

A Killer 3481

Chapter 3481: Night battle (2)

"The emperor, you really misunderstood. The concubine really didn't mean that. The concubine just heard the two adults talk about entering the palace to see the emperor. It happened that the concubine just came out of Cining Palace and knew that the emperor was going to accompany the queen mother. I was afraid that I was not free, and seeing the two adults walking in a hurry, with tired faces, I thought about taking the two adults to rest for a while, and waited for the emperor to go out of the Ci Ning Palace to pay him a visit. The concubines really did not have a trace of unruly heart.!" Xia Yuqing immediately hugged Feng Tingye's thigh and wailed as soon as she was left behind. She secretly twisted a hand on her thigh for the sake of reality, making her tearful in pain. Got... pinch!

Feng Tingye's anger was actually lost for the most part on the way back, his mind was slightly calm, and he immediately heard the omissions in the words of the two people just now, and he knew the whole story in his heart, and he didn't wait for him to speak. , Xia Yuqing first howled.

This time is fine, Feng Tingye's interest also came up, reached out and pinched Xia Yuqing's chin and lifted her face, smiling so Fengyun changed her color: "Ears are fictitious, seeing is believing, and what I see with my own eyes is still true. false?"

Xia Yuqing was frightened by Feng Tingye's sly smile, her mouth squashed, and she broke the jar and said, "How can the emperor believe in his concubines?"

The big bad wolf groaned, and the little white rabbit Hu You began to face unchanged: "I saw Ai Fei and the two adults behave intimately and talked ambiguously. Since Ai Fei insists on denying the closeness with him, she should take it out. Based on the facts, I have always been fair and strict, and I will definitely not wrong you."

Xia Yuqing was startled, tilted her head and asked: "What evidence does the emperor want to see?"

Feng Tingye glanced at Xia Yuqing, squinting her eyes slightly, and derived some calculations: "It is natural to see if Concubine Ai has traces of other men besides me?"

"Huh?" Xia Yuqing looked up at Feng Tingye incomprehensibly, and couldn't wait for her to understand the profound meaning of Feng Tingye's words. Someone had already begun to examine her belongings.

Overwhelmed on the soft bed for the second time, Xia Yuqing's head short-circuited for a moment, and she began to scream to the police. How can you be crushed again? How long has it been, always attacking adults, are you not afraid of death?

"Don't... don't come here, I warn you, my old lady has practiced eighteen ways to guard against wolves. Come and be careful that my old lady will kick you and make you really inhumane." Seeing the big bad wolf approaching step by step, Xia Yuqing also Regardless of the interests and inferiority, he picked up the brocade and came out of the goddess.

Feng Tingye was startled by Xia Yuqing's fierce appearance of her small paws. She was suddenly covered by the quilt that flew over, and hurriedly tore off the quilt from her head, but saw Xia Yuqing. I don't know when I have already ran to the other side of the bed. I took a step to the side, and Xia Yuqing took a step to the side.

The two stood on each other's beds, their eyes facing each other, their big and small eyes staring:
"Come here."

Xia Yuqing looked alert: "No, come here if you have the ability."

Feng Tingye narrowed his phoenix eyes, raised his steps again, back and forth several times, then...
"Don't move."

"Not moving is a fool, I am not a fool!"

"..." Knowing that arguing with someone about this is purely his own brain convulsion, so he wisely chose to do it personally.

The minions waiting outside Bangxiefang Hall heard a movement from the boss. This time everyone watched their noses and their hearts, but no one dared to rush in and take the lead. Alas, the emperor and our mothers are really energetic, and we have to come here every time. I don't know if this is good or not. Far eyes...

Xia Yuqing panted heavily and stared at Feng Tingye who was pressing on her body: "You are shameless."

"This is called outsmart. Haha, Concubine, you can't beat me."

"Huh, I'd rather die than surrender." After Xia Yuqing repeated the old trick, she stretched her leg and quickly kicked towards Feng Tingye.

Rao Feng Tingye had been prepared for a long time and was frightened into a cold sweat, his legs were slightly lowered, and Xia Yuqing's legs were clamped, making him unable to move. I have to say that the last accident was really not accidental. It was not just that Liu Yixiang, the so-called gangster girl, was more powerful, but Xia Yuqing was no exception to her.

After several struggles, even though Feng Tingye wouldn't be lifted out of bed by her like the last time, she couldn't help her. Forced, Feng Tingye had to resort to his final killer: "Actually... from the very beginning, I knew that what the two of them said was not the truth."

Leaning over and staring at Xia Yuqing's eyes widened in surprise, Feng Tingye's eyebrows were slightly bent, "Zi Tang Ping hates others for treating him as a child, and Yan Ran is the most famous person in his life. Unfortunately, what you said today seemed to offend them all, and I can't blame them for bullying you like this."

Unsurprisingly, Xia Yuqing's struggling movements suddenly stiffened, and the movements in her hands unknowingly relaxed a lot, allowing Feng Tingye to take advantage of the vacancy to break in.

Looking at Feng Tingye with a cute face, Xia Yuqing didn't dare to say anything: "You mean, they said that on purpose just now, in order to... slander and bully me?"

It's too much, because she still tried every possible means to perfect them, and let them and Master Zonggong cultivate a righteous fruit. It's fine if you don't appreciate it, and even treat her like this!

After the grief and anger passed, Xia Yuqing realized afterwards: "Since the emperor knew from the beginning, why did you just..." Xia Yuqing's eyes widened suddenly, "Are you playing me too?"

Looking at the unpredictable expression on Xia Yuqing's face that looked like the weather, Feng Tingye smiled more and more ill-intentioned. He leaned down, bit her white and tender earlobe, and chuckled lightly: "No, why am I willing to play you?"

In a short sentence, Xia Yuqing was moved to tears. It's a pity that before this touch was overwhelmed, it was completely...shattered by his next sentence.

"Of course I didn't fool you, I was just... teasing you."

"..." Hey, he always attacks adults, are you so evil and made by your parents? I can't play with you happily anymore, woo

Chapter 3482: The thrill of a tyrant

"Huh!" A sound. .

Li Tian's figure flashed, and he came directly to Situ Ningbing, and together with Situ Ningbing, he watched the uninvited guest appearing in the darkness, and Li Tian's "Red Slash" had been suspended about a meter or two in front of Li Tian. .

In that darkness, Li Tian saw a huge funerary elephant like a hill slowly walking towards Li Tian. The elephant's trunk was as thick as a bucket, and it had four legs. A stout pillar is generally, and a dull "click" will be heard as soon as you walk a step.

And on the top of the funerary elephant, a small wooden building was built. The area of the small wooden building is nearly ten square meters. This shows how huge the giant funerary elephant is, and in that small building, On a huge bed, sitting on a fat man with a fat head and big ears and a body like a hill, the fat man was probably less than fifty years old, and a woman stepped on each of the fat man's feet.

No, that's not a woman, but a twelfth-level female zombies. These two female zombies are the same as the female zombies in Situ Ningbing's hands. They are both extremely handsome in appearance, and their necks are each tied with an iron chain. And the other end of the chain was in the hands of a seventeen or eighteen year old boy.

When the young man didn't speak, he looked extremely normal, but when the young man saw the female zombie under the blade of Situ Ning's ice blade, the corners of his mouth immediately began to salivate, and his eyes had no light at all. He said in a stupid tone: "Sister, pretty sister!"

The fat man stretched out his hand and patted the head of the boy next to him, and said kindly: "Daddy knows, you wait obediently, and Daddy will get it back for you."

As soon as the fat man's voice fell, the fat man patted the bed heavily, and his body weighing more than two hundred kilograms floated towards Situ Ningbing. As the fat man got closer, Li Tian and Situ Ningbing had one Mount Tai is approaching them.

"Be careful, Ningbing!" After Li Tian reminded Situ Ningbing in a low voice, he immediately controlled the "Red Zhan" to gallop towards the fat man, and at the same time, Li Tian displayed the broken soul palm with his left and right hands at the same time, blasting towards That fat man.

The fat man was still in the air. Seeing Li Tian's "Red Slash" flying towards him, he didn't care at all. He flew a kick and swept it directly, kicking it on the surface of the knife, and then "Red Slash". Kicked and flew to the side.

Facing the broken soul palms of Li Tian's left and right hands, the fat man opened two fat palms and attacked Li Tian's broken soul palms.

"boom!"

"boom!"

Two loud noises rang directly from the palms of Li Tian and the fat man.

The fat man's body floated on the giant bereavement elephant again, while Li Tian's body stepped back more than a dozen steps, and finally Tang Xiaolong, who was driven over, hugged him from behind and stopped.

And when Situ Ningbing was facing the fat man with Li Tian, he had already abandoned the twelfth-level zombies and quickly retreated and left the battle circle.

Looking at the fat man and Li Tian, there was a big crater five or six meters deep and seven or eight meters wide. This big crater was exploded by the huge explosion caused by the two people facing each other.

The twelfth-level zombie was also fragmented in the explosion, leaving only one head still "crunching" and "crunching" with its mouth open.

"Little boss, let me come!"

After Tang Xiaolong blocked Li Tian, he immediately wanted to rush out, but Li Tian stretched out his hand to hold him.

"Xiaolong, we are not this fat man's opponent! He is very powerful!" Although Li Tian didn't want to admit it, the fat man's strength was far beyond him. At this time, Li Tian felt his palms and arms numb.

This is the first time Li Tian has felt this way since returning to the earth world.

After being kicked by the fat man, "Hong Zhan" was now back in Li Tian's hands. At this time, the skin on Li Tian's arm was trembling slightly, but these tremors were forcibly suppressed by Li Tian.

Xue Ji carried the Dragon Sword in her hand, and Situ Ningbing held the butcher knife in her hand. God Tu was standing beside Li Tian with Xiao Tianyi, Tang Xiaolong, and Lily, watching the fat man warily.

And that fat guy?

At this moment, he was sitting on the bed with sweat on his face. He was fanning back and forth with his fleshy hands, wanting to get a little cool breeze.

"Li Tian of the heavens, I've heard of your name a long time ago, and it turned out to be like this. But if you take my palms, it's not bad."

"Now you still owe a lot of heat, but you are considered to be a master. If you participate in the Forbes power competition, your name may appear among the top five hundred."

"Okay, I won't play with you. It's dark and hot here. I'd better hurry up to Kyoto City and live in an air-conditioned room!" said the fat man.

What the fat man said was not polite, but Li Tian did not refute it in the slightest. If he wants to go head-to-head, Li Tian is naturally not the fat man's opponent, but if you recruit three little Yashas, use the space of the Void Master and the other two Yashas. Li Tian is already invincible with his ability.

At least there was a war.

But now even if Li Tian fights, what kind of benefit does Li Tian have?

Since there is no benefit, Li Tian kept silent and let the fat man speak.

Sooner or later Li Tian will catch up and trample that fat man under his feet!

The fat son pointed at the body of the already **** twelfth-level female zombie, and said angrily on his face: "Dad, sister, sister, I want sister!"

The fat man's face immediately showed tenderness, he touched his sweat, and then reached out his hand to pat his son and said, "When we go back, my father will catch you a few more animals in the original Kyoto city for you to play with. Okay?"

"I want three, no, I want five! Dad treats me best!" The fat son said excitedly immediately.

The fat man nodded and said, "Five is five, but you are no longer allowed to destroy these toys privately!"

The fat son's face immediately showed aggrieved expression, and he lowered his head in silence.

"Li Tian, even if the corpse crystal in this twelfth-level zombie is my gift to you, we will meet again in the future!" The fat man gently waved his hand and said.

After the fat man finished speaking, he stomped his feet abruptly. The huge funerary elephant, which looked like a hill, immediately suffered from pain, hissed, continued to move, and slowly walked past Li Tian and others. .

As for Li Tian and others, they didn't need to move anymore. They waited until the elephant's footsteps were no longer heard before they returned to normal.

"Who is this person? I feel so powerful!" Tang Xiaolong said.

Li Tian nodded, clenched his hands firmly, pinched his fingers and rattled.

"Strong! Very strong! This is interesting. Since this fat guy said that I have the strength to enter the top five hundred, then I will take this Forbes strength match as an opportunity to perform well!" Li Tian thought in his heart.

Chapter 3483: The thrill of a tyrant (2)

When she came to the twelfth-level female zombie with only one head left, the female zombie suddenly opened her eyes and said to Li Tian quietly, "Do you think I am beautiful? Now I am yours. , You have to treat me well!"

Seeing the slimy mucus from the neck of the twelfth-level female zombie is still flowing out, and seeing that the beautiful face of the twelfth-level female zombie was completely unrecognizable because of the explosion, I heard that the twelfth-level female zombie was charming. Li Tian only felt a bit of chills in the voice of Li Tian, and just wanted to take out the corpse crystal from the female zombie's head as soon as possible.

"Don't look at people with such affectionate eyes, they will be shy!" The female zombie said tenderly.

This kind of voice and this kind of picture gave Li Tian a feeling of hair loss.

"Little boss, let me come! If I continue to hear her say this, I will have nightmares!" Tang Xiaolong said.

"No! I will die in Li Tian's arms too!" The zombie suddenly screamed.

With this sudden scream, the startled Tang Xiaolong stepped back!

The expression on the female zombie's face was full of loneliness, and said, "I know I'm going to die. That fat guy said very clearly that my corpse crystal has been given to you Li Tian! Hey, Li Tian, but I can die. The legendary Li Tian's hands are better than the fat silly son who died in the hands."

"Li Tian, do you want to know who that fat guy is?" the twelfth-level female zombie asked.

"Who is he?" Li Tian asked.

"He is the commander of the Black Dragon Legion, one of the top ten legions. He is known as Gao Gang, the tyrant of the Northeast King. He is one of the few super masters in the world! This Gao Gang is completely living for his stupid son Gao Shuai. If someone angers Gao Shuai, then he will inevitably suffer from Gao Gang's thunderous revenge, so you better not provoke his Gao Shuai in the future."

The female zombie paused, her gaze swept across the faces of Situ Ningbing and Xueji Lily, and continued: "Gao Shuai inherited Gao Gang's strength value and is also a master. Moreover, this Gao Shuai is mentally weak and sometimes sober. , Sometimes confused."

"When he was confused, he liked beautiful female corpses, and you must have seen it. The two twelfth-level female zombies on the zombie elephant are the handsome toys. And when he is awake, he and normal Like people, he naturally likes beautiful women, especially the beautiful women he saw when he was confused. Therefore, you three delicate beauties should pay attention, and don't be caught by him!"

"Okay, I have said everything I want to say! Li Tian, do it! Move faster, don't make me pain!" After the female zombie finished speaking, she closed her eyes and waited for Li Tian to do it.

"Okay, I fulfill your wish!"

Li Tian stretched out his hand and hugged the female zombie's head in his arms, and gently inserted his hand "Red Cut" into the female zombie's head.

The last time Li Tian fainted when he fought the 12th-level guardian zombie in Beitang. The nine-color corpse crystal of the 12th-level zombie was swallowed by "Red Slash". This time Li Tian tried his best to control "Red Slash", to prevent "Red Slash" from swallowing the twelfth-level corpse crystal.

With a "pop", a twelfth-level corpse crystal was picked out by Li Tian, and Tang Xiaolong reached out and grabbed the corpse crystal in his hand.

The female zombie was already dead, and Li Tian used "Red Slash" to dig a hole in the ground, buried the female zombie's head in the hole, covered it with soil, and piled a small mound, which was regarded as her grave. heap.

Li Tian's doing this is just a spiritual comfort.

Back in the car again, Li Tian's face was not very good.

Both Situ Ningbing and Xue Ji knew that Li Tian was stimulated by the words of the female zombie and was also stimulated by the tyrant Gao Gang's toughness.

As the most powerful man on earth, Li Tian returned to the earth, and now he can barely catch the tyrant Gao Gang's move. This feeling is like the immortal cultivator who finally survives the catastrophe and soars, waiting for him to return from the heaven to the human world. At the time, I found that there are more fierce people in the world than in the heavens.

But soon, Li Tian adjusted.

That tyrant Gao Gang is strong, but compared to those masters in other worlds, it is completely a scum. Li Tianneng can stand at the highest peak in the earth world, and can also stand at the highest peak in the other world, so now we return to earth, Li The sky can still stand on top of the peak.

More than half an hour later, the car had already driven to the outskirts of Kyoto City, and the highway was full of scrapped cars, and the cars could no longer move forward.

As a last resort, Li Tian and others had to get off the car.

When the crowd gathered together, Li Tian called out the three Xiaoyachas, and then said to Situ Ningbing and others: "The road ahead is blocked. It seems that we can only walk into the suburbs of Kyoto, because we are This is the first time I came to this former Kyoto city, and now we don't know what the ranks of zombies in the suburbs are. So everyone must be careful."

"Wait a moment, I will take the mutant crow, the small skywing and the mutant bat one step ahead, and the rest of you will follow Ningbing. Note that our purpose of coming out this time is to hunt high-level zombies. All zombies above level 9 belong to us aims."

Li Tian said to the three Xiaoyachas again: "For safety's sake, I hope the three can help us in a while, Void Yasha, you and Feitian Yasha follow Situ Ningbing, and Dixing Yasha, follow me!"

"Little Li Tian, don't worry, as long as my Young Master Void is here, you can guarantee that your women and your brothers will not lose a single hair!" The Void Yasha lay on Li Tian's head. Said with confidence.

The Feitian Yasha kept looking at Dixing Yasha. In fact, he wanted to be with Dixing Yasha, but there was a Void Yasha. He could only give up his unrealistic idea, and barely patted his chest. : "Wrap it on our bodies. My dark light already has some energy. If there are more groups of zombies, I guarantee that their corpse crystals will fall into our pockets."

As long as these two Yashas followed, Li Tian could definitely rest assured that Situ Ningbing was safe.

"Okay, then let's go ahead!" Li Tiandao.

The mutant crow has learned well this time. As soon as Li Tian's words fell, his body immediately became the size of a big peng bird. Seeing the change of the mutant crow, Tang Xiaolong's eyes flashed with stars.

"Little boss, you gave me this mutant crow, and you are not allowed to regret it again!" Tang Xiaolong said.

Li Tian nodded and jumped directly on the mutant crow. Di Xing Yasha sat directly on the mutant crow's head. The mutant crow flapped its wings a few times and rushed to the sky and flew to the suburbs of Kyoto.

And Xiao Tianyi rode a little bat like a tail, closely following Li Tian.

Chapter 3484: Big gain (1)

Former Kyoto city, suburbs.

Standing on the mutant crow, Li Tian's powerful aura made other beasts afraid to approach the mutant crow. Following Li Tian's helpless little Tianyi and the little bat, who had no meat to eat, they had no choice but to act alone. Little Tianyi rode the little bat to speed up the flight and surpassed Li Tian.

But Xiao Tianyi looks down on himself too much. He also has the strength of more than tenth level zombies. Although the level of that mutant bat is not high, it is a mutant species after all. Ordinary zombies see them hiding far away. How could it be possible to die.

After flying forward for about ten minutes, Li Tian could already see the steel cement forest from a distance.

The suburbs of this metropolis with a population of more than 20 million are also more prosperous than many third- and fourth-tier cities. The tall buildings stand in the dark, and there is no light in the entire suburbs. From time to time, the streets of the suburbs will still spread. There were a few screams of zombies, which made the whole night look extraordinarily hideous.

"Xiao Tianyi, there is no meat on it, let's go down!" Li Tian shouted to Xiao Tianyi.

"Wow!" Xiao Tianyi rode directly on the mutant bat and landed on the ground, Li Tian chased after him.

Before it fell to the ground, Li Tian had already seen that there were zombies everywhere on the street in twos and threes. The levels of these zombies were generally around level five or six. These zombies looked up and saw mutant crows and mutations gradually descending from the sky. The bat immediately attacked Li Tian and Xiao Tianyi with teeth and claws excitedly.

Li Tian jumped directly from the mutant crow. After Li Tian jumped down and landed, the mutant mutant crow changed back to the bird-like appearance, and flopped a few times and stood on Li Tian's shoulder.

Xiao Tianyi moved faster, turning his left and right hands into two long bone knives at the same time. Riding on the little bat, he swooped down seven or eight level five and six zombies to the ground, and then began to kill the Quartet.

"Huh!"

"Huh!"

Those two long bone knives flew in the darkness, and every time they flew, they would take the life of a fifth-level or sixth-level zombie.

Most of the fifth-level and sixth-level zombies died in a blink of an eye, and the remaining half turned and ran, while running and shouting at Xiao Tianyi: "You dignified level ten zombies, come to bully us weak, you are interesting. Waiting for us to find our big brother"

This kind of feeling is like playing the Internet and some cultivating to the full-level masters, instead of helping the weak, they are going to kill those trumpets constantly, which is naturally uncomfortable for those trumpets.

But Xiao Tianyi understood this. After beheading the zombies, he began to dig the corpse crystals and stuffed his mouth like peanuts.

Li Tian suddenly felt that it was a mistake to bring Xiao Tianyi out. Even if this foodie kills a zombie above level 9, the corpse crystal will definitely not be able to enter Li Tian's pocket.

Thinking of this, Li Tian felt an inexplicable sorrow.

Why are there so many foodies around, Xiao Tianyi, "Red Slash", and nine-color corpse crystals are all the masters who eat corpse crystals and do not spit their shells!

Li Tian felt it necessary to have a chat with Xiao Tianyi.

"Xiao Tianyi, is this corpse crystal delicious?" Li Tian said in a calm tone as far as possible.

With an intoxicated look on his face, Xiao Tianyi reached out and handed out two brain-stained corpse crystals, as if to invite Li Tian to eat the corpse crystals, and said, "Wow!"

Li Tian hurriedly waved his hand and said, "No, no, no, this kind of delicacy is for you to eat! However, Father Li Tian has discussed with you one thing, which is to kill the zombie corpse crystals above level nine later. , You have to give it to me, and leave the zombie crystals that have been killed below level 9 for you to eat. The number of zombies below level 9 is much greater than those above level 9, so you will definitely not be hungry!"

The little Tianyi tilted his little head just for a moment, and immediately nodded his little head and agreed.

But at this time, on the other side of the street, dozens of zombies emerged. These zombies were all level 9 without exception, and there was one zombie at the front that turned out to be a level ten zombie.

And behind this group of senior zombies, there were also hundreds of level five and six zombies.

Seeing so many high-level zombies, Li Tian's eyes seemed to see the sparkling corpse crystal beckoning him, and the corner of his mouth immediately showed an excited smile.

The tenth-level zombie did not find Li Tian's smile, nor did he say that Xiao Tianyi behind Xiao Li Tian was a zombie. Instead, he looked arrogant and said to Li Tian and Xiao Tianyi with a sneer: "Where did it come from? The eye-catching bounty hunter, dare to enter my territory this night, and dare to kill my zombie brother."

It turns out that after three years of apocalyptic era, the original Kyoto city has changed from a population of more than 20 million to more than 10 million zombies, and among the more than 10 million zombies, there are more than millions of zombies. Is above level 6.

And these zombies that have retained human wisdom gradually calmed down from the most chaos, and formed a zombie social circle composed of middle and high-level zombies. And in the suburbs, there are dozens of these zombies, large and small.

Seeing so many high-level zombies, Xiao Tianyi danced with excitement and shouted: "Wow!"

Li Tian glanced at Xiao Tianyi, and said, "I'll be mine for those above level 9 and yours for those below level 9! How about that?"

Xiao Tianyi nodded sensibly.

"What did that bounty hunter say?" The tenth-level zombie could hardly believe his own ears, and turned to ask the ninth-level zombie next to him.

As soon as the tenth-level zombie turned his head, Xiao Tianyi rushed in impatiently.

As soon as he saw Xiao Tianyi's figure, the tenth-level zombies and the ninth-level zombies behind him were shocked.

"This... this kid turned out to be a zombie, and it's still a level ten zombie!" the level ten zombie exclaimed.

At this time, the little Tianyi had already rushed into the corpse group. The tenth-level zombie quickly transformed into shape, trying to resist the attack of the little Tianyi, but Xiao Tianyi's body had already flashed by, rushing towards the hundreds of fifth and sixth-level zombies. Zombies.

The tenth-level zombie was quite surprised. When he turned his head, he immediately saw a red light flashing in front of him.

"Huh!" With a flash of red light, the head of the tenth-level zombie had fallen from his body and rolled on the ground gruntingly.

"What's the matter? Why did my head fall off!" The tenth-level zombie hadn't figured out what was going on, but he saw the ninth-level zombies behind him turned around and began to flee.

"It's really not enough brother!" This tenth level zombie thought in his heart.

Suddenly, the tenth-level zombie saw a figure flying above his head, and the figure's left and right hands actually patted two palms at the same time.

"boom!"

"boom!"

Two loud noises exploded among the ninth-level zombies that were running away, and the two ninth-level zombies were blown into a pile of minced meat in a blink of an eye.

Chapter 3485: Big gain (2)

Those ninth-level zombies were gleaming corpse crystals in Li Tian's eyes, how could Li Tian let them escape.

Li Tian's left and right hands kept patting the broken soul palm, and his mind controlled "Red Slash" to chase down the ninth-level zombies that had escaped.

"Huh!"

One ninth-level zombie with a knife.

"boom!"

A ninth-level zombie in one palm.

In an instant, Li Tian had already chopped off, slaying tenth-level ninth-level zombies, and that little Tianyi had killed fifty or sixty-level zombies. Other zombies had escaped as birds and beasts. Up.

That little Tianyi didn't come to help Li Tian either. After he was killed, he began to clean up the corpse crystals that belonged to him. Or he threw a corpse crystal into his mouth like peanuts and bit Crunch and crisp.

Those ninth-level zombies were frightened by Li Tiankill and fled in all directions.

If you follow the speed of Li Tian's slaying, you will definitely be unable to kill the ninth-level zombies that have escaped from all directions.

Li Tian snorted coldly, changing his left and right hands from his palms to fingers to show Xuantian fingering, and constantly bounced gas bullets at the legs of the escaped zombies!

"boom!"

"boom!"

"boom!"

As Xuantian ***** air bullets kept shooting into the legs of the zombies, the zombies kept falling to the ground one by one, and after the zombies fell, they still used their hands to support their bodies and run forward.

But in this way, those zombies naturally run slowly, and Li Tian has enough time to slowly chase down these zombies crawling on the ground!

At this time, the mutant crow flew up and flew, and in a blink of an eye the figure became the size of a big Peng bird.

"Li Tian, I'll help you!"

After the mutant crow became larger, although his combat effectiveness did not improve much, his victory was because of his huge size and agile flying speed. After he flew, the wind caused by the flapping of his wings was enough to be uncomfortable for level five or six zombies. The pair of sharp claws on him, although they can't give a fatal blow to the ninth-level zombies, they can be used to constantly harass the running zombies, but they are enough!

At this time, Di Xing Yasha also jumped from Li Tian's body, sank directly into the ground, and quickly got out of the ground, stretched out a small hand to grab a zombie's leg, and then pulled it hard. I want to drag the zombie's leg under the ground.

The Xingyasha in this place is also bad enough. It just drags the two legs of the fleeing zombie into the ground. In this way, if the zombie wants to escape, he can only cut off the two legs himself, otherwise he can only helplessly. Watching himself be killed by Li Tian.

With the help of the mutant crow and the Earth Xing Yacha, Li Tian's beheading speed was much faster, and none of the ninth-level zombies escaped.

The battle soon ended, and there were 36 more 9th-level corpse crystals in Li Tian's skin.

Just as Li Tian was about to leave, he suddenly remembered that there was still a tenth-level zombie's head on the ground. The corpse crystal of this tenth-level zombie was lower than the corpse crystals of all the ninth-level zombies killed just now.

Seeing Li Tian walking slowly by himself, the zombie didn't have the slightest anger on his face, but sneered at Li Tian and said, "Can you tell me your name?"

Li Tian felt very surprised. This zombie was about to die, and he had to ask Li Tian's name clearly. Do you really want to be a ghost and not let Li Tian go?

"Li Tian, Heaven Li Tian!" Li Tian said.

"It turns out that you are the legendary Li Tian, an arrogant guy who dared to kill a few corpses of the master of the ghou. If you can die in your hands, I am not dead wronged. However, you estimate that your life is coming to an end. Yes! You killed a few bugs of your master in a row. Do you really think that the master of the ghou will let you go like this?"

"I never thought of letting the ghouls let me go. On the contrary, I will settle the account sooner or later if there is an account!" Li Tian said with a cold snort.

"Hahaha, I'm so spine. Then can you let me go? Let me see how you settle accounts with ghouls?" The tenth-level zombie's head suddenly said.

Li Tian said dumbfoundedly: "Do you think it's possible? Didn't you wake up? Still having this kind of dream!"

"Haha, dreams are still necessary. What if you let me go because you are soft-hearted?" The zombie's head smiled and continued: "Wait, don't do it first, I want to talk to you first, I will change It's been a long time since I became a zombie! Let's talk about something constructive! Let's say you let me go."

Li Tian really served this tenth-level zombie.

Li Tian raised the "Red Slash" in his hand, and the tenth-level zombie immediately begged for mercy and said: "Please don't do it first. Actually, I know a spoof secret. If you don't kill me, I can tell you this secret!"

"Secret? What secrets can you know about a zombie in the suburbs?" Li Tian said in disbelief.

"The secret of the kingdom of corpses, the secret of zombies controlling zombies! If you know this secret, you will not be so passive when you encounter senior zombies controlled by corpse worms in the future." said the tenth-level zombie.

Li Tian was startled.

Ouyang Shiqing is now being controlled by the corpse worm, and when Li Tian is in the heaven, he has already met Ouyang Shiqing, but there is no alternative.

"You said! If you are right, I can consider not killing you, and even let my Zombie Research Institute sew a brand new zombie body for you! But..." Li Tian said coldly: "If Do you dare to make me happy, I will have a knife in my hand to cut off the skin on your face one by one! Then kick your head as a ball, and use your skull as a chamber pot!"

Listening to what Li Tian said, the head and face of the tenth-level zombie changed color.

"Do you want to be so cruel! Everyone is a man, why should a man embarrass a man!"

"I am a human, and you are a zombie!"

"Well, this secret was also told by a senior zombie in the city center. I don't know if it's true or false. Anyway, I'll tell you first. If it's false, give me pain! If you can guarantee this, I said, if you can't guarantee, then you still kill me!" The head of the tenth-level zombie said decisively.

"Okay, I promise, you can talk now!" Li Tian said vowedly.

The head of the tenth-level zombie was silent for a few seconds, as if to organize the language, and then said with a trace of mystery on his face: "In fact, it is like this. Before the end of the world, I have a brother who worships, he is this Kyoto One of the super-rich in the city, and after the end of the world, although he has a wealth of wealth, he could not escape the zombie virus and became a zombie.

"This friend of mine is now a dignified twelfth-level zombie. It is under the guardian zombie of Kyoto. Once, I went to the city center to find something to eat, and I met my friend. That friend told me about his benefits under the guardian zombies."

"Don't talk about the key points, I'm about to start!" Li Tian said with a sullen face.

"The guardian zombie said that in order to remove the insects from the corpse of the person controlled by the insects, in addition to the ghoul owner, only another living corpse insect can be used to attract the corpse insect from the body!"

Chapter 3486: Big gain (3)

Li Tian's heart was full of excitement when listening to the words of the tenth-level zombie's head.

If all this is true, then as long as Li Tian encounters the corpse worm next time, don't "Red Slash" to kill the corpse worm, but kill the Guardian zombies first, and then catch the corpse worm back alive. In that way, Ouyang Shiqing could be rescued from the hands of the ghoul.

Li Tian's face was full of excitement, and he said to the zombie's head: "You can elaborate on how to attract the corpse insect to come out of the body?"

The head of the tenth-level zombie immediately began to hesitate and said: "I just listened to my friend, I really don't know how to attract it."

"Okay! Keep your head for now, wait until I catch the corpse worm and test it." Li Tian said.

I lightly tapped the harvest tonight. There are already 36 corpse crystals at level 9 and one corpse crystal at level twelve. Of course, compared to the news that Li Tian received from this zombie's head, they are already It's nothing.

The real big gain tonight is this news.

This news made Li Tian forget the unhappiness he suffered on the side of the tyrant Gao Gang.

Li Tian wrapped the head of the tenth-level zombie with a piece of cloth and hung it around his waist, and then continued walking toward other streets with Xiaotianyi, Xiaoyasha, mutant crow, and mutant bat.

If Li Tian and others want to kill enough zombie crystals within these two days, they can only wrong the zombies in this area of the suburbs to contribute the corpse crystals in their heads.

At the same time, Tang Xiaolong, Situ Ningbing and others encountered a little trouble.

In the outermost part of the suburbs, in the urban-rural junction, there are zombies everywhere, and they are still low-level zombies, these zombies.

These low-level zombies are not like high-level zombies. They also know that fear and fear are only food in their eyes.

When Tang Xiaolong and others walked here, from behind the low building, they were surrounded by hundreds of low-level zombies. These zombies slowly twisted their bodies and stretched out their arms. One after another rushed towards Tang Xiaolong and others.

In an instant, Tang Xiaolong and others were surrounded by these hundreds of low-level zombies.

After Tang Xiaolong and the others met the tyrant Gao Gang, they were suffocating an evil spirit in their hearts, and these low-level zombies with no eyesight dared to bully Tang Xiaolong and the others, which just gave Tang Xiaolong and the others a vent.

Tang Xiaolong took the lead, punching the two zombies in front of him.

This fist full of anger exerted 120% of Tang Xiaolong's power, and the power of this punch had reached three thousand catties.

"boom!"

That Tang Xiaolong's fist directly penetrated the zombie's chest and hit the zombie behind the zombie.

These three thousand jins of power immediately blasted the zombie away, and dozens of zombies behind him were beaten back together.

At this time, Lily behind Tang Xiaolong had already followed, and the soft whip in his hand was drawn toward the heads of the zombies.

"Pop!" A crisp whip sounded, and the head of the zombie was directly shattered by Lily's soft whip.

"Huh!" An afterimage flashed out of Situ Ningbing's body, towards the zombies that rushed towards him. This afterimage possessed the lethal power of Situ Ningbing, and even directly split the zombies in two. half.

At this time, Xue Ji had already rushed into the group of corpses with the Dragon Sword, and suddenly seven or eight Xue Ji appeared under the misty swordsmanship, and each sword could harvest the life of a zombie.

These four people have the strength close to tenth-level zombies. These low-level zombies are not a threat to Tang Xiaolong and others. However, although Tang Xiaolong killed well, he was quite dissatisfied. These low-level zombies' corpse crystals can be used as nothing but There is no other use other than currency.

Tang Xiaolong wanted to have a good fight with those senior zombies.

It was not only Tang Xiaolong who had this kind of thought, but also Situ Ningbing and Xue Ji.

Therefore, the speed at which they killed these low-level zombies was called a fast.

In just a few breaths, the ground was already full of zombies' corpses, among which dozens of corpses were shattered by Tang Xiaolong.

"Come on again! You messy people!" Tang Xiaolong roared and shouted, and then Tang Xiaolong rushed into the group of zombies again.

After the Battle of Beitang, Tang Xiaolong's current strength has improved again. The white bone claws of those low-level zombies hit Tang Xiaolong's body, almost unable to cause any harm to Tang Xiaolong.

This is a one-sided situation.

With the addition of Situ Ningbing, Xueji, and Lily, who are all masters, naturally it is not the turn of Void Yasha and Feitian Yasha to shoot.

"Hey! It's so boring! I knew that these little fish were all encountered here, so we should have followed Xiao Litian." Xukong Yasha said helplessly while sitting on Feitian Yasha.

Feitian Yasha really wanted to throw this goods directly into the community, but when I thought about it, I felt that the young master of the void made sense: "Yes, there is no chance for an important hero like us to perform here."

About four or five minutes later, the battle was over, there were corpses of zombies everywhere, and Tang Xiaolong began to dig out the corpse crystals of those zombies one by one.

Because the little boss once said that the legs of mosquitoes are also fleshy. Although the corpse crystals of these zombies are not high-level, they can still resist the cost in New Kyoto City.

After everything was cleaned up, Tang Xiaolong, Situ Ningbing and other talents continued to move forward without a hassle.

This night, this kind of scene was continuously staged in the suburbs. Hundreds and hundreds of low-level zombies were killed by Tang Xiaolong and others, but those zombies seemed to be inexhaustible and inexhaustible, until the end. Tang Xiaolong and others were even a little numb.

But even like this, when the sky was faintly light, Tang Xiaolong and Situ Ningbing and others were killed from the urban-rural junction.

"Look, there are so many corpses of zombies here. They were killed by the blade. It must have been killed by the little boss, Hong Zhan! Hey, there is also a zombie whose half of the body fell under the ground. , That should be the masterpiece of Dixing Yasha!" Tang Xiaolong said excitedly.

When Void Yasha and Feitian Yasha saw the zombie corpse half of the body now on the ground, their faces immediately showed a smug smile.

"Hey, only our Yasha clan can do such creative things. The corpses killed by Xiao Li Tian in the restaurant are messy and there is no art at all. Of course, this Xiao Li Tian is still a little better than Tang Xiaolong. !" Feitian Yasha said.

Void Yasha was about to continue to speak, but was attracted by a figure projected from the place where the sun rose.

Turning his head, Void Yasha walked out after seeing the building not far away with a three-headed mourning dog. Seeing the size of the three mourning dogs, the Void Yasha involuntarily swallowed his saliva and said, "This... this How high is the level of a lost dog!"

Chapter 3487: Level 12 Lost Dog

"The emperor, you really misunderstood. The concubine really didn't mean that. The concubine just heard the two adults talk about entering the palace to see the emperor. It happened that the concubine just came out of Cining Palace and knew that the emperor was going to accompany the queen mother. I was afraid that I was not free, and seeing the two adults walking in a hurry, with tired faces, I thought about taking the two adults to rest for a while, and waited for the emperor to go out of the Ci Ning Palace to pay him a visit. The concubines really did not have a trace of unruly heart. Just after being left behind, Xia Yuqing immediately hugged Feng Tingye's thigh and wailed, and for the sake of reality, she secretly twisted her thigh, which made her tearful in pain. Got... pinch!

Feng Tingye's anger was actually lost for the most part on the way back, his mind was slightly calm, and he immediately heard the omissions in the words of the two people just now, and he knew the whole story in his heart, and he didn't wait for him to speak. , Xia Yuqing first howled.

This time is fine, Feng Tingye's interest also came up, reached out and pinched Xia Yuqing's chin and lifted her face, smiling so Fengyun changed her color: "Ears are fictitious, seeing is believing, and what I see with my own eyes is still true. false?"

Xia Yuqing was frightened by Feng Tingye's sly smile, her mouth squashed, and she broke the jar and said, "How can the emperor believe in his concubines?"

The big bad wolf groaned, and the little white rabbit Hu You began to face unchanged: "I saw Ai Fei and the two adults behave intimately and talked ambiguously. Since Ai Fei insists on denying the closeness with him, she should take it out. Based on the facts, I have always been fair and strict, and I will definitely not wrong you."

Xia Yuqing was startled, tilted her head and asked: "What evidence does the emperor want to see?"

Feng Tingye glanced at Xia Yuqing, squinting her eyes slightly, and derived some calculations: "It is natural to see if Concubine Ai has traces of other men besides me?"

"Huh?" Xia Yuqing looked up at Feng Tingye incomprehensibly, and couldn't wait for her to understand the profound meaning of Feng Tingye's words. Someone had already begun to examine her belongings.

Overwhelmed on the soft bed for the second time, Xia Yuqing's head short-circuited for a moment, and she began to scream to the police. How can you be suppressed again? How long has it been, always attacking adults, are you not afraid of death?

"Don't... don't come here, I warn you, my old lady has practiced eighteen ways to guard against wolves. Come and be careful that my old lady will kick you and make you really inhumane." Seeing the big bad wolf approaching step by step, Xia Yuqing also Regardless of the interests and inferiority, he picked up the brocade and came out of the goddess.

Feng Tingye was startled by Xia Yuqing's fierce appearance of her small paws. She was suddenly covered by the quilt that flew over, and hurriedly tore off the quilt from her head, but saw Xia

Yuqing. I don't know when I have already ran to the other side of the bed. I took a step to the side, and Xia Yuqing took a step to the side.

The two stood on each other's beds, their eyes facing each other, their big and small eyes staring: "Come here."

Xia Yuqing looked alert: "No, come here if you have the ability."

Feng Tingye narrowed his phoenix eyes, raised his steps again, back and forth several times, then... "Don't move."

"Not moving is a fool, I am not a fool!"

"..." Knowing that arguing with someone about this is purely his own brain convulsion, so he wisely chose to do it personally.

The minions waiting outside Bangxiefang Hall heard a movement from the boss. This time everyone watched their noses and their hearts, but no one dared to rush in and take the lead. Alas, the emperor and our mothers are really energetic, and we have to come here every time. I don't know if this is good or bad. Far eyes...

Xia Yuqing panted heavily and stared at Feng Tingye who was pressing on her body: "You are shameless."

"This is called outsmart. Haha, Concubine, you can't beat me."

"Huh, I'd rather die than surrender." After Xia Yuqing repeated the old trick, she stretched her leg and quickly kicked towards Feng Tingye.

Rao Feng Tingye had been prepared for a long time and was frightened into a cold sweat, his legs were slightly lowered, and Xia Yuqing's legs were clamped, making him unable to move. I have to say that the last accident was really not accidental. It was not just that Liu Yixiang, the so-called gangster girl, was more powerful, but Xia Yuqing was no exception to her.

After several struggles, even though Feng Tingye wouldn't be lifted out of bed by her like the last time, she couldn't help her. Forced, Feng Tingye had to resort to his final killer: "Actually... from the very beginning, I knew that what the two of them said was not the truth."

Leaning over and staring at Xia Yuqing's eyes widened in surprise, Feng Tingye's eyebrows were slightly bent, "Zi Tang Ping hates others for treating him as a child, and Yan Ran is the most famous person in his life. Unfortunately, what you said today seemed to offend them all, and I can't blame them for bullying you like this."

Unsurprisingly, Xia Yuqing's struggling movements suddenly stiffened, and the movements in her hands unknowingly relaxed a lot, allowing Feng Tingye to take advantage of the vacancy to break in.

Looking at Feng Tingye with a cute face, Xia Yuqing didn't dare to say anything: "You mean, they said that on purpose just now, in order to... slander and bully me?"

It's too much, because she still tried every possible means to perfect them, and let them and Master Zonggong cultivate a righteous fruit. It's fine if you don't appreciate it, and even treat her like this!

After the grief and anger passed, Xia Yuqing realized afterwards: "Since the emperor knew from the beginning, why did you just..." Xia Yuqing's eyes widened suddenly, "Are you playing me too?"

Looking at the unpredictable expression on Xia Yuqing's face that looked like the weather, Feng Tingye smiled more and more ill-intentioned. He leaned down, bit her white and tender earlobe, and chuckled lightly: "No, why am I willing to play you?"

In a short sentence, Xia Yuqing was moved to tears. It's a pity that before this touch was overwhelmed, it was completely...shattered by his next sentence.

"Of course I didn't fool you, I was just... teasing you."

"..." Knowing that arguing with someone about this is purely his own brain convulsion, so he wisely chose to do it personally.

The minions waiting outside Bangxiefang Hall heard a movement from the boss. This time everyone watched their noses and their hearts, but no one dared to rush in and take the lead. Alas, the emperor and our mothers are really energetic, and we have to come here every time. I don't know if this is good or not. Far eyes...

Xia Yuqing panted heavily and stared at Feng Tingye who was pressing on her body: "You are shameless."

"This is called outsmart. Haha, Concubine, you can't beat me."

"Huh, I'd rather die than surrender." After Xia Yuqing repeated the old trick, she stretched her leg and quickly kicked towards Feng Tingye.

Rao Feng Tingye had been prepared for a long time and was frightened into a cold sweat, his legs were slightly lowered, and Xia Yuqing's legs were clamped, making him unable to move. I have to say that the last accident was really not accidental. It was not just that Liu Yixiang, the so-called gangster girl, was more powerful, but Xia Yuqing was no exception to her.

After several struggles, even though Feng Tingye wouldn't be lifted out of bed by her like the last time, she couldn't help her. Forced, Feng Tingye had to resort to his final killer: "Actually... from the very beginning, I knew that what the two of them said was not the truth."

Leaning over and staring at Xia Yuqing's eyes widened in surprise, Feng Tingye's eyebrows were slightly bent, "Zi Tang Ping hates others for treating him as a child, and Yan Ran is the most famous person in his life. Unfortunately, what you said today seemed to offend them all, and I can't blame them for bullying you like this."

Unsurprisingly, Xia Yuqing's struggling movements suddenly stiffened, and the movements in her hands unknowingly relaxed a lot, allowing Feng Tingye to take advantage of the vacancy to break in.

Looking at Feng Tingye with a cute face, Xia Yuqing didn't dare to say anything: "You mean, they said that on purpose just now, in order to... slander and bully me?"

It's too much, because she still tried every possible means to perfect them, and let them and Master Zonggong cultivate a righteous fruit. It's fine if you don't appreciate it, and even treat her like this!

After the grief and anger passed, Xia Yuqing realized afterwards: "Since the emperor knew from the beginning, why did you just..." Xia Yuqing's eyes widened suddenly, "Are you playing me too?"

Looking at the unpredictable expression on Xia Yuqing's face that looked like the weather, Feng Tingye smiled more and more ill-intentioned. He leaned down, bit her white and tender earlobe, and chuckled lightly: "No, why am I willing to play you?"

In a short sentence, Xia Yuqing was moved to tears. It's a pity that before this touch was overwhelmed, it was completely...shattered by his next sentence.

"Of course I didn't fool you, I was just... teasing you."

"..." Hey, he always attacks adults, are you so evil and made by your parents? I can't play with you happily anymore, woo
