

## A Killer 3491

Chapter 3491: Li Tian arrived

"The emperor, you really misunderstood. The concubine really didn't mean that. The concubine just heard the two adults talk about entering the palace to see the emperor. It happened that the concubine just came out of Cining Palace and knew that the emperor was going to accompany the queen mother. I was afraid that I was not free, and seeing the two adults walking in a hurry, with tired faces, I thought about taking the two adults to rest for a while, and waited for the emperor to go out of the Ci Ning Palace to pay him a visit. The concubines really did not have a trace of unruly heart. !" Xia Yuqing immediately hugged Feng Tingye's thigh and wailed as soon as she was left behind. She secretly twisted a hand on her thigh for the sake of reality, making her tearful in pain. Got... pinch!

Feng Tingye's anger was actually lost for the most part on the way back, his mind was slightly calm, and he immediately heard the omissions in the words of the two people just now, and he knew the whole story in his heart, and he didn't wait for him to speak. , Xia Yuqing first howled.

This time is fine, Feng Tingye's interest also came up, reached out and pinched Xia Yuqing's chin and lifted her face, smiling so Fengyun changed her color: "Ears are fictitious, seeing is believing, and what I see with my own eyes is still true. false?"

Xia Yuqing was frightened by Feng Tingye's sly smile, her mouth squashed, and she broke the jar and said, "How can the emperor believe in his concubines?"

The big bad wolf groaned, and the little white rabbit Hu You began to face unchanged: "I saw Ai Fei and the two adults behave intimately and talked ambiguously. Since Ai Fei insists on denying the closeness with him, she should take it out. Based on the facts, I have always been fair and strict, and I will definitely not wrong you."

Xia Yuqing was startled, tilted her head and asked: "What evidence does the emperor want to see?"

Feng Tingye glanced at Xia Yuqing, squinting her eyes slightly, and derived some calculations: "It is natural to see if Concubine Ai has traces of other men besides me?"

"Huh?" Xia Yuqing looked up at Feng Tingye incomprehensibly, and couldn't wait for her to understand the profound meaning of Feng Tingye's words. Someone had already begun to examine her belongings.

Overwhelmed on the soft bed for the second time, Xia Yuqing's head short-circuited for a moment, and she began to scream to the police. How can you be crushed again? How long has it been, always attacking adults, are you not afraid of death?

"Don't... don't come here, I warn you, my old lady has practiced eighteen ways to guard against wolves. Come and be careful that my old lady will kick you and make you really inhumane." Seeing the big bad wolf approaching step by step, Xia Yuqing also Regardless of the interests and inferiority, he picked up the brocade and came out of the goddess.

Feng Tingye was startled by Xia Yuqing's fierce appearance of her small paws. She was suddenly covered by the quilt that flew over, and hurriedly tore off the quilt from her head, but saw Xia Yuqing. I don't know when I have already ran to the other side of the bed. I took a step to the side, and Xia Yuqing took a step to the side.

The two stood on each other's beds, their eyes facing each other, their big and small eyes staring:  
"Come here."

Xia Yuqing looked alert: "No, come here if you have the ability."

Feng Tingye narrowed his phoenix eyes, raised his steps again, back and forth several times, then...  
"Don't move."

"Not moving is a fool, I am not a fool!"

"..." Knowing that arguing with someone about this is purely his own brain convulsion, so he wisely chose to do it personally.

The minions waiting outside Bangxiefang Hall heard a movement from the boss. This time everyone watched their noses and their hearts, but no one dared to rush in and take the lead. Alas, the emperor and our mothers are really energetic, and we have to come here every time. I don't know if this is good or not. Far eyes...

Xia Yuqing panted heavily and stared at Feng Tingye who was pressing on her body: "You are shameless."

"This is called outsmart. Haha, Concubine, you can't beat me."

"Huh, I'd rather die than surrender." After Xia Yuqing repeated the old trick, she stretched her leg and quickly kicked towards Feng Tingye.

Rao Feng Tingye had been prepared for a long time and was frightened into a cold sweat, his legs were slightly lowered, and Xia Yuqing's legs were clamped, making him unable to move. I have to say that the last accident was really not accidental. It was not just that Liu Yixiang, the so-called gangster girl, was more powerful, but Xia Yuqing was no exception to her.

After several struggles, even though Feng Tingye wouldn't be lifted out of bed by her like the last time, she couldn't help her. Forced, Feng Tingye had to resort to his final killer: "Actually... from the very beginning, I knew that what the two of them said was not the truth."

Leaning over and staring at Xia Yuqing's eyes widened in surprise, Feng Tingye's eyebrows were slightly bent, "Zi Tang Ping hates others for treating him as a child, and Yan Ran is the most famous person in his life. Unfortunately, what you said today seemed to offend them all, and I can't blame them for bullying you like this."

Unsurprisingly, Xia Yuqing's struggling movements suddenly stiffened, and the movements in her hands unknowingly relaxed a lot, allowing Feng Tingye to take advantage of the vacancy to break in.

Looking at Feng Tingye with a cute face, Xia Yuqing didn't dare to say anything: "You mean, they said that on purpose just now, in order to... slander and bully me?"

It's too much, because she still tried every possible means to perfect them, and let them and Master Zonggong cultivate a righteous fruit. It's fine if you don't appreciate it, and even treat her like this!

After the grief and anger passed, Xia Yuqing realized afterwards: "Since the emperor knew from the beginning, why did you just..." Xia Yuqing's eyes widened suddenly, "Are you playing me too?"

Looking at the unpredictable expression on Xia Yuqing's face that looked like the weather, Feng Tingye smiled more and more ill-intentioned. He leaned down, bit her white and tender earlobe, and chuckled lightly: "No, why am I willing to play you?"

In a short sentence, Xia Yuqing was moved to tears. It's a pity that before this touch was overwhelmed, it was completely...shattered by his next sentence.

"Of course I didn't fool you, I was just... teasing you."

"..." Hey, he always attacks adults, are you so evil and made by your parents? I can't play with you happily anymore, woo

Chapter 3495: The contest begins (2)

Situ Ningbing and Xue Ji frowned at the same time, they didn't expect Duanmuying would send such a person to meet Li Tian and others. .

"It's still a bit worse. After the game is over, we will hunt the zombies as soon as possible!"

Although Li Tian was not happy, he knew that this person was definitely not something Duanmuying could arrange, so he said.

"Oh, if necessary, I can help you at that time. After all, I can still be aggressive in the suburbs of Kyoto City! I can easily kill a tenth-level zombie! Even a level 11 zombie, as long as I fight with all my strength, You can also beheaded." That Kong Qing said arrogantly.

"What about the twelfth-level bereaved dog?" Xue Ji asked in an unhappy way.

Kong Qing looked a little ugly, and said displeasedly: "I have fought a level 12 zombie, and that level 12 zombie was seriously injured and fled. As for the level 12 zombie, I have not encountered it yet! , I will naturally try!"

After saying this, Kong Qing didn't say much.

The car soon arrived at the arena.

After everyone got out of the car, Kong Qing saw Li Tian and Tang Xiaolong each put out a large pack of corpse crystals from the car.

Looking at this big pack of corpse crystals, Kong Qing's face showed a hint of sarcasm, and he laughed in his heart: "Sure enough, as I expected, the killers were all low-level zombies. Unfortunately, these corpse crystals are probably all Won't accept it!"

"Li Tian, I have taken you here. I still need to prepare for battle. I won't accompany your Celestial Legion to send these corpse crystals!" Kong Qing said.

"Okay, I really trouble you. I will also participate in the competition later. If we can really be divided into a group, you must take care of us!" Li Tian said.

Seeing Kong Qing leaving in a hurry, Xue Ji said displeasedly: "This person is really self-righteous and disgusting."

"Did Kong Qing talk to you?" Lily asked.

"Oh, no, I introduced some game rules and scoring methods on the road." Li Tiandao.

Lily smiled slightly and said, "He is a bit arrogant, but other than that, he is not bad. In the legion, he only convinced two people, one is the legion commander Duanmu Ying, and the other is the old man Wuji."

Li Tian and Situ Ningbing looked at each other with clear expressions on their faces.

Duanmuying's current strength Li Tian doesn't know, but in terms of Duanmuying's ability to directly enter the finals without participating in the preliminaries and finals, it is certainly not weak. It is not easy to play Kong Qing. As for the old man Wuji, let alone.

With Kong Qing's temperament and character, it was natural that he had challenged Duanmuying, and the result was self-evident. Kong Qing must have been severely repaired by Duanmuying and Wuji old man, so Kong Qing only convinced Duanmuying and Wuji old man. .

"In that case, I will be the third person you are convinced!" Li Tian thought with a sneer in his heart.

Situ Ningbing took Tang Xiaolong and the others to take charge of the corpse crystal on the Celestial Legion, while Li Tian went straight to the arena.

This Kyoto City Arena is a stadium built after the end of the world. The full name is Forbes Arena. It was built under the auspices of Forbes, the most famous sports operation company on the earth after the end of the world.

The main building of the stadium is modeled after the ancient Roman arena.

The middle venue and surrounding stands are completely open-air, and the whole stand can accommodate 200,000 spectators, which shows the huge size of this venue.

The center of such a huge arena is not a flat ground, it turned out to be a whole half block.

In the middle is half a street over several hundred meters, and on both sides of the street are two or three-story buildings.

And this stadium is built around these buildings.

At this time, at the southeast entrance outside the arena, a huge LCD screen with a height of more than ten meters and a width of more than fifteen meters towered outside the stadium, and a list of 500 people for the preliminaries was scrolled on the display.

Even some key players' fighting videos will be played.

Needless to say, these videos are naturally prepared by the contestants themselves.

More than half of the players will indicate the player's name, age, corps and past results, but less than half of the players have only a few written records.

For example, the information of the last contestant is as follows:

Name: Li Tian;

Sex: Male;

age:? ;

Legion: Heaven;

Previous results: none;

Highest zombie level:?

Li Tian couldn't help but let out a wry smile when he saw his message on the display.

It stands to reason that Li Tian is already a king in the entire northwestern region. His information has appeared on the table of the top ten legions and major organizations, but he did not expect that Li Tian's name would be one of the companies in this Forbes personal strength competition. There were a few question marks in it.

In front of the LCD monitor, the contestants are all watching the information on the screen.

And around these LCD screens, seven or eight vendors holding various materials in their hands, shouting and selling nearby.

"Take a look, take a look! Here is the most comprehensive list of contestants and information!"

"Know yourself and the enemy, you will never end up in battle, master first-hand information, master your opponent's information, and make yourself better and better!"

"Ten pieces of ten pieces are as long as ten pieces, ten pieces of second-level corpse crystals, you can't buy it and you can't be fooled, but you can master all the information of your opponent!"

Li Tian was about to leave, but was stopped by a vendor.

"I said this brother, you must be a contestant too! Would you like to have a copy? With this information, you can learn about each of your enemies in detail. I guarantee you can become famous in one battle and enter the finals." Said the hawker.

Li Tian stretched out his hand to take the information that the hawker handed over, and flipped through it. The information on it was more comprehensive than that on the LCD screen.

And above, the information about Li Tian is much more comprehensive. Not only did Li Tian describe several decisive battle victories in the northwest region, but also Li Tian's tricks.

Of course, there are still a lot of gossip news on this, such as the relationship between Li Tian and Situ Ningbing, Situ Ningbing and Xueji, and Li Tian and Duanmuying.

In this book, the evaluation of Li Tian is only kept in the heavens, and the highest level of zombie hunting for Li Tian is also set at level 8.

Therefore, the probability of Li Tian's promotion is only 50% written in this booklet.

"Ten second-level corpse crystals, as long as ten second-level corpse crystals are enough, do you want one?" the vendor said cautiously.

"Have a pen?"

"Yes!" The hawker didn't know why the man in front of him asked for a pen.

Li Tian took over and wrote his name on the material, then flipped through the skin, took out a corpse crystal and handed it to the vendor, saying: "You keep this material, please Remember my name!"

The peddler looked at the Level 4 Corpse Crystal in his hand, still a little weird. He opened the book and saw the name on it. The peddler immediately said in surprise, "Difficult... Is he...?"

Chapter 3496: Who is he (1)

Looking at the fourth-level corpse crystal in the hands of this hawker, the other hawkers cast their envious eyes. This fourth-level corpse crystal was the turnover of these hawkers for a few days, and it was their income for nearly a month.

"Xiao Li, your kid's luck is too good? You can meet this kind of triumph. This corpse crystal is enough for you to earn more than half a month! Today you have to treat yourself!" said the nearby vendor.

"Kaizi? Do you know who he is? You dare to call him that way!" The peddler who was called Xiao Li said dissatisfiedly.

"Who is he?" the other vendors asked in unison.

Xiao Li's face was full of admiration, and he made an inscrutable expression, saying: "He didn't take the information I sold to him. Instead, he signed the name on it and made me remember him. name!"

"Now his name may be just a small person in Kyoto, but I believe that when the Forbes power contest is over, no, as long as the preliminaries are over, his name can make a sensation in the city!"

"Xiao Li, you are such a shit. The most indispensable thing in Kyoto is talented players. Like Liu Jun of the Liu Family Corps before, isn't he hailed as a genius? But when he participated in the preliminaries last year, what was the final result? How?" A hawker said with some mockery of Xiao Li.

"That's right, since I dared to participate in the preliminaries, then the one who has great confidence and strength is not the one who can stand out in the end is only those fifty people, and the other more than 400 people will only become heroes. Stepping stones!"

"I guess this kid is mostly from a small place. It's an ignorant frog at the bottom of a well. He doesn't know the heights of the arrogant. After a few hours, when the preliminaries begin, he will be frightened!"

"Hahaha, that's right. Didn't that happen in last year's preliminaries? It's a pity that we couldn't even buy a ticket before, or else, I really want to enter the scene of that kid's fart peeing just now! "

"Shut up!" Xiao Li shouted angrily.

The cry was not because Li Tian gave him a Level 4 corpse crystal, but Xiao Li, more than 500 contestants who had done a detailed understanding, especially his home Li Tian 500 years ago.

In Xiao Li's eyes, Li Tian is the representative of the rise of grassroots.

In just half a year, is it not enough to be able to change from a small bounty hunter to the lord of the heavens, and to be the subject of attention by all ten legions?

"Yeah, can Xiao Li be angry? This is the first time we have seen Xiao Li angry!"

"Xiao Li, who is he? You deserve to be angry with him!"

"Yes, let us remember his name by saying it, and when he is eliminated, we will all be so happy!"

These vendors said to Xiao Li every word and every word, they all believed that Li Tian must be a small person.

"Huh! You'll know by then!" Xiao Li was a little angry, and decided to leave here and change the entrance of the audience to get the information in his hand.

These materials are helpful to the players, and it is also helpful to the audience, just like a pre-apocalyptic celebrity gossip magazine, which can satisfy the curiosity of those audiences about some gossip news about their favorite players.

Li Tian didn't know what happened after he left, and he had already walked into the arena.

Just walked into the arena, it was a hall with thousands of square meters.

On one wall of the hall, there are ten huge LCD screens. The names of the contestants are also displayed on these LCD screens. However, behind the names of these contestants are not the information of the players, but the odds of the players.

That's right, it's the odds for these preliminaries to enter the finals.

Li Tian took a look, and ranked first is the Long Ao of Li Tian, the top ten legion. The odds of this man are only one to one.

Ranked second is Xu Yuan of the Pilgrimage and Saint Legion. This person's odds are one for one.

This shows that the strength of the two should be very close, but one of the two is in the first group, one is in the second group, and Li Tian is in the third group.

And in third place is Kong Qing from the Sakura Legion, whose odds are one to five.

What Li Tian didn't expect was that this Kong Qing was actually in the same group as him.

As for Li Tian's odds, Li Tian kept looking backwards, and finally saw his odds in the penultimate one.

If Li Tian enters the final, the odds are one to two hundred, and if Li Tian can enter the final with first place, then Li Tian's odds will reach one to one thousand and two to three.

It is such a big odds, but Li Tian's approval rate is still the bottom, only single digits support Li Tian.

On the contrary, Long Ao, Xu Yuan, Kong Qing and other members of the top ten legions have a stable support rate in the top ten.

Seeing that his popularity is so low, although Li Tian is not angry, he somewhat understands his position in the city of Kyoto.

In fact, this situation is easy to understand. It is like the coal bosses in the northwest border before the end of the world. There are many people worth hundreds of millions or even billions. But the popularity of these billionaires in Kyoto City may not be equal. A multi-millionaire in Kyoto, let alone a billionaire in Kyoto.

"It's no wonder that the old man Wuji asked me to participate in this Forbes strength competition. If there is no reputation, no matter how strong the Celestial Realm is, it will always be an influential army" Li Tian thought in his heart.

"It seems that this time I must use my full strength and make Tianjie one of the five old members of the Bounty Hunter Association!"

But seeing Li Tian's poor support, Li Tian felt a little unhappy and went directly to the betting window.

"Give me a bet, I want to support Li Tian! Li Tian, who bought fifty eight-level corpse crystals, entered the final, and Li Tian, who bought fifty seven-level corpse crystals, entered the final with the first place!" Li Tian Said to the staff in the window.

The staff member was surprised to see a pile of corpse crystals piled up by Li Tian.

He has been working here for so long, and he has seen a lot of people who gamble like Li Tian, but this is the first time he has seen a player like Li Tian who supports a bottom-ranked contestant.

This feeling is as if you know you will lose or you will support it.

This is probably the so-called iron rod!

"Li Tian? Wait a minute!" The staff member searched for a long time and finally found Li Tian's name in the last two lines.

Then the staff received Li Tian's corpse crystal and issued a bill to Li Tian.

After watching Li Tian turn around and leave, a staff member asked the staff member who had just bet on Li Tian: "Who was that person just now? I haven't seen him in Kyoto City!"

"I don't know where the second force came from. With so much money betting on players like Li Tian from the poor, it is better to choose to support Long Ao, at least you can guarantee the benefits..."

Li Tian collected the receipt, looked up at the display, and found that his approval rating had risen sharply, but it only rose by 41 places and still ranked in the bottom 50.

#### Chapter 3497: Who is he (2)

After Li Tian left the betting window, Xiao Li also came here.

"Thank you for betting on a level 4 corpse crystal. As a player, I choose Li Tian from Heaven!" Xiao Li said.

"Then whether you choose to bet to enter the final or choose to enter the final with the first result, the odds for the two are different!" said the staff member.

This corpse crystal was originally given to Xiao Li by Li Tian. Xiao Li thought for a moment and gritted his teeth and said: "Betting on the first place to enter the finals. Eh, five more third-level corpse crystals!"

Speaking, Xiao Li took out five corpse crystals from his skin and passed them in.

In the eyes of this staff member, although Xiao Li's bet amount is not large, he is also a gambler.

The difference is that the gambler just now has more capital, while Xiao Li's capital is less.

After receiving the receipt, Xiao Li raised his head and looked at the odds on the LCD screen. He firmly grasped the information signed by Li Tian in his hand, and said silently in his heart: "Li Tian, this time I will give up my life to bet with you. Put!"

After Xiao Li left, several people who bet on Li Tian came one after another. The amount of these people's bets was not large, the largest was an eighth-level corpse crystal, and the smallest turned out to only bet. A first-level corpse crystal.

But the appearance of these characters made the staff member panic.

Xiao Qiuman, the core cadre of the Bounty Hunters Association.

Mo Jianyuan, the core cadre of the Bounty Hunter Department.

Wu Lao, the five elders of the Bounty Hunters Association.

The commander of the Longteng Litian Legion, Long Yin.

Duanki Sakura, the commander of the Sakura Legion.

Huangfu Kunpeng, the first master of the Army Soul Legion.

Mu Yunlong, the commander of the Army Soul Corps.

The tyrant Gao Gang, the commander of the Black Dragon Legion.

...

The staff member looked at the list of these betting staff and swallowed involuntarily.

"This...Who is this Li Tian? How could there be such a master, a master, a master to support Li Tian!"

"Or...or should I support Li Tian? Just a little support. Even if Li Tian can't win, I will lose a little corpse crystal, but if I win? Then I will make a lot of money!" The staff member quickly placed himself a bet on Li Tian to enter the finals in the first place.

Even if there are so many big figures supporting Li Tian, for a large audience, it will not have much impact on Li Tian's approval rate. Li Tian's ranking is just another step forward.

When Tang Xiaolong and others came to the hall, their faces were not pretty.

After a day and two nights of assaults, they have obtained a lot of corpse crystals, but compared with the corpse crystals obtained by the other three nominated legions in the Five Old Society, there is still a gap.

"Now it seems that we can only rely on Tian Ge's personal strength competition ranking!" Tang Xiaolong said.

Situ Ningbing nodded, looked up at Li Tian's approval rating on the LCD screen, and said, "However, Li's approval rating is still very low now. Let's support Li together!"

"How to support?"

"Let's put all the corpse crystals in our body on Li Tian to enter the finals!" Situ Ningbing said.

"Hey, play the big one if you want to play, or let's bet the little boss to enter the finals with first place!" Tang Xiaolong said with some excitement.

"Okay! That's it!" Lily said.

At this time, Kong Qing also came to the hall. After hearing Lily and the others say this, he sneered in his heart, sneering at Li Tian's strength even more.

"If that's the case, then I will support Li Tian, too?" Kong Qing walked to Lily and interjected.

"you.....?"

Don't look at me like that. Li Tian is the man of the regiment commander after all, and I'm also cleaning up when I came to support him. "Kong Qing said with a smile.

"Give me a bet on a first-level corpse crystal, Li Tian entered the final with the first place!" Kong Qing passed a first-level corpse crystal in and said to the staff in the betting window.

Tang Xiaolong wanted to rush to beat Kong Qing in anger, but was caught by Situ Ningbing's hand!

"Xiaolong, don't care what others think, as long as we support Li!"

...

After about an hour, the final game time was set.

Starting in the afternoon of the first day, it was the first group of games.

From the next day, the second group starts in the morning, and the third group starts from the afternoon to the evening.

On the third day, it was the fourth group in the morning and the fifth group in the afternoon.

The competition time of each group is within five hours. Once the competition time of this group starts, then all the 102 contestants of this group must enter the central area of the competition field.

Then within the stipulated five-hour period, there was an unruly chaos.

Any player can attack other players.

Even these contestants can form a team to attack other contestants.

After all, there are ten places in a group that can make it to the finals.

If there are members from a legion in a group, this situation is entirely possible.

As long as the contestant has the fighting ability of the zombies, it is judged as a failure.

Similarly, if a contestant thinks that he can no longer participate in the competition, he can choose to escape to the specified area, as long as he escapes into this area, it is judged to abstain.

The final ranking of all contestants is based on the number of injured and defeated other contestants to get points.

Theoretically, the top score can reach 101 points.

And then use this point to schedule the final top 50 results.

However, in terms of last year's results, the best result of last year's group first was 37 points, which means that within the prescribed five hours, this player made the other 37 players incapacitated. Or let these players choose to give up automatically in his hands.

Li Tian's group is the third group, and the time for the competition is tomorrow afternoon, so Li Tian can enter the auditorium of the Arena today to learn about the strength of other players.

Li Tian is a contestant, and all contestants have special seats for contestants, so there is no need to buy tickets specially.

Li Tian held the contestant card and passed the contestant channel to the contestant seat.

Through the huge glass windows, Li Tian can see that the auditorium of the Arena is already crowded.

In the last days, there is not enough entertainment, this Forbes power competition will become an annual event.

There were enthusiastic spectators sitting in the audience. Almost all of these spectators had a handbook of information, discussing the players they supported and betting on.

"Gentlemen and ladies, today we ushered in the opening of the annual individual competition again. Now let us usher in the first game of the year with the warmest applause. Please enter the first game..."

Chapter 3498: Long Ao's ambition (1)

Once you step into the arena, the battle has already begun.

One hundred and two players entered the arena from the four entrances of the arena. Those novices who were still silent with excitement and tension were still waving to the surrounding spectators. As soon as the old players entered the arena, He continued to rush forward, and his body quickly disappeared between the buildings on the half street.

"Why... what are you running?" A novice still looked at the silhouettes of those veterans in doubt, thinking in his heart.

"Huh!"

As soon as the player's voice fell, he heard the sound of drawing a knife from behind him.

And the novice will turn his head away, and want to see the look of the person pulling the knife, he will feel a sudden burning pain in his legs.

"puff!"

The blood sprayed out from his legs, and his trousers were covered with blood in an instant, and the novice fell to his knees with a "puff", and rolled on the ground holding his two injured legs.

Long Ao lifted the blood-stained blade in his hand, licked the blood on the blade with his tongue, and then stepped on the novice's body and stomped hard a few times before he said coldly and proudly: "Abstaining?"

Isn't this a \*\*\*\* sneak attack?

The host hasn't announced the start of the game, so why did he start a sneak attack?

The novice looked around anxiously, hoping that someone could come out to uphold justice and justice.

However, the novice was quickly disappointed. The moment Long Ao pulled his knife, the other contestants quickly fled to the side.

"Idiot, knowing that Long Ao is the number one potential player on the ranking list, he even dared to stand beside Long Ao."

"I don't know how to live or die! Sins committed by heaven can be forgiven, and sins committed by yourself cannot live."

Long Ao was condescending, with a sneer on his face, lifted the blade in his hand, and said coldly: "Three, two, one..."

"Huh!"

The cold light flashed, and the blade of Long Ao directly slashed the novice's arm.

And this shot was obviously heavier than the first time, and this shot almost cut off the novice's arm.

Long Ao's blade directly slashed the novice's arm, and even cut on the bone, making a scratch on the bone.

"what!"

The novice suddenly let out a tragic cry, and the beads of sweat on his head fell to the ground one by one.

"Three, two..." Long Ao continued to count down coldly.

Although the novice was a bit unwilling, he had thousands of thoughts and ambitions in his heart, but at this time, I was a fish, but he had to use the only movable arm to pull out a white handkerchief from his pocket and forcefully Wave the handkerchief.

Abstain!

"Wow!"

"Haha, no loss is Long Ao, who ranks first. He picked up a point right after he played."

"My bet on Long Ao is right!"

In the audience, the audience who saw the battle on Long Ao's side immediately let out a cry of exclamation, and then began the chattering discussion.

At this time, the contestants who were still watching Long Ao and the novice fighting just now, as soon as the novice raised the handkerchief, they ran away towards the half of the street.

When a dozen or so heavily armed staff saw the newbie waving a white handkerchief, they immediately walked in and dragged the newbie into the designated abstention area like a dead dog.

When we arrived in this area, we had other staff to provide emergency care for this player.

However, judging from the novice's wound, it is estimated that even if this person is healed, his arm is also broken.

At the same time, the remaining one hundred people have been hidden in the buildings on the entire arena.

The arena is not big, that is, it's only half a street, but it's not too small. When a hundred people enter the arena, it's like a hundred ants enter a room.

But this is the case, there will always be people coming together, and there have been sporadic battles.

The vast majority of battles are equally matched, and the two sides of the battle are indistinguishable from each other. After these players know that they will not be able to win each other for a while, they immediately separate and choose other players to start.

But there are also a few combatants who have a large gap in strength between the two sides. Once this happens, the weaker party will start to flee frantically.

For these losers, keeping the green hills is not afraid of losing their skills.

Anyway, the battle will last for five hours, this has just begun, there is no need to fight hard.

For those players who have the upper hand, it is definitely not easy to fly the duck, that person is a point.

And among the more than one hundred people, there are always a few who have absolute confidence in their own strength, and walk slowly toward the center of the street from the four entrances.

Long Ao is one person.

Holding the knife, Long Ao glanced across the buildings on the left and right. In his eyes, he could see the players hiding inside.

Fifty meters ahead, there is a player hidden behind a wall.

There are two players in the room at one hundred and ten meters ahead on the right. It seems that the two are from the same legion.

Two hundred meters ahead left...

On the roof of a building more than a hundred meters away, stood a man holding a heavy bow. This man had long hair and his hair was braided. The bow is already full, and the arrow feathers that are more than 1.5 meters long and the thickness of the baby's arm have been placed on the string, and the arrow is facing Long Ao.

The archer was carrying a total of five arrow feathers behind his back, which were the same as the arrow feathers in his hand.

Each one is one meter and five meters long, the baby's arm is thin and weighs 15 kilograms, the arrow is made of pure steel, and the arrow body is made of green bamboo from the south.

"Whoo!" A sound.

The arrow shot out, drove the air to make a sharp noise, and shot towards Long Ao.

In Long Ao's eyes, the arrow grew bigger and bigger, as if a wooden stake of basketball thickness was shot at him.

Long Ao sneered, and ran violently, sprinting in the direction of the arrow, while the knife in his hand was gently lifted up.

"Huh!"

The blade in Long Ao's hand slashed directly on the arrow.

"Qiang!" A cry.

The arrow was slashed aside by Long Ao with a blade, and flew out with Long Ao's cheek.

And the archer saw that this arrow was easily picked aside by Long Ao, and he knew in his heart that Long Ao was really hard to deal with.

And once Long Ao and his distance were close, then he was a little dangerous.

The archer smiled slightly at the corner of his mouth, then turned and fled in the other direction.

Long Ao sneered all over, and did not go after the archer.

"Just leave you for the end!" Long Ao said with a sneer.

Chapter 3499: Long Ao's ambition (2)

The battle lasted for nearly an hour, and more than 20 of the more than 100 people lost the ability to continue fighting for various reasons and withdrew from the competition. Among them, Long Ao alone scored seven points.

As these weakest contestants withdrew from the competition, the strength of the remaining 70-odd contestants got closer, and the battle became more intense.

"Huh!"

Long Ao slashed one of the contestants to the ground. The contestant fell to the ground and backed away in fear. He quickly took out a white handkerchief and announced that he would abstain automatically.

Long Ao sneered and said, "The eighth point."

In the Longteng Litian Legion, Long Ao can only rank third.

Ranked first is naturally the commander of the army Long Yin. Long Yin is ranked second only to Huangfu Kunpeng on the Forbes personal strength list, and Long Tenglitian's deputy army commander, Long Kuang, also ranks among the top on the Forbes strength list Three hundred.

Only Long Ao, ranked third, didn't even enter the top five hundred.

Of course, the top 500 in the world is not easy for everyone to enter. After all, the number of places is limited, and after the end of the world, the capable will emerge in large numbers and the strong will enter the cloud. But for anyone with a strong mentality, entering the top 500 is their dream.

The same is true for Long Ao.

Long Ao, as Long Teng Litian's second deputy head of the army, although his strength is strong, he has not entered the top five hundred, which makes Long Ao always feel unable to hold his head in the legion.

Therefore, Long Ao set a goal for him before the competition this time. This is also the expectation of Long Teng Litian Army Commander Long Yin, that is, Long Yin must enter the final with the top three results in the preliminaries.

Long Ao set himself a higher goal, that is to enter the final with the first result, and also enter the final with a record-breaking result.

Now, only one hour after the start of the game, Long Ao has already scored eight points.

Based on eight points per hour, Long Ao is entirely possible to enter the finals with record-breaking results.

Long Ao looked up and looked not far away. In the street behind a two-story building in front of him on the right, the two people from the same legion had already joined hands to maimed another contestant. The contestant has raised the white handkerchief in his hand.

One more person was eliminated.

Long Ao ran forward a few steps violently, his body jumped up to a wall, and then Long Ao's figure flashed, and he came to the roof of the two-story building. On the roof, Long Ao quickly continued towards that. The two players approached.

"Swish!" With a sound, Long Ao jumped down from the second floor and fell in front of the two contestants.

The two contestants are from the same corps named Zai Zhanjiang Hu, one of them is Zhang Wei and the other is Gao Liang.

After Zhang Wei and Gao Liang saw Long Ao suddenly appearing, they both stepped back a few steps in unison, and said in shock, "Long...Long Ao!"

"Long Ao, I know you are strong, but we are not weak, and we are two of us joining hands. If we really fight, it is still unknown who will die. It is better now, our well water does not offend the river, and we each go our own way and join hands. Enter the final!" Zhang Wei said.

"Yes, there are ten people in this group. We don't have to make a deadlock. It's better to join forces. This way we can ensure that we can all enter the finals." Gao Liang also said.

Long Ao sneered looking at Zhang Wei and Gao Liang, and said, "What's your ranking?"

"Row...ranking? I'm one hundred and fifty-seven, he's three hundred and twenty-three!" Zhang Wei didn't know why Long Ao asked.

"Yeah, you are one hundred and fifty-seven, and he is only three hundred and twenty-three. Neither of you are in the top fifty. Why should you tell me that you will join forces? Is it? If you really can't kill, then I will consider joining hands with you. If not, then don't waste my time." Long Ao said with a sneer.

"Long Ao, this betting ranking does not represent the strength of this strength. Like the core cadres of the top ten legions, they are already well-known in the city of Kyoto, and naturally there will be more bettors. And like us, we will fight again. It's just a first-class legion, we can have such a high ranking, it is enough to show our strength!" Gao Liang saw Long Ao's aloof expression, disdainful eyes, and said in his heart a little displeased.

Everyone is a master, so why should a master embarrass a master? Could it be that our two masters together can't beat a master like you?

This is what Liu Qiang and Gao Liang thought.

"If you have real strength, then take up the weapons in your hands! Let me have a look!" Long Ao said with a sneer.

Zhang Wei and Gao Liang looked at each other, knowing that there must be no way to continue peaceful exchanges this time.

There was an exchange of sight between the two, holding weapons, and then cautiously surrounding Long Ao.

"The tiger doesn't show off, do you really treat us as a sick cat?" Zhang Wei said with a sneer.

"Long Ao, naturally you don't know whether you live or die, then our two brothers will fulfill you!" Gao Liang said.

Suddenly, on the top of the second-story building in the distance, the long-haired man with a strong bow suddenly appeared here and said, "You want to kill Longao! I'm the one!"

This strong bow man's name is Liu Qiang, and he is also a legion commander named Demon Bow Legion.

...

In the audience of the contestants, most of the people were looking at Long Ao. They saw that Long Ao was surrounded by Zhang Wei and Gao Liang, and Liu Qiang was still surrounded by the three of them. Many contestants started to fight this upcoming battle. Discuss.

"Although this Long Ao is strong, it's hard to beat four hands with two fists, not to mention that there is still a Liu Qiang in the distance. This time Long Ao may be defeated by Maicheng!"

"Impossible! Long Ao is the number one player on the list. He is the second legion commander of Long Teng Li Tian, the top ten legion. His strength does not stop there."

"Yes, among the top ten legions, except for the Yin Yang Gate's only one seat among the top 500, the other legions have at least two to three seats. With the strength of the dragon, this dragon is bound to Will enter the finals."

"You can't say that. In this Forbes personal strength competition, which one is the weaker? The difference in strength between the people is not very big, and now they are playing more and less. If this can't beat Long Ao, then It can only show that Long Ao is too defying, and can already enter the top 500."

Li Tian didn't discuss with them. After seeing Long Ao hit the archer's arrow with a knife for the first time, Li Tian felt that Long Ao's strength was far superior to other contestants.

Seeing Long Ao beating other players in the back, this has basically concluded Li Tian's thoughts. And Li Tian believed that Long Ao must have other hidden moves.

"There is no need to look anymore. I should have a good sleep when I go back, and prepare for tomorrow's battle!" Li Tian stood up and walked out.

"Who is he? What a rare opportunity to master other contestants, he doesn't know how to cherish it!"

"You mean him? Funny than Li Tian, a player ranked in the next few places, it is estimated that seeing the strength of other players is strong, prepare to give up!"

## Chapter 3500: Grades

"The emperor, you really misunderstood. The concubine really didn't mean that. The concubine just heard the two adults talk about entering the palace to see the emperor. It happened that the concubine just came out of Cining Palace and knew that the emperor was going to accompany the queen mother. I was afraid that I was not free, and seeing the two adults walking in a hurry, with tired faces, I thought about taking the two adults to rest for a while, and waited for the emperor to go out of the Ci Ning Palace to pay him a visit. The concubines really did not have a trace of unruly heart. Just after being left behind, Xia Yuqing immediately hugged Feng Tingye's thigh and wailed, and for the sake of reality, she secretly twisted her thigh, which made her tearful in pain. Got... pinch!

Feng Tingye's anger was actually lost for the most part on the way back, his mind was slightly calm, and he immediately heard the omissions in the words of the two people just now, and he knew the whole story in his heart, and he didn't wait for him to speak. , Xia Yuqing first howled.

This time is good, Feng Tingye's interest also came up, reached out and pinched Xia Yuqing's chin and raised her face, smiling so that Fengyun changed her color: "Ears are fictitious, seeing is believing, what I see with my own eyes is still false?"

Xia Yuqing was frightened by Feng Tingye's sly smile, her mouth squashed, and she broke the jar and said, "How can the emperor believe in his concubines?"

The big bad wolf groaned, and the little white rabbit Hu You began to face unchanged: "I saw Ai Fei and the two adults behave intimately and talked ambiguously. Since Ai Fei insists on denying the closeness with him, she should take it out. Based on the facts, I have always been fair and strict, and I will definitely not wrong you."

Xia Yuqing was startled, tilted her head and asked: "What evidence does the emperor want to see?"

Feng Tingye glanced at Xia Yuqing, squinting her eyes slightly, and derived some calculations: "It is natural to see if Concubine Ai has traces of other men besides me?"

"Huh?" Xia Yuqing looked up at Feng Tingye incomprehensibly, and couldn't wait for her to understand the profound meaning of Feng Tingye's words. Someone had already begun to examine her belongings.

Overwhelmed on the soft bed for the second time, Xia Yuqing's head short-circuited for a moment, and she began to scream to the police. How can you be suppressed again? How long has it been, always attacking adults, are you not afraid of death?

"Don't... don't come here, I warn you, my old lady has practiced eighteen ways to guard against wolves. Come and be careful that my old lady will kick you and make you really inhumane." Seeing the big bad wolf approaching step by step, Xia Yuqing also Regardless of the interests and inferiority, he picked up the brocade and came out of the goddess.

Feng Tingye was startled by Xia Yuqing's fierce appearance of her small paws. She was suddenly covered by the quilt that flew over, and hurriedly tore off the quilt from her head, but saw Xia Yuqing. I don't know when I have already ran to the other side of the bed. I took a step to the side, and Xia Yuqing took a step to the side.

The two stood on each other's beds, their eyes facing each other, their big and small eyes staring: "Come here."

Xia Yuqing looked alert: "No, come here if you have the ability."

Feng Tingye narrowed his phoenix eyes, raised his steps again, back and forth several times, then... "Don't move."

"Not moving is a fool, I am not a fool!"

"..." Knowing that arguing with someone about this is purely his own brain convulsion, so he wisely chose to do it personally.

The minions waiting outside Bangxiefang Hall heard a movement from the boss. This time everyone watched their noses and their hearts, but no one dared to rush in and take the lead. Alas, the emperor and our mothers are really energetic, and we have to come here every time. I don't know if this is good or bad. Far eyes...

Xia Yuqing panted heavily and stared at Feng Tingye who was pressing on her body: "You are shameless."

"This is called outsmart. Haha, Concubine, you can't beat me."

"Huh, I'd rather die than surrender." After Xia Yuqing repeated the old trick, she stretched her leg and quickly kicked towards Feng Tingye.

Rao Feng Tingye had been prepared for a long time and was frightened into a cold sweat, his legs were slightly lowered, and Xia Yuqing's legs were clamped, making him unable to move. I have to say that the last accident was really not accidental. It was not just that Liu Yixiang, the so-called gangster girl, was more powerful, but Xia Yuqing was no exception to her.

After several struggles, even though Feng Tingye wouldn't be lifted out of bed by her like the last time, she couldn't help her. Forced, Feng Tingye had to resort to his final killer: "Actually... from the very beginning, I knew that what the two of them said was not the truth."

Leaning over and staring at Xia Yuqing's eyes widened in surprise, Feng Tingye's eyebrows were slightly bent, "Zi Tang Ping hates others for treating him as a child, and Yan Ran is the most famous person in his life. Unfortunately, what you said today seemed to offend them all, and I can't blame them for bullying you like this."

Unsurprisingly, Xia Yuqing's struggling movements suddenly stiffened, and the movements in her hands unknowingly relaxed a lot, allowing Feng Tingye to take advantage of the vacancy to break in.

Looking at Feng Tingye with a cute face, Xia Yuqing didn't dare to say anything: "You mean, they said that on purpose just now, in order to... slander and bully me?"

It's too much, because she still tried every possible means to perfect them, and let them and Master Zonggong cultivate a righteous fruit. It's fine if you don't appreciate it, and even treat her like this!

After the grief and anger passed, Xia Yuqing realized afterwards: "Since the emperor knew from the beginning, why did you just..." Xia Yuqing's eyes widened suddenly, "Are you playing me too?"

Looking at the unpredictable expression on Xia Yuqing's face that looked like the weather, Feng Tingye smiled more and more ill-intentioned. He leaned down, bit her white and tender earlobe, and chuckled lightly: "No, why am I willing to play you?"

In a short sentence, Xia Yuqing was moved to tears. It's a pity that before this touch was overwhelmed, it was completely...shattered by his next sentence.

"Of course I didn't fool you, I was just... teasing you."

"..." Hey, he always attacks adults, are you so evil and made by your parents? I can't play with you happily anymore, woo
