

## A Killer 32

Chapter 32: Desperate Saburo

"Brother Zhou, the eldest is there." The man in a suit yesterday pointed to Feifei behind Li Tian.

Saburo Xiaozhou desperately got out of the car and saw Feifei from a distance.

Where is Feifei? Of course, I saw Xiao Zhou, and when she saw Xiao Zhou, she screamed in her heart: Why is he here, hey!

"That kid, the guy who broke our brother yesterday." The man in the suit pointed at Li Tianzai viciously and said angrily.

Xiao Zhou looked at Li Tian, did not speak, and walked over here.

"Miss." Xiao Zhou looked at Feifei and shouted respectfully after walking slowly over.

When Li Tian suddenly heard these people call the back Miss Feifei again, he couldn't help being taken aback.

"I, I, I don't know you."

"Who is your name?" Feifei flushed and hid behind Li Tian.

"I'm telling you, there is a master bodyguard beside me. If you don't want to be beaten and lie on the ground, you can quickly roll me away." Feifei said.

Feifei felt that Li Tian didn't do anything yesterday and broke a bodyguard sent by her father. What a great skill that should be, so she now puts all her hopes on Li Tian.

What about Li Tian? He didn't understand what was going on at this moment, he thought these people were really going to bully Feifei.

He immediately took a step forward, as if he really wanted to protect Feifei.

However, Xiao Zhou frowned slightly and said with a smile: "Miss, you didn't go back last night. Mr. Tang was worried all night, so Mr. Tang asked us to come back to you early in the morning, Miss, so I hope You come back with us."

When Xiao Zhou said this, Feifei said with an embarrassed face: "Who are you talking to, I don't know you."

"Don't I owe you some money? As for chasing me so stubbornly? Really." Feifei said in a play there.

Those words were heard in the ears of Xiao Zhou and a few men in suits, and they couldn't help feeling depressed.

"Li Tian, these people are all bad guys... none of them are good, I have to hide first, you come to deal with them... hehe." Feifei said as she was ready to run away.

Li Tian thought for a while: "Okay."

"Miss..." Xiao Zhou walked forward.

Li Tian immediately stepped forward and stood in front of Xiao Zhou. When the other one saw that Li Tian didn't make a move and broke his partner yesterday, he couldn't help but step back and stood there cautiously. I was a little scared of this guy.

"My friend, this is our family affair, and I hope you don't get involved."

Xiao Zhou, who was standing in front of Li Tian, looked at him and said quietly.

Li Tian didn't understand, and said, "What housework, isn't she a girl who owes you some money? As for being so aggressive? I will pay the money she owes. Is this okay?"

Of course, Xiao Zhou couldn't understand what Li Tian was talking about. He gently supported the golden glasses on his eye sockets and said, "My friend, I'll repeat it again. Today we are here to pick up our eldest lady, please Don't be nosy."

"Stop acting, didn't you see that she said you don't know you?" Li Tian said, turning his head to look at Feifei.

Feifei nodded vigorously at Li Tian there, and looked at Li Tian like a hero.

"Brother Zhou, this kid is clearly looking for trouble."

The man next to Li Tianhu said harshly to the man in the suit who looked at Li Tianhu yesterday.

Xiao Zhou was also a little unhappy at this time: "I have made it clear. If you don't let go, don't blame me for being rude."

Following Xiao Zhou's cold words, he walked straight ahead.

Where is Li Tian? Of course, these strangers should not be allowed to bully Feifei. Although he has little to do with Feifei, what if a man sees a girl being bullied by another man? Who can not go up and help?

So he blocked forward.

"No one is allowed to bully her..."

When his body suddenly blocked, Xiao Zhou's eyes suddenly became abnormally cold. Although they were separated by a layer of glasses, they were still extremely sharp. He didn't know how the white hand moved suddenly. Just arrived at Li Tian's shoulder. Before Li Tian could react, he was caught on the shoulder by Xiao Zhou.

Then Xiao Zhou's arm suddenly pulled and tugged, and the inertial force formed directly made Li Tian's feet unstable, staggering and slamming to the ground.

Xiao Zhou didn't even see Li Tian, and walked straight to Feifei.

And Feifei? I was completely stunned. I thought that Li Tian (the master) could kill the Quartet and send his father to these people to beat them down one by one, but I didn't expect that the result would be like this.

"How could this be?" Feifei said at Li Tiandao, who had grown up and looked at the ground.

What about Li Tian? I didn't expect that this gentleman with his eyes would shoot so fast and so sharp that he didn't have any defense at all.

He knew he was definitely not his opponent today.

But he still got up stubbornly.

"Don't move her."

With a roar, Li Tian raised his fist and rushed over again. Li Tian had fought in Liaocheng before, so this time he attacked the glasses-wearing Xiao Zhou from behind, he was certain.

But what he didn't expect was that he had just rushed over, his fist had not yet landed on Xiao Zhou's body, Xiao Zhou didn't even turn his head, his body slightly tilted, his steps moved slightly, and his right hand grabbed Li directly. Tian's fist, followed by a beautiful shoulder-crossing, directly caused Li Tian to fall to the ground again with a bang.

A muffled hum came from Li Tian's mouth.

The men in suits next to him were taken aback for a moment, and then their eyes showed sarcasm: This is the bodyguard the eldest lady invited? What the hell!

The man in the suit who saw that Li Tian did not punch and broke his companion yesterday was even more shocked at this moment. He thought that this guy could fight Brother Zhou again, but he didn't expect that he didn't seem to have practiced at all. Regardless of whether it is seen from the action or from the hands of his body, he is basically a layman, as if fighting with a gangster in the market, I can't help but wonder, what happened yesterday?

Feifei was also stunned, she did not expect that Li Tian could not beat Xiao Zhou at all.

How can Li Tian survive? Who is Xiao Zhou? The personal bodyguard next to the president of the Tang company, when the Tang company went through ups and downs in the past, how many people wanted to assassinate Tang Zheng, but unfortunately not all died in the hands of Xiao Zhou.

The most popular thing on the roads of Kyoto City is that Xiao Zhou used to deal with more than 20 guys carrying machetes with his bare hands. He fought all the way with his bare hands. From then on, the name of Desperate Saburo has been so loud on the road.

Now, how could Li Tian, who had just arrived in Kyoto from Liaocheng, be his opponent?
