

A Killer 40

Chapter 40: Terrifying power

"Fuck you XX."

The skinny young man who looked like a ghost wanted to single-handedly challenge Li Tian, holding his thin arm like a stick and calling him.

Li Tian directly hit the thin ghost's face with a fierce uppercut. How could the thin guy withstand this punch, and he was thrown directly on the ground, covering his mouth with a tooth lost. call.

Only the strongest guy is facing Li Tian at this moment.

"If I don't kill you today, I won't be surnamed Wang." The strong man who claimed to be surnamed Wang suddenly caught Li Tian.

Judging from his movements, he seemed to be a trained character. No, he immediately grabbed Li Tian's arm by reaching out extremely quickly. Li Tian suddenly felt a fiery pain in his arm.

It was like throwing off his arm, but he didn't expect that the strong man raised his knee and hit Li Tian's chest with a flying attack. Then he grabbed Li Tian with two hands, stretched his front foot slightly, and rested Li Tian's ankle with both hands. With a bang, Li Tian was thrown to the ground heavily by a beautiful back throw.

"Little Li..."

Yu Dahai by the side looked at him unbearably.

Xiao Zhao was also stunned there.

The strong man threw Li Tian to the ground all of a sudden, didn't mean to stop at all, lifted his leg and kicked Li Tian on the head.

But this time, I didn't expect that Li Tian would embrace his kicked leg.

The strong man didn't expect that this guy would hug his leg all of a sudden. He was taken aback and wanted to get his leg back, but Li Tian gave him a chance.

Suddenly he jumped up from the ground, hugged his leg fiercely, and pulled forward. The strong man's other leg was unstable and fell to the ground with a bang.

Li Tian got up and clenched his fists tightly. Suddenly, all the (qi) in his body that had been pressed by him finally broke out, and punched the strong man's chest with a bang. .

With a click.

The strong man's entire face became distorted, his chest seemed to sink in, and his huge body flew out like a cannonball.

He fell to the ground with a heavy thump, and passed out without any warning.

And what about Yu Dahai and Xiao Zhao? Completely stunned.

Where is Li Tian? He also looked dumbfounded at his fist, and muttered in his heart: It turns out that that energy is really so powerful, and that inexplicable power in his body turned out to be real?

It turns out that when Li Tian first started fighting with the first three people, he had been suppressing the qi that emerged from his body. To be honest, he was a little skeptical and afraid of the qi in his body. The suspicion was because he didn't know the qi. Does Jin really exist? I'm afraid because in case that Qi is true, I'm afraid of hurting people.

So that when finally facing this strong man, Li Tiancai burst out the vigor in his body.

However, the strong man on the ground was half-dead by him with a punch.

Lingwai's three guys who were well repaired by Li Tian, hurried to help the strongest guy up, and then shouted all the way: "You **** wait..."

"You watchdogs wait for Lao Tzu..."

Following the scolding, the three of them hurriedly helped the beaten strong man who had passed out to get into the car, and hurriedly left.

The employees of the Tang company who had been watching the excitement, when they saw that there was no excitement to watch, they all dispersed.

Only Yu Dahai, Xiao Zhao, and Li Tian with bare feet were left here.

"Little Li..." Yu Dahai over there shouted while looking at Li Tian.

Li Tian turned his head slowly: "Brother Yu, are you okay?"

"I'm okay, okay, how about you? Are you injured?" Yu Dahai hurried over to look at Li Tian and said.

Xiao Zhao over there also jumped over.

"Plum, you are so awesome. Do four by yourself. You are a hero. I adore you to death." The guy said there.

The three of them went back to the dormitory.

Li Tian didn't suffer much injury. He just scratched the skin with his fist. Nothing else happened. Where is Yu Dahai and Xiao Zhao? Also sitting on the bed smoking a cigarette.

"Xiao Li, thank you..." Yu Dahai took a fierce cigarette, spit it out and looked at Li Tian and said gratefully.

"Brother Yu, it's okay." Li Tiandao said.

Yu Dahai sighed deeply: "Hey! I am getting older, and I have a wife and children at home, as well as a mother. Sometimes I live in a foreign land and I can bear it. I have been a security guard for so many years. Someone scolded me, someone beat me, and some people laughed at me. I didn't pay much attention to it... What was it for, and the reason was to earn that little money to go home to the elderly, raise children, and raise a family. "

"Brother Yu, I understand what you are saying, but I am different from you. I can bear it, but I can't bear my friend. My relatives are bullied. People can scold me and beat me, but I can never beat my friends. , Relatives. So these **** today, I must fix them." Li Tiandao said.

"Good job, Li Zi, I support you. With your words, my Xiao Zhao will be friends with you all my life." Xiao Zhao, who was full of youthful and beautiful beans over there, said with a smile.

Yu Dahai also smiled slightly: "Xiao Li, remember what Old Yu said: People are outside, sometimes they can bear it. If you take a step back and you can't calm the waves, let's take a step back. I have been mixed for so many years, although I live It's awkward, but at least it's calm, and the family is happy, which is enough for me."

Li Tian nodded, did not say anything, did he really think so in his heart? Nobody knows.

The only thing he is thinking about now is the "broken book".

Because of that "broken book" Li Tian has only now discovered its truly incredible place.

He hadn't been able to believe that there really was that vigor in his body before, but today, everything that happened today is completely proved.

Could it be that I really picked up a "baby".
