

A Killer 411

Chapter 411: A pawn

But Li Tian felt more and more strange, why did this Duan Mu Heiming treat himself this way for a while?

Could it be that he was just trying to get himself to join the Duanmu family and do things for them?

However, all this did not allow him to think carefully, the identity of the fifth elder had now been imposed on him.

The ten-year Raksha Conference is over.

This year's Raksha Conference was shocked and regrettable, for those members of the Duanmu family.

What was shocking was that even the disciple Wang Kun under the second elder would be beaten to death by Li Tian on the stage of life and death.

Regrettably, let Li Tian, a foreigner, become the fifth elder of the Duanmu family? Although they were very unconvinced in their hearts, none of them dared to stand up and say no words.

The end of the Raksha Conference also allowed Duanmu Heiming to see Li Tian's kung fu and everything.

He knew Li Tian's weaknesses, and he also knew Li Tian's current strengths.

Duanmu Heiming is an extremely sinister guy, and he is extremely proficient in employing and harming others.

As for why he made Li Tian the fifth elder of the Duanmu family this time? What is his purpose? Maybe only he knows...

In the discussion hall of the Duanmu family, what was standing was Duanmu Heiming's confidant.

1. It is the black eagle, the leader of the Anbu, and the second is the charming and evil Hua Sanniang.

"Patriarch, I really don't understand some things here. I don't know why the Patriarch gave the position of elder to such a kid with a foreign surname?"

"The clan owner may be a little unclear. Now most members of the Duanmu family are complaining about this... Although they dare not blatantly tell the clan owner, no one in the Duanmu family will be willing to talk to a foreigner."

The Black Hawk said coldly in a hoarse voice.

The charming and coquettish Hua Sanniang next to him also looked at Duanmu Heiming with a surprised face and said: "Heiming, to be honest, I am also a little strange, why let that kid be the fifth elder of our Duanmu family? That kid? But at the beginning we used poison to force him to stay in the Duanmu family... Maybe he will turn around and bite us badly..."

"To be honest, I still feel a little bit about letting the kid surnamed Li stay in our family a bit of a tiger..." Hua Sanniang said there.

Duanmu Heiming had a sneer at the corner of his mouth. After listening to the two of them, he snorted and said, "Have you two finished talking?"

Following Duanmu Heiming's cold snort, Hua Sanniang and Hei Ying hurriedly lowered their heads.

"How can I know what you said?"

"But all your opinions are humble opinion!"

"I'm telling you, is it true that Duanmu Heiming will allow an outsider to interfere with my Duanmu family's major events? The reason why I let him be the fifth elder of the Duanmu family, I just want him to do something major."

"Our Duanmu family must not intervene in that matter. If we intervene, the consequences will be unimaginable, so we must have a foreigner to do this."

Duanmu Hei Mingyin said with a smile.

After he said so, the Hua Sanniang and Black Hawk were taken aback.

"It turns out that the clan leader has a good plan..." the black hawk said hoarsely.

Hua Sanniang next to him asked curiously: "Heiming, what are you going to do with that kid surnamed Li?"

Duanmu Heiming suddenly had an extremely evil smile at the corner of his mouth.

"You will know soon."

"You remember, this kid surnamed Li will definitely be the most useful piece of my Duanmu Heiming...I will let him deal with the other three families...The Ouyang family...and The Yuwen family, and the Situ family in the northwest...These families, I want to destroy them one by one..."

The frenzied words came out of Duanmu Heiming's mouth.

It turns out that the real truth behind the scenes is to deal with the other three families?

Could it be said that what Duanmu Heiming wants Li Tian to do next is to prepare to deal with the other three big families?

Is it true or not?

—

When the Raksha Conference was over, Li Tian returned to his room with fatigue.

The Raksha Conference itself is of little significance to him.

After the end of a Raksha Conference, apart from the blood on his hand, the only thing he had was the black token in his hand.

Looking at the black token in his palm, Li Tian smiled bitterly, threw it on the table next to him, and then lay down on the small bed next to him, quietly thinking about everything.

Suddenly he just lay down, and another grunt got up.

It turns out that the absorbed Wang Kun's essence in his body is repelling the Qi Jin in his body... and not only the Qi Jin is repelling, even the energy of the blood-sucking spar also follows. It's like "messing up" ... in his chest.

Although Li Tian feels that his strength has really increased, the strength absorbed from the outside world is depressed, and he feels repulsive from the strength of his body? What should I do?

After thinking about it, Li Tian slowly curled up his fists and sat there quietly like an old monk.

After sitting quietly with him, he slowly began to adjust the three air currents in his body!

Absorbing Wang Kun's essence and blood... As Li Tian slowly guided with the icy airflow of the blood-sucking spar, it gradually calmed down in his body.

And the strong energy of oneself is no longer mixed...

As Li Tian slowly adjusted his body, he stayed in place as if sitting still.

I don't know how many hours have passed, Li Tian is still sitting there quietly.

It's as if you are asleep.

He didn't even notice when his door was pushed open by a certain woman.

Who is coming in? Of course it was the young lady Duanmu Ying.

After she opened the door, she saw Li Tian sitting there quietly like a monk. She found it very funny. She blinked her beautiful eyes and looked at Li Tian who was motionless: "I thought, what is this guy doing? Well?"

Stretching out the small white hand tied with a thin red string, shook it slightly in front of Li Tian, but there was still no response.

At this end, Ki Sakura felt curious.

She suddenly reached out and patted Li Tian on the shoulder, and said softly, "Hey..."

After her fingers touched Li Tian's body, she suddenly discovered how Li Tian's body looked like he had just emerged from the ice cellar. It was so cold...

Duanmuying was stunned.

"It's so cold... how does his body look like ice?"

"Could it be something wrong?" Duanmuying said with some fear.

"Hey..." Duanmuying said, shaking Li Tian's body suddenly.

After being shaken so slightly by Duanmu Ying, Li Tian suddenly opened his eyes...the light flickered.

Duanmu Ying was taken aback.

Chapter 412: Her thing

"You...you...are you okay?" Duanmuying looked at the weird Li Tiandao in surprise.

After Li Tian was awake, he breathed out from his mouth, it was a white gas.

Then raised his eyes slightly, looking at the Duanki Ying: "Why did you come? When did you come in?"

Duanmu Ying in front of her was a little messy.

"I just came in. I knocked on the door and you didn't care about me, so I came in."

"It's you, what are you doing? Why is your body so cold just now? It's like ice..." Duanmuying asked curiously.

Li Tian heard Duanmuying say this, and quickly touched his body.

Suddenly realized that his body was really cold, it really looked like ice.

After discovering such a problem, Li Tian's head turned, did he use the power of the blood-sucking spar to guide and absorb Wang Kun's essence just now, causing his body to become cold?

That might be the case.

"What's wrong with you?" Duanmuying looked at Li Tiandao with her worried beautiful eyes.

Li Tian stood up from the ground, patted the dust on his body and said, "It's okay."

"But why were you so cold just now, like an iceman." Duanmuying continued to ask curiously.

Li Tian smiled and said, "That's because of the blood-sucking spar in my body."

"Vampire spar?"

When Duanmuying heard this, she was stunned.

"Is that the ghost stuff you ate in your stomach last time?" Duanmuying said in shock.

Li Tian nodded.

Duanmu Ying became frightened all of a sudden.

"Then will you die? There will be no accidents, will you?"

Li Tian smiled faintly: "It's okay, I can't die... Now the blood sucking spar in my stomach has been absorbed into my body."

"What do you mean?" Duanmuying asked puzzled.

Li Tian didn't know how to explain to her. He thought about it and said, "Anyway, as long as you remember, my body is fine."

"Oh, that's good, then I'm relieved." Duanmuying heard Li Tian say that she was okay, and finally put a small heart down.

"Hey--" Duanmuying suddenly shouted.

Li Tian was taken aback, turned his head and looked at Duanmuying, who was a little bit "talking", and said puzzledly: "What?"

Duanmuying saw Li Tian's incomprehensible amorous feelings, her red **** lips pursed and said: "People came to congratulate you on your promotion to the fifth elder of the Duanmu family, don't you thank me?"

When she said that, her face was very cute, and Li Tian almost couldn't hold it when she saw it. She really wanted to hug this girl's delicate body and kiss her little mouth.

But after all, Li Tian already had his own heart, and said awkwardly: "Well, then, thank you."

"So far-fetched?" Duanmuying said unhappily.

Li Tiandao: "No, I'm serious."

"I was kidding you..." Duanmuying giggled like a little girl.

Li Tian suddenly remembered something, looked at Duanmuying and asked, "By the way, I want to ask you something."

Duanmuying said: "What's the matter?"

"The one under the sect of Wuyin Ghost Girl is called: Who is Lan Ruoer's girl? How much do you know about her?" Li Tian asked.

When he just mentioned the name of Lan Ruoer in his mouth, Duanmuying's face suddenly became unhappy.

This is also the fault of Li Tian, in front of a woman who has a good impression of him, he should mention another woman? Isn't this obviously exciting? What's more, how can Miss Mu Ying be a fuel-efficient lamp?

Isn't this? Suddenly became angry.

"What are you asking her for?" The voice smelled of gunpowder.

Li Tian didn't feel right when he heard it.

Smiled and said: "It's okay, just curious, just ask."

"Huh, I don't believe it? Do you like the beauty of others... Lan Ruoer is slender and beautiful... Do you like them?" Duanmuying forced Li like a wife God said.

Li Tian smiled bitterly and said, "What are you talking about... dizzy!"

"I'm just curious about her, and have you forgotten that she suddenly gave up on the stage of life and death? I just don't understand this, so I asked you to ask..."

Listening to Li Tian's words, Mu Ying stared at Liu's eyebrows and her little head turned.

"Are you really just curious?" Duanmuying asked with certainty.

Li Tian almost wanted to cry.

"Of course it is true, why should I lie to you..." Li Tiandao said.

But Li Tian suddenly felt something was wrong with what he said... He asked that Lan Ruoer's matter, what did you care about Duanmuying? Why don't you let me ask...

"Why do you care so much about what I asked her?" Li Tian couldn't help but said.

Duanmuying said, "Because of me..."

Halfway through the conversation, she suddenly blushed all over the face, red bright and cute...

"I just want to take care, what's the matter?" Duanmuying used the privilege of the eldest lady all of a sudden, and said with her bulging small **** in an unreasonable way.

It is always a stupid thing to reason with a woman. Li Tian has a deep understanding, so he hurriedly stopped talking with her at this moment.

Just said, "Do you know about Lan Ruoyer?"

Duanmuying thought for a while and finally said angrily: "I know, I know...I'm so annoying."

Li Tianyi heard this girl say that he knew, he smiled and said, "Then tell me."

Duanmuying thought for a while and said, "Actually, I don't know a lot, I only know a little bit..."

"The misty ghost girl Lan Ruoyer only came to the Duanmu family a few years ago... She should be about the same age as me... I remember most clearly that when she first came, she was the misty ghost girl, that is, that The three elders wearing the veil brought it back. I was playing in the back garden and I saw her..."

"When she first came, she was covered with blood... Of course it was not that she was injured, but that her dress was stained with blood from others... Later, after I inquired, I realized that this girl named Lan Ruoyer's family She was killed...Leaving her alive, but she happened to be alone in meeting the Ghost Girl of the Mist. The Ghost Girl of the Mist saw her as pitiful and extremely cold, so she brought her back..."

Hearing Duanmuying in front of him saying so many things about Lan Ruoyer, Li Tian couldn't help but fall into deep curiosity.

"It turns out that this is what happened? No wonder she is so cold...looks like a block of ice...and seems to have no feelings at all. It turns out that she had such a miserable experience." Li Tian sighed.

Duanmuying continued, "I also know that she is hailed as the number one glamorous beauty of the Duanmu family."

When Duanmuying said these words, she could obviously hear a hint of jealousy in her words.

Chapter 413: Stop interacting with him

"In the past few years in the Duanmu family, she has been following the ghost girl in the fog. Many of the Duanmu family members have expressed their favor to her, but she has coldly rejected them..."

"Is there such a thing?" Li Tian said with a smile.

Duanmuying stared at Li Tiandao and said, "What are you happy about? Are you also fond of that Lan Ruoyer?"

Listening to this girl jealously jealous, Li Tian suddenly said, "Where is it!"

"If you dare to like that cold woman...I dare to kill her." Duanmuying said fiercely.

The light shining from the beautiful eyes seemed as if she really dared to kill that Lan Ruoyer.

Li Tian glanced at Duanmuying in front of him: "You...are sick! And it's neurotic..."

Duanmuying stretched out her hand and squeezed Li Tian's arm fiercely, her red mouth said fiercely: "Who do you think is sick? If you talk about me, I will screw you to death..."

And someone? Then he was cried out by the wailing pain caused by the mad girl.

Wuyin Guinu has always been a rather mysterious figure in the Duanmu family, especially the black veil on her face. Up to now, perhaps no one in the entire Duanmu family knows the black veil hidden in the Duanmu family. What kind of face is it?

There are many legends about the Three Elder Wuyin Ghost Girl... Some people say that she used to be the beauty of the alluring city... It was a pity that she was dumped and her face was blocked in anger.

Some people also say that Wuyin Guinu is actually an ugly girl, ugly and quite inferior... That's why she covered her face with a black veil.

...

There are many legends about the ghost girl in the mist, but what is the truth? Maybe no one knows so far, no one knows what kind of face is hidden under her black veil!

Wuyin Guinu's site lives in the northwest of the Duanmu family.

All her disciples are young and beautiful women...

These girls are all different and come from different cities in the country, but there is only one thing, and that is that the girls who stayed by the ghost girl in the fog have a miserable experience of unknown people...

Some are even ladies who have worked in domestic nightclubs before... Some may be models from a domestic company...

But these are not important anymore, the important thing is that they are now the servant girls under the misty ghost girl.

You can see those beautiful girls from a distance.

Most of them are wearing black skirts. Although the black skirts are a bit old-fashioned, it is still difficult to conceal their slim figure...

Inside the misty clan, but it is brightly lit.

A place in the middle was similar to a hall but heard a pretty voice saying: "Where is Ruo Sister? Why haven't I seen her for a day?"

Following the voice, I saw at a glance that it was Liu Yanyan who was speaking in the first victory of the Raksha Conference.

The girl next to her was astonished as Sun Tian'er, who had a crush on Li Tian and was rescued by Li Tian.

Her pretty face was slightly pale, and there was a plaster on her right arm.

Obviously, since the end of the Raksha Conference, her body has not completely recovered.

At this moment, he said softly: "I don't know if Sister Ruo went there..."

"It's weird...Where can sister go?"

Liu Yanyan blinked her beautiful eyes and said.

"Maybe she is in the back mountain." Sun Tian'er thought for a while and said.

Liu Yanyan thought: "Yes, why didn't I remember...Let's go, go to Ruojie...aunt (the women of the Wuyin clan call that Wuyin ghost girl aunt) are still waiting for her! "

The two who were talking quickly ran towards the back mountain.

In the back mountain, you can see the shadow standing there silently from far away...The back mountain is an endless cliff...and her beautiful figure is standing there motionless.

No one knows what she is thinking in her heart? No one knows why she is so lonely...

"Sister Ruo..."

I heard the voice of Sun Tian'er from afar.

Standing on the top of the back mountain, Lan Ruoer suddenly turned around after hearing her sister's voice, and then, with a light toe, walked towards this side quickly.

Just listen to Lan Ruo'er whispering: "Aunt Ruoer was angry that Ruo'er suddenly gave up in the last stage of the Raksha Conference..."

Listening to Lan Ruoer's words, the misty ghost girl laughed softly.

"Since you know, why do you still do that?" Just listen to the ghost girl in the mist asking.

Lan Ruo'er said: "Auntie, I already knew it was wrong... Ruo'er was ashamed of the Wuyin clan sisters... You really deserve to die, please punish Ruo'er."

It turns out that Lan Ruoer's surrender at the last moment was undoubtedly a great humiliation to the Wuyin clan!

At that time, although the ghost girl in the mist seemed to understate and didn't care, did she really care? Maybe only she knows.

At this moment, the misty ghost girl sighed slightly when she heard Lan Ruo'er say this.

"Forget it... Seeing which young man saved Tian'er's life, I won't pursue this matter." I just listened to Wu Yin Gui Nu suddenly saying.

Lan Ruoer lowered his head and did not speak.

"It's just Ruoer... I don't understand why did you give up in front of which kid? Are you really so afraid of him? Or is it because of other reasons...?"

Wuyin Guinu asked suddenly.

Lan Ruoer gave up to Li Tian because of why... Could it be because Li Tian's skill is very good? It was because of something else... Maybe even Li Tian didn't know about this problem.

After listening to Lan Ruoer paused for a few seconds, she slowly said, "Because I couldn't beat him at all, so I gave up..."

The Wuyin Ghost Girl shook her head slightly.

"Silly girl, you still can't tell lies..."

"You have been by my side for so many years, how can I not know your character?" said the ghost woman.

What kind of character Lan Ruoer, who has been with Wuyin Guinu for so many years, is of course very clear... She certainly knows that Lan Ruoer is not because of this. How can Lan Ruoer be the kind of girl who is afraid of losing?

So Wu Yin Gui Nu gently shook her head.

"Ruoer... you are my most optimistic person in the Wuyin clan, so I have to tell you something..."

"Remember what my aunt said, and try not to have any more contact with that guy named Li in the future."

Wuyin Guinu said suddenly.

Chapter 414: Cut people

Listening to Wu Yin Gui Nu suddenly saying this, Lan Ruo'er was suddenly startled.

Raising her eyes to look at the misty ghost girl: "Why?" Her expression was a little surprised.

Under the black veil of the misty ghost girl, she couldn't see her expression clearly.

But she could hear her voice saying: "I am doing this for your own good and for your safety."

Listening to the words of Wuyin Ghost Girl, Lan Ruoeer was even more puzzled.

"Aunt, I don't understand what you mean." Lan Ruoeer said with a slight frown.

The misty ghost girl looked at her favorite disciple and sighed softly.

"Well, I'll tell you."

"The reason why the Duanmu family allowed a foreigner to win the final victory of the Raksha Conference, I guess there must be a huge conspiracy..."

"Conspiracy?" Lan Ruoeer was taken aback for a while.

The Wuyin Ghost Girl nodded.

"Don't look at that kid named Li is now the fifth elder of the Duanmu family, but it's just an empty shell... After all, he is a foreigner, and according to what I heard, the reason why he stayed in the Duanmu family was Left behind by being persecuted, so I don't think the Patriarch will treat him this way..."

Lan Ruoeer raised her eyes slightly and looked at the ghost girl in the fog: "Auntie, what you mean is that he seems to be recognized by the Duanmu family, but in fact, the Duanmu family doesn't really treat him as his own..."

"Ok."

"I guess that the Duanmu family kept him... only because of the Rashomon in his body: Nine styles... After all, the Rashomon Nine styles are the supreme reactive power of the Duanmu family."

Listening to Wu Yin Gui Nu saying this, the cold face of Lan Ruoeer in front of her looked like Han Shuang, and no one knew what she was thinking at the moment.

"That young man has a very kind heart... But in this dark family, kindness equals death! So Ruoeer, remember aunt, it's best not to approach that young man anymore..."

Listening to the words of the Wuyin Ghost Girl, Lan Ruoeer in front of her nodded in a deft manner.

"Aunt, I remember."

"That's good..." Wuyin Ghost Girl said softly.

Since Li Tian made a blockbuster at the Raksha Conference, now when the members of the entire Duanmu family see Li Tian, although everyone's expressions are still slightly different, it is clear that their eyes are not consciously showing respect. The color.

After all, Li Tian is now the fifth elder of the Duanmu family.

Li Tian still lives in his small room up to now, and there is nothing else to do except for Dan Juan.

It's just that his chest has started to ache more and more in the past few days.

He peeled off his clothes and looked at his chest, but saw that there was a black line on his chest that was already thick with a thumb extending to his heart.

what is this?

If you knew that Li Tian had changed his life for his beloved Situ Ningbing before, you would definitely know the poison that Hua Sanniang gave him that he ate.

And now this chronic poison has slowly eroded his body.

I only felt a little pain before, but now the pain is getting more and more painful, touching the black line on his chest with his hand, Li Tian sat there blankly.

His distress was not because he was worried about the poison in his body, but because he missed that Situ Ningbing.

His eyes looked deeply out the window, thinking of her...

He didn't know what happened to Situ Ningbing now? Is it better? Are you still resenting yourself...

Yiyang City is the closest urban area to Jinghai City.

Although the prosperity of Yiyang City cannot reach Jinghai City, it is also famous in China because it has many tourist attractions...

In this quaint city, you will see ancient historical relics, and you can also see the magnificent nature. It is said that the annual travel revenue of Yiyang City can be compared with the comprehensive collection of several domestic cities, so this Yiyang City is Key tourist cities strongly supported by China.

You can see foreigners with high noses and blue eyes in the streets and alleys, as well as Africans with dark complexion and charcoal, etc...

In general, Yiyang City is indeed a beautiful tourist destination.

Yiyang City ranks among the best in the country in terms of both the flow of people and the volume of commodity transactions. It is not because of other reasons, but because the people who come to travel are all rich.

This Yiyang city can be regarded as a lively place, but the more lively the place is, the more trouble will arise.

right now? But I saw it in a three-story hotel in Yiyang City that was not considered a star, but I saw noisy inside.

Moreover, the security guards at the door held steel pipes and sticks in their hands... some even had harpoons, standing aggressively at the hotel's entrance.

What are these people doing?

Seeing their posture seems to be guarding the door of the hotel, not letting people come out.

What happened inside? It is still unknown.

At the door of the hotel is a low man in a suit, wearing a red tie and a disgusting mole on his face. This person's name is Zhang, and everyone else calls him Mr. Zhang.

He is currently the person in charge of this hotel.

"Wang Er, did you **** bring someone here?" After he took out the phone, he heard the short man yelling into the phone.

A mad voice came from the other end of the phone and said, "Mr. Zhang, we will be there soon."

"Hurry up to Lao Tzu."

After speaking, the short man hung up the phone severely.

With his hands on his hips, looking at the hotel's closed door, his eyes were vicious and bitter.

I saw bangs, bangs—and screams of people being beaten from time to time inside the hotel.

Obviously something is happening inside this hotel.

After a while, I saw a gray van speeding up from the street.

When the van was approaching the entrance of the hotel, there was a small and elegant appearance, but unfortunately the tires of the van were so bad that the entire body was tilted greatly and almost skewed.

After the van stopped extremely arrogantly, with a bang, the doors on both sides opened immediately.

Then a dozen bald-headed hunks jumped out from inside, all of them are burly characters, and they also shaved their bald heads, looking quite aura.

The most important thing is that they still carry guys in their hands, all with machetes.

Chopper with wooden rake.

"Mr. Zhang...what's up? That **** made trouble in the hotel?" said one of them, wearing black short sleeves and a tattooed dragon tattoo on his bare shoulders.

Chapter 415: Beauty

This guy is the rogue in this area, his name is Wang Er, and he is a bully who is afraid of being tough.

The goods under their hands are also ordinary sneaky guys. They really don't have the guts to dare to kill people and set fires, but they are quite skilled in the use of petty jokes, blackmail, and fraud.

Just listen to that short man Zhang pointed to the hotel in front of him and said, "A stinky lady..."

"Girl?" Wang Eryi was taken aback.

In his mind, the ladies are all the ladies who make people ride in the hair salon... But when he suddenly heard that it was a lady who was making trouble in the hotel, he couldn't help being taken aback.

Then he grinned and laughed at the big yellow teeth whose teeth had turned yellow due to excessive smoking.

"A lady is afraid of him being a bird!"

"You know what a fart!" Mr. Zhang shouted when he went up.

"This woman is not a simple woman. She discounted the arms of several security guards in my hotel... Damn, it's really cruel." Mr. Zhang angrily said.

"Really?" Wang Er still said with a big grin in disbelief.

"Nonsense, of course it's true, otherwise Lao Tzu will spend money to hire you to solve the trouble..."

"By the way, why did that lady provoke Mr. Zhang?" Wang Er asked curiously.

Zhang always snorted: "Who the **** provoke her? She provoke us by herself."

"She said she came here to find a character named (Luqiao). I know who is Luqiao from Lao Tzu?" He only listened to the words of Mr. Zhang who held his stomach.

"Ruccio?"

Wang Er was originally a local ruffian in Yichang, so he knew many people.

When he heard the name "Lu Qiao" in his mouth, Wang Er frowned and said, "God fucking, Lu Qiao is the one who built the old Confucian Temple for our new Yiyang City. What does the engineer do?"

"What? Engineer?" Mr. Zhang almost broke, and said in an unbelievable way.

"It seems to be the bastard...I don't know the details, anyway, I know that Luqiao is a slap-slapped old hat for building houses."

Listening to Wang Er's blindness, Mr. Zhang didn't bother to pay attention to him.

"Don't say so much, did your brother bring them all?" Mr. Zhang said.

Wang Er waved his hand aggressively, of course.

"These are not all my brothers."

When Mr. Zhang saw that there were a dozen hunks behind Wang Er, a smile appeared in his mouth.

"Okay, follow me in, this time you must make the stinky lady look good."

Just listen to that Zhang Niubi said.

As he spoke, he walked towards the closed hotel with Wang Er extremely powerful.

With a bang, the door of the hotel was opened, but seeing the huge hotel inside was empty, the waiter inside didn't know where he went.

The king held the guy in the second hand, looked in front of him and said, "Where is the man? What about the ladies?"

As soon as I finished speaking, I heard the cracking sound of the table on the second floor, and the screaming sound of a person. The sound seemed to be particularly painful and screaming.

The general manager with an ugly expression pointed his finger at the second floor and said, "It's right above, in the first box."

As he said, he did not dare to move forward.

Although Wang Er had never committed murder and arson, fighting was a trivial matter to him, especially when he heard that he was facing a wife this time, and he didn't care much.

"Brothers, come with Lao Tzu, I want to see how good a lady can be."

As he said, he took the guy and ran towards the second floor.

When I went up to the second floor, I saw the security guards lying in the corridor of 4 to 5 hotels. They all fell on the ground and screamed in pain, some were broken by their arms, some were broken by their ankles...

Fortunately, they are not dead yet.

At this moment, one by one screamed there.

Wang Er, who came up, looked a little timid when he saw the situation. Is it really that powerful?

He quickly motioned to his brother to slow down, and then step by step he approached the door of the first box room.

Blinking and looking inside, the look was depressed.

But I saw a charming figure in the box with his back facing him, sitting quietly there.

She was wearing a black leather jacket, wrapped around her plump and straight figure, and her black hair draped over her shoulders like a waterfall.

Because she turned her back to Wang Er, Wang Er couldn't see her face clearly.

On the ground inside the box, there are two waiters lying on the floor, just like the guy outside, lying on the ground...

There was also a timid waiter standing on one side with both legs trembling in fright, with a pale face, as if he was not a woman with the woman in front of him, but like a devil.

"Where is Rucho?"

Suddenly the voice of cold suffocation came from her mouth.

Her voice sounded so cold and familiar at first, and there was a murderous aura in between.

Who is she?

Who did she find Ruccio?

The waiter stood on those two legs trembling, not daring to let out the atmosphere, and tremblingly said slowly: "I...I...I don't know..."

When questioning here, Wang Er looked at the situation with a pair of thieves, thinking to himself that his dozen or so brothers are still afraid of a wife?

After thinking about this, he rushed in with the brothers.

"Fuck me, stinky lady, how dare you run wild on the ground in Yiyang City, you don't see who is covering the ground!" Wang Er jumped out and shouted.

After he shouted, there was something quiet in the box that made him feel something was wrong.

The woman in the black leather jacket with her back to him suddenly turned her head slowly.

Gosh?

What kind of face is that, perfect to the extreme, like a great sculptor calmly carving, if it is flawless, then she is even more beautiful than a beautiful jade...

But her face was so cold, and her eyes were so cold.

Looking at people gives people a sense of suffocation... It seems like her person is a sharp sword that will penetrate into the human heart at any time.

Who is she?

Who can have a strong aura like her?

Situ Ningbing!

Besides her, who else can be in the sky and on the earth?

She was the person Li Tian was thinking about hard, and she was also Situ Ningbing whose life was replaced by Li Tian, but unexpectedly, how could Situ Ningbing suddenly arrive in Yiyang City? How could you suddenly find someone named Luqiao?

After she left Li Tian with infinite hatred and left the Duanmu family, how did she get here?

Seeing all this will be a mystery.

And there must be her reason why she appeared here.

When she turned her head suddenly, Wang Er was stunned and shocked...

His shock is that it is the first time he has seen such a beautiful person after he has lived for so many years...It's almost **** beautiful than the hottest girls in the "Good Again" salon.

At the same time he was a little scared, that fear came from the bottom of his heart, because he suddenly felt the ominous feeling from this woman.

Chapter 416: Situ Ningbing's doubts

But Wang Er is a "man" after all, after all, there are still a dozen trumpeter brothers standing behind him.

So he is not afraid.

"Hey, you are the one who came to find the fault?" Wang Er said with the eyes of the guy in his hand staring at that Situ Ningbing.

Situ Ningbing in front of him did not even look at him.

He just said coldly, "Tell me where Rucho is?"

"Who the **** takes care of who you are looking for? You came here to make trouble today, just not giving me Wang Er's face... If you provoke me Wang Er, I will make you unable to stay in Yiyang City." Wang Er is very bullish. Tao said.

Situ Ningbing suddenly showed a strange smile at the corner of his mouth.

"Really?"

"Nonsense, do you think I was joking with you... Brothers do it... I've abolished this girl!"

With a roar, Wang Erguo really ate the ambition of the leopard, and even dared to attack Situ Ningbing.

Wang Er who had just spoken, the guy in his hand hadn't raised it yet.

Suddenly, I felt that my throat suddenly seemed to be pinched by a cold hand...

Then the whole person screamed, and his body slammed into the table where Situ Ningbing was sitting quietly. With a scream, Wang Er's light head hit the table severely, and his head was covered with blood all at once. ...

Those little brothers who were just about to do their hands stood at the door and were completely dumbfounded...How did Nima get his hands?

They didn't see it at all!

I saw the scream of Wang Erao, who was caught by Situ Ningbing's hand, and scarlet blood flowed out of his bare head. Wang Er, who saw his bleeding for the first time, almost fainted...

"Sister... Aunt... Forgive me... Please forgive me..."

Wang Er suddenly softened, as if a balloon was suddenly punctured.

To be honest, Wang Er has never seen such a capable woman in his entire life. At this moment, he can't help being convinced, even on his toes...

Situ Ningbing suddenly grabbed Wang Er like a chicken.

"Can you tell me Ruccio is there now?"

With blood on his head, Wang Er said with a sad face, "I...I...I don't know if you found Ruccio it was Ruccio? I only know one guy who is engaged in architecture called Ruccio... ..."

When Wang Er suddenly said this, Situ Ningbing immediately said, "It's him, where is he now?"

what?

Wang Er was stunned.

Unexpectedly, this terrible woman is really looking for that Ruqiao?

Quickly said, "That guy is in Yiyang City now, and he's in a construction site not far from here..." Wang Erdao said.

Listening to Wang Er telling the whereabouts of Naru Qiao, Situ Ningbing in front of him suddenly released his hand.

Wang Er sat down on the ground, with one hand covering the blood flowing on his head, while he kept moving back to the corner of the wall.

"You'd better not lie to me. If I find out that you dare to lie to me, I promise you will be the first to slaughter me."

After Situ Ning said these words coldly, suddenly her people got up and stood up, and then walked downstairs step by step.

The little brothers of Wang Er on both sides just kept leaning back, and no one dared to move.

Mr. Zhang, who was going to watch the excitement downstairs, saw the murderous Situ Ningbing step by step. He quickly frightened and dodged the hall like a mouse saw a cat.

Situ Ningbing didn't even look at him and walked toward the outside of the hotel.

After Situ Ningbing had left, Wang Er's group of younger brothers quickly helped Wang Er up.

"Brother, are you okay?"

That Wang Er was lifted up, gasping heavily in his mouth.

"Fuck... that woman... that woman... terrible!"

"Wang Er, how did you **** do it? Why don't you **** that girl?"

Seeing Situ Ningbing walk out of his hotel like that, Mr. Zhang in front of him suddenly threw out and said.

But in the blink of an eye, there was blood on Wang Er's head, his eyes flushed, and he was taken aback.

"Fuck your mother's head... I won't make your money... You bastard... I found such a terrifying woman, so amazing! I didn't even do anything, so he almost died..." Wang Er Roared angrily.

That Zhang was stunned.

"That woman is really that amazing?" Mr. Zhang said.

"Stop fucking, or else I can do this?" Wang Er roared.

While clutching his bleeding head, he said to his little brother: "Hurry up and send someone to find out the **** thing named Luqiao... I scolded the next door, it was this **** Lao Tzu who became like this! If I don't teach him, I won't eat well."

Wang Er cursed and said that he couldn't beat that Situ Ningbing, so he could only put his anger on the head of Luqiao.

"Who the **** is Luqiao?" Mr. Zhang asked, blinking.

"Isn't that just a construction bastard..." Wang Er cursed.

"Boss, I heard that the guy named Ruccio seems to be a famous engineer...a character who designed a big house."

"Designing him..."

"Fuck him, I don't care what he is doing, anyway, I want to catch him out and teach him severely."

On the streets of Yiyang City, but seeing her lonely figure walking slowly there.

For so many days she has been looking for the character named "Ruccio".

As for why she was looking for the architect (Ruccio), it is not clear.

After leaving the Duanmu family, Situ Ningbing was filled with all the hatred in her heart. She hated Li Tian.

Hate is unforgettable, she who has closed her feelings for so many years and has never been moved by someone, but when facing Li Tian, she was moved... and she fell in love with him deeply for what she did for him... ...But what about him? Why should I fail myself?

Didn't he know that he would rather die than die with him?

This was Situ Ningbing's previous thoughts, but when she slowly recalled all of this, she remembered that Li Tian showed the bitter smile in front of her at that time... Then she turned around desolately, with scars. When he was standing behind, Situ Ningbing felt as if he was wrong to blame him!

He desperately saved himself... He used to be so desperate for himself... How could he fail himself? How could he say such cruel words when he finally gave himself an antidote...

what is this?

Could it be that he has any lasting difficulties! ! !

When the hatred in her heart slowly subsided, and in return, when Situ Ningbing was sober, she wanted to know the answer to all this, but she could never go back to the Duanmu family again, and never see him again...because of her I don't even know where the Duanmu family's nest is.

When she was sent out of the Duanmu family, she was sent away blindfolded by a member of the Duanmu family. The moment she opened her eyes, she had already arrived in Jinghai City...

So she didn't know where the Duanmu family's old nest was, and the doubts and unsolved things in her heart were still unknown so far.

Chapter 417: Find Rucho

After that, Situ Ningbing realized that he might have misunderstood Li Tian.

Her poison, how could the dark Duanmu family untie her easily? You know that Duanmu family itself is a very evil family! Besides, how could Li Tian, who was going to deal with the Duanmu family, suddenly take refuge in them?

Is it all about yourself?

Was it because of what Li Tian did...that's why the Duanmu family gave himself poison and let him make a living, but what did he do? What did you do for yourself... Situ Ningbing doesn't know all this now.

But at this moment, Situ Ningbing's heart had begun to gradually understand that the hatred in her heart towards Li Tian had long since disappeared, but the opposite was worry, full of worry.

She didn't know what kind of sacrifice Li Tian made for herself in exchange for the antidote to the Sanshengmen in her body, but now she must know the answer and the truth.

So she came to Ruccio at all costs.

But who is Rucci? What does he have to do with this matter?

Hearing from the rogue boy, Ruqiao is just a construction guy. How could a construction guy be involved in this matter? Could Situ Ningbing made a mistake?

—

Inside the new construction site in Yiyang City, the old Confucian Temple is being built, and the designer is Naru Qiao.

He is not only the designer of this building but also the on-site supervisor.

The construction worker on the new construction site mentioned Luqiao's name and everyone knew that he was the chief designer.

But this chief designer always gives the impression that he is depressed and rarely speaks.

People on the construction site sometimes start to talk about Narucho when they are idle.

Everyone doesn't know much about Narucho, but they all know about his disappearance a few years ago.

Missing?

Yes, at that time Lu Qiao was a well-known architectural style design master in China, but when he was brilliant, he suddenly disappeared... No one knew his whereabouts, even his wife, children and family. No one knows his whereabouts, no one knows where he went.

For this reason, his family thought he was kidnapped, so they called the police.

But when the police searched for almost a year, they didn't find any clues to Ruccio... From then on, his family thought he was dead.

It may have provoked enemies and was destroyed by others.

And the case of Ruqiao's disappearance at that time is still kept in the police station for the record, and the case has not been concluded yet...

In the fourth year after Lu Qiao disappeared, the man who hadn't had a trace for four years, and the man who didn't make a phone call with his family, suddenly appeared in Yiyang City and he returned home.

When he returned home, his wife and children almost thought he was a ghost...

But they didn't think that Ruccio was a real person, he was a real person, he was the man who had disappeared for more than five years.

His return could not help but reunite the family, and it also attracted most of the media's attention.

Everyone is wondering what Ruqiao did in the five years since he disappeared?

But when the media asked him or his family members asked him, he was silent.

Just to say briefly, I went to work...

Obviously his reasons are too monotonous, but no matter how others ask him, Ruqiao simply said: He went out to work, and he would not say anything else...

For this reason, the police once doubted whether this Ruccio was threatened? But when they passed the close monitoring, they found that after returning, Ruccio had only changed his personality and no longer liked to talk. Nothing changed, and his life remained the same.

Back then, there was a lot of trouble about Luqiao, but now most people remember it.

But I don't know why Situ Ningbing came to find Lu Qiao?

Ruccio's office is in a separate room at one end of the new construction site.

The space in the room is good. There is a writing desk in the middle. On it is Ruqiao's office computer. In the front are two soft sofas, but at this moment Ruqiao is holding tea cups and drinking thick tea.

Ruqiao is a middle-aged man in his 40s. He wears a pair of heavy glasses and looks honest.

Ruccio used to be a talkative person, but now? He has become a taciturn person, and he can always see him alone in a daze with glasses, not knowing what he is thinking...

While he was alone in the room drinking tea, suddenly his tightly closed office door was suddenly pushed open with a bang.

Lu Qiao was startled, and then turned to look at it, which made him stunned for a moment.

Because the woman standing in front of her turned out to be a woman of the beauty of the sky, wearing a black tight leather jacket, wrapped in her **** and enchanting figure, she was standing motionless at the door, her eyes staring at Ruccio.

Situ Ningbing!

She actually found it here.

"Who are you?" Luqiao asked suddenly.

Situ Ningbing glanced at Ruqiao indifferently: "Are you that famous domestic architect, Ruqiao?"

Following Situ Ningbing's words, Lu Qiao slowly put down the tea cup in his hand and looked at Situ Ningbing.

"It's me, who are you?"

Situ Ningbing said: "You don't need to know who I am, you just need to tell me everything."

Then Ruqiao frowned slightly, looking at this sudden woman, could not help wondering: "I don't know you, why should I tell you?"

"You'd better leave my office now. If you stay here for such unreasonable reasons, I will notify the security." Ruqiao scared Situ Ningbing and said.

But I saw that Situ Ningbing stared at him with cold eyes.

"I only ask you one simple thing. After you tell me, I will leave." Situ Ningbing said.

Ruqiao saw that Situ Ningbing still refused to leave, and couldn't help but feel a little angry.

"I want to call and notify the security."

As he said, Ruccio walked towards the phone on one side, as if he was really planning to call the security guard.

But at the moment he just took his steps, seeing Situ Ningbing's delicate hand suddenly lifted, a dagger with a cold light suddenly flew towards the phone with a swish.

With a bang, a bright and sharp small dagger was stuck motionlessly on the table next to the phone, and the blade sank three points deep into the table.

And Luqiao, who had just walked to the side, was completely stunned... his face instantly became ugly.

With a pair of extremely unbelievable eyes open, staring at Situ Ningbing motionlessly...

"You...you...what on earth do you want to do?" Luqiao suddenly said with a little fear at this moment.

This woman in black leather made him a little scared.

Chapter 418: Shocking truth

After Lu Qiao's scared voice asked, Situ Ning said coldly, "I want to ask you, where is the Duanmu family's nest?"

At the moment when he was suddenly shocked by a word, Ruqiao's face suddenly became distorted, and his pupils began to enlarge.

Why did Situ Ningbing suddenly find a construction engineer to ask the Duanmu family's nest?

How could a construction engineer know where the Duanmu family's nest is? how is this possible.....

After Situ Ningbing suddenly asked, then Lu Qiao immediately asked in surprise: "Who are you?"

"It doesn't matter who I am. The important thing is that you must answer my question." Situ Ning said coldly.

"I don't know what you are talking about..." Hearing that Ruqiao went up, he refused.

"Don't you really tell me?" Situ Ningbing asked suddenly with a murderous intent in his voice.

"I don't know! I don't know anything."

He seemed to have run out of patience, roaring there.

"Ruqiao, if you don't tell me, I can't help but kill you, and even your wife and children will be slaughtered personally...Do you believe it or not?" Situ Ning threatened him coldly.

Ruqiao suddenly weakened his legs and looked at Situ Ningbing in front of him.

"You...you...don't move my family..."

"You have the ability to kill me!" Na Luqiao suddenly roared, raising his fist and hitting Situ Ningbing.

An indifferent smile appeared at the corner of Situ Ningbing's mouth, and he flew sharply, kicking Luqiao directly to the ground.

Lu Qiao fell to the ground, his face as pale as a dead man, and he climbed up from the ground with difficulty, looking angrily at Situ Ningbing...

"Are you talking or not?" Situ Ningbing asked coldly again.

"I told you... I don't know, I don't know anything." Rucho yelled there as if he had collapsed.

Looking at Lu Qiao, who was about to collapse, Situ Ning paused.

After a while, when Ruqiao's mood recovered a little calmer, he only listened to Situ Ningbing and said slowly: "You don't need to hide it from me anymore. I have already investigated everything about you. Chu... 8 years ago, you suddenly disappeared... You disappeared because you were taken away by someone from the Duanmu family, and it took five years to build a nest for them... which is where the Duanmu family is now Land... I just want to know where the Duanmu family's nest you built is there."

As Situ Ningbing said these words, that Ruqiao completely opened his eyes.

"You...you...how do you know this?" Apparently Rucho admitted all of this.

Situ Ning sneered.

"I told you earlier, I already know everything about you."

Hearing Situ Ningbing's words, Ruqiao suddenly seemed to be on the verge of collapse, and suddenly sat on the cold ground, with a deep painful look of despair in his eyes, staring at the front in a daze...

Suddenly he muttered: "I thought the nightmare of eight years ago would disappear... but why did you force me... why did you force me to think about that nightmare again..."

His voice was full of pain.

Situ Ningbing looked at him, and said quietly: "Actually, I don't want to...but I have to do it, because I must return to the Duanmu family and find him."

"And you are the only one who knows the place of the Duanmu family's old nest, so I am looking for you." Situ Ningbing said,

How could this be?

Is Lu Qiao really the designer of the Duanmu family's nest?

As mentioned earlier, the Duanmu family has always been known for its mystery. The reason why they are mysterious is not because their residence is really unknown, but because their nests often change places...

Eight years ago, when the Duanmu family's old nest in the northwest was found, they began to move to another place.

The former Duanmu family's nest in the northwest has long been blown into ruins with explosives.

So at that time the Duanmu family suddenly found a well-known domestic designer, Lu Qiao, and asked him to design another nest for the Duanmu family.

At this moment, Ruqiao was sitting there with a painful expression, and muttered: "After I tell you... will you not hurt my family..."

Situ Ningbing nodded silently: "Don't worry, as long as you tell me, I will never hurt them."

"Okay, then I'll tell you..." Luqiao said with blood red eyes as if he was going to fight.

"Eight years, for a whole eight years, I no longer have nightmares at night all the time... I knew someone would come to me one day, but I didn't expect it to be you!" Na Rucho suddenly laughed and said.

And Situ Ningbing listened carefully.

"Eight years ago... I was taken away by them one night... When I woke up, I had reached a mysterious place... They were all dressed in black... Like the devil in **** ..They threatened me and asked me to design a huge house, and if I didn't agree, they would kill my family, relatives and friends..."

"At that time, I didn't know who they were. I had no choice but to do what they said... But when they gave me the blueprint for the building, I was shocked. They wanted to build such a huge place... And it was built in a place that ordinary people could not even imagine."

"I told them that it was impossible to build there... But they forced me with a knife... Later, I had no choice but to do what they said. I spent several months designing it. The construction plans...then hand them over...they sent people to start building...It took eight full years from when I was taken to the completion of the huge house."

"I have been trapped there for five years, not allowed to go out, not to have any contact with the outside world, even my family is not allowed to make a phone call... Five years, five years, I finally built I got out of the huge underground house, but when I thought they would let me go, I heard that those construction workers like me were killed by them one by one..."

"More than 200 construction workers... were killed by them all alive... I watched their corpses flow in blood. I knew that the next person to die was myself, so I wanted to escape, and I hid in those who followed me Among the corpses of the construction workers together, they were transported by a truck to a river, and then they mixed my body with the corpses and threw them into the river one by one. I watched the tragic death of those companions. At the end of the game, a person hid under their corpses. After the bloodthirsty demons disappeared, I climbed onto the shore and survived."

Chapter 419: Ambition, truth

After listening to Lu Qiao telling the story of the year bit by bit, even Situ Ningbing was completely shocked there.

It turned out to be so! No wonder he was scared, no wonder this Ruccio said that he often had nightmares at night.

Unexpectedly, the Duanmu family was so vicious. Not only did they kill all of the original construction workers, but also killed him. If he hadn't escaped in time at that time, he would probably die. .

After Narucho finished talking about the nightmare memories that had been held in his heart for eight years, he seemed to be relieved and sat there in a daze.

"They are demons, a group of demons who kill people without blinking." Lucho murmured.

Situ Ningbing looked at poor Ruqiao slowly and said: "You don't need to be afraid, you just need to tell me that the Duanmu family lair you built for them is there!"

As Situ Ningbing said so, Na Luqiao slowly raised his eyes.

"Do you really want to know?"

"Yeah." Situ Ningbing said.

"Okay, then I'll tell you..." Just listen to Rucho slowly speaking in front of you.

"Under the Wild Wolf Valley in Jinghai City!"

A word suddenly came out of Rucho's mouth.

My God, everything about him turned out to be true, and he actually knew that Duanmu family's nest was there.

When Situ Ningbing heard that the Duanmu family's lair was actually in Jinghai City and still under the Wild Wolf Valley in Jinghai City, she was stunned.

"Are you sure you didn't lie to me? The Wild Wolf Valley is a national nature reserve, and the high cliffs are extremely dangerous, how could they live there?" Situ Ningbing said in disbelief.

Ruccio took a long hiss.

"What I said is true. I didn't believe it at the time. The Wild Wolf Valley itself is a virgin forest. The mysterious Duanmu family built their nest under the Wild Wolf Valley in order to hide their eyes. When they arrested me and passed by, I couldn't believe it too, but in the end they built the nest there."

Listening to Lu Qiao's words in front of him, Situ Ningbing frowned slightly, could it be true?

If this is the case, then the Duanmu family is indeed mysterious enough that they have found such a place.

Listening to Lu Qiao telling herself the address of the Duanmu family's lair, Situ Ningbing finally paid off. She now finally knew the Duanmu family's lair.

If she could, she would be eager to rush to the Duanmu family to look for "him". Even if it is the sword and fire, Situ Ningbing, she must know the "truth at the beginning". She must figure out why Li Tian did this to herself?

"Thank you." After Situ Ningbing got what he thought of, after briefly saying three words, he turned and walked outside the office.

Naru Qiao looked at Situ Ningbing's back and suddenly asked, "Girl, why do you have to find the lair of those demons? Do you know that demons are things that kill people without blinking."

Situ Ningbing did not look back, but stopped slightly, and suddenly said a word from her mouth: "Because I am for one person, the one I love."

After saying this, her figure suddenly disappeared at the door of the office.

Since Li Tian won the final victory of the Raksha Conference, he found that life remains the same as before.

Although his identity is somewhat different now, the identity of the fifth elder of the Duanmu family.

But it is only limited to his identity, because he has no other privileges at all.

When Li Tian was quietly reading in that small room, he suddenly heard his door being knocked banging.

After putting the books together, Li Tian slowly opened the door.

After opening the door, I saw two members of the Duanmu family standing outside.

"Fifth elders, the clan leader sent you to go to the secret room." One of the members of the Duanmu family said coldly.

When Li Tian heard this, he was slightly taken aback.

"Secret room?"

"Yes."

"What's the matter?" Li Tian asked.

One of the Duanmu family members said: "I don't know it, but I believe that after the five elders go, they will naturally know."

Listening to the Duanmu family members outside the door, Li Tian nodded slightly.

"Okay, I see, you guys wait for me here first."

Talking about Li Tian, he closed the door, and Li Tian thought about it in the room: How could Duan Mu Heiming suddenly find himself? And still in the secret room?

During such a long period of time in the Duanmu family, Li Tian knew that there was a secret room in the Duanmu family. It is said that the secret room can only be entered and exited as the head of the Duanmu family, and it is often the place where the head of the Duanmu family retreats. Why is Duanmu black now? Where will Ming see himself?

Li Tian thought for a while, and said secretly: I want to see what the treacherous and vicious Duanmu Heiming wants to do with himself?

Thinking like this, Li Tian quickly walked out, and then followed the members of the Duanmu family toward the secret room.

The secret room of the Duanmu family is a huge secret room.

Except for the hard stone walls in the secret room, what was left was empty darkness.

I could see through the bright light that there was a dark figure standing motionless in the middle of the secret room.

Look closely at his face to see that he turned out to be the head of the Duanmu family: Duanmu Heiming.

In front of him is a black wooden platform about 10 meters long.

Placed on it turned out to be one spiritual position after another.

Could these spiritual positions be the spiritual positions of the former Duanmu family...at a glance, these spiritual positions are not as many as 30.

The ancient spiritual position signs are all engraved with black seal characters, and the spiritual position placed on the last table is impressively written: Duanmu Jingzang.

Standing in front of these spiritual positions, Duanmu Heiming suddenly bowed to these former "dark heroes", and then he silently walked to the last of the Duanmu scriptures, and muttered: "Everyone says that I am inferior to you in Duanmu Heiming, but brother, I will prove that I will not lose to you in Duanmu Heiming! I will not lose to anyone..."

"Aren't you very smart? Are you not known as the first stranger of the Duanmu family in a hundred years? But big brother, big brother...You are not finally defeated by my little brother, don't blame your little brother for being cruel, I only blame yourself for being too stupid. You have clearly learned the highest martial arts of the Duanmu family, but you dare not do anything to the other three families. Ancestors?"

"In the presence of so many seniors today, I want to tell you Duanmu Heiming, starting from today, I will make the Duanmu family stronger than ever, because I must destroy all the other three families. Now, I want to let those people who have defamed our Duanmu family die one by one!"

Duanmu Heiming mad owl's voice came word by word in the secret room.

What he held tightly in his hand was the spiritual position of the Duanmu Jingzang, and suddenly said evilly to the spiritual position: "I know you are not dead... you are still alive, you are not only alive, but also the highest of our family. My martial arts passed on to a person with a foreign surname! Big brother, eldest brother, you are not confused, why did you not tell me Rashomon: The mystery of the nine forms? But you just told a person with a foreign surname?"

"But none of this is important anymore. The important thing is that this guy is now a ***** in my hand, Duanmu Jingzang. Since you are still alive, then I will let you see the people in your church for my use. I want Let him kill all those who disobey me, hahahaha."

Chapter 420: Take a thing

As he finished his vicious words word by word, I saw what he was holding in the palm of his hand: The spiritual position of Duanmu Jingzang was suddenly crushed by his hand.

The powder falling from the palm of the hand fell on the ground little by little.

His huge ambition was hidden deep in the middle of his eyes, and Duanmu Heiming, who was in the darkness, seemed to blend with the whole black.

Why does he want to see Li Tian in this secret room at this moment? Why should Li Tian come here? Maybe only he knows.

When Li Tian followed the members of the Duanmu family to the secret room, when the members of the Duanmu family arrived at the door of the secret room, they stood there one by one, as if they dared not walk inside.

"Fifth elder, you can go in, the clan leader is waiting for you inside." Only a member of the Duanmu family said.

After listening, Li Tian glanced at the secret room in front of him, and then walked in.

When I walked into the secret room, I found that the light inside was still good, but the whole secret room appeared empty and lonely.

Li Tian cautiously walked toward the front step by step, blinking his eyes around, and at the same time he couldn't help wondering, why did Duanmu Heiming let himself come to this place? What the **** does he want to do?

Just as he was thinking about it, suddenly the sound of Duan Mu Heiming came from one end.

"You came."

He watched with the sound, but saw that Duanmu Heiming was standing in the darkness.

Because of the light, he couldn't see his face clearly.

Li Tian slowly turned around, looking at the Duanmu Heiming, with a low answer in his mouth.

Duanmu Heiming suddenly walked towards him: "Now you are the fifth elder of our Duanmu family, why? Are you unhappy?" He suddenly said.

Li Tian sneered after hearing what Duanmu Heiming said, "Happy?"

"Duanmu Clan Lord, let's still have something to say... Since Li Tian, I promised to stay and help you do things at the beginning, I will definitely know what to say. You don't have to be ambiguous. What are you going to do with me?"

"Simply!" Duanmu Heiming said with a sudden laugh.

"I admire your undaunted character, especially when you are still in my Duanmu family Sanshengmen poison." Duanmu Hei Mingyin said with a smile.

Li Tian did not speak, just raised his eyes and looked at him coldly.

"Now you are the fifth elder of our family, no matter what, I have to make you the fifth elder beautiful." Duanmu Heiming said with a smile.

Li Tian glanced at Duanmu Heiming and said, "Isn't the clan leader asking me to come here for this?"

Duanmu Heiming laughed.

"You are right. I did that just to let you know that I definitely want you to join my Duanmu family instead of threatening you with poison, do you understand?"

Li Tian said lightly: "I understand!"

"Then what do you mean? If you promise to take refuge in my Duanmu family, you will be rich and prosperous, and you can get everything you deserve."

But Li Tian smiled faintly.

"I'm really sorry, but it's a pity that Li Tian really doesn't like your family so much...so the owner should save your heart."

Listening to Li Tian refusing him so decisively, Duanmu Heiming couldn't help groaning, but then a smile appeared on his face.

"You really don't want to join our Duanmu family?" Duanmu Heiming asked again.

Li Tian shook his head firmly.

"Patriarch, if you have nothing to do, I will leave first." When Li Tian finished these words indifferently, he was about to turn around and leave.

"Hold on." Just listen to Duanmu Heiming's sudden words.

Li Tian turned around and looked at Duanmu Heiming.

"What else does the clan leader have to order?"

Just listen to the Duanmu Hei Mingdao: "Since everything is for this purpose, then I will not hide it from you. I will ask you to do something for me at the near end. If you can do this thing smoothly and smoothly. If it is done for me, I will give you the antidote to our family's three-life family, and also let you leave the Duanmu family."

As Duanmu Heiming said so, Li Tian said inwardly: What the **** is Duanmu Heiming going to do? Li Tian would not believe that Duanmu Heiming would let him go so easily, he knew very well in his heart.

At this moment, he couldn't help raising his eyes and asking, "I don't know what the clan leader I do?"

"Has the Yuwen family heard of it?" Duanmu Heiming said with a wicked smile suddenly.

Li Tian was slightly taken aback.

Could it be another big family of the four big families!

Yuwen family, when they were in Ouyang's house, Li Tian had heard them talk about this Yuwen family. Li Tian only knew that Yuwen family was also one of the four big families. Like the big families like Duanmu and Ouyang, they are all ancient families. .

But he didn't expect Duanmu Heiming to suddenly mention the Yuwen family at this moment.

What did he mean when he mentioned the Yuwen family suddenly? Could it be...

Just listen to Li Tian nodded slightly: "I've heard that Yuwen family is also one of the four big families."

"Not bad."

"The Yuwen family is indeed one of the four major families."

"What I asked you to do this time is, you help me get something from the Yuwen family."

Suddenly when Duanmu Heiming said so, Li Tian frowned deeply.

"Take something?" Li Tian asked in surprise.

Duanmu Heimingyin smiled and said: "It's better to steal it than to take it, or to steal it. I don't care about the process, but I must get something in the end."

Duanmu Heiming looked at Li Tian while talking.

Li Tian thought for a while and wanted to ask, "It's that simple?"

"It's that simple."

"What is it?" Li Tian asked.

"I will tell you then." Duanmu Heiming said with a smile.

Li Tian thought about it for a while and said, "If I really helped you get something like that, would you give me the antidote to Sanshengmen's poison?"

"Of course it will be given to you, and you can also leave my Duanmu family."

Li Tian looked at Duanmu Heiming's gloomy eyes and thought for a while. Although he knew in his mind that Duanmu Heiming gave him an antidote, it seemed impossible, but this was the only chance.

So Li Tian nodded slowly: "Okay! I promise you."

After Li Tian said these words, Duanmu Heiming suddenly laughed.

"In the past few days, you should stay in the Duanmu family with peace of mind, and then I will inform you when you start to act." Duanmu Heiming said slowly.

After Duanmu Heiming said so, Li Tian just stood there without speaking. He didn't know what Duanmu Heiming was going to let himself go to the Yuwen family to steal something... but he could definitely guess that thing. It's definitely a valuable thing.
