

## **A Killer 3121**

Chapter 3121: Seven orifices bleeding

The Red Devils vs. Yuzue Furuki!

This battle is naturally an all-out effort.

I saw that Gu Mu Xijue's gray robe was full of spiritual energy, and he looked at the red devil with his angry eyes.

"Red Devil, I will take your life today and avenge the White God." Gu Mu Xijue roared.

The Red Devil was confused, and shouted there, "Old Gu Mu, what are you talking about? What revenge?"

When Gu Mu Xijue heard the Red Devil say this, he yelled angrily: "Red Devil, don't pretend to be confused! Take your life."

With that Gu Mu Xijue's loud shout, his body suddenly moved.

The terrible breath rushed directly to the Red Devil.

I saw Gu Mu Xijue in the air, and a curse seal quickly condensed in his hand.

"Hurricane!"

Then one after another whirlwind directly swallowed the Red Devil.

The Red Devil saw Gu Mu Xijue attacking him, screamed, and then quickly condensed a totem mark on his right hand.

"Beast Teng!"

Then I saw a totem mark that looked like a tiger directly transformed.

Roar!

The beast let out a stern roar, a clear black shadow appeared on his body, and then directly hit the hurricane technique of Gu Mu Xijue,

The mark of the beast and the "hurricane technique" of Yuzue Gu Mu fiercely fight in the air.

The hissing sound, as if the world was torn apart!

boom!

There was a huge explosion, and the Red Devil and Gu Mu Xi were both backing.

After stepping back a few meters, the two fought together again.

In the whole scene, only two figures, one red and one gray, can be seen intertwined quickly in the sky.

In the end, which one of them wins? Who will lose?

When Gu Mu Xijue here was fighting fiercely with the Red Devil, I saw the goddess Xue Ji here riding on the nine-tailed phoenix phoenix, still killing the skeleton army in the underworld.

But Li Tian didn't make a move from beginning to end!

Because he is waiting!

Waiting for his opponent: Yangshen!

"Li Tian, do you think the Wood God and the Red Devils will win? Who will lose?" Suddenly, Situ Ningbing next to him looked at Li Tiandao curiously.

Li Tian glanced at the Red Devil who was fighting fiercely and the Gu Mu Xijue, and then murmured: "It seems that the wood \*\*\*\* is stronger than the Red Devil!"

"Um? So, Mu Shen should be able to win?" Situ Ningbing asked.

Li Tian nodded and said: "En!"

"The Wood God's cultivation base for so many years, the strength should not be underestimated! Although the Red Devil in front of him has extremely vicious and vicious tricks, it is obviously not as strong as the Wood God...So I can be sure that the Red Devil will lose."

After Li Tian said these words slightly, Situ Ningbing in front of him did not speak any more.

She followed that Li Tian silently, and then watched the battle in front of her.

That red devil is still fighting fiercely with that Gu Mu Xijue!

At this moment, the two have confronted hundreds of moves!

The time of these hundreds of tricks, the two can be said to be evenly divided!

Gu Mu Xijue's tactics were steady and profound, while the Red Devil was vicious and gloomy... the battle between the two was full of joy.

At this moment, a bang came from between the two.

I saw that Gu Mu Xijue and the Red Devil attacked each other again! The two powerful spiritual energy rushed together like that... and then made a "burst" sound.

Then I saw that Gu Mu Xijue and the intertwined figure of the Red Devil separated suddenly.

After Gu Mu Xi Jue fell on the ground, her face was full of hatred, staring at the red devil with staring eyes.

What about the Red Devils? The blood-red eyes trembled there, gritted his teeth and looked at that Gu Mu Xijue, and also panting slightly. It was obvious that this round of battle between him and that Gu Mu Xijue caused him to consume the spiritual power of his body too much. Too much, too much.

"Red Devil, do you still have the strength to fight?" Gu Mu Xijue said coldly.

The red devil roared with blood-red eyes, "Old Gu Mu, you are less proud! Do you think I can kill you?"

Accompanied by the red devil shouting, suddenly he really rushed towards that Gu Mu Xijue again.

Gu Mu Xijue's face changed, and suddenly with a wave of both hands, the whole body's spiritual power gushed directly from the whole body.

"Lao Bai, I am here to avenge you."

With a loud shout, Gu Mu Xijue turned into a beam of light, and then flew towards the red devil in front of him.

The Red Devils also tried their best at this moment, using their own "beasts".

Two powerful spiritual powers collided like that!

Boom!

When the sound of the explosion sounded, the surrounding boulders were directly shaken away... and some skeleton soldiers were also shaken to pieces.

what!

Immediately after that, the Red Devil and the Gu Mu Xijue were shocked by the powerful rebounding spiritual power.

"Puff!"

I saw Gu Mu Xijue who retreated suddenly spit out a mouthful of blood!

"Wood God?"

When the people around saw the scarlet blood spit out of the wood god's mouth, they couldn't help but exclaim, even Situ Ningbing here was taken aback.

"Wood god? Are you okay?" The people around wanted to go and help Gu Mu Xijue.

But just when they were about to walk towards Gu Mu Xi Jue quickly, they saw that Gu Mu Xi Jue suddenly stretched out a hand to stop them there.

"Don't come here!" The wood god's cold voice came towards them.

When the surrounding guardians heard that Yuzue Gu Mu said this, they all stopped there! Then they all looked at that Gu Mu Xijue with extremely worried eyes.

But he said, look at the Red Devils again?

As the smoke on the battlefield slowly dissipated, the Red Devil appeared in his vision.

At this moment, the Red Devil stared with blood-red eyes...Standing motionless there!

Is he not injured?

Could it be that the strength of the Red Devil is stronger than that of Gu Mu Xijue?

Just when everyone was wondering, only Li Tian showed a slight smile at the corner of his mouth!

Because only he can see it.

I saw that the red devil was standing there...but the expression on the whole face was very strange...as if it was frozen.

Just before everyone understood what was going on, suddenly the tall red devil's body trembled a few times.

Then a scream of "Ah" came from his mouth.

Then "poof" a mouthful of blood shot out from his mouth.

The tall body, at the same moment, banged to the ground.

Look carefully at the red devil's face...he actually had blood in his eyes...in his nose...in his ears...all bleeding from his orifices.

what?

"Big Brother..." Hei Jue on one side called out in shock instantly when he saw the red devil's seven orifices bleeding.

Unfortunately, it is too late.

Because the Red Devil had just used his whole body's power to fight against that Gu Muxi!

His strength is not at all Gu Mu Xijue's opponent... So the violent collision just now caused the destruction of the veins in his body, so he would bleed from the seven orifices.

Chapter 3122: First victory

"Big Brother!"

Hei Jue hurried over, holding on to the bleeding Red Devils.

"Brother, how are you?" Hei Jue asked in a hoarse voice.

It's a pity that the red devil had already started to twitch violently.

At the same time, the face covered with blood gave people a very strange feeling of horror.

"Third brother, I...I...I...I can't do it anymore." The painful words came out of the red devil's mouth.

When he said this, he felt very laborious, and his whole body was shaking.

"Big brother, no, no, you will be fine, you can't die." Hei Jue looked at the Red Devil Dao with red eyes.

It's a pity that the Red Devil's muscles and veins are broken all over, how can he survive?

I saw that Red Devil stretched out a trembling hand, and then tightly grasped Hei Jue's arm, and said unwillingly; "Third brother, remember...for me...for me...revenge!"

After speaking the last sentence, the Red Devil suddenly tilted his head and his whole person died.

"Big Brother, Big Brother..." Hei Jue burst into tears for an instant after seeing the Red Devil dead.

It's a pity that no matter how he shouts, the Red Devil is already dead.

The Three Demon of Hades died!

Now there is only the only Heijue who is still alive.

The moment Heijue saw the Red Devil being killed by Gu Mu Xijue, he raised his blood-red eyes, suddenly turned his head there, glaring at that Gu Mu Xijue.

"Old Man Gu Mu, I tried your best! Give my eldest brother's life back."

Following that Hei Jue's burst of shout, his body instantly turned into a cloud of mist!

Then the thick mist rushed directly to that Gu Mu Xijue.

This thick fog is Heijue's "Mist Hidden Illusion Technique". At this moment, Heijue's body is hidden in the dense fog, and a terrifying blow is directed towards Gu Mu Xijue.

He wants revenge and kills Gu Mu Xijue.

Just when the black Jue turned into a mist and rushed over, suddenly the goddess Xue Ji coldly snorted: "Hei Jue! Take your life."

Seeing that Heijue turned into a cloud of mist and attacked the Gu Mu Xijue.

The goddess Xue Ji was holding the "Snow God Whip", riding on the "Nine-Tailed Phoenix Luan" and then directly rushed over.

Nine-tailed Fengluan made a strange cry!

Suddenly a tail full of flames swept directly into the mist.

"Nine-tailed Fengluan?"

The Heijue who was in the mist, when she saw the goddess Xue Ji riding on the Nine-Tailed Phoenix Luan and hitting herself, she immediately gave a cold cry and suddenly backed her body!

Nine-tailed Fengluan's flame tail hit the air...a ball of flame was shot out.

After that Hei Jue backed away for a moment, he then shouted harshly: "Xue Ji, you stinky woman dare to stop me?"

The goddess Xue Ji said coldly: "Hei Jue, just your three-legged cat skills... still want to kill the Wood God? Is it shameful?"

"Smelly woman, do you dare to insult me?"

With a loud shout, Na Hei Jue performed the "Mist Hidden Kill" technique.

Then the thick fog rushed directly to the goddess Xue Ji.

The goddess Xue Ji didn't even evade. The Nine-Tailed Phoenix Luan who was riding suddenly shot a wing toward the thick fog, and then the "Snow God Whip" in her hand slammed into the thick fog with a terrible blow.

Boom!

The "Snow God Whip" of the goddess Xue Ji hit in the mist, and she suddenly heard a scream, a figure was hit by the "Snow God Whip" and then flew out!

Black absolutely!

Hei Jue was hit by the whip of the Snow God at this moment, and his body fell to the ground like a sandbag with a bang!

Immediately afterwards, a "wow" squirted blood in his mouth.

I looked closely, but saw that Heijue was holding his chest, his face turned pale, and the corner of his mouth was still bleeding and fell to the ground.

He really is not the opponent of that goddess Xue Ji!

Yes!

Hei Jue's strength is still far from that of the goddess Xue Ji.

You know, the current goddess has greatly increased her skill since she followed Li Tian to "wash her bones" on the tenth day! So how could Heijue be the opponent of the goddess Xue Ji.

Looking at the beaten Hei Jue who was bleeding smoothly, the goddess Xue Ji sneered: "Hei Jue, don't you know how to die?"

Hei Jue clutched his injured chest, raised his trembling arm and wiped the blood from the corner of his mouth, and then said: "I am fighting with you today."

Heijue knew that he had nowhere to go, so he could only fight to the death.

At this moment, Heijue's body jumped up from the ground, then the whole person turned into a cloud of mist, and then directly attacked the goddess Xue Ji.

This is a desperate blow for him.

Seeing that Hei Jue desperately struck at the goddess Xue Ji.

The goddess Xue Ji did not rush, and the "snow whip" in her hand shook quickly, and then turned into a mass of net-like air, and then bound towards the cloud of mist. In the moment of binding, Na Hei Jue was taken aback. , Suddenly flashed back...

Just a few meters after exiting, the "Nine-Tailed Phoenix Luan" suddenly curled its wings toward the Heijue.

Hei Jue had no time to escape. With a bang, his body was swept by the "Nine-Tailed Phoenix Luan", and then with a plop, he flew upside down and fell heavily to the ground!

It's hard to get up!

The goddess Xue Ji just knocked the Hei Jue down to the ground, and then took advantage of the victory to pursue her, the Snow God whip in her hand suddenly stretched out, and then directly "restricted" the neck of the Hei Jue who fell on the ground.

"Huh, Hei Jue, don't surrender yet?" The goddess Xue Ji now strangled the neck of that Hei Jue with the Snow God whip, saying.

Na Hei Jue vomited blood in his mouth, and said, "Surrender? Dead woman... Even if I die, I won't surrender!"

When Na Hei Jue said this, the goddess Xue Ji became angry.

"Okay! If you are looking for death, then no one blames me."

With a cold drink, the goddess Xue Ji's "Snow God Whip" suddenly turned horribly, and then there was a "click" cracking sound wrapped around the black neck.

Hei Jue's throat was abruptly cut off by the goddess Xue Ji.

There was a plop, and then the black body fell to the ground.

died!

Hei Jue was killed on the ground by the goddess Xue Ji.

When the surrounding guardians saw that the goddess Xue Ji had slaughtered the last Black Jue of the Underworld Three Demons, they couldn't help shouting.

They are excited!

Win the first battle! This is certainly something to be excited about.

Now, the black devil and the red devil of the three underworld demons have all been killed!

There are only these unweathered skeletons...and the only supreme one: Yang Shen!

Chapter 3123: Yang Shen appeared

After the goddess Xue Ji had killed the Hei Jue, there were only a few ants left on the field.

Although there are many skeleton soldiers in the underworld, they are not the opponents of Gu Mu Xijue at all!

Soon, but seeing those numerous skeleton soldiers was wiped out more than half.

"Li Tian, it seems that we should be able to recapture the temple today." Suddenly, Situ Ningbing was facing Li Tiandao.

Li Tian didn't speak, his face was heavy, he raised his eyes and looked at the innermost part of the temple.

"Do not!"

"We are not necessarily." Li Tiandao.

After hearing Li Tian's discouraged utterance, Situ Ningbing was taken aback: "Huh?"

"Now the Three Demons of the Underworld have all died...there are only these skeleton soldiers and the so-called Yang God, can we not beat that Yang God with so many people?" Situ Ningbing doubted.

Li Tian who only listened to that side said, "Yes!"

"With so many of us, none of us can beat Yangshen!"

When Situ Ningbing heard Li Tian say this, he was shocked.

"what?"

"Is that Yang God really that scary?" Situ Ningbing asked in surprise.

Li Tian nodded silently and said: "Yes!"

"He is the most terrifying master I have ever seen in my life!" Li Tian murmured there.

After hearing what Li Tian said, the Situ Ningbing in front of him stopped talking, thinking slightly in his heart: Hey, is the so-called Yang God really that terrifying?

Just when they were talking like this, I saw that Gu Mu Xijue had already begun to issue an attack order.

"Xuan Di, lead all the guardians to attack the temple! We retake the temple." Gu Mu Xi said loudly.

Following that Gu Mu Xijue's order, but seeing the old man in the mysterious land wearing a gray robe, he waved his big hand at the guardians behind him and said: "Everyone comes with me... to capture the temple and kill Yang God!"

"Yes!"

More than 30 guardians around all called out.

Then I saw that more than 30 guardians of the temple, under the leadership of the old man in the profound land, all flew towards the temple.

Whoosh whoosh!

When so many figures were about to fly into the temple, suddenly thunder was rolling in the sky!

Then, I saw a huge breath erupting from the temple!

That breath is overwhelming and invincible.

When it came out, it seemed like a rolling tide, forcing the guardians who were flying over.

"Hahahahaha!"

Then a loud laugh came from the temple.

Then he raised his eyes and saw that a middle-aged man wearing navy blue clothing suddenly shot straight out of the temple, and then landed on the top of the temple. His eyes scanned all the people present, like a king. Looking down on the world.

Yang God!

He finally appeared.

When Yang Shen flew out of the temple, the 30 guardians who had originally rushed past, as well as the old man in the profound land, were not only taken aback! Then one by one stood in place.

And Gu Mu Xijue, and the goddess Xue Ji, they also saw the Yang God at this moment.

Yangshen appeared.

"Ah? It turned out to be him?" Situ Ningbing on one side was stunned when he suddenly saw Yang Shen.

Once at the foot of Qianxuefeng Mountain, did this "man" rescue them... Didn't expect that he is the Yang God? Situ Ningbing was completely stunned at the moment, with doubts in his eyes.

When Li Tian heard Situ Ningbing's call out, he was not only startled slightly.

"Eh? Ningbing, do you know him?" Li Tian asked.

Then Situ Ningbing replied: "En! He had saved us when he was in Qianxuefeng before."

Then Li Tianyi's brows not only frowned deeply.

"It turns out that Yang Shen saved you! It's so strange."

Li Tian murmured.

Just when Li Tian finished saying that, suddenly Gu Mu Xijue over there had already spoken.

"Chi Yang, you \*\*\*\* bastard! Today, I must kill you to avenge Lao Bai." Suddenly Gu Mu Xijue roared there.

The Yang God standing on the highest point looked down on all beings and suddenly said, "The White God is dead?" He asked curiously.

Obviously, he didn't seem to know the news of the death of White God.

Gu Muxi heard this and said angrily: "Chi Yang, do you still want to pretend to be confused? Isn't Lao Bai killed by you bastard?"

After hearing that Gu Mu Xijue suddenly said this, the Yang God in front of him suddenly laughed wildly.

The sound is rolling like thunder!

"Vengeance! Revenge!"

The guardians of the surrounding temples were also shouting there at the moment.

Yang Shen listened to their voices, at that moment, endless killing intent appeared on his face.

He shouted: "You fools, it's sad that you don't even know the real enemy! Sad! Since you have to come to me to die? Then I will fulfill you all!"

"dead!"

After a wild drink, that Yang Shen was ready to take action!

He did not explain, because for a person like him, explanations are useless!

Seeing that Yang Shen was about to explode, at this moment, that Li Tian yelled.

"Wait! Yang Shen!" At the moment when Li Tian yelled, he was just about to take a shot.

I saw the Yang Shen at this moment raising his brilliant eyes and looking at Li Tian in front of him.

"It's you?" Yang Shen saw Li Tian.

Li Tian smiled at that Yang Shen.

"Yang Shen, we meet again."

But seeing that Yang God laughed, he said: "Yes, I met again, what? Are you and Gu Mu together? You want to kill me too?"

Then Li Tian smiled there and said, "No! We are not here to kill you, but to ask some questions."

When Na Yang Shen heard it, he laughed wildly and said: "Ask something? What is it?"

I saw that Li Tian said: "I want to know, did you kill the White God? And... you didn't kill the guardian of our temple?"

When Na Yang Shen heard it, he laughed.

"Do you think my Yang Shen will secretly kill them these trash?"

"Hmph, below the world, if I want to kill anyone, who can escape?" Domineering words came out from the Yang God's mouth.

Yes!

For a madman like him, who does he want to kill? Does it need to be sneaky? Is it necessary to hide your identity?

Do not!

He doesn't need it at all!

Because if his strength wanted the White God and Wood God to die, it would be a breeze.

So after listening, Li Tian nodded silently and said: "Yes! If you want to kill someone, you really don't have to hide your identity!"

After Li Tian finished speaking, he suddenly turned his head and said to the Gu Mu Xi Jue: "Mu Shen, I don't think Yang Shen was the murderer of the White God!"

Chapter 3124: Slaughter

After Li Tian said this sentence, Gu Muxi was taken aback, and then said: "Li Tian, don't be fooled by the \*\*\*\* Chi Yang!"

"It's definitely the white \*\*\*\* he killed!"

"Under the world, besides him, who else could kill the White God?" Gu Mu Xi Jue shouted.

After Li Tian heard this, he also felt very reasonable!

Although his instinct told him that Yang Shen was not a murderer! But who exactly killed the White God?

After thinking about it, Li Tian raised his eyes and looked at the Yang Shen in front of him and asked, "Yang Shen, since you didn't kill the White God... Then who do you think killed the White God?"

The Yang Shen sneered, "What's the use of me saying it? Even if I say it, these idiots will never believe it."

Then Li Tian frowned, "Then you tell me first...Look at who this person is."

Then the God of Yang said, "It's my master! He who once created the temple with one hand!"

what?

When the Yang God said this sentence, the Gu Mu Xijue and the goddess Xue Ji were taken aback!

Even Li Tian was stunned.

what?

"master?"

When Gu Muxi heard this, she furiously said: "Chi Yang, you thief, dare to slander Master...I want your life!"

After hearing the name of the master named by the Yang God, Gu Mu Xijue couldn't help but make a move!

What about the Yang God? Looking at the rushing Gu Mu Xijue, he immediately snorted: "Did you see it? This is the idiot who forced me to kill! Since God wants to hate me... Then I will do it for the sky. Walk the way and kill all ignorant people in the world!"

A burst of drink roared out of that Yang Shen's mouth.

Then, seeing his palms suddenly lifted up, a powerful golden ray of light emerged from his palms, gradually turning into a "卍" curse seal, and then the vast curse seal. The son descended from the sky and directly pressed against that Gu Mu Xijue.

"The King Kong Seal!"

The guardians around, as well as Li Tian, and the goddess Xue Ji all saw that Yang Shen really made a move!

His shot was like thunder from the sky, with a huge momentum.

"Wood god, be careful, he has displayed the Donkey Kong seal!!!" An exclamation exclaimed from the goddess Xue Ji on the other side.

Donkey Kong Seal! It is one of the strongest illusions among alien space illusions!

Known as below the eleventh heaven, no one can stop the peerless skill!

Unexpectedly, after the Yang Shen was angry at this moment, he even used the "Great King Kong Seal" this peerless illusion.

At this moment, I saw that Gu Mu Xijue?

It was also in order to avenge the white \*\*\*\* and displayed his incredible strength.

I saw that Gu Mu Xijue's whole body turned into a cloud of gray, and then the whole body was filled with extremely powerful spiritual energy, and then attacked the sun god!

However, how could Gu Mu Xijue be Yang Shen's opponent?

Three hundred years ago, Yangshen had already broken through the eleventh heaven!

Three hundred years later, how terrifying his strength cultivation level should be?

At this moment, when the figure of Gu Mu Xijue was attacking all of a sudden, the Yang Shen sneered and said, "Something to die."

Then the "Great King Kong Seal" suddenly emitted a dazzling golden light, and then I saw the "卍" character pattern flying up all at once, gradually starting to grow bigger and bigger... The entire sky seemed to be covered there. Under the Donkey Kong seal.

After encountering the golden light of the sun god, the spiritual power figure of the wood \*\*\*\* was instantly suppressed... and then I saw the terrifying "big diamond seal" pressing directly towards the wood god!

The wood god's whole body was enveloped by the "big diamond seal". At this moment, he only felt that his whole body was surrounded by layers of breath, and he was shocked at the moment! Want to fly back!

Unfortunately, it was too late.

Because his body has been enveloped by the entire Diamond Seal... he can't avoid it completely.  
what!

At this moment, Gu Mu Xijue has already felt the terrifying and hot power coming from the "Diamond Seal".

That horrible searing power made that Gu Mu Xijue feel as if she were thrown into the hot water, pain and hot!

Seeing that Gu Mu Xijue was pressed all over by the "Great King Kong Seal", his body began to tremble violently... the cold sweat on his head was the moment when all the rustling fell.

The guardians of the surrounding temple... all were taken aback.

"Huh? Wood God?"

"Go and help!"

With a loud shout, they saw that all the 30 guardians around had shot up, and then they all shot at the Yang Shen.

Whoosh whoosh!

After seeing more than 30 guardian figures all flying towards the sun god, the scene was really magnificent!

Each guardian displayed his full body strength, and then attacked that Yang God.

What about the Yang God?

At the moment when they coldly saw that these guardians were uncontrollably slamming toward them, a vicious killing intent suddenly appeared on their faces.

"Go to hell!"

A wave of his right hand!

A ray of golden light shot directly at the guardians who flew over.

This golden light is exactly the same as Li Tian's light system illusion, but it looks more powerful than Li Tian's light system illusion!

After these rays of light shot at the guardians one by one, suddenly, only those guardians were illuminated by golden light one by one!

Ahhhhh!

The endless screams came from the mouths of those guardians!

Under the golden light shining, the guardians who flew in were blinded by the stabbing... and then the golden light penetrated their bodies...

Boom!

Boom!

One body after another fell from the air.

Screams, death, filled the entire square!

died!

Those guardians who rushed past all died in the hands of Yang Shen!

Looking at the guardians who fell under the golden light, everyone present at the moment was stunned.

"Huh?" The goddess Xue Ji exclaimed.

Even Li Tian stayed there.

The Yang God slaughtered these guardians who had no resistance at all.

"Too cruel!"

"That Yang Shen didn't expect it to be so cruel!" Situ Ningbing, who was watching the falling guardian corpses, suddenly exclaimed.

Although Li Tian didn't want to be an enemy of this Yang God, when he saw that the Yang God was so aggressively killing these innocent people, his fist suddenly clenched at that moment.

He wants to be ready!

"Red Sun, take fate."

Just before Li Tian made a move, I saw that the goddess Xue Ji had already made a move.

Her shadow turned into a raging fire, and then she used a wind-type illusion with her forehead, and then hit the sun god!

And the Nine-tailed Fengluan beside her also let out a strange scream at this moment, and then attacked the Yang God as a whole.

Chapter 3125: The finale of another world (three gods battle Chiyang)

Nine-tailed Fengluan let out a weird long cry, and then suddenly expelled a raging fire from his mouth, devouring the Yang God. .

Yang Shen saw the nine-tailed phoenix attack coming, and his body quickly backed away!

Then volleyed a kick.

Kick that nine-tailed Fengluan straight!

The nine-tailed Fengluan curled his head slightly, and then his tail swept the Yang God wildly, and the Yang God's body flew out of the ring.

At this moment, the goddess Xue Ji also attacked.

Yang Shen, at this moment, a human enemy that ancient fierce beast: Nine-Tailed Phoenix Luan, Goddess Xue Ji, and Gu Mu Xijue.

Standing at the highest point of the temple, he raised that murderous face, glared at everyone present, and then said: "Today's battle, you can't blame me for waiting for death! Blame it, you are too stupid. "

Speaking out loudly, that Yang Shen suddenly sneered at the corner of his mouth.

Then stand with his hand, like a \*\*\*\*\* of war.

At that moment, the goddess Xue Ji said: "Yang Shen, you have killed so many people, and you deserve to die! Today we will walk for the sky."

On the one hand, Gu Mu Xijue, who was rescued, said at the moment: "Yes, today, no matter what, we will kill you."

When Na Yang Shen heard this, he suddenly laughed wildly.

"A good one to walk for the sky!!"

There was a little helplessness in his laughter!

After that long howl, suddenly the Yang God was full of terrible murderous aura all over his body, and then angrily said: "Want to kill me? Come on! Let me see who of you has this ability."

After Na Yang Shen said so, his right hand swung out quickly!

Suddenly, two golden rays of light flew directly towards the wood \*\*\*\*\* on the left and the right, and the goddess Xue Ji.

"Be careful!"

The goddess Xue Ji was shocked when she saw the golden light flying towards her terribly.

The body was stretched, and quickly cast the wind illusion to avoid the past.

And that Gu Mu Xijue also quickly avoided at this moment.

The two golden rays of Sun God did not shoot on the two of them, but on the cold ground.

boom!

boom!

Then I saw two huge holes exploded in the ground.

After the goddess Xue Ji and Gu Mu Xijue avoided the terrible blow of the Yang God, the two of them joined forces to strike the Yang God together.

The goddess Xue Ji performed the technique of ice heart.

"The Heart of Ice Sword!"

Then I saw the goddess Xueji's slender hands quickly condense a curse mark, and then saw the air suddenly drop, and the ice-ridged swords turned out, and the goddess Xueji pushed with both hands! Spiritual power burst out, pushing those cold swords.

Whoops whoops!

Lines of sharp ice swords shot at that Yang God.

Yang Shen screamed, and a light curtain suddenly burst out from his body!

The light curtain spread... and then formed a barrier to protect the Yang God.

The ice sword of the goddess Xue Ji, all shot on those light curtain barriers... and then bang, bang, bang, all shattered!

It can be seen that the fore-ice sword of the goddess Xue Ji can't hurt that Yang God at all.

And at the same moment, that Gu Mu Xijue had already shot

Gu Mu Xijue accumulated a thunder mark in her right hand: Heavenly Thunder Tribulation!

With a click, two thunder and lightning lights descending from the sky burst down and hit the sun \*\*\*\* on the ground.

Yang Shen didn't even look at it, but his left hand flickered, and suddenly a cloud of golden light rose to the sky, blocking the two rays of thunder and lightning.

boom!

boom!

The two rays of thunder and lightning had not even reached the Yang God in front of them, they had all been crushed!

Yang Shen, a human enemy that Gu Mu Xijue, and the goddess Xue Ji, also had the upper hand.

At this moment, the three of them are fighting fiercely in the sky, really domineering, it can be called peerless!

Looking at the fierce battle between the three of them, Li Tian, who had never taken a shot, finally couldn't help it.

"Ningbing, I will help the wood \*\*\*\* and goddess!" Suddenly a word came out of Li Tian's mouth.

When Situ Ningbing heard Li Tian say this, he was not only startled, but said: "Uh, Li Tian, didn't you say that Yang Shen was not a bad person?"

Li Tian sighed and said: "Yes! Although I always think he is not a villain! But today he killed so many innocent people... And, if I don't help the Wood God and them now, I'm afraid... Wood God, and The goddess Xue Ji will definitely be killed by Yang God today!"

Yes!

Everyone can see it, although the goddess Xue Ji and Gu Mu Xijue have joined forces! But they still can't be that Yang Shen's opponent!

Therefore, now Li Tian can only shoot!

Because if he doesn't make a move again, the goddess Xue Ji and Gu Mu Xi will definitely be killed by the Yang God!

After Li Tian said so, Situ Ningbing in front of him nodded silently, and said to Li Tian, "Okay!"

"However, you must be more careful." Situ Ningbing faced Li Tiandao worriedly.

Li Tian smiled slightly, and said to Situ Ningbing there, "Don't worry!"

After speaking, Li Tian slid and joined the battle circle!

"Yang Shen! Don't kill innocent people indiscriminately!" A loud shout came out of Li Tian's mouth.

Li Tian displayed the "Wind Mystery Step" at his feet, turning his body into a violent wind, and quickly came to the circle of battle!

Then he directly raised a palm with his right hand and attacked that Yang God.

boom!

Li Tian's palm hit the light curtain protective cover outside the sun god... I saw that the light curtain protective cover shook slightly, but it was all right!

"You? Are you coming to fight with me?" Suddenly the Yang God furiously said when he saw Li Tian attacking himself.

But seeing that Li Tian retracted his palm, and then looked at that Yang Shendao: "Yes!"

"I can't just watch you killing innocent people... please stop!" Li Tian persuaded the Yang Shendao in front of him.

Who knows that after Li Tian finished speaking, he saw that Yang Shen suddenly laughed arrogantly.

"Kill the innocent?"

"These stupid thieves, regardless of the enemy and us, don't know the truth, is it wrong for me to kill them?"

"Wait, all \*\*\*\* it!"

A burst of anger came out of the Yang God's mouth, and then a powerful ray of light emerged from the Yang God's body, directly hitting Li Tian.

Li Tian didn't dare to insist on this trick!

Because he deeply knew that the strength of this Yang God was beyond his imagination.

I saw Li Tian quickly cast the "Moment of Light Technique", then his figure turned into a ray of light and disappeared in a swish.

"Yang Shen, if you don't stop, don't blame me for taking action." Li Tian shouted while standing in the void.

The God of Yang sneered: "Come on! Wait! Let me see how Chi Yang fears you?"

When Li Tian heard this, he let out a helpless sigh!

Dark lining: It seems that I must fight today.

The words fell, and Li Tian suddenly shouted: "The earth explodes torrent!"

Chapter 3126: Break the Dragon

In order to stop the Yang Shen from killing the innocent indiscriminately, Li Tian could only take action at this moment.

"Storm Torrent".

This is the terrifying illusion in the earth-based illusion in the alien space illusion.

Once it was cast at this moment, Li Tian's palm suddenly condensed the curse imprint, and then pressed to the ground.

A loud bang came from the ground.

Kakachacha, I gradually saw that the whole ground suddenly began to crack...Then the crust began to violently toss up, attacking the Yang God like an earthquake.

When Na Yang Shen saw Li Tian's attack, he gave a sneer and suddenly stood up!

Then his right hand was slightly lifted, and a golden light hit Li Tian directly.

Li Tian revolved and suddenly performed the "Wind Escape" technique.

With a sudden sound, a whirling wind escape rose around Li Tian's body, and that wind escape blocked the Yang God's attack.

Just when Li Tian also shot against the Yang Shen, the goddess Xue Ji and Yang Shen around also shot together.

All three are the top masters in the world!

And now, the three of them attacked the sun \*\*\*\* together.

But what about the Yang God?

There is no sense of frustration at all, but the more courageous the battle!

A human enemy of Yang Shen, Li Tian, Gu Mu Xijue, Goddess Xue Ji, plus an ancient beast "Nine-Tailed Phoenix Luan".

This battle is truly unbeatable in the world!

...

At the moment when they were fighting, no one could see that in that dark corner, a rickety figure was raising that evil eye and watching what was happening in front of him.

His face was distorted and terrifying, and half of his face was completely destroyed...The remaining face was carved with ancient wrinkles.

"Finally started! The war has begun, hehe." A sullen smile appeared on the corner of his mouth.

"Thirteenth Heaven, it will be opened soon, hahahahaha."

He smiled weirdly in that dark corner, watching the battle before him.

I saw that the sky was dim when the sun \*\*\*\* and Li Tian, Gu Mu Xijue, and the goddess Xue Ji fought against each other!

The figures of the three were swirling in the air, and because the speed was too fast, it was impossible to distinguish the enemy from the enemy!

What each of them performed was a stunning illusion!

Don't dare to slack in the slightest! Fighting fiercely there with all my strength.

war!

This battle was fought from day to night.

Sunset and Moonrise, even if Li Tian even brought the Wood God, and the goddess Xue Ji, such a peerless cultivation base, he couldn't defeat that Yang God.

The sky was getting darker and darker, and the fighting of the four continued.

The surrounding ground has been blown into potholes by the terrible illusion...the sky was filled with smoke and thunder.

boom!

Just after the sky was dimmed, the Yang Shen suddenly became angry.

How can he not be angry, but he has been wronged by others now?

With a burst of shout, Yang Shen's "Diamond Kong Seal" suddenly turned towards the Gu Muxi.

Gu Mu Xijue saw the sun \*\*\*\* attack, and his figure suddenly retreated and dodge... But when Gu Mu Xijue was evading, the Yang \*\*\*\* suddenly raised his left hand.

"Break the dragon!"

Suddenly, a qi qi came out terribly from the palm of the Yang God's hand.

When this Polong Yizhan shot at that Gu Mu Xijue, Gu Mu Xijue was stunned for an instant. Because his body was retreating...he had no other strength to avoid this move, and he was immediately stunned.

"Wood god, be careful."

Li Tian yelled, displayed the earth escape, and then wanted to stop the Yang God's "Broken Dragon One Slash" in the past.

I saw a huge Tu Dun suddenly flew towards the "Broken Dragon One Slash", but unexpectedly, I saw the qi suddenly rumbling, directly penetrating Li Tian's "Tu Dun".

what?

Li Tian couldn't help screaming when he saw his "earth escape" barrier was pierced.

Since even Li Tian couldn't stop the Yang God's "Broken Dragon One Slash", of course the goddess Xue Ji was not to mention it.

The two of them could only watch that Yang God's "Broken Dragon One Slash" slashed directly on the chest of Gu Mu Xijue.

Wow!

With a scream, Gu Mu Xijue's body was suddenly planted from the midair.

With a bang, his body fell, and after falling to the ground, he vomited three mouthfuls of blood.

Look at his chest again... a terrible sword mark appeared, and that sword mark was drawn directly on his stomach from his chest.

Flesh and blood flowed across.

Looking at the moment when the wood \*\*\*\* was shot down from the air by the sun god, the goddess Xue Ji here exclaimed, "Wood god."

Then quickly flew over.

Li Tian also stopped fighting, and hurried to the side of Gu Mu Xijue.

I saw Gu Mu Xijue's body trembling, and the terrifying sword mark on his chest was still bleeding out.

"Wood God..." The goddess Xue Ji couldn't help crying when she saw that Gu Mu Xijue had been hit so hard.

But seeing Gu Mu Xijue tremblingly said there; "I'm fine...I'm fine."

While talking, he stood up while holding the bleeding wound in his chest.

Although he covered the wound with his hand... but the blood still ran down his hand! Soon, the entire ground was dyed red.

"Mu Shen, don't fight, you will die if you fight again." The goddess Xue Ji on one side persuaded Gu Mu Xijue in front of her.

Who knows that Gu Mu Xijue gritted her teeth and said: "No! I must fight today! I must fight!"

That's it, but seeing that Gu Mu Xijue was holding the bleeding wound and stood up.

He raised his eyes and looked at the Yang God angrily.

"Chiyang, the old man is fighting with you today." Finally, Gu Mu Xijue let out a roar.

The sun \*\*\*\*\* stood standing in the air, took a cold look at that Gu Mu Xijue, and murmured in there, "Sad, sad! You stupid didn't even figure out the truth before he died! It's a pity for you."

"Stop talking nonsense, Chi Yang, take your life."

Then Gu Mu Xijue really pounced on it.

His chest was still dripping with blood, and the split flesh revealed a hideous feeling.

But he didn't care, endured the severe pain and made a desperate battle.

That Yang Shen didn't want to kill him, but he had no choice but to make fun of him. What could he do?

Therefore, Yang Shen can only kill!

Since killing one is a crime! What about Tu Wan? Is it Guixiong?

kill!

At the moment when the overwhelming murderous intent appeared in that Yang Shen body, he moved on.

A golden light, together with "Broken Dragon One Slash", once again attacked the Gu Mu Xijue.

"Mu Shen..." Li Tian on one side and the goddess Xue Ji had no other choice at this moment, they could only watch that Gu Mu Xijue pounce on them.

Boom!

"Broken Dragon One Slash" exudes extremely strong and unparalleled sword energy, and then slashes down against the head of Gu Mu Xijue!

boom!

Immediately afterwards, I saw that Gu Mu Xijue's body was directly split in half by this "Broken Dragon One Cut"!

The blood was splashing in the air.

Yuzue Furumu's body plopped, thumped, and fell to the ground, terrible.

Chapter 3127: Invincible Sun God

The wood \*\*\*\* is dead. .

So he was killed by Yang Shen.

His death is extremely sad...Before he died, he didn't even know who the real enemy was, sad, sigh.

Looking at the corpse of Gu Mu Xijue that had fallen from the air, the goddess Xue Ji flew over with a scream.

"Wood god."

With a roar, she caught the flesh and blood half of Gu Muxi Jue's body.

The other half of the body fell to the ground.

The \*\*\*\* picture stained the entire audience.

Li Tian stood where he was, looking at the split in half of Gu Mu Xijue, and at that moment all the muscles all over his body were trembling.

"Why? Why... Yangshen, why are you killing the innocent?" A roar came out of Li Tian's mouth.

His eyes became blood red, and the spiritual power of his body suddenly increased.

Li Tian didn't feel bad at Yang Shen at first, but now he couldn't help it when he saw him split the Wood God in half.

The Yang Shen, wearing a navy blue robe, said coldly, "Because he deserves to die!"

"This idiot has no distinction between us and the enemy, and dares to stop me? Will you kill him if I don't kill him?"

Yang Shen's words are not bad at all.

Seeing Gu Muxi desperately attacking Yang Shen, what can he do?

What else can be done except for the murderous hand?

Li Tian knew that Yang Shen had no choice, but he also had no choice.

Looking at the Yang God in front of him, Li Tian suddenly said: "It seems that you and I must have a big battle today."

Listening to Li Tian's words, the Yang Shen suddenly laughed wildly and shouted: "Okay! Come on!"

"Let me see, under the world, who can knock me down, hahahahaha." The endless laughter sounded out of the Yang Shen's mouth.

After that Yang Shen said so, the goddess Xue Ji on the other side suddenly said: "Li Tian, don't talk nonsense with him, kill him! Take revenge for the wood \*\*\*\* and white god..."

With a soft drink, the goddess Xue Ji has swooped over.

But seeing her shadow turned into a ball of flames, the "Bingxin Sword" was condensed with both hands, and then she struck towards that Yang God.

A series of ice-ridged swords flew straight down from the air, stabbing towards the sun god.

When Yang Shen saw the attack from the "Ice Heart Sword", he sneered, and suddenly waved his right hand, bursting out vigorously.

Boom, I saw that the extremely powerful qi smashed all the "Ice Heart Sword" that was flying over.

The terrible strength made the goddess Xue Ji in the midair not only tremble with her beautiful body.

When Li Tian saw that the goddess Xue Ji was no match for the Yang God, he shouted and suddenly displayed the spiritual power of his whole body.

"The Art of the Five Elements!"

Li Tian has now broken through the realm of the eleventh heaven.

And it melted the five illusions of Spirit Earth Continent, wind, fire, thunder and lightning, air, water, these five illusions.

The so-called "five element illusion" at the moment is to combine these five illusions into one!

The power is naturally unstoppable.

With that Li Tian shouted loudly, his right hand directly displayed: The Art of Fire! The left hand is the "Seal of Thunder Tribulation."

One hand is "fire" and the other hand is "thunder and lightning."

When the two terrifying illusions were displayed in Li Tian's hands at the same time, the world changed color.

boom!

The ball of flames rolled towards the sun god... and the subsequent "Seal of Thunder Tribulation" burst out of the air.

Click, click!

One after another, the rough purple thunder and lightning flew towards that Yang God.

"Good work!!!"

"Young man, I really didn't misread you." When Na Yang Shen saw Li Tian performing two illusions at the same time, he laughed wildly.

Then he saw that Yang Shen suddenly flew back...suddenly he fell a dozen meters away.

boom! boom! boom!

All of the "Seal of Thunder Tribulation" displayed by Li Tian exploded on the empty ground, and the entire ground was instantly exploded into deep potholes.

And the ball of flames also rolled towards that Yang Shen.

Yang Shen opened his right hand slightly, and suddenly a icy air flow emerged from his palm.

"Look at me breaking your fire illusion!" shouted with that Yang Shen.

Then the icy air suddenly rushed to the huge ball of fire.

Hanbing vs. Yanhuo!!!

boom!

Just when the terrifying cold breath suddenly hit the "ball of fire" displayed by Li Tian, there was a loud noise, and then I saw the fire that was already burning with endless flames. The sphere was suddenly frozen by the terrifying temperature of ice!

The fireball instantly became a hockey puck!

When Li Tian saw that his ball of flame was frozen and turned into a hockey puck, his brows frowned.

But at this moment of effort, that Yang Shen suddenly released a powerful spiritual power! That spiritual force directly promoted the hockey puck!

Boom, the two hockey pucks counter-shocked towards Li Tian.

Li Tian was taken aback by this sudden change.

Then he performed the "Moment of Light Technique", and then dodged his body.

Li Tian, who was in the volley, suddenly displayed Xuantian fingering.

The sound of Po Feng's fingers swished and shot towards that Yang God.

Yangshen's sleeve robe rolled up, and the gang energy blocked Li Tian's Xuantian fingering.

A shocking battle! No distinction.

Now that the strength of Li Tian has gained the eleventh heaven, coupled with the terrifying strength on the earth, he can really fight against the sun god.

And what about Yang Shen?

It's also been a long time since I met this opponent, and now the battle is full of fun.

"Come again! Young man... let me see how powerful you are." Yang Shen stood in the void, wearing a navy blue robe, looking at Li Tiandao with a burst of laughter.

Li Tian had to be impressed by the strength of that Yang God!

He is really too strong! It's so powerful that it's scary.

At this moment, Li Tian went on to display illusion skills to fight against Na Yang Shen.

Li Tian's illusions are already extremely powerful, but every illusion that he uses is blocked by that Yang God! Destroy it... This made Li Tian completely depressed.

What should I do?

It was impossible to defeat the Yang God in front of him.

And what about the goddess Xue Ji?

At this moment, because of the long-term fierce fighting, he became exhausted.

She was panting, and although she was still standing on the nine-tailed phoenix, her skill was obviously weakened.

"Xue Ji, you retreat, don't fight anymore!" Then Li Tian saw that the goddess Xue Ji was already exhausted, she was unable to fight anymore, said there.

He was afraid that if the goddess Xue Ji didn't pay attention and was killed by Yang Shen, it would be troublesome.

But seeing the gasping goddess Xue Ji staring at her beautiful eyes, "No, I want to be with you!"

Then Li Tianyi said: "You don't need to help me, I'm all alone! You go back quickly..."

When the goddess Xue Ji just wanted to talk, she saw Situ Ningbing standing on one side not only saying, "Master, take a break!"

Hearing the voices of so many people discouraging her, in the end the goddess Xue Ji, who had exhausted her spiritual energy, could only sigh softly: "Okay! I'll take a rest first!"

"Li Tian, I will help you again later!"

Finally, the goddess Xue Ji retreated.

Chapter 3128: The last enemy

After the goddess Xue Ji retreated, only Li Tian and that Yang God were left on the court at this moment.

Two tigers fight, there must be one injury!

I just don't know who will die in whose hands in the end.

"Come on, let me see how good you are." The Yang Shen stood in the void and looked at Li Tian in front of him with a big smile.

Li Tian snorted and stood up from the ground, shooting directly at the sun god.

The palm strength he attacked, with a force of overwhelming force, pressed towards that Yang God.

Yang Shen saw Li Tian hit, and with a wave of his sleeves, his qi overflowed and directly hit Li Tian's palm.

The two realities collided, and a loud noise erupted.

The war is still going on.

Li Tianshi showed his full strength!

First, the "Five Elements Art" was used, and then the earth and light illusions of the alien space illusion were performed.

Colorful illusions are floating on the entire sky! Beautiful and colorful in an instant.

Finally, I saw Li Tian even used the "Sword of Burning Heaven".

The "Sword of Burning Heaven" was unsheathed, and the sky and the earth kept thundering.

The "Sword of Burning Heaven", burning with endless flames, took the sun \*\*\*\* directly.

But seeing the sun \*\*\*\* when he saw Li Tian's Sword of Burning Heaven, he suddenly screamed, his body flew back several tens of meters, and then the "Major King Kong Seal" fell from the sky, directly pressing on that Li Tian.

Li Tianyun tried to block the power of the "Diamond Seal" with the Sword of Burning Heaven, but he couldn't stop it!

Boom!

Li Tian's body was shaken upside down and flew more than ten meters!

Deng Deng Deng... Li Tian, who had just retreated several strides in a row before holding his footsteps, was shocked by that Yang God's "Diamond Kong Seal" at this moment, as white as paper!

It can be seen that even if Li Tian used his whole body strength, he couldn't defeat that Yang God.

"Hahaha, do you dare to fight again?" Na Yang Shen laughed wildly after retreating Li Tianzhen by several tens of meters.

Li Tian only felt the blood surging all over his body, and the force of the shock just now almost made Li Tian's mouth vomit blood...If it hadn't been for Li Tian's efforts to endure it, I'm afraid it would already be bleeding.

Li Tian took a deep breath, staring at that Yang Shendao: "Your strength is really terrifying!"

"However, since today is a matter of life and death, one of us will always fall here."

Na Yang Shen laughed and said, "Yes!"

"It's a pity, you must be the one who died!"

Following the cold voice of the \*\*\*\* of the sun, suddenly only the spiritual power of the \*\*\*\* of that sun was overflowing, and a radiant color suddenly filled up and down his body.

"Last move!! I see how you can catch it!"

Suddenly the figure of the Yang God moved!

The whole person turned into a ball of light, and the moment it flew up, the sky and the earth changed drastically...Even the thunders made a loud "click, click" in the air.

Yang Shen finally broke out his strongest move!

No words can describe the power of this trick!

I can't see clearly how that Yang Shen acted...

The only thing that can be seen is the turbulent atmosphere of heaven and earth, which is pressing against that Li Tian.

"what....."

"Li Tian, be careful!" Situ Ningbing on one side couldn't help shouting in shock when he saw the Yang Shen terribly attacking that Li Tian.

The goddess Xue Ji was also full of tension at the moment, looking at Li Tian worriedly.

It's a pity that everything is too late!

Because that Yang Shen's speed is too fast! That strength is too strong.

The energy of the sky, all pressed towards Li Tian.

At this moment, Li Tian was suddenly lucky with the spiritual power of his whole body, and then tried his best, his hands suddenly cupped up.

boom!

All the spiritual power that permeated the body also burst out... the power of this move used to resist that Yang God!

The moment the two powerful auras collided together... Suddenly the surrounding boom, boom, boom, all exploded!

As the smoke of gunpowder rose, Li Tian was shaking his body and holding his palms, and he took the move that Yang Shen had fallen from the sky.

Two people, two infuriating qi collided together.

Let no one!

Li Tian was standing on the ground... and that Yang Shen was flying in the air!

With four palms facing each other, the endless aura quickly circulated around their bodies!

boom!

As the Yang Shen continued to display his skills, Li Tian suddenly trembled...The two feet that were originally on the cold ground...the whole body fell into the ground!

"I see how much strength you have to stop... Hahaha!" Yang Shen laughed wildly, and continued to display his skills!

What about Li Tian?

At this moment, blood has begun to flow out of the corner of his mouth... The spirit of his body has begun to become weaker and weaker! Obviously, his strength is not enough to match that Yang Shen!

Seeing that Yang Shen's feet had fallen into the deep slate, the goddess Xue Ji and Situ Ningbing on the other side were not only screaming at the same time when they saw this scene.

"Li Tian!"

The two women exclaimed, and then both flew by, wanting to come and help!

But when the two of them flew to reach that Yang Shen's side, suddenly a huge rebound force directly slammed into their delicate bodies.

boom!

boom!

Situ Ningbing and the goddess Xue Ji were all knocked into the air... and then fell heavily to the ground!

Wow! Both women vomit blood... It's hard to get up!

Li Tian watched his beloved Ningbing and the goddess Xueji being knocked down by the force of the rebound... At this moment, he couldn't help him... His heartache was extremely painful!

But what should he do?

Seeing that the power of the Yang God is getting stronger and stronger! And Li Tian's nose and mouth have begun to flow out of blood...

"You are defeated!" Yang Shen smiled as he looked at Li Tian, who was becoming more and more unable to resist.

Just as Li Tian was defeated, suddenly a gloomy breath came from behind them!

That breath is evil and powerful!

At the moment it appeared, the surroundings were instantly enveloped by that evil atmosphere!

"Who?"

At the moment when he felt the extremely evil aura, Li Tian and Yangshen all felt it.

It's a pity that even if they feel it, there is no way to stop it! Because the two of them are now using their full strength against each other... so even if they perceive an attack of evil, they can't stop it.

I saw a blood red light flashing out!

hiss!

There was a scream, and then I saw the blood all over the sky!

The angry sky slashed, and directly slashed towards the Yang God and Li Tian!

Is it a knife?

Or a sword?

It's Hong Zhan! ! !

"Hong Zhan!! Master, you finally appeared..." Suddenly a groan sighed out of the Yang God's mouth.

At the moment when they called out, a strange, suffocating laugh came from behind them.

Then I saw that rickety black shadow suddenly appeared in the air with the upper body method!

Chapter 3129: Absorb skill

He appeared!

It was the rickety old man.

Yuzue Furuiki, the goddess Xue Ji, and the master of the white god.

After he appeared, the Hong Zhan in his hand exuded a \*\*\*\* hostility, blood red flashed, and suddenly slashed towards the Li Tian and Yang Shen who were competing for spiritual power!

Li Tian fought desperately with Yang Shen, and couldn't take care of it at this moment!

Boom!

There was a loud sound, and the light of Hong Zhan fell straight down from the sky...It was directly in the middle of that Yang God and Li Tian!

The terrible Qi Jin directly rushed to Li Tian and Yang Shen.

what!

With a scream of screams, Li Tian only felt an unprecedented force suddenly shook towards him, screamed, spit out a mouthful of blood in the air, and his body was shocked to fly several feet away.

With a plop, his body fell from mid-air!

And look at that Yang Shen? Like Li Tian, he was also shocked by the rickety old man's Hong Zhan! A spit of blood spurted from his mouth, and suddenly the whole person flew out.

"Li Tian..."

When the goddess Xue Ji and Situ Ningbing saw that Li Tian was so seriously injured all of a sudden, they rushed to check the injury.

I saw Li Tian spewing out a few mouthfuls of blood, and his body trembled violently on the ground... he couldn't move at all.

"Li Tian, how are you?"

The goddess Xue Ji and Situ Ningbing hurriedly helped Li Tian up.

But seeing Li Tian's mouth vomiting blood, his whole body's veins and veins were broken at this moment... he couldn't move at all, he was breathing weakly.

"I...I...know him...I know him..." Suddenly Li Tian's mouth was bleeding in front of him, and he looked at the rickety old man in disbelief.

On one side, Situ Ningbing and the goddess Xue Ji were not only surprised at the weird and crooked old man who looked in front of him.

"Who is he?" Situ Ningbing asked inexplicably.

What about the goddess Xue Ji? At the moment when I saw the rickety old man, I was stunned for an instant... Then looking at the "Red Slash" in the hand of the rickety old man, the muscles on her pretty face suddenly trembled.

"master....."

"Master...you...you...you...are not dead?" The goddess Xue Ji screamed in surprise.

When Situ Ningbing on the other side...and Li Tian was sluggish for an instant when he heard the sound of the goddess Xue Ji's mouth suddenly screaming.

"Goddess, what are you talking about? He... he... is your master?" Li Tian's blood-red eyes widened and gasped.

But seeing the goddess Xue Ji staying there and saying, "Yes, it's my master... it's our master! He didn't even die."

Hahahahaha!

As they were talking, the rickety old man suddenly burst into laughter.

His whole body is full of evil spirits, and the terrifying aura shakes the world at this moment.

He is indeed the master of the goddess Xue Ji! He is also the master of Mu Shen, Bai Shen and others!

He once created the temple with one hand!

It was he who created everything, and now he appears.

At this moment, the Yang Shen with blood at the corner of his mouth suddenly stood up with difficulty.

His face was pale and ugly...He even vomited a few mouthfuls of blood in his mouth!

Obviously, the Yang Shen just now was also shocked by the "Red Slash" with extremely serious injuries.

After the Yang Shen stood up, he stared at the master in front of him, and said: "You finally appeared."

But seeing the rickety old man suddenly smiled grimly: "Yeah! It's been so many years...Didn't you always want me to appear? Now I am out."

"You old treacherous thing!" Yang Shen said angrily.

The rickety old man suddenly laughed strangely.

"Child Chi Yang, dare to insult the master?" The rickety old man said with a gloomy smile.

The Yang Shen said angrily: "I will not only scold you, but also kill you! You old demon is sinister and vicious... You planned everything, right? You killed the White God?"

After that Yang Shen asked, the goddess Xue Ji and Li Tian were stunned for a moment.

They all blinked at that moment and looked at the rickety old man.

But seeing that rickety old man hahaha laughed wildly and said: "Yes! It's me!"

"If the old man doesn't kill Bai... how can you fight together? Hahaha, now everything is over! I want to absorb the skill of both of you... From today on, I will open the thirteenth heaven, and I will dominate. The entire Spirit Earth Continent."

When the old man who heard this squat finally admitted everything, the goddess Xue Ji, and Situ Ningbing... and the guardians who were still alive were all taken aback.

what?

"It's you....."

The goddess Xue Ji was stunned at the whole person and generally stayed there.

She would never dream of his master who killed Bai Shen!

Now, after the truth was made public, the goddess only felt a chill in her body.

"We wronged Yang Shen... wronged him." Suddenly the goddess Xue Ji said in pain.

But what good is she regretting now?

"Master... why do you want to do this? Why don't you even let the apprentices go?" Only the goddess Xue Ji raised her blood-red beautiful eyes and shouted.

The rickety old man sneered: "Hmph, if I don't do this, how can I open the thirteenth heaven?"

"Master... So you have been trying to open the thirteenth heaven?" The goddess Xue Ji asked in shock.

The rickety old man said: "Of course! Thirteenth Heaven, only after sucking Chi Yang child and all the skills of this child...I have the opportunity to open it."

When Li Tian heard it, he immediately understood.

"It turns out that your old thing helped me in thirteen days... is to improve my skill, and then absorb my skill, right?" Li Tian suddenly cursed with a trembling body.

The rickety old man laughed and said, "Boy, do you understand now? It's a pity... it's too late."

The truth is finally revealed to the world!

It turns out that the Thirteenth Heaven is extremely difficult. If you want to open it, you must absorb the strength of the Yang God and Li Tian to open it!

The reason why this rickety old man has been lurking for thirteen days and thousands of years is to wait for this opportunity.

Now this opportunity has finally arrived!

At this moment, that Yang Shen was not only seriously injured...Even Li Tian was also injured and unable to stand up...What should they do now?

"Come on, let the old man absorb the skills of the two of you!! From now on, this world will be dominated by me, hahahaha." The rickety old man suddenly laughed wildly.

He wants to absorb the power of Li Tian and Yang Shen.

Chapter 3130: The last sun god

At this moment, this rickety old man wants to absorb the whole body skills of Li Tian and Yang Shen.

But the two of them were seriously injured again? This is how to do?

"Help me up, I want to kill this old thing." Li Tian gasped angrily.

But as soon as he said this, a mouthful of blood came out of his mouth, and his whole body was trembling violently. It could be seen that Li Tian's injuries were extremely serious and extremely serious.

"Li Tian, you are so injured that you can't fight anymore." Situ Ningbing on one side supported Li Tiandao there.

But seeing Li Tian raised his arm to wipe the blood from the corner of his mouth, he said: "No, I must fight again, I must kill this old bastard."

While talking, he stood up with difficulty.

Although he stood up, his body was shaky.

At this moment, that Yang Shen suddenly spoke out.

He glanced at Li Tian here, and said: "Boy, you go...it's enough to leave it to me here!"

Yangshen was incomparably domineering.

what?

"Chi Yang?..." Hearing Yang Shen's words, the goddess Xue Ji exclaimed. Now she knows that Chi Yang has been wronged... But what can be done?

"Yang Shen, you also suffered a very serious injury, and you are not the opponent of this old thing either." Li Tian said.

When the Yang Shen heard this, a smile appeared on the corner of his mouth and said: "Don't worry! You don't have to worry about me..."

"Hurry and take everyone away!" Yang Shen shouted there.

"Take everyone away."

Hearing that Yangshen said so, Li Tian was taken aback.

At this moment, I saw the rickety old man suddenly sneered: "Want to leave? Can you go? Today, you alone don't want to leave here alive."

Following the roar of the rickety old man, suddenly his sleeves rolled up, and a violent wind rolled towards Li Tian and the others.

The terrible hurricane swallowed the world, violently pressing against Li Tian and Situ Ningbing at this moment.

At this critical moment, the Yang God suddenly howled, and a golden light burst out from his body.

"Boom"!

The golden light collided with the hurricane, forming an explosion.

Yang Shen blocked the attack from the rickety old man.

"You guys don't hurry up... stay here and wait for death?" a loud shout came out of the Yang God's mouth.

After the Yang Shen stopped the rickety old man's blow, he suddenly spoke to Li Tian and the others.

Li Tianzhe clenched his fists tightly, he didn't want to leave... He couldn't watch Yang Shen just die like that... However, he couldn't show any strength.

"Li Tian, let's go!" Situ Ningbing helped Li Tian up.

Li Tian looked at the Yang God unbearably.

"But... he... what would he do?"

The goddess Xue Ji said: "Believe Chi Yang! He must be able to survive."

Li Tian smiled bitterly after hearing this. He knew that the goddess Xue Ji was a comforting word, but now there is no way! Because he stayed here, besides adding more burdens, he couldn't help Yang Shen with anything at all! So he can only go... to go is the greatest help to Yang Shen.

Looking at the Yang God, Li Tian said lastly: "Yang God, you must not die... Don't forget, you and I have not yet decided the outcome."

That Yang Shen laughed a few times with his back to Li Tian and said, "Okay! I won't die!"

Listening to the desolate words of the Yang God, Li Tian's eyes turned slightly red at that moment.

Then I saw the goddess Xue Ji, and Situ Ningbing in front of them hurriedly helped Li Tian up, and then said: "Let's go quickly...Everyone will follow us and leave here!"

Under the order of the goddess Xueji, she then helped Li Tian and Situ Ningbing in front of her, and she led everyone to leave here!

When the rickety old man saw Li Tian and the others leave, he shouted, "Leave me!!!"

With a roar, the Hong Zhan in his hand cut out a blood-red light... The blood-red light directly slashed towards that Li Tian and others.

And at this moment, that Yang God suddenly displayed the "Great King Kong Seal", and then saw the diffuse golden light directly cover the Red Slash.

With a bang, I saw that the rickety old man's red behead hit the "Great King Kong Seal", and then Yang Shen's body was violently shaken and then retreated...

A squirt of blood in the mouth!

But this cut of the rickety old man was blocked by him.

Seeing that his first cut was blocked by Yang Shen, the rickety old man became furious for a moment.

"Chiyang boy, you are really looking for death! Since you must be looking for death, then I will fulfill you!"

Die!

With a burst of shout, the rickety old man struck at the Yang Shen terribly.

Yang Shen watched Li Tian and the others leave, and suddenly a bitter smile appeared at the corner of his mouth... He turned his eyes back and stared at the master who leaped over, suddenly gathering his whole body skills and making the final desperate fight.

boom!

boom!

boom!

Yang Shen fought a life and death battle with his master!

But Li Tian was quickly flew away by the goddess Xue Ji and Situ Ningbing!

The sound of explosions continued to come from behind, listening to those sounds, Li Tian only felt a burst of heartache.

He doesn't know if Yang Shen can survive...

Following the goddess Xue Ji and the Situ Ningbing, they quickly came to a dense forest.

Everyone was a little tired, so the goddess Xue Ji said: "Let's take a rest here first..."

"Good!" Situ Ningbing said on one side.

Then I saw everyone flying down from the sky.

After falling down, I saw everyone around Li Tian, because now Li Tian is their only savior.

"Li Tian, how are you doing?" The goddess Xue Ji on one side looked at Li Tian, who was seriously injured, and asked with concern.

But seeing that Li Tian took a deep breath, then wiped the blood from the corner of his mouth and said: "I'm okay..."

"Let me meditate for a while and gather spiritual power to heal the injury!" Li Tian said with difficulty.

The goddess Xue Ji said: "Okay!"

"Everyone, come with me and guard here tightly...protect Li Tian."

After the goddess Xue Ji said it, the surrounding guardians and Situ Ningbing said, "Yes!"

Then they hurriedly dispersed, and then they all guarded their own position and began to protect Li Tian there.

What about Li Tian?

What we need to do now is to quickly gather spiritual power and heal my injuries!

Although he was injured by the red cut just now, he didn't hit the point! So as long as the spiritual power is gathered, Li Tian's recovery speed will be very fast!
