

A Killer 3471

Chapter 3471: Massacre (2)

As soon as he heard Li Tian's name, the whispering voices around Li Tian became completely silent.

In this hall, after an area became quiet, bounty hunters in other areas unanimously looked in Li Tian's direction, and they all became quiet.

And the bounty hunters who were still doing nausea and retching immediately shut up and looked at Li Tian and Tang Xiaolong with a surprised expression.

"Li Tian, it is Li Tian who killed Liu Jun, a level 9 bounty hunter!"

"It's Li Tian, the commander of the Celestial Legion that has suddenly emerged!"

About less than a month ago, Li Tian beheaded Liu Jun, a ninth-level bounty hunter from the Bounty Hunters Association. Although the Bounty Hunters Association tried to conceal this kind of thing, how could it be possible to conceal it?

The news still flew to the major legions like wings.

And this news quickly flowed from the major legions to other legions and bounty hunter organizations.

The dog nose following Li Tian has been calling Li Tianxiao boss after Tang Xiaolong, or he called him Tiange after others, but I don't know that Li Tian is Li Tian in the heavens.

Now that he heard that the legendary Li Tian was in front of him, and he had attacked this man before, the dog's nose was immediately frightened and his legs were weak, and he kneeled directly in front of Li Tian.

"God... Brother Tian, it turns out that Brother Tian is Li Tian! I really blinded my 24k titanium alloy dog eyes, I didn't even know that you were Li Tian!"

With this scene in the eyes of others, it seemed that Li Tian was full of domineering, and the exposure of domineering made the person closest to him kneel.

"Do you see it, this is domineering!"

"Sure enough, it's just a name, it can make people kneel directly!"

"This Li Tian is indeed a well-deserved reputation, no wonder Liu Jun was beheaded by him!"

The bounty hunters watching in the distance immediately began to discuss.

And they didn't even know that this dog's nose was because he had attacked Li Tian, and they were scared by themselves!

"Huh! Let your dogs look down on people, now you know the fame of my little boss!" Tang Xiaolong thought proudly.

"Why did Li Tian appear here? He killed Lao Liu's grandson!"

"I don't know, it stands to reason that Li Tian should be hiding far away!"

"I heard that there was the Liu Family Legion behind Mr. Liu, and many people were sent to assassinate Li Tian!"

"Since Li Tian has come here, it can only mean that the people sent out by Old Liu have been killed by Li Tian!"

The whole Bounty Hunters Association who came to visit or to take over tasks and hand over tasks had no intention of continuing to do their things, and they were all talking about Li Tian.

About five or six minutes later, the staff member who had received Li Tian just came over, and a dozen bounty hunters followed him.

These bounty hunters are without exception, the bounty hunter badges worn on their chests are at least at level 8, and there are even four of them at level 9.

"This is the foundation of the Bounty Hunter Association!" Li Tian thought in his heart.

After these bounty hunters came out, they immediately surrounded Li Tian in the middle, while the bounty hunters who watched the excitement were at a loss and were blocked in the distance.

"What happened to this?"

"Could it be that the Bounty Hunter Association is going to attack Li Tian now?"

"Li Tian, who can kill level 9 bounty hunters, confronts so many level 8 and 9 bounty hunters, this is a good show."

However, they didn't think it was too much to see the excitement, and they wished that Li Tian and others' hopes of killing now would soon be shattered.

One of the ninth-level bounty hunters walked out of the crowd and said politely to Li Tian: "Li Tian, right? Please come with us!"

After getting Li Tian's affirmative reply, the man turned and walked outside the Bounty Hunters Association Hall, while several other bounty hunters surrounded Li Tian, as if worried about Li Tian's escape.

Tang Xiaolong and Goubi just wanted to follow, but they were stopped by one of the bounty hunters.

"Sorry, you two, please stay here and wait!"

"Little boss? We..." Tang Xiaolong was a little worried.

Li Tian waved his hand gently, and said with a relaxed look: "It's okay, you two can take this opportunity to participate in the level assessment of the Bounty Hunter Association Headquarters, look at the level eight or nine of the Bounty Hunter Association Headquarters. The gold content of bounty hunters."

"Well! Brother Tian, don't worry, I will definitely beat them down. Try to get the 9th-level bounty hunter badge." Tang Xiaolong said.

"This celestial world is not a lunatic, the eighth-level and ninth-level bounty hunter is not a cabbage!" The bounty hunter who stopped Tang Xiaolong thought disdainfully.

Li Tian followed the bounty hunters out of the lobby of the Bounty Hunters Association headquarters, turned to the right side of the road, walked tens of meters, and came to the back of the Bounty Hunters Association headquarters building.

"Where are we going?" Li Tian asked.

The bounty hunters did not speak, but kept on moving forward.

Behind Li Tian, four or five bounty hunters had already pulled out their weapons, and they reached behind Li Tian, as if threatening Li Tian to move on.

Li Tian already understood in his heart at this time.

The staff member who received him just now was Lao Liu's person. When the man suddenly heard that the person in front of him turned out to be Li Tian, he was quite surprised and immediately reported the matter to his superior.

And his superiors called Liu Lao who was still waiting at home for the three monsters of the Liu family to kill Liu Jun and disappear.

Although Lao Liu didn't know why the Three Monsters didn't kill Li Tian, he immediately issued an order to prevent Li Tian and Xiao Qiuman from meeting.

At this time, Liu Lao had no worries at all. The person who directly arranged for him told Li Tian to beheaded in this Kyoto city.

Unable to get the answer from the bounty hunters, Li Tian coldly snorted in his heart: "Humph! It turns out to be playing with me like this. If that's the case, don't blame me for being rude!"

"Or, or I won't follow you, this Kyoto is so big, it's the first time I come to Kyoto City, don't get lost when I go back later!" Li Tian said with a scared expression.

The faces of the dozen meters bounty hunters were filled with contemptuous smiles, and some of them even laughed.

The bounty hunter who took the lead stopped, turned around and gave Li Tian a large amount carefully, and said with a sneer, "I'm afraid I can't help you!"

Li Tian pretended to be a little horrified and said, "What are you doing? If you grab the corpse crystal, I have some more here!"

"The corpse crystal? Can the corpse crystal return the life of Grandson Liu?" a bounty hunter said with a sneer.

"Just like you, I really doubt how you killed Liu Jun?"

The lead bounty hunter sneered and said, "Stop talking nonsense, hurry up and kill him, so I can go and reply to Mr. Liu!"

Chapter 3472: Massacre (3)

Li Tian showed a pretended expression of horror, curled up against the wall, and said, "Please, don't kill me! Don't kill me!"

And when Li Tian said the last word of Hu, "Red Zhan" had been controlled by Li Tian's mind and flew out of Li Tian suddenly.

"Huh!" A red light flashed, and an eighth-level bounty hunter who was the first to approach Li Tian was cut into two pieces by the "Red Slash".

Blood splattered, the internal organs of the bounty hunter splashed all over the floor, and the surroundings were immediately full of blood and stench.

Spike.

It's also torture!

As soon as "Red Slash" came out, a magnificent eighth-level bounty hunter had no time to react, so he was cut into two with a single knife.

be quiet!

The scene is quiet.

The bounty hunters who were clamoring to kill Li Tian just now became quiet.

These bounty hunters are holding various weapons, their faces are full of unbelievable expressions, and they stand in awe.

"This this....."

After the initial shock, these bounty hunters saw "Red Slash" dancing and spinning around Li Tian's body, while Li Tian's face was mocking with disdain, from the initial frightened man to the one with one Kind of a strong man who despises the world.

Several of the eighth-level bounty hunters were trembling, and they involuntarily moved back.

"It's not a coincidence that he killed Liu Jun!"

"This Li Tian is very strong, and it is not something we eight-level bounty hunters can match!"

These eighth-level bounty hunters all had a sense of panic and retreat in their hearts, and they dared not take a step forward.

"Go together, kill him!" The ninth-level bounty hunter yelled and shouted.

"Om!"

Li Tian only felt that the bounty hunter's burst of shouts sounded like thunder in his ears, and at this moment, Li Tian's mind-controlled "Red Slash" almost fell from mid-air. .

After this loud shout, the other bounty hunters also woke up from their panic, and the ninth-level bounty hunter was already holding a sharp sword and flew towards Li Tian.

The sharp sword in the hands of the ninth-level bounty hunter was about to pierce Li Tian, and Li Tian was already sober, and directly controlled "Red Slash" to block in front of that sharp sword.

"Qiang!" With a sound, the sharp sword pierced Hong Zhan, making a metal crash.

The ninth-level bounty hunter missed a hit and screamed again, and his feet immediately touched the ground in front of Li Tian and galloped back.

But Li Tian was prepared this time, the loud shout just shook Li Tian's ears a little, but Li Tian's spirit was not affected at all.

"Humph!"

Li Tian snorted coldly, and gave the ninth-level bounty hunter a palm with his backhand.

Broken soul palm!

Broken Soul Palm after practicing Qingyun.

The ninth-level bounty hunter only felt a strong gas blast from Li Tian's palm, directly into his body.

"Am I dying?"

After the ninth-level bounty hunter landed, he slapped him with his hands, only to find that there was no wound on his body. He couldn't help but sneered in his heart and said: "Then Li Tian is the powerful weapon that can fly. His hands and feet won't hurt us at all!"

As soon as the ninth-level bounty hunter's voice fell, he heard a dull explosion in his body.

"boom!"

As the explosion sounded, the ninth-level bounty hunter only felt a sharp pain in his body, but the sharp pain came quickly and disappeared quickly.

But the ninth-level bounty hunter clearly saw some pieces of blood and meat flying out of him. He looked down and found that his chest had been blown to pieces, and there were only a few bones on his body that were still supporting him. His body.

"Li...God!"

And after the ninth-level bounty hunter called out Li Tian's name, he fell to the ground, already dead and couldn't die again!

Li Tian looked at the broken corpses scattered on the ground and shook his head helplessly and said: "Hey, why is this? We are all human beings. We should love each other, help each other, and fight against zombies, but why should we kill each other? What?"

After two consecutive spikes, those eighth-level bounty hunters were completely deterred by Li Tianzhen.

"Yes...Yes, we are all humans! We are all our own people, our own people don't kill their own people!" said one of the eighth-level bounty hunters in a trembling voice.

"Yes! If you don't kill yourself, let's go!" Li Tian said.

These bounty hunters and Li Tian had no grievances and no grudges, but they were only ordered by Liu Lao to kill Li Tian.

Li Tian can completely kill them all, but how can killing these people help Li Tian?

As long as you kill two short-eyed people, you can deter them and let them understand that Li Tian's strength is far better than them. This is enough.

After all, Li Tian is not a villain who kills innocent people.

Li Tian thought so, but some people didn't think so.

One of the ninth-level bounty hunters said angrily: "Asshole! What is his own person? He is the one who killed Liu Jun and the one who killed our two good brothers in succession!"

"Yes, today we must let him pay the debt! As long as we go together, we can definitely kill him!"
The other two 9th-level bounty hunters said in agreement.

After the eighth-level bounty hunters were bewitched by these three ninth-level bounty hunters, their fear of Li Tian gradually disappeared, replaced by anger.

"Yes, why didn't he talk about himself when he killed our two brothers?"

"And he killed us two consecutively, so that we are all human beings, all our own!"

"Could it be that his strength is limited and can only kill two people?"

Seeing murderous intent gradually revealed in the eyes of those eighth-level bounty hunters, Li Tian suddenly shifted his gaze to the ninth-level bounty hunter who spoke first.

"This guy is not simple. A few words can make those guys who have lost their intent to fight again filled with murderous aura. Is he also a superpower?"

Li Tian guessed right. This ninth-level bounty hunter is best at bewitching people's hearts. What he said is plain and unremarkable, but if it is to trick people into fighting, they can often get rid of the fear in these people's hearts in a short time. Let these people reconsolidate their murderous aura in a short period of time, and it can also increase the power of these people.

"It's a pity!" Li Tian said to himself, shaking his head slightly.

"What a pity? What do you mean?" the bewitching bounty hunter asked with some doubts.

"I said it's a pity for your ability. If your ability is used in the right way, it is definitely my human gospel. It is a pity that you used it to work for someone who is not worthy!" Li Tian said with a sneer.

"Isn't it worth it? When we kill you, everything will be worth it!" said the bewitcher bounty hunter.

Chapter 3473: Massacre (4)

Since these people wanted to die, Li Tian was not welcome.

"Kill!" Those eighth-level bounty hunters, with red eyes and weapons in their hands, swarmed towards Li Tian.

Li Tian released Xuantian **** with his left and right hands at the same time, and one gas bullet was ejected at the bounty hunters.

"boom!"

"boom!"

"boom!"

These gas bombs hit these bounty hunters, making blood holes.

If it is an ordinary person, this Xuantian ***** has already killed them, but these bounty hunters have been lost in their minds by the bewitching words of the bounty hunter. They are like zombies, completely disregarding Li Tian's mysteriousness. Tian fingering, continue to rush towards Li Tian.

"Hey! Know how good I am!" The bewitching bounty hunter said with a sneer.

At this time, the dozen or so bounty hunters had already rushed to Li Tian's side, and all the knives, guns and clubs in his hands were smashed into Li Tian's head.

"Knot!"

Li Tian let out a loud shout, and barely blocked it with the white bone armor formed by "Red Zhan" on his right arm.

"what!"

Angel Li used all his strength to push these bounty hunters seven or eight steps away.

"solution!"

With Li Tian's burst of shout, the "Red Slash" turned into a weapon again, circling Li Tian abruptly, forcing the bounty hunters who had lost their minds back.

Li Tian's left and right hands at the same time began to blast the broken soul palms at the bounty hunters who had been pushed back by him.

"boom!"

"boom!"

"boom!"

Although those eighth-level bounty hunters who have lost their minds are not afraid of death, after all, they are all flesh and blood, and this broken soul palm has fatal damage to their bodies.

With every palm, an eighth-level bounty hunter was immediately blasted into a pile of minced meat.

With every palm, the life of an eighth-level bounty hunter was harvested by Li Tian.

The bewitcher bounty hunter thought that Li Tian was very powerful, but did not expect Li Tian to be so tough.

In just a few seconds, Li Tian's continuous shooting of Broken Soul Palm killed seven or eight eighth-level bounty hunters.

At this time, Li Tian's "Red Slash" had already flown towards the bewitcher bounty hunter.

Seeing that "Red Slash" is about to be cut to the bewitcher bounty hunter, the two ninth-level bounty hunters who have been standing next to the bewitcher bounty hunter simultaneously drew their weapons to resist "Red Slash."

The weapon in one of them was a cold iron sword, with layers of cold light shining on the blade, and there were more than nine layers. The weapon in the other person's hand was a stainless steel knife, but the blade was crimson, like a soldering iron burning red.

"Chang!"

"Hong Zhan" slashed on the sword, making a metallic contending sound.

However, Li Tian's "Red Slash" missed a hit, and immediately changed direction and directly killed two eighth-level bounty hunters before flying back to Li Tian's hands.

"enough!"

Suddenly a female voice came from a distance. Li Tian turned his head and saw Xiao Qiuman standing not far away with an expression of nothing to do with him.

Seeing Xiao Qiuman, the remaining bounty hunters looked at each other, with a scared expression on their faces.

In fact, it is no wonder that Xiao Qiuman is one of the 12 strongest members of the Bounty Hunter Association, and in terms of wheel rights, it is also the strongest under the five elders.

"Don't look at me like this, I won't kill you with my hands. I have my own trial house to judge you!" Xiao Qiuman walked over slowly, barely taking a straight look at the bounty hunters. , And then continued: "You should thank Li Tian."

"Originally, I didn't want to make a move, so I let you those few eyesores be killed by Li Tian! But since Li Tian said it was a pity that you died, then I still keep your dog's life as a bounty. It's better for the Hunter Association to work hard!"

The remaining three eighth-level bounty hunters were already awake at this time. After they woke up, they saw corpses all over the ground, all broken corpses, blood mixed with human internal organs and bones. The whole picture was horrible.

It is because they have seen a lot of killings, and their hearts are also frightened at this time.

There was even an eighth-level bounty hunter who climbed directly on the ground and began to vomit.

"Why? Not convinced? How about you continue to fight?" Xiao Qiuman said with a sneer looking at the three ninth-level bounty hunters who were dumbfounded.

"No... dare not!" said the enchanter bounty hunter.

Xiao Qiuman sneered, and said furiously: "That's not going to get out! Wait for me to collect the corpses for you!"

The remaining bounty hunters immediately fled with their tails between them.

"Thank you!" Li Tian said with a slight smile, taking "Red Cut" back.

Xiao Qiuman smiled and said, "I should say thank you! I should thank you for not rushing to kill!"

Li Tian was slightly embarrassed. As soon as he arrived in Kyoto, he killed more than a dozen senior bounty hunters from the Bounty Hunters Association. This Liangzi could not be solved.

But if this happens next time, Li Tian will have to kill.

"What are you doing?" Xiao Qiuman asked in a puzzled manner when he saw that Li Tian had packed up the skins of the dead bodies one by one.

Li Tian laughed and said, "These people are already dead, how lonely their skins should be! I help them take out the corpse crystals in these skins and donate them to people in need. This is also for them. Accumulate yin virtue!"

Xiao Qiuman was speechless for a while.

"How did you know that I am here?" Li Tian asked.

"Your subordinate is the black African! Come to participate in the bounty hunter level test. I happened to be one of the test officers today. He said that you were taken away by a dozen bounty hunters, so I will come Here it is!"

"First, he is not an African! Second, he is not my subordinate, but my brother Tang Xiaolong!" Li Tian emphasized.

"It doesn't matter, now you follow me to the headquarters! Liming has an independent trial office, and you will be judged for killing Liu Jun!" Xiao Qiuman said.

Following Xiao Qiuman again to the lobby of the Bounty Hunter Association headquarters, Tang Xiaolong had already come out at this time, and Tang Xiaolong's chest unexpectedly hung a ninth-level bounty hunter badge.

At this time Tang Xiaolong was receiving the worship of a group of low-level bounty hunters.

"Wow, this ninth-level bounty hunter has no arrogance at all, and even accepts autographs and group photos from others!"

"Yes, the level test that he just took part in just now. In less than half an hour, he changed from a low-level bounty hunter to a respected ninth-level bounty hunter!"

Tang Xiaolong's face was filled with excitement, and the dog nose looked at Tang Xiaolong with admiration.

"Brother Tian really has no weak soldiers!" Dog nose sighed.

At this time, Tang Xiaolong saw Li Tian walking in with Xiao Qiuman, and immediately converged, and shouted to Li Tian: "Little boss! I am a level 9 bounty hunter, I didn't let you down!"

"Who is he, the ninth-level bounty hunter called him the little boss? And one of the top twelve, Xiao Qiuman, personally led him." The people who just entered the bounty hall of the Bounty Hunters Association looked at Li in surprise. God, ask the humane around me.

Chapter 3474: Judgment of Dawn (1)

On the eighteenth floor of the Bounty Hunters Association headquarters, the entire floor belongs to Dawn.

Because the legendary area has eighteen floors, the number eighteen is not auspicious for high-rise buildings. On many high-rise buildings, the eighteenth floor is directly called the nineteenth floor.

This is the same reason that the room number of the hotel is not 4 and 7.

But for the dawn organization, they like this number, and they feel that this number has the meaning of death, and it can kill those zombies who have mixed into human society. Indeed, dawn, for the zombies who have mixed into human society, it is hell.

This is why once the identity of the Liming member is exposed, then this Liming member will definitely become the target of high-level zombies.

Of course, in Kyoto City, such a situation rarely exists for the time being, but it is not that there is no such situation.

In the lobby of the Bounty Hunters Association, another old acquaintance soon followed Li Tian. This person was Mo Jianyuan who came to the heavens with Jingtao and Xiao Qiuman.

With a helpless expression on his face, Mo Jianyuan grumbled to Li Tian and said: "It's so troublesome, can't you not come to Kyoto City? Let the people of Liming chase you down, what an interesting thing to do!"

Li Tian was helpless, he found that this Mo Jianyuan was not caring about everything, as if everything were troublesome.

"I can't say nothing!" Li Tiandao.

"Okay, you are convinced. But it's trouble me!" Mo Jianyuan said.

"Did Elder Gu Liang sent you?" Xiao Qiuman asked.

Mo Jianyuan nodded and said, "Elder Su was going to send Su Gulu. Do you know Su Gulu? It's the bald man standing on the square, who is nearly two and a half meters tall. But Su Gulu said he came to Auntie. Yes, Elder Su has no choice but to ask me to come for Su Gulu! Hey, what a trouble!"

Li Tian knew that what Mo Jianyuan was talking about was the bronze statue of the twelve powerful men on the square, and that Su Gulu should be the original shape of the tallest bronze statue.

But what's the situation with Auntie here? Li Tian couldn't figure it out.

"Su Gulu is very sensitive, especially for a few days every month. He is almost babbled. He is even more feminine than a woman, so we all call him the old aunt in the past few days!" Xiao Qiu Man explained.

What Xiao Qiuman did not say to Li Tian is that although Elder Su is not a hawkish elder, he does have the best relationship with Liu Elder. If Elder Su wants to appoint Su Gulu to come, he will definitely punish Li Tian. Up.

It's a pity that Su Gulu came to Auntie Su, so Elder Su had to retreat and let Gu Liang'an, the only female elder in the Five Elders' Association, come to Mo Jianyuan, the person who photographed her.

Elder Gu Liang is a neutral faction, and this person is a bit rigid, and is not the right person. Therefore, the person who gave this matter to Elder Gu Liang, Su and Liu have no opinion.

In this way, at least it can be guaranteed that Gu Liang's people will deal with it impartially.

Li Tian followed Xiao Qiuman and Mo Jianyuan to the eighteenth floor.

The eighteenth floor is not an imagined office area. Once you enter the eighteenth floor, it feels like you are entering the dark, without a trace of light.

And the entire eighteenth floor, over a few thousand square meters, seemed to be built into a maze, and Li Tian was in the darkness, following Mo Jianyuan and Xiao Qiuman, turning left and right.

I don't know how long he has been walking, Mo Jianyuan stopped suddenly, stretched out his hand and patted the wall, and a door appeared on the wall.

Mo Jianyuan said to Li Tian: "You enter this room and wait for a while. The members of Liming's trial office are busy with other things. They will come to the room to talk to you soon."

Then Mo Jianyuan looked at Xiao Qiuman like this, and didn't say anything Xiao Qiuman wanted to say, and was finally held in his stomach.

Mo Jianyuan shook his head helplessly and said: "It's so troublesome, who told me to always follow you on missions? Let me tell you! This room was built by our special talents at dawn. Ordinary people should not go in. After half an hour, you will lose consciousness, and you will say what others ask you!"

"I need to remind you in advance, don't force yourself, otherwise you will become an idiot! Hahaha"

Xiao Qiuman nodded, expressing his agreement with Mo Jianyuan.

The Li Tian that Mo Jianyuan was talking about was actually tempted and wanted to go in and find out.

Walking into the room, Li Tian found that the room was similar to the interrogation room before the end of the world.

There is only one chair in the room, which is placed in the center of the room. The walls, ceiling above and the floor below are all painted white, and the six white sides are irregular. Circle.

These circles are composed of concentric circles, large and small, colorful. At first glance, Li Tian found that these circles are static, but when Li Tian walked into this room and sat on that chair, Li Tian suddenly had an illusion.

Those circles all revolved, and Li Tian seemed to suddenly enter as if he had entered a space composed of countless vortices.

Among the meeting rooms at the headquarters of the Bounty Hunters Association, Mr. Liu, who was bedridden for a long time, was here today.

The picture on the huge display in the conference room was indeed the picture of Li Tian in that room.

"Go in, wait for half an hour, we can ask why Li Tian killed Liu Jun!" Gu Liangan said.

Old Liu coughed abruptly, and said: "This Li Tian killed my grandson Liu Jun. This is an ironclad fact. There is no need to trouble this time. Just a direct trial!"

"Everything has a cause and effect. On the first day Liu Jun arrived in the heavens, he had a conflict with Li Tian, but Old Ande could get along with Li Tian in the heavens. Even Old Ande recommended Li Tian to join. Liming. Is there any other strangeness in this, we still have to find out, after all, Li Tian is also a member of Liming!" Gao said.

"Hmph, Liu Jun has become a past tense, but this Li Tian is a rising star, and more importantly, there is a world of Legion close to the first class behind Li Tian, who is more important than you are. You should understand!" Old Wu said with a sneer.

"Then my grandson died in vain? My grandson is Dawn's genius, so young is already a level 9 bounty hunter!" Liu Lao said angrily.

At this time, in the interrogation room, Li Tian was sitting on the chair with his eyes fixed on the circle on the wall, but Li Tian sneered in his heart: "This kind of pediatrics is compared to The

pictures of Buddhas in the sky in the underground palace of the Tashan Temple are not a little bit different. Half an hour, then I will break this record!"

Chapter 3475: The Judgment of Dawn (2)

In the meeting room, Liu Lao's face was green.

Ten minutes have passed since Li Tian was in the courtroom with Erlang's legs upright, and he didn't even mean to be affected by the pattern.

"How is this possible? Did someone tell Li Tian about the secret room in advance, otherwise Li Tian might not be affected by those patterns?" Liu Lao patted the table angrily.

"It's still early, and it's too early to draw conclusions!" Gao said.

Gu Liang sneered and said, "Are you suspicious of me or Old Wu?"

Seeing Gu Liang's anger, Mr. Liu sat down helplessly and mumbled: "I only want Li Tian to be punished, nothing else!"

Time passed very slowly, and Mr. Liu felt that this minute had passed more slowly than the past month or year.

For ten minutes, Mr. Liu seemed to have waited for a century.

At this time, it had been more than half an hour since Li Tian entered the room.

As for Li Tian on the monitor, he has put his weapon aside, took off his shirt, revealing his strong muscles and his upper body full of scars, and he put his legs on the stool and started doing push-ups. Up.

Moreover, Li Tian didn't do a push-up, and both palms would leave the ground at the same time and clap his hands in the air.

Li Tian's relaxed look was as if he was hitting Lao Liu in the face.

"Now, can anyone of you explain to me what the ***** is going on? If someone hadn't told Li Tian the secret in this room, might Li Tian be alive and well?" Liu Lao had calmed down a lot this time, watching Li Tian motion picture on the monitor, said with a sneer.

"The secret of this courtroom is only known by the five of us and the people who built this courtroom at the time, but the people who built this courtroom have been killed in battle with zombies. So now only the five of us know. Are you here? Suspect the five of us?" Senior Gao said a little displeased.

"I don't have to doubt you, but how do you explain this situation now?" Liu Lao said with a sneer.

"I remember when this courtroom was just built, one of our five elders volunteered to be the first experimenter! If I remember correctly, the experimenter just entered this room half an hour after I was completely in chaos, and when we were interrogating, we actually said everything that should or shouldn't be said!" Wu Lao said with a sneer.

The person Wu Lao was talking about was Liu Lao, and Liu Lao even peeked at his sister-in-law to take a bath after he fell into chaos.

"Bang!" With a sound, Old Liu slapped the table heavily, then stood up after a rush.

"You..." After Mr. Liu only said one word, he couldn't say it anymore!

The other three elders seemed to have not seen the anger of Liu Lao, even Su Lao, who had the closest relationship with Liu Lao, lowered his head.

In fact, Mr. Wu is right. Liu Jun is dead, Li Tian is still alive, and most importantly, there is a first-class Legion Celestial Realm behind Li Tian. In addition, the Legion of Sakura, the Soul of the Army and Li Heaven is inextricably linked.

And what about the Liu Family Legion behind Liu Lao? Now even the second-level legion is about to fall out.

Now that Lao Liu is trying to fight Li Tian, he has not considered the consequences at all.

But doesn't he understand Mr. Liu? He made his own proposal this time and secretly sent Jingtao to kill Li Tian, but Li Tian did not succeed, but now Jingtao became Yin Yang's follower.

This incident had an extremely bad influence on the Bounty Hunter Association, and the other four elders were also angry about this incident.

One hour later, Li Tian is still doing push-ups!

"Don't wait, this Li Tian may have special ability to avoid the influence on him in this room. Let's give an order now!" Gu Liangan said.

"Yes, waiting any longer is a waste of time!"

"Okay! You can give orders to the Dawn Tribunal, let them start interrogating Li Tian!"

Several other elders echoed Gu Liang'an and said.

The expression on Lao Liu's face was very ugly. At this moment, he bit his lip tightly with his teeth, his hands were flat on the table, and the two legs under the table were trembling constantly.

"No, you can't let the Liming Trial House go to judge Li Tian!"

"Liu Jun can't die in vain! Otherwise, I, the elder of the Fifth Society, would have failed too much!"

Older Liu thought that if the Fifth Elders' Association had ordered Li Tian to be judged by Liming's trial, Liu Jun would die, Xiao Qiuman would belong to Elder Wu, Mo Jianyuan would belong to Gu Liang, and Jingtao would be Jiang Jingtao. He has already become a person of Yin and Yang gate, in this case, he naturally cannot get the result he wants.

"and many more!"

Elder Liu suddenly stood up, his gaze slowly swept across the faces of the elders present, and said in a trembling voice, "Wait, I have something to say!"

The other four elders all looked at Mr. Liu and waited for Mr. Liu.

"I can withdraw from the five elders of the Bounty Hunter Association..."

After Mr. Liu said these words, the pupils of the other four elders were clearly enlarged.

When Mr. Liu quit, he needs to choose another person to join the Five Old Society and become one of the most influential members of the Bounty Hunter Association.

And this has great appeal no matter who it is.

"What are you talking about? You have to think clearly!" Su Lao looked at Liu Lao anxiously and asked.

If Mr. Liu quit, then Mr. Su would lose a close person in the five elders. In the future, when there is a conflict of interest, Mr. Su may suffer a loss. Therefore, Mr. Liu said that he would withdraw. People care more.

Different expressions appeared on the faces of Gu Liangan, Gao Lao, and Wu Lao.

After Mr. Liu quit, someone must make up for it. The Bounty Hunter Association has regulations. The person who makes up for this must be a second-level legion or one of the first-level legions.

So who can come in, who can not come in, this is a college question, naturally, there will be a lot of interests involved in the back.

"I can withdraw from the Five Lao Club, but I have one requirement, that is, the trial of Li Tian must be carried out in accordance with the strictest requirements set by the Bounty Hunter Association!" Liu Lao said.

"agree!"

"agree!"

"agree!"

The three elders said in unison.

After hesitating for a while, Mr. Su quickly said, "Agree!"

After hearing the answer he wanted, Mr. Liu turned old in an instant. As if his body suddenly lost its support, he sat down on the chair and murmured: "Li Tian, look at this. How long can you live!"

Chapter 3476: Dawn's Judgment (3)

The Bounty Hunters Association held a promotion meeting, and four elders, as well as an upcoming elder Liu, were present impressively.

And all the high-level leaders of the Bounty Hunters Association Liming and the court are listed. In addition to Jing Tao, Mo Jianyuan and Xiao Qiuman among the twelve powerhouses, the other nine powerhouses were also urgently called together.

The news that Mr. Liu wants to withdraw from the Fifth Elders Association shocked everyone present.

But everyone quickly understood that Mr. Liu's status in the Bounty Hunter Association was deteriorating. Since Liu Jun was killed, this idiot has put all his mind on revenge, and even ignored the regulations and dignity of the Bounty Hunters Association. As a result, Jing Tao followed the Yin Yang Gate and put the Bounty Hunters Association to shame. .

And their Liu Family Corps has had frequent accidents in the near future. The second-rate regiment that was once the strongest has now begun to decline, so it will be a matter of time for Mr. Liu to withdraw.

However, the people present, except for the other four elders, did not know that Mr. Liu's withdrawal was conditional, that is, the trial of Li Tian must proceed strictly.

Before the high-levels and the strong came, the five elders had a preliminary understanding, that is, let Li Tian hunt down the twelfth-level zombies to atone for the crime. As for the number of hunts and the prescribed time, the five elders have not yet concluded. , And this is the purpose of this meeting urgently.

After the basic emphasis was settled, everyone began to talk in the meeting room, and you came and I started arguing.

About three hours later, the door of the meeting room was opened, and Mr. Liu walked out of the meeting room first.

At this moment, Liu Laochang's face was filled with so much pride, and there was a sullen smile hidden in his pride. It seemed that the final result made him very satisfied.

The other high-level officials also retired one by one, and the trial office sent people to notify Xiao Qiuman and Mo Jianyuan of the final results, and the two of them finally notified Li Tian.

At this time, only four elders remained in the conference room. For them, the conference officially began.

"Now let's discuss the issue of the seat vacated by the Fifth Elders!"

"Now, each of us can submit a legion as a reserve legion. This legion must be a non-top ten legion, which can be of great help to our Bounty Hunter Association. This support will greatly help us humans regain the living space. And the legion is at least the level two legion or higher, of course, the higher the legion level, the better!"

Soon, the three elders all proposed their favorite legion, and it was time for Elder Wu.

Elder Wu smiled slightly and said, "I propose Heaven!"

...

Li Tian stayed in that room for four hours. Li Tian was very happy. He hadn't exercised so quietly for a long time.

Li Tian stayed comfortably, but the people of the Bounty Hunters Association, especially the faces of Liming, were a little bit awkward.

Finally, Li Tian was forcibly pulled out by Xiao Qiuman and Mo Jianyuan.

"What are you doing? Didn't you say it's good to be judged here? So no trial?" Li Tian said irresponsibly.

Mo Jianyuan said irritably, "If you ask you to come out, you will come out, where is so much nonsense!"

Mo Jianyuan originally thought that Li Tian might not be able to stay in that courtroom for long. Liming's judges would enter the courtroom to interrogate Li Tian's killing of Liu Jun, but he waited. Just no one came to this interrogation room.

In the end, it turned out to be an order personally issued by the Five Laohui, the highest authority organization of the Bounty Hunters Association, saying that the results of Li Tian's trial had come out.

At the same time, there was a news from the highest five veterans that Li Tian was unaffected in the courtroom, and Li Tian was still exercising in the courtroom for amusement. Li Tian couldn't use the conventional trial method and changed it to the Five Laohui's personal trial.

Regarding this result, Mo Jianyuan and Xiao Qiuman felt that the accident and Mo Jianyuan were somewhat helpless.

This guy can't see it with ordinary people's eyes at all, nor can it be measured by ordinary people's standards.

"Didn't it mean that someone will be sent here to try me? How can this process be omitted?" Li Tian said with a dissatisfaction.

"There is no need for a trial, the results of the trial have already come out! Xiao Qiuman said helplessly.

Li Tian was quite surprised, and said, "I haven't seen anyone in there. Why did the trial result come out? I expressed dissatisfaction, I expressed protest!"

"The protest is invalid. I will announce the result of the trial to you on behalf of Li Tian. Listen, Li Tian, in the next month, you need to pay five level 12 corpse crystals to the Bounty Hunters Association! If you can't do that, Liming will kick you out of the Liming Organization, and you will be blacklisted by the Bounty Hunters Association."

"Furthermore, you will be endlessly pursued by the Bounty Hunter Association, and the Bounty Hunter Association will also seek help from the top ten legions! So, please don't get lucky, even if you hide in the heavens, we bounty The Hunter Association will hunt down to the end!" Xiao Qiuman said coldly.

Level twelve zombies may not be difficult for the top twelve experts of the Bounty Hunter Association, but that is not to say that the twelve strongest can kill twelve zombies as they want. .

Moreover, hunting five twelve-level zombies within this month is definitely a very difficult thing!

If you want to complete this task in such a short time, there are only two options. The first is to directly enter the downtown area of the original Kyoto city, where there are piles of level 12 zombies, and of course, where are the level 12 zombies. The above zombies also appeared in piles. And the second way is to choose to purchase the twelfth-level corpse crystal. This is a road that is also more difficult. Now the currency is the corpse crystal. What are you going to exchange for the twelfth-level corpse crystal?

And this is the result of Liu Lao's return at the cost of withdrawing from the Fifth Old Society!

"Well, since the protest is invalid, then I can only choose to accept it. I accept it, then does it mean that I will be free from now to the next month?" Li Tian asked.

"Yes, you are free!" Mo Jianyuan said lazily.

"So does it mean that if someone from the Bounty Hunter Association comes to provoke me, or even assassinate me, I can kill me without mercy?" Li Tiandao.

"Of course you can! But I believe the Five Old Associations strictly require the bounty hunters of the Association!" Xiao Qiuman said.

In this case, Li Tian has no reason not to accept it, and he has to accept it, unless Li Tian voluntarily suffers endless pursuit and killing by bounty hunters, especially by the top twelve.

If there are difficulties, we must go up. If there are no difficulties, we must go up. This is the style of my generation!

Chapter 3477: See Duanki Sakura

The car was driving fast on the wide roads of New Kyoto City. .

Tang Xiaolong hummed a small tune and drove the car with ease, sitting in the passenger seat looked at Tang Xiaolong's Lily with affectionate expression. In the back row, Situ Ningbing, Li Tian, and Xueji sat side by side. From Li Tian's slightly excited face, it can also be seen that Li Tian is going to the headquarters of the Sakura Army to meet Duanmu Ying. Up.

Situ Ningbing, Xue Ji and others already knew about Li Tian's trial of Li Tian. They were quite surprised by the result of this trial, and they were more worried about how to achieve this result within the next month.

The heavens have just picked up, absolutely can't stand up to any mistakes.

Li Tian's cultivation has just taken a step forward, but he is still far from the ability to easily kill level 12 zombies in seconds, and when Li Tian just fought with level 12 zombies in Beitang, he was lucky to win after Li Tian was seriously injured. !

But Li Tian knew in his heart that since there were three Xiaoyashas, that was nothing!

If he has been hit, he will hit, if he can't hit, he will run away. Anyway, hiding in the space of Xiaoyasha, even if he is a twentieth-level zombie, Li Tian is helpless.

Of course, this is not an easy thing, after all, what I want to go to is the super city of Kyoto where high-level zombies are walking all over the floor, and ninth-level zombies are not as good as dogs.

The car soon arrived at the headquarters of the Sakura Army.

The headquarters of the Sakura Legion is not inferior to the headquarters of the Bounty Hunters Association. On the towering buildings, the logo of the Sakura Legion gleams in the sun. Even if it is kilometers away, you can see the logo of the Sakura Legion. .

After getting out of the car, Lily led the way and led Li Tian and others into the headquarters of the Ten Army Corps!

In fact, after seeing Lily that night, Duanmuying knew that Li Tian had already arrived in Kyoto, but Duanmuying also knew that with Li Tian's temperament and character, it was impossible to see him before his affairs were resolved. .

Early this morning, Duanmuying asked Lily to go to the hotel where Li Tian was staying, where to wait for Li Tian.

And since Lily left, Duanmuying has been fidgeting in the office, and she is also absent-minded in dealing with Legion affairs.

As for Li Tian's trial at the Bounty Hunter Association, Duanmuying has never worried. There is an old man Wuji in the Five Old Society, how could he easily let Li Tian suffer!

Duanmuying knew that the Liu family was destined to lose since Liu Jun provoked the heavens.

And the old silly Liu Lao even wanted to send someone to kill Li Tian, which accelerated the Liu Family's defeat. And Duanmuying believes that after Liu Lao quit the Fifth Old Society, the Liu Family Legion will be annexed by other Legions, and the Liu Family Legion will disappear completely.

At this time, Duanki Sakura was standing in front of the huge floor-to-ceiling windows, her sight had already fallen on the road in front of the building. As long as a car turns from the road and drives into the building of the Sakura Corps, Duanki Sakura's mentality will be small. Just as nervous.

Duanmuying would fiddle with her hair from time to time, or tidy up her clothes, completely devoid of the murderous army commander's posture in the past.

At the moment when Li Tian and Situ Ningbing were sucked in by the gate of the restricted area, Duanmuying thought that Li Tian would never be seen again in this lifetime.

And the unwilling Duanmuying has been sending people to look for Li Tian's whereabouts near the Tianshan Mountains, so she allowed Lily and other core cadres of the legion to go to the northwest area. Although Duanmuying knows that this kind of opportunity is very slim, it has become Duanmuying's spiritual sustenance.

Now, after three years of waiting, it is finally becoming reality. Duanmuying's heart is joyful, nervous, shy, and hopeful.

"Boom!" A knock on the door came from outside the office.

At the moment she heard this sound, Duanmuying turned her mind abruptly, staring at the office door.

After half a second, Lily opened the door. Behind Lily was the Li Tian who was thinking about Duanmuying. As for Li Tian, except for Situ Ningbing, no one else entered Duanmuying's eyes.

The moment she saw Li Tian, Duanmuying's brain became blank.

Duanmuying wanted to cry, laugh, scream, and rush into Li Tian's arms to act like a baby. She even wanted to bite Li Tian's ear and whisper, tell her the pain in her heart, but at the end, she didn't do anything, just Then stand, stand alone, looking at Li Tian quietly.

Duanmuying was afraid that this was a dream. If she moved, the dream would wake up, and Li Tian would suddenly disappear in front of her, just like the dream that had appeared countless times before.

At this time, Li Tian, who was brought into the office by Lily, had the same expression as Duanmuying, standing stupidly. They were a few meters apart, looking at each other like this.

Li Tian didn't know how many days and nights the two hadn't seen each other, but Li Tian knew that Duanmuying was always in his heart.

When returning to the earth world, Li Tian's first thought was Duanmu Ying.

"Li, why are you stupid?" Situ Ningbing pushed Li Tian, who was also stunned in place, and said.

At this moment, Situ Ningbing knew that both she and Xue Ji are today's supporting actress, and there is only one heroine today, and that is Duan Muying. Therefore, Situ Ningbing pushed Li Tian to Duanmuying, which is the atmosphere of being a big sister.

Being pushed like this by Situ Ningbing, Li Tian immediately came to his senses, walked a few steps quickly, and came to Duanmuying, firmly hugging Duanmuying in his arms, lovingly in his arms.

At this time, Li Tian could feel Duanmuying's heartbeat, and Duanmuying could also feel Li Tian's heartbeat, and the two hugged each other tightly.

"Are you back?" Duanmuying said.

"I'm back!" Li Tian said.

There are no other words, but this is enough.

Tang Xiaolong, the second guy, watched Li Tian and Duanmuying hugged tightly, looked at Lily with tears in his eyes, stretched out his hand to put Lily directly in his arms, and said: "The little boss finally met Duanmuying, I feel So happy, so excited!"

The three Xiaoyasha and Xiao Tianyi who felt the joy in Li Tian's heart also flew out of their space.

Void Yasha saw Tang Xiaolong holding Lily in his arms, Li Tian holding Duanmu Sakura, his eyes were looking straight at Dixing Yasha, and Feitian Yasha's expression was the same as that of Xukong Yasha.

But Feitian Yasha looked at Void Yasha's expression full of unkindness.

Soon Feitian Yasha and Void Yasha fought again in order to fight for the land Xing Yasha, two small Yashas, you take a steel knife and insert me, I just stabbed you with a steel fork, it was amused, and soon the two Yashas I forgot why they were fighting, and laughed happily.

Xiao Tianyi saw Li Tian holding Duanmu Ying tightly, with a confused expression on his little face.

Suddenly, there was a hint of excitement on Xiao Tianyi's face, ran over to Duanmuying, holding Duanmuying's legs, and shouting loudly: "Mom!"

Chapter 3478: Proposal of Elder Promise (1)

"mom?"

Duanmuying looked at a chubby child holding her leg and calling her mother, Xiafei couldn't help her cheeks.

Duanmuying's gaze slowly swept across the faces of Situ Ningbing and Xueji, hoping to see from their faces who is more like this child, and then to infer who the child is Li Tian and who. Raw.

At this time, Duanmuying's face had inadvertently revealed a trace of sadness.

A woman in love, who doesn't want to be a team of little monkeys for the life of the beloved!

Seeing Duanmuying's sadness, Li Tian knew that Duanmuying must have misunderstood, Li Tianzhen wanted to kick Xiao Tianyi away.

"Nima's, when you usually tear zombies with your hands and bite the limbs of those zombies, you are completely gluttonous, and today you have learned to behave like a baby!"

But this time is not the time to blame Little Tianyi.

Li Tian stretched out his hand and hugged Duanmuying, who had broken free from his embrace, in his arms domineeringly, and quickly explained to Duanmuying: "Don't think about it, he is a little zombie! I picked it up on the road!"

Only then did Duanmuying notice that she could not feel a trace of humanity in this little Tianyi, she was indeed a zombie!

...

Even if there are one or two low-level zombies wandering outside the city from time to time, this will not affect the evening in Kyoto City.

The arrival of Li Tian is the biggest festival in life for Duanmuying.

For this reason, Duanmuying left the headquarters of the Sakura Corps directly, and personally drove Li Tian and others to her mansion. She wanted to entertain Li Tian, and Li Tian's woman and brother with the most sumptuous dinner.

Duanmu Ying's private house is located on Langshan Mountain in the southeastern suburb of New Kyoto City. After half an hour, Duanmu Ying's car has arrived at Langshan Mountain.

It is far away from the bustling city of Kyoto, but there are no zombies to harass, because Wolf Mountain is the army station of the Sakura Legion. This Wolf Mountain has been swept by the Sakura Legion many times, and the officials of the Sakura Legion, There will be a private house on this wolf mountain.

From the lower level of Langshan up, some villas can be seen at any time, and Duanmuying's private house is located at the top of Langshan.

It's already April. The trees on Langshan are full of shades and the grass is blue. The last thing you should worry about in the last days is the smog. Standing under the blue sky and white clouds, you feel the breeze blowing on your face, and you can see the setting sun in the distance. The city of Kyoto will give people the illusion of going back to ancient times.

There are Situ Ningbing, Xueji, Duanmu Ying and Lily to cook the food. Li Tian and Tang Xiaolong don't need to do it any time, so they sit on the top of the mountain and enjoy a rare good time.

Xiao Tianyi rode a little bat to catch game. This is a meeting gift Xiao Tianyi wants to give Duanmu Ying. The three little Yashas were at Li Tian's feet, making a fuss.

Duanmu Ying originally wanted to invite the high-level core cadres of the Sakura Army to come over, but was rejected by Li Tian. Li Tian didn't want to make this family gathering like a friendship between the two legions.

Duanmuying did not reluctantly, but said that in the evening, mysterious guests would visit. Needless to say, Li Tian also knew that the mysterious guest must be the old man Wuji.

Tang Xiaolong turned his head and looked at the four beauties who were busy in the courtyard, turned around, took a cup of tea, took a sip, and said with a serious face: "Little boss, what are we going to leave?"

"Leaving? Are you talking about the twelfth level zombies?" Li Tiandao.

"Yes! Although everyone didn't say anything, everyone was still worried and anxious. After all, the last time in Beitang, it was the little boss that you could kill the twelve-level zombies with all the injuries. Ah!" Tang Xiaolong frowned and said.

Li Tian smiled slightly and said, "That's because we had to save Manzi and Shen Tao last time. Without them, I would have won, and I would have won easily!"

"Xiao Litian, your shameless look is like me. What does it mean that you have won? What does it mean to win is easy? Can you be shameless? Without me, you would have been guarded by the twelfth level. The zombie has been killed!" Young Master Void crawled on Li Tian and said with a dissatisfaction.

"Yes, you are taking our credit, you forgot who helped you with the dark light? So, my credit is the greatest!" Feitian Yasha Fei said in front of Li Tian.

"Shameless! When you went to save the barbarian, I was fighting with Li Tian. It was me who helped Li Tian by using the earth movement technique, and finally won the final victory, so this should be my greatest contribution!" Dixing Yasha said.

Li Tian glanced at Tang Xiaolong helplessly, then pondered for a moment, and said, "The victorious Guan Rong belongs to the past. We have to look forward to the future and want to look ahead. You also know that I am now required to kill five animals within a month. Level twelve zombies, then it will be up to the performance of the three of you. Five twelve-level zombies, if any of you three can help me kill three, then it goes without saying that naturally it is who is the most powerful, and naturally it is the credit. The biggest!"

"Hey, let's hand it to this young master! At that time, this young master will definitely show his true strength for you to take a good look at what is a master!" Xukong Yasha said with a cocky ass.

Seeing the three Xiaoyachas volunteering, Tang Xiaolong let go of his hanging heart and looked at Li Tian with some admiration.

Tang Xiaolong thought in his heart: "This is really not a difficult thing for Brother Tian! I heard Baihe say that half a year ago, when Brother Tian just returned from another world, his strength was the strength of a level four or five zombie, but this is nothing more than that. It's only half a year. Brother Tian can already kill Level 12 zombies. At this rate, even if those zombies swallow more corpse crystals, they can't evolve as fast as Brother Tian!"

At this time, there was a burst of hearty laughter from below the mountain.

When Li Tian heard the laughter, the sound was still under the mountain, and when the laughter was about to stop, the laughter had reached the top of the mountain.

"Huh!"

A figure flashed in front of Li Tian and Tang Xiaolong and fell into the courtyard. The person who came was the old man Wuji.

This Langshan Mountain is thousands of meters high, but it is like walking on the ground to the old man Wuji. It can be seen that the old man Wuji did not get hurt in the battle with the Three Corpses.

"Xiao Litian, we meet again!" The old man Wuji said with a smile.

"Senior Promise, it's really you!" Li Tian stood up abruptly and blurted out.

Seeing the old man Wuji, Li Tian's heart surged with excitement, but then Li Tian thought of his dead father, the evil ***** Li Kuafu, and his eyes darkened!

The old man Wuji saw the change in Li Tian's expression instantly, and his heart was full of emotion.

"Xiao Litian, I didn't come to see you to see you like this! Now, let's talk about something worthy of joy!"

Chapter 3479: Proposal of the Promise Elderly (2)

"Senior, what do you say is something to be happy about!" Li Tian said to the old man Wuji to the table, and then he poured a cup of tea for him.

The old man Wuji sat down, Li Tian was not in sight from Li Tian, he picked up Li Tian's full tea, drank it, and asked, "Do you want to enter the Five Old Men's Club of the Bounty Hunter Association? The best way to become a Bounty Hunter Association? One of several powerful people?"

At this time, Duanmuying came over with a few plates of pastries and a fruit plate. After hearing what the old man Wuji said, Duanmuying said: "You don't know the other identity of the master? The master is not only the army of Sakura. In addition to the king behind the scenes, there is also Elder Wu of the Fifth Old Society of the Bounty Hunters Association!"

"Master?" Li Tian looked at Duanmuying suspiciously!

Duanmuying said with some embarrassment: "After the end of the world, the old man has been protecting my safety and taught me the exercises, so I just called it!"

Li Tian is full of black lines.

This old man Wuji is the master of Li Tian's father, the evil ***** Li Kuafu. If Duanmuying worships him as his teacher, then how should Li Tian call Duanmuying in the future?

"Don't mess around, you will follow me to call the seniors!" Li Tian said.

Duanmuying was a young girl in front of Li Tian, stuck her tongue out, and quickly walked away.

"Is what Duanmuying said just now true? Are you really one of the five elders of the Bounty Hunter Association?" Li Tian asked.

The old man Wuji nodded, and then said: "After the end of the world, human society is living in extreme panic. At this time, people hope that there can be ancient heroes who can rescue them. So that's when I started to prepare for the Bounty Hunter Association. Naturally, I am also one of the elders of the Five Old Society!"

"However, as humans regain more and more territories and high-level legions continue to appear, the status of the current bounty hunter association is no longer comparable to that of the first establishment. However, whether it is in Kyoto or other places, this reward The Golden Hunter Association remains one of the most important components."

"That's why I asked you if you want to consider joining the five old clubs of the Bounty Hunters Association!" said the old man Wuji.

"Okay! Okay! Little boss, why are you still hesitating?" Tang Xiaolong said excitedly.

Li Tian said, "Didn't the five elders of the Bounty Hunter Association always have five elders? Why is there a vacancy now?"

"Yes, Mr. Liu has withdrawn from the Fifth Old Society today. In order to punish you, he asked the Bounty Hunter Association to punish you strictly on the condition of withdrawing from the Fifth Old Society! That's why you were not judged by the Dawn Judgment today. , I have directly received the reason for the trial result!" The old man Wuji said with a smile.

Tang Xiaolong suddenly realized, and said: "No wonder the Bounty Hunter Association will ask the little boss to hunt down five level 12 zombies within a month, and pay five and a level 12 zombies to the Bounty Hunter Association. The reason!"

The old man Wuji smiled and said: "I believe that Xiao Litian will be able to do it, so I will agree to Liu Lao's request. This time Liu always steals chickens and loses his rice. Not only did he withdraw from the Fifth Old Society, but instead It also made room for Li Tian!"

"Thanks to the elders for showing their love, I don't know what kind of conditions are needed to become one of the five elders of the five elders?" Li Tian asked.

"This time Mr. Liu quit the Bounty Hunter Association. Several other elders have their favorite legions, and my nomination is the Celestial Legion. Therefore, to become one of the five elders, you need to defeat the other three. The elder's nominated legion!"

The old man Wuji continued: "But first you need to solve a problem, that is the strength of your Celestial Legion."

"Our Celestial Legion is very powerful! I don't know how much stronger than those second-rate legions!" Tang Xiaolong said.

The old man Wuji smiled and said: "Yes, I know that the Celestial Legion is very powerful, but the Celestial World is far in the northwest area after all, and the Celestial Legion has a relatively short time to become famous. It has not officially entered the Forbes Legion rankings so far. The first thing you need to solve is the ranking issue of the Celestial Legion."

"Senior, how is this ranking arranged?" Li Tian asked.

The old man Wuji said: "The Forbes strength list is divided into two big lists, the personal strength list, and the legion strength list. In these two big lists, there are many small lists. For example, what we call personal The strength list refers to the global personal strength list, and the corps strength list is also the global corps strength list!"

"This personal strength ranking is based on the annual personal strength competition! This personal strength competition will start the day after tomorrow. The corps strength ranking is based on the size of the corps and the occupation of the corps in the past year. The importance of the region, the number of cities occupied and the population, and other data are integrated. And there are two important data in this data, one of which is the zombies hunted in the past year, especially the high-level zombies. Quantity! The other is the personal strength ranking of the legion commander."

"So many legions, and there are so many people in each legion, what are they relying on to count?" Li Tian asked.

"The low-level corpse crystals are counted based on the number declared by the legion, while the high-level corpse crystals need to come out with real corpse crystals! Of course, there is a detailed

rule for this score, and all content has a weight. That's it. Let's take this corpse crystal as an example. This weight accounts for 20%, and of this 20%, the low-level corpse crystal only accounts for 2%. In other words, you want to take all of this. A score of 20%, then the high-level corpse crystal you get must be real!"

"And the personal strength of another data army leader is based on the Forbes personal strength list! This data is directly based on the terms of the game!"

"That is to say, if my legion ranks ahead of the legions nominated by the other three elders, can I join the five elders?" Li Tian asked.

"No, this is just a ranking of the strength of the legion. It is considered that your legion is eligible to be nominated by me. To join the five veterans, your legion needs to complete the tasks issued by the Bounty Hunter Association. I can advance What I'm telling you is that this task will not be easier than killing five level 12 zombies in one month!" said the old man Wuji.

Li Tian's face was full of serious expressions, he looked away for a few seconds, and then said, "I see!"

Li Tian just said a few simple words, and the old man Wuji saw Li Tian's confidence!

"Okay! It's the son of Li Kua's father! Xiao Litian, before you come to Kyoto City, I have mentioned that you and your legion have signed up, so you are eligible to participate in this Forbes Power Contest. The day after tomorrow, the Forbes Power Tournament is about to officially start, and you still have two days to prepare!"

Chapter 3480: Night battle (1)

"The emperor, you really misunderstood. The concubine really didn't mean that. The concubine just heard the two adults talk about entering the palace to see the emperor. It happened that the concubine just came out of Cining Palace and knew that the emperor was going to accompany the queen mother. I was afraid that I was not free, and seeing the two adults walking in a hurry, with tired faces, I thought about taking the two adults to rest for a while, and waited for the emperor to go out of the Ci Ning Palace to pay him a visit. The concubines really did not have a trace of unruly heart. Just after being left behind, Xia Yuqing immediately hugged Feng Tingye's thigh and wailed, and for the sake of reality, she secretly twisted her thigh, which made her tearful in pain. Got... pinch!

Feng Tingye's anger was actually lost for the most part on the way back, his mind was slightly calm, and he immediately heard the omissions in the words of the two people just now, and he knew the whole story in his heart, and he didn't wait for him to speak. , Xia Yuqing first howled.

This time is fine, Feng Tingye's interest also came up, reached out and pinched Xia Yuqing's chin and lifted her face, smiling so Fengyun changed her color: "Ears are fictitious, seeing is believing, and what I see with my own eyes is still true. false?"

Xia Yuqing was frightened by Feng Tingye's sly smile, her mouth squashed, and she broke the jar and said, "How can the emperor believe in his concubines?"

The big bad wolf groaned, and the little white rabbit Hu You began to face unchanged: "I saw Ai Fei and the two adults behave intimately and talked ambiguously. Since Ai Fei insists on denying the

closeness with him, she should take it out. Based on the facts, I have always been fair and strict, and I will definitely not wrong you."

Xia Yuqing was startled, tilted her head and asked: "What evidence does the emperor want to see?"

Feng Tingye glanced at Xia Yuqing, squinting her eyes slightly, and derived some calculations: "It is natural to see if Concubine Ai has traces of other men besides me?"

"Huh?" Xia Yuqing looked up at Feng Tingye incomprehensibly, and couldn't wait for her to understand the profound meaning of Feng Tingye's words. Someone had already begun to examine her belongings.

Overwhelmed on the soft bed for the second time, Xia Yuqing's head short-circuited for a moment, and she began to scream to the police. How can you be suppressed again? How long has it been, always attacking adults, are you not afraid of death?

"Don't... don't come here, I warn you, my old lady has practiced eighteen ways to guard against wolves. Come and be careful that my old lady will kick you and make you really inhumane." Seeing the big bad wolf approaching step by step, Xia Yuqing also Regardless of the interests and inferiority, he picked up the brocade and came out of the goddess.

Feng Tingye was startled by Xia Yuqing's fierce appearance of her small paws. She was suddenly covered by the quilt that flew over, and hurriedly tore off the quilt from her head, but saw Xia Yuqing. I don't know when I have already ran to the other side of the bed. I took a step to the side, and Xia Yuqing took a step to the side.

The two stood on each other's beds, their eyes facing each other, their big and small eyes staring: "Come here."

Xia Yuqing looked alert: "No, come here if you have the ability."

Feng Tingye narrowed his phoenix eyes, raised his steps again, back and forth several times, then... "Don't move."

"Not moving is a fool, I am not a fool!"

"..." Knowing that arguing with someone about this is purely his own brain convulsion, so he wisely chose to do it personally.

The minions waiting outside Bangxiefang Hall heard a movement from the boss. This time everyone watched their noses and their hearts, but no one dared to rush in and take the lead. Alas, the emperor and our mothers are really energetic, and we have to come here every time. I don't know if this is good or bad. Far eyes...

Xia Yuqing panted heavily and stared at Feng Tingye who was pressing on her body: "You are shameless."

"This is called outsmart. Haha, Concubine, you can't beat me."

"Huh, I'd rather die than surrender." After Xia Yuqing repeated the old trick, she stretched her leg and quickly kicked towards Feng Tingye.

Rao Feng Tingye had been prepared for a long time and was frightened into a cold sweat, his legs were slightly lowered, and Xia Yuqing's legs were clamped, making him unable to move. I have to

say that the last accident was really not accidental. It was not just that Liu Yixiang, the so-called gangster girl, was more powerful, but Xia Yuqing was no exception to her.

After several struggles, even though Feng Tingye wouldn't be lifted out of bed by her like the last time, she couldn't help her. Forced, Feng Tingye had to resort to his final killer: "Actually... from the very beginning, I knew that what the two of them said was not the truth."

Leaning over and staring at Xia Yuqing's eyes widened in surprise, Feng Tingye's eyebrows were slightly bent, "Zi Tang Ping hates others for treating him as a child, and Yan Ran is the most famous person in his life. Unfortunately, what you said today seemed to offend them all, and I can't blame them for bullying you like this."

Unsurprisingly, Xia Yuqing's struggling movements suddenly stiffened, and the movements in her hands unknowingly relaxed a lot, allowing Feng Tingye to take advantage of the vacancy to break in.

Looking at Feng Tingye with a cute face, Xia Yuqing didn't dare to say anything: "You mean, they said that on purpose just now, in order to... slander and bully me?"

It's too much, because she still tried every possible means to perfect them, and let them and Master Zonggong cultivate a righteous fruit. It's fine if you don't appreciate it, and even treat her like this!

After the grief and anger passed, Xia Yuqing realized afterwards: "Since the emperor knew from the beginning, why did you just..." Xia Yuqing's eyes widened suddenly, "Are you playing me too?"

Looking at the unpredictable expression on Xia Yuqing's face that looked like the weather, Feng Tingye smiled more and more ill-intentioned. He leaned down, bit her white and tender earlobe, and chuckled lightly: "No, why am I willing to play you?"

In a short sentence, Xia Yuqing was moved to tears. It's a pity that before this touch was overwhelmed, it was completely...shattered by his next sentence.

"Of course I didn't fool you, I was just... teasing you."

"..." Hey, he always attacks adults, are you so evil and made by your parents? I can't play with you happily anymore, woo
