

## A Killer 421

Chapter 421: Fifth elder

After Li Tian left the secret room, Duan Mu Heiming's face slowly became gloomy, his eyes were filled with cold hatred, and he couldn't help muttering in his mouth: " Boy, wait for you to finish this thing, and see how I play with you then."

"Old ghost Yuwen, when I steal your family treasure back from Duanmu Heiming, that is, when I destroy your family." He said, laughing.

What exactly does he want Li Tian to get from the Yuwen family?

No one knows at the moment.

After Li Tian came back, he was lying on the bed quietly and tossing around.

He still can't guess what the \*\*\*\* is Duanmu Heiming doing? Why should you let yourself go to the Yuwen family to get something?

Is there something so important?

The Duanmu family finally gave Li Tian the identity of the fifth elder of the Duanmu family.

As a result, Li Tian moved out of his small room and went to his own "site".

The so-called territory is the territory of one elder and one elder in the Duanmu family.

The boundary where Li Tian is located is called Changchun Palace, which is a rather luxurious and gloomy building.

The entire Changchun Palace covers a relatively large area, and it is even more dazzling. Once you walk in, you can see the palace of Qiyu Angxuan.

This is undoubtedly the territory after Li Tian, and it will also be the territory of the fifth elder of the Duanmu family.

Duanmu Heiming not only gave Li Tian a "righteous" status, but also found many subordinates.

After all, if an elder has no subordinates, wouldn't it be embarrassing?

A total of 16 subordinates were found, and these people will be Li Tian's subordinates in the future.

Li Tian was sitting quietly on the chair above the main hall of the Changchun Palace, with many thoughts in his heart.

His thoughts were not because he had all this, but because he was thinking, why did Duanmu Heiming give him everything now? What the \*\*\*\* does he want to do?

Is it just to allow yourself to steal something from the Yuwen family?

Thinking of this, Li Tian couldn't help but smile.

As he was thinking about it, he suddenly heard a crisp and charming voice coming in from outside with a smile.

"Wow, what a big place... it's really good, not bad."

While listening to the voice, she saw that the eldest lady of the Duanmu family, Duanmuying, came in from the outside with a smile on her face, followed by the little girl ring behind her.

She wore a pale white tight skirt today, revealing a small piece of snow-white thighs, and her delicate melon face was looking up at Li Tian, who was frowning on it.

"Hey, what are you in a daze? Have you just been in the position of the five elders and haven't been happy yet?" Duanmuying said and smiled and walked towards Li Tian.

Li Tian looked at the Duanmu Ying and sighed deeply.

"What's the matter with you?" Duanmuying noticed that Li Tian could not help but ask.

"Give you such a big residence, give you so many subordinates, and give you the identity of the fifth elder of the Duanmu family, you still sigh, are you too dissatisfied?" Duanmuying complained there.

Listening to this girl's words, Li Tian smiled helplessly.

"Duanmuying, do you really think that I stayed in your family for all this?" Li Tian said suddenly.

Duanmuying was taken aback, but she didn't expect Li Tian would say this suddenly. After thinking about it, she said, "Don't you like all of this?"

Li Tian shook his head unforgettable.

"Actually, I just want to leave your Duanmu family." Li Tian said with his eyes suddenly in the distance.

For everything in front of him, Li Tian knew that it was not true, and that Duanmu Heiming would never treat himself so well. He had stayed here at the beginning to get the Rashomon nine styles in his body, but now he doesn't Tina Rashomon: It's a nine-style thing, but I suddenly let myself go to the Yuwen family to get something...what the \*\*\*\* is going on here? Li Tian just hasn't guessed it yet.

When Li Tian said that he did not want to stay in the Duanmu family, Duanmuying's pretty face turned pale.

"Don't know what the hell... My father gave you so much, don't you still feel unsatisfied? Even if my father stranded you back then, can't he make up for what he gave you now?" Duanmuying didn't understand the matter. What the \*\*\*\* said in that way.

Li Tian suddenly raised his eyes.

"Your dad? He gave me so much... ridiculous, it's really ridiculous." Li Weather said angrily.

No one knows the insidious cunning of Duanmu Heiming better than him. Can a \*\*\*\* who dare to poison his own brother be a good person?

"Don't you dare to say it? If it wasn't for my father, could you be the fifth elder of the Duanmu family? If it wasn't for my father, could you live here now?" Duanmuying said angrily.

"Girl, I don't bother to quarrel with people like you!" Li Tian knew that Duanmuying didn't know anything, so he didn't bother to tell her.

That Duanki Ying had come to congratulate Li Tian with kindness, but she didn't expect that as soon as they came here, the two would quarrel, their angry eyes were red, and one foot was pacing fiercely, as if the ground was like Li Tian. .

After Li Tian did the fifth elder of the Duanmu family, the other four elders except for the great elder Luohe Futu, the second elder Duanmu Heilong is the one who hates him most.

Li Tian not only killed Wang Kun under the second elder, but also once again put the Duanmu Black Dragon to shame. This hatred, Duanmu Black Dragon deeply remembered.

One day he will find an opportunity to slaughter Li Tian himself, to avenge his disciples and his shame.

When the disciples of Wuyin Ghost Girl heard that Li Tianzai became the fifth elder, they were happy for Li Tian, especially Sun Tian'er, who was rescued by Li Tian on the stage of life and death.

At this moment, the petite Sun Tian'er was still there and happily said to the sisters beside him: "Sister Yan, you said that he is now the fifth elder of the family, will we not talk to us when we meet in the future?" "

Liu Yanyan next to her laughed.

"Silly girl, what are your little heads thinking about... Don't you really like the five elders, right?"

When Liu Yanyan said this, Sun Tian'er blushed immediately.

"I... I didn't... I was just grateful that he saved me on the stage of life and death at that time." Sun Tian'er lowered his head and said.

Liu Yanyan smiled faintly: "In fact, he is really good."

"Hey, it's a pity that we like people, but they don't necessarily like us, what do you think?" Liu Yanyan said softly.

Listening to Liu Yanyan's words, Sun Tian'er can't help but frown slightly, and a pair of watery eyes exclaimed: "Sister Yan is right... Yeah, how can people like him like it? Where are we..."

"If you are worthy, I think only Sister Ruo can be considered a pair with him." Sun Tian'er said suddenly with a sense of inferiority.

"What are you talking about here?" Suddenly a cold voice came from behind them.

I took a closer look, but I saw that it was the frosty-faced beauty Lan Ruo'er who was talking.

"Sister Ruo!" the two girls hurriedly shouted when they saw Lan Ruo'er coming.

"Tian'er, what's the matter?" Lan Ruo'er looked at Sun Tian'er and asked slightly.

Sun Tian'er lowered her head and said softly: "Sister Ruo, it's nothing...we are just discussing the five elders..."

"Discuss him?" Lan Ruo'er couldn't help frowning slightly when he heard them discussing Li Tian.

"Yes, Sister Ruo! After all, he saved me on the stage of life and death last time, and I haven't thanked him in person." Sun Tian'er said.

Chapter 422: Xuanyuanjian

Lan Ruo'er looked at the Sun Tian'er and said, "Do you really want to thank him in person?"

Sun Tian'er lowered her head and did not speak.

"Well, I'll take you there." Sun Tian'er was stunned when Lan Ruo'er said so.

For a long time, Lan Ruo'er's impression in her mind was a cold and glamorous posture, and she taught them not to trust the rhetoric of those men, but at this moment, she did not expect Lan Ruo'er to agree so readily.

"Thank you Sister Ruo..." Sun Tian'er said happily.

Especially when she thought of seeing Li Tian again, she felt a little happy.

"Patriarch, when will you arrange for that kid to go to the Yuwen family to get what?"

"quickly."

"I will let him go soon."

"Have you heard anything from the Yuwen family recently?"

"It hasn't been there yet, but I heard that the Yuwen family continues to expand its influence in the north, and it is also aggressively merging the surrounding listed companies... According to our Anbu investigation, half of the listed companies in Liaobei Province are now It was forcibly merged by the Yuwen family...not only that, but the Yuwen family also has a lot of contacts with drug lord in Myanmar. Although we have not found out why the Yuwen family suddenly did this, we Dare to conclude that the Yuwen family must be strengthening their power."

"Old Yuwen is not a fuel-efficient lamp... He is the same kind of ambitious person as I am Duanmu Heiming, but it is a pity that his family is full of rubbish!" Duanmu Heiming sneered.

"So no matter how hard he toss, don't worry about it."

The black eagle in front of him said hoarsely, "Yes!"

"Such a good treasure falls in the hands of Yuwen family, it is simply a waste... It might as well be in my Duanmu Heiming hands!"

"If the kid surnamed Li can really help me get something this time, then Duanmu Heiming of these three families will not be afraid of them, I will let them all surrender under the Duanmu family."

"Patriarch, it is said that the treasure has been passed down from generation to generation in the Yuwen family. So far no one has seen it."

"Yes, Mr. Yuwen has always regarded that treasure as a beloved treasure, so he wouldn't take it out so easily! Besides, the treasure on which the Yuwen family originally relied on barely managed to become one of the four big families... If it's not a treasure, I would have destroyed the little Yuwen family."

"Clan Lord, if Li Tian is unsuccessful and he is discovered by the Yuwen family, what should I do?" Hearing only heard Black Hawk worry.

Duanmu Heiming squinted his sinister eyes and said, "Then you can only kill people."

"He was not originally a member of our Duanmu family. Kill him. Even if the Yuwen family finds him, they dare not say that he is ours... This is why I asked him to do this with a foreigner. Reason." Duanmu Heimingdao said.

"Still the clan master wise."

"In this way, there will be a way to retreat, but also in case of loss."

"Haha!"

"Patriarch, there is something I don't know if it's inappropriate to talk about it." Hearing the black eagle in front of me suddenly asked.

Duanmu Heiming in front of him slowly said, "You said it."

"Didn't the clan leader always want the Rashomon: Nine styles of the kid surnamed Li before? Why is the clan leader's desire for Rashomon: Nine styles getting smaller and smaller now?"

Yes, the reason why Duanmu Heiming left Li Tian in the Duanmu family was because of the Rashomon in his body: Nine styles, he once said, desperately want to put the Rasho in Li Tian's body Door: I dug up the nine styles, but why does he not mention anything about the nine styles to Rashomon now?

Hearing what the black hawk in front of him said, Duanmu Heiming suddenly smiled strangely.

"Because I suddenly learned that secret..."

"Secret?" The Black Hawk in front of him asked in a puzzled way.

"Have you heard of the ancient ruins?" Duanmu Heiming asked suddenly.

The Black Hawk was slightly startled.

"What the clan leader said is that thousand-year legend?"

"According to legend, there is a book, a heavenly book, a picture of a phoenix picture, and a sword Xuanyuan sword. If these three things can be put together, they can reveal the distant place. The gate of the restricted area at the top of the snow-capped mountains of Tianshan opens the gate of ancient times and obtains ancient relics.

This legend is an ancient and distant telephony legend.

The earliest discovery of this legend was recorded in an ancient Buddhist scripture in the late Eastern Han Dynasty.

I don't know how many lifetimes and a few years later, in the late Qing Dynasty, this ancient legend suddenly began to spread.

This ancient and distant legend has been heard by most people who like to hear stories.

Because in their impression, this is just a ridiculous message...just as nonsense and ridiculous as there are gods in Tianshan.

But he didn't expect Duanmu Heiming to say this thing suddenly.

"Yes!"

"Everyone thinks the legend about the ancient ruins is nonsense, but you didn't expect this legend to be true."

"Do you know what the treasure that the Yuwen family has been hiding at home for so many years?"

The Black Hawk in front of him was taken aback for a moment, and then shook his head.

He really didn't know. In fact, apart from the Yuwen family members in this world, the outside world would definitely not know more than five people.

"Xuanyuanjian!" The three characters slowly came out from Duan Mu Heiming's mouth, word by word.

When Xuanyuanjian suddenly said it from Duanmu Heiming's mouth, the black eagle was stunned.

"Xuanyuanjian?"

"My God, is there really Xuanyuan Sword in the world?" Black Eagle was completely shocked there.

Duanmu Hei Mingxie in front of him nodded with a smile.

"Yes, it does!"

"I have always thought that the legends about the ancient ruins are fake, but after I learned about the Xuanyuan sword of the Yuwen family, I knew in my heart that the legends about the ancient ruins were probably true."

"If Xuanyuan Sword can be born, then it is certain that the book of heaven, and the phoenix picture is still in the world." Duanmu Heiming said.

"The clan master, according to legend, the ancient ruins book contains the supreme martial arts secrets. If you can get this, wouldn't it be invincible in the world?"

"Haha! So now I don't watch Rashomon's nine-style kungfu anymore."

"I only want to get the Xuanyuan Sword of the Yuwen Family... According to legend, Xuanyuan Sword is a golden holy road thousand-year-old sword, cast by the bronze of the gods, the sun, moon and stars on one side and mountains and trees on the other side The hilt of the sword is a book about the techniques of farming and raising livestock, and the other is the strategy of unifying the world. The gods of the heavens bestowed this sword on the Emperor Xuanyuan Huangdi to defeat Chi You's masterful sword. It was later passed on to Xia Yu. It contains infinite power, which is to cut the demon. The magic sword."

"Although I don't know the true or false about these, I know that the treasure held by the Yuwen family is this sword. If I can get the Xuanyuan sword, I won't say whether the legend of the ancient relics is true or false. Just rely on this sword. , I can have absolute strength to destroy all the other three families."

Duanmu Heiming said ambitiously.

Chapter 423: Daughter love

This is the true ambition of Duanmu Heiming.

"The ancient relic, Xuanyuan Sword, has always been a legendary god. Is it really hidden in the Yuwen family?" Black Eagle asked in that question.

Duanmu Heiming nodded slightly.

"It is undeniable that the Yuwen family has always been a family of the imperial surname. This family used to be extremely glorious in ancient times. I have also heard about many glorious deeds of the Yuwen family in those days, but the current Yuwen family is not dead. All the young people left behind are rubbish."

Duanmu Heiming said.

Listening to Duanmu Heiming's words, the black eagle nodded silently.

"I hope the boy named Li can get any treasure this time...".

If Li Tian could really get the Xuanyuan sword from the Yuwen family and give it to Duanmu Heiming, the consequences would be unimaginable.

But now Li Tian doesn't know what Duanmu Heiming is going to do with him? He didn't even know what exactly he promised that Duanmu Heiming would go to the Yuwen family this time!

He just stayed quietly in his Changchun Palace.

I heard that the Yuwen family was in Liaobei Province. This is the only thing Li Tian knows about the Yuwen family.

Li Tian, who was staying in his Changchun Palace, suddenly heard his subordinates running over.

"Report to the Fifth Elder, the doorman under the ghost girl from the outside will come over and see." After his subordinates said so, that Li Tian couldn't help being taken aback.

"The doorman under the Wuyin Ghost Girl?" Li Tian frowned slightly.

The frosty "Lan Ruo'er" suddenly appeared in his mind.

Is it her?

"Hurry up, please." Just listen to Li Tiandao.

After the subordinates nodded, they flew back quickly.

After a while, when she saw two Qianli figures outside, she walked in from outside.

Take a closer look at the two shadows, one of them is Sun Tian'er, who is slightly smaller, and the other is Lan Ruo'er, who has a frosty face.

Lan Ruo'er's beauty completely covered the light of that little beauty Sun Tian'er.

Not only was Lan Ruo'er's figure more perfect than Sun Tian'er, but even that exquisite face had no flaws.

After the two of them walked in, Li Tian saw them at a glance.

"Five elders." Although the two beauties are familiar with Li Tian, don't forget that their identities are different now, so even Lan Ruo'er has to call Li Tian an elder.

Li Tian smiled faintly.

Looking at them: "Why are you here? Are you looking for me?"

Lan Ruo'er, with a frosty face beside him, just stood there quietly, not speaking or speaking.

And Sun Tian'er blushed slightly, and then blushed and said: "I am here to thank you specially for the last time you saved me on the stage of life and death." Sun Tian'er said.

Listening to Sun Tian'er saying this, Li Tianyi thought, it turned out to be such a thing.

At this moment, I couldn't help but smile and said: "Oh, it turned out to be like this, but it's not a big deal... I just helped a little."

Listening to Li Tian's words, Sun Tian'er lowered her cheeks slightly and said: "Although you don't think there is anything in the fifth elders, but in Tian'er's heart, this is a great kindness for a lifetime. Tian'er will remember it for a lifetime. ."

Facing this weak beauty, Li Tian couldn't help feeling a little embarrassed.

"This is a safe stone from my family. In order to express my sweet gratitude, I want to give it to you."

That Sun Tian'er spoke and suddenly took out a red round stone from the palm of her hand. The stone resembled a heart shape. It was completely self-grown without any carving. It was wearing a thin red string. It can be tied around the neck.

Faced with such a gift from Sun Tian'er, Li Tian hurriedly waved his hand and said, "That's not good... This is your family's peace stone, how can you give it to me? No... I can't ask..."

But that Tianer lowered his head and said, "Did you look down on this stone..."

Li Tian was depressed.

"I... I don't... I just think what happened last time was really a small thing to me... So I hope you don't care too much, sweet girl."

"But, you saved my life after all... If I don't repay, I will feel sorry for the rest of my life..." Sun Tian'er's voice has become lower and lower.

The low ones seem to choke.

Li Tian looked at the heart-shaped stone in Sun Tianer's hand, his face was unspeakable, should he pick it up or not? If she doesn't pick it up, then Tian'er Sun will definitely be sad, but if she picks it up, this...this...maybe not so good, right?

Li Tian, who was embarrassed, suddenly heard the frosty-faced beauty Lan Ruo'er who was standing on the side saying: "Fifth Elder, you better accept it."

"Tian'er's heart, I hope you can understand..." When Lan Ruo'er said this sentence, he deliberately said the word "heart" very seriously.

Why does Li Tian feel awkward...

But he stretched out his hand slowly: "Well, sweet girl, I accept the gift you gave me, and thank you too."

Li Tian, who was talking, reached out and took the heart-shaped stone and held it in his hand.

Sun Tian'er, who was finally accepted by Li Tian, blushed with a smile of joy on her face.

"Then we won't bother the elders, if sister, let's go." Sun Tian'er who was talking turned and walked outside like a happy little sparrow.

Lan Ruo'er nodded slightly, then raised her eyes and looked at Li Tian meaningfully, then turned and followed Sun Tian'er and walked outside.

Li Tian stood in the hall, holding the heart-shaped stone in his hand, and couldn't help but smile wryly at the corner of his mouth.

After that Lan Ruo'er and Sun Tian'er went out, that Sun Tian'er was secretly happy.

As if today is her happiest day, Qiao's face has a flower-like smile, and the whole face is full of happiness.

"Sister Ruo, he finally accepted..." Sun Tian'er said happily.

Lan Ruo'er smiled faintly.

"Tian'er, are you in love with him?" Lan Ruo'er suddenly raised his eyes and looked at Sun Tian'er.

Sun Tian'er blushed immediately, as beautiful and cute as a red Fuji apple.

The corners of the skirt with his head lowered and fiddled with the skirt suddenly said slightly:

"Sister Ruo, do you know? The things I gave him just now are actually the things my mother left for me..."

"And...and...that thing is reserved for the person I love the most..." Sun Tian'er said these words, her head hanging lower.

Just after Sun Tian'er said these words, Lan Ruo'er didn't know why, and his heart was shocked.

The whole person was stunned there.

Chapter 424: So-called helper

Sun Tian'er took two steps and suddenly felt how Lan Ruo'er stopped. She blinked her beautiful eyes and looked at Lan Ruo'er behind: "Sister Ruo...what's wrong with you?"

Lan Ruo'er's pretty face eased slightly, and slowly raised her beautiful eyes and said, "I'm fine."

"Tian'er, you go back first, I'm going to do something." Lan Ruo'er, a beautiful woman with a frosty face, said suddenly.

Tian'er Sun was startled slightly, but she nodded and said, "Okay."

After the two beauties left, Li Tian was quite interested in playing with the heart-shaped stone that Sun Tian'er had just given him. He couldn't help feeling that the stone was extremely cute.

While Li Tian was playing with the heart-shaped stone in his hand, suddenly a cold voice in the hall came to him.

"Fifth Elder, do you know that you are not only holding a heart-shaped stone in your hand, but also the heart of a girl..."

After hearing "her" suddenly, Li Tian was stunned.

Then he turned his head and saw "She!"

It turned out to be her?

Lan Ruoer.

Why did she suddenly come again?

When Li Tian saw Lan Ruoer, he was not only shocked slightly: "Is it you?"

Lan Ruoer walked over step by step.

"What do you mean by what you just said?" Li Tian frowned and asked.

Lan Ruo'er sneered and said, "Don't you know? Tian'er already likes you..."

"Congratulations, Fifth Elder."

Listening to Lan Ruoer's voice, Li Tian felt awkward.

"No... how could she like me?" Li Tian said depressed.

"Of course you will like it. You are already one of the fifth elders of the Duanmu family at such a young age, and you have such a rare skill... Of course the girls will like you." Lan Ruoer said lightly.

Li Tian suddenly smiled bitterly.

I thought to myself: How is this possible?

"If the Fifth Elder still doesn't believe it, you can look at the heart-shaped stone in your hand." Just listen to Lan Ruo'er continuing.

Li Tian was taken aback, staring at the heart-shaped stone that Sun Tian'er had just given him in his hand, and said, "What's wrong with this stone?"

"Do you really do not understand, or do you not understand?" Lan Ruoer raised his eyes and looked at Li Tian.

Li Tiandao said, "Why am I lying to you? I really don't know."

"Well, since you don't know, then I will tell you that the stone was left by Tian'er's mother, saying that it was to let her find someone who loves her in the future, and then give it to him... Now Tian'er is already I gave you the stone, I believe you should understand what it means?"

Lan Ruoer said.

Li Tian was depressed when he heard it.

"But, I really didn't know at the time. If I knew it, I wouldn't want it to kill me."

Then Lan Ruoer sneered: "None of this is important, the important thing is that Tianer has already liked you, and you must be responsible to her."

"Responsible...you don't want to make a joke? I don't know her well, what is responsible for..."

"If you dare not be responsible and make her sad, I will kill you." Lan Ruoer said coldly suddenly.

Li Tian looked at her and smiled.

"Sorry, I already have a sweetheart..." Li Tian said lightly.

When he said this, Lan Ruo'er, who had a frosty face, was suddenly taken aback.

"Do you have someone you like?" Lan Ruo'er raised her beautiful eyes and stared at Li Tian.

Li Tian nodded non-committal.

Lan Ruo'er's expression was a little bleak at that moment... She was originally speaking for Sun Tian'er, but why did she suddenly feel a sudden change in her heart when she heard Li Tiandang say that she has someone she likes? pain?

Maybe she didn't even feel it herself, she just froze there.

After a long period of time, I slightly raised the frosty face, stared at Li Tiandao and said, "No matter what, thank you for telling the truth."

After suddenly speaking this sentence, Lan Ruo'er suddenly turned and walked outside.

Li Tian looked at the back of Lan Ruo'er, his mouth moved, as if he wanted to say something, but the stubborn and indifferent woman had already walked outside.

However, Li Tian sat back on the chair again depressed.

When Li Tian became the fifth elder on the tenth day, suddenly the head of the Duanmu family decided to let Li Tian start to act.

Li Tian is now in the dark and dark room in Duanmu.

"Are you ready?" Duanmu Heiming, who stood there, looked at Li Tiandao with a smirk.

Li Tian nodded.

"Go ahead, let me go to the Yuwen family to get what on earth."

The Duanmu Heiming laughed loudly, waving his hands slightly and said, "Don't worry about this... I'll let you tell you then."

"I came to see you with two people today." As Duanmu Heiming said so, Li Tian was taken aback.

But seeing Duanmu Heiming slightly waved his hand at the barrier behind: "You two, come out..."

Following his words, two men in black clothes came out from inside.

A dark-skinned, strong and large body, of the explosive type.

One was a man with a pale complexion and sharp eyes. His thin lips symbolized his coldness and ruthlessness.

This black and white really looks a bit interesting.

When the two of them came out, they shouted at Duanmu Heiming: "Clan Lord."

Li Tian looked at these two people in surprise.

I saw Duanmu Heiming smiling at the two and saying: "From now on, you two will follow him."

Pointing at Li Tian while speaking.

The two people, one black and one white, looked at Li Tian at the same time.

Then the two shouted: "Five Elders."

Li Tian was taken aback.

Looking at these two people, he turned his head and looked at Duanmu Heiming in front of him with a questioning gaze: "What do you mean?" Li Tian couldn't help but ask what the \*\*\*\* was going on with that Duanmu Heiming.

Duanmu Heiming smiled and said, "This is the helper I am looking for for you."

"The Yuwen family is not an ordinary family, but it is one of the four big families that go hand in hand with our Duanmu family, so if you act alone, it will definitely be very inconvenient, so I will find these two for you.

"His name is Heiwuchang, and Bai Wusha!" Duanmu Heiming introduced the two and said.

Their names are exactly the same as theirs.

After Li Tiandang heard that Duanmu Heiming said this, he couldn't help but secretly lining in his heart: This Duanmu Heiming is really treacherous, he must be afraid that he would escape and leave the Duanmu family if he missed his hand... That's why he looked for such a couple. Individuals following him can not only monitor Li Tian's actions, but also assist Li Tian in doing things.

Chapter 425: Black and white

"How is it? If the black and white Shuangsha can follow you, I believe that the odds of winning will be better." Duanmu Heiming said with a treacherous smile.

Li Tian snorted coldly at the corner of his mouth and said, "Since the family leader has arranged everything, what else can I say?"

Duanmu Heiming laughed loudly.

"Okay!" A good word came out of his mouth.

"I will take some time these days to let you go out... to Liaobei."

In this way, the news that Li Tian was going to work for the Duanmu family quickly spread throughout the Duanmu family.

And everyone also knows that the Duanmu clan leader deliberately let the two masters follow Li Tian.

Black and white double evil!

In the Duanmu family, the names of Black and White Shuangsha are rarely mentioned, and few people know their existence.

They belong to the invisible masters of the family, and like the Anbu of the Duanmu family, they are also figures of secret activities.

Experts like Black and White Shuangsha generally rarely work within the Duanmu family, so even the members of the Duanmu family know very little about them.

Why did Duanmu Heiming send such two people to follow Li Tian this time?

One is because this black and white double evil is just responsible for the Duanmu family's underground rule in the northern area of Liaoning. As mentioned earlier, the reason why the Duanmu family can become the darkest of the four major families is not only because his family is old, but also because he has With its own financial group, behind many well-known large and medium-sized domestic enterprises, or listed companies, you can see that the real bosses behind the scenes are the names of members of the Duanmu family... So the black and white double evil is responsible for the market there. .

The second is because this black and white Shuangsha is indeed a master of masters.

Speaking of this black and white double evil, I have to mention that the battle of the four big families ten years ago, the black and white double evil did a lot of blood in the battle of the four big families ten years ago.

The most famous battle is that the Black and White Shuangsha once dared to single-handedly challenge the old man of the Ouyang family...Although the two were defeated without a hundred moves in the hands of the old man of the Ouyang family... But just ask the world, who can Ten tricks under the elder god-level figure of the Ouyang family?

Now these two evil men who are also called black and white impermanence on the road are about to follow Li Tian to northern Liaoning to get something from the Yuwen family... I really don't know what will happen along the way.

Since Duanmu Heiming insidiously gave the two men to Li Tian, Hei Wuchang and Bai Wusha followed Li Tian back to the Changchun Palace.

There was a cold breath from both of them.

Especially the dark and impermanence, he was even more cold and hardly spoke.

That Bai Wuchang is okay, and he would say a few words to Li Tian from time to time, but Li Tian felt from his words and behavior that this person is a very scheming person, and he is definitely the kind of treacherous person.

And from his words, Li Tian could feel that the reason why these two people followed him was completely monitoring him.

But none of this is important to Li Tian.

This time he only needs to go to Duanmu Heiming of Liaobei Gang to get something. Once he gets it, he will leave the Duanmu family and get rid of the shackles of the Duanmu family...

"Patriarch, black and white Shuangsha shouldn't have an accident with the kid surnamed Li, right?" The black eagle in Anbu asked Duanmu Heiming in a dark room.

"Do you still question the strength of the two of them?" Duanmu Heiming said with a gloomy smile.

"The subordinates don't dare!" Black Hawk quickly lowered his head and said.

"The subordinates are just worried. The black and white double evil spirits have always been alone. This time, the clan leader asked these two murderers to follow the boy named Li. I'm afraid...the two of them are a little unconvinced... At that time, there will be friction among the three, and we will be afraid of affecting our plan."

"Don't worry..." Duanmu Heiming said quietly.

"I have clearly explained the black and white Shuangsha. The two of them are only responsible for assisting and monitoring Li Tian...No one can rashly shoot with me. If anyone dares to cause trouble to me, I will kill whoever!" Duanmuhei Said with violent eyesight.

"And if there were two of them, I wouldn't worry that Li Tian would run away...because I told them that if the surnamed Li had the slightest idea of running away, I would kill him."

"If this is the case, then the subordinates are too worried." said the black hawk who stood there.

Duanmu Heiming smiled because of swish.

"In the northern part of Liaoning, your Anbu will also keep an eye on me... Help me look at the Yuwen family." Duanmu Heiming said.

"Yes!"

Since the black and white Shuangsha followed Li Tian, these two people are like the shadow of Li Tian. Except for the time of sleeping and eating, the two of them followed Li Tian, which made Li Tian quite disgusted.

But he did not say it.

He just treated two people like air.

"Five elders... The clan leader asked our brothers to follow the elders to Liaobei this time. I wonder if the elders have a plan in your heart?"

Talking is that Bai Wusha.

His voice is dark.

Li Tian turned his head to look at him and shook his head faintly, and said, "No."

"Oh, isn't it?" Bai Wusha blinked with sullen eyes.

"Patriarch, our brothers are most familiar with Liaobei area... Regarding the Yuwen family we are going to deal with this time, I believe no one knows better than us."

"Really? Then tell me, what kind of family is Yuwen family?" Li Tian asked.

Na Bai Wusha said: "The Yuwen family is an uncompromising overlord in northern Liaoning... As far as the provincial government office of Liaobei Province, down to the neighborhood gangsters, the Yuwen family must be given three points of face, not only Because the Yuwen family is indeed rich and powerful, but because the Yuwen family does have this strength."

"Although the members of his family are all unwilling, but after all, the position of the family is placed there, so no one dares to provoke them. The Yuwen family does all kinds of business, transportation, entertainment and catering...They do all kinds of industries. As long as there is nothing they dare to do to make money."

"Some time ago, I heard that the Yuwen family has been hooked up to the big drug lord in Myanmar..."

When Bai Wusha said this, Li Tian had already learned too much about the Yuwen family, and he couldn't help but hint at him: It seems that this Yuwen family is involved in a lot of business.

He nodded slightly, looked at Bai Wusha and said, "Why are you so clear about things in northern Liaoning?"

A smile appeared in Bai Wusha's sharp eyes and said, "You may not know, our brothers were in charge of Liaobei area..."

"Oh, it turned out to be like this." Li Tiandao said.

Chapter 426: Leaving the Duanmu family

Now Li Tian finally knew why Duanmu Heiming sent these two guys to follow him.

It turns out that these two people were in charge of the Liaoning area before.

Li Tian currently doesn't know much about the black and white Shuangsha, but he can deeply believe that these two people should not be ordinary characters.

It was expected that Duanmu Heiming didn't know his own strength. Since he dared to easily send two people like this to follow and monitor him, there must be something extraordinary between them.

At the same time, he couldn't help wondering, what exactly is Duanmu Heiming going to get from the Yuwen family this time?

10.21.

Na Duanmu Heiming finally decided to let Li Tian and Black and White Shuangsha leave the Wolf Valley and go to Liaobei.

They left without fanfare, but went out silently.

Only three of them.

Changchun Palace.

When the eldest lady of the Duanmu family heard that Li Tian was going to leave for the first time, she was stunned.

Then they ran towards the Changchun Palace in disregard of them.

But when she arrived at the Changchun Palace, she was shocked to find that Li Tian had already left...Changchun Palace was empty except for the former guard.

Duan Muying was stunned for a moment, and she stayed alone in the empty hall of Changchun Palace, her eyes suddenly turned red...

"Smelly Li Tian, bastard Li Tian... Don't you know to say hello to this lady when you leave?"

"Don't you know how worried this lady is about you!!"

It's a pity that Li Tian, who was walking away, couldn't hear her words.

Since the last time the Grand Elder Luohe Buddha, who watched Li Tian's last Raksha Conference match, qualified from that time, he has not reappeared.

Characters like him have simply reached the point of incompetence.

"Uncle, I heard that Li Tian is out of the Duanmu family."

"Um... I heard."

"The clan leader sent him out, presumably for some major event, right?"

"This...not clear."

"But I hope this son will never go down the wrong path..." Luohe Buddha suddenly said meaningfully.

"Duanmu Heiming is a treacherous person, and he is extremely scheming. This person is the most sinister person the old man has seen in so many years, so he arranged for Li Tian to go out to work. I guess it is definitely not an ordinary thing."

"I believe that Li Tian should be able to do it. Just relying on the nine Rashomon forms in his body, the mysterious ancient martial arts, plus the blood-sucking spar he is swallowing into his body, I think no one can do it anymore. Embarrassed him." Luo Changfeng said.

However, Luohe Buddha shook his head slightly.

"Feng'er, remember, there are people outside the world, and there are days outside the sky."

"Moreover, the most powerful thing in this world is not kung fu at all, but the sinister human heart."

Luohe Futu lightly sighed.

Luo Changfeng beside him nodded silently.

Outside the Wolf Valley!

The moment Li Tian took the black and white double evil spirits and left the Duanmu family on the elevator of the Duanmu family, his mood seemed to change immediately.

Standing at the top of the Wolf Valley, looking at the cloudless clear sky, his mood was unusually hearty.

Finally out of the Duanmu family, Li Tian said in his heart.

"Fifth elder, let's get to the airport as soon as possible...If nothing else, we will be able to reach Liaobei in the afternoon." Bai Wusha who was next to him suddenly said to Li Tiandao in a dark voice.

"Don't worry..." Just listen to Li Tian's sudden words.

After Li Tian suddenly said this, the white Wusha eyes suddenly became sharp, and he looked at Li Tian in front of him with a suspicious look.

You must know that these two people were originally monitoring Li Tian.

At this time, the Heiwuchang, who rarely speaks, is coldly looking at Li Tian in front of him.

"What do the five elders mean?" Bai Wusha asked in a dark voice.

Just listen to Li Tian looking at the high-rise buildings not far ahead and saying: "I want to go to Jinghai City first."

When Li Tian suddenly heard that he was going to Jinghai City first, the white Wusha in front of him said in a dark voice: "Fifth Elder, but in the Duanmu family, the clan master told us to go to Liaobei first... if we go out to Jinghai City instead of Liaobei...I'm afraid that's not good, right?"

After Bai Wusha finished saying this, Li Tian suddenly rolled his eyes.

"But, you remember to me, it's not in the Duanmu family now!!" A cold word suddenly came out of Li Tian's mouth.

When he uttered these words, suddenly there was a sense of hostility all over his body.

Those Bai Wusha's insidious eyes also noticed the terrible breath of Li Tian's body, and his hands clenched uncontrollably.

On the other side, Heiwuchang stared at the two of them motionlessly, but he could see that his muscles were suddenly tightened, and even the dark face became hideous.

There seemed to be a smell of gunpowder in the surrounding air, as if it was about to explode at any time, and the three of them stood like a "triangle"...

Finally, after a few seconds of silence, Bai Wusha suddenly smiled...

"Well, since the fifth elders are determined to go to Jinghai City, we have nothing to say when we are small." Although he said so, his face was extremely ugly.

Li Tiancai didn't bother to look at his face...

Now he is like a wild horse running away.

He didn't care about Duanmu Heiming's order, let alone the black and white Shuangsha in front of him.

After Bai Wusha finally said those words helplessly, a sneer appeared at the corner of Li Tian's mouth: "That's the best."

After speaking, Li Tian strode to the wild wolf valley in the deep forest.

Behind him, Bai Wusha carried endless hatred in the gloomy eyes behind him.

"Boy, I see when you can be arrogant, if it weren't for the clan leader's order, I would be the first to kill you." Bai Wusha said secretly in his heart.

In an hour, the three left the Wolf Valley and finally reached the outskirts of Jinghai City.

In the middle of the road, Li Tian took a taxi and got in.

Of course the black and white Shuangsha also sat on it.

When the taxi driver saw the black and white double evil people wearing all black clothes, he couldn't help being a little surprised and wanted to ask, but when he saw the white Wusha's fierce eyes, he didn't dare to say...

I could only ask Li Tian in a timid voice, "Boss, where are you going?"

"Go to Jinghai city center, I will naturally tell you when I arrive." Li Tian said simply.

After the driver uttered a loud sound, he then started the car and drove towards the city center, but the black impermanence and Bai Wusha could only follow Li Tian honestly, although the two did not know Li Tian Why go to Jinghai City... But they had to follow Li Tian in front of them.

Chapter 427: I want to go out

Along the way, Li Tian kept his eyes on the window.

One by one tall buildings clearly appeared before his eyes.

To be honest, Li Tian, who has lived under the Wild Wolf Valley for so many days, almost forgot about this prosperous urban life.

This place seems incompatible with the dark Duanmu family.

Suddenly after entering Jinghai City, Li Tian seemed to have returned to the past, and everything before seemed to return to his eyes again.

Especially when thinking of people before...

I remember Miss Tang that I first met in Kyoto when I just left Liaocheng... Which rich and powerful Miss Tang Feifei?

To be honest, for such a long time, Li Tian has been unable to obliterate the shadow of Tang Feifei.

I don't know if that girl also occasionally think about herself?

Li Tian couldn't help smiling bitterly when he thought of this.

It would be great if life were the same as before!

Li Tian then thought of Xia Xue...a Xia Xue who made herself a man for the first time, she is an out-and-out woman, both physically and in all aspects.

Maybe it was dew fate, maybe something else... After all, Li Tian had that night with Xia Xue, so it still lingers in his mind.

Now, Li Tian thinks of Ouyang poetry most.

This is an impeccable beauty in every aspect of her talent and appearance.

She is the big daughter of the Ouyang family, the head of the four big families. She not only has an unusual identity, but also has extraordinary talents.

The encounter with her may be due to fate, or chance...Unfortunately, acquaintance in a hurry, but in exchange for the last stranger.

Li Tian sometimes wonders, is his original decision wrong?

Did you misunderstand the Ouyang family?

But whenever he remembered the situation where Situ Ningbing was injured and besieged, he had a thought of "hate" in his heart.

Is it because I care about Situ Ningbing too much? It is because of other things that Li Tian has become stranger to the Ouyang family from the initial cooperation, and even said that he has hatred... Maybe only Li Tian himself knows.

Li Tian shook his head, forcing himself to stop thinking about those things,

"Fifth Elder, are we going to Jinghai City?" Bai Wusha, who was sitting in the car seat behind, asked suddenly.

Li Tian didn't look back, and simply said from his mouth: "You'll know later."

Bai Wusha's stern eyes blinked, and then did not speak any more.

It was the taxi driver who suddenly stunned when he heard Bai Wusha called Li Tian: The Fifth Elder.

Five elders? What is the origin of these people? Why do you listen to them more and more strangely?

Although the taxi driver thought Bai Wusha was ridiculous in his head, he did not dare to say a word, because every time he saw the pale face of Bai Wusha, he could feel a cold chill. ...The chill even scared him.

After the car drove quickly to the center of Jinghai City, Li Tian looked around, and finally in front of a hotel, Li Tian asked the taxi driver to stop.

After getting off the taxi, the white Wusha and Heiwuchang looked at them curiously.

"Living here today." Li Tian said, pointing to the hotel in front of him.

Bai Wusha was slightly taken aback.

"Live here?" He felt very curious.

"Yeah." He only heard Li Tian say something briefly.

Then he walked towards the hotel. After booking two rooms in the hotel, Li Tian still had the white Wusha and Heiwuchang, and the three of them walked towards the residence.

They live on the sixth floor.

Bai Wusha also has a black impermanence room, and Li Tian is a separate room.

Although the Bai Wusha and Heiwuchang felt very surprised and puzzled by Li Tian's sudden living in Jinghai City, the two of them could only endure it.

After arriving in the room, Li Tian closed the door tightly.

Li Tian felt much more comfortable when he was able to stay in the room cleanly by himself. Li Tian couldn't tell the disgust for the black impermanence and the white Wusha.

If it were not for the poison in his body, Li Tian would have fallen off these two \*\*\*\* long ago.

The white Wusha and Heiwuchang were also in the room, with a cold face.

"What the \*\*\*\* is this kid doing here?" Bai Wusha said with a cold face.

The Heiwuchang, who had been seldom talking, suddenly said at this moment: "Could it be that he planned to go to Liaobei? He wants to run?"

"He dare!"

"The clan leader has an order. If he dares to run, he will be killed." Bai Wusha said with a grim face.

"That kid heard that he has good skills?" Hei Wuchang suddenly turned his face to look at Bai Wusha in front of him.

A dark smile appeared at the corner of Bai Wusha's mouth.

"How powerful can he be? No matter how powerful, can't we two join forces to kill him?" Bai Wusha said with a disdain.

Heiwuchang thought for a while without speaking.

"Let's observe quietly first to see what he wants to do..."

The two finally decided to say.

After resting in the hotel for a few hours, Li Tian tumbled out of bed.

He has to do his own business now.

After getting dressed, he opened the door of the room, but after opening the door, he saw that Bai Wusha was standing there unexpectedly.

It was as if this sinister guy had been at Li Tian's door.

When Li Tian suddenly saw Bai Wusha, his face became ugly.

"Why are you standing here?" Li Tian suddenly asked coldly.

Then Bai Wusha showed a dark smile: "The clan leader has an order to let our two brothers follow the fifth elder every step of the way, we can't do anything."

Listening to this guy saying so, Li Tian snorted coldly.

"Fifth Elder, are you going out in a hurry?" Bai Wusha suddenly asked Li Tian with evil eyes.

Li Tian did not evade, but directly said: "Yes."

"I'm going out to find a few people."

"Looking for someone?" Bai Wusha was taken aback for a moment.

"Fifth Elder, this matter seems to be outside of our plan..." Bai Wusha said.

"You don't need to worry about this, you just need to remember, I promised the Duanmu family clan leader, and I will definitely help him do it." Li Tian said these words coldly.

"But, I don't know who the fifth elders are you looking for?"

"You don't need to know this."

Na Bai Wusha heard Li Tian refuse to tell him, his face turned pale.

"You two are waiting for me at the hotel, I will be back soon."

When Li Tian finished speaking, he closed the room door and walked outside.

Chapter 428: Sorrow of beauty

But as soon as Li Tian walked, Bai Wusha followed from behind.

"Fifth elder, I'm really sorry, the clan leader personally told us brothers, no matter what, one of them should follow the fifth elder you, so there is no way for us to be small..." Bai Wusha said sinisterly. Say.

Li Tian turned his face slowly, and said in a cold voice, "Are you really going to follow me?"

"Ok!"

"Fifth elders don't worry, I'm just behind you, and I will never disturb you doing serious things."  
Said Bai Wusha.

Li Tiankan really couldn't get rid of these two "persistent" guys, and smiled helplessly and said:  
"Well, since you want to follow me, then follow me."

Speaking of Li Tian, he turned and walked downstairs.

A cold smile appeared at the corner of Bai Wusha's mouth, and he followed from behind as expected.

After Bai Wusha followed Li Tian out, Hei Wuchang didn't know when he stood in the middle of the corridor, looking at them fiercely.

Then he turned abruptly and walked towards the room, and then took out a cell phone from his pocket. After pressing a number on it with his dark fingers, he heard the phone beeping on the other side in a short while.

"What's wrong?" Suddenly a hellish voice came from the phone.

One can hear the voice of Duanmu Heiming, the dark head of the Duanmu clan.

Hei Wuchang here said to the phone: "The head of the clan, the kid surnamed Li did not go to Liaobei according to the regulations... but arrived in Jinghai City and went out just now."

Hearing what Heiwuchang said here, Duanmu Heiming said in a little surprise, "Really?"

"Yes."

"He's there now? Do you know?" Duanmu Heiming asked.

"Don't worry about the Patriarch, Bai Wusha has followed him out." Hei Wuchang said.

Duanmu Hei Ming, who heard what the other party said, said: "That's good, as long as one of you follows him."

"Patriarch, if the kid surnamed Li dares to run away, shall we kill him as we said before?"

Duanmu Heiming hummed on the other end of the phone.

"However, I still believe him, he is not like the kind of person who doesn't believe in words."

"Don't worry about him, as long as he can get the thing back from the Yuwen family for me, it's fine."

After Duanmu Heiming finished speaking, he hung up the phone.

Nights in Jinghai City always come quickly.

Soon the sky dimmed, and the entire Jinghai City instantly became brightly lit.

The red, green, and green lights exude dazzling eyes in the noisy city. The passing vehicles and the endless stream of people all symbolize the prosperity of the city.

In the most prosperous area of Jinghai City, the Ouyang family, the largest of the four families, lives.

The villa city of the Ouyang family is so eye-catching that you can see it from a distance.

This is the golden zone of Jinghai City. Perhaps the value of the ground is more expensive than the price of gold. This is the site of the Ouyang family.

In the villa city of the Ouyang family, one tall villa after another is erected, with wide and flat roads on both sides.

On both sides of the road are green flowers and plants.

Brilliant lights are reflected in the villas of the Ouyang family.

Suddenly there was a dark place where the light couldn't reach, but two figures came out from the darkness.

Looking at it in amazement, these two figures are Li Tian and Bai Wusha.

Unexpectedly, Li Tian came to the Ouyang family?

What is he doing here?

Even Bai Wusha wasn't very clear, he just followed Li Tian in surprise, like a shadow.

However, after Li Tian entered the Ouyang family, he glanced at the flat road. After there were no pedestrians, he walked out and walked quickly toward a villa in the center.

On the way, Li Tian didn't speak, and Bai Wusha didn't speak, he just followed Li Tian.

When the two quickly arrived in front of the tallest and largest villa in front of which the Chinese and European architectural styles were integrated, he stopped.

But seeing that there is a circle of iron fences around the villa building, a total of more than two meters high.

Standing outside was the bodyguard of the Ouyang family in a suit.

After Li Tian arrived here, he found a place to hide.

Li Tian, who lived in the Ouyang family for a while, certainly knew who lived in this building.

In this building, the Ouyang family, the head of the four major families, lived in the villa building of the owner.

Why did Li Tian come here suddenly?

Why would he suddenly lurk into the former Ouyang family?

Is he looking for the head of the Ouyang family? Obviously not.

Not only the head of the Ouyang family lives here, but also the great beauty Ouyang Shiqing.

Since the last time Li Tian and Na Ouyang Shiqing had parted late at night, they had never seen each other again.

After Li Tian appeared, several lives appeared in Jinghai City. One was Fatty Wang from the New Century Dance City, and the other was the younger brother of DJ Heaven's 13th Young Master, Mad Cow...

Of course Ouyang Shiqing knew in his heart that the people who had troubled Situ Ningbing at the beginning were all killed by Li Tian, and the reason why he wanted to kill these people was for revenge.

From then on, the distance between him and Ouyang Shiqing seemed to be separated...

In addition to running the family business, Ouyang Shiqing is more of staying alone in the boudoir, in a daze, thinking about things.

Sometimes even her father wondered what happened to her daughter?

Ouyang Shiqing was originally the heir of the Ouyang family, so the task on her shoulders is extremely important, but from her current state, Ouyang Shiqing is not so good.

Just like today, Ouyang Shiqing, who had had a board meeting from the family business, returned to her luxurious boudoir.

Next to the video are jimsonseeds and windflowers sung by dashcrofts. The songs are sad but not sad, accompanied by a strong feeling of sorrow, completely forming a unique and perfect picture with the current daze of Ouyang poetry.

Windflower was originally singing this is a story based on the Greek mythology Venus, the goddess of love, Venus has always admired the heroic young man hunting in the mountains, but he lost his life in a torn battle with wild beasts. Venus washed his face with tears every day for this, and even blood came out of his eyes, and the weeping blood dripped on the petals and drifted away in the wind.

A faint sad song floats in the room, as if Ouyang Shiqing in front of him is also worrying about that...

Chapter 429: My heart, you don't understand

Ouyang Shiqing was immersed in the sad music at this moment, and indeed did not see that suddenly in the garden outside her boudoir, the two figures had already "rushed" in like a ghost.

The two figures were standing in a dark corner at the moment, and the faintly luminous light could be vaguely distinguished. These two figures were Li Tian and Bai Wusha.

Then Li Tian looked at Ouyang Shiqing in the window, and he couldn't help but bang in his heart. I don't know if it was because of long time no see, or because he saw Ouyang Shiqing's sad face engraved on it. Thoughts...

On the other hand, Bai Wusha next to him stared at Situ Ningbing with evil eyes, and couldn't help thinking, "Is this woman the daughter of the Ouyang family?" When thinking of this, the corner of his mouth was cold. Smile.

"You are waiting for me here." Li Tian suddenly said to Bai Wusha in front of him.

Bai Wusha nodded slightly, although his face was reluctant, but there was no way.

"it is good."

After he finished speaking, Li Tian then quickly walked towards the boudoir of Ouyang Shiqing.

Behind Bai Wusha looked at Li Tian's leaving figure, and couldn't help but said evilly: "I can't think of this kid surnamed Li, who is quite capable...Even the daughter of the Ouyang family can know...It's not easy."

Ouyang Shiqing in the boudoir was holding her exquisite cheeks in a daze, and beside her, there were beautiful and slightly sad English songs.

Suddenly her door was gently pushed open.

The moment she was pushed open the door, Ouyang Shiqing reacted immediately, and Jiao Chu quickly rebounded.

"Who?"

When she was suddenly shocked, suddenly a familiar face was standing motionless at the door.

"It's you....."

There was a wave of disbelief and excitement in the voice...

My God, it turned out to be Li Tian.

Ouyang Shiqing did not expect that Li Tian would suddenly come to her boudoir.

Standing there was completely stunned.

Li Tian looked at Ouyang Shiqing, and finally a smile slowly appeared on that cold face.

"Long time no see..." Four words came out of his mouth.

Then Ouyang Shiqing realized that this was indeed true, yes, it was him, Li Tian, who really stood at the door of her boudoir.

After a few seconds of silence, Ouyang Shiqing tried to calm her excitement and surprise, and Qiao's face slowly paid a little smile.

"Yeah, it's been a long time." She also said lightly.

"You... are you okay?" Ouyang Shiqing looked at Li Tian and asked. She faced Li Tian again, a little embarrassed and hesitated for a while, and didn't know what to say.

Li Tian stood at the door and said lightly, "It's okay."

Ouyang Shiqing knew that Li Tian had joined the Duanmu family, which was at odds with their family, so the current position of the two is very strange.

"You...in...that dark family, didn't they trouble you?" Ouyang Shiqing asked again.

Li Tian stood there and shook his head slowly.

"That's good...Then I can rest assured." Ouyang Shiqing said in a lonely voice.

"I came to you this time to ask you something." I just heard Li Tian suddenly say it.

Ouyang Shiqing was slightly startled.

"what's up?"

"I want to find my brothers." A word suddenly came out of Li Tian's mouth.

Bros?

Could it be that special forces king Tang Xiaolong, that sick scholar Chen Qiaozhi, and that ruthless Aqiu.

At the moment Li Tian said this, Ouyang Shiqing was quite surprised, raising her beautiful eyes and staring at Li Tian.

"You are looking for them? But they have already left the Ouyang family... Since the last time something happened to you, they have all gone and left our family."

"Also, they thought you were already dead..." Ouyang Shiqing added.

Li Tian gave a wry smile, remembering the scene that day.

He was shot and was taken away by someone from the Duanmu family. Everyone would think that Li Tian would die.

Unfortunately, God has eyes, Li Tian is not dead yet.

He came back now to find the brothers who shared his life and death.

"Then I can't find them anymore?" Li Tian's voice was a little disappointed.

Ouyang Shiqing looked at him for a long time, and then slowly said, "Do you really want to find them?"

Li Tian nodded again.

"I only know that special soldier Wang Tang Xiaolong is still in Jinghai City. As for Chen Qiaozhi, and Aqiu's specific addresses, I don't know." Ouyang Shiqing said lightly.

After hearing Ouyang Shiqing say this, Li Tian finally showed a smile on his face.

"Thank you for helping me..." Li Tian said sincerely.

Ouyang Shiqing had a lonely smile on his face, and that smile was so bitter.

"I still help you, just because I think you are still the Li Tian before, the righteous Li Tian." Ouyang Shiqing looked at Li Tian's eyes and said.

But what about Li Tian? Hearing these words, his heart ached.

"You came to me, are you just for these things?" Ouyang Shiqing suddenly raised her beautiful eyes and stared at Li Tian and asked.

At that moment, Li Tian didn't dare to look directly at the affectionate eyes of Ouyang Shi, he turned his eyes elsewhere, and then slowly nodded cruelly: "Yes."

"I've already told you what I should tell... You can go now." Ouyang Shiqing's tone suddenly turned into a cold feeling.

Hearing her words, Li Tian slowly turned her head to look at her... but she had already turned her body over, as if she never wanted to see Li Tian again in her life.

Li Tian stood behind her, his mouth moved...

Finally a word came out of his mouth: "There are many things, I have no choice but to... There are many people, and I am very sorry for them, but I really have no way to go, I can only take this way. ."

"Why didn't you leave that family? Why didn't you leave?" Ouyang Shiqing suddenly turned a pair of reddish eyes...

Her excitement can be heard in her trembling voice.

Li Tian stood there silently, his face full of helplessness and bitterness.

Do you really want to stay in that dark family? No, in fact, he doesn't want to stay in that Duanmu family at all, but what can he do?

Was Li Tianneng able to leave the Duanmu family's most deadly chronic poison for "her" and for his favorite person?

He can't do without, if he dares to leave the Duanmu family, there will only be one consequence, and that is death.

So he would rather tens of thousands of people misunderstand him, and go on by himself...

He raised his head and looked at Ouyang Shiqing in front of him. The corners of his mouth moved, but in the end he just said briefly: "Goodbye..."

Then his figure swiftly walked towards the night.

Na Ouyang Shiqing stood there dumbfounded, and seemed to wake up the moment his figure disappeared.

Quickly chase out the door, but there is still his shadow outside...

She stood outside alone, looking at the dark dusk, the cold wind gently hit her delicate body, making her feel cold...

Chapter 430: Old man

Li Tian left the residence of Ouyang Shiqing with guilt.

He hasn't said a word along the way.

Bai Wusha also clearly saw that Li Tian was in a bad mood, so he just followed him closely and didn't dare to say anything, but in his heart he thought to himself: What the \*\*\*\* is this kid surnamed Li? What did he do to find the daughter of the Ouyang family so late?

Although his head was full of doubts, but seeing Li Tian's extremely ugly face, he did not dare to ask.

Li Tian left the mansion of the Ouyang family all the way, and finally arrived on the streets of Jinghai City, which was constantly flowing.

At the joint, he bought a bottle of cold mineral water, then drank most of it in one breath, then threw the bottle of mineral water with his hand. The cold water droplets spilled on the road, dripping out drop by drop.

But that Bai Wusha was stunned.

"Fifth elder, are you okay?" Bai Wusha suddenly asked Li Tian with a sullen face.

Li Tian turned his head abruptly, with a terrible hostility all over him.

"Do you think something is wrong with me?"

His words made Na Bai Wusha a little dumbfounded.

"Fifth Elder, since we have done everything, should we also go back?" Bai Wusha suddenly looked at Li Tiandao and said.

Li Tian snorted coldly at the corner of his mouth.

"Go back? Did I tell you that I'm done?"

Then Bai Wusha was stunned for a moment: "Does the Fifth Elder still have to go out to do business so late?"

"Of course, I'm going to find them." After Li Tian finished speaking, he strode towards the bustling city.

"Who are you looking for?"

"Look for my brothers."

"Brothers?" When Li Tian said that, Bai Wusha was completely puzzled...

What brother, Bai Wusha, of course, is not clear about Li Tian's brothers.

But when he wanted to ask, Li Tian had already stepped far away. At this moment, Bai Wusha could only curse secretly in his mouth: "Smelly boy, do you really think you are an elder? Dare to treat me like this... ...When this Liaobei incident is over, let's see how Lao Tzu killed you."

Even though he had such a vicious thought in his heart, he quickly followed suit.

At night, the Ouyang family, but saw an old figure standing in the mansion of the Ouyang family.

His white beard was fluttering with the cold wind, and from the faint light, he could see that his twin dragon eyes were exuding brilliant light, and he was nodding looking into the distance.

A navy blue shirt cloth wrapped around his body, the navy blue belongs to the navy blue like an ancient sword.

If someone from the Ouyang family could see this old man at this moment, they would be extremely shocked.

Because he is the old man of the Ouyang family.

A master whose ability is said to reach the \*\*\*\* level.

According to the outside world, although the old man often retreats in his quaint hut, he still pays attention to the safety of the Ouyang family all the time.

Especially when the four major law-guards of the Ouyang family went to Laoshan...

Now the old man of the Ouyang family appears here out of thin air, and the position where he is standing is where Li Tian and Bai Wusha just left. Could it be that the old man secretly entered the

Ouyang family from that Li Tian and Bai Wusha? At that moment, this old man with the title of god-level had already noticed it?

At this moment, the old man slightly raised an old and thin hand, and slowly stroked his white beard under his jaw.

Muttered in his mouth: "Both the black and white evil spirits have actually reappeared... Could it be that the Duanmu family really wants to make a big move this time?"

He murmured, and seemed to be asking.

Just when the old man stood alone under the boundless dark curtain, alone in a daze, suddenly a beautiful figure behind that shouted with a surprised voice: "Grandpa..."

Turned his head to look, but saw that Ouyang Shiqing was looking at the old man with surprise.

When the old man saw his granddaughter, a kind smile appeared on his face.

"Grandpa, why are you here?" Ouyang Shiqing asked in astonishment.

The old man smiled slightly and said, "It's not for you yet."

"For me?" Ouyang Shiqing was stunned.

Turning his head lightly, Ouyang Shiqing said in astonishment: "Is Grandpa worried about me?"

The old man laughed.

"What did that young man tell you?" He only heard the old man suddenly ask.

After the old man said this, Ouyang Shiqing knew that her grandfather was really for herself.

He must have known that someone had entered the Ouyang family at night, so he showed up.

"Grandpa, do you really know he came in?" Ouyang Shiqing was full of horror.

"I'm just you, a precious granddaughter. How can I feel relieved when someone breaks into our family to find you so late?" The old man said with a smile.

"So Grandpa saw it?" Ouyang Shiqing said with a little embarrassment on her face.

The old man squinted Long Jiong's eyes and nodded silently.

"Has that young man already joined the Duanmu family?" Suddenly the old man asked slightly.

When Ouyang Shiqing mentioned Li Tian again, her pretty face suddenly turned white, and she nodded slowly there.

"Grandpa, he is actually not that kind of person, he is a good person!"

"It's just that I really don't understand why he should take refuge in the dark Duanmu family..." Ouyang Shiqing said.

The old man looked into the distance with brilliant eyes and said, "Maybe he has his own problems."

"Girl, remember that what a man does will always have his truth. Although I still don't know what the young man's thoughts are... but I can feel that he is not like someone who has gone into the magical way. Kind of people."

Ouyang Shiqing seemed to have some comfort in her heart when she heard grandpa say this.

"I hope as Grandpa said."

"It's just that the people who followed him this time are doing great harm." The old man suddenly added.

When Ouyang Shiqing heard the old man say this, she was stunned.

Anyone who followed Li Tian?

"Grandpa, do you mean Li Tian didn't come here alone?" Ouyang Shiqing asked in surprise.

The old man in front of him gave a hum.

"The person with him is not a general, but he is a master of the Duanmu family." The old man said.

"This person's nickname is Black and White Shuangsha, and some people call them Black and White Impermanence. There are two people in total. Ten years ago, these two people fought with me in the battle of the four big families." The old man recalled slightly.

Suddenly hearing the old man in front of him say so, Ouyang Shi was shocked.

"No? How could the two of you fight with Grandpa?" You should know that since the old man left the position of Patriarch of the Ouyang Family for more than 20 years, he has rarely seen this old man act again, just because he is no longer worthy of it. The man who made the shot.
