

## A Killer 3501

### Chapter 3501: High-profile battle

"The emperor, you really misunderstood. The concubine really didn't mean that. The concubine just heard the two adults talk about entering the palace to see the emperor. It happened that the concubine just came out of Cining Palace and knew that the emperor was going to accompany the queen mother. I was afraid that I was not free, and seeing the two adults walking in a hurry, with tired faces, I thought about taking the two adults to rest for a while, and waited for the emperor to go out of the Ci Ning Palace to pay him a visit. The concubines really did not have a trace of unruly heart. !" Xia Yuqing immediately hugged Feng Tingye's thigh and wailed as soon as she was left behind. She secretly twisted a hand on her thigh for the sake of reality, making her tearful in pain. Got... pinch!

Feng Tingye's anger was actually lost for the most part on the way back, his mind was slightly calm, and he immediately heard the omissions in the words of the two people just now, and he knew the whole story in his heart, and he didn't wait for him to speak. , Xia Yuqing first howled.

This time is fine, Feng Tingye's interest also came up, reached out and pinched Xia Yuqing's chin and lifted her face, smiling so Fengyun changed her color: "Ears are fictitious, seeing is believing, and what I see with my own eyes is still true. false?"

Xia Yuqing was frightened by Feng Tingye's sly smile, her mouth squashed, and she broke the jar and said, "How can the emperor believe in his concubines?"

The big bad wolf groaned, and the little white rabbit Hu You began to face unchanged: "I saw Ai Fei and the two adults behave intimately and talked ambiguously. Since Ai Fei insists on denying the closeness with him, she should take it out. Based on the facts, I have always been fair and strict, and I will definitely not wrong you."

Xia Yuqing was startled, tilted her head and asked: "What evidence does the emperor want to see?"

Feng Tingye glanced at Xia Yuqing, squinting her eyes slightly, and derived some calculations: "It is natural to see if Concubine Ai has traces of other men besides me?"

"Huh?" Xia Yuqing looked up at Feng Tingye incomprehensibly, and couldn't wait for her to understand the profound meaning of Feng Tingye's words. Someone had already begun to examine her belongings.

Overwhelmed on the soft bed for the second time, Xia Yuqing's head short-circuited for a moment, and she began to scream to the police. How can you be crushed again? How long has it been, always attacking adults, are you not afraid of death?

"Don't... don't come here, I warn you, my old lady has practiced eighteen ways to guard against wolves. Come and be careful that my old lady will kick you and make you really inhumane." Seeing the big bad wolf approaching step by step, Xia Yuqing also Regardless of the interests and inferiority, he picked up the brocade and came out of the goddess.

Feng Tingye was startled by Xia Yuqing's fierce appearance of her small paws. She was suddenly covered by the quilt that flew over, and hurriedly tore off the quilt from her head, but saw Xia Yuqing. I don't know when I have already ran to the other side of the bed. I took a step to the side, and Xia Yuqing took a step to the side.

The two stood on each other's beds, their eyes facing each other, their big and small eyes staring:  
"Come here."

Xia Yuqing looked alert: "No, come here if you have the ability."

Feng Tingye narrowed his phoenix eyes, raised his steps again, back and forth several times, then...  
"Don't move."

"Not moving is a fool, I am not a fool!"

"..." Knowing that arguing with someone about this is purely his own brain convulsion, so he wisely chose to do it personally.

The minions waiting outside Bangxiefang Hall heard a movement from the boss. This time everyone watched their noses and their hearts, but no one dared to rush in and take the lead. Alas, the emperor and our mothers are really energetic, and we have to come here every time. I don't know if this is good or not. Far eyes...

Xia Yuqing panted heavily and stared at Feng Tingye who was pressing on her body: "You are shameless."

"This is called outsmart. Haha, Concubine, you can't beat me."

"Huh, I'd rather die than surrender." After Xia Yuqing repeated the old trick, she stretched her leg and quickly kicked towards Feng Tingye.

Rao Feng Tingye had been prepared for a long time and was frightened into a cold sweat, his legs were slightly lowered, and Xia Yuqing's legs were clamped, making him unable to move. I have to say that the last accident was really not accidental. It was not just that Liu Yixiang, the so-called gangster girl, was more powerful, but Xia Yuqing was no exception to her.

After several struggles, even though Feng Tingye wouldn't be lifted out of bed by her like the last time, she couldn't help her. Forced, Feng Tingye had to resort to his final killer: "Actually... from the very beginning, I knew that what the two of them said was not the truth."

Leaning over and staring at Xia Yuqing's eyes widened in surprise, Feng Tingye's eyebrows were slightly bent, "Zi Tang Ping hates others for treating him as a child, and Yan Ran is the most famous person in his life. Unfortunately, what you said today seemed to offend them all, and I can't blame them for bullying you like this."

Unsurprisingly, Xia Yuqing's struggling movements suddenly stiffened, and the movements in her hands unknowingly relaxed a lot, allowing Feng Tingye to take advantage of the vacancy to break in.

Looking at Feng Tingye with a cute face, Xia Yuqing didn't dare to say anything: "You mean, they said that on purpose just now, in order to... slander and bully me?"

It's too much, because she still tried every possible means to perfect them, and let them and Master Zonggong cultivate a righteous fruit. It's fine if you don't appreciate it, and even treat her like this!

After the grief and anger passed, Xia Yuqing realized afterwards: "Since the emperor knew from the beginning, why did you just..." Xia Yuqing's eyes widened suddenly, "Are you playing me too?"

Looking at the unpredictable expression on Xia Yuqing's face that looked like the weather, Feng Tingye smiled more and more ill-intentioned. He leaned down, bit her white and tender earlobe, and chuckled lightly: "No, why am I willing to play you?"

In a short sentence, Xia Yuqing was moved to tears. It's a pity that before this touch was overwhelmed, it was completely...shattered by his next sentence.

"Of course I didn't fool you, I was just... teasing you."

"..." Hey, he always attacks adults, are you so evil and made by your parents? I can't play with you happily anymore, woo

In a short sentence, Xia Yuqing was moved to tears. It's a pity that before this touch was overwhelmed, it was completely...shattered by his next sentence.

"Of course I didn't fool you, I was just... teasing you."

"..." Hey, he always attacks adults, are you so evil and made by your parents? I can't play with you happily anymore, woo

Chapter 3506: Double seconds (2)

"How is it possible? How can there be quicksand in the middle of the arena? Could it be that there are other players secretly helping Li Tian?"

"It's entirely possible, after all, this preliminaries are allowed to team up for battle!"

"Impossible. Li Tian will use his Qi to defend his sword and move instantaneously. There is no need to find a helper."

In the audience, after seeing Kong Qing sinking into the quicksand, the audience immediately began to talk.

This Li Tian gave many audiences too many surprises, first with the Qi Yujian, and then moving instantaneously, and now he can sink Kong Qing directly into the quicksand.

At this time, all the audience was full of joy and hope.

Everyone wondered what kind of surprise Li Tian could give everyone in this game, and how many points Li Tian would eventually enter the finals with.

Under the eyes of the public, Li Tian walked towards Kong Qing without rushing.

Kong Qing was still sinking, and the quicksand was already buried at Kong Qing's waist. Kong Qing shouted at Li Tian in a panic, "Li...Li Tian, please help me!"

Seeing Kong Qing's panicked expression, Li Tian let out a cold snort.

Are you kidding me?

Now that the fight has been agreed, how could Li Tian easily let Kong Qing go, and how could he save Kong Qing?

That's a precious point!

As for why Kong Qing fell into the quicksand, and where did the quicksand on the ground come from, then it is naturally the credit to the ground Xing Yasha.

Li Tian blew a whistle. With this whistle, Kong Qing's sagging quicksand stopped sinking.

Kong Qing could not help but let out a breath when he felt that the quicksand stopped sinking.

At this time, Li Tian was getting closer and closer to Kong Qing, and the distance between the two was less than five steps.

"Opportunity, at such a close distance, if I suddenly launch a flying knife, even if Li Tian will teleport, I am afraid I can't avoid it! This is a rare opportunity!" Kong Qing thought in his heart.

"As for Li Tian's injury, this is the arena after all, and it is inevitable. As long as he is not killed, Duanmuying Army Commander can't take me!"

At this time, Li Tian was less than three steps away from Kong Qing.

A rare opportunity. Thinking of this, Kong Qing's hands suddenly fell towards Li Tian, and the last four flying knives on his body flew towards Li Tian with a swish.

Of course Li Tian would not teleport, and he would not be unprepared against Kong Qing. When Kong Qing's arm moved slightly, Li Tian shouted: Knot!

The "Red Zhan" flew back to Li Tian's body, forming a white bone armor on Li Tian's right arm, and Li Tian directly used the "Red Zhan" in his hand and the white bone armor to block Kong Qing from releasing Throwing knives coming out.

"Chang!"

"Chang!"

After several metal-like crashes, the four flying knives released by Kong Qing were all knocked to the ground by Li Tian's "Red Zhan" without exception.

After it flew to the ground, it was not honest, and the handle of the knife was still shaking slightly, as if trying to take off again.

"Huh! It's really a squad who dared to play a flying knife in front of my Li Tian! Don't you know that our Li family is the ancestor of the flying knife." Li Tian thought with a sneer.

At this time, Li Tian shouted: "Solution".

The "Hong Zhan" in Li Tian's hand flew out, chopping all the flying knives that Kong Qing had landed on the ground into slag.

However, Li Tian was not satisfied, his mind controlled "Red Zhan" to continue flying towards Kong Qing, and kept flying back and forth on Kong Qing's head.

When Li Tian whistled, Kong Qing began to sink.

"Li...Li Tian, I know I was wrong! You let me out!" Kong Qing begged for mercy.

"Li Tian, you know that murder is not allowed in this arena, otherwise..."

Li Tian interrupted Kong Qing directly and said, "Don't worry, how could I kill you?"

Soon, Kong Qing sank directly to the position of his neck, leaving only one head, and then stopped.

And the "Red Cut" was flying fast on Kong Qing's head, and strands of hair fell from Kong Qing's head.

"Li...Li Tian, you can't \*\*\*\* die!" Kong Qing cursed.

"Really?" Li Tian rushed over, facing Kong Qing's head with a kick. This kick directly caused the nosebleed from Kong Qing's kick, and at this time, Kong Qing's hair had been shaved by Li Tian with a "red cut". It's terrible.

Li Tian wanted to beat this \*\*\*\* a long time ago, but unfortunately if he did it outside the arena, it would attract a lot of speculation, and it would be disrespectful to Duanmuying.

But in this arena, it is completely reasonable.

Moreover, it was Li Tian who beat two people alone, even if it was anyone, he couldn't say anything about Li Tian.

Li Tian kicked Kong Qing's head with his foot abruptly, and then said with a sneer: "You'd better not move, my head shaving skills are limited. If your ears are cut off, it will be embarrassing."

"Li Tian, you have the \*\*\*\* ability to kill me! Don't wait for me to get out of this arena, I will be the first to let you go!"

"Okay! I'm waiting for you!" Li Tian kicked Kong Qing again and said.

With his two feet connected, Kong Qing's nose and face were swollen.

Kong Qing's heart was bleak, he was regretting, why should he embarrass Li Tian.

Originally based on the relationship between Li Tian and Duanmuying, even if Kong Qing could not qualify for the first place in the group, he could still have a good relationship with Li Tian and easily qualify in this group.

But now, Kong Qing no longer considers the issue of qualifying, but Li Tian's humiliation to him, which makes him how to raise his head in Kyoto City in the future.

"I...I...I abstain! I want to quit the game!" Kong Qing said.

Li Tian squatted in front of Kong Qing, slapped a slap on Kong Qing's face, and said with a sneer: "You represent the Army of Sakura. Now you are just losing Dian's hair. Who told you to quit The game? Are you trying to cover me? You are leaving the game now, how do you explain to the Sakura Legion? You are facing the Sakura Legion, are you worthy of Duanmu Sakura?"

"I'm pooh, it's a big deal, I quit the Sakura Legion. With my Kong Qing's strength, that legion won't rush me!" Kong Qing said angrily.

"Okay! In that case, then I won't say anything!"

"Huh!"

A red light flashed, one of Kong Qing's ears was directly cut off by Li Tian, and Kong Qing immediately let out a scream.

A dozen fully armed staff members immediately rushed out of the passage. These staff members forcibly separated Li Tian and Kong Qing, and then announced loudly to the auditorium: "Kong Qing, deep in the mud, has lost In order to gain combat ability, the verdict was lost, and Li Tian added one more point."

From the auditorium, there was an exclamation of all the audience immediately, and over the arena, there was an announcement: Kong Qing, the army of cherry blossoms, out!

Chapter 3507: Double seconds (3)

Kong Qing is out, so Li Tian's next goal is Xie Chengzhi.

Don't say that Xie Chengzhi and Kong Qing took the initiative to find Li Tian, even if they didn't take the initiative to find Li Tian, Li Tian, who was temporarily ranked first in the group, would take the initiative to find them.

This is not only because Kong Qing pretends to be forceful in front of Li Tian when he is outside, but because Li Tian likes to work with the strong and fight with the strong. Only by fighting the strong can Li Tian become stronger.

Blindly abuse the weak, although you can get points, but it does not benefit Li Tian's growth in the slightest.

Another wish is that Li Tian is from the northwest region.

Li Tian wanted to tell the city of Kyoto, and wanted to tell the other ten legions, the two associations, that fierce men can also be born in the northwest region.

at the same time.

That Xie Chengzhi had already dissipated all the earth walls around him.

Xie Chengzhi raised his head and glanced at the box where the Rock Legion was.

"The other members of the legion must be laughing at me, Xie Chengzhi!"

"At this time, the regiment commander Gao Gang must be laughing at me, Xie Chengzhi is overpowered!"

"No! When did I Xie Chengzhi be so useless? In front of my attack, only others can defend, how can it be my turn to shrink up like a tortoise?"

Xie Chengzhi thought of this, but his heart became much calmer.

"Li Tian, I will fight you upright once. Even if I lose, I will lose with integrity and honestly."

Li Tianzheng walked towards Xie Chengzhi, but saw that the expression on Xie Chengzhi's face suddenly calmed down. The fear on his face disappeared, replaced by a confident expression.

"Oh? It's amazing to have a substantial growth in mind at this time!" Li Tian thought in his heart.

Then Xie Chengzhi had seen Kong Qing carefully dug out with shovels by more than a dozen staff, and then carried out of the field. Although he did not know how Li Tian did it, Xie Chengzhi did not have the slightest fear.

"Li Tian, do you dare to fight with me upright?" Xie Chengzhi shouted at Li Tian.

A slight smile appeared at the corner of Li Tian's mouth, and he shouted at Xie Chengzhi: "Okay!"

Good, good your sister.

Now is the arena of Forbes personal strength competition. There is only one opportunity a year, and this opportunity is very important to me, Li Tian, and to our heavens. You Xie Chengzhi want to fight Li Tianzheng with me, or you can, but after Li Tian enters the final with the first result in the preliminaries.

Xie Chengzhi slowly closed his eyes after getting Li Tian's affirmative reply, and then began to adjust his breathing.

Suddenly, Xie Chengzhi opened his eyes suddenly, and his two arms slammed toward the ground, and two earth dragons appeared in his hands.

"drink!"

Xie Chengzhi screamed and slammed his palms towards Li Tian, and the two earth dragons in his hand swept all kinds of trash on the street and flew towards Li Tian.

When these two earth dragons came out of Xie Chengzhi's hands, they only had the thickness of their wrists, but after flying out of five meters, they already had the thickness of their bowls, and when they were less than three meters away in front of Li Tian, The Tulong already has a basin thickness.

With a strong smell of earth, these two earth dragons attacked Li Tian with long teeth and five claws.

Tulong?

Qinglong Li Tian has seen it before, but that's all, let alone the earth dragon.

Li Tian did not retreat, but took a step back with his right foot, his body squatted slightly, and his left and right palms simultaneously used broken soul palms, blasting at the two earth dragons that pounced on him.

"Wow!"

The two earth dragons can even make a sound like dragons, but they are not real dragons after all, so how can they talk about dragon might.

The broken soul palms of Li Tian's left and right palms hit the dragon heads of the two earth dragons heavily.

"boom!"

"boom!"

Between Li Tian and Xie Chengzhi, there were two loud noises.

The head of the earth dragon was blown to pieces by the broken soul palm, and dust was flying in the sky.

While the dust was flying, Li Tian had disappeared in place.

At the same time, that Di Xing Yasha had already appeared at Xie Chengzhi's feet.

Di Xing Yasha suddenly got out of the ground, stretched out a small claw, and directly caught Xie Chengzhi's feet.

"Swish!" With a sound, Xie Chengzhi was pulled directly into the ground by that Di Xing Yasha. Like Kong Qing, Xie Chengzhi only had one head left outside.

"Li Tian, you \*\*\*\* shame me!" Xie Chengzhi cursed furiously.

At this time, Li Tian had already reached Xie Chengzhi's side in an instant.

Li Tian squatted down, patted Xie Chengzhi's cheek lightly, and said, "Children are not allowed to speak swear words, otherwise Uncle Li Tian will asshole!"

Speaking, Li Tian stretched out his hand and patted Xie Chengzhi's face twice, and heard a crisp "pop!"

"Li Tian, you fucking..."

Xie Chengzhi just wanted to verbally curse Li Tian, "Hmm!" With a cry, "Red Zhan" flew out from behind Li Tian and flew in front of Xie Chengzhi. Xie Chengzhi's head.

"Li...Li Tian, can you put your weapons away first, we have something to say!"

"Papa!" There were two more crisp slaps. Both the crispness and the pleasantness of these two slaps were much heavier than the previous two.

A trace of blood flowed from the corner of Xie Chengzhi's mouth.

"Children, there are some things I don't want to say the third time. I believe you are a smart person who can understand what I mean."

"Oh, by the way, I also like to shave people's heads with my Ten Jue Sword Qi. Have you seen Kong Qing's hairstyle? Oh, you didn't see it, it's really a shame. Kong Qing's release is really true. It's so beautiful. It's always unique in this city of Kyoto. But unfortunately, I didn't know how to study art and accidentally cut off one of Kong Qing's ears."

"You said Kong Qing is the core cadre of the Sakura Legion, and Duan Muying, the commander of the Sakura Legion, is my woman. I have such a relationship with Kong Qing. I have cut off one of his ears. If I were Don't cut off your ears, am I sorry Kong Qing?"

"Brother Li...God, if you have something to say, don't you just want points? I can't give up," Xie Chengzhi pleaded.

"How embarrassing is this? We haven't had a fair fight yet! I don't know if your legion commander also wants to fight with me in a fair fight." Li Tian said with a sneer.

Li Tian's meaning is very clear. Although I am not talented, Li Tian is also the commander of the Celestial Army.

If you want to fight with me in an upright manner, you can, call your army commander to come.

At this time, the staff who had just sent Kong Qing out of the venue quickly rushed to Li Tian and Xie Chengzhi.

"Xie Chengzhi, you now have the ability to fight zombies. I sentence you to lose to Li Tian, do you have any objections?" the staff member said.

Although Xie Chengzhi was unwilling, but also helplessly touched his head.

A message was immediately broadcast on the radio above the arena: "Rock Legion Xie Chengzhi, out! Winner, Li Tian!"

Chapter 3508: Li Tian's results (1)

The seconds passed by Xie Chengzhi and Kong Qing, which made Li Tian's reputation very famous. Vertex, ..o

In the entire arena, all the audience are talking about Li Tian.

"Where is this Li Tian sacred? I have never heard of this person before, and I didn't expect to be so vigorous today! This is the second consecutive second of two seeded players!"

"Li Tian, I know, I heard that the man who is the commander of the Duanmu Sakura Army of the Sakura Legion, seems to be the commander of a small army in the northwest!"

"What kind of army commander you are, there is such a powerful army commander wife, is it not good to mix directly under Duanmuying's hands?"

"You don't understand this! This is a man's mind. Li Tian is an ambitious man, so how can he stay under Duanmu Ying for a long time!"

"Yes, I have a friend of a friend who is a backbone member of the Bounty Hunter Association. The Tingsuo Celestial Legion has been nominated as one of the preparatory members of the Five Old Society, and Li Tian must be in this Forbes power competition. The total score of the legion exceeds the other three nominated legions to enter the Five Olds Club!"

"Hey, poor Kong Qing and Xie Chengzhi! These two guys, one is the core cadre of the Sakura Legion and the other is the core cadre of the Rock Legion. These two men are definitely capable of entering the finals, but they did not expect to collide. At the gunpoint, it actually made Li Tian famous."

At this time, Li Tian on the field can be described as super god.

The other contestants were originally afraid of Li Tian. After Li Tian defeated Kong Qing and Xie Chengzhi in succession and showed absolutely overwhelming strength, the other contestants formulated new competition plans.

That is, in any case, we must avoid Li Tian.

Some players are more straightforward, hiding directly within four or five meters from the abstaining area designated by the arena. Once Li Tian approaches this area, these players are so scared that they don't even dare to show up, hoping for Li Tian. It's just passing by.

Once Li Tian discovered their whereabouts, the first thing these players thought of was not how to fight Li Tian, but how to escape into the designated area as quickly as possible and directly abstained.

You must know that Li Tian can't use normal human thinking to understand, he even cut off the ears of Kong Qing from the Sakura Legion!

As a result, Li Tian wanted to continuously wound other contestants like the first half an hour, and then earn points. It was already harder.

After defeating Xie Chengzhi and Kong Qing, only one hour has passed, and at that time, Li Tian's points had reached 16 points.

But now, half an hour has passed, and Li Tian's points are still at 16 points.

Li Tian continued to slowly walk from one end of the street to the other end of the street. Before reaching a place, Li Tian had to look for it carefully.

But those contestants were like rats in the ground, and they all fled around after seeing Li Tian.

At this time, there were sporadic cheering sounds from the audience of 200,000 spectators.

"Li Tian, come on!"

"Li Tian, come on!"

At the beginning, the cheering was just a few people who bet on Li Tianneng to enter the finals. But with the shouts of these people, more and more people in the audience joined the shouts.

Among these audiences, more than half of them soon joined the team supporting Li Tian.

More than 100,000 people shouted at the same time: "Li Tian, come on."

That magnificent momentum, even Li Tian felt excited in his heart.

In fact, these audiences can't be blamed for being clumsy, they support whoever is strong, but they want to see the birth of another miracle too much.

The birth of a grassroots miracle.

Long Ao broke the record and set a new record. Xu Yuan broke Long Ao's record and set a new record. Then, for Li Tian, who scored 14 points in half an hour and 16 points in an hour, he was also completely It is possible to break records and create new records.

But those \*\*\*\* contestants, aren't you all masters?

Why is there such a lack of spine, hiding far away before seeing Li Tian.

We are here to watch the game, not to watch cat and mouse!

"Li Tian, on the second floor two hundred meters in front of you, there is a contestant. Go and cut him!"

"Li Tian, behind a wall at 700 meters behind you, there is a sneaky guy hiding, kill him to score!"

These spectators are giving Li Tian directions to the hiding places of other contestants. This is the first time that Forbes Power Contest has been held in the fourth year.

It's a pity that these audiences' ideas are beautiful, but among the noisy voices of more than 200,000 people, if this person shouts, it will be drowned in other noises if it is bad.

However, at this moment, Li Tian seemed to have heard the direction the audience was pointing to him. Li Tian quickly ran towards the building 200 meters in front of him.

"Huh!"

"Hong Zhan" had already flown over before Li Tian ran to this building, and flew directly to the ding floor of this two-story building.

"Fuck me, if you don't have such a play, is it easy for me to hide here? You \*\*\*\* Li Tian doesn't have eyes on the sky, so I might know that I am hiding here!" The contestant couldn't help cursing. .

But in any case, this player didn't want to turn himself into Li Tian's points so easily. He stood up abruptly, and a heavy knife weighing more than 30 kilograms in his hand had already smashed into "Red Zhan". .

"Boom!" There was a loud noise.

The contestant slashed "Red Slash" from the midair with a single knife, and cut a large hole in the second floor floor under his feet, and he followed the "Red Slash" and fell from the second floor ding floor. Down.

At this time, Li Tian had already come over, and with his feet hard, he jumped up and jumped directly to the top of the two floors.

"boom!"

Li Tian suddenly used a move to break the soul palm, and a palm hit the contestant. The contestant blocked it with a heavy knife in his hand, but even so, the contestant even carried a knife from the building. Came out.

The heavy knife was blasted into two sections, and the player slammed heavily on the ground, smashing a large human-shaped pit on the ground and on the ground, the player reluctantly stood up, but suddenly spewed a mouthful of blood.

"It's not an opponent at all! Isn't this Li Tian a member of the top 500? Damn, that \*\*\*\*\* made this pervert to participate in the qualifiers!"

"Don't fight, don't fight, continue to fight, the finals did not enter, but people are going into the coffin!"

The player reluctantly took out the white handkerchief from his body and raised it up.

"Li Tian, get the seventeenth points!"

Chapter 3509: Li Tian's results (2)

"Huh!"

A red light flashed, the guy who was hiding behind Li Tian, the guy who was wise to think that he should be safe behind Li Tian, was cut directly from behind the wall by Li Tian's "Red Cut".

The sharp "Red Chop" blade cut the entire fence open with a cut that was more than one meter long and one foot wide, and immediately behind the contestant there was a scar of nearly half a meter.

The scar is bloody, almost all the bones on the back can be seen.

Eighteenth integral.

Starting from the seventeenth point, Li Tian's eyes seemed to be equipped with radar, and those contestants hiding in other places would soon be found by Li Tian.

The nineteenth point.

The second point.

Twenty-first points.

...

Thirty-fourth points.

Thirty-fifth points.

The points are still increasing, it seems that there is no meaning to stop.

36 points.

Thirty-seventh point.

Thirty-eight points.

This result has tied Long Ao's record and is only one point short of Xu Yuan's 39 points.

From the start of the game to the present, half of the time has passed, and Li Tian's points have reached 38 points.

At this time, there were no more than twenty players in the entire arena.

Li Tian never thought that he could knock all of the more than one hundred people over, even if he had the ability but not the energy.

However, Li Tian definitely did not allow two and a half hours before his points stopped.

However, although Li Tianxin was unwilling, starting from these thirty-eight points, Zou Ran's points began to stagnate, and half an hour had passed, and Li Tian's points never increased.

There was Feitian Yasha before. It was almost effortless for Li Tian to find these contestants. However, as the number of people gets older and smaller, Feitian Yasha's role becomes smaller and smaller, especially Feitian Yasha finally found contestants. Tell Li Tian that when Li Tian rushed past, the contestant had already left that place.

"Give me two points. I only need two points. As long as two points are needed, the rest of you will be liberated!" Li Tian looked like a hungry tiger looking for prey, looking forward to the future.

Suddenly, a person's head suddenly appeared on the other end of Li Tian Street.

The direct distance between Li Tian and this man was at least more than one kilometer, but Li Tian seemed to have seen a little sheep when he saw an old wolf who had been hungry for three days and three nights. How could this little sheep escape easily.

Li Tian speeded up suddenly, and secretly Li Tian had asked Feitian Yasha to monitor the contestant's every move in the air, and then let Dixing Yasha detour to outflank the contestant from another path.

Li Tian only left Void Yasha by his side, just in case.

"clatter!"

"clatter!"

"clatter!"

Li Tian's footsteps sounded on the street, and the hearts of all the contestants hiding in hidden places on both sides of the street tightened slightly.

"Have I been discovered by Li Tian? Damn, I can enter the finals after two hours!"

However, Li Tian's footsteps went from light to heavy, and from heavy to light, gradually moving away, without the slightest pause.

The contestant involuntarily let out a long sigh, feeling afraid for a while.

The contestant on the other side of the street was farther away from Li Tian, but as soon as he poked his head out, he saw Li Tian spotting him and rushing towards him.

The contestant scolded a dirty word and immediately fled in the opposite direction from the passage behind the street facade room.

Suddenly, the player saw another player hiding in front of him at three o'clock in the distance.

"Hmph, even if I want to be eliminated, I can't just let me be eliminated alone. I want to draw Li Tian's war on you and let you bury me!" This player continuously crossed several collapsed low walls. , Ran towards another contestant.

"Nima!"

When another contestant saw this contestant running away in panic, he guessed that this person must have been targeted by Li Tian.

Li Tian, in the preliminaries, is synonymous with killing gods, this contestant did not dare to neglect and began to run away.

One of these contestants surprised the other, and soon, they surprised three contestants in a row.

The escape routes of these three contestants all fell into the eyes of Flying Crow.

"Three, three points, enough!"

There was a burst of ecstasy in Li Tian's heart, and he ran towards the contestant he first discovered.

Before Li Tianren arrived, "Red Zhan" had already flown to the contestant.

With a "swish", "Red Slash" slashed across the person's chest, slashing the sword that the contestant was blocking in front of him, and there was a blood hole on the contestant's chest.

Li Tian's body jumped several times in succession, and he had already come to this player.

"I...I admit defeat!" After being cut once, the player hurriedly took out his white handkerchief and waved it.

Thirty-nine points.

This point has tied Xu Yuan's record.

Warm applause and cheers erupted from the entire auditorium.

"Li Tian, one more one!"

"Li Tian, one more one!"

In the audience, those audience members chanted slogans neatly.

Li Tian turned around abruptly and stared at another contestant.

"Li Tian, you bastard, even if Lao Tzu voluntarily abstains, it won't give you additional points!" Another contestant who escaped has stood before the designated automatic waiver zone. He just needs to take another step forward. He was disqualified for the finals.

"No! If you have something to say, why give up this rare opportunity?" Li Tian said.

"You will become famous, Li Tianxiu wants to stand on the throne of the first place in the preliminaries on my reputation!" said the contestant unyieldingly.

In fact, this player's temporary ranking is the ninth in this group. As long as this kind of performance continues, it will be sooner or later that he will qualify for the finals. So although he said to Li Tian this way, he still has a fluke mentality in his heart. .

"Well, you have a kind, I like it! I don't want to chase you!" Li Tian turned around and walked in other directions, as if he really didn't mean to pursue the contestant anymore.

"No? Li Tian would let me go like this? Isn't it true that Duan Muying is his woman in the legend, he really likes men" the player thought in his heart.

However, at this moment, the player sank down suddenly.

And Li Tian had already walked towards him with a sneer.

Fourth point!

Li Tian is the first place in the preliminaries!

Undisputed first place!

In the box of the Association of Agriculture and Industry.

"Papa"

The president of the Association of Agriculture, Industry and Commerce had a satisfied smile on his mouth and clapped softly.

"Butler, when this game is over, I want you to be the first to invite Li Tian to be a guest at home!"

"be sure!"

Chapter 3510: Invite (1)

The preliminaries, the third group of competition is over. .

Since Li Tian got the fortieth point, he has been sitting on the spot and did not continue to hunt down other players.

This makes other players involuntarily relieved.

Although the audience hopes that Li Tian's points can continue to go up to forty-five points or even fifty points, many audiences understand Li Tian's choice. After all, this is the qualifier. In the next few days After that, there are finals.

And Li Tian already gave everyone a wonderful game in the first half, there is no need to deliberately demand it.

The audience can also look forward to Li Tian's performance in the final.

In the end, after the first three groups of the preliminaries, Li Tian temporarily ranked first with 40 points. Following Li Tian is Xu Yuan from the Rock Corps with 39 points, and Long Teng ranked third. Long Ao of the Litan Legion had 38 points. As for Kong Qing, who was consistently optimistic before, he didn't even enter the finals and was directly eliminated.

At the end of the game, Li Tian strode out from the passage.

In the auditorium, more than thousands of spectators flocked to the seats on both sides of the aisle. They just wanted to show Li Tian's demeanor up close.

"Li Tian!"

"Li Tian!"

They shouted Li Tian's name as if they were treating a superstar.

There are also girls in the audience shouting loudly: "Li Tian, Li Tian, we love you!"

And Li Tian calmly waved to the supporting audience in the audience.

Li Tian was not seen before participating in the preliminaries, and now he has reached the top of the finals in a group, and he deserves such treatment.

Through the long passage, Li Tian walked out of the arena and came into the hallway of the arena.

As soon as he entered the tunnel, Li Tian was immediately surrounded by a dozen people.

"Mr. Li Tian, hello, I am the president of the Southern Chu Chamber of Commerce, I wonder if I can invite you to dinner?"

"Mr. Li Tian, hello, I am the vice president of the Hongye Chamber of Commerce. Our president invites you to the dinner."

"Mr. Li Tian..."

"Mr. Li Tian..."

These dozens of people surrounded Li Tian, you and I handed over invitation letters one after another, wanting to invite Li Tian.

These people and chambers of commerce who invited Li Tian can be said to be a bigwig in the entire Kyoto city, especially in the chamber of commerce, they all have a pivotal position.

But for Li Tian, Li Tian has not even heard of the names of these people and the Chamber of Commerce.

But this is not to blame Li Tian, after all, Li Tian is a newcomer, and he still doesn't know much about the various forces in Kyoto City.

"Everyone, everybody! First of all, thank you for your invitation. You can invite me, Li Tian, to the dinner and the banquet. It is an honor for me, Li Tian, but I, Li Tian, is a person after all. Invitation, I will accept this invitation letter first, and I will give you an answer as soon as possible." Li Tian accepted these invitation letters one by one and said euphemistically.

Those who came to invite did not reluctantly, they all chatted with Li Tian politely, saying that they were waiting for the news of Li Tian.

These people are all human beings. They know that after this group match, Li Tian's name will resound throughout the city of Kyoto. Those who come to invite Li Tian don't know how many chambers and organizations there will be.

They don't ask Li Tian to give them an answer. They have to go to the banquet they organized for Li Tian. All they need is Li Tianneng to know that there is a chamber of commerce like them. Li Tian only needs to know their attitude towards Li Tian.

After finally accepting the dozen or so invitations, and after another greeting, Li Tiangang walked out of the tunnel, and a dozen people surrounded Li Tiantuan.

Each of the dozen or so people held a camera in their hands, even carrying a camera, and they were shooting randomly at Li Tian.

Needless to say, these are all reporters from Kyoto City.

These guys had already obtained the right to interview through the Forbes Strength Tournament committee, and they were going to interview players from the top ten teams like Kong Qing or Xie Chengzhi. But Li Tian, the dark horse that suddenly came out, completely disrupted their deployment.

Interview with Li Tian? The Forbes Strength Tournament Committee did not have such an arrangement, so before the end of the competition, they carried the equipment and ran to the exit of this passage to interview Li Tian.

"Hello, Mr. Li Tian, I am a reporter from Kyoto City TV. Please arrange it. We want to do an exclusive interview with you now!" A man held the microphone and handed it to Li Tian, with a hint of arrogance on his face. .

Li Tian frowned slightly, but did not show it.

Interview? Are you kidding me? Is Kyoto TV station amazing? You arranged an interview for Li Tian, so how do we accomplish today's interview task?

There are so many reporters and friends on the scene that they will not sell the face of Kyoto City TV. Other reporter friends secretly used force and directly squeezed the reporter from the Kyoto City TV station from the innermost circle.

"Hello, Mr. Li Tian, I would like to ask you to enter the final with the first place for the time being. What do you think?" A rememberer asked with a microphone.

As soon as this reporter asked a question, the other reporters immediately stopped talking, waiting for Li Tian's return, and their camera or video camera had already been turned on and aimed at Li Tian.

At this moment, Li Tian really feels like being a well-known person. Li Tian coughed softly, adjusted his thoughts, and said, "First of all, I am very happy. Although this is as early as I expected, I still very happy!"

As expected? This answer caused an uproar among all reporters and friends on the scene.

This kid is too arrogant, right? Some reporter friends will think in their hearts, but this is the news material they want, and only in this way can the whole news be more selling points.

"Then I would like to ask Mr. Li Tian, since you expected that you will enter the finals with the first place result, you have not bet you will win? How many bets have you placed? According to the information I have, Li Tian Your approval rate, sir, is in the bottom fifty." A reporter obviously didn't believe what Li Tian said and asked in a suspicious tone.

Li Tian smiled slightly and replied: "The approval rating does not represent strength. As for the bets I place, they are actually not many!"

"Do you have no confidence in yourself?"

"No, because my Legion Celestial Realm still needs to participate in the ranking competition of the Legion Power Tournament, so in the end I just placed all the eighth-level corpse crystals on my body, that is, a few hundred eighth-level corpse crystals!"

"Wow!" These reporters let out an exclamation in unison.

A few hundred eighth-level corpse crystals, and then accompanied by the odds of one to one thousand and twenty-three, that is really an astronomical figure!

"Then Mr. Li Tian, what are your expectations for the final?"

When asked this question, Li Tian's face suddenly became a little serious, and he said: "It will surprise all the audience!"
