you now, what is the relationship between you and my master...?" Suddenly Situ Ningbing asked.

When Li Tian was asked this way, his head grew suddenly.

What should he say?

Did you tell that Situ Ningbing that he accidentally peeked at the body of the goddess Xue Ji? That's why it became the current situation?

Of course he is ashamed to say.

So at this moment, Li Tian was embarrassed for a long time, and then said: "Ningbing...I...I...I will not be able to explain clearly to you for a while."

When Situ Ningbing heard this, he said, "Why is it not clear?"

Li Tian was speechless.

what should I do?

"Ningbing, I really can't explain clearly to you..." Li Tian said there.

Suddenly, Situ Ningbing said, "Li Tian, I didn't expect you to be so carefree...How can you like my master?"

Li Tian almost cried, and said there: "I...I don't have one."

"Don't you dare to say? Have you ever said that my master is your woman?" Situ Ningbing asked.

Then Li Tian was forced all of a sudden.

Yes, he did say it before, but it was unintentional!

"me....."

Situ Ningbing saw Li Tian acquiesce, and immediately called out angrily: "Li Tian, you forgot, there are sister Ouyang... and Miss Duanmu on earth? How could you like my master again... I was so disappointed."

After speaking, Situ Ningbing suddenly turned and left.

Li Tian hurriedly shouted there: "Ningbing, Ningbing, listen to my explanation..."

However, Situ Ningbing didn't give Li Tian a chance at all, turned around and ran away sadly.

Looking at Situ Ningbing, who was so sad and left, Li Tian was suddenly depressed there.

"Damn, how could this be?" Li Tiantian shouted.

First offended the goddess Xue Ji... Now he offended his beloved Situ Ningbing again... Li Tian is now inhumane inside and out.

Chapter 3112: Jiugong Attack

Just when Li Tian was extremely upset, suddenly there was a loud "buzzing" sound from outside.

what?

"Red flag?"

It turns out that this signal is a danger signal for the temple.

When Li Tian heard the "danger signal", he was shocked immediately, and he secretly said: Could something happen outside?

Thinking of this, Li Tian quickly moved and flew out.

He wants to see and see what is happening outside.

...

Below Qianxue Peak.

I saw the guardians of twenty or thirty temples gathered there.

Among them were the White God and Wood God, who also stayed there with an ugly face.

"What's wrong? What happened?" Suddenly a cold shout came.

I saw that the goddess Xue Ji was flying from here.

It turned out that the goddess Xue Ji just heard the "danger signal" sound, so she hurried over.

After the goddess Xue Ji quickly flew over to ask, I saw that Gu Mu Xijue replied with an ugly expression, "Hey, we were attacked."

what?

Hearing what Gu Mu Xijue said, the goddess Xue Ji was shocked immediately.

"What's going on?" The goddess Xue Ji asked quickly.

After the goddess Xue Ji asked, Gu Mu Xijue said, "Xue Ji, come and see..."

The goddess Xue Ji walked over quickly. After she walked over, she looked up at the middle place, and saw the flesh and blood corpses of the guardians of the four temples lying in the grass.

These corpses were fragmented, and even the corpses...

The moment she saw the corpses of the guardians of those temples, the goddess Xue Ji was stunned.

what?

"How is this going?"

"How come so many people died?" The goddess Xue Ji asked immediately there.

Then Gu Mu Xijue replied: "I don't know, there was a scream from here just now... I and Baishen hurriedly took people over to see them. When they came here, these people have been killed. "

"Asshole, who did it?" The goddess Xue Ji asked angrily.

The White God on the other side suddenly said angrily: "Who else can? It must be that little **** Chi Yang! And the evil demon of Jiugong."

Gu Mu Xijue also said slightly, "Well, it should be Chi Yang and the others attacking us!"

When the goddess Xue Ji heard this, a layer of frost appeared on her pretty face.

"Unexpectedly, Yangshen finally took action on us! Damn it!" Goddess Xue Ji groaned there.

Everyone also stood there without speaking.

At this moment, a light and shadow quickly flew over.

A closer look revealed that the light and shadow that rushed over was Li Tian.

"Li Tian, you are here."

After Li Tian rushed over, Gu Mu Xijue in front of him said.

After Li Tian fell, he glanced around, then looked at the goddess Xueji over there, and saw that the goddess Xueji gave him a cold look and ignored him, which made Li Tian very depressed.

"Wood God, what happened just now?" Li Tian asked.

Then Gu Mu Xijue took Li Tian to check the dead bodies...and that said just now.

After seeing these slain bodies, Li Tian's anger rose from his heart.

"What a cruel technique." Li Tian said secretly.

That Gu Mu Xi Jue said: "Yes."

"Li Tian, we are going to take action now, if we don't take any action, then Chi Yang will definitely think we are bullied." Gu Mu Xi Jue said on one side.

Li Tian did not speak.

Bend down and looked at the four corpses on the ground.

But seeing these four corpses were **** and bloody, their deaths were extremely miserable, all of them were killed by weird illusions.

Looking at these corpses, Li Tian suddenly said in the dark, "Wood God, how do you know that these people were killed by Yang God?"

After hearing Li Tian's question, the Gu Mu Xijue, the White God, and the goddess Xue Ji were all taken aback.

"Can there be others besides Yang Shen?" The White God suddenly said.

That Gu Mu Xijue also said, "Yes, Yang Shen must have done it."

Then Li Tian frowned deeply at this moment and said: "But I personally feel that this doesn't seem to be the style of the Yang God."

"That Yang Shen is extremely powerful, and he is bold in doing things, I personally think that he should not be sneaky murder." Li Tiandao.

Then Gu Mu Xi Jue said: "Not the Sun God? Who else could it be?"

Li Tian shook his head and said, "I don't know this either."

"Surely Yang Shen did it." The White God suddenly shouted on the side.

The guardians around were also shouting: "Yes, it must be the evil demon of the nine palaces."

Hearing what they said, Li Tian didn't say anything else. Although he was very confused and helpless, no one listened to him at this moment.

"Since everyone has determined, then I have nothing to say." Li Tian said slightly.

After speaking, he turned his head slightly and looked at the Gu Mu Xi Jue on the other side and said: "Wood God, what do you mean? We start attacking the temple?"

That Gu Mu Xijue nodded quickly and said, "Yes."

"Ok."

"When will the attack begin?" Li Tian asked.

Gu Muxi said: "As soon as possible! I think within these two days."

"En, well, I have no opinion." Li Tian said last.

After hearing what Li Tian said in front of him, Gu Mu Xijue smiled and said, "Then we have decided."

"Everyone listened. Two days later, we began to attack the temple." In the end, Gu Mu Xijue said.

After hearing that Gu Mu Xijue said so, the surrounding temple guardians nodded quickly and said, "Yes!"

So everyone decided.

They decided to start attacking the temple in two days and attacking the sun god.

"Lao Bai, you will guard Qianxue Peak for the past two days... to prevent the people from the Nine Palaces from attacking us again." Gu Mu Xi absolutely feared that the members of the temple would be attacked again, so he ordered the White God at this moment.

When the White God heard it, he said: "Okay, leave it to me here!"

"If the demons in the nine palaces dare to come again... Lao Tzu will definitely make them unable to eat."

After hearing what the White God said, Gu Mu Xijue in front of him smiled slightly and nodded.

Then everyone slowly dispersed.

Below this Qianxue Peak, there are currently 67 other guardians guarding the White God.

And Li Tian, Gu Mu Xijue, and the goddess all returned to Qianxue Peak.

After Li Tian returned to Qianxue Peak, he hurriedly searched for Situ Ningbing.

Because the current Situ Ningbing is still misunderstanding him, he must find Situ Ningbing to explain clearly.

Chapter 3113: Who do you love?

Li Tian was looking for Situ Ningbing there.

It's a pity that I didn't find it after searching around.

When he was searching, he suddenly saw the maidservant Qingluan.

"Girl Qingluan, may I ask, have you seen Ningbing?" Li Tian asked, looking at that Qingluan at the moment.

Qingluan blinked her beautiful eyes and said, "Eh? Are you looking for Sister Bing?"

"Yep."

"Have you seen her?" Li Tian asked quickly.

Qingluan smiled suddenly and said, "I have seen it."

"Is she there?" Li Tianyi only heard that Qing Luan had seen Situ Ningbing, so he asked anxiously.

Qingluan smiled and said, "Do you care about Sister Bing?"

"En, en." Li Tian said there

Qingluan said, "But, I think Sister Bing seems very unhappy... Did you make her unhappy?"

When Li Tianyi heard it, he said bitterly: "It's a misunderstanding, it's a misunderstanding, so I want to find her quickly and explain it clearly to her."

After hearing what Li Tian said, Qingluan said, "Well, for the sake of you being so anxious, I will tell you secretly that Sister Bing is now alone in the back mountain."

"Go and comfort sister Bing."

After Li Tian heard Situ Ningbing alone in the back mountain, he hurriedly said, "Thank you! Thank you, Miss Qingluan."

Then Li Tian hurried to the location of the back mountain, looking for Situ Ningbing.

...

The mountain behind Qianxue Peak.

I saw all kinds of exotic flowers and plants planted there, which was so beautiful.

The red, green and green flowers have never been seen on earth, and some flowers even emit light.

I saw that Situ Ningbing's beautiful figure was standing here among the colorful flowers.

She was dressed in white clothes like snow, her hair like black hair draped over her tender shoulders, and her waist was thin. She was so beautiful that the flowers around her could not quite sigh.

It's just that a sad state appeared on her pretty face, like a flower in autumn, sad and lonely...

Just when she was standing here silently, a figure appeared slightly behind her.

"Ningbing..."

He looked at the voice, but it was Li Tian who was behind her.

After Situ Ningbing heard Li Tian's voice, her Jiao body suddenly trembled slightly.

Then turned his back to Li Tiandao: "What are you doing?"

"Ningbing, don't be angry, I hope you can listen to my explanation..." Li Tiandao.

When Situ Ningbing heard this, he suddenly turned that cold pretty face and looked at Li Tiandao there: "Explanation? What else can you explain?"

"I... I'm really not what you think! You have been with me for so long, don't you still know me?" Li Tiandao.

Situ Ningbing said: "But, tell me what is going on with you and my master,"

"I was just a misunderstanding with the goddess." Li Tian said helplessly.

"Misunderstanding? What misunderstanding," Situ Ningbing asked.

Then Li Tian told everyone the truth.

"On the same day, I practiced on the thirteenth heaven...Because I had cultivated to the tenth heaven, I needed to wash my bones...so I accidentally looked at the body of the goddess...so..." Li Tian told the truth. come out.

When the goddess Xue Ji heard this, she said, "You looked at my master's body?"

Li Tian said with embarrassment: "En..."

"But it's a misunderstanding. I only wanted to save her that day, so I saw it by accident."

After Situ Ningbing heard this, the whole person was silent.

No words, no words.

Then Li Tian saw Situ Ningbing silently, and hurriedly said, "Ningbing, you believe me, all this is really a misunderstanding."

Then Situ Ningbing said suddenly: "Although you said it was a misunderstanding, what would my master think? You peeked at a girl's body like this...what would you do if you let someone else do?"

When Li Tian heard this, he was immediately depressed.

Yes!

Although he peeped at the body of the goddess inadvertently, anyone with a discerning eye could already see that the goddess Xue Ji had begun to slowly develop feelings for Li Tian.

Otherwise, the goddess Xue Ji would not be jealous... and would not kill that Situ Ningbing.

So when Li Tian heard this meeting, he was completely depressed.

"I...I...I..." Li Tian, who continued to say three words for me, didn't finish the remaining words.

When Situ Ningbing saw that Li Tian had nothing to say, he turned his head angrily, as if not paying attention to Li Tian.

Li Tian is like an ant on a hot pot. At this moment, neither is entering nor retreating.

He didn't know what to do.

"Li Tian, actually someone like you, there are girls who like you, I am not angry!"

"I'm only angry... Don't forget... There are also sister Ouyang... and Miss Duanmu on the earth! They are still waiting for you foolishly." Situ Ningbing said with a trembling voice suddenly.

When that Li Tianzai heard the name of Ouyang Shiqing and Duanmuying, his heart suddenly felt a sharp pain, as if a knife had pierced his heart deeply!

pain!

Heartache!

Yes, in that world of the earth, there are still Ouyang Poetry, and Duanmuying two girls are waiting for Li Tian foolishly!

How could Li Tian hurt their hearts?

But seeing Li Tianzai at this moment said with a heartache: "Ningbing, don't get me wrong! I have never forgotten them...I always have them in my heart."

When Situ Ningbing heard what Li Tian said in front of him, he suddenly said, "Then what will my master do? What are you going to do?"

Li Tiandao: "To be honest, I don't know now."

"Do you like my master?" Suddenly Situ Ningbing looked at Li Tianzai in his beautiful eyes and asked.

When Situ Ningbing said such a sentence, Li Tian was immediately stunned.

Does he like the goddess Xue Ji?

Li Tian didn't know.

If you say you don't like it, it is purely a lie!

Such a peerlessly alluring city, a woman with a face and a body that everyone in the world wants to own, can that man not like it?

Therefore, I saw that Situ Ningbing said after asking, "Hey, my master is so beautiful and unparalleled in the world, how can you not like her? Hehe, I'm so stupid, I even asked. Such a dull question."

When Li Tian heard it, he hurriedly said, "Ningbing, it's not what you think."

Situ Ningbing said suddenly: "Actually, if you like my master, I have no opinion!"

"My master is actually quite nice." Situ Ningbing said silently.

When Li Tian heard that, he walked to the side of Situ Ningbing and quickly held Situ Ningbing's slender hand: "Ningbing, are you not angry?"

"I'm angry! Of course I'm angry! But, even if I get angry, what can I do?" Situ Ningbing said silently while looking into the distance with beautiful eyes.

Chapter 3114: Dead again

Yes, what is the use of Situ Ningbing even if he regenerates Qi?

She loves Li Tian!

Li Tianyi in front of him heard what Situ Ningbing said, and he was completely moved there.

"Ningbing..."

With a soft cry in his mouth, Li Tian suddenly hugged Situ Ningbing's delicate body tightly from behind.

Situ Ningbing said with ruddy eyes in her beautiful eyes: "Li, will you abandon me one day?"

Li Tian was shocked and said: "How is it possible, fool? I said, no matter whether you live or die in this life, I will guard you forever."

When Situ Ningbing heard Li Tian's words, he suddenly felt emotional in his heart.

"Well, with your words, even if I die, I'm satisfied."

Situ Ningbing turned around and hugged Li Tian tightly at the moment.

The two people hugged each other tightly like this. At this moment, they understood each other, and Situ Ningbing was no longer angry with the goddess Xue Ji, because for her, it was something. When on earth, they are all used to it.

...

Time passed by every minute.

Below the Qianxue Peak, since the last attack, the White God and the guardians of 56 temples are now guarding under the Qianxue Peak.

I saw the White God sitting still on the bluestone on one side, and deep in the dense forest on the left, he was the guardian of the six temples.

As the sky got darker and darker, Qianxuefeng was immediately completely enveloped by a huge layer of darkness.

Occasionally, a bitter wind blows from the dense forest, blowing on people, very cold, very cold.

"White God, you go and rest for a while, here we are watching first."

I saw a guardian of the temple, walked to the side of the white god, and said there.

After hearing this, the White God smiled slightly and said, "I'm fine, no need to rest."

After the guardian saw the White God saying this, he nodded silently and stepped back.

Time continued to pass slowly.

Soon, the night came quickly.

When the night came, no one could see from your position on the thirteenth heaven, suddenly an invisible terrifying aura was rushing towards the direction of the Qianxue Peak with the feeling of devouring the sky and the earth.

The breath cannot be seen clearly with the naked eye, but it can be clearly felt that it is definitely a terrible breath that is beyond the scope of ordinary people's imagination.

And that breath, the direction it was flying from, was Qianxuefeng in front of him.

I saw the white god...There are also 6 guardians of the temple, and I haven't noticed it yet.

They had no idea that the terrible danger had begun to approach them gradually.

"Hey, let me go and make it easier. You guys will guard here first." I saw one of the guardians on this side facing the people on the other side.

When several people over there heard him say this, they all smiled and nodded: "Go, go."

Then, seeing the guardian wearing a black shirt, he walked slowly towards the dense forest in front.

After reaching the dense forest in front, he began to "understand".

At the beginning of the "little solution", a gloomy cold wind suddenly blew on his body, causing his whole body to fight an extremely cold chill.

"It's cold!" Not only did the guardian tremble all over.

At the same time, a layer of chicken skin was raised up involuntarily.

He didn't know why, he just felt like there were a pair of eyes around him staring at him tightly...so that his back and spine began to chill.

Just when he was terrified, a rickety shadow on the left suddenly appeared like a ghost.

The shadow crouched, with loose hair, standing in the darkness.

Can't see his face clearly...and can't see who he really is...He is standing there like a ghost.

what?

"Who are you?" The guardian suddenly couldn't help exclaiming when he saw such a strange figure suddenly appeared at a distance of more than ten meters.

But just as he just said these words, the croaking figure suddenly slowly lifted the face in the dark night.

When that face appeared in the guardian's eyes, the guardian... suddenly his pupils began to widen.

what! ! !

A screaming scream suddenly came from the dense forest.

Puff!

Then the blood splattered and scattered in the air.

Look at the guardian again... the whole body has been hollowed out... a huge blood hole appeared on his stomach, he fell there with a plop, and was killed.

But he said that at the moment the guardian was killed in an instant, what about the White God sitting on a bluestone over there? Suddenly I heard the screams from here.

"There is movement!"

With a low shout, the White God immediately rose up.

Several guardians over there also heard that miserable weird cry just now, and they all ran over quickly at this moment.

"White God, we heard the movement!"

"Yes, it seems to have come from over there." After several guardians quickly reached the white god's side, they quickly said to him.

The Baishen's face was ugly, and he glanced at the direction over there at the moment, and said: "It must be the Yangshen that is here!"

Upon hearing the words of the White God, the guardians suddenly felt a sense of fear.

"Good coming! I just want to fight him!"

"Everyone, follow me!"

The White God's temper was violent, and he didn't care if he was the opponent of the "Yang God". At this moment, he really flew over here quickly with the 5 guardians in front of him.

As the White God quickly flew over here with the remaining 5 guardians, he immediately smelled the extremely unpleasant smell of blood in the air.

"What a heavy smell of blood." I saw one of the guardians not only shouting there after smelling the smell of blood.

Of course, several guardians over there also smelled this extremely unpleasant smell of blood, and they all murmured in their hearts: What happened?

Just as they thought so in their hearts, the White God quickly moved forward.

Suddenly he saw a ***** corpse collapsed in the front place.

what?

"Someone was killed again!" The White God in front of him was surprised when he saw that the dead was his guardian.

Then quickly flew over.

After flying over with his body, the other 5 guardians also hurried over.

Upon closer inspection, I saw that the corpse on the ground was the guardian who had just come to "resolve"... but now his whole body has been hollowed out, and there is still a huge blood hole in his stomach. Grim and ugly, extremely terrifying.

Chapter 3115: Red cut

"Who did it?"

"Who killed our brother?" The five guardians on the other side were surprised and angry.

The White God looked at the ***** corpse and muttered, "It must be the Yang God! That ***** did it."

"Yang Shen?"

"He's coming?" When the guardians heard that, everyone's face showed a strange look of fear.

I saw the white god, raising his eyes at the moment, looking angrily at the surrounding darkness, and suddenly screamed: "Chi Yang, you bastard, get out of here!!!"

A loud shout came out of the white god's mouth.

The White God is now incomprehensible, he just wants that Yang God to come out quickly, and then kill him.

"Chi Yang, you bastard, get out!" Bai Shen continued to shout into the darkness around him.

As he yelled out, suddenly, a gloomy cold wind blew around.

Suddenly, just in front of the area, a black shadow suddenly appeared.

No one knows how his figure appeared... even less, where he came from.

Through the dim light, he can only see that his figure is rickety... a hair scattered like withered grass, draped over his shoulders.

The clothes all over his body were even more tattered...at first glance, he thought it was a monster crawling out of the ground.

It was such a "weird" that appeared in front of the White God and other guardians.

what?

"Who's that in front?" An exclamation came out of a guardian's mouth first.

After he called out, the guardians here and the white ***** all turned their heads together.

After seeing the "monster" in front of him, the white ***** suddenly roared, "Who are you?"

The ear-splitting voice came to the front, but the disheveled and rickety guy in front didn't say the least.

"Asshole, speak? Did you kill us?" White God continued to shout angrily.

Just after the White God called out again, the rickety figure in front suddenly made a "hissing" strange laugh.

The sound was extremely unpleasant, as if the throat tube was damaged, and when it was heard in a person's ear, it made people feel a terrible chill.

The few guardians around, looked at the other person and laughed so much, and couldn't help it now.

"Let's go and see if it's a human or a ghost..."

After the guardians said so, all the 5 guardians slowly walked towards the "monster" that was spreading out of the hair.

When they approached, the surrounding atmosphere suddenly changed dramatically, becoming suffocating and terrifying.

boom!

The rickety figure suddenly moved, and his hands were raised in the air, only to see a fierce ghost claw descending from the air! Grab it directly at the head of a guardian.

The guardian didn't realize that the opponent's strength was so powerful... Before the whole person could react, the terrible ghost claws suddenly caught his head!

Click!

The entire skull was crushed instantly.

Before he could even scream, he fell to the ground like a tree stump and died.

Clean and neat.

"what?"

The four guardians around were shocked when they saw their companions being killed.

Then the 4 people shot together: "We are fighting with you."

The 4 people performed the illusion of the whole body together.

I saw four different illusions hitting the "monster" from various directions, but I saw that the "monster" was not unavoidable at all. When their powerful illusions attacked, they suddenly squatted. The figure moved instantly.

A loud noise from the warehouse!

Suddenly a blood red light flashed out!

Then it flashed in front of the four guardians like a flying dragon.

Ahhhhh!

Then I saw a blood-red knife mark on the necks of the 4 guardians!

Then plops, plops, and one by one all fell to the ground and were killed.

The four guardians all died under the "strange" weapon of the opponent.

The weird blood-colored light was still flashing in the darkness, revealing an extremely ferocious aura. At this moment, he was holding it motionlessly in the hands of the rickety stranger.

In a blink of an eye, all 5 guardians have died.

When the White God saw this scene, not only a panic of fear suddenly rose in his heart.

He was left alone in the darkness at this moment.

"You...you...who are you?" The White God finally asked in surprise.

He finally knows now that the guy who killed the guardian of the temple... is not from the nine palaces! It's not that Yang God! It was the "monster" with a rickety figure in front of him.

But who is he?

Why would he kill the guardians of these temples?

At the moment when the White God asked in shock, but seeing the rickety figure suddenly "hissed" a strange laugh.

The voice was terribly harsh and terrible.

With a weird smile, I saw the rickety weird walking towards this side.

"Hehehehe, Bai, after so many years, don't you even know the old man?" Suddenly a hoarse voice came out of the rickety stranger's mouth.

The moment when Bai Shen heard the other party calling out his name all of a sudden, his heart suddenly twitched!

Looking at the opponent's rickety figure, at that moment, his whole person was momentarily stunned... as if being hit by lightning.

"You...you...you...really?" White God said in disbelief.

I saw that the rickety old man came over slowly.

As he walked closer and closer, his face slowly appeared in the dim light.

Under the dim light, an ugly face appeared in front of him. That face was half destroyed, one eye was blind, and the other pupil was shining with gleaming light.

His back is buckled, and his thin hands are still chained...On his right hand is a sword-like weapon with a blood glow.

At the moment when he clearly saw the weapon blade glowing with blood red light, Bai Shen suddenly screamed.

"Ah? Hong Zhan!!!"

"You...you...you...you are...master?" Suddenly, strange words came out of the white god's mouth.
master?

The master of White God?

At the moment when this rickety weird appeared, Baishen called out a voice in shock.

His pupils are incredibly unbelievable...but his eyes can't read wrong, because he really saw the master's unique weapon: Hong Zhan!

That "Red Slash" was forged with nine-star mysterious iron...has been hidden in the deep sea, and was later acquired by his master! Become his weapon!

So the moment the White God saw "Red Zhan", he screamed.

Chapter 3116: Terrible truth

Who would have thought that this person was actually the master of White God?

Is he the legendary man who created the temple with one hand?

Look carefully at this rickety old man, this old man is exactly the sweeping old man Li Tian had seen in thirteen days before! It turned out to be him!

"Master...you...you...you...are still alive?" Baishen said in shock at the rickety old man who looked in front of him in disbelief.

He really did not expect that a master who had been dead for hundreds of years would suddenly stand in front of him.

But seeing the rickety old man suddenly husky and smiled strangely, and said: "What, do you think the old man is dead?"

The White God stunned: "Yes...we saw a pile of dry bones in thirteen days...we thought it was your corpse."

The rickety old man suddenly burst into laughter.

"Just because of that Chi Yang wants to kill the old man? Hahahaha." His laughter was full of resentment and hostility.

At the moment when the White God saw that his master was really alive, he was completely speechless with excitement for a moment.

"Master...you...your old man has been there for so many years?" The White God suddenly asked.

The rickety old man said: "The old man has been in the thirteenth heaven."

what?

"Thirteenth Heaven?"

"Master, are you on the thirteenth heaven?"

"But why, we have never seen you?" The White God asked.

The rickety old man said: "How can you see my vain state?"

The realm of vain!

It is said that when the illusion technique is cultivated to the highest state, it can reach the state of vain. The so-called vain state is that the whole body turns into a mass of breath... people can't see the body clearly! It can even hide the breath of his whole body without being noticed by no one's spiritual power.

After finally knowing the reason, the White God was taken aback and said: "It turned out to be like this! It turned out to be so."

"Master, since your old man is still alive, why don't you want to see the three of us seniors?" The White God suddenly asked.

After hearing what the White God said, the rickety old man suddenly snorted: "You ungrateful things who betrayed me that day, how can I meet you?"

"Master, we didn't betray you! We just think... the temple should not be destroyed! Everything should not be destroyed." The white **** said.

The rickety old man said angrily: "What the old man has built with his own hands, if you want to destroy it, you will naturally destroy it! Besides, I said that from now on, I will dominate the entire Spirit Earth Continent! Everything in the world will be subject to me and my feet. !"

Hahahahaha!

The endless laughter laughed from the mouth of the rickety old man at this moment, domineering.

"Master, why do you want to do this?" The White God said in pain.

The rickety old man shouted coldly: "Because of ambition."

"Master, don't you get enough?" Bai Shendao.

The rickety old man suddenly roared: "Not enough! Not enough!"

"Originally, I should have ruled the whole world as early as a thousand years ago... Unfortunately, it was all destroyed by the little ***** Chi Yang! There are three of you stupid things... If it wasn't for the four of you to stop me that day ...I have already broken through the thirteenth heaven and reached the peak state!!!"

Endless resentment roared from the rickety old man's mouth, and his voice was full of resentment.

When Bai Shen heard it, he suddenly realized.

"It turns out that Junior Brother Chi Yang was kind!"

"It turns out that Junior Brother Chi Yang already knew your ambition..." The White God finally understood.

Yes, for thousands of years, this white god, wood god, and goddess have always wronged the red sun yang god.

In the first battle that year, Chi Yang used a peerless technique to blind one of the master's eyes...According to Chi Yang's original intention, it was to kill the master! It's a pity that the White God, Wood God, and God did not agree! As a result, their brothers only fought! Finally, Yang Shen entered the thirteenth heaven... only after being injured by the master, did he leave the temple and reach the nine palaces!

After so many years, that Chi Yang returned with the Three Demon of the Nine Palaces! Just to find your own master! Stop his ambition!

That's why that Chi Yang let go of the Wood God, the White God... because his goal was not at all! It's his master!

After the White God suddenly understood everything, he was there for a moment.

"We...we...we have wronged Junior Brother Chiyang! We are really stupid!" Suddenly, a voice of emotion came out from the white god's mouth.

When the White God called out so, the rickety old man suddenly laughed wildly.

"Hahahahaha!"

"What's the point of you idiot now knowing?"

"Hmph, to be honest, you four brothers, only that Chi Yang is a bit brainy, and the other three of you are all rubbish!"

"If the old man hadn't been blinded by the sword of that little ***** Chi Yang... I had already dominated the entire spiritual land continent." The rickety old man said loudly.

The White God raised his blood-red eyes and looked at the master: "Master, it turns out that you have been making ghosts all the time!"

"The guardians of our temple were all killed by you, right?"

The rickety old man laughed and said, "Of course!"

"Why? Why are you doing this?" White God exclaimed angrily.

The rickety old man said: "Because, I want you brothers and sisters to kill each other! Because I want to watch you die on your own body, so I am satisfied."

It turned out that this rickety old man did this because he wanted the wood **** and goddess to wrong the red sun sun god.

"Master, you are too poisonous." After hearing the rickety old man say this, the white **** suddenly said sharply.

The rickety old man grinned in a hoarse voice and said: "I poison? The old man nurtures the four of you... But in the end you get back to dazzle the old man's eyes. Of course I want you to die!"

After hearing this, the White God said, "Master, unfortunately I won't let you get what you want!"

"I'll go back and tell the Wood God... and Xue Ji and the others! Tell them that it is you who have been secretly making ghosts!" The White God said.

Hearing what the White God said, the rickety old man suddenly sneered: "Hahahaha, do you want to tell them? Do you think you can leave here alive?"

When the rickety old man said such a sentence, suddenly a wave of murderous air rose around him, causing that white expression to be unable to restrain his whole body with a cold chill!

cold!

Scared!

Baishen looked at the rickety old man in front of him and said, "What do you want?"

"Kill you!" said the rickety old man.

"I'm fighting with you..." Baishen yelled out.

He can only fight at the moment.

Chapter 3117: Smell of blood

"Bai, even your martial arts were taught to you by an old man. Do you think you can survive in my hands?"

The rickety old man suddenly sneered at the white gods.

White God has no choice now.

He can only fight! Even if it is dead, he has to quickly tell the wood god, and Li Tian, of his master's ambition.

Because if you don't tell them, the Wood God will definitely wrong the Red Sun Yang God.

"Today is finally dead, and I also want to make your ambitions public."

Baishen suddenly moved.

He fought desperately.

The rickety old man looked at the rushing white **** in front of him, suddenly a cruel smile appeared at the corner of his mouth.

"Something to die! Go and die."

Then his dark figure moved, as if death descended to the world.

...

Gu Mu Xijue, Goddess Xue Ji, they are still on the Qianxue Peak.

They still don't know what happened under the Qianxue Peak.

And what about Li Tian? At this moment, he also stayed alone in that water curtain cave.

Because in these two days, they are about to deal with that Yang God, so Li Tian must pay close attention to cultivation, because he knew in his heart that the strength of that Yang God was terrifying! With his current cultivation base, he could not be the opponent of that Yang God, so he could only cultivate.

Just when Li Tian was concentrating on cultivation, he suddenly felt a strong aura floating around him.

That breath is extremely strange, and very powerful...It seems to be emitted from the foot of the Qianxue Peak, as if someone was fighting there.

You know, Li Tian has already broken through the eleventh heaven. Therefore, his sensory abilities are extremely powerful. As soon as there is any disturbance around him, Li Tian can detect it.

So now Li Tian felt that under the peak of Qianxuefeng, there seemed to be extremely powerful spiritual power fluctuating violently.

"Hey, why would I feel such a powerful spiritual fluctuation?"

"Could it be that a terrible battle is taking place under Qianxue Peak?" Li Tian said in the dark.

Just as Li Tian was thinking that way, suddenly the fluctuation of that breath had become stronger and stronger!

"It seems that I must go down to Qianxuefeng to see the situation."

"Something must have happened below." Li Tian said there.

After thinking this in his heart, Li Tian flew up and flew away.

Without a word, he walked towards the outside of the Shuiliandong.

After Li Tian just walked outside, he saw that Gu Mu Xijue and the goddess just came from outside.

At the moment when he saw Li Tian hurriedly out of the water curtain cave, Gu Mu Xijue said at the moment: "Li Tian, we happen to be looking for you."

When Li Tian saw Gu Mu Xijue and the goddess Xue Ji, he was not only startled, "Uh? Looking for me? Is something wrong?"

But seeing that Gu Mu Xijue was there: "We want to discuss with you about the attack on the temple."

After Li Tian heard this, he said "Oh" in that mouth.

Then I saw Li Tian looking at Gu Mu Xijue in front of him, and the goddess Xue Ji asked: "Wood god, goddess, you two can feel a strong spiritual energy fluctuating?"

But he said that Gu Mu Xijue, and the goddess Xueji suddenly heard that Li Tian said this, not only was suddenly taken aback, but said in surprise, "Huh? Spiritual power fluctuation?"

"I didn't notice it!" I saw that Gu Mu Xijue was there.

"Xue Ji, have you noticed it?" Gu Mu Xijue looked at Xue Ji in surprise and asked.

I saw that Xue Ji also shook her head at the moment and said, "I didn't notice it either."

After hearing what the goddess Xue Ji said, the Gu Mu Xijue and Xue Ji not only looked at Li Tian in front of them.

"Li Tian, have you noticed that spiritual power is fluctuating?" Gu Mu Xijue asked Li Tian in her eyes.

Li Tian nodded silently and said: "Yes! And I can feel that spiritual power is extremely powerful!"

When Gu Mu Xijue and the goddess Xue Ji heard that, they all silently looked at Li Tian in front of them.

"Where do you feel that spiritual power?" Just listen to Gu Mu Xijue's hurried inquiries.

Both Gu Mu Xijue and Xue Ji knew that Li Tian's strength far surpassed them!

So when Li Tian said that he felt spiritual power fluctuations, neither of them had any objections! Instead, they asked quickly, because they knew that Li Tian's feeling would never go wrong.

"I feel that spiritual power seems to be under Qianxue Peak." Li Tiandao.

When Gu Mu Xijue and the goddess Xue Ji heard that, they looked at each other and said, "Then, should we go down the mountain as soon as possible to see the situation?"

"Yes!" Li Tiandao.

"Okay, then the three of us go together!" Gu Mu Xijue said suddenly.

Now is a severe time! So they can't be careless.

Hearing what Gu Mu Xijue said, Li Tian nodded quickly in front of him and said, "En!"

In this way, Li Tian took the Gu Mu Xijue and the goddess Xue Ji in front of him, flying down Qianxue Peak extremely fast.

The three body images flew to the underside of the Qianxue Peak like the light.

Soon, I saw that Li Tian, Gu Mu Xijue, and the goddess Xue Ji flew down.

After all of them flew down, then just listened to Gu Mu Xijue's words: "The White God is here to guard, let's find him first."

"En!" Then Li Tian and the goddess Xue Ji nodded.

Then they hurried to find the white god.

After looking around, they didn't see the white god...nor the guardian of the temple.

When he noticed that there were no people around, Gu Mu Xijue was not only taken aback, but said in a surprised way: "Hey, what about Lao Bai and the others? Didn't they let them guard under the Qianxue Peak? Why didn't they see anyone? "

The goddess Xue Ji said: "Will they patrol the front place?"

Hearing what the goddess Xue Ji said, Gu Mu Xijue said: "Okay, then let's go to the front place to find it."

Then they hurriedly went to the front place to continue searching for the White God.

"Lao Bai..."

"White God!"

"White God, where are you?"

They shouted loudly, but their voices were instantly blown away by the cold wind, and disappeared into the endless dense forest.

"Why don't you see the White God?" The goddess Xue Ji, who only saw one side, said very depressed.

"I don't know, what the **** is this Lao Bai doing? How do you play missing?" Gu Mu Xijue in front of him yelled very depressed.

Just as they said this in their mouths, Li Tian suddenly smelled a terrifying **** smell in his breath.

"It smells of blood." Suddenly a word came out of Li Tian's mouth.

Chapter 3118: Hatred

When that Li Tian called out "the smell of blood," the goddess Xue Ji and Gu Mu Xijue were all startled.

"The smell of blood?" Gu Mu Xijue looked at Li Tiandao with horrified eyes.

Li Tian nodded quickly and said, "Yes!"

"The smell of blood came from the left side. Let's go and take a look."

Li Tian's words fell, and the whole person directly flew up, and then quickly flew towards the place where the blood smell came from.

After Li Tian quickly went to see the situation, the goddess Xue Ji and Gu Mu Xi Jue also quickly followed at this moment.

The three figures flew over in a very fast speed.

After flying over, they blinked and saw that there were indeed a few hideous and **** corpses lying down in front.

what?

"It's our guardian."

Li Tian suddenly exclaimed when he saw the ***** corpses.

The goddess Xue Ji, who heard Li Tian's scream in the back, and the Wood God all flew over.

Upon closer inspection, he really saw a few ***** corpses of the Guardian.

"How could this be?"

"Did our guardian be attacked again?" Just listen to that goddess Xue Ji's incredible words.

That Gu Mu Xijue was also stunned at that moment.

His eyes were filled with anger and flames, and his fists were clenched tightly at that moment.

"Where is Lao Bai?"

"Where is the old white man?" Suddenly Gu Mu Xijue exclaimed in surprise.

You know, the White God and these guardians are here to guard the underside of Qianxue Peak! Now that these guardians have been completely slaughtered...what about the White God? How is Shirakami?

After Gu Mu Xi Jue asked, Li Tian and the goddess Xue Ji were all taken aback.

At the moment, I can't help but lining up: Yeah, what about the White God?

"Could it be... Baishen is also in danger?" Suddenly a terrifying thought suddenly popped out of Li Tian's mind.

But he dare not say!

Because he was afraid that the prediction would come true.

Just when Li Tian, the goddess Xueji, and Gu Mu Xijue were all staring at the corpses here, suddenly a weak gasp came from the dense forest in front.

"Someone!" Li Tian suddenly exclaimed when he heard a noise.

Then the figure flew longitudinally through the thick grass.

After Li Tian flew over, the goddess Xue Ji and Gu Mu Xijue also flew over quickly.

Then Li Tian shouted: "Who?"

Then his right hand stretched out, and the terrifying five fingers were now grabbing towards the dense jungle.

Under this catch, Li Tian immediately saw a guy covered with blood lying in the grass.

I saw the man wearing a white shirt and his wrinkled old face was stained with blood!

A closer look reveals that this person is the "White God", one of the four main gods.

what!

"White God!!!"

Li Tian suddenly let out an exclamation when he saw that the white ***** was lying in the grass with his face covered in blood.

Then he hurriedly helped the White God up.

That Gu Mu Xijue and the goddess Xue Ji also flew over quickly at this moment, and then lowered their heads to see the White God.

"The White God... is the White God!" The goddess Xue Ji exclaimed suddenly there.

What about Yuzue Gu Mu? At that moment, I was completely stunned.

"Lao Bai... Lao Bai... how could you be injured like this?" Gu Mu Xi Jue asked the white **** with horror on her face.

I saw that the white **** was covered with blood at this moment... a huge blood hole appeared on the chest! This is a fatal blow!

Let's see that the White God is breathing hard... His mouth keeps bleeding out... A pair of blood-filled pupils are struggling hard.

"Lao Bai, Lao Bai...who hurt you like this? That **** killed you like this?" Gu Mu Xijue asked sadly, holding onto the white god's arm tightly there.

The goddess Xue Ji was also looking at the white **** with her red eyes!

What about the white god?

One of his blood-stained hands, at this moment, tightly grasped the arm of Gu Mu Xijue... and then exhausted the last trace of strength behind him and said: "Gu... Gu Mu... we... I... we... ..Injustice...injustice..."

At the moment when he said this sentence, he suddenly trembled violently, then his eyes closed, and the whole person died.

White God is dead!

"White God..."

"Lao Bai..."

The Gu Mu Xijue in front of her, and the goddess Xue Ji couldn't help screaming at the moment when she saw Bai Shen suddenly die like this.

It's a pity that no matter how they call it, there is no way!

A huge blood hole in Baishen's chest has already drained all the blood in his body... Now he only has a skin!

It is a miracle that it has been able to support it so far!

Now, Baishen finally couldn't sustain it anymore.

he died.

Looking at the body of the White God, Li Tian was also heartbroken.

Not to mention that Gu Mu Xijue, and the goddess Xue Ji, their eye circles were red.

"Ah ah ah ah ah!!!"

A stern roar came out from the mouth of Gu Mu Xijue.

The sound shook the sky, shaking the surrounding leaves so that they all fell down.

At this moment, Gu Mu Xijue's eyes were red, standing there like bloodshot... There was endless grief and hatred in her eyes.

"Who killed the White God?" The goddess Xue Ji, whose eyes were red suddenly, asked there.

Then Gu Mu Xijue suddenly replied: "Apart from that red sun... who else can there be!!!"

Yang Shen?

Li Tianyi frowned when he heard it! Because he always feels that all of this doesn't seem to be what Yang Shen did! But he couldn't tell who did it.

"Yang Shen!!! It's him, it should be him! Under heaven and earth, only Yang Shen can kill the White God." Only the goddess Xue Ji was also saying at this moment.

Yes, as of now, there is indeed no one other than Yang Shen.

The only other person, but they don't know.

Therefore, they once again put all their hatred on that Yang God.

I saw that Gu Mu Xijue clenched his angry fists tightly, his eyes radiated red light, and roared: "Red Sun, I must kill you!!! Revenge for Lao Bai!!! "

The rolling sound resounded throughout the dense forest! It seemed that Gu Mu Xijue had put all his hatred on that Yang God.

Chapter 3119: Who is the enemy?

White God is dead!

When the news of Baishen's death reached the entire Qianxue Peak, everyone was stunned!

No one thought that White God would be killed!

The current Qianxuefeng was completely shrouded in a layer of cloud and mist.

In the water curtain cave, the body of the White God was safely abandoned there! The guardians of the temple and the servant girls of the goddess Xue Ji stood all around.

"The White God is dead! Wood God, we want to avenge the White God." Suddenly a passionate voice in the crowd shouted.

"Yes, Wood God, we want to avenge the White God."

"Rush to the temple and kill the sun god."

...

The guardians around were shouting there.

Listening to the screaming voices of so many guardians, Gu Mu Xijue in front of her now also said with blood-red eyes: "Vengeance! It is time for revenge! I must not let Junior Brother Bai die innocently."

"revenge!"

A loud shout came from the mouth of that Gu Mu Xijue.

After that Gu Mu Xijue's shout, the guardians of the surrounding temples began to cry.

They are all blinded by hatred now! Revenge for that white god.

Only Li Tian stood quietly in the corner over there.

He was thinking about everything in his mind.

"Is the White God really killed by that Yang God?"

"If Yang Shen did it, then why would Yang Shen do this? When he was in the temple before, the Yang God could easily solve that Gu Mu Xijue... and the White God... now why do you do this? Has the White God assassinated it? This is very contradictory!"

The more Li Tian thinks about it, the more strange it is!

While thinking like this in his mind, Situ Ningbing on one side asked, "Li Tian, what are you thinking?"

After hearing Situ Ningbing's question next to him, Li Tian turned his head slightly and smiled there and said, "It's nothing."

Situ Ningbing saw that Li Tian was unwilling to say it, so he didn't ask too much.

"Li Tian! Now you are our leader... Tell us, when will we attack the temple?" Suddenly a loud shout came from the mouth of Gu Mu Xijue over there.

As the voice came out, everyone's eyes were on Li Tian's body at this moment, waiting for his answer.

Li Tian helplessly stood up, thought about it, and said: "We will set off tomorrow and attack the temple."

"Okay!" As Li Tian said so, the guardians of the surrounding temples screamed there!

Although Li Tian had doubts in his heart... but at this moment there was no way! Since everyone thinks that Yang God is a murderer... Then you can only go to the temple and ask that Yang God understand!

So Li Tian decided to go to the temple tomorrow.

It was so decided.

After tomorrow, led by Li Tian, they will all attack the temple.

It's just that, are these people like Yang Shen's opponent? Nobody knows.

...

Night came slowly!

I saw Li Tian standing alone on the top of Qianxue Peak.

Starlight shone on him... He stood on the top of the Qianxue Peak like a lone geese, and then looked at the dark sky.

Just when Li Tian was alone on the top of the Qianxue Peak, a pleasant voice suddenly came from behind him.

"You used to be here." I watched with the voice, but it was the goddess Xue Ji who was wearing a red dress.

She is still so beautiful, so overwhelming, and her every move exudes irresistible attraction.

After hearing the voice of the goddess Xue Ji, Li Tian turned his head slightly and saw Xue Ji saying: "You are looking for me?"

"En!" The goddess Xue Ji said coldly.

Li Tian asked, "Anything?"

The goddess Xue Ji said: "Nonsense."

"I ask you, tomorrow will be a battle with Yang Shen... Are you sure to defeat him?" Suddenly the goddess Xue Ji was there looking at Li Tian and asked

After listening to Li Tian, a bitter smile appeared in his mouth gently, and he said: "Tell the truth? Tell lies?"

"Of course it's the truth." The goddess Xue Ji said.

Li Tian said: "Actually, I am not sure!"

what?

When Li Tian said so discouragedly, the goddess Xue Ji was not only shocked at the moment.

"Are you so unconfident?" The goddess Xue Ji looked at Li Tiandao.

Li Tian said slightly there, "I'm not without self-confidence! I just... don't want to fight with Yang Shen!"

"Why?" The goddess Xue Ji was immediately confused when she heard Li Tian say this.

This Li Tian actually said that he didn't want to fight against that Yang Shen? why?

I saw that Li Tian said, "Because, from the beginning to the end, I don't think Yang Shen looks like a wicked person! He doesn't seem to kill innocent people like that!

When the goddess heard Li Tian say this, she sneered at the moment: "Hehe, how many times have you seen him? Why are you so sure?"

Then Li Tiandao: "Although I have seen him rarely! But when I first saw him, I felt that Yangshen was not like a bad person!"

"you are wrong."

"Chi Yang is very poisonous...very evil! It was he who stabbed our master's eyes with a sword." The goddess Xue Ji said.

Li Tiandao: "Back then, did you, White God and Wood God, also attacked your master?"

The goddess Xue Ji heard Li Tian suddenly say this, and she was immediately embarrassed.

What Li Tian said is not bad, yes, she did deal with their master back then! But at that time, their strength was not as strong as Chi Yang's!

"Then you say that Yang Shen is not a murderer, who is the murderer? Who killed the White God? Who killed so many of our temple guardians," Goddess Xue Ji suddenly asked Li Tian.

Li Tian was depressed at the moment.

Because this is also his most troublesome problem now.

Yes! If it wasn't the White God killed by Chi Yang? So who will it be?

Li Tian was silent for a while, shook his head there and said, "To be honest, I don't understand it now."

When the goddess Xueji heard it, she sneered there, "Hmph, since you don't even understand...then why do you think Yangshen is not a murderer?"

When Li Tian heard the goddess Xue Ji say this, he could only sigh deeply at this moment, and then stopped speaking.

"Tomorrow, when I see Yangshen tomorrow, I believe everything will be understood." That Li Tian said at last.

When the goddess Xue Ji heard Li Tian say this, she said nothing.

So the two of them stood side by side again... the starlight shone on both of them, turning into a beautiful light.

Chapter 3120: The war begins

The second day!

The sky is bright!

I saw that Gu Muxi had already led all the guardians of the temple in the Shuiliandong waiting for Li Tian.

There were also the goddess Xue Ji, the eldest sister, Qing Luan, and another maid beside her.

After a while, he saw that Li Tian led Situ Ningbing out from outside.

"Li Tian, you finally came out." The moment that Gu Mu Xijue saw Li Tian came out, he said there quickly.

Everyone's eyes at this moment are also all betting on that Li Tian.

Li Tian nodded slightly: "En!"

"We are all ready! When can we attack the temple?" Gu Mu Xijue cried out impatiently.

He was full of anger now, wishing to avenge the White God now, so he was there.

After hearing that, Li Tian said: "It's okay now."

"Okay, then we will attack the temple now!" Gu Muxi said loudly.

So just after their order, then they began to prepare to attack the temple.

...

"Ningbing, stay here." Suddenly Li Tian looked at Situ Ningbing beside him.

Li Tian knew that this battle was very dangerous, so he only wanted Situ Ningbing to stay.

Situ Ningbing said after hearing that, "Is it possible?"

"How could I leave you?"

Li Tian sighed deeply and said, "However, this time it is very dangerous...The strength of the Yang God is beyond our imagination."

Situ Ningbing said: "I'm not afraid! As long as I'm by your side, I'm not afraid of anything."

Li Tian thought for a while and didn't dissuade Situ Ningbing in front of him.

Because he knew that Situ Ningbing was stubborn by nature, and since he could no longer persuade, even if he said any more words, it was useless.

So he could only say: "Okay, but you must follow me."

Then Situ Ningbing nodded silently.

Then Li Tian looked at everyone and said: "Okay, let's start now! Attack the temple."

Following Li Tian's order, everyone began to follow Li Tianfei in front of him and shoot towards the Qianxue Peak!

Whoosh! Whoosh! Whoosh!

Dozens of figures all flew towards the Qianxue Peak like birds... and then they flew directly towards the temple!

The war is really about to begin!

...

Temple!

I saw that the statue in front of the temple had been completely destroyed, and the tall stone pillar collapsed.

In that huge square, there are densely packed underworld skeleton soldiers guarding.

Just when these skeleton soldiers were guarding the temple square, they suddenly saw the figures flying directly from the sky.

Look carefully, those flying figures are Li Tian and Gu Mu Xijue!

Here comes the attack!

Really attacked the temple.

"kill!"

"Kill the sun god, avenge the white god!"

"Recapture the temple, recapture everything we lost!" A loud shout came out from that Gu Mu Xijue.

Following that Gu Mu Xijue's loud shout, he saw his sleeves suddenly rolled up, and a gust of wind came out directly.

The terrifying wind blew directly at the skeleton army with a whining sound.

boom!

boom!

boom!

Immediately afterwards, I saw that the foremost dozen underworld skeleton soldiers were all shaken to ashes by the wind and died.

Wood God should be the first to kill!

Immediately afterwards, he saw another fiery red figure flying down.

Suddenly looking at it, I saw that it was a huge monster, all red... and with nine tails burning with flames.

"Nine-tailed Fengluan?"

Yes, it was the nine-tailed phoenix that the goddess Xue Ji was riding.

I saw that the goddess Xue Ji was like a fairy in the sky, standing on the back of the nine-tailed phoenix, holding the "snow whip", suddenly dropped from the air.

boom!

At the moment when the "Nine-tailed Phoenix Luan" that the goddess Xue Ji was riding down from the air, he saw a flame-burning tail of the Jiu-tailed Phoenix Luan, and it shot straight away, but saw the flames burning the sky directly. Those skeleton soldiers burned past.

There was a loud explosion.

In a blink of an eye, I saw the skeleton soldiers being devoured by flames one by one.

Suddenly the screams of the whole scene... howls, shaking the sky!

And look at the skeleton army in the underworld?

At this moment, it is pouring here like a tide!

The terrible war has finally begun.

The battlefield continues here.

In a short while, dozens of corpses of the underworld skeleton army fell on the square, and then turned into ashes.

Li Tian and Situ Ningbing also flew down from the sky, but Li Tian didn't make a move!

He just looked at the tragic scene in front of him...He felt a little bit of grief and pity in his heart!

That Gu Mu Xijue and the goddess Xue Ji are killing them there! Wherever he went, there were screams again and again! And those guardians were also very turbulent, in order to avenge the white god, they also displayed their full body skills, fighting with the skeleton army.

Soon, a half of the skeleton army had all perished.

As the battle continued on this battlefield, a sharp roar came from the direction of the temple.

"Er, waiting for the defeated thief, dare to come to violate my nine palaces? Seeking death!

With a loud shout, he saw a fierce man with blood and long hair flying out.

This person is one of the three demons of the Hades: the Red Devils!

Beside the Red Devil, the youngest of the three underworld demons was followed: Hei Jue!

At this moment, I saw the Red Devil and Hei Jue coming at the same time. At the moment that the Red Devil flew down, his right hand turned into a beast totem, and then he hit a poor guardian with one blow.

With a bang, I saw that the guardian in the white shirt was beaten to death by the red devil.

With a scream, his body flew upside down from the air, and then died on the ground.

And Hei Jue also used the technique of Mist Hidden Killing in an instant to kill the two guardians.

After seeing the Red Devil kill the Guardian, Gu Mu Xijue was furious, his sleeves shook, and suddenly all the skeleton soldiers around him flew away.

Then he shouted and said angrily: "Red Devil! Take it to death."

Immediately afterwards, Gu Mu Xi attacked the Red Devil with a palm.

The red devil with blood and long hair saw the attack from Gu Mu Xi Jue, and he shouted: "Old Gu Mu, today, you and I will fight! See who is dead? Who lives."

Under the loud shout of the Red Devil, the Red Devil suddenly greeted him with both palms, and slapped Gu Muxi's palm against him!

There was a loud bang!

The two powerful illusion palms collided together, like a bomb exploding, shaking the surrounding ground slightly.

Then, I saw that Gu Mu Xijue and the Red Devils flew back quickly.

Evenly divided, no high and low!
