

A Killer 3761

Chapter 3761: Corpse worm (2)

This time, the corpse worm in Ouyang Shiqing did not hesitate, and almost crawled out at a double rate.

one third.....

half.....

More than half...

Li Tian's heart beating faster and faster, and Li Tian's grip on "Red Zhan" became tighter and tighter, even Li Tian's palms were already sweating, which shows that Li Tian's heart is tense at this time.

At this time, Ouyang Shiqing's whole body was crawling on the ground, and the black mucus continued to gush out along with the corpse insects. The mucus had already infested half of Ouyang Shiqing's body.

However, Ouyang Shiqing remained motionless.

Ouyang Shiqing remained in this state after seeing Li Tian move that moment, and the corpse worm in her body burrowed in that moment.

At most, she just grabbed the ground with her sharp claws and scratched a few deep marks on the bluestone ground.

Li Tian felt that time had suddenly passed by slowly. Although the movement of the corpse insects did not slow down, Li Tian still felt that time was slowing down.

Li Tian's heart was calculating the time it would take for the corpse insect to crawl out of Ouyang Shiqing's body.

be quiet!

The whole night is quiet!

Gradually, the crickets in the distance and the toads nearby resumed their calls.

A few mosquitoes are still attracted by the light blue silk thread released by the corpse bug, and surround the corpse bug.

The corpse worm in Ouyang Shiqing's body has completely crawled out. The corpse worm is not big, not half the size of the corpse worm that Li Tiansheng captured, but the appearance of this corpse worm is similar to that of Li Tiansheng. The corpse insects are a little different.

The corpse worm that Li Tiansheng captured was like a silkworm baby. The whole body was soft. The corpse worm already had a shell, a few sharp claws, and sharp teeth, which seemed to be able to bite steel. Broken in half.

And the light blue corpse power silk thread floated from the body of this corpse worm, and the corpse worm's claws were like flicking the strings, resting on those silk threads, looking from a distance, This corpse is like a puppet.

However, Li Tian knew that this corpse insect was controlling these light blue corpse original power threads, and after this corpse insect came out of Ouyang Shiqing's corpse, it did not rush towards the corpse. The insect crawled away, but crawled around on Ouyang Shiqing's back that was already covered with black mucus, and from time to time he controlled the light blue thin line into Ouyang Shiqing's body again.

"This... the corpse worm actually has consciousness!"

Li Tian knows that every corpse worm has its own consciousness, but this corpse worm is completely different from the corpse worm he controls. The wisdom of this corpse worm is obviously higher, and see that this corpse worm controls the corpse with its claws. The power of the original power silk thread seems to be free, and it seems extremely skillful.

And the light blue corpse original power thread of the corpse insect that Li Tian controlled seemed to be flying aimlessly.

"Quickly leave Shiqing's body and go find your companion of the corpse insect!" Li Tianxin thought anxiously.

But things backfired. Not only did the corpse worm didn't continue to crawl out, but it retreated a bit to the wound on Ouyang Shiqing's back.

Once the corpse worm retreated, everything Li Tian had done was completely abandoned.

Li Tian didn't dare to move.

Just now Li Tian also thought that once the corpse insect got out of Ouyang Shiqing's body, he would teleport immediately and appear next to Ouyang Shiqing's body, using "Red Slash" to kill the corpse insect, but Now it seems that the name of this corpse worm clearly has a strong sense of crisis.

Fortunately, this corpse insect did not get in like a frightened rabbit, but was still crawling around on Ouyang Shiqing's back "Xi Xi Suo Suo".

"Can this corpse worm feel my existence? Can it feel that I will be against it?" Li Tian thought.

At this time, the corpse worm that Li Tiansheng captured was less than three steps away from Ouyang Shiqing's body, and the more light blue silk threads released by the two corpse worms were entangled together.

"Huh!" Li Tianyuan disappeared, and after Li Tianyuan disappeared, Dixing Yasha popped a head from the ground.

The corpse worm on Ouyang Shiqing's back really seemed to be frightened, and then retreated a bit to the position of Ouyang Shiqing's back wound.

But soon, the corpse insect seemed to realize that the danger had been completely relieved, and crawled and rotated a few times on Ouyang Shiqing's back, and then began to slowly crawl out of Ouyang Shiqing's body.

Two steps...

step.....

The two corpse insects met only one step away from Ouyang Shiqing's body.

Although Li Tian is no longer around Ouyang Shiqing's body, Li Tian can accurately see the encounter of the two corpses through the Earth Xing Yasha.

"It's now!" Li Tian thought.

Li Tian suddenly appeared in place, and then a teleport directly came to Ouyang Shiqing's side, and he stretched out his hand and directly sent Ouyang Shiqing's body into the space of Void Yasha.

But Li Tian's continuous flashes suddenly made the corpse insect finally feel the danger.

The corpse worm suddenly fell into a frenzy, and at this moment, an unexpected scene happened to Li Tian.

The corpse worm that crawled out of Ouyang Shiqing's body opened its sharp claws, and almost divided the corpse worm that Li Tian captured from the Qinling Mountains. Then the corpse worm was even more serious. As if it was a gluttonous food, he began to gulp the funny picture of the corpse worm into his mouth.

The light blue corpse original power, like lightning, fluttered on the body of this corpse insect.

"puff!"

"puff!"

On the back of the corpse insect's shell, a pair of fleshy wings grew out of it. At first, there was some mucus on the fleshy wings, but soon, these mucus was replaced by the power of the corpse.

The corpse insect flapped its wings, and it flew slowly.

All these changes really came too fast, Li Tiangang sent Ouyang Shiqing into the space of Void Yasha, and the corpse bug had decomposed and swallowed the corpse of the corpse bug.

When Li Tian reacted, the corpse insect was already shaking and slowly flying up.

However, because of the power of the original corpse, this corpse insect is like a dark firefly. It looks so dazzling and dazzling. After the corpse worm grows its wings, it is obvious that it has not been completely used to this. This kind of flying form, flying up and down unexpectedly.

"Want to run? No way!" Li Tian said with a sneer.

"Huh!"

"Red Zhan" had already appeared in Li Tian's hands.

No need for Li Tian to control, the "Red Slash" slammed out of his hand and slashed directly at the corpse insect.

"Huh!"

Chapter 3762: Three Corpses' Plan

The "Red Cutter" directly inserted into the body of the flying corpse insect, slashing the corpse insect from mid-air, landing on the ground, and nailing it to the ground. ,

The corpse worm was dead but not stiff. It kept twitching its body on the ground, and the power of the corpse in the body of the corpse worm immediately began to drift outwards slowly, and the

"Red Slash" was like a hungry glutton, and began to move quickly. Absorbing the power of the corpse in the body of the corpse insect.

"Wow!"

"Wow!"

At this moment, the nine-color corpse crystal on Li Tian's chest released countless transparent silk threads. These silk threads flew into the body of the corpse insect almost in an instant, got in, and began to absorb the power of the corpse. .

If the power of the original corpse in the corpse crystal was mist, then the power of the original corpse in the corpse insect was thick fog.

No, it's not just thick fog, but also a sticky feeling, just like a flowing river.

"I really didn't expect the power of the corpse in this corpse worm to be so pure, no wonder the strength of the corpse will be so powerful!" Li Tianxin said.

But now, today Li Tian has destroyed two corpse insects of the ghoul, and Li Tian's "Red Slash" and the nine-color corpse crystal can absorb the power of these corpses. This pair of Li Tian's nine-color corpse crystal And "Red Cut" will be improved again.

...

Thousands of miles away in Jinghai City, the ghoul in the darkness suddenly roared.

"Li Tian! I am going to kill you!"

This roar reverberated in the quiet streets of Jinghai City. The zombies who went out at night to search for food shuddered after hearing the roar of the ghoul.

"Heh, what the **** is happening? How could you be so ghoulish? This is nothing like your dignified ghoul!" The corpse behind the ghoul smiled slightly, and walked forward. One step, came to the ghoul and said.

"My corpse worm! Two of my corpse worms have completely lost contact. It is a good thing for Hong Zhan! It is a good thing for Li Tian this bastard's Hong Zhan!" The ghoul still did not calm the anger in his heart, his tone was cold. To say.

"It turned out to be the **** bugs. Haha, it's just two bugs. As for such a big fight? Anyway, it's not the first time, and slowly you get used to it!" The corpse continued to smile.

"Yes! I told you a long time ago that it's time to change your **** cultivation method. If you don't know how to practice hard, you will know that you are opportunistic and use the power of the corpse worm, which is absorbed by the zombie in the underworld. Come to practice. If you continue like this, maybe your corpse worms will be exhausted. I'm afraid you won't have 18 completely hatched and transformed worms before you wait, let alone feed a worm king to help you. It has broken through the sage!" The Soul Soul also said with a smile on his face.

"Oh, by the way, how about your results of raising insects with corpses? When raising insects with corpses, you cannot absorb the power of the corpses of these corpses. These corpses should complete their metamorphosis sooner... Could it be... ..It's not the insects that dies this time, right?" The corpse suddenly stopped talking, looking at the ghoul in surprise and asked.

The ghoul fiercely clicked again, and said angrily: "This time it was one of the insects that was raised by the corpse. I have not absorbed that insect for more than three years from beginning to end. The power of the original corpse, and after so many years of continuous training, if nothing happens, at most half a year, the corpse worm will soon swallow the host, completely metamorphoses, and then it can reach the level of the worm. At that time, among these eighteen worms, some of the worms could be born through the fight! This way I will be one step closer to the strength of the sage. But...but...the corpse was suddenly killed! "

"It's Hong Zhan, it's Li Tian!"

"You shouldn't have only eighteen insects cultivated in the form of corpse breeding insects? At least a few insects will be spared? If there are spare insects, then there is no fuss, the big deal is to replace the insects and continue training. "The smell of the corpse.

"Huh, of course! But those worms that are kept in reserve will be at least half a year less than this one to mutate, so that the light worm will have to postpone this level of worms for another half a year, not to mention the insect king. That's it!" The ghoul said coldly: "No, I can't let Li Tian go so easily this time. I must teach Li Tian a lesson to keep him away from my bugs in the future!"

Suddenly the corpse soul seemed to have thought of something, and said to the ghoul: "I remember in this country, you only have three corpse insects raised in the form of corpse worms, and the hosts of these three corpse insects are all A member of the corpse kingdom? Your ***** bug shouldn't be the corpse bug of Ouyang Shiqing? I heard that you have sent Ouyang Shiqing to Guixi!"

The kingdom of the corpse, this organization has been relatively low-key since its establishment. Except for a high-profile appearance in a small place like Sunset Fortress, the kingdom of the corpse is known to the ten major legions, but the kingdom of the corpse is mainly engaged in Work is like a fog.

There have been traces of members of the Kingdom of the Corpse in all parts of the country, and even in remote areas around the world, but these members have basically done nothing, and did not pay attention to the top ten legions and the major legions of the world.

To say that the only thing that caught the attention of the Ten Legions was probably that the kingdom of corpses entered Guixi, and almost half of the cottages in Guixi had been conquered, which attracted the attention of the Longteng Litian Army.

But even so, the focus of Longtengli Tianjun's attention is only the belongings of those cottages, organizations, and legions in the area under his jurisdiction, and there is no real purpose for truly mastering the kingdom of corpses.

But for the three corpses, the founder of the kingdom of corpses, this is beyond understanding.

The kingdom of corpses, this is a kingdom in the underworld, and it is also the source of the three corpses.

The kingdom of the corpse, and even the entire ghost, has a kind of magical power.

And this kind of power has always been what the Three Corpses desire most.

The three corpses had peeped at this power, but they failed.

Coming to the earth world, the three corpses found that this huge earth world was their best opportunity, so as early as more than three years ago, the three corpses began to deploy the kingdom of corpses.

Now that the strength of the Three Corpses has gradually recovered, it is the best time for them to start implementing this plan.

And this is the true purpose of their three corpses reuniting again after so long apart.

As for the sudden appearance of the corpse kingdom in Beitang, it was just a process in which the corpse kingdom gradually moved from behind the scenes to the foreground.

The purpose of the three corpses is to make the kingdom of corpses become the faith of the entire earth! They want to be the gods of the earth world!

"Yes! That's the corpse bug!" Although the ghoul did not want to admit it, he nodded and said.

"What? Damn it, even if your corpse is dead, it doesn't matter. If we let those ***** ten legions and others know our plan, once someone deliberately destroys it, then our plan will be slowed down. !" The corpse soul said angrily.

Chapter 3763: Warm hospitality (1)

"The top ten legions? Are those legions like trash? A group of trash who only knows to put gold on their faces, let alone they don't know, what if they do?"

"Now our three corpses are together again. With the combined efforts of the three of us, even if all the top ten in the Forbes competition are teamed up, I am afraid they are not our opponents, let alone the commanders of the top ten legions, let alone... Hmph, the current ten legions are already in the past." The ghoul said with a sneer.

"In the past? Even though the Ten Legions may not be able to cause us harm now, if they really know our plan, if they insist on sabotaging our plan, I am afraid we will get into trouble too soon!" Po said.

"Hahaha, I'm afraid you don't know?" With a specious smile on the face of the ghoul, he continued to say to the corpse and the corpse: "Before you came to Jinghai, the commander of the Chao and Saint Legion had already I went all the way south to Jinghai, wanting to plunge into the kingdom of corpses."

"What are you talking about? This pilgrimage and holy legion is one of the top ten legions in this country, and their legion commander is going to be invested in the kingdom of corpses? This...this..."

For corpses and corpses, this news is really explosive.

These ten major legions and two major associations in this country can speak of the hope of this country, no matter how they will face each other in private, but on the surface, these ten major legions are a group of peace.

Therefore, there will be coalition forces in Kyoto City.

But now, the president of the Association of Agriculture, Industry and Commerce has become a puppet of the corpse, and the commander of the pilgrimage and holy legion will soon be involved in the kingdom of the corpse. This is definitely not a human being in this country. good news.

The ghoul said with a sneer: "You said that if this legion commander becomes the core cadre of our corpse kingdom, once we announce this news, then what kind of blow will it be for the top ten legions?"

"I have a doubt in my heart. This legion commander is the commander of the top ten legions. In human society, he enjoys the highest honor, wealth and fame. Why should he take refuge in the kingdom of our corpses?" Po asked.

"Yes, I also have doubts in my heart. Although this regiment commander joins the kingdom of the corpses, it can increase the strength of our kingdom of the corpses, but the presence or absence of others has little effect on our three corpses, but if Once he had another plan and knew about our three corpses plan, then we would lose out. Therefore, after he came to Jinghai, I did not accept him!" said the ghoul.

"Hahaha, I have an idea. Since this Chao wants to be in the kingdom of the corpse, then we will let Chao take Li Tian's head as a name. If Chao can bring Li Tian's head back, then we can I think he really wants to serve us, but if he can't even get Li Tian's head back, then why do we need his waste?" The girlish corpse giggled.

...

This is destined to be a restless night.

Guixi Province, Guixi City, it is already pitch black.

The magnificent buildings before the end of the world are like wild beasts with open mouths, giving people the feeling that they might swallow people at any time.

"Who?" A call cut through the silence of the night, followed by the sound of guns being pulled.

Zhang Debao immediately shouted loudly: "Don't shoot, don't shoot. I am Zhang Debao, the commander of the First Army Corps in the world. I want to see the commander of Long Yin Army again. Please make your own convenience."

On the way here, Zhang Debao thought about a lot of things. He has calmed down from the initial excitement.

Although fantasy is always necessary, if it comes true.

But Zhang Debao now thinks more about how to spend tonight safely.

The storm, the Gui army, and the world number one, these three legions worked for Long Yin, but in the end Zhang Debao was the only one who returned here. If Long Yin was angry because of this, the consequences would be disastrous.

But Zhang Debao had to come here again, unless he willingly started everything from scratch and became an ineffective little person.

Although it is dangerous, what if Long Yin accepts him?

Zhang Debao was startled in his heart and began to think about how he should reasonably describe his birth in the Wale cottage after meeting Long Yin.

The soldiers of the Longteng Litian Army did not embarrass Zhang Debao. Zhang Debao is also famous in Guixi.

Soon someone took Zhang Debao to the hotel where the Longteng Litian Army was stationed.

Although it was late at night, Long Yin did not fall asleep, but was still practicing.

After hearing Long Kuang say that Zhang Debao had something important to see, Long Yin still collected his merits and came out to see Zhang Debao.

"Puff!"

As soon as Zhang Debao saw Long Yin, he immediately knelt down on the ground, raining and tearing down, and using refined language to tell the story of his birth clearly.

Zhang Debao tried his best not to stimulate Long Yin with some words, so as not to behead him in a rage.

"I also ask the legion commander to decide. Then Li Tian's strength is indeed far greater than ours. Commander Liu Gui was killed by one move. The commander of the Stormwind Army was also beheaded by Li Tian after stubborn resistance. If it weren't for my cleverness, I'm afraid it would have been done by now. There is no way to show up here to report to the legion commander." Zhang Debao knelt in front of Long Yin, his whole body trembling and said.

After listening to Zhang Debao's words, Long Yin's face was watery, neither angry nor angry.

Long Yin was very calm, as if talking to himself: "Li Tian? Haha, I didn't expect that he would come to the southwest. In that case, as a landlord, why should I not entertain him well!"

Then Long Yin said to Zhang Debao: "If it was Li Tian, even if all of your people died, they would not be wronged. Since you can survive by chance, then you are still a little clever, and then you will follow the Longteng Litian Legion. Right!"

"Legion commander! I have heard you say how strong Li Tian is for more than three years. I also saw it during the Forbes power competition in Kyoto, but I don't think he is now the opponent of the army commander, so this Let me act on behalf of the legion commander once to greet him well! Otherwise he would think that our Longteng Litian Legion was not entertained well!" said Long Kuang, the first deputy commander of the Longteng Litian Legion beside Long Yin.

"And me! Commander, although my strength may not be Li Tian's opponent, but as opponents of the same Forbes strength match, the two of us did not fight each other. This will be a regret for my life, so this time, please ask the legion. The commander must agree that I will entertain Li Tian with Deputy Commander Long Kuang!" Long Ao said.

Chapter 3764: Warm hospitality (2)

After a difficult night, at dawn, Li Tian woke up completely.

Ouyang Shiqing slept next to Li Tian. After seeing Li Tian wake up, he blinked at Li Tian and said, "Are you awake?"

Li Tian sat up and nodded.

Last night, after beheading the corpse, Li Tian immediately asked Windsor to treat Ouyang Shiqing.

It's a pity that Windsor has medical powers, but it can't heal zombies.

Just simply suture the wound on Ouyang Shiqing's body with a needle and thread. Fortunately, Ouyang Shiqing is still a zombie now, and she doesn't know what swimming trunks are.

However, Ouyang Shiqing is actually very painful. This pain is not physical pain, but spiritual pain. For more than three years in the last days, Ouyang Shiqing has been controlled by ghouls and used to raise insects with corpses.

All the power of the corpse source absorbed by Ouyang Shiqing is absorbed by the corpse worm, and the power of the corpse worm back feeds Ouyang Shiqing, and the corpse worm and Ouyang poetry gradually merge into one.

Now, although the corpse bug in Ouyang Shiqing's body has been caught, it has also been killed by Li Tian's "Red Slash", but Ouyang Shiqing's situation is not good.

Because of the coexistence of Ouyang Shiqing and the corpse worm, Ouyang Shiqing is often dependent on the corpse worm. Once the corpse worm leaves Ouyang Shiqing, the power of the corpse in the corpse crystal in Ouyang Shiqing's body will be lost uncontrollably, once the power of these corpses is drained, Ouyang Shiqing's life will also be seriously threatened.

Fortunately, Li Tian had enough corpse crystals for Ouyang Shiqing to devour.

"Why didn't you sleep?" Li Tian asked, reaching out his hand and gently stroking Ouyang Shiqing's cheek.

"I can't sleep, I can't bear to sleep! I haven't seen you enough yet!" Ouyang Shiqing also sat up, as if to make a tender expression, but in the end the muscles on her face were stiff and unable to move. .

"It's getting late, let's hurry! Ningbai and Xiaolong must all want to see you in particular!" Li Tian reached out and helped Ouyang Shiqing up.

Last night, Li Tian let Di Xing Yasha built three independent rock-solid rooms in this mountain stream, and then Windsor and Xiao Mei each occupied one, while Li Tian took care of Ouyang Shiqing and occupied one, but later the two chatted and talked about Li Tian and fell asleep.

"En! I'll listen to you! Let's go back now! But... but what about the silly man? You control him in that space. You should..." Although it is a zombie, after all, Ouyang Shiqing and Ouyang Man It is because of the deep love between sister and brother, Ouyang Shiqing still cares about the safety of the silly man.

In fact, as early as when Ouyang Shiqing was rescued, Li Tian had already entered the space of Di Xing Yasha to see the straight silly man. What made Li Tian feel surprised was that the silly man gave the poncho to Yasha. Killed.

Li Tian saw Silly Man'er playing with the poncho zombie's corpse as a toy, and that poncho zombie's head was kicking as a ball.

Although the head of the poncho zombie was dropped, it was not dead, and his mouth was still cursing Silly Man'er, and Silly Man'er completely ignored his cursing and still blocked the ball with his head.

The moment Silly Man'er saw Li Tian, he gave Li Tian a smirk and said, "I know you!"

Of course you know, otherwise Li Tian would not travel all the way to the southwest. Ouyang Shiqing will come to save you the stupid man, but now that the stupid man has become a zombie, he is not very aware of Li Tian. Li Tian also had no way to explain.

Considering that Ouyang Shiqing was still in danger at the time, Li Tian did not bring the silly man out of the space.

Although Ouyang Shiqing's spirit is very poor, at least he is out of danger, so Li Tian directly brought the silly man'er out of the space of Di Xing Yasha.

The silly man's body was still wrapped in armor with a heavy sword in his hand, and the head of the poncho zombie had been cut in half by the killer. After seeing Ouyang Shiqing's weak body, the silly man smirked and directly Handed the eighteenth-level corpse crystal of the poncho zombie into the hands of Ouyang Shiqing.

"The corpse insect... The corpse insect was killed?" Silly Man'er said, standing behind Ouyang Shiqing with the heavy sword in his hand.

After hearing Ouyang Shiqing's affirmative answer, Silly Man'er gave a smirk, but said nothing.

Just as his previous mission was to protect Ouyang Shiqing, the current silly man's mission is still to protect Ouyang Shiqing, and will not change because the corpse worm in Ouyang Shiqing's body is killed by Li Tian.

At this time, Windsor and Xiaomei also woke up.

When they saw Ouyang Man, Windsor and Xiaomei were obviously afraid and took a step back, but they were relieved when they saw that Ouyang Man, the armored man, did not move any further.

"My god, although Sister Shiqing is fine now, because the corpse worm stayed in the body of Sister Shiqing for a long time, and destroyed the body of Sister Shiqing. If you consider the future of Sister Shiqing, I suggest we It's better to perform surgery on Sister Shiqing as soon as possible! Replace important parts such as body organs!" Windsor said.

Li Tian nodded.

In the apocalyptic era, there is almost no danger for medical operations on zombies.

Don't talk about changing body organs, it can be said that except the head cannot be changed, everything else can be changed.

After all, Liu Yihui, the captives and others had changed the hearts of the captain before, so there was no difficulty at all.

Li Tian and others returned along the original road from Diaojiao Mountain Village to Wale Mountain Village, and then took a shortcut from Wale Mountain Village to the country road.

After that, Li Tian will send Xiaomei to Caiyun City, and then treat Ouyang Shiqing at a hospital in a city near Caiyun City.

On the way, Li Tian asked Ouyang Shiqing about the altar and the kingdom of the corpse, but after Ouyang Shiqing seemed to restore her memory, the memory of the kingdom of the corpse was completely forgotten, and the kingdom of the corpse was completely forgotten. This organization still has some memories, but can't remember the altar at all.

"This Guixi was originally the site of Longtenglitian, so let them handle the remaining poetry!" Xiaomei said to Li Tian.

For Xiaomei, Li Tian also invited to Beitang, but was rejected by Xiaomei. Although his cottage was indirectly destroyed in the hands of the Longteng Litian Army, he still has a deep affection for the Longteng Litian Army. He had a blind worship of Long Yin, so he thought that as long as the three legions were punished accordingly, it was enough.

Leaving the vicinity of the Diaojiao Mountain Village, and less than half the distance from the Wale Mountain Village, Li Tian suddenly became alert, as if he was constantly approaching him when he felt danger.

"Be careful, everyone..." Before Li Tian finished speaking, he was interrupted by a strange and familiar voice.

"Li Tian! Now that you have come to the southwest and come to the site of Longtenglitian, we, Longtenglitian, treat you unenthusiastically and let you go like this. That is our rudeness!"

Chapter 3765: Warm hospitality (3)

On the mountain path, a few figures rushed over.

After landing, they surrounded Li Tian and others.

"Long Ao, it turned out to be you!" Li Tian said.

Just now, the one who uttered a rant and wanted to treat Li Tian warmly was Long Ao, who participated in the Forbes power competition with Li Tiantong.

"Haha, this is the southwest. In the land of Longteng Litian, what's so strange to meet me! To you Li Tian, the king of the northwest, the lord of the heavens, will come to our Longteng silently This is really weird in the place of Li Tian!" Long Ao said proudly.

Beside Long Ao, there is the first picture of the Longteng Litian Army Commander Long Kuang, the core cadre of Longteng Li Tian Mao Renle, the core cadre Mai Jiahui, and the commander of the First Army Corps Zhang Debao.

At this moment, Zhang Debao was hiding behind Long Ao, and pointed at Ouyang Shiqing and said, "Master Long Kuang, Master Long Ao, this is the woman! This woman is the messenger of the kingdom of corpses! Our cottages and the residents in the cottages are the victims. Her bewitched, then she escaped from the control of the Longteng Litian Legion and violently resisted the law!"

Seeing Zhang Debao, Xiao Mei's eyes involuntarily showed a trace of anger.

Zhang Debao, the chief culprit who united the Gui army and the Storm Corps to slaughter the Valle cottage, didn't even die?

And seeing Zhang Debao's appearance, Li Tian also knew why Long Ao and others appeared here.

Long Kuang walked one step forward and said to Li Tian: "Li Tian, I respect you as the commander of the Celestial Legion and the supreme king of the Bounty Hunter Association. In the face of the righteousness of the human race, I believe that we Long Teng Li Tian He Your Celestial Legion should have a common goal."

Long Kuang paused, and then said: "We can forget what you did in our Longteng Litian Legion area, but the woman behind you. She is the messenger of the corpse kingdom. She is in the jurisdiction of our Longteng Litian Legion. , Spread rumors and deceive people, so that more than

dozens of cottages in Guixi betrayed human beings and invested in the sect of the kingdom of corpses."

"Everyone is punishable by a human enemy like her, so she must stay!"

Li Tian sneered and said: "She is my Li Tian's woman!"

Speaking, Li Tian stretched his hand to hold Ouyang Shiqing's hand, looked at Ouyang Shiqing's weak face tenderly, and continued: "I traveled all the way to the southwest to bring my woman back to Beitang. Return to the heavens! Let alone you Long Kuang and Long Ao, even if Long Yin is here, don't want to stop me from taking this woman away!"

When Li Tian said this, he said it was majestic and domineering.

"You, you, even people in the world, whoever organizes me to save Ouyang Shiqing back, who is my enemy of Li Tian! If you have any skills, just say hello!"

"Huh!"

Li Tian's hands still held Ouyang Shiqing's hands tightly, and the "Red Zhan" on his body had already felt the anger in Li Tian's heart, and he flew up and stood in front of Li Tian.

Those who come are not good, and those who are good do not.

In the face of Long Ao, Long Kuang and others, Li Tian didn't need any explanation.

Fight if you want.

"Ok... well... so arrogant Li Tian! I knew your arrogance as early as when I was in Kyoto City, but at that time I never had a chance to fight with you!"

"Today, since you have come to the southwest and are so arrogant and ignorant of what is good or bad, then I will take a good look at your strength!"

Long Ao screamed fiercely, and as soon as his legs were hardened, the dust on the ground seemed to have been attacked from a distance and flew up suddenly, while Long Ao held a sharp blade and charged towards Li Tian and the others.

"Wow!" A roar came from behind Li Tian, but it was Ouyang Man!

It's true that Ouyang Man is a zombie. It's true that his head is not bright in many cases, but he is not a stupid person. How can he not understand what Long Ao, Long Kuang and others are all about?

Ouyang Man roared like lightning, and rushed out from behind Li Tian, and an epee weighing more than a hundred jins headed towards Long Ao.

Ouyang Man's strength, speed, and power Li Tian knew. Even if Li Tian fights with all his strength, Li Tian may not be able to defeat Ouyang Man unless he uses the strength of the three Xiaoyashas.

Seeing Ouyang Man rushing out, Li Tian was rather calm, and continued to hold Ouyang Shiqing's hand, watching the battle between Ouyang Man and Long Ao.

According to Li Tian's estimation, even if Ouyang Man didn't kill Long Ao in a second, he would definitely have the upper hand and be able to beat Long Ao violently.

But in the face of Ouyang's brute force, Long Ao's face showed a scornful smile.

"boom!"

The heavy sword slashed on the ground in front of Long Ao, and the green mountain stone pavement was immediately cut into a large pit with a diameter of more than one meter. The rubble splashed, and many stones rolled down under the cliff next to it, making a clattering sound. .

However, Long Ao leaped back lightly, avoiding the attack of the silly man without any surprises.

Immediately, at the moment Long Ao fell to the ground, his body seemed to be a straight bow and arrow, and he slammed forward again.

"Huh!"

Between the lightning and flint, the sharp blade in Long Ao's hand actually pierced the chest of the armor of the silly man.

"Chang!"

The sharp blade intersected with Silly Man's armor, making a metal crash, Silly Man's smirked, raised the middle of his hand horizontally, and slashed towards Long Ao, but Long Ao easily avoided him.

These few times, it seems that Silly Man'er did not cut Long Ao, and Long Ao is helpless to Silly Man'er, but Li Tian understands that after a few consecutive clicks, Silly Man'er seems to be more passive. If it weren't for Long Ao's limited strength, although the weapon in his hand was not ordinary, it was far inferior to the sharpness of a magic weapon like "Red Slash". I am afraid that the silly man's had completely fallen into the disadvantage at this time.

Li Tian remembered the abilities that Long Ao showed during the Forbes power competition.

Although this ability is almost invisible, it has a very substantial effect in combat.

"Hey, although your stupid barbarian's strength is not bad, it's a pity that no matter how fast you are, it is slow motion in my eyes! Only you, not my opponent!" Long Ao said with a arrogant smile.

That's right, although Long Ao couldn't break through Silly Man's armor defense for the time being, Long Ao's eyes could see through all of Silly's attacks.

"Wow!"

Even the eighteenth-level zombies in front of the silly man's zombies are only beheaded by the silly man's one move. How can this little Long Ao be so rampant that he will not make the silly man's angry.

Silly Man'er screamed, pestering the sword with both hands, and violently inserted the huge sword into the bluestone.

"Li Tian, stop Silly Man'er! This is not his ability!" Ouyang Shiqing yelled to Li Tian anxiously.

Chapter 3766: Warm hospitality (4)

Suddenly some memories that did not belong to her appeared in Ouyang Shiqing's mind.

No, to be precise, these should also belong to her, but they are memories that she only possessed when she was controlled by the corpse worm.

These memories are intermittent, like countless memory fragments, but without exception, these memories are related to the silly man's ability, which makes Ouyang Shiqing's head a little bit painful.

But at this time, Ouyang Shiqing couldn't care about anything else. She knew that the tricks that the silly man would use could greatly enhance the silly man's strength, but this was not the silly man's true strength.

This feeling is as if the silly man betrayed himself to the devil in exchange for the devil's support for his power.

Li Tian also knew what Silly Man'er was going to do next.

If nothing goes wrong, the next silly man'er must be in the Diaojiao cottage, surrounded by scarlet red magma-like runes, and then the silly man's strength has been greatly improved.

"Huh!"

With a teleport, Li Tian had already arrived in front of Shaman'er, reached out his hand to send Shaman'er into the space of Dixing Yasha, and then Li Tian teleported back to Ouyang Shiqing's side.

"Oh?" Long Kuang's eyes suddenly lit up.

Long Kuang had just seen that half a scarlet rune appeared on the tip of the epee in Silly Man's hand, and a powerful momentum had begun to be released from Silly Man's epee.

But at this time, Li Tian's suddenly appeared, sending the stupid man into the space.

Power, as far as the Longteng Litian Legion is concerned, any power can be used, even the power of the devil.

After all, what Long Yin cultivates is magic power, and Long Kuang and other core cadres of the Longteng Litian Legion also cultivate magic power!

Of course, these magic skills are all from the top of the Tianshan Mountains, the collection of the four elephant elders!

Now, Long Kuang just glanced at it, but he could already see the power of Silly Man's, and this power was somewhat similar to magic power, how could this not make Long Kuang go crazy.

"Li Tian, leave that armored man behind, and you can take your woman out of here!" Long Kuang said.

Li Tian snorted coldly, and said disdainfully: "Dreaming!"

"Dreaming? Well, if that's the case, then don't blame us for being impolite!" Long Kuang sneered a few times, and suddenly stretched out his palm.

I saw that Long Kuang's hands seemed to be surrounded by a cloud of black energy, and this group of black energy was full of an aura of decadence, death, and fear, making Li Tian's heart unexpectedly vigilant.

Li Tian didn't dare to be careless, and took Windsor, Xiaomei, and Ouyang Shiqing into the space of Void Yasha, and then suddenly took "Red Zhan" back into his hands.

Long Kuang watched Li Tian put away the people around him like this, but he was not in a hurry. He still stared at Li Tian coldly. At this time, the black energy on his hands had slowly drifted away. These black qi surrounds his body, and continuously breathes into his body with his breath.

"Wow!"

After Long Kuang was entangled in these black airs, his clothes looked like burnt paper. When the wind blew, it broke into a pile of powder, revealing Long Kuang's upper body.

"Long...Lord Long Kuang..."

Next to Long Kuang, Mao Renle and Mai Jiahui looked at Long Kuang in horror and involuntarily stepped back.

"Li Tian, this time you are dead, you dare to provoke Master Long Kuang. You must know that Master Long Kuang's hundred-kill magic skill has been cultivated to the realm of Dacheng, even if it is an immortal zombie, the mourner of Yin Yang gate is in Master Long Kuang's. It's hard to escape with your hands!" Mao Renle shouted at Li Tian.

And Mai Jiahui said on the side: "Yes, these hundred kills kill the gods, kill the Buddha, kill the ghosts, kill the demons. One hundred kills, one must drink human blood to dissolve the hostility of the hundred kills. So, you are dead!"

Listening to the bragging of the two core cadres around him, Long Kuang had a manic expression on his face.

"Long Kuang..." Long Ao obviously also knew about Long Kuang's magic skill for one hundred killings. Seeing Long Kuang suddenly performing this trick, his face was also shocked.

Suddenly, Long Kuang suddenly rushed forward, as if a cloud of black smoke rushed towards Li Tian.

Li Tian and Long Kuang were more than ten meters apart, and the black smoke of Hetuan seemed to move with the wind, and it took just a few seconds to fly over.

Where the black smoke went, the grass, moss, and thorns on both sides of the path became withered in an instant, blew with the wind, turned into a pile of powder, and drifted towards Li Tian together.

This Hundred Killing Magic Power actually possesses such a powerful power. Seeing this scene, Li Tian was shocked!

Li Tian suddenly shouted: "Knot!"

Let "Red Slash" and Nine Color Corpse Crystal form a layer of armor outside his body.

After devouring the power of the corpse in the corpse insect, the layer of armor now formed has turned from gray to dark gray again, and the essence of the bones is almost invisible.

Seeing that black smoke was about to encircle him, Li Tian's heart moved, using the terrain Yaksha to instantly form a wall of sand a foot thick in front of him, and Li Tian suddenly moved forward. Fly away.

"boom!"

A loud noise rang behind Li Tian, and Li Tian looked back and saw that the black smoke bombarded the wall made by Dixing Yasha just now, and a big hole immediately appeared in the wall.

This is a big deep black hole.

"Crack!"

Suddenly a tearing sound came from the sand wall, and then with the **** hole as the center, seven or eight cracks began to appear around it, and at this moment, these cracks suddenly spread to the surroundings, making a crack. sound.

"call!"

Suddenly there was a wind in the mountains, and a gust of wind blew by. The sand wall turned into powder in an instant, took off with the wind, and instantly disappeared.

"Sure enough, this hundred kills can not only destroy plants, but it can also destroy sand and gravel! But I don't know what effect my armor will have when it encounters the black smoke!" Li Tian thought in his heart.

But Li Tian would not make this dangerous attempt rashly.

Li Tian has appeared in front of Long Ao, Mao Renle, Mai Jiahui and others.

"Huh!"

"Hong Zhan" suddenly flashed a red light and slashed towards Long Ao.

Between the sparks and the fire, Li Tian used teleport to evade once, and completed another counterattack.

Li Tian Teleport appeared suddenly, and "Red Zhan" slashed more suddenly. At this moment, Li Tian even saw Long Ao's double pupils violently, and watched his appearance in horror.

But at this moment, Long Ao's mouth showed a sneer, and that expression of horror had turned into a merciless mockery.

"Too slow! Too slow!" Long Ao said with a sneer.

Li Tian's "Red Slash" slashed on Long Ao's afterimage, "Whoo!" Long Ao escaped Li Tian's attack and stood ten meters away, looking at Li Tian with a sneer.

Chapter 3767: Hit by mistake (1)

However, just when Long Ao's face showed a smug expression, Li Tian's "Hong Zhan" suddenly changed its attack direction and slashed at Mao Renle, who was closest to him.

Although Mao Renle tried his best to avoid it, "Hong Zhan" still smashed the weapon in front of him and cut it on his chest. Mao Renle was cut directly to the ground by "Red Cut", and a wound that was more than one foot obliquely appeared on Mao Renle's chest. The blood stained his clothes and kept pouring out.

"It hurts me! I'm going to die! I'm going to die!" Mao Ren Le lay on the ground, rolling back and forth constantly, shouting.

"Pretend to be your mother, get up quickly, I can't deal with Li Tian alone!" Mai Jiahui cursed at Mao Renle angrily.

Mao Renle, who was still alive and dying just now, actually jumped up with a carp, patted the dirt on his body, did not care about the pain of the chest wound, and laughed at Li Tian.

But at this moment, Zhang Debao, who had been hiding on the side, suddenly vomited a mouthful of blood, fell to the ground, clutching his chest, rolling and screaming: "Help! My chest hurts!"

"Hey, sorry, sorry! My strength is limited, and you have to be my stand-in in order to save my life. Don't worry, you will only feel pain, and you will not die. After all, this wound is on me!" Ren Le said to Zhang Debao.

Li Tian's face was almost dark.

The strength of all the members of the Longteng Litian Legion is very weird. Li Tian is now afraid to fight Long Kuang, and he has nothing to do with Long Ao, and now this core cadre Mao Ren Le Li Tian can't be killed. How not to make Li Tian angry.

Li Tian suddenly stretched out his hand and slapped Zhang Debao who was still rolling on the ground in pain.

Broken soul palm.

That Zhang Debao was dying in pain, and he thought that Li Tian was entangled by several members of the Longteng Litian Legion, and how could he care about his small role, so when Li Tian's broken soul palm hit him, Zhang Debao didn't even react.

When he realized the danger, the broken soul palm had already bombarded him.

"boom!"

With a loud noise, Zhang Debao seemed to have been hit by a cannonball. His body was torn apart in an instant, and he couldn't die anymore.

"puff!"

Mao Renle squirted blood out suddenly, he wiped the blood from the corner of his mouth, and said angrily: "You...how did you know?"

"Know what?" Li Tian thought puzzledly.

However, Li Tian understood in an instant. It turns out that Mao Renle's substitute technique did not know how to transfer the damage he suffered to Zhang Debao, so even if his chest was cut open by Li Tian, Mao Renle He wouldn't feel the pain of the division, and when Li Tian took Zhang Debao to death, this Mao Renle could actually feel the pain of Zhang Debao's body being torn apart. It seems that the two of them exchanged physical pain.

Li Tian originally thought that after beheading Zhang Debao, Mao Renle would have no way to find a substitute, but he didn't expect that when he killed Zhang Debao, he would actually injure Mao Renle. This was a complete accident. .

"Huh!" Li Tian snorted coldly, revealing an inscrutable smile, and a teleport attacked Mao Renle again!

Seeing that the seriously injured Mao Renle was unable to retreat, he was about to be beheaded by Li Tian, and at this time, the dragon had engulfed a cloud of black smoke and slammed in front of Li Tian.

"Huh!"

"Red Zhan" slashed towards the black smoke, Li Tian only felt that when the "Red Zhan" cut into the black smoke, he suddenly uttered a contending noise, as if "Red Zhan" had endured something the same as great pain.

Li Tian didn't dare to neglect, he slammed another teleport and appeared more than ten meters away, and at the moment when Li Tian used the teleport, he suddenly raised his arm and blasted out four broken souls at Long Kuang's Palm.

What a character Long Kuang is. He is the first deputy commander of the Longteng Litan Legion, and his strength is not weak. Facing Li Tian's broken soul palm attack, Long Kuang's body is like a cloud of smoke. The same, moving with the wind, unexpectedly avoided Li Tian's attack continuously.

"boom!"

"boom!"

"boom!"

Continuous explosions sounded behind Long Kuang. The rubble splashed and the dust was flying. These rubble did not have eyes. When flying around, most of them flew directly to Mao Renle, who was rescued by Dragon Kuang just now.

"Cracking!"

Although this Mao Renle kept hitting the flying gravel with his palms, the wound on his chest was still smashed into a few pieces of gravel.

This Mao Renle was also unlucky. There was a triangular-shaped gravel house inserted into the wound on his chest, and the wound on his chest suddenly began to flow out. This time, there was no substitute for Zhang Debao. , Mao Renle immediately let out a scream.

At this time, Li Tian was already fighting with Long Ao.

Li Tian discovered that if you want to attack Long Ao, you can't attack in front of Long Ao. You have to play insidious things for Long Ao, such as continuously teleporting, and teleporting back and forth around Long Ao's body. , Long Ao couldn't tell where Li Tian would appear next time.

Even if he was lucky enough to be guessed right by Long Ao, Li Tian's "Red Slash" immediately appeared in the next place after the first cut. As a result, Long Ao was immediately in a hurry, and he was no longer at ease.

The weapon in Long Ao's hand was also cut in half by Li Tian's "Red Slash", and several wounds had appeared on Long Ao's body.

Had it not been for Long Kuang to rescue him, Li Tianneng would have played Long Ao to death!

"Li Tian! You despicable and shameless person, have the ability to fight my Long Aotang upright, let me see who is the best newcomer in this Forbes Power Contest!" Long Ao yelled at Li Tian angrily Tao.

"Idiot, are you Xu Yuan's opponent? Xu Yuan's strength has pulled you a few blocks away, what qualifications do you have to compare with me!" Li Tian said with a sneer.

This Long Ao's strength is not weak, especially his ability, which can completely invalidate many people's attacks.

But Li Tian is different. As long as Li Tian wants to play a rogue style, he continuously teleports, and Long Ao can't lock Li Tian's body at all, so how can he slow down?

At this time, Long Ao had no self-confidence in front of Li Tian. He now understands why Long Yin said that he was not Li Tian's opponent at all.

Suddenly, Li Tian teleported behind Mao Renle and swung a knife at Mao Renle's back.

"Huh!"

A red light flashed, but Mai Jiahui let out a scream.

"You are paralyzed, Mao Renle, you Yin Laozi!"

Chapter 3768: Promise battle (1)

After hearing that scream from Mai Jiahui, Long Ao and Long Kuang's expressions changed involuntarily.

Everyone knows the truth that the dead fellow is not dead and poor.

If they can completely suppress Li Tian today, then this situation should not exist.

But Li Tian, a bitch, has taken the rogue play to the extreme today. So far, Long Kuang has not even touched the corner of Li Tian's clothes, let alone suppressed Li Tian.

In this way, as time goes by, they will find that they came here to besiege Li Tian completely by a wrong decision.

Except for the fear of Dragon Kuang and Li Tian, everyone else might become Li Tian's target.

And this Mao Renle has no other ability, but his ability can transfer the damage he has suffered to others.

Now this product has begun to be passed on to Mai Jiahui, once Mai Jiahui dies, then the next thing is Long Kuang and Long Ao!

How can this not make Long Ao and Long Kuang angry.

"Mao Renle, you are shameless, you even hurt yourself!" Mai Jiahui touched his back behind him, cursing at Mao Renle.

Although Mai Jiahui knew that there was definitely no wound on his back, the feeling of pain and cracking was so real, and this painful feeling made Mai Jiahui feel that his injury was extremely serious, and he almost even walked. It's a bit difficult!

After being stabbed by Li Tian, Mao Renle rolled around on the spot and escaped Li Tian's continued pursuit. Only then did he show a trace of embarrassment on his face and said to Mai Jiahui: "You can't say that. , If you are attacked, I will also bear the pain for you. This is called having trouble with each other, so I can say that I am hurting you!"

While speaking, Li Tian had already teleported behind Mai Jiahui.

"wheat....."

Mao Renle just yelled a word, and Li Tian's "Red Cut" had already been cut on Mai Jiahui's arm.

"what!"

With another scream, Mai Jiahui's arm was directly cut off by Li Tian's "Red Cut", blood sprayed out, spraying Mai Jiahui's face, and this scream was still made by Mai Jiahui .

"you....."

Mai Jiahui clutched his broken arm in pain, and pointed at Mao Ren who could not speak happily.

The broken arm was painful enough, but what Mai Jiahui could not expect was that at the moment Li Tian's "Red Cut" slashed on his arm, Mao Renle actually relieved his ability. So this pain can only be borne by Mak Jiahui.

"I can no longer harm others and myself, since you don't want to share the pain with me, I can only relieve this ability!" Mao Renle quibbled.

Long Kuang had already walked behind Mao Renle in black, his eyes were full of anger and looked at Mao Renle. He stretched out his hand and grabbed Mao Renle's neck directly from behind. The smoke is like a shark smelling blood, constantly piercing from Mao Renle's wound.

"Long...Long Kuang lord...this is a misunderstanding!" Mao Renle wanted to say something, but the skin on his face began to age instantly, the hair on top of his head began to fall down quickly, and those hairs were floating. It turned into ashes when it came down.

And Mao Renle's body, like a flower grilled on a flame, withered and turned into a pile of powder in almost a few seconds.

"call!"

When the wind blows, the pile of powder blows away with the wind, leaving no trace.

Shock!

This is the first time Li Tian has seen this way of killing.

It's no wonder that Mao Ren Le was afraid of Long Kuang just now, and it's no wonder that Long Kuang had even killed the soldiers of Yin Yang Gate easily.

With Long Kuang's strength, that is, to meet Li Tian, a person who can teleport at will to avoid his attack, otherwise others may not be able to deal with it.

"Huh!"

"Huh!"

Long Kuang breathed heavily and shouted at Li Tian: "Li Tian, stop!"

"Li Tian, I did not expect that in just a few months, your strength has improved a lot compared to when you participated in the Forbes power competition in Kyoto. We are too underestimated! Since you are not willing to be a person from the kingdom of corpses Stay, then I and Long Ao. Mai Jiahui can't force you to stay, if so, you go!"

"However, I believe that our legion commander Long Yin will definitely be very interested in fighting with you after knowing that you can escape under our hands!" Long Kuang said with a smug expression on his face.

"Okay, tell Long Yin, I Li Tian is waiting to fight him!"

Li Tian yelled: "Solution", took "Red Slash" away, and said domineeringly.

Just as Li Tian's words fell, a hearty laughter suddenly appeared on the hillside.

"Hahaha, it's not for Li Tian. Although I know that your cultivation talent is against the sky and you are making rapid progress, but I still didn't expect you to make such progress in such a short period of time, even the deputy legion of my Longteng Litian Legion. Chang also has nothing to do with you!"

The visitor was Long Yin, the commander of Long Tenglitian!

It turned out that after Long Yin sent Long Kuang, Long Ao and others, he was always left uneasy, so he followed Long Kuang and others secretly.

Before Li Tian met Long Kuang, the kind of alertness that suddenly appeared in his heart was precisely because Li Tian felt Long Yin.

It was just that Long Kuang and Long Ao suddenly appeared at that time, making Li Tian mistakenly believe that his alertness was due to Long Kuang and others.

"Legislative commander! Subordinates are incompetent!" After seeing Long Yin, Long Kuang, Long Ao and others immediately lowered their heads and said to Long Yin.

Long Yin waved his hand proudly and said: "Don't blame you! Li Tian has another opportunity. He is now out of sight. With his strength, he is now close to the strength of the commander of the top ten legions. If I am not mistaken, that I am afraid that the saint died in the hands of your Li Tian!"

"What? Didn't the Saint Legion Commander disappear? How could it..." Long Ao and Long Kuang said in surprise.

And Mai Jiahui has lost his ability to speak, just staring at Li Tian in front of him dumbfounded.

"Don't deny it. Although there is no direct evidence that Sheng died in your hands, how could he disappear in Donghai City for no reason? A dignified commander of the Ten Legion, even if he encountered the Three Corpses He also has the ability to escape, so how could he disappear?" Long Yin said.

Li Tian had to lament the reasoning ability of these army commanders. It is estimated that the Korean army commanders think so too, so he sent the pilgrimage seven ghosts to deal with him!

But now Li Tian would not admit it even if he was killed.

"What are you talking about, why can't I understand it?" Li Tianzhuang said stupidly.

"Huh! Don't pretend! Li Tian! Remember our agreed battle? Since you can kill the Saint Legion commander, you are now qualified to fight me!" Long Yin said with a sneer.

Chapter 3769: Promise battle (2)

"No fight! No time!" Li Tian said to Long Yin.

The preparations that Long Yin had been brewing for a long time were unexpectedly choked back by Li Tian's words, and Long Yin almost suffered from internal injuries, which directly choked on.

Long Ao, Long Kuang, Mai Jiahui did not expect that Li Tian would answer Long Yin in this way, and the three of them looked at Li Tian dumbfounded.

Is this person still Li Tian?

That's not heroic!

There is an old saying that if you lose, you don't lose. Before this, Li Tian directly rejected Long Yin. How could this person be completely different from Li Tian in Kyoto?

Li Tian also sneered in his heart, thinking: "Shit hero. Fight if you can't fight, and run away if you can't fight. Only those who survive are heroes, those brave fools are just bears!"

Li Tian also knew that being a hero was awesome, but now he was facing Long Yin, not when he was a hero.

"No fight? Since you have come to the southwest, you can't help it!" Long Yin sneered.

"There is barely happiness, everyone is a man, why should a man embarrass a man! Besides, if I have to leave, who can stop me?" Li Tian said.

Jiqing, the commander of the army and Li Tian definitely have the basic feeling!

Long Ao and Long Kuang glanced at each other, and both saw each other's thoughts in each other's eyes.

At this time, Mai Jiahui no longer cared about whether Long Yin and Li Tian had a relationship. He knelt down to Long Yin and said: "Army... Legion commander, my arm was cut off by Li Tian. Yes, can I leave here first and have some simple treatments!"

His arm was severed, and if he could get timely treatment, his arm might recover, so he didn't care about Li Tian and Long Yin flirting.

Before, when Li Tian chopped Mao Renle from behind, he took a heavy blow on his back. Now his arm was cut off by Li Tian, and the blood was flowing. Although the bleeding was stopped, Mai Jiahui was still only feeling cold all over, my body is already a bit weak.

Long Yin frowned slightly involuntarily, and an anger had begun to spread on Long Yin's chest. This anger was not only because of the incompetence of his opponents, but also because Li Tian shamelessly refused his engagement. Make him a little unable to get off the stage.

"Go!" Long Yin said coldly to Mai Jiahui.

Mai Jiahui immediately felt like an amnesty, clutching his severed arm, ran down the small road and quickly disappeared into the distance.

"Li Tian, it's not impolite to come and go. If you don't fight today, I will go to the heavens in person tomorrow and make the heavens chickens and dogs restless!" Long Yin said with a sneer.

Li Tian frowned involuntarily.

He knew that Long Yin did what he said.

If he retreats again today, then the Demon Long Yin is really likely to go to the Heaven Realm.

Li Tian hates being threatened by others, and this Long Yin knows Li Tian's character deliberately to threaten Li Tian.

"Okay! Since you want to fight with all your heart, then the first battle is! Isn't it possible that Li Tian is still afraid that you won't succeed?" Li Tian said with a sneer after holding "Red Cut" in his hand.

"Hahaha, this is the Li Tian I know!" Long Yin finally showed a smile on his face and said with a wild smile.

"boom!"

A huge aura was released from Long Yin's body in an instant. Li Tian saw that with Long Yin as the center, the dust on the ground under Long Yin's feet actually flew up at this instant, and then a few more seconds passed. At this time, it slowly fell to the ground.

And in these surroundings, no, to be precise, it was in the entire mountain, because Long Yin suddenly released this murderous intent, causing the entire mountain to fall into silence.

This kind of murderous aura, this kind of aura makes the birds hide in the forest and the mountain rats return to the cave.

Even those little bugs dare not make a sound at this time.

This is a powerful combat power.

This is a powerful murderous aura.

This combat power, this murderous aura was far stronger than Long Ao and Long Kuang, and Long Ao and Long Kuang both involuntarily stepped back a few steps at this time. They have been following Long Yin for some time, but this is the first time they have seen Long Yin unreservedly release his murderous aura and strength.

"You two leave me away, and destroy all the cottages in the kingdom of corpses. Don't get in the way! Don't get in the way here!" Long Yin turned and said to Long Ao and Long Kuang.

The two who had originally wanted to hide and watch the ore battle immediately nodded tremblingly, and like Mak Jiahui, they rolled down the hillside.

"The two eye-catching guys are gone, now you can use all your strength!" Long Yin was not anxious to attack, but said with a sneer.

Li Tian held "Red Zhan" tightly in his hand, sneered, and said, "As you wish!"

"Knot!"

Li Tian shouted, "Red Zhan" and Nine Color Corpse Crystal immediately formed a gray-black armor around his body.

The nine-color corpse crystal on Li Tian's chest and the "Red Slash" in his hand have already felt the power of Long Yin, and they are constantly releasing the power of the corpse, and the power of the corpse surrounds Li Tian , So that the "Red Zhan" in Li Tian's hand, the armor on his body turned light blue.

"Di Xing Yasha! Void Yasha! The people we are facing today are much stronger than those we have encountered before. Once war starts, then you two must go all out!" Li Tian's heart was facing Di Xing Yasha and Void Yasha said.

"Yes! Master!" Dixing Yasha and Void Yasha replied at the same time!

Now Li Tian and Long Yin no longer have their endless hatred, but neither Li Tian nor Long Yin wants to lose!

"call!"

Li Tian held "Hong Zhan" in both hands and let out a long breath.

With the spitting breath, Li Tian's aura gradually began to change.

Seeing that the ridiculousness on Li Tian's body had completely disappeared, replaced by an explosive power, Long Yin's eyes narrowed involuntarily.

"Not enough! Now this strength is not enough!"

"Not enough! Show the strength you can kill the saint!"

Long Yin slowly clenched his fists, and started roaring towards Li Tian in his heart.

At the bottom of the valley, Long Kuang and Long Ao, who had been far from the battle circle, still kept looking back at where Li Tian and Long Yin were.

"You said Li Tian and the commander of the army, who will win?" Long Ao seemed to ask a very stupid question, but this question also meant that he had no bottom in his heart.

"Nonsense, of course it is our legion commander! Didn't you just see it? How powerful is the legion commander's strength! Li Tian is helpless even with us, let alone in front of the legion commander!" Long Kuang said.

Long Ao shook his head slowly, and said, "Li Tian, you will never see the limit of his strength. Since Sheng is likely to die under his hands, then it is impossible for him to use us. It can only be said that he didn't show all his strength at the time!"

But at this moment, there was a loud noise suddenly in the distance.

"boom!"

The earth is shaking!

Chapter 3770: Promise battle (3)

The ground is shaking and the mountains are splashing. ,

Li Tian and Long Yin, both in full body armor, stood face to face, their fists collided tightly.

At the foot of the two, the bluestone mountain road has broken inch by inch, and these rocks have begun to tilt toward the cliff.

"Wow!"

There are constantly boulders rolling down from the cliffs. Seven or eight of the trees growing on the cliffs have been broken by the boulders, and they have rolled down the cliffs together. The birds and pine trees on the cliffs all flee for their lives and flee towards the distance. Even so, there are always people who are slow to move. They are accidentally hit by the flying stone and become a mass of fleshy mud.

"Li Tian, this is not your full strength, come with your full strength!" Long Yin burst out loudly, with force on his fist, Li Tian's body immediately flew out like a broken kite .

But Long Yin didn't give Li Tian much time to react. He put his feet harder on the ground and flew towards Li Tian again.

"Boom!" The cliff at Long Yin's feet immediately collapsed.

However, Li Tian in the air didn't care at all, and constantly sprinted backwards. Every time he stepped on a cliff with one foot, Li Tian would teleport and gallop back again.

Before Li Tian casts a teleport, he will not hesitate to blast a few broken soul palms and blast towards Long Yin.

"boom!"

A stone the size of a house was hit by Li Tianyi's broken soul palm. The boulder was immediately torn apart and rolled down the cliff. However, Long Yin, who was standing on the boulder just now, flashed an afterimage, laughing wildly and approaching Li again. day.

"Huh!"

Li Tian used teleport again.

"boom!"

Li Tian bombarded the broken soul palm again.

Each broken soul palm fell behind Long Yin, immediately like a cannonball hitting the loose ground.

The mountain road that Li Tian and others walked just now was completely unrecognizable. It was originally a path on the cliff. At this time, it has almost become a ruin, and the shadow of the road is no longer visible.

There are gravel everywhere, deep pits everywhere.

And the two figures flew across the cliff quickly one after another.

"Huh!"

"Huh!"

After casting teleport for the first time in a row, Li Tian felt that his breathing had become rapid.

Although up to now, Li Tian and Long Yin have only punched, but Li Tian does not feel relaxed. Up to now, Long Yin has not exerted all his strength, but Li Tian's body has begun to appear exhausted. feel.

This is the impact of a duel with a decision master.

Long Yin is fast, Li Tian can only be faster than Long Yin.

Long Yin's power is great, Li Tian can only be greater than Long Yin's power.

However, so far, Long Yin has only performed normally, but Li Tian is already using the power of the Nine Color Corpse Crystal.

It's like playing basketball and basketball.

Although the same players play in the preseason, regular season and playoffs, they have completely different energy consumption. Now for Li Tian, he seems to be playing the playoffs now and he is already desperate, but Long Yin downplays it as if he is playing the regular season or even the preseason.

Just because so far, Li Tian's strength has not yet been paid enough attention to Long Yin.

On Li Tian's chest, the vortex of the nine-color corpse crystal was already spinning faster.

Several corpse power spheres were born in the whirlpool and also rotated with the rotation of the nine-color corpse crystals, and strands of corpse power floated out of these corpse crystal spheres, and did not follow the rotation of the whirlpool. Which transparent silk thread was used to transport Li Tian into the armor on Li Tian's body.

After teleporting backward several times in a row, Li Tian suddenly teleported forward.

The figure appeared in front of Long Yin in an instant.

"Huh!"

"Red Zhan" flickered, and a red light flew towards Long Yin's door.

Long Yin's pupils enlarged suddenly, a sneer appeared at the corner of his mouth, and he actually slammed into "Red Zhan".

Fist!

That's right, Long Yin actually swung his fist!

The air flow from this fist turned out to be like a meteor, releasing dazzling light.

"boom!"

The fists collided with "Red Zhan" and made a loud noise.

"Hong Zhan" was less than an inch away from Long Yin's fist and could no longer cut an inch downward, making a series of creaking noises.

"Li Tian, is this your strength? Is your weapon even incapable of breaking my fist? It really disappoints me. I really don't want to understand how the saint's waste died in your hands! He! But the commander of the top ten legions, the top fifteen characters in the Forbes competition!" Long Yin said with a sneer.

There was a slight sneer at the corner of Li Tian's mouth, and he didn't act aggressively, and flew out directly.

Long Yin did not pursue, but stood still, with a disappointed expression on his face.

"Li Tian, I'm very disappointed..." Long Yin said.

Li Tian shook his head helplessly and said, "I'm also very disappointed. I told you everything. There is barely happiness, you don't believe it!"

Long Yin's strength has been greatly changed from before the end of the world. Before Long Yin's devilish energy was soaring, but now Long Yin's devilish energy has completely reduced. During these three years, Long Yin obviously had other opportunities, and Long Yin's strength has also been greatly improved! Much stronger than the strength before the end of the world.

Long Yin suddenly became angry, and said with a cold snort, "Li Tian, don't give me a hippie smile, don't force me to kill you!"

Long Yin had reason to be angry. He waited for more than three years and kept practicing in order to fight Li Tian.

The last time he met in Kyoto City, although Li Tian's strength had recovered, he was far from his opponent, so Long Yin was not in a hurry to fight against Li Tian.

But now, Li Tian already has the strength to kill the commander of the top ten legions, and he is completely able to fight against his Long Yin, but Li Tian is hippy smiling and does not show his true strength. He gives Long Yin the feeling that he is Li Tian. I didn't respect him, I was teasing him, how could this not make Long Yin angry.

"Li Tian, since you are looking for death, then I will fulfill you!"

Long Yin uttered a furious rage, and all the devil qi on his body suddenly poured out, and these devil qi flowed everywhere. A breath of death instantly engulfed the entire mountain, and the mountains in this mountain seemed to be plunged into darkness, giving people a cold feeling.

But behind Long Yin, he used magic energy to condense six monsters of different looks, the same height as Long Yin!

Although these six demon-qi monsters have not yet fully formed, but these six monsters have already formed their eyes, mouth and nose, and each of these six devilish hands holds a weapon condensed from demon-qi. .

These six monsters were holding various weapons and staring at Li Tian intently.

"Li Tian, this is the result of my six magic skills!" Long Yin said with a sneer.
