

## A Killer 441

Chapter 441: Who is she?

After she finished speaking, the guy whose head was put on his neck, his face was as pale as death, his eyes widened and nodded...

"Now I want to ask you something, you'd better tell me honestly, if you dare to lie to me, I will kill you, have you heard clearly?" Situ Ningbing said coldly.

The man who was put the knife in his throat said with a trembling voice: "Know... I know..."

"it is good!"

"Then I ask you, where is Li Tian from your Duanmu family now?"

Situ Ningbing in front of him went up and asked.

When the man heard Situ Ningbing's clues to Li Tian, he couldn't help being taken aback.

Li Tian? Could it be that Li Tian of the foreign surname?

Li Tian's name has already been known to everyone in the Duanmu family.

It was not because of his odd name, or how famous he was, but because he was the only foreigner who did not join the Duanmu family, so the name of Li Tian was basically known in the Duanmu family at that time.

"I know... I know," the man said suddenly.

When Situ Ningbing heard this, he quickly asked, "Is he there now?"

Following Situ Ningbing's questioning, the man said timidly: "I only know... that foreigner Li Tian attended the Raksha Conference and became the fifth elder of our family..."

"What? Li Tian took refuge in your dark family?" Situ Ningbing asked incredulously.

At the same time, I was surprised, how could this be?

How could Li Tian take refuge in the dark Duanmu family? And he will become the fifth elder of the Duanmu family, it is impossible, absolutely impossible...

"Did you lie to me?" The sharp head in Situ Ningbing's hand has cut through the skin of the man's throat...

The man's pupils dilated, his voice trembling and scared, saying: "I...I didn't! I really didn't...I was telling the truth.

"Then tell me, where can you find him now?"

"I only know that Li Tian, a foreigner who became the fifth elder of our family, lived in Changchun Palace... As for the others, I don't even know about the others."

Hearing what the guy in front of him said, Situ Ningbing was a little doubtful.

Did Li Tian really join the Duanmu family?

And also became the fifth elder of the Duanmu family?

"Where is Changchun Palace?" Situ Ningbing asked that guy with a knife.

The forced Duanmu family member raised his arm and pointed at a building not far in front and said, "Just... there."

"The Changchun Palace is there."

Hearing this, Situ Ningbing suddenly raised his hand and hit the back of the guy's head fiercely. With a bang, the guy was directly knocked out.

Then Situ Ningbing dragged the stunned guy to an inconspicuous corner, and then ran quickly in the direction of the Changchun Palace he said.

She was extremely light, and quickly arrived at the Changchun Palace.

After arriving at Changchun Palace, there have been more and more members of the Duanmu family.

Had she not been a professional killer, she would have been discovered by a member of the Duanmu family.

Looking at the many people guarding the Changchun Palace, Situ Ningbing frowned slightly. It seemed that it was completely impossible for him to enter through the front door.

So she could only walk sideways to the back.

Fortunately, there is a high rockery behind that, and there is an open window just behind the Changchun Palace.

After taking a glance, Situ Ningbing swiftly climbed towards the rockery.

Her movements are so fast, so fast.

After one ups and downs climbed up the rockery, he slid his body, grabbed the window with both hands, then used his arms, his body jumped slightly upwards, and his flexible body jumped directly into the Changchun Palace.

After entering, Situ Ningbing lowered his body and looked at the interior of the Changchun Palace.

But seeing the huge Changchun Palace, it looks extremely empty.

The Changchun Palace is guarded by so many people outside, but there is no one inside.

Situ Ningbing's eyes swept around, and he secretly guessed: Is Li Tian really here?

But where is such a big Changchun Palace to find him?

After thinking about it, Situ Ningbing bent his body and walked slowly towards the side. After passing a long narrow corridor, the front of him should be the bedroom area.

Situ Ningbing took a look and walked slowly toward the largest room in the middle like a gecko against the wall.

When she reached the door of the largest room in the middle, Situ Ningbing was taken aback, because she found that the door was actually hidden and did not close.

Moreover, Situ Ningbing could still hear that there should be someone in this room from his keen sense of hearing.

At this moment, she couldn't help tipping to move towards the door, and then looked inside with a slight gap in the door.

This look surprised her.

Situ Ningbing saw a woman through the gap in the door.

There was a beautiful woman with a beautiful face.

Situ Ningbing can feel from her dress and dress that this woman is definitely not an ordinary woman, and there is a thin red rope tied to her slender right wrist, looking cute.

A \*\*\*\* red lips were on that incomparable face... I saw that she was staying in that room in a daze with her beautiful chin in her hands.

Beautiful as poppies.

When Situ Ningbing saw her, he couldn't help but stunned, and said to himself, "Who is she?"

Situ Ningbing in front of her would never think that she met Duanmu Ying, the daughter of the Duanmu family.

Originally from Li Tian left the Duanmu family, Duanmuying, except for Li Tian who left without saying goodbye, was more of a miss.

So this girl came to Li Tian's Changchun Palace again and again.

Sometimes she can stay alone in Li Tian's Changchun Palace for two or three hours, and sometimes she can even stay for a full day...

She was just like that, holding her delicate face with two slender hands, waiting foolishly...

And Situ Ningbing outside was also watching her curiously.

I didn't know how long it was after staying, Duanmuying in the room suddenly stood up.

Facing a soft bed next to him, he kicked his feet fiercely.

"Little bastard... he didn't even say hello to me when he left... Don't you know that this lady misses you very much?"

"Asshole, little asshole!"

Duanmuying cursed while pursing her red and \*\*\*\* cherry lips, while holding a pair of slender ankles fiercely tickling the bed where Li Tian once slept.

It seems that the bed is Li Tian.

Chapter 442: Game of two women

"Please remember to this lady, when you come back, I must clean up you well, if I don't clean up you, I am not Duanmuying, huh!"

After Duanmuying pouted her mouth, she was about to leave the room.

She stepped towards the door.

But when she suddenly walked towards the door, suddenly a figure at the door quickly attacked her, and then Duanmu Ying saw a slender arm suddenly grabbing at her throat.

Duanmuying was taken aback. Facing the sudden violent blow, Duanmuying reacted fairly quickly. Her right hand was quickly raised, and at the same time she flew a kick to block quickly.

She is completely defenseless...

Although Duanmuying exerted all her strength to guard, she still took a slack. After all, the opponent's attack was too fast. She was strangled by the opponent's outstretched arm, and the vein of the other hand. It was also snapped by the other party.

"Don't move... if you move again, I will let you disappear." Only listen to the cold voice of the person who threatened her.

Who is she? Of course she is not someone else, it is Situ Ningbing.

Duanmuying, who had been attacked suddenly, was extremely angry. When this voice realized that the other party was still a woman, Duanmuying was even more annoyed.

"Smelly woman, let me go... if you don't let go of this lady, this lady must make you die."  
Duanmuying roared.

This was originally the site of their Duanmu family, but now someone dares to threaten him? Isn't it just looking for death or something?

In Duanmuying's sharp roar, the other party was much stronger than she had imagined.

"Little girl, your mouth is quite hard, if you dare to speak again, I will cut your face with a knife!"

Situ Ning, who was strangling Duanmu Ying behind her back, said coldly.

When I heard that Situ Ningbing was about to cut her own face, this time she got to the point of Mu Ying.

"Do you dare? If you dare to move this young lady, I must ask you to die."

Situ Ning sneered behind him and said, "Do you dare to..." After speaking, it was as if he was really going to do something.

Duanmu Ying saw that the woman behind her was a lunatic, she became scared, and said quickly: "Wait... OK, OK, OK... I won't say it... You just don't need to cut my face." Duanmuying said scaredly.

She was afraid of becoming ugly.

Situ Ning sneered behind him and said: "I want to ask you something now, don't you lie to me, if you lie to me, I will scratch your exquisite face, and after the draw is a man I was scared and disgusting when I saw you." Situ Ningbing, who had threatened Duanmuying, said threateningly there.

Duanmuying had a thousand hatred and anger in her heart, but she couldn't send it out at this moment.

She doesn't know who the woman behind is? Moreover, she was so "vicious" and she didn't know her identity...how did she lurking in, at this moment, she could only endure the fire in her heart and said, "Okay, you ask,"

When Duanmuying said so, Situ Ningbing asked, "Who are you?"

"My name is Duanmuying."

"Why are you here?"

"Aren't you talking nonsense, this is originally my family, of course I am here."

"I'm asking you, why are you in Changchun Palace?" Situ Ning said coldly.

When Duanmuying heard this, the \*\*\*\* woman behind actually knew that this was the Changchun Palace? It seems that she came prepared.

After thinking about it, Duanmu Yingdao said: "I like to stay there, just stay there, don't you care?"

Situ Ningbing thought for a while, the question he asked was indeed stupid.

So I changed my mind and asked, "I'll ask you again, is there a person named Li Tian here?"

"Li Tian?"

When Duanmuying suddenly heard that the woman behind this was asking Li Tian, she couldn't help but froze for a while, and she couldn't help secretly saying: What is she doing to that little bastard? Who is this woman?

Although she had all kinds of questions in her heart, when Duanmuying heard the words Li Tian, she still burst into flames for no reason.

"Why are you asking that little bastard?"

Situ Ningbing at the back frowned slightly.

What is the relationship between this girl and Li Tian? Why did she seem to have a deep hatred for Li Tian when she said it?

"I just want to ask him!"

"Who are you? What is the relationship between you and that little bastard?" Duan Muying, who was originally passive, felt something was wrong at the moment.

At this moment, the girl stubbornly asked regardless of safety.

It is said that women are selfish, especially when they fall in love with a man.

Of course his own man does not want to be asked by another woman! That's why Duanmu Ying was angry at this moment.

Situ Ningbing, who originally asked Duanmuying, didn't expect that this girl would suddenly turn to ask herself, and immediately said: "I have nothing to do with him, don't I need to tell you?"

"you....."

"Then you want to ask that little bastard, I won't tell you!" Duanmuying said with a grit.

Situ Ningbing said: "Do you dare? You dare not tell me, I dare to scratch your face..."

When Duanmuying heard that the other party was clearly threatening herself... she was so angry that she could not wait to eat Situ Ningbing behind her: "Despicable, shameless!"

But when I heard Situ Ningbing laughed and said, "Whatever you want to scold...When I cut your beautiful face, do I think you still have the strength to scold me?"

"Count you cruel!" Duanmuying was finally forced to do nothing, but she still didn't forget to fight back, and said in her mouth: "I guess you must be an ugly woman... and a particularly ugly woman... must be That little \*\*\*\* didn't know you who hooked up there. It made you so hard that even our Duanmu family dared to find him! I am really not afraid of death." Duanmuying said fiercely that she was trapped at the moment. It can stimulate Situ Ningbing behind him with words.

"Smelly girl, do you dare to say a word and try?" Situ Ningbing said angrily from behind.

Duanmuying smiled and said, "Do you dare? If you dare to cut my face, I will shout, and then you will not want to go out alive."

"Okay, I have you!"

The two women are entangled in this way.

"I don't care about you, I just want to ask you, where is Li Tian? If you tell me, I will let you go." Situ Ningbing said in front of me.

She had no intention of hurting Duanmuying in front of her, she just wanted to find Li Tian.

That Duan Muying heard Situ Ningbing say this behind him, and said: "How do I know that little \*\*\*\* is there...that little \*\*\*\* didn't tell me when he left!"

Duanmuying's voice seemed to feel aggrieved.

Situ Ningbing at the back was stunned for a moment.

"Li Tian is gone?"

"Is he not in the Duanmu family..."

Chapter 443: The trail was found

At the moment when Situ Ningbing was stunned for her beloved, suddenly the shrewd Duanmuying raised her right hand, and then slammed her left elbow backward...

At this moment, Situ Ningbing, who had been stunned, suddenly woke up and quickly stepped back to avoid the attack of Mu Ying.

But Duanmuying escaped Situ Ningbing's "devil's grip" smoothly.

After Duanmuying broke free of Situ Ningbing's "threat", her eyes were full of anger staring at Situ Ningbing in front of her. After seeing the true face of Situ Ningbing, she really let Duanmu in front of her. Sakura was surprised, so beautiful!

"Oh... it turns out that she is still a pretty woman..." Duanmuying looked at Situ Ningbing's body and said.

Although he said that, there was 10,000 jealousy in his heart. I thought that the woman who grabbed her was an ugly woman, but she didn't expect that Situ Ningbing who was opposite was so glamorous, so glamorous to the point of indescribability.

In addition to that exquisite and flawless face, her figure is even more perfect, with a tall and plump body, which is even more beautiful than herself.

What should a woman do when she sees another woman prettier than herself? All fools know that they will be jealous and resentful!

So Duanmu Ying in front of her was so angry.

"But, you dare to provoke this lady to me? You dare to threaten to cut my face, huh, see how I can deal with you."

As she was talking, Duanmuying suddenly attacked Situ Ningbing with both hands like poisonous snakes.

Situ Ningbing, who was standing opposite her, sneered.

"Since you want to die? I will fulfill you." He said, greeted him with both hands.

While Duankiyong shot viciously, she yelled at her mouth: "You ugly... it's not certain who will die."  
"you try."

The two beauties who were talking started moving their hands like that.

Once a woman tears her face, it is more terrifying than a man, and even more terrifying.

Duanmuying's standard moves were vicious and pungent by the Duanmu family, and the sharp blade in the palm of her hand was pushing towards Situ Ningbing every move.

Where is Situ Ningbing? He was originally a professional killer, and his new moves are all fierce and naturally needless to say.

And Situ Ningbing did not use his unique weapon: the deadly silk.

Originally, Situ Ningbing didn't have any hatred with this Duan Muying, of course she wouldn't be cruel.

I saw that her hands were about to attack the Duanmu Ying.

Duanmuying was attacked by Situ Ningbing's series of violent attacks, and she was at a loss with her hands, she could only retreat again and again, but at the same time she couldn't help being horrified: This woman is quite powerful!

When the two beautiful women here suddenly fought, the members of the Duanmu family outside the Changchun Palace rushed in when they heard the fighting sound inside.

When she ran in, Miss Duanmuying was trying her best with a strange woman, she was taken aback, and then rushed over.

"Miss!" the members of the Duanmu family shouted.

Duanmuying confronted Situ Ningbing in front of her, and cursed at her subordinates: "It's all a bunch of dead people? Why are you watching? Come and help."

Those people seemed to have only reacted at this time, and hurriedly rushed towards Situ Ningbing in front of them.

One of them shouted: "Someone broke into the Duanmu family..."

Na Situ Ningbing looked at her, she was found, roared, kicked and kicked, and forced her back to Duanmu Ying. With her right hand, she fell over the shoulder beautifully, fell down a member of the Duanmu family, and slid. Jump towards the front window.

"She's going to run, catch her."

Duanmuying said fiercely behind, and then ran out with her.

The members of the Duanmu family hurriedly ran outside.

But seeing Situ Ningbing jumping out of the window, she quickly jumped off the rockery, but she found that her actions had been completely exposed.

The Duanmu family members who rushed over there ran towards her one by one.

Her eyes suddenly became vicious.

The deadly silk in the same hand came out.

Since there is no way to go, she has no choice but to kill.

The Duanmu family members who ran towards her rushed over one by one.

But seeing the life-threatening silk in Situ Ningbing's hand suddenly came out, lethally attacked the Duanmu family member who ran over first.

Ah, a scream!

One member of the Duanmu family fell to the ground.

The other two members of the Duanmu family attacked Situ Ningbing viciously from the left and right attack.

Situ Ningbing flashed in a staggered step. He lifted his leg and kicked one of the men extremely fast, and then grabbed the other hand on the man's arm and pulled it hard, only to hear a click, and the man's entire wrist was tampered with. Dislocation.

Painfully fell to the ground.

Seeing that there has been a fight here, members of the Duanmu family over there are still swarming.

Situ Ningbing saw that if she had to work hard, she would die here today, but she had no choice but to escape quickly.

Turned around and ran quickly to the other lane.

But the moment she ran, a gloomy low voice suddenly rang from behind.

"Want to run?"

Then a strong wind hit the Situ Ningbing.

When Situ Ningbing heard it, she knew that she had met a master, and she hurriedly stepped back. After four or five big steps, she slowly grasped her figure.

He looked up, but saw the man in front of him dressed in black, and a pair of eagle eyes were looking at him evilly.

At the same time, there was a gloomy light on that face...

"It's you?" Situ Ningbing recognized him at a glance.

Because when Situ Ningbing was arrested that time, that person was him.

The leader of Anbu, Black Hawk.

The Black Hawk also looked at Situ Ningbing, and suddenly a grinning smile appeared at the corner of his mouth: "Unexpectedly it was you!"

"Last time I let you go for that kid surnamed Li... Now I can't even think of you being caught in the net again."

Listening to Black Hawk's words, Situ Ningbing was stunned.

"What did you say? You said Li Tian was for me?"

The Black Hawk sneered: "It seems that you don't know anything! However, you better worry about your own life now..."

The black eagle who was talking suddenly struck towards that Situ Ningbing quickly.

The Black Hawk is the leader of the Anbu, so it goes without saying that Kung Fu is naturally murderous.

Situ Ningbing did not dare to be careless, and the life-threatening silk in his hand quickly attacked.

Seeing the deadly silk approaching, the black eagle sneered, the black robe on his body suddenly covered, and then he dipped the deadly silk with a leap.

Two fingers like eagle claws fatefully grabbed Situ Ningbing.

Situ Ningbing was horrified and backed quickly.

Chapter 444: Tortured her

Suddenly, the black eagle grabbed one of his claws and grabbed Situ Ningbing's shoulder, while the other hand attacked Situ Ningbing's throat like a poisonous snake.

The life-threatening silk in Situ Ningbing's right hand suddenly waved to block, and at the same time kicked both feet fiercely and quickly.

The Black Hawk was forced to retreat with two moves, and he couldn't help being a little angry at the moment.

"Unexpectedly, you still have a couple of moments." Black Hawk said coldly, standing there in a hoarse low voice.

Situ Ningbing stood there, she knew in her heart that she had nowhere to escape, and the only thing she could do now was to fight.

There are already more and more members of the Duanmu family... She glanced coldly.

"Surrender obediently...otherwise, I will be rude to you." Hearing Black Hawk sneered.

Situ Ningbing did not reply, but the deadly silk in his hand quickly shot.

With a swish, the thin, vicious weapon that couldn't be seen with the naked eye fatally attacked the black eagle.

Although Black Hawk has a high level of martial arts, he did not dare to be careless, and hurriedly changed his footsteps and avoided it.

At the same time, he couldn't help but roar: "I think you are looking for death."

Following the black eagle's roar, he saw his figure suddenly turned into a violent wind and quickly slammed toward Situ Ningbing in front of him.

Facing the ferocious blow of the black eagle, Situ Ningbing hurriedly backed away, and at the same time the life-threatening silk in her hand quickly blocked, but she did not expect that the black eagle's skill was so high, which was completely unexpected. outer.

Isn't this? The black eagle's figure suddenly jumped out from the front, and his left hand viciously attacked Situ Ningbing's face with a vicious move.

At the same time, the other hand weirdly grabbed the vein gate on Situ Ningbing's wrist.

Situ Ningbing, who was grabbed by the black eagle's right hand vein gate, suddenly felt that his right arm suddenly lost his intuition...Under the shock, she wanted to counterattack, but it was obviously too late.

But seeing a vicious smile at the corner of the black eagle's beak, a palm lifted up with a thud, and it hit the shoulder of Situ Ningbing hard.

There was a bang, but Situ Ningbing's delicate body was suddenly shocked to fly far, and then he fell to the ground.

Situ Ningbing, who was hit hard by the Black Hawk on his shoulder, slowly spilled blood, red blood.

He stood up hard with one hand covering his shoulder.

Hei Ying looked at the seriously injured Situ Ningbing with a grin at the corner of his mouth, and said viciously with a vicious light in his eyes: "Want to run? Huh!"

"Just because you want to break into our Duanmu family...I think you are impatient to live."

"Come here, kill her!"

Just listen to the black hawk roaring.

As soon as he exited this way, the members of the Duanmu clan around him were ready to kill the seriously injured Situ Ningbing.

At this critical moment, a beautiful voice suddenly came over.

"Hold on! Don't kill her." With the charming voice, she saw Duanmuying, the daughter of the Duanmu family, walking towards this side.

When the members of the Duanmu family saw that the eldest lady was coming, they couldn't help stopping there, turning their heads and calling Duanmu Yingdao, "Miss!"

After they called out the word "Miss", the seriously injured Situ Ningbing was slightly startled.

Raising her eyes and looking at Duanmuying in front of her, she couldn't help but secretly thought, "Is this girl still the daughter of the Duanmu family?"

After knowing the identity of Duan Muying, Situ Ningbing was really surprised.

After Duanmuying walked over, the black eagle said with an ugly face: "Miss, this person dared to trespass into our family, so he should be put to death now."

Hearing what the Black Hawk said, the Duan Muying turned white and the Black Hawk glanced.

"What should you do to teach me?"

Hei Ying was choked by Duanmu Ying, and his face suddenly became more ugly.

But seeing that Duan Muying slowly turned her head to look at the seriously injured Situ Ningbing, her mouth suddenly laughed.

"Look, I said you can't run..." Duanmuying said and laughed.

Situ Ningbing covered his severely injured shoulder with his hand, and said with a cold face, "I have been arrested by you. If you want to kill, I will kill you as you please. Don't say those cold words in front of me... "

"Oh, aren't you afraid of death?" Duanmuying said with a smile in front of her.

"A beauty like you, I can't bear to kill you." Duanmuying said suddenly.

I saw her turning around the delicate body of Situ Ningbing, and a little evil appeared at the corner of her mouth and said: "When you just grabbed me, didn't you say you want to cut my face? Hehe... now It's my turn, this lady is going to return all of it this time...slash your exquisite face one by one, and make you truly an ugly...the ugly no one wants."

Duanmuying said evilly.

Situ Ning's face flushed with Bingqi, "You..."

Duanmuying sneered and said, "What's wrong with me? Didn't you just treat me like this?"

"Come here, take her to me." Duanmuying gave orders.

Hearing Duanmuying saying that she would take Situ Ningbing away, the Black Hawk frowned slightly: "Miss, this person is trespassing into our family...Don't you kill it now?"

"Kill! To die of thirst, I want to torture her first...hehe." Duanmuying said with a weird smile.

But the Duanmu family members next to him remained motionless, glanced at the Black Eagle over there, and then looked at the eldest lady.

These members of the Duanmu family, although they know that Duanmuying is the eldest daughter, they are more afraid of the black eagle in the dark part... so they can't help but look up at the black eagle in the dark part. .

"I'm deaf... Bring her to me." Duanmu Ying said angrily in front of her.

The black eagle next to him thought for a while, this eldest lady probably really hates this woman, and it doesn't seem to matter to her to dispose of it, so she said to the surrounding Duanmu family members: "Don't listen quickly What about the eldest? What are you doing all in a daze!"

Following the words of Black Eagle, the members of the Duanmu family walked towards Situ Ningbing one by one.

Situ Ningbing knew that even if she resisted, she would be the end of the battle, and she could only be taken away with regret by a member of the Duanmu family.

Looking at Situ Ningbing being taken away by herself, Mu Ying couldn't help feeling happy, and she glanced at the Black Eagle next to her: "Don't worry, this person I will definitely take care of her."

After speaking, Duanmuying turned and walked forward.

On the contrary, the Black Eagle carried a pair of icy eyes, silently turned and walked quickly towards the place of the Duanmu family clan leader.

Chapter 445: tell me!

After Mu Ying brought Situ Ningbing back, she asked Situ Ningbing to tie her hands tightly, and then she brought Situ Ningbing to her boudoir.

Originally, those members of the Duanmu family wanted to go in and look at Situ Ningbing, but they were scolded by Duanmu Ying outside the door.

"Stop for this lady, don't you still want to enter my room, you really don't know how to live or die."

Listening to the scolding of the eldest lady, those subordinates did not dare to enter one by one.

After Duanmu Ying brought Na Situ Ningbing into her boudoir, she saw that there were many gorgeous poppies growing in the room, and the beautiful flowers blooming like black poppies were as beautiful as Duanmu Ying.

There is also a little girl who is cleaning the room. At this moment, seeing the young lady suddenly come in with a strange beauty, I can't help but feel surprised, especially when I see that the strange beauty is still holding her hands behind her back. .

Blinking and staring at that cold Situ Ningbing...

"Miss...she, who is she?"

Duanmuying looked at Situ Ning with a sneer, "Prisoner."

"Prisoner?" Xiaohuan was startled slightly.

Just listen to Duanmu Yingdao say: "She is my prisoner..."

Xiaohuan didn't understand, but didn't ask too much. She opened a pair of eyes and looked at Situ Ningbing, whose hands were tightly tied, and then walked out slowly.

After the little ring went out, but seeing Duanmuying's evil little face turned around, she looked at Situ Ningbing in front of her.

"Hey, it's in my hands now..."

As she said, she didn't know where to take out a small and sharp blade between her \*\*\*\*\* and thumb.

Situ Ningbing looked at Duanmuying in front of him with a cold snort, "What do you want?"

"What do I want, what do you think?"

While talking, Duanmuying suddenly stood up, and the sharp blade in her hand suddenly and slowly slashed towards the beautiful face of Situ Ningbing...

Situ Ningbing was really taken aback.

But when the blade in Duan Kiyang's hand reached her pink cheek, she stopped again, her slender fingers kept playing with the blade in her hand, and her mouth sighed and said, "Hey. , It would be a shame if such a beautiful face was slashed..."

Situ Ningbing watched that Duan Muying frightened herself, her angry body was trembling, but her hands were tightly tied, but she had no choice but to stare at her with a pair of eyeballs. Duanmu Ying.

"You said, should I destroy your beautiful face?" Duanmuying said with a smile, and at the same time stretched out a white hand to touch the tender face of Situ Ningbing with affection, as if Can't bear it.

Situ Ningbing's disgusted body turned backward and said angrily, "You are abnormal!"

"You are abnormal." Duanmuying cursed back.

"Now I want to ask you, and you can answer me honestly, who are you? Why are you lurking in our Duanmu family? And why are you looking for that little bastard... What is the relationship between you and her? Is it that little bastard? Where did you seduce you again?"

"I advise you to tell me honestly. If you don't tell me the truth, this lady will definitely make you regret it." Duanmuying asked in her voice suddenly becoming cold.

Situ Ning sneered: "You asked me so many questions at once, how should I answer you?"

"Well, that lady will ask you questions one by one."

"Say, who are you?" Duan Muying asked coldly, while the sharp blade in her hand was threatening Situ Ningbing in front of her.

"Situ Ningbing." Just listen to her telling the truth.

"Situ Ningbing? Well, a good name..." Duanmuying said lightly in front of her.

"Then why are you lurking in our Duanmu family?" Duanmuying in front of her continued to ask.

"I'm looking for Li Tian." Situ Ningbing said.

Duanmuying asked with an unhappy expression: "Why are you looking for that little bastard? And how do you know him?"

"Why should I tell you?" Situ Ning said coldly.

"Dare you tell me? Do you want to tell me, believe it or not, I will slash your face right now." Duanmuying said fiercely, while the sharp blade in her hand was really pointing towards that Situ. Ning Bingqiao scratched her face.

Is that woman not afraid of her appearance being destroyed?

Especially a beautiful woman like Situ Ningbing, so she was also afraid.

"Do you really want to know?" Situ Ningbing said.

"Of course."

"Hurry up..." Situ Ningbing forced Situ Ning to hang on the wall with a sharp blade in his hand.

Situ Ningbing was so frightened that he couldn't help but back away.

That Duanki Ying laughed.

"Why, I'm afraid? If you're afraid, just say it quickly...what is the relationship between you and that little bastard?" Duanmuying asked with a jealous look.

Situ Ningbing in front of him could only endure the anger in his heart, and slowly said, "He saved me, so I want to come back to find him."

Duanmu Ying was stunned when she heard it.

"Save you? What do you mean..." Duanmuying asked in confusion.

Just listen to Situ Ningbing's words: "It's all because of your evil family... If it wasn't for your family who poisoned me by the Sanshengmen... he wouldn't do this to me." Situ Ningbing said on her face. Said with endless anger.

Duanmuying was even more puzzled after hearing this.

"What you say is getting more and more weird...Are you the same woman who was caught back last time?" Duanmuying in front of her suddenly woke up.

"What about me!" Situ Ningbing said fiercely.

At this time, Duanmuying completely understood that the woman who changed Li Tian's life last time turned out to be her in front of her?

Duanmuying carefully looked at the Duanmuying in front of her, and slowly recalled the whole thing in her mind.

"No wonder, no wonder, it turns out that you made that little \*\*\*\*\* change his life... I said why that little \*\*\*\*\* treats you so well, and doesn't even want his life, it turned out to be for you, a big beauty...huh!"

Duanmu Ying was even more jealous when she said that.

But what about Situ Ningbing? After hearing what Duan Kiyong said just now, she was dumbfounded.

"What are you talking about? What do you mean when Li Tian's life is changed?" Situ Ningbing's voice suddenly became a little trembling...

Duan Muying glanced at Situ Ningbing in front of her and said, "What? You don't know?"

"I don't know anything... Tell me quickly... Tell me quickly." Situ Ningbing suddenly roared there like crazy.

Situ Ningbing was shocked, and she couldn't help but secretly lined up: Is this woman crazy?

Chapter 446: Disappointed

Blinking her beautiful eyes and glanced at Situ Ningbing in front of her, Duan Muying thought for a while and said, "Okay, okay, for the sake of your being caught by this lady, I will tell you."

"Do you know why that little \*\*\*\*\* stays in our Duanmu family?" Duanmuying asked.

Situ Ningbing shook his head in confusion.

"Tell you, everything is for you... this little bastard." Duanmuying said there, while cursing Li Tian in her heart.

"For me?" Situ Ningbing was dumbfounded as if struck by lightning...At the same time, her delicate body was obviously trembling slightly.

"Of course it's for you... If it weren't for you, he could take my family's poison to change your life? Huh..." Duanmuying said.

When these words suddenly uttered, Situ Ningbing shook his body, as if fainted...

Duanmuying was taken aback, and quickly reached out to support Situ Ningbing's delicate body.

"Hey, what are you doing? Are you pretending to be dead?" Duanmuying said depressed.

But seeing Situ Ningbing's body trembling...now she finally understands, everything is understood!

No wonder Li Tian refuses himself... No wonder he wants to keep this evil and dark Duanmu family... It turns out that everything is for himself, and he also ate the poison of Duanmu family for himself... Is it true that he really exchanged his life for himself? life! ! !

He must know that if he tells himself the truth, he will stay there to accompany him, so he cruelly rejected himself, lied to himself, let himself go... and all these resentments and pains were alone with him.

"I'm so stupid! How can I not even figure this out..." Situ Ningbing muttered to herself suddenly as if she was demented.

"He was so good to me, and gave his life over and over again...how could he not like himself? It was me, I misunderstood him...misunderstood him..." Situ Ningbing said silently in his heart.

Suddenly, two lines of clear tears slowly flowed down from her eyes.

Tears stayed on her cheeks and dripped on the cold ground.

Duanmuying on the other side was full of jealousy and jealous watching, her little red mouth pouted: I am so angry...I am so angry...

"Why does that little \*\*\*\* treat her so well?"

"If he was half as good to her and himself, how good would it be?"

Duanmuying said fiercely in her heart...

"What are you sad...I am sad!"

"Why the \*\*\*\* little \*\*\*\* treats you so well...why can't he treat me better." Duanmu Ying's eyes were a little red at the moment while talking.

Hate, all of the hate hit Duanmu Ying at once.

She can't wait to kill Li Tian with a single blow.

"Patriarch, that woman actually came back... It's really nowhere to find any way through the iron shoes. It takes no time to come." The black hawk's hoarse and low voice echoed in the room.

"Oh? Why did she come back again? Is it to find Li Tian?" Duanmu Heiming stood there with a smile on his face.

The Black Hawk said, "It should be."

"Patriarch, this woman is undoubtedly the weakness of the kid surnamed Li... Last time the kid actually changed his life for this woman... If this woman gets into our hands again, in that case, even that kid if you have any thoughts in the future, it may be difficult to escape from our palms." Just listen to the insidious words of the Black Hawk there.

An evil smile appeared at the corner of Duanmu Heiming's mouth.

"You are right."

"This woman must be kept..."

"If he can successfully complete the mission of my trip to the north of Liaoning this time, then I might let them go to \*\*\*\* to be a pair of fateful mandarin ducks... If he can't do it, I will let them both die."

Duanmu Heiming, with sinister and vicious words in his mouth, was truly extremely dark.

The black eagle said, "The clan master, do you want to order me to go to the eldest lady and imprison that woman?"

"Go!" Just listen to Duanmu Hei Mingdao.

"It's best not to let Ying'er take care of this matter...I'm afraid she will cause trouble."

"Yes!"

After Black Eagle took the order of the Duanmu family clan leader, he quickly walked towards Duanmuying.

In Duanmuying's boudoir, at this moment, I saw Miss Jinjin sitting face to face with Situ Ningbing.

It's just that Situ Ningbing's hands are still tied with rope.

The atmosphere is a little weird... the two women sat there speechless.

In addition to the regret and pain on that face of Situ Ningbing... Since she knew the truth, she kept scolding herself in her heart all the time... Is he so good to herself? But what about yourself? Actually misunderstood him...

All the pain left him alone, why is she so selfish... She bit her cherry lips tightly, the bleeding of her lips bitten by her teeth... As if she was using this kind of pain The way to torture yourself in general.

It was that Duan Muying did blink a pair of beautiful eyes, and stared at Situ Ningbing in front of her with her delicate chin in both hands.

After looking at it for a long time, she suddenly murmured: "Hey...you are really beautiful! No wonder that little \*\*\*\* tried so hard to save you..."

Situ Ningbing was slightly taken aback when listening to Duanmuying's words in front of him, and raised his eyes to look at Duanmuying.

"I want to ask you something..." Situ Ningbing said suddenly.

"What's the matter?" Duanmuying asked.

"You tell me he is there now? If you tell me... even if you kill me, I won't hate you." Situ Ningbing said word by word.

Duanmuying thought for a while: "Well, let me tell you, that little \*\*\*\* is said to have gone to Liaobei..."

"But I don't know what he was going there, because he didn't tell me when he left, huh!"

Thinking of that Li Tian didn't even say hello when he left, Duanmuying was full of anger.

Situ Ningbing stayed there after hearing what Duanmuying said.

"It turns out I was late... I didn't think he had already left." She murmured.

Duanmuying glanced at Situ Ningbing before her eyes: "Hey, I ask you, do you really like that little bastard?" Duanmuying said suddenly.

Situ Ningbing had no words to face Duanmuying's question, but everyone could tell from her words and deeds that she loved Li Tian so much.

"It seems that if you don't say it, you are admitting it." Duanmuying's voice did not know why there was a slight disappointment.

Then she put Meimu outside in a daze...

The poppy petals in the room exuded a strange fragrance, and two extremely beautiful women with completely different personalities sat together in a daze, thinking about different things.

"Miss...Miss..." Suddenly I heard the little girl outside running in with breathlessness.

Duanmu Ying was startled slightly.

"What are you shouting?"

The girl Xiaohuan quickly said: "The Black Hawk from Anbu has brought someone here, and said he wants to take and take this girl away." Xiaohuan said, staring at Situ Ningbing in front of him.

Chapter 447: Uniform beauty

Duanmuying became angry all of a sudden, and said angrily: "That's a big guts, hasn't this lady told them? I'll interrogate this person, they dare to come and ask for someone!"

Duanmuying said angrily as she rushed out.

But at this time, Black Hawk had already taken his men into Duanmuying's boudoir first.

"Miss...We are here just to take her away." The Black Hawk said hoarsely, pointing at Situ Ningbing in front of him. ,

"Asshole... Don't you all fall in love with what this lady said?" Duanmuying said angrily.

The Black Hawk said coldly, "Miss, this is the order of the clan leader... so we have to do this."

"What? Move out of my father to press me? Black Hawk, you have yours..." Duanmuying said angrily.

The Black Hawk knew the eldest lady's stubborn temper, and was too lazy to quarrel with her, and went up and said: "Miss, the clan leader's order, we can't help but listen, so we must take this person away."

After speaking, the Black Hawk waved his hand slightly to the men behind: "Take me away."

After talking about the members of Anbu that followed, they really walked towards Situ Ningbing.

Duanmuying looked resentful, but there was no way, who made this an order from her father...

"Are you going to take her there?" Duanmu Ying asked, pacing her ankles there.

The Black Eagle didn't even look back, and didn't even pay attention to Duanmuying in front of him, so he took Situ Ningbing away...

After watching Situ Ningbing being taken away, Duanmuying looked fiercely at the black eagle's back and said angrily: "Damn \*\*\*\* Black Hawk! Do you dare to make this lady ugly...Look at how this lady will clean up you then, huh ..."

The Boeing 735 aircraft bound for Liaobei Province is now circling low over Liaobei Province.

In the cabin, a warning sound was played saying that the plane is about to land, please all passengers wear seat belts...

I saw Li Tian and Tang Xiaolong sitting in the middle position, as well as the indifferent A Qiu wearing sunglasses, and behind them were the black and white double evil spirits.

"This is Liaobei Province?" Li Tian asked, blinking his eyes, looking out the window of the plane and looking at the skyscraper below.

Tang Xiaolong smiled: "Yes."

"Liaobei Province is much larger than Jinghai City...and much more fun."

Li Tian looked out the window of the plane, thinking about what was in his mind. He was about to set foot on Liaobei Province. What will happen to the result of this trip to Liaobei? Can the chronic Sanshengmen poison in one's body be solved? All in this action!

If this trip to the north of Liaoning succeeds, then he has the ability to negotiate with Duanmu Heiming, and once his poison is released, he will go to Situ Ningbing.

Thinking of Situ Ningbing, Li Tian fell into a daze...how on earth was she? Are you still hating yourself in your heart? Thinking of this, Li Tian couldn't help but a bitter smile appeared at the corner of his mouth.

After less than five minutes, the plane began to dive down...slowly, slowly, it stopped on the runway of the airport.

Arrived!

Finally arrived in Liaobei Province.

Li Tian took the brothers and followed the passengers out of the cabin. The blue sky and white clouds outside the cabin was in an unusually good weather.

Li Tian stood there and took a deep breath.

As if saying in my heart: Liaobei Province, I am here.

Originally, private cars were not allowed to drive in directly at the airport, especially international airports like Liaobei Province, but at this moment, only a few arrogant and all-in-one audi7s were approaching here.

Those passengers who got off the plane couldn't help but look depressed at the four awesome audi7s, wondering in their hearts: Is there still a national leader on this plane?

It's so awesome, even private cars drove in...

Li Tian and Tang Xiaolong here also frowned slightly, looking at the four black audi7s and couldn't help wondering.

But seeing the black and white Shuangsha in the back, a smirk suddenly appeared on his face: "Our people are here."

Bai Wusha spit out a word from his mouth.

When he said these words, Li Tian was taken aback. Are these people from the Duanmu family?

The four black audi7s really drove towards Li Tian and the others in a row, and when they were about to reach them, they stopped with a hiss.

Bai Wusha glanced at Li Tian with doubts, looked at him with contempt in his eyes and said, "Fifth Elder, our people are here."

He said that he walked towards the four black audi7, and the black impermanence behind also walked forward coldly.

On the contrary, Tang Xiaolong cursed in a low voice, "Fuck me, what's that awesome?"

"Isn't it just four Audis? As for being so awesome... Grandma's."

Li Tian was thinking about his thoughts in his heart.

It seems that these people should be members of the Duanmu family. Even if they are not members of the Duanmu family, they must have a great relationship with the Duanmu family...

Li Tian still does not know that the Duanmu family is in "outside industry..."

Imagine that such a huge and dark family can always stand among the four major families. What does it depend on? Of course, they will not rely on their insiders in the Wolf Valley.

On the contrary, they have a lot of power in the country... Many are far beyond Li Tian's imagination.

It's just that these companies, businesses, and appearances are all legal and legitimate businesses, but if you can go to the business administration to open the legal person registration names of those companies, you will surely see that their final legal person names are "members of the Duanmu family". "...

Of course, in Northern Liaoning Province, there are too many Duanmu family companies...

And the people who came to pick them up were the business personnel of the Duanmu family.

But seeing that as the door of the first car opened, two sturdy men in black suits came out first.

Looks like a bodyguard.

Then came out of the car a peerless beauty, a woman, a woman in professional \*\*\*\*\* costumes.

Black stockings, high heels, slender waist, slender jade legs, coupled with that ultra-short small suit, is simply a typical ol.

A jet-black hair draped over her tender shoulders, and her charming face that was so exquisite as a fox wore a pair of glasses with black rims...

She was originally a coquettish woman, but when she put on those black rim glasses, she added a bit of intellectual beauty.

Stepping on high heels, walking towards the black and white Shuangsha with a smile on his face.

"nice!"

"It's so beautiful!" Tang Xiaolong, the animal next to him, stared at that beautiful girl ol's black stockings and long legs, as well as the deep and charming gully on her chest. His sweat came out and said.

Chapter 448: Shinhwa Group

When this ol uniform beauty walked towards the black and white double evil spirits, I saw them talking a few words.

Then Meisou turned towards Li Tian, and at the same time walked over.

"Hello... you are Mr. Li, right?" As the sweet voice of the ol beauty came towards Li Tian, the black and white Shuangsha behind followed.

Li Tian frowned slightly.

"Are you?" Li Tian couldn't help asking.

I saw that ol beauty smiled softly, stretched out a delicate white hand and said: "I'm here to receive Mr. Li."

Li Tian saw that she reached out her hand politely, so he also stretched out her hand and gently held her hand together.

Her hands are so soft, as soft as boneless, smooth and tender.

When she said that she was here to receive Li Tian, Li Tian couldn't help being a little surprised, what exactly happened.

"Oh? Receive me?" Li Tian frowned and asked.

The ol beauty in front of her nodded with a smile, exhaled and said, "Yes."

"Our boss called us early in the morning and said that Mr. Li still has a few people to arrive at the airport, so we came to receive Mr. Li..." Only the ol beauty continued.

Li Tian felt more and more strange.

"Her boss? How could her boss know herself?"

Li Tian, who was suspicious in his heart, suddenly heard the old beauty in front of him say: "Mr. Li, we have arranged a hotel for you, please come here."

The old beauty who was talking pointed to the black Audi Q7 in front and said.

Li Tian glanced at the black and white Shuangsha next to him, then Bai Wusha nodded slowly.

Then Li Tian didn't say much. Although he was puzzled and didn't understand what happened, he still had Tang Xiaolong, who was idiotic in front of him, and the cold Aqiu beside him, so he turned to one of the black Audi Q7s.

Li Tian and his brothers were sitting in a car, and the driver was a strange man.

The black and white double brake was sitting in the second car, but the old uniform beauty was sitting in the other two cars with her.

After Li Tian and the others got in, the car swiftly galloped away from the airport with a roar.

Inside the car, but the brothers are a little confused.

Tang Xiaolong blinked a pair of puzzled eyes and looked at Li Tiandao and said, "Little boss, what is going on? Who is that girl? Did you arrange some surprises for your brother in advance?" The guy said and laughed.

Li Tian shook his head slowly.

"I don't know either."

"what?"

"Then why is she being so good to us? Still driving to pick us up?" Tang Xiaolong asked questioningly.

Li Tian honestly felt that this was indeed a bit strange.

He wondered now: Could the woman just now also be sent by the Duanmu family? Could it be that the Duanmu family arranged everything in advance? He wondered.

Tang Xiaolong pointed to the man driving in front and said, "Little boss, or else, I will ask him."

Tang Xiaolong, who was talking, turned to the man who was driving in front and asked, "Hey, brother, ask you something."

The driver in front of that, hearing Tang Xiaolong's words, quickly said with a smile: "Sir, just ask if you have any questions."

Tang Xiaolong smiled and asked, "I want to ask you, who is the beautiful woman in uniform just now?"

"She? She is the manager of the sales department of our Shinhwa Group. Her name is Han and her name is Han Yun."

Hearing what the man in front said, Tang Xiaolong frowned slightly. Li Tian at the back was also puzzled, thinking secretly in his heart: Mythology Group?

"Man, are you really here to pick us up?" Tang Xiaolong in front of him continued to ask.

The man who was driving was stunned, then laughed: "This gentleman is really joking...Of course we are here to pick you up."

"Who asked you to pick us up?" Li Tian couldn't help asking curiously.

The driver thought for a while and said: "It seems to be the order from above, no, we will leave here early in the morning to pick you up..."

"Oh!"

"Then I want to ask, what is the name of the boss of your Shinhwa Group?" Li Tian continued to ask.

He guessed in his heart now that this Mythology Group must have some connection with the Duanmu family...Otherwise, how could these people come to pick them up for no reason?

Just listen to the driver in front saying: "Our chairman's name is Hu, and his name is Hu Rui.

Li Tian was depressed when the driver said the name of their chairman: Hu Rui.

What's wrong, why isn't their chairman named Duanmu? According to Li Tian's guess, since these people can come and pick them up, they should be from the Duanmu family, but from the current situation, they seem to be not. What is going on?

Sitting in the other car is the black and white double brake.

At this moment, I saw Bai Wusha sitting in the car whistling and said: "I guess, the boy named Li must be at a loss now!"

Hei Wuchang next to him said coldly, "Follow him!"

"Yes, this time I came to Liaobei, I just hope that kid will go to the Yuwen family as soon as possible to get that thing done...As for the rest, it's better not to let him know."

"Ok."

"Where is Hu Rui? Do you want to tell him about this?" Hei Wuchang suddenly asked.

The Bai Wusha in front of him sneered and said, "No."

"As the clan owner said, you don't need to let them intervene in this matter. The Shinhwa Group only needs to cooperate with our action this time."

Hearing Bai Wusha said so, that Heiwuchang just snorted in his mouth.

It turns out that Shenhua Group is just a company behind the scenes of the Duanmu family in Liaobei Province.

Although the chairman of this huge listed company is Hu Rui, the real mastermind behind the scenes is indeed the Duanmu family.

Although this seems to be a regular company, the essence of the bone is the blood of the Duanmu family...

And these, as employees of the company, no one knows.

Those white-collar workers and staff may not even have heard of the Duanmu family, but they have been working here...

Han Yun, the beautiful girl in ol uniform sitting in the third car, is one of them.

At the age of 18, he went to Massachusetts for further studies in business administration and economics and obtained a master's degree in emba. At the age of 20, he became the secretary to the chairman of ibm. He returned to China at the age of 23 and joined Shinhwa Group. In Shinhwa Group, Han Yun's name is a miracle symbol.

This beauty who is only 24 years old is now the general manager of sales of Shinhwa Group. Everyone in Shinhwa Group knows that she is extremely capable of working and is an extremely outstanding talent. I think if it was not for Shinhwa Group's high salary to hire her, I guess Long ago was poached by some big companies...

Chapter 449: The huge truth

This woman who has a beautiful appearance and an intellectual atmosphere combined does not know how many men can be fascinated... More than 30,000 employees in Shinhwa Company...Which one does not want to pursue Han Yun? Unfortunately, how many people can be admired by this beautiful Han?

Having said that, Han Yun, the sales general manager of Shinhwa Group, received a call from the chairman this morning and asked her to come to the airport to pick up "Mr. Li."

To be honest, when the chairman had finished speaking, Han Yun was taken aback for a moment, but did not say too much, and did not ask who Mr. Li was.

Isn't this? He brought people to the airport. When he saw Li Tian at the airport, he told the truth that Han Yun almost thought that he had picked up the wrong person.

Had it not been for recognizing the two black and white Shuangsha, Han Yun really thought she might have made a mistake.

Because Li Tian was so young...the young man was about the same age as him. Originally, Han Yun thought that the boss asked him to pick up a person at the level of the chairman of a certain company, but when he arrived at the airport, he found that the receptionist turned out to be Li Tian...

Moreover, Li Tian's dress is relatively casual, except that Tang Xiaolong who is behind Li Tian is more evil and that Aqiu is more cold and strange, other things make Han Yun feel that he is completely ordinary...

But he is such an ordinary person. Can the chairman personally call himself today and let me pick him up?

Sitting in the car, Han Yun frowned Liu's eyebrows slightly, thinking about Li Tian, and honestly she didn't understand.

Of course she does not understand. A strong woman who only knows how to work in a shopping mall, of course, will not know who is behind the scenes of Shinhwa Group? I don't even know that Mythology Group is just an extremely small branch of the Duanmu family...

But Li Tian's identity is different!

He is one of the five elders of the Duanmu family!

Sitting next to Han Yun was a man wearing gold-rimmed glasses. He was handsome, but he had an aura of oily face.

"Sister Han, what is the origin of that surnamed Li? How could the chairman call you this morning and ask you to come and pick him up? How do I think he looks like an ordinary person?"

Listening to the words of this guy with glasses, Han Yun also frowned slightly.

"I do not know."

The man with spectacles next to him continued, "It's really weird that a person who is so commonplace has asked Sister Han to pick him up in person? Really, it's better to send two people casually..." This kid's voice is full of right. Li Tian's contempt and disdain.

Then Han Yun turned her head slightly, Mei Gao glanced at the man with glasses in front of her, and said very upset: "Xiao Zhang, why do you look down on people so much? Always remember the saying that people shouldn't look good!"

"Also, how do you know that Mr. Li is an ordinary person? An ordinary person can let the boss call me to pick him up in person?"

Facing Han Yun's aggressive scolding, the man with glasses suddenly hung his head with an ugly expression, and he dared not say another word.

Han Yun didn't pay attention to the kid anymore, she leaned slightly on the back chair of the leather sofa, and turned her head gently.

To be honest, she was also a little puzzled...

"Who, what does Mr. Li do?"

Han Yun can feel that Li Tian is not a simple person, because Han Yun can see that even the black and white double evil spirits are in front of Li Tian as if they are a generation lower.

Although Han Yun is not very clear about Li Tian, she knows better about the two people of Black and White Shuangsha. What she calls understanding is to know that the identities of these two people are more powerful than the chairman of their Shinhwa Group...

I remember the clearest time, when Han Yun went to the office of Chairman Hu Rui, the black and white Shuangsha sat in their chairman's seat, and where was Hu Rui? He stood there, as if a subordinate was reporting on his work.

Although Han Yun doesn't know who the real identity of the black and white Shuangsha is? But she can feel that these two people are already very difficult.

Now, suddenly there is a young "Mr. Li". Is this "Mr. Li" more powerful?

Along the way, Han Yun was thinking about these questions in her head.

The car quickly drove toward the heart of Liaobei Province.

Towering skyscrapers stood like monsters...the dense traffic lanes kept flowing, and the golden shopping street in the center was overcrowded.

It really is a luxurious city.

Four Audi Q7s swiftly passed through the block and drove quickly towards the Ciborda Hotel.

With a height of 86 floors, Xiboer Hotel is one of the tallest hotels in northern Liaoning Province, and certainly one of the most luxurious hotels.

From a distance, you can see the sign of the Siber Hotel.

When the four black Audis drove quickly toward the Siber Hotel, the hotel's service staff hurried out to greet them.

After the car reached the Siber Hotel, it stopped.

Li Tian and the others got out of the car and stared at the luxurious Siber Hotel in front of them for a moment.

That Han Yun had already walked over with a smile.

"Mr. Li, this is the place we arranged for you. I wonder if Mr. Li is satisfied?" Han Yun said while looking at Li Tian.

Li Tian smiled slightly: "Thank you,"

Then Han Yun said, "Mr. Li is too polite."

"Let's go, please..."

Han Yun who was talking led the way.

Li Tian at the back took the brothers and the black and white double evil spirits and walked towards the inside of the Siber Hotel.

Followed Han Yun in front of him upstairs, and quickly arrived at the hotel room where he was staying.

Everyone is a separate luxurious private room.

"Mr. Li, should you be tired from flying for so long?" Han Yun looked at Li Tian and said with a smile.

The bursts of fragrance from her made Li Tian slightly intoxicated.

Li Tian smiled and said, "It's okay."

"Then you guys will take a break first...what about me? Also go back to the company and say hello to our boss..."

Li Tian nodded slightly: "Okay."

"Then I won't disturb you for now,"

Han Yun, who was talking, took his men and walked towards the bottom of the hotel.

However, after Han Yun left, Li Tian suddenly turned his eyes to look at Bai Wusha next to him and asked, "Who are these people? Could it be arranged by the Duanmu Clan Lord?"

Bai Wusha heard Li Tian in front of him say so, a cold smile appeared at the corner of his mouth and said: "Fifth Elder, you don't know anything, the underground power of our Duanmu family in the country is something you might not have thought of..."

"The people just now are just a small company in Liaobei Province of our Duanmu family..." said Bai Wusha.

Li Tian listened to his heart secretly shocked, the Duanmu family is really big enough!

## Chapter 450: Han Yun

As I guess, those people just now are controlled by the Duanmu family, no wonder they come to the airport to pick themselves up.

"Fifth elder, now we have arrived in northern Liaoning... The clan owner said, let's take a rest for a while, and also told me to tell you about the Yuwen family in the past two days. The five elders are now in the hotel well. Rest...Once we begin to act, we will definitely notify the Fifth Elder." Bai Wusha Yin said with a smile.

Li Tian stood there and nodded.

"Ok."

Then he took his brother and walked towards his private room.

After closing the door, Tang Xiaolong asked excitedly: "Little boss, what the white guy meant just now is that the group of people just now belonged to their Duanmu family?"

Li Tian frowned slightly.

"I guess they are not, but I guess that the behind-the-scenes bosses of Shinhwa Group should be from the Duanmu family, and Hu Rui, the current chairman of Shinhwa Group, must also listen to the orders of the Duanmu family."

Li Tiandao said.

He remembered what happened to Baotong Company when he was in Jinghai City. Wasn't Baotong Company in Jinghai City one of the Duanmu family's underground enterprises in Jinghai City?

Li Tian can imagine from this that the Duanmu family's outside enterprise should be very large.

"It's a pity, it's a pity." Tang Xiaolong just listened to Tang Xiaolong's mouth suddenly tsk.

Li Tian frowned slightly and looked at Tang Xiaolong and said, "What are you sorry for?"

"It's a pity that such a beautiful lady is from the Duanmu family, hey..." Tang Xiaolong said disappointedly.

Li Tian originally thought that this kid was a pity, but he didn't expect to talk about it for a long time. This kid turned out to be a pity. He smiled and said, "It's really nothing."

"However, I think that beauty doesn't seem to know about the Duanmu family?" Li Tian thought for a while and said.

"I guess, maybe she just works in that Shinhwa Group, and doesn't know anything about the Duanmu family."

Hearing Li Tian say this, Tang Xiaolong became excited immediately.

"Huh? Little boss, that's a good thing, I think so... The Duanmu family has always been known for mystery. Although that big beauty works in their company, it does not mean that she is a bad person. Boss, you said I was right?"

Li Tian laughed.

"Yes, Not Bad."

"That's good, that's good." Tang Xiaolong said with a smile, as if very happy.

After Na Han Yun left the Siber Hotel, she got in the car and drove quickly towards the Shinhwa Group.

In the middle, she made a call to the chairman Hu Rui.

Tell Hu Rui that everything has been arranged.

Hu Rui looked very happy on the phone, and said that he would come to the Sibel Hotel in person this afternoon.

Han Yun hung up the phone and sat in the car quietly thinking.

Suddenly the face of Li Tian appeared in her head, and she couldn't help but wonder: Who is he? Can our chairman pay such attention? This made her more and more curious.

The company building of Shinhwa Group stands in the center of Liaoning Province.

You can see the skyscraper of Shinhwa Company from a distance.

After the car entered the parking lot of Shinhwa Group smoothly, it slowly stopped.

Han Yun quickly joined the company.

The huge company in front of me was 20,000 to 30,000 people. When the employees who came in and out of the company saw this beautiful girl from Han, they all shouted with envy in their eyes: Mr. Han.

After Han Yun got on the elevator, she pressed the 18th floor.

Her office was on the 18th floor. After the elevator ding-dong rang, Han Yun walked out of the elevator.

In the sales department, there are basically girls. Every girl is young and beautiful, and is a high-level intellectual.

Black stockings, high heels, and short skirt suits have become the biggest sights in the business department.

When these beauties saw Han Yun coming in, they respectfully called her: Mr. Han.

Han Yun just nodded slightly, and then walked towards her office.

Pushed open the glass door of the office, but saw a large conspicuous rose on the table.

There are a total of 99 beautiful red roses, which are placed upright on her desk.

Show love?

This rose must be someone showing love to Han Yun.

But when Han Yun saw these beautiful roses, her pretty face suddenly became ugly.

"Liu Jing, come to my office." Only Han Yun said.

After a while, I saw a beautiful woman with beautiful bangs coming in from the outside, with a pair of big watery eyes on her round face, not tall, but extremely plump.

"Mr. Han, what's the matter?" Liu Jing, who only heard the incoming question, asked.

I saw Han Yun pointing to the rose flower on the desk with an ugly face and said: "Who sent this?"

Then Liu Jing's expression is a bit awkward...

"It's still him!!"

When he heard the three words "it's him", Han Yun reached out and grabbed the gorgeous rose and threw it to the trash can.

Those tender and crisp roses were thrown into the trash can by Han Yun.

At the same time, Han Yun looked ugly and said with a temper, "Didn't I say it? No one is allowed to bring flowers to my office!"

Then Liu Jing lowered her head and said like a kid who did something wrong: "Mr. Han, I was wrong..."

"You are not wrong once or twice." Han Yun said angrily.

It turns out that within this month, Han Yun could see roses on her desk almost every day, and those red roses are undoubtedly showing her love.

At first, Han Yun didn't pay attention, but she couldn't expect the other party to send it every day.

And when Han Yun knew who gave the flower, she became even more disgusted. Two days ago, she ordered her assistant Liu Jing not to sign for anything, but she didn't expect to send it again today.

That's why she loses her temper.

"Liu Jing, if you dare to let this thing come to my office next time, you'd better leave by yourself." Han Yun said coldly.

After the beauty of Han lost her temper, Liu Jing in front of her could only lower her head and let out a hum.

"Well, you go out." Han Yun waved his hand and said.

Then Liu Jing bowed her head and walked out of the office. After she walked out, her face became ashen, and her mouth murmured angrily: "What drag...really, the son of the Yuwen family is giving you flowers? I can see you... really a dog biting Lu Dongbin!"

The son of the Yuwen family?

Is it the Yuwen family, one of the four major families?

Yes, it is indeed the son of the Yuwen family who has lived for a month to give flowers to the big beauty Han Yun in front of him.

Presumably, no one in Liaobei province does not know the Yuwen family.

The Yuwen family's commerce and industry, as well as the business industry, account for almost a quarter of the entire Liaobei Province. Some people say that if the Yuwen family is willing, then it is estimated that the Yuwen family can buy the second half of Liaobei Province... Of course there are some things. Xu, but this is enough to explain the huge power of the Yuwen family in Liaobei Province.

Now I can't imagine that the person who gave the beautiful Han Han flowers turned out to be from the Yuwen family!
