

## A Killer 3531

### Chapter 3531: Subway Horror

The movement of the zombies was getting louder and louder, and even Li Tian and others could feel that the ground was shaking slightly. ,

"Boom!" A loud noise came from the dark tunnel in front of Li Tian and the others, as if it was the feeling of two giants colliding together.

Then Li Tian and the others heard a sharp sound of metal rubbing against the rails from the subway track.

The sound stopped abruptly after only a few seconds.

But whether it was Li Tian, Jiang Jingtao or the little lady, the faces of several people showed shocked expressions.

"Boy Li Tian, pay attention, the level of this zombie is probably not low!" The little lady reminded him.

Immediately, the little lady had turned on his flashlight, turned on the camera, and found a perfect location. The cat was ready to shoot the battle scene.

"Flashlight!" Li Tian shouted behind him.

"Huh!"

"Huh!"

The lights of several flashlights all shone into the dark subway tunnel.

About five or six hundred meters away, Li Tian saw a subway that had been suspended in the subway tunnel.

And in the subway, there was a rush of running, as if thousands of beasts were running in the direction of Li Tian and others in the subway.

"Team, Captain, let's retreat!" Zhu Jinhua said in his slightly trembling voice.

retreat? Li Tianke never thought of such a thing.

What can senior zombies do?

What if the level of zombies is not low?

Didn't Li Tian and others walk out of this subway just to look for high-level zombies?

Now this is the zombie that has run towards Li Tian and others, how could Li Tian easily retreat.

Suddenly, a white figure appeared in the subway, and then the white figure flew directly and directly smashed through the end of the subway.

With a "click", the glass on the subway was completely shattered, and the white figure rushed out from the rear of the subway.

After the figure "Gurulu" fell to the ground, it rolled a few more times before suddenly standing up.

Li Tian and others discovered that the white figure turned out to be a naked zombie. The zombie's whole body was not even hung with a string, and the skin on his body seemed to be white as if it were diseased, and the subway shattered glass. Even the skin of this zombie was not scratched.

At this time, the zombie looked at Li Tian and the others, breathing heavily, making a pattering sound on the ground with bare feet, and slowly walked towards Li Tian and the others.

Li Tian felt on this zombie an aura that was stronger than all the level 12 zombies that Li Tian had seen before, and this aura was actually stronger than that of the level 12 zombie that Li Tian had encountered. Be strong.

This is a level 12 zombie!

And it is a twelfth-level zombies of mutation and alienation!

Seeing this twelfth-level zombie, the bodies of Windsor, Liao Jie, and Luo Xin behind Li Tian trembled slightly, but they still stood beside Li Tian with their teeth gritted.

When Jing Tao faced this twelfth-level mutant zombie, he was just shocked, but he didn't show anything. When he was still one of the top twelve members of the Bounty Hunter Association, Jiang Jingtao had killed too many level 12 zombies, but it was the first time that Jiang Jingtao encountered these level 12 mutant zombies.

And Gao Shuai, this stupid boy didn't know what fear was, and pulled his iron chain to Li Tian's side.

Only Zhu Jinhua screamed when he saw this twelfth-level mutant zombie, and quickly broke free from Windsor's support, screamed and retreated, while retreating, cursing and saying: "What am I talking about? I said What's the matter, why don't you advance little by little on the ground, now it's alright, when we encounter this mutant zombie, none of us can escape. We are all dead! You are all dead!"

"Yes! You are all dead! Really stupid humans. This subway line is my site. Let me think about how many human bounty hunters I have eaten on this subway line. One hundred or two hundred, hey, there are too many, I can't figure it out anymore!" said the mutant zombie.

Li Tian was not intimidated by the words of this mutant zombie. Before, Li Tian had dealt with the twelfth-level guardian zombies alone, and he had also dealt with the twelfth-level three zombie dogs. Tough, Li Tian is not without the power of a battle.

Li Tian couldn't help but shook his head slightly, and said to Windsor and the others beside him: "Would you like to step aside first, let me fight this mutant zombie first!"

"Humph!" Jiang Jingtao said with a cold snort, "I let you be the captain, but I didn't admit that you are better than me. With me, the top 500 players, I won't be able to turn you. A newcomer speaks."

Gao Shuai showed a smirk, reached out his hand to wipe the saliva from the corner of his mouth, and said, "It's not a woman, it's not a pet, I'm going to kill him!"

In this fool's eyes, he is probably only interested in staying with female zombies, and the other zombies have only a dead end.

"Guru!" Luo Xin and Liao Jie both swallowed in a little fear, but they persisted and did not back off.

"I'm here for the top five hundred. I have no reason to retreat. I will choose to fight alongside you!" Luo Xin said.

Liao Jie laughed and said: "Fucking, do I have reason to retreat? Since I have trusted Captain Li Tian, then I will give my life to Captain Li Tian. If I win, I will enter the top five hundred and enjoy it. Prosperity and wealth, defeat, a big deal 20 years later, he will be another man."

Although Windsor was trembling badly, she heard Luo Xin and Liao Jie say so, she hesitated and said: "Although my fighting ability is not the strongest, I definitely can't retreat. In case one of you is injured, I It can also be treated in time!"

"You all go to die and become food for the zombies! I won't be foolishly staying with you here!" Zhu Jinhua stepped back and said.

The little lady flew out and kicked Zhu Jinhua's head, but Zhu Jinhua's head hit the wall heavily and passed out.

"It's really noisy! Affect my shooting! This is all right, you guys go on!" said the little lady.

"it is good!"

At this time, Li Tian really believed that these people really trusted him, and then Li Tian had nothing to hide.

"Come out!" Li Tian directly summoned three Xiaoyasha.

"boom!"

Three light smokes appeared on Li Tian's two shoulders and head respectively, Void Yasha, Dixing Yasha, Feitian Yasha, three Yasha appeared on Li Tian's body.

"Bi...bi...Bikachu?" Windsor said in surprise.

## Chapter 3533: Gambling Agreement (2)

"The emperor, you really misunderstood. The concubine really didn't mean that. The concubine just heard the two adults talk about entering the palace to see the emperor. It happened that the concubine just came out of Cining Palace and knew that the emperor was going to accompany the queen mother. I was afraid that I was not free, and seeing the two adults walking in a hurry, with tired faces, I thought about taking the two adults to rest for a while, and waited for the emperor to go out of the Ci Ning Palace to pay him a visit. The concubines really did not have a trace of unruly heart. Just after being left behind, Xia Yuqing immediately hugged Feng Tingye's thigh and wailed, and for the sake of reality, she secretly twisted her thigh, which made her tearful in pain. Got... pinch!

Feng Tingye's anger was actually lost for the most part on the way back, his mind was slightly calm, and he immediately heard the omissions in the words of the two people just now, and he knew the whole story in his heart, and he didn't wait for him to speak. , Xia Yuqing first howled.

This time is good, Feng Tingye's interest also came up, reached out and pinched Xia Yuqing's chin and raised her face, smiling so that Fengyun changed her color: "Ears are fictitious, seeing is believing, what I see with my own eyes is still false?"

Xia Yuqing was frightened by Feng Tingye's sly smile, her mouth squashed, and she broke the jar and said, "How can the emperor believe in his concubines?"

The big bad wolf groaned, and the little white rabbit Hu You began to face unchanged: "I saw Ai Fei and the two adults behave intimately and talked ambiguously. Since Ai Fei insists on denying the closeness with him, she should take it out. Based on the facts, I have always been fair and strict, and I will definitely not wrong you."

Xia Yuqing was startled, tilted her head and asked: "What evidence does the emperor want to see?"

Feng Tingye glanced at Xia Yuqing, squinting her eyes slightly, and derived some calculations: "It is natural to see if Concubine Ai has traces of other men besides me?"

"Huh?" Xia Yuqing looked up at Feng Tingye incomprehensibly, and couldn't wait for her to understand the profound meaning of Feng Tingye's words. Someone had already begun to examine her belongings.

Overwhelmed on the soft bed for the second time, Xia Yuqing's head short-circuited for a moment, and she began to scream to the police. How can you be suppressed again? How long has it been, always attacking adults, are you not afraid of death?

"Don't... don't come here, I warn you, my old lady has practiced eighteen ways to guard against wolves. Come and be careful that my old lady will kick you and make you really inhumane." Seeing the big bad wolf approaching step by step, Xia Yuqing also Regardless of the interests and inferiority, he picked up the brocade and came out of the goddess.

Feng Tingye was startled by Xia Yuqing's fierce appearance of her small paws. She was suddenly covered by the quilt that flew over, and hurriedly tore off the quilt from her head, but saw Xia Yuqing. I don't know when I have already ran to the other side of the bed. I took a step to the side, and Xia Yuqing took a step to the side.

The two stood on each other's beds, their eyes facing each other, their big and small eyes staring: "Come here."

Xia Yuqing looked alert: "No, come here if you have the ability."

Feng Tingye narrowed his phoenix eyes, raised his steps again, back and forth several times, then... "Don't move."

"Not moving is a fool, I am not a fool!"

"..." Knowing that arguing with someone about this is purely his own brain convulsion, so he wisely chose to do it personally.

The minions waiting outside Bangxiefang Hall heard a movement from the boss. This time everyone watched their noses and their hearts, but no one dared to rush in and take the lead. Alas, the emperor and our mothers are really energetic, and we have to come here every time. I don't know if this is good or bad. Far eyes...

Xia Yuqing panted heavily and stared at Feng Tingye who was pressing on her body: "You are shameless."

"This is called outsmart. Haha, Concubine, you can't beat me."

"Huh, I'd rather die than surrender." After Xia Yuqing repeated the old trick, she stretched her leg and quickly kicked towards Feng Tingye.

Rao Feng Tingye had been prepared for a long time and was frightened into a cold sweat, his legs were slightly lowered, and Xia Yuqing's legs were clamped, making him unable to move. I have to say that the last accident was really not accidental. It was not just that Liu Yixiang, the so-called gangster girl, was more powerful, but Xia Yuqing was no exception to her.

After several struggles, even though Feng Tingye wouldn't be lifted out of bed by her like the last time, she couldn't help her. Forced, Feng Tingye had to resort to his final killer: "Actually... from the very beginning, I knew that what the two of them said was not the truth."

Leaning over and staring at Xia Yuqing's eyes widened in surprise, Feng Tingye's eyebrows were slightly bent, "Zi Tang Ping hates others for treating him as a child, and Yan Ran is the most famous person in his life. Unfortunately, what you said today seemed to offend them all, and I can't blame them for bullying you like this."

Unsurprisingly, Xia Yuqing's struggling movements suddenly stiffened, and the movements in her hands unknowingly relaxed a lot, allowing Feng Tingye to take advantage of the vacancy to break in.

Looking at Feng Tingye with a cute face, Xia Yuqing didn't dare to say anything: "You mean, they said that on purpose just now, in order to... slander and bully me?"

It's too much, because she still tried every possible means to perfect them, and let them and Master Zonggong cultivate a righteous fruit. It's fine if you don't appreciate it, and even treat her like this!

After the grief and anger passed, Xia Yuqing realized afterwards: "Since the emperor knew from the beginning, why did you just..." Xia Yuqing's eyes widened suddenly, "Are you playing me too?"

Looking at the unpredictable expression on Xia Yuqing's face that looked like the weather, Feng Tingye smiled more and more ill-intentioned. He leaned down, bit her white and tender earlobe, and chuckled lightly: "No, why am I willing to play you?"

In a short sentence, Xia Yuqing was moved to tears. It's a pity that before this touch was overwhelmed, it was completely...shattered by his next sentence.

"Of course I didn't fool you, I was just... teasing you."

"..." Hey, he always attacks adults, are you so evil and made by your parents? I can't play with you happily anymore, woo

#### Chapter 3536: Kill it

Li Tian sat on the ground with a butt, beside him, the twelfth-level zombie had been cut in half by his "Red Chop". The black mucus was continuously thrown from the body of the twelfth-level mutant corpse, and Li Tian stretched out his hand and took out the twelfth-level mutant corpse crystal. At this time, "Red Slash" had changed back to the form of a knife, with one end inserted on the ground, and the red light on the knife was also looming. Looking at the subway car body that was cut in half by "Red Cut", and a gap of more than ten meters wide in the depression, Li Tian couldn't believe that this was the cutting power released by his "Red Cut". . At that time, the twelve-level mutant zombies rushed into the subway car and tried to tremble with Li Tian in the compartment, but soon the twelve-level zombies discovered that his white bone thorn attack was completely incapable of Li Tian's white bone armor. Hurt, and Li Tian's "Red Cut" can easily cut his skin and his bones. Therefore, after the Level 12 zombies spit out a cloud of black mucus to Li Tian, they turned and fled towards the front of the carriage. And when Li Tian escaped the dark mucus, the twelfth-level mutant zombies had already escaped from five or six carriages. If Li Tian wanted to pursue it, he might have some difficulties. However, at this time, Li Tian felt the powerful fighting spirit released by the "Red Slash" and the Nine Color Corpse Crystal at the same time. They seemed to be telling Li Tian to let Li Tian handle it. Although Li Tian didn't know what was going to happen next, he still let Nine Color Corpse Crystal and "Red Slash" control his body. However, Li Tian dreamed and dreamed that at that instant, "Red Zhan" suddenly became bigger and turned into a blade the size of a door leaf. And this "door leaf" blade directly released an unmatched domineering sword energy, directly cutting the subway car in half, and the twelve-level mutant zombies who had just escaped to the front of the subway were unmatched. The domineering sword energy directly flew out. Immediately in the air, the twelfth-level mutant zombie turned into two halves and fell to the ground. However, Li Tian was driven by the "Red Zhan" to fly over. After flying out of the carriage, the "Red Zhan" seemed to be exhausted, changed back to the original appearance, and stuck one end on the ground, and Li Tian also Slumped on the ground. The little lady took this picture with the camera, and at this moment the smile on the corner of his mouth had solidified, turned into surprise and panic. "This kid... this is going to be against the sky! If this kind of strength can't make it into the top 100, then it's really a hell!" The little lady thought in her heart. "The captain is great! The captain is great! Hey, he's almost as good as my dad!" After the coach saw the car that had been cut in half, he laughed loudly, clapped his hands, and yelled.

"Help...help me!" Zhu Jinhua only felt that his whole body was falling apart, and said with a weak breath. Liao Jie and Luo Xin saw that Zhu Jinhua was actually being pulled by Gao Shuai with an iron chain, and Zhu Jinhua's clothes had been worn into strands, and the whole body was covered with blood. Liao Jie and Luo Xin immediately released Zhu Jinhua, and then a few people carefully walked forward from the subway car. "Audience friends? Audience friends? Have you seen this subway? Did you see this subway? You are not mistaken, and you are not dreaming. All of this was killed by Li Tian, the captain of the Li Tian team. "The effect of hitting." "Captain Li Tian, the talented player who entered the final with the first in the preliminaries, when he was fighting with a twelfth-level mutant zombie, he wounded that mutant zombie in order to prevent that. The mutant zombies escaped, Captain Li Tian used his stunt to cut the subway into this shape with a single

knife." "But we have not seen the corpses of the twelfth-level mutant zombies, you follow me, let us together Go and explore what the corpse crystal of the twelfth-level mutant zombie looks like!"

The little lady will never miss the opportunity to promote Li Tian at this time. He immediately changed a box of video tapes, and then became a photographer and a host before shooting. Soon, Liao Jie, Windsor and others jumped down from the front of the subway. When they saw that there was a gap of ten meters long and half a meter wide on the subway track, their faces were completely shocked. Up. Especially Liao Jie, he can cut a crack in the ground with a double axe. Before that, he was complacent and thought that his strength was already very strong. But now with the comparison between the gap he cut out and the cut out by Li Tian, he really wanted to jump directly into this gap and insert his head in. The light in front of the little lady's camera shone on the gap on the ground, and then the little lady exclaimed: "Audience friends, have you seen it? Is this a gap? No, this is not a gap, this is a canyon, this is Grand Canyon." "Oh my god, how strong is the player Li Tian? Damn, I can't imagine it anymore, but I know that player Li Tian's strength will be that of those \*\*\*\* zombies. Nightmare, what do you say?" "Yes! Our captain is Li Tian! Li Tian is the nightmare of those zombies." Liao Jie and Luo Xin said cooperatively. This videotape was to be given to the TV station this time, so the little lady never took the three Yashas into the TV screen from beginning to end. The little lady looked up at Li Tian and found that Li Tian had returned to his normal form. She hurriedly brought the camera to Li Tian, raised the microphone to Li Tian, and asked: "Li Tian, this is your truth. Strength, right? Did you hide your strength during the preliminary rounds?" Li Tian was a little uncomfortable under the light of the camera, but soon he wiped the sweat off his face, then smiled and said: "Preliminaries At the time, the opponent I met was our human being, so I didn't want to fight each other. But now, I'm facing zombies in this final, so I don't have to cover up, I will use my The strongest force is going to fight back at the zombies." The little lady pointed the camera lens at the twelfth-level mutant zombies on the ground, and then began his self-talking performance. "Team... Captain, you really killed the twelfth-level mutant zombies? Too... great. With the corpse crystals of these twelve-level mutant zombies, we won't be eliminated in the first round." Zhu Jinhua said with some excitement. But at random, Zhu Jinhua's voice changed and said: "Captain, you can't swallow the corpse crystals of the twelve-level mutant zombie alone, we all have credit! You... take it out, give it to Windsor, and wait for us. After the final game is over, it will be evenly divided!" "Pop!" Luo Xin pushed Zhu Jinhua directly to the ground and looked at Zhu Jinhua angrily and said: "You \*\*\*\* pretend to be dead all the way, what qualifications do you have to say that you want to split the captain's corpse crystal?"

## Chapter 3537: Kill it (2)

Then Zhu Jinhua looked at Luo Xin with a horrified expression, and said: "We... are we not a team? Why am I not qualified to divide these twelve-level mutant corpse crystals? Besides... Besides, I am not for my own sake. It can be assigned." "These twelve-level mutant corpse crystals can be exchanged for at least eight twelve-level corpse crystals. I don't want too many corpse crystals. Just one twelfth-level corpse crystal will be fine. You have one for each of you. Captain Li Tian can get two!" Zhu Jinhua said. "Pop!" Luo Xin kicked Zhu Jinhua directly in the face, then said angrily: "Can you \*\*\*\* want a face? Li Tian, the twelfth-level mutant zombie, was killed by Captain Li Tian alone. Yes, if there is no Captain Li Tian, all of us will die here. You are ashamed to divide the corpse crystals." Zhu Jinhua spat out a \*\*\*\* saliva and said with a sneer: "This is Li Tian, he willingly wanted to carry When we came here, he said that he was responsible for our safety. It was his choice, and no one forced him. Besides, when I killed those ninth-level zombies, I didn't take it

as my own. Not to Windsor, it must be shared equally by everyone in the end! So why can't we divide the corpse crystals obtained by Li Tian killing the twelfth-level mutant zombies?" "Oh, I see, you must not want to share it with me, so you Acting on this scene deliberately to show me, I know. Li Tian, you are so \*\*\*\* funny. Didn't I just raise a little objection? Are you treating me like this?" "If you are not welcome, I can ask The organizing committee applies to go to other teams, and here is no place to stay. If you leave Li Tian, Zhu Jinhua can still find a good team. Maybe I can still enter the top 500. At that time, even if you beg me to enter your squad, I won't kill you!" Windsor couldn't help but frowned slightly. In fact, before Zhu Jinhua, Windsor also considered the ownership of the corpse crystal of the twelfth-level mutant zombie. According to theory, it should be no objection that this corpse crystal belongs to Li Tian, but Windsor is an auxiliary bounty hunter. To charge forward, her ability is definitely not enough to support her hunting and killing level 12 zombies. But in this team, Windsor's role is equally important. If a player is injured, with Windsor, he can get timely rescue, so that the player can return to the battle faster, and help the team get more points. Out what she can make. However, after Zhu Jinhua said so rascally that he wanted to divide this mutant corpse crystal, Windsor was rather open-minded. Luo Xin was right. Without Li Tian, it would be a dead end for their team to encounter mutant zombies. What's more, even if the mutant zombies are not given to them now, as long as they are counted as team points, then Li Tian team has already won After tens of thousands of points, there is a great possibility that he will not be eliminated. It is even possible to enter the top five hundred. This is more important to Windsor, to Luo Xin, to Liao Jie, to Gao Shuai than to get a Level 12 Corpse Crystal.

"Team...Captain, kill him! Haha! Let me do it!" Gao Shuai said to Li Tian with a smirk. Zhu Jinhua was startled, shivering with fright, and said in horror: "Captain Li...Li Tian, don't listen to fools, we are a small team, we are teammates!" "You can't do this, you won't do this. Yes, right?" Liao Jie threw two sharp axes to the ground, strode forward in front of Zhu Jinhua, stretched out his hand to lift Zhu Jinhua up, and said to Li Tian: "Kill him! Waste like this, if Instead of participating in this Forbes power competition, I met Liao Jie and killed one!" "Liao Jie...we have no grudges and grievances directly, big...the big deal is that I don't want the twelve-level corpse crystal. You take it. Right! There is also a ninth-level corpse crystal in my skin. I secretly hid it while you were not paying attention, and gave it to you!" Zhu Jinhua said. The silver spear in Luo Xin's hand stabbed directly on the ninth-level corpse crystal, and directly picked the ninth-level corpse crystal out of Zhu Jinhua's hand, and then pointed the spear to Zhu Jinhua's neck against Li Tian. Said: "Captain, kill this waste

I'm afraid your hands are dirty, then let me Luo Xin! "Windsor...Windsor, please say something nice to Captain Li Tian, I know it's wrong, I won't dare to hide the corpse crystal next time, I promise everything I will listen to Captain Li Tian. "Zhu Jinhua said with a sad face to Windsor. And Windsor turned her head directly, pretending not to hear. Li Tian slowly stood up, came to Windsor, reached out to take the three small Yasha in Windsor's arms, and then Very calmly said: "This time the team is divided randomly. Other teams usually have six members, but our team has seven members. In fact, I also hope that our team has only six members so that we can compete fairly with other teams! "Captain, you agreed to kill him?" Great, let me do it! "Luo Xin said with a hint of excitement. Li Tian quickly stopped Luo Xin, shook his head and said: "If you kill him here, we will lose a burden, but it will make other teams think that our team Even the safety of all the team members cannot be guaranteed. It only shows that our team is weak. Even if our squad does enter five

The top 100, each of you has become a member of the top 500, but we have to bear this stain forever. "So, Zhu Jinhua can't kill, and we have to protect him well, not let him die!" "Li Tian said. "Haha, Li Tian, you do not lose the captain, you really look forward. What are you doing? The captain has let go, you still don't let me go? "Zhu Jinhua immediately broke free from Liao Jie's hand, sneered and continued: "Yes, I can't die, and you can't kill me, otherwise, even if you enter the top five hundred, there will be no light on your face." and I? Haha, I'm sorry, just take your light and follow you to enter the top five hundred. "Zhu Jinhua looks like a villain, which makes Liao Jie, Luo Xin and others unable to rush up and beat up this little bitch. "Winsor, I have seen your medical ability, even if it is a broken arm. It can also be connected. This is really amazing, but I don't know if the swollen nose can be recovered? "Li Tian asked suspiciously. "Hey, I understand what the captain said.

The top 100, each of you has become a member of the top 500, but we have to bear this stain forever. "So, Zhu Jinhua can't kill, and we have to protect him well, not let him die!" "Li Tian said. It can also be connected. This is really amazing, but I don't know if the swollen nose can be recovered? "Li Tian asked suspiciously. "Hey, I understand what the captain said, I'm not stupid at all, I'm just a little stupid! "That Gao Shuai rushed directly, facing Zhu Jinhua's body with an iron chain. Luo Xin and Liao Jie were unwilling to be left behind, and immediately rushed up, beating Zhu Jinhua. Zhu Jinhua fell to the ground and gave out bursts of misery. call.

#### Chapter 3538: Yasha Recognition

For Zhu Jinhua being beaten, Li Tian can only say that he deserves it. This kind of \*\*\*\* is lightly beaten, and Li Tian didn't personally take it. This is still kind. Li Tian was holding Void Yasha in his hand, and said to Void Yasha, "Now we should calculate the account between us!" "You...you are busy! I'm leaving now!" Dixing and Feitian Yasha wanted to slip away. , But seeing that Li Tian didn't stop them, he couldn't help looking at Li Tian suspiciously. "Why don't you stop us? Are you afraid that we won't admit it?" Dixing Yasha said. Li Tian smiled slightly and said, "If the three of you want to leave, I'm afraid I won't be able to stop them even if they are ten. Why should we stop them if they can't be stopped?

And I believe that the three of you Yashas are well-known characters and will not do such unbelievable things. "Void Yasha nodded slightly and said: "Yes, how can our Yasha clan be a generation without faith." Now that we have an agreement on gambling, then we Yasha will definitely accept the agreement. Xiao Litian, although I do not recognize your strength, I recognize your personality, you master, I do! "Then Void Yasha looked at Dixing Yasha and Feitian Yasha again, and said, "Where are you two?" If you two do not believe in words, don't blame me Young Master Void for not recognizing you, putting you two in the void and never returning! "Void Yasha has said so, how dare that Dixing and Feitian Yasha deny the Lord. Besides, the three of them must follow Li Tian if they want to experience adventure. And through chatting with mutant bats and

mutant crows, these three Yasha also knows that Li Tian is a good master, and there are some good things Li Tian never forgets the little bat and the little crow.

Even if he recognizes the master, it's just a change of relationship. Li Tian can never really use them as a beast. "Huh!" Li Tian suddenly disappeared out of thin air, and the three Xiaoyasha had disappeared out of thin air. And Li Tian and the three little Yachas have appeared in the space of Void Yacha. After the three Xiaoyasha appeared in this space, they immediately sat together neatly. "Xiao Li Tian, here!" Void Yasha handed an inch-long steel knife in his hand to Li Tian, and then said: "Use this knife to cut your fingers! Let us finish our Yasha The recognition ceremony of the clan!" The recognition ceremony of the Yasha tribe is relatively simple, but the faces of these three Xiaoyashas are full of serious expressions. It seems that the three of them have agreed with Li Tian. . "Okay!" Li Tian didn't ask much why he had to cut his finger. He took the knife handed by Xukong Yasha and cut a hole on his left index finger.

The blood immediately dripped down the hole in Li Tian's finger. And the three Xiaoyachas stood up one after another. The first one came to Void Yasha. Void Yasha hugged Li Tian's cut finger and placed it in his mouth as if it were a breast-feeding child, and sucked. Li Tian immediately felt a tingling sensation on his fingers, which was like applying mint on the wound. And Li Tian felt that the blood in his body flowed faster, and the blood in the wound of his finger also flowed faster and faster. "Does this Xiaoyasha want to feed his own belly with my blood?" Li Tian thought suspiciously. Li Tian actually guessed it right, the Void Yasha hugged Li Tian's fingers and did not let go, and kept sucking, and as Void Yasha sucked more and more blood, it was on Void Yasha's body A strange red rune gradually appeared. This rune is only the size of a pinky fingernail.

Kong Yacha's body flickered back and forth, while Void Yacha was so intoxicated in the blood of smoking Li Tian, his face was flushed with happiness. "You won't be fooled by these three little guys? No, it's impossible. Although these three guys don't have much brains, they take things seriously!" Li Tian thought in his heart. And at this moment, the red flame-like rune appeared on Void Yasha's forehead, and then flashed a few times, staying on Void Yasha's forehead forever. "You are a mindless job, your whole family is a mindless thing!" Li Tian suddenly heard that Void Yasha said in his heart dissatisfied with Li Tian. Immediately, Li Tian immediately felt telepathic with this Void Yacha. This kind of mental sensation is stronger than Li Tian and "Red Slash", and stronger than Li Tian and Nine-color Corpse Crystal. Even Li Tian can communicate with Void Yasha. "It's done?" Li Tian asked with a joyful expression on his face.

Tao. Void Yasha suddenly let go of Li Tian's hand, and then continued "Bah!" "Bah!" After four or five beeps, he said with some dissatisfaction: "It is, of course it is. You didn't see the mark on my forehead. Isn't it? This imprint is the mark of my agreement to your master. Of course, I can form a character on this red flame pattern as I want. Forget it, your name is Li Tian, and you will form a heaven character!" As soon as Void Yasha's voice fell, a light yellow sky word appeared on the flame pattern on his forehead. This pattern will never disappear after the word is printed, unless one of the parties to the contract dies, the word will disappear. "Bah! Bah! Li Tian, your blood is not pure at all, it is terrible!" Xukong Yasha said. Li Tian could only smile awkwardly. He didn't know how Yasha knew his blood was impure, but this was a fact, so Li Tian didn't explain. Then Earthy Yasha, the same way as Void Yasha

The difference is that Feitian Yacha takes Li Tian's blood for a shorter time, almost half of the time of Void Yacha, and the flame-like pattern appeared on Feitian Yacha's forehead. Soon Li Tian also

had telepathy with this Feitian Yasha. "Bah! It's really ugly, it's a big \*\*\*\*\* ghost!" Feitian Yasha said dissatisfied. Immediately there was Di Xing Yasha. The time of Di Xing Yasha sipping Li Tian's blood exceeded the sum of Void Yasha and Feitian Yasha, and a flame-like pattern appeared on her forehead. Random Li Tian also had telepathic feelings with this place Xingyacha. The local traveler Yasha didn't feel that Li Tian's blood was awful to drink, and instead licked his tongue involuntarily, showing a greedy look. "Master Li Tian, since the three of us have signed a master recognition contract with you, you can use your psychological induction to summon us to serve you." Xukong Yasha said.

Li Tian nodded. This is natural. Since Li Tian let these three little Yachas recognize the master, he must have the idea of making good use of these three little guys. "However, Master Li Tian, if, I mean if. If there are any difficulties after the three of us, Master, you have to go all out?" Void, Dixing, and Feitian said with a serious face.

#### Chapter 3539: Temporary ranking (1)

The three little guys are so powerful, what can be difficult, so Li Tian fully agreed, without the slightest excuse. Li Tian discovered that after he had signed the master recognition contract with the three Yashas, Li Tian could enter and exit the space of the three small Yashas as he pleased. This made Li Tian involuntarily happy again. Out of the space of Void Yasha, Li Tian found that Windsor, Liao Jie, Luo Xin and others were all looking at Li Tian in surprise. "Team... Captain, where did you go? Why did you suddenly disappear?" Luo Xin asked. Li Tian conquered three small Yachas and was in a good mood. He said with a humble expression: "This is a secret, I can't tell, I can't say it!" "Captain, Zhu Jinhua accidentally slammed himself into a pig's head. I have been tested. Found that my medical abilities have no effect on this pig! Captain, I can do nothing, please punish me!" Windsor said with a bad smile. Li Tian glanced at Zhu Jinhua, and now it really looked like a pig's head. It seemed that Windsor didn't give Zhu Jinhua any treatment. "Hey, the punishment is fine. But Zhu Jinhua is so unsightly. Looking at the appearance of this pig head will make others think that we have not protected our good teammates. In this way, wrap his head with some bandages and gauze. At least let others know that although we are not well protected, we are still responsible for our own teammates!" Li Tian said. Windsor was not willing to use the gauze and bandage in her backpack to wrap Zhu Jinhua's head into a zongzi, while Liao Jie and Luo Xin both clamored to help Windsor, and then deliberately pulled the gauze in, and Zhu Jinhua immediately issued a burst The ghost cries and the wolf howls. The little lady came to Li Tian and said to Li Tian, "It's already midnight, and the shooting mission tonight has been completed. During your absence, we

I also hurry up to eat something, drink some water and have a rest. You, as the captain, give an order. Are we going to continue to downtown Kyoto? "First walk to the third subway station, and round with the high-steel army commander, and then we will rest nearby for one night, and wait until tomorrow day to continue our journey!" Li Tian said. The little lady nodded, and then said: "In this case, after you meet, I need to return to the suburb where the TV station is located, and send them the videotape I shot today, and then send yours. The results will be reported to the organizing committee for the time being. I will definitely be there until tomorrow before your departure." Li Tian and others did not stay in the subway passage for too long. After Windsor had wrapped Zhu Jinhua up, Li Tian and others set off. After this battle, Li Tian showed his strength and Liao Jie, Luo Xin and Windsor admired Li Tian with Jia. In addition, there is now a twelve-level mutant zombie

crystal as a guarantee, and the faces of several of them also have smiles, and their attitudes towards Li Tian have also increased. The better.

When we arrived at the third subway station, there were still a few level 9 zombies and one level 10 zombies in this subway station. Without Li Tian's action, Luo Xin and others directly killed those zombies. After leaving the subway station, Li Tian and others quickly saw the elephant that looked like a hill, and the tyrant Gao Gang sitting on the elephant! When the tyrant Gao Gang saw Li Tian and the others, he immediately jumped and flew off the zombie elephant. He carefully inspected Gao Shuai and found that Gao Shuai was intact. The tyrant Gao Gang was cold. He hummed and said: "Hmph, I thought you were dead in that subway tunnel! What a bunch of unreliable little ghosts!" Li Tian will not conflict with the tyrant Gao Gang, and tells the tyrant Gao Gang his arrangements. Gao Gang, the tyrant, did not object, but said that he had emptied the building of an express hotel at the subway entrance, and Li Tian and others could go to rest. And he also volunteered to guard the entrance outside the hotel for Li Tian and others. In fact, Li Tian knew that the zombie elephant of this tyrant Gaogang was too big to enter any building, and that

There is also a bed on the elephant, enough for Tyrant Gao Gang to rest on it. After determining the building where Li Tian and others were resting, the little lady quickly disappeared into the darkness while holding the camera. By one o'clock in the morning, the little lady finally appeared at the camp where the staff of the TV station and the organizing committee were. The roaring sound of the giant generators in the camp broke the tranquility of the area. In the camp, there were rows of tents connected together. Form a huge triangular position. In this camp, the relatives and friends of the contestants live on the sides of the triangle, while the other cores of the Ten Army Soul Army are guarding the three corners of the triangle. As for Mu Yunlong, he lives in the middle of the camp with the person in charge of the TV station and the person in charge of the Forbes Power Tournament Organizing Committee. The little lady did not go to the organizing committee to report, but went directly to Mu Yunlong's tent and reported to Mu Yunlong.

"Legion commander, I'm back! These are some things I shot, and there are some very interesting things in it!" said the little lady. Mu Yunlong took the video tape handed over by the little lady and stuffed it directly into the video recorder, while the little lady walked out of the tent very consciously and was responsible for guarding the entire tent. In fact, the little lady knew that there must be a secret whistle around the legion commander's tent, but the little lady walked out habitually. About half an hour later, Mu Yunlong's call came from the tent, and the little lady walked in. "I've left this box of videotapes! As for the TV station, you can explain it yourself like a way!" Mu Yunlong said in an unquestionable tone. Seeing this box of videotapes, Mu Yunlong's hanging heart fell to the ground. Although his grandson Li Tian didn't know why some changes had taken place, his strong strength still assured Mu Yunlong. As for entering the top 100, if Li Tian didn't make a lot of mistakes, it shouldn't be a problem.

Although the little lady was reluctant, in front of the army commander, the little lady didn't even say a word. "Oh, by the way, the TV station has a real-time ranking. You can report Li Tian and their results to see where their results are ranked!" Mu Yunlong said. The little lady walked out of Mu Yunlong's tent and came to the area where the TV station was located. Outside the TV station tent, she saw a huge LCD monitor, and in front of this monitor was also a group of friends and relatives watching some good things. "This Long Ao team is really awesome. It has hunted down three level 12 zombies, and dozens of level 11 zombies. If this continues, the Long Ao team will definitely end the first day with the first result. The competition is over." Someone said. "Look, the Li Tian team

still has zero points. I don't know if the cameramen of their team didn't rush back to report the results, or the results are really embarrassing and embarrassing to burst out?"

#### Chapter 3540: Temporary ranking (2)

The little lady walked a few steps quickly and walked into the tent of the TV station. At this time, the organizing committee members were also nervously summarizing the battle conditions of the various teams in the TV station. The little lady was not the latest to come back, but he first went to the tent of the regiment commander Mu Yunlong, and when he came out from there, it became the latest to come back. Therefore, among all the teams, only Li Tian's team still scores zero. "I'll pay for the video tape I shot today, and report on the zombies hunting by Li Tian's team today." The little lady said that she turned on the camera, buckled the video tape inside, and handed it to the TV station staff. The staff member frowned slightly, but did not dare to get angry. Instead, he cautiously said to the little lady: "Is this this box?" I was accidentally snatched and eaten by zombies during filming!" The little lady said vowingly. "You \*\*\*\*\* said that the zombies robbed your videotape to eat? Isn't there kelp silk that the zombies will eat? Besides, aren't you a core cadre of the Army Soul Corps? What kind of zombies can take your videotape! "The staff member thought with dissatisfaction, but he did not dare to attack, but said in a cheerful voice: "Next time you must pay attention to it. You also know that this is the end of the world. This blank video tape is also very Expensive!" The little lady nodded, then took five boxes of blank video tapes from the staff and put them into the backpack before she came to the desk of the head of the organizing committee. "Excuse me, what is the result of Li Tian's team in hunting and killing zombies?" The person in charge was the secretary-general who had attended the meeting on the TV station. He still had some impression of the little lady, so he asked. The little lady shook her head and said: "Not ideal,

So far, a total of 16 level 9 zombies have been hunted, and one level 10 zombie has been hunted! "The secretary-general immediately entered these data into his computer, and the large screen outside the tent immediately displayed the temporary rankings of all the teams. Sure enough, Li Tian's team ranked last with the worst results. "Oh, right. , I don't know how the points of mutant zombies are calculated? "The little lady asked. "This...Because of this change of the event, our consideration is not comprehensive. I will contact our chairman and vice chairman to discuss how the mutant zombie's points should be calculated. "The secretary-general said. "Did Li Tian and his team hunted down mutant zombies?" You must know that the number of mutant zombies is very rare, and the general level is not too high. What is the level of the mutant zombies that Li Tian hunted? "The secretary-general asked like a serial gun. The little lady smiled slightly and said: "I just ask. Okay, I'm going to rest first, it's almost two o'clock in the morning now. "

Seeing the back of the little lady turning away, the secretary-general said with some disappointment: "This Li Tian can be considered a master, but the luck is so bad that he is divided into such a group. Hey, if it was Li Tian entered the final with the first place in the preliminaries, and then was eliminated on the first day. This can be regarded as creating a Forbes history."...Kyoto city, the suburbs of the city, it is still far from the city. There are dozens of blocks away, but some level 11 zombies and even level 12 zombies have appeared one after another here. Long Ao's battle team beheaded and killed three level 12 zombies in this vicinity. At this time, Long Ao was sleeping on the ground, tossing and turning, unable to sleep. Ever since Long Ao entered the final with a record-breaking result, and his record was broken by Xu Yuan and Li Tian one after another, Long Ao has often suffered from insomnia. Long Ao felt a breath of bad breath in his chest, and if the breath could not come out, he would feel uncomfortable.

Long Ao wanted to win too much. He wanted a victory to slam Li Tian and Xu Yuan under his feet, so that he could get rid of the bad breath in his heart. And now this is an excellent opportunity. Now Long Ao has only Xu Yuan in the eyes of his opponent, because the team that Xu Yuan was assigned to is the same as the team he was assigned to Long Ao. As for Li Tian, Long Ao even said lazily. Long Ao believes that Li Tian's team and his team are not at the same level in terms of strength. If they have to compare, this is an insult to his Long Ao team. The leader of the Long Ao team was certainly not Long Ao. Of the three Level 12 zombies hunted today, only one of them, Long Ao, had a chance to shoot, but the final killer was not Long Ao. But this didn't affect Long Ao's happiness. I don't know how long it took, Long Ao fell asleep in a daze, but as soon as he fell asleep, he was kicked. "Get up, get up! Ready to fight!"

This was the captain's voice, and Long Ao didn't even mean to resist. When he first entered the team, the team leader beat everyone with powerlessness, and then determined his leader status. What the team leader said and what he did was the imperial edict. Among them, Long Ao didn't dare to resist. Long Ao saw that the photographer of their team didn't know when he would be back, and was checking the wiping machine. This photographer is a core cadre from the Hall of Heroes. Long Ao doesn't know what his specific strength is. He has never heard that this person has participated in a Forbes individual strength competition. However, when Long Ao and others are fighting, this person You can always easily dodge the attacks of those zombies, and then appear in front of these players, and easily capture the most exciting pictures. Long Ao knew that this person's strength was not weak, even stronger than him. Therefore, Long Ao quickly leaned over and asked the photographer eagerly: "Master, when did you come back? I wonder if you have seen the temporary ranking on the leaderboard?" The photographer looked up. He glanced at Long Ao, then lowered his head, continued to pack the camera in his hand, and said impatiently: "Your team is temporarily ranked first. You know the total score." "Is the second place in Xu Yuan's team?" Long Ao asked quickly. "Xu Yuan? Who is Xu Yuan? This world is very realistic. From ancient times to the present, only the name of the first player will be remembered. As for the second player, who cares?" said the photographer. "What about Li Tian? It's the person who entered the final with the first place in the preliminaries. What about his team's results?" Long Ao asked. The photographer thought for a while and said: "When I went there seemed to have zero points and ranked last. When I left today, I inadvertently glanced and saw that they had some points, but they were still ranked. Bottom!" Long Ao couldn't help but feel relieved when he heard the news. "Li Tian, the last one, it seems that you are eliminated today!"
