

## A Killer 37

Chapter 37: So heavy

During these two days, Feifei's mood has not been very good.

She has been shutting herself in the room since she came back last time. She doesn't know what she is doing. Sometimes Tang Zheng knocks on his daughter's door, and her daughter ignores him.

Tang Zheng couldn't help but wonder, what happened to his daughter?

"Feifei, what's the matter? Why ignore her father?" Pushing open the door of his daughter's room, Tang Zheng found his daughter lying on the bed playing with a laptop, and asked concerned.

Feifei, wearing a white lace pajamas, snapped her notebook together.

Then he turned his head to the side like a puff.

Tang Zheng smiled and looked at his daughter: "What's the matter? Are you still angry with your father?"

Tang Feifei turned her head suddenly: "Dad, you chopped off Xiao Zhou's hands, I won't be angry."

Listening to Tang Feifei's angry words, Tang Zheng laughed haha.

"Silly daughter, why did Xiao Zhou provoke you again?"

"He hurt someone!" Tang Feifei said angrily.

Tang Zheng smiled and said: "Silly girl, I have already told Xiao Zhou to that young man, and asked him to go over and send him to the hospital immediately, and said to apologize to him... Xiao Zhou also told me about the situation at the time. As a last resort, he didn't want to hurt that young man, so Feifei let it go."

Tang Feifei finally lost her anger when she heard what her father said. She was also a moment of anger when she said the truth. Xiao Zhou has been in the Tang family for many years and has always been loyal. The two gunshot wounds on Xiao Zhou still remain. On the body, I stayed when protecting my dad.

So Feifei finally lost a bit of her anger after hearing her father say this.

"Well, I won't find Xiao Zhou to settle the accounts."

"But, Dad, let me tell you that even if you die, you won't make any appointments with the Wang family, and I will never live with that \*\*\*\*\* forever." Tang Feifei said confidently.

Tang Zheng's face suddenly became unhappy.

"Feifei, why are you so disobedient?"

"What's wrong with the Wang family? The Wang family has helped our Tang family before. Besides, I booked this marriage with the Wang family 20 years ago. Don't you agree now? Where do you put my Tang Zheng's face?"

"You ruined your daughter's happiness casually for the sake of a face?" Tang Feifei glared at her dad with an angry and pretty face.

Tang Zheng looked ugly: "Asshole."

The roaring voice came from the whole small room.

It was the first time that Tang Feifei saw her father having such a big temper in front of her, and tears fell on her pink cheeks.

"Feifei, there is no discussion about this matter. Our marriage with the Wang family was set 20 years ago, and it is still set now."

After speaking, Tang Zheng walked away and left his daughter's room.

How about Don Feifei? The tears of anger fell from the eyes, like pearls.

She stubbornly wiped her face with a thin arm.

"Look at my promise or not, even if I die, I won't agree to the Wang family..."

Cruel words came out of her mouth.

---

In addition to going to work for these two days, Li Tian stayed in the basement and read the broken book. He worked 12 hours a day without being tired, it can be said to be very comfortable.

"Xiao Li, are you still reading your book?" Xiao Zhao, a naked security guard who was asleep at Li Tianshang, said to Li Tian while smoking a cigarette.

Li Tian smiled and nodded.

"Let me see what kind of precious book it is." Xiao Zhao said as he reached out and grabbed the book in Li Tian's hands.

Li Tian casually stretched out his hand and grabbed it on Xiao Zhao's arm.

With a loud cry, Xiao Zhao almost fell off the top bunk in pain.

Li Tian quickly loosened and grasped Xiao Zhao's chubby arm, and quickly asked, "What's the matter? What's the matter?"

"Your mother, why are you so powerful?" Xiao Zhao used his other hand to hold his arm that was held by Li Tian tightly, and said with a look of embarrassment.

Where is Li Tian? Suddenly stunned.

"I don't have any...what's wrong? What's wrong with your arm?" Li Tian asked in a puzzled way.

That Xiao Zhao slowly loosened his arm, and looked closely at the wrist that Li Tian had just grabbed. He saw five red marks on the wrist, clearly flashing on the wrist.

Li Tian was stunned.

"How is it possible? I just...just now...just scratched it lightly." Li Tiandao said.

That Xiao Zhao has been with Li Tian for the past two days. Because they are both young and speculative, they have a good relationship. Unfortunately, Li Tian suddenly made Xiao Zhao's arm like that. I didn't even look at Li Tian.

"Fuck. Take a look at your book, is it so heavy?"

Xiao Zhao said angrily, jumped off the upper bunk, grabbed the blue security uniform on the bed, and thought about walking outside.

"Xiao Zhao, I really didn't mean it..." Li Tian's words rang in the room.

He wanted to tell Xiao Zhao that he really did it unintentionally just now, but Xiao Zhao didn't listen to him anymore.

Li Tian couldn't help feeling a little regretful, how could he be like this?

How could Xiao Zhao's wrist hurt so badly by himself? When did his strength become so heavy?

My God, Li Tian didn't feel it at all.

He knew from there that he had been reading this book of "Book of Heaven" for several days, every day and night, and he would read it when he was at work anyway, and he would read it when he was off work, and he had stayed to read the book these days "Heavenly Book Pill Scroll", his whole body veins seem to be all unblocked, and he could only gather a little energy in his abdomen two days ago, and now he can feel a breath of energy all over his body but that breath. There are times when Jin Shi has nothing, which makes Li Tian very depressed.

But he didn't expect that when he subconsciously grabbed that Xiao Zhao's arm to grab his book, he would actually use the energy in his body, and that's why it happened.

Li Tian, who was thinking silently there, suddenly Na Yu Dahai walked in from outside.

"Xiao Li, what are you doing?" Yu Dahai looked at Li Tian and asked.

Li Tian saw Yu Dahai and smiled: "I'm fine."

"Yes, this is a special product sent by my wife from my hometown, big red dates, you get a little." He said that he handed a packet of big red dates in a plastic bag to Li Tian.

Li Tian hurriedly waved his hands and said, "Brother Yu, this is sent to you by my sister-in-law. How can I ask for it? It can't be... it can't be..."

Yu Dahai squeezed into Li Tian's hands all of a sudden: "How come your kid is like a girl, my wife sent me a lot, don't worry."

Lao Yu handed the pack of red dates to Li Tian, who had to take it.

"Thank you Brother Yu."
