

A Killer 41

Chapter 41: revenge

After experiencing this incident, the nickname that Li Tian could play in the security team suddenly came out, although even he himself did not expect that he would become a celebrity in the security team.

In the past few days, Li Tian can be described as crazy studying the "broken book."

Although he couldn't understand the content of the book, and didn't know what the broken book that was accidentally picked up was, he could feel the energy accumulating in his body.

And he also gradually realized that this book could make his physical fitness better and better.

I always feel like my body is like a huge airbag, I want to vent at any time, but there is only one shortcoming, that is, that energy can't be used by him now.

Sometimes he can use that vigor, but sometimes he can't. Sometimes when he doesn't want to use the vigor, he just uses it. To put it bluntly, he can only use a few words: uncontrollable.

But all this is not important, what is important is that Li Tian can already feel that he is getting stronger.

Before Li Tian could only do 30-40 push-ups at a time, now he can do 100-200 push-ups at once.

In the words of Xiao Zhao who was asleep in his upper bunk, Li Tian is a savage.

Several times that Xiao Zhao wondered why Li Tian would read that broken book every day, isn't it? While Li Tian was out to take a bath, he secretly took out Li Tian's "broken book" and took a look.

Opening the old paper book like animal skins, Xiao Zhao was immediately depressed.

"What is the word for Nima? Why is it all in tadpole script."

Xiao Zhao, who turned a few pages, felt depressed when he saw that he didn't recognize any of the words on the book.

"Does Li Tian really read such a book every day? It's really weird? Can he read it? Anyway, his mother doesn't understand it."

Pang Pang put the broken book in its original position, and Xiao Zhao climbed onto the upper bunk.

When Li Tian came back, Xiao Zhao asked him: "Li Zi, can you understand the tadpole text on the broken book?"

When he heard Xiao Zhao's question, Li Tian was stunned for a moment, and his heart was secretly, it seemed that Xiao Zhao had read his book.

Smiled and said: "Yes."

Xiao Zhao said depressedly: "I can't tell, you are so knowledgeable. You can even understand tadpoles."

Li Tian just smiled.

"Xiao Zhao, have you read the book?" Li Tian asked, pointing to the broken book.

Xiao Zhao nodded: "Well, I took a look, but unfortunately I am really not interested in watching that stuff. I don't even like to read textbooks when I go to school."

"Don't you feel any difference in this book?" Li Tian asked tentatively.

In fact, he wanted to know whether Xiao Zhao would feel the same as himself when reading this book of tadpoles, and at least would the tadpoles swim in his body.

It's a pity that Xiao Zhao shook his head: "Brother, I still don't read it. I feel dizzy when I see the words on it."

Hearing what Xiao Zhao said, Li Tian didn't ask too much, but he was wondering why, when he was the first time, all those tadpoles would enter his body? (The answer will be revealed later)

But he didn't think too much about it. He still went to work, and his life was dull.

Since becoming a security guard, Li Tian has done nothing more than these things every day, standing guard, chatting, sleeping, and reading.

Life can be described as monotonous.

Li Tian is still sitting in the security room of the parking lot and chatting with Xiao Zhao.

A dazzling beauty who was plump and peach-like just passed by in the parking lot just now made the two puberty old gentlemen have endless aftertastes.

The woman's upper body is a tight red skirt, which perfectly exposes the plump body, especially the chest. The first two white flowers and Yufeng shaped like hemispheres make them both memorable.

If such a woman's thin legs can hold a man overnight, she can't let that man fuck?

"His sister, whenever you find a woman, you have to find that kind of woman." Xiao Zhao wiped the sweat coming out of the corner of his mouth, and said with inexplicable direction as the mature woman was going away.

Li Tian next to him also said with a smile, "Yes."

"Do you know? The female employees in this Tang company are more beautiful than the other, grandma's. When can we pick up such a woman." Xiao Zhao said.

Li Tian smiled slightly.

"As long as you work hard, everything can be accomplished."

The two are here while guarding the security room of the parking lot, while chatting there.

While the two of them were talking here, they didn't see the security captain Yu Dahai running towards their security room like crazy.

"Little Li...run away."

Yu Dahai, who ran in with qi deficiency and panting, said to Li Tian with an ugly face.

Li Tian and Xiao Zhao saw that Yu Dahai's face was ugly, their faces were taken aback, and they asked, "Brother Yu, what happened?"

"Don't ask, Xiao Li, run quickly and leave here first." Yu Dahai said anxiously, while pushing Li Tian there, as if Li Tian would be dead if he didn't leave.

But Yu Dahai didn't know that Li Tian's temper was a donkey. The more you let him go, he would not go.

The stubborn Li Tian stood there: "Brother Yu, tell me what happened?"

Xiao Zhao next to him was also nervously looking at the sea.

Reluctantly, Yu Dahai could only say: "The little gangsters two days ago came to seek revenge from you, right in front of you, this time a lot of people came...Xiao Li, listen to your brother, hurry up run....."

Suddenly hearing Yu Dahai say this, Li Tian was stunned.

It turned out that Li Tian helped Yu Dahai fight a few **** a few days ago, this time they came back to take revenge.

Those guys weren't annoying characters. After being repaired one by one by Li Tian last time, they were extremely angry, especially the strongest guy who was beaten to death by Li Tian on the spot. This time Presumably the other party must be here for revenge.

After hearing what Yu Dahai said, Xiao Zhao also had an ugly face and persuaded Li Tiandao to say, "Li Zi, listen to Brother Yu, you can hide first."

Because he understands that some time ago, he heard that a security guard in another part of Kyoto City had beaten a car owner. He was finally chopped off and disabled. The case has not been solved yet.

Where is Li Tian? It was there that he slowly shook his head, his face extremely calm.

"Since they are coming at me, let them come to me."

The words came out slowly from his mouth. Li Tian didn't want to be a hero, nor did he want to prove how awesome he was, but he deeply understood that if he left, Xiao Zhao, and Yu Dahai affirmed He would be beaten, and that group of people would never give up so easily, so he refused to leave.
