

A Killer 42

Chapter 42: Desperately

Hearing that Li Tian was not leaving, Dahai hurriedly dragged Li Tian away and said: "Xiao Li, listen to me, you go quickly, if you don't leave, you will not be able to leave if the group of people chase you."

But Li Tian stubbornly shook his head.

"Brother Yu, Xiao Zhao, I can't go. If I go, what should you do?"

Yu Dahai and Xiao Zhao were warm in their hearts, but they said: "We are all right, don't worry, Li Zi, you go first, they are here for you and won't find us."

"Yeah, Li Zi, hide yourself."

Li Tian listened to their persuasion, but did not respond at all. He clenched his fists tightly, said nothing, and ran out suddenly.

"Little Li."

"Plum, where are you going?"

The two voices shouted behind Li Tian, but what about Li Tian? But already ran to the front of the square.

Since those ***** are here specifically to find themselves, it might as well go to them directly.

At this time, 5-6 cars were parked at the gate of the Tang company.

The cars are all modified vehicles. The decorations on them are colorful and fancy look. At first glance, these cars are the cars of the group of people who like racing at night.

The last time Li Tian played against the members of the night-tour racing clan, this time he did not expect that the other party had brought so many people to retaliate.

Looking from a distance, I saw more than a dozen people aggressively approaching the square of the Tang company.

The headed one is a huge man with a height of 190 cm. He has a shaved head and a gold necklace with a thick pinky around his neck. A black tight-fitting short sleeve is worn on his body. The muscle lines look hideous and thick. Crazy feeling, the first feeling it gives people is a barbarian.

The dark complexion walked towards this side like an apes.

"Brother Xiong, right here."

"Fuck him, it was the security guards last time." Isn't the man standing next to the 190 cm barbarian the blue-haired man whose front teeth were knocked out by Li Tian two days ago?

He pointed to the security room in the front parking lot with his hand, while talking to the burly man who looked like a barbarian next to him.

Behind him were a dozen guys who were also trendy young people. A few of them were holding baseball bats and walking step by step towards the security room here.

"Fuck, I said Liu Yuan, how the **** are you guys, you can't even provoke the guards of the watchdogs, you are beaten up like that, why are you **** out?"

Standing here, a short, but sturdy, flat-headed man said there.

He has a pair of mouse eyes, a stud on his ear, and a cigarette in the corner of his mouth talking.

The guy called Liu Yuan was a young man with blue hair, his face was embarrassed and ugly, he snorted and said nothing.

"Where are the watchdogs? Liu Yuan?" The low, mouse-eyed guy asked Liu Yuan again.

Liu Yuan pointed to the security room in front and said, "There."

As he said, he led people to walk over there.

On the Tang corporate square, the people who came and went to work, when they saw a large number of people coming by with baseball bats, they couldn't help but step aside.

While these people were looking ahead and walking, they suddenly heard a sound from behind.

"Hey, are you looking for me?"

Standing in the square behind, Li Tian, wearing a blue uniform, looked at these dozen people and said.

When Liu Yuan and the others turned their heads, they saw Li Tian all at once.

"Damn, it's him." Liu Yuan suddenly furiously pointed at Li Tian in front of him and said fiercely.

"This **** hurt a few brothers last time." Liu Yuan said to a dozen people.

The evil gazes of that group of children were all cast on Li Tian in front of them.

"That's him?" The low guy with mouse eyes looked at Li Tian disdainfully.

In addition, a dozen guys around him also walked towards Li Tian.

"Boy, it's kind of kind, knowing we're coming to you, and daring to come here alone." A sharp voice in the crowd yelled.

Li Tian glanced at them coldly, without speaking.

"If I don't make you crippled today, I'm sorry we come here." The gangsters over there said with a smile.

The few guys in front with baseball bats in their hands were already walking towards Li Tian.

Where is Li Tian? There is indeed something wrong in my heart, no way, there are more than a dozen people on the other side. And he is the only one, and most of them still have guys in their hands. This one seems to be a bad luck.

He was wondering in his heart, while watching the situation.

"Fuck him!" roared.

Just hit it without hesitation.

There were the three frontmost men over there, two hunk men with baseball bats in their hands, and a guy with bare hands and went up and greeted Li Tian viciously.

The baseball bat was swiped and hit Li Tian's body severely.

Li Tian is not stupid, he can't stand there and be beaten. No, he aimed at the opportunity, ignored the fists of the other two guys, and rushed directly at the guy holding the baseball bat in his hand who shot him first.

The guy didn't expect Li Tian to jump at him first, he was slightly startled, holding the baseball bat in his hand, before he hit it, he was hit by Li Tian with a straight punch and hit the mouth directly.

With a thumping punch, the body burst out with great vigor, and the guy holding the baseball bat directly flew upside down four or five meters, and fell to the ground with a bang, covering his mouth and yelling, two The front teeth spit out from the mouth directly with the teeth, and the baseball bat fell to the ground and rolled to the side. The ***** with a mouthful of blood in his mouth fell to the ground and shouted:

"I**."

The other two gangsters behind took a look at their companions, they were beaten up like that, and suddenly roared. The other guy on the left, holding a baseball bat tightly in his hand, pointed a stick at Li Tian's head. Smashed.

Li Tian dodges quickly, but how can he be so fast that he has never practiced before? Although the baseball bat didn't hit his head, it hit his back suddenly.

With a bang, Li Tian staggered, and then there was a fiery pain in his back, which was painful.

But he tried hard, gritted his teeth, and turned his head abruptly.

The ***** who succeeded in the strike just now did not expect Li Tian to be desperately trying to pounce on himself again.

For a moment, the baseball bat in his hand was ready to do it again.

It was a pity that it was too late. Li Tian rushed up with a sprint, and slammed his fist into the guy's eye with one hand. In addition, his knees were also raised at the same time and hit his abdomen.

Ah yelled.

The man's eye was beaten into a panda eye, and he fell on the ground and cried out in pain.
