

## A Killer 43

Chapter 43: Bear

After Li Tian killed the \*\*\*\* holding the baseball bat, he didn't see another guy with bare hands suddenly hugging his body from behind.

Then the opponent's arms slammed, and he fell to the ground with the guy.

The two of them tore each other desperately and greeted me with punches and punches. Li Tian aimed at the opportunity. Although he suffered a few shots on his face, he kicked the guy's second brother under the crotch very dark.

There was a scream.

The \*\*\*\* who was kicked by Li Tian under his crotch, clutching his cross, made a cry like a pig.

Li Tian climbed up from the ground with difficulty. He was really overwhelmed with a few punches in his face. Moreover, his back was severely dried up, and he was still hot and painful.

Fortunately, he dropped all three guys to the ground alone.

Now he faces the dozen or so gangsters here alone, without any fear, some just desperately.

More than a dozen gangsters over there looked at Li Tian coldly.

"It's all useless." A rough voice suddenly came out.

The voice came from the most majestic bear. A giant man with a height of over 190 cm, with a shaved head and a thick gold necklace around his neck, his two muscular arms are tight. Clenched tightly and walked towards Li Tian here.

"Brother Xiong Zi has taken action."

"Brother Xiong Zi will definitely \*\*\*\* this bastard..."

"That must be, Xiongzi brother is so mighty."

Several gangsters over there watched the giant man talking.

Li Tian raised his eyes to look at this giant man whose height is far from his own. He couldn't help but feel slightly chilled, but he was not afraid at all. He still stood there with his fists clenched.

"Little Li."

"Plum, let's help you."

After yelling out with the voice, I saw Yu Dahai and Xiao Zhao all running over from there.

"Fuck me, there are two more watchdogs here." Xiao Zhao and Yu Dahai, who ran over with a smile, said mockingly.

Li Tian gratefully glanced at the sea and Xiao Zhao.

"Xiao Li, are you all right?" Yu Dahai looked at Li Tian with concern and asked.

Li Tian shook his head: "It's okay."

Xiao Zhao stood in front of Li Tian at the moment, looking at the dozen or so gangsters. To be honest, his legs were a little weak, but he still held up the scene and said, "You, you are bullying... you know?"

"If you don't leave again...I...I'll call the police."

"Report your mother's head!" With a roar, the \*\*\*\* over there rushed towards Xiao Zhao.

Xiao Zhao, who was only 170 centimeters tall, had not yet understood what was going on, he was kicked in the stomach by a bastard, and yelled with a falling back to cover his stomach pain.

As soon as the people here shot, Yu Dahai was also angry. In today's scene, he would not be able to fight. Although they knew that this scene was bound to be a miserable situation, they recognized it.

So Yu Dahai clenched his fists tightly: "Don't come here, whoever comes, I will fight you desperately."

The bear, who was 190 cm tall, had a terrifying smile on his mouth.

Stride towards the sea.

Yu Dahai faced the bear like a lamb facing a wild beast. He hardened his scalp and slapped at the bear with his fist. The fist hit the bear's strong chest. The mighty bear There was no evasion, and he took a strong punch, but Yu Dahai's fist did not react to Xiongzi at all.

They didn't even shake their bodies.

The gangsters couldn't help laughing one by one.

But Yu Dahai couldn't laugh, because he had seen a big hand grabbing at him all at once.

Yu Dahai's instinctive body retreated, but it was obviously too late. As soon as he retreated, he saw the giant's thick thigh violently kicking towards his abdomen.

With a bang, he kicked the 40-year-old Yu Dahai directly.

Yu Dahai screamed and fell to the ground, unable to get up. Li Tian ran over quickly.

"Brother Yu... Brother Yu..."

However, Yu Dahai fell to the ground with a distorted face, clutching his stomach as if it was extremely uncomfortable, and couldn't say a word.

Seeing Xiao Zhao and Li Tian, who was knocked to the ground by Yu Dahai all at once, stood up again, clenching his fists tightly.

"I fight with you."

Li Tian roared wildly, and his whole body rushed towards the bear.

With a bang, Li Tian's body was not even close to Xiongzi, he was hit with a whip leg directly on the face by Xiongzi. Li Tian, whose head was kicked, immediately lost his balance and fell to the ground with a bang.

The fall was really not light, like a pain all over the body and falling apart.

The gangsters over there laughed.

"Kill that bastard."

"Big Brother Xiong Zi, dispose of these three watchdogs..."

"Yeah, scrap these bastards."

The gangster over there yelled.

Li Tian, Xiao Zhao, and Yu Dahai all fell to the ground. The pain in their bodies made them feel uncomfortable. They were ordinary people and hadn't practiced. How could they \*\*\*\*\* with these?

Besides, the bear in front of him is no ordinary person.

Taekwondo has passed the black band.

No wonder these gangsters are afraid of this guy named Xiongzi.

When the fight broke out on their side, the property management of the Tang company had already called the boss.

"Mr. Tang, the security guard at the door of our company fought with someone." The manager of the property said anxiously to Tang Zheng, the boss of the Tang company.

Tang Zheng, who was reading in the villa, was slightly startled when he heard the property manager say so.

"Fight? With whom did the security guard fight?"

"I don't know, but the other party has a dozen or so night-travelers from Kyoto City. There are a lot of people, a dozen. Are you fighting around our security guards now?"

Tang Zheng was immediately angry when he heard the property say so.

"What? It's against the sky!"

"Who is so bold and dare to beat the employees of my Tang company?" Tang Zheng suddenly became angry.

Everyone in Kyoto City knows that Tang is one of the presidents who maintain the most employees of the company. As long as it is his people, no one can move. Now I heard from the property that the security guards of his Tang company were beaten by a dozen gangsters. How can he stand this anger...

"A few gangsters who often drag racing at night." said the property.

"Okay, I see, I will find someone to go and clean them up later." Tang Zheng finished speaking and hung up the phone.
